- I. **The Parties:** This document constitutes an agreement between Tulsa County Technology Center School District No. 18 of Tulsa County d/b/a Tulsa Technology Center (Tulsa Tech) and Independent School District of Tulsa County d/b/a Owasso Public Schools (School District).

- II. **Program Mission/Goals:** The goal of the Tulsa Tech Career Academy Program (TTCA) and the Tulsa Tech Aerospace Academy Program is to prepare students for the world of work by providing an opportunity to earn a high school diploma and obtain occupational training and employability skills. This is accomplished through a cooperative agreement with School District.

- III. **Tulsa Tech's Obligations:**
 - a. Provide quality educational/occupational services to eligible students as space is available (primarily at the Lemley Tulsa Tech Campus or the Riverside Campus – dependent upon the program), that meet the requirements of the Oklahoma State Department of Education (OSDE). Only students who qualify for ADM reimbursement are eligible to be enrolled in a Program.
 - b. Work with School District to identify and recommend students for enrollment who desire to earn both high school credits and complete a career major(s). Reports and updates for any student enrolled by Tulsa Tech will be given to the School District's designee, and the TTCA Advisory Committee for the Career Academy or the Aerospace Advisory Committee for the TTAA Program.
 - c. Administer an assessment to all students consisting of basic academic skills and career interest as part of the enrollment process.
 - d. Meet on a regular basis with selected School District personnel for coordination and information purposes.
 - e. Provide instructional services in alignment with the Tulsa Tech school calendar.
 - f. Provide individualized career plans (ICP) for each student, as developed with designated School District liaison, based on the credits each student needs to graduate.
 - g. Provide transportation for those students who meet Tulsa Tech's guidelines for transportation services.
 - h. Furnish required Program material and supplies.
 - i. Provide Certification of Completion for successful completion of a career major.

- j. Schedule end of Instruction (EOI) testing to be provided by School District personnel for students as required in cooperation with School District's Student Services Department.
- k. Promptly advise School District of students who may have out-of-date or expired IEP's or who may need evaluation for possible special education services.
- l. Provide students with the opportunity to meet the graduation requirements for high school completion as established by the OSDE.
- m. Maintain, to the extent possible, a maximum student to teacher ratio of 1 to 15 in the academic classes.
- n. Report attendance electronically to School District on a monthly basis.
- o. Submit completion of coursework and grades electronically on a quarterly basis to District for recording on the student's transcript/permanent record.
- p. Provide lunches for eligible students in a manner and pursuant to arrangements determined by Tulsa Tech.

IV. School District's Obligations:

- a. School District shall pay Tulsa Tech \$1,750.00 per student accepted for the TTAA or TTCA Program. School District will make an annual payment to Tulsa Tech based on student count as of October 1 with payment due by October 31 of each year.
- b. School District shall provide a change of placement for all IEP students prior to the first day of class who are enrolled in the TTCA or TTAA Program or as soon after the first day of class as is reasonably possible. Students will not enter class until a change of placement in accordance with applicable law has been made. Neither Program is intended for students with severe/profound disabilities (and their inclusion would materially alter the fundamental nature of the programs) or violent offenders as defined by the Oklahoma Judicial System; consequently, those students are not eligible for these programs.
- c. School District shall be responsible for IEP related activities including, but not limited to, identification, evaluation, re-evaluation, meetings, and notifications for students on an IEP or who should be considered for an IEP.
- d. School District shall provide a single point of contact staff member to work with the TTCA or TTAA or program coordinator and case manager to ensure accuracy of student records in relation to review of enrollment, graduation check and other assistance.

You agree to properly post, maintain, and preserve any and all instructions or warnings to passengers in connection with the use of any Units.

LOCK OUT / TAG OUT (“LOTO”)

In furtherance of OSHA's directive contained in 29 C.F.R. § 1910.147(f)(2)(i), which requires that a service provider (an “outside employer”) and its customer (an “on-site employer”) must inform each other of their respective lock out/tag out (“LOTO”) procedures whenever outside servicing personnel are to be engaged in control of hazardous energy activities on the customer's site, Otis incorporates by reference its mechanical LOTO procedures and its electrical LOTO procedures. These procedures can be obtained at www.otis.com by clicking on “Tools & Resources” on the home page, selecting “Lockout Tagout Policy” under the “Safety Information” column and downloading the “Lockout Tagout Policy Otis 6.0” and “Mechanical Energy Policy Otis 7.0,” or the then most current version, both of which are in .pdf format. You agree that you will disseminate these procedures throughout your organization to the appropriate personnel who may interact with Otis personnel while Otis personnel are working on site at your facility and will ensure that such personnel comply with these LOTO procedures while Otis personnel are working on site.

WIRING DIAGRAMS

You agree to provide us with current wiring diagrams reflecting all previously made changes for Units covered by this Contract to facilitate proper maintenance of the equipment as set forth in this Contract. Otis shall maintain the wiring diagrams so that they properly reflect any changes made by Otis to the equipment. These diagrams will remain your property.

SERVICE TOOLS

You are responsible to secure our right to use any special service tools required to maintain your non- Otis equipment. These tools must be provided prior to us beginning maintenance on such equipment.

RESPONSIBILITY FOR THE UNITS

It is agreed that Otis does not assume possession or control of the Units, that such Units remain yours solely as owner and operator, lessee, or agent of the owner or lessee, and that you are solely responsible for all requirements imposed by any federal, state, or local law, Code, ordinance or regulation.

APPLICABLE CODE AND VIOLATIONS

Notwithstanding any other provision to the contrary (including without limitation provisions regarding order of precedence) whether in this document or any other contract document, Otis' work shall be performed in accordance with the applicable law, code, or regulation in effect on the date that Otis submitted to you it's initial proposal and not any subsequently changed, amended, altered, or implemented law, code, or regulation.

You assume responsibility for the cost of correcting all Elevator Code violations existing as of the Commencement Date, as well as throughout the duration of the Contract. If such Elevator Code violations or other outstanding safety violations are not corrected in accordance with this Contract, Otis may, in addition to any other remedies resulting from material breach of your obligations hereunder, with respect to the equipment not meeting Elevator Code requirements, cancel and remove such equipment from this Contract without penalty to Otis by providing thirty (30) days written notice.

THIRD PARTY INTERFACE

Should you require us to interface with a third party, Otis will add an appropriate fee to cover the additional cost associated with this service.

ELECTRICAL AND LIGHTING REQUIREMENTS

You agree to provide a grounded, 3-prong electrical system and proper lighting in the machine rooms and pits.

ACCIDENT

You will provide Otis with written notice within twenty-four (24) hours after occurrence of any accident or incident in or about the elevator (s) and/or escalator(s) that leads to any injury or is alleged to cause any injury. You will provide such written notice to us, and if required by law, to any local authorities. You further agree to preserve any parts that are replaced after such an incident.

ENTRAPMENT

In the event of an entrapment, you will call Otis and wait for a trained and licensed elevator mechanic to arrive, except for a medical emergency situation where it may be appropriate to summon a professional first responder such as police or firemen. You agree that your agents, contractors, employees or representatives shall not attempt to extricate any passengers from an elevator that becomes stalled within the hoistway. Any entrapment responded to by Otis shall be treated as a chargeable service request unless otherwise deemed covered under this Contract by Otis.

ALTERATIONS

You agree not to permit others to make alterations, additions, adjustments, or repairs to the equipment without first notifying us.

TELEPHONE

Otis shall not be liable for any claim, injury, delay, death or loss or property, or damage resulting from telephone equipment failure, false alarms, interruption of telephone service, or "no voice calls", i.e. calls from inside the equipment to OTISLINE™ where there is no verbal response to the OTISLINE™ operator. It is your responsibility to maintain the telephone equipment and have a representative available to receive and respond to OTISLINE™ calls.

PRIVACY

The products and/or services being provided may result in the collection of Personal Information. The Parties will comply with applicable Data Privacy Laws as they pertain to personal information processed in connection with activity under this Contract. "Personal Information" shall mean information and data exchanged under this Contract related to an identifiable natural person. "Processing" of Personal Information shall mean the operation or set of operations whether automated or not, performed on Personal Information such as collecting, recording, organizing, structuring, storing, adapting, altering, retrieving, consulting, using, disclosing, sharing or erasing. "Controller" shall mean the party that determines the purposes and means of processing Personal Information. With respect to any Personal Information provided by you to Otis, you shall be the Controller and you warrant that you have the legal right to share such Personal Information with Otis and you shall be responsible for all obligations relating to that data, including without limitation providing notice or obtaining consent as may be required by law. Once you have lawfully provided Personal Information to Otis, you and Otis shall become co-Controllers. Otis may share such Personal Information internally, across borders and with service providers in accordance with applicable Data Privacy Laws. Otis may transfer information subject to corporate rules of its parent company. Otis may store Personal Information provided by you on servers located and accessible globally by Otis or its parent and their services providers. The parties agree to cooperate and to take reasonable commercial and legal steps to protect Personal Information against undue disclosure. In this regard each party shall notify the other in the event of a data breach, which shall include the actual or unauthorized access to or possession of, or the loss or destruction of, Personal Information, whether intentional or accidental. The party whose system was compromised in the data breach incident shall be responsible for any notifications and associated costs. Should either party receive in any form, (i) a complaint or allegation indicating a violation of applicable data privacy law, (ii) a request seeking access to correct or delete Personal Information or (iii)

an inquiry or complaint related to the processing of personal information, said party shall take reasonable commercial steps to immediately notify the other party.

PURCHASE ORDERS

Any purchase order issued by you in connection with services to be provided by Otis shall be deemed to be issued for your administrative or billing identification purposes only, and shall not be binding upon Otis under any circumstance. The parties agree that the terms and conditions contained herein will exclusively govern the services to be provided.

MATERIAL BREACH BY CUSTOMER

Failure to pay any sum due by you within sixty (60) days will be considered a material breach under this Contract. You agree to pay a late charge from the date such sums become due of one and one-half percent (1.5%) per month (18% per annum), or the highest legally permitted rate, whichever is less, on any balance past due for more than thirty (30) days, together with all costs (including, but not limited to, legal fees) incurred by us to collect any overdue amounts. In addition, the following events shall constitute a material breach of your obligations under this Contract: (1) failure to notify Otis of a dangerous condition or malfunction, or for a Unit that has a dangerous condition or is malfunctioning, to take the unit out of service; (2) failure to provide unrestricted and safe access to all areas of the building in which any part of the Units are located; (3) failure to provide a safe workplace or failure to adhere to our safety requirements; (4) failure to remove hazardous waste; (5) failure to adhere to lock-out/tag-out procedures; (6) failure to upgrade, improve or modernize the Units if Otis reasonably determines that such Units are unsafe to employees, inspectors or the riding public without such upgrades, improvements or modernization; and/or (7) failure to correct Elevator Code violations. In the event of a material breach by you, Otis shall be entitled to immediately suspend the affected Units or terminate service without prejudice to Otis, at its sole discretion.

TERMINATION FOR CUSTOMER'S BREACH

If this Contract is terminated for your material breach or for any reason other than our own default, you agree to immediately pay as liquidated damages, fifty percent (50%) of the remaining amount due under the current term of this Contract. The parties agree that quantifying Otis' losses arising from your material breach or premature termination would be difficult and uncertain, and further agree that the agreed upon formula is not a penalty, but rather a reasonable measure of Otis' damages which are based on Otis' experience in the elevator service industry and the losses that may result from such premature termination or material breach of this Contract.

NOTICE OF TRANSFER OF INTEREST IN PROPERTY

You agree to notify us if the property is sold, there is a transfer of ownership or if there is a change in management of the property. You also agree to advise the new owner, manager or transferee of the existence of this maintenance contract including its terms and obligations. You agree to undertake best efforts to assign the contract to the new owner or successor of the building.

FORCE MAJEURE

Otis shall not be liable for any loss, damage or delay due to any cause beyond our reasonable control including, but not limited to, acts of government, strikes, lockouts, other labor disputes, fire, explosion, theft, floods, water damage, weather damage, extreme weather, traffic conditions, epidemic, pandemic, quarantine (including Covid-19), sabotage, national emergency, act of terrorism, earthquake, riot, civil commotion, war or insurrection, vandalism, misuse, abuse, mischief, or acts of God or nature.

LIMITATION ON DAMAGES

Other than as specifically set forth above, under no circumstances (including third party claims) will either party be liable for any indirect, special, liquidated, or consequential damages of any kind, including, but not limited to, fines or penalties, loss of profits, loss of rents, loss of good will, loss of business opportunity,

additional financial costs, or loss of use of any equipment or property, whether in contract, tort, warranty or otherwise.

INDEMNITY

Otis shall indemnify you for damages related to accidents and injuries to persons or property only when adjudged to have been caused by Otis' sole negligence or willful misconduct. In all other instances, you shall defend, indemnify, and hold Otis harmless against all, damages, losses, costs, and expenses (including reasonable legal fees) in connection with any claims, demands, suits or proceedings made or brought against Otis arising out of or connected with the use, repair, maintenance, operation or condition of the Units or your obligations under, or material breach of, this Contract.

INSURANCE

Otis agrees to maintain the following insurance throughout the term of the Contract: General Liability coverage in the amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate; Automobile Liability in the amount of \$1,000,000 Combined Single Limit for Bodily Injury and Property Damage; Worker's Compensation in accordance with applicable statutory requirements, and Employer's Liability for: (i) bodily injury by each accident, up to the \$1,000,000 applicable annual limit per insured, (ii) bodily injury by disease, each employee up to the \$1,000,000 applicable annual limit per insured. We shall maintain worker's compensation and employers' liability insurance covering our liability for injury or death sustained by our employees, and comprehensive general liability insurance. You shall insure that all risk insurance upon the full value of the Work and material delivered to the job site is maintained at no cost to us. Otis does not participate in SDI programs.

Customer must provide Otis at least 30 days advance notice of certificate holder changes required. Your failure to provide this required notice does not release your obligations to make timely payment under this agreement in accordance with the payment terms.

CERTIFICATES

If either party so requires, in writing, the other party shall furnish a copy of the certificates of insurance evidencing the above insurance coverages.

THIRD PARTIES

We are not obligated to comply or contract with any 3rd party vendors or execute vendor forms not in alignment with our contract terms. While we are not obligated, to the extent that we agree to work with the third party vendor, it will be for administrative purposes only and any costs associated will be passed through to customer. In the event of a conflict between the terms and conditions of this agreement and vendor agreement, this document will prevail.

CONFIDENTIALITY

Customer shall not disclose to any third party the terms of this Contract except as required by law or as necessary for the purposes of obtaining professional legal or accounting advice. This confidentiality provision is an integral part of this Contract and is a material condition upon which this Contract is based and shall survive the termination of this Contract.

ENTIRE CONTRACT

This Contract constitutes the entire and exclusive agreement between us for the services to be provided and your authorization to perform as outlined herein. Except as otherwise expressly stated herein, all prior or contemporaneous oral or written representations or agreements regarding the subject matter herein not incorporated herein will be superseded.

This Contract will be deemed voidable, even after execution, if it is determined at Otis' discretion that performance of the services and/or engagement in the contractual relationship/transaction will violate, or

is otherwise restricted by, any and all laws, regulations and/or orders, including sanctions laws, that are applicable to Otis or otherwise apply to Otis' operations.

OUT OF SCOPE SERVICES

To the extent that work order or purchase order numbers are required for work not included in the scope of this agreement, you agree to provide the required information at the time of service request. Failure to provide all required valid information at the time of the service request does not release your obligations to make payment for completed out of scope services in accordance with the payment terms of this agreement.

AMENDMENT

This Contract may not be changed, modified, revised or amended unless in writing signed by you and an authorized representative of Otis. Further, any manual changes to this form will not be effective as to Otis unless initialed by an authorized representative of Otis.

If access to the web-based applications described in this Section 2.2 is granted, Provider shall provide to School the access credentials within a reasonable time following the Effective Date.

- 2.3 Documentation License. Provider hereby grants to School a non-exclusive, non-sublicensable, non-transferable (except in compliance with Section 11.3) license to use the Documentation during the Term solely for School's internal business purposes in connection with its use of the Services.

4. **School Responsibilities.**
 - 4.1 **General.** School is responsible and liable for all uses of the Services and Documentation resulting from access provided by School, directly or indirectly, whether such access or use is permitted by or in violation of this Agreement.  - 4.2 **Third-Party Products.** Provider may from time to time make Third-Party Products available to School. For purposes of this Agreement, such Third-Party Products are subject to their own terms and conditions and the applicable flow through provisions referred to in Exhibit A.  - 4.4 **Indemnification.** School shall indemnify and hold harmless Provider, its officers, employees, agents and Subcontractors from any and all claims, liabilities, damages, costs, and expenses, including without limitation, attorney's fees, arising from or related to School's adoption and implementation of the Policy, any disciplinary measures or action taken by the School in response to a positive test result, or School's noncompliance with any of the terms of this Agreement.

5. **Security.**

6. **Fees and Payment.**

- 6.1 **Fees.** School shall pay Provider the fees set forth in Exhibit A in accordance with this without offset or deduction.
- 6.2 **Taxes.** All Fees and other amounts payable by School under this Agreement are exclusive of taxes and similar assessments. Without limiting the foregoing, School is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by School hereunder, other than any taxes imposed on Provider's income.
- 6.3 **Payment.** School shall pay all Fees within thirty (30) days after the date of the invoice therefore. School shall make payments electronically or to TEAM Professional Services, PO Box 720534, Norman, OK 73070 or such other address or account as Provider may specify in writing from time to time. If School fails to make any payment when due, without limiting Provider's other rights and remedies, Provider may charge interest on the past due amount at the rate of 1.5% per month, calculated daily and compounded monthly.
- 6.4 **Fee Increases.** Provider may increase Fees no more than once annually for any contract year after the first contract year of the Initial Term, by providing written notice to School at least sixty (60) calendar days prior to the commencement of that contract year, and Exhibit A will be deemed amended accordingly.
- 6.5 **Reimbursable Expenses.** School shall reimburse Provider for out-of-pocket expenses incurred by Provider in connection with performing the Services ("Reimbursable Expenses"), including any costs relating to Third-Party Products or Subcontractor services provided with or incorporated into the Services.

7. **Confidentiality.** From time to time during the Term, either Party may disclose or make available to the other Party sensitive or proprietary information that is marked, designated or otherwise identified as "confidential" (collectively, "Confidential Information"). Confidential Information does not include information that, at the time of disclosure is: (a) in the public domain; (b) known to the receiving Party at the time of disclosure; (c) rightfully obtained by the receiving Party on a non-confidential basis from a third party; or (d) independently developed by the receiving Party. The receiving Party shall not disclose the disclosing Party's Confidential Information to any person or entity, except to the receiving Party's employees who have a need to know the Confidential Information for the receiving Party to exercise its rights or perform its obligations hereunder. Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (i) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (ii) to establish a Party's rights under this Agreement, including to make required court filings. On the expiration or termination of the Agreement, the receiving Party shall promptly return to the disclosing Party all copies, whether in written, electronic, or other form or media, of the disclosing Party's Confidential Information, or destroy all such copies and certify in writing to the disclosing Party that such Confidential Information has been destroyed. Each Party's obligations of non-disclosure with regard

to Confidential Information are effective as of the Effective Date and will expire five years from the date first disclosed to the receiving Party; provided, however, with respect to any Confidential Information that constitutes Sensitive Personal Information, such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to protection under applicable Law.

- 8.1 Provider IP. School acknowledges that, as between School and Provider, Provider owns all right, title, and interest, including all intellectual property rights, in and to the Provider IP and, with respect to Third-Party Products, the applicable third-party providers own all right, title, and interest, including all intellectual property rights, in and to the Third-Party Products.
- 8.2 School Data. Provider acknowledges that, as between Provider and School, School owns all right, title, and interest, including all intellectual property rights, in and to the School Data. School hereby grants to Provider a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the School Data and perform all acts with respect to the School Data as may be necessary for Provider to provide the Services to School.

9. **Representations and Warranties.**

- 9.1 Provider Representations, Warranties, and Covenants. Either party may, at its own expense, on reasonable prior notice, periodically inspect and audit the other party's records with respect to matters covered by this Agreement.

10. Term and Termination.

10.1 Initial Term. The initial term of this Agreement commences as of the Effective Date and, unless terminated earlier pursuant any of the Agreement's express provisions, will continue in effect until **JUNE 1, 2025** from such date (the "Initial Term").

10.2 Renewal Term. This Agreement will automatically renew for up to **1** additional successive term[s] unless earlier terminated pursuant to this Agreement's express provisions or either party gives the other party written notice of non-renewal at least 30 days prior to the expiration of the then-current term (each a "Renewal Term" and, collectively, together with the Initial Term, the "Term").

11. **Miscellaneous.**

- 11.1 **Further assurances.** On a party's reasonable request, the other party shall, at the requesting party's sole cost and expense, execute and deliver all such documents and instruments, and take all such further actions, as may be necessary to give full effect to this Agreement.
- 11.2 **Relationship of the Parties.** The relationship between the parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.
- 11.3 **Entire Agreement.** This Agreement, together with any other documents incorporated herein by reference, constitutes the sole and entire agreement of the parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.
- 11.4 **Assignment.** School shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Provider's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. No assignment, delegation, or transfer will relieve School of any of its obligations or performance under this Agreement. Any purported assignment, delegation, or transfer in violation of this Section is void. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and permitted assigns.
- 11.5 **Force Majeure.** In no event shall either Party be liable to the other Party, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such Party's reasonable control, including but not limited to acts of God, flood, fire, earthquake, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.
- 11.6 **No Third-Party Beneficiaries.** This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.
- 11.7 **Amendment and Modification; Waiver.** No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof will be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, (i) no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof and (ii) no single or partial exercise of any right, remedy, power, or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

- 11.8 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to affect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- 11.9 Governing Law; Dispute Resolution. The parties agree to cooperate with each other in an attempt to resolve any dispute, controversy, or claim (a “Dispute”) arising out of or in connection with this Agreement. If the parties are not able to resolve the Dispute, they agree to submit the Dispute to mediation to be conducted in accordance with the American Arbitration Association (“AAA”) mediation rules for commercial disputes. If the parties are not able to resolve the dispute by means of mediation, the parties hereby agree the Dispute shall be referred to and determined by binding arbitration, as the sole and exclusive remedy of the parties as to the Dispute, conducted in accordance with the AAA arbitration rules for commercial disputes. The arbitrator (the “Arbitrator”) shall use the substantive laws of Oklahoma, excluding conflicts laws and choice of law principles, in construing and interpreting this Agreement. The Arbitrator shall be selected by agreement of the parties, or, in the event the parties cannot agree, appointed by the AAA in accordance with its rules for commercial disputes. The arbitration shall be in Tulsa, Oklahoma, and the proceedings shall be conducted and concluded as soon as reasonably practicable, based upon the schedule established by the Arbitrator. The decision of the Arbitrator pursuant hereto shall be final and binding upon parties. The parties hereby agree that this Section shall not preclude, limit or otherwise restrict a party from seeking immediate equitable relief against the other party in connection with this Agreement, including without limitation, a restraining order or an injunction, when the facts, circumstances and/or possible damages warrant such action.
- 11.10 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

AMENDMENT TO RENEW THE FOOD SERVICE MANAGEMENT COMPANY CONTRACT RENEWAL FOR SCHOOL YEAR 2024-2025

District Name: Owasso Public Schools County/District Code: 72-1011

Fixed-Price Per Meal/Lunch Equivalency (LE) rate charged for SY2024: \$ 2.303

This amendment is to renew the 2023-2024 (original year) food service management company (FSMC) contract between Owasso Public Schools (district) and Sodexo Management, Inc. (FSMC) for renewal year 2024-2025.

The parties desire to amend the contract on June 13, 2024 (date). The term of this contract shall be for one (1) year beginning on July 1, 2024, and continuing until June 30th, 2025, unless terminated by either party.

The Fixed-Priced per Lunch Equivalency rate for the 2024-2025 school year is \$ 2.40.

The SFA and the FSMC Agreed [] Did Not Agree [x] on a labor transaction fee in the original RFP. If it was agreed by both parties, the amount the FSMC will charge the district if an employee leaves is \$ per employee with a maximum charge of \$ (if applicable, if no max type N/A) if all or most employees leave the district.

The lunch equivalency rate listed above shall not go over the March CPI of 4.2% and will remain unchanged for the 2025 school year. The FSMC will not and cannot change the rate before June 30, 2025, or directly bill the district at any time. Any other amendments or changes to the original contract will need to be sent to the State Agency on school letterhead. If applicable, a transition plan will be sent to the State Agency each month the FSMC takes a new employee.

The price of the meal equivalency rate will change for nonprogram revenue annually. This will always be the current school year free reimbursement rate + meal performance incentive rate + value of USDA Foods.

Verbiage/Clarification/Updates for all RFP's**

The 2024-25 FSMC RFP has been updated to reflect the following verbiage. The page numbers referenced and the information below were added to the 2024-25 RFP. The verbiage below will also apply to all FSMC RFP's currently being used. All annual FSMC renewals must include this three-page document, signed by both the SFA and FSMC, as well as the Annual Renewal.

- Page 8, E-1: Added: The district has the option to either submit a copy of their 2022-2023 Detailed Expenditure, Detailed Revenue report, **AND** a copy of their October 2023 claim **OR** complete pages 32-40 in the RFP.
- Page 10, H-2: Added: The FSMC cannot attach or add anything to the RFP once State Agency approval has been granted.
- Page 10, J: Added: Bid Protest verbiage in the case that a protest is requested by a FSMC. In the event of a protest, the SFA shall follow their Bid Protest Procedures in their current Child Nutrition Procurement Plan.
- Page 11, D: Added: This contract constitutes the entire agreement between the SFA and the FSMC and may not be changed, extended orally, or altered by cause of conduct.
- Page 11, E: Added: No provision of this contract shall be assigned or subcontracted without prior written consent of the SFA.
- Page 11, F: Added: Any agreement between the SFA and the FSMC shall be subject to State agency approval.
- Page 12, O: Added: Information regarding the FSMC must annually provide information on food costs and revenues. This includes nonprogram food information per 7 CFR 210.14(f) and the USDA Guidance Contracting with FSMC, Guidance for School Food Authorities. This will be captured on the Attachment M each month and is required. The Attachment M has been updated to reflect this addition.
- Page 13, Q: Added: Information regarding the SFA will determine collection procedures for delinquent student accounts. The FSMC employees may not refuse a child a meal regardless of their ability to pay.
- Page 13, R: Added: The Meal Equivalency Rate includes the Free Rate, Performance Incentive Rate, and the USDA Value of Commodities. This rate will change every year to match the rate in Schedule B Adult/Contract price in CARS. (The meal

equivalency rate will change every year based on the increase to any of the three items mentioned above).

Page 17, VII B: Added: That daily records must be available to support the invoice charges. Breakfast, lunch, and snacks will be listed separately on the invoice. If an itemized invoice is requested by the SFA, but not provided within forty-five (45) days, the SFA has the right to delay payment for non-compliance until received. The Attachment M is required to be submitted with the SFA monthly invoice. The FSMC must use the OSDE approved Attachment M each month.

Page 18, VIII A 1-3: **This is the only part that will not change for any current RFPs, only the 2024-25 RFP.** The employee selection changed to three items instead of four. They are retained only by the SFA, retained only by the FSMC, and once they leave the SFA, the FSMC will rehire the employee. *Now you can select all the box(es) that apply.* If the district has both SFA and FSMC employees, you will select box 1 and 2.

Note: Transition plan for employees leaving the district and being paid for by the FSMC has been removed from the 2024-25 RFP. A FSMC can no longer charge an extra price per meal fee for those employees. The FSMC can never directly bill an SFA.

Page 19, B: Added: Clarification regarding background checks to meet State statute for employees paid for by the FSMC.

Page 19, C: Added: Clarification regarding employees working for the FSMC and/or the SFA and after-hours for outside entities.

Page 20, Q: Added: The SFA Child Nutrition Director, State Agency and USDA Representatives must have access to any kitchen facility, cafeteria, warehouse, or office used for the purposes of the Child Nutrition Programs.

Page 20, R: Added: The district must check both boxes indicating they understand both the FSMC and the SFA Child Nutrition Director must meet the USDA Professional Standards and Hiring Standards.

Page 20, R: Added: Information regarding Professional Development to align with 7 CFR 210.30 and USDA Memo SP 05-2020.

Page 23, XIII D: Added: The SFA reserves the right to receive additional grant money and purchase additional items for the Child Nutrition programs with the grant money, with appropriate crediting procedures applied.

Page 23, XIII E: Added: Information regarding Geographical Preference.

Page 29. G-2: Added: Information added regarding material changes.

Pages 32-40: Added The district has the option to either submit a copy of their 2022-2023 Expenditure Analysis, Revenue Analysis report, Expenditure/Revenue Summary report **AND** a copy of their October 2023 claim **OR** complete pages 32-40 in the RFP.

Page 72: Attachment M updated to reflect the new meal equivalency rate under the nonprogram revenue section. It is the free rate + meal incentive rate + value of commodity rate or the amount listed on Schedule B as well as the program/nonprogram food revenue requirement per 7 CFR 210.14(f).

The signatures below certify that both parties agree with the required changes to the RFP regardless of RFP year currently operating under and renewing.

Guaranteed Maintenance Service Agreement Terms & Conditions

1. The machines listed on this form will receive service during the term of this contract, unless otherwise specified, to include the inspection, adjusting, cleaning and lubrication of machines so covered. This contract also includes repair calls, during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, as reasonably requested, necessitated by causes other than carelessness or improper handling and use of the equipment. If any piece of equipment is regularly operated during more than one eight-hour shift per day, an increase in the annual base rate may apply, at JD YOUNG'S then current rate.
2. This contract does not cover work or replacement of parts made necessary by carelessness, misuse or by accident, including the use of supplies which do not meet manufactures' specifications and which damage the equipment. Attempted inspection, repair, or adjustment of the equipment by anyone other than a representative of JD YOUNG will make this contract void.
3. Liability with respect to any property damage or injury (including death) to persons arising out of, or connected with services performed under this contract, is limited strictly to that imposed by law. There is no contract imposing any greater degree of liability of JD YOUNG or its' representatives.
4. No modification or amendment of this contract will be binding on JD YOUNG unless made in writing and signed by an officer of the Company.

Owa: The transfer of equipment covered by this contract to a location outside JD YOUNG'S normal servicing area will exclude it from this contract. The charges for machines transferred to a different zone within JD YOUNG'S normal servicing area during the term of this contract will be adjusted to the applicable rate for the new zone.

1501 The term of this contract is for the time period indicated on the reverse side. At the end of this initial time period, this contract shall be automatically renewed at the then current maintenance rates in effect at time of renewal unless cancelled at least 30 days prior to contract ending date.

Owa: There shall be added to the fee for this contract any tax now or hereafter imposed on, or in connection with, the sale or delivery or furnishing of such services or materials described herein.

8. If the term of this contract exceeds twelve months, at the end of the first year of the contact and once during each successive twelve month period, JD YOUNG reserves the right to increase the price of the contract.
9. CANCELLATION: Inherent within this contract is the understanding that in order to provide this service, JD YOUNG must rely on the contract remaining in effect for the full contracted time period. Early cancellation will not result in a refund or credit to the customer. In the event the customer wishes to replace the equipment covered by this contract with new equipment purchased from JD YOUNG, full credit of any unused portion may be applied toward a service contract on the new equipment. JD YOUNG may, at its discretion, cancel equipment that is no longer serviceable due to age or condition.
10. Upon termination of this contract, the customer agrees to return unused supplies such as toner, toner waste containers, parts, ink, and masters, which were provided at no charge by JD YOUNG. If for any reason the customer does not return these items, customer agrees to pay JD YOUNG for any remaining items.
11. JD YOUNG reserves the right to cancel or deny performing service and/or supplying any products under the terms of this contract if said customer's account becomes more than 30 days delinquent. The customer will be held responsible for payment in full of invoices in arrears to reinstate coverage or, if any service is performed on the equipment listed in this Service Agreement, all charges for parts, labor and any additional charges related to the service performed. Payment in full of all charges in arrears may be required on delinquent accounts before service calls or supply orders can be made. Any delinquent accounts that are sent to a third party for collections will be held responsible for all or part of the cost incurred by JD YOUNG.
12. JD YOUNG agrees to furnish all supplies as indicated on the reverse side of this contract, to be delivered at accepted intervals in quantities as usage history dictates. JD YOUNG may add a fee to the contract to cover shipping and handling expenses incurred by providing supplies included in this contract. Toner consumption is based on manufacturer's stated yields on standard "letter size" copies. At the end of each billing cycle, the customer may be billed for any ink/toner used in excess of that required based on yields stated above.
13. The customer agrees to use the supplies provided at "no charge" on the appropriate machine(s) as indicated on the reverse side of this contract. The customer agrees not to take designated supplies from one machine to be used in another where supplies are not included as part of the maintenance contract.
14. The customer agrees to replace any supply items as a result of carelessness on the part of the operator, accidents, fire, theft, abuse, and lost or misplaced supplies. The customer must purchase any replacement of supplies as a result of the foregoing from JD YOUNG.
15. **ADDITIONAL ITEMS NOT COVERED BY THIS CONTRACT:**
 - A. Repair or replacement of parts and/or equipment damaged by accident, fire, food, lightning, theft, power failure, abuse, unsuitable environmental conditions, or other circumstances not under the control of JD YOUNG, including the use of an improperly phased and/or under-grounded electrical outlets.
 - B. Service provided at customer's request outside the principle period of maintenance, (8:00 a.m. to 5:00 p.m., Monday through Friday).

Organization’s representative
From whom additional
Information can be obtained: Erin Fleming

Applicant’s phone# & e-mail: 918-230-6611 owassochoirpatrons@gmail.com

Statement of purpose and goals:
To support and promote the choir program with Owasso Public Schools through
fundraising, coordination of volunteers, as well as by providing

OWASSO PUBLIC SCHOOLS APPLICATION FOR SANCTIONING

This application is made pursuant to Title 70, § 5-129.1 of the Oklahoma Statutes. The applicant hereby requests to be sanctioned by the Board of Education of Owasso Public Schools (the "District") to which funds collected and expended by the applicant are exempt from the statutory controls over school activity funds. The applicant affirms that they qualify as a student achievement program, parent-teacher organization, or organization as defined by Section 4.04 of the District's sanctioning policy.

Legal name of applicant: Pamela Hodson PTO Inc

Organization's address: 14500 E. 81st St N
Owasso, OK 74055

Organization's federal ID#: 84-4375751

Organization's representative
From whom additional
Information can be obtained: Kyla Rumpke

Applicant's phone# & e-mail: 918-859-2030 hodsonselementarypto@gmail.com

Statement of purpose and goals:

The pto is organized for the purpose of
Supporting the education of children at
Hodson Elementary by fostering relationships
between the school, parents, teachers and students

Describe your organizational structure and membership requirements:

We have a governing board of 3-12 members who manage the day to day. Any parent, guardian or employee of Hodson is welcome to join the general PTO by paying a \$5 membership fee. That membership entitles them to voting privileges at meetings, including election of the board.

Describe how the District and its students will benefit if the organization is sanctioned:

The money raised by our PTO allows the school to purchase additional educational materials and equipment that the district could not otherwise afford. In addition, an active PTO encourages parents to become involved with the child's school not only with money, but with their time and talents.

The applicant certifies that it does not and will not discriminate with respect to its benefits, membership, programs, operations, or organization on the basis of race, gender, age, religion, national origin or disability.

The applicant acknowledges that the Board of Education has the discretion to sanction or decline to sanction the applicant, and the decisions of the Board of Education are final and non-appealable. The applicant further acknowledges that (a) the Board of Education may, at any time, request the records of the applying organization, which records the organization will promptly make available, and (b) the Board of Education may, at any time it believes it is in the best interest of the District to do so, withdraw sanctioning, and the decision of the Board of Education is final and non-appealable.

The applicant also acknowledges that, in order for the District to consider whether to maintain the sanctioning action of the applicant, applicant shall provide to the Board of Education, in addition to this application, a copy of the organization's current bylaws as well as a statement of financial activity for the most recent completed year of its

operations. The Board of Education may request the applicant obtain an independent audit of its most recent completed year. This application must be delivered to the District's administration office by the 1st day of June prior to the commencement of the application year.

The invalidity or unenforceability of any provision of this Agreement shall in no way affect the validity or enforceability of any other provision of the contract. Except for routine information exchanges, each notice given hereunder must be sent by a nationally recognized overnight delivery service to the principal business office of the other party and shall be deemed given when sent in such a manner. OWASSO HIGH SCHOOL or Station's (Broadcaster's) failure in any instance to object to or take affirmative action with respect to an act or omission of the other which violates the terms of this Agreement shall not be construed as a waiver of that or any future violation. The party waiving such right must provide all waivers in writing.

18) This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument. The exchange of copies of this Agreement and of signature pages by facsimile transmission or by electronic delivery of PDF copies shall constitute effective execution and delivery of this Agreement and such copies may be used in lieu of the original Agreement for all purposes.

IN WITNESS WHEREOF, the parties hereto have caused the foregoing contract to be signed by a duly authorized agent of each party, as of the Effective Date.

ARRIVAL/DISMISSAL PROCEDURES

Doors open at 8:45 a.m. for student arrival. The elementary school day begins at 9:00 a.m. and ends at 3:45 p.m.

ELEMENTARY SCHEDULE GRADES PreK-5

- **ARRIVAL:** After students arrive at school they are not permitted to leave school property during school hours, except in the company of the adult guardian.
- **EARLY DISMISSAL:** If it becomes necessary for you to pick up your child before regular school dismissal, go to the office to sign out your child. Early dismissals will be counted as a tardy or absence depending on the time of day. No student will be dismissed from the classroom until the teacher receives appropriate notification. Only persons listed in PowerSchool will be allowed to pick up a child. This is a protective measure both for your child and school personnel.
- **PUNCTUALITY:** It is important for students to arrive at school **on time**, so the class can begin promptly. If children arrive late, they start the day already behind in their instructional day. It can also be a disruption to the teaching/learning process.
- **DISMISSAL:** Dismissal procedures are specific to each school site. Please make arrangements with your child regarding their after school plans for transportation. If there is a change to your child's transportation or dismissal plans, please call the school office and communicate those plans by 2:00 p.m.

ASSIGNMENTS

MAKE-UP WORK

1. When a student is absent longer than two (2) days, the parent may call the school to request assignments on the third day.
2. When students are absent, they have the number of school days they were absent plus one school day to complete assignments. (Example: If a student is absent 3 days, the student has 4 days to complete the homework.)

[POLICY 5.03](#)

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18. When students are absent just two days per month - even when the absences are excused - it can have a negative impact. **This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this equals 234 days, which is almost 1 ½ years of school missed.**

“A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll” Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child’s absences, whether they’re physical or emotional, and taking advantage of support services, such as tutoring and student mentoring, we can partner with you to set your child on the path to success.

ATTENDANCE PROCEDURES/POLICY

Pre-K instructional time is equal to 2.5 hours for the morning and 2.5 hours for the afternoon. Please go to your school’s web page for specific starting and ending times.

- If your child is absent from school, please call the attendance number of your child’s school to report the absence between 8:15 a.m. and 9:30 a.m. each day he/she is absent.
- Half-Day: In order for a student to be credited for a half-day of attendance, a student must be in attendance two of the first three hours of the school day to be recorded present for one-half day. Likewise, a student must be in attendance two of the final three hours to be recorded present for one-half day. (Per Accreditation of Oklahoma Schools)
- **If an absence is anticipated, please notify the teachers and attendance office ahead of time. Parents who will be out of town and unable to contact the attendance office in case their student is absent must contact the attendance office before leaving town and designate the person/persons responsible for clearing their student’s absence notifying the school of the student’s absence while they are unavailable.**
- Any student who is not at school will be charged with an absence, whether it is excused or unexcused. An absence is considered unexcused until a parent calls the attendance office.
- Excessive tardiness causes students to miss out on valuable instruction. Excessive tardies may result in consequences.
- Any child running a fever is not permitted to be at school. **Children MUST be fever free for 24 hours without the aid of fever reducing medication before returning to school.**
- Scheduled medical appointments will be viewed as excused tardies with a note showing verification from a medical professional. **Early dismissal will be considered unexcused unless written documentation is provided from the appointment.**
- **Parents of students who have excessive absences will be notified.**
- In the event of absences occurring due to a chronic or recurring illness, documentation by the student’s doctor indicating the nature of the chronic or recurring condition, including diagnosis is required, per [5.03](#)

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school’s educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take

PROHIBITING HARASSMENT, INTIMITDATION AND BULLYING POLICY [5.13](#)

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. (“Act”). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district’s policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools’ student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term bullying,” as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school’s educational mission or the education of any student that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student’s property;
- C. Place another student in reasonable fear or harm to the student’s property, or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school’s educational mission or the education of a student.

2. The “Reasonable Person” Standard

In determining what a “reasonable person” should recognize as an act of placing a student in “reasonable” fear or harm, staff will determine “reasonableness” not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully;

or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors

and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also policy 1.43)

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's webpage.

Staff Reporting

An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non-certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities

Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property

Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

Students are only allowed to do this until their account reaches a negative balance of ten dollars (-\$10.00) before money is required to be deposited to pay off the charges and provide for more meals. BED BUGS GUIDELINES

While inconvenient and a nuisance, bed bugs do not cause disease and can be effectively eradicated. A diagnosis of bed bug bites or exposure should not disrupt the educational process.

Upon discovering bed bugs, known exposure or a suspected bite, a child's parent should be notified by the nurse and treatment options discussed. It is not necessary or effective to do school-wide or classroom-wide checks. Anyone that has had known close contact may be checked as well. The ultimate responsibility for bed bug checks, treatment and control lies with the parents. Children who have known bed bug exposure and/or bites can be checked at the nurse's discretion or if a parent requests. The school nurse's goals are to facilitate an accurate assessment of the problem, provide appropriate resources for treatment and prevention, and minimize school absences. Except for provisions allowed in the district Medication Administration Policy, **students may not retain possession of or self-administer any medication.** Student's requiring medication at school must report to the School Nurse's office for appropriate paperwork and storage of medication. **Narcotic medication**

However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. RESIDENCY

Oklahoma law provides a definition of “residence” for children attending school at 70 O.S. Section 1-113. If a child is between the ages of five and twenty-one, they are entitled to attend school free of charge in the district of residence. State law provides that a child’s residence for school purposes is the school district in which the (1) parents, (2) guardian or (3) person having legal custody of the child holds legal residence. Children may also establish residency if their attorney-in-fact is a resident of the district. Owasso Public Schools does not permit students to establish residency based on the affidavit of a person who has assumed permanent care and custody of the child under Okla. Stat. tit. 70 O.S. Section 1-113. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on residency POLICY [5.23](#)

SEXUAL HARASSMENT

All students, employees, and Board members are strictly prohibited from engaging in any form of sexual harassment of any student, employee, and applicant for employment, vendor representative, or patron of the School District. In the case of a student of the School District, “sexual harassment” is defined as unwelcome sexual advances, requests for sexual favors, and other unwelcome verbal or physical conduct of a sexual nature by any person towards a student. Any student engaging in sexual harassment is subject to any and all disciplinary action which may be imposed under the School District’s Policy on Student Behavior. Any employee or student who is or has been subjected to sexual harassment or knows of any student or employee who is or has been subjected to sexual harassment shall immediately report all such incidents to either the superintendent, assistant superintendent, principal, assistant principal, or any Board member of the School District. If a report of an incident needs to be made after normal school hours, the above-listed individuals may be contacted at home. It is preferred that all such reports be made in person or in writing signed by the reporting party. However, in order to encourage full, complete, and immediate reporting of such prohibited activities, any person may report such incidents in writing and anonymously by mailing such reports to the personal attention of any of the above-designated persons. All such reports should state the name of the alleged harassing student, employee, or Board member, the person(s) being harassed, the nature, contacts and extent of the prohibited activity, the dates of the prohibited activity, and any other information necessary to a full report and investigation of the matter. The School District will investigate all reports.

STUDENT DISCIPLINE POLICY

One of the most important phases of a person’s educational development is that of learning proper behavior, cooperation, respect, and self-discipline. Without these characteristics, it is difficult for a person to maintain the proper attitude to develop intellectually. It is the school’s responsibility as a part of the total educational process to assist the student in the development of self-discipline.

In addition, when the principal determines to impose alternative in-school placement or other correctional measures against a student, the student will not be permitted to participate in any extracurricular activities offered by the school during the term of the discipline unless, in the sole judgment of the principal, such participation is appropriate given the nature of the student's offense.

DUE PROCESS AND STUDENT SUSPENSIONS

Alternative in-school placement, detention, and similar disciplinary options or correctional measures are not considered by law to be out-of-school suspension and do not require or involve due process procedures.

Suspension and Change of Placement Terms

All suspensions and changes of placement will have a definite start and end date. The term may be reduced if a student performs a specified remedial act if those conditions are agreed to at the time of the suspension or change of placement. Term lengths will be as consistent as possible between students considering the nature of the conduct and the previous disciplinary history of the student.

Long-term suspensions and changes of placement are those in excess of ten (10) school days. Suspensions and changes of placement will not extend beyond the current school semester and succeeding semester, except in the case of possession of a firearm, in which case a suspension shall be for a period of not less than one (1) calendar year. Suspensions involving firearms are governed by the school district's Gun-Free Schools Student Suspension policy.

Short-term suspensions are those suspensions of ten (10) or fewer school days.

Short-Term Suspension Appeals (10 or fewer days)

A parent or student may appeal the suspension decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension and the method for appealing. An appeal must be presented, electronically or in writing, to the principal within three (3) days(excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in session) of the decision, the principal's suspension decision is final. The principal shall assemble a committee within three (3) days (excluding days when school is not in session) of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal the student will be placed in In-House Suspension and the days spent in In-House Suspension will not count towards days of suspension.

Long-Term Suspension or Change of Placement Appeals

Site Level - 1st Level of Appeal

A parent or student may appeal the suspension or change of placement decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension or change of placement and the method for appealing.

An appeal must be presented, electronically or in writing, to the principal within five (5) days (excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in session) of the decision, the principal's decision is final. The principal shall assemble a committee within five (5) days (excluding days when school is not in session)of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal, the student will be placed in In-House Suspension and the days spent in In House Suspension will not count towards days of suspension or change of placement.

District Level - 2nd Level of Appeal

In the event the complainant does not accept the decision of the review committee, he/she may appeal to the Assistant Superintendent of Teaching and Learning, who will assemble a 5 person committee of

district level administrators.. The request to appeal must be received by the Assistant Superintendent of Teaching and Learning within 5 days (excluding days when school is not in session) after the parent receives the decision from the site-level committee. If the request is not received within this time-frame, the site-level committee decision is final. In the event the complainant does not accept the decision of the Assistant Superintendent of Teaching and Learning, he/she may appeal to the Owasso Board of Education, within 5 days (excluding days when school is not in session) of receiving the decision from the assistant superintendent.

Board of Education or Designated Hearing Officer - 3rd Level of Appeal

An appeal must be presented, electronically or in writing, to the superintendent within five (5) days (excluding days when school is not in session) days after the parent/student receives the assistant superintendent's decision. If the superintendent does not receive a written appeal within five (5) days (excluding days when school is not in session) of the assistant superintendent's decision, the assistant superintendent's decision is final. If the board receives a timely written appeal request, the board or an appointed hearing officer, will hear the appeal as soon as possible. This decision is final and non-appealable.

Board Hearing Procedures

The parent/student will be notified in writing of the date, time and place of the hearing and will have the right to choose an "open" or "closed" hearing. Reasonable efforts will be made to accommodate the work schedule of parents. The following procedures will be followed:

1. The board president or the appointed hearing officer should:
 - a. Announce that the next agenda item is a suspension or change of placement review hearing.
 - b. Ask whether the parent/student wants the hearing to be open to the public or in executive session. The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.
2. The board president or hearing officer should advise the parent/student:
 - a. That they are entitled to legal counsel, if they desire it.
 - b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
 - c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.
 - d. That the board or its hearing officer will consider the evidence and documents and

- reach a decision that will be recorded by vote in open session.
- e. That the parent/student may ask any questions about the procedure.
3. Administration may call witnesses and present documents subject to cross-examination.
 4. Parent/student may call any witnesses and present documents subject to cross-examination.
 5. After each witness is presented board members or the hearing officer may ask the witness questions.
 6. Parent/student's closing statement.
 7. Administration's closing statement.
 8. Deliberate in private. (If the hearing is not in executive session, the board or its hearing officer may deliberate in executive session only with permission of the parent/student.)
 9. Return to open session and vote. After adopting a motion making certain findings of fact the board must make a motion to:
 - a. affirm the suspension;
 - b. modify the suspension or change of placement (increase or decrease severity of the suspension or change of placement)
 - c. revoke the suspension or change of placement. If the hearing is before a hearing officer, no motions will be required as a part of the hearing process; otherwise, the hearing officer will have the same obligations as the board when rendering a decision.

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

TECHNOLOGY: PERSONAL COMMUNICATION DEVICE USAGE

1. Personal communication device (cell phone, smartwatch or similar devices) usage is not permitted during school hours.

TELEPHONE

2. Students must have permission from a teacher and/or office personnel to use the school telephone.
3. Outgoing calls are to be made only in cases of emergency, such as illness or inclement weather. Permission to go home with a friend or change plans after school does not constitute an emergency.
4. Recommendation is made that the parent and child work out an agreement at the beginning of the term as to where the parent will meet the child during bad weather, thus saving some telephone calls.
5. Students will be called to the telephone only in cases of emergency. We discourage parents from calling their children at school and asking office personnel to deliver messages unless it is an emergency. Principals will assist their staff in managing these processes.
6. Please make arrangements with your child regarding their after school plans for transportation. Please do not hesitate to call the school office and communicate those plans by 2:00 p.m. **This allows the school ample time to communicate changes with the student.**

TESTING

All Owasso elementary schools comply with state mandated testing requirements. Your child's school will communicate site specific testing information.

TEXTBOOKS/CHROMEBOOKS

Students are responsible for the textbooks and chromebooks issued to them. Each student will be expected to pay for any textbooks or chromebooks lost or damaged. The fee for damages varies

depending upon the severity of damage. Lost or damaged textbooks, library books, and chromebooks will be assessed at replacement value. Parents will be notified by school staff when materials are lost or damage occurs that results in an expense to parents.

The [Student Technology Insurance Program](#) has been established to provide parents the opportunity to purchase insurance for 1:1 student technology devices. The insurance program is voluntary, but families are highly encouraged to participate.

TOBACCO POLICY

Students are not allowed to use tobacco or be in possession of tobacco in school buildings, school vehicles, including buses, or on the school campus. Possession of tobacco will be defined as any form of tobacco being on a student's person or in his/her purse, locker, gym bag, or vehicle. Electronic cigarettes and/or vaping products are not allowed. Violation of this policy will result in disciplinary action.

TRANSPORTATION

BICYCLES

The parent should consider the following recommendations:

1. The bicycle should be in good repair and meet all safety standards.
2. The rider should know and observe all traffic laws.
3. Bicycles are to be parked at the bicycle rack upon arriving at school and not ridden again until school is dismissed.
4. The school will not be held responsible for stolen bikes. **We strongly recommend padlocks on bicycles.**
5. Students are to walk their bicycles at all times while on school grounds.

BUSES

Transportation in district-owned buses is furnished to students who reside one and one-half miles or more from the school. All buses used by the Owasso Schools meet the requirements of the State Board of Education and operate in compliance with their regulations. All students are expected to regard the bus as a classroom and conduct themselves appropriately. Safety is stressed at all times.

The driver of the bus is a school official and has the same authority as a classroom teacher over the students in his/her care. After a student gets on the bus, he/she is under the supervision of the bus driver and is expected to help him maintain discipline in order to prevent serious accidents. The driver has authority and is expected to look after the welfare of all students under his/her care. Any student may be removed from the bus that persists in disobeying regulations. After getting on the bus, no student is to depart from the bus until it reaches school in the morning or arrives at the designated place for him/her to leave the bus in the evening, except by special permission from the driver. **A note signed and dated by the parents would be necessary for permission to be given for the student to ride a different bus than normal.**

RULES FOR BUS RIDERS

Bring a note signed by your parent if you are to do anything other than ride your usual bus. The note is due the day of the change. An unexpected change in afternoon plans must be called in before 2:00 p.m.

1. Use a safe route in walking to and from the bus stop. Walk facing traffic, if at all possible.
2. Be on time at school bus stops. Avoid having to run to catch the bus or having the school bus wait for you.
3. Always use the handrail when getting on or off the school bus.
4. Be seated immediately.
5. Keep the aisle clear.
6. Keep all parts of your body inside the bus at all times.
7. Do not throw things out of the school bus windows.
8. Do not eat or drink while on the school bus.
9. Do not be loud or boisterous.

13. Do not walk behind the school bus when it is loading and unloading.
14. Do not open or close the school bus doors.

WALKERS AND CAR RIDERS

3. Parents should not leave their children at a school outside of school hours as the supervision of students is a priority.

VISITORS

Parents are welcome to visit the school. All visitors must sign in and out in the main office, and provide identification, and are required to use our school identification process. All visitors must wear a visible visitor's badge/sticker while on a school campus. Student visitors are not permitted on campus. A parent needing to see his/her child during the school day should report to the main office.

Visitors can be asked to leave by administrators at any time. Visitation privileges can and will be revoked if deemed necessary by administrators and SRO's. If you need to visit a teacher, please call the school office or email your child's teacher to make an appointment. Scheduling a visit will help to prevent disruptions to the educational process. Visitors are not permitted on the playground during school hours, nor are they permitted to stand or park near the playgrounds. The school will contact the Owasso Police Department to report loitering individuals near the property. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on visitors. [POLICY 1.44](#)

VOLUNTEER GUIDELINES

Volunteers are welcome and appreciated at school sites. Specific needs for volunteers vary from site to site. Contact your child's school for details.

- Volunteers are expected to adhere to confidentiality regarding any student information and/or situations that they may encounter.

- Any obtained information should NOT be shared on or off school grounds. Concerns should be reported to appropriate school personnel.
- Please contact the site principal, or their designee, for additional requirements, expectations, and guidelines.

[Policy 1.22a](#)

The goal of this handbook is to inform parents and students of school guidelines. In addition, a goal of this handbook and all school rules is to help foster fully capable, independent, young adults. We know that goal requires the support of parents and we welcome that partnership.

ATTENDANCE

ARRIVAL AT SCHOOL

Students should not arrive at school until after 7:10 a.m. The building will not be open before then. Students are to be seated in the designated areas until dismissed by the duty teachers. Classes begin at 8:00 a.m. and end at 2:45 p.m. Once at school, students may not leave campus unless checked out by a parent/guardian.

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits,

avoid dangerous behavior and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law and encouraged by the Owasso Public School District. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18. When students are absent just two days per month - even when the absences are excused - it can have a negative impact. This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this adds up to 234 days, which is almost 1 ½ years of school missed.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child's absences, whether they're physical or emotional, and taking advantage of support services, such as free tutoring, student mentoring and after school activities, we can partner with you to set your child on the path to success.

ATTENDANCE PROCEDURES/POLICY

1. Anytime a student is absent from school, a parent/guardian should call the school office for each day the student is absent. Any student who is absent is considered unexcused until a parent/guardian calls the attendance office.
2. In the event of absences occurring due to a chronic or recurring illness, documentation by the student's doctor indicating the nature of the chronic or recurring condition, including diagnosis is required, per [5.03](#)
3. Anytime a student arrives after 8:00 a.m. he/she must check in at the attendance office before going to class. A parent/guardian should call the attendance office to report the tardy.
4. Anytime a student arrives for first period after 8:10 a.m., it will be counted as an absence for first hour.
5. **The maximum number of days that a student may be absent and still receive high school credit for the semester is nine. The maximum includes BOTH excused and unexcused absences.** It does not include student activities. ~~(note: this applies only to students in the 8th grade who are taking courses for high school credit)~~
6. Parents of students who have excessive absences will be notified in writing. Attendance is a priority for all Owasso Public School students.
7. There are two types of absences: excused and unexcused. School work missed because of an **excused** absence is to be made up by the student. It is the responsibility of the student to check with the teachers to see what work was missed and when it is due. A student going on a field trip, an activity trip, or must check before the trip with his/her teachers for his/her assignments. The student will receive full credit for the make-up work when it is turned in, on or before the specified time. For excused absences a student will receive a day for every day out. For a school activity, work is due on the due date or immediately upon return.
8. "A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll" Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

ATTENDANCE INCENTIVE – SEMESTER TEST EXEMPTIONS

All students are required to take each of their semester finals in the fall semester. Students may exempt Spring semester finals if they meet the following **FULL** year requirements. Classes for high school credit may require a semester test worth up to, but no more than 15% of the course grade.

1. 10 absences for the full year and an 85% in both semesters of the class.

The only type of absence that does not count against exemptions is the Student Activity (SA) absence. Students who are exempt are not required to come to school during the hour of that final.

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take appropriate action. Students may make a report and all information will be confidential, and if you wish you have the right to submit the report anonymously. Visit the [Bullying Prevention page on the OPS website](#) for more guidance, reporting, and resources. ~~Please refer to the Owasso Public Schools Board of Education Policy link for more information on Bullying. POLICY [5.13](#), [5.45](#)~~

PROHIBITING HARASSMENT, INTIMIDATION AND BULLYING POLICY [5.13](#)

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted

individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student's property;
- C. Place another student in reasonable fear or harm to the student's property, or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or

student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy

of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also policy 1.43)

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's web page.

Staff Reporting

An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non-certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities

Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property

Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

Parents or eligible students have two weeks following this publication or notice to advise the school district in writing (a letter to the school superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about their student. POLICY [5.28](#)

DRESS and GROOMING GUIDELINES

The school policies are the result of the cooperative effort of the school board and the administration. It is understandable that criteria be established to prohibit extreme styles and designs in clothing which might disrupt the education process or endanger the health and safety of pupils. The following dress and grooming policy applies at school, while on school vehicles, or going to or from or attending school events. **The principal and assistant principal have total authority in the interpretation of the dress code.** If situations arise that are not specifically covered in the guidelines, the administration will interpret the situation in light of the basic intent of the policy and that ruling will be final until such time that the policy is revised or changed to cover this situation.

"Illicit drugs" include steroids and prescription and over-the-counter medications being used for an abusive purpose, i.e., when they are not used in compliance with the prescription or directions for use and are not being used to treat a current health condition of the student. "Mood-altering substances" include paint, glue, aerosol sprays, and similar substances. Violation of this rule will result in imposition of disciplinary measures, which may include suspension for the remainder of the current semester and the following semester. The length of a student suspension for violation of this rule may be shortened in some cases at the discretion of the building principal provided that:
 - i. The suspended student completes the school drug and alcohol education program counseling and

 - b. Copies of these rules shall be provided to all students and their parents at the beginning of each school year.

EARLY DISMISSAL

If it is necessary for a student to leave school before the end of the day, a verified parent/guardian must come into the office and sign the student out and the student must sign back in upon returning to school. Any student leaving campus without checking out through the office will be considered truant.

If a student should need an early dismissal with someone other than a parent/guardian, a parent/guardian must call the office, identify the person and give permission for them to pick up the student. In order to maintain student safety, notes cannot be accepted for early dismissals. Early dismissals do NOT include lunch dismissals. Students checking out for lunch may only be signed out by those that are previously identified on InfoSnap. **Notes or calls will not be accepted for lunch dismissals.**

EMERGENCY PROCEDURES

- Each building is equipped with its own fire alarm signal and procedure.
- Students will know and use the proper exit from anywhere in the school building.
- Students will evacuate the building upon direction.
- Teachers will check rolls once clear of danger.
- Fire Drills are practiced on a regular basis.

TORNADO DRILL PROCEDURES

- Each building is equipped with its own tornado alarm signal and procedure.
- Students will 'duck and cover' in areas designated by the building principal.
- Tornado Drills are practiced on a regular basis.

SECURITY DRILLS

- Security drills are practiced on a regular basis.
 - a. lockdown drills - security threat inside the building
 - b. lockout drills - security threat outside the building

In the event of an emergency, parents or guardians are encouraged NOT to initially respond to the school during a crisis. This will allow city and school officials to assess the situation and activate the school's crisis plan. Should there be an emergency (national, local or school), **parents are asked to:**

- Cooperate with safety and school officials.
- Wait for notification of how and when to respond. This notification will come via the Owasso Public School's communication tools and local media. ***It is imperative that you refrain from using cell phones to contact your student as the overload will impair emergency personnel from performing their duties.***

EXTRACURRICULAR ACTIVITIES, CLUBS AND ORGANIZATIONS

Clubs and other organizations are offered on a voluntary basis. Wholehearted participation in these activities is encouraged. **In order to attend practice or participate in an extracurricular activity, a student must be in attendance three hours on the day of the activity. Failure to be in attendance will result in the student being withheld from the activity.** Students participating in school activities are subject to eligibility rules. **A student who is ineligible shall not be allowed to miss school or be approved to participate in any school activity, during the school day or after the school day.** Academics come first; passing grades take priority. In the instance where the school activity is a part of a

performance-based class where participation in the activity is required for a grade, an alternative assignment may be used as a substitute for the missed school activity. Academic eligibility will be monitored on a weekly basis per Oklahoma Secondary School Activities Association guidelines. All students participating in Oklahoma Secondary Schools Athletic Association (OSSAA) sanctioned activities are subject to all residency requirements. For complete details of these requirements and guidelines, go to: www.ossaa.com. All clubs are required to maintain a charter or constitution and to function in accordance with its guidelines. A student appealing a teacher's/sponsor's/coach's decision cannot participate in extracurricular activities until the appeal process has been completed. All students involved in competitive extracurricular activities will be subject to random drug testing. Parents must submit a signed consent form **before** participation. Students are not allowed to participate until the signed consent form is submitted. A list of organizations is provided on the [OPS website](#).

GUIDANCE AND COUNSELING PROGRAM

Our school counseling offices are available to support students in the areas of academic, career, social and personal issues. Students should sign up in the counseling office to see a counselor. The counselor will send for the student during the day as soon as possible. Crisis situations will be addressed immediately. Students, parents and teachers are encouraged to refer individual students to the counseling staff when they have a concern about the well-being of a particular student. Referrals for outside resources are made on an informal basis and are optional for students or parents. Small group counseling is utilized to address academic issues within the classroom. Mediation is available to students who are experiencing conflict with another student that has not reached a level requiring disciplinary action. Referrals to local counseling resources are available.

GRADING PRACTICE

- Our schools want to have strong communication with parents about their child's academic progress. We take that responsibility seriously.
- Parents have a right to be updated about their child's academic progress and Owasso Public Schools has provided various tools for that purpose.
- The electronic grade book is available to parents on-line, 24 hours a day, to accommodate a variety of schedules.
 - A parent will be able to see individual grades for each assignment as well as their child's average in each subject.
 - We encourage our teachers to take two grades a week in each subject but shorter weeks, holidays, or special projects may affect that expectation.
 - If there are challenges in accessing grades on-line, the office staff at their child's school is more than willing to help parents.

- Regular academic progress will be up to date on PowerSchool and shared with the parents on the following schedule:
 - Report of Progress (End of 1st Nine Weeks)
 - Report Card (End of 1st Semester)
 - Report of Progress (End of 3rd Nine Weeks)
 - Report Card (End of 2nd Semester)
- Classroom teachers will utilize parent conferences to visit face-to-face with parents to discuss their child's progress.
- Should communication about grades be needed by either the parent or the teacher, that can happen at any time during the school year.
- Teachers will respond as quickly as possible to parents, but the first priority is always serving the children in the classroom. Therefore, it may be the next day before a grading question is answered. A child's academic success is a team effort between home and school. We're serving students together!

GRADUATION REQUIREMENTS

A total of twenty-three units of credit must be earned during the four years of high school. The specific requirements for graduation are listed in the secondary course guide. A student receives .5 unit of credit for each semester that he/she receives a passing grade in a given subject for high school credit. [See Course Guide](#)

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called Neisseria meningitis. The disease causes either meningitis, severe swelling of the brain and spinal cord or meningococemia, a serious infection of the blood.

Vaccines can prevent many types of meningococcal disease, but not all types. This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. Oklahoma law provides a definition of “residence” for children attending school at 70 O.S. Section 1-113. If a child is between the ages of five and twenty-one, they are entitled to attend school free of charge in the district of residence. State law provides that a child’s residence for school purposes is the school district in which the (1) parents, (2) guardian or (3) person having legal custody of the child holds legal residence. Children may also establish residency if their attorney-in-fact is a resident of the district. Owasso Public Schools does not permit students to establish residency based on the affidavit of a person who has assumed permanent care and custody of the child under Okla. Stat. tit. 70 O.S. Section 1-113.

All such reports should state the name of the alleged harassing student, employee, or Board member, the person(s) being harassed, the nature, contacts and extent of the prohibited activity, the dates of the prohibited activity, and any other information necessary to a full report and investigation of the matter. The School District will investigate all reports.

The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.
2. The board president or hearing officer should advise the parent/student:

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property, or would be a substantial disruption of the educational process. The days in "in-house" will not count toward the days of out of school suspension.

The Superintendent or his/her designee should hold a conference with the parent or guardian as soon as possible after receipt of the appeal. The conference will be held during regular school hours, Monday through Friday, with consideration given to the hours of working parents whenever possible. At the conference, the Superintendent or his/her designee will read the policy, rule, or regulation the student is charged with having violated and will briefly outline the conduct on the part of the student. The parent should be asked by the Superintendent or his/her designee if he/she understands the rule and the charges against the student. At the conclusion of the conference, the Superintendent or his/her designee will state whether he/she will uphold, terminate or modify the out-of-school suspension. In all cases the parent will be advised of his/her right to have the suspension reviewed by the Board of Education.~~

5. Students are to walk their bicycles at all times while on school grounds.

BUSES

Transportation in district-owned buses is furnished to students who reside one and one-half miles or more from the school. All buses used by the Owasso Schools meet the requirements of the State Board of Education and operate in compliance with their regulations. All students are expected to regard the bus as a classroom and conduct themselves appropriately. Safety is stressed at all times.

The driver of the bus is a school official and has the same authority as a classroom teacher over the students in his/her care. After a student gets on the bus, he/she is under the supervision of the bus driver and is expected to help him maintain discipline in order to prevent serious accidents. The driver has authority and is expected to look after the welfare of all students under his/her care. Any student may be removed from the bus that persists in disobeying regulations. After getting on the bus, no student is to depart from the bus until it reaches school in the morning or arrives at the designated place for him/her to leave the bus in the evening, except by special permission from the driver. **A note signed and dated by the parents and a building administrator would be necessary for permission to be given for the student to ride a different bus than normal.**

RULES FOR BUS RIDERS

1. Bring a note signed by your parent if you are to do anything other than ride your usual bus. The note is due the day of the change. **An unexpected change in afternoon plans must be called in before 1:45 p.m.**
2. Use a safe route in walking to and from the bus stop. Walk facing traffic, if at all possible.
3. Be on time at school bus stops. Avoid running to catch the bus or having the bus wait for you.
4. Always use the handrail when getting on or off the school bus.
5. Be seated immediately.
6. Keep the aisle clear.
7. Keep all parts of your body inside the bus at all times.
8. Do not throw things out of the school bus windows.
9. Do not eat or drink while on the school bus.
10. Do not be loud or boisterous.
11. Absolutely no distracting behavior is allowed on the school bus.
12. Complete silence at railroad crossings is needed.
13. When unloading to cross the street, always walk to the front of the bus and wait for the driver to motion you across the street.
14. Do not walk behind the school bus when it is loading and unloading.
15. Do not open or close the school bus doors.

WALKERS AND CAR RIDERS

1. Walkers and car riders should NOT arrive before 7:10 a.m.
2. Parents of walkers should advise their children not to accept rides from strangers.
3. It is best if students who are walking to school have a definite route, agreed upon by parents, and children to follow to and from school. **Students should use the designated crosswalk and obey the directives of the crossing guard.**
4. Parents should not leave their children at a school outside of school hours.
5. After school, all ~~walkers~~ **students** must go home and stay away from all school campuses. They cannot meet and or visit at other school sites, unless attending an authorized school activity.

TRUANCY

A truancy occurs when a student is absent without parents' knowledge or approval, or a student is not in his/her assigned area during the designated time. The policy for truancy is as follows:

1. First Offense: A student who is truant one, two, or three hours will receive two hours of detention for every hour or partial hour missed. A student truant more than three hours will receive alternative in-school placement.
2. Repeat Offenses: Alternative in-school placement or additional consequences

VALUABLE PROPERTY

We encourage students to leave valuable items at home. If a student chooses to bring a valuable item(s) to school, the student does so at his/her own risk.

VISITORS

All visitors must sign in and out in the main office, provide identification, and are required to use our school identification process. All visitors must wear a visible visitor's badge/sticker. Student visitors are not permitted on campus. A parent needing to see his/her child during the school day should report to the main office. Should anyone other than a parent request to see a student, the parent will be notified in order to grant permission. Visitors can be asked to leave by administrators at any time. Visitation privileges can and will be revoked if deemed necessary by administrators and SRO's. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on visitors. POLICY, [1.44](#)

WITHDRAWAL FROM SCHOOL

Parents who wish to withdraw their children must follow these steps:

- Parents should notify the office prior to the student's last day.
- Parents should complete all necessary paperwork to document the withdrawal.
- Fines must be paid and school property returned.
- In case of extenuating circumstances and the student is unable to follow this procedure, please contact the school administration.

[Policy 1.22a](#)

The goal of this handbook is to inform parents and students of school guidelines. In addition, a goal of this handbook and all school rules is to help foster fully capable, independent, young adults. We know that goal requires the support of parents, and we welcome that partnership.

ARRIVAL AT SCHOOL

Students should not arrive at school until after 7:10 a.m. The building will not be open before then. Students should report to specified areas. Classes begin at 8:00 a.m. and end at 2:45 p.m. Once at school, students may not leave campus unless checked out by a parent/guardian.

ATTENDANCE MATTERS

Encouraging regular attendance is one of the most powerful ways you can prepare your child for success in school. When school attendance is a priority, children get better grades, develop healthy life habits, avoid dangerous behaviors and have a better chance of graduating high school. When students are absent for fewer days, their grades and reading skills often improve. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future. Regular attendance at school is required by state law and encouraged by the Owasso Public School District. Under school law, parents are responsible for their child's attendance until graduation from high school or the age of 18.

When students are absent just two days per month - even when the absences are excused - it can have a negative impact. This adds up to being absent 18 times during the year, which is considered chronically absent. Over the course of a student's school career, this is equal to 234 days, which is almost 1 ½ years of school missed.

As a parent, you can prepare your child for a lifetime of success by making regular school attendance a priority. By figuring out the reasons for your child's absences, whether they're physical or emotional, and taking advantage of support services, such as free tutoring, student mentoring, and after school activities, we can partner with you to set your child on the path to success. [POLICY 5.03](#)

ATTENDANCE PROCEDURES/POLICY

1. Anytime a student is absent from school, please call the proper attendance office each day he/she is absent: **Notes will not be accepted.**
 1. OHS Seniors: 918.272.8092
 2. OHS Juniors: 918.272.8094
 3. OHS Sophomores: 918.274.3031
 4. OHS Freshmen: 918.274.3033
2. The student must report to the attendance office, make contact with a parent to clear the absence, and receive an admit slip to class. ~~These steps must be completed before 3:00 p.m.~~ Consequences may be assigned for any uncleared absences. The absence is considered unexcused until a parent or guardian contacts ~~is made~~ the attendance office.
3. If an absence is anticipated, please clear the absence ahead of time with the teachers and attendance office. **Parents who will be out of town and unable to contact the attendance office in case their student is absent must contact the attendance office before leaving town and designate the person/persons responsible for clearing their student's absence while they are unavailable.**
4. There are two types of absences: excused and unexcused. School work missed because of an **excused** absence is to be made up by the student. It is the responsibility of the student to check

with the teachers to see what work was missed and when it is due. A student going on a field trip or activity trip must check before the trip with his/her teachers for his/her assignments. The student will receive full credit for the make-up work when it is turned in, on or before the specified time. For excused absence a student will receive a day for every day out. For a school activity, work is due on the due date or immediately upon return. When a student receives a truancy, ~~there is to be no make-up work.~~ **make-up work may not be provided.**

5. In the event of absences occurring due to a chronic or recurring illness, documentation by the student's doctor indicating the nature of the chronic or recurring condition is required, per policy [5.03](#)
6. Anytime a student leaves campus after 8:00 a.m., he/she must check out through the attendance office. If a student leaves campus without checking out, he/she will be considered truant.
7. Anytime a student arrives after 8:00 a.m., he/she must check in with the attendance office. Failure to do this will result in a disciplinary action.
8. Anytime a student arrives for first period after 8:10 a.m., it will be counted as an absence for first hour.
9. Seniors and Juniors may use two days per semester to visit a college or armed service as a school activity. An official letter must be turned into the attendance office the day the student returns to school.
10. A student who does not have a parking permit must be signed out by a parent or guardian.
11. If a student is checked out during 4th hour, lunch is a part of 4th hour, he/she may receive an absence for 4th hour.
12. **The maximum number of days that a student may be absent and still receive credit for the semester is nine.** The maximum includes **BOTH** excused and unexcused absences. It does not include student activities.
13. "A student who is absent from instruction without excuse for ten (10) consecutive days is to be recorded as absent each day. On day eleven (11), the pupil is to be exited from the roll" Okla. Admin. Code § 210:10-1-5. Re-enrollment will be required if the student returns to the district.

ATTENDANCE NOTIFICATION

- As student absences accrue, a notification will be sent to inform parents of the number of absences per class period.
- On the tenth absence in a class, the student will lose credit in that class. A letter will be mailed home stating that the student has lost credit, due to attendance.
- If a student does lose credit, due to attendance, the parents/guardians may submit an appeal to an assistant principal, within 5 days after the last day of the semester. A decision will be made by the attendance appeals committee regarding the outstanding circumstances and determine if credit will be given for any/all classes.

ATTENDANCE INCENTIVE – SEMESTER TEST EXEMPTIONS

Classes for high school credit may require a semester test worth up to, but no more than 15% of the course grade. All students are required to take each of their semester finals in the fall semester. Students may exempt Spring semester finals if they meet the following **FULL** year requirements.

1. 10 absences for the full year and a 85% or above in both semesters of the class

The only type of absence that does not count against exemptions is the Student Activity (SA) and College Visit (CV) absences. Students who are exempt are not required to come to school during the hour of that final.

BULLYING

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take appropriate action. Students may make a report and all information will be confidential. You have the right to submit the report anonymously. Visit the [Bullying Prevention page on the OPS website for more guidance, reporting, and resources.](#) ~~Please refer to the Owasso Public Schools Board of Education Policy link for more information on Bullying. POLICY 5.13, 5.45~~

PROHIBITING HARASSMENT, INTIMITDATION AND BULLYING POLICY 5.13

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term "bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student's property;
- C. Place another student in reasonable fear or harm to the student's property, or

D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or

ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is

destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also policy 1.43)

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the student tab on each school site's webpage.

Staff Reporting

An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non-certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities

Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;

2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency
13. Suspension
14. Change of Placement

15. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

CAFETERIA

BREAKFAST/LUNCH

1. A hot breakfast and lunch program is provided in the cafeteria for the benefit and convenience of both the student and parent.
2. Students may bring their breakfast or lunch, but they will be required to eat in the cafeteria.
3. Breakfast/Lunch times vary by site.

LUNCH PAYMENTS/CHARGES

Students should have funds in their accounts before they attempt to purchase a meal or a la carte items on their account. Occasionally, a student may need to “charge” a breakfast or lunch on account; this means the student’s account is placed in the negative in order to allow for the meal, a la carte items are not allowed to be charged. For details related to meal balances and charges, please see [POLICY 5.49](#). ~~Students are only allowed to do this until their account reaches a negative balance of ten dollars (-\$10.00) before money is required to be deposited to pay off the charges and provide for more meals. If a student has reached a balance of negative ten dollars (-\$10.00), and still does not have money to pay for lunch, he or she will be asked to call home to make arrangements for lunch. Once a student reaches the maximum negative balance an alternative meal of a Cheese Sandwich, Fruit, and Milk will be provided for lunch and Toast and fruit juice will be provided for breakfast. Please call your cafeteria manager or the child nutrition offices if you find you are in a difficult situation; they may be able to work with you. Should your child have outstanding charges on the date they are approved for free or reduced price meals, you are still responsible for paying off those charges. Low balance notices are sent home with the students at least twice a week.~~ All parents/guardians are encouraged to complete a free/reduced meal [application](#). If you should need one during the school year, forms are available [online](#) and at the school offices.

MY SCHOOL BUCKS

For your convenience, you may pay with a credit/debit card using the My School Bucks application to load money on your child's account. [My School Bucks application](#) information can be found on the Owasso Public Schools website. If you have questions or need further assistance, please call the Child Nutrition Department at (918)272-8034.

[POLICY 5.49](#)

CANCELLATIONS

Announcements about school cancellations will be shared via the district's social media and will be broadcast on local radio and television stations.

CARE OF SCHOOL PROPERTY

It is essential that a wholesome respect for public property be fostered. Students who damage or destroy school property shall be required to make complete restitution. Other disciplinary action may be taken to ensure school facilities are appropriately maintained.

CELL-PHONES/TELECOMMUNICATION DEVICES

The School District desires to provide a learning environment that is free from distraction. It is the student's responsibility to ensure that all electronic devices are not in use during class hours, unless directed by the teacher to use them for educational purposes. Any and all electronic devices, including but not limited to cell phones, smart phones, tablets, laptops, ~~MP3 players~~, ~~smart watches~~, ~~ear buds~~, or any other type of mobile electronic device, have a reduced expectation of privacy once they enter any school zone and may be subject to confiscation and/or search should a school violation be suspected. Possession and/or use of any personal electronic device is a privilege, not a right, that is extended to the student, which, at the discretion of the school, may be revoked should circumstances warrant and disciplinary consequences may occur. CLOSED CAMPUS POLICY

The campus at Owasso High School will be closed from the time a student arrives on campus until the end of the school day. **The parking lot will be off-limits to students during this time.** There are seven reasons for a student to be in the school parking lot during the day. Those reasons include:

1. **Students Arriving Late to School.** These students will report directly to the attendance office to check in. They will receive an admit and proceed to class.
2. **Students With an Early Dismissal.** These students must have an early dismissal pass signed by the attendance office.
3. **Students Arriving from Morning Tech.** These students must have their Tulsa Technology Center ID.
4. **Students Leaving for Afternoon Tech.** These students must have their Tulsa Technology Center ID.

5. **Students Involved in Sixth Hour Athletics.** These students may leave campus to report to their practice areas. If the practice area is on the HS campus students are not allowed to move their vehicles.
6. **Students Involved in Concurrent Enrollment.** These students may arrive late or leave early due to their concurrent schedule.
7. **Students Involved in Career Connections Program (Internship).** These students may arrive late or leave early due to their internship schedules.

Students are not permitted to arrive on campus and leave without permission. Likewise, students are not permitted to leave campus and return while waiting for their bus. Any other student in the parking lot during the school day will be in violation of the Closed Campus Policy. Whether the student has actually left the campus or not is irrelevant. Violation of this rule will be documented and disciplined.

CONCURRENT ENROLLMENT

Students interested in earning college credit while in high school should visit with the OHS [college and career counselor](#). [POLICY 5.35](#)

DELIVERIES

Deliveries of items to students by parents/guardians can be brought to the main office with students either being called down to the office or items being delivered to students. Parents/guardians may be asked for their ID to confirm their relationship with the student. Students will not be allowed to have food and/or drink items delivered to the school by third party vendors.

DIRECTORY INFORMATION

The school district proposes to designate the following personally identifiable information contained in a student's education record as "directory information":

- Student's Name
- Photograph
- Athletic Information, including height and weight
- Grade Level (i.e., first grade, tenth grade, etc.)
- Participation in officially recognized activities and sports
- Degrees, Honors, & Awards received

Within the first three weeks of each school year, the school district will publish the above list of directory information it proposes to designate as directory information for the school year. For students enrolling after the notice is published, the list will be given to the student's parent or the eligible student at the time and place of enrollment. Parents or eligible students have two weeks following this publication or notice to advise the school district in writing (a letter to the school superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about their student. [POLICY 5.28](#)

DRESS AND GROOMING POLICIES

The school policies are the result of the cooperative effort of the school board and the administration. It is understandable that criteria be established to prohibit extreme styles and designs in clothing which might disrupt the education process or endanger the health and safety of pupils. The following dress and grooming policy applies at school, while on school vehicles, or going to or from or attending school events.

1. ~~Students will not wear clothing or accessories that display pictures, lettering, or numbering that is profane, vulgar, repulsive, obscene, or that advertises or promotes dangerous weapons, tobacco, alcoholic beverages, low-point beer, drugs, drug related items, or paraphernalia.~~ Students will not wear clothes or accessories showing vulgar, profane, or obscene images, words, or numbers, or anything promoting tobacco, alcohol, drugs, or related items.
2. Midriffs, halter tops, backless dresses, and sleeveless garments resembling tank tops are not permitted. Clothing should not expose or display undergarments.
3. Shorts, skirts, dresses, and holes in pants should cover the upper to mid-thighs and should not expose undergarments.
4. All students are required to wear shoes. **No exceptions except for medical reasons.**
5. ~~Students will not wear hats, caps, stocking caps, or hoodies covering the head while in the building. No exceptions except for medical reasons.~~ Any item that obscures the eyes, face or ears that creates a distraction or is a safety issue must not be worn. Exceptions to the rule can be made for medical or religious reasons upon administrative approval.
6. Costumes and costume accessories are not permitted, except for specified school events or designated spirit weeks.
7. Facial and body piercings that disrupt the educational process or endanger the health and safety of students will not be permitted.

~~The dress and grooming policy applies to all school activities.~~ The staff and administration believe that good grooming, cleanliness and neatness are important for a good learning environment. Those who wear clothes that do not conform to the guidelines will not return to class until proper attire is attained and discipline may be assigned as deemed appropriate by administration. The assistant principal and principal will have total authority in interpreting the dress code to all students. If there are situations that arise that are not specifically covered in this code, the administrator in charge will interpret the situation in light of the basic intent of this policy, and that ruling will be final until such time that the policy is revised or changed to cover that situation.

DRUGS AND ALCOHOL

Use of illicit drugs and unlawful possession and use of alcohol is wrong and harmful. A drug detection dog is used randomly on campus. Students are prohibited from using, being under the influence of, possessing, furnishing, distributing, selling, conspiring to sell or possess or being in the chain of sale or distribution of alcoholic beverages, non-intoxication alcoholic beverages (as defined by Oklahoma law, i.e., 3.2 beer), illegal or illicit drugs (any amount), or other synthetic products used as mood-altering substances at school, while on school vehicles or at any school-sponsored event. "Illicit drugs" include steroids, prescription and over-the-counter medications, marijuana, THC, and cannabis when they are not used in compliance with the prescription or directions for use and are not being used to treat a current health condition of the student. "Mood-altering substances" include paint, glue, aerosol sprays, and similar substances. Violation of this rule will result in disciplinary measures, which may include suspension and/or change of placement for the remainder of the current semester and the following

semester. The length of a student suspension and/or change of placement for violation of this rule may be shortened in some cases at the discretion of the building principal provided that:

- a. The student completes the school drug and alcohol education program counseling and
- b. The student is in good academic standing

Students in violation of this rule which also constitutes illegal conduct will be reported to law enforcement authorities. Drug testing policies and procedures are available in the nurse's office or online at the school's website. Information for students and their parents about drug and alcohol counseling and rehabilitation and reentry programs in this geographic area is available from the principal at each student's school.

EMERGENCY PROCEDURES

FIRE DRILL PROCEDURES

- Each building is equipped with its own fire alarm signal and procedure.
- Students will know and use the proper exit from anywhere in the school building.
- Students will evacuate the building upon direction.
- Teachers will check rolls once clear of danger.
- Fire Drills are practiced on a regular basis.

TORNADO DRILL PROCEDURES

- Each building is equipped with its own tornado alarm signal and procedure.
- Students will 'duck and cover' in areas designated by the building principal.
- Tornado Drills are practiced on a regular basis.

SECURITY DRILLS

- Security drills are practiced on a regular basis.
 - a. lockdown drills - security threat inside the building
 - b. lockout drills - security threat outside the building

In the event of an emergency, parents or guardians are encouraged NOT to initially respond to the school during a crisis. This will allow city and school officials to assess the situation and activate the school's crisis plan. Should there be an emergency (national, local or school), **parents are asked to:**

- Cooperate with safety and school officials.
- Wait for notification of how and when to respond. This notification will come via the Owasso Public School's communication tools and local media. ***It is imperative that you refrain from using cell phones to contact your student as the overload will impair emergency personnel from performing their duties.***

EXTRACURRICULAR ACTIVITIES, CLUBS AND ORGANIZATIONS

Clubs and other organizations are offered on a voluntary basis. Wholehearted participation in these activities is encouraged. **In order to attend practice or participate in an extracurricular activity, a student must be in attendance three hours on the day of the activity. Failure to be in attendance will result in the student being withheld from the activity.** Students participating in school activities are subject to eligibility rules. **A student who is ineligible shall not be allowed to miss school or be approved to participate in any school activity, during the school day or after the school day.** Academics

come first; passing grades take priority. In the instance where the school activity is a part of a performance-based class where participation in the activity is required for a grade, an alternative assignment may be used as a substitute for the missed school activity. Academic eligibility will be monitored on a weekly basis per Oklahoma Secondary School Activities Association guidelines. All students participating in Oklahoma Secondary Schools Athletic Association (OSSAA) sanctioned activities are subject to all residency requirements. For complete details of these requirements and guidelines, go to: www.ossaa.com. All clubs are required to maintain a charter or constitution and to function in accordance with its guidelines. A student appealing a teacher's/sponsor's/coach's decision cannot participate in extracurricular activities until the appeal process has been completed. All students involved in competitive extracurricular activities will be subject to random [drug testing-5.27](#). Parents must submit a signed consent form **before** participation. Students are not allowed to participate until the signed consent form is submitted. A list of organizations is provided on the [OPS website](#).

The Board of Education intends to comply with the Family Educational Rights and Privacy Act (FERPA). Questions regarding the district policy and FERPA may be directed to the principal at the school site or the Owasso Public School Education Service Center at 1501 N. Ash, 918-272-5367. GRADE CLASSIFICATION REQUIREMENTS

To be classified as a sophomore, a student must have earned a minimum of 4.5 units of credit at the beginning of the school year. To be classified as a junior, a student must have earned a minimum of 9.0 units at the beginning of the school year. To be classified as a senior, a student must have earned a minimum of 16.0 units at the beginning of the school year. [See Course Guide](#)

GRADING PRACTICE

- Our schools want to have strong communication with parents about their child's academic progress. We take that responsibility seriously.
- Parents have a right to be updated about their child's academic progress and Owasso Public Schools has provided various tools for that purpose.
- The electronic grade book is available to parents on-line, 24 hours a day, to accommodate a variety of schedules.
 - A parent will be able to see individual grades for each assignment as well as their child's average in each subject.
 - We encourage our teachers to take two grades a week in each subject but shorter weeks, holidays, or special projects may affect that expectation.
 - If there are challenges in accessing grades on-line, the office staff at their child's school is more than willing to help parents.
- Regular academic progress will be up to date on PowerSchool and shared with the parents on the following schedule:
 - Report of Progress (End of 1st Nine Weeks)
 - Report Card (End of 1st Semester)

- Report of Progress (End of 3rd Nine Weeks)
- Report Card (End of 2nd Semester)
- Classroom teachers will utilize parent conferences to visit face-to-face with parents to discuss their child's progress.
- Should communication about grades be needed by either the parent or the teacher, that can happen at any time during the school year.
- Teachers will respond as quickly as possible to parents, but the first priority is always serving the children in the classroom. Therefore, it may be the next day before a grading question is answered. A child's academic success is a team effort between home and school. We're serving students together!

GRADUATION REQUIREMENTS

A total of twenty-three units of credit must be earned during the four years of high school. Senate Bill 1792 passed by the Oklahoma Legislature and effective July 1, 2006 requires all students to be automatically enrolled in the college preparatory graduation plan unless another plan is requested by a parent/guardian. Selection of the Core Curriculum Plan requires a signed notice from a parent/guardian. The specific requirements for the graduation plans are listed in the secondary course guide located on the Owasso High School webpage. Students must meet all graduation requirements as set forth by the State Department of Education in order to obtain an Owasso High School diploma. Students must be within one credit of meeting their graduation requirements in order to participate in commencement exercises. [POLICY 5.34](#)

GUIDANCE AND COUNSELING PROGRAM

The high school [guidance and counseling offices](#) are available to support students in the areas of academic, career, social and personal issues. Students should sign up in the counseling office to see a counselor. The counselor will send for the student during the day as soon as possible. Crisis situations will be addressed immediately. Students, parents and teachers are encouraged to refer individual students to the counseling staff when they have a concern about the well-being of a particular student. Referrals for outside resources are made on an informal basis and are optional for students or parents. Small group counseling is utilized to address academic issues within the classroom. Mediation is available to high school students who are experiencing conflict with another student that has not reached a level requiring disciplinary action. Referrals to local resources are available for pregnant/parenting teens to provide health education regarding maternal/child needs. Tobacco education and group counseling is available for students who have expressed concerns regarding substance use issues. Conflict resolution training is available to high school students who have violated Owasso High School's policy regarding threatening behavior and/or bullying for the first time.

MENINGITIS INFORMATION

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called Neisseria meningitis. The disease causes either meningitis, severe swelling of the brain and spinal cord or meningococemia, a serious infection of the blood. Vaccines can prevent many types of meningococcal disease, but not all types. This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing. For more information, contact your healthcare provider, local county health department or visit the National Meningitis Association website at www.nmaus.org. MAKE-UP WORK

There are two types of absences: excused and unexcused. School work missed because of an **excused** absence is to be made up by the student. It is the responsibility of the student to check with the teachers to see what work was missed and when it is due. A student going on a field trip, an activity trip, or vacation must check before the trip with his/her teachers for his/her assignments. The student will

receive up to full credit for the make-up work when it is turned in, on or before the specified time. For excused absence a student will receive a day for every day out. For a school activity, work is due on the due date or immediately upon return. When a student receives a truancy, there is to be no make-up work.

43. Vandalism
44. Violation of board of education policies, rules or regulations or violation of school rules and regulations including, but not limited to, disrespect, lingering or in restrooms, running in halls, bringing unauthorized items to school, inappropriate or unauthorized use of cellular phones or other electronic media, name calling, destroying or defacing school property
45. Vulgarity
46. Willful damage to school property
47. Willful disobedience of a directive of any school official

In addition, conduct occurring outside of the normal school day or off school property that has a direct and immediate negative effect on the discipline or educational process or effectiveness of the school, will also result in disciplinary action. Examples of immediate negative effects include, but are not limited to, electronic communication, negative reaction by the victim, overt face to face confrontations at school or school events, etc. Students found in violation of any of the above may receive disciplinary action. Any student who is determined to have brought a firearm on school grounds under the jurisdiction of the School District shall be suspended out of school for a period of not less than one calendar year. **Participation in the school's extracurricular activities is a privilege, not a right.** When a student's behavior results in an out-of-school suspension, Change of Placement (COP), or In-School Placement (ISP), the student immediately (notwithstanding the filing of an appeal) forfeits the privilege of participating in all extracurricular activities of the school. In addition, when the principal determines to impose alternative in-school placement or other correctional measures against a student, the student will not be permitted to participate in any extracurricular activities offered by the school during the term of the discipline unless, in the sole judgment of the principal, such participation is appropriate given the nature of the student's offense.

DUE PROCESS AND STUDENT SUSPENSIONS

Alternative in-school placement, detention, and similar disciplinary options or correctional measures are not considered by law to be out-of-school suspension and do not require or involve due process procedures.

Suspension and Change of Placement Terms

All suspensions and changes of placement will have a definite start and end date. The term may be reduced if a student performs a specified remedial act if those conditions are agreed to at the time of the suspension or change of placement. Term lengths will be as consistent as possible between students considering the nature of the conduct and the previous disciplinary history of the student.

Long-term suspensions and changes of placement are those in excess of ten (10) school days. Suspensions and changes of placement will not extend beyond the current school semester and succeeding semester, except in the case of possession of a firearm, in which case a suspension shall be

for a period of not less than one (1) calendar year. Suspensions involving firearms are governed by the school district's Gun-Free Schools Student Suspension policy.

Short-term suspensions are those suspensions of ten (10) or fewer school days.

Short-Term Suspension Appeals (10 or fewer days)

A parent or student may appeal the suspension decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension and the method for appealing. An appeal must be presented, electronically or in writing, to the principal within three (3) days(excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in session) of the decision, the principal's suspension decision is final. The principal shall assemble a committee within three (3) days (excluding days when school is not in session) of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal the student will be placed in In-House Suspension and the days spent in In-House Suspension will not count towards days of suspension.

Long-Term Suspension or Change of Placement Appeals

Site Level - 1st Level of Appeal

A parent or student may appeal the suspension or change of placement decision to a site committee. The principal shall inform the parent/student of the right to appeal the suspension or change of placement and the method for appealing.

An appeal must be presented, electronically or in writing, to the principal within five (5) days (excluding days when school is not in session) after the parent/student receives the principal's decision. If the principal does not receive a written appeal within three (3) days (excluding days when school is not in session) of the decision, the principal's decision is final. The principal shall assemble a committee within five (5) days (excluding days when school is not in session)of receiving the parents request to appeal and that committee shall consist of the following members.

- A principal or assistant principal from a different school.
- A teacher of the student's choice.
- A teacher from the same site who has not had the student in class.

During the time of the appeal, the student will be placed in In-House Suspension and the days spent in In House Suspension will not count towards days of suspension or change of placement.

District Level - 2nd Level of Appeal

In the event the complainant does not accept the decision of the review committee, he/she may appeal to the Assistant Superintendent of Teaching and Learning, who will assemble a 5 person committee of district level administrators.. The request to appeal must be received by the Assistant Superintendent of Teaching and Learning within 5 days (excluding days when school is not in session) after the parent receives the decision from the site-level committee. If the request is not received within this time-frame, the site-level committee decision is final. In the event the complainant does not accept the decision of the Assistant Superintendent of Teaching and Learning, he/she may appeal to the Owasso Board of Education, within 5 days (excluding days when school is not in session) of receiving the decision from the assistant superintendent.

Board of Education or Designated Hearing Officer - 3rd Level of Appeal

An appeal must be presented, electronically or in writing, to the superintendent within five (5) days (excluding days when school is not in session) days after the parent/student receives the assistant superintendent's decision. If the superintendent does not receive a written appeal within five (5) days (excluding days when school is not in session) of the assistant superintendent's decision, the assistant superintendent's decision is final. If the board receives a timely written appeal request, the board or an appointed hearing officer, will hear the appeal as soon as possible. This decision is final and non-appealable.

Board Hearing Procedures

The parent/student will be notified in writing of the date, time and place of the hearing and will have the right to choose an "open" or "closed" hearing. Reasonable efforts will be made to accommodate the work schedule of parents. The following procedures will be followed:

1. The board president or the appointed hearing officer should:
 - a. Announce that the next agenda item is a suspension or change of placement review hearing.
 - b. Ask whether the parent/student wants the hearing to be open to the public or in executive session. The offer of an open hearing and the response is to be made a part of the minutes of the meeting. If the parent/student requests a closed hearing, a motion to go into executive session per their request should be made and voted on.
2. The board president or hearing officer should advise the parent/student:

- a. That they are entitled to legal counsel, if they desire it.
 - b. That the administration will present its witnesses first and that after each witness the parents or their legal counsel will be given an opportunity to cross-examine.
 - c. That the parent/student will be given an opportunity to call any relevant witnesses and present any relevant evidence, subject to cross-examination by the administration's legal counsel.
 - d. That the board or its hearing officer will consider the evidence and documents and reach a decision that will be recorded by vote in open session.
 - e. That the parent/student may ask any questions about the procedure.
3. Administration may call witnesses and present documents subject to cross-examination.
 4. Parent/student may call any witnesses and present documents subject to cross-examination.
 5. After each witness is presented board members or the hearing officer may ask the witness questions.
 6. Parent/student's closing statement.
 7. Administration's closing statement.
 8. Deliberate in private. (If the hearing is not in executive session, the board or its hearing officer may deliberate in executive session only with permission of the parent/student.)
 9. Return to open session and vote. After adopting a motion making certain findings of fact the board must make a motion to:
 - a. affirm the suspension;
 - b. modify the suspension or change of placement (increase or decrease severity of the suspension or change of placement)
 - c. revoke the suspension or change of placement. If the hearing is before a hearing officer, no motions will be required as a part of the hearing process; otherwise, the hearing officer will have the same obligations as the board when rendering a decision.

Attendance at School Pending Appeal Hearing

Pending an appeal of the student suspension or change of placement, the student will have the right to attend school under such "in-house" restrictions as the principal deems proper, except that at the discretion of the principal, the student may be prohibited from attending school pending any appeal hearing if in the judgment of the principal the student's continued presence in the building will constitute an immediate danger to the health or safety of students, school employees, school property,

or would be a substantial disruption of the educational process. The days in “in-house” will not count toward the days of out of school suspension.

SHORT-TERM OUT-OF-SCHOOL SUSPENSIONS (10 or Fewer School Days)

~~A short-term out-of-school suspension may be appealed to a committee composed of administrators and/or teachers. An appeal to a committee can be requested by letter to the school principal, which must be received within five (5) calendar days after the principal’s out-of-school suspension decision is received by the student or his/her parent. The out-of-school suspension decision will become final and non-appealable if a request is not timely submitted. The decision of the committee shall be final and non-appealable.~~

LONG-TERM OUT-OF-SCHOOL SUSPENSIONS (In Excess of 10 School Days)

~~Method of Appeal to the Superintendent of Schools or his/her~~

~~Designee: An appeal can be presented by letter to the Superintendent. If no appeal is received within five (5) calendar days after the principal’s decision is received by the parent or student, the principal’s out-of-school suspension decision will be final and not appealable. The Superintendent or his/her designee should hold a conference with the parent or guardian as soon as possible after receipt of the appeal. The conference will be held during regular school hours, Monday through Friday, with consideration given to the hours of working parents whenever possible. At the conference, the Superintendent or his/her designee will read the policy, rule, or regulation the student is charged with having violated and will briefly outline the conduct on the part of the student. The parent should be asked by the Superintendent or his/her designee if he/she understands the rule and the charges against the student. At the conclusion of the conference, the Superintendent or his/her designee will state whether he/she will terminate or modify the out-of-school suspension. In all cases the parent will be advised of his/her right to have the suspension reviewed by the Board of Education.~~

~~Method of Appeal to the Board of Education: An appeal can be requested by letter to the Assistant Superintendent of Schools or the Clerk of the Board of Education. If no appeal is received within five (5) days after the decision of the Superintendent or his/her designee is received by the parent or student, the decision of the Superintendent or his/her designee will be final and not appealable. The Board will hear the appeal as soon as possible. The Board’s decision is final and not appealable. The parent and student will be notified in writing of the date, time, and place of the hearing. The parent and student will have the right to an “open” or “closed” hearing, at their option. Reasonable efforts will be made to accommodate the work schedule of parents. Please refer to the following Owasso Public Schools Board of Education Policy links for more information on Student suspension and appeals process.~~

Bullying is any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed towards a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Owasso Public Schools strives to ensure a safe environment for every student. If you have witnessed or received a report of a bullying situation, please provide information to an administrator, teacher, or counselor so the school and district can take appropriate action. Students may make a report and all information will be confidential, and if you wish you have the right to submit the report anonymously. Prohibiting Harassment, Intimidation and Bullying: POLICY 5.13

Statement of Legislative Mandate and Purpose

This policy is a result of the legislative mandate and public policy embodied in the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq. ("Act"). The district intends to comply with the mandates of the Act and expects students to refrain from bullying. Bullying is

expressly forbidden and students who bully are subject to disciplinary consequences as outlined in the district's policy on student behavior. Students who bully may also be provided with assistance to end their unacceptable behavior, and targets of bullies may be provided with assistance to overcome the negative effects of bullying.

The Owasso Public Schools' student conduct code prohibits bullying. This regulation further explains the negative effects of that behavior and seeks to promote strategies for prevention.

Definition of Terms

1. Statutory definition of harassment, intimidation, and bullying:

70 O.S. §24-100.3(c) of the School Safety and Bullying Prevention Act defines the term "bullying," as including, but not limited to a pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication, directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student that a reasonable person should recognize will:

- A. Harm another student;
- B. Damage another student's property;
- C. Place another student in reasonable fear or harm to the student's property, or
- D. Insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of a student.

2. The "Reasonable Person" Standard

In determining what a "reasonable person" should recognize as an act of placing a student in "reasonable" fear or harm, staff will determine "reasonableness" not from only the point of view of a mature adult, but also from the point of view of an immature child of the age of the intended victim along with, but not limited to, consideration of special emotional, physical, or mental needs of the particular child; personality or physical characteristics, or history that might cause the child to be particularly sensitive to efforts by a bully to humiliate, embarrass, or lower the self esteem of the victim; and the discipline history, personality of, and physical characteristics of the individual alleged to have engaged in the prohibited behavior.

3. General Display of Bullying Acts

Bullying for purposes of this section of the regulation, includes harassment and intimidation, and vice versa. According to experts in the field, bullying in general is the exploitation of a less powerful person by an individual taking unfair advantage of that person, which is repeated over time, and which inflicts a negative effect on the victim. The seriousness of a bullying act depends on the harm inflicted upon the victim and the frequency of the offensive acts. Power may be, but is not limited to, physical strength, social skill, verbal ability, or other characteristics. Bullying acts by students have been described in several different categories.

A. Physical Bullying includes harm or threatened harm to another's body or property, including, but not limited to, what would reasonably be foreseen as a serious expression of

intent to inflict physical harm or property damage through verbal or written speech or gestures directed at the student-victim, when considering the factual circumstances in which the threat was made and the reaction of the intended victim. Common acts include tripping, hitting, pushing, pinching, pulling hair, kicking, biting, starting fights, daring others to fight, stealing or destroying property, extortion, assaults with a weapon, other violent acts, and homicide.

B. Emotional Bullying includes the intentional infliction of harm to another's self-esteem, including but not limited to insulting or profane remarks, insulting or profane gestures, or harassing and frightening statement, when such events are considered in light of the surrounding facts, the history of the students involved, and age, maturity, and special characteristics of the students.

C. Social Bullying includes harm to another's group acceptance, including but not limited to, harm resulting from intentionally gossiping about another student or intentionally spreading negative rumors about another student that results in the victim being excluded from a school activity or student group; the intentional planning and/or implementation of acts or statements that inflict public humiliation upon a student; the intentional undermining of current relationships of the victim-student through the spreading of untrue gossip or rumors designed to humiliate or embarrass the student; the use of gossip, rumors, or humiliating acts designed to deprive the student of awards, recognition, or involvement in school activities; the false or malicious spreading of an untrue statement that exposes the victim to contempt or ridicule or deprives the victim of the confidence and respect of student peers; or the making of false statements to others that the student has committed a crime, or has an infectious, contagious, or loathsome disease, or similar egregious representations.

D. Sexual Bullying includes harm to another resulting from but not limited to, making unwelcome sexual comments about the student, making vulgar, profane, or lewd comments or drawings or graffiti about the victim; directing vulgar, profane, or lewd gestures toward the victim; committing physical acts of a sexual nature at school, including the fondling or touching of private parts of the victim's body; participation in the gossiping or spreading of false rumors about the student's sexual life; written or verbal statements directed at the victim that would reasonably be interpreted as a serious threat to force the victim to commit sexual acts or to sexually assault the victim when considering the factual circumstances in which the threat was made and the reaction of the intended victim; off-campus dating violence by a student that adversely affects the victim's school performance or behavior, attendance, participation in school functions or extracurricular activities, or makes the victim fearful at school of the assaulting bully; or the commission of sexual assault, rape, or homicide. Such conduct may also constitute sexual harassment – also prohibited by Owasso Public Schools.

E. Cyberbullying is bullying that takes place over digital devices like cell phones, computers, and tablets. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming where people can view, participate in, or share content. Cyberbullying includes sending, posting, or sharing negative, harmful, false, or mean content about someone else. It can also include sharing personal or private information about someone else causing embarrassment or humiliation. Additional examples include, but are not limited to, sending cruel, vicious and sometimes threatening messages; using group chats as a way to gang up on

one person; posting mean or untrue statements of classmates online with intent to embarrass them; breaking into an email account or online profile and sending vicious or embarrassing material to others; engaging in messaging intended to trick another person into revealing sensitive or personal information and forwarding that information to others; taking nude or otherwise degrading photos or videos of a person and sharing that content.

Understanding of and Prevention of Bullying of Students

A. Student and Staff Education and Training

A full copy of this policy will be posted on the district's website and included in all district handbooks.

All staff will be provided with a copy of the district's policy on prevention of bullying of students. All students will have access to the policy in the student handbook and a copy of the entire policy is available on request. Owasso Public Schools is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting bullying of students and the prevention and management of such conduct. Students, like staff members, shall participate in an annual education program that sets out expectations for student behavior and emphasizes an understanding of bullying of students, the district's prohibition of such conduct, and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

B. Owasso Public Schools' Safe School Committees

The safe school committee has the responsibility of studying and making recommendations regarding unsafe conditions, strategies for students to avoid harm at school, student victimization, crime prevention, school violence, and other issues which interfere with and adversely affect school safety. With respect to student harassment, intimidation, and bullying, the safe school committee shall consider and make recommendations regarding professional staff development needs of faculty and other staff related to methods to decrease student harassment, intimidation, and bullying and understanding and identifying bullying behaviors. In addition, the committee shall make recommendations regarding: identification of methods to encourage the involvement of the community and students in addressing conduct involving bullying; methods to enhance relationships between students and school staff in order to strengthen communication; and fashioning of problem-solving teams that include counselors and/or school psychologists.

In accomplishing its objectives, the committee shall review traditional and accepted harassment, intimidation, and bullying prevention programs utilized by other states, state agencies, or school districts. (See also policy 1.43)

Student Reporting

Students are encouraged to inform school personnel if they are the victim of or a witness to acts of harassment, intimidation, or bullying. The Report and Stop Bullying form is available under the

student tab on each school site's webpage.

Staff Reporting

An important duty of the staff is to report acts or behavior that the employee witnesses that appear to constitute harassing, intimidating, or bullying. Employees, whether certified or non-certified, shall encourage students who tell them about acts that may constitute intimidation, harassment, or bullying to complete a report form. For young students, staff members given that information will need to provide direct assistance to the student.

Staff members who witness such events are to complete reports and to submit them to the building principal. Staff members who hear of incidents that may, in the staff member's judgment, constitute harassment, intimidation, or bullying, are to report all relevant information to the building principal.

Parental Reporting and Responsibilities

Parents/guardians will be informed in writing of the district's program to stop bullying. An administrative response to bullying may involve certain actions to be taken by parents. Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately by using the Report and Stop Bullying form on the Owasso Public Schools' website under the parent tab if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a target of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.

Monitoring and Compliance

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 OKLA. STAT. § 24-100.2 et seq., the district will identify a Bullying Coordinator who will serve as the district contact responsible for providing information to the State Board of Education.

A copy of this policy will be submitted to the State Department of Education annually as part of the school district's Annual Performance Report.

Disciplinary Measures

In administering discipline, consideration will be given to alternative methods of discipline to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance.

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment

Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, prom activities, and/or class trips.

The above consequences will be imposed for any person who commits an act of bullying as well as any person found to have falsely accused another as a means of retaliation, reprisal, or as a means of bullying. Strategies will be created to provide counseling or referral to appropriate services, including guidance, academic intervention, and other protection for students, both targets and perpetrators, and family members affected by bullying, as necessary.

The school district is not required to provide educational services in the regular school setting to any student who has been removed from a public school or private school in Oklahoma or another state by administrative or judicial process for an act of using electronic communication with the intent to terrify, intimidate or harass, or threaten to inflict injury or physical harm to faculty or students.

LUNCH PAYMENTS/CHARGES

Students should have funds in their accounts before they attempt to purchase a meal or a la carte items on their account. Students are only allowed to do this until their account reaches a negative balance of ten dollars (-\$10.00) before money is required to be deposited to pay off the charges and provide for more meals. Please call your cafeteria manager or the child nutrition offices if you find you are in a difficult situation; they may be able to work with you. Low balance notices are sent home with the students at least twice a week.~~ All parents/guardians are encouraged to complete a free/reduced meal [application](#). If you should need one during the school year, forms are available [online](#) and at the school offices.

RESIDENCY

Oklahoma law provides a definition of "residence" for children attending school at 70 O.S. Section 1-113. If a child is between the ages of five and twenty-one, they are entitled to attend school free of charge in the district of residence. State law provides that a child's residence for school purposes is the school district in which the (1) parents, (2) guardian or (3) person having legal custody of the child holds legal residence. Children may also establish residency if their attorney-in-fact is a resident of the district. Owasso Public Schools does not permit students to establish residency based on the affidavit of a person who has assumed permanent care and custody of the child under Okla. Stat. tit. 70 O.S. Section 1-113. Please refer to the following Owasso Public Schools Board of Education Policy link for more information on residency POLICY [5.23](#)

Accordingly, any student who drives a vehicle of any kind to school and parks that vehicle on school property is deemed to authorize a search of the vehicle by the superintendent, principal, teacher, or security personnel at any time and for any reason deemed appropriate by the school principal or the Superintendent of Schools. ~~Our goal is~~ Our program is designed to partner with parents to provide the highest quality supplemental programming for our students.

MISSION STATEMENT

GOALS

PHILOSOPHY

SPARK's planned curriculum reflects the developmental interests of children in grades Pre-K through eighth. Key elements of the program include:

- Peer to Peer Character Development
 - Peer relations increase in importance as children grow. Therefore, SPARK provides numerous opportunities to spend time with friends and in group activities. A positive approach to discipline is utilized; encouraging self-control and independence in resolving conflicts. By utilizing mixed age groups, leadership and cooperation are fostered.
- Physical Development
 - Individual and team sports activities are a significant part of the SPARK program. Cooperation is emphasized over competition. Fine motor activities are also included in the curriculum.
- Intellectual Development

- “Hands-on” learning centers are a part of SPARK’s planned activities that encourage children to think, reason, question and experiment as they construct knowledge. Creativity in art, **game play, and building manipulatives** ~~drama and writing~~, is encouraged. Opportunities are also available for students to read or complete homework.

STAFF CONFLICT RESOLUTION PROTOCOL

SPARK staff will need to address issues with the staff members involved directly before going to any other staff or their supervisor. Small issues are often solved when speaking directly to the staff member involved. It is important to remember confidentiality and not discuss with other staff members outside the issue. If that does not resolve the issue, then the next supervisor up the chain may be contacted for assistance in resolving the issue. If that does not resolve the issue, then the supervisor may initiate contact with the next supervisor.

CRIMINAL HISTORY BACKGROUND CHECK AND RAP BACK

Prior to employment, all employees will sign consent forms and complete fingerprint background checks, as well as a check of the Child Care Restricted Registry.

- All employees must be aware that registration on the Child Care Restricted Registry may occur when:
 - a. A background investigation reveals a specified criminal history
 - b. An action against a child in child care results in a confirmed or substantiated finding of abuse or neglect.
- This notice will also be posted in the SPARK office and on SPARK bulletin boards
- Registrants on the Restricted Registry are not eligible to work in the SPARK program.

ABSENCES

- Staff are expected to be at work every day that school is in session. Our students and parents count on staff to have consistent daily attendance. The quality of our program depends on each staff member being at work.
- No matter the reason for your absence, please make sure you have communicated with your site leader to let them know you will not be at SPARK.

- We are a licensed DHS program and must maintain appropriate ratios at all times.
- If you need to be absent, please use your sick days and personal days wisely. If you do not have any sick or personal days, you will simply not receive pay for that day (do not clock in). you must request sick time or personal time. Leave without pay is a major exception to our Owasso Public Schools personnel policies and requires authorization from your supervisor, the SPARK office, and the final determination rests with our Human Resources Department.
- Remember, repeated requests for leave without pay are not a good reflection of your work record or personal work ethic and will be noted during your staff evaluation.
- Be responsible! Be professional! Be at work!

SICK DAYS

- Staff must call their immediate supervisor and Melissa Zumwalt a minimum of one hour before the beginning of their assigned work shift to report an absence due to illness.
- For afternoon illness, please call by noon if possible. This allows time for a substitute to be found.
- If an illness occurs the day before or the day after a school holiday or the end of school, a doctor's note will be required.

PERSONAL DAYS

- Staff must request personal days off, two weeks in advance.
- Personal days may not be taken before or after a school holiday or the end of school.

INCLEMENT WEATHER DAYS

- If school is canceled due to inclement weather or other unforeseen circumstances, the SPARK program will not be in session.
- If the inclement weather develops during the school day, there will be SPARK and all staff MUST be present.

PERFORMANCE EVALUATIONS

- Performance evaluations are completed no later than March of each year.
- [*SPARK Employee Evaluation](#)
- SPARK staff will be evaluated using the required DHS licensing requirements.
- The evaluation forms will be given to each employee upon employment so that the evaluation criteria are clear.

- ~~A self-evaluation will be done by each employee and submitted to their supervisor prior to the final evaluation being written by the supervisor.~~
- Evaluations are a tool to encourage employee growth and professional development. The evaluation should be used in adding the employee's professional development plan and in determining individual staff development needs.

INTRODUCTION

SPARK offers a developmentally appropriate before and after school program for students enrolled in grades Pre-K through eighth grade. This program is geared to meet the needs and characteristics of each child. Along with providing a safe and secure environment at all nine of Owasso's elementary school sites and the Sixth Grade Center, SPARK's carefully planned activities will "spark" students to dream, think, create, explore, and play.

Our goal is to partner with parents to provide the highest quality supplemental programming for our students.

MISSION STATEMENT

To provide a safe, secure, enriching childcare environment to meet the needs of our school families.

Although SPARK is affiliated with Owasso Public Schools, this program is licensed through DHS and some policies and procedures may differ from those of Owasso Public Schools.

PHILOSOPHY

SPARK's planned curriculum reflects the developmental interests of children in grades Pre-K through eighth. Key elements of the program include:

- Peer-to-Peer Character Development
 - Peer relations increase in importance as children grow. Therefore, SPARK provides numerous opportunities to spend time with friends, build relationships in peer groups, and participate in group activities. A positive approach to discipline is utilized; encouraging self-control and independence in resolving conflicts. By utilizing mixed age groups, leadership and cooperation are fostered.
- Physical Development
 - Individual and team sports activities are a significant part of the SPARK program. Cooperation is emphasized over competition. Both gross and fine motor activities are also included in the curriculum.
- Intellectual Development

- “Hands-on” learning centers are a part of SPARK’s planned activities that encourage children to think, reason, question and experiment as they construct knowledge. Creativity in art, **game play, and building manipulatives** ~~drama, and writing~~ is encouraged. Opportunities are also available for students to read or complete homework.
- Warm, Caring Staff
 - SPARK’s trained staff have been employed to serve as role models for children. The staff provides appropriate, challenging activities which are focused on the academic, character, and physical development of each child.
 - All SPARK staff members have undergone an OSBI background check.
 - All SPARK staff members are CPR certified.
 - All SPARK staff members are required to maintain a set number of professional development hours every year.
 - Students enrolled in the SPARK program will be assigned to a designated staff member. This staff member will be their primary caregiver while at SPARK. While all staff members will have interactions with all SPARK students, each student will remain with their designated staff member throughout the majority of their time.

PROGRAMS

ELEMENTARY SITES

The Before School Program begins at 7:00 a.m. each school day and is an informal time of child-directed center-based play. Students who choose to eat breakfast will be escorted to the cafeteria to purchase through the Child Nutrition Program - breakfast generally begins by 8:40 a.m., though sites may vary. Students are released from SPARK at 8:45 a.m. to join their school's student body and follow their morning procedures.

The After School Program begins immediately after the school dismissal bell and concludes each day at 6:00 p.m. A variety of stimulating projects and activities centered on weekly themes are provided at this time. A snack is also included.

SIXTH GRADE CENTER

The After School Program begins immediately after the school dismissal bell and the arrival of program buses from the 7th and 8th grade centers. This program concludes each day at 6:00 p.m. Opportunities for homework completion/aid will be available in addition to recreational activities. A snack will also be provided.

OPERATIONAL POLICIES

COMMUNICATION

The majority of information is communicated via email. It is important to make sure the SPARK main office has the most accurate email address on file, and to read the emails as soon as possible. Lesson plans and announcements will also be posted at each site on bulletin boards. Open and regular communication with the SPARK Program Site Leader is highly encouraged.

LICENSING

All site programs are licensed through the Department of Human Services (DHS). A licensing compliance file is available for viewing at any time, which is kept in a binder at each site location.

DAYS CLOSED

SPARK is only open when school is in session. Please see the [current school calendar](#) for days when school is closed.

SCHOOL CLOSING DUE TO WEATHER

When Owasso Public Schools are closed or in distance learning due to inclement weather, SPARK will be closed. Check local weather stations and the school district website for up-to-date information. Because the monthly payments are based on a yearly cost, payment plans will not change due to weather closings.

PERSONAL BELONGINGS

Students will store personal belongings (books, sweaters, backpacks, etc.) in a laundry basket provided at each site.

* NOTE: Electronic games and/or mobile devices are ~~not permitted at SPARK.~~ **only permitted during approved times at each SPARK site.**

Additionally, SPARK is not responsible for lost, stolen or broken items.

BUILDING ACCESS

Each site will have a designated drop off and pick up procedure and location. Please be informed of this procedure and follow it accordingly.

Parents/Guardians are only granted access to the SPARK program areas during drop off/pickup. *Do not access any classrooms, hallways, or other spaces that are not designated as SPARK program areas. Trespassing in non-SPARK areas may lead to dismissal from the program.*

SPECIAL NEEDS

If your child receives services from the Owasso Public Schools Special Services Department and attends a specific class to further their education, a meeting is required with the SPARK Director to ensure there is a clear understanding of the child's needs, before the student may attend care. (The only exception is for those who receive speech services only.) Parents may be required to visit the program to ensure their child will thrive in our setting.

HEALTH AND SAFETY

SPARK makes every effort to promote good health and to prevent the spread of infectious diseases.

Staff will administer medication under the following conditions:

- All medication must be provided by a parent. Any medicine must be given to the SPARK Site Leader, along with a completed and signed authorization form.
- All prescription medicine must be prescribed for the child by a physician. It must be in the original container with the child's name on it. (Note: DHS only allows SPARK staff to administer the prescription on the medicine bottle. If the prescription changes, a new bottle must be provided.)
- All medications will be kept in a safe place and out of reach. The responsibility of giving medication shall be assigned to one person on duty. If a student has medication that needs to be delivered to the school nurse, please communicate with the SPARK Program Site Leader.
- Parents must provide documentation in writing for sunscreen or insect repellent to be applied to the student. It is preferred that the student apply the items, if age appropriate.

SPARK will not provide care to ill children. If a child has had diarrhea, vomiting, fever of 100.4°F or higher, undiagnosed rash, inflamed and matted eyes, or any sign of a contagious disease in the past 24 hours, the child is to be kept at home and is not to return to the program until completely recovered.

A child who becomes ill while at SPARK will be immediately isolated from the other children, and the parent will be notified to pick up the child within one hour. If off site, the parent will be given an exact location to pick up their student. Ill students will be provided an area to rest until a parent can arrive.

Parents will be notified of any injury that occurs at the SPARK program and will be called when there is any significant injury. In the case of an injury requiring immediate professional treatment, the staff will call 911. The paramedics will decide on the appropriate action. If the child needs emergency medical treatment, it will be at the nearest available medical facility. *The parent/ guardian will be responsible for ALL medical charges.*

Parents will be notified by a sign posted at the school site for any communicable disease or infestation, if Owasso Public Schools has not notified all parents. For any other illnesses or infestations, SPARK will follow district guidelines.

Poison Exposure- Poison control will be called, and a parent will be immediately notified.

EMERGENCY PLAN

Once a month, SPARK will conduct tornado, fire and intruder-on-campus drills to show children how to respond in the case of an emergency.

Staff will use their staff handbook and district emergency plans as needed for each situation.

If we do not receive a response, we will continue through the list according to the time/date stamp from each enrollment. We will keep this waiting list through March 1st.

BEHAVIOR MANAGEMENT GOALS

- A positive approach to guidance and discipline that fosters self-control and independence while maintaining a positive self-image will be utilized. Conscious Discipline is utilized for staff training. Because of the growing independence of school-age children, guidance in helping children resolve conflicts and solve problems is encouraged. The following methods will be used to accomplish this:
 - Rules will be appropriate for the children's age and stage of development.
 - Staff will act as positive role models.
 - Both the group as a whole and the needs of the child as an individual will be taken into consideration.
 - Rules will be consistently implemented.
 - Rationale for rules will be explained and related to the child's well-being, and to the rights and safety of others.
 - Staff will maintain an ongoing evaluation of themselves and the program as well as the children served.

Our daily discipline process will follow the steps below:

1. Reminder
2. Warning
3. Separate/Take Away Distraction
4. Take student to SPARK site leader
5. Contact Parent (see steps below)

The use of corporal punishment is never permitted. A child will not be subject to verbal abuse, humiliation or threats. If behavior problems occur and a student is brought to the SPARK Site Leader, he/she will: , the SPARK Site Leader will: (***These are possible outcomes depending on the severity of the behavior. These are not necessarily steps that will be followed in order.*)

1. Discuss the concern with the child and model correct behavior.
2. Discuss the unacceptable behavior with the parent.
3. Write an incident report for parents to sign that addresses the child's inappropriate behavior. The parent's signature may be requested as acknowledgement of the receipt of the report.
4. Suspended from services if the inappropriate behavior continues. Schedule a parent/teacher conference with the SPARK Director or SPARK Site Leader to establish a mutually agreed upon Behavior Intervention Plan.
5. Dismiss child from the program if behavior continues after the child returns from the suspension. Parents will be required to make other child care arrangements for the school year.

CAUSE FOR **SUSPENSION** or DISMISSAL

SPARK will not continue services for a child:

- When the child's behavior endangers him/herself or others.
- When intentional destruction of property occurs.
- When behavior is consistently disruptive to the entire program affecting all students.
- When the child leaves the site/program without permission.
- When a child is physically violent to staff (including but not limited to: hitting, kicking, scratching, or spitting).
- For non-payment, late payments/late pick up fees, or continuous late pick-up.
- If a parent or guardian physically or verbally abuses/threatens another child, parent, or SPARK employee.
- If a parent continually fails to follow policies and procedures of the program.
- In any dismissal event, tuition and possible refunds will be evaluated at that time.

***The program reserves the right to dismiss any child if the staff determines that the program cannot meet the needs of the child. In extreme cases, the parent may be requested to pick the child up during program time.*

1. E911 Services FOR IMPORTANT INFORMATION ABOUT COX'S 911 PRACTICES, PLEASE REVIEW THE INFORMATION ABOUT E911 SERVICE IN THE GENERAL TERMS AND ON THE WEBSITE <http://www.coxbusiness.com/e911>

2. Service Start Date and Term The "Initial Term" shall begin upon installation of Service and shall continue for the applicable Term commitment set forth above in the Service Terms. However, if Customer delays installation or is not ready to receive Services on the agreed-upon installation date, Cox may begin billing for Services on the date Services would have been installed. Cox shall use reasonable efforts to make the Services available by the requested service date. Cox shall not be liable for damages for delays in meeting service dates due to install delays or reasons beyond Cox's control. If Customer delays installation for more than ninety (90) days after Customer's execution of this Agreement, Cox reserves the right to terminate this Agreement by providing written notice to Customer and Customer shall be liable for Cox's reasonable costs incurred. AFTER THE INITIAL TERM, THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR ONE (1) YEAR TERMS (EACH AN "EXTENDED TERM") UNLESS A PARTY GIVES THE OTHER PARTY WRITTEN TERMINATION NOTICE AT LEAST THIRTY (30) DAYS PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR THEN CURRENT EXTENDED TERM. "Term" shall mean the Initial Term and Extended Term (s), if any. Cox reserves the right to increase rates for all Services by no more than ten percent (10%) during any Extended Term by providing Customer with at least sixty (60) days written notice of such rate increase. This limitation on rate increases shall not apply to video Services or Services for which rates, terms and conditions are governed by a Cox tariff or SG. Upon notice to Customer, Cox may change the rates for video Services periodically during the Term. Cox may change the rates for telephone Service subject to a Cox tariff or SG periodically during the Term. For the avoidance of doubt, promotional rates and promotional discounts provided to Customer will expire at the end of the Initial Term or earlier as set forth in the promotion language. Customer's payment for Service after notice of a rate increase will be deemed to be Customer's acceptance of the new rate.

3. Termination Customer may terminate any Service before the end of the Term selected by Customer above in the Service Terms upon at least thirty (30) days written notice to Cox; provided, however, if Customer terminates any such Service before the end of the Term (except for breach by Cox), unless otherwise expressly stated in the General Terms, Customer will be obligated to pay Cox a termination fee equal to the nonrecurring charges (if unpaid) and One Hundred Percent (100%) of the monthly recurring charges for the terminated Service(s) multiplied by the number of months, including partial months, remaining in the Term. Cox may terminate this Agreement without liability at any time prior to installation of Services if Cox determines that Customer's location is not reasonably serviceable or there is signal interference with any Cox Service(s) according to Cox's standard practices. If Customer terminates or decreases any Service that is part of a bundle offering, the remaining Service(s) shall be subject to price increases for the remaining Term. If Customer terminates this Agreement prior to installation of Service by Cox, Customer shall be liable for Cox's costs incurred. This provision survives termination of the Agreement.

4. Payment Customer shall pay Cox all monthly recurring charges ("MRCs") and all non-recurring charges ("NRCs"), if any, by the due date on the invoice. Any amount not received by the due date shown on the applicable invoice will be subject to interest or a late charge no greater than the maximum rate allowed by law. If Cox terminates this Agreement due to Customer's breach, or if Customer fails to pay any amounts when due and fails to cure such non-payment upon receipt of written notice of non-payment from Cox, Customer will be deemed to have terminated this Agreement and will be obligated to pay the termination fee described above. If applicable to the Service, Customer shall pay sales, use, gross receipts, and excise taxes, access fees and all other fees, universal service fund assessments, 911 fees, franchise fees, bypass or other local, State and Federal taxes or charges, and deposits, imposed on the use of the Services. Taxes will be separately stated on Customer's invoice. No interest will be paid on deposits unless required by law.

5. Service and Installation Cox shall provide Customer with the Services identified above in the Service Terms and may also provide related facilities and equipment, the ownership

of which shall be retained by Cox (the "Cox Equipment"), or for certain Services, Customer, may purchase equipment from Cox ("Customer Purchased Equipment"). Customer is responsible for damage to any Cox Equipment. If Cox Equipment is not returned to Cox after termination or disconnection of Services, Customer shall be liable for the Cox Equipment costs. Customer may use the Services for any lawful purpose, provided that such purpose: (i) does not interfere or impair the Cox network or Cox Equipment; (ii) complies with the AUP; and (iii) is in accordance with the terms and conditions of this Agreement. Customer shall use the Cox Equipment only for the purpose of receiving the Services. Customer shall use Customer Purchased Equipment in accordance with the terms of this Agreement and any related equipment purchase agreement. Unless provided otherwise herein, Cox shall use commercially reasonable efforts to maintain the Services in accordance with applicable performance standards. Cox network management needs may require Cox to modify upstream and downstream speeds. Use of the Services shall be subject to the AUP at <http://www.coxbusiness.com/generalterms>, which is incorporated herein by reference. Cox may change the AUP from time to time during the Term. Customer's continued use of the Services following an AUP amendment shall constitute acceptance of the revised AUP.

6. General Terms The General Terms are hereby incorporated into this Agreement by reference. BY EXECUTING THIS AGREEMENT AND/OR USING OR PAYING FOR THE SERVICES, CUSTOMER ACKNOWLEDGES THAT IT HAS READ, UNDERSTOOD, AND AGREED TO BE BOUND BY THE GENERAL TERMS.

7. LIMITATION OF LIABILITY IN ADDITION TO ANY OTHER LIMITATIONS ON LIABILITY CONTAINED IN THE AGREEMENT, NEITHER COX NOR ANY COX RELATED PARTY SHALL BE LIABLE FOR DAMAGES FOR FAILURE TO FURNISH OR INTERRUPTION OF ANY SERVICES, OR FOR ANY LOSS OF DATA OR STORED CONTENT, IDENTITY THEFT, OR FOR ANY PROBLEM WITH THE SERVICES OR EQUIPMENT OF ANY THIRD PARTY, NOR SHALL COX NOR ANY COX RELATED PARTY BE RESPONSIBLE FOR FAILURE OR ERRORS OF ANY COX SERVICE, COX EQUIPMENT, SIGNAL TRANSMISSION, LICENSED SOFTWARE, LOST DATA, FILES OR SOFTWARE DAMAGE REGARDLESS OF THE CAUSE. NEITHER COX NOR ANY COX RELATED PARTY WILL BE LIABLE FOR DAMAGE TO PROPERTY OR FOR PHYSICAL INJURY TO ANY PERSON ARISING FROM THE INSTALLATION OR REMOVAL OF EQUIPMENT UNLESS CAUSED BY THE NEGLIGENCE OF COX. UNDER NO CIRCUMSTANCES WILL COX OR ANY COX RELATED PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ARISING FROM THIS AGREEMENT OR PROVISION OF THE SERVICES.

8. WARRANTIES EXCEPT AS PROVIDED IN THIS AGREEMENT, THERE ARE NO OTHER AGREEMENTS, WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, RELATING TO THE SERVICES. SERVICES PROVIDED ARE A BEST EFFORTS SERVICE AND COX DOES NOT WARRANT THAT THE SERVICES, EQUIPMENT OR SOFTWARE SHALL BE ERROR-FREE OR WITHOUT INTERRUPTION. COX DOES NOT GUARANTEE THAT SERVICE CAN BE PROVIDED TO CUSTOMER'S LOCATION, OR THAT INSTALLATION OF SERVICE WILL OCCUR IN A SPECIFIED TIMEFRAME. COX DOES NOT WARRANT THAT ANY SERVICE OR EQUIPMENT WILL MEET CUSTOMER'S NEEDS, PERFORM AT A PARTICULAR SPEED, BANDWIDTH OR THROUGHPUT RATE, OR WILL BE UNINTERRUPTED, ERROR-FREE, SECURE, OR FREE OF VIRUSES, WORMS, DISABLING CODE OR THE LIKE. 2. Service Start Date and Term The "Initial Term" shall begin upon installation of Service and shall continue for the applicable Term commitment set forth above in the Service Terms. However, if Customer delays installation or is not ready to receive Services on the agreed-upon installation date, Cox may begin billing for Services on the date Services would have been installed. Cox shall use reasonable efforts to make the Services available by the requested service date. Cox shall not be liable for damages for delays in meeting service dates due to install delays or reasons beyond Cox's control. If Customer delays installation for more than ninety (90) days after Customer's execution of this Agreement, Cox reserves the right to terminate this Agreement by providing written notice to Customer and Customer shall be liable for Cox's reasonable costs incurred. AFTER THE INITIAL TERM, THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR ONE (1) YEAR TERMS (EACH AN "EXTENDED TERM") UNLESS A PARTY GIVES THE OTHER PARTY WRITTEN TERMINATION NOTICE AT LEAST THIRTY (30) DAYS PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR THEN CURRENT EXTENDED TERM. "Term" shall mean the Initial Term and Extended Term (s), if any. Cox reserves the right to increase rates for all Services by no more than ten percent (10%) during any Extended Term by providing Customer with at least sixty (60) days written notice of such rate increase. This limitation on rate increases shall not apply to video Services or Services for which rates, terms and conditions are governed by a Cox tariff or SG. Upon notice to Customer, Cox may change the rates for video Services periodically during the Term. Cox may change the rates for telephone Service subject to a Cox tariff or SG periodically during the Term. For the avoidance of doubt, promotional rates and promotional discounts provided to Customer will expire at the end of the Initial Term or earlier as set forth in the promotion language. Customer's payment for Service after notice of a rate increase will be deemed to be Customer's acceptance of the new rate.

3. Termination Customer may terminate any Service before the end of the Term selected by Customer above in the Service Terms upon at least thirty (30) days written notice to Cox; provided, however, if Customer terminates any such Service before the end of the Term (except for breach by Cox), unless otherwise expressly stated in the General Terms, Customer will be obligated to pay Cox a termination fee equal to the nonrecurring charges (if unpaid) and One Hundred Percent (100%) of the monthly recurring charges for the terminated Service(s) multiplied by the number of months, including partial months, remaining in the Term. Cox may terminate this Agreement without liability at any time prior to installation of Services if Cox determines that Customer's location is not reasonably serviceable or there is signal interference with any Cox Service(s) according to Cox's standard practices. If Customer terminates or decreases any Service that is part of a bundle offering, the remaining Service(s) shall be subject to price increases for the remaining Term. If Customer terminates this Agreement prior to installation of Service by Cox, Customer shall be liable for Cox's costs incurred. This provision survives termination of the Agreement.

4. Payment Customer shall pay Cox all monthly recurring charges ("MRCs") and all non-recurring charges ("NRCs"), if any, by the due date on the invoice. Any amount not received by the due date shown on the applicable invoice will be subject to interest or a late charge no greater than the maximum rate allowed by law. If Cox terminates this Agreement due to Customer's breach, or if Customer fails to pay any amounts when due and fails to cure such non-payment upon receipt of written notice of non-payment from Cox, Customer will be deemed to have terminated this Agreement and will be obligated to pay the termination fee described above. 2. Service Start Date and Term The "Initial Term" shall begin upon installation of Service and shall continue for the applicable Term commitment set forth above in the Service Terms. However, if Customer delays installation or is not ready to receive Services on the agreed-upon installation date, Cox may begin billing for Services on the date Services would have been installed. Cox shall use reasonable efforts to make the Services available by the requested service date. Cox shall not be liable for damages for delays in meeting service dates due to install delays or reasons beyond Cox's control. If Customer delays installation for more than ninety (90) days after Customer's execution of this Agreement, Cox reserves the right to terminate this Agreement by providing written notice to Customer and Customer shall be liable for Cox's reasonable costs incurred. AFTER THE INITIAL TERM, THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR ONE (1) YEAR TERMS (EACH AN "EXTENDED TERM") UNLESS A PARTY GIVES THE OTHER PARTY WRITTEN TERMINATION NOTICE AT LEAST THIRTY (30) DAYS PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR THEN CURRENT EXTENDED TERM. "Term" shall mean the Initial Term and Extended Term (s), if any. Cox reserves the right to increase rates for all Services by no more than ten percent (10%) during any Extended Term by providing Customer with at least sixty (60) days written notice of such rate increase. This limitation on rate increases shall not apply to video Services or Services for which rates, terms and conditions are governed by a Cox tariff or SG. Upon notice to Customer, Cox may change the rates for video Services periodically during the Term. Cox may change the rates for telephone Service subject to a Cox tariff or SG periodically during the Term. For the avoidance of doubt, promotional rates and promotional discounts provided to Customer will expire at the end of the Initial Term or earlier as set forth in the promotion language. Customer's payment for Service after notice of a rate increase will be deemed to be Customer's acceptance of the new rate.

3. Termination Customer may terminate any Service before the end of the Term selected by Customer above in the Service Terms upon at least thirty (30) days written notice to Cox; provided, however, if Customer terminates any such Service before the end of the Term (except for breach by Cox), unless otherwise expressly stated in the General Terms, Customer will be obligated to pay Cox a termination fee equal to the nonrecurring charges (if unpaid) and One Hundred Percent (100%) of the monthly recurring charges for the terminated Service(s) multiplied by the number of months, including partial months, remaining in the Term. Cox may terminate this Agreement without liability at any time prior to installation of Services if Cox determines that Customer's location is not reasonably serviceable or there is signal interference with any Cox Service(s) according to Cox's standard practices. If Customer terminates or decreases any Service that is part of a bundle offering, the remaining Service(s) shall be subject to price increases for the remaining Term. If Customer terminates this Agreement prior to installation of Service by Cox, Customer shall be liable for Cox's costs incurred. This provision survives termination of the Agreement.

4. Payment Customer shall pay Cox all monthly recurring charges ("MRCs") and all non-recurring charges ("NRCs"), if any, by the due date on the invoice. Any amount not received by the due date shown on the applicable invoice will be subject to interest or a late charge no greater than the maximum rate allowed by law. If Cox terminates this Agreement due to Customer's breach, or if Customer fails to pay any amounts when due and fails to cure such non-payment upon receipt of written notice of non-payment from Cox, Customer will be deemed to have terminated this Agreement and will be obligated to pay the termination fee described above. If applicable to the Service, Customer shall pay sales, use, gross receipts, and excise taxes, access fees and all other fees, universal service fund assessments, 911 fees, franchise fees, bypass or other local, State and Federal taxes or charges, and deposits, imposed on the use of the Services. Taxes will be separately stated on Customer's invoice. No interest will be paid on deposits unless required by law.

5. Service and Installation Cox shall provide Customer with the Services identified above in the Service Terms and may also provide related facilities and equipment, the ownership

of which shall be retained by Cox (the "Cox Equipment"), or for certain Services, Customer, may purchase equipment from Cox ("Customer Purchased Equipment"). Customer is responsible for damage to any Cox Equipment. If Cox Equipment is not returned to Cox after termination or disconnection of Services, Customer shall be liable for the Cox Equipment costs. Customer may use the Services for any lawful purpose, provided that such purpose: (i) does not interfere or impair the Cox network or Cox Equipment; (ii) complies with the AUP; and (iii) is in accordance with the terms and conditions of this Agreement. Customer shall use the Cox Equipment only for the purpose of receiving the Services. Customer shall use Customer Purchased Equipment in accordance with the terms of this Agreement and any related equipment purchase agreement. Unless provided otherwise herein, Cox shall use commercially reasonable efforts to maintain the Services in accordance with applicable performance standards. Cox network management needs may require Cox to modify upstream and downstream speeds. Use of the Services shall be subject to the AUP at <http://www.coxbusiness.com/generalterms>, which is incorporated herein by reference. Cox may change the AUP from time to time during the Term. Customer's continued use of the Services following an AUP amendment shall constitute acceptance of the revised AUP.

6. General Terms The General Terms are hereby incorporated into this Agreement by reference. BY EXECUTING THIS AGREEMENT AND/OR USING OR PAYING FOR THE SERVICES, CUSTOMER ACKNOWLEDGES THAT IT HAS READ, UNDERSTOOD, AND AGREED TO BE BOUND BY THE GENERAL TERMS.

7. 2. Service Start Date and Term The "Initial Term" shall begin upon installation of Service and shall continue for the applicable Term commitment set forth above in the Service Terms. However, if Customer delays installation or is not ready to receive Services on the agreed-upon installation date, Cox may begin billing for Services on the date Services would have been installed. Cox shall use reasonable efforts to make the Services available by the requested service date. Cox shall not be liable for damages for delays in meeting service dates due to install delays or reasons beyond Cox's control. If Customer delays installation for more than ninety (90) days after Customer's execution of this Agreement, Cox reserves the right to terminate this Agreement by providing written notice to Customer and Customer shall be liable for Cox's reasonable costs incurred. AFTER THE INITIAL TERM, THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR ONE (1) YEAR TERMS (EACH AN "EXTENDED TERM") UNLESS A PARTY GIVES THE OTHER PARTY WRITTEN TERMINATION NOTICE AT LEAST THIRTY (30) DAYS PRIOR TO THE EXPIRATION OF THE INITIAL TERM OR THEN CURRENT EXTENDED TERM. "Term" shall mean the Initial Term and Extended Term (s), if any. Cox reserves the right to increase rates for all Services by no more than ten percent (10%) during any Extended Term by providing Customer with at least sixty (60) days written notice of such rate increase. This limitation on rate increases shall not apply to video Services or Services for which rates, terms and conditions are governed by a Cox tariff or SG. Upon notice to Customer, Cox may change the rates for video Services periodically during the Term. Cox may change the rates for telephone Service subject to a Cox tariff or SG periodically during the Term. For the avoidance of doubt, promotional rates and promotional discounts provided to Customer will expire at the end of the Initial Term or earlier as set forth in the promotion language. 3. Termination Customer may terminate any Service before the end of the Term selected by Customer above in the Service Terms upon at least thirty (30) days written notice to Cox; provided, however, if Customer terminates any such Service before the end of the Term (except for breach by Cox), unless otherwise expressly stated in the General Terms, Customer will be obligated to pay Cox a termination fee equal to the nonrecurring charges (if unpaid) and One Hundred Percent (100%) of the monthly recurring charges for the terminated Service(s) multiplied by the number of months, including partial months, remaining in the Term. Cox may terminate this Agreement without liability at any time prior to installation of Services if Cox determines that Customer's location is not reasonably serviceable or there is signal interference with any Cox Service(s) according to Cox's standard practices. If Customer terminates or decreases any Service that is part of a bundle offering, the remaining Service(s) shall be subject to price increases for the remaining Term. If Customer terminates this Agreement prior to installation of Service by Cox, Customer shall be liable for Cox's costs incurred. This provision survives termination of the Agreement.

4. Payment Customer shall pay Cox all monthly recurring charges ("MRCs") and all non-recurring charges ("NRCs"), if any, by the due date on the invoice. Any amount not received by the due date shown on the applicable invoice will be subject to interest or a late charge no greater than the maximum rate allowed by law. If Cox terminates this Agreement due to Customer's breach, or if Customer fails to pay any amounts when due and fails to cure such non-payment upon receipt of written notice of non-payment from Cox, Customer will be deemed to have terminated this Agreement and will be obligated to pay the termination fee described above. If applicable to the Service, Customer shall pay sales, use, gross receipts, and excise taxes, access fees and all other fees, universal service fund assessments, 911 fees, franchise fees, bypass or other local, State and Federal taxes or charges, and deposits, imposed on the use of the Services. For purposes of this policy, these terms have the following definitions:

"Medicine" or "medications" includes prescription medications and over-the-counter medicines such as but not limited to cough drops, antacid medicated ointments and any other item used to treat an illness, disease or malady. This term shall not include "Sunscreen" as defined below.

"Parent" means a parent, a court appointed guardian or a person having legal custody.

"Physician" means a licensed physician or other health care provider with prescriptive authority.

"Sunscreen" means a compound topically applied to prevent sunburn.

Policy

Under Oklahoma law, a school nurse, an administrator or a designated school employee may administer prescription and nonprescription medications and assist in applying sunscreen to students. Medications may be given only with written permission from the parent/guardian, or physician order. The Student's need for non-prescription medications will be assessed by the Registered Nurse, Licensed Practical Nurse, Health Aid or designee who has documented training and given per consulting physician order guidelines.

Except as provided in this policy and in the district's Student Diabetes Care and Management policy, students may not retain possession of or self-administer any medicine. Violation of this rule will be reported to the student's parents/guardians and may result in discipline, including out-of-school suspension.

As further set out below, the district retains the discretion to reject requests for the administration of medication or application of sunscreen and to discontinue the administration of medication or application of sunscreen.

All students in Owasso Public Schools must provide registration information (InfoSnap) each school year. Part of registration includes a ["Medication Authorization" permission form](#), which must be on file for each student in order to administer any medication to the student.

The parent must deliver the student's medicine to the school nurse or **school administrator** **designated school employee** in its original container with the parent's written authorization for administration of the medicine.

Sunscreen for application by a school nurse must be delivered to the school nurse or **school**

~~administrator~~ designated school employee in its original container with the parent's written authorization for application of sunscreen. The parent's authorization for either administration of medicine or application of sunscreen must identify the student, the medicine or sunscreen, and include or refer to the label for instructions on administration of the medicine. The school nurse, an administrator or a designated employee will administer the medicine to the student or assist the student in applying sunscreen pursuant to the parent's instructions and the directions for use on the label or in the physician's prescription. The parent must complete a new authorization form annually and for each change of medication or sunscreen. The district will maintain the authorization form as a part of the student's health record. Authorization forms will be available in the front office of every school site. A parent who chooses to do so may come to the school and personally dispense medication or apply sunscreen to the student.

The administration of each school will keep a record of the students to whom medicine is administered or sunscreen is applied, the date of administration or application, the person who administered the medicine or applied the sunscreen, and the name or type of medicine or sunscreen administered.

Medications and sunscreen will be stored in a separate locked drawer or cabinet that is readily accessible only to the persons who will administer the medication or apply the sunscreen. Medications requiring refrigeration will be refrigerated in a secure area.

Any person administering medicine or applying sunscreen to a student will participate in training by October 1 of each year conducted by a school nurse or other health care professional. The training will include:

- Review of state statutes and school rules and regulations (including this policy) regarding administration of medication and application of sunscreen by school personnel;
- Procedures for administration, documentation, handling and storage of medication; and
- Medication needs of specific students, desired effects, potential side effects, adverse reactions and other observations.

Only those persons who successfully complete the training are authorized to administer medication or apply sunscreen. Each school site will maintain a current list of those authorized to administer medication and apply sunscreen at that site.

Students who are able to self-administer specific medications, such as inhaled asthma medication or anaphylaxis medication, or use specialized equipment, such as an inhaler or Epinephrine injector, replacement pancreatic enzymes for Cystic Fibrosis; may do so provided such medication and specialized equipment are transported and maintained under the students' control in compliance with the following rules:

- A licensed physician or dentist must provide a written order that the student has a particular medical condition (asthma, anaphylaxis, etc.), is capable of and has been instructed in the proper method of self-administration of medication. It is the parent's

- responsibility to contact the physician and have the physician complete and return the required order.
- The parent must provide a written authorization for self-administration of medication.
 - Parents who elect self-medication understand and agree that the district, its agents and employees shall incur no liability for any adverse reaction or injury the student suffers as a result of self-administration of medication and/or use of specialized equipment.
 - The written authorization will terminate at the end of the school year and must be renewed annually.
 - If the parent and physician authorize self-medication, the district is not responsible for safeguarding the students' medications or specialized equipment.
 - Students who self-medicate are prohibited from sharing or playing with their medication or special equipment. If a student engages in these activities the parent will be contacted and a conference will be scheduled with the parent, student, nurse and other appropriate persons.
 - Students will not be allowed to self-administer:
 - Narcotics;
 - Essential Oils and CBD Oils
 - Prescription painkillers;
 - Medication used to treat ADD/ADHD or other psychological or behavioral disorders; and
 - Other medication hereafter designated in writing by the district.

Except as otherwise provided by an individual student's school health plan, students may self-administer non-diabetes and non-anaphylaxis-related injectables only in the school office in the presence of authorized school personnel. Diabetes-related injectables will be administered in accordance with the district's Management of Students with Diabetes policy.

Students who self-medicate are encouraged to wear Medic Alert bracelets or necklaces.

The parent will provide an emergency supply of a student's inhaled asthma medication or anaphylaxis medication to be administered by school personnel, as required by state law.

Students who are able to self-apply sunscreen may do so provided such sunscreen is regulated by the Food and Drug Administration. Students may self-apply sunscreen without the written authorization of a parent, legal guardian or physician. All students are permitted to possess sunscreen that is regulated by the Food and Drug Administration.

Sunscreen

School staff will only assist the student in applying sunscreen with the parent's written authorization and according to label directions or, if applicable, written instructions from the student's physician. The sunscreen must be in the original container indicating:

- Ingredients; and
- Directions for Application.

Nonprescription Medication

School staff will only administer nonprescription medication with the parent's written authorization and according to label directions **or and/or** written instructions from the student's physician. The medication must be in the original container that indicates:

- Student name (affixed to the container);
- Ingredients;
- Expiration date;
- Dosage and frequency;
- Administration route, i.e., oral, drops, etc.; and
- Other directions as appropriate.

School staff will only administer aspirin (acetylsalicylic acid) and products containing salicylic acid with written instructions from the student's physician. The parent must provide and maintain a supply of nonprescription medication for the student.

Prescription Medication

School staff will only administer prescription medication with written authorization and instructions. Prescription medication must be in the original container that indicates:

- Student name;
- Name and strength of medication and expiration date;
- Dosage and directions for administration;
- Name of the licensed physician or dentist;
- Date, name, address and phone number of the pharmacy.

If medication is a sample from the Doctor's office, a physician's note must accompany the sample with all of the information requested in the previous section.

The initial dose of a new medication will NOT be given at school due to possible reaction.

No more than a one-month supply of prescription medication be kept at school.

The transportation of prescription medication to and from school is the responsibility of the parent/guardian.

Vitamins/herbs/homeopathic remedies, essential oils, and CBD products not FDA approved will not be given at school.

The parent must provide and maintain the supply of prescription medication for the student.

The parent must reclaim any remaining medication by the last official day of school closing or within seven days after the prescribing physician discontinues the medication. The school nurse or designated employee will destroy in a non-recoverable fashion in the presence of a witness any medication not timely reclaimed. The person who destroys the medication will record the following information:

- Date of destruction;
- Time of destruction;
- Name and quantity of medication destroyed; and
- Manner of destruction of medication

Any and all controlled substances will be destroyed according to state law.

The school nurse or designated employee will advise the principal or designee if discontinuance of medication to a student is appropriate and assist in informing the parent. Legitimate reasons for discontinuing administration of medication include, but are not limited to the following:

- A legitimate lack of space or facility to adequately store specific medication;
- Lack of cooperation by the student, parent and/or prescribing doctor and the district;
- An unexpected and/or adverse medical reaction to the medication at school, i.e., mood change, allergic reaction, etc., considered to be harmful to the health and well-being of the student;
- Any apparent change in the medication's appearance, odor, or other characteristics that raise reasonable doubts about the quality of the medication; and
- The medication expiration date has passed.

Narcotic medication will not be stored or administered at school by school personnel. Custodial parents/guardians of students being treated by a physician with prescription narcotic medication may administer such medication to their child during the school day. Parents/guardians administering the narcotics medication should report to the main office to request their child for administration of the narcotic medication.

Under state law the Board of Education, the School District, or employees of the District shall not be liable to the student or the student's parents or guardian for civil damages for any

personal injuries to the student which result from acts of omissions of school employees in administering the narcotic medicine. Also the School district, its agents and employees shall incur no liability for any adverse reaction or injury suffered by the students as a result of the parent's/guardian's administration of narcotic medication during school hours.

District-Wide Emergency Use Stock Inhalers

- Per Senate Bill 381, inhalers and spacer devices may be stocked for use when a student is in need of an inhaler and does not have access to a personal device. Any stock inhalers must be prescribed to the District by a licensed physician. Trained personnel may administer an emergency inhaler when they believe in good faith that a student is having respiratory distress. In the event that a stock inhaler is administered because of respiratory distress, EMS services will be contacted as soon as possible.

District-Wide Administration of Opiate Antagonists (Narcan)

- District medical personnel or other district employees trained in recognizing signs of opiate overdose may administer an opiate antagonist (Narcan) for a student or other individual exhibiting signs of an opiate overdose.

District-Wide Use of Epinephrine Injectors

- Per Senate Bill 381, epinephrine injectors may be stocked for use when a student is in need of an epinephrine injection and does not have access to a personal device. Any stock epinephrine injectors must be prescribed to the District by a licensed physician. Trained personnel may administer an emergency Epinephrine injection when they believe in good faith that a student is having an anaphylactic reaction. In the event that a stock epinephrine injection is administered because of an anaphylactic reaction, EMS services will be contacted as soon as possible.
- There will be designated and trained personnel at each school site responsible for:
 - Obtaining the Epinephrine injectors at each school site
 - Ensuring appropriate training on the administration of the injectors for designated staff members
 - Distributing and maintaining annual parent/guardian consent forms.
- No Epinephrine injection shall be given if the proper written consent is not on file with the District.

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with **broad insurance coverage through "A" rated insurance carriers and professional risk management services**. Over the past 22 years, OSIG's membership has grown to 538 and the program insures more than \$28.5 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools".

The group purchases insurance and reinsurance from "A" rated carriers. OSIG's insurance providers are long term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Arthur J. Gallagher Risk Management Services, Inc in Tulsa to administer the program. Gallagher is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your schools' property, your students, and patrons.

The strength of the liability portion of OSIG's offering is also important during these tough times. The program is backed by the foremost specialist in school liability insurance in the country. United Educators Insurance Company is second to none.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced insurance and risk management services you need to protect your schools' assets, your board, your staff and most importantly your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/23 was more than \$6.4 million and our assets were more than \$46.7 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share the operating results at our annual members meeting held each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at www.ok.gov/oid. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power with an intense focus on controlling member losses. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$1,000,000,000 for property losses and \$1,000,000 for liability claims in each and every occurrence subject to a \$10M annual aggregate limit. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations, and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses, and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.
