## PARENT RELATIONS GOALS

It is the general goal of the district to foster relationships with parents which encourage cooperation between the home and school in establishing and achieving common educational goals for students. The board believes parents should be active participants in education by demonstrating interest in and support for their school and the district, by becoming informed about their role as partners in education, and by becoming involved in the education of their children.

While parents are individually responsible for their children, the district provides direct services of education and indirect services of child care for students during the time when they are within the supervision of school personnel. Consistent with these shared responsibilities and as appropriate to the maturity of the student, members of the school staff will consult with parents regarding student progress and achievement, methods to enhance student development, and matters of correction.

Additionally, parental involvement in the schools is encouraged through regular communication with the school principal and staff, the parent/teacher organizations, the school volunteer program, and other opportunities for participation in school activities and district programs. It is assumed that the relationship described in the general goal is fostered if the district will:

- consult with and encourage parents to share in school planning, in setting objectives, and evaluating programs;
- help parents understand the education process and their role in promoting this process;
- provide for parent understanding of school operations;
- provide opportunities for parents to be informed of their child's development and the criteria for its measurement; and
- help parents improve in their role as parents.

PARENTAL AND FAMILY INVOLVEMENT IN THE SCHOOLS

It is the policy of the district to provide full access to the parent and family members of any student of the district to review textbooks, tests, curriculum and instructional materials, records of a student of any such parent, unless otherwise prohibited by law, and to any surveys of students done by the school district. Summary information regarding the district's curriculum, testing, and surveys will be provided at the beginning of each school year. Requests for access to specific instructional materials should be addressed to the teacher or building principal.

Requests by parents and family members to attend and monitor courses, assemblies, counseling sessions and other instructional activities shall also be made to the building principal or teacher. While requests to monitor are usually granted, if the request is denied, reasons for the denial will be provided.

It is the policy of the district to provide as consistent an experience as possible in all classroom instruction, testing, surveys, and other school experiences. It is the policy of the district not to excuse students from classroom instruction, testing, and other school experiences unless an objection is submitted to the building principal or teacher outlining the specific experience, the basis for the objection and a proposed solution for dealing with the objection that would be satisfactory to the parent and family members.

The request for the student to be excused will be reviewed by the building principal and a decision provided to the parents and family members.- While verbal objections and decisions are valid, written follow-up to verbal communications is required from the parent and family members, and the principal. If a student is excused from the requested activity no penalty will be assessed but an agreed upon alternative activity must be performed to the satisfaction of the teacher and principal.

It is the policy of the district to use only testing methods and testing instruments that are not of an experimental nature and to avoid using any testing materials or testing techniques that are not generally recognized by educational professionals to be within sound educational standards and both educationally and academically appropriate. It is the policy of the district to notify parents and family members of any standardized testing that may be scheduled within the school district.

It is the policy of the district to notify parents and family members of any survey which may be scheduled and to conduct student surveys judiciously, with full consideration of the fact that parents and family members may find items of the survey objectionable.

The following activities will also be included in the board's plan for parental and family involvement:

1. The board will involve parents and family members in the development of the Title I plan, the process for school review of the plan and the process for improvement;

P.L. 103-382 affirms the principle that parental involvement is a vital part of the Title I program.

At the district level, it is the policy of Columbus Public Schools that parents of all participating children in Title 1 Schools have the opportunity to be involved in the joint development of the district plan and the district's review process for the purpose of school improvement. The district provides coordination, technical assistance, and other necessary support in the planning and implementation of parent involvement activities. The district encourages parent involvement and supports the partnership between home/school/community by providing understandable information about standards and assessments; providing training and materials for parents to help their children and to involve other parents; educating school personnel about involving parents and the value of parent contribution.

It is the policy of Columbus Public Schools that:

This policy will be included in the parent handbook.
2. **An annual meeting is held for all parents.**  
An annual meeting will be held each year. Notification will be given in a letter mailed to parents.
3. **Parents are given assistance in understanding the requirements of the Title I Law, National Educational Goals, content standards, performance standards, and assessments.**

Individual reports will be given to parents at parent-teacher conferences.
5. **Parents receive timely responses to all parent recommendations. All information is sent to parents in the language used in the home. Full opportunities are provided for all parents to participate in Title I activities.**  
Responses can be either verbal or written. An interpreter or translator will be used when necessary.
6. **A jointly developed school/parent compact outlines how parents, the entire school staff, and students share the responsibility for improved student achievement and the means by which the school and parents continue to**

**build and develop partnerships to help children achieve the state's high standards.**

Parents and staff have the opportunity to provide input into the development of the compact. The compact will be reviewed at the annual meeting.

7. **The Title I program provides opportunities for parents to become partners with the school in promoting the education of their children at home and at school. Parents are given help monitoring their student's progress. The school provides assistance to parents on how they can participate in decisions related to their student's education. The school provides reasonable support for parental involvement activities as requested by parents.**

The Title I staff can attend training sessions. Parents and staff may attend the Parent Involvement Conference each year. Opportunities for further training will appear in local publications.

8. **The school coordinates and integrates parent involvement programs and activities with other programs as appropriate.**

The school provides shared training opportunities, transitional meetings, and publications.

9. **An annual evaluation of this parental involvement policy shall be conducted to determine the effectiveness of this policy and the barriers of this policy for increasing parent involvement. Policy evaluation findings shall be used in designing strategies for school improvement and revising parent policies.**

Surveys will be given to the parents. The results will be used for the distribution of reports/summaries and for action plans for improvement.

Re: Enrollment Study Update Scope of Work

Dear Dr. Loeffelholz:

Thanks again for calling this morning; the District's enrollment growth and housing construction you mentioned are very interesting. Per our conversation, this letter and the attached outline represent a proposed scope of work for performing the abbreviated work we discussed.

Based upon our conversation, it is believed that a full demographic analysis is not necessary at this time. Only the work elements described below are recommended for this effort. Please regard this as a draft for review and discussion with your Board so any possible questions could be addressed. I would be glad to adjust the scope of work to fit your requirements.

### **Proposed Scope of Work**

This effort is intended to assist the School District with determining implications of projected enrollment growth by school level and will incorporate a brief review of residential development and employment prospects. The end product will be a compilation of best estimates by school and school level for the next five years as well as a 10-year forecast for total district enrollment. The long-range outlook will provide the information necessary to begin internal discussions regarding future school needs.

The initial task involves updating planning information and data from a variety of sources, including the School District, and analyzing the data for insights into past and likely future trends regarding employment and housing development. Employment potential is the primary driver of population changes, including school age children. Residential development history and potential will be reviewed with selected local government officials and others to ascertain information relevant to future potential. Existing and prospective residential development per the community's Comprehensive Plan will be revisited for insights regarding student generation. Historical birth data will also be updated to assist with Kindergarten enrollment forecasting.

The primary task involves analyzing past enrollment trends, particularly those since the prior study, to provide insights regarding near term potential. Based upon the data collection and analysis, postulates will be generated about future expectations regarding student enrollment, both total and

by school level, within the District. These hypotheses will be applied to formulate enrollment forecasts and facility implications for individual schools and districtwide to assist with determining strategies and related policies that will aid decision making.

The result will be a brief report summarizing forecasts by school through fall 2026 and a total district enrollment projection to fall 2030. Insights regarding facility planning will also be provided based upon our past experience.

### Schedule and Cost

Completion of the proposed comprehensive effort will primarily be dependent upon data availability and response timeliness of selected local government officials and District staff to be interviewed. If all elements can be acquired efficiently, the work could be completed within approximately four to six weeks. The anticipated work could begin upon approval to proceed. The cost to complete the study as proposed will not exceed \$5,500. It is expected that phone interviews with offices we contacted before and electronic retrieval of pertinent information will be sufficient and that travel to the area is not needed for this effort. Darci Drost, who assisted with research in the prior effort, may also be involved in the work.

Should you have any questions or comments, please call (720-635-7280) at your convenience. We would be pleased to further discuss and/or refine the proposed scope of work. If you find this proposal acceptable, please sign and return one copy or call with notice of approval.

Thanks again for contacting us about this opportunity. We look forward to the prospect of working with you and Columbus Public Schools.

Sincerely,

*Denny Hill*

A new option for supplies has been offered this year, families can pre-order online from a company. The cost is typically less or comparable to what a family would spend when shopping for these items. Dr. Loeffelholz talked about the variable fees for CMS and CHS. The C-Stamp has increased to \$35.00. Fundraising is offered for dance team uniforms, fees. Students work the concession stand, they can work at the annual golf tournament to raise funds. Some students take advantage of fundraising and some don't. Students that qualify can fill out the paperwork to receive reduced fees.

Tim Kwapnioski, CHS Activities Director shared changes made to the CHS Activities Handbook. Some of the changes he shared were an addition of a cover, inclusion of the non-discrimination notice, absenteeism and ineligibility policies for students who participate in activities. Also changes made to the rules regarding transportation of students. Mr. Kwapnioski said there were changes made due to CPS joining the Heartland Athletic Conference for 2020-2021.

#### I.I.5. CHS Fees and Admission Prices for 2020-2021

The Superintendent recommends the Board approve the CHS Fees and Admission Prices for 2020-2021, as submitted. Passed with a motion by Michael Jeffryes and a second by Ken Curry.

Mr. Kwapnioski talked about admission prices increasing \$1.00 for adults. He did some research to keep CPS in line with others in our conference. Student prices remained the same, he felt that was appropriate because our student C-stamp increase of \$10.00 from \$25.00 to \$35.00. CPS remains on the low end for admission and ticket prices. Mr. Kwapnioski also mentioned some increase was necessary with costs of transportation and other expenses going up in price. Performance prices also increased to \$6.00.

Mrs. Haynes noted a curriculum change in Computers I and the addition of Computers II. Drum Line and Cheer were also added.

#### I.I.8. Return to School Resolution

Motion to accept the resolution. Passed with a motion by Ken Curry and a second by Michael Jeffryes.

Candace Becher: Absent, Ken Curry: Yea, Michael Jeffryes: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea  
Yea: 5, Nay: 0, Absent: 1

Dr. Loeffelholz said this is an extension to the resolution passed in March, it allows for decisions or changes to be made more quickly. The resolution was written by Justin Knight, one of our school attorneys. He feels this is the best practice, all the Nebraska superintendents are taking this to their boards this month or next. It is all written through policy. Dr. Loeffelholz recommends that the agreement would sunset on December 31, 2020. There will be new members on the board in January and a new vote would be needed. He says NDE is pretty quiet, not giving any specifics for future plans. Dr. Loeffelholz talked about the health dial from ECHD, it will change weekly. We have purchased enough washable masks for each student to have 7. All buildings have laundry facilities. Dr. Loeffelholz shared that it is often said if 11% of students are out ill, schools should close, he said we can weather that, however, if we have 11% of our teaching staff out, CPS would need to close. He also shared the district's screening process, and that we are wearing masks in common areas of buildings. Summer schools students and staff are wearing masks all the time.

#### I.J. Items to be removed from the Consent Agenda

There were no items removed from the consent agenda.

Mr. Chip Kay, Directory of Business Operations gave a short report on the financial reports. The revenues are down, grant funding is behind because NDE has been working from home. As mentioned last month, the lunch fund is behind, there is an inter-fund loan until we get reimbursements. Also noted in revenue is that property taxes are right about where we would expect. Mr. Kay also mentioned that CPS has received the last state aid funding. There were payments made to Houghton Mifflin for books, Beard-Warren for HVAC maintenance and Sealco for the polished concrete at Lost Creek.

#### I.K.3. Financial Report M5

Mr. Kay shared some expenditures from financial report M5. Fireguard, Inc. for building inspections and O'Neill Transportation & Equipment for demo work at Lost Creek.

#### I.K.4. Certified Personnel

We have recently received one resignation from a 4th grade teacher at Centennial.

#### I.K.5. Classified Personnel

Mr. Kay explained the increase in meal prices. CPS has not increased meal prices for two years. Based on the use of PLE, we should increase prices \$0.13, \$0.10 is the cap for an increase. Our lunch fund account is showing that we need to raise this year, hopefully, we will not need to raise the prices next year. Dr. Loeffelholz also commented on an anonymous donor reducing unpaid meals deficit by about \$24,000.00. Milk prices will not change at this time.

#### I.M.2. Updates

##### I.M.2.1. Substitute Teachers/Handbook, Rates

Mr. Kay gave an update on the visits with each building principal. Much of what he is hearing is that there are not enough substitute teachers. He would like to propose a plan to train people using our resources for one day, and pay for their certificate to sub. The goal would be to get 30 more subs, these people could sub 90 days per year. He would like to get this program started in August and have them prepared by September. To qualify to take the training, candidates must have an Associates Degree or higher. We would be able to do some screening on the day they are brought in, we would train and build support. Background checks will be done.

COVID has changed the way many of are subs are thinking. Rates will remain the same. Also, think about utilizing paras. Dr. Loeffelholz talked about the use of the online sub finder, no more calls or Remind messages.

#### I.N. Buildings & Sites/Technology

##### I.N.1. Administrative Functions

##### I.N.2. Updates

Leonard Kwapnioski, Director of Buildings and Sites/Technology updated the group on the phases of the Kramer Education Center with photos. Phase I - Daycare Center, Phase II- Admin Training Center, Phase III- Pre-school. Mr. Kwapnioski is recommending that all the dirt work be done all at once. He feels the plan is very attractive, there are a few things to be tweaked. The per square foot costs are a little high, seems like Omaha pricing is being used. More details will be available to the Building and Sites committee soon.

Mr. Kwapnioski talked about the North Park Elementary parking lot project which will include widening the front drive to three lanes with 93 stalls which doubles the amount of spaces. This project will be funded by the building account code/strategic plan budget. Synergy has gone live, training starts next week. Letters will go out to parents to use ParentVUE which allows credit card use for lunch accounts and school store. There is a flat fee of \$3.00 per transaction.

## I.Q. Superintendent's Report

Dr. Loeffelholz shared information regarding the restart of school. There are 93 members of our staff working hard at following all guidelines and making the best plans for instruction for students. He talked about the Risk Dial from ECHDH, which has four tiers and is based on positive tests in our area. For fall planning, and starting on August 24th, the risk dial says (Tier 2) yellow, everyone will wear a mask. The belief is that the only way to get to Tier 1 (green) is with a vaccine. The risk dial will be updated once a week and will be posted for everyone. Any healthy student who doesn't come to school will count against their attendance. Staff with underlying conditions may become our remote teachers for those students who need it. If DHMs go back to 15 people in a room, we will have to transition to a blended learning plan. CPS will adopt some food services practices from LunchTime Solutions. Bus drivers will take temperatures before students enter the bus, all must wear masks.

Dr. Romshek with her committee is working on content delivery in person, in the classroom and remotely. The group is getting ideas from other districts, using all resources possible. If CPS had to go to a blended plan, students would be getting some in-person time along with some days of ZOOM classes in smaller groups. The schedule would continually flip days so every student would get some teacher time each day. This group is also preparing ways to support teachers to learn how to use new platforms and communicate with students using these

platforms. Teachers are being encouraged to record lessons to help across the district, teaching students how to use platforms effectively. Also, preparing parent videos so they are able to help their students.

Mr. Kwapnioski updated the work his committee has been doing, one focus is trying to get added wifi access for students. There is some funding through Fortenberry's Office called Money For Communities that this group is researching. Spectrum, Verizon and Viero are also offering deals to try to help get families internet access. The survey is showing it is all over the board with whether people have wifi or not. The big question is how to get every student service or another way to get students instruction.

Other comments from the group regarding the importance of kindergarten students experiencing school as the social piece is so important to get them started in the classroom. Orientation for new students and current students to a new building. Questions regarding the plan for each color on the Risk Dial, how will switching periods look, lunch in classrooms, desks versus tables, disinfecting between classes, how will all the DHMS be followed at events.

Dr. Loeffelholz reminded the group that CHS Graduation will be held on Sunday, August 2, 2020. The senior class has been split into two groups. Administration is trying to keep the ceremonies as normal as possible. The gym will seat 483 while remaining 3 feet apart with masks. Each student will get 4 tickets. A-J-1:00; K-Z-4:00, these details will go out tomorrow to the community. Areas will be marked out for families to sit, the vocal groups and speakers have been filmed. The experience is as close to normal as we can make it. PROM will be cancelled, no way to keep students in masks and 3 ft apart. ECHD has to approve our plan for graduation. The students will receive their commemorative boxes. Doug Molczyk, board member will not be here for graduation.

#### I.R. Board Sharing

Section 2. (a) For the purpose of refunding the Refunded Bonds and paying the costs of issuing bonds as described herein, the issuance, sale and delivery of general obligation refunding bonds of the District is hereby authorized and directed in an aggregate stated principal amount not to exceed \$51,000,000, in one or more series (the “**Bonds**”). to compensate for any such net original issue discount), (3) any original issue premium or original issue discount properly allocable to each maturity of the Bonds, (4) the principal payment dates for the Bonds and the principal amount of Bonds to mature on each of such dates, (5) the date of final maturity of the Bonds, which shall in no event be later than December 15, 2039, (6) the date or dates upon which the Bonds shall be sold, (7) the rate or rates of interest to be carried by each maturity of the Bonds, provided that the present value savings resulting from refunding the Refunded Bonds is not less than 5.0% of the Refunded Bonds, (8) the method by which such rate or rates of interest shall be calculated and the interest payment dates and record date for the Bonds, (9) whether or not the Bonds shall be subject to redemption prior to their stated maturity and, if subject to such prior redemption, (A) the provisions and procedures governing such prior redemption, (B) the nature of any notice to be given in the event of any such prior redemption, (C) the redemption price or prices payable upon such redemption (not to exceed 104%) and (D) the respective periods in which each redemption price shall be payable, (10) the amount and due date of each sinking fund installment for Bonds that are term Bonds, (11) the Paying Agent and Registrar for the Bonds, (12) the underwriting discount, not to exceed 0.7% of the stated principal amount of the Bonds, and the price at which the Bonds shall be sold to the Purchaser and, (13) whether interest on each series of Bonds shall be taxable or tax-exempt, (14) the form, contents, terms and provisions of the Bond Purchase Agreement and the Paying Agent and Registrar Agreement (each as hereinafter defined), (15) the form and contents of any closing and other documentation executed and delivered by the District in connection with the authorization, issuance, sale and delivery of the Bonds, (16) any transfer restrictions relating to the Bonds, and (17) all of the other terms of the Bonds not otherwise determined or fixed by the provisions of this Resolution.

(c) The Authorized Officers, or each individually, are hereby authorized to irrevocably call any or all of the Outstanding Bonds for redemption on such date he or she determines appropriate, which date or dates shall be the **“Redemption Date”** hereunder. The Authorized Officers, or each individually, are hereby authorized to designate, approve, execute and deliver, as the case may be, the form, content, terms and provisions of any published and/or mailed notice of redemption with respect to the payment and redemption of the Refunded Bonds, and direct the application of such proceeds and any investment income to the payment of all of the principal of and interest on the Refunded Bonds maturing on or before each respective Redemption Date and the application of the balance of such proceeds and any investment income thereof to the redemption and retirement of the Refunded Bonds on the Redemption Date.

(d) The District is hereby authorized to enter into an escrow agreement in connection with refunding the Refunded Bonds (the **“Escrow Agreement”**) in such form as may be approved by an Authorized Officer with a bank or trust company (the **“Escrow Agent”**), and the President and Secretary are hereby authorized and directed to execute the Escrow Agreement, for and on behalf of and as the act and deed of the District. All money deposited with the Escrow Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Resolution and the Escrow Agreement. The Escrow Agent is hereby authorized to carry out, on behalf of the District, the duties, terms and provisions of the Escrow Agreement, and the Escrow Agent, the Purchaser and bond counsel for the District are authorized to take all necessary actions for the subscription and purchase of the escrowed securities described in the Escrow Agreement, including the subscription for United States Treasury Securities State and Local Government Series.

(e) The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be Date of Delivery. Interest on the Bonds, at the respective rates for each maturity, shall bear interest at the rates calculated

on the basis of a 360-day year consisting of twelve 30-day months and shall be payable on such dates as shall be determined in the Designation (each an “**Interest Payment Date**”) and the Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (the “**Record Date**”), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing on each Interest Payment Date a check or draft in the amount due for such interest to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner’s registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal and interest due at maturity or at any date fixed for redemption prior to maturity shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The District and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the District nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this resolution shall be valid and effectual and shall be a discharge of the District and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. The Authorized Officers, or one or more of them, shall designate the Treasurer of the District or a bank or trust company to serve as Paying Agent and Registrar for the Bonds. If a bank or trust company is designated as Paying Agent and Registrar for the Bonds, such entity shall serve in such capacities under the terms of an agreement entitled “Paying Agent and Registrar’s Agreement” between the District and the Paying Agent, in a form which shall be approved by an Authorized Officer. The Paying Agent and Registrar shall keep and maintain for the District books for the registration and transfer of the Bonds at its office. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the principal office of said Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner’s duly authorized agent. Thereupon the Paying Agent and Registrar on behalf of the District will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner’s or owners’ risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this resolution, one Bond may be transferred for several such Bonds of the same interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same

interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the District evidencing the same obligations as the Bonds surrendered and shall be entitled to all the benefits and protection of this resolution to the same extent as the Bonds upon transfer of which they were delivered. The District and said Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. The Bonds shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the tenth anniversary of the date of issuance (or such other date as may be determined in the Designation), at par plus the interest accrued on the principal amount being redeemed to the date fixed for redemption. The District shall select the Bonds to be redeemed for such optional redemption in its sole discretion. Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Any Bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond or Bonds, of the same maturity and interest rate, evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the District in the case of optional redemptions and without further direction in the case of mandatory redemptions, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the District designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the District shall have the right to direct further notice of redemption for any such Bond for which defective notice has been given. In the event term maturities and mandatory redemption amounts are determined in the Designation, the provisions of this Section 5 shall apply generally to mandatory redemptions. Any such mandatory redemptions shall be at the principal amount redeemed plus accrued interest to the date set for redemption.

PRELIMINARY, FOR DISCUSSION ONLY

The Paying Agent and Registrar shall select the term bonds to be redeemed in any maturity using any random method of selection deemed appropriate, subject to the provisions of Section 8 of this resolution.

Section 6. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the office of the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 7. The Bonds shall be in substantially the following form:

Section 8. Each of the Bonds shall be executed on behalf of the District with the manual or facsimile signatures of the President and Secretary of the Board of Education. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “**Depository**”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “**Letter of Representations**”) in the form required by the Depository (including any blanket letter previously executed and delivered), for and on behalf of the District, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The District and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “**Bond Participant**”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “**Beneficial Owner**”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the District, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the District determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so

notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this resolution to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this resolution, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository is removed by the District or resigns and is not replaced, the District shall immediately provide a supply of printed bond certificates for issuance upon the transfers from the Depository and subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement Bonds upon transfer or partial redemption, the District agrees to order printed an additional supply of certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting President and Secretary of such Board. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the District until authenticated by the Registrar. The Bonds shall be delivered to the Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the District's Treasurer, who is authorized to deliver them to the Underwriter, as initial purchaser, upon receipt of the purchase price of the Bonds as shall be determined in the Designation plus accrued interest

thereon to date of payment of the Bonds. The District's Treasurer is authorized to deliver the Bonds to the initial purchaser upon receipt of such purchase price plus accrued interest to date of payment. The initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this resolution. The Underwriter and its agents, representatives and counsel (including the District's bond counsel) are hereby authorized to take such actions on behalf of the District as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Authorized Officers are hereby each individually authorized to execute the Bond Purchase Agreement, in form satisfactory to such Authorized Officer, with such changes as such Authorized Officers may deem necessary and appropriate.

Section 9. The Secretary of the District is directed to make and certify a transcript or transcripts of the proceedings of the District precedent to the issuance of said Bonds, a copy of which transcript shall be delivered to the initial purchaser of said Bonds.

Section 10. The net sale proceeds of the Bonds along with funds of the District on hand shall be applied to the payment and satisfaction of all of the principal of and the interest on the Refunded Bonds as called for redemption on the Redemption Date by depositing such funds with the Escrow Agent to be held and applied pursuant to the Escrow Agreement. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds.

Section 11. The Board hereby represents, covenants, and warrants that it shall, for so long as any Bond of such series remains outstanding, annually provide for the levy and collection of a tax in addition to all other taxes upon all of the taxable property which the District levied upon for the Refunded Bonds, sufficient in rate and amount to pay the principal or redemption price of and interest on the Bonds as the same becomes due and payable.

Section 12. The District reserves the right to issue refunding bonds and provide for the investment of the proceeds thereof for purposes of providing for the payment of principal and interest on the Bonds in such manner as may be prescribed by law from time to time.

Section 13. The District's obligations under this resolution shall be fully discharged and satisfied as to the Bonds authorized and issued hereunder, and said Bonds shall no longer be deemed outstanding hereunder when payment of the principal thereof plus interest thereon to the date of maturity or redemption thereof (a) shall have been made or caused to have been made in accordance with the terms thereof and hereof, or (b) shall have been provided for by depositing with the Paying Agent and Registrar, or in escrow with a national or state bank having trust powers in trust solely for such payment (i) sufficient moneys to make such payment and/or (ii) direct general obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America, or obligations of any agency of the United States

of America (herein referred to as “**Government Obligations**”), in such amount and with such maturities as to principal and interest as will insure the availability of sufficient moneys to make such payment, and thereupon such Bonds shall cease to draw interest from the date of their redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this resolution; provided that, with respect to any Bonds called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given or provided for. If moneys shall have been deposited in accordance with the terms hereof with the Paying Agent and Registrar or escrow agent in trust for that purpose sufficient to pay the principal of such Bonds and all interest due thereon to the due date thereof or to the date fixed for the redemption thereof, all liability of the District for such payment, except for payment from such deposit, shall forthwith cease, determine and be completely discharged, and all such Bonds shall no longer be considered outstanding under this resolution.

Section 14. Without in any way limiting the power, authority or discretion elsewhere herein granted or delegated, the Board hereby (a) authorizes and directs each Authorized Officer and all other officers, officials, employees and agents of the District to carry out or cause to be carried out, and to perform such obligations of the District and such other actions as they, or any of them, in consultation with bond counsel, the Purchaser of the Bonds and its or their counsel, shall consider necessary, advisable, desirable or appropriate in connection with this Resolution, any Preliminary Official Statement and any Official Statement and other offering materials of the District used in connection with issuance, sale and delivery of the Bonds, including without limitation and whenever appropriate the execution and delivery thereof and of all other related documents, instruments, certifications and opinions, and (b) delegates, authorizes and directs each Authorized Officer the right, power and authority to exercise her or his independent judgment and absolute discretion in (1) determining and finalizing all other terms and provisions to be carried by the Bonds not specifically set forth in this Resolution and (2) the taking of all actions and the making of all arrangements necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Bonds. The execution and delivery by an Authorized Officer or by any such other officers, officials, employees or agents of the District of any such documents, instruments, certifications and opinions, or the doing by them of any act in connection with any of the matters which are the subject of this Resolution, shall constitute conclusive evidence of both the District’s and their approval of the terms, provisions and contents thereof and of all changes, modifications, amendments, revisions and alterations made therein and shall conclusively establish their absolute, unconditional and irrevocable authority with respect thereto from the District and the authorization, approval and ratification by the District of the documents, instruments, certifications and opinions so executed and the actions so taken.

Section 15. The District hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the “**Continuing Disclosure**

**Undertaking**”) in such form as shall be satisfactory to the District and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this resolution, failure of the District to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this section.

Section 16. The Authorized Officers are hereby authorized and directed to designate each series of the Bonds as either bearing taxable interest or bearing tax-exempt interest. The District further directs the Authorized Officers to covenant with the purchasers and holders of each series of the Bonds bearing tax-exempt interest (if any) that the District will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended, (the “**Code**”) and further covenant to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The District hereby covenants and agrees to take all actions necessary under the Code to maintain the tax exempt status (as to taxpayers generally) of interest payable on each series of the Bonds herein authorized bearing tax-exempt interest (if any), including execution of a Federal Tax Certificate to be dated the date of issuance of the Bonds.

Section 17. The officers of the District, or any one or more of them, including, but not limited to the Authorized Officers, are hereby authorized to execute and deliver any and all certificates and documents and to take any and all actions determined appropriate in connection with the issuance and sale of the Bonds. All actions heretofore taken by an Authorized Officer and all other officers, officials, employees and agents of the District, including without limitation the expenditure of funds and the selection, appointment and employment of bond counsel and financial advisors and agents, in connection with issuance and sale of the Bonds, together with all other actions taken in connection with any of the matters which are the subject hereof, are in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 18. This resolution shall be in full force and effect from and after its adoption as provided by law.
