MEMORANDUM OF UNDERSTANDING
By and Between
Kearney Public Schools & Kearney Catholic High School

This Memorandum of Understanding ("MOU") for a Swimming/Diving and Baseball co-op agreement between Kearney Public Schools and Kearney Catholic High School will become effective upon execution by both Parties. By this MOU, the Kearney Public Schools and Kearney Catholic High School agree to the following points.

- A signed NSAA cooperative agreement between Kearney Public Schools and Kearney Catholic High School for supporting High School baseball in Kearney, will be supported by Kearney Public Schools indefinitely. Kearney Catholic High School will provide Kearney Public Schools one (1) year in advance, their notice for termination of non-renewal of the NSAA Cooperative Agreement and this MOU.
- Kearney Public Schools will honor the Kearney Catholic High School Activities parent pass for admission into home swimming/diving and baseball events.
- Kearney Public Schools will be responsible for and assume responsibility for serving as the lead school as it relates to the NSAA cooperative agreements, hiring of officials, securing contracts for events, hiring of coaches, coordination and payment for transportation, purchasing uniforms and equipment.
- Both schools will have their student athletes abide by the language outlined in the NSAA Cooperative Sports Agreement under the narrative language associated with subsection 4H.
- Program and scoreboard advertising at Memorial Field will be facilitated by Kearney Public Schools. Proceeds for sponsorship and advertising will be received by Kearney Public Schools.
- Concessions will be operated and managed by Kearney Public Schools.
- (Baseball) With the financial commitment from New West coming to an end during the 2023-2024 baseball season, KHS and KCHS will split up the expenditures in the same manner in which they follow for swimming and diving. That process is as follows: Total expenditures of coaches salary, travel, equipment, uniforms, entry fees, activity workers and overnight accommodations minus a portion of the gate receipts. KPS will continue to be the lead school and will cover all administrative hours and depreciation costs of our transportation fleet.
 - An example of the formula used for swimming and diving is listed below and will be followed for the KHS/KCHS Baseball Coop.
 - Total Gate is \$3,358 divided by 41 total athletes = \$81.90 x KCHS Athletes (7) = \$573.30 (KHS will continue to accept KCHS Parent Passes)
 - Total Expenditures = \$50,000 to be divided by total KHS/KCHS athletes (41) would = \$1,219.51 x Total KCHS Athletes (7) = \$8,536.50 - \$573.30 in ratio gate receipts would = **\$7,963.20 to be paid to KPS by KCHS.**

Signatures below indicate acceptance of this MOU.

Community RelationsAddressing the BoardPhilosophy

It is the wish of the board of education to provide for citizen input at board of education meetings. The board recognizes the need for openness to the suggestions and ideas of all concerned citizens.

The board also believes it is necessary to provide an orderly agenda so that meetings can be conducted in an atmosphere conducive to a well-thought out decision-making process.

Time for Public Input

A time will be provided at or near the beginning of the board of education's action agenda to recognize citizens who wish to address the board of education.

If the item is a new item that is not on the agenda, the board of education may refer the item to some future agenda for consideration.

If the item relates to an item on the agenda, the speaker may give such input on that item at the time provided for recognition of the public.

Items of Discussion

Only items on the written board agenda will be discussed by the board at any meeting. Additional items may be placed on the agenda at the request of the superintendent or a board member, provided such item is added to the agenda not less than 24 hours prior to the meeting.

To Speak to an Item on the Agenda

1. Stand during the public participation period (first action agenda item) and be recognized by the presiding officer.
2. State your name and address.
3. State the subject about which you wish to speak.
4. Your name will be placed under that subject on the agenda and you may speak immediately, or at the time the item comes up for discussion.

To Speak to an Item Not on the Agenda

5. Stand during the public participation period and be recognized by the presiding officer.
6. State your name and address.
7. No action will be taken by the board on items brought up during public participation period. If action is desired, the subject should be placed on the agenda of a future meeting.

KEARNEY PUBLIC SCHOOLS
KEARNEY, NEBRASKA

Students

Option Enrollment

A. Process to Option In

For a student to attend Kearney Public Schools as an option enrollment student, the student's parent or legal guardian must submit an application to the Board of Education of the Kearney Public School District between September 1 and March 15 for enrollment during the following and subsequent school years (the "application period").

Upon receipt of an application, the Superintendent or the Superintendent's designee shall provide the resident school district, or if the student attends a different district as an option student, the option district with the name of the applicant on or before April 1. When an application is submitted after March 15, under the approved waiver criteria (first time kindergarten student or a sibling in KPS), acceptance decisions will be returned within sixty days of submission.

The application deadline will not be waived by the School District for application to option into the Kearney Public Schools, except in the following circumstances:

1. Siblings: The application deadline will be waived where the application is for a student who is the sibling of a student attending Kearney Public Schools as of the time the application filed. A "sibling" for this purpose means a child who resides in the same household on a permanent basis with a student who is currently attending the School District and who has the same natural or adoptive parent or who is a stepbrother or stepsister.
2. Kindergarten: The application deadline will be waived where the application is for a student who is seeking to enroll and attend the Kindergarten grade level provided the application was filed on or before June 1 prior to the first semester of the next school year.
3. Release Approval: For the foregoing exceptions, the application must contain a release approval from the resident district or, if the student attends a different district as an option student, the student's current option district.
4. Other Conditions: The waiver of the deadline in the above circumstances does not require acceptance of the application, as such application may be rejected for reasons other than late filing.

B. Rejection of Applications; Reasons

1. Capacity: An option enrollment application shall be rejected in the event the capacity of a program, class, grade level, or school building operated by the School District would be exceeded by acceptance of the application, and an option enrollment application shall be rejected in the event the application is for enrollment in a program, class, grade level, or school building which has been declared unavailable to option students due to lack of capacity.

The Director of Special Education shall review on a case-by-case basis all option applications for students that would receive or could be eligible to receive special education or related services. If the Director or designee determines that the District does not have the capacity to provide the student with the appropriate services and accommodations, then the Director or designee shall send a denial notice to the parent(s) or guardian(s) and include a description of services and accommodations that the District does not have the capacity to provide.

2. Timeliness: An option enrollment application shall be rejected in the event the application is not filed on or before the March 15th immediately preceding the school year in which enrollment is sought, and the filing deadline has not been waived.

3. Previous Option Enrollment: An option enrollment application shall be rejected in the event the student has exhausted their option enrollments in other school districts, as determined by state law.
4. Other Reasons: An option enrollment application may be rejected in the event the Superintendent, the Superintendent's designee, or the School Board determines: The application is not submitted on a form prescribed by the State Department of Education, is not completely and accurately filled in, is not received within the time required by law, or any additional information requested to be supplied is not supplied to the School District within the time lines indicated; or in the event acceptance of the application is not required by law. Matters which are legally prohibited from being considered as standards for acceptance or rejection of applications (including "previous academic achievement, athletic or extracurricular ability, disabilities, proficiency in the English language, or previous disciplinary proceedings" and further including, without limitation, race, national origin, and gender) shall not be considered as reasons for acceptance or rejection.
 - a. **Other Standards for Acceptance or Rejection of Option Enrollment Applications.** In addition to the numeric and programmatic capacity standards outlined above, the school district shall not accept an option student when acceptance of the student:
 - i. Would increase the operating costs of the school district, such as by requiring the hiring of new staff or contracting with outside entities to provide services to the student;
 - ii. Would require the procurement of new equipment, technology, or furnishings;
 - iii. Would cause or require the rearrangement of caseloads for staff and contracted professionals;
 - iv. Is reasonably deemed by appropriate school staff to pose a potential risk to the health or safety of students or staff;
 - v. May pose a risk of adversely affecting the quality of educational services being provided

C. Priority of Acceptance

Priority shall be accorded in the following order: (1) first, to those applications required to be given priority by law, (2) second, to those with a sibling in attendance at Kearney Public Schools, with priority within this group being given to those who had earliest filed applications, and (3) third to those without an option student sibling in attendance at Kearney Public Schools, with priority within this group to those who had earliest filed applications.

Filing date determinations are made by the Superintendent, or the Superintendent's designee. In the event applications within a group are received at the same or substantially the same time, priority as between such same-date applications shall be determined on the basis of random drawing.

D. Determination of Capacity

The School Board will determine and set, on an annual basis, the maximum number of option enrollment applications the School District will accept in any program, class, grade level or school building operated by this School District, based upon available staff, facilities, projected enrollment of resident students, projected number of students with which this School District will contract based on existing contractual arrangements, and may declare a program, class or school unavailable to option students due to lack of capacity. Such determinations may be made in the form of an Appendix "1" to this Policy. The

determination and declaration made for any school year shall continue in effect for the next and subsequent school years unless otherwise determined and/or declared. The capacity for special education services shall be determined on a case-by-case basis as determined by the Director of Special Education or designee.

E. Releases for Options Out

Provisions for Release -

A request for release of a resident student of or option student currently attending Kearney Public School District who submits an enrollment option application after March 15 or any other statutory deadline will be granted only on the following conditions:

1. Kindergarten: A release will be granted where the application is for a student who is seeking to enroll and attend the Kindergarten grade level provided the application was filed on or before June 1 prior to the first semester of the next school year.
2. Siblings: A release will be granted where the application would allow the student to attend the same school as a sibling. A "sibling" for this purpose means a child who resides in the same household on a permanent basis with a student who is currently enrolled in the option district and who has the same natural or adoptive parent or who is a stepbrother or stepsister.
3. Educational Programming: A release will be granted where the needs of the student require the District to obtain additional staffing or equipment and it is in the best interest of the District and the student to enroll in the option district. The determination of whether this condition is met shall be made by the Superintendent or the Superintendent's designee.
4. No Pending Expulsion: The deadline shall not be waived if the administration is considering or has recommended expulsion of the student at the time the application is filed, and the administration determines it is appropriate to complete the expulsion process.

The Superintendent or the Superintendent's designee is hereby authorized to execute such releases on behalf of the School Board and the School District.

F. Notification of Acceptance or Rejection

In the case of an application to option enroll into the Kearney Public School District, the Superintendent or the Superintendent's designee shall notify, in writing, the parent or legal guardian of the student and the resident school district or, if the student is an option student attending a different district, that option district whether the application is accepted or rejected on or before April 1 or, in the case of an application submitted after March 15, within sixty days after submission.

If an option enrollment application or a request for release is rejected by the Kearney Public School District, the Superintendent or the Superintendent's designee shall provide written notification to the parent or guardian stating the reasons for the rejection and the process for appealing such rejection to the State Board of Education. Such notification shall be sent by certified mail.

G. Status of Option Student

A student who is admitted under the enrollment option program shall be treated as a resident student, and in such regard shall be required to provide such enrollment information and documentation as is required for enrollment of other students (e.g., certified birth certificate and evidence of physical examination, visual evaluation and immunization), shall be required to be enrolled on a full-time basis, and shall be required to adhere to student conduct rules. The building assignment for an option student, as well as classroom and grade level assignments, shall be determined by the administration.

An option student shall not be entitled to transportation except as required by law. Transportation or

transportation reimbursement will be provided only in the following circumstances:

1. The Kearney Public School District may, upon mutual agreement with the parent or legal guardian of an option student, provide transportation to the option student on the same basis as provided for resident students. The school district may charge the parents of each option student transported a fee sufficient to recover the additional costs of the such transportation.
2. Option students who qualify for free lunches are eligible for either free transportation or transportation reimbursement from the option school district. The District's policy is that the District selects which service (transportation or reimbursement) is to be provided to students.
3. For option students receiving special education services, the transportation services required in the student's Individualized Education Plan shall be provided by the resident school district.

H. Information Regarding Schools, Programs, Policies and Procedures.

As part of the option enrollment program, the administration shall make information about the Kearney Public Schools and its school, programs, policies and procedures available to all interested persons and shall have a copy of the option enrollment policy and regulations available on the Kearney Public Schools website.

BE IT RESOLVED BY THE BOARD OF EDUCATION OF BUFFALO COUNTY SCHOOL DISTRICT 0007, IN THE STATE OF NEBRASKA:

Section 1. The Board of Education (the **“Board”**) of Buffalo County School District 0007, in the State of Nebraska (Kearney Public Schools) (the **“District”**) does hereby find and determine as follows:

(a) It is necessary for the District to acquire, construct, equip and install certain facilities and equipment for the District, which is expected to include a wrestling room, multi-purpose facility with field turf and ROTC indoor rifle range, and associated furnishings and equipment (the **“Facilities”**);

(b) The District has proposed to enter into one or more Lease-Purchase Agreements with one or more banks (each individually, the **“Bank”**) to be determined by an Authorized Officer (defined herein), with each lease-purchase agreement to be in substantially the form presented with this resolution (each individual lease-purchase agreement is referred to herein as the **“Lease Agreement”**; and collectively the multiple lease-purchase agreements are referred to herein as the **“Lease Agreements”**) among the District as Lessee, and each Bank as Lessor to finance the acquisition of the Facilities by the District.

Section 2. The Board hereby finds and determines that the District shall enter into each Lease Agreement for the purpose of acquiring, constructing and equipping the Facilities pursuant to Section 79-10,105, R.R.S. Neb., as amended, and thereby provide for the acquisition, construction, and equipping of the Facilities and financing of the Facilities and that the documents for such financing should be approved and their execution authorized.

Section 3. The District shall enter into each Lease Agreement, whereby the District will lease and acquire the Facilities from a Bank. Each Lease Agreement in the form presented herewith and finally approved by an Authorized Officer (as defined below) is hereby approved, together with such changes and modifications as the Authorized Officer executing the same deems necessary, desirable or appropriate. The District hereby pledges amounts in its current building fund for any rental payments due under each Lease Agreement, pursuant to the provisions of Section 79-10,105, R.R.S. Neb., as amended, and covenants and warrants that it shall levy such amount as may be necessary in each year, subject to the limitation of not to exceed fourteen cents on each one hundred dollars upon the taxable value of all

taxable property in the District which shall be in addition to any other taxes authorized to be levied for school purposes in Section 79-10,120, R.R.S. Neb., as amended, to make such rental payments when the same become due. The aggregate principal amount financed under the Lease Agreements shall not exceed \$12,000,000 and the term of each Lease Agreement shall not exceed seven years.

Section 4. The Board President, Secretary, and the Superintendent of the District, and any other officer of the District (each, an “**Authorized Officer**”) are each hereby authorized and directed to execute and deliver on behalf of the District each Lease Agreement, including necessary counterparts and other related documentation in substantially the form and content as presented herewith, or with such changes and modifications therein as to them seem necessary, desirable or appropriate for and on behalf of the District, and each Authorized Officer is further authorized and directed to execute and deliver all such documents or certificates and do all other things, necessary or appropriate to carry out each said Lease Agreement.

Section 5. The Board further states that it is the intention of the District that interest component of the rental payments payable under each Lease Agreement shall be excludable from gross income under the federal income tax by virtue of Section 103(a) of the Internal Revenue Code of 1986, as amended, and any Authorized Officer is hereby authorized to take all actions necessary and appropriate to carry out said intention and for obtaining such interest exclusion. Each Lease Agreement is hereby authorized to be designated by any Authorized Officer as the District’s “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B)(i)(III) of the Code, and such officers are hereby authorized to make any representations and warranties in connection therewith. The District hereby covenants, as and to the fullest extent that it may lawfully do so, to take all actions necessary to preserve the tax-exempt status of the interest payable with respect to each Lease Agreement.

Section 6. Without in any way limiting the power, authority, or discretion elsewhere herein granted or delegated, the District hereby (1) authorizes and directs all of the officers, employees, and agents of the District to carry out, or cause to be carried out, and to perform such obligations of the District and such other actions as they or any one of them shall consider necessary, advisable, desirable, or appropriate in connection with this resolution, and the issuance, sale, and delivery of each Lease Agreement including, without limitation and whenever appropriate, the execution and delivery thereof and of all other related documents, instruments, certifications, and opinions; and (2) delegates, authorizes, and directs each Authorized Officer the right, power, and authority to exercise her or his own independent judgment and absolute discretion in determining and finalizing the terms, provisions, form, and contents of each of the documents related to each Lease Agreement and other documents described above. The execution and delivery by any Authorized Officer shall indicate their approval of all changes, modifications, amendments, revisions, and alterations made therein, and shall conclusively establish their absolute, unconditional, and irrevocable authority with respect thereto from the District and the authorization, approval, and ratification by the District of the documents, instruments, certifications, and opinions so executed and the action so taken.

Section 7. If any one or more of the provisions of this resolution should be determined by a court of competent jurisdiction to be contrary to law, then such provisions shall be deemed severable from the remaining provisions of this resolution and the invalidity thereof shall in no way affect the validity of the other provisions of this resolution or of each Lease Agreement and each Bank shall retain all the rights and benefits accorded to them under this resolution and under any applicable provisions of law. If any provisions of this resolution shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid in any particular case in any jurisdiction or jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable

or invalid in any other case or circumstances, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatsoever.

Section 8. All documents, agreements, certificates, and instruments related to the Lease Agreements shall be valid, binding, and enforceable against the District when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Lease Agreements may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 9. This resolution shall take effect as provided by law.

All insurance policies (or riders) required by this Article shall be taken out and maintained with responsible insurance companies organized under the laws of one of the states of the United States and qualified to do business in the State; and shall contain a provision that the insurer shall not cancel or revise coverage thereunder without giving written notice to the insured parties at least ten (10) days before the cancellation or revision becomes effective. All insurance policies or riders required by **Sections 6.1** and **6.2** shall name the Lessee and the Lessor as insured parties, and any insurance policy or rider required by **Section 6.3** shall name the Lessee as insured party. The Lessee shall deposit with the Lessor policies (and riders) evidencing any such insurance procured by it, or a certificate or certificates of the respective insurers stating that such insurance is in full force and effect. Before the expiration of any such policy (or rider), the Lessee shall furnish to the Lessor evidence that the policy has been renewed or replaced by another policy conforming to the provisions of this Article, unless such insurance is no longer obtainable in which event the Lessee shall notify the Lessor of this fact.

Section 6.5. Lessee's Negligence. The Lessee assumes all risks and liabilities, whether or not covered by insurance, for loss or damage to the Project and for injury to or death of any person or damage to any property, whether such injury or death be with respect to agents or employees of the Lessee or of third parties, and whether such property damage be to the Lessee's property or the property of others, which is proximately caused by the negligent conduct of the Lessee, its officers, employees and agents. The Lessee hereby assumes responsibility for and agrees to reimburse the Lessor for all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses (including reasonable attorney's fees) of whatsoever kind and nature, imposed on, incurred by or asserted against the Lessor that in any way relate to or arise out of a claim, suit or proceeding based in whole or in part upon the negligent conduct of the Lessee, its officers, employees and agents, to the maximum extent permitted by law.

Section 6.6. Damage to or Destruction of Project. If all or any part of the Project is lost, stolen, destroyed or damaged beyond repair, the Lessee shall as soon as practicable after such event replace the same at the Lessee's sole cost and expense with property of equal or greater value to the Project immediately prior to the time of the loss occurrence, such replacement to be subject to the Lessor's reasonable approval, whereupon such replacement shall be substituted in this Lease by appropriate endorsement. The Net Proceeds of all insurance payable with respect to the Project shall be available to the Lessee and shall be used to discharge the Lessee's obligation under this Section.

ARTICLE VII

OTHER OBLIGATIONS OF LESSEE

Section 7.1. Use; Permits. The Lessee shall exercise due care in the use, operation and maintenance of the Project, and shall not use, operate or maintain the Project improperly, carelessly, in violation of any State and Federal Law or for a purpose or in a manner contrary to that contemplated by this Lease. The Lessee shall obtain all permits and licenses necessary for the installation, operation, possession and use of the Project. The Lessee shall comply with all State and Federal Laws applicable to the installation, use, possession and operation of the Project, and if compliance with any such State and Federal Law requires changes or additions to be made to the Project, such changes or additions shall be made by Lessee at its expense.

Section 7.2. Maintenance of Project by Lessee. The Lessee shall, at its own expense, maintain, preserve and keep the Project in good repair, working order and condition, and shall from time to time make all repairs and replacements necessary to keep the Project in such condition. The Lessor shall have no responsibility for any of these repairs or replacements.

Section 7.3. Taxes, Other Governmental Charges and Utility Charges. Except as expressly limited by this Section, the Lessee shall pay all taxes and other charges of any kind which are at any time lawfully assessed or levied against or with respect to the Project, the Rental Payments or any part thereof, or which become due during the Term of this Lease, whether assessed against the Lessee or the Lessor. The Lessee shall also pay when due all gas, water, steam, electricity, heat, power, telephone, and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Project, and all special assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Project; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Lessee shall be obligated to pay only such installments as are required to be paid during the Term of this Lease as and when the same become due. The Lessee shall not be required to pay any federal, state or local income, inheritance, estate, succession, transfer, gift, franchise, gross receipts, profit, excess profit, capital stock, corporate, or other similar tax payable by the Lessor, its successors or assigns, unless such tax is made in lieu of or as a substitute for any tax, assessment or charge which is the obligation of the Lessee under this Section.

The Lessee may, at its own expense and in its own name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments, utility or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Lessor shall notify the Lessee that, in the opinion of Independent Counsel, by nonpayment of any such items the interest of the Lessor in the Project will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event the Lessee shall promptly pay such taxes, assessments, utility or other charges or provide the Lessor with full security against any loss which may result from nonpayment, in form satisfactory to the Lessor.

Section 7.4. Advances. If the Lessee shall fail to perform any of its obligations under this Article, the Lessor may, but shall not be obligated to, take such action as may be necessary to cure such failure, including the advancement of money, and the Lessee shall be obligated to repay all such advances on demand, with interest at the rate of 12% per annum or the maximum rate permitted by law, whichever is less, from the date of the advance to the date of repayment.

ARTICLE VIII

TITLE

Section 8.1. Title. During the Term of this Lease, legal title to the Facilities and any and all repairs, replacements, substitutions and modifications thereto shall be in the Lessee. Upon the payment by the Lessee of all Rental Payments as indicated in **Exhibit B**, or the exercise by the Lessee of its option to purchase the Project pursuant to **Article X**, full and unencumbered legal title to the Project shall pass to the Lessee, and the Lessor shall have no further interest therein; and the Lessor shall execute and deliver to the Lessee such documents as the Lessee may request to evidence the passage of legal title to the Project to the Lessee and the termination of the Lessor's interest therein. Nothing herein shall require the Lessor to remove any lien, charge or encumbrance upon legal title to the Project not arising through the Lessor.

During the Term of this Lease, the Facilities shall remain separate personal property and not become fixtures or considered part of the real estate, even if attached or affixed thereto. Lessee hereby grants a nonexclusive easement to Lessor over the real property surrounding the Facilities when acquired and constructed, and an exclusive easement on the real portion of the real property where the footprint of the Facilities are located. Lessee shall not remove all or a substantial portion of the Facilities from such real property without the consent of Lessor.

Section 8.2. Liens. During the Term of this Lease, the Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Project, other than the respective rights of the Lessor and the Lessee as herein provided and Permitted Encumbrances. Except as expressly provided in **Section 7.3** and this Article, the Lessee shall promptly, at its own expense, take such action as may be necessary duly to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim if the same shall arise at any time. The Lessee shall reimburse the Lessor for any expense incurred by the Lessor in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

Section 8.3. Installation of Lessee's Equipment. The Lessee may at any time and from time to time, in its sole discretion and at its own expense, install items of equipment in or upon the Project, which items shall be identified by tags or other symbols affixed thereto as property of the Lessee. All such items so identified shall remain the sole property of the Lessee, in which the Lessor shall have no interest, and may be modified or removed by the Lessee at any time provided that the Lessee shall repair and restore any and all damage to the Project resulting from the installation, modification or removal of any such items. Nothing in this Lease shall prevent the Lessee from purchasing items to be installed pursuant to this Section under a conditional sale or lease with option to purchase contract, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Project.

Section 8.4. Modification of Project. The Lessee shall, at its own expense, have the right to make repairs to the Project, and to make repairs, replacements, substitutions and modifications to all or any of the parts thereof. All such work and any part or component used or installed to make a repair or as a replacement, substitution or modification, shall thereafter comprise part of the Project and be subject to the provisions of this Lease. Such work shall not in any way damage the Project or cause it to be used for purposes other than those authorized under the provisions of State and Federal Law or those contemplated by this Lease; and the Project, upon completion of any such work, shall be of a value which is not less than the value of the Project immediately prior to the commencement of such work. Any property for which a replacement or substitution is made pursuant to this Section may be disposed of by Lessee in such manner and on such terms as are determined by the Lessee. The Lessee will not permit any mechanic's or other lien to be established or remain against the Project for labor or materials furnished in connection with any repair, addition, modification or improvement made by the Lessee pursuant to this Section; provided that if any such lien is established and the Lessee shall first notify the Lessor of the Lessee's intention to do so, the Lessee may in good faith contest any lien filed or established against the Project, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Lessor shall notify the Lessee that, in the opinion of Independent Counsel, by nonpayment of any such item the interest of the Lessor in the Project will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event the Lessee shall promptly pay and cause to be satisfied and discharged all such unpaid items or provide the Lessor with full security against any such loss or forfeiture, in form satisfactory to the Lessor. The Lessor will cooperate fully with the Lessee in any such contest, upon the request and at the expense of the Lessee.

ARTICLE IX

WARRANTIES

Section 9.1. Selection, Design and Construction of Improvements. The Lessor shall have no responsibility in connection with the selection, design or construction of any improvements on the Facilities or their suitability for the use intended by the Lessee.

Section 9.2. Maintenance of Project. The Lessor shall have no obligation to test, inspect, service or maintain the Project under any circumstances, but such actions shall be the obligation of the Lessee.

Section 9.3. Contractor's Warranties. The Lessor hereby assigns to the Lessee for and during the Term of this Lease, all of its interest in all contractor's warranties and guarantees, if any, express or implied, issued on or applicable to any improvements or any portion thereof, and the Lessor hereby authorizes the Lessee to obtain the customary services furnished in connection with such warranties and guarantees at the Lessee's expense.

Section 9.4. Disclaimer of Warranties. THE FACILITIES AND ANY IMPROVEMENTS THEREON ARE DELIVERED AS IS, AND THE LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE LESSEE OF THE IMPROVEMENTS, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE IMPROVEMENTS.

ARTICLE X

OPTION TO PURCHASE

Section 10.1. When Available. The Lessee shall have the option to purchase the Lessor's interest in the Project on the Payment Dates for the After Payment Termination Values as set forth in **Exhibit B**, but only if the Lessee is not in default under this Lease, and only in the manner provided in this Article.

Section 10.2. Exercise of Option. The Lessee shall give notice to the Lessor and Paying Agent of its intention to exercise its option not less than sixty (60) days prior to the Payment Date on which the option is to be exercised and shall deposit with the Lessor on the date of exercise an amount equal to all Rental Payments and any other amounts then due or past due (including the Rental Payment due on such Payment Date) and the After Payment Termination Value. The closing shall be on the applicable Payment Date at the office of the Lessor.

Section 10.3. Release of Lessor's Interest. Upon exercise of the purchase option by the Lessee, the Lessor shall convey or release to the Lessee, all of its right, title and/or interest in and to the Project by delivering to the Lessee such documents as the Lessee deems necessary for this purpose.

ARTICLE XI

ASSIGNMENT, SUBLEASING, MORTGAGING AND SELLING

Section 11.1. Assignment by Lessor. The Lessor shall not assign its obligations under this Lease, and no purported assignment thereof shall be effective. All of Lessor's rights, title and/or interest in and to this Lease, the Rental Payments and other amounts due hereunder and the Project may be assigned and reassigned in whole or in part to one or more assignees or subassignees by the Lessor, upon notice to but without consent of the Lessee. The Lessee shall pay all Rental Payments due hereunder to or at the direction of the Lessor or the assignee named in the most recent assignment, if any. During the Lease Term the Lessor, as agent of the Lessee, shall keep a complete and accurate record of all such assignments, if any.

Section 11.2. Assignment and Subleasing by Lessee. Neither this Lease nor the Lessee's interest in the Project may be assigned by the Lessee.

Section 11.3. Restriction on Mortgage or Sale of Project by Lessee. Except as provided in **Section 11.2**, the Lessee will not mortgage, sell, assign, transfer or convey the Project or any portion thereof during the Term of this Lease, without the written consent of the Lessor.

ARTICLE XII

EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default Defined. The following shall be "events of default" under this Lease and the terms "events of default" and "default" shall mean, whenever they are used in this Lease, any one or more of the following events:

(a) Failure by the Lessee to pay any Rental Payment or other payment required to be paid under this Lease at the time specified herein and the continuation of such failure for a period of ten (10) business days after telephonic or telegraphic notice given by the Lessor that the payment referred to in such notice has not been received, such telephonic or telegraphic notice to be subsequently confirmed in writing, or after written notice.

(b) Failure by the Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in **Section 12.1(a)**, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the Lessee by the Lessor, unless the Lessor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Lessee within the applicable period and diligently pursued until the default is corrected.

(c) The filing by the Lessee of a voluntary petition in bankruptcy, or failure by the Lessee promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of the Lessee to carry on its governmental or proprietary function or adjudication of the Lessee as a bankrupt, or assignment by the Lessee for the benefit of creditors, or the entry by the Lessee into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Lessee in any proceedings instituted under the provisions of the Federal Bankruptcy Statute, as amended, or under any similar acts which may hereafter be enacted.

The provisions of this **Section 12.1** and **Section 12.2** are subject to the following limitation: if by reason of force majeure the Lessee is unable in whole or in part to carry out its obligations under this Lease, other than its obligation to pay Rental Payments with respect thereto which shall be paid when due notwithstanding the provisions of this paragraph, the Lessee shall not be deemed in default during the continuance of such inability. The term “**force majeure**” as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or the State or their respective departments, agencies or officials, or any civil or military authority; insurrections; riots; landslides; earthquakes; fires; storms; droughts; floods; explosions; breakage or accident to machinery, transmission pipes or canals; or any other cause or event not reasonably within the control of the Lessee and not resulting from its negligence. The Lessee agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Lessee from carrying out its obligations under this Lease; provided that the settlement of strikes, lockouts and other labor disturbances shall be entirely within the discretion of the Lessee and the Lessee shall not be required to make settlement of strikes, lockouts and other labor disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of the Lessee unfavorable to the Lessee.

Section 12.2. Remedies on Default. Whenever any event of default referred to in **Section 12.1** hereof shall have happened and be continuing with respect to the Project, the Lessor shall have the right, at its option and without any further demand or notice, to take one or any combination of the following remedial steps:

(a) The Lessor, with or without terminating this Lease, may declare all Rental Payments due or to become due during the Fiscal Year in effect when the default occurs to be immediately due and payable by the Lessee, whereupon such Rental Payments shall be immediately due and payable.

(b) The Lessor, with or without terminating this Lease, may repossess the Project by giving the Lessee written notice to surrender the Project to the Lessor, whereupon the Lessee shall do so in the manner provided in **Section 12.3**. If the Project or any portion of it has been destroyed or damaged beyond repair, the Lessee shall pay the applicable After Payment Termination Value of the Project, as set forth in **Exhibit B** (less credit for Net Proceeds), to the Lessor. Notwithstanding the fact that the Lessor has taken possession of the Project, the Lessee shall continue to be responsible for the Rental Payments. If this Lease has not been terminated, the Lessor shall return possession of the Project to the Lessee at the Lessee’s expense when the event of default is cured.

(c) If the Lessor terminates this Lease and takes possession of the Project, the Lessor shall thereafter use its best efforts to sell or lease its interest in the Project or any portion thereof in a commercially reasonable manner in accordance with applicable State laws. The Lessor shall apply the proceeds of such sale or lease to pay the following items in the following order: (1) all costs incurred in securing possession of the Project; (2) all expenses incurred in completing the sale or lease; (3) the applicable After Payment Termination Value of the Project; and (4) the balance of any Rental Payments owed by the Lessee. Any sale proceeds remaining after the requirements of clauses (1), (2), (3) and (4) have been shall be the property of Lessee.

(d) If the proceeds of sale or lease of the Project are not sufficient to pay the balance of any Rental Payments owed by the Lessee, the Lessor may take any other remedy available at law or in equity to require the Lessee to perform any of its obligations hereunder.

Section 12.3. Surrender of Project; Transfer of Title. Upon the expiration or termination of this Lease prior to the payment of all Rental Payments in accordance with **Exhibit B**, the Lessee shall surrender the Project to the Lessor in the condition, repair, appearance and working order required in

Section 7.2 and immediately transfer to Lessor all of Lessee's right title and interest in and to the Project without further demand by Lessor. If the Lessee refuses to surrender the Project and transfer title in the manner designated, the Lessor may repossess the Project and charge to the Lessee the costs of such repossession, pursue action to cause such transfer to occur, or pursue any remedy described in **Section 12.2**.

Section 12.4. No Remedy Exclusive. No remedy conferred upon or reserved to the Lessor by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by the Lessor or its assignee.

ARTICLE XIII

Naming Facilities

The board shall have the authority to name all school district facilities or property.

Naming Criteria

The district may name facilities or property for an individual, family, or entity meeting at least one of the following criteria:

1. A faculty member, staff member, board member, alumni, volunteer, or other community member who has made an outstanding contribution to education, humanity, or community; or have displayed outstanding leadership; or be a person of historical significance; or
2. Financial donors who make a significant financial contribution to the school generally or to a specific school activity or program; or
3. Financial donors who make a significant financial contribution toward the construction of a new facility/property or facility/property renovation.

The district will not grant a naming right without the informed consent of the named party or their representative. The board shall enter into a written agreement with the named party or their representative. Provisions of the agreement will be guided by this policy. However, the board retains the authority to negotiate the agreement to be mutually beneficial to the named party and the district.

Due Diligence

The board or its designee shall conduct a due diligence review of any proposed facility or property name to consider whether it is and will continue to be a positive and appropriate reflection on the school, whether the name conforms with the purpose and mission of the school, and whether there are any conflict of interest issues. The board or its designee shall also consult with district legal counsel to ensure that any proposed name complies with applicable policies, laws, and regulations and to determine if any proposed name would have an adverse impact on existing or future tax-exempt bond issues.

Renaming Facilities

Facilities that currently exist and are named after an individual generally will not be rededicated or renamed unless the facility is relocated to a new site or a different purpose is designed for an existing facility. Other compelling reasons to rename facilities include, but are not limited to, the person or entity or any of its officers, agents, or employees committing any act or doing anything which might tend to bring the person or entity or any of its officers, agents, or employees into public disrepute, contempt, scandal, or ridicule, or which might tend to reflect unfavorably on the district or if the continued use of the name is contrary to the educational mission of the district.

The named party may, without refund of any consideration paid or provided, terminate acceptance of the naming rights prior to the scheduled termination date. If the request is granted, the party shall be solely responsible for all costs of removal of the name.
