The Fire Department would like to surplus the following equipment:

1 set of turn out gear to sell to the Wilber Department

3" hose to be replaced with 2 1/2" hose

Dive Gear

3.D. Nebraska Regional Interoperability Network

Per our recent briefing by Sue Krogman (Nebraska Emergency Management Agency), the Southeast Region is making plans to install needed equipment to make the network operational and needs a decision from Crete as to whether the City wishes to participate. An agreement to participate will allow the State to make plans to emplace microwave dishes on the Crete Water Tower directed at Seward, Wilber and Hallam. These dishes will become ours and permit Crete to be linked into the Network. There is no requirement to participate.

4. Officers' Reports

No action can be taken by the Committee on matters presented under this title except to answer any question posed and to refer the matter for further action.
