Dear LARM Member,

Attached please find your Renewal Coverage Proposal for the 2025-26 Pool Year. This proposal is itemized by line of coverage to represent your specific limits, deductibles, annualized contributions and to outline LARM's resolution credit options available for the new term.

To ensure LARM members are adequately covered, LARM is increasing overall values. Most members are seeing property values, contents, and property in the open increases of 5% depending on if you had a valuation of your properties in the last year. This is also being driven by reinsurance to ensure proper coverage on catastrophic losses.

To continue the goal of pursuing a strong financial position, the LARM Board formally approved the recommended adjustment to the 2025-26 Pool Year rate levels as follows:

- + 26% rate adjustment for Property.
- + 5% adjustment Level rates for Liability Coverages.
- + 5% adjustment for Workers' Compensation.

Finally, the information presented in this communication packet does not include any potential mono-line insurance placements that are not part of the formal LARM Property, General Liability or Workers' Compensation coverages (such as Bonds, Special Events Coverage, Liquor Liability, etc.) In addition, please be advised that your final invoice amount may vary from the renewal packet based on endorsements that require contribution adjustment over the next several weeks.

As always, the LARM Board and staff are very pleased that your community will continue to support LARM as we celebrate our 31st year of unparalleled commitment to serving our Members. On behalf of each of us, I thank you for making our partnership a mutual success.

Sincerely,

LEAGUE ASSOCIATION OF RISK MANAGEMENT
