Asbestos Abatement

Presented By: Tony Reza and Yusuf Farran

Consent Agenda: _____

ACTION

1. BACKGROUND INFORMATION:

The Board of Trustees approved on April 25, 2006 to award contract RFCSP # 06 – 11 Asbestos Abatement to ***Border Demolition and Enviromental Inc.*** As stated in the project management section the district has the right to add additional items to the contract under the unit cost change order. This request is to ask for approval to increase the amount from \$58,138.00 to \$134,204 to provide asbestos removal from the current Canutillo Middle School for floor tile and mastic at \$5,600, Lone Star Building for floor tile and mastic in cafeteria, transite removal, flex connectors, spray on material and carpet for \$49,266 and Old Canutillo High School cabinet removal/reconnect, moving of furniture and additional ACM tile and mastic for \$21,200.

2. SUPERINTENDENT RECOMMENDATION:

The Superintendent recommends approval to increase the monetary amount of the contract from \$58,138 to \$ 134,204 for asbestos abatement change order.

3. BOARD ACTION REQUESTED:

The Board of Trustees approves the Superintendent's recommendation.

	Moving of furniture in gym to access tile**	lump sum	Price: <u>\$2,400</u>
	Additional ACM tile and Mastic	6500 sf	Price: <u>\$13,000</u>

*Some of the science room cabinets are already damaged. Due to the age and current condition of this equipment, we cannot be responsible for any further damages that may be caused during the removal process. We will do our best to maintain this equipment in its current condition but cannot guarantee this work.

**The moving of furniture will be only in the perimeter area of the gym to access the floor tile that is underneath. Furniture that remains will be protected with splash guard as per RFCI guidelines. We believe that there possible damage to the existing gym floor due to the weight of the furniture that was placed there.

Price is inclusive of all labor, materials, equipment, transportation, disposal, and insurance for the asbestos abatement as per project manual.

All work will be performed in compliance with local, state, and federal rules and regulations as well as your specifications.

Power and water is to be provided by owner.
