Canutillo Independent School District Curriculum & Instruction

Excellence Through Integrity and Innovation

C&I Mission: We value quality education for all students. We build capacity and provide instructional support for teachers. Our work is centered on research, grounded in best practice, and focused on student achievement

TO: CISD Board of Trustees and Superintendent Dr. Borrego
FROM: Jessica Arellano, Executive Director of Curriculum & Instruction
DATE: March 9, 2026
SUBJECT: Stemscores Math Instructional Materials

The administration recommends approval of the High Quality Instructional Materials STEMscopes mathematics curriculum to support high-quality, standards-aligned instruction across Canutillo Independent School District. Stemscores is aligned with the Texas Essential Knowledge and Skills (TEKS) and reflects the state's effort through the Texas Education Agency to provide districts with rigorous, research-based instructional materials that strengthen conceptual understanding, problem-solving, and mathematical reasoning. Approval of this curriculum will ensure that our teachers have access to coherent, high-quality resources and professional supports that promote consistency in instruction across campuses while improving student outcomes in mathematics. Additionally, adopting STEMscopes allows the district to access additional state funding available through the HQIM allotments provided by TEA to support districts that implement state-approved high-quality instructional materials. This opportunity enables the district to strengthen mathematics instruction, maximize available state resources, and maintain responsible stewardship of district funds.

Some details of how STEMscopes aligns with the Vision of Canutillo ISD:

- Continuing adoption of STEMscopes in K–Algebra I Math for SY 2026–2027.
- A structured implementation framework that emphasizes internalization, Professional Learning Communities (PLCs), curriculum alignment, professional learning, and the use of embedded assessments.

SUBJECT: Bluebonnet Math Learning Instructional Materials

The administration recommends approval of the High Quality Instructional Material Bluebonnet Learning mathematics curriculum to support high-quality, standards-aligned instruction across Canutillo Independent School District. Bluebonnet Learning is aligned with the Texas Essential Knowledge and Skills (TEKS). It reflects the state's effort through the Texas Education Agency to provide districts with rigorous, research-based instructional materials that strengthen conceptual understanding, problem-solving, and mathematical reasoning. Approval of this curriculum will ensure that our teachers have access to coherent, high-quality resources and professional supports that promote consistency in instruction across campuses while improving student outcomes in mathematics. This opportunity enables the district to strengthen mathematics instruction, maximize available state resources, and maintain responsible stewardship of district funds.

Adopting the Bluebonnet Learning mathematics curriculum will position Canutillo Independent School District to qualify for additional funding through the LASO IV Grant administered by the Texas Education Agency. Because Bluebonnet is a state-supported High-Quality Instructional Material aligned to the TEKS, its implementation meets key eligibility requirements for LASO IV funding, which supports professional learning, instructional coaching, and effective curriculum implementation. Through this opportunity, the district could access potentially

Whitley Miles – Cimarron Canyons resident near the proposed Alderete Middle School site. She mentioned that she is approaching the board in representation of the hundreds of homes in her neighborhood. Ms. Miles mentioned that many of the residents in that neighborhood were not aware of the projects until late in the process. She also expressed concerns over how emergency services will move in the area during school traffic time and the accuracy of the traffic studies done in the area for the project.

Gustavo Mendoza - AMS Site Safety Concern

Mr. Mendoza expressed dissatisfaction over finding out that a new middle school was planned in their neighborhood only on the placement of a billboard on the property. He mentioned that traffic, safety, and property values in the neighborhood will be affected and yet the project was not communicated to their community. He also stated there were conflicting reports while attending a meeting with the City of El Paso regarding the daily traffic impact of the project.

Jesus Salgado Ramos – Alumni and Business owner, regarding the Superintendent Selection. Mr. Salgado Ramos stated that Dr. Arellano has served as Interim Superintendent and she is being overlooked. He also expressed dissatisfaction over the perceived practice of overlooking local talent while searching for talent elsewhere. He stressed out the strengths of Dr. Jessica Arellano as a strong candidate with knowledge of the community. He also states that the board has the responsibility not only to select the superintendent but also to create confidence in the process.

Cerrisa M Cuellar - Thanks to Dr. Rico on behalf of the Reyes Elementary PTO. Ms. Cuellar mentioned that the Reyes PTO wanted to express gratitude for Dr. Ricos' guidance and support. She mentioned that his support has helped them succeed in their goals while feeling listened to and helping them collaborate.

4. BOARD OF TRUSTEE BUSINESS

4.A. Discussion and Possible Action for Approval of Guaranteed Maximum Price #2 (GMP) for Construction Manager-At-Risk (CMAR) Services for Demolition of existing portable and the execution of Alternate No. 1 for the New Build at Northwest Early College High School (NWECHS), RFQ 2025-02B, from Jordan Foster Construction, LLC in the amount of \$4,549,224.00

Mr. Ernesto Ortiz mentioned PROCEDEO wanted to bring this next phase of the Bond Project after ensuring that the project continued to be under budget.

Trustee Borrego thanked Mr. Ortiz for doing his due diligence regarding savings and helping with the process.

Trustee Bernes asked questions regarding the types of flooring being used.

The Representative from Jordan Foster mentioned that there are different types of flooring being used and that it might not be what was originally selected for the multi-purpose building. Trustee Barnes asked to receive clarification via email regarding the flooring being used for the site.

Trustee Maldonado expressed questions over the quality of the materials being used. Mr. Ortiz explained that even though quality is being reduced, the appropriate materials will be selected for the appropriate use it will be given.

Trustee Martinez requested a report on the savings made from moving from epoxy flooring to VCT.

Motion to approve item as presented by Trustee Borrego, seconded by Trustee Barnes.

Barnes-Yes, Borrego-Yes, Maldonado-Yes, Martinez-Yes, Ortega-Yes,
Rodriguez-Yes, Zuniga-Yes

All in Favor, Motion Passes.

4.B. Discussion and Possible Action for Approval of Change Order #01 to authorize the use of Program Contingency funds for the construction of the new basketball court at Bill Childress Elementary School from Jordan Foster Construction, LLC in the amount of \$417,792.00

Mr. Ortiz explained that change order #01 is one of the items pending on the schools Wish list of projects to be completed if possible. The school and PROCEDEO feel that approving the item to be replaced with post-tension concrete for safety issues would be the best recommendation. A change order was needed since other projects encumbered funds available for the BCE projects. Trustee Borrego mentioned that she is excited to see this project being recommended for student safety.

Trustee Borrego motioned to approve the item as presented. Trustee Maldonado seconded the motion.

Barnes-Yes, Borrego-Yes, Maldonado-Yes, Martinez-Yes, Ortega-Abstain,
Rodriguez-Yes, Zuniga-Yes

Motion Passes.

4.C. Report From Board Member Sergio Martinez From His Attendance to the TxEdCON Conference in Houston on September 11–14.

Trustee Martinez thanked the board of trustees for allowing him to attend the conference representing the district. He shared a presentation with the board regarding how board members are visionary leaders alongside the district superintendent. He also expressed the importance of Trustee's accountability for the school district. He mentioned that he believes that he would like to attend the conference again and he would like more board members to be allowed to attend as well.

No Action Taken

Barnes-Yes, Borrego-Yes, Maldonado-Yes, Martinez-Yes, Ortega-Yes, Rodriguez-Yes, Zuniga-Yes

All in Favor, Motion Passes.

7.C. Discussion and Possible Action Regarding the Recommendation of Administration to Terminate the Probationary Contract of Omar Gonzalez, Teacher at Canutillo High School for Job Abandonment Without Good Cause and Issue Appropriate Notice to SBEC.

Mr. Blanco addressed the board regarding the update on Mr. Gonzalez during executive session. He explained that administration is recommending that board

approve the recommendation to terminate the probationary contract of Mr. Gonzalez for good cause and to issue appropriate notice to SBEC. Mr. Gonzalez will also receive notice from the district depending on what the board vote is. It's our recommendation that you move forward with this and terminating for good cause.

Trustee Borrego moved to approve administration's recommendation. Seconded by Trustee Barnes

Barnes-Yes, Borrego-Yes, Maldonado-Yes, Martinez-Yes, Ortega-Yes, Rodriguez-Yes, Zuniga-Yes
All in Favor, Motion Passes.

7.D. Discussion and Possible Action Regarding District Compliance With Senate Bill 10.

Mr. Blanco explained that the board consulted with him during executive session regarding compliance with SB10. He explained that the district did receive properly framed and donated copies of the Ten Commandments. And that the question now is, whether the board wants to revisit their prior decision? Mr. Blanco also explained "At a previous board meeting, the board determined that while the donation was received and the district is holding the Ten Commandments that you were going to wait on the outcome of the litigation in Texas that involves other school districts um to determine whether or not the posting would be required um there's been some discussion by the board as to whether or not that decision would be revisited and so it's up to you all to decide tonight if you're going to continue with the current action which is to wait um or if you're going to move forward and post the ten commandments that have been donated to the district."

Trustee Barnes motioned to change the previous board decision by stating "I am motioning um that we change our original decision and that we align with the we comply with the law that is stated for us to hang the donated posters or framed posters um in order to be in compliance with the state. I want to be clear that the reason I am saying that is because it has been stated that if we are not in compliance, there are other districts that are being sued by the state for not being in compliance.

And that would put it put us at a legal risk in the middle of a deficit. Um, and if we continue down the road of our original vote that if we were to be sued by parents, um, the I'm sorry, if we were to change our vote and, um, hang them up and be sued by parents that the attorney general of Texas would represent us and we would not be on the line for that financial litigation. So, that is the reason for my motion."

Trustee Ortega seconded the motion.

Barnes-Yes, Borrego-No, Maldonado-Yes, Martinez-No, Ortega-Yes, Rodriguez-No, Zuniga-No

Motion Fails.

7.E. Discussion and possible action regarding selection of lone finalist for position of superintendent of schools to include employment terms and conditions and potential contract of employment.

Trustee Rodriguez motioned to rescind the original sole finalist and to announce Dr. Rico as a sole finalist. Trustee Zuniga seconded the motion

Barnes-No, Borrego-No, Maldonado-Yes, Martinez-No, Ortega-No, Rodriguez-Yes, Zuniga-Yes

Motion Fails.

Mr. Blanco clarified that the following trustees voted no: Barnes, Borrego, Martinez and Ortega

Trustee Borrego motioned to continue with the board's original recommendation of Mr. Jose Borego as loan finalist.

Trustee Barnes asked if the following could be added to the motion: "can we add to that motion to enter into negotiations?"

Trustee Borrego amended her motion to include Mrs. Barnes Statement Motioning to continue with the board's original recommendation of Mr. Jose Borego as loan finalist and to enter into negotiations. Trustee Barnes Seconded the motion.

Barnes-Yes, Borrego-Yes, Maldonado-Yes, Martinez-Yes, Ortega-Yes, Rodriguez-Yes, Zuniga-Yes

Agenda Summary:

Approval by the Board for the 2025-2026 Library Book List for Elementary, Middle School, and High School is required to be in compliance with Senate Bill 13 and EFB (Local). The Library Services Department, in collaboration with campus librarians, selected books that follow the mandatory collection development standards in EFB (Local). Librarians also included books on the list that are high interest, enrich the curriculum, are grade-level appropriate and support the development of foundational literacy skills.

The selected titles were compiled into elementary, middle, and high school lists, which were posted to the Library Services website for the required 30-day public comment period. During this time, families, students, and community members were able to review the lists and share their thoughts or concerns using a public comment form found on the Library Services website. The posting of these lists ensures compliance with the library acquisition process. Following the 30-day period, pending Board review and consent, the library book lists will then be available for campus librarians to acquire library materials.

Thereafter, prior to acquiring new library materials including donations and gifts, the District is required to publicly post and

RECOMMENDATION: It is recommended that the Board approve the 2025-2026 Elementary, Middle, and High School Library Lists, as presented.

CURRICULUM & INSTRUCTION

CANUTILLO A Premier District

TO: CISD Board of Trustees and Superintendent Dr. Borrego
FROM: Jessica Arellano, Executive Director of Curriculum & Instruction
DATE: March 24, 2026
RE: Certification of Provision of Instructional Materials 2026-2027

Local Educational Agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education, per Texas Education Code (TEC) 31.1011.

The certification survey includes a section that allows a local school system to certify that they meet the requirement to protect against access to obscene or harmful content in compliance with:

- (i) Children's Internet Protection Act (Pub. L. No. 106-554);
- (ii) Section 28.0022;
- (iii) Section 43.22, Penal Code; and
- (iv) any other law or regulation that protects students from obscene or harmful content.

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

The Certification of Provision of Instructional Materials 2026-2027 Survey Form must be reviewed and ratified by the local school system's board of trustees or governing body in an open, public-noticed meeting.

The completed Certification of Provision of Instructional Materials 2026-2027 Survey Form will be submitted to TEA upon ratification.

Survey Prewrite Form

2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prework form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
 - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prework form and survey by **May 1, 2026**. The prework form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 Prewrite Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prewrite Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
 - Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
 - Thursday, March 5th, at 11:00 a.m. CST. | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Prewrite Form, survey, or process, please submit a [Help Desk ticket](#).

Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Prewrite Form Guidance

Please note that the format of the Certification 2026–27 Prewrite Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Prewrite Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

Survey Prewrite Form

2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prework form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prework form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
 - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prework form and survey by **May 1, 2026**. The prework form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 Prewrite Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prewrite Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at im.tea.texas.gov.
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
 - Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
 - Thursday, March 5th, at 11:00 a.m. CST. | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Prewrite Form, survey, or process, please submit a [Help Desk ticket](#).

Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

Qualtrics Survey and Prewrite Form Guidance

Please note that the format of the Certification 2026–27 Prewrite Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Prewrite Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

Instructional Materials Procurement Reminder

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

Certification 2026–27 Survey Ratification

[Print, Sign, and Upload via Qualtrics]

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

Canutillo Independent School District Curriculum & Instruction

Excellence Through Integrity and Innovation

C&I Mission: We value quality education for all students. We build capacity and provide instructional support for teachers. Our work is centered on research, grounded in best practice, and focused on student achievement

TO: CISD Board of Trustees and Superintendent Borrego
FROM: Jessica Arellano, Executive Director of Curriculum & Instruction
DATE: March 9, 2026
SUBJECT: Request for Creation of 3-Year Locally Developed Courses

Curriculum & Instruction is requesting approval for Locally Approved High School Courses. We request the approval of locally developed courses offered at both high schools in partnership with any of our Institutions of Higher Education (IHE) partners, as aligned with the Texas Education Agency (TEA) Texas Workforce Education Data System (TWEDS) course codes. These locally approved courses allow the district to provide students with expanded dual credit opportunities that may not be available through standard state course offerings. Approval by the Board of Trustees ensures that the district remains compliant with TEA reporting requirements while continuing to strengthen partnerships with IHE's and provide students access to rigorous, relevant coursework that supports both graduation requirements and postsecondary success. C&I is requesting the Board grant the Academics Department the autonomy to continue creating and using these courses for the next three years before seeking Board approval again.

DATE: March 9, 2026
SUBJECT: Request for 3-Year Creation of Innovative Courses

Curriculum & Instruction is requesting approval for additional Innovative High School Courses. These courses will allow CISD to offer learning opportunities that enable all students to master knowledge, skills, and competencies not typically included in the essential knowledge and skills of the required curriculum. Innovative courses provide our campuses with another way to enrich instruction for all students. In addition, completing Innovative Courses increases students' chances of admission to a top-tier university and supports their postsecondary success. Successful completion of some Innovative Courses also provides students with additional college credit at no cost. C&I is requesting that the Board grant the Academics Department the autonomy to continue creating and using these courses for the next three years before seeking Board approval again. With the Board's approval, innovative course codes can be created and added to the campuses' master schedules.

CURRICULUM & INSTRUCTION

CANUTILLO A Premier District

TO: CISD Board of Trustees and Superintendent Dr. Borrego
FROM: Jessica Arellano, Executive Director of Curriculum & Instruction
DATE: March 24, 2026
RE: CHS Calendar Change Request March RBM 2026

The district has been very thoughtful in preserving instructional minutes throughout the school year to ensure flexibility in the event of weather closures or other unforeseen circumstances. Because we were able to avoid closures this year, we currently have 1680 excess instructional minutes available. Given that one instructional day equals 450 minutes, utilizing one and a half days would still leave 1,005 minutes in reserve for Canutillo High School testing adjustments, late starts, or other emergencies. This surplus makes it possible to consider an adjustment to the final student day.

Administration respectfully requests approval for an early release on May 27, 2026, to allow Canutillo High School students and exempt staff adequate time to prepare for the graduation ceremony scheduled for 6:00 p.m. that evening. Holding a full instructional day followed by graduation presents logistical challenges for families and staff, particularly given the preparation required for such a significant event.

Additionally, seniors will have completed their graduation requirements, and attendance on May 28 would likely be significantly reduced, negatively impacting Average Daily Attendance (ADA). Eliminating the need for students to return on May 28 would help prevent low attendance while honoring the culmination of the academic year in a meaningful and organized manner.

May 28th and May 29th will be full teacher workdays for Canutillo High School teachers.

If approved, May 27 would serve as the final instructional day with early release for Canutillo High School students and exempt staff. May 28th would no longer be a required student attendance day and would be coded as a non-instructional day. The district would coordinate all necessary calendar adjustments in TEAMS through Frontline to ensure compliance and accurate reporting for Canutillo High School.

This adjustment allows the district to remain well within required instructional minute thresholds while supporting students, families, and staff during graduation week.

MEMORANDUM OF UNDERSTANDING BETWEEN

MoakCasey Texas Connect and
Canutillo Independent School District
February 27, 2026

BACKGROUND

MoakCasey Connect (MCC) has been in discussions with Canutillo Independent School District (CISD) about its digital media platforms (products and services consisting of but not limited to Digital Kiosk, LED Display, and Augmented Reality Technologies, collectively the “Solution”) and specifically how the capabilities of these technologies could be deployed for CISD to bring substantial new forms of revenue and value.

This MOU describes the next step in the relationship where MCC will deploy an initial suite of its solutions at mutually agreed locations across CISD.

PURPOSE

The purpose of this MOU is to lay out the terms and parameters of the engagement between MCC and CISD. The key elements are:

- MCC will negotiate a direct agreement with CISD using a mutually agreed upon contract, and a Special Purpose Entity will be established by MCC for funding of the Solution. If the parties enter into a legally binding contract, such contract shall supersede the terms of this MOU.

PROJECT OVERVIEW

The Parties agree to enter into a Memorandum of Understanding with respect to the final design, local, and deployment and operation of digital systems to occupy the CISD properties, providing a variety of revenue-generating services, including but not restricted to advertising, gamification, AR activations, transactional offers, and compute services to throughout each property.

The capex to deploy this network will be funded by a MCC and its funding partner, who will be paid out of project cash flows, upon terms negotiated and agreed upon by the Parties. The funding for each project will be collateralized by the equipment deployed and funded and managed under a Special Purpose Entity, which collateralization shall be governed by a contract negotiated and agreed upon by the Parties. The revenues generated by this advanced digital media network will cover all the costs associated with generating the revenue (e.g., through ad sales and sponsorships), operating and maintaining the network, covering software license fees, and providing agency services. The excess of revenue over costs will be distributed as agreed upon between CISD, MCC, and the funding partner.

Each Location designated will be considered a Project. The term of each project will be 15 years. During the term, MCC will have the exclusive right at the Location to sell the network inventory (either directly or through its hand-selected agents), operate the network and provide agency services.

RESPONSIBILITIES OF CISD

The deliverables to be provided by CISD shall be limited to:

1. Participation in confirmation of the final technologies for each Project and where technologies will reside throughout the Location, and assistance, at no cost or expense to CISD, in requisition in securing all necessary permits, licenses, and agreements with the City, County and/or Public Agencies to enable the deployment of the Solution
2. Provision of power throughout the term.
3. It is acknowledged that CISD may have additional requirements once final design and deployment plans have been made.

RESPONSIBILITIES OF SP

MCC will be responsible for designing, planning, deploying, operating, and financing the Projects. Each Project solution will be based on a suite of technologies exclusively supplied by MCC.

The principal technologies to be deployed are as follows:

- LED displays of varying specifications and screen sizes
- Kiosks of varying specifications and screen sizes
- Content Management systems and Content Distribution Network
- Power cables and wired communications cables as needed
- Additional technologies may be deployed as necessary at the sole discretion of MCC.

The Project solution design is intended to maximize revenue generated from advertisers, sponsors, transactions, and other sources while ensuring that the equipment deployed is with the budget limits dictated by the return requirements of the financing package. MCC will work with CISD to identify and select final technology aspects and locations and will have complete discretion as to the final Project attributes and its deployment throughout the Location.

PROJECT SCHEDULE

The Parties will work in good faith to finalize all design, deployment, and operational details for the Solution within thirty (30) days following the Effective Date. Upon agreement of the final plan, CISD will grant MCC exclusive rights to deploy and operate the Solution at the Location for a period of one (1) year from the date of final plan approval, during which time MCC will have the sole right to negotiate and finalize project implementation. Each implemented Project will have a term of fifteen (15) years, as further set forth in the subsequent definitive agreement.

FINANCIAL TERMS

The final Solution design is intended to fully fund and manage the project over the term **no cost** to CISD.

NON-BINDING

This MOU is intended only as a statement of the current intentions of the Parties and does not create any binding legal obligation on the part of either CISD or MCC. The provisions of this MOU, including any attachments, do not constitute a contract and are not enforceable by either CISD or MCC.

CONFIDENTIALITY

The parties agree that any information exchanged during the course of discussions related to this MOU will be treated as confidential and will not be disclosed to any third parties (which shall not include the Parties' employees, contractors, consultants, and legal and financial advisors so long as such parties are required to comply with these confidentiality obligations) without the prior written consent of the disclosing party.

We look forward to collaborating with Canutillo Independent School District (CISD) on this very exciting project!
