DETERMINATION OF RATING

A. Did the school district fail any of the critical indicators 1, 2, 3, or 4? If so, the school district's rating is **F for Substandard Achievement** regardless of points earned.

B. Determine the rating by the applicable number of points.

A = Superior Achievement

90-100

B = Above Standard Achievement

80-89

C = Meets Standard Achievement

70-79

F = Substandard Achievement

<70

No Rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.

The school district receives an F if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.
