Finance Committee
Superintendent Report
November 10, 2014, 6:30 PM

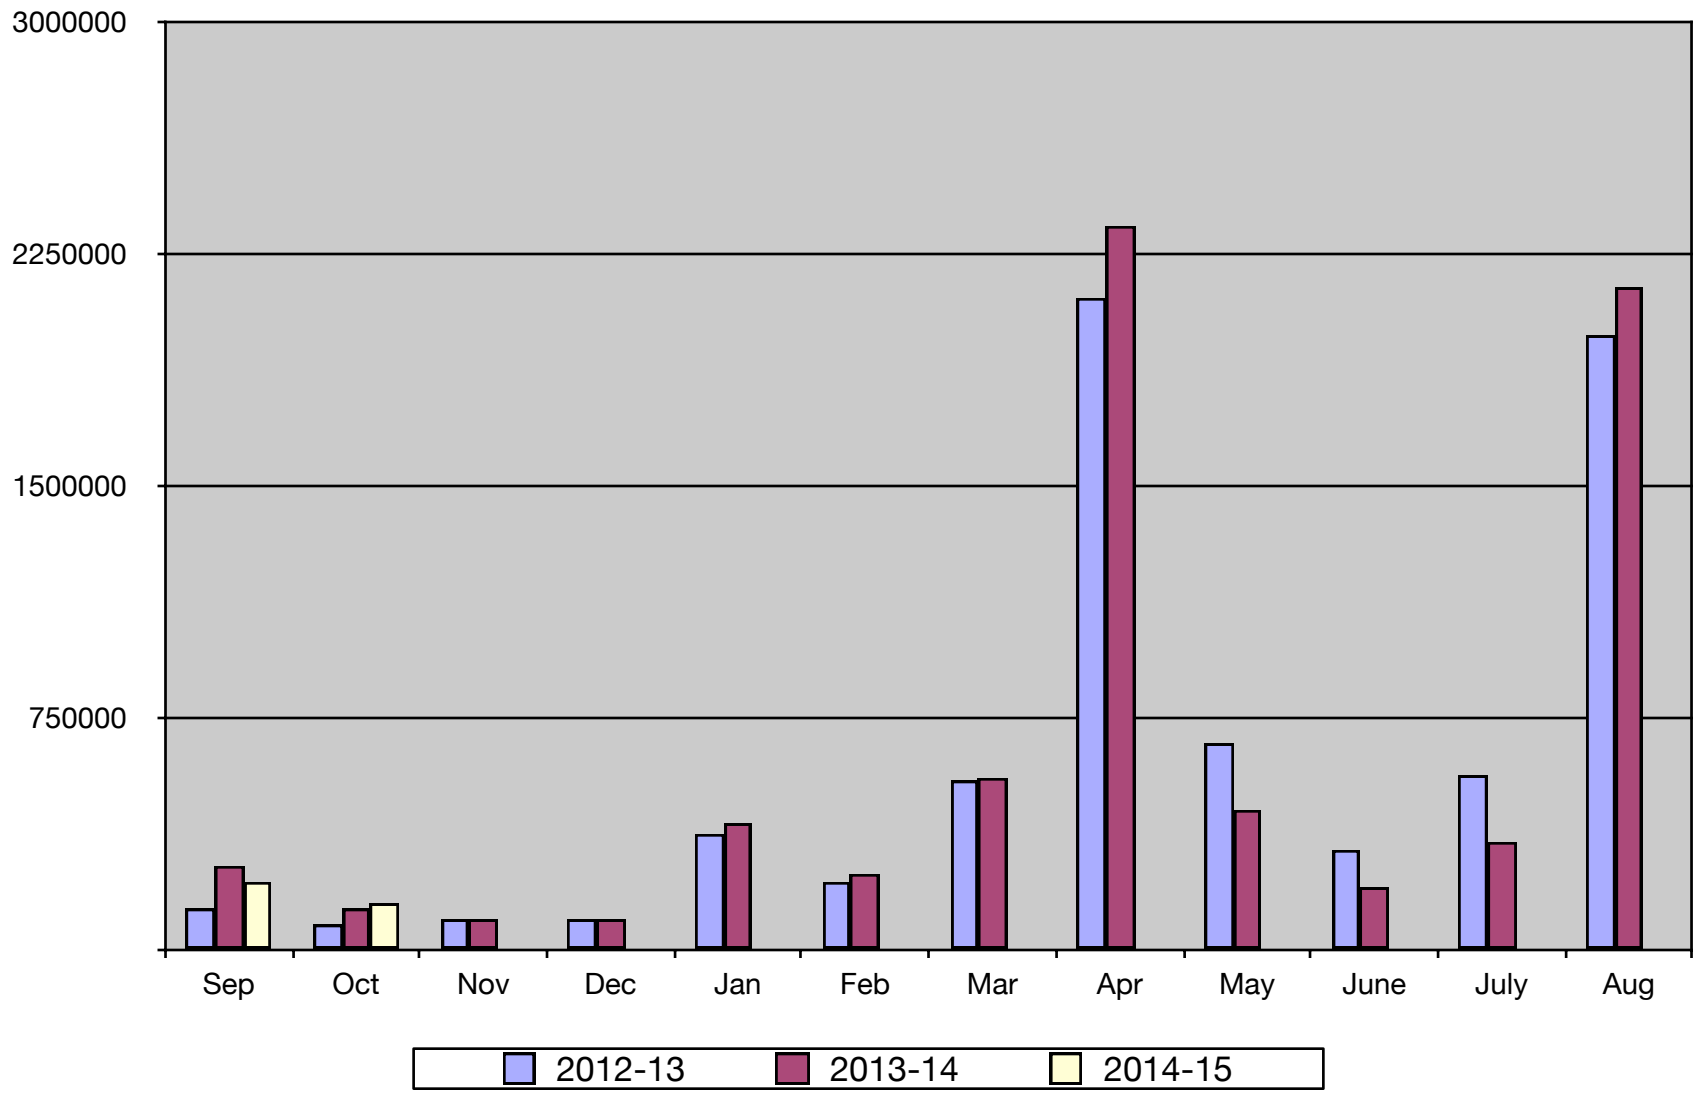

Superintendent's Report:

- Our cash balance for the general fund is \$4,616,197.23, up \$213,095.59 from a year ago. Our spending for the first two months of the fiscal year is \$2,144,788, which is actually down slightly from \$2,234,535 a year ago.
- The Building Fund is at \$926,866.29 with our summer projects complete and paid for. The track is now finished and that bill is included in this month's bill pay from the Building Fund.
- Cornerstone Christian is interested in purchasing the La Platte Building. The board can sell property pursuant to Neb. Rev. Stat. § 79-10,114 which states:
 - No school property of any kind belonging to any Class II, III, IV, or VI school district shall be sold by the board of education except at a regular meeting of the same and with an affirmative recorded vote of at least two-thirds of all the members of the board. Proceeds of sale of school property, sold as above provided, may be held separately from other funds of the school district and may be used for any school purpose as the board of education may determine, including, but not limited to, acquiring sites for school buildings or teacherages and purchasing existing buildings for use as school buildings or teacherages, including the sites upon which such buildings are located, and the erection, alteration, equipping, and furnishing of school buildings or teacherages.
 - The board has a fiduciary obligation to obtain fair market value when selling the buildings, whether the sale is by auction, sealed bids, or to a specific purchaser.
- The lunch fund balance is healthy at \$200,416.19. We do have a bill tonight for \$48,140.58, which puts us at \$152,275.61 overall. This amount now shows you what was gained from last year's guarantee/profits from Taher.
- The Bond Fund is at \$513,486.64 with a large payment coming due in December. Lori has this amount in our bills to pay in November for you to approve. We will get a decent tax draw in December to replenish.
- Overall, the new budget year has started off well with less spending than a year ago over the same time period. There are no surprises at this point and we have a healthy carryover from 13-14.
- The auditors have turned in our audit report from the state and I will have your copies at the Board meeting Monday night.

Resolution
American Education Week

Whereas, American Education Week nationally has been set for November 16th through 22nd, 2014; and,

Whereas, American Education Week has been set aside as a time to recognize the accomplishments of our schools; and

Whereas, American Education Week is an opportunity to specifically recognize the efforts, energy and commitment of all Springfield Platteview Community Schools' staff; and,

Whereas, this recognition should extend to all staff, including administrators, teachers, secretaries, paraprofessionals, custodians, bus drivers, maintenance, food service and technology personnel.

Now Be It Resolved that the Board of Education (1) thanks all personnel for their tireless efforts to keep a great school district; and (2) directs the Superintendent to communicate this thanks and recognition in an appropriate fashion.

Standing Positions and
Legislative Resolutions
for the 2015 Legislative Session

Welcome to the 2014 Delegate Assembly

In this book is a list of all items to be considered by this Assembly. Underlines (add to) and strike-throughs (delete) are added when a current resolution is proposed for amendment.

Items without any of these marks are either new submissions or proposed to be continued unchanged. Rationales are provided for the benefit of the Delegates, but will not be reflected in the final positions book distributed to the membership and other policymakers.

NASB Legislative Process

The Delegate Assembly, which will determine NASB's 2015 legislative agenda, will be held on November 21, in conjunction with the State Education Conference in LaVista. This year the Delegate Assembly will begin at 8:00 AM. We are hopeful this will allow delegates to attend other clinic sessions on Friday morning, beginning at 9:30 AM.

Each board should select one board member to represent the district or ESU at the Delegate Assembly. This will facilitate a more informed group of Delegates, as they will have an opportunity to study the issues and create talking points. There are also other sessions related to legislative issues throughout the two-day conference that may be of interest.

Once in the Delegate Assembly, the enclosed proposals for resolutions and standing positions will be presented to the Assembly, and if there are no objections or amendments to a given legislative resolution or standing position, the proposal will automatically become a position of the Association. Amendments or motions to kill proposals require a motion that is supported by a two-thirds vote of the Assembly. This means there will be a vote on the proposals only when a change is desired, or an attempt is made to kill a particular proposal. Bylaws are adopted by majority vote.

Please consult the "Rules of Procedure" and the "Parliamentary Procedures" for this process in the back of this book.

Action Book

It is important for Delegates to bring this booklet to the Delegate Assembly.

State Policy

will begin at 8:00 AM**

Who's Your Delegate? Each district and ESU should select a board representative to the Delegate Assembly prior to arriving in La Vista. Substitutions are allowed, but assigning the work to a member of your board may help maximize the experience and make sure your voice is heard.

Parliamentary Procedure

To expedite the business of the Delegate Assembly, the following procedures are being used.

I. Microphones are provided for use by the delegates. The monitor at the microphone will display, for the Chair to see, a colored card representing the action or procedure desired by the Delegate.

A. **White Card** (indicates Debate)

1. Used to speak **For** or **Against** a motion.
2. Used to **Propose Motions** of higher rank that are in order.

B. **Red Card** (indicates Previous Questions)

1. Used to **Close Debate** and take the vote. (A two-thirds (2/3) rising vote required to approve this action.)

C. **Green Card** (indicates Requests, Inquires, Points of Order, and Appeals)

1. These can interrupt a Delegate speaking in debate if urgency requires it. (No second is required except in the case of **Appeal** or **Division of the Question**)
 - a. **Raise A Question of Privilege**
 - Used to protect the rights and privileges of the assembly or any Delegate.
 - Used for the comfort of the assembly (temperature or ventilation, audio problems, disturbances).
 - Granted by the Chair.
 - b. **Ask for a Point of Information or Parliamentary Inquiry**
 - Used to obtain information about the subject or about procedure.
 - Used to determine whether a certain motion is in order.
 - Used to learn specific information not yet available from discussion.
 - Responded to by the Chair.
 - c. **Request a Withdrawal of a Motion**
 - Used to remove a motion from consideration.
 - Granted by the Chair if requested before a motion is placed before the Assembly by the President.
 - Granted by the Assembly if a motion is placed before the Delegates of the Assembly.

Parliamentary Procedure

d. Call for a Division

- Used to Request that the vote be taken again: this would be a standing vote. (The motion may be made without going to the microphone.)

e. Call for a Division of the Question

- Can be made if any part of the pending question is capable of standing alone to be discussed and voted on.
- Requires a second.
- A Delegate making the motion may offer an explanation (not to exceed one minute) of the rationale for dividing the question.
- Is not debatable.

f. Raise a Point of Order

- Raised by a member who calls attention to a violation of the rules.
- Ruled on by the Chair.

g. Appeal

- Made when the Delegate does not agree with the ruling of the Chair.
- Must be made immediately at the time of the ruling from the Chair.
- A majority vote or tie vote sustains the Chair's decision.
- Requires a second.

II. **Amendments** are made to modify the wording of the pending motion before the pending motion is voted upon. Delegates should use the proper terminology and identify the position in the motion where the amendment should be placed. The processes of amending are:

- Insert a word or words;
- Add a word or words at the end of the motion;
- **Strike Out** a word or words;
- **Strike Out and Insert** a word or words;
- **Substitute** not less than one paragraph.

III. **Two Amendments** may be pending at one time.

- The first amendment must be germane to the original motion.
- The second amendment must be germane to the first amendment.
- Amendments require a majority vote; any amendment to a standing position or legislative resolution requires the approval of two-thirds of the delegates present and voting.

IV. **All motions** must be presented in writing on forms obtained from the microphone monitor.
