InstructionParental/Community Involvement in Schools

Franklin County School District 0506, a/k/a Franklin Public Schools, after having conducted a public hearing concerning parental involvement and participation, declares that it shall be the policy of the District:

1. In the event any parent has a complaint or objection to textbooks, tests, curriculum materials, and any other instructional materials, the parent may request a personal conference with the parent and appropriate school personnel to discuss such concerns as the superintendent or designee may deem appropriate. The Superintendent or designee shall prepare a complaint form which may be used by a parent to express objections to any such instructional material. Such complaint forms shall seek information including, but not limited to, the specific instructional material complained of, the reason for the complaint, and a proposed resolution of the complaint by the parent.
2. Upon reasonable advance request a parent will be permitted to attend and monitor courses, assemblies, counseling sessions, and other instructional activities unless the school determines that such attendance would substantially interfere with a legitimate school interest, which includes the interests of the parent's child, other students, and the educational staff.
3. Parents are encouraged to communicate to school staff when the parent believes it to be appropriate for their child to be excused from testing, classroom instruction, and other school experiences that the parent finds objectionable. The Superintendent or designee shall make a provision on the complaint form hereinabove referenced for receiving information from a parent concerning what specific testing, classroom instruction, or other school experience the parent finds objectionable, the basis for the parent's objection and a proposed solution for dealing with the objection that would be satisfactory to the parent and consistent with the mission of the District and legitimate school interests.
4. Upon request of a parent, the District will provide access to the education records of their child consistent with applicable law. Access will be provided during regular business hours of the school.
5. The District will notify parents when their child may be subjected to a standard norm referenced or criterion referenced test or standard tests such as but not limited to the Iowa Test of Basic Skills or the California Achievement Test. When reasonable to do so or required by law the parents will be notified of where a sample of such test might be observed and the date upon which such test will be administered. As to all testing by the District, experimental evaluation methodologies, experimental testing instruments and any testing instrument which would tend to inquire into the values, beliefs, or privacy rights of any student, or parent or guardian of such student shall be prohibited unless a parent requests in writing that such tests be administered to their child.

6. Prior to any school sponsored survey being administered to the students of the District, it shall be the responsibility of the Superintendent or designee to notify the parent or parents of each student involved in the survey of the nature of the survey, the date and time when such survey shall be administered, and the purpose for which and the uses of which survey exist from the school's perspective.
7. As a general matter substantive decision-making processes will be left to the judgment to the professional staff, administration and the Board of Education, subject to an effort to receive information from parents as to any concerns, objections, or other information such parents would wish to provide to the school district concerning a parent's access, involvement, and participation in activities of the school.

InstructionTitle I Parental Involvement Policy

This Title I Parental Involvement Policy is established in compliance with the No Child Left Behind Act of 2001. Franklin Public Schools has a parental involvement policy applicable to parents of all children. The parental involvement policy applicable to parents of all children is not replaced by this Title I Parental Involvement Policy and shall continue to be applicable to all parents, including parents participating in Title I programs.

It is the policy of Franklin Public Schools to implement programs, activities, and procedures for the involvement of parents in Title I programs consistent with the Title I laws. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

Expectations for Parental Involvement

It is the expectation of Franklin Public Schools that parents of participating children will have opportunities available for parental involvement in the programs, activities, and procedures of the District's Title I program. The term "parental involvement" means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—(A) that parents play an integral role in assisting their child's learning; (B) that parents are encouraged to be actively involved in their child's education at school; (C) that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and (D) the carrying out of other activities, such as those described in this parental involvement policy. The District intends to meet this expectation through the following activities:

- A. Involving parents in the joint development of the District's Title I plan and the processes of school review and school improvement.
- B. Providing coordination, technical assistance, and other support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance.
- C. Building the schools' and parents' capacity for strong parental involvement.
- D. Coordinating and integrating parental involvement strategies under Title I with parental involvement strategies under other programs.
- E. Conducting, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served under the Title I program, including identifying barriers to greater participation by parents in Title I programs, with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background, and use the findings of such evaluation to design strategies

for more effective parental involvement, and to revise, if necessary, the parental involvement policies of the District.

- F. Involving parents in the activities of the schools served under Title I.

Policy Involvement

Each school served under the Title I program shall:

- A. Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under the Title I program and to explain the requirements of the Title I program.
- B. Offer a flexible number of meetings, such as meetings in the morning or evening. If sufficient funds are provided for this purpose, the District may assist parental involvement in such meetings by offering transportation, child care, or home visits.
- C. Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of Title I programs.
- D. Provide parents of participating children—(1) timely information about programs under Title I, (2) a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet; and (3) if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible.
- E. If the District operates a school-wide program under Title I and such plan is not satisfactory to the parents of participating children, submit any parental comments on the plan when the school makes the plan available to the District.

Shared Responsibilities for High Student Academic Achievement

As a component of the District's parental involvement policy, each school served under the Title I program shall jointly develop with parents for all children served under the Title I program a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Such compact shall—(1) describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under Title I to meet the State's student academic achievement standards and the ways in which each parent will be responsible for supporting their children's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time; and (2) address the importance of communication between teachers and parents on an ongoing basis through, at a minimum—(A) parent-teacher conferences in elementary schools, at least annually, during which the compact

shall be discussed as the compact relates to the individual child's achievement; (B) frequent reports to parents on their children's progress; and (C) reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities.

Building Capacity for Involvement

To ensure effective involvement of parents and to support a partnership among the District, parents, and the community to improve student academic achievement, each school participating in the Title I program and the District—(1) shall provide assistance to participating parents, as appropriate, in understanding such topics as the State's academic content standards and State student academic achievement standards, State and local academic assessments, the requirements of Title I and how to monitor a child's progress and work with educators to improve the achievement of their children; (2) shall provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parental involvement; (3) shall educate teachers, student service personnel, principals, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school; (4) shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, Early Reading First, Even Start, the Home Instruction Programs for Preschool Youngsters, the Parents as Teacher Program, and public preschool and other programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children; (5) shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format, and to the extent practicable, in a language the parents can understand; (6) may involve parents in the development of training for teachers, principals, and other educators to improve the effectiveness of such training; (7) may provide necessary literacy training from funds received under Title I if the District has exhausted all other reasonably available sources of funding for such training; (8) may pay reasonable and necessary expenses associated with parental involvement activities, including transportation and child care costs, to enable parents to participate in school-related meetings and training sessions; (9) may train parents to enhance the involvement of other parents; (10) may arrange school meetings at a variety of times, or conduct in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend such conferences at school, in order to maximize parental involvement and participation; (11) may adopt and implement model approaches to improving parental involvement; (12) may establish a district-wide parent advisory council to provide advice on all matters related to parental involvement in programs supported under Title I; (13) may develop appropriate roles for community-based organizations and businesses in parent involvement activities; and (14) shall provide such other reasonable support for parental involvement activities under Title I as parents may request.

Accessibility

In carrying out the parental involvement activities for this Title I Parental Involvement policy, the District shall provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Title I in a format and, to the extent practicable, in a language such parents understand.
