4. Responsibilities of the Facility.

a. The Facility shall designate a Facility employee to serve as its coordinator (the "Facility Coordinator") for the Clinical Rotations and to work directly with the Clinical Instructor and Instructors to plan and coordinate the Clinical Rotations. The Facility may also designate one or more employees to serve as Clinical Instructors.

b. The Facility shall provide the Clinical Instructor with copies of the Facility's policies, rules, regulations and procedures that are applicable to Students' and Instructors' participation in the Clinical Rotations.

c. The Facility shall provide an orientation to the Clinical Instructor that includes a tour of the Facility and addresses any facilities or procedures of a particular Facility department pertinent to the Clinical Rotations.

d. The Facility shall permit Students and Instructors to assist in the provision of other ancillary health care services to Facility patients, but the Facility may restrict their activities, including any patient care activities, at the Facility.

e. The Facility shall provide parking in designated areas for Students and Instructors.

f. The Facility shall permit the School and its accreditation agencies to visit, tour and inspect the Facility's facilities and records relating to the Clinical Rotations on reasonable notice during the Facility administration's regular business hours, subject to requirements of patient confidentiality, legal compliance requirements of the Facility, and minimizing disruption or interference with Facility operations, including patient care activities.

g. The Facility shall make its classrooms, conference rooms and library facilities available to the School for the Clinical Rotations, without charge, subject to availability and Facility policies regarding use of its facilities.

h. The Facility shall make available emergency care and treatment to Students and Instructors, as necessary, subject to its usual charges.

5. Conflicts and Removal of Students or Instructors. If a conflict arises between an employee of the Facility, on the one hand, and an Instructor or Student, on the other, the Clinical Instructor and Facility Coordinator shall intervene in an attempt to resolve the matter. The Facility may require that the School immediately remove a Student or Instructor from a Clinical Rotation when the Facility believes that the individual exhibits inappropriate behavior, is disruptive, does not comply with Facility rules or policies, or poses a threat to the health, safety or welfare of a patient, employee or any other person.

6. Representations and Warranties of the School. The School represents and warrants to, and covenants with, the Facility as follows:

a. Each Student is currently enrolled at the School. Students who are under 18 years of age have obtained written permission of a parent or guardian to participate in the Clinical Rotation; if the Student is an emancipated minor, then the Student has furnished written authorization to participate in the Clinical Rotation.

b. Students are required to wear designated professional attire with name badges issued by the School, be well-groomed and make a neat appearance while at the Facility.

c. A Student may perform duties and procedures for which he or she has been prepared academically, but not any others.

d. The School shall continuously monitor and evaluate the competence and performance of each Student and shall remove from a Clinical Rotation any Student who is not competent or qualified to participate in the Clinical Rotation.

e. The Instructors are duly licensed or credentialed to practice in Oklahoma; the license or credential of each Instructor is unrestricted; and each Instructor must keep his or her license or credential current, in good standing and unrestricted during the entire term of this Agreement.

f. The Instructors are experienced, qualified and currently competent to provide the services that are required of them for the Clinical Rotations and any services required of them under this Agreement.

g. The School has provided the Clinical Instructor, Instructors and Students with training on the Facility's policies and procedures with respect to protected health information that is necessary and appropriate for them to carry out the activities contemplated by this Agreement

as required by applicable provisions of the Health Information Portability and Accountability Act of 1996 and regulations.

h. The School has not been excluded, debarred, or otherwise made ineligible to participate in any federal healthcare program as defined in 42 USC § 1320a-7b(f).

i. All information that has been furnished to the Facility concerning the School, Students and Instructors is true and correct in all respects.

j. All representations and warranties in this Agreement shall remain true and correct during the term of this Agreement. If any of the representations and warranties become inaccurate in any way, the School shall immediately notify the Facility.

7. Employees of the School. Other than any Facility employee designated as an Instructor as permitted in this Agreement, the School, and not the Facility, is the employer of the Instructors and Clinical Instructors. The School shall be responsible for (a) the compensation and benefits payable and made available to the Instructors and Clinical Instructors, and (b) withholding any applicable federal and state taxes and other payroll deductions as required by law.

8. Insurance Coverage.

a. Institutions That Are Not State-Operated. This provision is applicable to Schools that are not owned and operated by the State of Oklahoma. During the term of this Agreement, the School shall continuously maintain for itself and for Students and Instructors professional liability insurance in the minimum amount of \$1,000,000 per occurrence and \$3,000,000 in the aggregate, and with such coverages as may be acceptable to the Facility. Upon request, the School shall provide a certificate of insurance to the Facility evidencing such coverage and shall notify the Facility immediately if any adverse change in coverage occurs for any reason. The policy shall provide that it may not be cancelled or terminated without giving the Facility at least 30 days advance notice of cancellation or termination. The Facility shall maintain insurance in amounts sufficient to cover its responsibilities under this Agreement.

9. Termination.

a. Termination for Cause. The Facility may immediately terminate this Agreement for cause upon notice to the School upon the occurrence of any of the following events: (i) the failure of the School to maintain insurance coverage as required by this Agreement; or (ii) the School fails to bar a Student from participating in a Clinical Rotation after the Facility has informed the School to remove a Student for reasons permitted under this Agreement.

b. Termination for Material Breach. If either party defaults by the failure to comply in all material respects with the terms of this Agreement, the other party may terminate this Agreement by giving at least 30 days prior written notice to the defaulting party, specifying in reasonable detail the nature of the default, unless the defaulting party remedies the default within the 30 day period. This provision shall not constitute an election of remedies by either party, and each party shall have

and retain all rights and remedies that may be available at law or in equity in the event of breach or default by the other party.

10. Responsibility for Actions. Each party shall be responsible for its own acts and omission and the acts and omissions of its employees, officers, directors and affiliates. A party shall not be liable for any claims, demands, actions, costs expenses and liabilities, including reasonable attorneys' fees, which may arise in connection with the failure of the other party or its employees, officers, directors, or agents to perform any of their obligations under this Agreement. If the School is an agency or institution of the State of Oklahoma, the School's liability shall be governed by the Oklahoma Governmental Tort Claims Act.

11. Disclaimer of Intent to Become Partners. The Facility and the School shall not by virtue of this Agreement be deemed to be partners or joint venturers. Neither party shall incur any financial obligation on behalf of the other.

12. Notices. Any and all notices, consents or other communications by one party intended for the other shall be deemed to have been properly given if in writing and personally delivered, transmitted by electronic means, or deposited in the United States first class mails, postpaid, to the addresses or numbers set forth below the signatures of the parties.

13. Confidentiality. The School shall, and the School must require Clinical Instructors, Instructors and Students to, keep confidential and not divulge to anyone else any of the proprietary, confidential information of the Facility, including patient information, unless such information (a) is or becomes generally available to the public other than as a result of disclosure by the School or any of the Students, or (b) is required to be disclosed by law or by a judicial, administrative or regulatory authority. The School, Clinical Instructors, Instructors and Students shall not use such information except as required to provide patient care services in the Clinical Rotations.

14. HIPAA Compliance.

a. The School must, and the School shall require the Clinical Instructors, Instructors and Students to, appropriately safeguard the protected health information of patients, in accordance with applicable provisions of the Health Insurance Portability and Accountability Act of 1996, as it may be amended from time to time ("HIPAA") and applicable law. Instructors and Students may use and disclose protected health information solely for the education and treatment purposes contemplated by this Agreement.

b. With respect to information obtained or received from the Facility, the School shall: (i) not use or further disclose the information other than as permitted or required by this Agreement or as required by law; (ii) use appropriate safeguards to prevent use or disclosure of the information other than as provided for by this Agreement; (iii) report to the Facility any use or disclosure of the information not provided for by this Agreement of which the School becomes aware; and (iv) require that any agents, including a subcontractor, to whom the School provides protected health information received from, or created or received by the School on behalf of, the Facility agrees to the same restrictions and conditions that apply to the Facility with respect to such information

15. FERPA. In the course of this Agreement, the Provider Institution may have access to records of the COLLEGE that are “education records” as defined by and protected under the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g, et seq., and the regulations promulgated there under (“FERPA”). Such records are confidential. To the extent that the Provider Institution or its personnel have access to “education records” under this Agreement, they are deemed a “school official,” as each of these terms are defined under FERPA. The Provider Institution agrees not to use education records for any purpose other than in the performance of this Agreement. Except as required by law, the Provider Institution will not disclose or share education records with any third party unless permitted by the terms of this Agreement.

16. Rights in Property. All supplies, fiscal records, patient charts, patient records, medical records, X-rays, computer-generated reports, pharmaceutical supplies, drugs, drug samples, memoranda, correspondence, instruments, equipment, furnishings, accounts and contracts of the Facility shall remain the sole property of the Facility.

17. Non-Discrimination. Except to the extent permitted by law, the Facility, the School, Instructors and Students shall not discriminate on the basis of race, color, creed, sex, age, religion, national origin, disability or veteran’s status in the performance of this Agreement. As applicable to the School, the provisions of Executive Order 11246, as amended by EO 11375 and EO 11141 and as supplemented in Department of Labor regulations (41 CFR Part 60 et. Seq.) are incorporated into this Agreement and must be included in any subcontracts awarded involving this Agreement. The School represents that, except as permitted by law, all services are provided without discrimination on the basis of, race, color, creed, sex, age, religion, national origin, disability or veteran’s status; that it does not maintain nor provide for its employees any segregated facilities, nor will the School permit its employees to perform their services at any location where segregated facilities are maintained. In addition, the School agrees to comply with Section 504 of the Rehabilitation Act and the Vietnam Era Veteran’s Assistance Act of 1974, 38 U.S.C. Section 4212.

18. Facility Policies and Procedures. The School shall, and the School must require Instructors and Students to, comply with the policies, rules, and regulations of the Facility as provided to the School by the Facility.

19. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision.

20. No Assignment. Neither party may assign its rights or delegate its duties under this Agreement without the prior written consent of the other.

21. Binding Effect. This Agreement shall be binding upon, and shall inure to the benefit of, the parties and their respective legal representatives, successors and permitted assigns.

22. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Oklahoma.

23. Rights Cumulative; No Waiver. No right or remedy conferred in this Agreement upon or reserved to the Facility is intended to be exclusive of any other right or remedy. Each and every

right and remedy shall be cumulative and in addition to any other right or remedy provided in this Agreement. The failure by either the Facility or the School to insist upon the strict observance or performance of any of the provisions of this Agreement or to exercise any right or remedy shall not impair any such right or remedy or be construed as a waiver or relinquishment with respect to subsequent defaults.

24. No Third-Party Beneficiaries. This Agreement is not intended to confer any right or benefit upon, or permit enforcement of any provision by, anyone other than the parties to this Agreement.

25. Entire Agreement. This Agreement constitutes the entire understanding and agreement of the parties with respect to its subject matter and cannot be changed or modified except by another agreement in writing signed by the parties.

Between**

**UNIVERSITY OF TULSA
Acting for and on behalf of its
TEACHER EDUCATION PROGRAM**

And

BIXBY PUBLIC SCHOOLS

For

TEACHER EDUCATION PROGRAM

THIS AGREEMENT is made and entered into this 1st day of July, 2025, by and between **THE UNIVERSITY OF TULSA, acting on behalf of its Teacher Education Program ("University")**, and **INDEPENDENT SCHOOL DISTRICT NO 4 OF TULSA COUNTY, OKLAHOMA, a/k/a BIXBY PUBLIC SCHOOLS ("BPS")**.

WITNESSETH:

SECTION 1: BPS agrees to provide the authorization, supervision and instruction of student teachers completing their student teaching portion of teacher preparation and to provide pre-student teaching observation and participation activity in the Teacher Education Program.

SECTION 2: BPS agrees to accept for assignment to cooperating teachers in the public schools a certain number of students enrolled in the University's Teacher Education Program. BPS further agrees the cooperating teacher will give direct supervision to the student teacher assigned and will work with a faculty member assigned by the University in directing and evaluating the student teacher experience.

BPS further agrees to provide student teacher supervision, instruction, mentoring or assistance, as needed by various staff members to enhance and develop the student teacher's ability to effectively educate children in an urban educational environment including, but not limited to, identifying, and serving children with disabilities, serving children from diverse socio-economical populations, and serving children with foreign language barriers.

SECTION 3: All arrangements for the placement or removal of student teachers will be coordinated through BPS building administrators and University's Department of Education Coordinator of Field Services. If a student teacher fails to comply with the requirements of this

Agreement or to perform to the satisfaction of BPS, the University will, upon written request by BPS, immediately remove that student teacher from the school.

SECTION 4: The University and its student teachers will comply with all applicable federal and state laws and regulations and will comply with all BPS policies, rules and regulations (available for review at www.bixbyps.org) while on BPS premises or performing services under this Agreement. The University and its student teachers will keep confidential and not disclose to any person or entity any records or other documentation, including progress notes which may constitute student records as defined in the Family Educational Rights and Privacy Act unless such disclosure is authorized under the Act or pursuant to court order.

SECTION 5: To the extent allowed by law, each party shall save and protect the other, and indemnify the other from all legal liability resulting in injury, death, or damages, including costs and attorney fees, caused by or arising out of the indemnifying party's negligent or willful misconduct in the supervision of students pursuant to this agreement or resulting from the negligent or intentional acts or omissions of the parties, its student teachers, officers, agents, employees, or contractors.

SECTION 6: It is not the intention of the parties to form a joint venture or partnership. This Agreement shall not be construed to create an employment or agency relationship between the University and BPS or any of their respective employees, student teachers or agents. BPS and the University shall, at all times, act and function pursuant to this Agreement and hold themselves out as independent contractors. The University agrees and affirms that all University employees entering upon BPS property under the provisions of this Agreement are and shall be covered by worker's compensation insurance to the extent required by applicable law and that BPS shall, in no event, be required to provide such coverage for the University's student teachers and employees.

SECTION 7: BPS and the University agree that student safety is a top priority. In an effort to protect the students' safety, the University agrees that it will not place any individual on BPS property, whether as a student teacher, officer, agent, employee, or contractor, if that person has been convicted of a felony or has been convicted of any crime involving moral turpitude. The University hereby certifies that none of its student teachers and none of its employees working on BPS property are currently registered or required to be registered under the provisions of the Oklahoma Sex Offenders' Registration Act or the Mary Rippe Violent Offender Registration Act. The University shall submit written proof to BPS that all student teachers and faculty supervisors coming on to BPS property have passed background checks. While there is no drug/alcohol screening requirement for the University student teachers and faculty supervisors, they shall be subject to drug/alcohol testing pursuant to the District's policies and regulations regarding such matters as if they are employees of the District (www.bixbyps.org). All University employees and student teachers must have in their possession, at all times, a current photo ID which identifies them as a student teacher or employee of the University and, if required by BPS, a BPS photo ID authorizing access to a specific BPS site. If at any time a student teacher or University employee demonstrates actions which are inappropriate or create a disruption within a school, the principal may require that

such person leave BPS property and not return without specific permission of the principal, and District personnel.

SECTION 8: Neither BPS, nor its employees, shall receive compensation from the University for services performed under this Agreement in support of the University's Teacher Education Program. The University may, however, with BPS's consent, pay a reasonable and customary honorarium to cooperating teachers or, alternatively, may provide cooperating teachers a tuition waiver to enroll in a University course upon completion of their supervision of a student teacher.

SECTION 9: All notices to be made under this Agreement shall be made in writing and delivered by personal delivery by commercial delivery service, or by certified United States mail, return receipt requested, to the following addresses:

For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

3) Program Information	
Program Description	
Brief:	Project Title: Bixby Applied Creativity Center (BACC) – Igniting Innovation Through Student-Centered Learning
Detailed:	The Bixby Applied Creativity Center (BACC) is an innovative educational hub designed to bring the district's strategic vision to life by cultivating creativity, collaboration, and critical thinking among students. Housed within the newly completed Academic Center at Bixby High School, the BACC will serve as a dedicated space for applied learning and future-ready skill development.

	The BACC’s mission is to empower students to explore real-world challenges through hands-on, technology-driven experiences that go beyond the traditional classroom. Students will engage with cutting-edge tools and platforms in areas such as: • Robotics and Drone Programming • Aerospace and Flight Simulation • Virtual and Augmented Reality • Computer Coding and App Development • 3D Modeling, Design, and Printing • Audio and Media Production In alignment with Bixby Public Schools’ strategic plan, the BACC will foster an environment where innovation thrives, and students are encouraged to take ownership of their learning. It will initially serve high school students during and beyond the school day, with future plans to expand access to younger students and eventually to community members through workshops, mentorship opportunities, and collaborative projects. The BACC will not only serve as a launchpad for student creativity and career exploration, but also as a catalyst for building strong school-community partnerships around innovation, entrepreneurship, and workforce readiness. Through this grant, Bixby Public Schools seeks support to equip the BACC with the technology, materials, and staffing needed to fully activate this transformative learning space—one that will inspire students to imagine, create, and lead in a rapidly changing world.

4) Summary of Program Details and Expectations	
A. Program Objectives	
Enhance Student Engagement and Creativity Provide hands-on learning experiences that promote student creativity, innovation, and engagement through access to advanced technologies and real-world problem-solving activities.	

2. Develop 21st Century and Workforce-Ready Skills

Equip students with critical thinking, collaboration, communication, and technology skills aligned with future careers in STEM, media, and design industries.

3. Expand Access to Learning Beyond the School Day

Offer flexible access to BACC resources and programming before and after school hours to support student exploration and enrichment.

4. Foster Community Partnerships and Innovation Culture

Build strong school-community connections by hosting events, workshops, and collaborative projects that introduce innovation to the broader Bixby community.

B. Program Hypothesis or Theory of Change

If students are provided with a creative, flexible learning environment equipped with advanced technology and guided by real-world, project-based instruction, then they will become more engaged, develop critical future-ready skills, and be better prepared to pursue post-secondary education and careers in high-demand fields.

Furthermore, by offering access outside the traditional school day and inviting community collaboration, the BACC will foster a broader culture of innovation and educational excellence across Bixby.

C. Program Plan and Procedures

1. Facility Readiness and Launch (Summer–Fall 2025)

- Complete outfitting of BACC space with technology, furnishings, and safety requirements.
- Hire program coordinator and train staff in equipment use, safety protocols, and instructional approaches.
- Develop course syllabi and programming schedule (e.g., VR coding, drone piloting, audio editing, etc.).

2. Instruction and Programming (Fall 2025 – Spring 2026)

- Launch student-centered programming during the school day through elective classes and interdisciplinary projects.
- Provide extended-hours access for students before and after school for independent exploration or guided sessions.
- Partner with industry professionals and higher education for guest instruction and mentorship opportunities.

3. Community and Partnership Integration (Spring–Fall 2026)

- Begin community workshop offerings in areas like 3D printing, podcasting, and coding basics.
- Host showcase events (e.g., “Innovation Nights,” STEM Expos) to involve families and local stakeholders.

- Establish ongoing feedback loops with local businesses and higher education institutions.

D. Program Data Collection Plan

To measure the effectiveness of the BACC program, the following data will be collected:

Data Type	Tool/Method	Frequency	Purpose
Student enrollment & participation	Attendance logs, program sign-ins	Ongoing	Track usage and access equity
Student skill growth	Pre/post skill assessments; project rubrics	Per project/unit	Assess learning gains in key areas
Student engagement & satisfaction	Student surveys, focus groups	Semesterly	Gauge interest, satisfaction, and feedback
Teacher/mentor feedback	Staff reflections, collaboration logs	Quarterly	Inform program refinement and support needs
Community involvement	Event sign-ins, partnership MOUs	Ongoing	Measure outreach and engagement

E. Program Budget

1. Equipment and Technology – \$75,000

Funds will be used to purchase essential equipment and technology to support core programming areas, including:

- Robotics kits and controllers
- Drone kits with simulators
- Virtual and augmented reality headsets and software licenses
- 3D printers, scanners, and design software
- Audio and video editing stations with microphones, mixers, and editing software
- Coding laptops and STEM workstations

This investment will ensure that students have access to industry-standard tools for hands-on, project-based learning in a modern, future-ready environment. The district will invest a portion of these funds through bond funds and/or community charitable donations.

2. Furnishings and Infrastructure – \$25,000

Flexible learning furniture and modular workstations will be purchased to support collaborative, student-centered use of the BACC. This includes mobile seating, maker tables, whiteboard surfaces, and storage solutions for materials and technology.

3. Personnel – \$60,000

The grant will fund a full-time BACC Coordinator (certified teacher or facilitator) responsible for:

- Overseeing daily operations
- Designing and delivering programming
- Providing support and training for other teachers
- Coordinating after-hours student access and community outreach

Funds will also support stipends for after-school facilitators and guest experts to expand access and program reach.

4. Professional Development – \$10,000

Ongoing training will be provided to staff in areas such as instructional technology, safety protocols, project-based learning, and industry-aligned certifications. These funds will support workshops, conference attendance, and consulting services.

5. Supplies and Consumables – \$10,000

Funding will support ongoing program needs such as filament for 3D printing, batteries and replacement parts for robotics and drones, headphones, VR safety gear, and general maker materials.

Total Budget Request: \$180,000

F. Program Economic Model

The Bixby Applied Creativity Center (BACC) is designed with a long-term vision for sustainability, rooted in community support, district integration, and adaptive program growth.

1. District Investment and Integration

The BACC is housed within the newly constructed Bixby High School Academic Center—an investment already made by the district and community through bond funding. The district will assume responsibility for core operational costs beyond the initial grant period, including utilities, maintenance, and integration of BACC activities into the high school schedule.

Beginning in Year 2, the BACC Coordinator position will transition to being partially or fully funded through local district funds or Title IV allocations, based on demonstrated program success.

2. Community and Industry Partnerships

Bixby Public Schools will seek to expand partnerships with local businesses, higher education institutions, and civic organizations to provide in-kind support, mentorship, and guest instruction. These partners may also provide funding through sponsorships, equipment donations, or co-hosted events.

3. Revenue-Generating Opportunities

Future programming will include optional community-based workshops or summer STEM camps hosted at the BACC, with modest registration fees reinvested to cover materials and instructional costs. Student-led enterprises (e.g., design/print services or media production) may also provide micro-funding and entrepreneurship opportunities.

4. Additional Grant and Donor Development

The success of the BACC will serve as a platform for pursuing additional funding from regional and national foundations focused on STEM, education innovation, and workforce development. The Bixby Educational Endowment Foundation will also support targeted fundraising efforts.

5. Continuous Evaluation and Strategic Planning

Annual review of student outcomes, participation data, and community feedback will inform adaptive planning and help prioritize scalable programming. The BACC will remain aligned with the district's strategic goals, ensuring that innovation remains a central part of Bixby's long-term educational mission.

G. Program Review and Evaluation Plan

Formative Evaluation (Ongoing)

- Review attendance, participation, and engagement data quarterly to inform program adjustments.
- Hold monthly team check-ins to evaluate challenges, technology issues, or training needs.
- Conduct student focus groups mid-year to gather qualitative feedback.

Summative Evaluation (End of Year 1)

- Compare pre/post student skill assessments to evaluate impact on digital literacy, problem-solving, and creativity.
- Analyze growth in participation across grade levels, demographics, and interest areas.
- Present findings in an annual report to district leadership, stakeholders, and potential funders.

Future Growth Strategy

- Use evaluation results to expand offerings to middle grades and community-based programming.
- Apply data to seek additional grant funding or partnerships.
- Continuously align offerings with workforce trends and student interests.

Dear School Administrator:

JA is proud to partner with **Bixby Public Schools** to inspire and prepare young people to succeed in a global economy.

In cooperation with the Educational Institution, JA may offer certain of its programs to students in a blended-learning format facilitated by classroom teachers and volunteers, and/or in a self-directed digital format accessed directly by students, both of which may include the use of computers, tablets or other devices to interact online with web-based JA programs, games, mobile applications or other online content. To access online content, students may be asked to provide certain personal information, such as first name, last name, email address and username, which is collected and used in accordance with the Privacy Policy of Junior Achievement USA® (as updated and notified to the Educational Institution from time to time, the "Privacy Policy"). Moreover, students image, likeness, and voice may be shown or captured during participation in JA programs online.

While JA (which includes Junior Achievement USA and its licensees and affiliates, as described in the Privacy Policy) is a nonprofit organization and does not use student personal data for commercial purposes, it is our policy that any collection and use of student personal data be in compliance with the Children's Online Privacy Protection Act (COPPA). Under COPPA, website operators must provide parental notification and obtain parental consent before collecting personal information from students under age 13, and COPPA permits educational institutions to provide such consent on behalf of parents, thereby eliminating the need for website operators to obtain parental consent.

Accordingly, we are confirming that JA is relying on the Educational Institution to provide parental notification and consent under COPPA on behalf of JA, as described above. We are also confirming that the Educational Institution has obtained parental consents and permissions that allow students to participate in online educational program delivery, including livestream and other online formats in which the students' image, likeness, and voice may appear, and that JA is relying on such parental consents and permissions obtained by the Educational Institution in delivering JA programs online to students of the Educational Institution. We understand the Educational Institution will include Junior Achievement USA on any list of website operators for which the Educational Institution provides such notice and consent and will post a link on its website to the Privacy Policy or otherwise make the Privacy Policy available to parents. If the Educational Institution uses a form to obtain consent from parents, please provide us with a copy of the form. Please contact Junior Achievement USA with any questions or comments at newmedia@ja.org or otherwise as described in the Privacy Policy.

Thank you for working with JA to provide young people the knowledge and skills they need to own their economic success!

III. Compensation

A. Contract Amount

In consideration of the satisfactory performance of said services, the DRS shall pay the Contractor at the following fixed rates:

1. The DRS shall pay a fixed rate to the Contractor up to \$375.00 per month for half day (3 hour) training periods, \$250.00 per month for 2 hour per day training periods, or \$125.00 per month for 1 hour per day training periods per individual client. The Contractor shall be paid at the full amount for clients who participate in trainings for at least 61% of school days in each month. A school day is defined as a day in which school is in session and students are expected to be in attendance. Snow days do not count as school days. Participation of 60% or less must be prorated accordingly. For example, if a student was present 12 out of the 20 possible school days in a month (i.e., 60%) and was in the program daily for at least 2 hours (i.e., \$250), the Contractor would bill the DRS for \$150.00 (i.e., 60% of \$250). A school month begins effective the first day the student is authorized to attend. For example, if school starts August 1, but the student is not authorized to attend until August 15, the school days that month available to that student begin on August 15.
2. For all school months containing fewer than 10 school days, the DRS shall pay to the Contractor on a prorated daily rate per individual client. The daily rates to be utilized are as follows.
 - Daily rate for clients participating for 3 hours at \$375.00 per month-- \$18.75 per day.
 - Daily rate for clients participating for 2 hours at \$250.00 per month-- \$12.50 per day.
 - Daily rate for clients participating for 1 hour at \$125.00 per month-- \$6.25 per day.
3. For example, if a student was present 9 out of the 9 school days for the

month of December (100% of the days in the short month) and was in the program daily for at least 3 hours (which would be at the \$375.00 per month amount), the Contractor would bill the DRS at a daily rate of \$18.75 for each day (i.e., \$168.75, which is \$18.75 times 9 school days).

4. This daily rate is to account for the months in which a school incurs a long holiday or significant break of any kind in which the students would not be attending school the typical number of days in a month (i.e., an average of 20 school days), and to account for schools that go year-round.
5. A student is considered in attendance for the day if the student is present at least 50% of the time that day that they are designated to be in Work Adjustment Training. For example, if a student is enrolled in Work Adjustment Training for 3 hours per day, and they are present in the program for at least 1 ½ hours of the program that day, they are considered in attendance. If they are present less than that amount of time due to illness or other reason, they are considered not in attendance. If they are enrolled in 2 hours, they would need to be present for at least 1 hour that day, and for 1 hour of enrollment, they would need to be present for at least a half an hour that day to be counted in attendance. Billing invoices must be adjusted if a student averages less time during the month than which he or she was originally authorized (e.g., a student who is authorized 3 hours a day who really ends up averaging about 2 hours a day over the month shall only be billed at 2 hours that month).
6. Time in WAT begins when instruction or employment readiness/practice begins and ends when said instruction/readiness ends. Breaks are not allowable billed time for DRS WAT programs. Travel time to get to the WAT facility does not count toward billable time.
7. There are no "free/excused" absences that may still be billed for by the Contractor. Daily student attendance must be counted.
8. The school Contractor providing WAT for its students and the Community Rehabilitation Provider (CRP) providing WAT services to students are responsible for providing transportation for DRS transition clients to and from community employment activities (unless other arrangements are made between the school and CRP) and may not seek reimbursement from the DRS for travel expenses. Schools are responsible for transporting their students to and from the CRP who is providing the WAT program for their students.
9. If an individual does not participate in training during any given month, payment shall not be made for that month. Payment shall be made upon submission of properly completed and approved progress reports and time sheets documenting services. By law the DRS cannot pay in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided and accepted by the DRS pursuant to the Contract.
10. The Contractor may use funds to develop, enhance, and implement the WAT program. All funds paid to the Contractor by DRS must be put back into the program and used for implementing the program. Examples of ways in which funds may be spent include, but are not limited to:

- a. WAT staff salaries and compensation package;
 - b. facility and maintenance costs;
 - c. substitutes to cover staff when at trainings;
 - d. training costs for WAT staff to attend the Annual Oklahoma Transition Institute (OTI), job coach training, and other training relevant to fulfilling the requirements of the WAT contract (and may include registration fees, hotel, per diem, mileage, and parking for WAT staff);
 - e. curriculum;
 - f. gas for transporting DRS clients to and from community businesses for the required minimum 6 community visits;
 - g. WAT vehicle maintenance, repairs, and depreciation;
 - h. program materials; and
 - i. uniforms or protective clothing and equipment required by community business partners.
11. DRS funds shall NOT be used to purchase food without the written permission from the DRS TC and solely for the purpose of teaching independent living skills. DRS shall only authorize the use of funds for food in situations in which independent living skills are taught to DRS clients, and the clients have a role in planning the menu, preparing shopping lists, budgeting, shopping, preparing and cooking, serving, and cleaning after the skills instruction; and
 12. Upon request, the Contractor shall submit to the DRS TC an expenditure report or other proof of purchase/payment for expenditures of DRS funds.

B. Payment

The State of Oklahoma has forty-five (45) days from receipt of a proper invoice documenting the provision of services and/or receipt of a proper claim for reimbursement of travel expenses pursuant to the contract for services, timesheets, and progress reports documenting the provision of services to issue payment to the Contractor. Invoices/claims, time sheets and progress reports shall be sent to the DRS counselor who authorized services for each DRS client. The DRS counselor's name, address, and telephone number are shown on each DRS client's Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest. Pursuant to 2 C.F.R. § 200.407(n), 2 C.F.R. § 200.441, the DRS shall not use federal funds or non-federal funds used for vocational rehabilitation (VR) match to pay interest assessed for late payments to the Contractor.

DRS cannot make payment for services that are not pre-approved in writing by the DRS counselor.

All students who are placed in the Work Adjustment Training program must be active VR/VS clients and have a trial work plan and/or an Individualized Plan of Employment (IPE) in place in order for the training facility to be paid a fixed rate.

C. Lapse Of Invoices/Claims

Proper invoices documenting the provision of services and/or proper claims for reimbursement of travel expenses pursuant to the contract for services shall be submitted within ninety (90) calendar days of the provision of those services and/or incurrence of those travel expenses. Additionally, the Contractor shall promptly provide written notice to the Oklahoma state purchasing director if the certification becomes erroneous due to changed circumstances.

Such cancellation shall not be an exclusive remedy, but shall be in addition to any other rights and remedies provided for by law. In the event a Notice of Cancellation is issued, the Contractor shall have the right to request a review of such decision as provided by the rules and regulations promulgated by the State of Oklahoma, Office of Management and Enterprise Services.

2. Without Cause: It is further agreed that the Contract may be canceled by either party by providing thirty (30) days prior written notice.

The Contractor is required to retain records relative to the Contract for the duration of the Contract and for a period of seven (7) years following completion or termination of the Contract, unless otherwise indicated in the Contract terms. If a claim, audit, litigation or other action involving such records is started before the end of the seven-

year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved or until the end of the seven-year retention period, whichever is later.

H. Subcontracting

The services to be performed under the Contract shall not be subcontracted, in whole or in part, to any other person or entity without written approval by the DRS. The terms of the Contract, and such additional terms as the DRS may require, shall be included in any subcontract. Approval of the subcontract shall not relieve the Contractor of any responsibility for performing the Contract.

I. Compliance With State And Federal Laws

The Contractor shall comply with all applicable state and federal laws, rules and regulations relevant to the performance of the Contract. Compliance shall be the responsibility of the Contractor, without reliance on or direction by the DRS.

ALL THIRD-PARTY MATERIALS ARE PROVIDED "AS IS" AND ANY REPRESENTATION OR WARRANTY OF OR CONCERNING ANY THIRD-PARTY MATERIALS IS STRICTLY BETWEEN SCHOOL AND THE THIRD-PARTY OWNER OR DISTRIBUTOR OF THE THIRD-PARTY MATERIALS.
- 9.4 Audit Rights and Required Records. Each party agrees to maintain complete and accurate records during the Term and for a period of five years or as required by federal or state law after the termination or expiration of this Agreement with respect to matters necessary for accurately determining amounts due hereunder. Either party may, at its own expense, on reasonable prior notice,

periodically inspect and audit the other party's records with respect to matters covered by this Agreement.

10. **Term and Termination.**

- 10.1 Initial Term. The initial term of this Agreement commences as of the Effective Date and, unless terminated earlier pursuant any of the Agreement's express provisions, will continue in effect until from such date (the "Initial Term").
- 10.2 Renewal Term. This Agreement will automatically renew for up to additional successive term[s] unless earlier terminated pursuant to this Agreement's express provisions or either party gives the other party written notice of non-renewal at least 30 days prior to the expiration of the then-current term (each a "Renewal Term" and, collectively, together with the Initial Term, the "Term").
- 10.3 Termination. In addition to any other express termination right set forth elsewhere in this Agreement: Provider may terminate this Agreement, effective on written notice to School, if School: (i) fails to pay any amount when due hereunder, and such failure continues more than thirty (30) days after Provider's delivery of written notice thereof; or (ii) breaches any of its obligations under this Agreement. Either party may terminate this Agreement, effective on written notice to the other party, if the other party materially breaches this Agreement, and such breach: (i) is incapable of cure; or (ii) being capable of cure, remains uncured thirty (30) days after the non-breaching party provides the breaching party with written notice of such breach; and either party may terminate this Agreement, effective immediately upon written notice to the other party, if the other party: (i) becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due; (ii) files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency Law; (iii) makes or seeks to make a general assignment for the benefit of its creditors; or (iv) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.
- 10.4 Effect of Termination or Expiration. Upon expiration or earlier termination of this Agreement, School shall immediately discontinue use of the Provider IP. No expiration or termination will affect School's obligation to pay all Fees that may have become due before such expiration or termination, or entitle School to any refund.
- 10.5 Surviving Terms. The provisions set forth in the following sections, and any other right or obligation of the parties in this Agreement that, by its nature, should survive termination or expiration of this Agreement, will survive any expiration or termination of this Agreement: Section 3, Section 7, Section 9.2, Section 10, Section 12, Section 11.4, this Section 11.5, and Section 12.

11. **Miscellaneous.**

- 11.1 Further assurances. On a party's reasonable request, the other party shall, at the requesting party's sole cost and expense, execute and deliver all such documents and instruments, and take all such further actions, as may be necessary to give full effect to this Agreement.
- 11.2 Relationship of the Parties. The relationship between the parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.
- 11.3 Entire Agreement. This Agreement, together with any other documents incorporated herein by reference, constitutes the sole and entire agreement of the parties with respect to the subject matter

of this Agreement and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter.

- 11.4 Assignment. School shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Provider's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. No assignment, delegation, or transfer will relieve School of any of its obligations or performance under this Agreement. Any purported assignment, delegation, or transfer in violation of this Section is void. This Agreement is binding upon and inures to the benefit of the parties hereto and their respective successors and permitted assigns.
- 11.5 Force Majeure. In no event shall either Party be liable to the other Party, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such Party's reasonable control, including but not limited to acts of God, flood, fire, earthquake, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.
- 11.6 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.
- 11.7 Amendment and Modification; Waiver. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof will be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, (i) no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof and (ii) no single or partial exercise of any right, remedy, power, or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
- 11.8 Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to affect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.
- 11.9 Governing Law; Dispute Resolution. The parties agree to cooperate with each other in an attempt to resolve any dispute, controversy, or claim (a "Dispute") arising out of or in connection with this Agreement. If the parties are not able to resolve the Dispute, they agree to submit the Dispute to mediation to be conducted in accordance with the American Arbitration Association ("AAA") mediation rules for commercial disputes. If the parties are not able to resolve the dispute by means of mediation, the parties hereby agree the Dispute shall be referred to and determined by binding arbitration, as the sole and exclusive remedy of the parties as to the Dispute, conducted in accordance with the AAA arbitration rules for commercial disputes. The arbitrator (the "Arbitrator") shall use the substantive laws of Oklahoma, excluding conflicts laws and choice of law principles, in construing and interpreting this Agreement. The Arbitrator shall be selected by agreement of the parties, or, in the event the parties cannot agree, appointed by the AAA in accordance with its rules for

commercial disputes. The arbitration shall be in Tulsa, Oklahoma, and the proceedings shall be conducted and concluded as soon as reasonably practicable, based upon the schedule established by the Arbitrator. The decision of the Arbitrator pursuant hereto shall be final and binding upon parties. The parties hereby agree that this Section shall not preclude, limit or otherwise restrict a party from seeking immediate equitable relief against the other party in connection with this Agreement, including without limitation, a restraining order or an injunction, when the facts, circumstances and/or possible damages warrant such action.

- 11.10 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

RIGHTS UNDER FERPA (Family Educational Rights and Privacy Act)

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over eighteen (18) years of age (“eligible students”) certain rights with respect to the student’s education records. They are as follows:

1. The right to inspect and review the student’s education records within forty-five (45) days of the day the District receives a request for access.

Parents/guardians or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent/guardian or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent/guardian or eligible student believes are inaccurate, misleading or in violation of student privacy rights.

Parents/guardians or eligible students may ask the District to amend a record that they believe is inaccurate, misleading or otherwise in violation of student privacy rights. They should write to the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or in violation of student privacy rights.

If the District decides not to amend the record as requested by the parent/guardian or eligible student, the District will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. ~~One (1)~~ Exceptions that permit disclosure **under FERPA** without consent **are for the following reasons:** ~~to~~

- School officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent/guardian or student participating in a school service program or serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate

educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

- Upon request, the District discloses education records without consent to officials of another District in which a student seeks or intends to enroll.
 - Disclosures may also be made related to some judicial orders or lawfully issued subpoenas.
 - Health and safety of the student or other individuals is in jeopardy because of an emergency.
 - Juvenile Justice Systems ability to effectively serve the students, as specified by law.
 - The Federal Comptroller General, the US Department of Education or the Oklahoma State Department of Education accesses records necessary for an audit or evaluation of a federal program or the enforcement or compliance with federal regulations
 - The LEA has designated information as “directory information” under the conditions of FERPA unless parents have advised the district to the contrary in accordance with District procedures. The following information is considered “director information:”
 - Student’s name
 - Names of parents
 - Grade Level
 - Participation in officially recognized activities and sports
 - Weight and Height of members of athletic teams
 - Photograph

 - An agency caseworker or representative of a child welfare agency may access a student’s education records when the caseworker/representative has the right to access the student’s case plan when the agency/organization is legally responsible for the student’s care and protection. Identification will be requested from the caseworker or other representative or tribal organization and sign the access of record form.
 - The Oklahoma Department of Human Services is conducting a child abuse/neglect investigation of the child who is the suspect of the record.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

EXTENDED SCHOOL YEAR

Extended school year ("ESY") services are special education and related services provided to a child with a disability (ages 3 through 21) beyond the District's normal school year in accordance with the child's IEP that are necessary for the child to receive a free appropriate public education in accordance with state standards and the Individuals with Disabilities Education Act, as amended ("IDEA"). It is the District's intent to make ESY services available at no cost to each child with a disability who is determined to need the services in accordance with this policy.

The IEP team for each child with a disability will determine his or her need for ESY services, regardless of the child's categorical disability. The IEP team will determine **if ESY services are needed annually** ~~need in a timely manner~~ to ensure that each child consistently receives a free appropriate public education.

~~The purpose of ESY services is to ensure that each child receives meaningful educational benefits.~~
The goal of ESY services is to assist students with disabilities with the emergence and maintenance of specific IEP goals addressed during the school year preceding ESY. The ESY services for special education students provide a different focus than that of a general education summer school program. To determine whether a child needs ESY services, the IEP team will consider the following factors as relevant to the child:

- The child's degree of impairment;
- The child's actual/predicted degree of regression;
- The child's actual/predicted time necessary for recoupment of skills;
- Ability of parent to provide educational structure at home
- The child's rate of progress;
- The child's behavioral problems;
- The child's physical problems;
- The availability of alternative resources;
- The ability of the child to interact with nondisabled children;
- The area(s) of the child's curriculum that require continuous attention;
- The child's vocational needs;
- The least restrictive environment for services; and
- Other relevant factors as determined by the IEP team.

In making the determination, the IEP team will collect, review and analyze existing information and pertinent data, including, but not limited to, the child's impairment, educational history and present levels of academic achievement and functional educational performance, which could include the following:

- Criterion-referenced and ~~standardized~~ **norm-referenced** tests, including pre-test and post-test data of a student's progress;
- ~~Functional assessments used in natural environments (home, community, work and school);~~ **Physical, mental, and emotional health factors**
- ~~An analysis of data collected on a regular basis;~~ **Data on observed performance**
- **Anecdotal records**

- History
- Evaluations of those areas involving related services;
- Parent, student, teacher, and/or service provider information;

If the IEP team determines that the child needs ESY services, it will complete appropriate documentation, such as the IEP/Review and ESY Determination Form, to reflect the child's ESY program and placement. The IEP team will identify which goal(s) and objectives/benchmarks, if any, will be addressed by the child's ESY services. The IEP team will not unilaterally limit the type, amount, or duration of ESY services but will instead determine those services on an individual basis in accordance with state and federal law and regulations and this policy. If the IEP team determines that a special education student does not require ESY services in order to receive FAPE, then the school district is under no obligation to provide such services or to include them in the IEP.

Policy 3137 CHILD FIND, LOCATION, SCREENING, AND EVALUATION, NOTICE TO PARENTS

The Bixby Public School district in accordance with Individuals with Disabilities Act, the Oklahoma State Department of Education, Section 504 of the Rehabilitation Act, and Title II of the American with Disabilities Act will make a continuing effort to locate any children in the district ages 3-21 who may be disabled and/or developmentally delayed who are not currently being served by the school. State law recognizes the following qualifying categories: autism, deaf-blindness, hearing impairment, other health impairment, ~~serious~~ emotional disturbance, specific learning disability, intellectual disability, multiple disability, orthopedic impairment, speech or language impairment, traumatic brain injury, visual impairment, or developmental delay.

Anyone knowing a child who might be in need of services is asked to notify the special education director, principal, or counselor.

This notice is to inform parents of the child identification, location, screening, and evaluation activities to be conducted throughout the year by the local school district in coordination with the Oklahoma State Department of Education. The District will coordinate with other agencies, private **schools, state institutions, child care or treatment facilities**, and charter schools within the District geographical boundaries. Some private schools may qualify for federal funds. Public awareness of the opportunities available to home-schooled or highly mobile or homeless students will be promoted as well.

Personally identifiable information shall be collected and maintained in a confidential manner in carrying out the following activities:

Referral

Preschool children, ages 3–5, and students enrolled in K–12 who are suspected of having disabilities that may require special education and related services may be referred for screening and evaluation through the local schools. Local school districts coordinate with the Sooner Start Early Intervention Program in referrals for eligible students beginning at three (3) years of age.

Screening

Screening activities may include vision, hearing, and health. Other screening activities may include: review of records and educational history, interviews, observations, and specially developed readiness or educational screening instruments.

Evaluation

Under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act, and Title II of the Americans with Disabilities Act, evaluation means procedures used in accordance with federal laws and regulations to determine whether a child has a disability and the nature and extent of the special education and related services that the child needs. Written consent of the parent or legal guardian for such evaluation must be on file with the local school district prior to any child receiving an initial evaluation for special education and related services.

Procedural Safeguards

The District will employ procedural safeguards regarding the identification, evaluation, or educational placement of persons who, because of disability, need or are believed to need special instruction or related services. District personnel will notify parents or guardians of any evaluation or placement actions, and parents or guardians will be allowed to examine the student's records. The District will provide parents or guardians with a copy of their Procedural Safeguards (parent rights) when the District takes any action with respect to the identification, evaluation, or educational placement of the student.

Collection of Personally Identifiable Information

Educational records containing personally identifiable information collected by the schools in the identification, location, screening, and evaluation of children shall be maintained in accordance with the Family Educational Rights and Privacy Act (FERPA) and the Policies and Procedures for Special Education in Oklahoma. School districts develop and implement a local policy regarding the collection, storage, disclosure, and destruction of confidential student records. Parents may obtain a copy of the local policy from the local school administrator.

RELEASED TIME COURSES (DRAFT 2)

The board of education will approve released time courses for elective credit or for participation without credit. A released time course is defined by law as a period of time during which a student is excused from school to attend a course in religious or moral instruction taught by an independent entity off school property. **This includes, but is not limited to, courses seeking elective credit.**

The school superintendent, principal for the school site where the student is enrolled, or their designees, shall have reasonable discretion over the scheduling and timing of released time courses.

The superintendent shall then present the item to the board of education to consider at a lawfully convened meeting under an appropriately worded agenda item.

6. **Any financial or administrative burden, including an assessment of what constitutes "de minimis" cost.**
7. **Any other secular criteria deemed relevant by the Board.**

If a course is approved ~~for elective credit~~, students may be excused from school to attend the released time course for no more than three class periods per week or a maximum of 125 class periods per school year. **The release period includes travel time to and from the instructional site.**

In order for the student to be eligible to participate in the released time program and receive an excused absence, the following must occur:

1. The student's parent or legal guardian must provide written consent prior to the student's participation in the released time course.
2. ~~No school funds may be expended, and no school district personnel, equipment, or resources may be involved in providing the instruction.~~ No school funds may be expended, and no school district personnel, equipment, or resources may be involved in providing the instruction. The independent entity must submit an annual statement verifying compliance.
3. The independent entity must maintain attendance records for students and make them available to the school district and board of education. ~~and submit them to the school district at the end of each semester or upon request.~~
4. Transportation provided to and from the place of instruction is the sole responsibility of the independent entity, of ~~the independent entity~~, the student, or the student's parent or legal guardian.
5. ~~The independent entity or the student's parent or legal guardian indemnifies the school district and holds it harmless with regard to any conduct that does not occur on school property under the control or supervision of the school district, and the independent entity maintains adequate insurance for that purpose.~~
5. The independent entity or parent/guardian must indemnify the school district and provide a certificate of insurance naming the district as an additional insured with minimum coverage of \$1,000,000 per occurrence.
6. The student assumes responsibility for any missed schoolwork. ~~as a result of the excused absence.~~
7. ~~The student may not be excused to participate in a released time course during any class in which the subject matter being taught is subject to state assessments.~~ Students may not be excused from any class in which the subject matter is assessed under state-mandated assessments per 70 O.S. §1210.508. The superintendent or designee will determine relevant courses each year.

Students who participate in released time courses are considered in attendance in the school district, and the time is calculated as a part of the school day. Upon successful completion of the course, elective credit will be provided to students when the work completed is substantiated by a transcript from the independent entity providing the course.

The board of education reserves the right to revoke approval of any released time course upon evidence of noncompliance with policy requirements. Revocation may occur after review by the Board at a lawfully convened meeting.

The school district, board of education, and school employees shall not be liable for any claim arising or occurring as a result of a student's participation in a released time program when the student is not under the control or supervision of the school district.

Hi Sherry! I put a ping pong table on the surplus form, but I don't see it on the last board minutes. Can I get it on the next board meeting?
