5 section, a school district board of education subject to paragraph 1
6 of subsection A of this section may adopt and implement an extended-
7 day schedule subject to the following requirements:

8 1. The annual number of hours of instruction shall equal or
9 exceed one thousand eighty-six (1,086) hours, which is the

3 any other relevant factors that are a result of implementation of an
4 extended-day schedule authorized pursuant to this subsection and
5 provide an annual report to the State Board of Education of the
6 results. If improvement in student achievement cannot be documented
7 in the report, the district board of education shall revoke
8 authorization as provided by this subsection. If the district board
9 of education does not revoke authorization after student achievement
10 is not documented in the report, the State Board of Education may
11 deny accreditation of any school in violation of this subsection.

12 H. Beginning with the 2021-2022 school year, a school district
13 board of education may adopt a school-hours policy as provided for
14 by paragraph 4 of subsection A of this section only if it meets or

16 district cost savings established by the State Board of Education.
17 The State Board of Education shall promulgate rules, subject to
18 approval by the Legislature, establishing the minimum guidelines for
19 student performance and school district cost savings.

20 I. If subject to paragraph 2 of subsection A of this section, a
21 district board of education or designee may elect to close a school
22 during the school day for inclement weather purposes. In such an
23 event, the number of hours incurred in classroom instruction time
24

1 prior to school closure shall be counted toward the one thousand
2 eighty-six (1,086) hours per year requirement.

3 J. 1. Except as provided for in paragraph 2 of this
4 subsection, beginning with the 2026-2027 school year a school
5 district or charter school shall not count days or portions of days
6 when school is closed and virtual instruction is provided toward the
7 one hundred eighty-one (181) days or one thousand eighty-six (1,086)

10 means the use of the Internet or other digital information
11 transmission systems as a form of instruction.

12 2. Beginning with the 2026-2027 school year, a school district
13 or charter school may count up to two (2) days or twelve (12) hours
14 when school is closed and virtual instruction is provided toward the
15 one hundred eighty-one (181) days or one thousand eighty-six (1,086)
16 hours of classroom instruction time required by subsection A of this
17 section only if:

19 the virtual instruction plan submitted by a school
20 district board of education or charter school
21 governing board. A school district board of education
22 or charter school governing board shall approve its
23 virtual instruction plan, publish the plan on the
24 website for the school district or charter school, and

1 submit it to the Superintendent of Public Instruction
2 by November 1, 2025. The Superintendent shall approve
3 or disapprove all submitted virtual instruction plans
4 by January 31, 2026. A school district board of
5 education or charter school governing board shall
6 review its virtual instruction plan annually and
7 approve any necessary revisions for submission to the
8 Superintendent of Public Instruction by November 1
9 each subsequent year, and the Superintendent shall
10 approve or disapprove submitted plans by January 31
11 each subsequent year. If a plan is disapproved, the
12 school district board of education or charter school
13 governing board may approve a revised plan, publish it
14 on the website for the school district or charter
15 school, and submit it to the Superintendent. The plan
16 shall include a virtual needs assessment which shall
17 address availability of technology infrastructure to
18 deliver virtual instruction. The plan shall also
19 address how the school district or charter school
20 plans to provide:

- 21 (1) instruction to students on an Individualized
22 Education Program (IEP),
- 23 (2) child nutrition services, and

- 1 (3) transportation for students enrolled in
2 technology center school courses or programs,
3 b. a state of emergency or proclamation has been issued
4 by the Governor for a specific reason relating to
5 school district or charter school operations, and
6 c. the school district board of education or charter
7 school governing board approves the use of virtual
8 instruction.

9 3. A school district or charter school may count up to one (1)
10 day or six (6) hours when a high school site is completing statewide
11 assessments required by Section 1210.508 of this title and virtual
12 instruction is provided toward the two (2) days or twelve (12) hours
13 allowed pursuant to paragraph 2 of this subsection if the school
14 district board of education or charter school governing board
15 approves a virtual instruction day for high school-only sites for
16 those students not taking the required assessments for eleventh-
17 grade public school students if the school district or charter
18 school attests that it has limited space and staffing to administer
19 the assessments in a safe and secure environment.

20 4. The provisions of this subsection shall not apply to
21 statewide virtual charter schools or full-time virtual education
22 programs operated by a school district.

23 K. By June 30, 2027, and by June 30 each subsequent year, the
24 State Department of Education shall publish on its website and
25

1 electronically submit to the Governor, the President Pro Tempore of
2 the Senate, and the Speaker of the House of Representatives a report
3 with information regarding the use of virtual instruction as
4 authorized by subsection J of this section. The report shall
5 include, at a minimum:

6 1. The school districts and charter schools that closed school
7 and provided virtual instruction as authorized by subsection J of
8 this section and the length of time virtual instruction was
9 provided; and

10 2. The reason for which school was closed and virtual
11 instruction was provided.

12 L. Nothing in this section shall be construed as affecting the
13 right of an employing school district to require teachers as defined
14 in Section 6-101.3 of this title to work in excess of the one
15 thousand eighty-six (1,086) hours required for student instruction.
16 In addition, nothing in this section shall be construed to affect
17 the Fair Labor Standards Act of 1938 status of any school district
18 employee.

19 M. The provisions of this section shall not prohibit the
20 Oklahoma School for the Blind or the Oklahoma School for the Deaf
21 from adopting an alternative school-hours policy if the Oklahoma
22 School for the Blind or the Oklahoma School for the Deaf notifies
23 and receives approval from the State Board of Education prior to
24 October 15 of the applicable school year.

1 SECTION 2. This act shall become effective July 1, 2026.

2 SECTION 3. It being immediately necessary for the preservation
3 of the public peace, health, or safety, an emergency is hereby
4 declared to exist, by reason whereof this act shall take effect and
5 be in full force from and after its passage and approval.

LEGAL SERVICES AGREEMENT FOR BOND COUNSEL SERVICES

THIS LEGAL SERVICES AGREEMENT (“Agreement”) is made, entered into, and effective as of February 16, 2026, by and between the Independent School District No. 57 of Garfield County, Oklahoma (“School District”) and Floyd & Driver, PLLC, Norman, Oklahoma (“Bond Counsel”), for the purpose of setting forth certain matters concerning the services Bond Counsel will perform on behalf of the School District in connection with the issuance of bonds, notes, or other evidences of indebtedness of the School District.

APPOINTMENT

The Board of Education of the School District hereby appoints Bond Counsel to serve as Bond Counsel for the issuance of the School District’s general obligation bonds, on a federally taxable basis, in the aggregate principal amount of not to exceed \$11,680,000 (the “Bonds”) and to render such legal services as deemed necessary and appropriate to effect the issuance thereof.

SCOPE OF ENGAGEMENT

In this engagement, Bond Counsel shall perform the following duties:

- (1) Subject to the completion of proceedings to its satisfaction, render its legal opinion regarding the validity and binding effect of the Bonds, the source of payment and security for the Bonds, and the excludability of interest on the Bonds from gross income for federal income tax purposes (if applicable) and for State of Oklahoma income tax purposes (“Bond Opinion”).
- (2) Furnish full directions and steps necessary to be taken by the School District in compliance with the Constitution and Statutes of the State of Oklahoma and with the Internal Revenue Code of 1986, as amended and supplemented, and related regulations promulgated thereunder (“Code”) for the issuance of Bonds by the School District.
- (3) Review documents necessary or appropriate to the authorization, issuance, and delivery of the Bonds, including but not limited to resolutions, agreements, debt instruments, and trust indentures, and coordinate the authorization and execution of such documents.

The Bond Opinion will be addressed to the School District and will be delivered by Bond Counsel on the date upon which the Bonds are exchanged for their purchase price (the “Closing Date”).

The Bond Opinion will be based on facts and law existing as of the Closing Date. Bond Counsel will undertake no responsibility for updating, revising, or supplementing the

Bond Opinion to reflect any facts or circumstances that may hereafter come to Bond Counsel's attention or to reflect any changes in law that may hereafter occur. In rendering the Bond Opinion, Bond Counsel will rely upon the certified proceedings and other certifications of public officials and other persons furnished to Bond Counsel without undertaking to verify the same by independent investigation. Bond Counsel assumes the continuing compliance by the School District with applicable laws relating to the Bonds. The School District covenants to not use the Bond proceeds in any manner that would result in the loss of the federal tax-exempt status of the Bonds (if applicable). During this engagement, Bond Counsel will rely on the School District to provide complete and timely information on all developments pertaining to any aspect of the Bonds and their security. The School District will direct members of its staff and other employees of the School District to cooperate with Bond Counsel in this regard.

LIMITATION OF ENGAGEMENT TO LEGAL SERVICES RENDERED

Bond Counsel's duties in this Agreement are limited to those expressly set forth above. Among other things, these duties do not include:

- (1) Assisting in the preparation or review of a preliminary or final official statement or any other offering document or any other disclosure document with respect to the Bonds, or performing an independent investigation to determine the accuracy, completeness, or sufficiency of any such document; or rendering advice that the official statement or other disclosure document does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.
- (2) Preparing requests for tax rulings from the Internal Revenue Service, or "no action letter(s)" from the Securities and Exchange Commission.
- (3) Preparing blue sky or investment surveys with respect to the Bonds.
- (4) Pursuing litigation.
- (5) Making an investigation or expressing any view as to the creditworthiness of the School District or the Bonds.
- (6) After the Closing Date, providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.
- (7) Representing the School District in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.
- (8) After the Closing Date, providing continuing advice to the School District or any other party concerning any actions necessary to assure that interest paid on the Bonds will continue to be excludable from gross income for federal income tax purposes.
- (9) Addressing any other matter not specifically set forth above that is not required to render the Bond Opinion.

It is further understood and agreed that this Agreement pertains only to legal services rendered to the School District with respect to the issuance of the Bonds and it is understood that future legal services of Bond Counsel to the School District may be the subject of a separate legal services arrangement independent of the scope of this engagement. After

completion of the proceedings, changes may occur in the Code or other applicable laws or regulations. Bond Counsel has no continuing obligation to advise the School District with respect to future legal developments unless specifically engaged to render legal services after the Closing Date.

Bond Counsel and the School District acknowledge that the School District shall be represented by Stephen H. McDonald and Associates, Inc., a municipal advisor pursuant to the terms of SEC Rule 15Ba1-1 (referred to herein as an “Independent Registered Municipal Advisor” or “IRMA”). Bond Counsel will provide legal advice and services and does not represent itself to be a financial advisor, municipal advisor, or a financial expert. Bond Counsel is excluded from the definition of “Municipal Advisor” and does not intend to provide any advice with respect to municipal financial products or the issuance of municipal securities outside of the scope of legal services and advice customarily rendered by bond counsel in public finance transactions. Notwithstanding the foregoing, in the event certain advice may be construed as beyond the scope of traditional legal services, the School District specifically acknowledges that Bond Counsel may avail itself of the IRMA exemption under SEC Rule 15Ba-1 on the basis that (i) the School District is represented by an Independent Registered Municipal Advisor not associated with Bond Counsel, (ii) the School District hereby advises Bond Counsel that the School District is represented by and will rely on the advice of its duly retained Independent Registered Municipal Advisor, and (iii) the School District has been advised that Bond Counsel is not a municipal advisor and owes no federal statutory fiduciary duty to the School District.

BOND COUNSEL-CLIENT RELATIONSHIP

Upon execution of this Agreement, a Bond Counsel-client relationship will exist between the School District and Bond Counsel. Bond Counsel assumes that all other parties to this transaction will retain such counsel as they deem necessary and appropriate to represent their interests. Bond Counsel further assumes that all other parties understand that in this transaction, Bond Counsel represents only the School District. Bond Counsel is not counsel to any other party and Bond Counsel is not acting as an intermediary among the parties. Bond Counsel’s services are limited to those contracted for in this Agreement and the School District’s execution of this Agreement will constitute an acknowledgment of those limitations. Bond Counsel’s representation of the School District will not impact the responsibility to render an objective Bond Opinion.

CONFLICTS

Bond Counsel represents many political subdivisions, companies and individuals. It is possible that during this representation of the School District, one or more of Bond Counsel’s present or future clients will have transactions with the School District. It is also possible that Bond Counsel may be asked to represent, in an unrelated matter, one or more of the entities involved in the issuance of the Bonds. Bond Counsel does not believe such representation, if it occurs, will adversely impact its ability to represent the School District as provided for in this Agreement, either because such matters will be sufficiently different from

the issuance of the Bonds so as to make such representations not adverse to Bond Counsel's representation of the School District, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance of the Bonds.

Execution of this Agreement will signify the School District's consent to our representation of others consistent with the circumstances described in this paragraph.

FEES

Based upon: (i) Bond Counsel's current understanding of the terms, structure, size, and schedule of the financing represented by the Bonds; (ii) the duties Bond Counsel will undertake pursuant to this Agreement; (iii) the time Bond Counsel anticipates devoting to the financing; and (iv) the responsibilities Bond Counsel will assume in connection therewith, our fee will be a sum equal to \$5557.50. If the financing is not consummated, Bond Counsel understands and agrees that it will not be paid its legal fee.

On the Closing Date, Bond Counsel will send the School District a statement of the fee and a request for payment, either by check payable to Floyd & Driver, PLLC, or by wire to an account designated by Bond Counsel in the statement. Payment is due promptly upon receipt of Bond Counsel's statement.

MARKETING

The School District hereby grants Bond Counsel the right to publicly acknowledge the School District as Bond Counsel's client on our website and in marketing materials. If at any point in the future the School District wishes to disallow the use of the School District's name for marketing purposes, the School District shall notify Bond Counsel of such desire in writing. Bond Counsel shall have thirty days to comply with such request, however Bond Counsel will be permitted to continue to distribute any material printed prior to that date notwithstanding the inclusion of the School District's name in such material, and Bond Counsel will not be required to remove any such material from circulation. Nothing in this paragraph shall be construed to relieve Bond Counsel of any of its duties under the Bond Counsel-client privilege referenced herein.

RECORDS

At the School District's request, papers and property furnished by the School District will be returned promptly upon receipt of payment for any outstanding fees. Bond Counsel's own files, including lawyers' work product, pertaining to the transaction will be retained by Bond Counsel. For various reasons, including the minimization of unnecessary storage expenses, Bond Counsel reserves the right to dispose of any documents or other materials retained by Bond Counsel after the termination of this engagement.

ELECTRONIC TRANSMISSION AND STORAGE OF DOCUMENTS

In the interest of facilitating Bond Counsel's services to the School District, Bond Counsel may send documents, information, or data electronically or via the Internet, or store electronic documents or data via computer software applications hosted remotely or utilize cloud-based storage. The School District's confidential electronic documents or data may be transmitted or stored using these methods. Bond Counsel may use third-party service providers to store or transmit these documents or data. In using these electronic communications and storage methods, Bond Counsel will employ reasonable efforts to keep such communications, documents, and data secure in accordance with Bond Counsel's obligations under applicable laws, regulations, and professional standards; however School District recognizes and accepts that Bond Counsel has no control over the unauthorized interception or breach of any communications, documents, or data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by Bond Counsel or its third-party vendors. School District's acceptance of this Agreement constitutes School District's consent to Bond Counsel's use of these electronic devices and applications and submission of confidential client information to or through third-party service providers during the term of this Agreement.

TERMINATION

Either the School District or Bond Counsel may terminate this Agreement at any time for any reason by the delivery of written notice to the other party, subject on the part of Bond Counsel to applicable rules of professional conduct. If Bond Counsel terminates this Agreement, Bond Counsel will take such steps as are reasonably practicable to protect the School District's interests in the Bonds, including consultations with subsequent counsel and providing them with whatever records the School District has provided.

In the event of termination, all finished and unfinished documents prepared for adoption or execution by the School District shall, at the option of the School District, become property of the School District and shall be delivered to it or to any party it may designate; provided that Bond Counsel shall have no liability whatsoever for any subsequent use of such documents. In the event of termination by the School District, Bond Counsel shall have no future duty of any kind to or with respect to the Bonds or the School District, however nothing contained herein shall be construed to relieve Bond Counsel of any of its duties under the Bond Counsel-client privilege referenced herein.

CONCLUSION OF REPRESENTATION

Unless previously terminated as provided herein, Bond Counsel's representation of the School District will terminate upon Bond Counsel's delivery of the Bond Opinion and the sending of Bond Counsel's final statement for services rendered with regards to the Bonds. Following such termination, any otherwise non-public information the School District has provided which is retained by Bond Counsel will be kept confidential in accordance with

applicable rules of professional conduct. Nothing herein shall be construed to relieve Bond Counsel of any of its duties under the Bond Counsel-client privilege referenced herein.
