MUSTANG PUBLIC SCHOOLS - MUSTANG, OKLAHOMA

TITLE: Director of School Safety and Security

QUALIFICATIONS: Professional Degree preferred or relevant job experience in law enforcement consisting of leadership, emergency management, and school campus security. Must be CLEET certified.

REPORTS TO: Superintendent or designee

Calendar: 245

PERFORMANCE RESPONSIBILITIES:

Management and Leadership

1. Set overall strategic direction of the department and develop/implement long range goals and objectives.
2. Monitor the implementation of the district's school safety plan program to comply with state standards.
3. Represent the district at various functions such as presenting at civic and business associations, meeting with influential persons within the community, officials, citizens, and representatives of the press, to establish goodwill and resolve and respond to issues.
4. Serve as a central resource internally and externally in response to security, safety concerns or questions.
5. Build and construct data-based decisions about how to organize and strategically align department and District resources to maximize safety of students, staff, and the school communities.
6. Develop and continuously improve policies and protocols to support emergency response and a safe school climate.
7. Continuously evaluate department performance relative to strategic goals and objectives and report regularly on progress to learning communities and school personnel.
8. Lead and evaluate all safety and security department activities and initiatives.
9. Develop and administer the budget for the department.
10. Ensure compliance to Local, State, and Federal mandates relative to school safety programs and reporting.
11. Plan, develop, recommend, implement, and evaluate policies, procedures, and programs related to safety practices in schools and system facilities.
12. Provide leadership during critical incidents by using various forms of communication.
13. Proactively engage school communities in developing safety priorities, defining roles and responsibilities, building capability, and creating systems of accountability to ensure a safe and effective school climate.

DRAFT

14. Collaborate with internal and external personnel in planning a standardized response to critical incidents.
15. Work with District staff to provide leadership and program management oversight of capital efforts to equip schools with assets necessary to ensure the safety of school communities.
16. Collaborate with direct reports to identify professional goals, create and execute development plans.
17. Serves as a liaison with local law enforcement agencies to monitor the daily operation of the School Resource Officer (SRO) program and other law enforcement issues on the school campuses.
18. Effectively oversee the performance of security and safety personnel and collaborate with local law enforcement agencies regarding their performance of their duties.
19. Recruit and select skilled and capable safety personnel; Collaborate with school administrators in the evaluation and effective deployment of resources.
20. Work with other departments in securing grant funding which supports school safety initiatives.
21. Assists in the development and implementation of security plans for special events involving the school facilities.

Educator

22. Provide security training for all levels and departments.
23. Develop adequate and relevant in-service training programs for security and school personnel which supports policy enforcement, fire safety, accident prevention in the public school environment and support other relevant in-services and training programs.
24. Provide leadership for the development of educational programs for students and staff in the interest of crime, accident, and fire prevention.

Other

25. Perform other duties as assigned to include working flexible hours.

Training

29. Participate in training set to remain CLEET certified.
30. Participate in training programs provided by MPS that directly impact their ability and skills as SROs.
31. Seek out training/professional development opportunities for security personnel and administration.

Communication

32. Interact and develop collaborative relationships with local and state law enforcement and safety agencies.
33. Communicates with other school systems on matters related to school safety.
34. Provides periodic reports to the Superintendent and the School Board on matters pertaining to school safety.

DRAFT
