THIS OKLAHOMA LEASE-PURCHASE AGREEMENT **No.10125** (hereafter referred to as "Agreement") dated as of **September 13, 2022**, by and between **Coryell Roofing and Construction Inc.**, a Texas corporation (herein referred to as "Lessor"), and **Independent School District I-001 of McClain County (Newcastle Public Schools)**, a political subdivision or agency of the State of Oklahoma (hereinafter referred to as "Lessee").

WITNESSETH: In consideration of the mutual covenants and conditions hereinafter set forth, the parties hereto agree as follows:

1. Term and Payments. Lessor hereby leases to Lessee and Lessee hereby leases from Lessor the property described in Exhibit A hereto (hereinafter, with all replacement parts, substitutions, proceeds, increases, additions, accessions, repairs and accessories incorporated therein or affixed thereto, referred to as the "Property") for the amounts to be paid in the sums (the "Lease Payments") and on the dates (the "Lease Payment Dates") set forth in Exhibit B hereto. Except as specifically provided herein, the obligation of the Lessee to make the Lease Payments called for in Exhibit B hereto shall be absolute and unconditional in all events and shall not be subject to any set-off, defense, counterclaim or recoupment for any reason. This Agreement will become effective upon the execution hereof by Lessee and Lessor and upon approval of the Agreement by the Board of the Lessee. The term of this Agreement will extend for the Lessee's 2022-2023, 2023-24, 2024-25, 2025-26, 2026-27, 2027-28, 2028-29, 2029-30, 2030-31, and 2031-32 fiscal years only if mutually ratified by Lessee and Lessor for each of those fiscal years. In accordance with 62 O. S. Section 430.1, continuation of this Agreement past the current 2022-23 fiscal year is dependent upon mutual ratification by Lessee and Lessor. All rights afforded under title 62 O. S. Section 430.1 of Oklahoma law are incorporated in this agreement by reference. The Lessee agrees the Board of Lessee will take action to ratify or not ratify this Agreement for the next ensuing fiscal year at its regular July meeting and to notify Lessor as to whether the Agreement is ratified or not ratified for the next ensuing fiscal year. The Lessor hereby ratifies the continuation of the Agreement through the fiscal year ending June 30, 2032. The Lessor and Lessee agree that under no circumstances will the Agreement be extended beyond the fiscal year ending June 30, 2032. Lessee will evidence its acceptance of the Property by executing and delivering to Lessor a Certificate of Acceptance (hereinafter so called) in the form provided by Lessor.

The interest rate and payments under this Agreement may be adjusted by the Lessor, or its Assigns, on the fifth (5th) annual payment date (each, an "Adjustment Date"). Notice of any rate adjustment shall be given in writing to the Lessee on or before the 30th day prior to such rate adjustment (the "Determination Date"). The interest rate shall be adjusted to the five-year treasury rate on the Determination Date, plus 49 basis points. "Treasury Rate" shall mean, as of the Determination Date, the ask yield of the United States Treasury obligations (as compiled by and published in the most recently published issue of the Wall Street Journal). Upon any rate adjustment, the future installments of principal and interest payable under this Agreement shall be adjusted. Any such adjustment shall be set forth in a new amortization schedule which the Lessor, or its Assignee, shall prepare using the same format as used to produce the original amortization schedule. Once the amortization schedule is prepared, the Lessor or its Assignee shall attach it to the Agreement and shall deliver a copy of same to the Lessee.

2. Non-Appropriation and Right of Termination. The obligations of Lessee to make Lease Payments (called for in Exhibit B) and to make any other payments to Lessor (or to any other person) pursuant to this Agreement are subject to appropriation by the Lessee of funds that are lawfully available to be applied for such purpose. If Lessee fails to make such an appropriation prior to a fiscal period of Lessee, for the Lease Payments scheduled in such fiscal period, Lessor may terminate this Agreement. Lessee may terminate this Agreement by providing written notice of such termination to Lessor following its regular July Board meeting. Upon any such termination of this Agreement, all of Lessee's rights, title and interest in and its obligation under this Agreement and to the Property shall terminate effective on the last day of the last fiscal period of Lessee for which such an appropriation was made. If Lessee ratifies and renews this Agreement for a subsequent fiscal year, Lessee agrees to encumber the required funds to make the Lease Payments due hereunder at the first meeting of Lessee's Board in July of the then current fiscal year by approving an appropriate purchase order for this Agreement.

3. Taxes. Lessee shall keep the Property free and clear of all levies, liens and encumbrances except those created under this Agreement. Lessee shall pay, when due, all charges and taxes (local, state and federal) which may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the Property, excluding, however, all taxes on or measured by Lessor's income. If Lessee fails to pay said charges and taxes when due, Lessor shall have the right, but shall not be obligated, to pay said charges and taxes. If Lessor pays any charges or taxes for which Lessee is responsible or liable under this Agreement, Lessee shall promptly reimburse Lessor therefor.

4. Lessee's Covenants and Representations. Lessee covenants and represents as follows:

(a) Lessee represents, and will provide an opinion of its counsel to the effect that, it has full power and authority to enter into this Agreement which has been duly authorized, executed, and delivered by Lessee and is a valid and binding obligation of Lessee enforceable in accordance with its terms, and all requirements for execution, delivery and performance of this Agreement have been, or will be, complied with in a timely manner;

(b) All Payments hereunder have been, and will be, duly authorized and paid when due out of funds then on hand and legally available for such purposes; Lessee will, to the extent permitted by State law and other terms and conditions of this Agreement, include in its budget for each successive fiscal period during the term of this Agreement a sufficient amount to permit Lessee to discharge all of its obligations hereunder, and Lessee has budgeted and available for the current fiscal period sufficient funds to comply with its obligations hereunder;

(c) There are no pending or threatened lawsuits or administrative or other proceedings contesting the authority for, authorization of performance of, or expenditure of funds pursuant to, this Agreement;

(d) Information supplied and statements made by Lessee in any financial statement or current budget prior to or contemporaneously with the Agreement are true and correct;

(e) Lessee has an immediate need for, and expects to make immediate use of, substantially all the Property, which need is not temporary or expected to diminish in the foreseeable future; specifically Lessee will not give priority or parity in the appropriation of funds for the acquisition or use of any additional property for purposes or functions similar to those of the Property.

(f) There are no circumstances presently affecting the Lessee that could reasonably be expected to alter its foreseeable need for the Property or adversely affect its ability or willingness to budget funds for the payment of sums due hereunder;

and

(g) Lessee's right to terminate this Agreement as specified in Sections 1 and 2 hereof was not an independently bargained for consideration, but was included solely for the purpose of complying with the requirements of the laws of the State in which Lessee is located.

(h) No lease, rental agreement, lease-purchase agreement, payment agreement or contract for purchase to which Lessee has been a party at any time during the past ten (10) years has been terminated by Lessee as a result of insufficient funds being appropriated in any Fiscal Year. No event has occurred which would constitute an event of default under any debt, revenue bond or obligation which Lessee has issued during the past ten (10) years.

(i) Lessee will pay the Lease Payment Due by check, wire transfer, or ACH only.

5. Use and Licenses. Lessee shall pay and discharge all operating expenses and shall cause the Property to be operated by competent persons only. Lessee shall use the Property only for its proper purposes and will not install, use, operate or maintain the Property improperly, carelessly, or in violation of any applicable law, ordinance, rule or regulation of any governmental authority, or in a manner contrary to the nature of the Property or the use contemplated by its manufacturer. Lessee shall keep the property at the location stated on the Certificate of Acceptance executed by Lessee upon delivery of the Property until Lessor, in writing, permits its removal, and the Property shall be used solely in the conduct of the Lessee's operations. Lessee shall obtain, at its expense, all registrations, permits and licenses, if any, required by law for the installation and operation of the Property. If applicable, any license plates used on the Property shall be issued in the name of the Lessee. If a certificate of title is issuable with respect to the Property, it shall be delivered to the Lessor showing the interest of the Lessor.

6. No Maintenance by Lessor's Assigns. Lessor's assigns shall not be obligated to make any repairs or replacements and at its own expense, Lessee shall service, repair, and maintain the Property in as good condition, repair, appearance and working order as when delivered to Lessee hereunder, ordinary wear and tear from proper use alone excepted, and shall replace any and all parts thereof which may from time to time become worn out, lost, stolen, destroyed, or damaged beyond repair or rendered unfit for intended use, for any reason whatsoever, all of which replacements shall be free and clear of all liens, encumbrances and claims of others and shall become part of the Property and subject to this Agreement. Lessor's assigns may, at its option, discharge such costs, expenses and insurance premiums necessary for the repair, maintenance and preservation of the Property, and all sums so expended shall be due from Lessee in addition to rental payments hereunder.

7. Alterations.

(a) Lessee may, at its own expense, install or place in or on, or attach or affix to, the Property such equipment or accessories as may be necessary or convenient to use the Property for its intended purposes provided that such equipment or accessories do not impair the value or utility of the Property. All such equipment and accessories shall be removed by Lessee upon termination of this Agreement, provided that any resulting damage shall be repaired at Lessee's expense. Any such equipment or accessories not removed shall become the property of Lessor.

(b) Without the written consent of Lessor, Lessee shall not make any other alterations, modifications or improvements to the Property except as required or permitted hereunder. Any other alterations, modifications or improvements to the Property shall immediately become part of the Property, subject to the provisions hereof. Without the prior written consent of Lessor, Lessee shall not affix or attach any of the Property to any real property. The Property shall remain personal property regardless of whether it becomes affixed or attached to real property or permanently rests upon any real property or any improvement thereon.

8. Liens. Lessee shall not directly or indirectly create, incur, assume or suffer to exist any mortgage, security interest, pledge, lien, charge, encumbrance or claim on or with respect to the Property, title thereto or any interest therein, except the respective rights of Lessor and Lessee hereunder.

9. Damage to or Destruction of Property. Lessee shall bear the entire risk of loss, damage, theft or destruction of the Property from any and every cause whatsoever, and no loss, damage, destruction or other event shall release Lessee from the obligation to pay the full amount of the rental payments or from any other obligation under this Agreement. In the event of damage to any item of the Property, Lessee will immediately place the same in good repair, with the proceeds of any insurance recovery applied to the cost of such repair. If Lessor determines that any item of Property is lost, stolen, destroyed or damaged beyond repair, Lessee, at the option of Lessee, will either (a) replace the same with like property in good repair or (b) on the next Lease Payment Date, pay Lessor (i) all amounts then owed by Lessee to Lessor under this Agreement, including the Lease Payment due on such date, and (ii) an amount equal to the applicable Option to Purchase Value set forth in Exhibit B.

10. Insurance. Lessee shall either be self-insured with regard to the Property or shall purchase and maintain insurance with regard to the Property. Lessee shall indicate on each Certificate of Acceptance executed in relation to this Agreement its election to be self-insured or company insured with regard to the Property listed on that Certificate of Acceptance. Whether Lessee is self-insured or company insured, Lessee shall, for the term of this Agreement, at its own expense, provide comprehensive liability insurance with respect to the Property, insuring against such risks, and such amounts as are customary for lessees of property of a character similar to the Property. In addition, Lessee shall, for the term of this Agreement, at its own expense, provide casualty insurance with respect to the Property, insuring against customary risks, coverage at all times not less than the amount of the unpaid principal portion of the Lease Payments required to be made pursuant to Section 1 as of the last preceding Payment Date specified in Exhibit B on which a Lease Payment was made. If insurance policies are provided with respect to the Property, all insurance policies shall be with insurers authorized to do business in the State where the Property is located and shall name both Lessor and Lessee as insureds as their respective interest may appear. Insurance proceeds from casualty losses shall be payable solely to the Lessor, subject to the provisions of Section 9. Lessee shall, upon request, deliver to Lessor evidence of the required coverages together with premium receipts, and each insurer shall agree to give Lessor written notice of non-payment of any premium due and ten (10) days notice prior to cancellation or alteration of any such policy. Lessee shall also carry and require any other person or entity working on, in or about the Property to carry workmen's compensation insurance covering employees on, in or about the Property.

11. No Warranty By Subsequent Assigns. EXCEPT FOR REPRESENTATIONS, WARRANTIES, AND SERVICE AGREEMENTS RELATING TO THE PROPERTY MADE OR ENTERED INTO BY THE MANUFACTURERS OR SUPPLIERS OF THE PROPERTY, IF ANY, ALL OF WHICH ARE HEREBY ASSIGNED TO THE LESSEE, NO SUBSEQUENT ASSIGNEE OF LESSOR WILL MAKE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AND LESSOR'S ASSIGNS ASSUMES NO OBLIGATION WITH RESPECT TO THE TITLE, MERCHANTABILITY, CONDITION, QUALITY OR FITNESS OF THE PROPERTY DESCRIBED IN EXHIBIT A FOR ANY PARTICULAR PURPOSE OR THE CONFORMITY OF THE PROPERTY TO SPECIFICATION OR PURCHASE ORDER. All such risks shall be borne by the Lessee without in any way excusing it from its obligations under this Agreement, and any subsequent assignee of Lessor shall not be liable for any damages on account of such risks. All claims or actions on any warranty so assigned shall be made or prosecuted by the Lessee, at its sole expense, upon prior written notice to any assignee of Lessor. Lessor's assigns may, but shall have no obligation whatsoever to participate in a claim on any warranty. Any recovery under such a warranty shall be made payable to Lessee and Lessor's assigns jointly.

12. Purchase Option/Prepayment. Upon payment of the purchase price, plus interest as provided on Exhibit B, the Property shall belong to the Lessee and the Lessor shall execute and deliver a Quit Claim Bill of Sale to the Lessee conveying the Property "as is", but free and clear of any lien, encumbrance, or security interest created or permitted and not discharged by Lessor. The Lessee shall have an option to purchase the Property in whole but not in part, upon sixty (60) days written notice to Lessor by payment of the then applicable purchase price, plus interest, according to the attached Exhibit B. However, should Lessee have no purchase option or right to prepay the Lease according to the Option to Purchase column of the attached Exhibit B, any attempt to do so shall constitute an Event of Default. The purchase price shall convert to a nominal interest rate that shall not exceed 4.924%. Unless agreed to by Lessor, partial prepayment of Principal according to Exhibit B shall not be allowed. Any such Principal prepayment shall reduce the end of the Exhibit B term.

13. Default and Lessor's Remedies.

(a) The occurrence of one or more of the following events shall constitute an Event of Default, whether occurring voluntarily or involuntarily, by operation of law or pursuant to any order of any court or governmental agency:

(1) Lessee fails to make any payment hereunder when due or within ten (10) days thereafter;

(2) Lessee fails to comply with any other covenant, condition or agreement of Lessee hereunder for a period of the ten (10) days after notice thereof;

(3) Any representation or warranty made by Lessee hereunder shall be untrue in any material respect as of the date made;

(4) Lessee makes, permits or suffers any unauthorized assignment, transfer or other disposition of this Agreement or any interest herein, or any part of the Property or any interest therein; or

(5) Lessee becomes insolvent; or admits in writing its inability to pay its debts as they mature; or applies for, consents to or acquiesces in the appointment of a trustee, receiver or custodian for the Lessee or a substantial part of its property; or, in the absence of such application, consent or acquiescence, a trustee, receiver or custodian is appointed for Lessee or a substantial part of its property and is not discharged within sixty (60) days; or any bankruptcy, reorganization, debt arrangement, moratorium, or any proceeding under any bankruptcy or insolvency law, or any dissolution or liquidation proceeding is instituted by or against Lessee and, if instituted against Lessee, is consented to or acquiesced in by Lessee or is not dismissed within sixty (60) days.

(b) Upon the occurrence of any Event of Default specified herein, Lessor may, at its sole discretion, exercise any or all of the following remedies:

(1) Enforce this Agreement by appropriate action to collect amounts due or to become due hereunder, by acceleration or otherwise, or to cause Lessee to perform its other obligations hereunder in which event Lessee shall be liable for all costs and expenses incurred by Lessor;

(2) Take possession of the Property, without demand or notice and without court order or any process of law, and remove and relet the same for Lessee's account, in which event Lessee waives any and all damages resulting therefrom and shall be liable for all costs and expenses incurred by Lessor in connection therewith and the difference, if any, between the amounts to be paid pursuant to Section 1 hereof and the amounts received and to be received by Lessor in connection with any such reletting;

(3) Terminate this Agreement and repossess the Property, in which event Lessee shall be liable for any amounts payable hereunder through the date of such termination and all costs and expenses incurred by Lessor in connection therewith;

(4) Sell the Property or any portion thereof for Lessor's account at public or private sale, for cash or credit, without demand on notice to Lessee of Lessor's intention to do so, or relet the Property for a term and a rental which may be equal to, greater than or less than the rental and term provided herein. If the proceeds from any such sale or rental payments received under a new agreement made for the periods prior to the expiration of this Agreement are less than the sum of **(i)** the costs of such repossession, sale, relocation, storage, reconditioning, reletting and reinstallation (including but not limited to reasonable attorneys' fees), **(ii)** the unpaid principal balance derived from Exhibit B as of the last preceding Lease Payment Date specified in Exhibit B, and **(iii)** any past due amounts hereunder (plus interest on such unpaid principal balance at the rate specified in Section 19 hereof, prorated to the date of such sale), all of which shall be paid to Lessor, Lessor shall retain all such proceeds and Lessee shall remain liable for any deficiency; or

(5) Pursue and exercise any other remedy available at law or in equity, in which event Lessee shall be liable for any and all costs and expenses incurred by Lessor in connection therewith. "Costs and expenses," as that term is used in this Section, shall mean, to the extent allowed by law: **(i)** reasonable attorneys' fees if this Agreement is referred for collection to an attorney not a salaried employee of Lessor or the holder of this Agreement; **(ii)** court costs and disbursements including such costs in the event of any action necessary to secure possession of the Property; and **(iii)** actual and reasonable out-of-pocket expenses incurred in connection with any repossession or foreclosure, including costs of storing, reconditioning and reselling the Property, subject to the standards of good faith and commercial reasonableness set by the applicable Uniform Commercial Code.

(6) Under no circumstances shall Lessee be liable under this subsection (b) for any amount in excess of the sum appropriated pursuant to Section 1 hereof for the previous and current fiscal years, less all amounts previously due and paid during such previous and current fiscal years from amounts so appropriated.

14. Termination. Unless Lessee has properly exercised its option to purchase pursuant to Section 12 hereof, Lessee shall, upon any earlier termination hereof pursuant to the terms of this Agreement, surrender the Property to Lessor unencumbered and in at least as good condition and repair as when delivered to Lessee, ordinary wear and tear resulting from proper use alone excepted.

15. Assignment. Without Lessor's prior written consent, Lessee will not either **(i)** assign, transfer, pledge, hypothecate, grant any security interest in or otherwise dispose of this Agreement or the Property or any interest in this Agreement or the Property; or **(ii)** sublet or lend the Property or permit it to be used by anyone other than Lessee or Lessee's employees. Lessor may assign its rights, title and interest in and to this Agreement, the Property and any other documents executed with respect to this Agreement and/or grant or assign a security interest in this Agreement and the Property, in whole or in part. Any such assignees shall have all of the rights of Lessor under this Agreement. Subject to the foregoing, this Agreement inures to the benefit of and is binding upon the heirs, executors, administrators, successors and assigns of the parties hereto. No assignment or reassignment of any of Lessor's rights, title or interest in this Agreement or the Property shall be effective with regard to Lessee unless and until Lessee shall have received a copy of the document by which the assignment or reassignment is made, disclosing the name and address of such assignee. No further action will be required by Lessor or by Lessee to evidence the assignment. During the term of this Agreement, Lessee shall keep a complete and accurate record of all such assignments in form necessary to comply with the United States Internal Revenue Code of 1986, Section 149 (a), and the regulations, proposed or existing, from time to time promulgated thereunder.

16. Personal Property. The Property is and shall at all times be and remain personal property.

17. Title. Lessor or its assignee will retain title to the Property during the lease term. Title to the Property will pass to Lessee upon (and only upon) Lessee's exercise of the purchase option provided in Section 12 hereof and the complete payment and performance by Lessee of all of Lessee's obligations under this Agreement, and in such case Lessor agrees to execute such instruments and do such things as Lessee reasonably requests in order to effectuate the passage of title to Lessee. In the event of a non-appropriation or Event of Default by Lessee, Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the passage of legal title to the Equipment to Lessor and Lessee will peaceably surrender possession of the Equipment to Lessor.

18. Lessor's Right to Perform for Lessee. If Lessee fails to make any payment or perform or comply with any of its covenants or obligations hereunder, Lessor may, but shall not be required to, make such payment or perform or comply with such covenants and obligations on behalf of Lessee, and the amount of any such payment and the expenses (including but not limited to reasonable attorneys' fees) incurred by Lessor in performing or complying with such covenants and obligations, as the case may be, together with interest thereon at the highest lawful rate, shall be payable by Lessee upon demand.

19. Interest on Default. If Lessee fails to pay any Lease Payment specified in Section 1 hereof within ten (10) days after the due date thereof, Lessee shall pay to Lessor interest on such delinquent payment from the due date until paid at the highest lawful rate.

20. Notices. Any notices to be given or to be served upon any party hereto in connection with this Agreement must be in writing and may be given by certified or registered mail, and shall be deemed to have been given and received forty-eight (48) hours after a registered or certified letter containing such notice, postage prepaid, is deposited in the United States mail, and if given otherwise shall be deemed to have been given when delivered to and received by the party to whom it is addressed. Such notice shall be given to the parties at their respective addresses designated on the signature page of this Agreement or at such other address as either party may hereafter designate.

21. Tax Exemption. Lessee acknowledges and agrees that the Lease Payments have been calculated by Lessor assuming that the interest portion of each Lease Payment is exempt from Federal Income Taxation. Lessee represents, warrants and covenants that it will do or refrain from doing all things necessary or appropriate to insure that the interest portion of the Lease Payments is exempt from Federal Income Taxation, including, but not limited to, executing and filing all information statements required by Section 149(e) of the Internal Revenue Code of 1986, as amended, and timely paying, to the extent of available funds, amounts required to be rebated to the United States pursuant to Section 148(f) of the Internal Revenue Code of 1986, as amended.

22. Continuing Disclosure. Specifically and without limitation, Lessee agrees to provide audited financial statements, prepared by a certified public accountant not later than nine (9) months after and as of the end of each fiscal year. Periodic financial statements shall include a combined balance sheet as of the end of each such period, and a combined statement of revenues, expenditures and changes in fund balances, from the beginning of the then fiscal year to the end of such period. These reports must be certified as correct by one of Lessee's authorized agents. If Lessee has subsidiaries, the financial statements required will be provided on a consolidated and consolidation basis.

23. Miscellaneous.

(a) Lessee shall, whenever requested, advise Lessor of the exact location and condition of the Property and shall give the Lessor immediate notice of any attachment or other judicial process affecting the Property. Lessor may, for the purpose of inspection, at any reasonable time during regular business hours enter upon any job, building or place where the Property and the books and records of the Lessee with respect thereto are located.

(b) Lessee agrees to equitably adjust the payments payable under this Agreement if there is a determination for any reason that the interest payable pursuant to this Agreement (as incorporated within the schedule of payments) is not excludable from income in accordance with the Internal Revenue Code of 1986, as amended, such as to make Lessor and its assigns whole.

(c) Time is of the essence. No covenant or obligations hereunder to be performed by Lessee may be waived except by the written consent of Lessor, and a waiver of any such covenant or obligation or a forbearance to invoke any remedy on any occasion shall not constitute or be treated as a waiver of such covenant or obligation as to any other occasion and shall not preclude Lessor from invoking such remedy at any later time prior to Lessee's cure of the condition giving rise to such remedy. Lessor's rights hereunder are cumulative and not alternative.

(d) This Agreement shall be construed in accordance with, and governed by, the laws of the State in which the Property is located.

(e) This Agreement constitutes the entire agreement between the parties and shall not be modified, waived, discharged, terminated, amended, altered or changed in any respect except by a written document signed by both Lessor and Lessee.

(f) Any term or provision of this Agreement found to be prohibited by law or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without, to the extent reasonably possible, invalidating the remainder of this Agreement.

(g) The Lessor hereunder shall have the right at any time or times, by notice to Lessee, to designate or appoint any person or entity to act as agent or trustee for Lessor for any purposes hereunder.

(h) All transportation charges shall be borne by Lessee. Lessee will immediately notify Lessor of any change occurring in or to the Property, of a change in Lessee's address, or in any fact or circumstance warranted or represented by Lessee to Lessor, or if any Event of Default occurs.

(i) Use of the neutral gender herein is for purposes of convenience only and shall be deemed to mean and include the masculine or feminine gender whenever and wherever appropriate.

(j) The captions set forth herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

(k) Except as otherwise provided herein, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, where permitted by this Agreement.

ESCROW AGREEMENT

OKLAHOMA LEASE-PURCHASE AGREEMENT **No.10125** (THE "AGREEMENT")
BY AND BETWEEN

Lessor, Coryell Roofing and Construction Inc. and
Lessee, Independent School District I-001 of McClain County (Newcastle Public Schools)
TAX ID #73-0983395 Dated as of September 13, 2022

THIS ESCROW AGREEMENT (the "Agreement") is made and entered into as of September 13, 2022 ("Agreement Date"), by and among Coryell Roofing and Construction Inc. ("Lessor"), Independent School District I-001 of McClain County (Newcastle Public Schools) ("Lessee") and _____ ("Agent").

WITNESSETH:

WHEREAS, Lessor and Lessee have entered into a certain Oklahoma Lease-Purchase Agreement dated as of September 13, 2022 (the "Lease"), pursuant to which the property more particularly described therein (the "Property") will be leased to the Lessee under the terms stated in the Lease;

WHEREAS, Lessor and Lessee desire to make funding arrangements for the acquisition of the Property, and Agent agrees to serve as escrow agent for such funding and acquisition;

NOW THEREFORE, in consideration of the mutual agreements and covenant herein contained and for other valuable consideration, the parties hereby agree as follows:

1. Agent shall undertake the duties and obligations of escrow agent as set forth in this Agreement. Agent shall not be deemed to be a party to the Lease.
2. Lessor has delivered to Agent the sum of \$2,800,000.00 ("Escrow Amount") for deposit by Agent in the Independent School District I-001 of McClain County (Newcastle Public Schools) Escrow Account (the "Fund"). The Fund will be administered by Agent pursuant to the terms of this Agreement.
3. Deposits in the Fund shall be used to pay for the acquisition of the Property. The Property may be acquired as individual items or as groups of items. Agent shall make disbursements from the Fund in payment for the acquisition of each item or group of items of the Property promptly upon receipt of a properly executed Escrow Disbursement Request Form, in the form attached hereto as "Schedule 1", for that portion of the acquisition of the Property for which payment is requested. Upon full acquisition of an item or group of items of the Property, any remaining cost of such item or group of items shall be disbursed promptly by the Agent upon receipt of a properly executed Acceptance Certificate and a corresponding Escrow Disbursement Request Form in the form attached hereto as "Schedule 1", for that portion of the Property for which payment is requested. Payment by Agent shall be to the payee shown on the Escrow Disbursement Request Form.
4. Agent will invest the Fund, as specified by Lessor, in general obligations of the United States or in obligations fully insured by the United States or in certificates of deposit of a bank which is either fully insured by an agency of the federal government or fully collateralized by such federal or federally guaranteed obligations, or in no-load money market mutual funds registered with and regulated by the Securities and Exchange Commission that includes in their investment objectives the maintenance of a stable net asset value of \$1 for each share, or Money Market Mutual Funds registered under the Investment Act of 1940. Agent will retain in the Fund all earnings from investment of the Fund until termination of the Fund pursuant to Section 5 hereof. Agent will be entitled to sell or redeem any such investments as necessary to make any distributions required under this Agreement and shall not be liable for any loss resulting from such sale or redemption. In the absence of written investment direction from the Lessor, the Agent shall invest and reinvest the amounts in the Fund in Money Market Mutual Funds registered under the Investment Act of 1940.
5. Upon execution of one or more Acceptance Certificates by Issuer and payment of acquisition costs by Agent for all the Property (as confirmed in writing by the Lessor to the Escrow Agent), this Agreement and the Funds shall terminate, and Agent shall transfer to Lessor all remaining sums in the Fund. If not terminated earlier, this Agreement and the Fund shall terminate on November 30, 2023 ("Termination Date"). In this latter event, interest accrued pursuant to investment of the Fund under the terms of Section 4 hereof and all remaining principal in the Fund shall be transferred by Agent to Lessor; Exhibit "A" attached to the Contract shall thereupon be revised to delete any non-acquired portions of the Property and to substitute an amended amortization payment schedule to reflect the reduced acquisition costs.
6. Lessor and Issuer may by written agreement between themselves remove the Agent, at any time and for any reason, and appoint a successor escrow agent. Such removal shall not be effective until thirty (30) days after written notice thereof to Agent.
7. Agent may at any time and for any reason resign as escrow agent by giving written notice to Lessor and Lessee of its intention to resign and of the proposed date of resignation, which date shall be not less than thirty (30) days after giving Lessee and Lessor written notice of intent to resign, nor less than thirty (30) days after being appointed by Lessor and Lessee. Upon the effective date of any resignation, the Escrow Agent shall deliver all cash and other property in the Fund to a successor escrow agent designated by Lessor, and if no successor has been appointed, shall deliver all such cash and other property to the Lessor and all obligations of the Escrow Agent shall cease.
8. Agent shall have no obligation under the terms of this Agreement to make any disbursement except from the Fund. Agent makes no warranties or representations as to the Property or as to performance of the obligations of Lessor or Lessee under this Agreement or the Lease.
9. Agent shall be entitled to rely in good faith upon any documents signed by a party hereto and shall have no duty to investigate the veracity of such documents. Agent (i) may assume that any person giving notice pursuant to the terms hereof is authorized to do so and (ii) shall not be liable for good faith reliance thereon. Agent may consult with legal counsel in the event of any dispute or question as to the construction of any of the provisions hereof or its duties hereunder, and, to the extent it acts in good faith without gross negligence or willful misconduct, it shall be fully protected in acting in accordance with the opinion or instructions of such counsel. The Agent shall not be liable for any act done or step taken or omitted by it or any mistake of fact or law, except for its gross negligence or willful misconduct. The Lessor and Lessee jointly and severally agree to indemnify and save Agent harmless from all losses, costs, liabilities, actual damages, fees and expenses (including, but not limited to, reasonable attorney's fees and expenses) suffered or incurred by Agent arising from the performance of its obligations under this Agreement ("Acts"), except such Acts as arise from or attributable to the gross negligence or willful misconduct of Agent.
10. To the limited extent required to perfect the security interest granted by Lessee to Lessor in the cash and negotiable instrument from time to time comprising the Fund, Lessor hereby appoints the Agent as its security agent, and the Agent hereby accepts the appointment as security agent, and agrees to hold physical possession of such cash negotiable instruments on behalf of Lessor.
11. This Agreement may be amended by written agreement executed by all the parties. Lessor may assign its rights and/or obligations at any time with written notice thereof to the other parties hereto.
12. This Agreement may be executed in several counterparts, each of which shall be an original. The parties hereto agree the transactions described herein may be conducted and related documents may be stored by electronic means.
13. Agent shall be entitled to fees and expenses for its regular services as Agent as set forth in its fee letter delivered to the Lessor and Lessee. Additionally, Agent is entitled to fees for extraordinary services and reimbursement of any out of pocket and extraordinary costs and expenses, including, but not limited to, attorneys' fees. Agent shall have a first lien upon all amounts in the Fund for the purposes of paying its fees and expenses. All of the Escrow Agent's compensation, costs and expenses shall be paid by the Lessee unless agreed to by Lessor.

14. In the event of any disagreement between the undersigned or any other person, resulting in adverse claims and demands being made on the Fund, the Agent shall be entitled to refuse to comply with any demand or claim, as long as such disagreement shall continue, and in so refusing to make any delivery or other disposition of any money, papers or property involved or affected hereby, the Agent shall not be or become liable to the undersigned for its refusal to comply with such conflicting or adverse demands, and the Escrow Agent shall be entitled to refuse and refrain to act until: (a) the rights of the adverse claimants shall have been fully and finally adjudicated in a Court assuming and having jurisdiction of the parties and money, papers and property involved herein or affected hereby, or (b) all differences shall have been adjusted by agreement and the Agent shall have been notified thereof in writing, signed by all the interested parties.

15. The parties hereto agree that, for tax reporting purposes, all interest or other income, if any, attributable to the Escrowed Funds or any other amount held in escrow by the Escrow Agent pursuant to this Agreement shall be allocable to the Lessor for credit to Lessee subject to the terms of this Agreement. The Lessor and Lessee agree to provide the Escrow Agent completed Forms W-9 (or Forms W-8, in the case of non-U.S. persons) and other forms and documents that the Escrow Agent may reasonably request (collectively, "Tax Reporting Documentation") at the time of execution of this Agreement and any information reasonably requested by the Escrow Agent to comply with the USA Patriot Act of 2001, as amended from time to time. The parties hereto understand that if such Tax Reporting Documentation is not so certified to the Escrow Agent, the Escrow Agent may be required by the Internal Revenue Code, as it may be amended from time to time, to withhold a portion of any interest or other income earned on the investment of monies or other property held by the Escrow Agent pursuant to this Escrow Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Applicant (School or Library) Responsibilities

USAC E-RATE PRODUCTIVITY CENTER “EPC”

Applicant responsibilities regarding the online E-Rate Productivity Center (“EPC”) are as follows:

Applicants must provide Kellogg & Sovereign Consulting (CRN 16024809) and their designated K&S consultant users with full rights access for all forms except FCC Form 498 on their online E-Rate Productivity Center (“EPC”) located on the USAC web site. *K&S cannot provide any E-Rate filing services on behalf of the Applicant until access is granted.*

The applicant must designate an authorized school or library business official as the general contact and account administrator and maintain their online access including passwords to ensure there is always an authorized school or library business official with full rights able to access the Applicant’s EPC. If the account administrator for the applicant changes, it is the Applicant’s responsibility to notify USAC and assign a new account administrator.

For Applicants who will be utilizing the reimbursement (BEAR - FCC Form 472) method to receive E-Rate discounts, the Applicant must complete an FCC Form 498 online and must notify USAC of any changes in order to keep the Form 498 information current.

The Applicant is fully responsible for timely certifying FCC forms submitted by K&S on behalf of the Applicant on the Applicant’s E-Rate Productivity Center.

OUSF AFFIDAVITS OR DOCUMENT REQUESTS

The applicant’s responsibilities for OUSF affidavits and document requests are as follows:

- Carefully review Affidavit and return the signature page(s) within 5 business days (unless another deadline is specified)
- Provide a current network diagram including circuit information
- Respond to all data requests except for data requests that need clarification from the service provider or federal documentation. The Beneficiary is responsible for any additional data requested by the Public Utility Division (PUD)
- Forward all PUD Determinations and correspondence to ks-ousf@kelloggllc.com.
- Participate in conference calls with PUD staff in order to resolve questions regarding OUSF applications and funding

TIMELY RESPONSE TO DOCUMENT REQUESTS:

It will be K&S’s responsibility to list a due date on each request for documentation. Moreover, K&S will send all documentation requests to the applicant’s designated contact person via e-mail or text message. The applicant must provide a valid email address and cell phone number for K&S notifications. It will be the applicant’s responsibility to return the requested documentation by the due date shown. To cover the extra costs of staff overtime, multiple sending of requests, and undue hardship, K&S reserves the right to provide advance notification, and if necessary, charge a late response fee for any request that is received after the deadline stated on the request. At the discretion of K&S, the late response fee may be waived if the applicant requests an extension prior to the due date. Once a late response fee is incurred, K&S will send applicant an invoice immediately which will be due and payable upon receipt. If the late response fee invoice is not paid within 45 days, the contract may be terminated by K&S.

Example 1: K&S sends a request for copies of bills to applicant in September. The due date listed on the request is October 15 along with notification that a late response will result in late fees of \$100 per day. Your documentation is not received by K&S until October 21. K&S would charge a late response fee of \$500.00 (5 days late x \$100/day).

Example 2: Same facts as above, but applicant sends an email notice to K&S on October 14 explaining that their accounts payable clerk is out on maternity leave, but documents can be provided to K&S by October 31. Applicant's documentation arrives in K&S's office on October 30. No late response fee would be charged.

SERVICE PROVIDER DISBURSEMENTS – DISCOUNT (SPI FORM 474) METHOD ONLY

If an applicant chooses to receive E-Rate discounts by the discount method (Service Provider Invoice – SPI Form 474) instead of the reimbursement method (Billed Entity Applicant Reimbursement Form 472), the applicant must reconcile service provider discounts. According to USAC, it is the beneficiary school or library's responsibility to review all service provider bills and E-Rate discounts provided to the beneficiary through the service provider discount method (Form 474 – Service Provider Invoice). Therefore, it is the responsibility of the school or library to review service provider bills and credits received to ensure the following: (1) the services were used solely for educational purposes; (2) the service provider only requested discounts for eligible goods and services; (3) the service provider allocated the costs of any contract that included both eligible and ineligible components in the related request for discount; (4) the service provider deducted from the pre-discount cost of services the value of all price reductions, promotional offers, and "free" products or services; and (5) the applicant retained all documents related to the service provider's request for discounts on behalf of the beneficiary.

Neither K&S nor its employees or agents are responsible for the actions of service providers related to the applicant's E-Rate funding. This includes all documentation provided by service providers including bids submitted, vendor supporting documentation, proposals, and contracts. Additionally, if the applicant selects the discount method for receiving E-Rate funding, the service provider is solely responsible for proper calculation, review, and application of E-Rate credits to the applicant's bills. *Reconciliation of service provider discounts related to the discount (SPI-Form 474) method is NOT included with K&S's standard fee and may be contracted separately.*

PROGRAM COMPLIANCE

Children's Internet Protection Act (CIPA)

Applicants must comply with all E-Rate program rules including state and local procurement requirements. Additionally, the applicant must be in compliance with the Children's Internet Protection Act¹ and provide K&S with an annual certificate of compliance along with documentation that the filter was installed and working during the funding year. Applicants are responsible for retaining documentation to support their compliance with CIPA including board agenda and minutes when CIPA is discussed.

Procurement Procedures

K&S will provide guidance regarding compliance with competitive bidding E-Rate rules, procedures and guidelines. Applicants are responsible for complying with their own state, local, and federal procurement guidelines. This includes, but is not limited to, proper format of Requests for Proposal if different than K&S's standard format, required vendor forms, publishing of RFPs, bid evaluation process, board approval, contract negotiation, and legal review and approval of contracts.

DOCUMENT RETENTION (TEN YEARS)

All documents prepared or handled by K&S will be copied, scanned and archived. However, K&S cannot be responsible for retention of documents not in K&S's possession.

As stated in the *E-Rate Modernization Order*², the Applicant will be responsible for retaining documentation for a period of **TEN YEARS** after the latter of the last day of the applicable funding year, or the last day of delivery of services for that funding year.

Documentation in this area is also retained by K&S.

This includes purchase requisitions, purchase orders, packing slips, delivery and installation records showing where equipment was delivered and installed or where services were provided.

Invoicing. The school/library will retain all invoices. Related documents include records proving payment of the invoice, such as accounts payable records, service provider statement, beneficiary check, bank statement or ACH transaction record. The school/library will also retain copies of service provider checks payable to the school/library related to Form 472 (BEAR) filings, if applicable.

Assets and Inventory. The school/library will retain asset and inventory records of equipment purchased and components of supported internal connections services sufficient to verify the location of such equipment. The school/library will also retain detailed records documenting any transfer of equipment within three years after purchase and the reasons for such a transfer.

Forms and Rule Compliance. All program forms, attachments and documents submitted to USAC will be retained. The school/library will have procedures to require retention of all official notification letters from USAC, as applicable: FCC Form 470 certification pages (if not certified electronically), FCC Form 471 and certification pages (if not certified electronically), FCC Form 471 Item 21 attachments, FCC Form 479, FCC Form 486, FCC Form 500, FCC Form 472. The school/library will also retain any documents submitted to USAC during program integrity assurance (PIA) review, Selective Review and Invoicing Review, or for SPIN change or other requests. In addition, the school/library will retain documentation to provide compliance with other program rules, such as records relevant to show compliance with the Children's Internet Protection Act (CIPA). Documentation in this area is also retained by K&S.

Termination

Either party may, upon written notice to the other party, terminate this contract in whole or in part for convenience. All fees incurred prior to receipt of the termination notice will be due and payable immediately upon termination. Contingency fees for E-Rate Category 2 services will be due and payable to K&S according to the terms of the original agreement. K&S will be released from responsibility for the filing of E-Rate applications and any related follow up work or USAC reviews immediately

Liability

K&S will make every reasonable effort to avoid any errors or omissions in the services or advice that K&S provides to K&S's clients. However, the rules, regulations, and guidelines for both the Oklahoma Universal Services Program (OUSF) and the universal service discount mechanism for schools and libraries (E-Rate) are voluminous, ambiguous, and constantly changing. Any claim for damages will expire within two years of when the final billing is mailed to the Applicant. K&S's liability is strictly limited to the Applicant and the Applicant's specific organization. Any recommendations or actions provided to the Applicant may not be used or relied upon by any other parties or related entities. Disputes with the Universal Service Administrative Company ("USAC") or the Oklahoma Corporation Commission ("OCC") regarding the interpretation of the rules will not constitute an error or omission if the Applicant has been advised of the difference in opinion.

Disclaimer

Due to uncertainties inherent in the funding processes for both E-Rate and OUSF, Kellogg & Sovereign® Consulting does not warrant or guarantee any E-Rate funding or OUSF support payments will be received as a result of this contractual agreement.

- h) I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the Schools and Libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed and will notify USAC should I be informed or become aware that I or any of the entities, or any person associated in any way with my entity and/or the entities, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the Schools and Libraries support mechanism.
- i) I certify that, to the best of my knowledge, the non-discount portion of the costs for eligible services will not be paid by the service provider. I acknowledge that the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of some or all the cost of the supported services.
- j) I certify that I am authorized to sign this Letter of Agency and, to the best of my knowledge, information and belief, all information provided to K&S for E-Rate submission is true. If any of the statements made above are incorrect, fraudulent or misleading, the undersigned and their institution agrees to indemnify, as allowed by state law, K&S, its members, employees and agents of any and all liability, legal fees or actions that may arise from the incorrect, fraudulent or misleading statement(s).

Regarding: Revised Proposal for Subsurface Exploration
Newcastle H.S. Addition
Newcastle, Oklahoma

Dear Mark:

Standard Testing & Engineering, LLC (STE) is pleased to provide this revised proposal for geotechnical exploration services for the Newcastle H.S. Addition, located in Newcastle, Oklahoma.

Scope of Work

This geotechnical study is to evaluate the soil's and/ or rock's strength conditions, check the soil plasticity characteristics, and to recommend subgrade preparation, foundation types, and pavement sections for the proposed project. Based in the information provided to us, it is our understanding that the project consists of the following:

- Project Address: 101 N Main St, Newcastle, OK 73065
- New H.S. Addition Partial 2-Story (approx. 48,000 sq.ft.)
- New Band Room/Storm Shelter (approx. 6,800 sq.ft)
- New Parking and School Bus Loading Zone

Field Exploration

A total of **fifteen (15)** borings are requested to be drilled. **Eight (8)** building borings are requested to be drilled to the depth of **twenty (20)** feet or five (5) into bedrock and **seven (7)** pavement borings are requested to be drilled to the depth of **five (5)** feet using truck mounted CME 55 within the project's footprint. Samples will be obtained from borings at regular intervals and at soil layer interfaces where material characteristics change. A minimum of three samples will be obtained within the top five (5) feet and at 5-foot intervals thereafter using the following methods:

- Split-Barrel Sampler (SPT) in cohesionless soils, and cohesive soils
- Grab samples will also be collected

Soil samples will be sealed in the field to prevent disturbance and moisture changes and transported to the laboratory for testing. All borings will be plugged in accordance with Oklahoma Water Resource Board (OWRB) regulations. The ground surface at the borings' locations will be surveyed by rod and transit methods in relation to a convenient fixed object or a benchmark provided by the client. Groundwater, if encountered, will be measured during, and at the completion of drilling operations. Standard Testing will call OKIE to locate utilities in public easements, the owner is responsible for locating private utilities at the site.

Minor damage at the site, such as rutting in landscaping and cracking in light duty concrete or asphalt paving (i.e. sidewalks and driveways) may occur during the field exploration due to the size and weight of the drilling equipment. Any remediation or repair of damages resulting from the use of such equipment in order to perform the field exploration is not part of this scope and will not be the responsibility of Standard Testing.

Laboratory Testing

Laboratory tests shall be assigned and performed to classify soils and obtain geotechnical physical characteristics for soils and rock such as strength, compressibility and compaction characteristics. Perform laboratory testing consistent in quantity and quality with local geotechnical engineering practice to provide the information for the foundation recommendations required in the report. We will perform following laboratory tests:

- Soil Moisture Content Test
- Atterberg Limits Test (PI)
- Sieve Analysis

Reporting, Scheduling, Authorization and Cost

The drilling work can be scheduled within **five (5) to seven (7)** working days after receiving notice to proceed and obtaining clearance of utilities at the site. Report will be issued within **seven (7)** working days after completion of laboratory testing.

A report will be generated including the following:

- Vicinity map and boring location plan
- Computer generated boring logs with soil stratification based on visual soil classification, and laboratory test results
- Boring and site elevations
- Laboratory test results summary
- Summary of field testing and drilling methods
- Narrative of difficulties and access obstructions
- Subsurface soil conditions
- Ground water levels observed during and at the completion of drilling, and anticipated seasonal high water level
- Seismic site class using IBC 2018 and ASCE 7-16
- Previous construction activity
- PVR analysis results with removal or treatment of objectionable materials
- Earthworks recommendations including engineered fill requirements
- Compaction requirements

- Drainage system recommendations
- Foundation recommendations including allowable bearing pressure for shallow foundations
- Foundation recommendations including allowable end bearing and skin friction capacities for deep foundations
- Estimated settlement
- Slab-on-grade floor slab recommendations, including modulus of subgrade reaction
- Asphalt concrete and Portland cement concrete pavement section recommendation for light and heavy-duty traffic
- Other construction considerations

The cost estimate for geotechnical services, including borings, laboratory testing, and reporting as described is presented in the following table:

Description	Cost (\$)	Type
Geotechnical Exploration	\$9,950.00	Lump Sum

The geotechnical exploration fee includes up to 3 hours of engineering support in the design phase after the geotechnical report is submitted. Additional services, if required and/or requested, will be provided at our standard unit rates.

We appreciate the opportunity to provide the budgetary proposal. To authorize this work, please return a completed copy of the attached "Agreement for services" form by e-mail to rkhalife@stantest.com. If there are any questions concerning this proposal or if further information is required, please contact me at 405.528.0541 or 405.395.8040.

STANDARD TESTING AND ENGINEERING COMPANY

STANDARD TERMS AND CONDITIONS

Standard Testing and Engineering Company, herein "STE", as an independent consultant, agrees to provide to the "CLIENT" the services described in the Scope of Work for the Project provided in Part I or Exhibit I of this Agreement, pursuant to the following Standard Terms and Conditions which constitute a part of this Agreement:

ARTICLE 1. SERVICES BY STE

a. STE will perform the services to be provided by STE pursuant to this Agreement in accordance with generally accepted engineering principles and practices of performance by professionals of ordinary skill existing at the time of performance under similar conditions for the locality where the services are to be performed. The CLIENT hereby acknowledges that the Project involves certain inherent risk factors (such as limitations on laboratory analytical methods, variations in subsurface conditions and the like) which may adversely affect the results of the Project, even though the services are performed with such care and skill. Data, interpretations and recommendations by STE will be based solely on information available to STE. STE will not be responsible for any other party's use or interpretations of information reported by STE and/or the recommendation(s) of any other party based on such information. STE's services do not include the investigation or detection of, nor do the recommendations in STE's reports address the presence or prevention of, biological pollutants such as mold, fungi, bacteria, viruses; or occupant safety issues, such as vulnerability to natural disasters, terrorism, or violence. If computer software is to be provided to the CLIENT as part of the services, CLIENT will execute a separate software license agreement. **STE MAKES NO WARRANTIES OR GUARANTEES EXPRESS OR IMPLIED, RELATING TO STE'S SERVICES AND STE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPOSED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

b. The Scope of Work cannot be changed, altered or amended except by written agreement signed by both parties. If CLIENT and STE agree in writing for STE to perform additional services, then STE will be entitled to an increase in compensation at rates provided in this Agreement. STE reserves the right to elect not to perform additional services. If STE determines in its sole discretion that additional services are necessary to avoid a delay in the completion of the Project, then STE shall perform those services without waiting for instructions from CLIENT and shall be entitled to an increase in compensation for such services at the standard hourly billing rate charged for those employees performing the services, plus reimbursable expenses, if any.

c. STE's personnel may be present, either full or part time, to provide observation and field testing of specific parts of the Project in accordance with the Scope of Work set forth herein. STE will be responsible for supervision and site safety measures for its own employees but shall not be responsible for the supervision or health and safety precautions for any other parties, including CLIENT, CLIENT's contractors, or any other parties present at the site. Should a contractor be involved in the Project, STE's work does not include supervision or direction of the work of the contractor, its employees or agents.

d. Title to all samples and waste materials remains with Client, and at no time shall STE take title to the above material. Portions of samples are consumed by testing. Unless otherwise stated in the Scope of Work, the remaining residue of all test samples from the Project tested by STE shall remain the property of CLIENT and shall be handled by STE as follows: At CLIENT's written request, STE will maintain preservable test samples and specimens or the residue therefrom for 30 days after the report date free of storage charges. After the initial 30 days, upon written request, STE will retain test specimens or samples for a mutually acceptable storage charge and time period. If CLIENT does not make a written request to preserve samples and specimens, then STE may dispose of the samples or specimens or return them to CLIENT at CLIENT's expenses. If it is determined that no test(s) are necessary on the sample(s), or determining that a sample originally thought to be NON-HAZARDOUS is in fact HAZARDOUS, then STE will return the samples to CLIENT.

e. Field tests or boring locations described in STE's report or shown on sketches are based on specific information furnished by others and/or estimates made in the field by STE personnel. Such dimensions, depths or elevations are approximations and are not warranted to be exact.

f. STE shall maintain during the performance of the services by it under this agreement if reasonably available, (i) statutory Workers' Compensation liability coverage, (ii) Comprehensive General Liability

insurance coverage, and (iii) automobile liability coverage in policy amounts of not less than One Million Dollars (\$1,000,000.00). STE represents that it currently has professional liability coverage in the aggregate limit of at least One Million Dollars (\$1,000,000.00) and agrees to attempt to maintain such coverage for the period of performance of the Scope of Work and for a period of one (1) year following completion of those services, if such coverage is reasonably available at commercially affordable premiums. For the purpose of this Agreement, "reasonably available" and "commercially affordable"

shall mean that more than half the consultants practicing the same professional discipline in the state where the project is located are able to obtain such coverage

ARTICLE 2. THE CLIENT'S RESPONSIBILITIES

a. CLIENT has obtained access and right of entry to the Project and hereby grants free access and right of entry to the Project to STE, its employees, agents, and subcontractors, for the purpose of performing all acts, studies and research, including without limitation the obtaining of samples and the performance of tests and evaluations, pursuant to the Scope of Work. CLIENT understands that subsurface conditions throughout the site may vary from those apparent at the discrete sampling locations or other sources of subsurface data and that site conditions may change from time to time. CLIENT agrees that STE's proposed sampling locations are approximate and that STE may depart a reasonable distance from those locations. CLIENT accepts that, despite STE's use of reasonable precautions to reduce damage, invasive services such as drilling, or sampling may damage or alter the site and that site restoration is not provided by STE unless specifically included in the Scope of Work.

b. CLIENT represents that CLIENT possesses all necessary permits and licenses required for the performance of the services to be provided by STE under this Agreement and for the continuation of CLIENT and STE's activities at the Project.

c. CLIENT will furnish or cause to be furnished such reports, data, studies, plans, specifications, documents and other information deemed necessary by STE for the proper performance of STE's services pursuant to this Agreement. STE may rely upon documents provided by the CLIENT in performing the services required under this Agreement; however, CLIENT-provided documents will remain the property of the CLIENT. All documents, including, but not limited to, drawings, specifications, reports, boring logs, field notes, laboratory test data, calculations and estimates prepared by STE as part of the service, pursuant to this Agreement, shall remain STE's exclusive property. CLIENT agrees that all documents of any nature furnished to CLIENT or CLIENT's agents or designees, if not paid for, will be returned upon demand and will not be used by CLIENT for any purpose whatsoever. CLIENT further agrees that under no circumstances shall any documents produced by STE pursuant to this Agreement be used at any location or for any project not expressly provided for in this Agreement without STE's prior written consent. If CLIENT uses all or any portion of STE's work on another project without STE's written permission, CLIENT shall defend, indemnify and hold STE harmless from any and all claims arising from such unauthorized use.

d. CLIENT shall be responsible for identifying, locating, and marking, and/or shall arrange for identifying, locating and marking of private subterranean structures or utilities and subsurface structures. STE shall take reasonable precautions to avoid damage or injury to such utilities and structures. STE shall take reasonable precautions to avoid damage or injury to subterranean structures or utilities which were identified and marked by CLIENT or a one-call provider. STE shall not be responsible for any damage, liability or costs, or for any property damage, injury or economic loss arising or allegedly arising from damages to utilities or subterranean structures that were not identified, located, or marked by CLIENT or the one-call provider, or that were not properly communicated to STE; or that were improperly marked on documentation, plans, drawing or utility clearance materials provided to STE. STE shall not be responsible for any damage, liability or costs, or for any property damage, injury or economic loss arising or allegedly arising from damages to utilities or subterranean structures caused by subsurface penetrations in locations approved by CLIENT and/or the one-call provider, except for damages caused by the negligence of STE in the use of such information. CLIENT waives any claim against STE and agrees to defend, indemnify, and hold STE and its officers, directors, employees, shareholders, agents, and subcontractors harmless from any claim or liability for injury or loss, including costs of defense, arising from damage done to subterranean structures and utilities not identified or not accurately located. In addition, CLIENT agrees to compensate STE for any time spent or expenses

incurred by STE in defense of any such claim, with compensation to be based upon STE's prevailing fee schedule and expense reimbursement policy.

e. CLIENT shall provide, or cause to be provided, to STE all documents and information known or available to CLIENT that relate to the identity, location, quantity, nature, or characteristic of any Hazardous Material (i.e., hazardous waste under RCRA, hazardous substance under CERCLA, hazardous constituent, toxic material, radioactive material, contaminated material, or petroleum product) on, under, or near the site, and shall immediately transmit new, updated, or revised information as it becomes available.

f. Unless otherwise provided herein, CLIENT shall assume all responsibility for, including control and removal of, and protect, defend and save harmless STE from and against all claims, demands and causes of action of every kind and character arising from pollution or contamination (including naturally occurring radioactive material) which originates above the surface of the land or water from spills of fuels, lubricants, motor oils, pipe dope, paints, solvents, ballast, bilge and garbage, except unavoidable pollution from reserve pits, wholly in STE's possession and control and directly associated with STE's equipment. In the event a third party commits an act or omission which results in pollution or contamination for which either STE or CLIENT, for whom such party is performing work, is held to be legally liable, the responsibility therefore shall be considered as between STE and CLIENT, to be the same as if the party for whom the work was performed had performed the same and all of the obligations regarding defense, indemnity, holding harmless and limitation of responsibility and liability, as set forth herein, shall be specifically applied.

g. CLIENT shall release STE of any liability for, and shall defend and indemnify STE against, any and all claims, liability and expense resulting from operations under this Agreement on account of any alleged injury to, destruction of, or loss or impairment of any property right in or to oil, gas, water or other mineral substances, if at the time of the alleged act or omission causing injury, destruction, loss or impairment, said substance had not been reduced to physical possession above the surface of the earth. CLIENT shall release STE of any liability for, and shall defend and indemnify STE against, any and all claims, liability and expense resulting from operations under this Agreement on account of any alleged loss or damage to any formation, strata, or reservoir beneath the surface of the earth.

h. CLIENT agrees to pay STE's invoices upon receipt. STE may suspend work for lack of timely payment. Should payment not be received within 30 days of invoice date, the CLIENT agrees to also pay a service charge of 1.5 percent per month or 18 percent per annum and the costs of collection, including reasonable attorneys' fees. If 1.5 percent per month exceeds the maximum allowed by law, the service charge of 1.5 percent will automatically be reduced to the maximum legally allowed. If CLIENT has any objection to an STE invoice, CLIENT must so advise STE in writing giving the reasons for such objections within 14 days of receipt by the CLIENT of such invoice, and shall promptly pay the undisputed portion. Payment shall constitute final approval of all aspects of the corresponding Work performed to date by STE. If the Project is terminated in whole or in part, then STE shall be paid by the CLIENT for services performed prior to STE's receipt of written notice of such termination, including STE's reimbursable expenses and actual and reasonable shut-down costs.

ARTICLE 3. PUBLIC LIABILITY: Except for claims by employees of STE for Workers' Compensation, in the event any third party brings suit or claim for damages against STE alleging exposure to or damage from material, elements or constituents at the Project before, during, or after the services are performed by STE or any of its agents pursuant to this Agreement, which is alleged to have resulted in or caused disease or any adverse health condition to any third party or resulted in costs for remedial action, uninhabitability of any property, or any other property damage or loss of any kind, then CLIENT agrees at its sole cost to defend STE in any such suit or claim and to indemnify and hold harmless STE and its officers, directors, employees and shareholders from and against any loss, damages, liabilities and cost (including, but not limited to, reasonable attorney fees) and to pay on behalf of STE and its officers, directors, employees and shareholders any judgment entered against STE and its officers, directors, employees and shareholders, including any interest thereon. CLIENT will have the right to investigate, negotiate and settle, with STE's written concurrence, any such suit or claim, and STE will cooperate in the defense of any such suit or claim.

ARTICLE 4. GENERAL CONDITIONS, NOTIFICATION, LIMITATION OF LIABILITY AND INDEMNIFICATION

a. Except as otherwise provided in this Agreement, STE and CLIENT shall defend, indemnify, and hold harmless the other, their agents, and

employees, from and against legal liability for all claims, losses, damages, and expenses to the extent such claims, losses, damages, or expenses are caused by their negligent acts, errors, or omissions. In the event such claims, losses, damages, or expenses are caused by the joint or concurrent negligence of STE and CLIENT, they shall be borne by each party in proportion to its own negligence under comparative fault principles.

NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR: LOSS OF PROFITS OR REVENUE; LOSS OF USE OR OPPORTUNITY; LOSS OF GOOD WILL; COST OF SUBSTITUTE FACILITIES, GOODS OR SERVICES; COST OF CAPITAL; OR FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, PUNITIVE, OR EXEMPLARY DAMAGES.

b. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither CLIENT nor STE, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any delay damages, any punitive damages or any incidental, indirect or consequential damages arising out of or connected in any way to the Project(s) or to this Agreement. This mutual waiver of delay damages and consequential damages shall include, but is not limited to, disruptions, accelerations, inefficiencies, increased construction costs, increased home office overhead, loss of use, loss of profit, loss of business, loss of income, loss of reputation or any other delay or consequential damages that either party may have incurred from any cause of action including, but not limited to, negligence, statutory violations, misrepresentation, fraud, deceptive trade practices, breach of fiduciary duties, strict liability, breach of contract and/or breach of strict or implied warranty. Both the CLIENT and STE shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in the Project(s).

c. To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of STE and STE's officers, directors, employees, shareholders, agents, and subcontractors, and any of them, to the CLIENT, for any and all claims, losses, costs, or damages, including attorney's fees and costs and expert witness fees and costs of any nature whatsoever or claims expenses resulting from or in any way related to the Project or this Agreement from any cause or causes shall not exceed the total compensation received by STE under this Agreement. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law, except that this limitation does not apply to the extent damages are paid under STE's Comprehensive General Liability Insurance or automobile liability insurance.

d. The CLIENT further agrees, to the fullest extent permitted by law, to limit the liability of STE and STE's officers, directors, employees, shareholders, agents, and subcontractors, and any of them, to all construction contractors and subcontractors on the Project for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorney's fees and costs and expert witness fees and costs, so that the total aggregate liability of STE and STE's subcontractors to all those named shall not exceed STE's total fee for services rendered on this Project. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising unless otherwise prohibited by law, except that this limitation does not apply to the extent damages are paid under STE's Comprehensive General Liability Insurance or automobile liability insurance.

e. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither party's individual employees, principals, officers or directors shall be subject to personal liability or damages arising out of or connected in any way to the Project or to this Agreement.

f. This Agreement may be terminated by either party upon giving the other party not less than seven (7) calendar days written notice or by mutual agreement. The receiving party shall have that seven (7) calendar day period in which to cure the default. If this Agreement is terminated by either party, STE shall be paid in full for all services performed through the termination date, in addition to STE's reimbursable expenses and reasonable shut-down costs incurred.

g. Neither CLIENT nor STE may delegate, assign, sublet or transfer its duties or interest in this Agreement without the prior written consent of the other party, except STE may retain the services of subcontractors to assist STE in performance of its duties and obligations hereunder.

ARTICLE 5. UNFORESEEN OCCURRENCES: If during the performance of services by STE under this Agreement, any unforeseen hazardous substances or petroleum products or constituents thereof or other

unforeseen conditions or occurrences are encountered which in STE's sole judgment significantly affect or may affect the services, the risk involved in providing the services, or the Scope of Work, STE and CLIENT will mutually agree to revise the Agreement to include consideration of the previously unforeseen conditions or occurrences, such revision to be in writing and signed by the parties and incorporated herein; or STE may, at its option, terminate this Agreement effective on the date specified by STE in writing.

ARTICLE 6. LITIGATION ASSISTANCE: Unless expressly set forth in the Scope of Work, the Scope of Work does not include costs of STE for required or requested assistance to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CLIENT. All such services required or requested of STE, except for suits or claims between the parties to this Agreement, will be reimbursed by the CLIENT according to STE's normal rates and charges for such services and payment for such services shall be in accordance with this Agreement.

ARTICLE 7. FORCE MAJEURE: STE is not responsible for damages or delay in performance caused by acts of God, strikes, lockouts, accidents or other events beyond the reasonable control of STE.

ARTICLE 8. NO THIRD-PARTY BENEFICIARIES: This Agreement and STE's performance of the Scope of Work are for STE's and CLIENT's sole benefit and exclusive use with no third parties intended. Reliance upon STE's performance of the Scope of Work and any work product is limited to CLIENT and is not intended for third parties. For a time period limited to three months following STE's completion of the Scope of Work and submittal of any work product in the form of a report, STE will issue additional reports addressed to, and for the use of, other parties designated by CLIENT, contingent upon each such party signing and returning STE's reliance agreement and STE receiving the agreed-upon fee for each additional report so issued.

ARTICLE 9. SURVIVAL: All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating the responsibility or liability between CLIENT and STE shall survive the completion of the services and the termination of this Agreement.

ARTICLE 10. INTEGRATION: This Agreement and the documents attached hereto, and which are incorporated herein constitute the entire agreement between the parties and cannot be changed or amended except by a written instrument signed by all parties hereto. In the event CLIENT issues a purchase order or similar form to authorize or otherwise administer payment for Work under this Agreement, the use of such form shall be for convenience purposes only and any additional or conflicting terms it contains are stricken.

ARTICLE 11. GOVERNING LAW AND VENUE: This Agreement shall be governed in all respects by the laws of the State of Oklahoma. Each of the parties hereto shall only enforce a claim arising out of this Agreement in the appropriate state or federal court having subject and personal jurisdiction located in Oklahoma City, Oklahoma. For purposes of any action or proceeding instituted with respect to any such claim, except those for which CLIENT must first pursue Dispute Resolution as provided herein, all of the parties hereto irrevocably submit to the jurisdiction of such courts and irrevocably consent to service of process out of such courts by mailing a copy of the summons and complaint, by certified mail, return receipt

requested, postage prepaid to each party at the address provided for such party in this Agreement.

ARTICLE 12. DISPUTE RESOLUTION: CLIENT shall not be entitled to assert any claim, including but not limited to, professional negligence, negligence, breach of contract, misconduct, error, omission, fraud, or misrepresentation ("Claim") against STE unless and until CLIENT has first obtained a written opinion from an independent, registered professional of the relevant discipline ("Expert") that STE has violated the standard of care applicable to STE's performance of the Scope of Work. The opinion must contain: (a) the name and license number of the Expert; (b) the qualifications of the Expert, including a list of all publications authored in the previous 10 years and a list of all cases in which the Expert testified within the previous 4 years; (c) a statement by the Expert setting forth the factual basis for the Claim; (d) a statement by the Expert of each and every act, error, or omission that the Expert contends supports the Claim or any alleged violation of any applicable standard of care; (e) a statement by the Expert of all opinions the Expert holds regarding the Claim or any alleged violation of any applicable standard of care; (f) a list of every document related to the Project reviewed by the Expert; and (g) a list of every individual who provided Expert with any information regarding the Project. The opinion is a condition precedent to the right of CLIENT to assert any Claim in any litigation or arbitration and CLIENT's failure to timely provide an opinion to STE will be grounds for automatic dismissal of the Claim with prejudice. CLIENT shall furnish this opinion to STE and the parties shall endeavor to resolve the dispute within thirty (30) days, after which CLIENT may pursue its remedies at law. The prevailing party in any litigation relating to a Claim shall be entitled to recover from the other party those reasonable attorney fees, costs and expenses incurred by the prevailing party in connection with the Claim.

ARTICLE 13. INDEPENDENT CONTRACTOR: In performing services under this Agreement, STE shall operate as, and have the status of, an independent contractor and shall not act as or be an employee of the CLIENT.

ARTICLE 14. SUBCONSULTANTS: STE may utilize as necessary in its discretion subconsultants or other subcontractors. STE will be paid for all services rendered by its subconsultants and other subcontractors as set forth in this Agreement.

ARTICLE 15. NOTICE: Notices shall be sufficiently given if sent by certified mail, postage prepaid, to each of the parties at the address noted for such party in this Agreement, or such other address as shall be furnished in writing by either party.

ARTICLE 16. ENTIRE AGREEMENT: This Agreement supersedes all prior communications, understandings and agreements, whether oral or written. Amendments to this Agreement must be in writing and signed by the CLIENT and STE.

Regarding: Proposal for Subsurface Exploration
Newcastle Middle School
Newcastle, Oklahoma

Dear Mark:

Standard Testing & Engineering, LLC (STE) is pleased to provide this proposal for geotechnical exploration services for the Newcastle Middle School, located in Newcastle, Oklahoma.

Scope of Work

This geotechnical study is to evaluate the soil's and/ or rock's strength conditions, check the soil plasticity characteristics, and to recommend subgrade preparation, foundation types, and pavement sections for the proposed project. Based in the information provided to us, it is our understanding that the project consists of the following:

- Project Address: 611 E Fox Ln, Newcastle, OK 73065
- New Middle School Additions (approx. 16,000 sq.ft)
- New Athletic Building (approx. 1,000 sq.ft)
- New Road/Pavement

Field Exploration

A total of **twelve (12)** borings are requested to be drilled. **Six (6)** building borings are requested to be drilled to the depth of **twenty (20)** feet or five (5) feet into bedrock and **six (6)** pavement borings are requested to be drilled to the depth of **five (5)** feet using truck mounted CME 55 within the project's footprint. Samples will be obtained from borings at regular intervals and at soil layer interfaces where material characteristics change. A minimum of three samples will be obtained within the top five (5) feet and at 5-foot intervals thereafter using the following methods:

- Split-Barrel Sampler (SPT) in cohesionless soils, and cohesive soils
- Grab samples will also be collected

Soil samples will be sealed in the field to prevent disturbance and moisture changes and transported to the laboratory for testing. All borings will be plugged in accordance with Oklahoma Water Resource Board (OWRB) regulations. The ground surface at the borings' locations will be surveyed by rod and transit methods in relation to a convenient fixed object or a benchmark provided by the client. Groundwater, if encountered, will be measured during, and at the completion of drilling operations. Standard Testing will call OKIE to locate utilities in public easements, the owner is responsible for locating private utilities at the site.

Minor damage at the site, such as rutting in landscaping and cracking in light duty concrete or asphalt paving (i.e. sidewalks and driveways) may occur during the field exploration due to the size and weight of the drilling equipment. Any remediation or repair of damages resulting from the use of such equipment in order to perform the field exploration is not part of this scope and will not be the responsibility of Standard Testing.

Laboratory Testing

Laboratory tests shall be assigned and performed to classify soils and obtain geotechnical physical characteristics for soils and rock such as strength, compressibility and compaction characteristics. Perform laboratory testing consistent in quantity and quality with local geotechnical engineering practice to provide the information for the foundation recommendations required in the report. We will perform following laboratory tests:

- Soil Moisture Content Test
- Atterberg Limits Test (PI)
- Sieve Analysis

Reporting, Scheduling, Authorization and Cost

The drilling work can be scheduled within **five (5) to seven (7)** working days after receiving notice to proceed and obtaining clearance of utilities at the site. Report will be issued within **seven (7)** working days after completion of laboratory testing.

A report will be generated including the following:

- Vicinity map and boring location plan
- Computer generated boring logs with soil stratification based on visual soil classification, and laboratory test results
- Boring and site elevations
- Laboratory test results summary
- Summary of field testing and drilling methods
- Narrative of difficulties and access obstructions
- Subsurface soil conditions
- Ground water levels observed during and at the completion of drilling, and anticipated seasonal high water level
- Seismic site class using IBC 2018 and ASCE 7-16
- Previous construction activity
- PVR analysis results with removal or treatment of objectionable materials
- Earthworks recommendations including engineered fill requirements
- Compaction requirements

- Drainage system recommendations
- Foundation recommendations including allowable bearing pressure for shallow foundations
- Foundation recommendations including allowable end bearing and skin friction capacities for deep foundations
- Estimated settlement
- Slab-on-grade floor slab recommendations, including modulus of subgrade reaction
- Asphalt concrete and Portland cement concrete pavement section recommendation for light and heavy-duty traffic
- Other construction considerations

The cost estimate for geotechnical services, including borings, laboratory testing, and reporting as described is presented in the following table:

Description	Cost (\$)	Type
Geotechnical Exploration	\$7,750.00	Lump Sum

The geotechnical exploration fee includes up to 3 hours of engineering support in the design phase after the geotechnical report is submitted. Additional services, if required and/or requested, will be provided at our standard unit rates.

We appreciate the opportunity to provide the budgetary proposal. To authorize this work, please return a completed copy of the attached "Agreement for services" form by e-mail to rkhalife@stantest.com. If there are any questions concerning this proposal or if further information is required, please contact me at 405.528.0541 or 405.395.8040.

STANDARD TESTING AND ENGINEERING COMPANY

STANDARD TERMS AND CONDITIONS

Standard Testing and Engineering Company, herein "STE", as an independent consultant, agrees to provide to the "CLIENT" the services described in the Scope of Work for the Project provided in Part I or Exhibit I of this Agreement, pursuant to the following Standard Terms and Conditions which constitute a part of this Agreement:

ARTICLE 1. SERVICES BY STE

a. STE will perform the services to be provided by STE pursuant to this Agreement in accordance with generally accepted engineering principles and practices of performance by professionals of ordinary skill existing at the time of performance under similar conditions for the locality where the services are to be performed. The CLIENT hereby acknowledges that the Project involves certain inherent risk factors (such as limitations on laboratory analytical methods, variations in subsurface conditions and the like) which may adversely affect the results of the Project, even though the services are performed with such care and skill. Data, interpretations and recommendations by STE will be based solely on information available to STE. STE will not be responsible for any other party's use or interpretations of information reported by STE and/or the recommendation(s) of any other party based on such information. STE's services do not include the investigation or detection of, nor do the recommendations in STE's reports address the presence or prevention of, biological pollutants such as mold, fungi, bacteria, viruses; or occupant safety issues, such as vulnerability to natural disasters, terrorism, or violence. If computer software is to be provided to the CLIENT as part of the services, CLIENT will execute a separate software license agreement. **STE MAKES NO WARRANTIES OR GUARANTEES EXPRESS OR IMPLIED, RELATING TO STE'S SERVICES AND STE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPOSED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

b. The Scope of Work cannot be changed, altered or amended except by written agreement signed by both parties. If CLIENT and STE agree in writing for STE to perform additional services, then STE will be entitled to an increase in compensation at rates provided in this Agreement. STE reserves the right to elect not to perform additional services. If STE determines in its sole discretion that additional services are necessary to avoid a delay in the completion of the Project, then STE shall perform those services without waiting for instructions from CLIENT and shall be entitled to an increase in compensation for such services at the standard hourly billing rate charged for those employees performing the services, plus reimbursable expenses, if any.

c. STE's personnel may be present, either full or part time, to provide observation and field testing of specific parts of the Project in accordance with the Scope of Work set forth herein. STE will be responsible for supervision and site safety measures for its own employees but shall not be responsible for the supervision or health and safety precautions for any other parties, including CLIENT, CLIENT's contractors, or any other parties present at the site. Should a contractor be involved in the Project, STE's work does not include supervision or direction of the work of the contractor, its employees or agents.

d. Title to all samples and waste materials remains with Client, and at no time shall STE take title to the above material. Portions of samples are consumed by testing. Unless otherwise stated in the Scope of Work, the remaining residue of all test samples from the Project tested by STE shall remain the property of CLIENT and shall be handled by STE as follows: At CLIENT's written request, STE will maintain preservable test samples and specimens or the residue therefrom for 30 days after the report date free of storage charges. After the initial 30 days, upon written request, STE will retain test specimens or samples for a mutually acceptable storage charge and time period. If CLIENT does not make a written request to preserve samples and specimens, then STE may dispose of the samples or specimens or return them to CLIENT at CLIENT's expenses. If it is determined that no test(s) are necessary on the sample(s), or determining that a sample originally thought to be NON-HAZARDOUS is in fact HAZARDOUS, then STE will return the samples to CLIENT.

e. Field tests or boring locations described in STE's report or shown on sketches are based on specific information furnished by others and/or estimates made in the field by STE personnel. Such dimensions, depths or elevations are approximations and are not warranted to be exact.

f. STE shall maintain during the performance of the services by it under this agreement if reasonably available, (i) statutory Workers' Compensation liability coverage, (ii) Comprehensive General Liability

insurance coverage, and (iii) automobile liability coverage in policy amounts of not less than One Million Dollars (\$1,000,000.00). STE represents that it currently has professional liability coverage in the aggregate limit of at least One Million Dollars (\$1,000,000.00) and agrees to attempt to maintain such coverage for the period of performance of the Scope of Work and for a period of one (1) year following completion of those services, if such coverage is reasonably available at commercially affordable premiums. For the purpose of this Agreement, "reasonably available" and "commercially affordable"

shall mean that more than half the consultants practicing the same professional discipline in the state where the project is located are able to obtain such coverage

ARTICLE 2. THE CLIENT'S RESPONSIBILITIES

a. CLIENT has obtained access and right of entry to the Project and hereby grants free access and right of entry to the Project to STE, its employees, agents, and subcontractors, for the purpose of performing all acts, studies and research, including without limitation the obtaining of samples and the performance of tests and evaluations, pursuant to the Scope of Work. CLIENT understands that subsurface conditions throughout the site may vary from those apparent at the discrete sampling locations or other sources of subsurface data and that site conditions may change from time to time. CLIENT agrees that STE's proposed sampling locations are approximate and that STE may depart a reasonable distance from those locations. CLIENT accepts that, despite STE's use of reasonable precautions to reduce damage, invasive services such as drilling, or sampling may damage or alter the site and that site restoration is not provided by STE unless specifically included in the Scope of Work.

b. CLIENT represents that CLIENT possesses all necessary permits and licenses required for the performance of the services to be provided by STE under this Agreement and for the continuation of CLIENT and STE's activities at the Project.

c. CLIENT will furnish or cause to be furnished such reports, data, studies, plans, specifications, documents and other information deemed necessary by STE for the proper performance of STE's services pursuant to this Agreement. STE may rely upon documents provided by the CLIENT in performing the services required under this Agreement; however, CLIENT-provided documents will remain the property of the CLIENT. All documents, including, but not limited to, drawings, specifications, reports, boring logs, field notes, laboratory test data, calculations and estimates prepared by STE as part of the service, pursuant to this Agreement, shall remain STE's exclusive property. CLIENT agrees that all documents of any nature furnished to CLIENT or CLIENT's agents or designees, if not paid for, will be returned upon demand and will not be used by CLIENT for any purpose whatsoever. CLIENT further agrees that under no circumstances shall any documents produced by STE pursuant to this Agreement be used at any location or for any project not expressly provided for in this Agreement without STE's prior written consent. If CLIENT uses all or any portion of STE's work on another project without STE's written permission, CLIENT shall defend, indemnify and hold STE harmless from any and all claims arising from such unauthorized use.

d. CLIENT shall be responsible for identifying, locating, and marking, and/or shall arrange for identifying, locating and marking of private subterranean structures or utilities and subsurface structures. STE shall take reasonable precautions to avoid damage or injury to such utilities and structures. STE shall take reasonable precautions to avoid damage or injury to subterranean structures or utilities which were identified and marked by CLIENT or a one-call provider. STE shall not be responsible for any damage, liability or costs, or for any property damage, injury or economic loss arising or allegedly arising from damages to utilities or subterranean structures that were not identified, located, or marked by CLIENT or the one-call provider, or that were not properly communicated to STE; or that were improperly marked on documentation, plans, drawing or utility clearance materials provided to STE. STE shall not be responsible for any damage, liability or costs, or for any property damage, injury or economic loss arising or allegedly arising from damages to utilities or subterranean structures caused by subsurface penetrations in locations approved by CLIENT and/or the one-call provider, except for damages caused by the negligence of STE in the use of such information. CLIENT waives any claim against STE and agrees to defend, indemnify, and hold STE and its officers, directors, employees, shareholders, agents, and subcontractors harmless from any claim or liability for injury or loss, including costs of defense, arising from damage done to subterranean structures and utilities not identified or not accurately located. In addition, CLIENT agrees to compensate STE for any time spent or expenses

incurred by STE in defense of any such claim, with compensation to be based upon STE's prevailing fee schedule and expense reimbursement policy.

e. CLIENT shall provide, or cause to be provided, to STE all documents and information known or available to CLIENT that relate to the identity, location, quantity, nature, or characteristic of any Hazardous Material (i.e., hazardous waste under RCRA, hazardous substance under CERCLA, hazardous constituent, toxic material, radioactive material, contaminated material, or petroleum product) on, under, or near the site, and shall immediately transmit new, updated, or revised information as it becomes available.

f. Unless otherwise provided herein, CLIENT shall assume all responsibility for, including control and removal of, and protect, defend and save harmless STE from and against all claims, demands and causes of action of every kind and character arising from pollution or contamination (including naturally occurring radioactive material) which originates above the surface of the land or water from spills of fuels, lubricants, motor oils, pipe dope, paints, solvents, ballast, bilge and garbage, except unavoidable pollution from reserve pits, wholly in STE's possession and control and directly associated with STE's equipment. In the event a third party commits an act or omission which results in pollution or contamination for which either STE or CLIENT, for whom such party is performing work, is held to be legally liable, the responsibility therefore shall be considered as between STE and CLIENT, to be the same as if the party for whom the work was performed had performed the same and all of the obligations regarding defense, indemnity, holding harmless and limitation of responsibility and liability, as set forth herein, shall be specifically applied.

g. CLIENT shall release STE of any liability for, and shall defend and indemnify STE against, any and all claims, liability and expense resulting from operations under this Agreement on account of any alleged injury to, destruction of, or loss or impairment of any property right in or to oil, gas, water or other mineral substances, if at the time of the alleged act or omission causing injury, destruction, loss or impairment, said substance had not been reduced to physical possession above the surface of the earth. CLIENT shall release STE of any liability for, and shall defend and indemnify STE against, any and all claims, liability and expense resulting from operations under this Agreement on account of any alleged loss or damage to any formation, strata, or reservoir beneath the surface of the earth.

h. CLIENT agrees to pay STE's invoices upon receipt. STE may suspend work for lack of timely payment. Should payment not be received within 30 days of invoice date, the CLIENT agrees to also pay a service charge of 1.5 percent per month or 18 percent per annum and the costs of collection, including reasonable attorneys' fees. If 1.5 percent per month exceeds the maximum allowed by law, the service charge of 1.5 percent will automatically be reduced to the maximum legally allowed. If CLIENT has any objection to an STE invoice, CLIENT must so advise STE in writing giving the reasons for such objections within 14 days of receipt by the CLIENT of such invoice, and shall promptly pay the undisputed portion. Payment shall constitute final approval of all aspects of the corresponding Work performed to date by STE. If the Project is terminated in whole or in part, then STE shall be paid by the CLIENT for services performed prior to STE's receipt of written notice of such termination, including STE's reimbursable expenses and actual and reasonable shut-down costs.

ARTICLE 3. PUBLIC LIABILITY: Except for claims by employees of STE for Workers' Compensation, in the event any third party brings suit or claim for damages against STE alleging exposure to or damage from material, elements or constituents at the Project before, during, or after the services are performed by STE or any of its agents pursuant to this Agreement, which is alleged to have resulted in or caused disease or any adverse health condition to any third party or resulted in costs for remedial action, uninhabitability of any property, or any other property damage or loss of any kind, then CLIENT agrees at its sole cost to defend STE in any such suit or claim and to indemnify and hold harmless STE and its officers, directors, employees and shareholders from and against any loss, damages, liabilities and cost (including, but not limited to, reasonable attorney fees) and to pay on behalf of STE and its officers, directors, employees and shareholders any judgment entered against STE and its officers, directors, employees and shareholders, including any interest thereon. CLIENT will have the right to investigate, negotiate and settle, with STE's written concurrence, any such suit or claim, and STE will cooperate in the defense of any such suit or claim.

ARTICLE 4. GENERAL CONDITIONS, NOTIFICATION, LIMITATION OF LIABILITY AND INDEMNIFICATION

a. Except as otherwise provided in this Agreement, STE and CLIENT shall defend, indemnify, and hold harmless the other, their agents, and

employees, from and against legal liability for all claims, losses, damages, and expenses to the extent such claims, losses, damages, or expenses are caused by their negligent acts, errors, or omissions. In the event such claims, losses, damages, or expenses are caused by the joint or concurrent negligence of STE and CLIENT, they shall be borne by each party in proportion to its own negligence under comparative fault principles.

NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR: LOSS OF PROFITS OR REVENUE; LOSS OF USE OR OPPORTUNITY; LOSS OF GOOD WILL; COST OF SUBSTITUTE FACILITIES, GOODS OR SERVICES; COST OF CAPITAL; OR FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, PUNITIVE, OR EXEMPLARY DAMAGES.

b. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither CLIENT nor STE, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any delay damages, any punitive damages or any incidental, indirect or consequential damages arising out of or connected in any way to the Project(s) or to this Agreement. This mutual waiver of delay damages and consequential damages shall include, but is not limited to, disruptions, accelerations, inefficiencies, increased construction costs, increased home office overhead, loss of use, loss of profit, loss of business, loss of income, loss of reputation or any other delay or consequential damages that either party may have incurred from any cause of action including, but not limited to, negligence, statutory violations, misrepresentation, fraud, deceptive trade practices, breach of fiduciary duties, strict liability, breach of contract and/or breach of strict or implied warranty. Both the CLIENT and STE shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in the Project(s).

c. To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of STE and STE's officers, directors, employees, shareholders, agents, and subcontractors, and any of them, to the CLIENT, for any and all claims, losses, costs, or damages, including attorney's fees and costs and expert witness fees and costs of any nature whatsoever or claims expenses resulting from or in any way related to the Project or this Agreement from any cause or causes shall not exceed the total compensation received by STE under this Agreement. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law, except that this limitation does not apply to the extent damages are paid under STE's Comprehensive General Liability Insurance or automobile liability insurance.

d. The CLIENT further agrees, to the fullest extent permitted by law, to limit the liability of STE and STE's officers, directors, employees, shareholders, agents, and subcontractors, and any of them, to all construction contractors and subcontractors on the Project for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorney's fees and costs and expert witness fees and costs, so that the total aggregate liability of STE and STE's subcontractors to all those named shall not exceed STE's total fee for services rendered on this Project. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising unless otherwise prohibited by law, except that this limitation does not apply to the extent damages are paid under STE's Comprehensive General Liability Insurance or automobile liability insurance.

e. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither party's individual employees, principals, officers or directors shall be subject to personal liability or damages arising out of or connected in any way to the Project or to this Agreement.

f. This Agreement may be terminated by either party upon giving the other party not less than seven (7) calendar days written notice or by mutual agreement. The receiving party shall have that seven (7) calendar day period in which to cure the default. If this Agreement is terminated by either party, STE shall be paid in full for all services performed through the termination date, in addition to STE's reimbursable expenses and reasonable shut-down costs incurred.

g. Neither CLIENT nor STE may delegate, assign, sublet or transfer its duties or interest in this Agreement without the prior written consent of the other party, except STE may retain the services of subcontractors to assist STE in performance of its duties and obligations hereunder.

ARTICLE 5. UNFORESEEN OCCURRENCES: If during the performance of services by STE under this Agreement, any unforeseen hazardous substances or petroleum products or constituents thereof or other

unforeseen conditions or occurrences are encountered which in STE's sole judgment significantly affect or may affect the services, the risk involved in providing the services, or the

Scope of Work, STE and CLIENT will mutually agree to revise the Agreement to include consideration of the previously unforeseen conditions or occurrences, such revision to be in writing and signed by the parties and incorporated herein; or STE may, at its option, terminate this Agreement effective on the date specified by STE in writing.

ARTICLE 6. LITIGATION ASSISTANCE: Unless expressly set forth in the Scope of Work, the Scope of Work does not include costs of STE for required or requested assistance to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CLIENT. All such services required or requested of STE, except for suits or claims between the parties to this Agreement, will be reimbursed by the CLIENT according to STE's normal rates and charges for such services and payment for such services shall be in accordance with this Agreement.

ARTICLE 7. FORCE MAJEURE: STE is not responsible for damages or delay in performance caused by acts of God, strikes, lockouts, accidents or other events beyond the reasonable control of STE.

ARTICLE 8. NO THIRD-PARTY BENEFICIARIES: This Agreement and STE's performance of the Scope of Work are for STE's and CLIENT's sole benefit and exclusive use with no third parties intended. Reliance upon STE's performance of the Scope of Work and any work product is limited to CLIENT and is not intended for third parties. For a time period limited to three months following STE's completion of the Scope of Work and submittal of any work product in the form of a report, STE will issue additional reports addressed to, and for the use of, other parties designated by CLIENT, contingent upon each such party signing and returning STE's reliance agreement and STE receiving the agreed-upon fee for each additional report so issued.

ARTICLE 9. SURVIVAL: All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating the responsibility or liability between CLIENT and STE shall survive the completion of the services and the termination of this Agreement.

ARTICLE 10. INTEGRATION: This Agreement and the documents attached hereto, and which are incorporated herein constitute the entire agreement between the parties and cannot be changed or amended except by a written instrument signed by all parties hereto. In the event CLIENT issues a purchase order or similar form to authorize or otherwise administer payment for Work under this Agreement, the use of such form shall be for convenience purposes only and any additional or conflicting terms it contains are stricken.

ARTICLE 11. GOVERNING LAW AND VENUE: This Agreement shall be governed in all respects by the laws of the State of Oklahoma. Each of the parties hereto shall only enforce a claim arising out of this Agreement in the appropriate state or federal court having subject and personal jurisdiction located in Oklahoma City, Oklahoma. For purposes of any action or proceeding instituted with respect to any such claim, except those for which CLIENT must first pursue Dispute Resolution as provided herein, all of the parties hereto irrevocably submit to the jurisdiction of such courts and irrevocably consent to service of process out of such courts by mailing a copy of the summons and complaint, by certified mail, return receipt

requested, postage prepaid to each party at the address provided for such party in this Agreement.

ARTICLE 12. DISPUTE RESOLUTION: CLIENT shall not be entitled to assert any claim, including but not limited to, professional negligence, negligence, breach of contract, misconduct, error, omission, fraud, or misrepresentation ("Claim") against STE unless and until CLIENT has first obtained a written opinion from an independent, registered professional of the relevant discipline ("Expert") that STE has violated the standard of care applicable to STE's performance of the Scope of Work. The opinion must contain: (a) the name and license number of the Expert; (b) the qualifications of the Expert, including a list of all publications authored in the previous 10 years and a list of all cases in which the Expert testified within the previous 4 years; (c) a statement by the Expert setting forth the factual basis for the Claim; (d) a statement by the Expert of each and every act, error, or omission that the Expert contends supports the Claim or any alleged violation of any applicable standard of care; (e) a statement by the Expert of all opinions the Expert holds regarding the Claim or any alleged violation of any applicable standard of care; (f) a list of every document related to the Project reviewed by the Expert; and (g) a list of every individual who provided Expert with any information regarding the Project. The opinion is a condition precedent to the right of CLIENT to assert any Claim in any litigation or arbitration and CLIENT's failure to timely provide an opinion to STE will be grounds for automatic dismissal of the Claim with prejudice. CLIENT shall furnish this opinion to STE and the parties shall endeavor to resolve the dispute within thirty (30) days, after which CLIENT may pursue its remedies at law. The prevailing party in any litigation relating to a Claim shall be entitled to recover from the other party those reasonable attorney fees, costs and expenses incurred by the prevailing party in connection with the Claim.

ARTICLE 13. INDEPENDENT CONTRACTOR: In performing services under this Agreement, STE shall operate as, and have the status of, an independent contractor and shall not act as or be an employee of the CLIENT.

ARTICLE 14. SUBCONSULTANTS: STE may utilize as necessary in its discretion subconsultants or other subcontractors. STE will be paid for all services rendered by its subconsultants and other subcontractors as set forth in this Agreement.

ARTICLE 15. NOTICE: Notices shall be sufficiently given if sent by certified mail, postage prepaid, to each of the parties at the address noted for such party in this Agreement, or such other address as shall be furnished in writing by either party.

ARTICLE 16. ENTIRE AGREEMENT: This Agreement supersedes all prior communications, understandings and agreements, whether oral or written. Amendments to this Agreement must be in writing and signed by the CLIENT and STE.

Regarding: Revised Proposal for Subsurface Exploration
Newcastle Elementary School Addition
Newcastle, Oklahoma

Dear Mark:

Standard Testing & Engineering, LLC (STE) is pleased to provide this proposal for geotechnical exploration services for the Newcastle Elementary School Addition, located in Newcastle, Oklahoma.

Scope of Work

This geotechnical study is to evaluate the soil's and/ or rock's strength conditions, check the soil plasticity characteristics, recommend subgrade preparation, and pavement sections for the proposed project. Based in the information provided to us, it is our understanding that the project consists of the following:

- Project Address:
- New Road/Pavement

Field Exploration

A total of **four (4)** borings are requested to be drilled to the depth of **five (5)** feet using truck mounted CME 55 within the project's footprint. Samples will be obtained from borings at regular intervals and at soil layer interfaces where material characteristics change. A minimum of three samples will be obtained within the top five (5) feet and at 5-foot intervals thereafter using the following methods:

- Grab samples will also be collected

Soil samples will be sealed in the field to prevent disturbance and moisture changes and transported to the laboratory for testing. All borings will be plugged in accordance with Oklahoma Water Resource Board (OWRB) regulations. The ground surface at the borings' locations will be surveyed by rod and transit methods in relation to a convenient fixed object or a benchmark provided by the client. Groundwater, if encountered, will be measured during, and at the completion of drilling operations. Standard Testing will call OKIE to locate utilities

in public easements, the owner is responsible for locating private utilities at the site. Additionally, Dynamic Cone Penetrometer (DCP) testing will also be performed in order to evaluate the existing subgrade condition.

Minor damage at the site, such as rutting in landscaping and cracking in light duty concrete or asphalt paving (i.e. sidewalks and driveways) may occur during the field exploration due to the size and weight of the drilling equipment. Any remediation or repair of damages resulting from the use of such equipment in order to perform the field exploration is not part of this scope and will not be the responsibility of Standard Testing.

Laboratory Testing

Laboratory tests shall be assigned and performed to classify soils and obtain geotechnical physical characteristics for soils and rock such as strength, compressibility and compaction characteristics. Perform laboratory testing consistent in quantity and quality with local geotechnical engineering practice to provide the information for the foundation recommendations required in the report. We will perform following laboratory tests:

- Soil Moisture Content Test
- Atterberg Limits Test (PI)
- Sieve Analysis

Reporting, Scheduling, Authorization and Cost

The drilling work can be scheduled within **five (5) to seven (7)** working days after receiving notice to proceed and obtaining clearance of utilities at the site. Report will be issued within **seven (7)** working days after completion of laboratory testing.

A report will be generated including the following:

- Vicinity map and boring location plan
- Computer generated boring logs with soil stratification based on visual soil classification, and laboratory test results
- Boring and site elevations
- Laboratory test results summary
- Summary of field testing and drilling methods
- Narrative of difficulties and access obstructions
- Subsurface soil conditions
- Earthworks recommendations including engineered fill requirements
- Compaction requirements
- Drainage system recommendations
- Ground water levels observed during and at the completion of drilling, and anticipated seasonal high water level
- Asphalt concrete and Portland cement concrete pavement section recommendation for light and heavy-duty traffic
- Other construction considerations

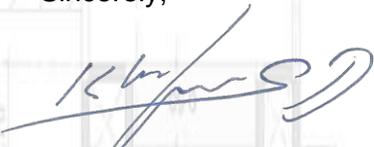

The cost estimate for geotechnical services, including borings, laboratory testing, and reporting as described is presented in the following table:

Description	Cost (\$)	Type
Geotechnical Exploration	\$2,650.00	Lump Sum

The geotechnical exploration fee includes up to 3 hours of engineering support in the design phase after the geotechnical report is submitted. Additional services, if required and/or requested, will be provided at our standard unit rates.

We appreciate the opportunity to provide the budgetary proposal. To authorize this work, please return a completed copy of the attached "Agreement for services" form by e-mail to rkhalife@stantest.com. If there are any questions concerning this proposal or if further information is required, please contact me at 405.528.0541 or 405.395.8040.

Roy Khalife, PE

STANDARD TESTING AND ENGINEERING COMPANY

STANDARD TERMS AND CONDITIONS

Standard Testing and Engineering Company, herein "STE", as an independent consultant, agrees to provide to the "CLIENT" the services described in the Scope of Work for the Project provided in Part I or Exhibit I of this Agreement, pursuant to the following Standard Terms and Conditions which constitute a part of this Agreement:

ARTICLE 1. SERVICES BY STE

a. STE will perform the services to be provided by STE pursuant to this Agreement in accordance with generally accepted engineering principles and practices of performance by professionals of ordinary skill existing at the time of performance under similar conditions for the locality where the services are to be performed. The CLIENT hereby acknowledges that the Project involves certain inherent risk factors (such as limitations on laboratory analytical methods, variations in subsurface conditions and the like) which may adversely affect the results of the Project, even though the services are performed with such care and skill. Data, interpretations and recommendations by STE will be based solely on information available to STE. STE will not be responsible for any other party's use or interpretations of information reported by STE and/or the recommendation(s) of any other party based on such information. STE's services do not include the investigation or detection of, nor do the recommendations in STE's reports address the presence or prevention of, biological pollutants such as mold, fungi, bacteria, viruses; or occupant safety issues, such as vulnerability to natural disasters, terrorism, or violence. If computer software is to be provided to the CLIENT as part of the services, CLIENT will execute a separate software license agreement. **STE MAKES NO WARRANTIES OR GUARANTEES EXPRESS OR IMPLIED, RELATING TO STE'S SERVICES AND STE SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPOSED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

b. The Scope of Work cannot be changed, altered or amended except by written agreement signed by both parties. If CLIENT and STE agree in writing for STE to perform additional services, then STE will be entitled to an increase in compensation at rates provided in this Agreement. STE reserves the right to elect not to perform additional services. If STE determines in its sole discretion that additional services are necessary to avoid a delay in the completion of the Project, then STE shall perform those services without waiting for instructions from CLIENT and shall be entitled to an increase in compensation for such services at the standard hourly billing rate charged for those employees performing the services, plus reimbursable expenses, if any.

c. STE's personnel may be present, either full or part time, to provide observation and field testing of specific parts of the Project in accordance with the Scope of Work set forth herein. STE will be responsible for supervision and site safety measures for its own employees but shall not be responsible for the supervision or health and safety precautions for any other parties, including CLIENT, CLIENT's contractors, or any other parties present at the site. Should a contractor be involved in the Project, STE's work does not include supervision or direction of the work of the contractor, its employees or agents.

d. Title to all samples and waste materials remains with Client, and at no time shall STE take title to the above material. Portions of samples are consumed by testing. Unless otherwise stated in the Scope of Work, the remaining residue of all test samples from the Project tested by STE shall remain the property of CLIENT and shall be handled by STE as follows: At CLIENT's written request, STE will maintain preservable test samples and specimens or the residue therefrom for 30 days after the report date free of storage charges. After the initial 30 days, upon written request, STE will retain test specimens or samples for a mutually acceptable storage charge and time period. If CLIENT does not make a written request to preserve samples and specimens, then STE may dispose of the samples or specimens or return them to CLIENT at CLIENT's expenses. If it is determined that no test(s) are necessary on the sample(s), or determining that a sample originally thought to be NON-HAZARDOUS is in fact HAZARDOUS, then STE will return the samples to CLIENT.

e. Field tests or boring locations described in STE's report or shown on sketches are based on specific information furnished by others and/or estimates made in the field by STE personnel. Such dimensions, depths or elevations are approximations and are not warranted to be exact.

f. STE shall maintain during the performance of the services by it under this agreement if reasonably available, (i) statutory Workers' Compensation liability coverage, (ii) Comprehensive General Liability

insurance coverage, and (iii) automobile liability coverage in policy amounts of not less than One Million Dollars (\$1,000,000.00). STE represents that it currently has professional liability coverage in the aggregate limit of at least One Million Dollars (\$1,000,000.00) and agrees to attempt to maintain such coverage for the period of performance of the Scope of Work and for a period of one (1) year following completion of those services, if such coverage is reasonably available at commercially affordable premiums. For the purpose of this Agreement, "reasonably available" and "commercially affordable"

shall mean that more than half the consultants practicing the same professional discipline in the state where the project is located are able to obtain such coverage

ARTICLE 2. THE CLIENT'S RESPONSIBILITIES

a. CLIENT has obtained access and right of entry to the Project and hereby grants free access and right of entry to the Project to STE, its employees, agents, and subcontractors, for the purpose of performing all acts, studies and research, including without limitation the obtaining of samples and the performance of tests and evaluations, pursuant to the Scope of Work. CLIENT understands that subsurface conditions throughout the site may vary from those apparent at the discrete sampling locations or other sources of subsurface data and that site conditions may change from time to time. CLIENT agrees that STE's proposed sampling locations are approximate and that STE may depart a reasonable distance from those locations. CLIENT accepts that, despite STE's use of reasonable precautions to reduce damage, invasive services such as drilling, or sampling may damage or alter the site and that site restoration is not provided by STE unless specifically included in the Scope of Work.

b. CLIENT represents that CLIENT possesses all necessary permits and licenses required for the performance of the services to be provided by STE under this Agreement and for the continuation of CLIENT and STE's activities at the Project.

c. CLIENT will furnish or cause to be furnished such reports, data, studies, plans, specifications, documents and other information deemed necessary by STE for the proper performance of STE's services pursuant to this Agreement. STE may rely upon documents provided by the CLIENT in performing the services required under this Agreement; however, CLIENT-provided documents will remain the property of the CLIENT. All documents, including, but not limited to, drawings, specifications, reports, boring logs, field notes, laboratory test data, calculations and estimates prepared by STE as part of the service, pursuant to this Agreement, shall remain STE's exclusive property. CLIENT agrees that all documents of any nature furnished to CLIENT or CLIENT's agents or designees, if not paid for, will be returned upon demand and will not be used by CLIENT for any purpose whatsoever. CLIENT further agrees that under no circumstances shall any documents produced by STE pursuant to this Agreement be used at any location or for any project not expressly provided for in this Agreement without STE's prior written consent. If CLIENT uses all or any portion of STE's work on another project without STE's written permission, CLIENT shall defend, indemnify and hold STE harmless from any and all claims arising from such unauthorized use.

d. CLIENT shall be responsible for identifying, locating, and marking, and/or shall arrange for identifying, locating and marking of private subterranean structures or utilities and subsurface structures. STE shall take reasonable precautions to avoid damage or injury to such utilities and structures. STE shall take reasonable precautions to avoid damage or injury to subterranean structures or utilities which were identified and marked by CLIENT or a one-call provider. STE shall not be responsible for any damage, liability or costs, or for any property damage, injury or economic loss arising or allegedly arising from damages to utilities or subterranean structures that were not identified, located, or marked by CLIENT or the one-call provider, or that were not properly communicated to STE; or that were improperly marked on documentation, plans, drawing or utility clearance materials provided to STE. STE shall not be responsible for any damage, liability or costs, or for any property damage, injury or economic loss arising or allegedly arising from damages to utilities or subterranean structures caused by subsurface penetrations in locations approved by CLIENT and/or the one-call provider, except for damages caused by the negligence of STE in the use of such information. CLIENT waives any claim against STE and agrees to defend, indemnify, and hold STE and its officers, directors, employees, shareholders, agents, and subcontractors harmless from any claim or liability for injury or loss, including costs of defense, arising from damage done to subterranean structures and utilities not identified or not accurately located. In addition, CLIENT agrees to compensate STE for any time spent or expenses

incurred by STE in defense of any such claim, with compensation to be based upon STE's prevailing fee schedule and expense reimbursement policy.

e. CLIENT shall provide, or cause to be provided, to STE all documents and information known or available to CLIENT that relate to the identity, location, quantity, nature, or characteristic of any Hazardous Material (i.e., hazardous waste under RCRA, hazardous substance under CERCLA, hazardous constituent, toxic material, radioactive material, contaminated material, or petroleum product) on, under, or near the site, and shall immediately transmit new, updated, or revised information as it becomes available.

f. Unless otherwise provided herein, CLIENT shall assume all responsibility for, including control and removal of, and protect, defend and save harmless STE from and against all claims, demands and causes of action of every kind and character arising from pollution or contamination (including naturally occurring radioactive material) which originates above the surface of the land or water from spills of fuels, lubricants, motor oils, pipe dope, paints, solvents, ballast, bilge and garbage, except unavoidable pollution from reserve pits, wholly in STE's possession and control and directly associated with STE's equipment. In the event a third party commits an act or omission which results in pollution or contamination for which either STE or CLIENT, for whom such party is performing work, is held to be legally liable, the responsibility therefore shall be considered as between STE and CLIENT, to be the same as if the party for whom the work was performed had performed the same and all of the obligations regarding defense, indemnity, holding harmless and limitation of responsibility and liability, as set forth herein, shall be specifically applied.

g. CLIENT shall release STE of any liability for, and shall defend and indemnify STE against, any and all claims, liability and expense resulting from operations under this Agreement on account of any alleged injury to, destruction of, or loss or impairment of any property right in or to oil, gas, water or other mineral substances, if at the time of the alleged act or omission causing injury, destruction, loss or impairment, said substance had not been reduced to physical possession above the surface of the earth. CLIENT shall release STE of any liability for, and shall defend and indemnify STE against, any and all claims, liability and expense resulting from operations under this Agreement on account of any alleged loss or damage to any formation, strata, or reservoir beneath the surface of the earth.

h. CLIENT agrees to pay STE's invoices upon receipt. STE may suspend work for lack of timely payment. Should payment not be received within 30 days of invoice date, the CLIENT agrees to also pay a service charge of 1.5 percent per month or 18 percent per annum and the costs of collection, including reasonable attorneys' fees. If 1.5 percent per month exceeds the maximum allowed by law, the service charge of 1.5 percent will automatically be reduced to the maximum legally allowed. If CLIENT has any objection to an STE invoice, CLIENT must so advise STE in writing giving the reasons for such objections within 14 days of receipt by the CLIENT of such invoice, and shall promptly pay the undisputed portion. Payment shall constitute final approval of all aspects of the corresponding Work performed to date by STE. If the Project is terminated in whole or in part, then STE shall be paid by the CLIENT for services performed prior to STE's receipt of written notice of such termination, including STE's reimbursable expenses and actual and reasonable shut-down costs.

ARTICLE 3. PUBLIC LIABILITY: Except for claims by employees of STE for Workers' Compensation, in the event any third party brings suit or claim for damages against STE alleging exposure to or damage from material, elements or constituents at the Project before, during, or after the services are performed by STE or any of its agents pursuant to this Agreement, which is alleged to have resulted in or caused disease or any adverse health condition to any third party or resulted in costs for remedial action, uninhabitability of any property, or any other property damage or loss of any kind, then CLIENT agrees at its sole cost to defend STE in any such suit or claim and to indemnify and hold harmless STE and its officers, directors, employees and shareholders from and against any loss, damages, liabilities and cost (including, but not limited to, reasonable attorney fees) and to pay on behalf of STE and its officers, directors, employees and shareholders any judgment entered against STE and its officers, directors, employees and shareholders, including any interest thereon. CLIENT will have the right to investigate, negotiate and settle, with STE's written concurrence, any such suit or claim, and STE will cooperate in the defense of any such suit or claim.

ARTICLE 4. GENERAL CONDITIONS, NOTIFICATION, LIMITATION OF LIABILITY AND INDEMNIFICATION

a. Except as otherwise provided in this Agreement, STE and CLIENT shall defend, indemnify, and hold harmless the other, their agents, and

employees, from and against legal liability for all claims, losses, damages, and expenses to the extent such claims, losses, damages, or expenses are caused by their negligent acts, errors, or omissions. In the event such claims, losses, damages, or expenses are caused by the joint or concurrent negligence of STE and CLIENT, they shall be borne by each party in proportion to its own negligence under comparative fault principles.

NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR: LOSS OF PROFITS OR REVENUE; LOSS OF USE OR OPPORTUNITY; LOSS OF GOOD WILL; COST OF SUBSTITUTE FACILITIES, GOODS OR SERVICES; COST OF CAPITAL; OR FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, PUNITIVE, OR EXEMPLARY DAMAGES.

b. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither CLIENT nor STE, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any delay damages, any punitive damages or any incidental, indirect or consequential damages arising out of or connected in any way to the Project(s) or to this Agreement. This mutual waiver of delay damages and consequential damages shall include, but is not limited to, disruptions, accelerations, inefficiencies, increased construction costs, increased home office overhead, loss of use, loss of profit, loss of business, loss of income, loss of reputation or any other delay or consequential damages that either party may have incurred from any cause of action including, but not limited to, negligence, statutory violations, misrepresentation, fraud, deceptive trade practices, breach of fiduciary duties, strict liability, breach of contract and/or breach of strict or implied warranty. Both the CLIENT and STE shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in the Project(s).

c. To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of STE and STE's officers, directors, employees, shareholders, agents, and subcontractors, and any of them, to the CLIENT, for any and all claims, losses, costs, or damages, including attorney's fees and costs and expert witness fees and costs of any nature whatsoever or claims expenses resulting from or in any way related to the Project or this Agreement from any cause or causes shall not exceed the total compensation received by STE under this Agreement. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law, except that this limitation does not apply to the extent damages are paid under STE's Comprehensive General Liability Insurance or automobile liability insurance.

d. The CLIENT further agrees, to the fullest extent permitted by law, to limit the liability of STE and STE's officers, directors, employees, shareholders, agents, and subcontractors, and any of them, to all construction contractors and subcontractors on the Project for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorney's fees and costs and expert witness fees and costs, so that the total aggregate liability of STE and STE's subcontractors to all those named shall not exceed STE's total fee for services rendered on this Project. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising unless otherwise prohibited by law, except that this limitation does not apply to the extent damages are paid under STE's Comprehensive General Liability Insurance or automobile liability insurance.

e. Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither party's individual employees, principals, officers or directors shall be subject to personal liability or damages arising out of or connected in any way to the Project or to this Agreement.

f. This Agreement may be terminated by either party upon giving the other party not less than seven (7) calendar days written notice or by mutual agreement. The receiving party shall have that seven (7) calendar day period in which to cure the default. If this Agreement is terminated by either party, STE shall be paid in full for all services performed through the termination date, in addition to STE's reimbursable expenses and reasonable shut-down costs incurred.

g. Neither CLIENT nor STE may delegate, assign, sublet or transfer its duties or interest in this Agreement without the prior written consent of the other party, except STE may retain the services of subcontractors to assist STE in performance of its duties and obligations hereunder.

ARTICLE 5. UNFORESEEN OCCURRENCES: If during the performance of services by STE under this Agreement, any unforeseen hazardous substances or petroleum products or constituents thereof or other

unforeseen conditions or occurrences are encountered which in STE's sole judgment significantly affect or may affect the services, the risk involved in providing the services, or the Scope of Work, STE and CLIENT will mutually agree to revise the Agreement to include consideration of the previously unforeseen conditions or occurrences, such revision to be in writing and signed by the parties and incorporated herein; or STE may, at its option, terminate this Agreement effective on the date specified by STE in writing.

ARTICLE 6. LITIGATION ASSISTANCE: Unless expressly set forth in the Scope of Work, the Scope of Work does not include costs of STE for required or requested assistance to support, prepare, document, bring, defend, or assist in litigation undertaken or defended by the CLIENT. All such services required or requested of STE, except for suits or claims between the parties to this Agreement, will be reimbursed by the CLIENT according to STE's normal rates and charges for such services and payment for such services shall be in accordance with this Agreement.

ARTICLE 7. FORCE MAJEURE: STE is not responsible for damages or delay in performance caused by acts of God, strikes, lockouts, accidents or other events beyond the reasonable control of STE.

ARTICLE 8. NO THIRD-PARTY BENEFICIARIES: This Agreement and STE's performance of the Scope of Work are for STE's and CLIENT's sole benefit and exclusive use with no third parties intended. Reliance upon STE's performance of the Scope of Work and any work product is limited to CLIENT and is not intended for third parties. For a time period limited to three months following STE's completion of the Scope of Work and submittal of any work product in the form of a report, STE will issue additional reports addressed to, and for the use of, other parties designated by CLIENT, contingent upon each such party signing and returning STE's reliance agreement and STE receiving the agreed-upon fee for each additional report so issued.

ARTICLE 9. SURVIVAL: All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating the responsibility or liability between CLIENT and STE shall survive the completion of the services and the termination of this Agreement.

ARTICLE 10. INTEGRATION: This Agreement and the documents attached hereto, and which are incorporated herein constitute the entire agreement between the parties and cannot be changed or amended except by a written instrument signed by all parties hereto. In the event CLIENT issues a purchase order or similar form to authorize or otherwise administer payment for Work under this Agreement, the use of such form shall be for convenience purposes only and any additional or conflicting terms it contains are stricken.

ARTICLE 11. GOVERNING LAW AND VENUE: This Agreement shall be governed in all respects by the laws of the State of Oklahoma. Each of the parties hereto shall only enforce a claim arising out of this Agreement in the appropriate state or federal court having subject and personal jurisdiction located in Oklahoma City, Oklahoma. For purposes of any action or proceeding instituted with respect to any such claim, except those for which CLIENT must first pursue Dispute Resolution as provided herein, all of the parties hereto irrevocably submit to the jurisdiction of such courts and irrevocably consent to service of process out of such courts by mailing a copy of the summons and complaint, by certified mail, return receipt

requested, postage prepaid to each party at the address provided for such party in this Agreement.

ARTICLE 12. DISPUTE RESOLUTION: CLIENT shall not be entitled to assert any claim, including but not limited to, professional negligence, negligence, breach of contract, misconduct, error, omission, fraud, or misrepresentation ("Claim") against STE unless and until CLIENT has first obtained a written opinion from an independent, registered professional of the relevant discipline ("Expert") that STE has violated the standard of care applicable to STE's performance of the Scope of Work. The opinion must contain: (a) the name and license number of the Expert; (b) the qualifications of the Expert, including a list of all publications authored in the previous 10 years and a list of all cases in which the Expert testified within the previous 4 years; (c) a statement by the Expert setting forth the factual basis for the Claim; (d) a statement by the Expert of each and every act, error, or omission that the Expert contends supports the Claim or any alleged violation of any applicable standard of care; (e) a statement by the Expert of all opinions the Expert holds regarding the Claim or any alleged violation of any applicable standard of care; (f) a list of every document related to the Project reviewed by the Expert; and (g) a list of every individual who provided Expert with any information regarding the Project. The opinion is a condition precedent to the right of CLIENT to assert any Claim in any litigation or arbitration and CLIENT's failure to timely provide an opinion to STE will be grounds for automatic dismissal of the Claim with prejudice. CLIENT shall furnish this opinion to STE and the parties shall endeavor to resolve the dispute within thirty (30) days, after which CLIENT may pursue its remedies at law. The prevailing party in any litigation relating to a Claim shall be entitled to recover from the other party those reasonable attorney fees, costs and expenses incurred by the prevailing party in connection with the Claim.

ARTICLE 13. INDEPENDENT CONTRACTOR: In performing services under this Agreement, STE shall operate as, and have the status of, an independent contractor and shall not act as or be an employee of the CLIENT.

ARTICLE 14. SUBCONSULTANTS: STE may utilize as necessary in its discretion subconsultants or other subcontractors. STE will be paid for all services rendered by its subconsultants and other subcontractors as set forth in this Agreement.

ARTICLE 15. NOTICE: Notices shall be sufficiently given if sent by certified mail, postage prepaid, to each of the parties at the address noted for such party in this Agreement, or such other address as shall be furnished in writing by either party.

ARTICLE 16. ENTIRE AGREEMENT: This Agreement supersedes all prior communications, understandings and agreements, whether oral or written. Amendments to this Agreement must be in writing and signed by the CLIENT and STE.
