Re: Attendance Centers

I am writing to you today because Gering Public School District will be moving some elementary students to their "neighborhood" buildings. Due to the physical location of your residence (east of 7th Street and north of M Street), your child has been identified as one of those students who will be transferred to either Lincoln Elementary or Cedar Canyon for the 2012-2013 school year.

The district will provide bussing for your student to their new attendance center. New routes and bus stops will be developed next year to accommodate this change.

Both Northfield Elementary and Geil Elementary are at capacity in student enrollment so you must choose between Cedar Canyon, with 13 students in the class, or Lincoln Elementary, with 37 students in two classes. A smaller class will provide more one on one instruction with each child. The Lincoln building will be the newest facility within the district.

Included in this mailing is a Student Transfer Request form that we would like you to fill out and return to our Central Office in the enclosed self-addressed stamped envelope. Please make your decision no later than March 1, 2012.

If you need additional information about Lincoln Elementary or Cedar Canyon, please feel free to contact Lisa Frahm at 308-436-3125.

We thank you in advance for your consideration and cooperation.

Don Hague, Superintendent
Gering Public Schools

Geil Elementary Principal
