### **6. ADMINISTRATIVE REPORT - Jim Boeve**

Superintendent Schneider introduced Kyle Overturf from AGML CPA & Auditors. Mr. Overturf reviewed the audit report findings and recommendations.

Sharon Brooks asked where HPS' TIF falls in comparison to other communities. Mr. Overturf indicated HPS is at about 50% in comparison to others.

Mr. Overturf reported no major concerns or findings.

#### 6.1. Auditor's Report

### 7. RECEIVE CORRESPONDENCE - Jim Boeve

### 8. SUPERINTENDENT'S REPORT - Jeff Schneider

Superintendent Schneider highlighted Good News throughout the District. Mr. Schneiderr also noted we are 4 days from completing the first semester as a major accomplishment amid the pandemic.

Mr. Schneider introduced Principal Charla Brant to present Spotlight on Learning for Alcott Elementary.

Mrs. Brant thanked the Board for their support throughout the trying times of the pandemic. She explained the 3 main focus goals for Alcott Elementary: 1) 15-day challenge, 2) Explicit instruction, 3) PBIS. Her presentation focused on Alcott's journey, successes, and goals with the 15-day Challenge.

Sharon Brooks asked how she would describe student attitudes. Mrs. Brant said students have been thrilled to be back to school and teachers have been thrilled to have

their students.

Jim Boeve asked Mrs. Brant to explain a slide on vertical alignment in more detail.

Brent Gollner expressed how impressed he is with the success and changes he has seen since their PLC trip. Concern is having one student who doesn't get it and how to keep them from falling through the cracks. Mrs. Brant explained several strategies being used to help identify and reteach skills. Repetition is key.

John Bonham thanked Mrs. Brant and her staff for the good work. He was glad to see something besides masks and hand-washing. He is impressed with the progress and changes they have accomplished.

#### 9. FIRST OPPORTUNITY FOR PUBLIC TO BE HEARD - Jim Boeve

President Boeve reminded those in attendance that this was their opportunity to address the Board on any agenda item. No one from the public addressed the Board.

#### 10. SPECIAL BOARD FUNCTIONS - Jim Boeve

##### 10.1. Approve the 2021-2022 negotiated agreement - Jeff Schneider

Motion to approve the 2021-2022 negotiated agreement as presented. This motion, made by Laura Schneider and seconded by John Bonham, passed.

Jim Boeve:	Yea
John Bonham:	Yea
Sharon Brooks:	Yea
Brent Gollner:	Yea
Jodi Graves:	Yea
Jim Heyen:	Yea
Tracey Katzberg:	Yea
Laura Schneider:	Yea

President Boeve thanked John Bonham and Laura Schneider for their continued work on the negotiation committee. Superintendent Schneider also thanked them for handling the negotiations and balancing Staff and Community needs. Mr. Schneider is recommending approval of 3.41% increase to the Certificated Salary schedule.

Superintendent Schneider and President Boeve extended a huge Thank You to teachers for their dedication and hard work through all the challenges of the pandemic.

##### 10.2. Approve Idea Bank Communication Proposal - Jeff Schneider

Motion to approve the Idea Bank Communication Proposal as presented. This motion, made by Jodi Graves and seconded by Sharon Brooks, passed.

Jim Boeve:	Yea
John Bonham:	Yea
Sharon Brooks:	Yea
Brent Gollner:	Yea
Jodi Graves:	Yea

Jim Heyen: Yea  
Tracey Katzberg: Yea  
Laura Schneider: Yea

Superintendent Schneider recommended 2-year Idea Bank Communications proposal.

10.3. Approve second reading of revised Policy 502.03 - Entrance Admissions -  
Kandace Garwood

Motion to approve second reading of revised Policy 502.03 - Entrance Admissions. This motion, made by John Bonham and seconded by Sharon Brooks, passed.

Jim Boeve: Yea  
John Bonham: Yea  
Sharon Brooks: Yea  
Brent Gollner: Yea  
Jodi Graves: Yea  
Jim Heyen: Yea  
Tracey Katzberg: Yea  
Laura Schneider: Yea

Dr. Kandace Garwood recommended approval of revised Policy 502.03. The revision would add a deadline for early Kindergarten entrance.

Sharon Brooks asked to clarify early entrance. Dr. Garwood noted the dates for early entrance are for children turning 5 years old after July 31.

## **11. SPECIAL ADMINISTRATIVE FUNCTIONS - Jim Boeve**

11.1. Educational Services

11.2. Human Resources

11.3. CONSENT AGENDA - David Essink

Motion to approve the Consent Agenda as presented. This motion, made by Laura Schneider and seconded by Brent Gollner, passed.

Jim Boeve: Yea  
John Bonham: Yea  
Sharon Brooks: Yea  
Brent Gollner: Yea  
Jodi Graves: Yea  
Jim Heyen: Yea  
Tracey Katzberg: Yea  
Laura Schneider: Yea

David Essink recommended approval of the consent agenda.

## **12. SECOND OPPORTUNITY FOR PUBLIC TO BE HEARD - Jim Boeve**

President Boeve reminded those in attendance that this was their opportunity to address the Board on any topic. No one addressed the Board.

Jim Heyen wanted to Thank the Board of Education for allowing him to serve as an interim board member. He noted that he is always here for the Board, the Administration, and the District.

President Boeve thanked Jim Heyen for his work on the Board and his dedication to Hastings Public Schools. Mr. Heyen received a standing ovation.

13. DATES OF FUTURE BOARD MEETINGS - Jim Boeve

President Boeve reminded of upcoming meetings in January and noted that all will be held at the Middle School Multi-Purpose room.

Re-organization meeting on January 5 at 6:00 pm

Work session on January 8 at 6:00 pm

Board Meeting on January 11 at 7:00 pm

14. MEDIA SPOKESPERSON - Jim Boeve

Sharon Brooks will serve as Media spokesperson for January

15. ADJOURNMENT - Jim Boeve

Motion to adjourn meeting. This motion, made by Laura Schneider and seconded by Brent Gollner, passed.

Jim Boeve: Yea

John Bonham: Yea

Sharon Brooks: Yea

Brent Gollner: Yea

Jodi Graves: Yea

Jim Heyen: Yea

Tracey Katzberg: Yea

Laura Schneider: Yea

Meeting adjourned at 8:04 pm

David Essink, Board Secretary

**HASTINGS  
PUBLIC SCHOOLS**

Assuring the essential.  
Expanding the possible.

## **Hastings Public Schools Work Session Minutes**

December 10, 2020 6:00 PM

Middle School, 201 North Marian Road, Hastings, NE 68901

The meeting was advertised in the Hastings Tribune on Wednesday,

Jim Boeve: Present  
John Bonham: Present  
Sharon Brooks: Present  
Brent Gollner: Present  
Jodi Graves: Present  
Jim Heyen: Present  
Tracey Katzberg: Present  
Laura Schneider: Present

### 6. Reminder to declare if interested in running for President or Vice-President - Jim Boeve

President Boeve reminded interested Board members to declare their interest by sending a letter to the

Superintendent's Office prior to the re-organization meeting on January 5, 2021.

7. Superintendent's Intent to Extend - Jim Boeve

President Boeve asked Superintendent Schneider to remind the Board of the schedule for Superintendent's intent to extend his contract. Mr. Schneider reminded the Board that he is still under the initial, probationary contract through June 30, 2021. It is his responsibility to declare his intent to extend between December 15, 2020 and February 1, 2021. The board must decide whether or not to accept the intent to extend by March 1, 2021.

President Boeve noted the Superintendent's contract runs July 1st to June 30th.

8. Information on "Spotlight on Learning" - Jeff Schneider

Superintendent Schneider noted the fact that Principal Charla Brant will present this month's Spotlight on Learning featuring Alcott Elementary School.

9. \*Approve Idea Bank Communication Proposal - Jeff Schneider

Superintendent Schneider reviewed the Idea Bank proposal and explained the needs and benefits of having a consistent communication plan for the District. He will recommend approval of the Idea Bank Communication proposal. It has been revised to a two-year commitment and he noted that if the District does not see a benefit from the service, they would not renew the contract past the initial commitment period.

Jim Heyen asked who will train the consultant on what Hastings Public Schools is all about.

Mr. Schneider noted that the company will not determine the content of communication, they will assist and direct the District in how to best to communicate, not what the content is.

Sharon Brooks asked who will edit the communication. Mr. Schneider explained that a benefit of the service would be having school-experienced editors to review and recommend communications from the District.

Brent Gollner expressed concern over the cost of the plan in a time of budget concerns. He does like the two-year commitment better than the original three-year plan.

10. \*Approve the 2021-2022 negotiated agreement - Jeff Schneider

Jon Bonham and Laura Schneider, Board negotiation team, discussed the negotiation meeting and recommended approval of the agreement. They noted the quick and professional nature of the meeting. Mr. Schneider and President Boeve also expressed their thanks for HEA members and Board members who made it a smooth process.

11. \*Consent Agenda - David Essink

David Essink reviewed this month's consent agenda. He highlighted the hiring of a CNA/MedAide position and noted a School Nurse plan that he is working on and hopes to present next month. He also noted the current open positions within the District. Current openings include: 2 custodians, 3 paras, 1 attendance secretary at Senior High; 2 Elementary Para positions - one position was offered today; and Human Resources Secretary. Extra Standard openings include: 7th Grade volleyball; Senior High Assistant Boys Tennis, and Assistant Girls Track.

12. \*Approve second reading of Revised Policy 502.03 - Entrance Admissions - Kandace Garwood

Dr. Kandace Garwood reviewed and recommended approval of revised Policy 502.03. The revision would add a deadline for early Kindergarten entrance so that staff doing the assessments are still on contract time.

13. Reminders - Jim Boeve

President Boeve introduced Board member-Elect, Chris Shade and invited current board members to think back on their first board meeting.

President Boeve expressed his Thanks and offered a token of appreciation from the Board to Diana Reiner in recognition of her retirement and excellent service to the Board of Education and Hastings Public Schools. Ms. Reiner received a standing ovation.

14. Reports, etc., at Board Meeting - Jim Boeve

President Boeve reminded of upcoming meetings in January and noted that all will be held at the Middle School Multi-Purpose room.

Re-organization meeting on January 5

Work session on January 8

Board Meeting on January 11

15. Executive Session - Jim Boeve

Motion to go into closed session. This motion, made by Laura Schneider and seconded by Brent Gollner, passed.

Jim Boeve: Yea

John Bonham: Yea

Sharon Brooks: Yea

Brent Gollner: Yea

Jodi Graves: Yea

Jim Heyen: Yea

Tracey Katzberg: Yea

Laura Schneider: Yea

Becky Sullivan: Yea

The Board went into closed session at 6:41 pm

16. The Board of Education returned to Open Session at 7:50 p.m. - Jim Boeve

17. Adjournment - Jim Boeve

Motion to adjourn meeting. This motion, made by Laura Schneider and seconded by Brent Gollner, passed.

Jim Boeve: Yea

John Bonham: Yea

Sharon Brooks: Yea

Brent Gollner: Yea

Jodi Graves: Yea

Jim Heyen: Yea

Tracey Katzberg: Yea  
Laura Schneider: Yea  
Becky Sullivan: Yea

Meeting adjourned at 7:51 pm

David Essink, Board Secretary

## **GOOD NEWS**

1. Each semester in our Information Technology students have the opportunity to certify in Microsoft Office 2016 programs. Last semester we had 51 students certify in Microsoft Word, 18 students certify in Microsoft Excel, and 7 students certify in Microsoft Powerpoint. Congratulations to these students!
2. Congratulations to Abby Fielder! Abby is the Nebraska State Champion in Microsoft Excel 2016 and will have the opportunity to compete nationally this summer in Orlando, Florida.

# DISTRICT INFORMATION

Hastings Senior High School is in Hastings, Nebraska. Hastings is located in a rural setting close to the Platte River in south-central Nebraska. Hastings Senior High is accredited by the State of Nebraska and AdvancEd.

## **Mission Statement**

Our fundamental purpose is to assure all students acquire the knowledge, skills, and behaviors essential to be successful individuals and responsible citizens.

## **Vision**

To attain the Mission of the Hastings Public Schools, the District will have:

- A shared focus on student learning
- An articulated curriculum that provides all students, at a minimum, with essential knowledge, skills, and dispositions
- A balanced assessment system that meets the needs of students, teachers, parents, and policy makers
- A system of intervention and enrichment based on formative assessments
- Adults working together interdependently to improve student learning and instruction/practices
- Appropriate and high expectations for each student and teacher that are based on the premise that ALL students can and will learn at high levels, and will facilitate staff and students having high expectations of themselves to meet their own potential
- A safe, supportive, and healthy learning and teaching environment that celebrates individuals' differences, diversity, growth, and achievement
- An environment where adult learning and growth is continuous and job-embedded in order to provide high quality instruction for every student
- Leadership at every level that is committed to the full implementation of the culture of a professional learning community
- A strong commitment to learning from stakeholder groups (students, staff, parents, and community leaders)

## **School Goal**

Increase rigor and relevance so that every student is college and/or career ready.

**Hastings Senior High School does not discriminate on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, marital status, pregnancy, childbirth or related medical condition, or other protected status in its programs and activities.**

## GRADUATION REQUIREMENTS

The following chart shows graduation requirements and college admission requirements. It is important to check with the student's colleges of interest to ensure additional or specific coursework is not required for admission. Five credits are granted for a semester course. Most students will exceed minimum graduation requirements.

	<b>HHS Graduation Requirements</b>	<b>Typical 4-Year University Admission Requirements</b>
<b>ENGLISH</b>	45 credits	40 credits
<b>MATH</b>	30 credits	30 credits UNL requires 40 credits
<b>SCIENCE</b>	30 credits	30 credits
<b>SOCIAL SCIENCE</b>	30 credits	30 credits
<b>PHYSICAL EDUCATION</b>	10 credits	NA
<b>INFORMATION TECHNOLOGY</b>	5 credits	NA
<b>FOREIGN LANGUAGE</b>	NA	Varies with university, 20-40 credits of the same language
<b>TOTAL CREDITS</b>	220 CREDITS	

All students will register for courses during the spring semester of each year. The master schedule is built on the basis of student registration requests, teachers, and administration input. Families need to make thoughtful choices at registration, as classes fill quickly and changes later may not be possible.

A drop/add opportunity is held at the beginning of each semester, however changes will be limited to availability of another comparable course and may require administrative approval.

Seniors meeting graduation requirements must register for 25 credits per semester.

Credit is accepted from accredited high schools and accredited homeschooling programs.

Only students who have completed graduation requirements are permitted to participate in commencement exercises.

## ACADEMIC RECOGNITIONS & GRADUATION HONORS

### **Honor Roll**

Two Honor Rolls are announced at the end of each semester. The A Honor Roll includes the names of all students carrying courses equivalent to 25+ semester hours for the semester and having a 3.5 grade average or above and no grade lower than a “C.” The B Honor Roll includes the names of all students carrying courses equivalent to 25 semester hours for that quarter and having a 3.0 to 3.49 grade average with no grade lower than a “C.” All subjects are included in this average.

### **National Honor Society**

Membership in the Hastings Chapter of the National Honor Society is based upon scholarship, leadership, service, and character. A faculty council selects members after a student has completed at least three semesters of high school. The minimum requirements for consideration for membership include: 1) an accumulative GPA of 3.80; 2) evidence of at least three service projects in the school, home, church, or community; 3) election or appointment to an office in an organization or membership in two or more organizations which have officers; and 4) possession of a character that reflects honesty, integrity, and concern for others.

### **National Merit Recognition**

The mission of National Merit Scholarship Corporation (NMSC) is to recognize and honor the academically talented students of the United States. NMSC accomplishes its mission by conducting nationwide academic scholarship programs. Qualifications to earn National Merit recognition is based on a student’s performance on the PSAT exam taken during JUNIOR year. Students are notified in the fall of their senior year if they earn a qualifying score. The qualifying score index changes yearly and is state-based. There are two categories awarded: semi-finalist and commended. Semi-finalists continue in the competition, commended do not. Typically, an index score of 200 or better will earn recognition. Sophomores are also encouraged to take the PSAT test as a practice in order to be prepared for junior year when it counts for the competition. See your counselor if you have questions or visit the National Merit website for more information(<http://www.nationalmerit.org/>).

### **President’s Award for Educational Excellence**

Seniors with a 3.5 cumulative GPA after 7 semesters and earning an ACT Reading score of 28 or an ACT Math score of 26 will earn this award at Honors Night in May.

### **Omaha World Herald Scholars**

The Omaha World Herald recognizes students throughout the state for academic achievement. Students with an ACT of 32 or better or an SAT of 2120 or better are nominated for the All-State Academic teams. Students are featured in the OWH in May.

### **Graduation Honors**

- Valedictorian (through 2021)  
Students have the opportunity to earn the honor of being a valedictorian of their graduating class. Full time students who take 75% of the available honors courses offered at HHS and have the highest rank may be considered as valedictorian of their

graduating class. Students must carry the equivalent of at least 25 credits per semester to qualify.

- Top 10% (through 2021)  
To be eligible for this honor, students must carry courses equivalent to 25 semester hours.
- National Honor Society collar  
Members of NHS are eligible to wear this honor collar.

---

**GPA**--A student's GPA shall be calculated by dividing the total grade points achieved (standard and weighted) by the total course credits earned. Weighted grade points will apply to Honors courses.

- Points in regular courses are: A=4; B=3; C=2; D=1; F=0
- Points in honors courses are: A=5; B=4; C=3; D=1; F=0

**Effective with the high school class of 2022 and thereafter, class rank will no longer be calculated.**

**Beginning with the class of 2019, the class standing system used will be as follows:**

- **Summa Cum Laude** GPA 4.0 and above (With the Highest Distinction)
- **Magna Cum Laude** GPA 3.75-3.99 (With Great Distinction)
- **Cum Laude** GPA 3.50-3.74 (With Distinction)

To recognize achievement, honor cords are awarded to seniors based on cumulative GPA--excluding the 2nd semester of the graduating year.

- Orange and black honor cords GPA 4.0 or above
- Orange and white honor cords GPA 3.75-3.99
- Black and white honor cords GPA 3.50-3.74

### **Academic Letter**

Academic letters are awarded every year to those students who receive a GPA of 3.50 or above 1st and 2nd semester of the same school year. Students will be recognized in the fall for the prior year's recipients for grades 9-11. Seniors will be honored in the spring of their senior year at Honor's Night.

## **CAREER AND COLLEGE PLANNING**

### **Post-Secondary Planning Websites**

Planning for the future can be overwhelming. The following websites have a multitude of timely information that will be helpful in the planning process.

- **NAVIANCE (see more information below)**  
<https://naviance.com>
- <http://www.nebraskacareerconnections.org>: provides education and career planning resources

- [www.educationquest.org](http://www.educationquest.org): information on creating a resume, a financial aid estimator, college planning tips, and scholarship searches
- [www.actstudent.org](http://www.actstudent.org): register for the **ACT** test, practice questions, and college planning resources
- [www.collegeboard.org](http://www.collegeboard.org): register for the **SAT** test, practice questions, and college planning resources
- [www.hastingspublicschools.org](http://www.hastingspublicschools.org): the “Counseling Department” tab will have additional information for parents and students

### **AP Courses**

The College Board’s Advanced Placement (AP) courses are college-level classes in a wide variety of subjects that students can take while still in high school. They offer challenging coursework to give students an idea of what to expect in college. Visit [www.apcentral.collegboard.com](http://www.apcentral.collegboard.com) for more information on AP courses, tests, and college credit and transferability. If a student is interested in taking an AP exam in a course not offered at HHS, see Mr. Bittfield.

Hastings Senior High offers the following AP courses:

- World Literature Honors AP
- European History Honors AP
- American History AP Honors
- Music Theory AP
- Statistics AP Honors

### **Dual Enrollment Courses**

Please see page 66 for more information.

### **Naviance**

Naviance is a comprehensive website that students and parents can use as a tool in planning for the future. This web-based platform provided by the Hastings Public School district integrates success planning, career planning, college planning, and family engagement tools to help students become college and career ready. This is a free website to students provided by the Hastings Public School district.

Some features to explore are available under the **College, Career, and About Me tabs**:

- “Do What You Are” personality assessment enables students to better understand what college majors or careers best suit their personality types.
- Career Interest Profiler helps students discover the types of work activities and careers that match your interests.
- College Super Match provides comprehensive information on thousands of colleges. Students enter criteria such as size, location, cost, and availability of specific majors and get a list of colleges that meet the criteria.
- Scholarship information is available on Naviance. Seniors should check Naviance weekly for updates on local and regional scholarships.
- Resume Builder will rearrange the student’s information into multiple printable versions that students can use for various purposes.
- Naviance Test Prep program enables students to prepare for the ACT.

### **Playing Sports in College**

College athletic websites have student-athlete questionnaires for interested students to complete during 10th, 11th, or 12th grade. This is a good way for a high school student to communicate interest in being considered for the college’s athletic program.

- **Division I or II**

Students interested in playing at a Division I or II college must register with the NCAA Eligibility Center. Students are encouraged to do so by the end of the junior year but can do it during the senior year. High school coursework, grades, and ACT scores will factor into a student’s eligibility. Younger students should research the academic requirements needed to qualify for the

NCAA Eligibility Center early in high school to assure they are on the right track. Visit [www.eligibilitycenter.org](http://www.eligibilitycenter.org) for information and to register.

- **Division III or NAIA**

Every student who is interested in playing championship sports at NAIA colleges for the first time need to register and receive an eligibility determination. For more information on NAIA, visit [www.playnaia.org](http://www.playnaia.org).

CollegeStudentAthletes.com is a free college search website for students looking to combine sports and academics at a Division III (D3) college. Visit <http://www.collegestudentathletes.com> for more information.

- **Junior Colleges**

Student-athletes interested in competing at the Junior College level (JUCO) should contact the coach about eligibility to play and rules for future transfer to a college or university. Visit [www.njcaa.org](http://www.njcaa.org) for more information.

# ART

All ART classes except Art Fundamentals 1 & Art Fundamentals 2 require a teacher signature.

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
--------------	-------	---------------------------	--------------------

<b>ART FUNDAMENTALS 1 (2-D Foundations)</b> 5 credits	9-12	May enroll in Art Fund 1 and/or Art Fund 2.	This course is designed to give a solid foundation in 2-D design and is the first class a student should take if they are interested in drawing and painting. It is the prerequisite for all beginning 2-D art classes. Beginning students learn the foundation skills of 2-D art (drawing and painting and other applicable media) through the study of art elements (line, shape/form, texture, space, value and color theory) and composition as applied to 2-D artwork. Students who want to take additional drawing and painting classes must take this class. Students who want to do both 2-D and 3-D art or who are interested in pursuing art post high school should take <b>both</b> this class and Art Fundamentals 2 (3-D Foundations).
<b>ART FUNDAMENTALS 2 (3-D Foundations)</b> 5 credits	9-12	May enroll in Art Fund 1 and/or Art Fund 2.	This course is designed to give a solid foundation in 3-D design and is the first class a student should take if they are interested in ceramics and sculpture. It is the prerequisite for all beginning 3-D art classes. Beginning students learn the foundation skills of 3-D art (ceramic, sculpture materials and other 3-D media) through the study of art elements (line, shape/form, texture, space, value and color theory) and composition as applied to 3-D artwork. Students who want to take additional pottery and sculpture classes must take this class. Students who want to do both 2-D and 3-D art or who are interested in pursuing art post high school should take <b>both</b> this class and Art Fundamentals 1 (2-D Foundations).
<b>DRAWING</b> 5 credits	10-12	Art Fund. 1/ Instructor approval	This course is designed to improve drawing techniques and skills. A variety of media is involved. This class provides an excellent background for other two-dimensional art classes offered.
<b>ADVANCED DRAWING</b> 5 credits--2nd semester only	10-12	Drawing AND Instructor approval	Students will be provided with an historical background of artists, techniques, and media with an emphasis on the elements and principles of design and the study of composition.
<b>PAINTING</b> 5 credits--1st semester only	11-12	Art Fund.1 /Drawing/Instruct or approval	This course introduces students to techniques in tempera, acrylic and watercolor painting.
<b>ADVANCED PAINTING</b> 5 credits--2nd semester only	11-12	Painting AND Instructor approval	Builds on the techniques developed in Painting with additional work in acrylic painting and watercolor techniques.
<b>POTTERY</b> 5 credits	10-12	Art Fund 2/ Instructor approval, and must receive a "C" or higher	Introduces students to a basic understanding of clay, tools, methods of handbuilding and wheel throwing pottery, as well as a variety of decorating and glazing techniques.

		on the pottery assignment to advance on to the next level	
<b>ADVANCED POTTERY</b> 5 credits--2nd semester only	10-12	Pottery AND Instructor approval	This course builds on the advanced techniques developed in Pottery including hand building, wheel thrown techniques, and advanced surface finishes.
<b>NATURAL FIBER ART</b> 5 credits--1st semester only	10-12	Art Fund 1 or 2/ Instructor approval	Introduces students to a variety of fiber arts such as weaving, paper-making, handmade books, and batik.
<b>SCULPTURE</b> 5 credits	10-12	Art Fund. 2 AND Instructor approval	This course introduces students to a variety of skills and techniques for creating sculpture in a wide range of media. Design elements are emphasized.
<b>ADVANCED SCULPTURE</b> 5 credits	10-12	Sculpture/ Instructor Approval	This course builds on advanced techniques developed in Sculpture including modeling, casting, construction, and carving. A variety of mediums and techniques are explored.
<b>STUDIO ART</b> 5 credits--2nd semester only	12	Minimum of a beginning and advanced class in the same medium area AND Instructor approval	Studio Art offers the art student an opportunity for extended study in a particular medium and media of which he/she has taken both beginning and advanced classes prior to this course. Students may be expected to purchase part of their own supplies, depending upon the medium chosen.

\*\*\*A \$15 lab fee will be charged for all art classes based on projects chosen.

# ***BUSINESS***

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>INTRODUCTION TO BUSINESS</b> 10 credits  NDE COURSE CODE: 032300	9-12		Students will be provided an opportunity to understand the role of business in today's society. It also provides a basis for further study in business, as well as, offering useful and practical aspects of living for all students. Students will be given hands on opportunities to work on projects, simulations, decision-making cases, personal finance and banking practices, and technology-research tools. The class is designed to help students become wise consumers, good citizens, and efficient employees while contributing to the development of their total economic understanding.
<b>WORLD OF WORK/CAREERS</b> 5 credits  NDE COURSE CODE: 320101	10-12		This course is designed to teach students about the importance of work to everyday life. Students will do self-exploration, explore careers, study job-interviewing techniques, and improve their communication skills by studying the relationship of employers to their employees. The Nebraska Career Education model will be used as a resource.
<b>INFORMATION TECHNOLOGY 1</b> 5 credits  NDE COURSE CODE: 270501	9-12	Basic keyboarding skills	In today's technological society, it is imperative that all students have knowledge of computers and is a prerequisite for many jobs today. This course provides the student with opportunities to perform basic to advanced operations on the computer. Students will develop skills in word processing and spreadsheets. <b>Graduation requirement</b>
<b>INFORMATION TECHNOLOGY 2</b> 5 credits  NDE COURSE CODE: 270502	10-12	Information Technology 1	This course builds on the skills taught in Information Technology 1 and will focus on skill development in advanced spreadsheet, database and utilizing advanced features.

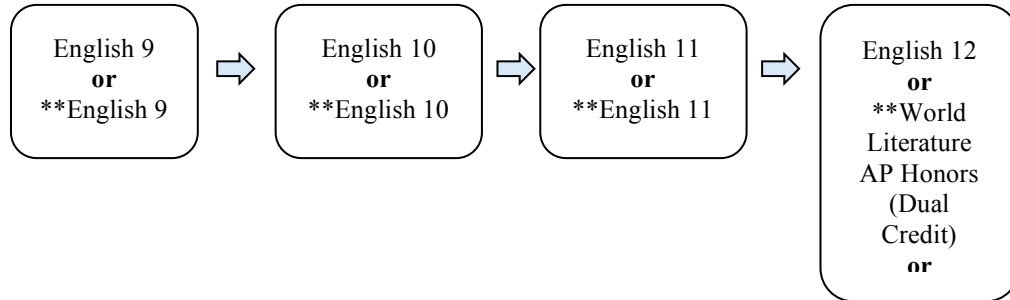

<p><b>DIGITAL MEDIA</b> 5 Credits</p> <p>NDE COURSE CODE: 270602</p>	10-12	Information Technology 1	This course will introduce students to the technical tools and processes used in digital design. Students will create, design, and produce digital media including sound, video, graphics, and text. Students will demonstrate proper use of fair use guidelines. Career opportunities in digital design will be explored.
<p><b>WEB PAGE DESIGN &amp; DEVELOPMENT</b> 5 credits</p> <p>NDE COURSE CODE: 270706</p>	10-12	Information Technology 1	Students will learn how to create web pages by utilizing HTML (HyperText Markup Language), CSS (Cascading Style Sheets) and JavaScript.
<p><b>ACCOUNTING I</b> 10 credits (includes Accounting 1 &amp; 2)</p> <p>NDE COURSE CODE: 030300</p>	10-12		Students will study the principles and concepts of double-entry accounting and evaluate various accounting careers. They will perform accounting, both manual and automated, for a service business organized as a proprietorship and for a merchandising business organized as a partnership. The manual accounting will be done on a website called Aplia. Students will complete business simulations that provide them on-the-job experience. They will also gain knowledge about personal financial management. This class is highly recommended for students pursuing a business degree in college.
<p><b>ACCOUNTING II</b> 10 credits (includes Accounting 3 &amp; 4)</p> <p>NDE COURSE CODE: 030301</p>	11-12	Accounting I	This course studies advanced principles and concepts of accounting. Students will perform accounting, both manual and automated, for a corporation. The manual accounting will be done on a website called Aplia. Other topics studied will include taxes and the stock market. Students will complete automated business simulations. This course is highly recommended for students pursuing a business degree.

<p><b>MARKETING/ Marketing Management</b> 10 credits</p> <p>NDE COURSE CODE: 038100/038101</p>	10-12		<p>This introductory course of the two-year marketing education program is designed to prepare students for vocations in the field of marketing, merchandising, and management in a retail, industrial, or service type business. Emphasis will be placed on salesmanship, advertising, display, job preparation, communications, consumer buying behavior, product planning, distribution, promotion, pricing, and human relations. Membership in DECA (an Association of Marketing Students) is an important part of this class and is highly recommended.</p>
<p><b>ENTREPRENEURSHIP/ ADVANCED MARKETING</b> 10 credits</p> <p>NDE COURSE CODE: 032370/038200</p>	11-12	Marketing	<p>Students will relate the concepts learned in Marketing and apply them to Internet marketing, international marketing, entrepreneurship and business ownership. First semester will concentrate on the entrepreneurship, business ownership and writing a business plan. Second semester will concentrate on international marketing including: how to meet the challenges of culture, political and business differences. Trade barriers, letters of credit, importing, exporting, international economies, financing, social/cultural differences and career opportunities will be explored. Students will experience marketing as it pertains to real life situations. Membership in DECA is an important part of this class and is highly recommended. A business start-up plan is developed during this class that may be used for DECA competition at the state level.</p>
<p><b>BUSINESS and PERSONAL LAW</b> 10 credits</p> <p>NDE COURSE CODE: 030900</p>	11-12		<p>This course is designed to help students learn about the law and how it is involved in their daily lives. Business and personal law will emphasize the sources of today's laws, and how it affects their lives as minors, employees, consumers, business owners, employers, parents, and citizens.</p>

# ENGLISH

In English 9, English 10, and English 11, Hastings High School offers an honors course in addition to the regular class. A student may register for the level of instruction the student and his/her parent/guardian feel is appropriate.

**The Honors courses are challenging and demanding. They prepare students for college-level work. Students who register for an honors course should plan to commit a great deal of time and effort to the course and should have a history of performing well in a demanding English class.**

**All other English classes should be seen as courses that also prepare students for college, but are not solely college-prep courses. These classes are also appropriate for students who plan to attend a technical school, join a branch of the military service, or pursue some other, similar post-high school experience.**

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>ENGLISH 9</b> 10 credits	9		All Freshmen must take either this course or English 9H. This course builds on the language and literary skills introduced in previous years. Students will improve reading and comprehension skills by emphasizing critical thinking. Students study major types of literature, creative and expository writing, grammar and usage, and vocabulary. Literature includes short stories, novels, and drama. Two writing assessments are required. Writing assessments must meet all department requirements. Students will build an argument using a strong thesis and support.
<b>ENGLISH 9 HONORS</b> 10 credits	9	English 9H is designed for students who have excelled in previous English classes. Students with a 2 or 1 grade <b>should not enroll</b> in English 9 Honors.	All Freshmen must take either this course or English 9H. This course builds on the language and literary skills introduced in previous years. Students will improve reading and comprehension skills by emphasizing critical thinking. Students study major types of literature, creative and expository writing, grammar and usage, and vocabulary. Literature includes short stories, novels, and drama. Two writing assessments are required. Writing assessments must meet all department requirements. Students will build an argument using a strong thesis and support.
<b>COMMUNICATION ARTS</b> 5 credits	10-12		This course is required of all students to be taken during 10th, 11th or 12th grade. This course develops skills in public speaking, interpretation, persuasion, discussion, and other forms of communication. A student who does not present an informative speech and persuasive speech cannot earn credit in Communication Arts. Both speeches must meet all of the process and product requirements set by the teacher, and the student must meet deadlines set by the teacher. <b>Graduation requirement.</b>
<b>COLLEGE</b>	11-12	Either have	This semester course takes the place of the high school

<p><b>COMMUNICATION ARTS</b> 5 credits</p>		<p>taken the ASSET or ACT</p>	<p>Communication Arts requirement, and is open to juniors and seniors who would like to take it for college credit through Central Community College. Activities are modified for what would be expected in a required college public speaking course. Students will work on their nonverbal and verbal communication skills, plan outlines for speeches, identify different kinds of speeches for different situations, interact with other students in a group setting, experience what it is like to do online communication, understand communication etiquette and cultural diversity when communicating, know the difference between researched informative and persuasive speeches versus conjecture, and be ready for job interviews. Students will do seven to eight speeches and take tests over each unit the speeches cover. Students must have a passing grade for each speech to be considered for college credit. <b>Dual Credit available (CCC)</b></p>
<p><b>ENGLISH 10</b> 10 credits</p>	<p>10</p>	<p>English 9</p>	<p>All sophomores must take either this course of English 10 Honors. This course builds on the language and literary skills introduced in previous years. Students will improve reading and comprehension skills by emphasizing critical thinking. Students study major types of literature, creative and expository writing, grammar and usage, and vocabulary. Literature includes short stories, poems, novels, and drama. Three formal writing assessments are required. Papers must meet all department requirements. Students will build an argument using a strong thesis and support.</p>
<p><b>ENGLISH 10 HONORS</b> 10 credits</p>	<p>10</p>	<p>English 10 H is designed for students who have excelled in previous English classes. All students must have the signature of their English 9 teacher to enroll. Students with a D or F average in English 9 Honors or a C, D, or F average in English 9 should not enroll in English 10 Honors.</p>	<p>All sophomores must take either this course or English 10. This course is designed for the student who is a skilled reader that enjoys studying and discussing literature which explores a variety of real world questions. Required literature includes novels, a play, a variety of articles, short stories, poems, and films. Students are expected to read approximately 60 pages per week outside of class. Students will also complete a variety of activities to deepen their level of understanding of the given texts, as well as complete writing and grammar assignments. Students must write at least four formal writing assessments using the writing process focusing on ideas and content, organization, voice and word choice, and sentence fluency and conventions.</p>

<b>ENGLISH 11</b> 10 credits	11	English 10	All juniors must take either this course or English 11 Honors. This course includes a study of representative works in American literature with emphasis on significant themes, literary forms, and historical and cultural heritage. Composition, vocabulary, usage skills, and MLA format will be emphasized. Required literature includes various novels <i>and</i> a survey of Nebraska authors. An intensive study of grammar usage prepares students for the ACT and academic writing. A student must complete at least four formal writing assessments and meet the identified Power Essentials and Targets at the proficient to advanced level.
<b>ENGLISH 11 HONORS</b> 10 credits	11	Honors English 11 is designed for students who have excelled in previous English classes. All students must have the signature of their English 10 teacher to enroll. In order to be considered for a recommendation, students with a C average in Integrated English 10 Honors or a B average in non-honors English 10 must complete an essay stating their reasons for registering for the honors classes.	All juniors must take either this course or English 11. English 11 Honors is an advanced, college-preparatory class that meets the junior English requirement. Emphasizing American literature, the course explores short stories, poetry, essays, articles, memoirs, novels and films in 4 units: Perspectives, Choices, Society, and Relationships. Each unit consists of an anchor novel, an anchor multi-media, and shorter fiction and non-fiction works related to the theme of the unit. Students write in several formats including analytical essays and responses to informational text. Modern Language Association (MLA) format is reviewed and required. During the study of novels, students will read between 80 and 140 pages of text a week outside of class. In order to receive credit, students must satisfactorily complete two required writing assignments per semester.
<b>ENGLISH 12</b> 10 credits	12	English 11	All seniors must take this course or another senior level English class. This course is designed to offer the student a variety of genres including poetry, drama, essays, short stories, and the novel. A number of prominent literary works will be included in this course along with modern American authors. Students will express themselves through informative, persuasive, and descriptive writing as well as orally in discussion. Students will write a formal research project using the MLA format learned in English 11. The research project must meet all the process and product requirements and deadlines set by the teacher.

<b>PRACTICAL ENGLISH</b>	12	English 11 and teacher	Practical English will require reading of various types including novels, short stories, magazine articles and
--------------------------	----	------------------------	--

10 credits		recommendation/ placement	more. Students will write informationally and persuasively, as well as informally. Vocabulary improvement and basic grammar will be addressed. A student must complete at least one formal writing assessment per semester including the senior research paper. The papers must meet the essentials set by the department..
<b>AP WORLD LITERATURE HONORS</b> 10 credits	12	AP World Literature/ Honors is designed for students who excelled in English 11. All students must have the signature of their English 11 teacher to enroll.	All seniors must take this course or another senior level English class. AP World Literature is an advanced, college-level class that meets the senior English requirement. Emphasizing world literature, the course explores short studies, poetry, essays, articles, novels, and films from different time periods around the world. In addition to the books being more complex, poetry is emphasized more, writing emphasizes rhetorical rather than basic discourse, students are responsible for more independent learning, and the workload is more demanding than in previous honors classes. Students write in several formats including analytical essays and responses to informational text. Modern Language Association (MLA) format is reviewed and required. During the study of the novels, students will read between 160 and 280 pages of text a week outside of class. In order to receive credit, students must satisfactorily complete multiple required writing assessments per semester. <b>Dual Credit available (NWU)</b>
<b>CREATIVE WRITING</b> 5 credits	10-12		This is a writing elective for students who have a wide range of ability and interests. The course is largely an individualized writing course that emphasizes working a writing task using appropriate phases from prewriting to drafting to editing to publishing. Students explore the creative processes professional writers use by choosing topics and types of writing, trying out new techniques and skills, and reflecting on what does and doesn't work in their own writing. Students are responsible for creating a portfolio of their work in various genres during the course.

<b>JOURNALISM</b> 5 credits	9-12		In this introductory course, students study journalistic writing and layout styles. Newspaper, yearbook, advertising, public relations, and computer skills will be emphasized so that students will be capable of assuming leadership roles on the student newspaper
--------------------------------	------	--	---

			and yearbook as upperclassmen. At least once each semester, students may submit materials to the various HHS publications for possible inclusion. THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.
<b>YEARBOOK PUBLICATION</b> 10 credits	10-12	Beginning Journalism or permission of instructor	Members of this class produce THE TIGER (yearbook). Strong organizational skills, creative and expository writing ability, task commitment, and the ability to deal effectively with the public are required. The students must commit to working outside normal class times. Students must demonstrate strong interview skills-both online and in person. Editorial positions will be assigned according to seniority AND ability of applicants. THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.
<b>TIGER CUB</b> 10 credits	10-12	Beginning journalism, application and interview process or by teacher permission.	Members of this class are responsible for the publication of the online and print school newspaper. Creative thinking and writing clarity are stressed as well as self-discipline, time management, and group cooperation. Staff positions of an editorial nature will be assigned according to seniority AND ability of applicant. THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.
<b>DEBATE EXPLORATION</b> 10 credits	9-12	(SEE CONGRESS DEBATE AS ANOTHER OPTION.)	This type of debate is for students who want to delve deeper and examine <b>political, social, global, and moral issues</b> . Students learn different competitive styles of debate: one-on-one, team, and group discussion settings. Topics range from rights violations, ethics of war, the importance of environmental protection, and conflicts surrounding political ideologies. Students interested in law enforcement, politics, education, community involvement, and general public speaking will be greatly benefited by this course. <b>Extensive research, speaking skills, and group dynamics are stressed. Students are required to go to a minimum of one tournament per semester.</b> The competition season runs from November through March, with most tournaments taking place on Saturdays. THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT. PREREQUISITE: Continued participation must have instructor approval after the first year.
<b>CONGRESS STYLE DEBATE</b> 10 credits	9-12	(See Debate Exploration as another option.)	This type of debate is for students who enjoy <b>problem-solving</b> and want to <b>discuss political views</b> in a group discussion social setting. Students create and debate over a wide range of legislation policies. Topics cover a variety of issues to include, but not limited to, gun control, immigration, global warming, abortion, animal testing, gender and

			<p>sexuality roles. They will <b>simulate real-world meeting procedures</b> when debating issues. Students interested in law enforcement, politics, education, community involvement, and general public speaking will be greatly benefited by this course. <b>Extensive research, speaking skills, and group dynamics are stressed.</b> Students compete in a group of 15 to 30 debaters from other schools in a mock congress session. A typical competitive day has three or four sessions, lasting between one and two hours each. The competition season runs from November through March, with most tournaments taking place on Saturdays. <b>Students are required to go to a minimum of one tournament per semester.</b></p> <p>THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.</p> <p>PREREQUISITE: Continued participation must have instructor approval after the first year.</p>
<p><b>THEATRE I</b> 5 credits</p>	9-12		<p>In this course, through improvisational scene work, theater games, class exercises, scene work, discussions, readings, lecture/ demonstrations and storytelling, students will develop their ability to act and interact freely and perceptively. Students will have the opportunity to perform short scenes, will discover how to become more aware of their environment, and how to be supportive of others. Students will also have the opportunity to study theatre history, different aspects of design and the other behind the scenes work that goes into creating a theatre production. Beyond that, however, the class will provide students the opportunity to strengthen those powers of concentration, focus, analysis, imagination, creativity, and empathy that are critical to every art form. THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.</p>
<p><b>THEATRE II</b> 5 credits--2nd semester only</p>	9-12	A or B in Theatre I or teacher permission	<p>This course continues the work began in Theatre I. The specific focus of the course will be on helping students to connect more deeply and truthfully with each other on stage, freeing up the body of the actor to fulfill the physical demands of characterization, and analyzing the dramatic text to clarify objectives and focus action through unit breakdown. Attention will also be given to helping students work through specific problems and personal, creative obstacles.</p>

			THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.
<b>STAGECRAFT</b> 5 credits	9-12	Theatre I or Basic Cabinetry (completed or concurrently) or teacher permission	The purpose of this course is to introduce students to various aspects of technical theatre, the “behind the scenes” work that goes into a theatrical production. Students experience both practical work in the scene shop as well as vocabulary, history, and theory in a classroom environment. Students must pass a safety test to participate in the class. THIS COURSE IS NOT TO BE USED TO MEET THE ENGLISH REQUIREMENT.

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>ENGLISH LEARNER-EMERGING</b> 10 credits	9-12	Eligible for English Learner Services	Students will acquire English language skills to communicate with English speakers. Initial instruction focuses on listening and speaking while reading and writing skills are developed simultaneously as the student comprehends and speaks more English. The course is designed for students identified as English Learners (ELs) at the <b>beginning</b> levels of English proficiency. The curriculum covers five skill areas: listening, speaking, reading, writing and cultural enrichment. The ultimate goal for the EL student is to gain academic English proficiency and take a full mainstream schedule without the need for EL support.
<b>ENGLISH LEARNER-PROGRESSING</b> 10 credits	9-12	Eligible for English Learner Services	Students will read a variety of texts for various purposes with an increasing level of comprehension, and will write in a variety of forms with increasing accuracy to address a specific purpose and audience in English language arts as well as all content areas. The course enables EL students at the <b>intermediate</b> level of English acquisition to continue to increase and refine communication skills. The curriculum covers five skill areas: listening, speaking, reading, writing and cultural enrichment. The ultimate goal for the EL student is to gain academic English proficiency and take a full mainstream schedule without the need for EL support.
<b>ENGLISH LEARNER-ADVANCED</b> 10 credits	9-12	Eligible for English Learner Services	Students will build upon skills developed in the EL – Progressing class. The course enables EL students at the <b>advanced</b> level of English acquisition to continue to increase and refine communication skills. Extension of language proficiencies and critical thinking skills is emphasized. The curriculum covers five skill areas: listening, speaking, reading, writing and cultural enrichment. The ultimate goal for the EL student is to gain academic English proficiency and take a full mainstream schedule without the need for EL support.

NDE COURSE CODE: 090113			<p><b>\$10 lab fee required</b>  <i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• Human Services</li> <li>• Food Science</li> </ul>
<p><b>FUNDAMENTALS OF FOOD &amp; NUTRITION</b>  5 credits--1st semester only</p> <p>NDE COURSE CODE: 090107</p>	10-12		<p>This course is designed to provide students with the base foundation knowledge of food selection and preparation needed to successfully fuel the human body through consumption of food and resulting food energy. With a beginning foundation of nutrition students will learn basic preparation skills and the short-term and long-term wellness consequences as a result of of nutritional intake, and exposure to careers related to the food industry.</p> <p><b>\$10 lab fee required</b>  <i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• Human Services</li> <li>• Nutrition and Wellness</li> <li>• Food Science</li> </ul>
<p><b>NUTRITION</b>  5 credits--2nd semester only</p> <p>NDE COURSE CODE: 090124</p>	10-12	Fundamentals of Food & Nutrition	<p>In this course, students develop a deeper understanding of nutrition concepts including reading food labels, analyzing dieting practices including eating disorders, impacts on food consumption and food choices, as well as the role of government nutrition programs. Classroom, laboratory and educational leadership activities are supplemented through Skills USA</p> <p><b>\$10 lab fee required</b>  <i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• Human Sciences</li> <li>• Nutrition and Wellness</li> </ul>
<p><b>INTRODUCTION TO DESIGN</b>  5 credits</p> <p>NDE COURSE CODE: 090126</p>	10-12		<p>Students explore the definition and application of elements and principles of design in living spaces, clothing, and textiles. In this course, students will also evaluate the use of elements and principles to suggest improvements. Students are also exposed to career opportunities and the skills necessary for these career fields.</p> <p><b>\$10 lab fee required</b></p>
<p><b>TEXTILE CONSTRUCTION</b>  5 credits--1st semester only</p> <p>NDE COURSE CODE: 090103</p>	10-12	Introduction to Design	<p>This course provides instruction in social, psychological and historical aspects of clothing and textiles. Textile and apparel design, selection, construction, maintenance and alteration of textile products will be analyzed and taught. This course integrates knowledge, skills, and practices required for careers in textiles and scientific research.</p> <p><b>\$10 lab fee required/+project materials</b></p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• Design Pathway</li> </ul>
<p><b>FASHION DESIGN</b>  5 credits</p> <p>NDE COURSE CODE: 090206</p>	10-12	Introduction to Design	<p>Fashion Design explores the evolving field of the clothing we wear and why we wear it. Students will examine fashion design through historical and current frameworks, consider the process of a design from concept to consumer purchase, and identify key components of fashion pieces that distinguish it from others.</p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• Design Pathway</li> </ul>

<p><b>PARENTS AND FAMILIES</b> 5 credits--2nd semester only</p> <p>(formerly titled Parenting Decisions)</p> <p>NDE COURSE CODE: 090117</p>	10-12		<p>Students will evaluate the effects parenting roles and responsibilities on the well-being of individuals and families. In this course students will explain the following influences on parenting parenting, decisions to parent, support services for parents, positive actions to support the physical, emotional, intellectual, and social development family members, parenting theories, and family adjustment to parenthood.</p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• <i>Child, Youth, and Family Studies Pathway</i></li> </ul>
<p><b>CHILD DEVELOPMENT</b> 5 credits--1st semester only</p> <p>NDE COURSE CODE: 090119</p>	10-12		<p>This course integrates knowledge, skills and practices necessary for nurturing the growth and development of children. The study of the physical, emotional, social, and intellectual aspects related to prenatal through age 12 will be studied in addition to the positive and negative factors that impact child growth and development.</p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• <i>Early Childhood Education and Services</i></li> </ul>

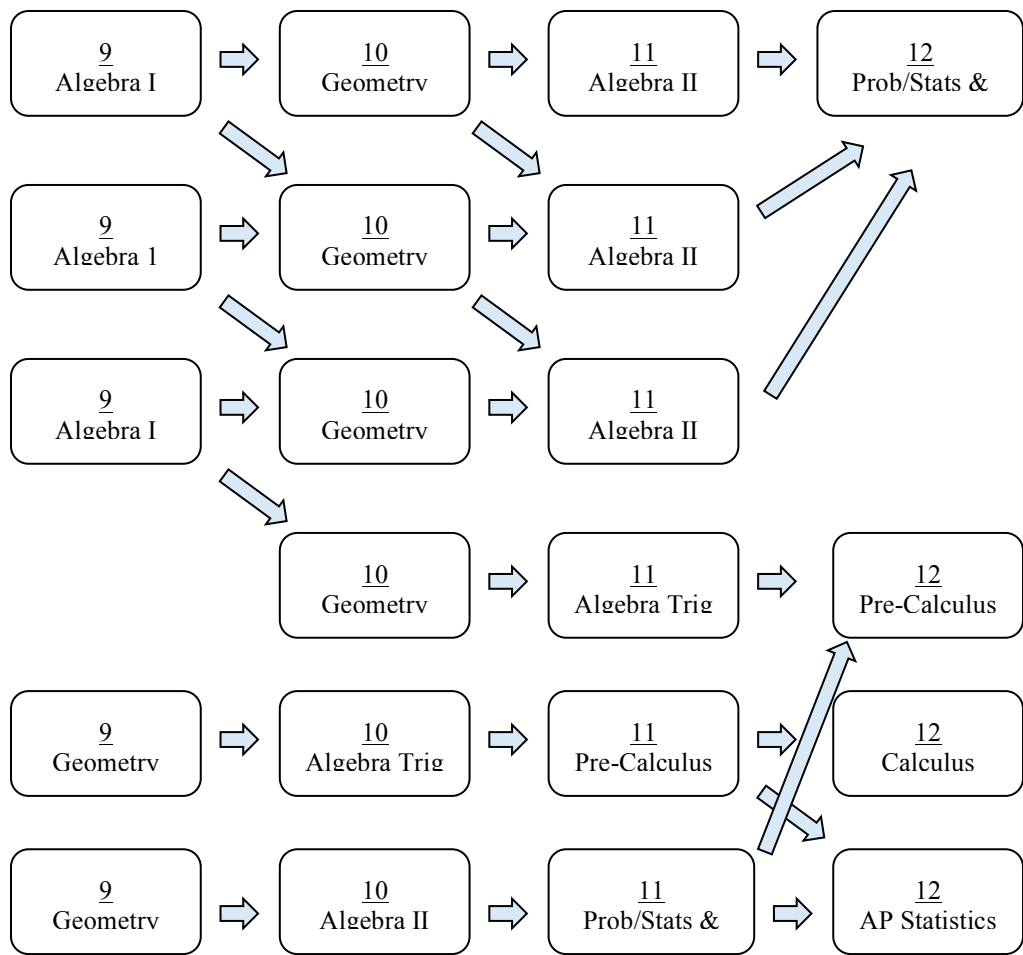

<p><b>HOME DESIGN AND INTERIORS</b> 5 credits</p> <p>NDE COURSE CODE: 090109</p>	10-12	Introduction to Design	<p>This course provides instruction in the physical, physiological and social influences of housing styles and options; exterior and interior design; selection, use and care of home furnishings and equipment; use of available resources for achieving improved living space to meet individual and family needs; and exposure to careers related to housing and interior design.</p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• <i>Design Pathway</i></li> </ul>
<p><b>INTERPERSONAL RELATIONSHIPS</b> 5 credits</p> <p>(formerly titled Families &amp; Wellness)</p> <p>NDE COURSE CODE: 090116</p>	10-12		<p>The course includes the study of interpersonal relationships and the effect of these relationships on the wellbeing of individuals, families, work and society. The course includes concepts such as effective communication, establishing and maintaining relationships, diverse family systems, characteristics of personal development and the impact of relationships on personal and career success.</p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• <i>Child, Youth, and Family Studies Pathway</i></li> </ul>
<p><b>PERSONAL FINANCE</b> 5 credits</p> <p>NDE COURSE CODE: 033000</p>	12		<p>The goal of Personal Finance is to help students to become financially responsible, conscientious members of society. To reach that end, this course develops student understanding and skills in such areas as income, money management, budgeting, financial goal attainment, the wise use of credit, insurance, and investments.</p> <p><b>\$10 lab fee required</b></p>
<p><b>MEDICAL TERMINOLOGY</b> 5 credits--2nd semester only</p> <p>NDE COURSE CODE: 077600</p>	11-12		<p>This course is designed to help students learn medical language by analyzing their components. The primary focus is on developing both oral and written skills in the language used to communicate within health care professions. This is a fundamental course for students who are pursuing a career in the healthcare profession. It is the basic language required for all areas of health science and is required for any healthcare profession beginning with entry-level staff.</p> <p><i>Program(s) of study to which the course applies:</i></p> <ul style="list-style-type: none"> <li>• <i>Health Science</i></li> </ul>

# JAG - Jobs for America's Graduates

<p><b>BEGINNING JAG</b> 10 credits</p>	<p>11-12</p>	<p>Instructor approval</p>	<p>Beginning Jobs for America's Graduates (JAG) works on introducing how to design a plan for your future. Learn to develop leadership skills, life skills and job skills. Hear from guest speakers and take tours of companies in the Hastings community. Help to build and implement the Hastings Career Association. Participate in hands- on activities, teamwork, project-based learning, and attend conferences. At the completion of the year, students are encouraged to enroll for Advanced JAG.</p>
<p><b>ADVANCED JAG</b> 10 credits</p>	<p>12</p>	<p>Beginning JAG</p>	<p>Advanced Jobs for America's Graduates (JAG) will continue to build on life and job skills. There will be a greater emphasis on developing a step-by-step plan for your future, making achievable goals, filling out college applications, and applying for scholarships. Students will have a chance to set up on the job training, job shadowing and internships. Students will continue to participate in hands- on activities, teamwork, project-based learning, the Career Association, and attending conferences. There will be an added component of financial literacy and an understanding of being financially competent in today's world.</p>

Note: JAG-NE is a multi-year program that includes one year of follow-up upon graduation.

## MATHEMATICS

# MATHEMATICS

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>ALGEBRA I</b> 10 credits	9-12	Pre-Algebra	Algebra 1 is an entry-level course for students to complete the first year of high school mathematics. It is also required for admission to most four-year colleges. Topics include the following: real number operations, simplifying expressions, solving and graphing linear equations and linear inequalities, systems of linear equations and linear inequalities, polynomials; exponential equations, probability, and real life applications of algebra.
<b>GEOMETRY</b> 10 Credits	9-12	Algebra I	Students discover the geometric concepts of coordinate geometry, transformations, congruent and similar triangles, polygons, circles, and right triangle trigonometry, surface area and volume.
<b>GEOMETRY HONORS</b> 10 credits	9-11	Algebra I and teacher recommendation	Geometry Honors is a rigorous math course for highly motivated students interested in mathematics and planning to take Algebra 2-Trigonometry Honors. This course uses inductive and deductive reasoning to describe the world geometrically. Emphasis will be on spatial visualization, algebra-geometry relationships, surface area, volume, and right triangle trigonometry along with an introduction to proofs. This course is designed to move at a rapid pace with more discovery and depth.

<b>ALGEBRA II</b> 10 credits	10-12	Algebra I and Geometry, <b>OR</b> Geometry Standards	This course is a continuation of Algebra 1. Topics include the following: linear and quadratic functions; systems of equations; complex numbers; polynomials; rational functions; exponential and logarithmic functions; probability and statistics.
<b>ALGEBRA II-TRIGONOMETRY HONORS</b> 10 credits	10-12	Geometry Honors and teacher recommendation	Algebra 2/Trigonometry Honors is an accelerated math course for highly motivated students interested in mathematics. Topics include the following: linear and quadratic functions; systems of equations and inequalities; polynomials; exponential and logarithmic functions; rational functions; trigonometric ratios, and solving equations.
<b>TRIGONOMETRY</b> 5 credits	11-12	Algebra 2	Trigonometry is a semester course. Topics include Pythagorean relationships, functions and their graphs, trigonometric functions, right triangle trigonometry, angles of rotation and radian measure, graphs of trigonometric functions, and trigonometric formulas and identities.
<b>PROBABILITY AND STATISTICS</b> 5 credits	11-12	Algebra 2	This course is an introductory class that presents statistical methods of analysis, data collection, and the theories of probability and chance. Applications to natural occurrence and to games are studied and practiced. This course is recommended for students planning on taking higher-level math in a college setting.
<b>AP STATISTICS HONORS</b> 10 credits	11-12	Algebra-Trig Honors or Algebra 2 with teacher recommendation	AP Statistics is equivalent to a one-semester, introductory, non-calculus based college course in statistics. The course introduces students to the major concepts and tools for collecting, analyzing, and drawing conclusions from data. There are four themes in the AP Statistics course: exploring data, sampling and experimentation, anticipating patterns, and statistical inference. Students use technology, investigations, problem solving, and writing as they build conceptual understanding.
<b>PRE-CALCULUS HONORS</b> 10 credits	11-12	Algebra-Trig Honors, Trigonometry, or Algebra 2 with teacher recommendation	The Pre-Calculus Honors course builds a solid foundation of advanced mathematics skills and concepts and is a preparation for calculus. Topics studied are graphs and applications of the following functions: trigonometric, exponential, logarithmic, polynomial and rational functions. Combinatorics, probability and advanced algebra are also studied.
<b>AP CALCULUS AB</b> 10 credits	12	Pre-Calculus Honors or	This is a course for students who are planning to take calculus at the college level and/or pursue a

		permission of instructor	<p>career in a mathematics-related field. The student will be able to apply the properties of functions and limits, determine derivatives, antiderivatives, and definite integrals. They will then use derivatives and integrals in applications. Students may take the advanced placement (AB Version) exam in the spring or receive college credit from Nebraska Wesleyan University.</p> <p>Dual Credit available (NWU)</p>

# MUSIC

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
--------------	-------	------------------------------	--------------------

<b>TREBLE CHOIR</b> 10 Credits	9-12		Treble Choir consists of any soprano or alto singer who has a strong desire to sing a variety of choral music. Treble Choir will be an excellent ensemble that prepares students to step confidently into the other choirs offered in the department.
<b>CENTURY MEN</b> 10 credits	9-12		Century Men consists of any tenor or bass singer who has a strong desire to sing a variety of choral music. Century Men will be an excellent ensemble that prepares students to step confidently into the other choirs at Hastings Senior High.
<b>BEL CANTO</b> 10 credits	10-12	Audition or instructor approval	This is an auditioned mid-level treble ensemble of 16 singers who have a strong desire to sing a variety of choral music. Bel Canto will be an excellent ensemble that prepares students to step confidently into the other choirs offered in the department.
<b>CHAMBER CHOIR</b> 10 Credits	10-12	Audition or instructor approval	This is an auditioned varsity-level mixed ensemble of 40 singers who have a strong desire to sing a variety of choral music. This high energy ensemble enjoys singing as ambassadors of music to the community of Hastings. Chamber Choir will be rehearsed with high expectations and will mainly be composed of juniors and seniors.
<b>MADRIGAL SINGERS</b> 10 Credits	10-12	Audition or instructor approval	This is an auditioned varsity-level mixed large ensemble of 16 singers who have a strong desire to sing high-level chamber and madrigal music. This high energy ensemble enjoys singing as the main ambassadors of music to the community of Hastings. Madrigal Singers will be rehearsed with highest expectations and will mainly be composed of juniors and seniors.
<b>SHOW CHOIR</b>	9-12	Audition Only <i>(Auditions are held in the spring for the following school year.)</i>	This is an auditioned mixed ensemble of singers/dancers who have a strong desire to perform Broadway and pop music. Due to the preparation required to combine music and visual elements into a high level product, this group is held to the highest standards in the vocal program. This high energy ensemble will meet entirely outside of school and will travel 5-7 weekends in the spring for competitions.

<p><b>STRING ORCHESTRA</b> 10 credits</p>	<p>9-12</p>		<p>Open to all string players, this group constitutes the core of the high school program with the focus on furthering the student's instrumental technique and exposure to literature as well as knowledge of ear training and music theory. This class provides the most vital experience for the high school orchestra member. Students present at minimum two concerts, participate in the District Music Contest, and are eligible to tryout for the Nebraska Music Educators Clinic Orchestra and other honor orchestras.</p>
<p><b>FULL ORCHESTRA</b> 5 credits/year</p>	<p>9-12</p>	<p>Students should be also enrolled in String or Chamber Orchestra, but this is not mandatory.</p>	<p>Membership to this group is open to all string players. This group meets twice per week (Tuesday and Thursday) at 7:00 a.m., after the conclusion of marching band season. Brass, woodwind, and percussion players are chosen by the band and orchestra directors. These members are eligible to participate in all the activities and programs listed for String Orchestra.</p>
<p><b>CHAMBER ORCHESTRA</b> 10 credits/year</p>	<p>10-12</p>	<p>Audition &amp; Instructor Permission</p>	<p>Our top performing string ensemble, Chamber Orchestra is a small auditioned string ensemble that focuses on standard string orchestra repertoire and high-level individual technical development. There are high performance expectations, as the group will serve as musical ambassadors to our community. Students are encouraged to audition for the NMEA All-State Orchestra and will have opportunities to perform in concerts, adjudicated events, honor orchestras, and in solo, chamber, and large ensemble formats.</p>

**Band Students who, by required audition, *do not or cannot meet the most minimal standards and requirements* for entry into the High School Band, should consider other electives.**

**Band by yearly audition, will be divided into the Concert Band and Symphonic Band classes:**

<p><b>SYMPHONIC BAND</b> 10 credits</p>	<p>9-12</p>	<p>Audition or permission of instructor</p>	<p>This ensemble is the top-performing ensemble in the program, and enrollment in this ensemble is by instructor permission based on individual student auditions. This ensemble plays a wide variety of classical and contemporary wind band literature. The music performed in this ensemble is designed to enhance the overall musical experience of students who demonstrate an advanced level of musical proficiency. The Symphonic Band performs several concerts for the public beginning late in the fall season.</p>
<p><b>CONCERT BAND</b> 10 credits</p>	<p>9-12</p>	<p>Audition or permission of instructor</p>	<p>Concert Band is open to any wind or percussion player wishing to enhance their musical skills. This ensemble plays a wide variety of classical and contemporary wind band literature. The music performed in this ensemble is designed to enhance the musical ability of all students enrolled in the course. The Concert Band performs several concerts for the public beginning late in the fall season.</p>
<p><b>MARCHING BAND</b></p>	<p>9-12</p>		<p>This course involves all wind and percussion players in the program, as well as those persons who audition successfully into the Colorguard. The Marching Band provides exposure to styles of music not normally associated with any other performing ensemble. This ensemble performs in parades, marching contests, and selected home football games throughout the Fall season. Due to the involvement of every student in the program, and the preparation required to combine musical and visual elements into a high level product, time as a group and as an individual outside of the normal school day is necessary.</p>
<p><b>JAZZ BAND</b> 5 credits/year</p>	<p>9-12</p>	<p>Audition or permission of instructor</p>	<p>This ensemble is an advanced, enrichment course that explores those styles of music not normally associated with the concert or marching bands. Students will trace the jazz influence on all forms of music, with added emphasis on music of the “Big Band Era.” The focus of this ensemble will be on jazz styles, and skills needed for jazz improvisation. This class meets during period 1 Monday, Wednesday, and Friday beginning <b>second</b> quarter.</p>

<p><b>SMALL GROUPS AND SPECIAL PERFORMING ENSEMBLES</b></p>			<p>These ensembles include the study of solo literature, chamber music ensembles, and small visual performing ensembles. These include woodwind ensembles, brass ensembles, small jazz combos, percussion ensembles, Winterguard, and Winter Drumline. Elements of music are approached with increasing difficulty and this presents challenging, interesting, and enriching opportunities. Solo and group contests provide opportunities for students to receive constructive criticism geared toward providing suggestions for musical growth.</p>
<p><b>AP MUSIC THEORY</b> 10 credits</p>	<p>11-12</p>	<p>Must have prior enrollment in an HHS <b>band, orchestra, or choir</b> class/or equivalent transfer experience.</p>	<p>This is a rigorous academic course focused on the written and aural aspects of music. Students in this class will study the fundamentals of written music as they apply to composition, performance, and analysis. Students will be able to understand the construction of a variety of harmonic structures and common musical forms, develop aural skills as they apply to musical competency, and create music in several traditional musical styles. Students who wish may decide to take the College Board Advanced Placement Music Theory Exam, for which this course should prepare them. Students should be able to read traditional musical notation in at least one clef, and should also have an understanding of basic musical fundamentals gained through either performance-based courses or through private study. Enrollment is limited to juniors and seniors. <b>AP credit available</b></p>

# PHYSICAL EDUCATION

\*Semester class

\*\*Grade of A in Weight Training I with instructor approval

# **PHYSICAL EDUCATION**

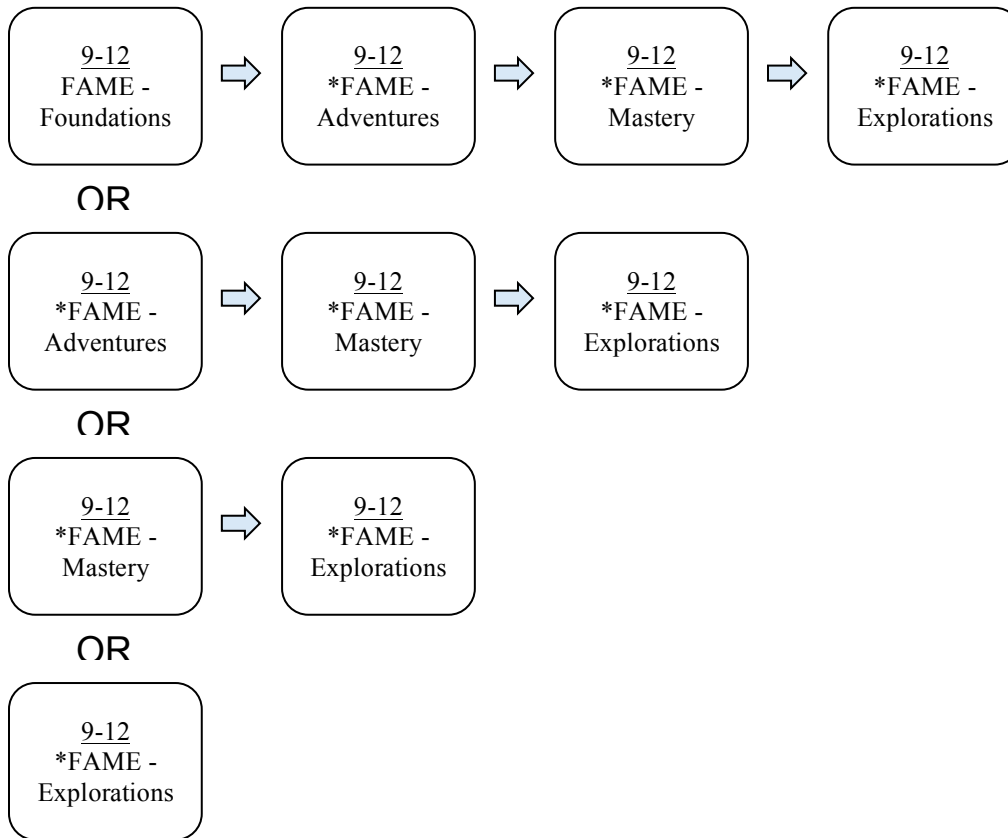

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>PHYSICAL EDUCATION I</b> 5 credits	9-10		<p>This class is intended to teach the student concepts of fitness, strength training, and health which will enable them to develop healthy lifestyle habits. Fitness/cardiovascular activities and strength training/flexibility will be graded on cooperation, attendance, participation, and effort. The Health section will be graded on projects and participation.</p> <p style="text-align: right;"><b>Graduation requirement</b></p>
<b>PHYSICAL EDUCATION II-- RECREATION/ SPORTS AND GENERAL FITNESS</b> 5 credits	10-12	Must pass Physical Education I	<p>This course will allow the student to build a foundation for lifetime fitness. The student will develop cardiovascular fitness, flexibility, and strength through a variety of fitness, recreational, sports and lifetime activities.</p> <p style="text-align: right;"><b>Graduation requirement</b></p>
<b>LIFE SPORTS</b> 5 credits	10-12	Physical Education I & II	<p>This class is intended to emphasize the value of lifelong fitness, and how to maintain it throughout life. Students will be introduced to rules, regulations, and strategies in a wide variety of activities the student may use during his/her leisure time.</p>
<b>ATHLETIC TRAINING CLINICAL</b> 5 credits	10-12	Application and admittance into the student athletic training program	<p>This course is designed to give students a hands-on approach to learning about athletic training and the field of sports medicine. This course will allow students to learn and apply skills related to the overall performance of an athlete. Students will focus skills around prevention, recognition, and rehabilitation of athletic injuries. Some topics include taping and prophylactics, wound coverage and first aid, treatment modalities, anatomy and physiology, medical terminology, and nutrition. In addition, students will learn how to organize the athletic training room and set up for events. Students will also provide medical services to a variety of sports during practices and games, and build relationships with athletes.</p>
<b>WEIGHT TRAINING I</b>	9-12		<p>This class is for the intro-level athlete who wants to gain a basic understanding of strength training.</p>

5 credits			Programs will be set up for the students that will increase their power, strength, size, speed, agility, and flexibility. Each class will be intense training with free weight and resistance machines. The workouts will consist of lifting, speed and agility work, and flexibility work.
<b>SPORTS PERFORMANCE</b> 10 credits	9-12	Grade of A in Weight Training I with instructor approval-- <b>9th graders may take</b> this class if they have taken part in our summer program and/or have approval from the instructor.	This course is for student-athletes who are serious about physical conditioning and strength training. This class is not for those students with a casual interest in improving their strength and movement abilities. This class is designed for those who aggressively seek improvement in balance, strength development, agility, quickness, speed and flexibility. It includes an overview of the physiological basis for strength and movement improvement and emphasizes safety. Students will be expected to follow the lifting program utilized by Hastings High School, attend class regularly, and demonstrate a commitment to physically improving their body.

# READING

All one semester classes

\*Teacher recommendation or FAME placement exam required

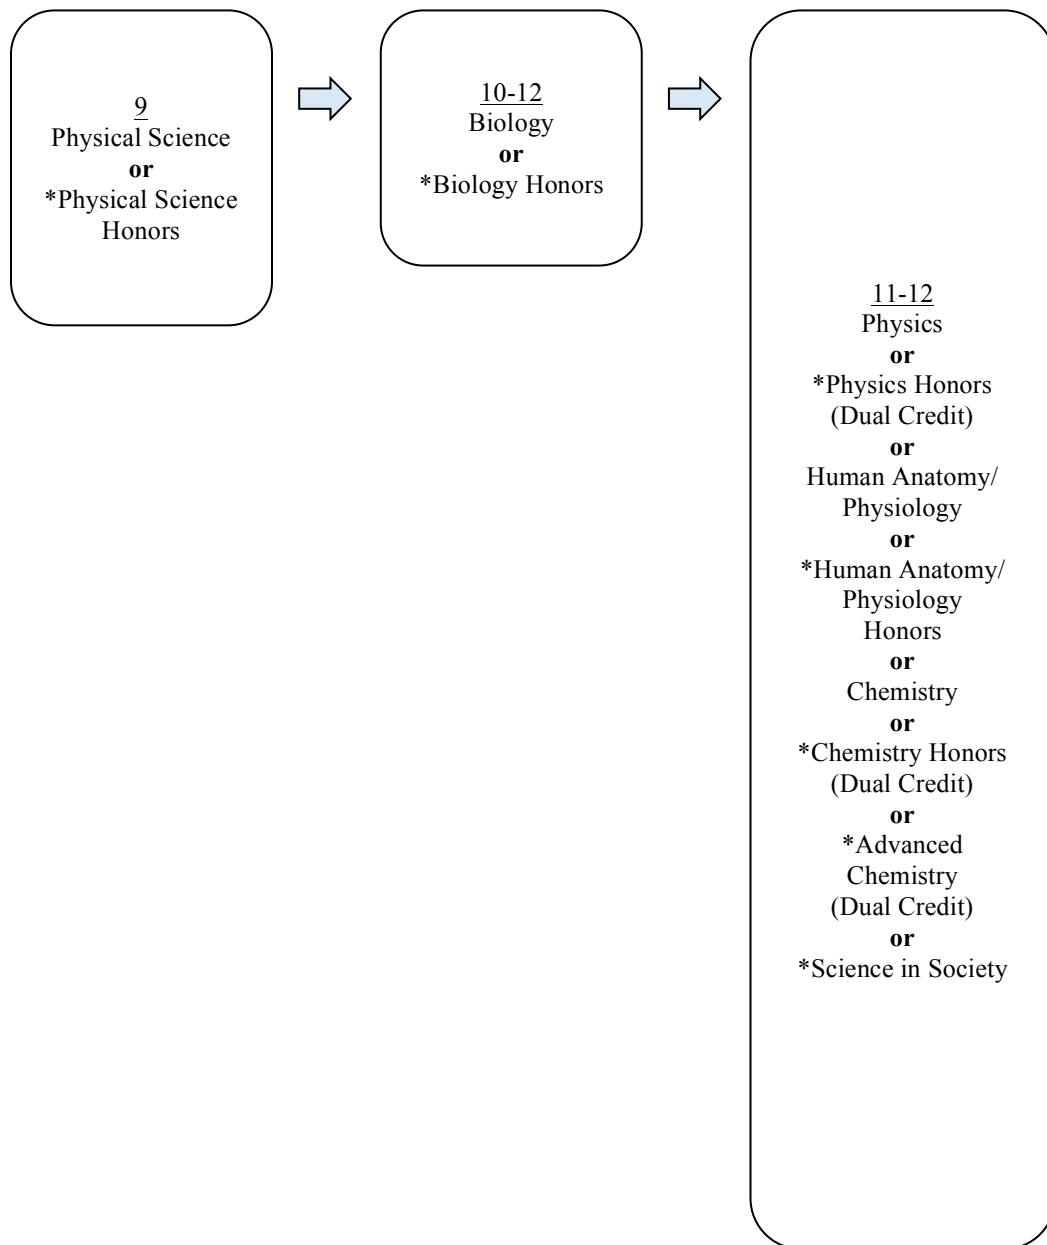

# READING

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>FAME FOUNDATIONS</b> 5 credits	9-12		In this course students will improve decoding skills using syllabication patterns and common word endings. This will be accomplished through a variety of spelling games, activities, and writing assignments. Students will also be introduced to a variety of reading materials and be able to choose books at their reading level to read with a partner.
<b>FAME ADVENTURES</b> 5 credits	9-12	Completion of FAME Foundations or FAME Placement Exam Score/Teacher recommendation	In this course students will increase basic vocabulary and build background knowledge in order to improve reading fluency and comprehension. This will be accomplished through a variety of vocabulary games, activities, and writing assignments. Students will also be introduced to a variety of reading materials and be able to choose books at their reading level to read with a partner or by themselves.
<b>FAME MASTERY</b> 5 credits	9-12	Completion of FAME Adventures or FAME Placement Exam Score/Teacher recommendation	FAME Mastery is a continuation of FAME Adventures with more advanced vocabulary introduced throughout the semester. Students will increase advanced vocabulary and build background knowledge in order to improve reading fluency and comprehension. This will be accomplished through a variety of vocabulary games, activities, and writing assignments. Students will also be introduced to a variety of reading materials and be able to choose books at their reading level to read with a partner or by themselves.
<b>FAME EXPLORATIONS</b> 5 credits	9-12	Completion of FAME Mastery or FAME Placement Exam Score/Teacher recommendation	In this course students will strengthen research, note-taking, and summarizing skills while building background knowledge. The goal of this course is to improve reading fluency, comprehension, and writing. This will be accomplished through a variety of self-selected researching activities, writing assignments, and reading materials.

# SCIENCE

\*Teacher recommendation required

# SCIENCE

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>PHYSICAL SCIENCE</b> 10 credits	9		This course covers motion, force, energy, and the composition and interactions of matter in the scale of a microscopic (atoms and molecules) to macroscopic (Newton's Laws of Motion). Key topics include units of measurement, kinematics, energy, light, states of matter, the Periodic Table and chemical reactions. This course is a prerequisite and lays the foundation needed to succeed in Biology, Chemistry, Physics, and Anatomy Physiology.
<b>PHYSICAL SCIENCE HONORS</b> 10 credits	9	Previous or concurrent enrollment in Algebra 1, teacher recommendation	This activity and laboratory-centered course will provide a fundamental background for the future honor science courses. Thinking and learning by doing is stressed throughout the course. Topics from the Physical Science description are covered in more depth. A student who has a good interest in science and plans to take many of the science courses at Hastings High School should take this course.
<b>BIOLOGY</b> 10 credits	10-12	Physical Science	Biology is a study of living things. Areas studied include the cell, cell functions, body systems, ecology, evolution, and inheritance. Students will gain an understanding of life processes and the interdependence that exists within ecosystems. The approach is laboratory oriented.
<b>BIOLOGY HONORS</b> 10 credits	10-12	Physical Science Honors, Algebra 1, sophomore standing or written permission of instructor	Honors Biology will use the NGSS standards to guide through a solid college preparatory curriculum. Students will spend some time on the foundations of Biology (Chemistry/Biochemistry) followed by an intense study of the biology of the cell. Students will be engaged in lab experience focusing on inheritance patterns and biotechnology. Evolution and Ecology will be studied as well. A little faster but more in-depth approach is taken the honors students. Students can expect homework and lab write-ups to be a part of this class.
<b>HUMAN ANATOMY/ PHYSIOLOGY</b> 10 credits	11-12	Biology	Human Anatomy/Physiology will be devoted to studying the 11 major systems of the body. Other topics covered will include the chemical basis of life, cells, tissues, and an introduction to medical terminology. This course will provide students an excellent introduction to body structure, function, and terminology.

<p><b>HONORS HUMAN ANATOMY/ PHYSIOLOGY</b> 10 credits</p>	<p>11-12</p>	<p>Biology Honors recommended or instructor approval--<b>also</b>, prefer that either Chemistry or Chemistry Honors has been taken previously or concurrently enrolled</p>	<p>This course is an accelerated class in Human Anatomy and Physiology that focuses on understanding the structure and function of the human body. During our class, we will explore each of the 11 human body systems, the components and the interdependence of each system to form an organism. In addition to the regular curriculum, the students are required to do a semester project, practicals, and create a Maniken. This course should prepare students for the <b>Biology Majors</b> in college.</p>
<p><b>PHYSICS</b> 10 credits</p>	<p>11-12</p>	<p>Algebra 1 or equivalent and Physical Science and concurrently enrolled in Geometry</p>	<p>Physics is the science that deals with matter and energy and the interaction between the two. It forms the foundation of all the other sciences. This course is designed to give the student a general overview of the many fields of physics including: motion and forces, mechanical energy, thermodynamics, fluid mechanics, waves, acoustics, optics, and electricity and magnetism. Students will be exposed to these ideas through various avenues including demonstrations, experiments, classroom discussions, and practice exercises. This course will challenge the students through higher level thinking processes. Students who have a general interest in science or who are preparing for college should take this course.</p>
<p><b>PHYSICS HONORS</b> 10 credits</p>	<p>11-12</p>	<p>"C" average or higher in Physical Science Honors, and students should have completed or be concurrently enrolled in Algebra/Trig Honors or Pre-Calculus</p>	<p>Physics is the basis for all other sciences. This course is recommended for students who intend to pursue a science related field in post-secondary education or who appreciate the connection between science and math. Students registering for physics should possess strong algebra skills. The class is highly lab oriented. Students will be required to perform experiments, make and interpret graphs, discover and apply principles, and develop problem-solving skills. <b>Dual credit available (NWU)</b></p>
<p><b>CHEMISTRY</b> 10 credits</p>	<p>11-12</p>	<p>Physical Science/Biology/ Algebra 2 (may be currently enrolled)</p>	<p>This course is recommended for students interested in going to college. Approximately 15 chapters including topics on methods, atomic structure, periodic law, chemical composition, gas laws and mass to mole relationships will be covered. There will be at least one demonstration or lab activity with each chapter designed to use the scientific methods and reinforce topics covered in the text. Students must also complete a demonstration of their choice for the class as a major project.</p>

<p><b>CHEMISTRY HONORS</b> 10 credits</p>	12	Algebra 2, Algebra-Trigonometry Honors with a "C" average or written permission of instructor	<p>Chemistry Honors is the study of matter, its properties, and the changes it can undergo is presented through theory, interpretation, lab application, and problem solving. This class is for college-bound students who may intend to pursue a career in a science or science-related field.</p> <p><b>Dual credit available (NWU)</b></p>
<p><b>ADVANCED CHEMISTRY</b> 10 Credits</p>	12	Honors Chemistry or Honors Physics	<p>This course highlights electron configurations, nomenclature, solutions, bonding, molecular shape, hybridization, gas laws, equilibrium, acids/bases, electrochemistry, and thermochemistry. It is designed for students who are majoring in science and health related fields in college. Includes labs.</p> <p><b>Dual credit available (CCC)</b></p>
<p><b>SCIENCE IN SOCIETY</b> 10 credits</p>	11-12	Physical Science S or Biology S/ resource teacher or principal recommendation	<p>This course will utilize current trends in science to review and increase knowledge and skills in life science, physical science, and earth science. A focus on practical application will be emphasized.</p>

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>INTRODUCTION TO ENGINEERING</b> 5 credits  NDE COURSE CODE: 100100	9-12	Basic knowledge of math	This course is designed for students interested in the field of drafting, engineering, or architecture. It would be beneficial to any student planning on entering any engineering or trade program upon graduation. Students will be introduced to the present drafting tools and techniques of using these tools. All basic types of drawings will be covered this year. Occupational areas related to drafting will be discussed so students have an awareness of job opportunities in the field. The computer aided drafting system will be introduced to the students so they will have an understanding of its menus and capabilities. This course is a prerequisite for additional engineering or architecture courses. <b>\$5 lab fee required</b>
<b>CAD</b> 5 credits	9-12	Introduction to Engineering	CAD is the continuation of the semester 1 class Introduction to Engineering. This course is designed for students interested in the field of drafting, engineering, or architecture. It would be beneficial to any student planning on entering an engineering program upon graduation. Students will be introduced to the present drafting tools and techniques of using these tools. All basic types of drawings will be covered this year. The course will also include a CAD/CAM machine unit to demonstrate CADs application to manufacturing. They will complete a simple machine project using CAD. Occupational areas related to drafting will be discussed so students have an awareness of job opportunities in the field. The computer aided drafting system will be introduced to the students so they will have an understanding of its menus and capabilities. This course is a prerequisite for additional engineering or architecture courses.
<b>ENGINEERING CONCEPTS</b> 10 credits  NDE COURSE CODE: 100161	10-12	Introduction to Engineering and CAD	This course is a follow-up for Introduction to Engineering. The basic areas previously covered will be worked with in more detail. We will also complete drawings in the areas of auxiliary, perspective, pattern development, and thread and fasteners. Students will spend time on the parametric and solid modeling CAD systems completing a required set of drawings. The course will conclude with students completing a set of working drawings based on industrial procedures using the CAD system. Engineering Concepts is also a prerequisite for Engineering Applications. <b>\$5.00 lab fee required</b>
<b>ENGINEERING APPLICATIONS</b> 10 credits	11-12	Engineering Concepts	Engineering Applications is a dual credit course offered jointly with Central Community College and Hastings Public Schools. Students will register as an early entry student at Central Community College to

<p>NDE COURSE CODE: 100163</p>			<p>participate in this course. In this course we will concentrate on detail drawings, pictorial presentation drawings, assembly drawings, and 3D Solids using the Autodesk Inventor and Solidworks CAD program in addition to Autocad software. Students will be introduced to engineering problem solving practices. Student will also learn how engineering applies to mechanical, electrical, and architectural fields. They will end the year by completing individual projects using the Solidworks and Inventor software. <b>\$5.00 lab fee required</b></p> <p><b>Career Pathways Credit (CCC)</b></p>
<p><b>ARCHITECTURAL DRAFTING AND DESIGN</b> 20 credits</p> <p>NDE COURSE CODE: 100141</p>	<p>12</p>	<p>Intro to Engineering, Engineering Concepts, and Engineering Applications <b>OR</b> instructor approval--only one vocational course permitted unless approved by the principal</p>	<p>Architectural Drafting and Design is a dual credit course offered jointly with Central Community College and Hastings Public Schools. Students will register as an early entry student at Central Community College to participate in this course. This drafting course is designed for any drafting student interested in the architectural engineering or architectural drafting fields. The course will involve the study of house designs, basic architectural styles, current construction techniques, and correct architectural drafting procedures. Students will design and draw two houses. One will be a square foot limitation and the other will be a house of student's own design with few limitations. Students will draw several house structures and a commercial structure. The software will include Autocad, Chief Architect, and Revit. <b>\$5.00 lab fee required</b></p> <p><b>Career Pathways Credit (CCC)</b></p>
<p><b>INTRODUCTION TO MANUFACTURING/ WELDING</b> 5 credits</p> <p>NDE COURSE CODE: 100100</p>	<p>9-12</p>	<p>Basic knowledge of math</p>	<p>Introduction to Manufacturing/Welding is designed for students interested in the fields of manufacturing and welding. This course will cover the common metals within manufacturing, and the elements needed to make certain metals. Students will participate in lab activities that will give them basic experience with the manual engine lathe, precision measurement equipment and welding. <b>\$25.00 lab fee required</b></p>
<p><b>ADVANCED MANUFACTURING 1</b> 15 credits NDE COURSE CODE: 100400</p>	<p>11-12</p>	<p>Introduction to Manufacturing/ Welding <b>AND</b> registrations will be reviewed by instructor--must pass Intro with a C or above</p>	<p>Precision Machining Processes will deal strictly with machine tools. A more in-depth study of the engine lathes, milling machines, and the surface grinders will be conducted. Computer Numerical Control (CNC) programming will be introduced. <b>\$25.00 lab fee required</b></p>

<p><b>ADVANCED WELDING</b> 5 credits</p> <p>NDE COURSE CODE: 101930</p>	10-12	Introduction to Manufacturing/Welding	<p>Advanced Welding will study the theory and practice of SMAW, MIG, and TIG welding. Oxyacetylene and plasma cutting processes will be covered. A study of the many welding symbols will take place. An individual or class welding fabrication project is required.</p> <p><b>\$25.00 lab fee required + cost for individual projects</b></p>
<p><b>ADVANCED MANUFACTURING 2</b> 15 credits</p> <p>NDE COURSE CODE: 101401</p>	12	Introduction to Manu/Welding <b>AND</b> registrations will be reviewed by instructor--only one vocational course permitted unless approved by the principal	<p>Advanced Manufacturing &amp; Design Technology is a dual credit course offered jointly with Central Community College and Hastings Public Schools. Students will register as an early entry student at Central Community College to participate in this course. AMDT is a much more detailed study of manufacturing and machining processes. Individualized skillful operations that each machine can perform will be covered and practiced. CNC lathe and mill G-Code will be covered in more detail. This course deals with achieving proficient postsecondary and industry level skills within manufacturing. Local career opportunities within manufacturing will be explored and discovered.</p> <p><b>\$25.00 lab fee required Career Pathways Credit (CCC)</b></p>
<p><b>BASIC CABINETRY</b> 5 credits</p> <p>NDE COURSE CODE: 1001000</p>	9-12		<p>Students will use hand and power tools in the construction of a cutting board and other lab activities. This course is an introduction to the table saw, planer, jointer, compound miter saw, other power tools, and numerous hand tools through written materials and demonstrations. Students are required to master each power tool in a safe manner. Students will be given an overview of materials and processes. Students will construct individual projects.</p> <p><b>\$10 lab fee required</b></p>
<p><b>ADVANCED FURNITURE CONSTRUCTION</b> 10 credits</p> <p>NDE COURSE CODE: 101920</p>	10-12	C or better in Basic Cabinetry  <b>AND</b>  <b>INSTRUCTOR APPROVAL</b>	<p>Students will be given a choice of furniture projects from several sets of plans. These include cedar and blanket chests, nightstands, coffee tables, and corner cabinets.</p> <p><b>\$25 lab fee goes toward the cost of the student's selected project. The student is responsible for the entire project cost.</b></p>

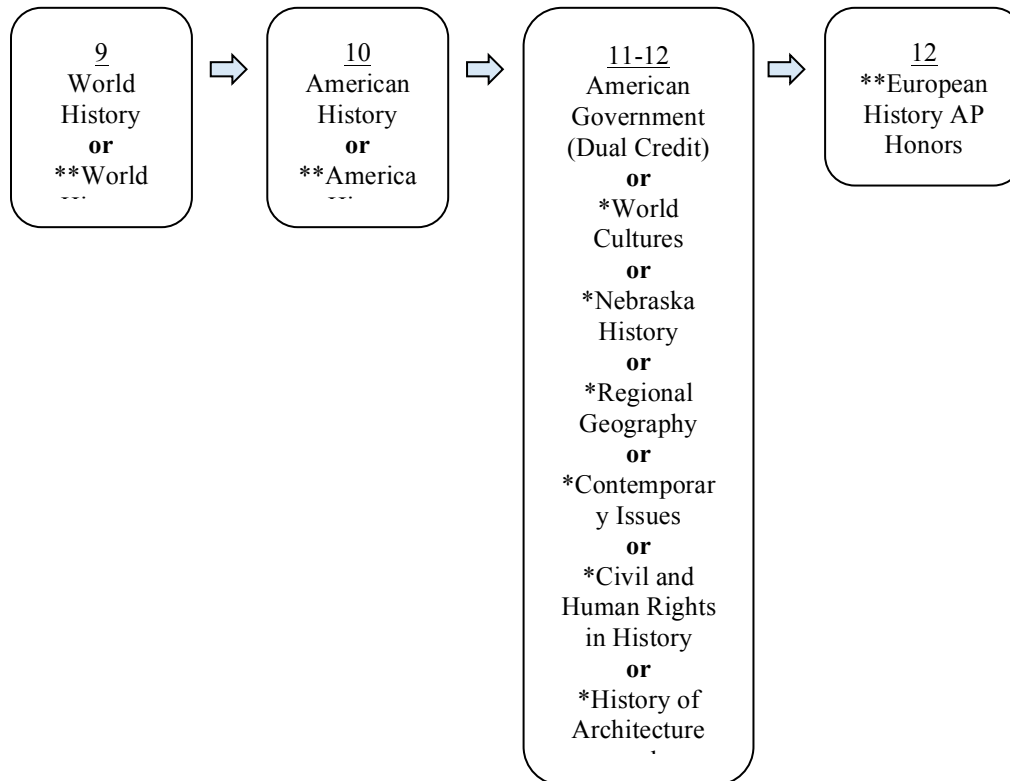

<p><b>BUILDING TRADES I</b> 10 credits</p> <p>NDE COURSE CODE: 100110</p>	10-12	C or better in Basic Cabinetry	<p>This course is designed to introduce students to the construction field, giving them a look into what a career within construction might look like. This course will cover general framing and construction of a structure, wiring, finish work, and cabinet-making.</p> <p><b>\$20 lab fee required</b></p>
<p><b>BUILDING TRADES II</b> 10 credits</p> <p>NDE COURSE CODE: 100120</p>	12	Construction Technology <b>AND</b> registrations will be reviewed--only one vocational course permitted unless approved by the principal--needs instructor signature	<p>Building Trades offers a general review of carpentry as an occupation with the basic principles of carpentry and house construction. The students will receive real world experience by traveling into the community to complete projects such as sheds, garages, and remodels while employing advanced woodwork techniques.</p>
<p><b>INTRODUCTION TO TRANSPORTATION &amp; LOGISTICS</b> 5 credits</p> <p>NDE COURSE CODE: 101620</p>	11-12		<p>This is a dual credit course offered jointly with Central Community College-Hastings. Students will register as an early entry student at Central Community College to participate in this course. This course is an introduction to many aspects of the transportation and automotive industries. Topics will include principles of combustion engines, general automotive concepts of purchasing, maintaining, and repairing, introduction to the systems of an automobile, concepts of the automotive service industry, and transportation and logistics. This course will consist of laboratory work, computer based learning and simulations, print resources, lecture, demonstration, and discussion.</p> <p><b>Career Pathways Credit (CCC)</b></p>
<p><b>VOCATIONAL AUTOMOTIVE &amp; TRANSPORTATION</b> 20 credits</p> <p>NDE COURSE CODE: 101630</p>	12	Introduction to Transportation	<p>Vocational Automotive and Transportation is a dual credit course offered jointly with Central Community College-Hastings. Students will register as an early entry student at Central Community College to participate in this course. This course will focus on understanding, maintaining, and repairing the systems of automobiles and other ground transportation vehicles. This course will consist of laboratory work, computer based learning and simulations, print resources, lecture, demonstration, and discussion.</p> <p><b>Career Pathways Credit (CCC)</b></p>

# SOCIAL STUDIES

\*Semester class

\*\*Teacher recommendation required

# SOCIAL STUDIES

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>WORLD HISTORY</b> 10 credits	9		World History is a course asking students to think critically about the events and issues that have shaped the world. There is no one single “story” in history. Instead, the combined experiences of millions of people from across time have come together to form societies and cultures of today’s world. The World History curriculum will begin with an examination of the Age of Exploration up to present times.
<b>WORLD HISTORY HONORS</b> 10 credits	9		World History Honors is a course asking students to think critically about the events and issues that have shaped the world. There is no one single “story” in history. Instead, the combined experiences of millions of people from across time have come together to form societies and cultures of today’s world. The World History curriculum will begin with an examination of the Age of Exploration up to present times. This course is more writing intensive than the regular course both in its assessment format and its daily work.
<b>AMERICAN HISTORY SINCE 1900</b> 10 credits	10		American History is a broad survey course covering the history of the United States, starting with the Progressive Era through contemporary America. Students will understand the social, political and economic development of the United States.
<b>AMERICAN HISTORY HONORS/ AP</b> 10 credits	10	Instructor’s permission	American History Honors/AP is a survey of U.S. history from the English colonization period to the present. The course is designed to be more intense than the American History course and requires active participation. The primary emphasis is on the study of political, economic, and diplomatic history and how they interrelate. Level of difficulty is approximately college freshman level. College credit can be obtained by passing the College Board examination.
<b>AMERICAN GOVERNMENT AND POLITICS</b> 10 credits	11-12		This course will emphasize the study of the government and political system in the United States. Areas to be covered will include the U.S. Constitution, the system of checks and balances in the U.S. government, a separate study of each one of the three branches of government, the Bill of Rights using case studies and simulations, and the American political and electoral system. <b>Dual Credit available (CCC)</b>

<b>EUROPEAN HISTORY HONORS/AP</b> 10 credits	12	Instructor's permission	European History Honors/AP is a challenging course that is designed to be the equivalent of a freshman college course in a high school setting. It is a year-long survey of European history from the Renaissance to the present. Solid reading and writing skills, along with a willingness to devote considerable time to homework and study, are necessary to succeed. College credit can be obtained by passing the College Board examination or through the Wesleyan Honors Academy. <b>Dual credit available (NWU)</b>
<b>REGIONAL GEOGRAPHY</b> 5 credits	11-12		Regional Geography will familiarize a student with the physical and cultural geography of Africa and Asia. Students will learn to use various maps of the regions and how the people of the regions use the land to their benefit. Current issues of the regions will be explored. At the end of the semester, each student will create an informative research project presentation.
<b>CONTEMPORARY ISSUES</b> 5 credits	11-12		Contemporary Issues will explore domestic and foreign issues that face the United States today. Curriculum will provide students the knowledge and skills to make sense of headlines. Extensive analysis and background information on key policy issues provide students with in-depth understanding. A pro/con format will stimulate debate in the classroom. This course is recommended for students with an interest in the challenges facing the United States at home and abroad.
<b>NEBRASKA HISTORY</b> 5 credits	11-12		The objective of this course is for all students to gain a fundamental understanding of their own state's history. Students will become familiar with the geographic, historical, cultural, political, and economic elements of Nebraska. Students will learn to make informed decisions and evaluate current issues regarding Nebraska.
<b>WORLD CULTURES</b> 5 credits	11-12		Religions have been, and continue to be, a central part of the human experience. Religion has influenced individuals, cultures and societies, inspiring some of the world's greatest artistic achievements, while influencing the development of history across the globe. Students will study the development of social phenomena and concepts over time, understand a diversity of religious beliefs, and practices and institutions in our nation and the world.
<b>CIVIL AND HUMAN RIGHTS IN HISTORY</b>	11-12		Students will explore various civil and human rights movements throughout American and world history. The course will emphasize civil rights in America, but

5 credits			will also cover the United Nations Declaration of Human Rights and various struggles for basic human rights throughout the world, currently and historically. The course will emphasize the social and political causes and effects of various movements in order for students to draw connections between movements occurring at different times and in different places.
<b>HISTORY OF ARCHITECTURE &amp; TECHNOLOGY</b> 5 credits	11-12		Students will survey the major architectural and technological achievements of world history and what they tell us about the cultures that created them. Sumerian, Egyptian, and Pre-Columbian American temples and tombs, Greek and Roman temples and arenas, Asian walls and tombs, medieval cathedrals, and French palaces are among the architectural gems to be studied. Technology will focus on advances that led to the modern world. Among these are the printing press, advances in navigation, weapons of war, and the inventions of the Industrial Revolution that brought prodigious change to the world.
<b>PSYCHOLOGY</b> 5 credits	11-12		This course focuses on the core concepts in psychology beginning with the use of the scientific method in research and the physiological basis for behavior. As an introduction to the field of psychology, this course includes perception, states of consciousness, memory and learning, consideration of psychological principles, terminology, major theories, and careers, methods of experimentation, and practical applications. Class time is divided between lecture, films, discussions, experiments, and demonstrations. During the semester, students take frequent unit tests, design, implement, and write a report on a social psychology experiment, and create a dream log with dream analysis and critique of that analysis.

## ***SPECIAL STUDENT SERVICES***

	RECOMMENDED		
COURSE TITLE	GRADE	PREREQUISITES	COURSE DESCRIPTION

<b>JOB TRAINING I</b> 10 credits/ semester	11-12	Permission of resource teacher and completion of careers class (exception must be approved by vocational teacher)	Assists students in determining areas of work interest and gain work skills. It is a non-paid work experience within the district/community. The purpose of this training is to teach students good work habits, work attitudes, and necessary job skills for his/her place of employment.
<b>JOB TRAINING II</b> 20 credits/semester	12+	Must be enrolled in Life Management class	Assists students in determining areas of work interest and gain work skills. It is a non-paid work experience within the district/community. The purpose of this training is to teach students good work habits, work attitudes, and necessary job skills for his/her place of employment.
<b>LEARNING LAB</b> 5 credits/semester	9-12	Permission of resource teacher	Learning Lab is designed to meet the individual needs of the special education student. Each student will have the opportunity to work on improving his/her math, reading, written language, and study skills. He/She will also be able to explore career interests by completing interest inventories.
<b>EL</b> 10 credits	9-12	Recommendation of ELL teacher	This course would provide EL instruction needed to allow EL students the opportunity to gain the language skills needed to perform in mainstream academic content areas. EL classes are for students whose native language is not English and who are recommended by the EL teacher, based on their initial language testing, to improve their initial language proficiency. Students may repeat this class.

# WORLD LANGUAGES

\*Teacher recommendation or Spanish placement exam

\*\*Teacher recommendation required

**In order for an incoming freshman to take two entry-level foreign language classes, a high recommendation from the foreign language instructor at the Middle School is required. Upon receiving a high recommendation from the middle school instructor, the two foreign language instructors at HHS that will be teaching the student must sign-off and recommend that the student take two entry-level foreign language classes. These recommendations will be given to the Guidance Office for enrollment to occur.**

**A sophomore, junior, or senior, may take two entry-level foreign language classes. The two foreign language instructors must sign-off and recommend that student take two entry-level foreign language classes at the same time. These recommendations will be given to the Guidance Office for enrollment to occur.**

# WORLD LANGUAGES

The HHS World Language program provides students with the opportunity to travel abroad and live with a host family in a French, German or Spanish-speaking country. Student participants must be juniors or seniors enrolled in level 3, 4, or Spanish for Native-Speakers. To be eligible for participation in the travel abroad program it is recommended that students begin their language study in 9th grade.

COURSE TITLE	GRADE	RECOMMENDED PREREQUISITES	COURSE DESCRIPTION
<b>FRENCH I</b> 10 credits	9-12		Level I is an introduction to the structure of the French language. Students acquire basic language constructions and vocabulary. Unlike the traditional grammar approach, students acquire language through storytelling and reading short passages and readers. Cultural information is interwoven in the readings and discussed throughout the year.
<b>FRENCH II</b> 10 credits	10-12	Completion of prerequisite level with a C or higher	Level II continues to develop basic language skills. It also expands on the grammatical understanding of the language. This is done through storytelling, reading short passages and readers, and increased grammatical study. Cultural information over sports/activities, holidays, and Paris monuments is also covered.
<b>FRENCH III</b> 10 credits	11-12	Completion of prerequisite level with a C or higher	Level III builds upon the basic language concepts acquired in the introductory level courses, expands cultural knowledge, and increases communication skills. Special emphasis is placed on the usage of the past tenses. Cultural information over schools and regions in France will be covered.
<b>FRENCH IV</b> 10 Credits	12	Completion of prerequisite level with a C or higher	Level IV builds upon the basic language concepts acquired in the introductory level courses, expands cultural knowledge, and increases communication skills. Special emphasis is placed on more advanced verb tenses. Reading of authentic French literature and cultural information about daily French life and art will be covered.

<b>GERMAN I</b> 10 credits	9-12		The first year German student will develop the basic language skills of listening, speaking, reading, and writing. The student develops these skills by engaging in basic conversation and through oral and written exercises. This course is also designed to help the student appreciate and understand the cultures of Germany, Austria, and Switzerland through the use of videos and online resources.
<b>GERMAN II</b> 10 credits	10-12	Completion of prerequisite level with a C or higher	The second year German student will continue to develop the skills learned in German I. Conversation is emphasized to give each student as much speaking practice as possible. Text material is read and discussed. Students will also continue to increase their knowledge of the structure of German through written exercises. Videos and online resources are used to develop an understanding of German culture.
<b>GERMAN III</b> 10 credits	11-12	Completion of prerequisite level with a C or higher	German III is the first in a two-part sequence of intermediate-level German, designed to build upon basic language concepts acquired in the introductory-level courses, expand cultural knowledge, and increase confidence while enhancing listening, speaking, reading, and writing skills. This is done through the use of German videos, feature films, online resources, authentic texts and multimedia projects.
<b>GERMAN IV</b> 10 credits	12	Completion of prerequisite level with a C or higher	German IV is a continuation of German III.
<b>SPANISH FOR NATIVE SPEAKERS</b>	10-12	Completion of prerequisite level with a C or higher	A course for students who already have an immersion background in the Spanish language. The

10 credits			class emphasizes academic reading and writing in Spanish, as well as learning about the culture through literature, history, holidays, customs and more. Students will grow in their use of Spanish in a formal register for academic and professional settings.
<b>SPANISH I</b> 10 credits	9-12		Spanish I is the introduction to the simple structure of the Spanish language. Students acquire basic language constructions and vocabulary. Unlike the traditional grammar approach, students acquire language through storytelling and reading short passages and readers. Students will also learn about the diverse cultures and customs in Mexico and other Spanish-speaking countries.
<b>SPANISH II</b> 10 credits	9-12	Completion of prerequisite level with a C or higher	This course is an extension of the development of basic language skills as well as an expansion of their grammatical understanding of the language. This is done through storytelling, reading short passages and readers, and increased grammatical study. Students will also learn about the culture of Chile and other Spanish-speaking countries and make comparisons to the United States.
<b>SPANISH III</b> 10 credits	9-12	Completion of prerequisite level with a C or higher	This course focuses on communication through listening, speaking, reading, and writing. Short stories, dialogues, and small group interaction are utilized to increase vocabulary and proficiency. Special emphasis is placed on the usage of the past tenses. <b>Dual credit available (NWU)</b>
<b>SPANISH IV</b> 10 credits	9- 12	Completion of prerequisite level with a C or higher	Spanish IV focuses on communication through listening, speaking, reading, and writing. Level-appropriate short stories, authentic resources, dialogues and small group interaction are utilized to continue increasing vocabulary and proficiency. Introduction and application of many new verb tenses is emphasized through thematic units. <b>Dual credit available (NWU or UNK)</b>

## DUAL CREDIT OPPORTUNITIES

Dear Hastings Senior High School student/parent:

Hastings Senior High provides several opportunities for students to earn college credit in high school. Your student has this opportunity in one or more areas listed below. Prices are subject to change at the discretion of the college or university.

Student must complete online registration at NWU website.

- \_\_\_\_\_ NWU—World Literature (\$95 x 6 credit hours)
- \_\_\_\_\_ NWU—European History (\$95 x 4 credit hours)
- \_\_\_\_\_ NWU—Chemistry Honors (\$95 x 4 credit hours)
- \_\_\_\_\_ NWU—Physics Honors (\$95 x 8 credit hours)
- \_\_\_\_\_ NWU—Spanish III (\$95 x 4 credit hours)
- \_\_\_\_\_ NWU—Spanish IV (\$95 x 4 credit hours)
- \_\_\_\_\_ NWU—AP Calculus AB (\$95 x 5 credit hours)

Student must complete online registration on UNK website and pay registration fee.

- \_\_\_\_\_ UNK—Spanish IV (\$75 x 3 credit hours)

Student must create an account and fill out the registration form received from teacher.

- \_\_\_\_\_ CCC—American Government (\$45)
- \_\_\_\_\_ CCC—Comm Arts (\$45)
- \_\_\_\_\_ CCC—Advanced Chemistry (\$45)

The Access College Early (ACE) Scholarship is a possible way to have the tuition cost for the class paid with a limit of **TWO** classes per semester. **Students who meet one of the following qualifications can submit an ACE Scholarship application** with the corresponding documentation. **Funding is limited.** The qualifications include:

- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- Food Stamps
- Special Supplemental Nutrition Program (WIC)
- Free/Reduced Lunches (need 2016-17 documentation)
- Other Extreme Hardship (must provide detailed documentation)

Students must also be a U.S. citizen or a permanent alien resident.

To apply for the ACE Scholarship, you will need to create an online account at <https://ecmp.nebraska.gov/CCPE-ACE/Account/Login>. You will create a new user account, and then log in and complete the registration screen. Complete the application, and you will need to upload the necessary documentation. **If you need help, see your counselor.**

Sincerely,  
Guidance and Counseling Staff

## **PERSONNEL**

### **Certificated Staff Resignations – Deann Smith**

The administration recommends acceptance of the following certificated resignation(s):

Deann Smith resigning from Speech Language Pathologist position effective the end of the 2020-2021 school year.

### **Extra Standard Release – Brenda Opbroek**

The administration recommends acceptance of the following extra standard resignation(s):

Brenda Opbroek released from Senior High Cheer Sponsor effective 12/08/2020.

### **Extra Standard Appointments – Suzanne Anstine, Ashley Caudill, Zach Runcie**

The administration recommends acceptance of the following extra standard appointment(s):

Suzanne Anstine to Assistant Girls Tennis position at Senior High. Position has been vacant since 2019-2020 school year. Ms. Anstine will be paid the Assistant Tennis stipend of \$3, 822.50 at Category I, Level 4 due to prior District tennis coaching experience, according to the 2020-2021 extra-standard salary schedule.

Ashley Caudill to Cheer Squad sponsor at Senior High to replace Brenda Opbroek. Ms. Caudill will be paid the Cheer Squad stipend of \$1,351.40 (pro-rated for January to May) at Category II, Level 1 according to the 2020-2021 extra-standard salary schedule. Information about Ms. Caudill is attached.

Zach Runcie to Assistant Girls Track at Senior High to replace Matthew Kissinger who resigned. Mr. Runcie will be paid the Assistant Track stipend of \$2,432.50 at Category II, Level 1 according to the 2020-2021 extra-standard salary schedule.

### **Classified Staff Transfers – Alex Griess, Joyce Schmidt**

The administration recommends acceptance of the following classified transfer(s):

Alex Griess from Bus Driver/Maintenance position to Head Mechanic/Maintenance position to replace Calvin Alberts who is retiring. Mr. Griess' wage will increase to \$22.00 per hour due to the new assignment. Pay increase is a change from the November consent agenda.

Joyce Schmidt from Library Paraeducator position at Senior High to Secretary 12 position at Senior High to replace Brenda Opbroek who was released. Ms. Schmidt's wage, hours, and benefits will be adjusted for the new assignment.

### **Classified Staff Resignations/Releases/Retirements – Susan Gregory, Brenda Opbroek,**

The administration recommends acceptance of the following classified release(s) /resignation(s)/ retirement(s):

Susan Gregory from Senior High Special Education-BD Paraeducator position effective December 18, 2020.

Brenda Opbroek released from Senior High Activities Secretary (Secretary 12) position effective 12/8/2020.

**Classified Staff Appointments – Zachary Houchens, Kelly Luvaas**

The administration recommends acceptance of the following classified appointment(s):

Zachary Houchens to temporary position at Senior High to assist in the Activities Office for the remainder of the school year. Mr. Houchens will be paid the starting wage for Secretary 12. Information about Mr. Houchens is attached.
