Local substitutes are limited to 90 days per year in the school district on an intermittent basis. We have been using local substitutes in the past, but the Department of Education requires board minutes validating local substitute certificates.

VII.A. Principals Reports

Information Item

Building Principals

PreSchool and 3-5 Principal's Report: Mr. Comley

Program/Staff Spotlight: This month I would like to highlight Ingrid Rodriguez and Meridith Riha.

During the start of school there were a lot of small items and little details that they both helped with. They stepped in with no questions and helped SES run smoothly. They continue to go above and beyond. Thank you Ms Rodriguez and Mrs Riha!

SES K-2 Principal's Report: Mrs. Neesen

Staff Member Spotlight: This month I would like to highlight the teacher's who volunteered to be in our first Discovery Education Innovator program. The volunteer Innovators are Sarah Gahan (Kindergarten), Megan Reinert (First), and Abby Krueger (Second), Tonia Heard (Third), Adam Robinson (Fourth), and Nadia Morales (Fifth). These teachers have shown the drive to better SES and student learning. Thank you for your dedication in progressing our students!

Fisher's & Richland Principal's Report: Ms. Bebout

Staff Member Spotlight: I would like to highlight my staff at Fisher's & Richland. This year has been an interesting year to say the least. Fortunately, I have very dedicated teachers and paraprofessionals. Due to the dedication of my staff the students have had a great start to the school year. We have already had STAR 360 testing at both schools and teachers are using the data to start interventions with students who have achievement gaps. Being short staffed and having students gone for extended periods of time causes its own unique set of problems, but my staff have been problem solvers and have all stepped in and helped out. I am proud to be the principal of these two schools!!!

SMS Assistant Principal's Report: Mr. Banahan

Staff Member Spotlight: For my staff spotlight, I would like to recognize Mrs. Amanda Richards. Mrs. Richards did a great job of using an anticipatory set to get students into the right mindset for her class. Students read the excerpt "Escape for Afghanistan" from the book "The Other Side of the Sky" by Farah Amedi. In this chapter, the character in the book had to try to escape from Afghanistan, and she was faced with various challenges and unfair advantages to gain access to a nearby country. To set this up Mrs. Richards, had talked to her "R-Time" students ahead of time and told them they would be considered the "Chosen Ones", and when she said that to her students who were lining up outside of class, they were allowed access to the classroom. Then the others, who were not chosen, had to pass through obstacles to be granted access to the classroom. Once in the classroom, the students completed a bell ringer that was "to journal about their experience of entering the classroom". This allowed them to describe how they were feeling in that time and situation. Students were able to reflect on this throughout the week as they went back and read the excerpt and compared it to how they felt and could base it on personal experience. They did this through the week to see if their experience changed their perspective as they read the memoir by Farah Amedi.

SMS Principal's Report: Mr. Zavadil

Program Spotlight: School is underway and it is definitely different and very challenging, but the staff at Schuyler Middle School is doing a great job adjusting every day and doing great. I would especially like to highlight the work of our office staff. Carol Reha has been working hard to help with new COVID-19 protocols. Our new STEM LC program is off the ground and running. We had a kick-off event with community earlier in the Month and our Kickoff event with our teachers on Friday. We have four teachers assigned as leaders for the building and are excited to get started. The four teacher leaders that are on STEM LC are:

6th Science— Kasey Nolan

7th Math— Odalys Cruz8th

8th English/Language Arts— Samantha Ladwid
Newcomers— Evelyn Recinos

Staff Member Spotlight: I would like to also Highlight the work of Mrs. Maxwell in the special education department. This is her second year at SMS and she is really hitting her stride with the students. She is very organized and builds fantastic relationships with her students and her commitment to our students is outstanding. I am very glad to be working with her.

Upcoming Events: The Middle School will be finishing our MAP tests and STAR assessments this week and will be starting our academic enrichment time Friday. This is a time where teachers create small groups of students in order to bring them up to speed on particular standards that we are working to ensure as a building. This requires extra work out of our teachers, but with the leadership of our school improvement team our building is very excited to put in this extra time with our students. We also will start using Accelerated reader later this month and will be receiving professional development for that already.

SCHS Assistant Principal's Report: Mr. Kasik

Program Spotlight: I would like to spotlight our Business Department. They are led by a strong group of veterans in Lyn Beebe, Tom Nelson and Robbi McKenney. This is a steady group that provides a very well rounded Business Program for our school.

Staff Member Spotlight: For person spotlight I want to recognize Kim Powell. Mrs. Powell is our go-to person with data and infinite campus. She is a worker and a problem solver. Her work with our district is invaluable.

Upcoming Events: We continue to complete a number of construction projects and everyone brings us closer to a more efficient school. The upgrades are really exciting. I did get to do two High School tours over Labor Day. The classes of "80" and "85" were very impressed with our recent changes.

SCHS Principal's Report: Mr. Grammer

Program Spotlight: Our high school has for the past few years been under construction and our custodial crew and food service crews have worked hard to develop a solid, strong, departments. This year has been a very challenging start to the school year. With the school not completely finished at the start of school, both of these crews had to be flexible and adapt to the challenges presented to them. On the opening week of the high school both food service and custodial crews were ready to serve 600 high school students their breakfast and lunch. They are also ready to keep our new cafeteria clean and presentable. That is the best possible scenario for the beginning of school year. Thank you to our Custodial and Food Service crews for a job well done.

Staff Member Spotlight: The staff members to be recognized for their diligent work in the high school this month are Jamie Rameriz, Joy Jenkins, Juan Melendrez and Matt Wachal. These four staff members have worked hard to develop a strong and viable food and custodial programs at the high school. They have done such a great job at building strong programs at the high school that they have strong crews at the middle school and elementary school. They have shown tremendous improvement over the past few years. They come to school every day with energy and enthusiasm. They always come to school with a positive attitude and strong work ethic. Congratulations to Jamie, Joy, Juan, and Matt for developing and implementing sustainable programs. Keep up the good work and continue to build successful programs at SCS.

Event Highlight: On Friday, September 18th at SCHS, we will be presenting the Homecoming game followed by the introduction of the Homecoming royalty, finished by the Homecoming dance.

Motion to approve 2020-21 calendar changes as presented. Passed with a motion by Virginia Semerad and a second by Mynor Hernandez.

Directors

SES K-6 Youth Sports Director's Report: Mrs. Neesen

Due to COVID-19 concerns, Youth Sports has been put on hold until after Labor Day. We will be visiting different options for our Junior Warriors athletes.

Warrior Academy - After-School Program Director's Report: Ms. Bebout

Spotlight Program: Warrior Academy began on August 24th. This year with the restrictions we limited sign-up making sure we could have small groups and limited whole group interactions. Luckily we have not had to turn anyone away. We have enough staff at this time to enroll all students who have signed up. Many changes had to be made with the new restrictions, but they are working. Kimmi, Guadalupe, and Kathy have done an excellent job with the help of the administrators to make sure the students are still enjoying their clubs, but are also being safe.

SMS Activities Director's Report: Mr. Banahan

Spotlight Program: SMS Athletics have started up for the fall sports season! We have three sports up and running, with football, volleyball, and cross country. Currently we have 40 runners for Cross Country, 19 boys (10 - 8th graders and 9 - 7th graders) and 21 girls (6 - 8th graders and 15 - 7th graders). For football we have 40 athletes playing this fall (18 - 7th graders and 22 - 8th graders). For volleyball we have 44 girls out this season with 21 being 8th graders, and 23 being 7th graders.

Spotlight Upcoming Events: We recently had our first home football games, against Crete in which our 7th Grade fought hard the whole game, but came up short 20-8. In the 8th grade game, we battled the whole game, and then edged out an 8-0 victory in overtime! We had a successful home Cross Country meet as well with our middle school girls winning the invite, and our warrior boys finishing runner-up in the invite. We had our first volleyball game against Raymond Central, the seventh grade defeated the Mustangs in 3 sets, and our 8th grade fought hard the entire game against a very good Raymond Central team. The next events for us here at the Middle School include volleyball @ Clarkson-Leigh, 8th grade football @ David City, and for Cross Country we will be heading to Wahoo, which all take place on September 10th.

SCHS Activities Director's Report: Mr. Kasik

Program/Staff Member Spotlight: I would like to spotlight our Marching Band and Flags program. While most of their competitions have been cancelled or modified due to Covid 19, they have been working extremely hard and sounding really well. This group is led by Paul Niedbalski, Morgan Semerad and Ryan Baldwin.

Staff Member Spotlight: The person spotlight I want to recognize Cortland Cassidy. Mr.

Cassidy is a 2nd year Head Cross Country Coach leading a girl's team that won their first invitational at Logan View this year and finished 2nd at our Schuyler Invite. This team is doing great things under his leadership.

Upcoming Events: We are well underway with our fall events and have hosted 11 home events in every sport. We are working through our protocols and things have run pretty smoothly up to

this point. The week prior to Labor Day we saw our Boys CC team finish 1st, our Girls CC team finish 2nd, our Varsity VB team beat Cornerstone Christian and our V. Football team beat DC West on Friday night, it was a great week!

Student Services Director's Report: Dr. Lefdal

Program Spotlight: I would like to highlight our newcomers program that was started this year. Joel Carrillo and Brandi Zavadil are leading the program. Joel is the lead teacher and is supported by Mickaela Vazquez, Mary Du Planti, and Janett Diaz. The year is off to a great start! The program was developed to increase English language learning at a faster rate so our Newcomers can be more competitive in the regular classroom. It has been exciting to see all of the work that the team is accomplishing.

Notable Topics: It is exciting to see how great our building looks. The additions and changes that have taken place at the high school are nothing short of amazing. I cannot wait to see the completion of all of our projects.

Looking ahead: I am excited to continue work on our priority plan and what we can do to continue improving attendance in our high school during the pandemic.

Instruction, Curriculum, and Assessment, Director's Report: Dr. Gibbons

Program Spotlight: I would like to spotlight our use of fall benchmark assessments of our students. While standardized testing gets a bad rap sometimes, it is all in how you use the information that you get. Students have completed the Star Reading and Star Math assessments and will be completing the fall MAP assessments in Reading, Math and Science soon. The leadership team in each building will use this information to set school improvement goals. Individual grade levels and teachers will use this information to adjust their scope and sequence or make adjustments to their teaching and learning activities in order to help students be more successful in their classes. At the K-3 level, the MAP Reading assessment is also used to fulfill the requirements of the Nebraska Reading Act.

Spotlight Upcoming Events: Since state testing did not happen last year, the state has made special arrangements with ACT to provide this year's seniors an opportunity to take the ACT for free in their school. We will give seniors the ACT on Sept. 22. This will not be used for accountability purposes, but will allow us to see how students are doing and will give students who may not have taken it on their own a free chance to take it. We will also give this year's juniors the Pre-ACT and use the data from that assessment to guide their instruction between now and next April when they take the ACT state test.

STAFF CONDUCT WITH STUDENTS

The Board expects all staff members, including teachers, coaches, counselors, administrators, and others to maintain the highest professional, moral, and ethical standards in their conduct with students. For the purposes of this policy, staff members also include school volunteers. The term “students” excludes a staff member’s immediate family members.

The interactions and relationships between staff members and students should be based upon mutual respect and trust; an understanding of the appropriate boundaries between adults and students in and outside of the educational setting; and consistency with the educational mission of the schools.

Staff members are expected to be sensitive to the appearance of impropriety in their conduct with students. Staff members are encouraged to discuss issues with their building administrator or supervisor whenever they are unsure whether particular conduct may constitute a violation of this policy.

Unacceptable Conduct

Examples of unacceptable conduct by staff members include but are not limited to the following:

- “Grooming,” which includes building trust with a student and individuals close to the student in an effort to gain access to and time alone with the student, with the ultimate goal of engaging in sexual contact or sexual penetration with the student, regardless of when in the student's life the sexual contact or sexual penetration would take place;
- Any type of sexual or inappropriate physical contact or engaging in a dating or romantic relationship with a student or former student within one year of the student’s graduation or end of enrollment, or any other conduct that might be considered harassment under Board policies;
- Singling out a particular student or students for personal attention and friendship beyond the normal teacher-student relationship;
- Associating with students in any situation or activity that includes the presence of alcohol, drugs, or tobacco or that could be considered sexually suggestive;
- For non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to be supportive but to refer the student to appropriate guidance/counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance;

STAFF CONDUCT WITH STUDENTS

The Board expects all staff members, including teachers, coaches, counselors, administrators, and others to maintain the highest professional, moral, and ethical standards in their conduct with students. For the purposes of this policy, staff members also include school volunteers. The term “students” excludes a staff member’s immediate family members.

The interactions and relationships between staff members and students should be based upon mutual respect and trust; an understanding of the appropriate boundaries between adults and students in and outside of the educational setting; and consistency with the educational mission of the schools.

Staff members are expected to be sensitive to the appearance of impropriety in their conduct with students. Staff members are encouraged to discuss issues with their building administrator or supervisor whenever they are unsure whether particular conduct may constitute a violation of this policy.

Unacceptable Conduct

Examples of unacceptable conduct by staff members include but are not limited to the following:

- “Grooming,” which includes building trust with a student and individuals close to the student in an effort to gain access to and time alone with the student, with the ultimate goal of engaging in sexual contact or sexual penetration with the student, regardless of when in the student's life the sexual contact or sexual penetration would take place;
- Any type of sexual or inappropriate physical contact or engaging in a dating or romantic relationship with a student or former student within one year of the student’s graduation or end of enrollment, ~~with students~~ or any other conduct that might be considered harassment under Board policies ~~the Board's policy on Harassment By Employees;~~
- Singling out a particular student or students for personal attention and friendship beyond the normal teacher-student relationship;
- Associating with students in any situation or activity that includes the presence of alcohol, drugs, or tobacco or that could be considered sexually suggestive;
- For non-guidance/counseling staff, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, staff members are expected to be supportive but to refer the student to appropriate guidance/counseling staff. In either case, staff involvement should be limited to a direct connection to the student's school performance;
- ~~Sending students on personal errands;~~

~~• Sexual banter, allusions, jokes, or innuendos with students;~~

~~• Asking a student to keep a secret;~~

COMMISSIONER'S GUIDANCE ON INSTRUCTIONAL HOURS

A handwritten signature in white ink, reading "Matthew L. Blomstedt".

Matthew L. Blomstedt, Ph.D.
Commissioner of Education

Commissioner's Guidance on Instructional Hours

Rules 10 and 14

Topic Summary: Flexibilities for Instructional Hours

Issue Date: October 2, 2020

Expiration Date: June 30, 2021

The State Board of Education, in the [Rule 62 declaratory order](#), directed the Commissioner to promote innovation and provide reasonable flexibility and guidance on the provisions of Rule 10 and Rule 14 for the 2020-21 school year to school systems and school districts.

Therefore, the Commissioner is providing reasonable flexibility for school systems and school districts as it relates to instructional hours. School systems and school districts may utilize instructional hours for additional professional learning, teacher and/or staff work time, or time for teachers to consult with parents/caregivers. Up to 12 hours per quarter (or 24 hours per semester or 48 hours per school year) may be used for those purposes. These hours should be used throughout the 2020-2021 school year and are not intended to shorten the semester or the school year. If school systems need to adjust because of COVID-19 impacts, other accommodations can be made.

Other compelling reasons for not meeting instructional hours this year due to COVID-19:

- Significant disruptions in regular school operations
- Difficulty tracking instructional hours for remote and hybrid learning environments
- Need for parent/guardian engagement with teachers or parent-teacher conferences

Each district that does not meet instructional hour requirements or chooses to use the option detailed above will still need to complete and submit an affidavit at the end of the year detailing the specifics of their case, and outlining all efforts made to reach the instructional hour/unit requirements.

During the school year, decisions impacting scheduling and modalities for learning should be documented thoroughly to ensure ease in completing the affidavit.

Yo Karina Reynoso, escribo esta carta para agradecer a las escuelas Comunitarias de Schuyler NE, por la oportunidad que me brindaron para formar parte de su equipo, el trabajo que estuve realizando me pareció increíble, me gusta trabajar con los niños, y me gustan los beneficios que obtienes en este trabajo, lo único que a mí no me funciona en este momento es la paga, me voy a mi antiguo trabajo por que me ofrecieron un aumento, y en esta etapa de mi vida, necesito el dinero. es un bien para mi y mi familia.

Espero pronto volver y vuelvan a confiar en mí.

Muchas Muchas GRACIAS!!!

Karina Reynoso.
