3. **Building, equipment, and supply care:** Please leave your area at the end of the day as you found it in the morning. Teaching this to your students is important. Lets make sure we do a great job of taking care of the buildings, materials and supplies entrusted to you.
4. **Purchasing:** Our requisition program is for bulk purchasing in the spring. We will provide consumable items at each building for staff. If you have items in your possession from the past, please bring them to the office in your building and they will add it to the central supply closet. For new staff, unforeseen items and time sensitive materials and supplies, you must submit a purchase order and receive approval prior to purchasing the item.

You can begin this update after Labor Day and complete it prior to October 1<sup>st</sup>.
7. **Activity Passes:** Your employee identification badge will also serve as your activity pass to regular home activities. These passes may be used to access to the Field House outside of regular school hours. All employees may be asked to assist at up to 3 activities. If you are scheduled to work and have a conflict, you must find your own substitute and let the office personnel know of your replacement. The **adult pass is \$40** and **senior citizen pass is \$20**. **Student passes are \$10**. For students in grades 6-12 this is a required fee and must be collected or waived.
8. **Transportation: Morning and afternoon bus routes start Monday, August 15<sup>th</sup>.** Staff members who have transportation requests must complete the request on the FileMaker Transportation system. If you drive a school vehicle, you must have a transportation form on file prior to driving the vehicle. There are gas cards in the vehicle folder along with a mileage log.
