Source: Laws 2004, LB 821, § 34.

84-1408. Declaration of intent; meetings open to public.

It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

Annotations

- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- A county board of equalization is a public body whose meetings shall be open to the public. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1409. Terms, defined.

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of

having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- Although the Open Meetings Act does not define "subcommittee," a subcommittee is generally defined as a group within a committee to which the committee may refer business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- The Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until the moment the public is invited to comment on a proposed policy. By excluding nonquorum subgroups from the definition of a public body, the Legislature has balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or

- An agenda which gives reasonable notice of the matters to be considered at a meeting of a city council complies with the requirements of this section. *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979).
- When notice is required, a notice of a special meeting of a city council posted in three public places at 10:00 p.m. on the day preceding the meeting is not reasonable advance publicized notice of a meeting as is required by this section. *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979).
- Teacher waived right to object to lack of public notice in board of education employment hearing by voluntary participation in the hearing without objection. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).
- A county board of commissioners and a county board of equalization are not required to give separate notices when the notice states only the time and place that the boards meet and directs a citizen to where the agendas for each board can be found. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- A county board of equalization is a public body which is required to give advanced publicized notice of its meetings. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Notice of recessed and reconvened meetings must be given in the same fashion as the original meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- True notice of a meeting is not given by burying such in the minutes of a prior board proceeding. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- An agenda notice which merely stated "work order reports" was an inadequate notice under this section because it did not give interested persons knowledge that plans for a 345 kv transmission line through the district was going to be discussed and voted upon at the meeting. Inadequate agenda notice under this section meant there was a substantial violation of the public meeting laws; however, later actions by the board of directors cured the defects in notice, and such actions were in substantial compliance with the statute. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the instate location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

Annotations

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs

earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

Annotations

- If a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).
- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943,

and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Annotations

- The Legislature has granted standing to a broad scope of its citizens for the very limited purpose of challenging meetings allegedly in violation of the Open Meetings Act, so that they may help police the public policy embodied by the act. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010).

- Any citizen of the state may commence an action to declare a public body's action void. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).
- The reading of ordinances constitutes a formal action under subsection (1) of this section. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).
- If a person present at a meeting observes a public meetings law violation in the form of an improper closed session and fails to object, that person waives his or her right to object at a later date. *Wasikowski v. Nebraska Quality Jobs Bd.*, 264 Neb. 403, 648 N.W.2d 756 (2002).
- Under the Public Meetings Act, a county lacks capacity to maintain an action to declare its official conduct "void" for noncompliance with the act. *County of York v. Johnson*, 230 Neb. 403, 432 N.W.2d 215 (1988).
- When a petitioner under this section is successful in the district court, that court may allow attorney fees. *Tracy Corp. II v. Nebraska Pub. Serv. Comm.*, 218 Neb. 900, 360 N.W.2d 485 (1984).
- Informal discussions between the Tax Commissioner and the State Board of Equalization in which instructions were clarified, with such clarification leading to the amendment of hearing notices, did not constitute a public meeting subject to the provisions of this section. *Box Butte County v. State Board of Equalization and Assessment*, 206 Neb. 696, 295 N.W.2d 670 (1980).
- The right to collaterally attack an order made in contravention of the Public Meeting Act must occur within a period of one year as is specifically provided by this section. *Witt v. School District No. 70*, 202 Neb. 63, 273 N.W.2d 669 (1979).
- Statutory change, requiring "publicized notice" for board of education employment hearings, occurring between dates meeting scheduled and conducted, held not to void proceedings. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).
- Voiding an entire meeting is a proper remedy for violations of the Open Meetings Act. Once a meeting has been declared void pursuant to Nebraska's public meetings law, board members are prohibited from considering any information obtained at the illegal meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Actions by the board of directors were merely voidable under this section, and not void. Pursuant to subsection (3) of this section, the plaintiffs were awarded partial attorney fees because they were successful in having the court declare that the board of directors was in substantial violation of the statute, even though the plaintiffs did not get the relief requested of having the board's actions declared void. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

Hola familias de la comunidad Schuyler,

Al concluir nuestro primer semestre de 2023-2024, publicamos este informe anual para su revisión. El propósito de este informe es resaltar también nuestros éxitos y comunicar áreas de mejora. Primero, permítanme comenzar agradeciendo a todos por ser tan acogedores en mi transición a Schuyler. Esta es una gran ciudad y un lugar maravilloso para vivir. Lo que más me enorgullece de liderar el Distrito Escolar Comunitario de Schuyler es el apoyo de nuestra comunidad, la dedicación de nuestro personal y la calidad de nuestros estudiantes. Tenemos familias, empresas y miembros/organizaciones de la comunidad maravillosas que no quieren nada más que lo mejor para nuestros estudiantes.

Mientras nos mantenemos enfocados en la seguridad y lo académico, también buscamos maneras de trabajar más estrechamente con nuestros padres. Para ayudarnos a crecer y avanzar, hemos contratado a la Asociación de la Junta Escolar de Nebraska para que nos ayude a desarrollar un plan estratégico que liderará nuestro distrito durante los próximos 3 a 5 años. En este proceso, pediremos a todos nuestros padres, personal, miembros de la comunidad y estudiantes de los grados 3 a 12 que respondan encuestas y nos den su opinión. También habrá reuniones comunitarias para permitir conversaciones y obtener más información sobre cómo podemos seguir creciendo y mejorando. Este proceso comenzará en enero y espero que todos se tomen el tiempo para completar las encuestas y asistir a las reuniones.

En el futuro, algunas áreas comunes en las que nos enfocamos incluyen un compromiso colectivo para ver a todos nuestros estudiantes tener éxito y desarrollar sistemas y procesos que garanticen que trabajemos juntos y aprovechemos el progreso de cada uno con nuestros estudiantes. Otra área de enfoque será el apoyo a nuestro personal para que tengan el desarrollo profesional que necesitan, así como tiempo para trabajar juntos y planificar. Por último, pero definitivamente no menos importante, también estamos explorando formas de apoyar a nuestros estudiantes, personal y padres en las áreas de bienestar social y emocional. Nuestra esperanza y objetivo es que crezcamos y nos apoyemos mutuamente, animándonos y celebrando nuestros éxitos, al mismo tiempo que atendemos nuestras necesidades y pedimos ayuda cuando sea necesario.

Excelencia Académica...NSCAS

Dr. Dave Gibbons, Director de Currículo

El Sistema de Evaluación Centrado en el Estudiante de Nebraska (NSCAS), pronunciado "en-skass", es el sistema de evaluación estatal que encarna la visión holística de Nebraska sobre los estudiantes y los ayuda a prepararse para el éxito en la educación post secundaria, la carrera y la vida cívica. Utiliza múltiples medidas a lo largo del año para brindar a los educadores y tomadores de decisiones de todos los niveles la información que necesitan para apoyar el aprendizaje de los estudiantes. La evaluación NSCAS se aplica a todos los estudiantes de 3 a 8 grado en artes del lenguaje y matemáticas. Los estudiantes de 5 y 8 grado también toman la Evaluación de Ciencias. En el nivel de escuela secundaria, todos los estudiantes toman la evaluación ACT en la primavera de su año 11 grado.

Actualmente, la evaluación NSCAS de 3 a 8 grado se administra a los estudiantes en otoño, invierno y primavera. La administración de primavera es la evaluación que cuenta para el dominio, mientras que las evaluaciones de otoño e invierno ayudan a los estudiantes a practicar y enfocarse en las habilidades para llegar a ser competentes en la primavera. Tenga en cuenta que las evaluaciones estatales han estado cambiando en los últimos años y lo más probable es que cambien nuevamente, lo que dificulta las comparaciones.

Los porcentajes en los siguientes gráficos expresan el porcentaje de estudiantes que alcanzaron el dominio en las evaluaciones estatales. Uno de los objetivos de Schuyler es estar al nivel o por encima del promedio estatal en estas evaluaciones. Como se puede ver en la hoja de cálculo, Schuyler superó esa meta en algunas áreas y se quedó corto en otras.

No estamos satisfechos con estos resultados y continuaremos implementando Planes de acción del Plan Estratégico y planes de acción de Mejoramiento Escolar que abordan éxito académico para mejorar estos puntajes.

Clasificaciones de AQuESTT

Las leyes estatales y federales exigen que la NDE clasifique y designe escuelas anualmente para proporcionar señales para apoyos específicos. El estado de Nebraska utiliza un sistema de rendición de cuentas llamado AQuESTT, que significa Responsabilidad para un sistema educativo de calidad, hoy y mañana. El sistema se basa en seis principios clave basados en investigaciones: 1) asociaciones, relaciones y éxito positivos, 2) transiciones, 3) oportunidades y acceso educativos, 4) preparación universitaria, profesional y cívica, 5) evaluación y 6) efectividad del educador. Está destinado a ser un sistema de clasificación y apoyo que considera las experiencias educativas más amplias y el éxito de cada estudiante, no solo el desempeño en las evaluaciones obligatorias.

Dicho esto, el puntaje de clasificación de referencia lo establece el desempeño del estudiante en las evaluaciones obligatorias. El desempeño de una escuela en los otros principios puede sumar o restar un punto al puntaje de referencia.

AQuESTT clasifica anualmente a las escuelas y distritos como Excelentes, Excelentes, Buenos y Necesitan Apoyo para Mejorar. Hay una clasificación general del distrito y luego cada escuela tendrá un puntaje de clasificación. Si una escuela tiene menos de 10 estudiantes evaluados, entonces se utiliza la clasificación del distrito.

En el voleibol hablamos de que es un deporte de equipo y que todos tienen que estar en la misma sintonía. Tienen que apoyarse unos a otros y jugar unos para otros y para su escuela. El trabajo en equipo es vital para tener un equipo competitivo, porque todos tienen que sentirse valorados y apreciados. ~ Coach Amanda Richards

COMPROMISO

Mis entrenadores me han enseñado a ser responsable de varias maneras. Me han hablado de ser responsable de mi nota, como soy estudiante-atleta, me enseñan la importancia de llegar puntual a las prácticas y juegos. Me hacen responsable de mi equipo, limpiándolo y asegurándome de tener lo que necesito para competir. Finalmente me enseñan a ser responsable de mi cuerpo, para que me cuide y le dé buen combustible a mi cuerpo. ~ Audrie Alonso

Message from Superintendent, Dr. Bret Schroder

Hello Schuyler Community Families,

As we wrapped up our first semester of 2023-2024, we are publishing this annual report for your review. The purpose of this report is to highlight our successes as well and communicate areas for improvement. Let me first begin by thanking everyone for being so welcoming as I transition to Schuyler. This is a great city and a wonderful place to live. What makes me proudest of all to lead the Schuyler Community School District is the support of our community, the dedication of our staff, and the quality of our students. We have wonderful families, businesses, and community members/organizations that want nothing but the best for our students.

As we stay focused on safety and academics, we are also looking for ways to work more closely with our parents. To help us grow and move forward we have hired the Nebraska School Board Association to help us develop a strategic plan that will lead our district over the next 3 - 5 years. In this process we will be asking all our parents, staff, community members, and students in grades 3 - 12 to take surveys and give us feedback. There will also be community meetings to allow conversations and gain further insight in how we can continue to grow and improve. This process will begin in January, and I hope everyone will take time to fill out the surveys and attend the meetings.

Moving forward, some common areas we are focused on include a collective commitment to seeing all our students succeed and developing systems and processes that ensure we are working together and building on each other's progress with our students. Another area of focus will be support for our staff, so they have the professional development they need, as well as time to work together and plan. Last, but not least, we are also exploring ways to support our students, staff, and parents in the areas of social and emotional wellbeing. It is our hope and goal that we grow and support each other by lifting each other up and celebrating our successes while also taking care of our needs and asking for help whenever necessary.

Academic Excellence...NSCAS

Dr. Dave Gibbons, Curriculum Director

The Nebraska Student-Centered Assessment System (NSCAS), pronounced "en-skass," is the statewide assessment system that embodies Nebraska's holistic view of students and helps them prepare for success in postsecondary education, career, and civic life. It uses multiple measures throughout the year to provide educators and decision makers at all levels with the insights they need to support student learning. The NSCAS assessment is given to all students in grades 3-8 in Language Arts and Math. Students in 5th and 8th grade also take the Science Assessment. At the high school level, all students take the ACT Assessment in the spring of their 11th grade year.

Currently, the NSCAS Assessment in 3rd - 8th grade is administered to students in the fall, winter and spring. The spring administration is the assessment that counts towards proficiency while the fall and winter assessments help students practice and target the skills to become proficient in the spring. Please note that the state assessments have been changing over the last few years and will most likely be changing again making comparisons difficult.

The percentages in the following graphs express the percentage of students who reached proficiency on the state assessments. One of Schuyler's goals is to be at or above state average on these assessments. As can be seen on the spreadsheet, Schuyler surpassed that goal in some areas and fell short in some areas.

We are not satisfied with these results, and we will continue to implement Strategic Plan action plans and School Improvement action plans that address academic success to improve these scores.

AQuESTT Classifications

State and federal law require the NDE to annually classify and designate schools to provide signals for specific supports. The state of Nebraska uses an accountability system called AQuESTT, which stands for Accountability for a Quality Education System, Today and Tomorrow. The system is built on six key research-based tenets: 1) positive partnerships, relationships, and success, 2) transitions, 3) educational opportunities and access, 4) college, career, and civic ready, 5) assessment, and 6) educator effectiveness. It is meant to be a system of classification and support that considers the broader educational experiences and success of each student, not just performance on mandated assessments.

That being said, the baseline classification score is set by student performance on mandated assessments. A school's performance on the other tenets can either add or subtract a point from the baseline score.

AQuESTT annually classifies schools and districts as Excellent, Great, Good, and Needs Support to Improve. There is an overall district classification and then each school will have a classification score. If a school has fewer than 10 students assessed, then the district classification is used.

Dr. David Gibbons, Curriculum Director

	2021-2022	2022-2023
District	Good	Good
Dual Language School	Great ¹	Good
Fisher's Elementary	Great	Good
Fisher's Middle	Excellent	Good
Richland Elementary	Great	Great
Richland Middle	Good ²	Good ²
Schuyler Elementary	Good	Great
Schuyler Middle	Good	Great
Schuyler Central H.S.	Good	Needs Support to Improve

- 1) The Dual Language School started at Good but received a bump in score because the chronic absenteeism was so low.
- 2) Fewer than 10 students tested at Richland Middle so it received the district classification.

In volleyball we talk about how it is a team sport and that everyone has to be on the same page. They have to support each other and play for each other and their school. Teamwork is vital to having a competitive team, because everyone has to feel valued and appreciated. ~ Coach Amanda Richards

COMMITMENT

My coaches have taught me to be responsible in various ways. They have talked to me about being responsible for my grade, as I am a student-athlete, they teach me the importance of being on time to practice and games. They have me be responsible for my gear, cleaning it and ensuring I have what i need to compete. Finally they teach me to be responsible for my body, so that I am taking care of myself and getting good fuel into my body. ~ Audrie Alonso
