It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Annotations

- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- A county board of equalization is a public body whose meetings shall be open to the public. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1409. Terms, defined.

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of

having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- Although the Open Meetings Act does not define "subcommittee," a subcommittee is generally defined as a group within a committee to which the committee may refer business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- The Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until the moment the public is invited to comment on a proposed policy. By excluding nonquorum subgroups from the definition of a public body, the Legislature has balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

Annotations

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs

earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

Annotations

- If a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).
- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943,

and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Annotations

- The Legislature has granted standing to a broad scope of its citizens for the very limited purpose of challenging meetings allegedly in violation of the Open Meetings Act, so that they may help police the public policy embodied by the act. *Schauer v. - Under the Public Meetings Act, a county lacks capacity to maintain an action to declare its official conduct "void" for noncompliance with the act. *County of York v. Johnson*, 230 Neb. 403, 432 N.W.2d 215 (1988).
- When a petitioner under this section is successful in the district court, that court may allow attorney fees. *Tracy Corp. II v. Nebraska Pub. Serv. Comm.*, 218 Neb. 900, 360 N.W.2d 485 (1984).
- Informal discussions between the Tax Commissioner and the State Board of Equalization in which instructions were clarified, with such clarification leading to the amendment of hearing notices, did not constitute a public meeting subject to the provisions of this section. *Box Butte County v. State Board of Equalization and Assessment*, 206 Neb. 696, 295 N.W.2d 670 (1980).
- The right to collaterally attack an order made in contravention of the Public Meeting Act must occur within a period of one year as is specifically provided by this section. *Witt v. School District No. 70*, 202 Neb. 63, 273 N.W.2d 669 (1979).
- Statutory change, requiring "publicized notice" for board of education employment hearings, occurring between dates meeting scheduled and conducted, held not to void proceedings. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).
- Voiding an entire meeting is a proper remedy for violations of the Open Meetings Act. Once a meeting has been declared void pursuant to Nebraska's public meetings law, board members are prohibited from considering any information obtained at the illegal meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Actions by the board of directors were merely voidable under this section, and not void. Pursuant to subsection (3) of this section, the plaintiffs were awarded partial attorney fees because they were successful in having the court declare that the board of directors was in substantial violation of the statute, even though the plaintiffs did not get the relief requested of having the board's actions declared void. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

Schuyler Community Schools

Mission Statement

Schuyler Community Schools, in partnership with parents, students and the community, is committed to educating students to become skilled, knowledgeable and responsible citizens in a global society.

Schuyler Community Schools Strategic Plan Framework

Purpose of the Framework

Through the engagement of students, parents, staff, administrators and community via online surveys and an in-person community meeting, the needs of Schuyler Community Schools were identified and categorized into ten Guiding Principles of a high-functioning school district. For more information and a look at the data, please see the Schuyler Community Schools Needs Analysis and Addendum. This strategic plan framework is the first step in creating a plan of action to address the identified needs. The action items to follow align to the data gathered, as well as extant data available about the community and school district. This use of local data ensures that the strategic plan is custom designed to address the specific characteristics of local challenges. Through purposeful implementation and a commitment to collective development, this framework defines the path to creating a more connected and high achieving school district.

Utilization of the Strategic Plan Framework

This Strategic Plan represents the collective resolve to inspire and empower students. The Guiding Principles, Objectives, and Strategies set forth below are the building blocks of the path toward success of the 2025-2030 benchmarks for student learning. Meeting benchmarks is dependent upon more than the simple design – we must be dedicated, at every level, to the consistent and effective implementation of the specific Strategies and measurable Performance Indicators and work to integrate the Strategic Plan into the regular day-to-day operations of the district.

Definitions of Framework Terms

Guiding Principles

The Guiding Principles highlight the areas Schuyler Community Schools will build upon to support the mission and vision of the school district.

Objective

The Objective states the area of focus and outcome that Schuyler Community Schools will achieve.

Strategy

The Strategy provides detail of how the objective will be met.

Performance Indicators*

The Performance Indicators identify specific tasks, assignments, or action staff members will follow to realize the stated objective and strategy.

*An individual/team/building may choose to write SMART goals to ensure the achievement of a performance indicator. A SMART Goal incorporates **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**imely criteria to help focus and increase the likelihood of accomplishing tasks/assignments/actions.

Guiding Principles

The ten Guiding Principles of the Nebraska Association School Boards (NASB) Strategic Planning process describes the structures, resources, and dynamics of a high-functioning school district. These elements were influenced by Marzano and Danielson Instructional Models and are in alignment with the Nebraska State Board of Education AQuESTT Tenets/Accreditation, and the NASB Board Governance Standards. Through careful planning, the use of quality data, and a commitment to continuous improvement, growth in these ten Guiding Principles can lead to lasting, positive change for a public school. The Guiding Principles are as follows:

Academic Learning and Success	<i>A balanced learning process that includes instructional methods to improve learning and growth for each student.</i>
Student Centered Learning Environment	<i>A learning environment centered on the health and safety of the staff and students is vital to the student's physical, mental, and emotional wellness.</i>
Cultural Inclusion and Engagement	<i>The school district fosters a positive and engaging climate for staff and students designed to meet the unique needs of under-represented groups.</i>
District/Building Climate and Culture	<i>Positive and stable relationships among staff, students, and families are the foundation of a school's culture and climate.</i>
Personnel Effectiveness	<i>Support the professional growth of effective staff and school leaders.</i>
Social-Emotional Mental Health Well-Being	<i>Social-emotional mental health well-being of students and staff is a critical component of a high functioning school district.</i>
Access to Educational Opportunities	<i>Providing all students with the opportunities to achieve their personal best after graduation is a cornerstone of a high-achieving school district.</i>
Family and Community Partnerships	<i>Student success and engagement relies on positive partnerships and relationships to fundamentally improve the outcomes for each student, school, district, and community.</i>
District Resources	<i>District leadership in collaboration with building administration aligns and manages district resources in a responsible manner to meet goals and to promote growth of instruction and student learning.</i>
Board Governance	<i>Effective board practice based on objective governance standards ensures accountability focused on growth and student learning.</i>

Guiding Principles of Focus

The identified Guiding Principles of Focus are targeted within the plan based upon multiple data points collected throughout the assessment phase of the NASB Strategic Planning Process. Data collection included stakeholder engagement through the Strategic Overview Committee (SOC) meetings, a community meeting, and online surveys of Schuyler Community Schools administrators, certified and classified staff, students, parents, and business leaders. Through data analysis, the NASB Board Leadership team developed overarching objectives and specific strategies consistent with the needs presented through stakeholder engagement

Schuyler Community Schools Academic Learning and Success

A learning environment centered on the health and safety of the staff and students is vital to the student's physical, mental, and emotional wellness.

Relevant and updated curriculum and an effective instructional model are critical to student learning. Both administration and certified staff identified the need for curriculum mapping focused on vertical and horizontal alignment, as well as scope and sequence. Additionally, the data showed uncertainty among Schuyler staff regarding a district-wide adopted instructional framework. Extant data collected regarding academic assessments indicates significant growth over the past few years; however, scores reflect a need for continued focus on curriculum and instruction. Through adopted curriculum in all subject areas, vertical and horizontal alignment, scope and sequence, and the use of an effective instructional model, the district will promote effective transitions for new and current students at each grade and level throughout the PK-12 system.

Objective 1: To implement a challenging, relevant, data-based curriculum, aligned both horizontally and vertically, using an instructional framework that ensures depth of understanding and an equitable learning experience for all students.

Strategy 1.1: Adopt challenging, relevant, data-based curriculum for all subjects/courses and grade levels and implement a curriculum mapping process that supports the success of students' transitions from grade to grade and level to level.

Recommended Performance Indicators:

- a) The board, administration, and appropriate staff will implement a curriculum adoption process for all subjects, courses, and grade levels.
- b) The administration and appropriate staff, will develop a curriculum review/adoption cycle that reflects the Nebraska State Board of Education subject standards review/adoption cycle.
- c) The administration and appropriate staff will ensure that all curriculum at Schuyler Community Schools has scope and sequence to support student learning and growth, adhering to the state and/or district academic standards.
- d) The administration and appropriate staff will ensure that all curriculum at Schuyler Community Schools is vertically and horizontally aligned with grade-level goals and established short and long-term plans for assessment.

Strategy 1.2: Implement and communicate a defined instructional framework to ensure teacher effectiveness for equitable student support and success. *(Personnel Effectiveness, Student Centered Learning, School Improvement Goal 3)*

Recommended Performance Indicators:

- a) The administration and appropriate staff will communicate and promote the district adopted instructional framework, informing staff of the direct influence an instructional framework has on increased student engagement, teacher efficacy, and quality feedback to students.
- b) The administration and appropriate staff will provide professional development to equip and prepare staff for success through the integration and implementation of the instructional framework.
- c) The administration will ensure the teacher evaluation tool is aligned to the district-adopted instructional framework.
- d) Appropriate staff will develop a variety of district-aligned, evidence based, effective instructional strategies, materials, and resources in new and existing courses to equitably support the success of each learner, including but not limited to students with verified needs, high ability learners, low-socioeconomic learners, EL learners, and other individual learner needs.

Strategy 1.3: Increase the percent of Schuyler Community Schools students who meet the Nebraska Literacy Act proficiency threshold. *(Personnel Effectiveness, Student Centered Learning, School Improvement Goal 1, School Improvement Goal 2)*

Recommended Performance Indicators:

- a) The administration and appropriate staff will provide professional development to equip and prepare staff to successfully implement instructional strategies aligned to the science of reading.
- b) The administration and staff will improve overall English Language Arts proficiency rates to 60% through appropriately integrating MTSS with fidelity throughout the district.
- c) The administration and staff will improve the overall Progress Towards English Language Proficiency rate to 55% through purposeful integration of EL support into the instructional framework.

Schuyler Community Schools Student-Centered Learning

District leadership in collaboration with building administration aligns and manages district resources in a responsible manner to meet goals and to promote growth of instruction and student learning.

Because student feedback indicated an already positive environment at Schuyler Public Schools, a solid foundation exists for deeper development of a student-centered learning environment that empowers individual growth and achievement. Effective utilization of MTSS across all grade levels is a key factor of a student-centered learning environment and will increase cohesion throughout the district via learning experiences focused on student needs. Social-emotional, ELL, and SPED supports integrated within current instructional practices will further ensure a healthy, respectful, trustful, equitable, and safe environment for all staff and students.

Objective 2: Provide students with the opportunity and support to develop their own capacity to make educational choices, set individual goals, monitor their progress, and reflect upon their learning.

Strategy 2.1: The administration and relevant staff will implement the Multi-Tiered System of Supports (MTSS) model with fidelity throughout the entire district to accelerate academic, career, and social-emotional instruction and intervention to prepare and empower students. *(Academic Learning and Success, District Resources, Personnel Effectiveness, Family and Community Partnerships)*

Recommended Performance Indicators:

- a) Administration, in partnership with the MTSS team, will develop a consistent MTSS process across all buildings, including a timeline for district-wide implementation and evaluation.
- b) Administration and relevant staff will target and implement professional development to ensure consistent and ongoing understanding of MTSS across the district.
- c) Administration and relevant staff will intentionally and purposefully communicate MTSS model and included supports in collaboration with Nebraska Children and Families Foundation with Schuyler Community School's families and stakeholders, including but not limited to transportation, nutrition, and citizenship preparation.
- d) Administration, in partnership with the MTSS team and relevant staff, will evaluate the effectiveness of MTSS and enhance where needed.

Schuyler Community Schools District/Building Culture and Climate

The social-emotional mental health well-being of students and staff is a critical component of a high functioning school district.

A strong foundation for student success relies on unity and effective communication among administration, staff, and the district. Survey results show positive relationships between students and staff, but communication with the district and administration needs improvement. Many staff feel the district lacks cohesion, a unified vision, and sufficient support for mental health and well-being. Enhancing communication, providing a clear vision, and supporting staff can create a more productive, supportive learning environment, benefiting both educators and students.

Objective 3: To strengthen student achievement by enhancing communication across all levels, unifying the district's vision, and providing mental health support to teachers, thereby empowering them to create a more cohesive, supportive, and effective learning environment.

Strategy 3.1: Reevaluate the current climate to ensure that the district provides adequate and essential mental health support to all staff within the district. *(Social-Emotional Mental Health and Well-Being, Personnel Effectiveness)*

Recommended Performance Indicators:

- a) The superintendent and building administrators will assess current staff to ensure that the district provides adequate training and resources to support the mental health and well-being of all staff.

Strategy 3.2: Develop and utilize strong communication models to sustain effective and positive connections with and among all staff within the district. *(Personnel Effectiveness, Family and Community Partnerships)*

Recommended Performance Indicators:

- a) The administrative team and superintendent will develop a district and community wide communication plan.
- b) Develop a superintendent and/or principal advisory group to encourage an open dialogue between staff and administration regarding issues and priorities that impact classroom instruction, curriculum, and/or matters that will add value to their role and responsibilities.
- c) Develop a superintendent and/or principal community advisory group to build a culture of learning with parent, family, and community leaders focusing on the joint work of school and community organizations.
- d) The administration will evaluate the effectiveness of enhanced communications with all staff annually through end-of-year exit surveys.

Strategy 3.3: Provide staff and students with the opportunity to offer input in the continuous school improvement process to ensure a unified, cohesive learning environment.

Recommended Performance Indicators:

- a) The administration will engage the staff in the consideration of revisions to the Schuyler Community Schools mission statement.
- b) The board and administration will annually engage staff in the review of the district’s mission statement and the progress of the strategic plan.
- c) Develop a student advisory group to the principal to allow opportunities for student participation in their educational process.
- d) Provide students the opportunity to offer feedback regarding course offerings and programming to ensure alignment to district mission, community needs, student goals, and a holistic approach to education.

Schuyler Community Schools Board Governance

Effective board practice based on objective governance standards ensures accountability focused on growth and student learning.

The Board of Education commits resources to support the long-term goals of the school district. Board responses, combined with the identified needs, indicate that a unified vision and providing supports to staff and students to ensure academic excellence is a priority. Survey data indicated additional areas of growth in the areas of accountability, policy governance, and advocacy. Engaging in advocacy would benefit board work and positively impact the district, with strategies of a coordinated message and staying abreast of changes identified. Advocacy and stakeholder engagement provide a solid foundation of Board Governance that support effective decision making. While developing strategies to increase and maintain engagement and advocacy, the board will want to remain true to the district mission and value statements, supporting the strategic plan through district resource allocation. Additionally, communicating the progress of the strategic plan and the on-going needs of the district to stakeholders is fundamental to student success. Through evaluation, accountability, policy, and the planning and allocation of resources, the Board can ensure a solid foundation that will increase the ability of the district to meet identified goals.

Objective 4: Create a system of governance that ensures the mission and vision of Schuyler Community Schools aligns to the goals, community expectations, and outcomes utilized to measure improved learning for all students, provide and share accountability in improving student success, and maintain master financial and facility plans to support the implementation of district goals.

Strategy 4.1: Ensure meetings are effective, efficient, and orderly, focused on policy, proper board governance, professional conduct, and student learning.
(Personnel Effectiveness, District Building Culture/Climate)

Recommended Performance Indicators:

- a) The board, in collaboration with the Superintendent, will develop clear board norms for conduct and continuous learning to promote growth in effective board governance practices.
- b) The board will ensure board meetings are focused on student learning, clearly aligned with the district's goals and priorities, and celebrate the success of the district.
- c) The board will adopt a policy of continuous improvement to define the system of accountability toward district goals.
- d) The board will consider and adopt necessary revisions to the Schuyler Community Schools mission statement and integrate the district mission into board meeting agenda and decision-making practices.

Strategy 4.2: Ensure effective governance practices focused on fiscal responsibility that supports safe and effective learning facilities and retention of highly qualified staff and leadership. *(District Resources, Family and Community Engagement)*

Strategy 4.3: Establish and sustain a professional and collaborative working relationship with the Superintendent to support and advocate for the growth of student learning and the success of the Schuyler Community Schools Strategic Plan. *(Family and Community Engagement, Board-Superintendent Relations)*

Recommended Performance Indicators:

- a) The board will work collaboratively with the Superintendent to review the Superintendent job description and ensure alignment to the Superintendent Evaluation tool.
- b) The board will participate in continuous and appropriate learning opportunities and leadership development to build shared knowledge and values that will impact student learning.
- c) The board will consistently complete a board self-assessment to measure progress and success of the board standards of governance and their support of the Schuyler Community Schools Strategic Plan.
- d) The board will continually monitor the progress and success of the Strategic Plan and hold the Superintendent accountable for providing timely and purposeful communication with the Board.
- e) The Board will re-engage district patrons annually/biannually to provide timely updates on the progress of the Strategic Plan, to seek input from internal and external stakeholders, to engage in discussion of the needs and vision of the school district, and to update all stakeholders on the progress-success of the 2025-2030 Strategic Plan.

2025-2026
CERTIFICATED STAFF MASTER AGREEMENT

THIS AGREEMENT was made and entered into this *10th day of February, 2025* by and between the SCHUYLER COMMUNITY SCHOOLS (SCS) SCHOOL BOARD and the SCHUYLER EDUCATION ASSOCIATION OF SCHUYLER COMMUNITY SCHOOLS (SEA).

I. LEAVE AGREEMENT

1.1 PERSONAL TIME OFF (PTO)

Certified staff shall receive 11 days of Personal Time Off (PTO) each year. PTO days include personal illness, immediate family illness, bereavement and personal leave.

The immediate family is defined as a wife or husband, (step) son or (step) daughter, father or mother of the wife and husband, sister or brother, grandchild, grandmother or grandfather. Personal leave is defined as taking a day(s) off work to be used at the discretion of the individual employee.

When requesting PTO days, except for illness and emergencies, give the Principal one (1) week of lead time. Staff members are encouraged to make all PTO requests as early in the year as possible in order to obtain substitute teachers. Once a request is granted, that day or days will be categorized as PTO (if you have PTO days remaining) and will be deducted from your total PTO days. When all of your PTO days are used, any other days used must be for bereavement or sick leave and will be taken from an individual's personal accumulated sick days. Once all of your PTO and personal accumulated sick days are used, staff members will either qualify for the emergency medical sick leave bank or they will be docked accordingly.

Unused PTO shall accumulate up to 50 days of sick or bereavement leave. The administration reserves the right to require a certificate from a medical doctor when a person is using accumulated sick days. An employee is not permitted to go into a negative balance on PTO. Once a zero PTO balance results and the certified staff member is not using accumulated sick/bereavement leave or the Emergency Medical Leave Bank, and a teacher must be absent, salary deductions will be made on the basis of 1/185th of the teacher's salary schedule placement for each day absent.

If, at the beginning of a contract year, a full-time certified employee has 50 accumulated sick/bereavement days - and at the end of the same contract year the same full-time certified employee has accumulated sick/bereavement of 50 days -for any unused days the full-time certified employee shall receive \$100/unused day (\$ 12.50 per hour). For example: Staff Member "X" starts the school year w/ 50 accumulated sick/bereavement days. At the beginning of the school year "X" receives 11 PTO days. "X" donates 1 day to the emergency medical leave band (EMLB). During the year "X" uses 3 PTO days. "X" would receive \$700 (subject to withholding) on or before their September paycheck.

If a certified staff member has used all 11 PTO days, any leave day(s) requested must be accompanied by a written reason for the requested leave - exception sick days.

At the beginning of the school year, the superintendent's office shall notify each employee concerning his/her accumulated sick/bereavement days.

Based on substitute availability, six (6) teachers will be granted PTO days the day prior to or the day following-a school vacation. These, requests: will be filled on a first come first serve basis. For purposes of this section, school vacation will mean Fall Break, Labor Day, Thanksgiving, Christmas, School Holiday, Easter Vacation, Summer Vacation and Memorial Day.

PTO requests on scheduled parent-teacher conferences and district or building level professional development

days will be limited to sick or emergency leave approval. Any leave granted by the administration beyond the teacher's PTO days shall result in a reduction of the teacher's compensation by one (1) contract day's pay for each day missed.

PTO days will be reduced in one-hour increments

1.2 PROFESSIONAL LEAVE.

Teacher initiated professional leave shall be limited to five (5) days. More days may be granted with administrative approval for special circumstances. Professional leave will be granted to teachers to make school visitations, attend workshops and professional meetings, register for college classes, or appointments with college personnel. All requests for such leave shall be made in advance to the administration. All professional leave requests are subject to administrative approval. Expenses will be paid for workshops and professional meetings when the Board of Education makes a mandatory request that staff attend. Mileage will be paid to one (1) person for transportation of up to four (4) attending staff members. Professional leave does not include instruction time missed by a coach or sponsor who is attending to scheduled duties related to their position as coach or sponsor.

1.3 BEREAVEMENT LEAVE CLARIFICATION

A teacher may be granted leave for bereavement purposes to the extent of the teacher's accumulated sick leave for a member of the immediate family, as defined by the master contract (refer to definition to immediate family in 1.1). A maximum of two personal accumulated sick leave days will be granted for bereavement leave not fitting the "immediate family" description.

1.4 LEAVE OF ABSENCE.

A teacher who has been employed by Schuyler Community School for seven years of continuous full time teaching may request a one-year leave of absence. The teacher must apply for leave in writing on or before March 1 of the year preceding the school year of the leave. In its sole discretion, the Board of Education shall determine the number of leaves of absence, if any, which will be permitted during a school year.

If the number of applicants exceeds the number of leaves authorized by the Board, the leaves will be granted in the order of the seniority of the applicants. Seniority shall be defined as the number of continuous full-time years of employment in the district as a teacher. A break in service will terminate a teacher's seniority under this provision. If two or more teacher's tie in seniority, the tie will be broken by a flip of the coin.

Time during a leave of absence and time when a teacher has been reduced in force and is not teaching full-time for Schuyler Community School shall not constitute a break in service for the purpose of seniority in other provisions of the negotiated agreement where seniority may be applicable. However, any years of leave of absence and any years of absence prior to recall for a teacher who has been reduced in force will not count as years of employment for the purpose of increased seniority or any other provision of this agreement.

For the purpose of this section only, a teacher who is granted a leave of absence shall lose seniority and upon returning to the employment of the school district shall earn seniority anew. For example, if a teacher with 20 years of continuous full-time teaching experience applies for a leave of absence and has the greatest seniority of all applicants, the teacher will be given first preference in granting the leave. Upon returning to the district after the completion of the leave, the teacher's prior seniority will expire and he/she will begin to acquire seniority as if the first year after the leave were the teacher's first year of employment. This provision will prevent teachers with the greatest seniority from dominating the leaves of absence and will rotate the opportunity for such leaves among the staff. A teacher desiring to return to employment after a leave of absence shall be required to submit a written statement of her or his intention to return on or before March 15 of the school year of the leave. The failure of the

teacher to submit a written statement of intention to return by March 15 shall constitute a refusal of employment for the following school year and shall authorize the Board of Education to take action to terminate the employment.

During the period of the leave, the teacher may continue health and life insurance coverage by paying the premiums in advance as mutually agreed upon by the staff member and administration. Upon return, any benefits which had accrued prior to the leave will be restored to the teacher, but the leave of absence shall not be considered as a year of employment by the school district for advancement on the salary schedule. A teacher returning from a leave of absence shall be placed in a teaching position for which she or he is endorsed.

1.5 EMERGENCY MEDICAL LEAVE BANK.

The EMLB (Emergency Medical Leave Bank) has been established to protect certified staff participants from financial loss due to extended absence from contracted duties.

I. Purpose

The bank may be used for: personal injury or illness; illness or injury of any member of the member's immediate family which requires the personal attendance of the employee; funeral/bereavement of any member of the employee's immediate family; or childbirth/adoption.

A limit of ten (10) days may be requested from the Emergency Medical Leave Bank for all types of deliveries or adoption. If a member has 30 days of annual/accumulated leave built up, the member may not request any additional maternity/paternity leave from the Emergency Medical Leave Bank. For example, if a member has 21 or more days accumulated, only the number of days needed to reach 30 may be requested. (Refer to the definition of "immediate family" in section 1.1.)

II. Membership

Emergency Medical Leave Bank (EMLB) membership shall be available for any certified staff member who: donates one (1) full day of annual PTO leave to the bank. This must happen each year that the staff member chooses to belong to the EMLB. A certified staff member shall not be eligible to apply for EMLB days during extended contract time. The amount of bank days shall not exceed the total number of days contributed by certified staff participants. At the completion of each contract year, (after the last counted contractual day), the balance of the account shall become zero (0) days.

Assessment of bank days shall take place at the beginning of a certificated staff member's contractual year. The beginning of a member's contractual year will be the first day of the counted contractual days. Membership will only be taken during the first five (5) working days of a certified staff member's contractual year if contracts are accepted and signed. By the end of the tenth working day of the contractual year, the Schuyler Community School building representatives shall provide the superintendent's office with a list of the certified staff members who have agreed to participate in the EMLB and contribute a minimum of (1) day of annual PTO to the bank. A staff member may provide extra days to the EMLB by donating accumulated sick leave to the bank. A second assessment for (1) additional PTO or accumulated sick leave day(s) per member may be made prior to the first day of the second semester of the contract year. Contribution to the second assessment is voluntary and does not affect membership status. Schuyler Community School building representatives shall provide notification of this assessment to the superintendent's office.

The superintendent's office shall be responsible for maintaining records and completing bookkeeping for the EMLB. Bank days donated may not be withdrawn if a member decides to withdraw from the bank.

III. Eligibility

Eligibility to withdraw EMLB days shall require: contribution of the required day(s) during the current contractual year; all annual PTO days and accumulated sick leave days must have been used; the absence must be for three or more successive contractual days; the extended absence must meet the guidelines established; and the application form

must be accompanied by a statement from a physician or school nurse indicating the necessity of the absence if for reasons other than funeral/bereavement, (Exception: the three successive days absence guideline does not apply to regularly scheduled (monthly) absences that are necessary for the treatment of a chronic/ongoing medical condition.) When applicable, long term disability benefits would commence after all annual PTO days and accumulated sick leave days and allowed EMLB days have been utilized. The long term disability compensation waiting period is 30 calendar days from the first day of the employee's absence. The EMLB cannot be used when workman's compensation is applicable. The workman's compensation waiting period is 7 calendar days from the first day of the employee's absence.

It is the responsibility of each certificated staff member to contact the District Business Manager to apply for LTD.

IV. Application

Application for EMLB days shall be made to the Schuyler Community Schools building representatives. Building representatives shall be defined as the certified staff members elected to the Schuyler Education Executive Board from Schuyler Community Schools. Application must be made within five (5) days of returning to work after the extended absence. Planned leaves may be applied for up to 30 days prior to the event. After the superintendent and district business manager are informed that an application is made, the teacher's salary will not be affected unless deductions are necessary after all requests are considered. The Schuyler Community School building representatives will consider applications within ten (10) working days of the application.

A member shall make a personal appearance before the Schuyler Community Schools building representatives if applying for EMLB days for two (2) consecutive years,

II. INSURANCE INFORMATION

2.1 LIFE INSURANCE.

The Board of Education will provide each teacher term life insurance in the amount of \$25,000 with the Board paying the premium. (Additional coverage may be purchased for \$/month by the insured.)

2.2 HEALTH AND ACCIDENT.

The School District shall provide Blue Cross Blue Shield health dual option insurance and single dental insurance coverage through the EHA on a four tier format for all certified staff electing to be covered and their dependents when applicable. A certified staff member who has a spouse that is employed as a certified staff member in another school district or ESU, and who is eligible for that district's or ESU's health insurance are encouraged to work cooperatively with Schuyler Community Schools in sharing health insurance costs. SCS is willing to work with the spouse's district in deciding which district will hold the health insurance policy. The certified staff members and dependents who are covered by SCS health insurance shall receive the benefits provided for teachers and their dependents who are insured under group insurance plans, namely \$1,200 Deductible/\$3,800 HSA (Dual Option) health coverage and PPO 80% and single A and B with 50% C dental coverage, issued by Blue Cross/Blue Shield of Nebraska Educators Health Alliance, for insuring the NSEA Nebraska Teachers Group. There will be no cash payments added to the salaries in lieu of taking this fringe benefit. Exception for clarification: if the staff member of Schuyler Community Schools has a spouse who is also a staff member of Schuyler Community Schools, the Board will pay for the fringe benefit in the amount necessary but not more than the amount set out above. This would entitle a teaching husband-and-wife combination in the above situation to a fully paid family dental benefit. There would be no cash allowance in lieu of any available fringe benefit in the above instance.

When a wife and husband no longer have dependents, the wife will receive single coverage and the husband will receive single coverage. The wife and husband will each receive single dental coverage.

The four (4) tier health coverage include the following monthly payments:
