It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Annotations

- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- A county board of equalization is a public body whose meetings shall be open to the public. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1409. Terms, defined.

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of

having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- Although the Open Meetings Act does not define "subcommittee," a subcommittee is generally defined as a group within a committee to which the committee may refer business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- The Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until the moment the public is invited to comment on a proposed policy. By excluding nonquorum subgroups from the definition of a public body, the Legislature has balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the instate location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Annotations

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs

earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

Annotations

- If a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).
- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943,

and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).

- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Annotations

- The Legislature has granted standing to a broad scope of its citizens for the very limited purpose of challenging meetings allegedly in violation of the Open Meetings Act, so that they may help police the public policy embodied by the act. *Schauer v. Grooms*, 280 Neb. 426, 786 N.W.2d 909 (2010).

- Any citizen of the state may commence an action to declare a public body's action void. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).
- The reading of ordinances constitutes a formal action under subsection (1) of this section. *City of Elkhorn v. City of Omaha*, 272 Neb. 867, 725 N.W.2d 792 (2007).
- If a person present at a meeting observes a public meetings law violation in the form of an improper closed session and fails to object, that person waives his or her right to object at a later date. *Wasikowski v. Nebraska Quality Jobs Bd.*, 264 Neb. 403, 648 N.W.2d 756 (2002).
- Under the Public Meetings Act, a county lacks capacity to maintain an action to declare its official conduct "void" for noncompliance with the act. *County of York v. Johnson*, 230 Neb. 403, 432 N.W.2d 215 (1988).
- When a petitioner under this section is successful in the district court, that court may allow attorney fees. *Tracy Corp. II v. Nebraska Pub. Serv. Comm.*, 218 Neb. 900, 360 N.W.2d 485 (1984).
- Informal discussions between the Tax Commissioner and the State Board of Equalization in which instructions were clarified, with such clarification leading to the amendment of hearing notices, did not constitute a public meeting subject to the provisions of this section. *Box Butte County v. State Board of Equalization and Assessment*, 206 Neb. 696, 295 N.W.2d 670 (1980).
- The right to collaterally attack an order made in contravention of the Public Meeting Act must occur within a period of one year as is specifically provided by this section. *Witt v. School District No. 70*, 202 Neb. 63, 273 N.W.2d 669 (1979).
- Statutory change, requiring "publicized notice" for board of education employment hearings, occurring between dates meeting scheduled and conducted, held not to void proceedings. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).
- Voiding an entire meeting is a proper remedy for violations of the Open Meetings Act. Once a meeting has been declared void pursuant to Nebraska's public meetings law, board members are prohibited from considering any information obtained at the illegal meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Actions by the board of directors were merely voidable under this section, and not void. Pursuant to subsection (3) of this section, the plaintiffs were awarded partial attorney fees because they were successful in having the court declare that the board of directors was in substantial violation of the statute, even though the plaintiffs did not get the relief requested of having the board's actions declared void. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

How things will look this year...

Visitor Management

Front office staff will monitor visitors and check them in.

Visitors will need a state-issued ID on hand.

Next, visitors will scan their ID's with scanner located in the office.

Introduction, Purpose, and Use of This Plan

Purpose of the Communication Plan

This plan provides a clear, actionable roadmap for how Schuyler Community Schools will communicate with students, staff, families, and the community during the 2025–2026 school year. Effective communication is at the heart of a strong, connected district — it builds trust, supports student success, and strengthens our sense of belonging.

How to Use This Plan

- **For District Leaders:** Guide messaging within your buildings, teams, and the broader community.
- **For Staff:** Know how you'll receive information, where to find support, and how to contribute to communication success.
- **For Families and Community Partners:** Understand what to expect from Schuyler Community Schools, how to stay informed, and how your feedback shapes our district.

How the Plan Was Crafted

This plan draws on:

- **Research and Data:** Spring 2025 surveys of students, staff, families, and the community.
- **Best Practice:** National models, the RPIE (Research, Planning, Implementation, Evaluation) framework and school communication experience of the author and lead researcher.
- **District Leadership Input:** Collaborative work with administrators, school leaders, and communication experts.

This living document is reviewed regularly and adapted as our needs and tools evolve.

This document was produced by Jack Sheard, owner and marketing strategist at IdeaBank Marketing in Hastings, Nebraska. Jack has more than a dozen years experience in school communications and crisis management, and an additional dozen years experience working in media. He is a former public school marketing director and served as president of the Nebraska School PR Association.

Communication Philosophy and Purpose

Schuyler Community Schools will ensure that every audience is communicated with in the manner they most prefer, whenever possible. All communication will be intentional, strategic, and empathetic.

We ask ourselves these questions for every message:

- **WHO?** Who is the message for?
- **WHAT?** What is the message?
- **HOW?** How and where is the message being communicated, and by whom?
- **WHEN?** When is the message being communicated?
- **WHY?** What is the purpose of the communication? What should the audience do with the information?

Our aim is to empower our staff, students, parents, and community through transparent, consistent, factual, and timely communication.

Plan Organization (RPIE Model):

- **Research:** Understand needs and perceptions through surveys and conversations.
- **Planning:** Develop messages that address real needs and aspirations.
- **Implementation:** Deliver messages in ways that meet audience preferences.
- **Evaluation:** Measure results and improve based on feedback.

Theme: **Believe. Build. Belong.**

This theme represents the heart of Schuyler Community Schools:

- **Believe:** We believe in every student, every staff member, every family. Our work starts with belief in the potential and value of every person in our schools.
- **Build:** We are building pathways to success, stronger relationships, and a vibrant future for Schuyler. This is a place where growth is constant and supported.
- **Belong:** We strive for every student and family to feel they belong. Inclusion, support, and pride in our schools are foundational to our community.

No matter where you put the emphasis, this theme is our guide for the year:

- BELIEVE in yourself and each other.
- BUILD great things together. It's a heavy lift, but we can do it together.
- BELONG to a community that lifts everyone up.

Research and Survey Summary

- There is a need to be the district's "own hype team" and tell our story more often and more consistently.

Communication Channels:

- Staff, parents, and students each have different preferences for how and when they want to receive information.

Audience Communication Preferences

- District finances are transparent, responsible, and open to community input.
- Schuyler has a clear direction and vision for the future.
- The district values every staff member, parent, and student; everyone belongs.

Media Policy

All interactions with any media begin with the superintendent's office. Media inquiries and interview requests are directed through this office to ensure the appropriate staff or student is involved and that district priorities are respected.

Media Requests:

- All staff requests for media coverage must be coordinated with the superintendent's office before reaching out to the media.
- Any staff member contacted by the media for a story related to the district should confirm the request with the superintendent's office before agreeing to an interview.

Exception:

Coverage of student activities (e.g., athletic events, clubs) may follow a different process as appropriate. **Coordinating through the building principal or activities director is preferred.**

Purpose:

To ensure accuracy, respect for instructional time, and alignment with district policies and board priorities.

- Receive district emails for critical and time-sensitive information.
- See celebrations and important reminders on district Facebook, website, and school-specific channels, as well as app notifications.
- Messages are crafted with attention to both English and Spanish language needs.

STAFF:

- District email is the main channel for most information.

- Printed materials are provided for staff who do not access email regularly, particularly classified staff such as nutrition services and maintenance crews.

COMMUNITY:

- District website, app, and Facebook are key platforms for major announcements and good news.

SCHOOL CANCELLATION (order of notifications):

1. Staff notified via email,
2. Parents/students via email and app notification
3. Website, app, and Facebook updated
4. Media notified

Order of Message Delivery

Information from Schuyler Community Schools will generally follow this consistent order of delivery:

1. **Superintendent's Office** – All major district messages originate here.
2. **Board of Education** – Informed directly by the superintendent.
3. **District Leadership Team** – Principals and department leaders receive updates to share with staff.
4. **All Staff** – Receive messages via email, printed materials, or meetings.
5. **Parents/Families** – Informed via email, app notification, or other requested methods.
6. **Students** – Receive information after parents/families, via email/announcements/app.
7. **Community** – Public messages posted to website, app, social media.
8. **Media** – Press releases, notifications shared as appropriate.

When something crucial and/or impactful happens in a building, it should be reported to the building principal and then to the superintendent's office, which triggers this communication order of delivery. This ensures that information is timely, accurate, and reaches all necessary audiences in the proper sequence.

Accountability & Review Process

Schuyler Community Schools is committed to ongoing improvement and responsiveness.

Accountability is achieved through:

- **Annual Review:** Each spring, this communication plan will be reviewed by district leadership and the Key Communicators Group. Feedback will be gathered from staff, families, and the community.
- **Regular Surveys:** Communication effectiveness will be assessed through annual or biannual surveys of students, staff, parents, and community members.
- **Feedback Loop:** Suggestions and feedback are welcome year-round and can be submitted to building principals or the superintendent's office.

The plan will be revised as needed to reflect changing needs, new tools, and lessons learned.

Key Performance Indicators & Success Metrics

To track progress, Schuyler Community Schools will monitor:

- **Survey Results:** Increases in positive responses to questions about communication clarity, trust, and satisfaction.
- **Engagement Metrics:** Email open rates, app notification engagement, website/social media analytics. Also, number of key message stories pushed out to audiences.
- **Event Participation:** Attendance at parent, community, and student events.
- **Feedback Volume:** Number of comments, questions, or suggestions received through official channels.
- **Response Time:** Speed and accuracy of communication for urgent events (e.g., school cancellations).
- **Staff and Family Satisfaction:** Anecdotal feedback from regular meetings, listening sessions and focus groups.

Improvement in these areas will indicate greater connectedness, satisfaction, and trust throughout the district.

Closing/Commitment Statement

At Schuyler Community Schools, we believe every voice matters and every person belongs. We are committed to building trust through honest, timely, and inclusive communication — ensuring our families, staff, and community are informed, engaged, and proud to be part of the Schuyler story.

Together, we will Believe. Build. Belong.
