Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. (c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of

an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

VI.D. Superintendent's Report

Dr. Prosocki gave the board an update on the DIBELS assessment in grades K-6 and he gave the board an update on the 107th Nebraska State Legislature, 1st Session. Next, he went over the Blueprint Nebraska initiative and how it aims to place more caps on school spending and Dr. Prosocki foresees legislation this upcoming session associated with this (The governor has already gone on record and said he wants to go after public schools in Nebraska again this year). Dr. Prosocki talked to the school board about the possibility of a bond election for a new elementary school gym, some new playground equipment at the elementary school, and two new preschool classrooms at the elementary school. He noted that over the past 4 years staff, parents, and patrons have approached him about the need for another gym and their desire to have all elementary school students under one roof for safety purposes, to help with the transition between grade levels, and to allow for more collaboration between preschool teachers. In addition, this will allow our art teacher to have an art room at the elementary school and not have to use a cart to go from classroom to classroom to complete art classes. Dr. Prosocki said he has no plans of building a state-of-the-art gym, but only having one gym is a scheduling nightmare for PE classes, for practices, and for the youth and community that want to use our gym throughout the school year. He envisions building a gym similar to Meridian's new practice gym and since the district is at the legal levy limit, this project will have to be voted on by the public (Diller-Odell and Meridian could just go ahead and build new gyms). Dr. Prosocki said there has never been a better time to try and pass a bond with the interest rates being at an all-time low and how the pandemic has not had a profound impact on Nebraska's economy like it has in other states. The building and grounds committee plans to visit Meridian's facility and the school board asked Dr. Prosocki to provide more information about this potential project at the next board meeting. Next Dr. Prosocki talked about the upcoming NRCSA spring conference, he gave the board an update on the new Response and Relief Act 2020 (The district will use this stimulus money to address air quality in our facilities), he gave the board an update on the work towards the district's strategic plan, he reminded the board about a Title IX training they will need to complete, and he presented his workdays for the second quarter.

RE: Opposition to LB 408 & LR 22 CA

My name is John Spatz, I am the executive director of the Nebraska Association of School Boards. I am submitting this letter on behalf of locally elected school board members to oppose LB 408 and LR 22CA.

First, I would like to thank Sen. Briese for his work over the years to address our state's overreliance on property taxes. He has participated in a number of bills and discussions in an effort to address the real concerns we have about our property tax burden.

We are here today to oppose both LB 408 and LR 22CA because at best, this bill will not solve our overreliance on property taxes, and at worst, will increase our overall tax burdens.

Our opposition to this bill is based upon the following principals:

- 1) Local control – this bill chips away at a local board's ability to manage its budget and do what is in the best interest of the district. School board members are elected, just like you, and are accountable to their constituents. School boards live in their districts, they pay the property taxes levied, and they have a strong vested interest in the success of its district and community. Communities trust school board members, the legislature should as well.
- 2) Current limits – Schools currently have a variety of limits placed on their ability to levy and spend already. Each year the legislature places new unfunded mandates on schools and creates expectations that the new requirements must fit within the current levy and spending limits.
- 3) Most importantly, this bill feeds a broken narrative that says if we could just control spending, we could reduce property taxes. This has been the state's narrative for many years has resulted in a very heavy property tax burden on our taxpayers. If we truly want to lower our tax burdens, we must identify ways to broaden the base of our economy.

We need to look at how MUCH we are spending, and more importantly, HOW we are spending.

First let's look at how MUCH we are spending. Since 2011 the average growth in the State's budget has been 3.17%. The average growth, collectively, in school spending has been 3.00%. The average growth in per-pupil spending in schools since 2011 has been 2.11%. The Total school spending comes directly from NDE's annual statewide financial report from the "total annual costs" that address total k-12 spending.

Looking at this data, you can see that schools, collectively, are spending less than the state on average since 2011.

Also, Nebraska ranks 49th in the nation in state support for public education. New Hampshire is 50th, South Dakota is 48th and Texas is 47th. All three of these states do not have an income tax, so you would assume they would need to larger reliance on property taxes.

If we look at HOW schools are investing its resources, we see that Nebraska ranks 2nd highest in the nation in the percentage of resources being invested in the classroom. This is a result of school board members working with their administrators and teachers to prioritize how to best invest taxpayer dollars. This shows that school board members have been good stewards of taxpayer dollars and put money in the classroom where you see the highest rate-of-return.

Prioritizing in this way requires a lot of work and collaboration but our unpaid, volunteer school board members are willing to put the time in. NASB did a survey of our membership last summer and we found that 75% of school board members in the state have some dependency on our agriculture industry. Our farmers and ranchers, and others with a vested interest in the ag industry, want to make sure we invest wisely, and this is reflective of how school board members prioritize resources into the classroom.

In closing, I want to emphasis this bill does not increase investment in schools. This bill does, however, add another barrier for the locally elected official to manage their budgets as they try to make decisions to best support its constituents.

For over a century, Nebraska has trusted locally elected leaders to make decisions on behalf of their communities. Both LB 408 and LR 22CA erodes that tradition. We ask that the Legislature allow the locally elected school board members to do the work they were elected to do.

Therefore, we respectfully ask you do not advance LB 408 or LR 22CA.

John Spatz
Executive Director
Nebraska Association of School Boards

If a legal action, including a professional practice complaint, is threatened or filed against the Principal as a result of his performance of his duties or his position as Principal of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 15. Physical or Mental Examination. The Principal agrees that, at the request of the Board or Superintendent, he will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board and/or Superintendent must address whether the Principal is able to perform the "essential functions" of his position.

Section 16. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.
