# Nebraska Open Meetings Act

**84-1407. Act, how cited.** Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

**84-1408. Declaration of intent; meetings open to public.** It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

**84-1409. Terms, defined.** For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

**84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.**

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

**84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.**

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of

an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and

(e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing.

Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if:

(c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or entity or pool or at a place which will accommodate the anticipated audience;

(d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recodation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used;

(e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call;

(f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site;

(g) The telephone conference call lasts no more than five hours; and

(h) No more than one-half of the board's, council's, governing body's, committee's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call.

Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. (2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act;

(g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

**84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.**

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Dan Singleton talked to the board about his character and the Nebraska School Activities Association (NSAA) mask mandate at all NSAA sponsored events. Dan was upset that he could not speak longer at the board meeting and Dave said that board policy only allows for 5 minutes of public comment per person because a board meeting is a private meeting that is open to the public and not an open meeting.

#### IV. Financial Statement: Item for Discussion, Consideration, and/or Action

C.D. Bids for the month were as follows:

Security First Bank, Blue Springs Special Funds: 0.40%

Wymore State Bank, Special Funds: 0.41%

Dr. Prosocki said the district is 5 months into the fiscal year and the district has received 50% of its budget and the district has expended 37% of its budget. He noted that when comparing the past 6 years expenditures for the first 5 months, the district has spent less during the 2020-2021 than the previous 6 years. Dr. Prosocki commended the board on their continual efforts to be good stewards of taxpayer dollars and the false narrative put out by the Nebraska State Legislature and the Governor is becoming a broken record.

#### IV.A. Approval of Bills

##### IV.A.1. General Fund, Special Building Fund, Depreciation Fund, and Qualified Capital Purpose Undertaking Fund Claims

##### V.A. Facility Update

Dr. Prosocki gave the board an update on the auditorium project and said the overall cost of the project will be in the \$40,000-\$50,000 range. Dr. Prosocki also noted that he met with our insurance agent to see if some of the cost of the project could be covered through our ALICAP insurance program.

##### V.B. Personnel Items

Roger Dorn was recently hired to replace Tom Regan and Randy Roberts will be filling in part time while John Linder recovers from his injuries. Kelsey Forney was also recently hired as food service provider.

## V.C. Technology Update

Dr. Proski said that he and Cody Sabey recently completed the Future Ready District Technology Plan which is a yearly requirement from the Nebraska Department of Education (NDE).

## VI. Administrative and Committee Reports

### VI.A. Student Board Member Report

### VI.B. Elementary Principal's Report

The elementary principal provided the school board with a written report on the following items: current enrollment figures (3-Year-Old Preschool - 10, 4-Year-Old Preschool - 11, K - 29, 1st - 25, 2nd - 22, 3rd - 22, 4th - 22, 5th - 20, 6th - 33), parent teacher conferences on February 11 over Zoom, no kindergarten parent orientation, upcoming activities, and NSAA protocols for events.

### VI.C. Secondary Principal's Report

The secondary principal provided the school board with a written report on the following items: current enrollment figures (7th - 27, 8th - 34, 9th - 28, 10th - 32, 11th - 24, 12th - 27), 3 of the district's 4 alternative education spots are filled, working on registration with the new 8 period day in an effort to offer more class offerings to students, parent teacher conferences through Zoom, talking about moving from a quarter grading system to a semester grading system at the 9-12 level, he gave an update on the Pioneer Conference Art Show, working on FFA week, and an update on Honor Roll for the second quarter and the first semester.

### VI.D. Superintendent's Report

Dr. Proski presented the board with some preliminary numbers if the board should elect to hold a special bond election in the fall, he gave the board an update on the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act and he noted the district will receive \$307,084 and it will be used to improve the indoor air quality (This was one item that was not addressed last summer or last fall because there was not enough funding to complete these items). Next, Dr. Proski gave the board an update about the ability that schools have now in Nebraska to have all 9-12 students and staff tested for COVID-19 if the students/parents sign off on it and if the staff sign off on it as well and all Sothern staff will have the opportunity to receive the COVID vaccine if they so choose during around the third week in March. Dr. Proski gave the board a legislative update and he noted that it feels like groundhog's day again when it comes to schools coming under attack from our elective officials regarding funding for public schools and school spending. Since 2011, the average growth in the State's budget has been at 3.17% and the growth of school spending across Nebraska has been 3.00%. He then gave the board an update on the NCRSA conference in March, he reminded the board about the upcoming Committee on American Civics before the March board meeting, he gave the board a copy of the updated school board committees for 2021, and he went over both the state aid projections and the budget authority projections. Dr. Proski noted that budget authority does not play a factor in Southern's budget and district state aid is projected to only increase by

\$25,095 or by 1.68%. Last year the district's state aid increased by \$176,965 or by 13%. He talked about the third wave of COVID that we will face over the next 15-18 months that the experts predict will result in a huge increase of mental health issues, addition issues, and learning loss issues. Dr. Prososki noted that since the majority of Nebraska schools have been participating in learning in the classroom and not remotely this year, we will not see as big of an increase of learning loss issues like other states. Lastly, Dr. Prososki said the district received two grants through the Thomas Foundation for some new bikes and stair master equipment for the weight room and to pave the area west of the current football field bleachers on the home side in an effort to move all of the bleachers from the South side of the football field to the North side of the football field. In addition, the district will also remove the old concession stand and use the area underneath the press box to serve as the new concession stand. The district will also correct the drainage issues around the press box and underneath the new bleachers that we currently face and the district will look to bore a new drainage line to rectify these issues.

## VII. Items for Discussion, Consideration, and/or Action

### VII.A. Resolution to Select the Design-Build Contract Delivery System

Motion to approve the resolution to select the design-build contract delivery system. This motion, made by Dana Dorn and seconded by Jim Zvolanek, passed.  
yes: 5, no: 0, Absent: 1

The board approved the design-build contract delivery system which is a required step under the Nebraska Political Subdivisions Construction Alternatives Act. The school board decided to go with the design-build contract delivery system because it is a cheaper alternative to the construction management at risk method of construction because we will not have all of the architect fees. This will also allow the school board to put out drawings out to the public to review.

### VII.B. Principals' Contract & Salaries

Using the same array that the Southern Education Association used for their negotiations, Jerry Remp's current base salary ranks 5th out of 11 districts and his total compensation ranks 9th out of 11 districts. Jerry's base salary is \$1,087 above the midpoint and his total compensation is \$3,962.73 below the midpoint. In addition, Jerry does not receive any additional compensation for being the athletic director. The school board talked about possibly adding the athletic director duties to the negotiated agreement for the 2022-2023 school year.

Jeff Murphy's current base salary ranks 7th out of 11 districts and his total compensation ranks 2nd out of 11th districts. Jeff's base salary is \$212 above the midpoint and his total compensation is \$8,122 above the midpoint. In addition, Jeff receives extra duty pay because he is the head girls basketball coach and the concessions sponsor. This is also why his total compensation is higher on the array.

#### VII.B.1. Principals' Contract Extensions

Motion to approve the principals' contract extensions. This motion, made by Betsy Frerichs and seconded by Aaron Whitwer, passed.

Angela Meyer: Absent, Dana Dorn: yes, Betsy Frerichs: yes, Aaron Whitwer: yes, David Zimmerman: yes, Jim Zvolanek: yes  
yes: 5, no: 0, Absent: 1

#### VII.B.2. Principals's Salaries for the 2021-2022 School Year

Motion to approve a 3% raise for the 2021-2022 school year. This motion, made by Betsy Frerichs and seconded by Jim Zvolanek, passed.

## **2020-21 NSAA Spring Season Guidelines**

***Effective: March 1, 2021***

Circumstances related to the COVID-19 pandemic are constantly changing and vary from community to community. Decisions will have to be made from week to week or even day to day. The health and safety of students, staff, and local communities remain the priority of the NSAA as we provide opportunities to participate in the spring sports season.

Each school has the authority to determine if it will participate in the 2020-21 Spring Season. During the season it will be the responsibility of the host school to provide administrative oversight and compliance with established COVID-19 guidelines in accordance with their local health departments and facilities.

### **FOR ALL SPRING ACTIVITIES:**

The NSAA is requiring the following of schools, officials and spectators for all spring season contests:

- Active participants are permitted, but not required, to wear face coverings during competition/performance.
- Spectators are required to wear face coverings for entrance to all activities. Face coverings may be removed if outside and 6 feet of physical distance can be maintained.
- Face coverings must cover the nose and mouth.
- Follow local/state DHM's for spectator attendance.
- The host school may establish additional requirements in consultation with local health departments. Additional requirements implemented by the host school must be the same for all schools, officials, judges, and spectators.

Recommended protocols for spring contest hosts:

- Coaches and non-active participants are encouraged to wear face coverings at all times
- Create separate points of entry and seating for home and visitor teams/spectators
- Provide no concession stands or separate/multiple concession stands
- Provide separate/multiple restrooms
- Use signage, stanchions, or field markings to ensure physical distancing of 6 feet at concession stands and restrooms
- Communicate availability of locker room space for the opposing team and officials
- Implement diligent and effective cleaning and disinfecting of frequently touched objects and surfaces

**NSAA expects schools to play their regularly scheduled competitions unless a COVID-19 issue prevents them from playing. Member schools, in consultation with their local health department, shall be responsible for determining whether a scheduled game, match, contest, or other activity is cancelled or postponed due to a COVID-19 related issue. Member schools shall notify the NSAA of any cancellation or postponement.**

The NSAA has great appreciation for all its member schools and their tireless efforts to provide opportunities for learning and participation in NSAA activities. Communication, flexibility, and patience will be key in supporting our high school student participants as they participate in activities this spring season.

## **2021 NSAA Track & Field** **COVID-19 Regular Season Accommodations**

These modifications are subject to change in response to COVID-19.

- Separate points of entry for teams and spectators
- No concession stands, or multiple concession stands
- Multiple restrooms for spectators
- Adequate locker room space / outdoor space for the opposing teams
- Adequate locker room space / outdoor space for the officials
- Encouraging / requiring spectators to wear face coverings
- Implementing a diligent and effective cleaning / disinfecting procedure of frequently touched objects and surfaces

- Disinfect implements before, during and after competition
- Recommend / require meet officials to wear face coverings

## **Spring Sports COVID Protocols 2021-2022**

### **Track & Golf:**

During practices, coaches should make accommodations to allow for social distancing whenever possible in an effort to provide adequate spacing when participating in stretching, instructional time, and drills. Coaches should make every effort to conduct workouts in small groups when it is feasible.

Coaches will be required to temperature check student athletes before all contests that occur when school is not in session (During a Saturday contest) or if the teams leave before 9:00 a.m. when school is in session. Any student athlete with a fever of 100.4°F or higher (Or if the student athlete is exhibiting any health symptoms that are associated with COVID-19) will need to stay home for up to 24 hours.

Face coverings are required for all coaches and players if they cannot maintain 6 feet of social distance from their peers. When student athletes are physically exerting themselves, they are not required to wear face coverings. However, a student athlete may continue to wear a face covering if they so wish.

Face coverings will be required for coaches, athletes, and bus drivers when riding in vans or buses throughout the spring sports season. Coaches will need to set up a seating chart for activity trips so that students ride in the same seats to and from the activity to make contact tracing possible for the local health officials. Coaches and student athletes will not be permitted to eat on any activity trips.

### **Home & Away Contests:**

All spectators in attendance at home contests are expected to stay home if exhibiting any health symptoms that are associated with COVID-19 (Fever, cough, loss of taste & smell, etc.). Spectators should arrive no earlier than necessary and leave immediately after each contest. Southern is recommending that all spectators wear face covering at home contests when proper social distancing cannot occur (Spectators cannot keep 6 feet away from others outside of their household unit). When attending contests away from Southern, we will be expected to abide by the protocols of the host schools. Make sure you know what the away protocols are before traveling there. In addition, we will post the host schools' protocols on our website and/or on our Facebook account before each away contest.

For all home golf contests, warmup should be limited to a rotation of athletes on the putting green. The athletic director and coaches will need to communicate the details of the event as far out as possible to allow for minimal gatherings to discuss event details. Players should arrive at

their starting areas no more than 5 minutes before their assigned starting time. Scorecards should not be exchanged or require signatures. Upon completion of the round players will enter the designated scoring area to review and verify their scores verbally with the scoring official.

Failure to follow our safety protocols at Southern home contests can result in the removal of a person from a contest, the removal of a person from an entire sports season, or the removal of a person from all Southern activities for the remainder of 2020-2021 school year.

***Please Note:*** These protocols may change as new guidance becomes available from the Nebraska Department of Education, the CDC, and other state or local public health agencies.

# AQuESTT System of Approval, Accreditation, and Accountability

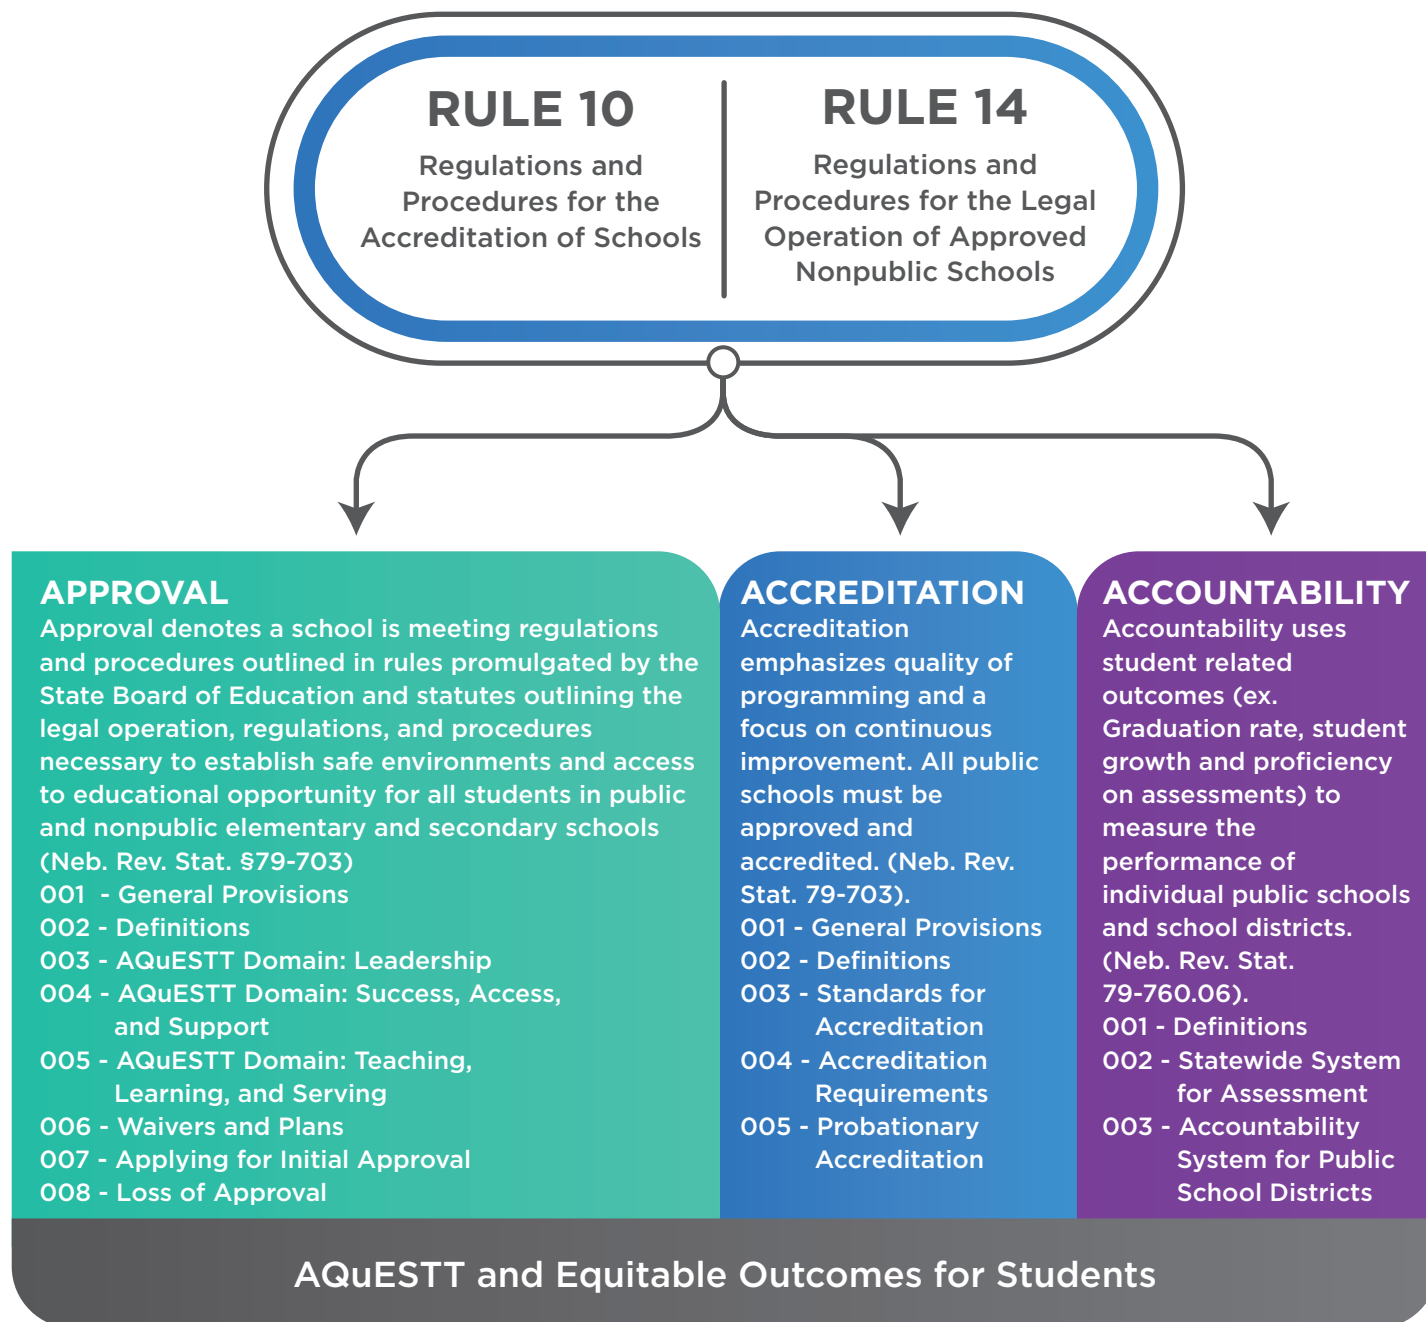

The mission of the Nebraska Department of Education (NDE) is to lead and support all Nebraskans in learning, earning, and living. As part of this mission, the NDE serves as a regulator through the promulgation of rules and regulations.

*The purpose of this document is to outline key changes to current rules governing the accreditation and approval of public and non-public schools.*

## Revision Background

The NDE is required to accredit and/or approve all schools in the state, guided by current Rules 10 and 14. As part of its commitment to advancing equity, the State Board of Education directed the NDE to begin a process for revision and reinterpretation of these rules in Fall 2018.

As part of this revision, the NDE is creating three separate, but interrelated rules for approval, accreditation, and accountability of public and non-public schools.

## What is changing?

- Replacing Rules 10 and Rule 14 with three new Rules: Approval, Accreditation, and Accountability
- Linking accountability with accreditation
- Creating a multi-cycle accreditation system
- Refining accreditation's focus on continuous improvement
- Creating a path for local school boards to be more involved in accreditation and accountability procedures and policies

## Why is this change happening now?

- Higher expectations for advancing equity through a laser-like focus on marginalized students, including:
  - Economically disadvantaged
  - Students with disabilities
  - English Learners
  - Students of color
- Refines our focus on continuous improvement
- Provides clarity on rules to inform and support each other
- Aligns approval, accreditation, and accountability to the State Board of Education's vision and to AQuESTT
