The Debit Authorization Form is included with registration packet and processed through the Boone Central Business Office. Automatic withdraws will be processed each month starting in August and ending in May.

Full-time tuition covers the 172 days in which students are scheduled to be in school. The annual amounts listed below are divided up into 10 equal payments. When thinking about the cost of the CKC program, it's helpful to think of this as an annual fee that's divided up into 10 equal payments. Part-time attendance is available, and days of attendance must be specified in advance for the days the child will be in attendance each week. Part-time fees are based on scheduled enrollment.

After-school 2022-2023 rates:

- *Full-time attendance*
 - 4 or 5 days/week
 - Annual rate: \$1,450 per child
 - Monthly rate: \$145 per child
- *Part-time attendance*
 - 3 days/week
 - Annual rate: \$1,250 per child
 - Monthly rate: \$125 per child
 - 2 days/week
 - Annual rate: \$850 per child
 - Monthly rate: \$85 per child
 - 1 day/week
 - Annual rate: \$500 per child
 - Monthly rate: \$50 per child

Before-School Program on Wednesday only

The cost for attendance in the before-school program will be determined annually. Automatic withdraw payments are required for each month, unless the full annual fee is paid prior to attendance or prior arrangements are made. The Debit Authorization Form is included with registration packet and processed

through the Boone Central Business Office. Automatic withdraws will be processed each month starting in August and ending in May.

The tuition fee covers every scheduled Wednesday morning during the Boone Central school year from 7:30 a.m. to 8:30 a.m. Part-time and pay-as-you-go options are not available. The 2022-2023 fees are listed below.

Wednesday morning 2022-2023 rates:

- Annual rate: \$200 per child
- Monthly rate: \$20 per child

Refunds and Reimbursements

Fees are based on scheduled full-time and part-time enrollment. There will be no reduction in fees for absences, holidays, snow days, vacations, non-school days, or suspensions from the program. In addition, absences due to illness, holidays, severe weather closings, or for personal reasons will not be deducted from the scheduled weekly fee. Fees will not be pro-rated if attendance begins or ends mid-week.

Financial Assistance

CKC financial assistance has been established to for families in need. Financial assistance will be determined annually based on the amount of funds available and the number of students in need. Qualification for free and reduced meal prices is used to determine need.

In 2022-2023 qualification for financial assistance is as follows:

- Students who qualify for free meals will attend CKC for **FREE**
- Students who qualify for reduced meals will attend CKC for **50%** of the tuition rate | *For example, a family qualifying for reduced meals and will send 1 child to CKC full-time will pay \$72.50 a month.*

Debit Authorization

Automatic deduction (via the debit authorization form) is required for attendance unless the full annual fee is paid prior to attendance or prior arrangements are made. The Debit Authorization Form is included with registration packet and processed through the Boone Central Business Office.

Return Payment

If a tuition payment is returned by the bank due to insufficient funds the balance must be paid immediately in the form of cash or a money order. Failure to resolve an outstanding balance will result in dismissal from the program.

Termination/Change of Status

A parent wishing to withdrawal or reduce the number of days in attendance is required to submit a Withdraw/Change of Days Notice 30 days in advance. This form can be obtained by contacting the Program Director. Automatic withdraw payment would reduce or terminate the following month.

A parent wishing to increase days in attendance mid-month during the school year will be required to provide a prorated payment with registration or enrollment change. The automatic draft payment would be adjusted accordingly the following month.

Fees for a child dismissed or suspended from the program will not be prorated or reimbursed. The automatic draft payment would automatically terminate the month following a permanent dismissal.

Weather-Related Cancellations

The CKC will be closed whenever Boone Central School is closed due to inclement weather, or for any other reason. Refunds will not be issued for days when the school is closed due to snow, weather-related issues, or any other reason. If the school day is delayed due to weather on a Wednesday morning, the morning program will not be available. It is the responsibility of the parent to determine if school is delayed/dismissed early. The CKC is not held responsible for students who arrive at CKC when Boone Central Schools are delayed or dismissed early.

Location

The CKC is housed within the existing Albion Mason's Lodge building located directly north of the Boone Central Elementary School.

Dismissal from School

Students enrolled in the CKC will be dismissed by their regular classroom teacher. It will be the responsibility of the student to walk to CKC after school on their designated days, CKC staff will not walk with students over to CKC.

Drop-Off and Pick-Up Procedures

The dismissal plan section of the registration packet will provide CKC staff on how they are to dismiss each child. This plan can be changed throughout the year with prior notice given to CKC staff. If someone other than the parent/guardian or authorized persons listed on the child's dismissal plan is picking up the child, parents are required to notify CKC staff verbally, with a written note, phone call, or email.

Late pick-up

The CKC after-school program closes at 5:30 p.m. sharp. Parents are expected to arrive at least 5 minutes prior to closing to pick up students. If an on-time pick-up is unlikely, please contact the CKC staff by phone. We understand that emergencies and unexpected situations occur, however, these occurrences should be rare. After the third occurrence of late pick-up, the program director reserves the right to dismiss the child(ren) from the CKC program. When late pick-ups occur, this causes CKC staff to go over on their strictly scheduled hours, this then causes staffing and payroll problems.

If a child remains at the CKC 15 minutes past closing with no contact from the parent, the staff reserve the right to attempt to contact a person on the student's emergency contact list. At last resort, the CKC staff may contact the Boone County Sheriff's Office for assistance.

Communication with Program Staff

CKC maintains an open-door policy, encouraging parents/guardians to contact the CKC staff about any concerns or questions. Please contact the program director with questions regarding tuition, staffing, activities, or a child's participation. Communication about a child's daily participation (leaving early, not attending due to illness, etc.) may be directed to CKC staff.

Attendance

Attendance will be taken each day when children arrive to CKC. If a child will not be attending as scheduled, it is the responsibility of the parent to notify CKC staff at ckc@boonecentral.esu7.org of the child's absence.

When a child who is scheduled to attend the CKC does not arrive we will initiate the following actions:

- A call will be made to the school to see if the child left school or went home ill.
- A call and/or email will be made to the main contact number as indicated on the registration packet. A message will be left if there is no answer.
- A call and/or email will be made to the secondary number/email indicated. A message will be left if there is no answer.
- Once a child's parents have been contacted, the CKC shifts responsibility for the child to the parents/guardians.
- If all contacts have been attempted with no answer, CKC staff reserve the right to contact the Boone County Sherriff for further assistance.

Absence and Illness

If a student becomes ill while at the CKC a parent will be notified as soon as possible. The child must be picked up as soon as possible as well. Children attending the CKC should be well enough to follow the normal schedule. A child may not attend if they have a contagious condition, eye ailment, head lice, rash, fever, vomiting or diarrhea, etc. A student who has had a fever must be fever-free for at least 24 hours before returning to CKC.

Program Activities

Throughout the year children are offered a variety of activities through a carefully designed schedule of education, enrichment, and recreational programming. If a child does not wish to participate in an activity, they may be withdrawn from the activity with written permission from their parents.

Students attending on a part-time basis may miss out on certain activities. CKC staff will do their best to ensure that all students receive an opportunity to finish projects while in attendance.

Homework

Time will be set aside each day to give students the opportunity to work on homework and complete assignments. Staff members will assist with homework going off of what's indicated on the homework questions in the registration packet.

Because of the number of children who require assistance during homework time, the staff members are not always able to check each child's homework for accuracy. **Although CKC staff check-in with children regarding homework, using the time set aside to complete homework is the responsibility of the child.** CKC staff are not responsible if a child does not complete their homework. Please communicate with CKC staff about any issues regarding homework. Prior arrangements to finish homework can be made, but this means your child will miss out on recess, free time or the daily activity.

Snacks and Meals

Students attending the after-school program will receive a snack each day. If a CKC student does not like the snack option for that day, another option (if available) may be offered. The CKC only orders enough snacks for each student to have one of each item on the menu, if students are still hungry after eating all of their snack they may be offered another option (if available). All snacks are included in the cost of attendance and meet the healthy snack guidelines, and are provided by the Boone Central lunch program.

Before-School Program

Breakfast is available at the school starting at 8:30 a.m. on Wednesday mornings. Students attending the morning program will eat breakfast when they get to school, if needed. Parents and students are responsible for communicating with their child(ren) and CKC staff about eating breakfast.

Weather and Outdoor Activities/Play

Each day at CKC there is a designated outdoor play time. If outdoor play is cancelled due to precipitation, icy ground conditions, low temperatures, or excessive heat, CKC staff will make other arrangements.

Personal Belongings

All children are responsible for their personal items and should keep those items in their backpack. **Students attending CKC should NOT bring toys/other items from home.** CKC will NOT assume responsibility for items brought from home; missing items will not be replaced. CKC employees cannot hold money for a child in the event that a child brings money to the CKC. Use of cell phones, tablets, smart watches or other electronics by children during CKC hours is prohibited unless permission is given by CKC staff. The CKC is not responsible for any lost, missing or stolen items.

Medication

Medication will NOT be dispensed to children while attending the CKC. Non-prescription medication will only be given when there is written permission from a parent or guardian. The non-prescription medication must be in the original container/packaging, labeled with the student's name, and have directions on how to administer.

Students with medical needs will need to speak with the program director prior to enrolling a student in CKC. All CKC staff members are first aid and CPR certified, but no staff is available to administer or handle any type of prescription medication. Children attending the CKC with any kind of medical condition will need to complete a Medical Action Plan Form and protocol for handling a medical emergency.

Students with a history of asthma or breathing difficulties are allowed to possess and use an asthma inhaler at the CKC. Students with a history of life-threatening allergies are allowed to possess and use an auto injectable epinephrine at CKC. No CKC staff members have been trained to administer the Epi-Pen and/or Albuterol. In the event of an emergency and the child cannot administer the medication independently, the CKC staff will follow the steps in the child's Action Plan. Depending on the severity of the situation, 911 may be called prior to calling a parent/guardian.

Accidents and Injuries

If a minor accident occurs during a child's time at CKC, staff will address the situation and provide any needed care. In the event of an accident or acute illness, every effort will be made to notify the child's parents. If a situation requires immediate attention, 911 will be called and the child will be transported to the hospital by ambulance.

Staffing and Personnel Requirements

All CKC employees are certified in CPR and first aid, and are screened through the Nebraska Central Registry of Child Abuse and Neglect and the Nebraska Adult Protective Services Registry.

At least one adult (19+) will be present at all times during program hours and within appropriate range of the students. In addition, the CKC maintains a 1:15 ratio staff/child ratio.

Students with Special Needs

The Cardinal Kids Club does not discriminate against children with special needs or who need additional support, additional information (as requested in the registration packet) is asked in order to provide a safe and enjoyable experience for each child. Please note that certain activities may make it difficult to accommodate specific needs, and that all the activities at CKC may not be appropriate every student. The CKC will make every reasonable effort to accommodate a child's special needs, but accommodations are not guaranteed.

All children enrolled in CKC must meet each of the following criteria:

- Must be toilet trained and non-diapered,
- Must be able to move to and from the toilet in the restroom without assistance,
- Must have age-appropriate hygiene skills,
- Must have age-appropriate eating skills,
- Must have age-appropriate dress skills,
- Must have physical endurance to interact and participate in indoor and outdoor play, and
- Must be able to adhere to the discipline policy and indoor and outdoor rules.

CKC reserves the right to restrict admission or continued enrollment on a case-by-case basis. Children with special needs may need to complete an Emergency Action Plan. The feasibility a student with special needs will be determined by the Program Director and Boone Central Administration prior to allowing a student to officially enroll in CKC.

Behavior Expectations

To keep the CKC safe and operating smoothly, children are expected to adhere to the same rules and expectations they follow during the school day.

As a general guide, CKC students will:

- Show respect to the property of CKC and use that property for its intended use.
- Eat snacks or other food at a table.
- Clean up after themselves.
- Ensure they are using an unoccupied restroom.

- Keep the classroom, outdoor and restroom areas clean and picked-up.
- Be respectful to staff and other students at all times.
- Not show any signs of physical aggression, disrespect of property, and use of profanity or improper gestures.
- Not bully other students or staff.

Discipline Procedures and Temporary Dismissals

Children are expected to abide by the same rules and guidelines as listed in the Boone Central Schools Handbook in addition to this handbook. Parents/Guardians will be informed if a child's behavior becomes a discipline problem.

If inappropriate behaviors occur CKC staff will attempt to positively reinforce the student, and encourage them to make better choices. If inappropriate behaviors continue after the first contact, the child(ren) will be removed from the situation and given a chance to calm/cool down (if needed). If the child positively responds to their removal period, the child will then have the opportunity to problem solve the incident with a staff member and rejoin the group. If the student does not respond positively, the program or site director will take over and come up with a solution with the student(s).

When a behavior is deemed to be hurtful to other children or disrespectful to staff, the child's parent will be notified and the child may be sent home for the day. At this point, the program director may decide to temporarily dismiss the student from CKC. Temporary dismissals begin with 1 day, then 2 days, then 3 days. After the 3-day dismissal, the student may not return to CKC for the rest of the school/program year. *For example, if a student is dismissed for three days in February that student may not return to CKC for the rest of the school year OR enroll in the summer program (if applicable).*

Examples of behavior which may result in temporary (or permanent) dismissal from the CKC program may include (but are not limited to):

- Intentionally hitting, kicking or injuring another child or staff member.
- Intentionally damaging school or CKC property.
- Threatening another child or CKC employee.
- Inappropriate behaviors or language.
- Repeated occurrences of a behavior.
- Attempting to leave the CKC grounds without a parent/guardian or CKC staff member.
- Other situational type instances.

Removal from Program

If CKC can no longer serve a student/family, we will give the parent/guardian a two-week notice. This notice does not apply if the child is removed for disciplinary reasons or if CKC is unable to meet the child's needs. The parent/guardian is responsible for payment for the remainder of the month, regardless of the child's attendance during that period.

CKC may terminate services for any of the following reasons (but not limited to):

- Failure to honor obligations listed in the Family Handbook.
- Failure to complete required forms.

- Failure to maintain current account balance.
- Other violations of the CKC handbook and/or policies.
- Other violations identified by the program director/school administration.

Supervision, Safety and Transportation

Every precaution will be taken to always ensure safety.

- Fire and Tornado drills will be conducted to ensure procedures are understood and followed.
- In the event of an emergency, the CKC will ensure all parents and families are notified in reasonable time. Notifications may be sent via email or phone.
- All CKC staff will be First Aid trained and the program and site directors will be CPR and First Aid trained. First Aid kits, an AED, and fire extinguishers, smoke detectors, and carbon monoxide detectors are in the CKC facility.
- The 1:15 staff/child ratio will be met at all times.
- Student employees (under 19 years of age) will not be alone with students. An adult (19+) will be present at CKC at all times.
- Transportation vehicles will be provided by Boone Central Schools as needed. All drivers will be properly certified and under the direct supervision of the school district.
- Employees will carry a cell phone with them when supervising program participants away from the facility.

Boone Central High School Extracurricular Activity Transportation

Participants are expected to ride home on the bus/van, but under unique circumstances participants may ride home from a game with their parent(s) or another faculty sponsor. Best practice when signing your student off the bus/van is to inform the coach/sponsor or Activity Director one day in advance when possible.

Coaches, bus drivers and office personnel will have forms for the parent/guardian to sign.

The sponsor/coaches believe it is desirable to keep the team or group together after the activity. Being together in victory and defeat develops unity and camaraderie. Also, part of being a member of a team or group is commitment and part of that commitment includes the time spent together riding to and from activities. Please be aware of the sponsor/coaches' wishes when deciding to check your son or daughter off the bus/van and support them in their desire to help build team or group unity. The sponsors/coaches are also concerned with the safety of participants when not riding with parents or another faculty sponsor.

Alternate transportation (i.e. riding home with another parent or adult family member) requires prior written arrangements at least one day prior to event.

Transportation Liability Waiver

I have read the Extracurricular Transportation Policy and agree that I shall assume all liability for negligently caused injuries or damages and release the school and school officials from any liability for injury or damage resulting from the following situations involving extracurricular activities:

1. Where I transport my son/daughter;
2. Where I transport other students, or I, as a parent/guardian, give permission to another adult to transport my son/daughter;
3. Where my son/daughter transports himself/herself; or
4. Where my son/daughter transports other students to or from a practice or scheduled event

Third offense: Detention.

Fourth offense: One-week suspension from riding the bus.

Extreme or repeated violations may result in restriction or suspension of bus privileges and other disciplinary measures, up to and including expulsion from school. Reports of serious misconduct may be forwarded to law enforcement officers.

Rationale: Have specific consequences for bus violations.

STUDENT LOCKERS

Each student will be assigned a locker. Students must use their own lockers and are not to share lockers with other students except as assigned by school officials. CONSEQUENCES FOR DRUGS, ALCOHOL, TOBACCO, CONTROLLED SUBSTANCES (VAPOR PRODUCTS/DEVICES, ETC.)

Consequences

The consequences outlined below apply to drug, alcohol, tobacco, and controlled substances (vapor products/devices, etc.) violations included in the Extracurricular Activities Code of Conduct and for positive drug test results. The consequences shall be as follows. At the end of each consequence period, the student must submit another test and the test must be negative before becoming eligible again. **These consequences apply to violations of the code of conduct and are pertinent to situations as applied to students involved in incidents or during drug testing events.**

First Violation of ~~Drugs, Alcohol, Tobacco, Controlled Substances (vapor products/devices etc.)~~: After confirmation, the student shall lose eligibility to participate in home and away school activities for 30 school days but may attend with the team at the coach's/sponsor's discretion. For reinstatement into extracurricular activities, the student is required to complete INSIGHT prior to the end of the suspension.

1. First Violation of ~~Drugs, Alcohol, Tobacco, Controlled Substances (vapor products/devices etc.)~~:

- After confirmation, the student shall lose eligibility to participate in home and away school activities for 30 school days but may attend with the team at the coach's/sponsor's discretion. For reinstatement into extracurricular activities, the student is required to complete INSIGHT prior to the end of the suspension.

- Successful completion of INSIGHT before the first 20 days of the suspension shall be

reduced to a 20 school day suspension versus 30 school days.

- The athlete/participant will be required to attend all practices, but will not be allowed to suit up for games or sit on the bench. It is at the coach's discretion whether or not they travel with the team for road games.
- Activity suspension not completed during a school year will carry over beginning the first day of the next school year. Example: A 30 school day suspension imposed with 10 school days remaining in the spring would continue again on the first day of the next school year with 20 school days remaining in the ineligibility.

2. Second Violation of Drugs, Alcohol, Tobacco, Controlled Substances(vapor products/devices etc.):

- After confirmation, the student shall lose eligibility to participate in home and away school activities for 60 school days but may attend with the team at the coach's/sponsor's discretion. For reinstatement, the student must show successful completion of an approved drug/alcohol assessment program, at the parent's, guardian's or student's expense. **With completion of the assessment program and self-reporting within the time frame listed below the infraction will go down to 45 days from 60 days.**
- Self Report- before the end of the next school day after the conduct occurred or before participation in an extracurricular or co-curricular activity.

3. Third and Subsequent Violation of Drugs, Alcohol, Tobacco, Controlled Substances(vapor products/devices etc.):

- Athletes/participants will be suspended from all extra-curricular activities for one (1) full year starting from the time of the third violation and ending on the corresponding date one (1) year later.
- In addition: it is a privilege and not a right to participate in extracurricular activities. Students may also be suspended from these activities for other criminal offenses and/or behavior deemed inappropriate by administration.
- ~~After confirmation, the student shall lose eligibility to participate in home and away school activities for 90 school days but may attend with the team at the coach's/sponsor's discretion. For reinstatement, the student must show successful completion of an approved drug/alcohol assessment program, at the parent's, guardian's or student's expense.~~

Additional Points of Note:

- Activity suspension not completed during a school year will carry over beginning the first day of the next school year. Example: A 30 school day suspension imposed with 10 school days remaining in the spring would continue again on the first day of the next school year with 20 school days remaining in the ineligibility.
- Activity suspension is based on school days and covers any event(s) which occur during the time of suspension including weekends and breaks **during the school year**. Students who are in violation of the Substance Abuse Policy of Boone Central Schools will miss the appropriate number of calendar days based on the level of

offense and miss a minimum of two public performances.

- If in between seasons or activities for that student, the student must also miss two public performances of the next activity in which they would normally participate, this may carry over to the following school year.
- Should a violation of this policy occur outside the school year, a parent may, upon request, have the suspension enforced at the start of the next school year by contacting the Principal. In addition, an admission from a parent, for their child, may be used at any time.

Rationale: Update to cover all offenses in regards to drug/alcohol policy and our code of conduct policy.

Also, we would need to update Board Policy 5304 to make this policy match up with the parent/student handbook policy.

This is on page 88 of the Staff Handbook.

Permanent Teachers

Formal observations and evaluations of permanent teachers are to be based upon actual classroom observations for an entire instructional period.

Permanent teachers are to be formally observed and evaluated **once every other year.**

? Improvement Plan in place

Rationale: Tenured teachers can be evaluated every other year as walk throughs would be more beneficial to our staff.

Also, we will need to change Board Policy 4303 to match up with this wording above.

Chromebooks/iPads that are broken or fail to work properly must be taken to the high school media center staff as soon as possible. If a loaner Chromebook/iPad is needed, one will be issued to the student, at the discretion of the administration, and for use within the school day until their Chromebook/iPad can be repaired or replaced.
 - If students with a replacement device need to complete homework on their device, but don't have an equivalent at home, they will be required to complete the assignment before or after school.
- Students are responsible for bringing the device to school each day fully charged.
- Devices must remain clean and clear of any stickers, adhesive, markers, or anything that may deface the device.

General Precautions

- High School Only: An unattended Chromebook or charger that is brought to the HS office/HS Media Center will result in a \$1.00 fee to get it back for student use.

If a student does not bring his/her Chromebook to school:

- A student may stop at the K-8 Media Center or the HS Media Center and check out a loaner for the day, if available.
- A student borrowing a Chromebook must sign a loaner agreement and will be responsible for any damage to or loss of the issued device.
- District personnel will document the number of times a loaner is issued to each student for not having his/her own Chromebook at school and will send reports to the administration for students who have excessive occurrences during the school year.
- The administration will treat such occurrences as insubordination offenses, which may result in disciplinary action.
- The students that obtain a loaner will be responsible for returning the borrowed device to the respective staff before the end of each school day.
- If a loaner is not turned in by the end of each day, a report will be filed with the student's grade level administrator and the administrator will work on retrieving the loaner. Disciplinary action may apply.

Sound

- Sound must be muted at all times unless permission is obtained from a teacher.
- Headphones may be used at the discretion of the teachers.

- The district may, without prior notice or consent, log, supervise, access, view, monitor, and record the use of student Chromebooks at any time for any reason related to the operation of the district.
- By using a Chromebook, students agree to such access, monitoring, and recording of their use.

Monitoring Software

- Teachers, school administrators, and the technology department staff may use monitoring software that allows them to view the screens and activity on student Chromebooks/iPads.

Updates

- The Chromebook's operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebooks.

Virus Protection

- Chromebooks/iPads use the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot.
- There is no need for additional virus protection.

Content Filter

- The district utilizes an Internet content filter that is in compliance with the federally mandated Children's Internet Protection Act (CIPA).
- All Chromebooks/iPads, regardless of physical location (in or out of school), will have all Internet activity protected and monitored by the district. If a website is blocked in school, then it will be blocked out of school.

Inspection

- Students may be selected at random to provide their Chromebooks for inspection. The purpose of the inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school.

Software on Chromebooks

- Chromebook software is delivered via the Chrome Web Store. These are web-based applications that do not require installation space on a hard drive. Some applications, such as Google Drive, are available for offline use.
- The software originally installed on the Chromebook must remain on the Chromebook in usable condition and be easily accessible at all times.
- All Chromebooks are supplied with the latest build of the Google Chrome Operating System (OS) and many other applications useful in an educational environment. The Chrome OS will automatically install updates when the computer is idle or restarted.

Google Apps for Education (Boone Central Accounts)

- Chromebooks seamlessly integrate with the Google Apps for Education suite of productivity and collaboration tools. This suite includes Google Docs (word processing), Spreadsheets, Presentations, Drawings, Forms, Sites and Gmail.
- All work is stored in Google Drive.
- If additional storage is required, the students may utilize a flash drive or a portable hard drive of their own.

Additional Apps and Extensions

- Students are able to request through their classroom teachers and high school/K-8 media center additional apps and extensions on their Chromebook as long as they are appropriate for school use and are subject to administrator discretion.

Repairing or Replacing Your Chromebook

- All Chromebooks or iPads in need of repair must be brought to the K-8 Media Center or High School Media Center as soon as possible.
- All repair work must be reported to the Boone Central Public Schools Technology Team.
- For students' assigned charge for repairs, see the Incident Fees section of this policy.

Theft or Loss of Your Chromebook/iPad

- The Boone Central Schools will require a police report to be submitted in cases of theft. Fraudulent reports of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school code of conduct.

Chromebook/iPad Technical Support

- The Boone Central School Media Center will be the final point of contact for the repair of the Chromebooks/iPads. Services provided include:
 - Password Identification
 - User account support
 - Distribution of replacement Chromebooks
 - Hardware maintenance and repair
 - Operating System or software configuration support

Student Internet & Computer Use

Policy #5205

Students are expected to use computers and the Internet as an educational resource. The following procedures and guidelines govern the use of computers and the Internet at school.

Student Expectations in the Use of the Internet

A. Acceptable Use

1. Students may use the Internet to conduct research assigned by teachers.
2. Students may use the Internet to conduct research for classroom projects.
3. Students may use the Internet to gain access to information about current events.
4. Students may use the Internet to conduct research for school-related activities.
5. Students may use the Internet for appropriate educational purposes.

B. Unacceptable Use

1. Students shall not use school computers to gain access to material that is obscene, pornographic, harmful to minors, or otherwise inappropriate for educational uses.
2. Students shall not engage in any illegal or inappropriate activities on school computers, including the downloading and copying of copyrighted material.
3. Students shall not use e-mail, chat rooms, instant messaging, or other forms of direct electronic communications on school computers for any unauthorized or unlawful purpose or in violation of any school policy or directive.
4. Students shall not use school computers to participate in on-line auctions, on-line gaming or mp3/mp4 sharing systems.
5. Students shall not disclose personal information, such as their names, school, addresses, or telephone numbers outside the school network.
6. Students shall not use school computers for commercial advertising or political advocacy of any kind without the express written permission of the system administrator.
7. Students shall not publish web pages that purport to represent the school district or the work of students at the school district without the express written permission of the system administrator.
8. Students shall not erase, rename or make unusable anyone else's computer files, programs or disks.
9. Students shall not share their passwords with fellow students, school volunteers or any other individuals, and shall not use, or try to discover, another user's password.
10. Students shall not copy, change or transfer any software or documentation provided by the school district, teachers or another student without permission from the system administrator.
11. Students shall not write, produce, generate, copy, propagate or attempt to introduce any computer code designed to self-replicate, damage, or otherwise hinder the performance of any computer's memory, file system, or software. Such software is often called, but is not limited to, a bug, virus, worm, or Trojan Horse.
12. Students shall not configure or troubleshoot computers, networks, printers or other associated equipment, except as directed by a teacher or the system administrator.
13. Students shall not take home technology equipment (hardware or software) without

permission of the system administrator.

14. Students shall not forge electronic mail messages or web pages.

Enforcement

A. Methods of Enforcement

1. The district monitors all Internet communications, Internet usage and patterns of Internet usage. Students have no right of privacy to any Internet communications or other electronic files. The computer system is owned by the school district. As with any school property, any electronic files on the system are subject to search and inspection at any time.
2. The school district uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.
3. Due to the nature of filtering technology, the filter may at times filter pages that are appropriate for student research. The system administrator may override the technology protection measure for the student to access a site with legitimate educational value that is wrongly blocked.
4. The school district staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

1. Access to the school's computer system and to the Internet is a privilege, not a right. Any violation of school policy and rules may result in:
 - a. Loss of computer privileges;
 - b. Short-term suspension;
 - c. Long-term suspension or expulsion in accordance with the Nebraska Student Discipline Act; and
 - d. Other disciplines as school administration and the school board deem appropriate.
2. Students who use school computer systems without permission and for non-school purposes may be guilty of a criminal violation and will be prosecuted.

Children's Online Privacy Protection Act (COPPA)

- A. The school will not allow companies to collect personal information from children under 13 for commercial purposes. The school will make reasonable efforts to disable advertising in educational computer applications.
- B. This policy allows the school to act as an agent for parents in the collection of information within the school context. The school's use of student information is solely for education purposes.
