**BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.
- (b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

restrictions upon, the President. The President-Elect shall perform such other duties as from time to time may be assigned by the President or by the Council.

- (c) Past-President. In the absence of the President or the President-Elect or in the event of his or her death, inability, or refusal to act, the Past-President shall perform the duties of the President. When so acting the Past-President, shall have all the powers of, and be subject to all the restrictions upon, the President. The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.
- (d) Secretary. The Secretary shall prepare minutes of the meetings of the Council, serve as the custodian of the Council's records, keep a current roster of the physical and e-mail addresses of all Council members, and perform all duties incident to the office of Secretary, and perform such other duties as from time to time may be assigned by the President or by the Council.
- (e) Treasurer. The Treasurer shall have charge and custody of and be responsible for, all funds and securities of the Council, receive receipts for all securities and monies due and payable to the Council from any source whatsoever and give such receipts to the Council, deposit all such monies in the name of the Council in such banks, trust companies, or in other depositories designated by the Council, and perform all the duties incident to the office of Treasurer and perform such other duties as from time to time may be assigned by the President or by the Council. If required by the Council, the Treasurer shall give a bond for the faithful discharge of his or her duties in such sum and with such surety or sureties as the Council shall determine.
- (f) Executive Committee. The Executive Committee shall meet as needed to prepare for Council meetings, to formulate recommendations for the Council, and for such other reasons as deemed appropriate by the President or as directed by the Council.

Article IV. Administration.

Section 1. Reimbursement for Expenses. Council members and Council employees shall be entitled to reimbursement for actual expenses incurred in the performance of their duties as allowed by NEB. REV. STAT. § 79-1217 and other laws and applicable regulations as they may be amended from time to time. No request for reimbursement shall be submitted by an individual for an expense which has been paid by an educational service unit, other educational agency, or political subdivision. No charge for mileage shall be allowed when such mileage accrues while using an automobile owned by the State of Nebraska or one of its political subdivisions.

Section 2. Budget. The Council shall annually adopt a budget as required by the Nebraska Budget Act. Fiscal agents shall, pursuant to the agency agreement between the fiscal agent and the ESUCC, segregate funds contributed to a project from other funds maintained by the fiscal agent, either by maintaining a separate account of the Council designated for such a purpose or by maintaining a segregated fund within the budget of the educational service unit serving as fiscal agent. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. The purpose of such agreements will be for the Council to delegate to the agent entity the authority and responsibility to oversee particular statewide cooperative projects. The agency agreement shall specify whether the agent entity will also serve as the fiscal agent for the project.

Section 4. Powers. The Council shall have the power to:

- (a) Purchase and/or lease supplies, materials and equipment and enter into a contract with any person, firm, corporation or other entity.
- (b) Accept for any of its purposes and functions any and all donations, grants of money, equipment, supplies, materials and services, conditional or otherwise from any person or entity, and receive, utilize, and dispose of the same. The nature, amount, and conditions, if any, attendant upon any donation or grant accepted

pursuant to this section shall be detailed in the annual report of Council.

- (c) Employ, compensate, evaluate and discharge staff limited only to those persons necessary to carry out its duties and functions;
- (d) Establish committees as it deems necessary for the purpose of advising the Council on any and all matters pertaining the Council's duties or activities;
- (e) Indemnify or reimburse any person in the same manner as an educational service unit board is authorized to do pursuant to NEB. REV. STAT. § 79-1217 as may be amended from time to time;
- (f) Take any other action authorized, either explicitly or implicitly, by Nebraska law, including any action that may be necessary to perform its duties and functions as provided in these Bylaws.

Section 5. Annual Plan. The Council shall develop a written document outlining the programs, services and other projects which the Council will operate each year ("Annual Plan"). The Council will annually review the Annual Plan and may amend it as the Council deems necessary.

Section 6. Advisory Committees. The Council may solicit input from advisory committees comprised of teachers, administrators, board members, staff development staff, and other individuals. The role of these committees shall be advisory only, and no recommendation or proposal by any advisory committee shall be final until acted upon and adopted by the Council.

Article V. Other Matters.

Section 1. Fiscal Year. The fiscal year of the Council shall begin on ~~July 4~~ ^{September 1} and end on ~~June 30~~ ^{August 31}. (Amended March 3, 2010)

Section 2. Liability Insurance. The Council shall obtain adequate insurance to cover itself, its members and its agents, employees, volunteers, or other persons in performing duties to the Council. Adequate shall mean an amount, if available, which will satisfy the maximum claims that could be made under Nebraska's Political Subdivision Tort Claims Act.

Section 3. Amendment. These Bylaws may be amended from time to time as deemed necessary by a majority of the Council. All such amendments must be in writing, appended to this document and signed by the Council Secretary.

Section 4. Intellectual Property. All rights to any intellectual property (copyright, trademark, patent, etc.) created in connection with any project reflected in the addenda to these Bylaws shall be owned by the Council.

These Bylaws were adopted by the Educational Service Unit Coordinating Council at a meeting lawfully held pursuant to the Nebraska Open Meetings Act this _____ day of July, 2008.

Nebraska Open Meetings Act

§84-1407 Act, how cited Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

§84-1408 Declaration of intent; meetings open to public It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

§84-1409. Terms, defined For purposes of the Open Meetings Act, unless the context otherwise requires: (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions. (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

§84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster, or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

§84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body (1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public

body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) 24 hours before the scheduled commencement of the meeting or (b) 48 hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the educational service unit coordinating council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference; and (e) No more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the educational service unit coordinating council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, or of the governing body of a public power and irrigation district may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which an educational service unit board member, a council member, a member of a community college board of governors, a member of the governing body of a public power district, a member of the governing body of a public power and irrigation district, or a member of the entity's or pool's governing body will be present; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice; (g) The telephone conference call lasts no more than two hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that a governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

§84-1412. Meetings of public body; rights of public; public body; powers and duties (1) Subject to the Open Meetings Act, the public has

the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested 24 hours in advance; (d) No more than 25% of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least 21 days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

§84-1413. Meetings; minutes; roll call vote; secret ballot; when (1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a municipality, a county, a learning community, a joint entity created pursuant to the Interlocal Cooperation Act, a joint public agency created pursuant to the Joint Public Agency Act, or an agency formed under the Municipal Cooperative Financing Act which utilizes an electronic voting device which allows the yeas and nays of each member of such city council, village board, county board, or governing body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

§84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties (1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within 120 days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than 120 days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the

agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; (g) The telephone conference call lasts no more than five hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified Daily Documentation 1st Quarter in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers

and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Petitions and Communications to the Board

State Board of Education and Nebraska Department of Education Report

Russ Masco was present to give NDE updates. After PDO this week, we will begin working on the next Talking Points document. Committee continues to work on the Rule 84 work for the next meeting in April.

Association of Education Service Agency's Report

Executive Director will be attending a meeting in Washington DC this upcoming week. The summer conference will be on July 20-23, 2020, in Nashville, TN. Call to Action will be on September 28- 30, 2020. AESA Conference will be December 2-5, 2020 in Orlando, FL. Discussion on having a delegate the next time the Central Region is elected.

Learning Community Update

Dave Patton was present to give an update for the Learning Community. Their annual report has been filed and copies available. Dave Patton will be leaving the Learning Community for a different position.

Executive Reports

Executive Director Report

Executive Director shared that we will be giving a Bold Step update during PDO. Business Software RFP, ESU 3 is looking to do an RFP and will have presentations if anyone is interested.

ESUCC Redesign: Update

ESU Standards

Bold Step Chair share updates on Bold Step - ESU Standards. He shared the pilot draft 1 (Version 4) and timelines of moving ESU Standards forward. They still want to build the indicators but those piloting will create as they go through the process. A couple ESUs will be piloting throughout the upcoming year and will finalize at that point.

Joint Decision-Making Parameters

Bold Step Chair share updates on Bold Step - Joint Decision-Making Parameters met that morning. They discussed what we can control and building the needed relationships. After the next Rule 84 Core Group meeting, they will meet again to discuss the communication process. There are siloed partnerships, are we overlapping/duplicating these efforts. Celebrate the small victories. Continue to discuss access/partnership for Executive Director at NDE.

SIMPL Inventory

Bold Step Chair share updates on Bold Step - SIMPL met on December 18, 2019 and have narrowed their timeline to the inventory. They created a timeline to be used for best practices for this model. [SIMPL Inventory Timeline](#).

Value-Add Metric

Bold Step Chair share updates on Bold Step - Value Add Metric shared that they are using SIMPL. This will be the vehicle to track value add. We need to validate the information (rates) that is put into SIMPL. Continue to use this tool in communicating with the Senators.

Value Proposition

Bold Step Chair share updates on Bold Step - Value Proposition committee met last week to discuss annual reports and the need for a common format for all to use. Some ESUs use an info graphic, discussing the importance of using infographics. What does the common format to be used for annual report look like? ESUs all do their annual report differently and use the data differently. Create a sample that could be used for an infographic.

Executive Committee Report

Executive Director shared Learn360 pricing structure will be the same for one more year. Based on trends for Learn360 discussing to add this into the Coop Purchasing Marketplace in the future. Staff will work on the new language for the MSA. Discussed how to provide Learn360 for the schools that want to participate where the ESU does not participate.

SIMPL looking to have a strategic planning process/vision for the future of SIMPL and where the funding will come. Use a strategic planning process and use the action plans to continue to support the SIMPL project. ESU 10 was asked to provide a cost estimate for the amount of technical support/development necessary to complete items identified in SIMPL. The SIMPL tool has been a successful/valuable tool in communicating with Senators. Executive Director will send out Google Form of strengths, weaknesses, etc for SIMPL prior to meeting for the strategic planning.

Approve Claims, Financials Statements, and Assets for Month of November and December

Treasurer reviewed the financial reports for November and December.

Approve Claims, Financials Statements, and Assets for Month of November and December Passed with a motion by Geraldine Erickson and a second by Paul Calvert.

Greg Barnes:	Yea
Paul Calvert:	Yea
Corey Dahl:	Yea
Ted DeTurk:	Yea

Recommend approval of NFIT (Nebraska Federal Investment Trust)

As of December 1, 2019, NPAIT (Nebraska Public Agency Investment Trust) will no longer offer sweep services. The ESUCC Treasurer worked with Union Bank and Trust to discuss options and decided NFIT would be a good alternative. During this transition period all funds will remain in the existing checking account with additional security coverage until NFIT is put into effect.

Recommend approval of NFIT (Nebraska Federal Investment Trust) to replace NPAIT
Passed with a motion by Geraldine Erickson and a second by Dr. Bill Heimann.

Greg Barnes: Yea

Public Comment

There was no public comment.

Information Services Committee

Committee Chair shared discussion in committee. OverDrive will be rolled out tomorrow during PDO. This is on NECloud. Discussion regarding how to add to MSA. Learn360 discussion on MSA updates as well. Staff will work on new language for MSA. TLT has trainings in February and Caitlin Tucker training will be in June. Broadband RFP - advise tech people to not provide additional information on RFP to vendors that come observe at schools. The RFP will be awarded on March 2, 2020. Concerns on the lateness of the RFP process.

Education Resources Committee

Committee Chair shared discussions in committee. Updates on the SRS system and major fixes have been accomplished. Staff are working on the rest of the smaller issues with the system. SRS staff had a strategic planning meeting and working on creating action plans. SRS Advisory Committee had a good meeting in December and discussions on what additional features could be added. Elevator Speech links need to be sent to the Executive Secretary.

Legal Committee

Committee Chair shared discussions in committee. Legislative Day scheduled at Bromm's on February 12, 2020 from 7:30-2:00. Bromm's to get us a summary of bills that affect us. Packet of information for each senator, get 50 copies of annual report to Executive Secretary to be put into the packet. Please fill out the Google Document for the Legislative Day. Bromm's are trying to schedule time to set-up the evening prior and early in the morning. LB147 debate yesterday, lot of opposition against this bill. Senator Groene needs to have the votes in order to bring back on the floor for further discussion. Legislative Review on January 28 at 10:00 - noon. LB920 Lottery Funds hearing, we will have a few people testify for us. NDE had to submit a report to the Legislature by December 31, 2020. LB759 - Brad Best, Heartland Community Schools on best educational placement for foster children. LB974 - change taxation and school funding provision was introduced yesterday. [Bromm updates](#)

Approve 2020 AEPA Contracts

Committee Chair reviewed the contracts to be approved.

Approve upon a favorable review by ESUCC appointed Attorney, Contracts for AEPA 2020 awards Passed with a motion by Greg Barnes and a second by Paul Calvert.

2	3.1	Is your helpdesk open 365 Days a year?			
3	3.2	Is your Helpdesk open between 7 am and 5 pm Central Standard Time?			
4	3.3	Does your system provide for emergency requests during hours that your helpdesk is closed?			
5	3.4	During business hours will all tickets be addressed within 4 hours? This does not mean completed but assigned and triaged.			
6	3.5	Does your company provide for a system to manage enhancement requests?			
7	3.6	Does your system provide for online support documentation which might include but is not limited to technical documentation, video tutorials, and user groups?			
8	3.7	Does your system support the ESU #3 helpdesk acting as a level 1 support mechanism?			
9	3.8	Does your system provide for the ability for an administrator to impersonate a user?			
10	3.9	Does your implementation plan account for travel expenses?			
11	3.10	Upon completion will ESU #3 be given benchmark standards that can be used throughout the lifecycle of this product?			
12	3.11	Can you provide a backup plan and schedule that will guarantee no data loss for more than 4 hours barring any hardware problems at ESU #3 that we are responsible for?			
13	3.12	Can you provide a comparable system average backup sizes and requirements?			
14	3.13	Can every change made in the system be traced back to an individual user?			
15	3.14	Will you provide a roadmap for upcoming changes to your product?		Documentation	

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	4.1	allows immediate up-to-date on-line inquiry capability for the following items:		Demo	
3		a. Beginning Budget Balance		Demo	
4		b. Year-to-Date Budget Activity		Demo	
5		c. Current Budget Balance		Demo	
6		d. Beginning Transaction Balance		Demo	
7		e. Year-to-Date Transaction Activity		Demo	
8		f. Current Transaction Balance		Demo	
9		g. Beginning Encumbrance Balance		Demo	
10		h. Year-to-Date Encumbrance Activity		Demo	
11		i. Current Encumbrance Balance		Demo	
12	4.2	allows on-line inquiry of detailed transactions making up each account balance along with all appropriate transaction references.			
13	4.3	displays closed and unclosed detail activity for each account code on file.		Demo	
14	4.4	allows on-line inquiry for unlimited past fiscal years' information.			
15	4.5	provides for end user-defined adjustments to budget, transaction, and encumbrance balances through use of journal entries.			
16	4.6	Audit trail functionality (who, when, why, and how much)		Demo	
17	4.7	allows an unlimited number of detail lines and text description per journal entry.			
18	4.8	allows journal entries to be numbered by month.			
19	4.9	allows users to define the level of transaction editing for purchasing transactions, such as:		Demo	
20		a) All purchase orders are automatically unapproved and held for management approval.		Demo	

	A	B	C	D	E
21		b) Purchase orders, which exceed the available budget, are unapproved and are held for management approval.		Demo	
22		c) Purchase orders, which exceed a user-defined dollar amount, are unapproved and are held pending management approval.		Demo	
23		d) Combination of options b and c.		Demo	
24		e) allows multiple levels of approvals on purchase orders and workflow for these approvals.		Demo	
25	4.10	allows users to define the types of exception transactions in accounts payable which require additional management approval. For example, transactions for which the invoices exceed the original purchase order amount might require additional manager-level user approval prior to processing.			
26	4.11	allows users to "tailor" transaction processing to their specific installation, by entering the following management options:			
27		a) Fiscal year ending date			
28		b) Whether to allow transactions in excess of the budget to be entered			
29		c) provides different level of transaction editing for "manager-level" and "staff-level" users in all modules of			
30		d) allows users to define an unlimited number of control documents for transaction processing (purchase orders, receiving reports, requisitions, checks, etc.).			
31	4.12	allows control documents to be automatically numbered or user numbered.			
32	4.13	tracks all numbers used for all transactions for audit trail purposes.			

	A	B	C	D	E
33	4.14	prevents out-of-balance entries from being entered through normal transaction entry. Errors are provided for out of balance notifications			
34	4.15	prints a report of any out-of-balance transactions. (NOTE: Out of balance transactions cannot be entered into through normal transaction entry, and are generally the result of abnormal termination of programs due to a power interruption, hardware malfunction, etc.).			
35	4.16	prints reports of encumbrance, transaction, and budget exception activity separately to facilitate correction process.			
36	4.17	provides a simple process to correct out-of-balance transactions without re-entering the entire transaction.			
37	4.18	allows detailed inquiry for all transactions, references, and amounts on-line, to facilitate correcting out-of-balance entries.			
38	4.19	provides balancing controls to prevent unbalanced entries from being closed, and provides a simple method for correcting these transactions. (Out-of-balance entries cannot be entered through normal transaction entry and are generally the result of abnormal program termination, due to power failure, power surge, etc.).			
39	4.20	provides 13 activity periods in which to close activity: 12 monthly periods, and a year-end period.			
40	4.21	allows a user-defined account code format which will allow adjustments for changes in the structure of our account numbers. Currently we do sorts and reports based on any of the sections of the account number in any order.		Demo	

	A	B	C	D	E
41	4.22	a) provides for a user-defined delimiter (special character such as a period or hyphen) to separate account elements within the account code.			
42	4.23	allows account elements to be alphabetic, numeric or a combination of both.			
43	4.24	provides for leading zeroes in account elements to be added automatically to save user keystrokes.			
44	4.25	provides a of "keywords", which are used to define the following accounts which are used by when posting transactions to the general ledger:		Demo	
45	4.26	must comply with the Nebraska Department of Education Accounting User's Manual Guidelines.			
46	4.27	Encumbrance control (used when creating and liquidating POs)			
47		a) Interfund (used on multiple-fund cash transactions)			
48		b) allows users to define an unlimited number of alphanumeric short keywords, which can be used in place of the full account code in all programs, which require an account to be entered.			
49		c) For example, keywords could be defined to correspond to account codes and could be used when entering transactions.			
50		d) allows new keywords to be defined at any time during the fiscal year.			
51		e) provides for an automatic interface between the Budgeting and Financial Management s.			
52		f) provides a detailed accounts payable sub-ledger in vendor number or vendor name order.			

	A	B	C	D	E
53		g) allows users to mark an account code as inactive to prevent it from being used on transactions and reports.			
54		h) provides capability for a user to be restricted to or from multiple account codes.			
55	4.28	allows users to define the codes and related titles for each of the account elements. Codes can be alphabetic, numeric or a combination of both.			
56	4.29	Validation rules should prohibit assignment of duplicate codes.			
57	4.30	allows users to specify by account whether to post in detail or summary to the general ledger with drill down capability.			
58	4.31	allows users to define the financial classification (such as revenue, or expenditure) of each account number element to be used in report writers.			
59	4.32	allows users to indicate each liability account to be included in the accounts payable sub-ledger reports. (For example, the user can select to include only vendor payable amounts on the sub-ledger reports, and exclude payroll-related liabilities, if desired.)			
60	4.33	allows a user to be restricted to a single account or multiple accounts based on elements of the account number			
61	4.34	allows users to access only those accounts to which they are authorized through the account security program.			
62	4.35	allows changes to the user security information at any time during the fiscal year with proper management authority.			

	A	B	C	D	E
63	4.36	allows entry of a beginning transaction, encumbrance and budget balance for each account code.			
64	4.37	provides transaction, encumbrance, and budget total activity by month for on-line inquiry.			
65	4.38	allows new accounts to be added at any time during the fiscal year.			
66	4.39	prevents accounts, which have been used in transaction processing from being deleted during the fiscal year, but allows account number to be deactivated and no longer used in the current year.			
67	4.40	provides programs or departments the ability to test the new year set-up to prevent transactions from being processed. This includes the ability to setup a complete "sandbox" environment for testing.			
68	4.41	produces a report to identify any missing set-up information.			
69	4.42	allows an unlimited number of individual building-based files to be processed concurrently.			
70	4.43	allows multiple fiscal year files to be built and accessed concurrently for each building identifier.			
71	4.44	prints a detailed encumbrance, transaction, or budget ledger using either year-to-date or balance forward (beginning balance + monthly activity) format.		Documentation	
72	4.45	prints detailed encumbrance, transaction, or budget journals using the following sorting capabilities:			
73		a) Transactions in date order			
74		b) Transactions in summary			
75		c) Transactions by account number			
76		d) Transactions summarized by journal and account number			

	A	B	C	D	E
77	4.46	provides for an unlimited number of user-defined calculations to be maintained.			
78	4.47	allows open purchase orders to be carried forward into the subsequent fiscal year.			
79	4.48	provides option to liquidate the previous year encumbrance entry or leave the previous encumbrance entry intact.			
80	4.49	Purchase orders can be carried forward one at a time or in total.			
81	4.50	provides for changing the account code on the purchase orders to be carried into the next year.			
82	4.51	provides capability to carry open invoices forward into the subsequent fiscal year.			
83	4.52	provides capability to change the account code used on the invoices to be carried forward.			
84	4.53	allows definition of up to 4 levels of budget information to be maintained:			
85		a) User defined			
86		b) Proposed budget			
87		c) Approved budget			
88		d) Adopted budget			
89	4.54	allows users to be restricted from accessing proposed budget amounts after they have been rolled into the approved fields.			
90	4.55	allows user to be restricted from accessing approved budget amounts after they have been rolled into the adopted fields.			
91	4.56	allows previous year budget to be used as the basis for budget development for the subsequent year.			
92	4.57	Previous year budget can be carried into the budget development files based on any element within the account code or in total.			

	A	B	C	D	E
93	4.58	copies budgeting and forecasting data from the Employee Management into the budget work files.			
94	4.59	copies both salary and District-paid benefit amounts for budget development purposes.			
95	4.60	allows manual maintenance and editing on proposed budget, and approved budget by account number.			
96	4.61	allows proposed budget amounts to be increased and decreased by a user-defined percentage.			
97	4.62	allows proposed budget amounts to be adjusted by fund, by individual element within the account structure, or in total.			
98	4.63	copies proposed budget or a combination of both into the approved fields in the budget work files.			
99	4.64	rolls approved budget amounts into the adopted fields in the budget work files.			
100	4.65	automatically updates the beginning budget fields for both revenue and expenditure accounts for the new fiscal year.			
101	4.66	allows multiple detail accounts to be associated with a single budgetary control account.			
102	4.67	allows transactions posted to the detail accounts to draw against the control level budget.			
103	4.68	provides for an unlimited number of control accounts to be defined.			
104	4.69	allows immediate on-line inquiry for both available control account budget and detail account budget amounts, as well as on-line inquiry for all transactions posted to the accounts.			

	A	B	C	D	E
105	4.70	provides a calendar set up to be used to identify the days school is in session, holidays, and other non-work days.			
106	4.71	provides a way for administrators to correct errors made in .			
107	4.72	automatically creates interfund entries for journal entries.			
108	4.73	provides workflow for approval of user access to components of .			
109	4.74	allows administrator to define access by user.			
110	4.75	allows administrator to restrict user's access to change or look-up only.			
111	4.76	provides a grants management .			
112	4.77	provides an accounting for schools and department to use to keep track of their budgets and transactions so the deposits, purchases, and transfers they make are automatically logged for them.			
113	4.78	will post outstanding encumbrances to expense accounts at year end, but allows user to define which accounts should be charged.			
114	4.79	allows for the reversal of charged-out encumbrances in the new year and gives these account numbers a credit to offset the outstanding encumbrances.			
115	4.80	allows account numbers to be deactivated during the year and then these account numbers are not copied to the new year.			
116	4.81	will only copy balance sheet accounts to new years for certain funds.			
117	4.82	will copy year to date transaction balances for revenue and expenditure accounts to new year for certain funds.			

	A	B	C	D	E
118	4.83	should all account numbers to be indexed by any piece of the account number. For example, to search by the item number.			
119	4.84	provides a way to look at consolidated account sequences. For example, there is a receipt account and an expenditure account for each school activity. We need a way to look online at the consolidated balance to date.			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	5.1	tracks an ordering/contact and remittance address for each vendor. The remittance address, if entered, could be used on accounts payable checks.			
3	5.2	allows for multiple fax numbers, phone numbers, physical addresses and/or email addresses to be entered for each vendor.			
4	5.3	provides ability to purge vendors with no activity for a specified date range			
5	5.4	allows for including each vendor in unlimited user-defined categories, for use in on-line searches, reports, and mailing label printing.			
6	5.5	allows free-form text comments to be entered for each vendor record. Free-form comments must be reportable.			
7	5.6	allows searching for vendor records by the following criteria:		Demo	
8		a) By vendor number		Demo	
9		b) By vendor name or a portion of the name		Demo	
10		c) By vendor category code		Demo	
11		d) By address		Demo	
12	5.7	allows on-line inquiry of the following amounts:			
13		a) Dollar amount of unreceived orders by vendor			
14		b) Dollar amount of received and unpaid orders by vendor			
15		c) Dollar amount of invoices received and unpaid by vendor			
16		d) Dollar amount of orders paid for the current fiscal year by vendor			
17		e) Dollar amount of orders paid for the prior fiscal year by vendor			
18		F) 1099 volume amount			

	A	B	C	D	E
19	5.8	allows vendors to be defined as 1099 vendors with the ability to enter the tax ID (SSN or EIN) and tax ID name.			
20	5.9	allows vendors to be placed on hold for creation of purchase orders and/or payments.			
21	5.10	Allows for Purchase orders to be created from a requisition		Demo	
22	5.11	provides the ability to manually assign requisition numbers.			
23	5.12	provides for vendor discounts by percentage or dollar amounts.			
24	5.13	provides a free text area for entering additional information about a requisition. Information entered into the text area may be designated to be printed on the purchase order.			
25	5.14	allows a user defined number of line items per requisition.			
26	5.15	provides pre-encumber feature for requisition processing.			
27	5.16	has the ability to validate available budget and dollar amount of the requisition and holds exception transactions for management approval.			
28	5.17	allows each line item of a requisition to be charged to multiple account numbers.			
29	5.18	supports requisition workflow approval based on account number or location.			
30	5.19	has the ability to forward requisition workflow approval to an additional approver.			
31	5.20	supports requisition workflow approval by requisition or line item of the requisition.			
32	5.21	summarizes multiple requisition order amounts (bid cycle reqs)			

	A	B	C	D	E
33	5.22	allows for authorized user to change quantities on a bid cycle requisition and add that quantity into the existing bid prior to creating a Purchase Order			
34	5.23	allows selection of requisition reporting by the following criteria:			
35		a) Requisition number or range of numbers			
36		b) Location identifier			
37		c) Account number or portion of the account number			
38	5.24	provides the following standard Requisition Reports:			
39		a) Requisition By Buyer Report			
40		b) Requisition by Location			
41		c) Unapproved requisitions			
42	5.25	has the ability to notify the creator of a requisition when the item ordered on the requisition is cancelled from the requisition or a purchase order.			
43	5.26	has the ability to copy an existing purchase order or requisition to create a new purchase order or requisition			
44	5.27	provides the ability to assign a buyer to each requisition item			
45	5.28	provides for rush designation and required by date on requisitions			
46	5.29	allows the ability for Purchase Orders to be created by buildings and departments and managed by finance office		Demo	
47	5.30	allows for the PO signature to be customized by department or building?			
48	5.31	Provides the ability to create a purchase orders through workflow or without a submitted requisition.			

	A	B	C	D	E
49	5.32	Provides the ability to assign purchase order numbers automatically by purchase order type.			
50	5.33	provides for vendor discounts by percentage or dollar amounts.			
51	5.34	has the ability to copy an existing purchase order or requisition to create a new purchase order or requisition			
52	5.35	allows for designating different types of purchase orders, such as maintenance, construction, food service, and services.			
53	5.36	Allows for unencumbered purchase orders to be entered into next fiscal year without disrupting current year activity.			
54	5.37	provides for entry of a default or alternate pre-defined ship-to code on each purchase order.			
55	5.38	Default ship-to code is defined by purchase order type.			
56	5.39	allows for entry of the following values on a purchase order: shipping terms, payment terms, cash discount and trade discount.			
57	5.40	allows entry of freight by percentage or dollar amount on each purchase order.			
58	5.41	allows multiple pre-defined messages to be selected and printed on each purchase order.			
59	5.42	allows an unlimited number of funds and account codes to be used on purchase orders.			
60	5.43	automatically posts a balancing encumbrance entry for each expense account used on the purchase order.			
61	5.44	has the ability to validate available budget and dollar amount of the purchase order and holds exception transactions for management approval.			
62	5.45	Allows each line item of a purchase order to be charged to multiple accounts.			

	A	B	C	D	E
63	5.46	Allows for location # and requisition # to be designated on each line item if different from default information			
64	5.47	Allows unlimited line items per purchase order.			
65	5.48	provides a free text area for entering additional information on the purchase order. (i.e. note to distribution or accounting)			
66	5.49	Provides a free text area for entering additional information about a purchase order. (i.e. our "special instructions")			
67	5.50	has the ability to connect a single requisition number to multiple purchase orders (i.e. from Bid Requisitions)			
68	5.51	allows changes to un-printed purchase orders by authorized users and adjusts encumbrance entries automatically.			
69	5.52	provides option for printing, faxing or emailing purchase orders when:			
70		a) Purchase orders are created			
71		b) Purchase orders are revised			
72		c) Purchase order needs to be re-sent to vendor			
73	5.53	allows PO revision due to overages, canceled items or substitutions on purchase orders. (Example: ordered 10—received CS/12)			
74	5.54	Allows change orders to be created with associated changes to update the purchase order.			
75	5.55	Provides on-line query of the change order by purchase order number.			
76	5.56	allows for returns to vendors on purchase orders.			
77	5.57	prints reports of returns to vendors on purchase orders with detailed information.			

	A	B	C	D	E
78	5.58	allows on-line inquiry of the following purchase order detail including purchase order line information for the following:			
79		a) Quantity ordered			
80		b) Quantity received			
81		c) Quantity invoiced			
82		d) Quantity canceled			
83		e) Quantity outstanding			
84	5.59	has the ability to create report of :			
85		a) Unprinted (not sent to the vendor) purchase orders only			
86		b) Previous printed purchase orders			
87		c) Revised purchase orders			
88		d) Purchase orders not fully received			
89		e) Purchase orders not fully paid			
90		f) Single purchase order by purchase order number			
91		g) Unapproved purchase orders.			
92		h) Purchase Orders By location			
93		i) Purchase Orders By Vendor			
94		j) Purchase Orders By Date Required			
95		k) Purchase Order By Buyer			
96	5.60	maintains ability to view details of all closed and open purchase orders for inquiry.			
97	5.61	Provides on-line inquiry to purchase orders by purchase order number, or vendor, or requesting department or requisition number.			
98	5.62	Limits remote site inquiries to purchase orders related to their location.			
99	5.63	Provides the ability to cross-reference purchase orders, vendors, check numbers, and invoice numbers.			
100	5.64	allows for designation of rush PO			
101	5.65	allow for entry of PO date required			
102	5.66	allows for a flag to 'hold payment' on a PO			

	A	B	C	D	E
103	5.67	allows the entry of quantities that are cancelled and a cancellation reason.			
104	5.68	has the ability to enter and track contracts with approval workflow.			
105	5.69	has the ability to track dates of contracts			
106	5.70	contains a vendor portal with the following:		Demo	
107		a) Allow vendor to request to be a vendor for the district and collect general contact information.			
108		b) Ability to approve vendor and collect more information such as W-9, ACH, insurance and other information needed by the district. Allow vendor to create vendor account with username and password at this time.			
109		c) Use portal to allow vendor to view assigned purchase orders, attach invoices, view or attach contracts and view invoices paid with ACH payment information.			
110		d) Ability for vendor to respond to bids through electronic portal			
111	5.71	Ability to enter warehouse location of packages received, number of boxes delivered, delivery date, shipper name			
112	5.72	Ability to scan or take picture of packing lists and shipper label to be stored for each purchase order			
113	5.73	Ability to enter comments on purchase order concerning overages, shortages, defective items and have workflow if any of these occur			
114	5.74	Ability to generate delivery ticket information containing ordering location, quantity received, item received, requisition number, backorder quantities, purchase order number for and non-stock items			

	A	B	C	D	E
115	5.75	Ability to generate bar code label that contains ordering location , requisition number, number of boxes, and attention line for items being delivered that refers back to detailed delivery ticket information.			
116	5.76	Ability to associate a serial number and id number for asset management purposes to purchase order			
117	5.77	Ability to receive items on purchase order that will be included into our stock inventory			
118	5.78	Ability to track all boxes' location with bar code scans			
119	5.79	Ability to generate bar code label for packages not associated to a purchase order - user generated number for package			
120	5.80	Ability to view list of purchase orders needing to be expedited (orders not received)			
121	5.81	Ability to add comments to purchase order that are date stamped and organized by specified type			
122	5.82	Ability to maintain inventory that tracks quantities on hand, backordered, canceled, returned.			
123	5.83	Ability to use cost averaging when determining inventory item value			
124	5.84	Ability to perform a yearly inventory audit			
125	5.85	Ability to make item quantity adjustments with free text comment field			
126	5.86	Ability to create delivery tickets for stock item delivery when requisition is approved.			
127	5.87	Ability to restrict approval of stock requisition temporarily for inventory and year end			
128	5.80	Ability to define delivery routes (day and location) based on school calendar.			

	A	B	C	D	E
129	5.89	Procedure to allow users to request items to be delivered to their location on loan (i.e.. Tables, chairs or risers) with ability to schedule delivery and pickup days for items			
130	5.90	Workflow to allow users to enter and to schedule material transfer requests from one location to another location			
131	5.90	has the ability to unreceive items			
132	5.91	can track an unlimited number of fixed assets.		Demo	
133	5.92	provides the ability to import information into fixed asset from the purchase order or manually		Demo	
134	5.93	provides the ability to define a generic fixed asset item description and be able to map stock catalog items, non-stock catalog items or non-stock purchase orders to the fixed asset item		Demo	
135	5.94	has the ability to generate a barcode or RFID tag that cross references a fixed asset item description, serial number, purchase order and other user-defined attributes		Demo	
136	5.95	Ability to inventory a location using bar code, RFID or manual input		Demo	
137	5.96	Ability to use mobile devices and mobile printing devices for inventory and bar code creation		Demo	
138	5.97	can store complete valuation data, including purchase, replacement, disposal, renewal, book, and other user-defined attributes		Demo	
139	5.98	has capability to record detail property records for all fixed assets including identification codes, item catalog classification, acquisition data, supplier information, make, model, serial number, disposition data, asset useful life and other user-defined information.		Demo	

	A	B	C	D	E
140	5.99	Ability to assign and change location that is associated to a fixed asset item		Demo	

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	6.1	processes detailed vendor invoices for payment.			
3	6.2	defaults information from the purchase order to the invoice entry screen to simplify data entry.			
4	6.3	allows invoice to be paid to an alternate vendor other than the original purchase order vendor.			
5	6.4	automatically uses the vendor's remittance address, if any, from the vendor record when processing invoices.			
6	6.5	validates clerical accuracy of invoices during invoice entry process.			
7	6.6	allows an unlimited number of account number and/or description lines per individual invoice transaction.			
8	6.7	allows multiple invoices to be entered against the same purchase order reference.			
9	6.8	will validate the total quantity and amounts to be paid to the Purchase Order with override capability			
10	6.9	allows invoices to be entered directly to a vendor without a purchase order reference with proper management approval.			
11	6.10	automatically verifies that items have been received prior to making payments on invoices with override capability.			
12	6.11	provides batch totals for proper balancing to control totals.			
13	6.12	allows each batch to have a unique identifier for purposes of balancing.			

	A	B	C	D	E
14	6.13	processes vendor credits. If no outstanding invoices are on file credit memos will be held and automatically matched with the next invoice for the appropriate vendor.			
15	6.14	provides a detailed listing of invoice batches with appropriate user-defined error and warning messages based on defined thresholds, including but not limited to: no unit cost, invoice cost different from PO cost, invoice not in balance, and not paying on PO.			
16	6.15	can list invoice batches in either vendor name or vendor number order or Any Other User Defined Business Rule.			
17	6.16	Batch listing should allow for user specified fields to be included on the report			
18	6.17	provides option to post only error-free invoice batches, or to process individual error-free invoices within the selected batch identifier, and leave error invoices on file for appropriate correction or manager-level user approval.			
19	6.18	provides the capability for on-line inquiry of detailed invoice information including but not limited to the following:			
20		a) Invoice number			
21		b) Purchase Order number			
22		c) Vendor number			
23		d) Check number			
24		e) Vendor Name			
25		f) Requisition Number			
26	6.19	provides capability for manager-level users to approve exception invoices (invoices with error or warning messages).			

	A	B	C	D	E
27	6.20	provides on-line inquiry capability for detailed invoice information for both outstanding and paid invoices.			
28	6.21	provides the ability to make changes to invoices and debit/credit memos until the time they are posted.			
29	6.22	An on-line list of vendors is available.			
30	6.23	General Ledger transactions are automatically generated on a real-time basis.			
31	6.24	accommodates unlimited multiple addresses types and addresses for each vendor.			
32	6.25	allows for the addition of freight and bulk charges.			
33	6.26	Encumbrances are automatically released upon posting of invoice, allowing for full or partial liquidation.			
34	6.27	Invoice amount can be distributed to multiple account numbers.			
35	6.28	Partial shipments can be handled.			
36	6.29	Partial payments can be processed.			
37	6.30	Vendor discounts can be handled.			
38	6.31	provides for pre-encumbrance process when requisition is approved by the principal but PO has not yet been created.			
39	6.32	allows for grouping of invoices by vendor to produce one check per vendor.			
40	6.33	allows voided checks to be posted to multiple account numbers.			
41	6.34	allows voided checks to be re-issued using the same invoice information.			

	A	B	C	D	E
42	6.35	can retrieve document history on-line, linking requisitions to purchase orders, invoices, and checks.			
43	6.36	has capability to identify duplicate invoices.			
44	6.37	Provides the ability to have automatic generation of check numbers based on user-entered starting numbers.			
45	6.38	Provides the ability to make payments to the same vendor multiple times throughout the year without creating a new purchase order for each payment.			
46	6.39	Provides a process to download transactions, such as credit card purchases, allow multiple schools/departments to verify these transactions and put account numbers to charge, and then allow accounting department to post transactions. Also provide default account number for each credit card in master file setup. Create account summary reports, payment report, and online transaction look up. (Procurement Cards/NOGG/Office Depot/School Specialty)			
47	6.40	Provide ability to place vendor name purchased from in description on general ledger for credit card purchases.			
48	6.41	Provide ability to place item purchased in description on general ledger for Office Depot orders.			
49	6.42	allows for automated delivery of invoices via email or printed copies.			

	A	B	C	D	E
50	6.43	allows multiple invoices to be paid for one line on a purchase order.			
51	6.44	allows quantities to be paid to be adjusted.			
52	6.45	allows pre-payments on purchase orders before merchandise is received.			
53	6.46	Paperless Work Flow for processing purchase order payments (or compatible with Laserfiche): Requisition, purchase order, receiving, invoice, reports, processing checks. Reports to include PO Fully Received with Invoices, PO Fully Received without Invoices, Invoice Received and Purchase Order NOT Fully Received, Contract PO's That Have Been Invoices, Credit Limit/Contract PO with Amount Paid Greater than Zero, Error report of invoice scanned and rejected.			
54	6.47	Ability to control what documents are seen by users. Accounting and Purchasing would have full access while schools/departments would only be able to see their purchase orders and invoices.			
55	6.48	Ability to close and re-open purchase orders manually by PO #			
56	6.49	will not allow payment of more than what is received.			
57	6.50	Ability to issue two separate checks to the same vendor in the same check run based on invoice and vendor (instead of doing two check runs).			
58	6.51	Be able to enter invoices for payment in the current fiscal year for payment in the next fiscal year.			

	A	B	C	D	E
59	6.52	provides a way to create a second page of remittance information for a check.			
60	6.53	allows users to define the types of exception transactions in accounts payable which require additional management approval. For example, transactions for which the invoices exceed the original purchase order amount might require additional manager-level user approval prior to processing.			
61	6.54	Allow accounts payable staff to post invoices to different account numbers than those stated on the purchase order			
62	6.55	allows invoices to be imported from an external			
63	6.56	provides ability to close all purchase orders when all lines have been received and paid.			
64	6.57	provides the ability to identify batches entered per user and associated reports for balancing.			
65	6.58	provides email to vendor when eCheck is processed for payment.			
66	6.59	provides ability to hold eCheck batches for payment once created. approval the following Tuesday.			
67	6.60	provides the ability to place a vendor on "Hold" status so payments will not be processed until we release the hold.			
68	6.61	Vendor record has fields for both Purchasing and Accounts Payable to make notes.			
69	6.62	allows user to pick which batches will be paid.			

	A	B	C	D	E
70	6.63	allows administration to define different workflow paths based on situations. Some situations may require more approvers than others.			
71	6.64	allows staff to scan in receipts for reimbursement and forward to school/department office staff to initiate reimbursement			
72	6.65	allows staff to take pictures of receipts for reimbursement and forward those to school/department staff to initiate reimbursement			
73	6.66	allows for editing of bank info and sign for AP Checks			
74	6.67	has the ability to interface deduction vendors from payroll?			
75	6.68	An open encumbrance report by account number can be run at any time from within the A/P module			
76	6.69	Provides payment history report, including vendor number, vendor name, invoice number, check number, amount, date paid, PO #, and payment status. Availability of multiple years at one time.			
77	6.70	Run Vendor report for calendar year end.			
78	6.71	Run Aged Open Purchase Order Report that includes line item status and paid to date amounts per purchase order by PO type.			
79	6.72	produces a detailed schedule of checks on file to be written, sorted by vendor name or vendor number.			
80	6.73	Provides a payment listing prior to posting.			

	A	B	C	D	E
81	6.74	processes 1099 income reporting forms in accordance with federal regulations.		Demo	
82	6.75	allows a vendor's 1099 status to be changed at any time during the year, and all existing activity will be automatically updated.		Demo	
83	6.76	allows individual invoices to be included or excluded from 1099 income for a vendor as appropriate.		Demo	
84	6.77	allows 1099 status for individual invoices to be changed after invoice has been posted.		Demo	
85	6.78	provides capability to change the 1099 status for all invoices for a selected vendor.		Demo	
86	6.79	produces both 1099 paper forms and exportable file.		Demo	
87	6.80	Produce a monthly 1099 report, by vendor with invoice number, description, amount and invoice taxable status for 1099 vendors.		Demo	
88	6.81	allows 1099 status to be changed at point of invoice entry PER LINE.		Demo	
89	6.82	provides a warning if a 1099 'yes' payment is made to an employee		Demo	
90	6.83	automatically totals 1099 activity and displays it on-line.		Demo	
91	6.84	allows open purchase orders to be carried forward into the subsequent fiscal year. With reports of changes made.			
92	6.85	provides option to liquidate the previous year encumbrance entry. With reports of changes made.			
93	6.86	provides option to re-encumber outstanding PO amounts into the new year. With reports of changes made.			

	A	B	C	D	E
94	6.87	Purchase orders can be carried forward one at a time or in total. With reports of changes made.			
95	6.88	provides ability to copy receiving records for all open Purchase Orders to the next fiscal year			
96	6.89	provides ability to copy payment records for all open Purchase Orders to the next fiscal year			
97	6.90	provides the ability to copy purchase orders with a total allowable limit amount to the new year and assign a new purchase order number.			
98	6.91	will post outstanding encumbrances to expense accounts at year end, but allows user to define which funds (account number sequences) should be included in this process. With reports of changes made.			
99	6.92	allows for the reversal of charged-out encumbrances in the new year and gives these account numbers a credit to offset the outstanding encumbrances, but allows user to define which funds (account number sequences) should be included in this process. With reports of changes made.			
100	6.93	allows open requisitions to be carried forward into the subsequent fiscal year. With reports of changes made.			
101	6.94	provides option to liquidate the previous year pre-encumbrance entry. With reports of changes made.			
102	6.95	provides option to re-encumber outstanding Requisition amounts into the new year. With reports of changes made.			
103	6.96	Requisitions can be carried forward one at a time or in total. With reports of changes made.			

	A	B	C	D	E
104	6.97	will post outstanding Pre-encumbrances to expense accounts at year end, but allows user to define which funds (account number sequences) should be included in this process. With reports of changes made.			
105	6.98	allows for the reversal of charged-out Pre-encumbrances in the new year and gives these account numbers a credit to offset the outstanding Pre-encumbrances, but allows user to define which funds (account number sequences) should be included in this process. With reports of changes made.			
106	6.99	provides a way to copy account numbers from the current year to the next year. This process can be run multiple times.			
107	6.100	A process is available to delete un-approved requisitions before year end roll.			
108	6.101	allows administrator to control when access is given to the new year.			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	7.1	allows immediate up-to-date on-line inquiry capability for the following amounts:		Demo	
3		a) Beginning Budget Balance		Demo	
4		b) Year-to-Date Budget Activity		Demo	
5		c) Current Budget Balance		Demo	
6		d) Beginning Transaction Balance		Demo	
7		e) Year-to-Date Transaction Activity		Demo	
8		f) Current Transaction Balance		Demo	
9		g) Beginning Encumbrance Balance		Demo	
10		h) Year-to-Date Encumbrance Activity		Demo	
11		i) Current Encumbrance Balance		Demo	
12		j) Beginning Pre-Encumbrance Balance		Demo	
13		k) Year-to-Date Pre-Encumbrance Activity		Demo	
14		l) Current Pre-Encumbrance Balance		Demo	
15	7.2	allows on-line inquiry of detailed transactions making up each account balance along with all appropriate transaction references.			
16	7.3	allows users to specify by account whether to post in detail or summary to the general ledger with drill down capability.			
17	7.4	displays closed and unclosed detail activity for each account code.			
18	7.5	allows on-line inquiry for up to 3 previous fiscal years' information.			
19	7.6	provides for end user-defined adjustments to budget, transaction, and encumbrance balances through use of journal entries.			
20		a) Audit trail functionality (who, when, why, and how much)			
21	7.7	provides a journal entry program, which if multiple funds are entered automatically creates entries to balance each fund.			

	A	B	C	D	E
22	7.8	allows an unlimited number of account detail lines with a text description per journal entry.			
23	7.9	allows journal entries to be numbered by month by type of journal entry - transaction, budget, encumbrance.			
24	7.10	allows users to "tailor" transaction processing to their specific installation, by entering the following management options:			
25		a) Fiscal year start and end date			
26		b) Allows for programs/departments to have different fiscal year ending dates. This is a key feature in administration of grants.			
27		c) Whether to allow transactions in excess of the budget to be entered			
28		d) provides different level of transaction editing for users based on their role in all modules of			
29		e) allows users to define an unlimited number of control documents for transaction processing (purchase orders, receiving reports, requisitions, checks, etc.).			
30	7.11	allows control documents like purchase orders to be automatically numbered based on user defined ranges			
31	7.12	tracks all numbers used for all transactions for audit trail purposes.			
32	7.13	prevents out-of-balance entries from being entered through normal transaction entry. All transactions are automatically balanced by during posting to the general ledger.			

	A	B	C	D	E
33	7.14	identifies out-of-balance transactions. (NOTE: Out of balance transactions cannot be entered into through normal transaction entry, and are generally the result of abnormal termination of programs due to a power interruption, hardware malfunction, etc.).			
34	7.15	allows for the choice to use encumbrances?			
35	7.16	identifies pre-encumbrances, encumbrances, transactions, and budget exceptions activity separately to facilitate correction process.			
36	7.17	provides a simple process to correct out-of-balance transactions.			
37	7.18	allows users to close accounting activity for each month.			
38	7.19	allows a month to be closed multiple times, to allow for entry of additional transactions into the correct monthly period.			
39	7.2	allows transactions to be entered in the current month without closing the previous month.			
40	7.21	allows a user-defined account code format. Each part of the account number needs to be user defined and the length of each part user defined as well.			
41	7.22	allows users to define the financial classification (such as revenue, or expenditure) of each account number element.			
42	7.23	allows users to define titles for each of the account elements. Titles can be alpha numeric.			
43	7.24	provides for leading zeroes in account elements to be added automatically to save user keystrokes.			
44	7.25	allows elements of the account to be defined as either required or optional.			

	A	B	C	D	E
45	7.26	provides a way to define default account numbers such as inter fund offset account numbers.			
46	7.27	allows summarization reports to be created by user based on various combinations of pieces of the account number structure.			
47	7.28	allows users to mark an account code as inactive to prevent it from being used on transactions and reports. Inactive account codes can not be copied to the new year.			
48	7.29	allows a user to be restricted to a single account or multiple accounts based on elements of the account number such as a school only being able to see their account numbers.			
49	7.3	allows entry of a beginning transaction, pre-encumbrance, encumbrance and budget balance for each account code.			
50	7.31	allows multiple fiscal year files to be accessed concurrently.			
51	7.32	identifies when pre-encumbrance, encumbrance, transaction, or budget journals are out of balance.			
52	7.33	contains the ability to job costing for construction projects.			
53	7.34	provides a record keeping for schools and departments to use to keep track of their budgets and transactions so the deposits, purchases, and transfers they make are automatically logged for them. (School funds accounting and teacher allocation)			
54	7.35	should allow account numbers to be indexed by any piece of the account number. For example, to search by the item number.			

	A	B	C	D	E
55	7.36	provides a way to look at consolidated account sequences. For example, there is a receipt account and an expenditure account for each school activity. We need a way to look online at the consolidated balance to date.			
56	7.37	Ability to import transaction information that will create journal entries including interfund and offsets entries			
57	7.38	Board Report - Summarizes by different account elements showing current budget, year to date transactions, month to date transactions, current pre-encumbrances, current encumbrances.		Demo	
58		a) Need to be created by location and/or the individual location may run			
59	7.39	Principals Allocation Report - Supply and equipment accounts by location showing current budget, year to date transactions, month to date transactions, current pre-encumbrances, current encumbrances			
60		a) Need to be created by location and/or the individual location may run			
61		b) Reporting based on individual elements of account numbers			
62	7.40	provides standard financial reports including comparison from current fiscal year to date to prior fiscal year to date.			
63	7.41	provides ability to copy and rename a report so modifications can be made without starting from scratch.			
64	7.42	provides ability to keep track of an amount, such as \$225, that teachers can spend including and allows portal for teachers to be able to see:			
65		a) current balance			
66		b) dates paid			
67		c) amount paid			

	A	B	C	D	E
68		d) description of item paid for			
69	7.43	provides ability to distribute schools' supply and equipment budgets.			
70	7.44	provides ability to allow schools to determine how their supply and equipment budgets are distributed, i.e. by grade, by department, by team.			
71	7.45	provides schools/departments with their own financial statements where all requisitions, deposits, journal entries, etc are posted in real time, whether the amounts are actuals or estimates.			
72	7.46	automatically updates estimated, or encumbered, amounts are updated in school/department financial statements.			
73	7.47	allows reports to be created by user based on varies pieces of the account number structure.			
74	7.48	provides analytical tools.			
75	7.49	allows mapping of financial information to be put in the Nebraska Annual Financial Report.			
76	7.5	allows district staff to define and map reports.			
77	7.51	allows ability to build school calendars.			
78	7.52	allows schools/department to run their own reports.			
79	7.53	allows schools/departments to only write reports for their account numbers based on the location portion of the account number.			
80	7.54	allows reports to be created by user and pushed out for schools/departments to run based on their location.			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	8.1	Online Budget Prep Tools that include:		Demo	
3		A) Notes		Demo	
4		B) Requested Amounts		Demo	
5		C) Multiple lines for each account code		Demo	
6	8.2	Can notes from budget prep be carried over from year to year			
7	8.3	Are reports available that compare the budget prep to the budget actual?			
8	8.4	allows for the migration from the budget prep module to the budget live system			
9	8.5	Has a report that will show revenue and expenditure out of balance			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	9.1	restricts users from accessing original budget.			
3	9.2	Budget data can be viewed in past years, created and maintained for any number of present and future years.			
4	9.3	Ability to create multiple copies of future budgeting years.			
5	9.4	Allows budgets or budget items to be frozen/unchanged.			
6	9.5	allows immediate on-line inquiry for both single budgetary control account and detail account budget amounts.			
7	9.6	allows definition of budget information to be captured by:			
8		a) Original (beginning) Budget			
9		b) Current Budget (through budget journal entries)			
10	9.7	allows previous year original budget to be used as the basis for budget development for the subsequent year.			
11	9.8	Ability to update contract days and checks to be paid from partial year to full year for late start employees.			
12	9.9	Ability to combine like account numbers by any element of the account number to a single budgetary control account (Pool Parameters)			
13	9.10	provides for an unlimited number of budgetary control accounts to be defined.			
14	9.11	Ability to combine staff positions by any element of the account number and summarize by FTE and Salary			
15	9.12	Ability to create proposed FTE or Salary changes (increase or decrease)			

	A	B	C	D	E
16	9.13	Ability to create budget for Non-Exempt 'Hourly as Reported' employees			
17	9.14	Ability to generate salary, district paid benefits, and district paid contributions for insurance when increasing or decreasing proposed FTE or Salaries (Incremental Assignments)			
18	9.15	Ability for department heads to enter requested increases or decreases to FTE and Salary by Staffing Parameter which may be approved or denied by budget director			
19	9.16	allows proposed budget amounts to be increased and decreased by a user-defined percentage. For salaries that are not FTE based (Non-Contract).			
20	9.17	Ability for department heads to enter requested increases or decreases to non-contract salaries which may be approved or denied by budget director			
21	9.18	Ability to increase years of service which could effect years of service stipend amounts			
22	9.19	Ability to change pay schedules or district paid benefits for budget calculations			
23	9.20	Ability to advance pay schedule step increments for a specific employee group			
24	9.21	Ability to budget for flat rate stipends (Office PSP, 2000 Meals)			
25	9.22	Ability to make mass adjustments to budget line items.			
26	9.23	Ability to remove flat rate stipends that have been generated by the Payroll but are not needed by the Budget			
27	9.24	Based on salary and non-contract salary information has the ability to project Salary and Benefit totals			

	A	B	C	D	E
28	9.25	Ability for department heads to enter requested increases or decreases to non-salary accounts which may be approved or denied by budget director			
29	9.26	Based on salary, non-contract salary, and all other accounts has the ability to project the Proposed Budget totals			
30	9.27	Ability to make adjustments to the Proposed Budget totals and to project the Final Budget from the Proposed Budget			
31	9.28	Ability to load the Final Budget amounts to the original budget amounts in the Financial			
32	9.29	Your has the ability to post from the preparation module to live payroll			
33	9.30	Ability to generate a report of accounts with an original budget amount that does not have a projected salary amount			
34	9.31	Ability to generate a report of budgets that are negative.			
35	9.32	Ability to generate proposed budget book, actual budget book, and state budget document.			
36	9.33	Ability to generate reports for analyzing effects of how changes will effect all or part of a budget.			
37	9.34	generates an audit trail of all budget changes.			
38	9.35	Capabilities allow forecasts to be changed in terms of percentage increases or decreases.			
39	9.36	provides a flexible budgeting and forecasting capable of:			
40		a) Percentage increases			
41		b) Flat rate increases			
42		c) Employee by employee increases			
43		d) Job by job increases			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	10.1	allows an unlimited number of user-defined bank accounts.			
3	10.2	allows check numbers to be assigned automatically by or to be entered by the user.			
4	10.3	allows general ledger posting to an unlimited number of cash accounts.			
5	10.4	automatically posts inter-fund entries for cash transactions.			
6	10.5	provides capability to write laser printed and manually prepared checks.			
7	10.6	provides capability to write accounts payable checks based on the following criteria:			
8		a) By specific fund			
9		b) By vendor number			
10		c) By specific invoice number			
11		d) By voucher number			
12	10.7	allows selected invoices to be held from payment.			
13	10.8	prints checks in either vendor name or vendor number order.			
14	10.9	uses an 8 1/2 by 11 inch check format.			
15	10.10	can use Electronic Funds Transfer for vendor payments			
16	10.11	can produce a detailed remittance advice (including multiple pages) , including the invoice description, along with all appropriate transaction references.			
17	10.12	Checks can be run as often as necessary.			
18	10.13	automatically liquidates outstanding liability amounts and posts the appropriate cash transaction entries in the general ledger module.			

	A	B	C	D	E
19	10.14	displays the starting check number on-line for verification prior to running the checks.			
20	10.15	allows manually prepared checks to be recorded in the cash disbursements records.			
21	10.16	allows manually prepared checks to be used to pay existing accrued invoices or to be posted directly to a specified general ledger account.			
22	10.17	provides for voiding automatic or manually prepared checks and automatically reverses all accounting entries (both cash and expense entries).			
23	10.18	provides for voiding a lost or destroyed check and reusing the invoice to produce a replacement check.			
24	10.19	allows checks to be voided into the original accounts used on the check or into alternate general ledger accounts, as appropriate.			
25	10.20	provides capability to re-run check printing program in case of printer jam or error. When a re-run is done, check numbering can continue from the point of error or jam.			
26	10.21	allows for upload of checks written to bank for positive pay purposes.			
27	10.22	Direct Deposit (ACH) capability for Accounts Payable, which would interact directly with the Payroll files for employee reimbursements.			
28	10.23	is able to void a range of checks, either an A/P run or payroll run.			
29	10.24	An Email with invoice payment would be produced for EFT payments and automatically sent to vendors, with multiple email addresses for payment notifications to vendors available. The vendor email would include remittance detail.			

	A	B	C	D	E
30	10.25	provides voiding and reversal of checks by authorized personnel.			
31	10.26	includes user customizable forms for checks including the ability to adjust signatures			
32	10.27	allows a printed check to be created for a vendor who is usually paid through ACH.			
33	10.28	A report with invoice paid detail would be provided (ACH check register), and payment information would be available for inquiry like check payments.			
34	10.29	produces a detailed manual check register.			
35	10.30	produces a detailed schedule of checks written, sorted by vendor name, vendor number, or voucher number in check number order, with the following selection options:			
36		a) For a selected bank			
37		b) For a selected bank account			
38		c) For a selected date range			
39		d) For a selected check number range			
40		e) Include/exclude voided checks			
41		f) Include/exclude detailed invoice information			
42	10.31	produces a detailed vendor payment history report, including the following options:			
43		a) Ability to include only vendors whose total payments exceed a user-defined dollar amount			
44		b) For a single vendor			
45		c) For a selected date range			
46		d) Sorted by vendor name or vendor number			
47	10.32	produces a voided check register in either detail or summary order, with the following selection criteria:			
48		a) By date range			
49		b) By bank account number			
50		c) By check number			

	A	B	C	D	E
51		d) With detailed account distribution			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	11.1	allows manual entry of bank statement information, by check number, deposit reference, and for user-defined bank adjustments.			
3	11.2	allows entry of cleared check information directly via exported file from the bank.			
4	11.3	produces a detailed edit listing highlighting differences between cleared item amounts entered from the bank statements and the amounts recorded by .			
5	11.4	produces a detailed bank reconciliation report including:			
6		a) Balance per bank			
7		b) Outstanding deposit items			
8		c) Outstanding check items			
9		d) Posted adjustment items			
10		e) Balance per books			
11	11.5	produces detailed outstanding check and outstanding deposit listings; sorted by bank account number, date range, and transaction reference.			
12	11.6	allows entry of deposits directly via exported file from the bank.			
13	11.7	allows entry of ACH transactions directly via exported file from the bank.			
14	11.8	allows transactions received from export file to be posted to the general ledger if not already recorded.			
15	11.9	allows bank reconciliation information to be downloaded to Excel in XLSX format			
16	11.10	allows bank reconciliation information to be downloaded in CSV format			

	A	B	C	D	E
17	11.11	provides the ability to import the bank statement and generate a comparison of missing or incorrect items. To verify that cleared checks are cleared in , etc....			
18	11.12	provides ability to post school/department deposits daily that have cleared the bank.			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	12.1	allows entry of an unlimited number of individual cash receipts per bank deposit.			
3	12.2	allows deposits to be either user-numbered or - numbered.			
4	12.3	allows an unlimited number of description lines per cash receipt.			
5	12.4	allows an unlimited number of funds and account codes per individual receipt and deposit.			
6	12.5	automatically posts revenue entries and offsetting cash entries to the general ledger module.			
7	12.6	produces a detailed listing of individual cash receipts and deposits.			
8	12.7	Late charges can be assessed.			
9	12.8	A bad check fee can be assessed.			
10	12.9	An unlimited number of deposits can be posted against an account.			
11	12.10	An account or specific charge on an account can be interactively written off.			
12	12.11	Billing statements can be generated on-line.			
13	12.12	provides for billing invoice and statement generation.			
14	12.13	provides ability for multiple locations to produce billing invoices or statements (with Administrator approval)			
15	12.14	has capability to print invoices or statements in any desired sort order, i.e., alphabetical, zip			
16	12.15	has capability to print statements based on the balance or date of the transaction.			
17	12.16	has capability to print statements all at once, by type or by balance.			
18	12.17	has capability to designate separate billing addresses.			

	A	B	C	D	E
19	12.18	Second notices can be generated.			
20	12.19	Statements may selectively show either all prior transactions or only those since a user-specified date.			
21	12.20	Information messages may be printed on statements.			
22	12.21	has capability to age past due accounts.			
23	12.22	Cash receipts can be printed immediately.			
24	12.23	provides process to maintain petty cash.			
25	12.24	All receipt postings automatically update all general ledger accounts simultaneously and immediately.			
26	12.25	allows option to enter form of payment on receipt (Cash, check #, money order #, or deposit ticket) in .			
27	12.26	allows cash receipts to be sorted by receipt number, received from, check #, or amount.			
28	12.27	allows for importing of credit card transactions.			
29	12.28	allows for users to be able to assign credit card receipt transactions to different account numbers.			
30	12.29	provides a method for schools and departments to receipt and deposit money from their locations.			
31	12.30	provides a process for school/department deposits to have account numbers assigned and flow through to the Accounting Department for posting. Accounting Department would have a process to release these deposits for posting to the general ledger.			
32	12.31	s provides the ability for receipt information, such as school lunch deposits, to be imported via third party software.			

	A	B	C	D	E
33	12.32	allows for automated delivery of invoices via email or printed copies.			
34	12.33	allows for cash receipts to be flagged as taxable.			
35	12.34	allows for import of ACH transactions and determination of account number(s) to post to the general ledger.			
36	12.35	allows for posting credit card transactions.			
37	12.36	has ability to manage student fines and fees.			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	13.1	System is capable of running payrolls for multiple groups with multiple positions. As part of the Demo companies asked to come on site should be able to demonstrate all items they mark yes to in this section.		Demo	
3	13.2	System is capable of showing date of original entry, date of change made, by whom, and log of the old information prior to the change to fields in all employee records and payroll information .			
4	13.3	If General Ledger account codes change, the system provides an option to automatically make all appropriate changes in the payroll records, including:			
5		a) Deduction records			
6		b) Job definition records			
7		c) Addenda records			
8		d) Employee pay type records			
9	13.4	All payroll adjustments update payroll history totals.			
10	13.5	Must be able to search employees by previous names.			
11	13.6	Be able to keep employees listed by both employee number and social security number. Must be able to look up employees by either number.			
12	13.7	Ability to mass change the effective dates for a specific pay type.			
13	13.8	Be able to do mass account number changes.			
14	13.9	The system allows for multiple pay categories (hourly, daily, salaried, one-time, etc.).			
15	13.10	An unlimited number of user-defined category groupings for employees are available for reporting or processing.			
16	13.11	The system allows for an unlimited number of deductions including voluntary and benefits.			

	A	B	C	D	E
17	13.12	The system provides one single database for payroll and personnel, completely integrated with the Financial System.			
18	13.13	The system automatically calculates and maintains user-defined leaves, and deductions based on the FTE and/or employee group.			
19	13.14	The following information is readily available to authorized personnel			
20		a) Employee Name			
21		b) Employee Number			
22		c) Marital status (both Federal and State)			
23		d) Gender			
24		e) Number of exemptions (both Federal and State)			
25		f) Date of birth			
26		g) Exempt / Non-Exempt status			
27		h) Salary grade and step			
28		i) Federal Withholding			
29		j) State Withholding			
30		k) Local Withholding			
31		l) Pay status (Active / In-Active)			
32		m) Hours per day			
33		n) Days per Week			
34		o) Contract days			
35		p) Contract starting date			
36		q) Contract ending date			
37		r) Voluntary deductions			
38		s) Tax Sheltered Annuities			
39		t) Voluntary deductions			
40		u) Direct Deposit			
41		v) Original hire date			
42		w) Current Hire date			
43		x) Address			
44		y) Phone number			

	A	B	C	D	E
45	13.15	The system provides the ability to input additional user-defined fields in the employee record and ability to sort on these fields.			
46	13.16	The system provides the ability to base deductions on:			
47		a) Flat dollar amount			
48		b) Gross income			
49		c) Another deduction			
50		d) Disposable Income			
51		e) Specific pay types			
52		f) Percentage of pay (net , taxable or gross)			
53	13.17	The system provides the ability to specify payroll posting to the General Ledger either by:			
54		a) Detail			
55		b) Summary			
56	13.18	The system provides the ability to exempt specific employees from FICA and other withholdings.			
57	13.19	The system provides a process for changing gross wage maximums for tax exemptions, FICA withholding and Retirement withholding.			
58	13.20	Any employee can be assigned concurrently to any number of positions, each with its own contract period and funding.			
59	13.21	System provides for multiple benefit employer and employee premium calculation methods including flat amounts, percentages, monthly and yearly limits.			
60	13.22	System permits entry of data with future effective dates including labor distributions and salary information.		Demo	
61	13.23	Must not allow Non-Exempt employees to be paid stipends			
62	13.24	Be able to manually change tax tables, retirement table, etc at any given time.			

	A	B	C	D	E
63	13.25	Must allow payroll staff to change name, address, bank account information, W4 changes, etc.			
64	13.26	Must allow entry of IRS "lock-in" letter deduction maximums by employee.			
65	13.27	Must be able to keep track of multiple start dates; ie. longevity date, tenure date, seniority date		Demo	
66	13.28	Be able to set a maximum dollar amount for a gross paycheck.			
67	13.29	Be able to set up garnishments, levies, child support orders, etc by pay period, by dollar amount and/or by percent.			
68	13.30	Be able to calculate annual salary from hourly rates or daily rates. Ability to calculate hourly rates or daily rates from the annual salary for pay tables.			
69	13.31	Must be able to define the taxation of a pay type or deduction.			
70	13.32	System needs to stop 403b deduction when the calendar max has been reached, including the age limit catch-up.			
71	13.33	Need to be able to define and add a specific pay type to a group of employees based on a primary pay type; ie. assigning pay type Sub Teacher to all ay type Teachers.			
72	13.34	Ability to pay employees an additional flat amount over a set amount of pay periods.			
73	13.35	Must be able to define which pay types are subject to Nebraska State Retirement. Must be able to override at the employee level.			
74	13.36	Must provide a reportable user defined field to identify reason why the subject to retirement at the pay type level has been overridden at the employee level.			

	A	B	C	D	E
75	13.37	Be able to define pay types to be taxed at the supplemental rate.			
76	13.38	Ability to be able to transfer pay tables from the payroll system to the budget system and budget system to payroll system.			
77	13.39	Create journal entries when there is a retroactive pay change or account number changes.			
78	13.40	Be able to change the employer contribution towards health insurance per employee group and plan type (ie. single, family).			
79	13.41	Be able to update benefit rates and have the updated rate automatically apply to all employees that have that benefit.			
80	13.42	Before each payroll is run, be able to re-calculate benefit premumum based on employee salary .			
81	13.43	Be able to add additional amounts to base/hourly pay by employee for additional items such as completed certifications.			
82	13.44	Must be able to handle an unlimited number of employee work calendars with different days and/or different hours.			
83	13.45	Must be able to change the effective date on each pay type by employee.			
84	13.46	Must be able to assign different pay rates to each pay type We call them 'range' and 'steps'. Each grade can have an unlimited number of steps, each having their own pay based on a specific calendar and pay type.			
85	13.47	Does your system have the ability to setup separate pay scales for classified groups?			
86	13.48	Have the ability to inactivate or effective date all codes in codes files including pay tables and deductions.			

	A	B	C	D	E
87	13.49	Change pay tables by percent or by dollar amount.			
88	13.50	Be able to import an employee's voluntary deductions from an outside resource and specify the number of checks which the deduction will apply.			
89	13.51	Need the ability to modify the text of system generated messages.			
90	13.52	The system must allow a schedule to be assigned to an employee by pay type and location. Schedule would consist of a start time and end time by day.			
91	13.53	An employee's standard pay should be able to be charged to an unlimited number of account numbers and at different percentages by account number.			
92	13.54	When defining account numbers certain elements may need to allow for a substitution of an element of the account number. EX: An additional job's account number are defined with a substitution value that part of the account number would be loaded from the primary job's account number.			
93	13.55	Record final pay date in a reportable field.			
94	13.56	Ability to assign additional flat pay amount to an employee by job type.			
95	13.57	Ability to set up period end dates for multiple pay groups.			
96	13.58	Ability to view prior year salary amounts by fiscal year to date and calendar year to date by employee. Needed for salary verification.			
97	13.59	The system allows processing of payroll for both hourly and salaried employees on various time intervals: weekly, biweekly, monthly, semimonthly, etc.			

	A	B	C	D	E
98	13.60	The system accumulate employees' liabilities for deductions and fringe benefits and automatically provides batches for payment in the Accounts Payable subsystem. (Z-Batches)			
99	13.61	The system provides the ability to post payroll deduction amounts to various liability accounts.			
100	13.62	The system automatically distributes employees' salary to an unlimited number of account numbers.			
101	13.63	The system has the ability to void a payroll check by reversing the following items so a new payroll check may be issued:			
102		a) Leave accrued and absences taken.			
103		b) Salary history			
104		c) Checks paid to date			
105		d) Appropriate deduction balances			
106		e) Vendor payable information			
107		f) All accounting entires are automatically created and posted			
108	13.64	The system provides the ability to run an unlimited number of sample (pro-forma) payrolls without updating records.			
109	13.65	System provides the ability to Dock Pay on a Pre-Tax or Post-Tax basis			
110	13.66	The system provides the ability to activate/de-activate deductions for specific payrolls.			
111	13.67	The system provides the ability to determine when extra withholding amounts related to Federal and State taxes are taken and not taken. (Higher Tax Payroll)			
112	13.68	The payroll processor has the option to bypass employees with errors and continue with a payroll run. Reporting indicates employees with errors.			

	A	B	C	D	E
113	13.69	The system allows direct deposit to multiple bank accounts by employee including percentage distribution.			
114	13.70	The system provides the ability to turn off direct deposit by employee or by payroll run.			
115	13.71	The system is available to users while the proforma or payroll is being performed.			
116	13.72	The system is able to process a billing for insurance premiums when an employee is not receiving a check or the check is not large enough to cover the benefit premium. A report would need to be generated with these employees with the amount billed.			
117	13.73	Imputed income for taxable fringe benefits can be designated and calculated.			
118	13.74	The system provides processing options for both hourly reporting and exception-based reporting.			
119	13.75	Must be able to run a proforma, or “practice payroll” at any given time for any type of payroll run.			
120	13.76	Needs ability to create a pre-tax payroll deduction based on employee insurance elections			
121	13.77	Not allow a payroll or proforma to process an employee’s record if invalid or inactive account numbers exist and produce an error report.			
122	13.78	Do not allow a negative check to be generated on the proforma or payroll. Produce a report of any such negative checks.			
123	13.79	Be able to move any time worked or absences to history that were not included in the payroll run when no check is produced. Need to be able to choose the employee, the period end date and the payroll run that such time or absences are associated with.			

	A	B	C	D	E
124	13.80	The system should allow for one time payments for things such as stipends, insurance refunds, or retirement refunds.			
125	13.81	For employees that are paid hourly and work less than 12 months and insurance payments are made over a 12 month period, money needs to be allocated to cover the insurance cost during the pay periods where there is no time worked by the employee. The system needs to calculate insurance escrows per pay period, by day, for benefits on each employee.			
126	13.82	Be able to put messages on paycheck stubs by job code, group or by single person for each specific pay date.			
127	13.83	Be able to process payrolls by pay type, group, single employee or all employees.			
128	13.84	Allow employees to sell back leave at a user defined rate.			
129	13.85	When an employee elects to have additional federal or state taxes withheld on their W4, have the ability to apply this to a specific payroll.			
130	13.86	Be able to control the following when a payroll is run:			
131		a) deduct addition federal or state taxes as indicated on their W4			
132		b) whether leave is accrued			
133		c) whether to apply direct deposit			
134		d) whether to withhold voluntary deductions			
135	13.87	Do not allow inactive or not valid account numbers to be entered or used.			
136	13.88	Validate account numbers being imported from third party software, ie sub calling system.			

	A	B	C	D	E
137	13.89	Process to pay employees that start work before fiscal year start (ie. Start early August and FY starts 9-1)			
138	13.90	Provide a way to make a partial payment to a new salaried employee and adjust the amount remaining to be paid for the remainder of the year.			
139	13.91	The system provides the ability to calculate pay automatically relative to number of checks to be received and salary to be paid.			
140	13.92	The ability to drill down from summary payroll information in the general ledger to get the detail of who was paid.		Demo	
141	13.93	Ability to edit an employee's social security number.			
142	13.94	Ability to increase substitute pay after 10 consecutive days of work.			
143	13.95	Ability to dock an employee's pay when using specific leave codes for the amount paid to the substitute working for that employee.			
144	13.96	Ability to adjust time worked or leave time after payroll has been run for that time period including calculating any backpay or docks.			
145	13.97	Ability to identify and pay out the remainder of an employee's contract for the fiscal year including any additional flat amounts (addendas) over a designated number of checks produced at the same time; ie. Teacher paid over twelve months receives three payroll checks in June, one each for the months of June, July and August.			
146	13.98	Provides the ability to pay staff whose contract amounts have been paid out (see above) any additional time worked without having any voluntary deductions removed from the paycheck.			

	A	B	C	D	E
147	13.99	Ability to mark newly entered direct deposit information so that it can be pre-noted. Ability to change pre-note record back to active record.			
148	13.100	Account numbers used to pay additional or overtime hours worked by a non-exempt employee should default to user defined account number based on information from the employee's contract account number with the ability to override.			
149	13.101	Ability to audit all time worked and time missed for the current payroll run or fiscal year.			
150	13.102	Ability to run a report of all paychecks written in a fiscal year, by employee. Report lists all check detail for each paycheck with fiscal summary by employee.			
151	13.103	Provide process to pay out unused leave per user defined rules when an employee is being final paid. The payout of leave will be paid through a separate payroll run using the supplemental rates.			
152	13.104	Provide a process to remove unused range and steps in paytables that are no longer used on a fiscal year basis.			
153	13.105	When the value of no pay leave hours for a paycheck is greater than the amount of the paycheck allow the system to carry over the remaining dock balance to the next paycheck.			
154	13.106	Ability to control when an employee will receive their first paycheck. Ie. Employee starts mid Septemeber and won't receive their first paycheck until October.			
155	13.107	Ability to default the account number that pays for a substitute's time worked based on the employee's account code for which they are working.			
156	13.108	Ability to process employee information containing newhire, rehire and termination dates to third party vendor.			

	A	B	C	D	E
157	13.109	Provide process to notify financial institution of monthly employee remittance amounts to include monthly salary, year to date salary, social security and monthly amount remitted for 403B, roth ira's and annuity loan payments.			
158	13.110	Provide ability to monitor if staff who currently are not in the state retirement program work over 30 hours per week for three months of the year.			
159	13.111	Ability to to move employee's up one step on the pay table in mass. (step increment)			
160	13.112	The system provides the ability to manually adjust employee leave and absence balances.			
161	13.113	The system provides the ability to choose whether leave is accrued for a specific payroll run.			
162	13.114	The system provides the ability to calculate leave accruals based on length of service.			
163	13.115	Multiple leave accrual rates can be defined.			
164	13.116	An unlimited number of leave types can be defined.			
165	13.117	Employee record may have an unlimited number of leave codes. Must be able to add new leave codes at any time.			
166	13.118	Need to be able to clear leave balances at fiscal year end.			
167	13.119	Be able to accrue leave at the beginning of fiscal year, pay period or based on hours worked.			
168	13.120	Leave codes need to be assigned based on pay type			
169	13.121	Leave accrual should be based on the FTE of the employee's pay type.			
170	13.122	Effective date of leave code should be based on the effective date of the pay type.			
171	13.123	Ability to roll one leave code balance to another leave code balance.			
172	13.124	Ability to document the amount of leave paid out.			

	A	B	C	D	E
173	13.125	Need to generate a report of all no-pay absences			
174	13.126	Ability to limit the number of hours used on a non-accruable leave code by calendar year or fiscal year.			
175	13.127	Specific leave code must be approved by Human Resources before being processed through the payroll.			
176	13.128	Ability to allow and process the donation of leave. To include determining whether the leave is available from the designated donor and adding the donated leave hours to the donee's available leave balance.			
177	13.129	Ability to calculate leave earned for someone who starts mid year.			
178	13.130	System has the ability to log FTE, salary, retirement salary, FICA salary, medicare salary, FICA deduction amount, medicare deduction amount, and employer contribution for health insurance amount by job by payroll run.			
179	13.131	System has the ability to log account number and distribution percent by job by payroll run.			
180	13.132	The system provides for tracking workers' compensation absences.			
181	13.133	Provide way to keep track of workers' comp absences that should not be deducted from the employee's pay check.			
182	13.134	Provides a way to supplement the employee's pay check with sick leave pay to make up for the loss of pay due to workers' comp-the difference between what their net check would normally be and their current check plus the workers' comp pay they receive.			
183	13.135	An employee must be able to work at multiple locations and positions on a given day.		Demo	

	A	B	C	D	E
184	13.136	Occasional and sporadic jobs must not be included in the OT calculation.		Demo	
185	13.137	Overtime needs to be calculated using a blended rate		Documentation	
186	13.138	Does your system have a biometric option for clocking in and out?		Documentation	
187	13.139	Must be able to do a mass entry of absences for staff by employee group. Example: for a snow day or public holiday		Demo	
188	13.140	Employees need to be able to request their absences online, and view their real time leave balances		Demo	
189	13.141	Employees time off request needs to be routed to approver and be able to be approved or denied online		Demo	
190	13.142	Must be able to use RFID employee id badge to clock in and out		Documentation	
191	13.143	Must be able to use computer to clock in and out		Demo	
192	13.144	Be able to control when employees would be locked out from editing their past time for payroll purposes.			
193	13.145	Be able to designate when time clock records are available for payroll processing.			
194	13.146	Be able to track time worked for certain jobs without the employee being paid for that time. Example: Coaches are paid a set stipend payment, but we still need to capture their hours worked.		Documentation	
195	13.147	Needs to provide a report of non-exempt employees who are not clocking in and out		Demo	
196	13.148	Allow employees, approvers and payroll staff to amend time sheets, time worked, absences taken both in current payroll and past payrolls		Demo	
197	13.149	Able to handle retro time worked and absence changes		Demo	
198	13.150	Employees need a way to approve their time sheets		Demo	

	A	B	C	D	E
199	13.151	Need to have a multi-level approval process. Approvers need to be able to approve both time approved by the employee and time not approved by the employee		Demo	
200	13.152	Be able to apply specific holidays to employees by employee group or employee calendar		Demo	
201	13.153	Ability to import third party time and absence data into payroll.		Documentation	
202	13.154	Ability to change "no pay" absences to an applicable leave if available.			
203	13.155	Ability to produce a report of all docks.		Demo	
204	13.156	Ability to determine substitute's account number based on who they are subbing for.			
205	13.157	Ability to mass add leave for a specific employee by date range.			
206	13.158	The system allows printing or exporting of paycheck information and displays to all users through an integrated web site the following information for a specific paycheck:		Demo	
207		a) Paycheck information - show calendar and fiscal year to date		Demo	
208		b) Employer contributions		Demo	
209		c) Insurance coverage		Demo	
210		d) All employee deductions and compensation		Demo	
211		e) W4 information		Demo	
212		f) Leave and Absence balances		Demo	
213		g) Direct Deposit		Demo	
214		h) Detail of hours worked or leave taken		Demo	
215	13.159	Employee has the ability to view and update (if configured as allowed to be updated) the following:		Demo	
216		a) Contact Information including address, phone number, email address, emergency contacts		Demo	
217		b) Employee Schedules		Demo	

	A	B	C	D	E
218		c) Spouse employed with ESU #3 or Affiliate District		Demo	
219		d) Direct Deposit Information		Demo	
220		e) W4		Demo	
221		f) W2 consent		Demo	
222		g) 1094C and 1095C consent		Demo	
223		h) Fiscal Year Salary Information		Demo	
224		Support on-line signatures		Demo	
225	13.160	All pay, deduction, and W4 information may be accessed on-line on a single screen by:		Demo	
226		a) Calendar year-to-date		Demo	
227		b) Fiscal year-to-date		Demo	
228		c) Month-to-date		Demo	
229		d) Leave		Demo	
230		e) Benefits		Demo	
231	13.161	Must not allow W4 changes to those employees who have received a "lock-in" letter from the IRS		Demo	
232	13.162	The following information is on-line and readily available to authorized personnel		Demo	
233		a) Certification type/Endorsements		Demo	
234		b) Benefits - Ability to enroll in benefits, make changes to benefits, beneficiaries or dependents		Demo	
235		c) Degrees earned and college/University name/Majors		Demo	
236		d) Additional pay assignment notification (Extra Standard)		Demo	
237		e) Form I-9 Information		Demo	
238		f) Daily Schedule of Work by Job, Location, Position Title, FTE and Calendar		Demo	
239		g) FLSA Status		Demo	
240		h) Salary Notification by Job, Location, Position Title, FTE by an annual or hourly rate		Demo	
241		i) Emergency Contacts (editable by employee)		Demo	
242		j) Staff Directory		Demo	

	A	B	C	D	E
243		k) Seniority Number and Date for Certificated Staff		Demo	
244		l) District Seniority Listing		Demo	
245		m) View of current and historical positions		Demo	
246		n) Citizenship Status		Demo	
247		o) Race and Ethnicity (editable by employee)		Demo	
248		p) Gender (editable by employee)		Demo	
249		q) Spouse Employed by LPS, needed for Married Couple stipend (editable by employee)		Demo	
250		r) Date of Birth		Demo	
251	13.163	The system provides 1095c generation meeting all state and federal regulations			
252	13.164	The system provides W-2 generation meeting all State and Federal regulations including summary of the following:			
253		a) Gross Wages			
254		b) Federal wages and tax			
255		c) State wages and tax			
256		d) Local wages and Tax			
257		e) FICA wages and Tax			
258		f) State Retirement and Wages			
259		g) Voluntary deductions (each one)			
260		h) Annuities (each one)			
261		i) Dependant Care			
262		j) Medical/Dental employee and employer contribution for benefit value			
263		k) Net Wages			
264		l) Hours Paid			
265	13.165	After W2 file is created, must be able to edit all fields in the W2 file.			
266	13.166	Ability to indicate electronic viewing of W2 by employee or printing of paper W2.			
267	13.167	Create electronic file of W2 information to be sent to SSA and State of Nebraska.			

	A	B	C	D	E
268	13.168	Ability to reset the number of checks to be paid based on fiscal year. Must be able to change the number of checks by employee.			
269	13.169	Ability to calculate service year pay amount to be added to base/hourly pay for employees based on years of service.			
270	13.170	Provide a process to set up new year pay, days worked, checks to be paid, etc. at the start of each fiscal year.			
271	13.171	Provide a process to verify social security numbers with the Social Security Administration.			
272	13.172	Need to be able to do audits on retirement, build retirement reports, count hours worked and pay. Be able to send an electronic file/disk to Nebraska State Retirement			
273	13.173	The system has the capability to produce the federal 941 and state 941N.			
274	13.174	Create quarterly Nebraska State Unemployment report			
275	13.175	The system provides a payroll register which:			
276		a) Prints after check generation process			
277		b) Shows hours worked, earnings, deductions, withholdings, and check number			
278	13.176	Reports to show the payroll distribution by employee and by account number for each payroll or proforma that is run.			
279	13.177	In terms of printed checks, the system prints deductions; overtime hours, regular hours, and all other types of pay on the stub.			
280	13.178	The system provides a payroll journal generated by department, school, or other elements of the account structure.			
281	13.179	The system provides a deduction register which:			

	A	B	C	D	E
282		a) Lists by deduction type			
283		b) Indicates employee number, name, deduction, description, deduction amount, and subject-to amount			
284		c) Employer amount (if applicable)			
285	13.180	The system provides year-to-date registers for wages, deductions, and leave accruals:			
286	13.181	The system provides W-2 year to date totals report at any time during the year.			
287	13.182	The system provides the ability to control if a report is generated by the payroll.			
288	13.183	Be able to run reports of all time worked and absences for any specific date range or pay period end date.			
289	13.184	Must be able to give an error report if an employee has time worked or an absence for the current payroll being run but the system is not going to produce a check.			
290	13.185	Be able to run a report of who have the retirement deduction on any one or more assignments/job, but not on another job.			
291	13.186	Be able to audit all employee benefit records to insure that all employer contributions are correct.			
292	13.187	Run a list of all employees that we have marked as being final paid.			
293	13.188	Be able to generate payroll reports as pdf documents.			
294	13.189	Run salary reports by group, by account number or by location.			
295	13.190	Report to show who is receiving a paycheck, but does not have direct deposit information entered.			
296	13.191	Be able to run a report of employees that are claiming exempt on their W4.			

	A	B	C	D	E
297	13.192	Be able to run a report of employees by any specific year-to-date earnings at any point. Example: In October run a list of all employees who have made over \$200,000 for that calendar year.			
298	13.193	Report that contains the ACH Direct Deposit information for each employee			
299	13.194	A report to identify substitute time worked by a contract employee.			
300	13.195	Be able to run a report of all extra time worked by contract employees.			
301	13.196	Must be able to audit hours worked for employees not subject to state retirement by job type.			
302	13.197	Be able to run a report of hours worked for a specific pay type for a specific date range.			
303	13.198	Be able to run a report of number of paper W2 forms that will be printed (those employees that have not consented to receive electronic W2) by calendar year.			
304	13.199	Provide a report of the district's liability for unused vacation leave. The report lists, by employee, all unused vacation leave hours times the employees hourly rate and total of liability.			
305	13.200	System has the ability to generate roster and corresponding salary information for Medicaid Administrative Claiming			
306	13.201	Is your system able to create the below reports as part of the PreCalculation process			
307		a) Pay Run Number, Payroll Type(s) (Biweekly or Monthly), Pay Period End Date, Pay Groups, Hours, Period Start Date, Period End Date, Default Period Start Date, Default Period End Date, Deduction Frequency			

	A	B	C	D	E
308		B) Pay Run Number, Payroll Type(s) Pay Period End Date, Direct Deposit Prenoted, Excess Leave Usage converted to Leave Without Pay, Leave Bank Overdrawn, Pay Amount equals \$0.00			
309		c) Pay Run Number, Payroll Type(s), Pay Period End Date, Hours worked, pay type(s), pay week descriptors for pay type(s), pay rate by pay type(s), earnings, organization key distribution(s), account code(s), Federal & State Tax Elections, Deduction Description, Deduction Amount, Deduction YTD EE & ER, Leave Type, Leave Taken YD, Leave Balance, Federal, State, FICA & Medicare Taxable wage, Total Hours paid, Gross Wage, Deduction Total, Net Pay, YTD Earnings. Department Totals, Report Totals.			
310		d) Pay Run Number, Payroll Type(s), Pay Period End Date, Deduction Code, Deduction Name, Number of employees, Employee Deduction Total Dollar withheld, Employer Contribution, Arrears, Subject Wages, Report Total Employee Deduction, Report Total Employer Contribution			
311		e) Pay Run Number, Payroll Type(s), Pay Period End Date, Deduction Code, Deduction Description, Employee Name & Number, Employee Subject Wage, Account Department, Employee Deduction, Employer Contribution, Arrears, Per Deduction Code: Report Total Employee Count, Report Total Subject Wages, Report Total Employee Deduction, Report Total Employer Contribution Total, Report Total Arrears			

	A	B	C	D	E
312		f) Pay Run Number, Payroll Type(s), Pay Period End Date, Employee Number & Name, Department Number & Name, Check Location, Hours, Dollar amount, Report Total Hours, Report Total Dollars			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	14.1	The system has items in place to accommodate easy onboarding and offboarding of employees		Demo	
3	14.2	The system allows for user-defined multi-element position codes.			
4		a) Position			
5		b) Subject or Department			
6		c) Further Deliniation			
7	14.3	The system provides alpha/numeric position code definitions, which include but are not limited to the following:			
8		a) Pay table/grade/step			
9		b) Negotiation group			
10		c) Calendar code			
11		d) Default account code			
12		e) Job code			
13		f) Job Schedule			
14		g) Nebraska Department of Education Position Code			
15		h) EEOC Classification			
16	14.4	The system provides multiple user-defined fields of information to be tracked for each position.			
17	14.5	The system has the ability to create calendars based on a start / end date, the number of work days, and normal days of the week.			
18	14.6	The system has the ability to modify calendars by defining non-work days and paid holidays. This should be done via a calendar view process which allows multiple date selections or a range of dates.		Demo	
19	14.7	The system has the ability to modify work schedules by day. This should be done via a calendar view process which allows multiple date selections or a range of dates.		Demo	

	A	B	C	D	E
20	14.8	Does your system have a built in applicant tracking system			
21	14.9	The system has the ability to re-use employee id and username if previously employed by the district.			
22	14.10	The system has the ability to display a customizable terms and conditions page (computer usage policy, password requirements, etc.)			
23	14.11	The system has the ability to require the following: SSN, Gender, Race/Ethnicity, Form I-9, Health Insurance Marketplace Notice			
24	14.12	The system has the ability to allow the employee to fill out the following: Form W-4, Direct Deposit			
25	14.13	The system has the ability to collect information for Non-Employees including but not limited to Name, Phone, Last 4 of SSN, Birthdate, Location, and Position Definition			
26	14.14	For Non-Employees the system generates a username, non-employee id and allows a user to create password based on user defined rules. A file is generated to update Active Directory.			
27	14.15	The system has the ability to calculate tenure for an employee based on days worked (years) and FTE.			
28	14.16	The system has the ability to track Seniority date and Seniority Number			
29	14.17	The system has the ability to track Certifications/Licensure, Endorsement/Levels and Expiration dates for all employee groups			
30	14.18	The system has the ability to track Institution (University), Degree Level, Degree Confirmation, Degree Year, GPA, Major and Minor			
31	14.19	Contract status (One year only, probationary, permanent, etc.)			

	A	B	C	D	E
32	14.20	Multiple free-form text fields can be used for comments.			
33	14.21	The system has the ability to accept uploaded documents to an employee electronic personnel record in a Document Management Solution.			
34	14.22	The system maintains the following data for each employee :			
35		a) Hire Date			
36		b) Seniority Date			
37		c) Benefits Eligible Date			
38		d) Termination Date			
39		e) Ethnicity/Race			
40		f) Address, City, State, Zip			
41		g) Current and Former names			
42		h) Preferred Name			
43		i) Date of Birth			
44		j) Primary and Alternate Email Addresses			
45		k) Primary and Alternate Phone numbers			
46		l) Emergency Contact Information			
47		m) Form I-9 information and documents			
48		n) Spouse Employed with ESU or District and Spouse Name and Employee Id			
49	14.23	The system can track Citizenship or Permanent Resident, Document Types and supporting documents with expiration dates.			
50	14.24	System has capability to provide automatic notification of upcoming events such as expiring documents, employees scheduled to return from leave, etc.			
51	14.25	System allows for alternative to position control for managing employees		Demo	

	A	B	C	D	E
52	14.26	The system provides a detailed position inventory (Position Control) including but not limited to the following information:			
53		a) Employee Id / Vacancy Number			
54		b) Supervisor Employee Id			
55		c) Employee SSN			
56		d) Location Code			
57		e) Position Status (Filled, Inactive, Vacant)			
58		f) Pay table/grade/step			
59		g) Job code			
60		h) Position Start date/End date			
61		i) Person Replaced employee Id			
62		j) FTE			
63		k) Salary Amount			
64		l) Account distribution (unlimited)			
65		m) Job Schedule by Date and Calendar			
66		n) Calendar Code			
67		o) FLSA status (exempt/non-exempt)			
68		p) Board start date/Board end date			
69		q) Position Definition (criteria strings)			
70		r) Grade Minimum and Maximum			
71		s) Position Overlap Flag			
72		t) Limited Contract Code (Ex: One Year Only)			
73		u) Position Start and End Code (Ex: Former Employee Re-Hire, New Hire, Resignation etc)			
74		v) Actual Days Worked			
75	14.27	The system automatically creates a vacancy record when a position is added.			
76	14.28	When hiring an employee, the system has the ability to require but not be limited to the following fields:			
77		a) Board Start Date			
78		b) Position Start Code			
79		c) Pay Table, Grade and Step			

	A	B	C	D	E
80		d) Payroll Job Code			
81		e) Calendar			
82		f) Schedule			
83		g) Hiring Supervisor Employee Id			
84		h) Start and End Dates			
85		i) FTE			
86		j) Limited Contract Code			
87		k) Board and Payroll Comment			
88		l) Seniority Date			
89		m) Birth Date			
90		n) Years of Experience for Total and District			
91		o) Account Numbers and Distribution Percentages			
92	14.29	The system has the ability to generate a Seniority Number based on user defined rules.			
93	14.30	The system has the ability to require the Board End Date and Position End Codes when a termination is entered.			
94	14.31	The employee termination program creates a position vacancy when indicated by the user and records a position history record by employee.			
95	14.32	The system automatically records a detailed history record each time an employee changes or leaves a position. Changes could include but not be limited to the following:			
96		a) FTE			
97		b) Location			
98		c) Any part of the position definition (subject, position, grade level, etc.)			
99		d) Salary Changes			
100		e) Step Changes/Vertical advancement in pay			
101		f) Account Number changes			
102		g) Calendar Changes			

	A	B	C	D	E
103	14.33	The system has the ability to delete a position that was never worked			
104	14.34	The system allows corrections to be made to any field related to the position. Corrections should override the current record's data.			
105	14.35	System allows for workflow between HR and Payroll			
106	14.36	The system has the ability to make changes to multiple employee's Daily Schedules based on position code and/or location for a specific date range. The new daily schedule is validated against the position FTE for each employee.			
107	14.37	The system has the ability to change an employee's Daily Schedules based on a date range. The new daily schedule is validated against the position FTE.			
108	14.38	The system has the ability to collect Employer validated documentation for the Form I-9 with the ability to make corrections and print a copy of the completed form.			
109	14.39	The system has the ability to collect electronic submissions of additional duty assignments which generate additional pay records including but not limited to: (Extra Standard)			
110		a) Department Head			
111		b) Coach			
112		c) Team Leader			
113		d) Optional Period			
114		e) Extra Assignment (debate sponsor, cheer sponsor etc)			
115		f) Extra Days			
116	14.40	The system has the ability to notify employees (by a certain date) that have additional duty assignments of the total additional pay amount they are receiving.			

	A	B	C	D	E
117	14.41	The system has the ability to upload and validate additional pay records in mass.			
118	14.42	The system provides the option to track budget information for all Filled, Inactive and Vacant positions by location, negotiation group, account number, or any user-defined business rule. Budgeting is based on one or more of the following:			
119		a) FTE			
120		b) Salary			
121	14.43	The system has the ability to generate a forecasted budgetary staffing amount for each school/department.			
122	14.44	The system has the ability to allow school/department administrators to request staffing budget changes electronically for the upcoming school year. This information is then approved by district administration.			
123	14.45	The system has the ability to validate that budget exists for staffing changes to the current or upcoming school year.			
124	14.46	The system has the ability to allow for budgetary override when necessary.			
125	14.47	The position history record includes but is not limited to:			
126		a) Employee Id / Vacancy Number			
127		b) Supervisor Employee Id			
128		c) Employee SSN			
129		d) Location Code			
130		e) Position Status (Filled, Inactive, Vacant)			
131		f) Pay table/grade/step			
132		g) Job code			
133		h) Position Start date/End date			
134		i) Person Replaced employee Id			

	A	B	C	D	E
135		j) FTE			
136		k) Salary Amount			
137		l) Account distribution (unlimited)			
138		m) Job Schedule by Date			
139		n) Calendar Code			
140		o) FLSA status (exempt/non-exempt)			
141		p) Board start date/Board end date			
142		q) Position Definition (criteria strings)			
143		r) Grade Minimum and Maximum			
144		s) Position Overlap Flag			
145		t) Limited Contract Code (Ex: One Year Only)			
146		u) Position Start and End Code (Ex: Former Employee Re-Hire, New Hire, Resignation etc)			
147		v) Actual Days Worked			
148	14.48	The system allows for history information to be manually corrected.			
149	14.49	The system has the ability to view a listing of position history records by employee, with drill down capabilities.			
150	14.50	Position history can be maintained on-line for multiple years.			
151	14.51	Salary history can be viewed or reported for an individual employee or employee groups for a specific date range.			
152	14.52	The system has capability of electronic routing of personnel action request forms to appropriate supervisors for authorization/approval.			
153	14.53	The system has the ability to assign additional pay that impact the base pay hourly rate. (2000 Meals, Longevity, PSP etc)			

	A	B	C	D	E
154	14.54	The system has the ability to generate a history record for all positions and remove any inactive positions from the current year based on user defined dates.			
155	14.55	The system has the ability to update actual days worked on each position for the new calendar year.			
156	14.56	The system has the ability to update the total years of experience and years within the district for each negotiating group by employee according to user defined rules.			
157	14.57	The system has the ability to offer annual enrollment			
158	14.58	The system has the ability to offer an enrollment to newly hired employees			
159	14.59	The system has the ability to offer enrollment for life change events including but not limited to marriage, divorce, newborn/adoption etc.			
160	14.60	The system has the ability to allow changes based on negotiated agreements and/or the insurance carrier guidelines			
161	14.61	System has the ability to calculate premiums for age rated life insurance.			
162	14.62	System allows employees the option of using pre-tax or post dollars for benefits.			
163	14.63	The system has the ability to collect and maintain demographic data and relationships for dependents and beneficiaries.			
164	14.64	The system has the ability to collect health care insurance declination data			
165	14.65	System has capability to automatically notify administration of upcoming events including but not limited to dependents aging out.			

	A	B	C	D	E
166	14.66	A benefits confirmation statement can be produced for each employee after open enrollment or any other enrollment during the year. This statement should be available to be viewed at any time of the year.			
167	14.67	The system has the ability to show coverage history			
168	14.68	The system has the ability to report on any benefits data, enrollment progress, etc.			
169	14.69	The system has the ability to collect an electronic signature for any benefits change			
170	14.70	The system has the ability to assign benefit effective dates based on user defined rules			
171	14.71	The system has the ability to notify employees of incomplete benefit enrollment			
172	14.72	The system has the ability to email employees based on specific benefit selections including but not limited to employee group, benefit type etc.			
173	14.73	The system has the ability to place a benefit which requires an Evidence Of Insurability in a pending status.			
174	14.74	The system has the ability to export all benefits data to the related benefits carrier in the required format.			
175	14.75	The system has the ability to allow an employee to acknowledge employer or carrier terms and conditions with an electronic signature.			
176	14.76	The system has the ability for an administrator to make changes to all benefits data			
177	14.77	The system has the ability to audit benefits data with benefit carrier information.			
178	14.78	The system provides for user-defined ad-hoc reporting of position inventory information.			
179	14.79	The system has the ability to produce reports by, but not limited to, the following:			

	A	B	C	D	E
180		a) Location			
181		b) Position Definition			
182		c) Grade minimum/maximum			
183		d) Negotiating group			
184		e) Seniority numbers/dates			
185		f) Contract status for annual staffing conferences			
186		g) Additional Assignments			
187		h) Start/end dates			
188		i) Start/end codes			
189		j) Pay table / grade / step / Salary			
190		k) FTE			
191		l) Employee Name or Employee Id			
192	14.80	The system has the ability to generate Absence reporting (HCRT purposes)			
193	14.82	The system has the ability to generate reports by a specific date, in current or previous years			
194	14.83	The system has the ability to generate State of Nebraska reporting requests (NSSRS / CDC / Unemployment / New Hire)			
195	14.84	The system has the ability to generate the Federal reporting requests (EEOC, CRDC, OCR, 1094-C and 1095-C, JOLTS Monthly)			
196	14.85	System has the ability to generate Board of Education Agenda Report which includes new hires, change of status, leave of absence, and separations. Including, but not limited to the following information:			
197		a) Name			
198		b) Status			
199		c) Position Definition			
200		d) Location			
201		e) FTE			
202		f) Pay Grade and Step			

	A	B	C	D	E
203		g) Start / End Date			
204	14.86	The system has the ability to generate a Staff Count by Location report summarized by negotiation group.			
205	14.87	System has the ability to generate a view or report of employees that are on Leave of Absence, One Year Only contracts, Part Time positions and Resignations grouped by Location and Position Definition. (Staffing Conference Report)			
206	14.88	System can track employees per rules/regulations as defined by the Patient Protection and Affordable Care Act, including tracking of standard and initial measurement periods.			
207	14.89	System allows user defined lookback periods and includes breaks in service.			
208	14.90	System has the ability to generate all employee demographic and benefit data needed for a Comparability Study.			
209	14.91	System has the ability to mock up another school district's salary schedule and benefit structure for comparison purposes.			
210	14.92	System has the ability to allow an employee to electronically (if eligible) apply for FMLA leave. The system will initiate a user defined workflow for approval.			
211	14.93	System has the ability to designate leave taken as FMLA leave.			
212	14.94	System has the ability to automatically identify FMLA eligiblity.			
213	14.95	System has the ability to generate a report of FMLA hours used for a date range.			
214	14.96	System has the ability to generate reminder emails based on various dates.			

	A	B	C	D	E
1	ID Number	Question	Yes\No	Documentation\Demo	Comments
2	15.1	allows reporting from any Microsoft SQL-based s			
3	15.2	does not rely on a third party vendor for report creation. All items listed below are in the base product			
4		supports the following delivery methods:		Demo	
5		a) Ad Hoc		Demo	
6		b) Web-based		Demo	
7		c) Standard Reports		Demo	
8		d) Advanced reports created by the district's IT Department		Demo	
9	15.3	supports export of data in the following formats:		Demo	
10		a) .xlsx (Excel)		Demo	
11		b) .pdf (Adobe Acrobat)		Demo	
12		c) .csv (Comma Separated Values)		Demo	
13		d) .txt (delimited)		Demo	
14		e) .xml(Extensible Markup Language)		Demo	
15		f) .html (Standard Web Page)		Demo	
16	15.4	The Reporting meets the following requirements:			
17		a) Produces financial statements with unlimited columns			
18		b) Links financial data from either a general ledger or other products such as a spreadsheet or database applications			
19		c) Views reports on screen and easily drills down from financial summary information into account and transaction details.			
20		d) Sends e-mail reports directly to users			
21		e) Exports and imports reports and data to and from spreadsheets			
22		f) Provides a drag-and-drop utility in the reporting tree so users can see the financial effect of restructuring			
23		g) Prepares and distributes presentation-quality reports using customized fonts, colors and other formatting options.			
24		h) Operates in client-server and web-based environments.			
25	15.5	provides the ability to define how reports should be divided and distributes reports accordingly.			
26	15.6	provides a repository for document storage.			
27	15.7	provides the ability to copy reports, make changes, and save as a new report.			
28	15.8	provides a query tool.			
29	15.9	provides the ability to write reports that can be distributed for users to run within the product.			
30	15.10	provides for a to burst reports based on a time schedule			

	A	B	C	D	E
31	15.11	provides the ability to map reports that can be exported to Excel.			
32	15.12	Reports provide detailed descriptions of individual payment lines, not just the description from the first line of the payment if there are multiple lines on the payment.			
33	15.13	has a process for capturing information to complete the Medicaid Administrative Quarterly Financial Claim. It has the ability to generate a quarterly list of employees that are to be included in the study. It has the ability to capture monthly salary and benefit information for this specified group of individuals based on identified criteria (i.e. job type, etc.). It has the ability to compile this information into a quarterly report that can be used to prepare the claim. (The quarterly report would consist of information such as salary and benefit amount, FTE, federally funded FTE, federally funded salary, federally funded benefits, etc.)			
34	15.14	provides standard financial reports including comparison from current fiscal year to date to prior fiscal year to date.			
35	15.15	allows for extraction of data by various parameters for report purposes. This would include by fund, function, item, location or program.			
36	15.16	Ability to create new reports from an existing report using a copy process.			

NEBRASKA AUDITOR OF PUBLIC ACCOUNTS

Charlie Janssen
State Auditor

Charlie.Janssen@nebraska.gov

PO Box 98917

State Capitol, Suite 2303

Lincoln, Nebraska 68509

402-471-2111, FAX 402-471-3301

www.auditors.nebraska.gov

July 31, 2019

Kraig Lofquist
Executive Director
Educational Service Unit Coordinating Council
6949 South 110th Street
LaVista, NE 68128

Dear Mr. Lofquist:

In accordance with Neb. Rev. Stat. Section 84-304, the Auditor of Public Accounts will conduct the fiscal year 2019 and the fiscal year 2020 Educational Service Unit Coordinating Council (ESUCC) audits. Neb. Rev. Stat. Section 84-304 states in part, "To examine or cause to be examined, at the expense of the political subdivision, when the Auditor of Public Accounts determines such examination necessary ..."

This letter will serve as official notice to ESUCC that the Auditor of Public Accounts will be conducting the ESUCC Audit for fiscal year 2019 and fiscal year 2020.

We will conduct our audit in accordance with generally accepted auditing standards United States of America and Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. It should be understood that the responsibility for the preparation of financial statements, including adequate disclosure, is that of the management of ESUCC. Our responsibility is to express an opinion on the financial statements based on our audit.

As part of our audit, we will make an assessment of control risk relating to your internal control structure to the extent we consider necessary as required by generally accepted auditing standards. Under these standards, the purpose of such assessment is to establish a basis for reliance on the internal control structure in determining the nature, timing and extent of auditing procedures that are necessary for expressing an opinion on the financial statements.

An audit includes procedures designed to provide reasonable assurance that errors and irregularities that would have a material effect on the financial statements would be detected. Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with GAGAS. Accordingly, a material misstatement may remain undetected.

Likewise, in making our audit, we will be aware of the possibility that illegal acts may have occurred. However, it should be recognized such audit cannot be expected to provide assurance illegal acts will be detected.

The establishment of an internal control structure is an important responsibility of management. Appropriate supervisory review procedures are necessary to provide reasonable assurance that adopted policies and prescribed procedures are adhered to and to detect and correct errors and irregularities or illegal acts in a timely manner.

Our audit is not specifically designed and cannot be relied upon to disclose reportable conditions and/or material weaknesses in the internal control structure. However, during the audit, if we become aware of such reportable conditions and/or material weaknesses in the internal control structure, or ways that we believe management practices can be improved, we will communicate them to you.

May we remind you, the responsibility for the preparation of financial statements, including adequate disclosure, is that of the ESUCC's management. This includes adequate disclosures, the maintenance of adequate accounting policies, and the safeguarding of the assets of the State. As a part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

We understand that you will provide us with your financial statements, footnotes, and supporting documentation, which should include all journal entries, recorded. The financial statements and supporting documentation should be prepared in accordance with auditing standards.

At the conclusion of our audit or audits, we plan on issuing the following reports:

- a report on the financial statements of the ESUCC, on a cash basis;
- a report on the internal control structure based solely on our consideration of the structure made as a part of the audit of the financial statements; and
- a report on compliance with laws and regulations that may have a material effect on the financial statements.

The APA's fee for this service will be sufficient to cover the costs of our work (approximately \$76.00/hour for Managers and \$33.00/hour for audit staff). At this time, we anticipate the total fee will not exceed \$25,000.00 (approximately 700 hours). The APA will bill when the work is completed. The ESUCC will submit payments to the APA accordingly. No additional charges will be made for routine inquiries or requests for information. The fee quoted above is for a financial statement audit, and does not include any bookkeeping or special requests by ESUCC.

A copy of the latest quality control review for the Nebraska Auditor of Public Accounts can be found at: http://www.auditors.nebraska.gov/About_Us/APA%20Review_Files/2016_NSAA_APA_Peer_Review.pdf. We appreciate this opportunity to be of service and believe this letter accurately summarizes the scope of the audit services to be provided.

Sincerely,

Mary Avery
Special Audits and Finance Manager

B.3.2 Level Two 14

B.3.3 Level Three 14

B.3.4. Level Four 14

Section A – Proposal Overview

A.1. Background

Educational Service Units in the state of Nebraska are mandated by rule 84 to provide services for school districts in a geographical area. Educational Service Unit #3 (ESU #3) is the largest ESU in the state and is located in La Vista, Nebraska. ESU #3 provides services in a four county region to 18 school districts. Currently ESU #3 offers PowerSchool eFinance as an Enterprise Resource Planning tool for its districts, eleven of which make use of this service.

A.2. Introduction and Scope

Educational Service Unit #3 requests competitive proposals for a comprehensive Enterprise Resource Planning System (ERP). This includes project rollout, setup, configuration, implementation services, software, providing training to staff, and transition of existing content from an existing Legacy Business System. This solution will be provided in accordance with terms, conditions and specifications established herein. The general scope for this project includes: financial management, human resources, position control, payroll, payables, general ledger, budgeting, receivables, fixed assets, purchasing, school based accounting, and Nebraska state reporting.

A.3. Computing and Network Environment

Educational Service Unit #3 provides a central aggregation point for all 18 school districts in a hub and spoke environment. Our school districts attain access to Network Nebraska through the ESU #3 data center. The districts provide the connectivity to the data center through a leased line or a dark or lit fiber connection. The ESU #3 connection to Network Nebraska is 9 Gig for the 2019-2020 school year and this is shared by all districts. Currently four districts land their connection on the outside aggregation of the ESU #3 Firewall while the rest of the districts land on the inside aggregation.

The ESU #3 data center has secured access through an HID badging system. It is monitored by 4 digital cameras. Power in the data center is protected through dual uninterruptable power supplies connected to a generator. Two cooling systems are in place as well as a fire suppression system. The equipment and room are monitored by sensors for temperature and power fluctuations as well as PRTG for system failures.

The ESU #3 data center provides options to install new hardware or virtualize into the current environment. That environment consists of five Dell R740 diskless servers running VMware 7.5 connected to a Nimble Storage Area Network. All servers are backed up to an Avamar solution with Data Protection Suite enabled. These backups are also transferred to a data center in Lincoln, Nebraska to assure disaster recovery and data integrity.

The complexity of system evaluation is compounded because each district supports their own desktop hardware and network environment. The chart below will outline each district's needs.

District	Systems
Arlington	Total Employees - 97 Employees who use ERP System – 9 Operating Systems for ERP Users – Windows 7/10 Other Operating systems being used in the district- None Firewall – Fortinet FortiGate 501E Switches – Aruba/HP
Blair	Total Employees - 350 Employees who use ERP System – 25 Operating Systems for ERP Users – Windows 10, Mac OS X Other Operating systems being used in the district- Firewall – FortiGate 501E Switches – Meraki MS225 and MS425
Conestoga	Total Employees - Employees who use ERP System – Operating Systems for ERP Users - Other Operating systems being used in the district- Firewall – Switches -
DC West	Total Employees - Employees who use ERP System – Operating Systems for ERP Users - Other Operating systems being used in the district- Firewall – Switches -
Elkhorn	Total Employees - 1180 Employees who use ERP System – 37 Operating Systems for ERP Users – Windows 10 Other Operating systems being used in the district - Mac OS X Firewall – Fortinet 1500D Switches – mostly Extreme 460 and 440s
ESU	Total Employees - 250 Employees who use ERP System – 15 Operating Systems for ERP Users – Windows 10, Mac OS X Other Operating systems being used in the district- Windows 7 Firewall – Fortinet 1500D Switches – Juniper and Fortinet
Fort Calhoun	Total Employees - 165 Employees who use ERP System – 4 Operating Systems for ERP Users – Windows 10, Mac OS X Other Operating systems being used in the district- Chrome OS Firewall – Fortinet 501E Switches – Aruba
Gretna	Total Employees - Employees who use ERP System – Operating Systems for ERP Users -

	Other Operating systems being used in the district- Firewall – Switches -
Millard	Total Employees - 3861 Total Employees - 2896 Employees who use ERP System - 227 Operating Systems for ERP Users - Windows 10, Mac OS X Other Operating systems being used in the district- Windows 7, iOS Firewall - FortiGate 3200D Switches - Ruckus 7150, 7650, and 7850
Papillion La Vista	Total Employees - Employees who use ERP System – Operating Systems for ERP Users - Other Operating systems being used in the district- Firewall – Switches -
Ralston	Total Employees - 585 Employees who use ERP System – 27 Operating Systems for ERP Users – Windows 10, Mac OS X Other Operating systems being used in the district- Windows 7, Chrome Firewall – Fortinet 900D Switches – Extreme 440 and 460, HPE 3810, Dell 35xx
Westside	Total Employees - Employees who use ERP System – Operating Systems for ERP Users - Other Operating systems being used in the district- Firewall – Switches -

A.4. Transaction Information

The following represents the customer's best estimates of current weekly, monthly and yearly transaction counts aggregated for all districts:

Accounts Payable

Number of Active Vendors (Payment):	
Number of Active Vendors (Procurement):	
Average Checks per Month:	
Annual # of Invoices:	
Manual Checks Per Month:	

Accounts Receivable

Receivable Accounts At Any One Time:	
Transactions Per Year:	
Bills Per Year:	

Budgeting and Accounting

General Ledger Accounts:	
Transactions Per Year:	
Transfers: X (does not include personnel budgets)	

Payroll

Number of W-2 and 1099 forms generated:	
Annual Number of Paychecks:	
Annual Number of Manual Paychecks:	

A.5. Applications Environment

Expense and Revenue account code lengths and functions must be customizable.

Application Environment – The items listed below are systems used by ESU #3 or our associated school districts and have connections made to the current system.

Application Name or Vendor	Notes
TalentEd	This includes three products, Recruit and Hire, Perform, and Records
TimeClock Plus	Multiple districts use this system for tracking hourly time
School Messenger	Calling and Notification System
Remind 101	Calling and Notification System
Blackboard	Learning Management System
Follett	Library System
TLC	Library System
Moodle	Learning Management System
Edulog	Transportation System
Learn360	
FitnessGram	
NutriKids	
United Healthcare	
Laserfiche	Document Management System
Frontline	Absence Management System and Recruit and Hire
Powerschool	Student Information System
Infinite Campus	Student Information System
Edupoint	Student Information System
SIMS\NebSIS	Homegrown Student Information System using a SQL backend
WordWare	Lunch System

In addition to the systems mentioned above, ESU #3 needs the ability to migrate information to and from your system using flat files or other recommended methods on a nightly basis.

Section B - Proposal Instructions

B.1. Proposal Due Date and On-site Product Demonstrations

All proposals are due on Friday April 10th 2020 by 5 pm. Companies chosen for an onsite demo will be notified by the end of the day April 30th 2020. The onsite demos will be held the weeks of May 11th and May 18th, 2020. Each company will be given 1 full day.

It should be noted that all questions regarding the RFP should be communicated in writing to Bill Pulte by 4:00 PM CDT on March 31st, 2020. Email wpulte@esu3.org.

Submissions received after the due date and time will not be considered.

B.2. Proposal Format, Requirements, and Instructions for Submission

To be considered, the proposal must contain a response to all components listed in this RFP. If an item is not applicable, the response should indicate such. Submission of a proposal assumes that the vendor understands and has read the RFP and is submitting a proposal in the format requested. Any incomplete proposals, exceptions, qualifications not specified may cause the proposal to be rejected. The responses will be emailed to Bill Pulte at wpulte@esu3.org by the deadline. The subject line of the email shall read ERP RFP and the body should include the name of the company providing the response. The proposal needs to be submitted as an attachment in PDF format.

PLEASE NOTE THE FOLLOWING:

ESU #3 reserves the right in its sole discretion to terminate this RFP process at any time. ESU #3 also reserves the right in its sole discretion to reject any and all proposals received, including those that are not deemed to be in the best interests of all or any of the districts we serve. ESU #3 further reserves the right to cancel or amend the RFP or any other documents or materials at any time and will notify all persons requesting proposal documents accordingly and to waive any requirements under this RFP or any formalities and minor irregularities in proposals received.

ALL PROPOSALS AND OTHER SUBMITTED DOCUMENTS SHALL BE PUBLIC RECORDS AND SHALL NOT BE CONSIDERED CONFIDENTIAL. By responding to this RFP and submitting a proposal, the proposing vendor is consenting thereto and waiving all confidentiality or privacy rights in and to same.

Participation in this RFP process by interested persons shall be at absolutely no cost or obligation to ESU #3 or any of its participating districts. ESU #3 does not agree to assume, pay, or reimburse any cost, expense or fee or other injury or damage incurred by any submitter or others in connection with this RFP. The submitting proposer shall indemnify and hold ESU #3 and its districts harmless from all such costs, expenses, fees or damages.

Proposals shall contain no contingencies for acceptance.

By receiving this RFP or submitting a proposal, the proposing vendor agrees that this RFP and all information contained herein is confidential information of ESU #3. The vendor agrees that it shall not

disclose this RFP or any information contained herein to any third party, other than ESU #3, and shall protect this RFP and the information contained herein with the same degree of care as the vendor normally uses in protecting its own confidential and proprietary information. This requirement shall not apply to confidential information which becomes part of the public domain by means other than through the vendor. The proposing vendor's proposal should contain an acknowledgement of this non-disclosure requirement.

The proposing vendor shall certify, warrant and represent to ESU #3 that the vendor's proposal is based on a full and complete examination of the RFP documents and that all statements, facts and representations made in all of the submittal documents and materials are true, correct, accurate, and complete, and may be relied upon by ESU #3 in considering the vendor's proposal. The proposing vendor shall certify that it understands it is responsible to immediately provide updated and correct information if any of the information in the proposal changes at any time. The proposing vendor shall certify that it understands that any omission, falsification or misrepresentation made by the proposing vendor in such documents and materials or any supplement thereto, will be sufficient grounds for failure to select the vendor or to terminate any contract with ESU #3. The proposing vendor shall acknowledge its consent and agreement to comply at all times with all ESU #3 policies, regulations, directives, and practices.

The proposing vendor shall certify, warrant and represent to ESU #3 that the vendor, and its principals, is/are not presently declared ineligible, or voluntarily excluded from soliciting work by any governmental department or agency and that the vendor, and its principals, has/have not been terminated during the performance of a contract or withdrew from a contract to avoid termination.

The proposing vendor shall certify that it is an equal opportunity employer and actively recruits a well-qualified and diverse staff including minority applicants, and does not discriminate against any employee or applicant for employment by reason of race, color, national origin, religion, marital status, sex, age, disability or sexual orientation. The proposing vendor shall certify that by submitting a proposal, the vendor agrees, if selected, to actively continue and implement this policy throughout any awarded project.

The proposing vendor shall certify that it shall not assign any individual or agent to any work on any ESU #3 or participating school district property with a criminal record of a serious nature as defined by ESU #3 and district policy, regulations, practices or directives, including but not limited to any of the following: (a) a felony; (b) rape, including statutory rape, or any other sexual assault; (c) sexual conduct with a minor of any kind; (d) abuse of a minor or child of any kind; (e) endangerment of a child or debauching a minor; (f) public indecency; (g) prostitution, pandering, or keeping a place of prostitution; (h) assault or battery; (i) kidnapping, false imprisonment or abduction; (j) child pornography; or (k) any offense in which a minor was a victim or a witness. The proposing vendor shall authorize, give consent, and agree to cooperate in obtaining any additional authorization or consent necessary to assure compliance with this requirement; to actively continue and implement this policy. The proposing vendor authorizes and gives consent, and agrees to cooperate in obtaining any additional background check authorization or consent necessary to assure compliance with this requirement. The proposing vendor shall be prepared to require such provisions in all contracts with any sub-vendors.

The proposing vendor shall use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

B.2.A. Vendor Information (Attachment A)

Vendor profile should include organizational structure, history, size, number of personnel, number of installations, name of principal owners and personnel who will be assigned to this proposal, organizational structure, history, and information about your customer base. Include development philosophy as to how feature requests/enhancements are assigned priority and how development decisions are made. Include success stories at locations of similar size and larger than an aggregation of ESU #3 and its participating districts. Please also include success stories for any other consortiums you have worked with.

B.2.B. Vendor References (Attachment B)

References should include the name, school district or consortium name, address, and phone number of two persons who are in charge of the ERP in their district/consortium. All persons must have agreed to serve as a reference and be available for phone calls. References must have experience with the version of the ERP being proposed. Please include references of multiple sizes, including but not limited to more than 50 schools, less than 5 schools, and a consortium model (if available) that have successfully used your system and have comparable demographics, such as enrollments, staff size, and network capacity.

B.2.C. Third Party Vendors (Attachment C)

List and profile any third party vendors that will be involved either as part of your proposal, or as your recommended provider for outside services including names, contacts, brief profiles, history, and scope of work they would perform. This includes disclosure of any commercially licensed or open-source code contained in the proposal. Complete a separate Attachment C for each sub-vendor.

B.2.D General Questions (Attachment D)

The questions below must all be answered completely. It is the intent of ESU #3 to house the system entirely on premise and it answers should be based on that direction.

1. Provide diagrams and detailed descriptions of hardware components that run the proposed system and that meet the requirements of the RFP within the ESU #3 technical environment.
2. Provide a schematic of the software components as they relate to the hardware components. Describe the software environment including: modules and products, programming languages, system editor, utility modules, database, query language, and application architecture.
3. Describe the programming language(s) used to write the proposed vendor's system code.
4. Describe the RDBMS (relational database management system) and provide details on proprietary licensing to vendor and/or district.
5. Discuss how the DBMS supports an ODBC connection method.

6. Describe the function of each administrative software tool and its relation to the functionality of the system and the efficiency for the administrator. Describe any features specific to modifying, replicating, and configuring the system for the end-user interface.
7. Provide information related to the frequency of new releases and the plan for deploying system upgrades and patches. State whether software enhancements or upgrades to the system software will be provided at no extra charge beyond the annual maintenance fee or contract expectations. Describe the support available for previous versions of the program following the release of upgrades or new products.
8. What is your current release number and the date of the release? When is your next product release or update scheduled? Beyond periodic fixes, please describe any year-over-year release schedule.
9. Describe the process for upgrading an on prem solution taking into account possible customizations?
10. Describe how your system integrates with 3rd party software specifically addressing the items in A.5
11. Describe the system used for report creation. Specifically what reporting tools are built into the product and do you use a third party reporting service such as IBM Cognos Analytics.
12. Please provide a sample service level agreement.
13. Describe the system used to track product issues and the method of reporting, tracking and closing reported issues. This should include how the customer is kept updated on each issue and the process the vendor uses for testing the quality of a change or update in the district's environment.
14. Describe any support services that are fee-based and excluded in the maintenance agreement.
15. Describe a typical (daily, weekly or monthly) schedule for system operations including back-ups, maintenance, indexing, batching, statistical reports, file updates, software upgrades. Describe any circumstance that would cause the system to be unavailable during any 24-hour period.
16. Describe the security features of the system related to privacy laws, district policies, integrity of system files, queries, reports, and statistical data, input and update functions.
17. Describe how the following system management functions are performed:
 - Messages to all users
 - Online emergency fixes, shutdown, startup
 - Assessments of file storage capacity
 - Capacity to reorganize and re-index files
 - Capacity to identify and eliminate inactive records
 - Record utilizations of CPU and disk storage, transactions
 - Capacity to transfer transactions to archive files and to easily access archived data
 - Log into vendor technical support to check status
 - Processes for fiscal and annual year-end procedures and creation of snapshot (point in time) files etc.

18. Discuss, in detail, your training plan for this project. In cases where you recommend a “train the trainer” model, describe the experience and skill set of the District person(s) who would be trainers, and explain why you think this approach would be successful. Your plan should address the training needs of:

- District and Consortium Trainers
- Technical Application Administrators (technical staff)
- Server Administrator (technical staff)
- District administrators (Department Directors - Accounting, HR, Budget, etc.)
- Building administrators (Principals)
- District office staff
- Teachers and classroom staff
- ESU #3 support staff

B.2.D. Attached Checklist (Attachment E)

The attached checklist consists of several tabs which should all be completed. The first column is an identifier and when documentation is provided that number should be referenced. The second column is the item in question. The third column will be used by the company to identify if they meet or do not meet that requirement. The fourth column is if we are requesting that functionality to be demonstrated by documentation or a demo. If demo is selected all companies that are invited to ESU will be asked to show evidence of that ability. The fourth column will be used by the company to provide notes in regards to that specific item. It is not required that the bidder provides notes for every item, these are to be used for extenuating circumstances. For example, if the company answers no on a question but it will be available in an upcoming release that should be noted here. The checklist is broken down into the parts below.

- 1) System Requirements
- 2) Software Requirements
- 3) Support and Maintenance
- 4) Financial Management
- 5) Purchasing
- 6) Accounts Payable
- 7) General Ledger
- 8) Budgeting
- 9) Personnel Budgeting
- 10) Cash Disbursements
- 11) Bank Reconciliation
- 12) Accounts Receivable
- 13) Payroll
- 14) Human Resources
- 15) Reporting

B.2.F. Documentation and Training (Attachment F)

Please provide a sample implementation and training plan addressing all stakeholder groups including

- 1) ESU #3 Support Staff
- 2) District Support Staff
- 3) Report Writers
- 4) Business Offices
- 5) Human Resource Offices
- 6) End Users

B.2.H. Contract

The prospective vendor must submit a proposed draft contract for equipment and services between the vendor and ESU #3. Such draft contract should identify, at a minimum, the scope of the work, the vendor's and owner's obligations, the contract fee and payment terms, insurance and bonding terms, warranty terms, service/maintenance level terms, and any other miscellaneous terms and conditions. Such draft contract also must contain terms and conditions involving the following items:

- License Grant – Base the contract on 175 concurrent connections and 250 total licenses
- Invoicing – Fees and expenses shall be invoiced to ESU #3 not less than 60 calendar days before being due.
- Expenses – All reimbursable expenses must be preapproved by ESU #3 before being incurred.
- Taxes – ESU #3 is tax exempt.
- Interest – ESU #3 shall pay no interest on late payments.
- Annual Maintenance Fee Increases – ESU #3 will negotiate on the amount of any increase in any annual maintenance fees. Annual Fees will not increase by more than 3% each renewal period.
- Data Ownership – ESU #3 and its member districts shall retain all ownership rights in any information and/or data provided to vendor or stored on vendor's ERP solution.
- Data Use – Vendor shall not use, reuse, sell, share or transfer any information and/or data provided to or stored on vendor's ERP solution except as allowed by the contract or written authorization of ESU #3.
- Data Privacy/Security – Contract shall identify vendor's compliance with federal, state and local laws, statutes, regulations, rules, and orders regarding data privacy and data security, including but not limited to compliance with the federal Family Educational Rights and Privacy Act, the federal Protection of Pupil Rights Amendment, the federal Children's Online Privacy Protection Act, and the Nebraska Financial Data Protection and Consumer Notification of Data Security Breach Act of 2006.
- Confidential Information – Vendor's information shall not be confidential, except as allowed by law.
- Warranty – Vendor shall warrant that its installation services, if any, shall be performed in a professional manner by quality personnel in a manner consistent with industry standards, that the ERP solution shall perform in compliance with applicable documentation, and that the ERP solution is free of any known viruses or other malware.
- Infringement – Vendor shall indemnify, defend, and hold harmless ESU #3 against any third-party claims for intellectual property infringement of the ERP solution.
- Limitations of Liability – ESU #3 will negotiate on the amount, if any, of vendor's liability limits.
- Termination / Renewal – Any termination provisions must have notice and cure periods.
- Independent Contractor – Vendor shall be deemed an independent contractor.
- Governing Law and Venue – Governing law shall be Nebraska; exclusive venue shall be in federal or state courts in Sarpy County, Nebraska.
- ESU #3 Policies – Vendor shall comply with all ESU #3 policies, regulations, directives, and practices, as the same may be amended from time to time.

By submitting a proposed draft contract, the vendor understands and agrees that ESU #3 retains the right to negotiate with the selected vendor to arrive at a mutually agreeable relationship. ESU #3 reserves the right to reject the vendor's submitted draft contract in its entirety and to use any other contract ESU #3

deems appropriate. ESU #3 further reserves the right to alter, amend or make any changes to the vendor's submitted draft contract ESU #3 deems are necessary or prudent or in the best interest of ESU #3 and its member districts.

NO CONTRACTUAL RIGHTS SHALL BE CREATED BETWEEN THE SELECTED VENDOR AND ESU #3 UNTIL A WRITTEN CONTRACT HAS BEEN APPROVED BY THE ESU #3 BOARD, AND EXECUTED BY ALL PARTIES THERETO.

B.3. Proposal Selection and Evaluation Criteria

B.3.1 Level One (Educational Service Unit #3 Staff)

Proposals will be judged for completeness based on the following attachments. Any company not providing answers to one or more of the attachments will not be considered. During this phase Attachments A, B and C will be reviewed for companies that can support this project. References will be contacted to determine accuracy of bid information

B.3.2 Level Two

Proposals that pass Level One will be reviewed by the Evaluation Committee. The committee will be comprised of district and ESU #3 personnel. This committee will review the entire bid response paying close attention to Attachments D, E and F. This group will determine what companies should be brought back for demos in May. This group will be scoring each company based on the answers provided in the attachment and scores will be tallied using the metrics below:

Attachment D	30%
Attachment E	30%
Attachment F	30%
Pricing Sheet	10%

B.3.3 Level Three

Vendors passing Level Two will be invited to make on-site presentations the weeks of May 11th, 2020 and May 18th, 2020. Vendors should plan for 8 hours at the ESU #3 facility to make presentations to the evaluation committee highlighting the features and functions required of the system. Vendors will be required to make their presentations by employing live software using test data on a compliant machine running a Web browser performing functions that will be scripted no less than one week prior to presentation. Presentations may be recorded for internal use by ESU #3.

B.3.4. Level Four

Contract and Board approval – The selected vendor will enter into a contract subject to the terms specified in this document including a commitment to deliver and perform for the price and timeline agreed. At that point, ESU #3 will bring a motion to the Board for approval, and implementation will begin immediately after that approval, following the negotiated timeline.

NO CONTRACTUAL RIGHTS SHALL BE CREATED BETWEEN THE SELECTED VENDOR AND ESU #3 UNTIL A WRITTEN CONTRACT HAS BEEN APPROVED BY THE ESU #3 BOARD, AND EXECUTED BY ALL PARTIES THERETO.

1. Call to Order

Notice to visitors: To be heard at this meeting, the "Request to be Heard" form, must be completed and submitted to the Secretary to the Executive Director of ESUCC. The President of the Board of ESUCC will call upon visitors wishing to address the Board in the order they were submitted or by subject.

Pursuant to Section 84-1411 of the Nebraska Statutes, notice of this meeting was given by advertisement on the ESUCC website, NE Public Meeting site, and host site.

Open Meetings Law: Pursuant to Section 84 - 1412 of the Nebraska Statutes, the public is hereby informed that a current copy of the Nebraska Open Meetings Act is posted in this meeting room.

Closed Session:

The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

Call to order at 3:15 PM.

Staff: Kraig Lofquist, Deb Hericks, Priscilla Quintana

Guest: Russ Masco

2. Roll Call

3. Agenda Item

3.1. Financials

3.1.1. NO Claims, Financials Statements, and Assets this month

No budget reports this month.

3.1.2. Approval of January Expenses to be paid in February.

Expenses total: \$108,827.28.

Treasurer shared expenses to be paid.

Recommend motion to approve January expenses to be paid in February Passed with a motion by Geraldine Erickson and a second by Paul Calvert.

Paul Calvert: Yea

Geraldine Erickson: Yea

Dr. Bill Heimann: Yea

Dr. Dan Schnoes: Yea

Yea: 4, Nay: 0

3.1.3. Monthly Staff Budget Meeting

Treasurer shared discussions in monthly budget meeting.

3.1.4. Executive Director Salary/Benefits for 2020-2021

Discussions regarding Executive Director salary/benefits for 2020-2021. ESU 17 is giving a 4.16%. Insurance increase was 6.17%. Add Executive Director to the current array of ESU Administrators.

3.1.5. ESU #3 ERP RFP Rough Draft

Executive Director shared the ESU 3 RFP for finance. ESU 3 uses efinance which was purchased by PowerSchool. Support has dropped since this acquisitions. ESU 3 and districts are reviewing other vendors for finance. If interested in learning about other finance vendors, please join the conversation.

3.2. Executive Committee

3.2.1. Global Teletherapy and E-therapy

Executive Director shared information regarding tele-therapy. Jack Moles, NCRSA Executive Director asked if we could make a deal because Global Tele-Health wants to drop NE. Discussion about keeping this local with each ESUs. E-therapy for mental health discussions. Have affiliates look at doing research on these areas of need.

3.2.2. Rule 84 Meeting Updates

Executive Director shared updates on Rule 84 - instructional materials, leadership/educator effectiveness, continuous improvement are the three action areas that will be addressed. We have PDO workgroups around these three areas as well. Take PDO workgroups and create one action plan to include Rule 84 meetings. Executive Director shared the Rule 84 Joint Decision Making process diagram that they have been working to create. Look at data to make sure it fits the priorities.

3.2.3. PDO Recordings

Executive Director shared concerns on recordings of meetings.

3.2.4. MSA 2020-21

3.2.5. ESUCC PDO Calendars 2020-2022

To be approved in March 2020

3.2.6. Recommend approval of Bold Step One: ESU Standards 8/27/19

ESU 3 Administrator shared that there has been no feedback from last meeting.

Recommend approval of Bold Step One: ESU Standards 8/27/19 Pilot Draft Passed with a motion by Dr. Dan Schnoes and a second by Paul Calvert.

Paul Calvert: Yea

Geraldine Erickson: Yea

Dr. Bill Heimann: Yea
Dr. Dan Schnoes: Yea
Yea: 4, Nay: 0

3.2.7. Nebraska TEACH Launch and Registration Information

From: **Waddle,**

Clayton <Clayton.Waddle@nebraska.gov>

Date: Sun, Jan 26, 2020 at 7:07 PM

Subject: Nebraska TEACH Launch and Registration Information

Good Evening.

I wanted to send this update, in anticipation of the release of Nebraska TEACH (The Educator Application and Certification Hub) on February 1st.

As part of the release, we are asking anyone in Nebraska with a certificate register for the new system. The instructions for registering for a personalized dashboard are attached to this email and can also be accessed at <https://bit.ly/2TZKYy2>. One major change with Nebraska TEACH is that applications will be accepted through the dashboard rather than a link on the website.

After Nebraska TEACH is launched, we will be responsive to any issue that may arise and are planning for the programmers to be in Lincoln if immediate changes need to be made. In an effort to keep the lines of communications open, a Google Form (<https://forms.gle/1uJJkkLdszoLPAVF6>) has been developed to catalog and easily share the information with the appropriate stakeholders.

Updates will be posted on the certification website at <https://www.education.ne.gov/tcert>, our Facebook page (<https://www.facebook.com/NDE.EducatorCert>), and via Twitter (https://twitter.com/NDE_EdCert). For immediate assistance, the certification phone number is 402-471-0739.

We are excited for the release of Nebraska TEACH and look forward to serving the 60,000 plus teachers, administrators, and special services certified individuals in Nebraska.

Thank you for your continued support with this process and for your patience as Nebraska TEACH is launched. Feel free to forward this email to your certified staff.

Executive Director discussed this Nebraska TEACH Launch and Registration Information. If you have a NE certificate you must log in and update your information.

3.2.8. SIMPL Strategic plan

Executive Director shared that 14 of the 17 ESUs complete the information on SIMPL. Compiling the data for discussions tomorrow.

3.3. ESUCC State Audit

State Audit began this week. The audit entrance call was yesterday morning.

4. Next Meeting Agenda Items

5. Adjournment

Meeting adjourned at 5:38 PM.

Steps for New User Registration

1. Enter <https://online.nedoe.org>
2. Select, “Click here to Register” which will the following.

Registration

First Name *

First Name

Last Name *

Last Name

Date of Birth *

Date of Birth in MM/DD/YYYY format

SSN *

Last 4 of SSN

Email Address *

Email Address

Confirm Email Address *

Confirm Email Address

Cell Phone *

(XXX) XXX-XXXX

Submit Registration

Click here to go to Log In page

3. Enter your name, date of birth, last four digits of your social security number, a personal email address and your cell phone number. As school email addresses may change over a five year or ten year certificate cycle, it is important for us to have a way to communicate with you.

4. Once all of the information is completed, click the, “Submit Registration” button. A temporary password will be sent to your personal email address and a text will be sent to your cell phone similar to the following message.

The Nebraska Department of Education is currently converting to an online licensure system. You are receiving this message because you have registered for your user portal in that system. You will receive an email with further instructions.

5. If you have registered successfully, you will see the following message on your screen:

Registration

Please check your email a temporary password has been sent to you. You need to login using that password.

Log In

6. Click on the “Log In” button to from message on your screen. Use your personal email address and temporary password that was sent to your personal email to log in to the system by clicking on the “Log In” button again.

Log In

This is a new renewal portal. You must Register before you can log in. Please [Click Here](#) or click on the button below "Click here to Register"

The Online Renewal Process requires the completion of a one-time registration. This will provide you with username, which will be the email address used during registration and password for log in. Click on button "Click here to Register" for one-time registration, enter all required information and click on button "Submit Registration". You will receive a temporary password in email and you will need to change your password before you can log in. Please contact the Board Office if you have any questions or experience any issues with the registration or renewal process.

User Name (Email)

Password

[Forgot password?](#)

Log In

Click here to Register

7. The system will prompt you to change your password. The screen will only appear the first time you register. NOTE: You will only need to register one time. Type in or paste your temporary password in the “Old Password” field and choose a new password in the next two fields. Click on, “Reset Password” when all of the fields are completed.

A screenshot of the 'Change Password' form. It features three input fields: 'Old Password', 'New Password', and 'Confirm New Password'. Below these fields is a link that says 'Click here to see New Password rules'. At the bottom of the form is a blue button labeled 'Reset Password'.

8. Once your password has been changed, you will receive an email and text similar to the following.

Thank you for using Nebraska TEACH (The Educator Application and Certification Hub). You are receiving this text because your password was changed on the site. If you did not submit this password reset request, please contact the Nebraska Department of Education immediately! Thank you, Nebraska Department of Education, Educator Certification

9. You will be directed back to the login screen one more time where you will use your personal email address and the new password you chose. Once both have been entered, click on, “Log In” and you will be taken to your personal dashboard. The Dashboard will contain information your experience, degrees, endorsements, and status of a current application. This will also be where you will apply initially, a renewal, to add an endorsement, or to change a certificate type.

A screenshot of the Nebraska Department of Education dashboard. The header includes the state seal and the text 'Nebraska Department of Education'. The main content area is divided into several sections: 'Dashboard' with a summary of the user's profile, 'Application Status' with a table of applications, 'Endorsements' with a table of endorsements, and 'Degrees' with a table of degrees. The 'Application Status' table shows a list of applications with columns for Application ID, Application Type, and Status. The 'Endorsements' table shows a list of endorsements with columns for Endorsement ID, Endorsement Type, and Status. The 'Degrees' table shows a list of degrees with columns for Degree ID, Degree Type, and Status.

FIVE BOLD STEPS: ESUCC

***Bold Step One: ESU Standards - Pilot Draft #1
January 2020***

BOLD STEP ONE: ESU STANDARDS

Timelines

September 2019

- Provide update to Executive Committee (DONE)
- Provide brief update to ESUCC Board (DONE)
- Develop feedback loop from the ESUCC Board (Due 3rd week of Sept) (DONE: Sent out on 9-10-19)
- Next Bold Step One Committee Meeting: September 23rd, 2019 via Zoom at 9:00 am (DONE)

October 2019

- Committee meet October 1 at 10:00 am (Zoom) to develop video outline (DONE)
- Provide revised draft to Executive Committee - October 1 (DONE)
- Provide revised draft to ESUCC Board - October 2 (DONE)
- Share with Affiliate Leadership - by October 31 (target date - Oct 24, 2019 at 10:00 am) (DONE)
- Develop presentation / Google Survey to share information and gather feedback from Affiliates (DONE)

November 2019

- Bold Step One Committee meeting in November 12, 2019 at 9:00 am (DONE)
- Present update to ESUCC Board at November 19 & 20 Meetings (DONE)

December 2019

- Subcommittee work on Domains using survey feedback by December 1, 2019 (DONE)
- Bold Step One Committee Meeting to review progress on December 12, 2019 at 3:00 pm (DONE)
- Goal: Finalize the document (DONE)

January 2020

- Review Zoom Meeting on January 9, 2020 at 10:30 am (CST) (DONE)
- Present update to ESUCC Board on January 13 & 14, 2020 (Scheduled)
- Provide final draft to PDO on January 15 & 16, 2020 (Scheduled)

February 2020

- Final Bold Step One: ESU Standards approved by ESUCC Board

ESU Standards (Pilot Draft 1) January 2020

Educational Service Unit Standards of Performance and Practice

Context

Educational service units (ESU) were established in 1965 by the Nebraska legislature to “provide for economy, efficiency, and cost-effectiveness in the cooperative delivery of educational services.” Nebraska State Statute (79-1204) particularly tasks service units with

- Provision of core services in the following service areas in order of priority:
 - Staff development
 - Technology, including distance education services
 - Instructional materials services
- Provision of other services as requested by member school districts
- Provision of educational services through leadership, research, and development in elementary and secondary education
- Take action in cooperation with and support of the State Department of Education

Rule 84 (79-318; 79-1204) further requires that each ESU be evaluated and accredited to assure a level of quality in the educational programs and services provided to school districts by the educational service units.

Purpose

The purpose of the Educational Service Unit Standards of Performance and Practice is to define the knowledge, skills, practices and dispositions necessary for ESUs to provide quality programs and services to Nebraska schools (see Rule 84). The standards promote a common language that fosters an understanding of what it means to be a member of the ESU statewide network and can be used to inform the improvement efforts of individual agencies. The document contains four essential domains: purpose and leadership, programs and services, stakeholder relationships and communication, and resource capacity. The Bold Step 1 committee anticipates that either a rubric or a set of indicators will be developed subsequent to ESUCC approval of a final set of standards.

Process

In February, 2018 the Educational Service Unit Coordinating Council (ESUCC) comprised of administrators from each of the 17 ESUs along with representatives from the Staff Development Affiliate, Teaching and Learning Team Affiliate, Network Operations Affiliate, ESU Special Education Directors Affiliate and the Nebraska Department of Education engaged in an ESUCC organizational redesign process facilitated by Dr. Susan Leddick. The redesign group identified Five Bold Action Steps necessary to enable ESUs to work together effectively, efficiently and equitably to accomplish common goals and deliver high value to the state's education system.

Five Bold Steps: ESUCC

1. Develop ESU Standards
2. Develop joint decision-making parameters
3. Complete SIMPL inventory
4. Develop value-add metric
5. Develop ESUCC Value Proposition

The Coordinating Council appointed a Bold Step 1 ESU Standards committee of representative ESU administrators and affiliate membership to develop a draft set of standards of performance and practice specific to Nebraska's ESUs. The process included input from the entirety of the ESUCC, the ESU Affiliate leadership as well as the ESU Affiliate membership. This draft is intended for final review and approval by the ESUCC Board. During 2020-21, several ESUs will pilot the use of the newly created ESU Standards during their Continuous Improvement Process.

Guiding Framework

The Educational Service Unit Standards of Performance and Practice are intended to fill a void. There are no state or national standards of performance for educational service units. They are provided as one definition of effective practice for Nebraska's service units. Use of these standards to guide the continuous improvement efforts of individual ESUs is voluntary. The ESUCC recognizes that while there are common components to providing regional programs and services, the implementation of those components will be specific to the needs of the member districts of each service unit.

Domain 1: Purpose and Leadership

A1: The ESU commits to a vision, purpose, and a core set of beliefs about providing programs and services that meets the expectations of the ESU and its member districts.

A2: The ESU engages in a continuous improvement process that improves professional practice, effectiveness, and results.

A3: ESU leadership establishes a strategic plan, as well as processes, procedures and conditions to support agency effectiveness.

A4: The ESU establishes conditions to support the development of individual and collective knowledge, skills and professionalism.

A5: The ESU provides professional growth opportunities for internal and district staff in leadership positions.

A6: The ESU uses a comprehensive process for staff evaluation.

A7: The ESU demonstrates actions that ensure the achievement of the ESUCC's purpose.

A8: The ESU Board, through board policies, understands and practices its defined roles and responsibilities to maintain an effective agency.

A9: ESU programming and services fulfill the requirements of Rule 84.

Domain 2: Programs and Services

B1: ESUs use a data-driven process to systematically identify the needs of districts to develop an agency service plan.

B2: The ESU ensures its services are developed and delivered, have clear and measurable outcomes, and are aligned with evidence-based practices.

B3: The ESU has established a process to assess implementation of targeted programs and services.

B4: Learning opportunities are provided to ESU staff in order to develop and enhance the skills necessary for delivering the agency service plan.

B5: The ESU fosters an innovative and collaborative culture to optimize program and service delivery.

Domain 3: Stakeholder Relationships and Communication

C1: ESU staff provide internal and external stakeholders with opportunities to collaborate and inform the development of the agency's purpose, programs, and services.

C2: ESU staff communicate efficiently and effectively with internal and external stakeholders.

C3: The ESU provides an induction process to their service agency for new district leadership.

C4: The ESU is an active partner in activities and initiatives of the ESUCC, and formally engages with and collaborates with the Nebraska Department of Education.

Domain 4: Resource Capacity

D1: The ESU utilizes strategic planning to align human, material, and fiscal resources to meet the short and long term goals of the agency.

D2: The ESU allocates human, material, and fiscal resources to optimize agency efficiency and effectiveness.

D3: The ESU recruits, employs and retains highly qualified staff.

D4: The ESU provides induction, mentoring, professional learning opportunities for staff to grow and improve.

FIVE BOLD STEPS: ESUCC

***Bold Step One: ESU Standards - Pilot Draft #1
January 2020***

BOLD STEP ONE: ESU STANDARDS

Timelines

September 2019

- Provide update to Executive Committee (DONE)
- Provide brief update to ESUCC Board (DONE)
- Develop feedback loop from the ESUCC Board (Due 3rd week of Sept) (DONE: Sent out on 9-10-19)
- Next Bold Step One Committee Meeting: September 23rd, 2019 via Zoom at 9:00 am (DONE)

October 2019

- Committee meet October 1 at 10:00 am (Zoom) to develop video outline (DONE)
- Provide revised draft to Executive Committee - October 1 (DONE)
- Provide revised draft to ESUCC Board - October 2 (DONE)
- Share with Affiliate Leadership - by October 31 (target date - Oct 24, 2019 at 10:00 am) (DONE)
- Develop presentation / Google Survey to share information and gather feedback from Affiliates (DONE)

November 2019

- Bold Step One Committee meeting in November 12, 2019 at 9:00 am (DONE)
- Present update to ESUCC Board at November 19 & 20 Meetings (DONE)

December 2019

- Subcommittee work on Domains using survey feedback by December 1, 2019 (DONE)
- Bold Step One Committee Meeting to review progress on December 12, 2019 at 3:00 pm (DONE)
- Goal: Finalize the document (DONE)

January 2020

- Review Zoom Meeting on January 9, 2020 at 10:30 am (CST) (DONE)
- Present update to ESUCC Board on January 13 & 14, 2020 (Scheduled)
- Provide final draft to PDO on January 15 & 16, 2020 (Scheduled)

February 2020

- Final Bold Step One: ESU Standards approved by ESUCC Board

ESU Standards (Pilot Draft 1) January 2020

Educational Service Unit Standards of Performance and Practice

Context

Educational service units (ESU) were established in 1965 by the Nebraska legislature to “provide for economy, efficiency, and cost-effectiveness in the cooperative delivery of educational services.” Nebraska State Statute (79-1204) particularly tasks service units with

- Provision of core services in the following service areas in order of priority:
 - Staff development
 - Technology, including distance education services
 - Instructional materials services
- Provision of other services as requested by member school districts
- Provision of educational services through leadership, research, and development in elementary and secondary education
- Take action in cooperation with and support of the State Department of Education

Rule 84 (79-318; 79-1204) further requires that each ESU be evaluated and accredited to assure a level of quality in the educational programs and services provided to school districts by the educational service units.

Purpose

The purpose of the Educational Service Unit Standards of Performance and Practice is to define the knowledge, skills, practices and dispositions necessary for ESUs to provide quality programs and services to Nebraska schools (see Rule 84). The standards promote a common language that fosters an understanding of what it means to be a member of the ESU statewide network and can be used to inform the improvement efforts of individual agencies. The document contains four essential domains: purpose and leadership, programs and services, stakeholder relationships and communication, and resource capacity. The Bold Step 1 committee anticipates that either a rubric or a set of indicators will be developed subsequent to ESUCC approval of a final set of standards.

Process

In February, 2018 the Educational Service Unit Coordinating Council (ESUCC) comprised of administrators from each of the 17 ESUs along with representatives from the Staff Development Affiliate, Teaching and Learning Team Affiliate, Network Operations Affiliate, ESU Special Education Directors Affiliate and the Nebraska Department of Education engaged in an ESUCC organizational redesign process facilitated by Dr. Susan Leddick. The redesign group identified Five Bold Action Steps necessary to enable ESUs to work together effectively, efficiently and equitably to accomplish common goals and deliver high value to the state's education system.

Five Bold Steps: ESUCC

1. Develop ESU Standards
2. Develop joint decision-making parameters
3. Complete SIMPL inventory
4. Develop value-add metric
5. Develop ESUCC Value Proposition

The Coordinating Council appointed a Bold Step 1 ESU Standards committee of representative ESU administrators and affiliate membership to develop a draft set of standards of performance and practice specific to Nebraska's ESUs. The process included input from the entirety of the ESUCC, the ESU Affiliate leadership as well as the ESU Affiliate membership. This draft is intended for final review and approval by the ESUCC Board. During 2020-21, several ESUs will pilot the use of the newly created ESU Standards during their Continuous Improvement Process.

Guiding Framework

The Educational Service Unit Standards of Performance and Practice are intended to fill a void. There are no state or national standards of performance for educational service units. They are provided as one definition of effective practice for Nebraska's service units. Use of these standards to guide the continuous improvement efforts of individual ESUs is voluntary. The ESUCC recognizes that while there are common components to providing regional programs and services, the implementation of those components will be specific to the needs of the member districts of each service unit.

Domain 1: Purpose and Leadership

A1: The ESU commits to a vision, purpose, and a core set of beliefs about providing programs and services that meets the expectations of the ESU and its member districts.

A2: The ESU engages in a continuous improvement process that improves professional practice, effectiveness, and results.

A3: ESU leadership establishes a strategic plan, as well as processes, procedures and conditions to support agency effectiveness.

A4: The ESU establishes conditions to support the development of individual and collective knowledge, skills and professionalism.

A5: The ESU provides professional growth opportunities for internal and district staff in leadership positions.

A6: The ESU uses a comprehensive process for staff evaluation.

A7: The ESU demonstrates actions that ensure the achievement of the ESUCC's purpose.

A8: The ESU Board, through board policies, understands and practices its defined roles and responsibilities to maintain an effective agency.

A9: ESU programming and services fulfill the requirements of Rule 84.

Domain 2: Programs and Services

B1: ESUs use a data-driven process to systematically identify the needs of districts to develop an agency service plan.

B2: The ESU ensures its services are developed and delivered, have clear and measurable outcomes, and are aligned with evidence-based practices.

B3: The ESU has established a process to assess implementation of targeted programs and services.

B4: Learning opportunities are provided to ESU staff in order to develop and enhance the skills necessary for delivering the agency service plan.

B5: The ESU fosters an innovative and collaborative culture to optimize program and service delivery.

Domain 3: Stakeholder Relationships and Communication

C1: ESU staff provide internal and external stakeholders with opportunities to collaborate and inform the development of the agency's purpose, programs, and services.

C2: ESU staff communicate efficiently and effectively with internal and external stakeholders.

C3: The ESU provides an induction process to their service agency for new district leadership.

C4: The ESU is an active partner in activities and initiatives of the ESUCC, and formally engages with and collaborates with the Nebraska Department of Education.

Domain 4: Resource Capacity

D1: The ESU utilizes strategic planning to align human, material, and fiscal resources to meet the short and long term goals of the agency.

D2: The ESU allocates human, material, and fiscal resources to optimize agency efficiency and effectiveness.

D3: The ESU recruits, employs and retains highly qualified staff.

D4: The ESU provides induction, mentoring, professional learning opportunities for staff to grow and improve.

Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the

agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; (g) The telephone conference call lasts no more than five hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified Daily Documentation 1st Quarter in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers

and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

1. Call to Order

Notice to visitors: To be heard at this meeting, the "Request to be Heard" form, must be completed and submitted to the Secretary to the Executive Director of ESUCC. The President of the Board of ESUCC will call upon visitors wishing to address the Board in the order they were submitted or by subject.

Pursuant to Section 84-1411 of the Nebraska Statutes, notice of this meeting was given by advertisement on the ESUCC website, NE Public Meeting site, and host site.

Open Meetings Law: Pursuant to Section 84 - 1412 of the Nebraska Statutes, the public is hereby informed that a current copy of the Nebraska Open Meetings Act is posted in this meeting room.

Closed Session:

The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

Call to order at 11:30

Staff: Kriag Lofquist, Deb Hericks, Priscilla Quintana, and Rhonda Eis

2. Roll call

3. Agenda Item

3.1. DE2TAILS - Innovation Grant

Technology Director shared that the Innovation Grant is over and finishing final reports.

3.2. Equitable Access and Digital Resources Innovation Grant

Technology Director shared that the charter document has been finalized and attached to the meeting. The goals of the newtowrok are to take a step back and look at what are currently have and gather data to determine the most impactful software is needed for the state. They will create a new governance structure and then create two projects for the grant to work on throughout the process of the grant. Then the committee will review and adjust as needed.

3.3. MSA 2020-2021

Executive Director shared some needed updates for the MSA for 2021-2022. We continue to work on verbiage to provide more clarity. He reviewed some the changes that are being discuss for the upcoming MSA. He reviewed those services that are not optional and those that are optional. Discussion regarding NROC/EdReady being in the MSA.

3.3.1. NOC Budget Requests for 2020-21

Budget increased only for the cost of Safari licenses going up by \$100 per licenses.

3.3.2. TLT Budget Requests 2020-2021

Review/discussed the proposals brought forth by TLT to include: digital citizenship symposium, Marshall Memo, Fall and Spring trainings.

3.4. Recommend Approval NDE partnership with OverDrive. This would include the Teaching and Learning Team of about 20 people.

NDE has offered to add \$1000 to become a partner in the OverDrive Professional Library. Discussion regarding including partnership with NDE Teaching and Learning Team of up to 20 people to OverDrive.

Recommend approve of adding NDE Teaching and Learning Team of up to 20 people to OverDrive Passed with a motion by Constance Wickham and a second by Dr. Brenda McNiff.

Corey Dahl: Yea
Dr. Ted DeTurk: Yea
Dr. Bill Heimann: Yea
Dr. Brenda McNiff: Yea
Gregg Robke: Yea
Dr. Melissa Wheelock: Yea
Constance Wickham: Yea
Yea: 7, Nay: 0

3.5. Edmentum

Executive Director shared about Edmentum and how it works with MAPS. Do we want them to do a presentation at a future Board meeting? Executive Director will ask Cory Rath from Edmentum to do a presentation for the ESUCC Board.

3.6. Staff Reports

3.6.1. Scott Isaacson

Technology Director shared the single sign on usage is up. Applications like Test Wiz and Adobe. Still need to continue to market the single sign on. Working to add additional access to single sign on like PBS. SRS team continues to work on fixes for the system especially in ADVISER reporting, cleaning up bugs and working to improve help desk experience. The development team has released 13 fixes to the SRS system. SRS Advisory team is working on design 504 plans could be represented in the system and also a checklist to add to display to school managers so they can see items that needs to be addressed like over due forms, missing information, etc. Technology Director has been applying to present at state conference to help get the word out to the rest of the state. Discussions regarding how schools are feeling towards SRS. Discussion regarding sending a letter to those discussing dropping SRS and give data on what they get with our home grown process. How does the prices compare with other products versus our SRS system? Staff will work on cost analysis.

3.6.2. Rhonda Eis

Rhonda Eis shared her report details. Learn360 will be meeting with ESUCC staff to discuss putting Learn360 into the COOP Marketplace. Will share pricing at March meeting. OER continues to increase. Tends to happen when Dorann hosts meetings to add stuff. TLT trainings

will be next week to include UNL Studio and industry tours the following day. July 23/24 will be the BlendEd Learning training with Catlin Tucker.

4. Next Meeting Agenda Items

5. Adjournment

Meeting adjourned at 1:18PM.

PROJECT NAME: BlendEd Projects – Instructional Materials

PROJECT DIRECTOR: Rhonda Eis

REPORT PERIOD: February 2020

OverDrive – ESUCC Professional Library

- Site officially live in January
- Resources available to all ESUs except for ESUs 6, 9, and 11. These ESUs can opt in anytime for a \$1,000 contribution to the library funds.
- NDE's Teaching and Learning Team has requested to join the project and contribute funds to help build the library pending approval by council.
- Collection
 - 187 titles – 138 ebooks and 49 audiobooks
 - Additional book requests can be made by filling out the [Book Request Form](#)

Learn360

- Preliminary pricing is available for ESUs that indicated renewal
- February 11 - Meeting with the representative to discuss pricing and option to move the purchase of the subscription into the Marketplace
 - Coop pricing would be available for 2020-21 for those districts whose ESU isn't participating in the statewide buy

Open Education Resources (OER) Project

Nebraska OER Hub: <https://www.oercommons.org/hubs/nebraska>

- Service Agreement renewed in January 2020
 - Tier 2 services and SAML support for \$3,000
 - Hub Stats – increased to 905 members - 18 Nebraska collections - 19 Work Groups

TLT Affiliate -Upcoming Trainings

- February 12 & 13
 - UNL Innovation Studio - Train the Trainer. Maker activities: 3D printing, Laser Cutter, and Carvy
 - Industry Tours - Spreetail, Johnny Carson Center for Emerging Media Arts, Don't Panic Labs and Hudl - Business will showcase the technology used and the desired skills for employees.
- July 23 & 24
 - Blended Learning & Coaching with Catlin Tucker – 2 days in Kearney

ESUCC Information Services Update

Scott Isaacson
February, 2020

DE²TAILS

Xin Wang from RMC is completing the final report and evaluation of the grant projects and this will be available in March. The final reimbursement request has been submitted to NDE.

Software Innovation Network

The [charter](#) for the network was finalized the week of February 3, 2020 and the emphasis will switch to recruiting leadership team members and convening the team to begin work. From the charter, the goals and outcomes are:

- **Review** appropriate and available **data** to determine priority software needs in Nebraska.
- **Create a process** for prioritizing, evaluating options, testing, deployment, ongoing evaluation and ultimate sustainability / decommissioning for state-wide enterprise-level software solutions.
- **Develop a governance structure** to support the process and ensure strategic investment in innovative projects.
- **Use the process** to select and implement two or more projects.
- **Evaluate and revise** the process based on the experience of the project implementations.

Leadership team membership will include the following representative groups including Educational Service Units (ESUs) and school districts:

- Technology director
- Technology integration
- Professional Learning
- Administration
- Digital Learning / Learning Engineer
- Special Education
- NDE
- Cooperative Purchasing
- Instructional materials
- Network Nebraska
- Network director - ESUCC Technology Director
- NDE Information Services Officer

Nebraska Cloud

SSO Usage and Update

School day usage of the SSO framework is up from 1174 sessions per day at the end of the 2018-2019 school year to 1589 sessions per day with the latest data ending January 31, 2020. Applications with the most usage are the NebraskaCloud app launch portal, Houghton Mifflin, Adobe Creative Cloud and TestWiz.

Our next enhancements to this framework will be to add additional ways of connection with applications and users such as Learning Tools Interoperability (LTI) and Clever integrations. We also plan to bring the new app launch portal out of testing and make it live for everyone in April.

SRS

The team continues to address fixes and improvements to the system, especially in the areas of ADVISER reporting, bugs in completing forms, and improving helpdesk response times. The team has released 13 fixes into the live system since our last board meeting. Helpdesk tickets are down, with 141 currently open. January 31, 2020 was the first in a pattern of short monthly check-in calls with the advisory team between their quarterly full-length meetings. A few key user representatives are beginning to meet this week to plan for adding 504 plan support to the SRS application. Another key enhancement coming will be an administrative dashboard or checklist to help administrative users see a concise list of problems such as errors reporting students to ADVISER, expired forms, or incomplete data.

Marketing

I have increased the number of presentation proposals to NETA, NDLA, Data conference to help get the word out about our work.

2020-2021 Master Services Agreement
Between the
Educational Service Unit Coordinating Council and
Educational Service Unit ____

THIS MASTER SERVICES AGREEMENT ("Agreement") is entered into this ____ day of _____, 2020 ("effective date") by and between THE EDUCATIONAL SERVICE UNIT COORDINATING COUNCIL, a political subdivision of the State of Nebraska, hereinafter referred to as "the Council" or "the ESUCC," and EDUCATIONAL SERVICE UNIT NO. ____, a political subdivision of the State of Nebraska referred to as "the ESU."

Recitals

Whereas, ESUCC is charged by NEB. REV. STAT. § 79-1245 with the administration of statewide education initiatives and provision of statewide education services;

Whereas, the ESU wishes to receive certain services and participate in certain Projects that are conducted by the ESUCC; and

Whereas, the ESU wishes to have certain services and initiatives made available to its member school districts.

Now, therefore, the ESUCC and the ESU agree as follows:

1. General Provisions

- a. Purpose. The purpose of this Agreement is to establish the general terms and conditions applicable to the education initiatives, services and projects (collectively "Projects") which ESUCC supplies to the ESU for the 2020-21 school year. This Agreement is intended to serve as a framework for the provision of services under one or more of the ESU CC's Projects.
- b. Participation in Individual Projects. This Agreement outlines several Projects which ESUCC has undertaken for the statewide benefit of Nebraska educational service units and their member school districts. Other than the statewide core service initiatives designated herein as required by Rule 84 of the Nebraska Department of Education, the ESU may choose to participate in some, but not all of the Projects referenced by this Agreement. The ESU shall indicate its intention to participate in a particular Project by marking, where indicated, each Project in which it wishes to participate or make available to its member school districts. ESUCC is only obligated to provide services to the ESU for the Projects which the ESU has marked as provided herein.
- c. Term. The term of this Agreement shall be one (1) year, commencing on August 1, 2020 and ending on July 31, 2021.

- d. Provision of Services by ESUCC's Agents. The ESUCC may contract with third parties to provide some or all of the services described in this Agreement. The ESU hereby expressly agrees to the provision of those services by said third-party agents and agrees to cooperate with all agents of ESUCC in the implementation of such Projects including, but not limited to, invoicing, payment and administration necessary for the delivery of Project services in the name of ESUCC.
- e. Compliance with State Law. Each Party will comply with applicable laws in its performance hereunder and will advise the other of changes in laws that concern the conduct of the Projects and services contemplated by this Agreement. Each Party shall obtain and maintain all approvals required to perform its obligations under this Agreement.
- f. Right to Make Changes. ESUCC reserves the right in its sole discretion, to make changes to the operation of each of the individual Projects referred to herein, including, but not limited to, an increase in the fees charged for particular Projects, if the ESUCC determines that such fee increase is necessary for the continued operation of the particular Project, provided, however, that no such change shall have a material adverse impact on the ESU.
- g. New Projects. In the event ESUCC determines to offer a new Project during the term of this Agreement and the ESU wishes to participate in said new Project, the parties may describe the new Project in writing and incorporate that writing as a formal addendum to this Agreement.
- h. Amendments in Writing. Notwithstanding any provision of this Agreement to the contrary, any amendment to this Agreement must be in writing and signed by an authorized representative of each Party. No oral understanding or agreement not incorporated in this Agreement is binding on any of the Parties.
- i. Indemnification. To the extent permitted by applicable law, but without waiving any rights under any applicable state governmental immunity act, the Parties hereto agree to indemnify each other from any and all liabilities, claims, expenses, losses or damages, including attorneys' fees, which may arise in connection with the execution of the work herein specified and which are caused, in whole or in part, by the negligent act or omission of the Indemnifying Party.
- j. Assignment. The ESU shall not assign any right or delegate any obligation arising hereunder without the prior written consent of ESUCC. This provision does not prevent the ESU from allowing its member school districts to participate in some or all of the Projects described herein.
- k. Third Party Beneficiaries. This Agreement shall be binding upon and inure solely to the benefit of and be enforceable by each Party hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any third party any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

- l. Entire Agreement. This Agreement supersedes and replaces all prior agreements or understandings and constitutes the entire agreement between the Parties concerning the subject matter hereof; there are no other agreements, understandings, or representations, whether written or oral, between the ESU and ESUCC concerning the subject matter addressed herein.
- m. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Nebraska.
- n. Nondiscrimination. The parties shall not discriminate against any employee or applicant who is to be employed for performance of this MOU with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- o. Employment Eligibility Verification. The parties shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

2. Professional Development Project (ESUPDO Project)

- a. Purpose of Professional Development Projects. One of the core services provided to school districts is professional development of their staff. Pursuant to Rule 84 of the Nebraska Department of Education, all ESUs are required to participate in statewide core service initiatives as established by the ESU Coordinating Council as a condition of accreditation. The ESUPDO Project is one of the mandatory statewide core service initiatives undertaken by the ESUCC. Mandatory participation includes financial support of the project pursuant to the terms set forth in this section.
- b. Professional Development Planning Committee. The ESUCC shall appoint educators and other experts to a Professional Development Planning Committee. The initial committee shall consist of members who possess expertise in professional development and specific curriculum areas including members from NDE and statewide initiatives/projects at the discretion of the ESUCC and its Executive Director. The Professional Development Planning Committee shall provide the ESUCC's Executive Director with suggestions and input on technical and other matters related to professional development and specific special projects involving educators' professional development, within the State of Nebraska. The ESUCC Executive Director may also form ad hoc committees from time to time to address matters relevant to the various Professional Development Initiatives.
- c. Annual Professional Development Program. The ESUCC will develop an annual program of professional development offerings that will assist the ESU and its member districts in providing professional development to educators statewide. The ESUCC will assist the ESU in meeting its obligations pursuant to Rule 84 of the Nebraska Department of Education in collaborating to create opportunities for educational training and staff development for the staff of educational service units, the Nebraska Department of Education, and school districts statewide.
- d. ESUPDO Project. The ESUPDO serves as a collaborative effort to provide statewide training and alignment of efforts for ESU employees and key NDE Staff statewide. Professional development is among the core services identified by state statute for ESU's. ESUPDO consists of four affiliate groups comprised of ESU employees across the seventeen ESU's with representation from essential NDE Staff.

These groups are:

- i. Staff Development Affiliate (SDA): Members are responsible for providing staff development for their school districts and assisting the Nebraska Department of Education efforts on statewide and local assessment as well as school improvement for Nebraska's school districts.

- ii. Teaching and Learning with Technology (TLT): The purpose of the Teaching and Learning with Technology Affiliate (TLT) is to connect educators with resources, best practices, and emerging technologies to transform teaching and learning within the classroom. This support is provided through school improvement efforts, professional development, and coordinated statewide projects, services, and efforts.
 - iii. Network Operations Committee (NOC): NOC supports the extensive communications network within and among the ESU's and school districts. NOC provides network security and protocols for their districts and ESU's and ensures the communications network for distance education, internet, email, and phones are functioning and secure.
 - iv. ESU Special Populations Directors (ESPD): This group consists of Special Education Directors and staff from across the state. This group was included in the ESUPDO as the need for special education professional development for special education and classroom teachers emerged in the age of standards and assessment. ESPD is involved with the Nebraska Department of Education in providing leadership for special education training and support.
 - v. ESUPDO Fees. Each ESU will participate in the ESUPDO Project and contribute \$4,239 to fund the activities of the Professional Development Annual Program.
- e. Professional Development Special Projects. The ESUCC may also facilitate special projects, organize and facilitate programs, or serve as a fiscal agent for activities to enhance professional development opportunities. These special projects may include but are not limited to special education grant programs, NDE career education grant programs, and other grant or collaborative efforts that enhance statewide professional development.
- f. Fees for Participation in Specific Professional Development Activities. Professional Development activities may include a registration, material, and other fees. Such fees will be set at no more than \$20 per person per day. Material and other fees will be actually incurred costs beyond normal registration. Any fees billed through an agent of ESUCC must identify the specific core activity provided on behalf of the ESUCC and be appropriately allocated by such agent in accordance with agreed upon billing practices. ESUCC will provide to each ESU that participates in the Professional

Development Project invoices that detail the expenditures for each event or meeting. Participation fees shall be billed bi-annually by ESUCC during the academic year.

The following is a cost summary for this project:

Section 2	PD Annual Program Fees	\$4,239	(Each ESU will participate.)
Section 3	PD Participation Fees (Each ESU will participate.)		\$20 per person per day

MSA Fees for 2019-2020: \$4,239/\$20

3. Digital Learning Services and Projects: Encompassing Distance Education, BlendEd Learning, Open Educational (OER), Instructional Materials, and Learning Management Systems (LMS)

- a. Purpose of Digital Learning Services and Projects. The ESUCC shall provide distance education services including brokering and facilitating the exchange of distance education courses, the administration of learning management systems, and the assessment of distance education needs and evaluation of distance education services as provided for in NEB. REV. STAT. § 79-1248 and other state statutes and regulations. Additionally, the ESUCC is charged with the administration of state-wide initiatives and provision of statewide services among other duties in NEB. REV. STAT. § 79-1246. The ESUCC also has managed statewide services in “core services” as that term is defined in statute, including instructional materials services. The purpose of these services is to assure cost-efficient and equitable delivery of digital learning opportunities in partnership with educational service units, school districts, and other potential partners. The ESUCC Digital Learning Services and Projects promote statewide collaboration to provide students and school districts with access to a mix of different learning environments that best supports the combination of traditional face-to-face classroom methods with more technology-mediated activities.
- b. Nebraska Department of Education Rule 84. Pursuant to Rule 84, all ESUs are required to participate in statewide core service initiatives as established by the ESUCC as a condition of accreditation. Components of the Digital Learning Services and Projects are mandatory statewide services administered by the ESUCC and require financial support from all ESUs. ~~The BlendEd Initiative and Project is one of the mandatory statewide core service initiatives undertaken by the ESUCC.~~
- c. Distance Education Brokering. The ESUCC will provide the Nebraska Virtual Instruction Source (NVIS) course clearinghouse for use in finding and exchanging distance education courses between participating ESUs and school districts. Funding for this service is provided by allocated State appropriation. If additional fees for distance education brokering become necessary, they will be approved by the ESUCC board through the approval process.
- d. BlendEd Advisory Committee. The ESUCC shall appoint educators and other experts to a BlendEd Advisory Committee. The initial committee shall consist of up to 20 members representing distance education, instructional materials, learning management systems, and general knowledge about professional development relevant to the original initiative. The Advisory Committee shall provide the ESUCC’s Executive Director and Digital Learning Director with suggestions and input on technical and other matters related to distance education, digital learning, instructional materials, or learning management systems, within the State of Nebraska. The ESUCC Executive Director and Digital Learning Director may also

form ad hoc committees from time to time to address matters relevant to the Digital Learning Services and Projects.

- e. Open Educational Resources (OER): The Nebraska OER hub is available to all ESUs and their district schools and offers statewide access to local and national open educational resources. The OER hub is a customized branded landing page on OER Commons, a product of ISKME. Within the Nebraska OER hub, collaborative statewide efforts with and between the Nebraska Department of Education, the ESUCC, school districts and educators are possible and provides the support to curate and create quality open educational resources that are aligned to Nebraska curriculum. The cost for the platform and services is funded by the Digital Learning administration fee.
- f. Learning Object Repositories (LOR): ESUCC will coordinate access to digital libraries that will enable educators from within participating ESUs to share, manage and use educational resources with a common metadata standard. Listed below are the available platforms for access to instructional materials that are aligned to academic standards.
 - i. Learn360 provides an LOR feature that houses previous media acquisitions, Nebraska Licensed Titles, for project participants.
 - ii. Nebraska OER hub offers statewide access to local and national open educational resources for all ESUs and districts.
 - iii. National Repository of Online Courses (NROC) which includes HippoCampus and EdReady is accessible to all ESUs and districts.
 - iv. Other free resources may be added to this list.
- g. Conditions of Participation.
 - i. Intellectual Property. The ESU and each of its participating school districts agrees to comply with all relevant laws governing copyright and other intellectual property. The ESU agrees to hold ESUCC harmless for any violation of this provision by the ESU or its agents.
 - ii. No Assignment. No Party shall assign any of its rights or obligations under this Project without the prior written consent of the ESUCC's Executive Director or the ESUCC board.
- h. Fees. Each ESU will be invoiced \$5,700 fee to support the administration of statewide Digital Learning Services and Projects ~~BlendEd Initiative~~. Mandatory participation includes financial support of the services pursuant to the terms set forth in this section. Additional fees may be determined and assessed by the ESUCC board to provide these necessary services.

The following is a cost summary for the project:

Digital Learning Administration \$ 5,700

MSA Fees for 2019-2020: \$5,500 increase of \$200

- i. Optional Digital Learning Services and Projects. The Digital Learning Services and Projects are structured to allow ESUs to participate at the mandatory level or at an expanded level. The expanded optional services and projects supplement the statewide efforts in blended learning, open educational resources, instructional materials, and other digital learning products as recommended by appropriate affiliates. On an annual basis, ESUs may choose to participate in all or none of the expanded optional projects or services. Some of the services are made available to school districts directly when an ESU does not participate in the expanded optional services. Due to the nature of the projects, ESUs may not elect to withdraw or amend their participation mid-contract year after this Agreement has been approved. ~~Services and Projects. The Digital Learning Services and Projects are designed to create a more integrated approach for both instructors and learners. The services and projects consist of new and existing efforts in distance education, blended learning, open educational resources, instructional materials, and learning management systems as recommended by appropriate affiliates. ESUs may choose to participate in all or none of the projects and services and many of the services are made available to school districts directly. The BlendEd Initiative will also seek to organize professional development through existing ESUPDO and other ESU staff as appropriate.~~
- i. OverDrive Professional Development Library. The ESUCC OverDrive Professional Library is a customized digital collection of ebooks and audiobooks for use by ESU staff across the state. Participating ESUs contributed \$1,000 each for the initial start up to build the collection. ESUs that elected not to participate in the initial set-up can opt in at any time for a fee of \$1,000 plus any additional fees that have incurred since start up. Annual fee will range between \$400 - \$600 per ESU based upon the assessed need for additional books on current professional development topics as recommended by the affiliates. If an ESU chooses not to continue participation, access to the library will be terminated.

The following is a cost summary of the project:

OverDrive Professional Library \$400 - 600

MSA Fees for 2019-2020: \$1,000

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.)

- j. ~~Instructional Materials. The Instructional Materials portion of the Digital Learning Services and Projects consists of four separate components. On an annual basis, ESUs may participate in none, some or all of the Instructional Materials components. Due to the nature of this project ESUs may not elect to withdraw or amend their participation in any Instructional Materials Project mid-contract year after this Agreement has been approved.~~

- i. Instructional Materials: Media on Demand: Learn360 is the current provider for a statewide multimedia digital delivery service that also includes a free LOR for the management and delivery of custom created or licensed content. This agreement may be renewed annually following an evaluation of services and usage data.
 1. Each participating ESU will pay a fee based on a schedule equivalent to fifty percent of the contract divided equally among those ESUs and the remaining fifty percent of the contract divided based on their Nebraska public schools' PK-12 enrollment, after the costs for the non-public schools are calculated and deducted from the remaining fifty percent. The ESUCC will provide an estimate for budget purposes for each participating ESU.
 2. Learn360 may be made available to school districts in non-participating ESUs. The ESUCC will establish fees and invoice the districts in coordination with their ESU.

The following is a cost summary of the Media on Demand project:

Term Dates: September 1, 2020 - August 31, 2021

Fee: \$0.46 per student with statewide student count 199,999 or less
Total amount based upon student enrollment

ESUs will be invoiced - October 2020

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in Learn360.)

Estimated Learn360 Costs for 2020-2021

ESU	Public PK-12 Students	Nonpublic PK-12 Students	Estimated Cost Per ESU 50/50 Formula at \$0.46 per student
4	6,707	606	\$4,554.21
5	5,671	346	\$4,206.47
8	10,966	1,923	\$6,097.93
13	14,337	456	\$6,165.45
15	3,689	139	\$3,674.78
16	8,192	482	\$4,824.19

17	1,546	20	\$3,148.12
18	42,258		\$12,104.32
Totals	93,366	3,972	\$44,775.48

Estimated cost for 2020-21 subscription based upon NDE Student Enrollment Report for 2019-20. Table above does not include those ESUs that have elected not to participate.

- i. Digital Learning: Special Projects. The goal of this project is to enhance education for all learners in Nebraska schools and ESUs. These projects may support the curation and creation of educational artifacts, the review and alignment of resources to the Nebraska State Standards and other indicators utilized by Nebraska schools, BlendEd projects, the promotion of existing instructional materials and digital learning resources, state endorsed LOR platforms, and any additional training. ESUCC staff will work in conjunction with relevant staff members from participating ESUs to identify assessed needs. TLT affiliate will submit project proposals based upon assessed needs. Projects will be approved by the ESUCC board through the approval process. It is recommended to budget up to \$7,500 per ESU for Special Projects. The fee for Special Projects will only be invoiced when an actual cost is incurred.

The following is a cost summary of the project:

Digital Learning Special Projects Up to \$7,500

MSA 2019-20 Specials Projects	\$ 5,000
MSA 2019-20 Learning Object Acquisitions	\$ 5,000

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the Digital Learning Special Projects.)

- i. ~~Instructional Materials: Special Projects. This project will support the state endorsed LOR platforms, curation and creation of educational resources, review and alignment of resources to the Nebraska State Standards and other indicators utilized by Nebraska schools, BlendEd projects, additional trainings, and the promotion of existing instructional materials. ESUCC staff will work in conjunction with relevant staff members from participating ESUs to identify assessed needs to further enhance education for all learners. It is recommended that all ESUs participating in the Learning Object Repository (LOR) elect to participate in Special Projects. The fee for Special Projects will not exceed is \$5,000 per ESU and will only be invoiced when an actual cost is incurred.~~

¶

~~The following is a cost summary of the project:¶~~

¶

~~Special Projects \$5,000- \$500 increase¶~~

¶

~~(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.) ¶~~

¶

- ~~ii. Instructional Materials: Learning Object Acquisitions. This project will identify and acquire learning objects that will enhance education for all learners in Nebraska schools. Project funds will be used to offset expenses related to curating, obtaining, implementing and promoting learning objects. ESUGG staff will work in conjunction with relevant staff members from participating ESUs to identify project needs. The fee for Learning Object Acquisitions will not exceed \$5,000 per ESU and will only be invoiced when actual cost is incurred. ¶~~

¶

¶

~~The following is a cost summary of the project:¶~~

¶

~~Learning Object Acquisitions- \$-5,000- no increase¶~~

¶

~~(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.)~~

- ~~k. Federated Identity and Access Management: This initiative will provide participating users with a single sign-on framework, allowing the identity of a user to be verified and that identity to be used to provide access to all of the digital services offered by ESUGG and NDE. ¶~~

¶

- ~~i. Additional Fees/Costs (if any): The ESUGG and participating ESUs may amend this agreement to expand services based on planning efforts for content hosting, identity management infrastructure and related services. Any such fees/costs will be presented by the ESUGG Technology Committee for approval by the ESUGG board. ¶~~

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.)

4. Cooperative Purchasing Project

- l. Purpose of Cooperative Purchasing. The Cooperative Purchasing Project aggregates demand for certain items commonly purchased by school districts to get lower prices and more favorable terms from selected suppliers.
- m. Duties of ESUCC. In connection with the Cooperative Purchasing Program, the ESUCC shall:

 - i. Combine statewide data relevant to cooperative purchasing in order to promote a valid basis upon which to solicit bids.
 - ii. Coordinate activities which are commensurate with updating and perpetuating proper specifications inherent within the bidding process.
 - iii. Prepare official bid documents and invite suppliers to bid in connection with supplies to be purchased by ESUCC and members.
 - iv. Prepare and cause to be published the official legal notices of the bid opening in connection with supplies to be purchased by ESUCC as required by applicable law or policy.
 - v. Conduct the public bid opening and resulting bid reviews in accordance with applicable Nebraska statutory “public lettings” provisions, if any, or ESUCC policy and practice, and be responsible for selecting bids based upon such provisions.
 - vi. Compile price lists and order sheets for each participating educational service unit and make such order lists and price sheets available through the Nebraska ESU Cooperative Purchasing Web Site or Marketplace.
 - vii. Provide technical support for ESUs and school districts in placing orders with suppliers through the Marketplace. Merchandise will be shipped as specified in bid terms and conditions
 - viii. Through the website, provide participating ESUs and school districts the capabilities to track items ordered, confirm receipt, check invoices and detect and report shortages.
 - ix. Retrieve order documents from the website and prepare aggregate orders to be sent to respective suppliers so that merchandise is shipped to each participating school/educational service unit.
 - x. Assist any participating school/educational service unit with problems related to the processing and delivery of orders from the suppliers.
 - xi. Participate in an annual audit of cooperative purchasing accounts and records conducted by a Certified Public Accountant.

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.)

5. Special Education Project

- a. Student Records System (SRS Project): SRS is an online special education record system designed to create all special education documents, required by Rule 51 and Rule 52, including IEP, MDT, IFSP and all required notices. The SRS is a highly secured system that organizes and stores documents and provides easy access to files via the internet. SRS training is provided across the state for district staff and college and university staff.
- b. Improving Learning for Children with Disabilities (ILCD Project): ILCD is a state self-assessment project that gathers information for federal reporting requirements. The ILCD Project utilizes parent, teacher and administration survey assessments. The survey results can be accessed via the ILCD Website. ESU staff provide technical assistance for the ILCD website and survey design.
- c. Project PARA: Project PARA is a web-based method for school districts to provide introductory training for their paraeducators. The Project assists schools in meeting the paraeducator training requirements. Project PARA is a collaborative effort between the University of Nebraska, the Nebraska Department of Education and Nebraska educational service units.
- d. Fees. Each Participating ESU will pay a fee of \$5,500 to fund the Special Education Project.
- e. Additional SRS Fee. School Districts that are members of one of the participating Parties to the SPED SRS Project must pay an additional fee to receive access to SRS. Fees will be assessed in accordance with the following table.

<u>2019-2020</u>	<u>2020-2021</u>	<u>Tier</u>
\$166	\$174	<100
\$430	\$452	100-249
\$858	\$901	250-499
\$2,576	\$2,705	500-999
\$3,435	\$3,607	1000-1999
\$4,293	\$4,508	2000-3999
\$8,584	\$9,013	4000-17999

The ESUCC will bill the ESU for the fees allocated to each of the ESU's participating member school districts

The following is a cost summary of the project:

Special Education Project \$ 5500
Additional SRS Fees (Tier) \$see chart above

MSA Fees for 2019-2020: \$5500

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.)

6. Legislative and Governmental Relations Project

- a. Purpose Legislative and Governmental Relations Project. The Legislative and Governmental Relations Project will assist member ESUs in strategically planning legislative initiatives that support the mission of the ESUCC and its member service units, tracking legislation that affects service units and state-wide educational efforts in the state, and influencing state lawmakers to support the vital work of the ESUCC, service units and public schools in the state of Nebraska.
- b. Duties of ESUCC. In connection with the Cooperative Purchasing Program, the ESUCC shall:
 - i. Solicit input and direction on legislative and governmental relations issues from its members through the ESUCC legislative committee and in other forums;
 - ii. Direct employees of ESUCC to draft, support or oppose state legislation related to matters affecting education in the state of Nebraska;
 - iii. Contract with experts in the field of governmental relations to assist the ESUCC in legislative and governmental matters
- c. Fees. Each Participating ESU will pay a fee of to be determined by the ESUCC board upon approval of relevant expert contracts to fund the Legislative and Governmental Relations Project. In no event will the fee for participation exceed ESUCC's actual costs.

The following is a cost summary for this project.

Govt. Relations (2019 & 2020)	\$ 1629.41

(Within the Summary Page found on page 17 of the MSA, please check the box if the ESU will participate in the program.)

Summary of MSA Fees 2020-2021

Please check and initial the relevant boxes below indicating the Projects in which the Service Unit wishes to participate. (Please note all projects within the MSA are provided with an either (1) a specific charge, (2) no charge for the project, or (3) a required participation fee for all ESU's.)

Software Innovation Network

Project Charter

February 3, 2020

Purpose

Building on the work of *Data Ecosystem Innovation Grant project*, the creation of the Software Innovation Network focuses on cooperative software development, evaluation and licensing to address currently unmet needs. The *Education Innovation Network* will review, revise and improve current practices to provide high-quality software and features to students, educators and administrators:

- by being highly attentive to meeting Nebraska-specific needs and use cases
- at a low, sustainable cost
- with equitable statewide access
- while raising the level of data privacy and security protections

Sponsor

Nebraska Innovation Grant Program funded by Nebraska Innovation Education Fund operated through the Nebraska Department of Education, Dean Folkers, Information Systems Officer

Scope

This Education Innovation Network will include school districts and educational service units working together and with the Educational Service Unit Coordinating Council (ESUCC) **to develop and maintain a portfolio of innovative digital tools and resources**. Through surveys and follow-up interviews, **common areas of need will be identified**, clearly defined **and prioritized**. The highest-priority needs will be selected for focus, and project teams will be assembled to advance toward meeting those needs.

Desired Goals and Outcomes

- **Review** appropriate and available **data** to determine priority software needs in Nebraska.
- **Create a process** for prioritizing, evaluating options, testing, deployment, ongoing evaluation and ultimate sustainability / decommissioning for state-wide enterprise-level software solutions.

- **Develop a governance structure** to support the process and ensure strategic investment in innovative projects.
- **Use the process** to select and implement two or more projects.
- **Evaluate and revise** the process based on the experience of the project implementations.

Authority

The Software Innovation Network, also known as the Equitable Access and Digital Resources Innovation Network is chartered by the Nebraska Department of Education (NDE).

Representatives serve on behalf of their organizations and communities of practice to provide input to the Network leadership and stakeholders to shape the way our education system specifies, evaluates, acquires and uses software and related resources to improve teaching and learning.

Membership

The Network's leadership and project teams will broadly represent the K-12 education community in Nebraska. For purposes of this Network, a leadership team will assist in advising the work of the Network. In addition, district and ESU's may submit an application to participate in the work of the Network.

Leadership Team: The ESUCC Technology Director will serve as the chair and Network Manager. Members of the leadership team will be representative of the education system and provide opportunities for coordination and strategic priorities. Members selected of the leadership team represent nominated, recommended, or volunteers to reflect the diverse needs desired to support the system.

Leadership team membership will include the following representative groups including Educational Service Units (ESUs) and school districts:

- Technology director
- Technology integration
- Professional Learning
- Administration
- Digital Learning / Learning Engineer
- Special Education
- NDE
- Cooperative Purchasing
- Instructional materials
- Network Nebraska
- Network director - ESUCC Technology Director
- NDE Information Services Officer

Meetings and Timeframe

The ESUCC Technology Director (Network director) or designee will chair each leadership team meeting and attend project team meetings. Project teams will be formed by the leadership team to manage and track project work.

Leadership team meetings will be at minimum bi-monthly and more frequent as the Network is formed and starts its work, scheduled by the Network director and leadership team members. The meeting agenda will be determined by the Network director with input from leadership members. Meetings may be face-to-face or via video conferencing.

At the end of each fiscal year in June or more frequently as needed, the Network director and leadership team will evaluate the effectiveness of the Network and make recommendations to the NDE Information Services Officer for future approaches.

Duration: The initial resources of the Education Innovation Fund provide resources for the Education Innovation Network through June 30, 2021.

2019-2020 Charter Membership Appointments

- Technology director - Bill Pulte, ESU 3
- Technology integration - Craig Hicks, ESU 13
- Professional Learning
- Administration
- Digital Learning / Learning Engineer
- Special Education
- NDE
- Cooperative Purchasing
- Instructional materials
- Network Nebraska
- Network director - Scott Isaacson, ESUCC Technology Director
- NDE Information Services Officer - Dean Folkers

Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the

agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if: (a) Reasonable advance publicized notice is given; (b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used; (c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference; (d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and (e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing. Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if: (a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county; (b) Reasonable advance publicized notice is given which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section; (c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, or entity or pool or at a place which will accommodate the anticipated audience; (d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used; (e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call; (f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; (g) The telephone conference call lasts no more than five hours; and (h) No more than one-half of the board's, council's, governing body's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call. Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified Daily Documentation 1st Quarter in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers

and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; (f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and (g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

2017-2026 STRATEGIC VISION AND DIRECTION

Nebraska State Board of Education and Nebraska
Department of Education

12/02/16

Nebraska State Board of Education

The State Board of Education is an elected, constitutional body that is the policy forming and evaluative body for the state school program (79-301 (2) R.R.S.) in addition to ensuring the State Department of Education functions effectively within the framework developed by the state Legislature and the Board. The Board is elected on a non-partisan ballot, with one member from each district. Board members serve four-year terms.

District 3: Rachel Wise, President
District 1: Lillie Larsen, Vice President
District 2: Glen Flint
District 4: John Witzel
District 5: Patricia Timm
District 6: Maureen Nickels
District 7: Molly O 'Holleran
District 8: Patrick McPherson

Nebraska Department of Education

The Nebraska Department of Education (NDE) is a constitutional agency comprised of services, programs, Vocational Rehabilitation (Nebraska VR), and Disabilities Determination Section (DDS). The NDE operates under the authority of an elected State Board of Education (Board) and the Commissioner of Education (Commissioner). The NDE is organized into teams that carry out the duties assigned by state and federal statutes and the policy directions of the Board. Teams are organized around distinct functions and responsibilities that encompass leadership and support for Nebraska's system of early childhood, primary, secondary, and postsecondary education; direct services to clients; and internal support to the agency.

The NDE carries out its duties on behalf of Nebraska students and parents involved in public and nonpublic school systems. The NDE staff interacts with schools, parents, businesses, community partners, and institutions of higher education to develop, coordinate, and improve educational programs and services.

Commissioner of Education: Matthew L. Blomstedt, Ph.D.

Strategic Vision and Direction – 2017-2026

Introduction

In January of 2016, the Board and the NDE initiated the development of a Strategic Plan to guide the vision and direction of education in Nebraska for the next ten years. Nebraska's Strategic Plan to be known as **Nebraska Quality Education Systems for Today and Tomorrow (NEQuESTT)** represents the evolution of a philosophical and practical approach to supporting education in Nebraska. This commitment unifies and strengthens positive outcomes for each and every Nebraskan through bold and achievable goals. **NEQuESTT** not only outlines the critical needs and strengths within the system, but also reflects innovative approaches to ensure each Nebraskan has equitable access to opportunities and are ready for success in postsecondary, career, and civic life. **NEQuESTT** is the educational journey that puts forth a new vision and bold agenda for the system of education in Nebraska. This vision will require new and different ways of working together, stretching beyond the status quo, and engaging stakeholders through collaborative processes. The strategic plan defines a direction for accountability and a system of services and supports without losing sight of the importance of ensuring compliance with state and federal policies.

NEQuESTT guides the Board and the NDE to address some of the most urgent priorities within Nebraska. With an intentional and comprehensive focus on ensuring a reduction in educational inequities for the most vulnerable populations, this strategic plan directs focus on student- or client-centered outcomes, high quality opportunities, and a strong system of support **for every student, every day**.

NEQuESTT and AQuESTT

NEQuESTT aligns with Nebraska's accountability system, Accountability for a Quality Education System Today and Tomorrow (**AQuESTT**). The six critical tenets of **AQuESTT** holistically address accountability and quality education in Nebraska. Originally designed to meet statutory accountability requirements, **AQuESTT** has quickly grown beyond and guides the NDE and its work.

AQuESTT provides a fundamental focus on achievement and opportunity gaps and ensures strategies produce equitable outcomes for each and every learner. As a result, **NEQuESTT** includes goals with benchmarks that measure disaggregated data to ensure equity and access.

Roles:

In order to support strategic priorities, a suite of approaches is utilized that reflects the nuance of the work and the many stakeholders, systems, and partners that intersect to support a state education system. The various roles are:

Champion - NDE actively leads the strategic vision, goals, and policy direction to support learning, earning, and living by:

- Engaging key stakeholders and partners on emerging needs in the educational landscape and corresponding policy advocacy approach
- Exercising policy leadership and proactively engaging and partnering with the Unicameral and Governor on priority issues
- Advocating for necessary resources to meet needs and/or address issues to execute the vision

Regulator - NDE leverages policy authority to ensure delivery of high-quality, equitable education and services, beyond compliance with state and federal regulations by:

- Assuring access to fair, equitable, and high-quality education and services
- Monitoring school and districts to ensure adherence to regulations and setting expectations beyond compliance for accountability and growth in learning
- Promoting best practices for leadership and using data and resources to ensure effective continuous improvement

Capacity Builder - NDE directs technical assistance and professional development opportunities and promotes the sharing of best practices by:

- Providing technical assistance and professional development opportunities for educators, staff, and community providers
- Actively engaging with priority and needs improvement schools as well as continuing to support the improvement of all schools
- Identifying schools and districts across the state with effective educational practices to gather data on successful practices
- Acting as a facilitator to connect schools to highlight learnings, share lessons learned, and communicate best practices
- Developing, maintaining, and leveraging strong working relationships with education and community partners to extend and enhance capacity across the state

Connector - NDE helps bridge the divide between learning, earning, and living, connecting schools, families, business, and communities by:

- Connecting, convening, and partnering with schools, businesses, out-of-school programs, postsecondary education, state agencies, and community providers to create a more comprehensive approach to education and service delivery
- Supporting other agencies and organizations in active engagement and relationship building amongst individuals, parents, and families

Change Agent - NDE explores and supports promising new innovations by:

- Researching, promoting, and providing support for promising new initiatives and innovations in education across the state and nation (e.g., promising activities in rural areas, blended learning, personalized learning, adult basic education)
- Providing ongoing training, support, and resources to drive the adoption of new practices and to assure implementation

Strategic Direction:

To realize the new strategic vision it can no longer be business as usual.

	FROM	TO
ORGANIZATIONAL STRUCTURE	- Organizational structure primarily oriented around subject area silos - Decision-making authority mostly concentrated in hands of senior agency leadership	- More cross-functional, with collaboration and communication across teams - More distributed decision-making authority, where staff closer to the issue is empowered to make relevant decisions
PERSONNEL & STAFFING	- Staff with very specific skills focused primarily on content knowledge - Traditional focus on regulation and compliance	- Broader staff expertise, including both content knowledge and breadth of experiences (e.g., relationship building, background in business, work with underserved communities) - Focus on leadership, innovation, and learning
STAKEHOLDER ENGAGEMENT	- Sporadic engagement on an as-needed basis - Limited engagement with specific populations or cultural communities	Consistent and tailored stakeholder engagement plans for specific audiences, allowing authentic relationships and dialogue to develop
DATA & SYSTEMS	- Limited publicly accessible data - Focus on accountability and compliance - Cumbersome website	- Readily available data for all stakeholders from an easy to use, up-to-date platform - Focus on performance management - User-friendly website and an online portal with lessons learned and best practices for practitioners

Moving Forward:

The Board has taken into account the multiple roles of the NDE in the development of this strategic plan and in the expectations set forth for the NDE. This recognition is coupled with the expectation of providing quality, equitable support through a multi-faceted system under the charge of the NDE. The shared responsibility of leadership between the Board and the Commissioner includes developing this plan, monitoring goals, and implementing strategies through the NDE's programs and supports for schools, students, systems and clients across the state. The Board carries out this strategic plan through direction to the Commissioner. The Commissioner has the responsibility to build an implementation plan that makes **NEQuESTT** a living document utilizing the aforementioned roles and strategic direction outlined for organizational structure; personnel and staffing; stakeholder engagement; and data and systems.

The strategic plan is multi-layered.

Operational Approach:

NEQUESTT provides a framework for measuring multiple levels and processes to ensure success through standard, quantifiable metrics, artifacts, and evidence-based analyses utilizing a three-tiered approach:

- **NDE Accountability** – Process, regulations, support, interagency collaboration, data systems, fiscal responsibility, and evaluation
- **Service Accountability** – Quality and success of services provided by the agency
- **District and School Accountability** – School and agency progress and improvement

Strategic Priorities, Outcomes, and Goals:

The Board and Commissioner will regularly review these goals as organized by the strategic priorities and outcomes. The NDE goals will include Commissioner and Board activities necessary to build the department's system of accountability and support for services and schools. The NDE will track progress on these goals and other metrics required by state and federal law. The Commissioner will annually report progress on these goals and other measures to report progress and performance to the Board.

Implement, Monitor, and Evaluate:

The Board and the Commissioner share the responsibility to:

- champion and lead the strategic vision and goals.
- serve as change agents and capacity builders.
- ensure progress on the strategic priorities.

The Board and the Commissioner will be responsible for implementing this plan including the development of strategies, and activities, and monitoring on an annual basis. A review will be presented by the Commissioner and appropriate NDE personnel annually or as directed. An objective external review of **NEQUESTT** will be conducted by an impartial third-party reviewer two years after adoption and thereafter as determined by the Board with results being presented to stakeholders.

MISSION	To lead and support the preparation of all Nebraskans for learning, earning, and living	
GUIDING PRINCIPLES	NDE will: ▪ Create a dynamic vision that drives change through proactive leadership to support learning; ▪ Build connections amongst stakeholders to take action in support of success for all learners; ▪ Provide all Nebraskans significant opportunity to receive fair, equitable, and high-quality education and services to close achievement gaps; ▪ Allow all learners to achieve their fullest potential in transitioning through phases of school and into civic life; ▪ Ensure all educators are effective in instructional strategies and monitoring student progress using multiple measures of proficiency; and ▪ Prepare all learners to be college, career, and civic-ready.	
	STRATEGIC PRIORITIES	Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life
OUTCOME STATEMENTS	Leadership Provide leadership and high quality services in processes, regulations, interagency collaboration, data systems, fiscal responsibility and evaluation that enhance the success of educational systems in Nebraska.	
	Success, Access, and Support Positive Partnerships and Student Success – Increase student, family, and community engagement to enhance educational experiences and opportunities. Transitions – Provide quality educational opportunities for student success through transitions between grade levels, programs, schools, postsecondary institutions, and careers. Educational Opportunities and Access – Ensure that all students have access to comprehensive instructional opportunities to be prepared for postsecondary education and career. Teaching, Learning, and Serving College, Career, and Civic Ready – Ensure every student upon completion of secondary education is prepared for postsecondary education, career, and civic opportunities. Assessment – Use assessments to measure and improve student achievement and inform instruction. Educator Effectiveness – Assure that students are supported by qualified/credentialed, effective teachers and leaders throughout their learning experiences.	

Leadership

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Provide leadership and high-quality services in processes, regulations, interagency collaboration, data systems, fiscal responsibility, and evaluation that enhance the success of educational systems in Nebraska.

- Goal 1.1** By 2018, the NDE will be organized through personnel and processes to provide leadership in school support systems, regulations, interagency collaboration, data systems, fiscal responsibility, and evaluation that will enhance the success of educational systems in Nebraska.
- Goal 1.2** By 2018, the Board and Commissioner will have a process in place to evaluate and ensure timely, high-quality services and systems of support provided by the Nebraska Department of Education.
- Goal 1.3** By 2020, 100% of teachers, service providers, school leaders and local school board members will have access to quality professional learning opportunities through an NDE facilitated professional learning directory.
- Goal 1.4** By 2020, the NDE will collaborate with the Governor, Legislature, postsecondary institutions, and the Educational Service Units (ESUs) to create a uniform process to align dual credit opportunities for students across the state.

Success, Access, and Support

Positive Partnerships, Relationships, and Success

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Outcome Statement: Increase student, family, and community engagement to enhance educational experiences and opportunities.

Goal 2.1 By 2019, the NDE will develop a system to regularly engage and survey clients, schools, and stakeholders to gather input, and measure engagement and satisfaction.

Goal 2.2 By 2026, the dropout rate of all Nebraska students including subgroups will be less than 1%.

Goal 2.3 By 2026, 100% of Nebraska schools will have all students in grades 7-12 create and utilize a personal learning plan.

Goal 2.4 By 2026, there will be a reduction in the percentage of students who are absent more than 10 days per year from 27.46% to 15%.

Success, Access, and Support

Transitions

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Outcome Statement: Provide quality educational opportunities for student success through transitions between grade levels, programs, schools, postsecondary institutions, and careers.

- Goal 3.1** By 2018, a baseline and benchmarks will be developed to track all students with a disability having access to participate in career counseling, explorations, self-advocacy training, and work-based learning experiences.
- Goal 3.2** By 2026, the 4-year cohort graduation rates for all Nebraska students will be greater than 92% and not less than 85% for any one subgroup.
- Goal 3.3** By 2026, the 7-year cohort graduation rates for all Nebraska students will be greater than 95% and not less than 90% for any one subgroup.
- Goal 3.4** By 2026, 100% of Nebraska schools will fully implement a systematic process for supporting the needs of highly-mobile students.

Success, Access, and Support

Educational Opportunities and Access

Strategic Priority: Ensure that all Nebraskans, regardless of background or circumstances, have equitable access to opportunities for success.

Outcome Statement: Ensure all students have access to comprehensive instructional opportunities to be prepared for postsecondary education and career.

Goal 4.1 By 2020, NDE will develop a statewide digital course and content repository.

Goal 4.2 By 2026, 85% of all Nebraska students, upon graduation from high school, will have completed Advanced Placement coursework, earned dual credit and/or obtained industry certification.

Goal 4.3 By 2026, 95% of Nebraska elementary schools would be able to identify at least one high-quality early childhood educational program accessible to all of the school's resident preschool age population.

Teaching, Learning, and Serving
College, Career, and Civic Ready

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Ensure every student upon completion of secondary education is prepared for postsecondary education, career, and civic opportunities.

- Goal 5.1** **By 2018, the State Board will adopt a comprehensive approach to define and measure civic readiness.**
- Goal 5.2** **By 2020, all Nebraska elementary schools will provide evidence-based interventions for any students not on grade level in reading and/or math.**
- Goal 5.3** **By 2026, 100% of Nebraska schools will provide all students with a program for career awareness, exploration, and preparation.**
- Goal 5.4** **By 2026, at least 50% of all Nebraska high school students from any given cohort year, will have earned a college degree, credential, or certificate within five years of graduating from high school.**

Teaching, Learning, and Serving

Assessment

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Use assessments to measure and improve student achievement and inform instruction.

- Goal 6.1** By 2018, utilizing baseline data from the ACT, long-term goals will be developed for 11th grade achievement, including goals for subgroups.
- Goal 6.2** By 2018, the NDE will implement an assessment system to measure achievement and growth in grades 3-8 that meets the requirements of federal and state law and is timely for instructional purposes.
- Goal 6.3** By 2026, the percent of Nebraska students in grades 3-8 and 11 proficient in reading will increase from 79% to 89%.
- Goal 6.4** By 2026, the percent of Nebraska students in grades 3-8 and 11 proficient in math will increase from 72% to 82%.
- Goal 6.5** By 2026, the percent of Nebraska students in grades 3-8 and 11 proficient in science will increase from 72% to 82%.

Teaching, Learning, and Serving

Educator Effectiveness

Strategic Priority: Increase the number of Nebraskans who are ready for success in postsecondary education, career, and civic life.

Outcome Statement: Assure students are supported by qualified/credentialed, effective teachers and leaders throughout their learning experiences.

Goal 7.1 By 2018, NDE will develop and implement a statewide teacher equity plan.

Goal 7.2 By 2020, 100% of Nebraska schools will utilize performance standards and a research-based evaluation system for all certificated staff as aligned to Rule 10.

Goal 7.3 By 2022, 100% of Nebraska schools will be staffed by teachers who have or are actively pursuing a teaching certificate with the appropriate endorsement for the subject(s) and grade level(s) of the course(s) being taught.

ACKNOWLEDGMENT

The Nebraska State Board of Education and the Nebraska Department of Education give special thanks to the many partners who have provided input in the development of this strategic plan. We also recognize and appreciate the grant support of the Peter Kiewit Foundation and the Sherwood Foundation. The NDE is excited to continue collaboration in leading and supporting the preparation of all Nebraskans for learning, earning, and living.

2020 NDE Transition Conference

February 18-19, 2020 | Kearney, NE

AT A GLANCE AGENDA

Dream It! Plan It! Do It!

AT A GLANCE AGENDA

TUESDAY, FEBRUARY 18

7:30 Check In: Registration and Pre-Function Area
 8:30 Welcome: Amy Rhone, Assistant Director of Special Education, NDE, Crystal 3-4
 8:45 Keynote: Anthony Ianni, *Relentless: Dreams, Goals and Aspirations*, Crystal 3-4
 10:00 Break: Crystal 2
 10:15 Concurrent Sessions A

Diamond 1	Diamond 2	Diamond 3	Diamond 6	Diamond 7
<i>The Mysterious Functional Vocational Evaluation (This session is repeated in Concurrent Sessions B)</i>	<i>Using Assessment to Guide Transition Planning - Part 1</i>	<i>Improving Post School Outcomes with CTE Collaboration & Resources</i>	<i>The Young Adult Transition Plan of the IEP</i>	<i>Integrating Assistive Technology Meaningfully Into a Student's Transition Plan (This session repeated on Wednesday)</i>
Leena Landmark and Vickie Mitchell, The Eleanor and Charles Garrett Center for Transition and Disability Studies at Sam Houston State University	Pam Brezenski, ESU 13; Amy Slama, ESU7	Donna Hoffman & Therese Marzouk, NDE	Sandra Peterson, PTI-NE	Brian Wojcik, NE ATP

11:45 Lunch: Crystal 3-4
 12:15 Luncheon Panel: *Successful Worksites: What Employers are Doing*, Crystal 3-4
 1:00 Concurrent Sessions B

Diamond 1	Diamond 2	Diamond 3	Diamond 6	Diamond 7
<i>The Mysterious Functional Vocational Evaluation (This session is repeated from Concurrent Sessions A)</i>	<i>Using Assessment to Guide Transition Planning - Part 2</i>	<i>Why are Fun and Games on the IEP?</i>	<i>Supported Decision Making – An Alternative to Guardianship</i>	<i>Learn how a school district can implement a job site in your community and the pieces you need to be successful</i>
Leena Landmark and Vickie Mitchell, The Eleanor and Charles Garrett Center for Transition and Disability Studies at Sam Houston State University	Pam Brezenski, ESU 13; Amy Slama, ESU 7	Lou Cox-Fornander & Megan Lantis, ESU 16	Mary Phillips, ESU 6	Tonya Jolley, Lincoln Public Schools

2:00 Break: Crystal 2
 2:15 Concurrent Sessions: C

Diamond 1	Diamond 2	Diamond 3	Diamond 6	Diamond 7
<i>Round Table Discussion Ready Tool; Along the Way, COPS Assessment, Common Grounds; Rural Business Partners</i>	<i>Changing Demographics and the Complexity of Cultural Perspectives</i>	<i>Strengthening the Process and Engaging the Team</i>	<i>Understanding the Process for Adult Services Applications</i>	<i>Building Your Team's Capacity: What is Out There</i>

Constance Wickham:	Present

1. Call to Order

Notice to visitors: To be heard at this meeting, the "Request to be Heard" form, must be completed and submitted to the Secretary to the Executive Director of ESUCC. The President of the Board of ESUCC will call upon visitors wishing to address the Board in the order they were submitted or by subject.

Pursuant to Section 84-1411 of the Nebraska Statutes, notice of this meeting was given by advertisement on the ESUCC website, NE Public Meeting site and host site.

Open Meetings Law: Pursuant to Section 84 - 1412 of the Nebraska Statutes, the public is hereby informed that a current copy of the Nebraska Open Meetings Act is posted in this meeting room.

Closed Session:

The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

Call to order at 1:45PM.

Staff: Kraig Loquist, Deb Hericks, Priscilla Quintana, Scott Isaacson

Guest: Russ Masco

2. Roll Call

3. Agenda Item

3.1. MSA 2020-2021

Executive Director shared the updates to the verbiage to the MSA. There are items that are not optional and some that you can choose to participate.

3.1.1. PDO/Affiliate Budget Requests

Review of PDO budget requests for the MSA for PDO and ESPD.

3.1.1.1. ESPD Budget Request 2020-2021

ESPD would highly recommend the approval of their \$1000 budget request to be able to have KSB School Law attend their meetings.
Change ESPD budget to reflect \$2000.

3.1.1.2. SDA Budget Requests 2020-2021

3.1.1.3. PDO - September 8-9, 2020 - Visible Learning Quote

3.1.1.4. PDO Fees - 2020-2021

3.1.2. SRS Fees and Tier Structure
Participation Fee is \$5,500.

2019-2020 2020-2021 Tier

\$166	\$174	<100
\$430	\$452	100-249
\$858	\$901	250-499
\$2,576	\$2,705	500-999

\$3,435	\$3,607	1000-1999
\$4,293	\$4,508	2000-3999
\$8,584	\$9,013	4000-17999

Executive Director shared the costs for SRS fees for the MSA.

3.2. Special Populations

3.2.1. NeSoc Opportunity - 2020 Trauma Training Dates

Nebraska Resource Project for Vulnerable Young Children

Many children entering the child welfare system have experienced trauma.

You can learn how to identify this trauma and how to respond appropriately in our free training, Understanding and Screening for Trauma in Young Children.

This three-hour training covers:

- *The impact of trauma*
- *Practice completing a trauma screen*
- *What's in a trauma assessment*
- *What treatments work*

These free trainings are scheduled throughout the year and all over the state, so sign up today!

2020 Trauma Training Dates:

March 27th, 2020 | 9am - 12pm MT | Scottsbluff
 July 9th, 2020 | 9am - 12pm CT | Lincoln
 September 25th, 2020 | 9am - 12pm CT | McCook
 December 3rd, 2020 | 9am - 12pm CT | Omaha

Questions? Contact Madeline DeVeeney by [email](#) or at (402)472.8881.???????

3.2.1.1. Trauma Focused - Cognitive Behavioral Therapy Training

3.2.2. NDE Special Education Update

Steve Milliken will be moving to Deputy Commissioner position. His position is currently posted.

3.2.2.1. Friday Newsblast - January 17, 2020

2020 NDE Transition Conference - February 18-19

Upcoming 2020 NDE Transition Conference! There will be wonderful keynote speakers and variety of valuable break-out sessions, including a new strand of sessions addressing parent concerns. Registration is now open! Please spread the word and share. See the attached flyer for info and registration.

Early Childhood Research

In the age of electronics, it's important to keep the following research in mind. "Differences in Parent-Toddler Interactions with Electronic Versus Print Books" <https://tinyurl.com/rv468w2>

Stay warm, stay safe.

Steve and Amy

3.2.2.2. Friday Newsblast - January 24, 2020

NeMTSS

Attached is the NeMTSS Winter 2020 Newsletter! There are so many amazing things happening in NeMTSS. Please contact Amy Rhone at amy.rhone@nebraska.gov with any questions.

Webinar on Seclusion and Restraint Offered by U.S. Department of Education

Last week, the Office of Civil Rights (OCR) and Office of Special Education and Rehabilitative Services (OSERS) posted an informative webinar, *Students with Disabilities and the Use of Restraint and Seclusion in K-12 Public Schools*.

The webinar, which shows how federal laws apply to the use of restraint and seclusion, is available to the public and offered as a technical resource to states, districts and others to support students with disabilities and those serving them. View the webinar [here](#).

Nebraska School Mental Health Conference - Registration is open

The conference is scheduled for June 4-5 at the Embassy Suites in La Vista. Click here to [register](#).

Transition

Conference

We are inviting educators and parents of transition age students with disabilities to attend our upcoming Transition Conference scheduled for February 18-19 at the Younes Conference Center in Kearney, NE. This year's theme is Dream It! Plan It! Do It! Please see the attached post card with registration information and the Conference At A Glance listing the conference sessions.

Have a great weekend! Be safe and stay warm.

Steve and Amy

3.2.2.3. Friday Newsblast - January 31, 2020

Office Administrator Special Education Position

As you are probably aware, Steve Milliken will be stepping down from his position as Administrator for the Office of Special Education, but will remain with NDE as Deputy Commissioner for the Student & Client Success & Services Division.

If you or anyone you know, are interested in applying for this position, information will be available at the State Jobs website later this afternoon. Please use this [link](#) to access the website.

Part B Parent Survey

The Parent Survey for the 2019-2020 school year will open on ***February 1st*** and close on ***May 1st***. This will allow ample time for districts to use all avenues to obtain responses from parents—parent teacher conferences, IEP meetings, and any other means of providing access to the survey by the parent.

If it is your survey year, your special education director or superintendent will receive a unique link from NDE Research and that specific link. Your district will use that link for submission of surveys. Please note that parents do need to have access to paper and pencil versions as well and Spanish will be available as needed.

If you have any questions, please don't hesitate to contact me. Contact Robyn Gonzales (402-440-1651) Robyn.gonzales@gmail.com

Special Education Post-School Outcomes- Open ***January 27***, Due Date: ***February 28***

The report for submitting contact information for students with a disability who exited special education in 2018-2019 school year is located on the NDE Portal under the Data Collection tab. Accurate student contact information will assure your students will be contacted and included in this required Post School Outcome collection. Please be sure to scroll down on the report to enter each student's contact information as indicated. This collection is considered for each school district's annual federally required "determination".

Physical Education Guidance for Individuals with Disabilities

In a collaborative effort between the Office of Special Education and the Office of Teaching, Learning, and Assessment the "Physical Education for Individuals with Disabilities - A Guide for Best Practices" was developed. The writing team of Nebraska education professionals worked collaboratively to create this guidance that provides best practice information, as well as, resources for program development in physical education for individuals with disabilities. You can access this guide through either of the links below. A PDF version is also *attached*.

<https://cdn.education.ne.gov/wp-content/uploads/2020/01/PE-for-Individuals-with-disabilities->

[Guide-FINAL.pdf](#)

SPED Summer Transition Programs

The Nebraska Department of Education, Office of Special Education, is releasing the application for SPED Summer Transition Programs (Previously, Nebraska VR Summer Programs). Please see *attached* SPED Summer Transition Programs RFP.

The Nebraska Department of Education - Office of Special Education requests proposals for the development and implementation of innovative short-term programs to provide career exploration and personal development opportunities for transition students with disabilities during the summer of 2020. Funding is contingent upon the availability of federal dollars. The Office of Special Education intends to establish a cooperative agreement with a limited number of qualified applicants for a period of up to 4 months (May 2020 - August 2020) to provide supports through a summer project for students with disabilities, aged 14-21 years, to be enrolled in school during the 2020-2021 school year that would align with their post-secondary goals and pre-employment transition services being offered throughout the school year.

Request for Proposal Schedule

Notice of Request for Proposals: January 31, 2020

Pre-proposal Meeting by Zoom: March 3, 2020

Proposal Due Date: March 16, 2020

Notification of Selected Proposals: April 15, 2020

MSLBD Conference Kansas City

The annual **Midwest Symposium for Leadership in Behavioral Disorders** will be held February 27-29 in Kansas City. It provides a discussion of issues, controversies, methods, and strategies of interest to professionals working with students with emotional/behavioral and mental health needs. Four TED Talk like short keynote speeches address "cultivating passion for a sustained career", and fourteen half day workshops and other presentations address a range of topics for educators working with students with behavioral needs. For information: <https://mslbd.org/symposium-conference/>

A New Free Magazine- *ReThinking Behavior*

ReThinking Behavior is a new free, online only magazine for educators intended to provide support and affirmation to those who work with students with emotional, mental health or behavioral needs. It presents personal stories of educators, parents and youth, as well as current information about practice, policy and research in serving youth with behavioral needs. *ReThinking Behavior* is a magazine and not a research journal, published three times per year by the Midwest Symposium for Leadership in Behavior Disorders which sponsors two annual conferences. Articles are written in a non-technical, readable style.

The most recent issue is available at: <https://tinyurl.com/w7sd84z> and includes an article by Matt McNiff.

(Email addresses are not shared with anyone else.)

The weekend looks to be nicer than we've seen in a while. Enjoy the warmer weather!

Steve and Amy

3.2.3. ESPD Report

ESPD Chair shared updates. Not much new to report. The ESPD group is relying on each other for better collaboration to include creating videos, etc. Working to break down the reading improvement act to see how it relates to SPED. Beginning to plan the NASES meeting and legislative work. LB147 - looking at NCSA stance on this bill. Still some concerns in the SPED world but working adapt to

3.2.4. Behavioral Health

3.2.5. SRS Staff Report

Technology Director was present to share updates. Team continues to address fixes and improvement to the system. Working on ADVISER errors/bugs in the system. They are also improving their help desk experience. Have been releasing updates almost weekly. Helpdesk tickets continue to decline. They have been able to respond to tickets more quickly. Last Friday, started a series meeting with the SRS Advisory committee to go over updates/feedback in the field. Sub-set of that team are beginning to discuss how to address 504 plans in the system. Different areas where there is incomplete areas, working to put a list on the administrators front page of notifications. There is word that some districts may be leaving this summer and discussed the impact and how they can improve the communications with schools.

3.3. PDO (Professional Development Organization)

January PDO data was positive. Mental Health focus was popular. Having the student voice present was great.

3.3.1. PDO Meetings

3.3.2. NDE Updates

Russ Masco was present to share updates. February focus was mainly snippets from the January PDO. Discussion regarding the process that is being created for Rule 84 Joint Decision Making Process. Leadership/Educator Effectiveness, Continuous Improvement, and Instructional Materials are the three main action plans. Where is the data that leads us to making decisions?

3.3.3. Monthly Talking Points

3.3.4. High Quality Instructional Materials Fellowship

4. Next Meeting Agenda Items

5. Adjournment

Meeting adjourned at 3:45PM.

ESUCC Educational Resources

SRS Update

Scott Isaacson
February, 2020

The team continues to address fixes and improvements to the system, especially in the areas of ADVISER reporting, bugs in completing forms, and improving helpdesk response times. The team has released 13 fixes into the live system since our last board meeting. Helpdesk tickets are down, with 141 currently open. January 31, 2020 was the first in a pattern of short monthly check-in calls with the advisory team between their quarterly full-length meetings. A few key user representatives are beginning to meet this week to plan for adding 504 plan support to the SRS application. Another key enhancement coming will be an administrative dashboard or checklist to help administrative users see a concise list of problems such as errors reporting students to ADVISER, expired forms, or incomplete data.

Karen Flories

karen.flories@corwin.com

Karen is a full-time Professional Learning consultant for Corwin. In her role, she works with teachers and leaders across the nation to understand the Visible Learning research and use it as a guide to inform decisions about what best impacts student learning. Karen also facilitates professional learning centered on teacher clarity and formative assessment, and works hands on with teachers and leaders to drive learning at surface, deep and transfer levels. Prior to her role with Corwin, Karen was the Executive Director of Educational Services for 5 years and Director of Literacy and Social Studies in VVSD for 2 years, after serving as the English Department Chair for Romeoville high school. Karen's classroom experience includes high school English, special education, and alternative education. During her time at the district level, Karen led the implementation of Visible Learning as well as development on sound assessment practices and design. As a result, the district has seen steady gains in both English Language Arts and mathematics for the past four years. Karen's presentation style is highly engaging and focuses on participants being able to understand and apply specific practices in their school or classroom based on solid evidence.

January 29, 2020

Investment and Timeline**NE - ESUCC - Visible Learning - September 8-9, 2020**

Currency: US Dollar

Resources	Author	Unit Price	Quantity	Discount	Resources Price	Total Price
Foundation Day						\$5,000.00
9/8/2020: <u>Karen Flories</u> - \$5,000.00

Foundation Day Resource Guide						
		\$22.00	120.00		\$2,640.00	\$2,640.00
Mindframes for Success Resource Guide						
		\$22.00	120.00		\$2,640.00	\$2,640.00
Estimated Shipping						\$244.95
TOTAL						\$15,524.95

- Pricing for Consulting Service Days are inclusive of all travel expenses.
- Investment above includes an estimate of Shipping Fees for books and resources and may vary based on rates that are applied at the time the order is shipped. A separate PO for books and resources will be requested and are required without a signed contract. Resources and books will be invoiced separately from professional development services. Books and resources will be shipped approximately 30 days prior to engagement; please notify Corwin with specific delivery requests. Expedited shipping will apply should the client request it.
- Copying and distribution of any handouts is the Client's responsibility.
- Consultant will hold above date(s) on his/her calendar for 30 days, at which time he/she may need to release the hold for another Client. Corwin recommends moving to contract within 30 days, if possible, so as to secure this date on his/her calendar.
- All payments indicated above are exclusive of all federal, state, local and foreign taxes, levies and assessments. The Client will be responsible for the payment of all such taxes, levies and assessments imposed by any taxing authority, and taxes will be included at the time of invoice; tax exempt form should be included with PO and signed contract, if applicable.
- This proposal for services is intended to be a working document and is subject to change based on client needs.
- For any Survey product, Corwin will send a link for Customer to complete a survey and Customer has two (2) weeks to complete the survey in order for Corwin to generate a report for Customer. If Customer does not complete the survey within the two-week period and/or if less than five (5) survey responses are received, the survey will be considered invalid/incomplete and the related survey Product will be forfeited and no refunds or credits will be granted.
- Evaluation Services including Surveys and Assessments will be billed upon the delivery of the Client's subsequent report.

Overview

Philosophy

The philosophy of the Nebraska Department of Education (NDE) is to assist districts and educators with providing educational equity among all students. An appropriate physical education program ensures that individuals with disabilities have access to a program that enables them to achieve the same goals in physical education as their peers without disabilities. Students identified by an individualized education program (IEP) team who do not meet [age appropriate curricular benchmarks](#)¹ should be provided the necessary supplementary aids and support services in the least restrictive environment. Instruction, equipment, activity rules, and the environmental set-up should be modified as necessary to provide an appropriate, safe, and comfortable educational setting.

Purpose

The purposes of this document are to provide parents, adapted physical education teachers, physical education teachers, special education teachers, and administrators the following:

1. Adapted Physical Education best practice information that includes:
 - Compliance with federal and state laws and regulations.
 - NE adapted physical education service delivery options.
 - Collaboration for plans, procedures and program development.
2. Adapted Physical Education resources for program development that include:
 - Sample goals and objectives.
 - Suggested assessment and evaluation tools.
 - Skills progression, modifications and adaptations.

Adapted versus Adaptive

Adapted physical education is the proper term, used in federal and state guidelines and in all current major texts, journals, and Internet sites in the field. The basic idea is that service delivery is adapted, while behaviors are adaptive. The program is adapted to meet the needs of each student through modifications and accommodations. The student is not required to adapt to the conditions of the program as would be implied with adaptive physical education.²

Rationale for Quality Physical Education Programs

Physical activity (PA) provides many health benefits beyond increased physical fitness. Research shows regularly engaging in physical activity reduces risk of chronic diseases, lowers tension and anger, reduces anxiety and depression, and builds self esteem alongside social skills. According to the 2014 [Health and Academic Achievement Report](#)³ from the CDC, key evidence also includes:

- Students who are physically active tend to have better grades, school attendance, cognitive performance and classroom behaviors (pp. 24-30).
- Higher physical activity and physical fitness levels are associated with improved cognitive performance among students (pp. 30-35).
- More participation in physical education class has been associated with better grades, standardized test scores, and classroom behavior among students (pp. 36-39).
- Increased time spent for physical education does not negatively affect students' academic achievement (pp. 2,32).

Physical Education, as defined by the Society of Health and Physical Education (SHAPE) America, provides a planned, sequential, K-12 standards-based program of curricula and instruction designed to develop motor skills, knowledge and behaviors for healthy, active living, physical fitness, sportsmanship, self-efficacy and emotional intelligence. The standards ([Nebraska](#)⁴ and/or [National](#)⁵) are used to assist with modifications and adaptations within physical education for all ability levels. Physical education develops a physically literate individual who has acquired the skills necessary to participate in a variety of PA, is regularly physically active, knows the implications and benefits of involvement in various types of PA, and values PA and its contributions to a healthy lifestyle.

SHAPE America identifies a well-designed physical education program:

- Meets the needs of all students;
- Keeps students active for most of physical education class time;
- Teaches self-management;
- Emphasizes knowledge and skills for a lifetime of physical activity; and
- Is an enjoyable experience for all students.

Laws & Regulations

Federal and state laws and regulations define special education and physical education, as well as, provide guidance on the delivery of physical education to students with disabilities. These laws and regulations protect and ensure the rights of children with disabilities to receive a free appropriate public education, based on individual needs and appropriate related services, in the least restrictive environment.

Federal Law

[IDEA - Individuals with Disabilities Education Act, 2004](#) ⁶

Special education is defined as:

- specially designed instruction, at no cost to parents, to meet the unique needs of a child with a disability
- includes instruction conducted in the classroom, home, in hospitals and institutions, and in other settings
- and **instruction in physical education**.

Physical education is the development of:

- Physical and motor skills
- Fundamental motor skills and patterns
- Skills in aquatics, dance, and individual and group games and sports
- Special physical education, **adapted physical education**, movement education, and motor development

[Section 504 of the Rehabilitation Act of 1973](#) ⁷

No otherwise qualified individual with a disability in the United States... shall solely by reason of her or his disability, be **excluded** from the participation in, be **denied** the benefits of, or be **subjected to discrimination** under any program or activity receiving Federal financial assistance.

[Americans with Disabilities Act, 1990](#) ⁸

Prohibits discrimination against qualified individuals with disabilities **in all programs, activities, and services of public entities**. It applies to all state and local governments, and any other instrumentalities or special purpose districts of state or local governments.

⁶ Individuals with Disabilities Education Act. <https://sites.ed.gov/idea/regs/b/b/300.108>

Nebraska Law

Rule 51⁹

Special education services, specially designed if necessary, must be made available to every child with a verified disability receiving a free, appropriate public education, unless the school district or approved cooperative enrolls children without disabilities and does not provide physical education to children without disabilities in the same grades.

- Each child with a verified disability must be afforded the opportunity to participate in the **regular physical education program** available to nondisabled children unless the child is enrolled in a separate facility or the child needs specially designed physical education as prescribed in the child's IEP.
- If **specially designed physical education** is prescribed in a child's IEP, the school district or approved cooperative responsible for the education of that child shall provide the services directly or make arrangements for those services to be provided through other public or private programs.
- The school district or approved cooperative responsible for the education of a child with a disability who is enrolled in a separate facility must ensure that the child receives appropriate **physical education services** in compliance with this section.

Options for Students with Disabilities in a Physical Education Setting

Proper placement of students with disabilities is important to a student's overall success in physical education. Placement should always be in the least restrictive environment (LRE). **The least restrictive** environment is the educational placement where a student with a disability is attending classes and learning alongside their non-disabled peers to the maximum extent appropriate. This placement may require the use of supplementary aids and services that enable the student to be educated in the general education classroom. A student should only be placed in a separate learning environment if it is determined by an IEP team, the student is unable to be taught successfully in the general education setting with appropriate support.¹⁰ Student placement is determined by the student's IEP team and not an individual teacher, it is

⁹ Nebraska Department of Education, "Rule 51." Last modified January 2017.

https://cdn.education.ne.gov/wp-content/uploads/2017/10/Rule51_2017.pdf

¹⁰ Least-Restrictive Environment (LRE), Nebraska Department of Education, Published August 2018. Pp. 3.

<https://cdn.education.ne.gov/wp-content/uploads/2017/09/Least-Restrictive-Environment-LRE-Guidance-Document-Aug-2018.pdf>

recommended best practice to include the GPE or APE teacher as part of the IEP team. There are several options available to students depending on their present level of performance, functional performance and needs.

There are some students with disabling conditions, who are not identified as students with disabilities under IDEA, yet are not meeting grade level outcomes set by each local school system. These students may have a Section 504 Plan as defined under the Rehabilitation Act of 1973. The Section 504 Plan should identify the services, supports, accommodations, and/or modifications. These students should be provided additional support to meet grade level outcomes.

It is important to note that many students with disabilities do not require or need adapted physical education services. These students should participate in general physical education and in the required curriculum when appropriate. Below is a description of each method of providing physical education to students with disabilities.

1. **General Physical Education (GPE) is a standards-based curriculum that builds sequentially¹¹ from year to year around grade level outcomes¹. GPE provides varying levels of skill development for the differing abilities (higher or lower) within the traditional range of those grade level outcomes. Participation in this course does not require large scale modifications or adaptations for an individual.**

If a student has a disability that affects their ability to successfully participate in activities in a GPE setting then *they must be verified and the IEP team should determine appropriate services.*

Nebraska Rule 51 states, Physical education services, ***specially designed*** if necessary, must be made available to every child with a verified disability receiving a free, appropriate public education, unless the school district or approved cooperative enroll children without disabilities and does not provide physical education to children without disabilities in the same grades. (92 NAC 007.07C2) Each child with a verified disability must be afforded the opportunity to participate in the regular physical education program available to nondisabled children (92 NAC 007.07C2a) unless: the child needs ***specially designed physical education*** as prescribed in the child's individualized education program. (92 NAC 007.07C2a(2))

¹¹ SHAPE America, "Scope & Sequence for K-12 Physical Education." Last modified 2013. https://cdn.ymaws.com/www.chronicdisease.org/resource/resmgr/school_health/shapescopehart.pdf

GPE with modifications and/or Accommodations such as Paraprofessionals and/or Peer Helpers is a service where students who have disabilities can participate in GPE with adaptations to the activity and/or with the assistance of a paraprofessionals and/or peer helper. If a student with disabilities is in GPE, all of the activity modifications or assistance needed from a teacher's aide should be included in their Individualized Education Plan (IEP). The GPE teacher can refer to the student's IEP, case manager, and APE teacher, if applicable, for questions and support. An example of an accommodation could be, **Peer Model Helper** is a general education student who assists and supports students with disabilities in GPE or self contained APE. With guidance from the teacher, a peer helper encourages the student with a disability and helps them participate in physical activities. The teacher should [prepare the peer models](#) ¹²for a range of disabilities they might encounter in class. The teacher should discuss modifications that will be made for activities to help the peer and the student with the disability be successful.

2. **Adapted Physical Education (APE)** is a direct **service** of special education. It is federally mandated by IDEA and at the state level by Rule 51. APE provides adaptations and modifications to physical education in order to make activities as appropriate for students with verified disabilities as it is for students without disabilities. APE is provided separately from PT/OT to students with disabilities. APE services provide a diversified program of developmentally appropriate activities, games, sports skills, and rhythms. It is suited to the capacities and abilities of the students receiving special education services.

Self Contained Adapted PE is a specially designed, separate class setting that is used for students with disabilities who are not able to participate fully and/or successfully in the GPE setting. This would be included on a student's IEP.

Examples of the delivery of General Physical Education and Adaptive Physical Education combinations would be:

Unified Physical Education is a concept that brings approximately an equal number of students with disabilities and their typically developing peers together in a general physical education setting. A [Unified Physical Education](#) ¹³ course is

¹² Maryland Department of Education, "Adapted Physical Education: A Guide for Serving Students with Disabilities," *Instructional Strategies for Working with Peers Working with Students with Disabilities*. P.21. Published September 2015.

<http://www.marylandpublicschools.org/about/Documents/DCAA/PE/MDAPEStateGuide.pdf>

¹³ Special Olympics, "Unified Physical Education Resources, 2nd Edition." Published July 2019. http://media.specialolympics.org/resources/community-building/youth-and-school/unified-champion-schools/Unifed%20Champion%20School-Unified-Physical-Education-Resources-v2.pdf?_ga=2.87557085.414026992.1565010701-557370348.1547143351

structured around physical education standards and grade-level outcomes. Additionally, the class supports the development of leadership skills for all students as well as the empowerment of ALL students to foster an inclusive class and school-wide environment.

Dual Class Enrollment occurs when students with disabilities are placed in more than one class. These cases are usually students who are able to participate in GPE activities, but it may not be the LRE all of the time. This placement is on a case by case individual basis determined by the IEP team.

Examples when this placement may be appropriate:

- A student has needs that require more practice and skill breakdown than what is available in the GPE setting but is able to participate in GPE activities if given this extra time.
- A student is close to being dismissed from APE services and being introduced to the GPE setting.
- A student with physical skills to be successful in GPE but behaviors impair their ability to be successful in all activities.
- Self contained-APE placement is not available often enough to provide the students with the minutes of APE services on the IEP.

Individualized Instruction focuses on the needs of the individual student. Teaching is specific and targets one need at a time. Individualized instruction is about using teaching strategies that connect with individual student's learning strategies. The ultimate goal is to provide a learning environment that will maximize the potential for student success.

Collaboration of Services

Collaboration of services among all individuals involved is essential to student success. If a district or collaborative does not have an APE specialist then these roles may become the role of the special education teacher and/or the physical educator. The IEP team members, per [Rule 51](#)⁶, are summarized below. See full document for additional roles and details.

The school district or approved cooperative shall ensure and document that each IEP team includes the following: [If the representative cannot attend, other methods shall be used to ensure participation, including electronic communication, individual or conference telephone calls.]

- The parents and/or guardians of a child with a disability,
- Not less than one regular education teacher of the child,
- not less than one special education teacher, or where appropriate, not less than one special education provider of the child,
- a representative of the school district or approved cooperative
- an individual who can interpret the instructional implications of evaluation results,
- Other individuals who have knowledge or special expertise regarding the child, including related services personnel as appropriate.
- Whenever appropriate, the child with a disability.
- For a child attending a nonpublic school, a representative of the nonpublic school the child attends.
- For children receiving services from an approved service agency, a representative of the service agency.
- If the purpose of the meeting is to consider postsecondary goals for the child and the transition services needed to assist the child in reaching those goals. The school district or approved cooperative must invite the child.
 - To the extent appropriate, with the consent of the parents or a child who has reached the age of majority, the school district or approved cooperative must invite a representative of any participating agency that is likely to be responsible for providing or paying for the transition services.
- For a child verified in the category of hearing impairment, an educator endorsed to teach a child with hearing impairments.
- For a child verified in the category of visual impairment, an educator endorsed to teach a child with visual impairments.

Role of the physical educator:

Essential learner outcomes should be the same for all students participating in physical education class. Students with an IEP do not require a separate set of outcomes. A student's IEP team determines if a student's abilities limit independent participation in a GPE class. The role of the adapted/general physical educator is to progress students towards those goals with modifications if needed. These modifications may include equipment, adult support, modified placement, smaller class size integrated with peer models or other modifications deemed appropriate by the student's IEP team.

Responsibilities of the physical educator may include:

- Determination of instructional needs and effectiveness of instruction as part of the IEP process.
- Development of instructional objectives appropriate for the student.

- [Consultation](#)¹⁴ with the parent, nurse, physical therapist, special education teachers, occupational therapist, and classroom teachers to learn about the child's medical condition and physical limitations. Consultation with the adult support staff on roles and responsibilities in the physical education environment.
- Obtaining recommendations from specialists on the student's IEP team concerning proposed activities in order to coordinate the needs of the child with the physical education programs and activities. These specialists may include physical therapy, occupational therapy, speech therapy, teacher of the visually impaired, deaf educator, augmentative specialist, nurse, or others listed on the IEP/MDT.
- Promotion of normal social development and behavioral control for a student's special needs.
- Identify within the district or building who is responsible for scheduling IEP meetings. Adapted/general physical educators will notify them of desired attendance on students that require modifications/adaptations for safe and successful participation in their physical education program. If you are unable to attend the meeting, as per 007.04B2 of Rule 51, an excusal form with a current level of performance is submitted to the IEP case manager prior to the IEP meeting.
- Identify and if needed request access to MDT/IEP's of students that require modifications for safe and successful participation in their physical education program.

Developing Goals and Objectives

IDEA 2004 at the Federal level and Rule 51 at the State level dictate the requirements for development of the Individualized Education Plan (IEP). The Multidisciplinary Team (MDT) identifies the student's needs and the next step is writing goals and objectives which may be specific to the individual's disability but mostly related to the needs of the student identified in the present level of performance. The person responsible for writing the goals may vary from district to district. Ideally the teacher or teachers who will be implementing the instruction should be involved with the development and execution of the goals. *Not all students with disabilities may require or need goals specific to adapted physical education services.* The purpose of this section will be to

¹⁴ Maryland Department of Education, "Adapted Physical Education: A Guide for Serving Students with Disabilities," *Collaboration of Services for Students with Disabilities in Physical Education*. P.87. Published September 2015.

<http://www.marylandpublicschools.org/about/Documents/DCAA/PE/MDAPEStateGuide.pdf>

identify the requirements in writing goals/objectives and provide examples of those goals that could be used at the elementary, middle school and high school level.

IEP Goals

Goal writing roles may vary based on each school district. [IEP goals](#)¹⁵ are determined by the entire IEP team, not one individual.

The goal is derived from an area of difficulty that has been identified and explained in the student's present levels. It should be aligned to National and/or State Physical Education Standards. Goals are written with the S.M.A.R.T acronym in mind. **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime sensitive. IDEA 2004 requires that goals are measurable. The goal should be written for achievement in one year. They should include a situation or given (specific environmental scenario and supports), the task (achievable performance), criteria (method of measure), and outcome (results expected from the goal). The dates for reporting progress will be dictated by each local school system.

Goals...

- Must be specific, measurable, attainable, realistic and timed.
- IEP Goals are reviewed at the student's IEP meeting, and progress must be reported.
- Must have knowledge of the student's present level of performance. This is gained through an assessment of the student's skills and abilities.

Tips for Writing goals

Student centered: Student (name) will develop/demonstrate/improve/increase

Skill centered: Fitness related/ locomotor/object control skill/balance/ coordination/motor planning/ social skills/ leisure and recreation skills/ aquatics skills

Observable Outcome Centered: successful completion may include Percentage, number of successful trials, distance for completion, criterion completed.

User Centered: Anyone should be able to pick up and read the IEP and know what to work on with that student.

Please refer to **Appendix A- Sample IEP Goals** for varying examples of IEP goals for elementary, middle and high school students.

¹⁵ Nebraska Department of Education " Setting Goals...Achieving Results: Nebraska IEP Technical Assistance Guide" Last Modified March 2014.
<https://www.education.ne.gov/wp-content/uploads/2017/07/Setting-Goals-Achieving-Results-3-11-14.pdf>

Assessment vs. Observation for Adapted Physical Education:

Assessment is a vital part of determining a student's needs for adapted physical education services. Assessments measure specific skills and abilities and look for any deficits or impairments. They help ensure that students with disabilities are receiving the most developmentally appropriate physical education program in the least restrictive environment. Observation only allows for the teacher to see the skills that are being used at the time of the observation. Observational results are more subjective than objective in most cases. Administering an assessment using a criterion or norm referenced assessment tool allows the APE teacher to see the student's potential and abilities as well as any deficits or impairments in several areas of physical education. Assessments are necessary to ensure proper services are offered to students, and to properly write IEP goals and objectives for the student receiving APE services. For a list of possible assessments, please see **Appendix B- Commonly Used Assessment Tools**.

Who Administers Assessments?

- If a standardized test is administered it should be given only by those trained in the administration of the test. If there is not an APE teacher available then the GPE teacher can assess the student's skills. If neither is available then the special education teacher can administer assessments.
- Information from the assessment should then be presented to the student's MDT /IEP team to determine proper physical education services in the least restrictive environment and to assist in writing IEP Goals.

Resources for Appropriate Progression, Skills Assessments, Modifications, and Adaptations

Quality physical education involves the physical educator differentiating instruction to meet the needs, interests, and abilities of each individual student. That differentiation might involve the teacher adapting/modifying the content, process, environment, and/or student assessment. Physical educators must be committed and prepared to make appropriate adjustments in the curriculum to meet the unique needs of the learner. Making appropriate modifications to the curriculum to meet individual needs allows for meaningful and relevant experiences provided in a safe and secure environment. The below links are resources to utilize when determining appropriate progression, making modifications and adaptations, and administering assessments.

¹⁶ Baert, Helena, "Fundamental Movement Patterns Skill Cards," 2015.
<https://drive.google.com/file/d/14WWDrd0SDU59ImWkrOtMwMjypcBQ7ZQB/view>

Resources:

- [Fundamental Movement Skill Cards](#)¹⁶
This resource provides teachers with skill cards complete with appropriate progressions, skill assessments, and modifications that can be made based on what the teacher observes. The skill cards also include a QR link to a video demonstration of each skill.
- [Learn. Practice. Play. UNIFIED](#)¹⁷
This resource provides instructional strategies for a unified approach to adapted physical education, including equipment space, game and skill development, and rule modifications. It also includes fundamental movement skill progressions (manipulative, balance, locomotor) and modified activities for sports (soccer, basketball, track and field).
- [Special Olympics Unified Physical Education Resources](#)¹⁸
This resource focuses on a unified approach to physical education with an emphasis on Standards 4 and 5 (leadership and wellness). It also includes a fitness assessment and bocce ball/basketball unit plans.
- [Special Olympics Activity Guide](#)¹⁹
This resource aims at teaching the young athlete. Covered are the fundamental movement skills and progressive sports skills.
- [Teaching, Responding, and Communicating Inclusive Physical Education](#)²⁰
This resource provides teachers with suggestions for adapting activities, modifications for selected activities, communicating with students with disabilities, and helpful hints about teaching materials.
- [Curriculum and Instruction in Adaptive Physical Education](#)²¹
Chapter 10
This resource provides teachers with curriculum guidelines when teaching adaptive physical education. Also included are fitness testing and best practice for different types of exemptions.

Appendix F

This resource provides teachers with grade-level guidelines, categorized by standard.

- [Skill Adaptations and Modifications for Students with Disabilities \(Pages 44-57\)](#)²²

This resource provides teachers with a comprehensive list of skill adaptations and modifications for students with disabilities. Included are both locomotor skills, manipulative skills, rhythmic activities, health-related physical fitness, and postural tone/core stability. Best practices for teaching students with autism is also highlighted.

- [PE Central - Differentiating Instruction for Students with Disabilities](#)²²

This resource focuses on adaptations for specific activities. General suggestions for equipment, boundaries/playing field, time, rules/prompts/cues, and actions are highlighted. Adaptations for bowling, basketball, soccer, volleyball, golf, softball, and tennis are also included.

- [Understanding Adapted Physical Education](#)²³

This presentation takes teachers through all components of adapted physical education; including everything from definitions, assessments focusing on student strengths, creating a positive environment, using appropriate language and terminology, sport modifications, and the process of teaching adaptive physical education. Several additional links to useful resources are also provided in the presentation.

- [Assessment in Adapted Physical Education](#)²⁴

This resource provides teachers with assessment strategies for determining eligibility for adapted physical education. Locomotor, manipulative, body/spatial awareness, and balance skills are covered.

- [Assistive Technology Partnership](#)²⁵

This resource provides equipment, training, and funding for individuals with disabilities and schools. This partnership is between the Nebraska Department of Education and At4All technology company.

Glossary of Physical Education Terms and Definitions

Accommodation	A change in teaching strategies, standards, test presentations, location, timing, scheduling, student responses, environmental structuring and/or other attributes that does not fundamentally alter or lower standards or expectations in either the instructional or assessment phases of a course of study ²⁰
Adaptation	A change permissible in educational environments that allows the student equal opportunity to obtain access, results, benefits and levels of achievement. Adaptations consist of both accommodations and modifications ²⁰
Adapted Physical Activity	Encompasses the comprehensive and interdisciplinary study of physical activity for the education, wellness, sport participation, and leisure of individuals with unique needs ²⁶
Adapted Physical Education	Programs designed to develop physical and motor fitness; fundamental motor skills and patterns; and skills in aquatics, dance and individual and group games and sports so that the individual with a disability can ultimately participate in community-based physical activity programs to enjoy an enhanced quality of life. Diversified programs generally have the same goals and objectives as general physical education, but are modified when necessary to meet the unique needs of each individual ²
Adapted Sport	Sport modified or created to meet the unique needs of individuals ²⁶
Affective Domain	The Domain in which the focus is on personal-social development, attitudes, values, feelings, motivation and emotions ¹
Age Appropriate	Within the child's chronological age ²
Agility	The ability to change direction of the entire body quickly and accurately while moving from one

²⁶ Adapted Physical Education and Sport, Sixth Edition, Joseph P. Winnick, David L. Porretta Editors, Human Kinetics

	point to another ²
Alternative/Augmentative Communication	Refers to supplemental communication techniques that are used in addition to any naturally acquired speech and vocalization that exists ²
Americans with Disabilities Act (ADA)	1990 Title II - Prohibits discrimination against qualified individuals with disabilities in all programs, activities, and services of public entities. It applies to all state and local governments, their departments and agencies, and any other instrumentalities or special purpose districts of state or local governments ⁸
Applied Behavioral Analysis	Techniques derived from the principles of behavior systematically applied to meaningfully enhance socially significant behavior and demonstrate experimentally that the technique used caused the improved behavior ²⁷
Assessment	A process used to gather information about the participant's achievement and to make decisions and judgments based on that evidence ²
Assistive Technology Device	Any item or piece of equipment or product system, commercial, modified, customized, high tech or low tech, that is used to increase, maintain, or improve the functional capabilities of a child with a disability ⁹
Ataxia	Greek word meaning "lack of order" is defective muscular coordination, especially in relation to reaching and walking. Both balance and coordination are affected ²
Athetoid	Unwanted jerky repetitive movements ²
Athletics	Focus primarily on a specific skill set, sport, competition, and/or prize ¹
Atrophy	Degeneration of the muscles ²
Authentic Assessment	An assessment that takes place in a realistic situation as opposed to an artificial, contrived setting ²

²⁷ Adapted Physical Education National Standards, Third Edition, National Consortium for Physical Education and Recreation for Individuals with Disabilities, Luke E. Kelly Editor

Autism	A developmental disability significantly affecting verbal and nonverbal communication and social interaction, generally evident before the age of three, that adversely affects the child's educational performance ⁹
Balance	The ability to maintain one's equilibrium in relation to the force of gravity. Balance may be static or dynamic ²
Behavior Management	Encompasses all of the strategies that educators utilize to develop effective and appropriate student behaviors ²
Bilateral Movements	Two body parts working in unison and performing the same movements. Arms and legs simultaneously reaching, spreading, or closing ²
Body Awareness	The ability to derive meaning from the body. Developing capacity to accurately discriminate among body parts and to gain a greater understanding of the nature of the body ²
Body Composition	The amount of fat cells compared with lean cells in the body mass. Measured by skinfold thickness ²
Catching	Involves using the hands to stop and gain control of an object ²
Child-Centered	Focuses on the active involvement of students in the learning process. Students are encouraged to make decisions in their learning process. Students are encouraged to develop their own ideas, and creativity is valued. Child initiated and teacher facilitated ²
Child with a Disability	A child who has been verified with one of the following; autism, behavior disorder (emotional disturbance, deaf-blindness, a developmental delay, a hearing impairment including deafness, an intellectual disability, multiple impairment, an orthopedic impairment, an other health impairment, a specific learning disability, a speech language impairment, a traumatic brain injury or a visual impairment including blindness, who because of this impairment needs special education and related services. ⁹

Closed Skill	Repetitive activities in a predictable environment ²
Cognitive Domain	Domain in which the focus is on knowledge and information (facts and concepts), with an emphasis on the understanding and application of knowledge and information through higher-order thinking ¹
Competence	One's actual ability to meet particular achievement demands at an adequate performance level in all three learning domains ²
Congenital	Condition is present at birth ²
Contractures	Permanent shortening and tightening of muscle or muscle group caused by spasticity, paralysis, or disuse ²
Contralateral Pattern	A movement pattern (generally creeping and walking) in which the arm and leg on the opposite side of the body move in unison ²
Coordination	The ability to integrate separate motor systems with varying sensory modalities into efficient movement ²
Criteria	How the behavior will be measured ¹⁴
Criterion-Referenced Test	Compares an individual's performance against a predetermined standard of performance ²
Cross-disciplinary Model	The integration of knowledge from many academic disciplines in the creation of a distinct, unique body of knowledge that focuses on the identification and remediation of psychomotor problems ²
Cross-Lateral Movements	Movements in which the limbs work in opposition. (i.e.: left leg moves forward with right arm like the natural walking pattern) ²
Daily Living Activities	Movement oriented tasks that individuals carry out throughout their lives that are required for basic everyday needs ²
Deaf-Blindness	A con-committant hearing and visual impairment, the combination of which causes: severe communication needs and other developmental and educational needs. The severity of these needs is such that they can not be

	accommodated in special education programs solely for children with deafness or blindness. ⁹
Deafness & Hard of Hearing	A hearing impairment so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, or is permanent or fluctuating, and adversely affects the child's educational performance. ⁹
Development	Changes in an individual's level of functioning over time ²
Developmental Approach	Instruction that emphasizes the acquisition of movement skills and increased physical competency based on the unique developmental level of the individual ²
Developmentally Delayed	A significant delay, in a child age three to the school year the child turns eight, as measured by appropriate diagnostic instruments and procedures in one or more of the following areas and by reason thereof, needs special education and related services: cognitive development, physical development, communication development, social and emotional development, adaptive behavior or skills development, or a diagnosed physical or mental condition that has a high probability of resulting in a substantial delay in function in one or more such areas. ⁹
Diplegia	Lower extremities are much more involved than upper ones ²
Direct Service (Physical Education)	Delivery of Physical Education services by an adapted physical educator including screening, evaluation, assessment, and implementing education programs ²⁷
Directional Awareness	Common directional movement elements include forward, backward, sideways, up, down, clockwise, and counterclockwise ²⁸
Early Childhood Special Education	Special education programs and related services designed to serve children below age five with verified disabilities. ⁹

²⁸ Teaching Movement Education, Foundation for Active Lifestyles, Karen Weiller Abels and Jennifer M. Bridges

Every Student Succeeds Act (ESSA)	The reauthorization of the Elementary and Secondary Education Act focused on equal opportunity, ensuring a quality education for all students regardless of race, zip code, language proficiency or disability. ²⁹
Exercise	Is any physical activity that is planned, structured and repetitive for the purpose of improving or maintaining one or more components of fitness ¹
Exploratory-Based	An indirect teaching approach that encourages child-centered movement ²
Extension	Stretching or lengthening muscles ²
Fine Motor	Small muscle movements that require precise movement performance ²
Flexibility	The ability to use joints fully; the capacity of a joint to move through its potential range of motion ²
Flexion	Shortening or contracting muscles ²
Formative Assessment	Gathering and evaluating data about participants' progress throughout the program ²
Free Appropriate Public Education (FAPE)	Special Education and related services are provided at public expense, under public supervision and direction, and without charge ⁹
Frontal Plane	Plane in which lateral movements of the body and body segments occur ²
Fundamental Movement	An organized series of related movements used to perform basic movement tasks such as running, jumping, throwing, and catching ²
Fundamental Movement Patterns	The observable performance of a basic locomotor, manipulative, or stability movement that involves combining movement patterns of two or more body segments ²
Gait	An individual's walking pattern. It consists of the swing phase and support phase ²
Gallop	Similar to slide, but the movement is performed in a

²⁹ Every Student Succeeds Act, ESSA Nebraska. 10/16/2017.
<https://cdn.education.ne.gov/wp-content/uploads/2017/10/essasummary101617.pdf>

	forward direction. A forward step followed by a closing of the rear foot ²
Glide	Move along smoothly, evenly and easily. The phase of movement through water without effort of the swimmer ²
Gross Motor	Large muscle movements of the body ²
Guided Discovery Method	A teaching approach in which the instructor poses problems in the form of questions or challenges ²
Head Control	Ability to position head in space to work against gravity ²
Health-Related Fitness	The development and maintenance of fitness components that can enhance health and well-being. Includes: cardiorespiratory endurance, muscular strength, muscular endurance, body composition, and flexibility ²
Hard of Hearing	A hearing impairment so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, or is permanent or fluctuating, and adversely affects the child's educational performance. ⁹
Hemiplegia	The entire right side or left side is involved ²
Homolateral Pattern	A movement pattern (generally creeping and walking) in which the arm and leg on the same side of the body move in unison ²
Hop	Forcefully pushing off the ground from one foot, a brief suspension in the air, and landing on the same foot ²
Hydrodynamics	The science that studies the motion of fluids and forces on solid bodies in water ²
Hydrotherapy	Water exercises for therapeutic purposes ²
Hypotonia	Insufficient muscle tone, muscle weakness. Often associated with children with Down Syndrome ²
Immersion	Dip or lower into water until covered by it ²
Inclusion	An educational procedure and process for children with disabilities based on the ethical and

	legal requirements that each child be educated in the least restrictive environment in which the child's education and related needs can be satisfactorily met ²
Individualized Education Plan (IEP)	A written statement for each child or youth with a disability that describes their educational program and is developed, reviewed, revised, and implemented in accordance with special education laws and regulations ⁹
Individuals with Disabilities Education Act (IDEA)	A law that makes available a free appropriate public education to eligible children with disabilities throughout the nation and ensures special education and related services to those children ⁶
Inertia	Tendency of a body to resist a change in its state of motion ²
Intellectual Disability	Significantly subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior, manifested during the developmental period, that adversely affects a child's educational performance. ⁹
Interdisciplinary Model	Individuals from many different professions interact in service delivery and share knowledge and skills ²
Isometric	Contraction involving no change in muscle length ²
Jump	Two-foot takeoff and two-foot landing; one-foot takeoff and two-foot landing, or two-foot take-off and one-foot landing ²⁸
Kick	Imparting force to an object by the foot and the leg ²
Leap	Similar to a run, a long step forward to cover a distance or to go over an obstacle. An exaggerated running step with a takeoff from one foot, landing on the other foot ²
Least Restrictive Environment (LRE)	To the maximum extent appropriate, children with disabilities, including children in public and non-public schools and approved service agencies, are educated with children who are not disabled, and that special classes, separate

	schooling, or other removal of children with disabilities from the regular education environment occurs only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. ⁹
Locomotion	Movement patterns that permit exploration through space (i.e.: walking, running, jumping, hopping, skipping, galloping, sliding, marching, leaping, etc.) ²
Manipulation	Movement patterns that permit gross and fine motor contact with objects (i.e.: throwing, catching, kicking, striking) ²
Moderate Physical Activity	Activity that is easily maintained and is performed at an intensity that increases heart rate and breathing ²
Moderate to Vigorous Physical Activity (MVPA)	A category of activity intensity that has been consistently shown to benefit and/or reduce the risk of many chronic disease states ³⁰
Modification	A change in course content, teaching strategies, test presentation, location, timing, scheduling, expectations, student responses, environmental structuring and/or other attributes which provides access for a student with a disability to participate in a course/standard/test. The modification does fundamentally alter or lower the standard or expectations for the course/standard/test ²⁰
Motor	Underlying biological and mechanical factors that influence movement ²
Motor Development	Continuous change in motor behavior throughout the life cycle brought about by interaction among the requirements of the task, the biology of the individual, and the conditions of the environment ²
Motor Fitness	The aspect of physical fitness that refers to genetically dependent characteristics that is relatively stable and related to athletic skills ²

³⁰ World Health Organization, "What is Moderate-Intensity and Vigorous-Intensity PA?" https://www.who.int/dietphysicalactivity/physical_activity_intensity/en/

Motor Planning	The organizational activity of the neural system that commands coordinated movement patterns. It is the child's thought process about his/her movements ²
Movement Concepts	Analogous to adverbs (i.e., they describe how an action is performed). Sub-divided into three categories: space awareness, effort, and relationships ³¹
Movement Education	Uses problem-solving approach to help children develop body awareness and use their bodies in an effective manner unique to their own physical resources ²
Movement Patterns	An organized series of related isolated movements, such as an underhand or overhand movement pattern ²
Movement Skills	A fundamental movement pattern performed with accuracy, precision, and control ²
Multiple Impairments	Concomitant impairments, the combination of which causes such severe educational needs that they cannot be accommodated in special education programs solely for one of the impairments. This does not include children with deaf-blindness. ⁹
Muscular Endurance	The ability of the muscle or a group of muscles to perform force related work repeatedly against moderate resistance ²
Muscular Strength	The amount of force the muscles can produce ²
Multidisciplinary Model	Individuals from many professions participate in service delivery ²
Norm-Referenced Test	Compares an individual's performance against established standards for a population group with similar characteristics ²
Occupational Therapy (OT)	A form of therapy primarily concerned with the components of performance to maintain the individual's self-care, work, and leisure activities. Major components include motor functioning,

³¹ Graham, George. (2010), McGraw-Hill Education Learning Technology.
http://33202576.weebly.com/uploads/1/4/6/8/14680198/graham8_sample_ch03.pdf

	sensory integrative functioning, and cognitive functioning ²⁷
Open Skill	Practice of skills in an authentic unpredictable environment ²
Orientation and Mobility	Services provided to blind or visually impaired by qualified personnel to enable those students to attain orientation to and safe movement within their environments in school, home, and community; and includes teaching children the following: as appropriate; Spatial and environmental concepts and use of information used by the senses to establish, maintain, or regain orientation and line of travel; to use the long cane or service animal to supplement visual travel skills or as a tool for safely negotiating the environment for children with no available travel vision; to understand and use remaining vision and distance low vision aids; and other concepts, techniques, and tools. ³²
Orthopedic Impairment	Adversely affects the child's educational performance. Includes children with impairments caused by congenital anomaly, impairments caused by disease (eg. bone tuberculosis, poliomyelitis), impairments from other causes (cerebral palsy, amputations and fractures, or burns that cause contractures). ⁹
Other Health Impairments	A child will have limited strength, vitality or alertness, including a heightened alertness to environmental stimuli that results in limited alertness with respect to the educational environment that is due to chronic or acute health problems which adversely affects the child's educational performance such as: asthma, attention deficit hyperactivity disorder, diabetes, epilepsy, a heart condition, hemophilia, lead poisoning, leukemia, nephritis, rheumatic fever, sickle cell anemia, and Tourette syndrome. ⁹
Palmer Grasping Reflex	Upon stimulation of the palm, the hand will close strongly around the object without using the thumb ²

³² Individuals with Disabilities Education Act, Sec 300.34 (c) (7).
<https://sites.ed.gov/idea/regs/b/a/300.34/c/7>

Paraplegia	Partial or complete involvement of two similar limbs either the legs or trunk ²
Paralympics	The worldwide sport movement for elite athletes with orthopedic disabilities ²
Perceptual - Motor	The process of organizing incoming information with stored information that leads to a movement response ²
Performance-Related Fitness	The development and maintenance of fitness components that can enhance performance in physical activity such as sport. It includes: agility, balance, coordination, power, reaction time, and speed. Also known as "skill-related fitness" ²
Physical Activity	Any bodily movement that results in energy expenditure ¹
Physical Education	An academic subject that provides a planned, sequential, K-12 standards-based program of curricula and instruction designed to develop motor skills, knowledge and behaviors for healthy, active living, physical fitness, sportsmanship, self-efficacy and emotional intelligence ¹
Physical Fitness	A measure of the body's ability to carry out daily tasks with vigor and alertness, without undue fatigue and with ample energy to enjoy leisure-time pursuits and respond to emergencies ³³
Physical Literacy	The ability to move with competence and confidence in a wide variety of physical activities in multiple environments that benefit the healthy development of the whole person ¹
Physical Therapy (PT)	The identification, prevention, remediation, and rehabilitation of acute to prolonged movement dysfunction. Treatment occurs by physical means and treatment through physical therapeutic measures as opposed to medicines or surgery ²⁷
Present Level of Academic and Functional Performance (PLAAFP)	A summary describing the child or youth's current achievement in the areas of need as determined by an evaluation. It specifically addresses their strengths, effective teaching approaches, and

³³ The President's Council on Physical Fitness and Sports, Last Modified September 2019.
https://web.archive.org/web/20120712201046/http://www.fitness.gov/digest_mar2000.htm

	interventions to enable their success. It contains current specific, measurable, objective baseline information for each area of need affected by the disability. In addition, it links the evaluation results, the expectations of the general education curriculum, and the goals for the child or youth. It summarizes the child's current performance and provides the foundation upon which all other decisions in the IEP will be made. ¹⁵
Proficient	One's actual ability to master particular achievement demands at or above expectations across all three learning domains ²
Prone	Lying in a horizontal position with front of the body facing down ²
Propulsion	The action or process of moving forward ²
Psychomotor Domain	Domain in which focus is on motor skills. Includes physical movement, coordination and the use of the motor-skills areas. Development of these skills requires practice and is measured in terms of speed, precision, distance, procedures or techniques in execution ¹
Push-Off	Creating a certain amount of force by pressing against an object in order to produce a certain amount of speed or movement away from it (Law of Acceleration) ²
Quadriplegia	All four extremities are involved. Partial or total lack of voluntary motor movements and sensations ²
Qualitative	Involving non-numerical description of quality ²
Quantitative	Involving the use of numbers ²
Range of Motion	The angle through which a joint moves from anatomical position to the extreme limit of segment motion in a particular direction ²
Reflexes	Involuntary changes in muscle tone elicited by certain stimuli or conditions ²
Rehabilitation Act of 1973 - Section 504	A federal law designed to protect the rights of individuals with disabilities in programs and activities that receive Federal financial assistance

	from the Department of Education. ⁷
Related Service	Transportation and such developmental Supportive services as are required to assist an individual with a disability to benefit from special education and includes speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, early identification and assessment of disabilities in children, counseling services, including rehabilitation counseling, orientation and mobility services, and medical services for diagnostic or evaluation purposes. Also includes school health services and school nurse services, social work services in schools, and parent counseling and training. ⁹
Rhythm	The synchronous recurrence of events related in such a manner that they form recognizable patterns ²
Rosa's Law	Bill signed in 2010 by President Obama. It replaced the term "mental retardation" with the term "intellectual disability" ³⁴
Rotation	Turning round a center or axis; turning in a circle, revolving ²
Run	Alternating steps (right, left, right, left, and so on) with flight and arm-leg opposition at a fast pace ²⁸
Sagittal Plane	Plane in which forward and backward movements of the body and body segments occur ²
Self-Concept	An individual's awareness of personal characteristics, attributes, and limitations, and the ways in which these qualities are both like and unlike those of others ²
Self-Confidence	An individual's belief in his or her ability to carry out a mental, physical, or emotional task ²
Self-Efficacy	A situation-specific form of self-confidence based on the conceptual framework proposed by Bandura ²

³⁴ Rosa's Law, July 2017. <https://www.govinfo.gov/app/details/FR-2017-07-11/2017-14343/summary>

Self-Esteem	The value that one attaches to his or her unique characteristics, attributes, and limitations ²
Emotional Disturbance	A child exhibits the following characteristics over a long period of time and to a marked degree that adversely affects the child's educational performance: an inability to learn that cannot be explained by intellectual, sensory, or health factors; an inability to build or maintain satisfactory interpersonal relationships with peers and teachers; inappropriate types of behavior or feelings under normal circumstances; a general pervasive mood of unhappiness or depression; or a tendency to develop physical symptoms or fears associated with personal or school problems. Includes schizophrenia. ⁹
Shunt	Device implanted in the body to remove excess cerebrospinal fluid ²
Skill-Based	Fundamental movements that are later modified into the more specialized patterns on which activities of increasing complexity are built ²
Skip	Alternating step, hop, step, hop ²⁸
Slide	A side step followed by a closing of the trailing foot ²⁸
Spasticity	Caused by pyramidal system malfunction, is primarily a problem of over excitation or too much tightness in muscles. Impairment of voluntary movement ²
Spatial Awareness	The movement concept which focuses on where the body moves. It has six categories: location, direction, level, pathway, plane, and extension ²⁸
Special Education	Specially designed instruction, at no cost to parents, to meet the unique needs of a child with a disability, including instruction conducted in the classroom, in the home, in hospitals and institutions, and in other settings, including instruction in physical education ⁹
Special Olympics	A worldwide sport movement for athletes with intellectual disabilities ²

Specific Learning Disability	A disorder in one or more of the basic psychological processes involved in understanding or in using language (spoken/written) that may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or do mathematical calculations. Includes conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. Does not include children with learning problems that are primarily the result of visual, hearing, or motor disabilities; intellectual disabilities; emotional disturbance; or of environmental, cultural, or economic disadvantage. ⁹
Speech or Language Impairment	A communication disorder that adversely affects the child's educational performance such as: stuttering; impaired articulation; language impairment; or a voice impairment. ⁹
Speed	The ability to move from one point to another in the shortest time possible. Speed is the total of reaction time and movement time ²
Stability	Movement patterns that place a premium on gaining and maintaining one's equilibrium (i.e.: static and dynamic balance abilities) ²
Strike	Making contact with an object using an implement ²⁸
Summative Assessment	Assessment that occurs at the conclusion of the program ²
Supine	Lying in a horizontal position with front of the body facing up ²
Supplementary Aids & Services	Aids, services, and other supports that are provided in regular education classes or other education-related settings and in extracurricular and non-academic settings to enable children with disabilities to be educated with nondisabled children to the maximum extent appropriate. ⁹
Teacher-Directed	A more formal and direct style of teaching in which the teacher commands the class in a more controlling environment ²

Temporal Awareness	The ability to derive meaning in relation to speeds, distances, time, and/or flow. It is intersensory, primarily visual-auditory ²
Temporary Disability	A disability incurred while an individual was in a regular education class and which at the termination of the temporary physical disability, the individual can, without special intervention, reasonably be expected to return to his or her regular education class ²⁰
Throw	Hand release object, sending it through the air ²⁸
Transdisciplinary Model	Individuals of different domains work collaboratively in all aspects of the educational process including assessing, designing, and determining goals jointly ²
Transition	A coordinated set of activities for a child with a disability that is designed to be within a results-oriented process that is focused on improving the academic and functional achievement of the child with a disability to facilitate the child's movement from school to post-school activities, including post-secondary education, vocational training, integrated employment, continuing and adult education, adult services, independent living, or community participation. ⁹
Traumatic Brain Injury	Acquired injury to the brain caused by an external physical force, resulting in total or partial functional disability or psychosocial impairment, or both, that adversely affects the child's educational performance. ⁹
Triplegia	Three extremities, usually both legs and one arm are involved ²
Unified Physical Education	A separate class setting with peers ³⁵
Unilateral Movements	One body part performing a movement. Reaching of one arm to grasp a toy ²
Vigorous Physical Activity	Physical activity that can produce fatigue in a

³⁵ Minnesota DAPE Best PRactices Operational Guide 2012.

	short period of time and is performed at an intensity in which heart rate and breathing are elevated quickly ²
Visual Impairment	An impairment in vision that, even with correction, adversely affects a child's educational performance. Includes blindness or partial sight. ⁹
Visual-Motor Coordination	The ability to visually track and make interception judgments about a moving object ²
Vocational Skills	Includes a variety of educational programs intended to prepare students for employment and for life after high school ²

Appendix A-Sample IEP Goals

The sample IEP goals have been provided using different formats to better reflect the varying requirements from school district to school district. A tool for writing IEP goals, provided by the Nebraska Department of Education, Office of Special Education, is "Setting Goals... Achieving Results, A Technical Assistance Guide.

<https://www.education.ne.gov/wp-content/uploads/2017/07/Setting-Goals-Achieving-Results-3-11-14.pdf>

- **Elementary Student: {Student Name}, 11 year old male, wheelchair bound student with lower functioning Autism.**

Student has limited use of left side but can power his own wheelchair to access his educational environment. He can perform the following object control skills but his performance falls well below that of his peers: catch using hands and arms from 10 feet, overhand throw to a target from 8 feet, two hand strike. He is just beginning to work on stationary dribble. The in-balance of function/strength between left and right sides of his body as well as the level of his skill adversely affect his interactions with his peers during physical education and recess. Improving these areas will help him to be more successful in his education.

- **Goal 1:** By the end of the IEP period, student will demonstrate essential skills by meeting the objectives below.
 - Given a verbal cue and demonstration, student will be able to catch using hands and arms 5 of 10 times to a 10 foot distance.
 - Student will be able to demonstrate and recite cues of an overhand throw 2 of 3 times with dominant hand to a target up to 8 feet.
 - Student will be able to demonstrate a 2 hand strike of an object using a long implement. Student will progress from a stationary object being able to hit it 3 out of 5 times.
 - Student will be able to demonstrate cues for stationary dribbling (pushing not slapping, use of the finger pads) and continually dribble for 10 seconds or more.
 - Student will progressively work towards using non-dominant hand for 5 times.
 - Student will be able to demonstrate appropriate physical education behavior in accordance with the rules and expectations set forth by the instructor and school building. Student will have no more than 1 redirection on 3 consecutive days per quarter.
 - Student will progress in interaction with peers and be fully inclusive within groups at least 3 times per class period.

- **Middle School Student: {Student Name}, 12 year old male, ADHD/Impulsivity/ED, ELL, able to verbally communicate needs.**
 - **Student Overview:** {Student Name} is very friendly and enjoys physical activity. He has age appropriate motor skills. He struggles with understanding verbal directions, waiting his turn and completing tasks. He exhibits very impulsive behaviors such as throwing or kicking a ball across the playing area; which can be a safety risk to other students in large class settings.
Locomotor Skills: Majority are age appropriate, some modeling needed due to lack of understanding verbal directions.
Object control: Age appropriate. Able to throw, catch, strike and kick to self, target or partner given only verbal cues.
 - **Goal #1 (Behavior):** By {completion date}, given verbal cues at the beginning of class, student will demonstrate proper use of equipment by not kicking or throwing anything unless directed for activity. He will have 1 or less instances of impulsivity during a 40 minute class.
 - **Objective:** by the end of first quarter, given verbal cues before each activity and transition, student will have 3 or less instances of impulsivity during a 40 minute class.

- **High School Student: {Student name}, 16 year old male, Cerebral Palsy, wheelchair bound.**
 - **Student Overview:** (Student name) is able to participate with peers with varying levels of need of support by powering their own chair but cannot do so quickly enough to participate 100% of the time in certain activities.
 - **Goal #1:** By {certain date}, {student name} should be able to grasp and manipulate or move an object such as a ball independently on command or with little assistance.

- **High School Student: {Student Name}, 16 year old female, Visually impaired.**
The student is able to participate in her general physical education Personal Fitness Class.
 - **Goal 1:** Given a sighted guide, the student will demonstrate improvement in aerobic capacity from (baseline or final number from first year) to (desired baseline or final number) on the following fitness assessments given during the current school year: pacer test (laps) and the shuttle run (time).

Appendix B-Commonly Used Assessment Tools

Name of Assessment Tool	Age of Students Assessed	Skills Assessed	Additional Information
Competency Testing for Adapted Physical Education (CTAPE)	6-15 yrs	Locomotor, manipulative, spatial awareness, balance, sports skills, gymnastics skills and fitness skills	https://www.wrightslaw.com/info/ape.la.elig.crit.pdf

Brockport Physical Fitness Test Manual	10-17 yrs	Aerobic Functioning, Body Composition, Musculoskeletal Functioning	https://www.topendsports.com/testing/brockport.htm
Adapted Physical Education Assessment Scale (APEAS)	4-17 yrs	Perceptual motor function, object control, locomotor skills, physical fitness and adaptive behaviors	

Nebraska Office of Special Education
Transition Summer Program
Release date: January 31, 2020
Submission deadline: March 16, 2020

Purpose

The Nebraska Department of Education - Office of Special Education requests proposals for the development and implementation of innovative short-term programs to provide career exploration and personal development opportunities for transition students with disabilities during the summer of 2020. Funding is contingent upon the availability of federal dollars. The Office of Special Education intends to establish a cooperative agreement with a limited number of qualified applicants for a period of up to 4 months (May 2020 - August 2020) to provide supports through a summer project for students with disabilities, aged 14-21 years, to be enrolled in school during the 2020-2021 school year that would align with their post secondary goals and pre-employment transition services being offered throughout the school year.

Request for Proposal Schedule

Notice of Request for Proposals: January 31, 2020
Pre-proposal Meeting by Zoom: March 3, 2020
Proposal Due Date: March 16, 2020
Notification of Selected Proposals: April 15, 2020

Transition Summer Program Schedule

Summer program implementation: May 1, 2020- August 31, 2020
Final Report Due: September 30, 2020

A signed cooperative agreement will be required for all proposals before services can begin. All proposed services must be provided within the cooperative agreement dates. No expenses will be paid for outside of cooperative agreement dates including preparation costs.

Eligible Applicants

Any Nebraska agency, business or organization with either non-profit or for-profit status with experience in providing services to individuals with significant disabilities is eligible to submit a proposal. Applicants must demonstrate they are able to deliver community-based, culturally competent services in environments accessible to individuals with physical, mental, and/or sensory impairments.

Targeted Population, Service Area and Definition

The goal of the Transition Summer Program is to develop innovative programs across the state using best practices to provide opportunities for career exploration, employment preparation, and work experiences using such techniques as short-term internships, job shadowing, and hands-on learning activities for students with disabilities, to increase the likelihood of successfully transitioning to competitive integrated employment. According to the NDE, there were 14,048 students aged 14 to 21 years verified for special education services in 2018-19.

NDE intends to establish a cooperative agreement with several qualified applicants for a period, up to 4 months, to develop and implement Pre-Employment Transition Services for eligible students with disabilities, aged 14-21 years, to be enrolled in school during the 2020-2021 school year. The program budget cannot exceed \$30,000. The program budget per award is based upon available funds.

NDE is seeking proposals to provide one or more of the following pre-employment transition services for students with verified disabilities age 14-21 during the summer of 2020 during school vacation:

1. Job Exploration Counseling. Examples of eligible activities include job shadowing, workplace site visits, interest and/or career inventories, exploration of relevant career fields and potential jobs, and learning about career opportunities.
2. Work-based Learning Experiences. Examples of eligible activities include work opportunities, paid or unpaid internships, obtaining transferable skills, and summer employment provided in an integrated setting.
3. Workplace Readiness Training. Possible activities include training to develop interpersonal skills, independent living skills and leadership abilities. This could include managing disclosure and how to request accommodations, instruction in employability skills and transportation training.
4. Postsecondary Training/College Exploration, Preparation and Planning services. This includes postsecondary readiness training to develop social and independent living skills to facilitate transition of students with disabilities into post-secondary education to improve the likelihood of successful post-secondary education experience.
5. Instruction in Self Advocacy. Possible activities include training on how to identify positive supports, how to self advocate independently, as well as, in the presence of support.

These summer programs cannot replace extended school year services, therefore working on goals and activities specific to individual student IEPs is not allowed.

Proposals will be accepted that:

- A. Demonstrate a strong connection among Special Education, Nebraska Vocational Rehabilitation and Career and Technical Education transition partners.

- B. Develop and improve strategies for individuals with intellectual disabilities and individuals with significant disabilities to live independently and prepare to obtain and retain competitive integrated employment.

Application Requirements

Applicants must use the prescribed format. Applications are due on Friday, March 16, 2020 by 5:00 p.m. CT. Incomplete or late applications will not be considered for funding. Awarded applicants will be notified no later than April 15, 2020.

Successful applicants must provide final progress reports of project activities and outcomes. Final claims will be approved following receipt of the project Final Report.

Projects must submit accounting statements which are aligned with project activities for reimbursements. Claims for expenditures outside of approved activities will not be funded, unless an amendment to the project has been submitted and approved by NDE in advance. No expenditures before or after the project year (May 1, 2020 - August 31, 2020) will be allowed.

For more information, contact Theresa Hayes, Coordinator of State Transition Supports, theresa.hayes@nebraska.gov, 402-471-4304.

Required Forms

- Letter of Intent
- Project Narrative
- Budget Form and Attachment(s)
- Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters

**** Disregard reporting schedule in attached grant package. Transition Summer Program Reports are due September 30, 2020.**

Review Criteria and Selection Process

Applicant proposals must meet or exceed requirements described in this RFP. Review team members will evaluate and score submitted proposals using the attached ***Transition Program RFP Scoring Sheet***. Questions about this RFP will be addressed at the pre-proposal meeting.

All proposals will be evaluated using the same criteria and scoring process. Nebraska Department of Education will evaluate proposals on a variety of quantitative criteria and reserves full discretion to determine the competence and responsibility, professionally and/or financially of all vendors. All assignment of points shall be at the sole discretion of the Nebraska Department of Education. The Nebraska Department of Education has the sole right to select

the successful vendor(s) for award, as a result of the RFP, after which a cooperative agreement will be executed.

Project Narrative Instructions

Applicant Proposals should present information in the following order:

1. Project Narrative: Brief summary description of the project:
 - If applicable, provide some historical context around the project.
 - What services/programs are proposed?
 - How will they be provided?
 - To whom will they be provided? (The number of students with disabilities to be provided services and proposed service area)
 - Include strategies to accomplish the project.
2. Why is project needed?
 - How does this project support Results Driven Accountability (RDA) by improving outcomes for children with disabilities?
 - What data supports the need?
3. Goals/Objectives: Include clear and realistic work plan with estimated timelines for all service development and implementation activities.
 - Provide goals/objectives that are specific, measureable, and attainable.
 - Include activities and timelines that support each of the goals and objectives listed.
4. Method(s) of evaluation to measure success of the goals and objectives:
 - Describe methods of evaluation for each goal and objective and include the intended annual result for each.
5. What supports are in place to ensure project sustainability?
6. Staff responsibilities and qualifications in relation to each goal and objective listed in the project are described.
 - Include a brief overview of the organization and the experience and qualifications of key personnel involved in the activity or service(s).
 - Describe the process for coordination with Nebraska VR and/or Career and Technical Education staff on student referral and progress reporting activities.

Budget Narrative and Budget Form Instructions

Describe an appropriate and realistic budget for all activities. Include clear and concise justifications for expenses for the full time period of the proposal. If funds from other sources will be leveraged, describe those partnerships or resources.

In addition to the budget narrative, provide a line item budget using the following categories (See Budget Form):

- Salaries (___FTE): Amounts paid to project staff

- Employee Benefits (include FICA, worker's comp., etc.)
- Purchased Services
- Supplies & Materials(list separately with itemized costs)
- Capital Outlay: Not Applicable
- Other and/or indirect expenses (printing, postage, etc.)
- Total amount requested

Project Funds May Not be Used for the Following

- To purchase equipment including computers
- Ongoing operating expenses
- Construction or renovation costs
- Direct IEP services for transition students
- Door prizes/drawings, incentives, reinforcer
- Food (unless related to curriculum delivery)
- Travel expenses for students
- 1:1 worksite skills trainer support for students involved in work based learning experiences

Submittal Instructions

- Submit an electronic copy with a signed cover letter via email with any supporting documentation by 5:00 pm Central Time on February 28, 2020 to Katherine Williamson, NDE at ndesped@nebraska.gov
- All proposals should be submitted under a subject title: NDE RFP 2020 Transition Summer Program
- Proposals should be written in 12 point font and double spaced with a maximum of 10 pages

May 14-15
8:30am-4:30pm
- **Kearney**
July 16-17
8:30am-4:30pm

13 CEs offered

Target Audience

This training opportunity is available for licensed mental health practitioners (including those provisionally licensed).

Description

TF-CBT is an evidenced-based, structured, short-term therapeutic treatment model. It has been shown to be highly effective at improving posttraumatic stress disorder (PTSD) symptoms in children and adolescents ages 4 through 18. Parents or other caregivers are actively involved in the treatment. It effectively addresses other trauma impacts, including affective, cognitive, and behavioral problems; improves the caregiver's personal distress about the child's traumatic experience; and enhances supportive interactions with the child.

Learning Collaborative

This opportunity consists of a two-day in-person training course followed by monthly consultation calls over a twelve-month period to help providers implement trauma-focused components, interventions, and address areas where they need specific assistance. During this time, participants are expected to complete at least three full cases, beginning to end. Upon completion of all requirements, participants are eligible to apply for national certification as a TF-CBT therapist. Certification costs are separate.

Prerequisites

Prior to the training, all participants must complete the online TF-CBT course. (<https://tfcbt2.musc.edu>). Cost (\$35) is separate.

Cost

Registration is \$400 which includes the two-day training and 12 monthly consultation calls.

Scholarship opportunities are available for qualifying practitioners.

Registration

To be added to the registration list or for scholarship information, please contact Ree Reimers at rreimers@projectharmony.com.

Workshop Title: Visible Learning Foundation and Mind frames for Visible Learning or Developing Visible Learners

Date of Workshop: September 8-9, 2020

Projected cost of workshop (include presenter fees, materials, expenses, etc): \$16,000

How does workshop align with ESU CC Goals and ESUCC/NDE priority areas?

The idea for this training was developed within the Educator Effectiveness PDO work group as members considered current needs in our schools. Members of this work group and other members of PDO identified this training as necessary in improving our knowledge-base and our capability to provide support for our schools in the area of evidence-based practices. Training in Visible Learning will positively impact PDO members' abilities to support schools in various AQuESTT tenets including Educator Effectiveness, Educational Opportunities and Access, and College, Career, and Civic Readiness. This training would be cost prohibitive for many schools across the state, so increasing the collective efficacy of our PDO group will ultimately allow districts to receive Visible Learning training and resources while saving a significant amount of money. In this way, the proposed Visible Learning PDO session supports the ESUCC Value-Add Bold Step.

New Resources are now available on the NeMTSS Website (<http://nemtss.unl.edu>). The **NeMTSS Funding** and **NeMTSS SLD Verification Q and A** documents are available for download on page 79 of the **Framework Document**. The NeMTSS Framework Document can be found on the landing page of the NeMTSS website.

Special Topic: MTSS in Secondary Settings

Multi-tiered systems of support have the same fundamental goals that span across age and grade levels. What are those goals? To provide early and powerful academic and behavioral core instruction, implement high-quality interventions of increasing intensity matched to specific student needs, and subsequently improve learning for ALL students. In education, we tend to avoid conversations about MTSS in Middle and High School settings because we think they are too fundamentally different from Early Childhood and Elementary settings to even know where to begin building and implementing the system! This is fixed mindset thinking...we know a deeply implemented problem solving process combined with the right evidence-based tools and resources to "do the work" is at the heart of MTSS...and these elements are very much alive and well in our Secondary settings. In fact, many of our Nebraska schools are already engaging in these practices. It is a matter of aligning practices within a larger system--a multi-tiered system of supports.

What mechanism exists in your Secondary buildings to review data and engage in a productive problem solving process? Chances are, you are already reviewing attendance data, number of credits earned, discipline referrals, and individual student grades. Do you do this within a Professional Learning Community (PLC) or other meeting structure? Can you answer the following questions in regard to your existing teams:

If you don't have a systematic way to review data and engage in problem solving, your NeMTSS Regional Lead can support you by

collaborating with you and your ESU to analyze your unique needs and connect you with System training. For more information regarding problem solving at the Secondary level, please see <http://rtinetwork.org/learn/rti-in-secondary-schools/579>. The May 2019 Educational Leadership publication from ASCD is dedicated to meeting the needs of teens in schools (www.ascd.org). There is a persistent message that problem solving teams need to consider student engagement. Do you regularly gather student perceptual data regarding engagement? Providing ALL students access to engaging learning environments and activities is a key factor in improving student outcomes (<https://tntp.org/publications/view/student-experiences/the-opportunity-myth>). Consider adding this valuable perceptual data to your balanced assessment system. One example of a (free) engagement survey can be found at <https://tntp.org/student-experience-toolkit/view/student-engagement-survey>.

Here's a radical idea related to problem solving proposed by Eric Hardie in the ASCD publication (2019): Invite students to participate in your data review and analysis. "Students are the only ones who really understand their experiences at school, and the ways that those experiences affect them, both positively and negatively" (p. 23). What opportunities do students currently have at your school to voice their opinions for change? Increasing student voice in your problem solving and continuous improvement process can have a tremendous impact on overall climate, potentially decrease student anxiety and depression, and increase student engagement (Hardie, 2019).

In closing, Cathy Vatterott (ASCD 2019) states "That message [let kids be kids] seems to disappear when students reach middle or high school even though those students have developmental needs too. What about letting teens be teens? Teens after all are becoming. They form their identities, values, and views of the world. They need a balance of intellectual, emotional, and dare I say, spiritual experiences to help them grow into happy and well-adjusted adults, not just to prepare them to be college students" (p.14).

We owe it to our teens to create deeply implemented systems of support that allow ALL of them to access quality, engaging, rigorous learning opportunities within our schools. Many of you already have a foundation in place...when you adopt the commitment to make deeply implemented problem solving “the way you do business,” you will allow a sustainable environment where “ALL students can learn” to flourish.

NeMTSS Team Update

The NeMTSS Team has been busy building relationships with Nebraska ESUs and School Districts. It is a privilege to collaborate with educators across the state! During the months of October, November, and December, there have been 18 System Training days and 17 customized support meetings/trainings in districts and ESUs across Nebraska. As a reminder, the Regional Leads are as follows:

Lindsee Fryatt (lfryatt2@unl.edu), Regions 1 & 2
Kristy Feden (kfedden@esu3.org), Regions 1 & 2
Mary Jo McElhose (mjmcelhose@gmail.com), Region 3
Claudine Kennicutt (ckennicutt@esu10.org), Region 4
George Toman (gtoman@esu13.org), Region 5

NeMTSS Upcoming Events

Please visit the official NeMTSS calendar for training opportunities that may be held within your region (<http://nemtss.unl.edu/events-calendar/>). Please consider joining these professional development opportunities.

You will find the appropriate contact person when you click on the event details. Feel free to reach out to them directly if you have questions about the event!

Additional Professional Learning Opportunities:

Nebraska State Literacy Association Conference Kearney (February 20-21, 2020) www.nereads.org

Nebraska School Mental Health Conference Omaha (June 4-5, 2020) [NE School Mental Health Conference](http://NESchoolMentalHealthConference.org)

Professional Learning Communities at Work Institute Omaha (July 20-22, 2020) ([PLC At Work Institute](http://PLCAtWorkInstitute.org))

MTSS is defined as an instructional system based on the concept that ALL students require early and powerful academic and behavioral core instruction with the potential for high-quality interventions of increasing intensity.

NeMTSS Builders Group

Higher Education Update:

The NeMTSS Team is continuously making connections with departments of higher education in an effort to collaborate and share information regarding NeMTSS with educator, administrator, and specialist preparation programs.

More information coming soon!

NeMTSS Builders' Group Update

The NeMTSS Builders' Group met December 3, 2019 to continue working toward established Priorities for 2019-2020. Those Priorities are as follows:

- From Awareness to Implementation: Build out Regional Support and consistency of training
- Meet capacity for highly qualified trainers in specific interventions and ensure state-wide access
- Beyond Systems Training: Module Development for deep implementation:
 - Reading/English Language Arts (ELA)
 - Mathematics
 - Social Emotional Learning (SEL)/Behavior
 - Early Childhood and Culturally Responsive embedded throughout all modules
- Refinement of Tiered Regional Support Model: Who gets what, when?
- Continued commitment from Stakeholders for building out equitable MTSS supports
- NeMTSS Program Evaluation

The Builders' Group listened to presentations from the SEL and ELA module build-out teams (NeMTSS Regional Leads) and provided feedback regarding proposed content and resources. Development of modules will be completed based on feedback and guidance from the Builders' Group.

Coop Directors report to ESUCC Board
submitted by: Craig Peterson
February 5, 2020

1. Presentations/Conferences

- a. Annual Coop Trainings via Zoom
 - i. These are available on the [ESUCC Marketplace Resources](#) page.
- b. [League of Municipalities](#) Registration at [Midwinter conference](#). Monday February 24, to Tuesday February 25, Cornhusker Marriot, Lincoln.

2. Annual/Paper Buy

- a. **Definition of the Annual Buy:** This is a line item bid where vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
- b. On January 13-14 the ESUCC Director awarded the 100 Technology section for the Annual Buy.
- c. Annual Buy catalog creation began on January 9 – Staff will continue to work on this throughout January and February.
 - i. The Paper catalog was completed and uploaded to the Marketplace for a February 3 opening date.
 - ii. The Annual Buy catalog is being written by staff as we speak for a February 17 opening date.
- d. **Paper Buy Timeline**
 - i. February 3 – catalog opens for ordering
 - ii. March 11 – order deadline
 - iii. March 16 – Aggregation by address
 - iv. March 16-18 Members review orders, assign PO's
 - v. March 19 Orders released to vendors
 - vi. April 9 Deliver of Paper begins
 - vii. June 9 Last day for deliveries without late fee
 - viii. June 10 Late delivery penalty 2% for outstanding items
- e. **Annual Buy Timeline**
 - i. February 17- catalog opens for ordering
 - ii. April 9- Teacher/Staff order deadline
 - iii. April 14- Order Aggregation by address
 - iv. April 14-17- Review orders, assign PO's

- v. April 22- Orders released to vendors
- vi. May 22- Delivery of items begins
- vii. July 24- Last Day without late fee
- viii. July 27- Late delivery penalty 2%

3. Special Buys

- a. **Definition Special Buy:** Contracts are negotiated agreements with exclusive pricing to ESUCC Cooperative Purchasing members. These contracts may range from one to three years. Within the agreement, terms shall be explicitly defined as to both parties' expectations and the scope of the agreement.
- b. **Adobe VIP Named User licenses**
 - i. New Schools coming onboard this last month include Fullerton and East Butler.
 - ii. Currently we have 17,883 Creative Cloud for Education application licenses purchased and 30,129 licenses of the free Adobe Spark licenses. All users are required to sign in through the Nebraska Cloud Single-Sign-On.
 - iii. Savings for each District ranges from \$2,000 to \$12,000 depending on how they would have licensed under a district license, single building or Device license models.
- c. **Special Buy Contract Considerations**
 - i. **Tierney** – contacted us about being added to the Marketplace, referral came from ESU 8.

4. AEPA

- a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 28 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.
 - 1. Contracts & Extensions approved at last month's Board meeting have been signed by all AEPA vendors except one.

5. Additional Information

- i. Communications with the following vendors/organizations throughout the month:
 - 1. Numerous imports done for Adobe VIP licensing (Semester with change of students in new classes)
 - 2. Adobe VIP discussion with schools Fullerton, Springfield-Platteview, Sioux County.

**EXTENSION TO FOOD AGREEMENT BETWEEN ESUCC COOPERATIVE
PURCHASING AND SYSCO.**

This Extension is made by and between Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Sysco ("Contractor") to the Agreement for Food ("Agreement") signed by ESUCC on **June 9, 2017**, and by the Contractor on **June 9, 2017**. The Extension is as follows:

The Terms and Conditions of the Agreement are non-negotiable:

No Changes to Terms and Conditions for the Agreement.

Exhibit "A" is amended to add the following goods or services:

No Changes to Exhibit A.

Exhibit "D" is amended to add the following pricing information:

Exhibit D Copy of Bidders current pricing is attached.

The Agreement permits extension and modification by a signed, written agreement by both parties that identifies itself as an extension. The Cooperative has approved an extension and now desires to extend the Agreement for an additional term of twelve (12) months until July 31, 2021. Upon the signature of an authorized officer of ESUCC and the Contractor, the Agreement is hereby extended.

LEGISLATIVE BILL 519

Approved by the Governor May 13, 2015

Introduced by Sullivan, 41.

A BILL FOR AN ACT relating to education; to amend sections 79-8,134, 79-8,137, 79-8,137.01, 79-8,137.02, 79-8,137.03, 79-8,137.04, 79-8,137.05, 79-1001, 79-1003, 79-1007.11, 79-1017.01, 79-1337, 85-1412, and 85-1920, Reissue Revised Statutes of Nebraska, and section 9-812, Revised Statutes Cumulative Supplement, 2014; to change provisions relating to the Nebraska Education Improvement Fund, the Attracting Excellence to Teaching Program, the Enhancing Excellence in Teaching Program, the Tax Equity and Educational Opportunities Support Act, distance education incentives, the Coordinating Commission for Postsecondary Education, and the Nebraska Opportunity Grant Fund; to provide for competitive innovation grants; to create funds; to provide for best practices aid; to adopt the Expanded Learning Opportunity Grant Program Act and the Community College Gap Assistance Program Act; to require a study of postsecondary education by the Education Committee of the Legislature; to eliminate obsolete provisions; to harmonize provisions; to repeal the original sections; and to outright repeal section 79-2306, Reissue Revised Statutes of Nebraska. Be it enacted by the people of the State of Nebraska,

Section 1. Section 9-812, Revised Statutes Cumulative Supplement, 2014, is amended to read:

9-812 (1) All money received from the operation of lottery games conducted pursuant to the State Lottery Act in Nebraska shall be credited to the State Lottery Operation Trust Fund, which fund is hereby created. All payments of the costs of establishing and maintaining the lottery games shall be made from the State Lottery Operation Cash Fund. In accordance with legislative appropriations, money for payments for expenses of the division shall be transferred from the State Lottery Operation Trust Fund to the State Lottery Operation Cash Fund, which fund is hereby created. All money necessary for the payment of lottery prizes shall be transferred from the State Lottery Operation Trust Fund to the State Lottery Prize Trust Fund, which fund is hereby created. The amount used for the payment of lottery prizes shall not be less than forty percent of the dollar amount of the lottery tickets which have been sold.

(2) A portion of the dollar amount of the lottery tickets which have been sold on an annualized basis shall be transferred from the State Lottery Operation Trust Fund to the Education Innovation Fund, the Nebraska Opportunity Grant Fund, the Nebraska Education Improvement Fund, the Nebraska Environmental Trust Fund, the Nebraska State Fair Board, and the Compulsive Gamblers Assistance Fund as provided in subsection (3) of this section. The dollar amount transferred pursuant to this subsection shall equal the greater of (a) the dollar amount transferred to the funds in fiscal year 2002-03 or (b) any amount which constitutes at least twenty-two percent and no more than twenty-five percent of the dollar amount of the lottery tickets which have been sold on an annualized basis. To the extent that funds are available, the Tax Commissioner and director may authorize a transfer exceeding twenty-five percent of the dollar amount of the lottery tickets sold on an annualized basis.

(3) Of the money available to be transferred to the Education Innovation Fund, the Nebraska Opportunity Grant Fund, the Nebraska Education Improvement Fund, the Nebraska Environmental Trust Fund, the Nebraska State Fair Board, and the Compulsive Gamblers Assistance Fund:

(a) The first five hundred thousand dollars shall be transferred to the Compulsive Gamblers Assistance Fund to be used as provided in section 9-1006;

(b) Beginning July 1, 2016, forty-four and one-half percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Nebraska Education Improvement Fund;

(c) Through June 30, 2016, nineteen and three-fourths percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Education Innovation Fund;

(d) Through June 30, 2016, twenty-four and three-fourths percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Nebraska Opportunity Grant Fund;

(e) Forty-four and one-half percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Nebraska Environmental Trust Fund to be used as provided in the Nebraska Environmental Trust Act;

(f) Ten percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Nebraska State Fair Board if the most populous city within the county in which the fair is located provides

matching funds equivalent to ten percent of the funds available for transfer. Such matching funds may be obtained from the city and any other private or public entity, except that no portion of such matching funds shall be provided by the state. If the Nebraska State Fair ceases operations, ten percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the General Fund; and

(g) One percent of the money remaining after the payment of prizes and operating expenses and the initial transfer to the Compulsive Gamblers Assistance Fund shall be transferred to the Compulsive Gamblers Assistance Fund to be used as provided in section 9-1006.

(4)(a) The Education Innovation Fund is created. At least seventy-five percent of the lottery proceeds allocated to the Education Innovation Fund shall be available for disbursement.

~~(b) For fiscal year 2013-14, the Education Innovation Fund shall be allocated as follows: (i) The first one million dollars shall be transferred to the Excellence in Teaching Cash Fund to fund the Excellence in Teaching Act; (ii) the next allocation shall be distributed to local systems as grants for approved accelerated or differentiated curriculum programs for students identified as learners with high ability pursuant to section 79-1108.02 in an aggregated amount up to the amount distributed in the prior fiscal year for such purposes increased by the basic allowable growth rate pursuant to section 79-1025; (iii) up to the next one hundred sixty thousand dollars shall be used by the State Department of Education to implement section 79-759; (iv) the next one million seven hundred fifty thousand dollars shall be allocated to early childhood education grants awarded by the department pursuant to section 79-1103; (v) the next one million dollars shall be transferred to the Early Childhood Education Endowment Cash Fund for use pursuant to section 79-1104.02; (vi) the next two hundred thousand dollars shall be used to provide grants to establish bridge programs pursuant to sections 79-1189 to 79-1195; (vii) the next ten thousand dollars shall be used to fund the Interstate Compact on Educational Opportunity for Military Children; (viii) the next eighty-five thousand five hundred fifty dollars shall be allocated to the State Department of Education for distribution pursuant to section 79-2306; and (ix) the amount remaining shall be allocated, after administrative expenses, for distance education equipment and incentives pursuant to sections 79-1336 and 79-1337. No funds received as allocations from the Education Innovation Fund pursuant to this subdivision may be obligated for payment to be made after June 30, 2016.~~

(b e) For fiscal year 2014-15, the Education Innovation Fund shall be allocated, after administrative expenses, as follows: (i) The first one million two hundred thousand dollars shall be transferred to the Excellence in Teaching Cash Fund to fund the Excellence in Teaching Act; (ii) the next allocation shall be distributed to local systems as grants for approved accelerated or differentiated curriculum programs for students identified as learners with high ability pursuant to section 79-1108.02 in an aggregated amount up to the amount distributed in the prior fiscal year for such purposes increased by the basic allowable growth rate pursuant to section 79-1025; (iii) the next one million eight hundred fifty thousand dollars shall be allocated to early childhood education grants awarded by the State Department of Education pursuant to section 79-1103; (iv) the next one million dollars shall be transferred to the Early Childhood Education Endowment Cash Fund for use pursuant to section 79-1104.02; (v) the next two hundred thousand dollars shall be used to provide grants to establish bridge programs pursuant to sections 79-1189 to 79-1195; (vi) the next ten thousand dollars shall be used to fund the Interstate Compact on Educational Opportunity for Military Children; (vii) the next two million dollars shall be allocated for distance education equipment and incentives pursuant to sections 79-1336 and 79-1337; (viii) the next one million dollars shall be transferred to the School District Reorganization Fund; (ix) up to the next one hundred forty-five thousand dollars shall be used by the State Department of Education to implement section 79-759; and (x) the next three hundred thirty-five thousand dollars shall be allocated to local systems as grants awarded by the State Department of Education to assist schools in evaluating and improving career education programs to align such programs with the state's economic and workforce needs. Except for funds transferred to the School District Reorganization Fund, the Early Childhood Education Endowment Cash Fund, or the department for early childhood education grants pursuant to section 79-1103, no funds received as allocations from the Education Innovation Fund pursuant to this subdivision may be obligated for payment to be made after June 30, 2016, and such funds received as transfers or allocations from the Education Innovation Fund that have not been used for their designated purpose as of such date shall be transferred to the Nebraska Education Improvement Fund on or before August 1, 2016.

(c d) For fiscal year 2015-16, the Education Innovation Fund shall be allocated, after administrative expenses, as follows: (i) The first one million two hundred thousand dollars shall be transferred to the Excellence in Teaching Cash Fund to fund the Excellence in Teaching Act; (ii) the next allocation shall be distributed to local systems as grants for approved accelerated or differentiated curriculum programs for students identified as learners with high ability pursuant to section 79-1108.02 in an aggregated amount up to the amount distributed in the prior fiscal year for such purposes increased by the basic allowable growth rate pursuant to section 79-1025; (iii) the next one million nine hundred fifty thousand dollars shall be allocated to early

childhood education grants awarded by the State Department of Education pursuant to section 79-1103; (iv) the next one million dollars shall be transferred to the Early Childhood Education Endowment Cash Fund for use pursuant to section 79-1104.02; (v) the next ten thousand dollars shall be used to fund the Interstate Compact on Educational Opportunity for Military Children; (vi) the next two million five hundred thousand dollars shall be allocated for distance education equipment and incentives pursuant to sections 79-1336 and 79-1337; (vii) the next one million dollars shall be transferred to the School District Reorganization Fund; (viii) up to the next one hundred forty-five thousand dollars shall be used by the State Department of Education to implement section 79-759; and (ix) of the amount remaining, (A) three million dollars shall be retained in the Education Innovation Fund to transfer to the Nebraska Education Improvement Fund on June 30, 2016, and (B) the remaining amount shall be allocated to local systems as grants awarded by the State Department of Education to assist schools in evaluating and improving career education programs to align such programs with the state's economic and workforce needs. Except for funds transferred to the School District Reorganization Fund, the Early Childhood Education Endowment Cash Fund, or the department for early childhood education grants pursuant to section 79-1103, no funds received as allocations from the Education Innovation Fund pursuant to this subdivision may be obligated for payment to be made after June 30, 2016, and such funds received as transfers or allocations from the Education Innovation Fund that have not been used for their designated purpose as of such date shall be transferred to the Nebraska Education Improvement Fund on or before August 1, 2016.

(d e) The Education Innovation Fund terminates on June 30, 2016. Any money in the fund on such date shall be transferred to the Nebraska Education Improvement Fund on such date.

(5) The Nebraska Education Improvement Fund is created. The fund shall consist of money transferred pursuant to subsections (3) and (4) of this section, money transferred pursuant to section 85-1920, and any other funds appropriated by the Legislature. The fund shall be allocated, after actual and necessary administrative expenses, as provided in this section for fiscal years 2016-17 through 2020-21. A portion of each allocation may be retained by the agency to which the allocation is made or the agency administering the fund to which the allocation is made for actual and necessary expenses incurred by such agency for administration, evaluation, and technical assistance related to the purposes of the allocation, except that no amount of the allocation to the Nebraska Opportunity Grant Fund may be used for such purposes. On or before December 31, 2019, the Education Committee of the Legislature shall electronically submit recommendations to the Clerk of the Legislature regarding how the fund should be allocated to best advance the educational priorities of the state for the five-year period beginning with fiscal year 2021-22. For fiscal year 2016-17, an amount equal to ten percent of the revenue allocated to the Education Innovation Fund and to the Nebraska Opportunity Grant Fund for fiscal year 2015-16 shall be retained in the Nebraska Education Improvement Fund. For fiscal years 2017-18 through 2020-21, an amount equal to ten percent of the revenue received by the Nebraska Education Improvement Fund in the prior fiscal year shall be retained in the fund. For fiscal years 2016-17 through 2020-21, the remainder of the fund shall be allocated as follows: Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(a) One percent of the allocated funds to the Expanded Learning Opportunity Grant Fund to carry out the Expanded Learning Opportunity Grant Program Act;

(b) Seventeen percent of the allocated funds to the Department of Education Innovative Grant Fund for competitive innovation grants pursuant to section 2 of this act;

(c) Nine percent of the allocated funds to the Community College Gap Assistance Program Fund to carry out the community college gap assistance program;

(d) Eight percent of the allocated funds to the Excellence in Teaching Cash Fund to carry out the Excellence in Teaching Act;

(e) Sixty-two percent of the allocated funds to the Nebraska Opportunity Grant Fund to carry out the Nebraska Opportunity Grant Act in conjunction with appropriations from the General Fund; and

(f) Three percent of the allocated funds to fund distance education incentives pursuant to section 79-1337.

(6) Any money in the State Lottery Operation Trust Fund, the State Lottery Operation Cash Fund, the State Lottery Prize Trust Fund, the Nebraska Education Improvement Fund, or the Education Innovation Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(7) Unclaimed prize money on a winning lottery ticket shall be retained for a period of time prescribed by rules and regulations. If no claim is made within such period, the prize money shall be used at the discretion of the Tax Commissioner for any of the purposes prescribed in this section.

Sec. 2. (1) The State Board of Education shall establish a competitive innovation grant program with funding from the Nebraska Education Improvement Fund pursuant to section 9-812. Grantees shall be a school district, an educational service unit, or a combination of entities that includes at least one school district or educational service unit. For grantees that consist of a

combination of entities, a participating school district or educational service unit shall be designated to act as the fiscal agent and administer the program funded by the grant. The state board shall only award grants pursuant to applications that the state board deems to be sufficiently innovative and to have a high chance of success.

(2) An application for a grant pursuant to subsection (1) of this section shall describe:

(a) Specific measurable objectives for improving education outcomes for early childhood students, elementary students, middle school students, or high school students or for improving the transitions between any successive stages of education or between education and the workforce;

(b) The method for annually evaluating progress toward a measurable objective, with a summative evaluation of progress submitted to the state board and electronically to the Education Committee of the Legislature on or before July 1, 2019;

(c) The potential for the project to be both scalable and replicable; and

(d) Any cost savings that could be achieved by reductions in other programs if the funded program is successful.

(3) Based on evaluations received on or before July 1, 2019, for each grant, the State Board of Education shall recommend the grant project as:

(a) Representing a best practice;

(b) A model for a state-supported program; or

(c) A local issue for further study.

(4) For grant projects that are recommended as best practices, the State Board of Education may establish criteria allowing such best practices to be included in the best practices allowance to school districts pursuant to section 11 of this act beginning with aid calculated for school fiscal year 2021-22. The criteria shall:

(a) Specify qualifications for a school district to participate in the best practices allowance for each best practice to be included in the allowance;

(b) Specify a best practices dollar amount based on eighty-five percent of the estimated costs related to each best practice included in the allowance that would not otherwise be incurred without the best practice, that do not replace other such costs, and that are not included in another allowance;

(c) Specify an accountability process which will result in a future aid correction if a school district is found to be in violation of any of the qualifications; and

(d) Specify any other criteria deemed relevant by the state board.

(5) On or before November 1, 2020, and on or before November 1 of each year thereafter, the department shall certify to each qualifying school district the amount of the best practices cost pursuant to this section for such school district and the total best practices cost for all qualifying school districts to be included in the calculation of state aid for the next school fiscal year.

(6) On or before December 1, 2017, and on or before December 1 of each year thereafter, the state board shall electronically submit a report to the Clerk of the Legislature on all such grants, including, but not limited to, the results of the evaluations for each grant and on the best practices allowance if the allowance has been implemented. The state board may adopt and promulgate rules and regulations to carry out this section, including, but not limited to, application procedures, selection procedures, and annual evaluation reporting procedures.

(7) The Department of Education Innovative Grant Fund is created. The fund shall be administered by the State Department of Education and shall consist of transfers pursuant to section 9-812, repayments of grant funds, and interest payments received in the course of administering this section. The fund shall be used to carry out this section. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

Sec. 3. Section 79-8,134, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,134 The purposes of the Attracting Excellence to Teaching Program are to:

(1) Attract outstanding students to major in shortage areas at the teacher education programs of Nebraska's postsecondary educational institutions;

(2) Retain resident students and graduates as teachers in the accredited school districts, educational service units, and private schools or approved public and private schools of Nebraska; and

(3) Establish a loan contract that requires a borrower to obtain employment as a teacher in this state after graduation.

Sec. 4. Section 79-8,137, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,137 (1)(a) Prior to receiving any money from a loan pursuant to the Attracting Excellence to Teaching Program, an eligible student shall enter into a contract with the department. ~~Such contract shall provide notice to the eligible student that funding for loans pursuant to the Attracting Excellence to Teaching Program terminates on June 30, 2016.~~ Such contract shall be exempt from the requirements of sections 73-501 to 73-510.

(b) For eligible students who applied for the first time prior to April 23, 2009, the contract shall require that if (i) the borrower is not employed as a teacher in Nebraska for a time period equal to the number of years required for loan forgiveness pursuant to subsection (2) of this section and is

not enrolled as a full-time student in a graduate program within six months after obtaining an undergraduate degree for which a loan from the program was obtained or (ii) the borrower does not complete the requirements for graduation within five consecutive years after receiving the initial loan under the program, then the loan must be repaid, with interest at the rate fixed pursuant to section 45-103 accruing as of the date the borrower signed the contract, and an appropriate penalty as determined by the department may be assessed. If a borrower fails to remain enrolled at an eligible institution or otherwise fails to meet the requirements of an eligible student, repayment of the loan shall commence within six months after such change in eligibility. The State Board of Education may by rules and regulations provide for exceptions to the conditions of repayment pursuant to this subdivision based upon mitigating circumstances.

(c) For eligible students who apply for the first time on or after April 23, 2009, the contract shall require that if (i) the borrower is not employed as a full-time teacher teaching in an approved or accredited school in Nebraska and teaching at least a portion of the time in the shortage area for which the loan was received for a time period equal to the number of years required for loan forgiveness pursuant to subsection (3) of this section or and is not enrolled as a full-time student in a graduate program within six months after obtaining an undergraduate degree for which a loan from the program was obtained or (ii) the borrower does not complete the requirements for graduation within five consecutive years after receiving the initial loan under the program, then the loan shall be repaid with interest at the rate fixed pursuant to section 45-103 accruing as of the date the borrower signed the contract and actual collection costs as determined by the department. If a borrower fails to remain enrolled at an eligible institution or otherwise fails to continue to be an eligible student, repayment of the loan shall commence within six months after such change in eligibility. The State Board of Education may by rule and regulation provide for exceptions to the conditions of repayment pursuant to this subdivision based upon mitigating circumstances.

(2) If the borrower applied for the first time prior to April 23, 2009, and (a) successfully completes the teacher education program and becomes certified pursuant to sections 79-806 to 79-815, (b) becomes employed as a teacher in this state within six months of becoming certified, and (c) otherwise meets the requirements of the contract, payments shall be suspended for the number of years that the borrower is required to remain employed as a teacher in this state under the contract. For each year that the borrower teaches in Nebraska pursuant to the contract, payments shall be forgiven in an amount equal to the amount borrowed for one year, except that if the borrower teaches in a school district that is in a local system classified as very sparse as defined in section 79-1003 or teaches in a school district in which at least forty percent of the students are poverty students as defined in section 79-1003, payments shall be forgiven each year in an amount equal to the amount borrowed for two years.

(3)(a) If the borrower applies for the first time on or after April 23, 2009, and (i a) successfully completes the teacher education program and major for which the borrower is receiving a forgivable loan pursuant to the program and becomes certified pursuant to sections 79-806 to 79-815 with an endorsement in the shortage area for which the loan was received, (ii b) becomes employed as a full-time teacher teaching at least a portion of the time in the shortage area for which the loan was received in an approved or accredited school in this state within six months of becoming certified, and (iii c) otherwise meets the requirements of the contract, payments shall be suspended for the number of years that the borrower is required to remain employed as a teacher in this state under the contract.

(b) Beginning after the first two years of teaching full-time in Nebraska following graduation for the degree for which the loan was received, for each year that the borrower teaches full-time in Nebraska pursuant to the contract, the loan shall be forgiven in an amount equal to three thousand dollars, except that if the borrower teaches full-time in a school district that is in a local system classified as very sparse as defined in section 79-1003, teaches in a school building in which at least forty percent of the formula students are poverty students as defined in section 79-1003, or teaches in an accredited or approved private school in Nebraska in which at least forty percent of the enrolled students qualified for free lunches as determined by the most recent data available from the department, payments shall be forgiven each year in an amount equal to six thousand dollars.

Sec. 5. Section 79-8,137.01, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,137.01 The Enhancing Excellence in Teaching Program is created. For purposes of the Enhancing Excellence in Teaching Program:

(1) Department means the State Department of Education;

(2) Eligible graduate program means a program of study offered by an eligible institution which results in obtaining a graduate degree;

(3) Eligible institution means a not-for-profit college or university which (a) is located in Nebraska, (b) is accredited by a regional accrediting agency recognized by the United States Department of Education as determined to be acceptable by the State Board of Education, (c) has a teacher education program, and (d) if a privately funded college or university, has not opted out of the Enhancing Excellence in Teaching Program pursuant to rules and regulations;

(4) Eligible student means an individual who (a) is a certificated teacher employed to teach in an approved or accredited school in Nebraska, (b) is

enrolled in an eligible graduate program, including a course of study leading to an endorsement in a shortage area specified by the State Board of Education, (c) if enrolled at a state-funded eligible institution, is a resident student as described in section 85-502 or, if enrolled in a privately funded eligible institution, would be deemed a resident student if enrolled in a state-funded eligible institution, (d) is majoring in a shortage area, curriculum and instruction, a subject area in which the individual already holds a secular teaching endorsement, or a subject area that will result in an additional secular teaching endorsement which the superintendent of the school district or head administrator of the private, denominational, or parochial school employing the individual believes will be beneficial to the students of such school district or school as evidenced by a statement signed by the superintendent or head administrator, and (e) is applying for a loan pursuant to the Enhancing Excellence in Teaching Program to be received at a time other than during fiscal year 2011-12 or 2012-13;

(5) Majoring in a shortage area or subject area means pursuing a degree or course of study which will allow an individual to be properly endorsed to teach in such shortage area or subject area; and

(6) Shortage area means a secular field of teaching or endorsement area for which there is a shortage, as determined by the department, of properly endorsed teachers at the time the borrower first receives funds pursuant to the Enhancing Excellence in Teaching Program.

Sec. 6. Section 79-8,137.02, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,137.02 The purposes of the Enhancing Excellence in Teaching Program are to:

(1) Retain teachers in the accredited school districts, educational service units, and private schools or approved ~~public and~~ private schools of Nebraska;

(2) Improve the skills of existing teachers in Nebraska through the graduate education or endorsement programs of Nebraska's postsecondary educational institutions; and

(3) Establish a loan contract that requires a borrower to continue employment as a teacher in this state after graduation from an eligible graduate or endorsement program.

Sec. 7. Section 79-8,137.03, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,137.03 (1) The department shall administer the Enhancing Excellence in Teaching Program either directly or by contracting with public or private entities.

(2) To be eligible for the program, an eligible student shall:

(a) Agree to complete an eligible graduate or endorsement program at an eligible institution and to complete the program ~~major~~ on which the applicant's eligibility is based as determined by the department; and

(b) Commit to teach in an accredited or approved public or private school in Nebraska upon successful completion of the eligible graduate or endorsement program for which the applicant is applying to the Enhancing Excellence in Teaching Program and to maintaining certification pursuant to sections 79-806 to 79-815.

(3) Eligible students may apply on an annual basis for loans in an amount of not more than one hundred seventy-five dollars per credit hour. Loans awarded to individual students shall not exceed a cumulative period exceeding five consecutive years. Loans shall only be awarded through the department. Loans shall be funded pursuant to section 79-8,137.05.

Sec. 8. Section 79-8,137.04, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,137.04 (1) Prior to receiving any money from a loan pursuant to the Enhancing Excellence in Teaching Program, an eligible student shall enter into a contract with the department. ~~Such contract shall provide notice to the eligible student that funding for loans pursuant to the Enhancing Excellence in Teaching Program terminates on June 30, 2016.~~ Such contract shall be exempt from the requirements of sections 73-501 to 73-510. The contract shall require that if (a) the borrower is not employed as a full-time teacher teaching in an approved or accredited school in Nebraska for a time period equal to the number of years required for loan forgiveness pursuant to subsection (2) of this section or (b) the borrower does not complete the requirements for graduation within five consecutive years after receiving the initial loan under the program, then the loan shall be repaid, with interest at the rate fixed pursuant to section 45-103 accruing as of the date the borrower signed the contract and actual collection costs as determined by the department. If a borrower fails to remain enrolled at an eligible institution or otherwise fails to meet the requirements of an eligible student, repayment of the loan shall commence within six months after such change in eligibility. The State Board of Education may by rules and regulations provide for exceptions to the conditions of repayment pursuant to this subsection based upon mitigating circumstances.

(2)(a) If the borrower (i ~~a~~) successfully completes the eligible graduate or endorsement program and ~~major~~ for which the borrower is receiving a forgivable loan pursuant to the Enhancing Excellence in Teaching Program and maintains certification pursuant to sections 79-806 to 79-815, (ii ~~b~~) maintains employment as a teacher in an approved or accredited school in this state, and (iii ~~c~~) otherwise meets the requirements of the contract, payments shall be suspended for the number of years that the borrower is required to remain employed as a teacher in this state under the contract.

(b) For funds received prior to July 1, 2016, beginning after the first two years of teaching full-time in Nebraska following graduation for the degree for which the loan was received, for each year that the borrower teaches full-time in Nebraska pursuant to the contract, the loan shall be forgiven in an amount equal to three thousand dollars, except that if the borrower teaches full-time in a school district that is in a local system classified as very sparse as defined in section 79-1003, teaches in a school building in which at least forty percent of the students are poverty students as defined in section 79-1003, or teaches in an accredited or approved private school in Nebraska in which at least forty percent of the enrolled students qualified for free lunches as determined by the most recent data available from the department, payments shall be forgiven each year in an amount equal to six thousand dollars.

(c) For funds received on or after July 1, 2016, beginning after the first two years of teaching full-time in Nebraska following graduation for the degree for which the loan was received, for each year that the borrower teaches full-time in Nebraska pursuant to the contract, the loan shall be forgiven in an amount equal to one thousand five hundred dollars, except that if the borrower teaches full-time in a school district that is in a local system classified as very sparse as defined in section 79-1003, teaches in a school building in which at least forty percent of the formula students are poverty students as defined in section 79-1003, or teaches in an accredited private school or educational service unit or an approved private school in Nebraska in which at least forty percent of the enrolled students qualified for free lunches as determined by the most recent data available from the department, payments shall be forgiven each year in an amount equal to one thousand five hundred dollars for the first year of loan forgiveness and three thousand dollars for each year of loan forgiveness thereafter.

Sec. 9. Section 79-8,137.05, Reissue Revised Statutes of Nebraska, is amended to read:

79-8,137.05 (1) The Excellence in Teaching Cash Fund is created. The fund shall consist of appropriations by the Legislature, transfers pursuant to section 9-812, and loan repayments, penalties, and interest payments received in the course of administering the Attracting Excellence to Teaching Program and the Enhancing Excellence in Teaching Program.

(2) For all fiscal years except fiscal years 2011-12 and 2012-13, the department shall allocate on an annual basis up to four hundred thousand dollars in the aggregate of the funds to be distributed for the Attracting Excellence to Teaching Program to all eligible institutions according to the distribution formula as determined by rule and regulation. The eligible institutions shall act as agents of the department in the distribution of the funds for the Attracting Excellence to Teaching Program to eligible students. The department shall allocate on an annual basis up to eight hundred thousand dollars of the remaining available funds to shall be distributed by the department to eligible students for the Enhancing Excellence in Teaching Program. Funding amounts granted in excess of one million two hundred thousand dollars shall be evenly divided for distribution between the two programs.

(3) For fiscal years 2011-12 and 2012-13, the department shall allocate on an annual basis funds to be distributed for the Attracting Excellence to Teaching Program to all eligible institutions receiving applications from eligible students for loans to be received during such fiscal years. The distribution for each of fiscal years 2011-12 and 2012-13 shall be proportional based on the amounts applied for by eligible students at each institution, except that no more than one hundred percent of such amounts shall be distributed. The eligible institutions shall act as agents of the department in the distribution of the funds for the Attracting Excellence to Teaching Program to eligible students.

(3 4) Any money remaining in the fund on August 1, 2021 2016, shall be transferred to the Nebraska Education Improvement Fund on such date.

(4 5) Any money in the Excellence in Teaching Cash Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

Sec. 10. Section 79-1001, Reissue Revised Statutes of Nebraska, is amended to read:

79-1001 Sections 79-1001 to 79-1033 and section 11 of this act shall be known and may be cited as the Tax Equity and Educational Opportunities Support Act.

Sec. 11. Beginning with aid calculated for school fiscal year 2021-22, for any school fiscal year for which the best practices allowance has been implemented by the State Board of Education, the State Department of Education shall calculate a best practices allowance for each school district qualifying pursuant to section 2 of this act equal to the lesser of (1) the best practices cost certified pursuant to section 2 of this act for such school district or (2) the product of the best practices cost certified pursuant to section 2 of this act for such school district multiplied by the ratio of one million dollars divided by the aggregate total of the best practices cost certified for all qualifying school districts for such school fiscal year. Fifty percent of the best practices allowance calculated pursuant to this section for each qualifying school district shall be paid to such school district as best practices aid for the school fiscal year for which aid is being calculated.

Sec. 12. Section 79-1003, Reissue Revised Statutes of Nebraska, is amended to read:

79-1003 For purposes of the Tax Equity and Educational Opportunities

Support Act:

(1) Adjusted general fund operating expenditures means (a) for school fiscal years 2013-14 through 2015-16, the difference of the general fund operating expenditures as calculated pursuant to subdivision (22) of this section increased by the cost growth factor calculated pursuant to section 79-1007.10, minus the transportation allowance, special receipts allowance, poverty allowance, limited English proficiency allowance, distance education and telecommunications allowance, elementary site allowance, summer school allowance, instructional time allowance, teacher education allowance, and focus school and program allowance, and (b) for school fiscal year 2016-17 and each school fiscal year thereafter, the difference of the general fund operating expenditures as calculated pursuant to subdivision (22) of this section increased by the cost growth factor calculated pursuant to section 79-1007.10, minus the transportation allowance, special receipts allowance, poverty allowance, limited English proficiency allowance, distance education and telecommunications allowance, elementary site allowance, summer school allowance, best practices allowance, and focus school and program allowance;

(2) Adjusted valuation means the assessed valuation of taxable property of each local system in the state, adjusted pursuant to the adjustment factors described in section 79-1016. Adjusted valuation means the adjusted valuation for the property tax year ending during the school fiscal year immediately preceding the school fiscal year in which the aid based upon that value is to be paid. For purposes of determining the local effort rate yield pursuant to section 79-1015.01, adjusted valuation does not include the value of any property which a court, by a final judgment from which no appeal is taken, has declared to be nontaxable or exempt from taxation;

(3) Allocated income tax funds means the amount of assistance paid to a local system pursuant to section 79-1005.01 as adjusted by the minimum levy adjustment pursuant to section 79-1008.02;

(4) Average daily membership means the average daily membership for grades kindergarten through twelve attributable to the local system, as provided in each district's annual statistical summary, and includes the proportionate share of students enrolled in a public school instructional program on less than a full-time basis;

(5) Base fiscal year means the first school fiscal year following the school fiscal year in which the reorganization or unification occurred;

(6) Board means the school board of each school district;

(7) Categorical funds means funds limited to a specific purpose by federal or state law, including, but not limited to, Title I funds, Title VI funds, federal vocational education funds, federal school lunch funds, Indian education funds, Head Start funds, and funds from the Education Innovation Fund. Categorical funds does not include funds received pursuant to section 79-1028.02 or 79-1028.04;

(8) Consolidate means to voluntarily reduce the number of school districts providing education to a grade group and does not include dissolution pursuant to section 79-498;

(9) Converted contract means an expired contract that was in effect for at least fifteen school years beginning prior to school year 2012-13 for the education of students in a nonresident district in exchange for tuition from the resident district when the expiration of such contract results in the nonresident district educating students, who would have been covered by the contract if the contract were still in effect, as option students pursuant to the enrollment option program established in section 79-234;

(10) Converted contract option student means a student who will be an option student pursuant to the enrollment option program established in section 79-234 for the school fiscal year for which aid is being calculated and who would have been covered by a converted contract if the contract were still in effect and such school fiscal year is the first school fiscal year for which such contract is not in effect;

(11) Department means the State Department of Education;

(12) District means any Class I, II, III, IV, V, or VI school district and, beginning with the calculation of state aid for school fiscal year 2011-12 and each school fiscal year thereafter, a unified system as defined in section 79-4,108;

(13) Ensuing school fiscal year means the school fiscal year following the current school fiscal year;

(14) Equalization aid means the amount of assistance calculated to be paid to a local system pursuant to sections 79-1007.11 to 79-1007.23, 79-1007.25, 79-1008.01 to 79-1022, 79-1022.02, 79-1028.02, and 79-1028.04;

(15) Fall membership means the total membership in kindergarten through grade twelve attributable to the local system as reported on the fall school district membership reports for each district pursuant to section 79-528;

(16) Fiscal year means the state fiscal year which is the period from July 1 to the following June 30;

(17) Formula students means:

(a) For state aid certified pursuant to section 79-1022, the sum of the product of fall membership from the school fiscal year immediately preceding the school fiscal year in which the aid is to be paid multiplied by the average ratio of average daily membership to fall membership for the second school fiscal year immediately preceding the school fiscal year in which the aid is to be paid and the prior two school fiscal years plus sixty percent of the qualified early childhood education fall membership plus tuitioned students from the school fiscal year immediately preceding the school fiscal year in

which aid is to be paid minus the product of the number of students enrolled in kindergarten that is not full-day kindergarten from the fall membership multiplied by 0.5; and

(b) For the final calculation of state aid pursuant to section 79-1065, the sum of average daily membership plus sixty percent of the qualified early childhood education average daily membership plus tuitioned students minus the product of the number of students enrolled in kindergarten that is not full-day kindergarten from the average daily membership multiplied by 0.5 from the school fiscal year immediately preceding the school fiscal year in which aid was paid;

(18) Free lunch and free milk student means a student who qualified for free lunches or free milk from the most recent data available on November 1 of the school fiscal year immediately preceding the school fiscal year in which aid is to be paid;

(19) Full-day kindergarten means kindergarten offered by a district for at least one thousand thirty-two instructional hours;

(20) General fund budget of expenditures means the total budget of disbursements and transfers for general fund purposes as certified in the budget statement adopted pursuant to the Nebraska Budget Act, except that for purposes of the limitation imposed in section 79-1023 and the calculation pursuant to subdivision (2) of section 79-1027.01, the general fund budget of expenditures does not include any special grant funds, exclusive of local matching funds, received by a district;

(21) General fund expenditures means all expenditures from the general fund;

(22) General fund operating expenditures means for state aid calculated for school fiscal years 2012-13 and each school fiscal year thereafter, as reported on the annual financial report for the second school fiscal year immediately preceding the school fiscal year in which aid is to be paid, the total general fund expenditures minus (a) the amount of all receipts to the general fund, to the extent that such receipts are not included in local system formula resources, from early childhood education tuition, summer school tuition, educational entities as defined in section 79-1201.01 for providing distance education courses through the Educational Service Unit Coordinating Council to such educational entities, private foundations, individuals, associations, charitable organizations, the textbook loan program authorized by section 79-734, federal impact aid, and levy override elections pursuant to section 77-3444, (b) the amount of expenditures for categorical funds, tuition paid, transportation fees paid to other districts, adult education, community services, redemption of the principal portion of general fund debt service, retirement incentive plans authorized by section 79-855, and staff development assistance authorized by section 79-856, (c) the amount of any transfers from the general fund to any bond fund and transfers from other funds into the general fund, (d) any legal expenses in excess of fifteen-hundredths of one percent of the formula need for the school fiscal year in which the expenses occurred, (e) expenditures to pay for sums agreed to be paid by a school district to certificated employees in exchange for a voluntary termination occurring prior to July 1, 2009, occurring on or after the last day of the 2010-11 school year and prior to the first day of the 2013-14 school year, or, to the extent that a district has demonstrated to the State Board of Education pursuant to section 79-1028.01 that the agreement will result in a net savings in salary and benefit costs to the school district over a five-year period, occurring on or after the first day of the 2013-14 school year, (f)(i) expenditures to pay for employer contributions pursuant to subsection (2) of section 79-958 to the School Employees Retirement System of the State of Nebraska to the extent that such expenditures exceed the employer contributions under such subsection that would have been made at a contribution rate of seven and thirty-five hundredths percent or (ii) expenditures to pay for school district contributions pursuant to subdivision (1)(c)(i) of section 79-9,113 to the retirement system established pursuant to the Class V School Employees Retirement Act to the extent that such expenditures exceed the school district contributions under such subdivision that would have been made at a contribution rate of seven and thirty-seven hundredths percent, and (g) any amounts paid by the district for lobbyist fees and expenses reported to the Clerk of the Legislature pursuant to section 49-1483.

For purposes of this subdivision (22) of this section, receipts from levy override elections shall equal ninety-nine percent of the difference of the total general fund levy minus a levy of one dollar and five cents per one hundred dollars of taxable valuation multiplied by the assessed valuation for school districts that have voted pursuant to section 77-3444 to override the maximum levy provided pursuant to section 77-3442;

(23) High school district means a school district providing instruction in at least grades nine through twelve;

(24) Income tax liability means the amount of the reported income tax liability for resident individuals pursuant to the Nebraska Revenue Act of 1967 less all nonrefundable credits earned and refunds made;

(25) Income tax receipts means the amount of income tax collected pursuant to the Nebraska Revenue Act of 1967 less all nonrefundable credits earned and refunds made;

(26) Limited English proficiency students means the number of students with limited English proficiency in a district from the most recent data available on November 1 of the school fiscal year preceding the school fiscal year in which aid is to be paid plus the difference of such students with

limited English proficiency minus the average number of limited English proficiency students for such district, prior to such addition, for the three immediately preceding school fiscal years if such difference is greater than zero;

(27) Local system means a learning community for purposes of calculation of state aid for the second full school fiscal year after becoming a learning community and each school fiscal year thereafter, a unified system, a Class VI district and the associated Class I districts, or a Class II, III, IV, or V district and any affiliated Class I districts or portions of Class I districts. The membership, expenditures, and resources of Class I districts that are affiliated with multiple high school districts will be attributed to local systems based on the percent of the Class I valuation that is affiliated with each high school district;

(28) Low-income child means a child under nineteen years of age living in a household having an annual adjusted gross income for the second calendar year preceding the beginning of the school fiscal year for which aid is being calculated equal to or less than the maximum household income that would allow a student from a family of four people to be a free lunch and free milk student during the school fiscal year immediately preceding the school fiscal year for which aid is being calculated;

(29) Low-income students means the number of low-income children within the district multiplied by the ratio of the formula students in the district divided by the total children under nineteen years of age residing in the district as derived from income tax information;

(30) Most recently available complete data year means the most recent single school fiscal year for which the annual financial report, fall school district membership report, annual statistical summary, Nebraska income tax liability by school district for the calendar year in which the majority of the school fiscal year falls, and adjusted valuation data are available;

(31) Poverty students means the number of low-income students or the number of students who are free lunch and free milk students in a district plus the difference of the number of low-income students or the number of students who are free lunch and free milk students in a district, whichever is greater, minus the average number of poverty students for such district, prior to such addition, for the three immediately preceding school fiscal years if such difference is greater than zero;

(32) Qualified early childhood education average daily membership means the product of the average daily membership for school fiscal year 2006-07 and each school fiscal year thereafter of students who will be eligible to attend kindergarten the following school year and are enrolled in an early childhood education program approved by the department pursuant to section 79-1103 for such school district for such school year multiplied by the ratio of the actual instructional hours of the program divided by one thousand thirty-two if: (a) The program is receiving a grant pursuant to such section for the third year; (b) the program has already received grants pursuant to such section for three years; or (c) the program has been approved pursuant to subsection (5) of section 79-1103 for such school year and the two preceding school years, including any such students in portions of any of such programs receiving an expansion grant;

(33) Qualified early childhood education fall membership means the product of membership on the last Friday in September 2006 and each year thereafter of students who will be eligible to attend kindergarten the following school year and are enrolled in an early childhood education program approved by the department pursuant to section 79-1103 for such school district for such school year multiplied by the ratio of the planned instructional hours of the program divided by one thousand thirty-two if: (a) The program is receiving a grant pursuant to such section for the third year; (b) the program has already received grants pursuant to such section for three years; or (c) the program has been approved pursuant to subsection (5) of section 79-1103 for such school year and the two preceding school years, including any such students in portions of any of such programs receiving an expansion grant;

(34) Regular route transportation means the transportation of students on regularly scheduled daily routes to and from the attendance center;

(35) Reorganized district means any district involved in a consolidation and currently educating students following consolidation;

(36) School year or school fiscal year means the fiscal year of a school district as defined in section 79-1091;

(37) Sparse local system means a local system that is not a very sparse local system but which meets the following criteria:

(a)(i) Less than two students per square mile in the county in which each high school is located, based on the school district census, (ii) less than one formula student per square mile in the local system, and (iii) more than ten miles between each high school attendance center and the next closest high school attendance center on paved roads;

(b)(i) Less than one and one-half formula students per square mile in the local system and (ii) more than fifteen miles between each high school attendance center and the next closest high school attendance center on paved roads;

(c)(i) Less than one and one-half formula students per square mile in the local system and (ii) more than two hundred seventy-five square miles in the local system; or

(d)(i) Less than two formula students per square mile in the local system and (ii) the local system includes an area equal to ninety-five percent or more

of the square miles in the largest county in which a high school attendance center is located in the local system;

(38) Special education means specially designed kindergarten through grade twelve instruction pursuant to section 79-1125, and includes special education transportation;

(39) Special grant funds means the budgeted receipts for grants, including, but not limited to, categorical funds, reimbursements for wards of the court, short-term borrowings including, but not limited to, registered warrants and tax anticipation notes, interfund loans, insurance settlements, and reimbursements to county government for previous overpayment. The state board shall approve a listing of grants that qualify as special grant funds;

(40) State aid means the amount of assistance paid to a district pursuant to the Tax Equity and Educational Opportunities Support Act;

(41) State board means the State Board of Education;

(42) State support means all funds provided to districts by the State of Nebraska for the general fund support of elementary and secondary education;

(43) Statewide average basic funding per formula student means the statewide total basic funding for all districts divided by the statewide total formula students for all districts;

(44) Statewide average general fund operating expenditures per formula student means the statewide total general fund operating expenditures for all districts divided by the statewide total formula students for all districts;

(45) Teacher has the definition found in section 79-101;

(46) Temporary aid adjustment factor means (a) for school fiscal years before school fiscal year 2007-08, one and one-fourth percent of the sum of the local system's transportation allowance, the local system's special receipts allowance, and the product of the local system's adjusted formula students multiplied by the average formula cost per student in the local system's cost grouping and (b) for school fiscal year 2007-08, one and one-fourth percent of the sum of the local system's transportation allowance, special receipts allowance, and distance education and telecommunications allowance and the product of the local system's adjusted formula students multiplied by the average formula cost per student in the local system's cost grouping;

(47) Tuition receipts from converted contracts means tuition receipts received by a district from another district in the most recently available complete data year pursuant to a converted contract prior to the expiration of the contract;

(48) Tuitioned students means students in kindergarten through grade twelve of the district whose tuition is paid by the district to some other district or education agency; and

(49) Very sparse local system means a local system that has:

(a)(i) Less than one-half student per square mile in each county in which each high school attendance center is located based on the school district census, (ii) less than one formula student per square mile in the local system, and (iii) more than fifteen miles between the high school attendance center and the next closest high school attendance center on paved roads; or

(b)(i) More than four hundred fifty square miles in the local system, (ii) less than one-half student per square mile in the local system, and (iii) more than fifteen miles between each high school attendance center and the next closest high school attendance center on paved roads.

Sec. 13. Section 79-1007.11, Reissue Revised Statutes of Nebraska, is amended to read:

79-1007.11 (1) Except as otherwise provided in this section, for school fiscal years 2013-14 through 2015-16, each school district's formula need shall equal the difference of the sum of the school district's basic funding, poverty allowance, limited English proficiency allowance, focus school and program allowance, summer school allowance, special receipts allowance, transportation allowance, elementary site allowance, instructional time allowance, teacher education allowance, distance education and telecommunications allowance, averaging adjustment, new learning community transportation adjustment, student growth adjustment, any positive student growth adjustment correction, and new school adjustment, minus the sum of the limited English proficiency allowance correction, poverty allowance correction, and any negative student growth adjustment correction.

(2) Except as otherwise provided in this section, for school fiscal year 2016-17 and each school fiscal year thereafter, each school district's formula need shall equal the difference of the sum of the school district's basic funding, poverty allowance, limited English proficiency allowance, focus school and program allowance, summer school allowance, special receipts allowance, transportation allowance, elementary site allowance, best practices allowance, distance education and telecommunications allowance, averaging adjustment, new learning community transportation adjustment, student growth adjustment, any positive student growth adjustment correction, and new school adjustment, minus the sum of the limited English proficiency allowance correction, poverty allowance correction, and any negative student growth adjustment correction.

(3) If the formula need calculated for a school district pursuant to subsections (1) and (2) of this section is less than one hundred percent of the formula need for such district for the school fiscal year immediately preceding the school fiscal year for which aid is being calculated, the formula need for such district shall equal one hundred percent of the formula need for such district for the school fiscal year immediately preceding the school fiscal year for which aid is being calculated.

(4) Except as provided in subsection (6) of this section, if the formula

need calculated for a school district pursuant to subsections (1) and (2) of this section is more than one hundred twelve percent of the formula need for such district for the school fiscal year immediately preceding the school fiscal year for which aid is being calculated, the formula need for such district shall equal one hundred twelve percent of the formula need for such district for the school fiscal year immediately preceding the school fiscal year for which aid is being calculated, except that the formula need shall not be reduced pursuant to this subsection for any district receiving a student growth adjustment for the school fiscal year for which aid is being calculated.

(5) For purposes of subsections (3) and (4) of this section, the formula need for the school fiscal year immediately preceding the school fiscal year for which aid is being calculated shall be the formula need used in the final calculation of aid pursuant to section 79-1065 and for districts that were affected by a reorganization with an effective date in the calendar year preceding the calendar year in which aid is certified for the school fiscal year for which aid is being calculated, the formula need for the school fiscal year immediately preceding the school fiscal year for which aid is being calculated shall be attributed to the affected school districts based on information provided to the department by the school districts or proportionally based on the adjusted valuation transferred if sufficient information has not been provided to the department.

(6) For state aid calculated for the first full school fiscal year of a new learning community, if the formula need calculated for a member school district pursuant to subsections (1) through (3) of this section is less than the sum of the school district's state aid certified for the school fiscal year immediately preceding the first full school fiscal year of the learning community plus the school district's other actual receipts included in local system formula resources pursuant to section 79-1018.01 for such school fiscal year plus the product of the school district's general fund levy for such school fiscal year up to one dollar and five cents multiplied by the school district's assessed valuation for such school fiscal year, the formula need for such school district for the school fiscal year for which aid is being calculated shall equal such sum.

Sec. 14. Section 79-1017.01, Reissue Revised Statutes of Nebraska, is amended to read:

~~79-1017.01 (1) For state aid calculated for school fiscal year 2013-14, local system formula resources includes retirement aid determined under section 79-1028.03, teacher education aid determined for each district pursuant to subdivision (2) of section 79-1007.25, instructional time aid determined pursuant to subsection (2) of section 79-1007.23, allocated income tax funds determined for each district pursuant to section 79-1005.01, and adjustments pursuant to section 79-1008.02 and is reduced by amounts paid by the district in the most recently available complete data year as property tax refunds pursuant to or in the manner prescribed by section 77-1736.06.~~

~~(1 2) For state aid calculated for school fiscal years 2014-15 and 2015-16, local system formula resources includes teacher education aid determined for each district pursuant to section 79-1007.25, instructional time aid determined pursuant to subsection (2) of section 79-1007.23, allocated income tax funds determined for each district pursuant to section 79-1005.01, and adjustments pursuant to section 79-1008.02 and is reduced by amounts paid by the district in the most recently available complete data year as property tax refunds pursuant to or in the manner prescribed by section 77-1736.06.~~

~~(2 3) For state aid calculated for school fiscal year 2016-17 and each school fiscal year thereafter, local system formula resources includes best practices aid pursuant to section 11 of this act, if any districts in the local system qualify, allocated income tax funds determined for each district pursuant to section 79-1005.01, and adjustments pursuant to section 79-1008.02 and is reduced by amounts paid by the district in the most recently available complete data year as property tax refunds pursuant to or in the manner prescribed by section 77-1736.06.~~

Sec. 15. Sections 15 to 24 of this act shall be known and may be cited as the Expanded Learning Opportunity Grant Program Act.

Sec. 16. The purpose of the Expanded Learning Opportunity Grant Program Act is to promote academic achievement outside of school hours in high-need school districts.

Sec. 17. For purposes of the Expanded Learning Opportunity Grant Program Act:

(1) Community learning center has the definition found in 20 U.S.C. 7171(b)(1), as such section existed on January 1, 2015;

(2) Department means the State Department of Education;

(3) Expanded learning opportunity program means a school-community partnership that provides participating elementary-age and secondary-age students and their families with programming and other support activities and services after school and on weekends, holidays, and other hours when school is not in session through a mix of programs and services that (a) complement but do not duplicate elementary and secondary school day learning and (b) create opportunities to strengthen school-community partnerships that provide students and their families with the support they need to be successful in school; and

(4) High-need school district means a school district in which forty percent or more of the enrolled students qualify for free and reduced price meals under the National School Lunch Program, 7 C.F.R. part 210, as such regulations existed on January 1, 2015.

Sec. 18. The department shall establish and administer the Expanded

Learning Opportunity Grant Program. The grant program shall provide grants to community-based organizations working in partnership with schools in high-need school districts to provide expanded learning opportunity programs.

Sec. 19. The first priority of the Expanded Learning Opportunity Grant Program is to continue existing 21st Century Community Learning Centers funded by the federal 21st Century Community Learning Center program pursuant to 20 U.S.C. 7171 et seq., as such sections existed on January 1, 2015, in high-need school districts that have a record of success. The second priority shall be support for new expanded learning opportunity program development in areas of the state with a high percentage of at-risk children that are not currently served by school-based or school-linked expanded learning opportunity programs funded by the federal 21st Century Community Learning Center program pursuant to 20 U.S.C. 7171 et seq., as such sections existed on January 1, 2015.

Sec. 20. (1) The department shall establish an application process and timeline pursuant to which partner organizations may submit proposals for a grant under the Expanded Learning Opportunity Grant Program. Each proposal shall include:

- (a) A grant planning period;
- (b) An agreement to participate in periodic evaluations of the expanded learning opportunity program, to be specified by the department;
- (c) Evidence that the proposed expanded learning opportunity program will be coordinated or contracted with existing programs;
- (d) A plan to coordinate and use a combination of local, state, philanthropic, and federal funding sources, including, but not limited to, funding available through the federal No Child Left Behind Act of 2001, 20 U.S.C. 6301 et seq., as such act and sections existed on January 1, 2015, funds allocated pursuant to section 9-812, and funds from any other source designated or appropriated for purposes of the program. Funding provided by the Expanded Learning Opportunity Grant Program shall be matched on a one-to-one basis by community or partner contributions;
- (e) A plan to use sliding-fee scales and the funding sources included in subdivision (d) of this subsection;
- (f) An advisory body which includes families and community members;
- (g) Appropriately qualified staff;
- (h) An appropriate child-to-staff ratio;
- (i) Compliance with minimum health and safety standards;
- (j) A strong family development and support component, recognizing the central role of parents in their children's development; and
- (k) Developmentally and culturally appropriate practices and assessments.

(2) The proposal shall demonstrate how the expanded learning opportunity program will provide participating students with academic enrichment and expanded learning opportunities that are high quality, based on proven methods, if appropriate, and designed to complement students' regular academic programs. Such activities shall include two or more of the following:

- (a) Core education subjects of reading, writing, mathematics, and science;
- (b) Academic enrichment learning programs, including provision of additional assistance to students to allow the students to improve their academic achievement;
- (c) Science, technology, engineering, and mathematics (STEM) education;
- (d) Sign language, foreign language, and social studies instruction;
- (e) Remedial education activities;
- (f) Tutoring services, including, but not limited to, tutoring services provided by senior citizen volunteers;
- (g) Arts and music education;
- (h) Entrepreneurial education programs;
- (i) Telecommunications and technology education programs;
- (j) Programs for English language learners that emphasize language skills and academic achievement;
- (k) Mentoring programs;
- (l) Recreational activities;
- (m) Expanded library service hours;
- (n) Programs that provide assistance to students who have been truant, suspended, or expelled to allow such students to improve their academic achievement;
- (o) Drug abuse prevention and violence prevention programs;
- (p) Character education programs;
- (q) Health and nutritional services;
- (r) Behavioral health counseling services; and
- (s) Programs that promote parental involvement and family literacy.

(3) A proposal shall: (a) Demonstrate specifically how its activities are expected to improve student academic achievement; (b) demonstrate that its activities will be provided by organizations in partnership with the school that have experience or the promise of success in providing educational and related activities that will complement and enhance the academic performance, achievement, and positive development of the students; and (c) demonstrate that the expanded learning opportunity program aligns with the school district learning objectives and behavioral codes. Nothing in this subsection shall be construed to require an expanded learning opportunity program to provide academic services in specific subject areas.

(4) The department shall make an effort to fund expanded learning opportunity programs in both rural and urban areas of the state. The department shall award grants to proposals that offer a broad array of services, programs, and activities.

Sec. 21. A school district participating in an expanded learning opportunity program shall inform an authorized representative or designee of each nonpublic school geographically located within each public school building's attendance area regarding potential participation in an expanded learning opportunity program.

Sec. 22. Grantees receiving funds pursuant to the Expanded Learning Opportunity Grant Program shall cooperate with evaluators and supervise the administration and collection of student, teacher, parent, and collaboration surveys. Grantees shall also designate a qualified evaluation professional or local evaluation support to ensure data collection, perform annual self-assessments, monitor program progress, and assist in developing local evaluation reports.

Sec. 23. The department shall provide a report evaluating the expanded learning opportunity programs to the Legislature by January 1 of each odd-numbered year. The report submitted to the Legislature shall be submitted electronically.

Sec. 24. (1) The Expanded Learning Opportunity Grant Fund is created. The fund shall be administered by the department and shall consist of transfers pursuant to section 9-812, repayments of grant funds, and interest payments received in the course of administering the Expanded Learning Opportunity Grant Program Act. The fund shall be used to carry out the Expanded Learning Opportunity Grant Program Act. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) The State Board of Education, in consultation with the department, may adopt and promulgate rules and regulations to carry out the Expanded Learning Opportunity Grant Program Act.

Sec. 25. Section 79-1337, Reissue Revised Statutes of Nebraska, is amended to read:

79-1337 (1) For fiscal years 2007-08 through 2020-21 ~~2015-16~~, the State Department of Education shall provide distance education incentives ~~from the Education Innovation Fund~~ to school districts and educational service units for qualified distance education courses coordinated through the ~~Distance Education Council until July 1, 2008, and the Educational Service Unit Coordinating Council on and after July 1, 2008,~~ as provided in this section. Through fiscal year 2015-16, funding for such distance education incentives shall come from the Education Innovation Fund. For fiscal years 2016-17 through 2020-21, funding for such distance education incentives shall come from the Nebraska Education Improvement Fund.

(2) School districts and educational service units shall apply for incentives annually through calendar year 2020 ~~2015~~ to the department on or before August 1 on a form specified by the department. The application shall:

(a) For school districts, specify (i) the qualified distance education courses which were received by students in the membership of the district in the then-current school fiscal year and which were not taught by a teacher employed by the school district and (ii) for each such course (A) the number of students in the membership of the district who received the course, (B) the educational entity employing the teacher, and (C) whether the course was a two-way interactive video distance education course; and

(b) For school districts and educational service units, specify (i) the qualified distance education courses which were received by students in the membership of another educational entity in the then-current school fiscal year and which were taught by a teacher employed by the school district or educational service unit, (ii) for each such course for school districts, the number of students in the membership of the district who received the course, and (iii) for each such course (A) the other educational entities in which students received the course and how many students received the course at such educational entities, (B) any school district that is sparse or very sparse as such terms are defined in section 79-1003 that had at least one student in the membership who received the course, and (C) whether the course was a two-way interactive video distance education course.

(3) On or before September 1 of each year through calendar year 2020 ~~2015~~, the department shall certify the incentives for each school district and educational service unit which shall be paid on or before October 1 of such year. The incentives for each district shall be calculated as follows:

(a) Each district shall receive distance education units for each qualified distance education course as follows:

(i) One distance education unit for each qualified distance education course received as reported pursuant to subdivision (2)(a) of this section if the course was a two-way interactive video distance education course;

(ii) One distance education unit for each qualified distance education course sent as reported pursuant to subdivision (2)(b) of this section if the course was not received by at least one student who was in the membership of another school district which was sparse or very sparse;

(iii) One distance education unit for each qualified distance education course sent as reported pursuant to subdivision (2)(b) of this section if the course was received by at least one student who was in the membership of another school district which was sparse or very sparse, but the course was not a two-way interactive video distance education course; and

(iv) Two distance education units for each qualified distance education course sent as reported pursuant to subdivision (2)(b) of this section if the course was received by at least one student who was in the membership of another school district which was sparse or very sparse and the course was a

two-way interactive video distance education course;

(b) The difference of the amount available for distribution in the Education Innovation Fund on the August 1 when the applications were due minus any amount to be paid to school districts pursuant to section 79-1336 shall be divided by the number of distance education units to determine the incentive per distance education unit, except that the incentive per distance education unit shall not equal an amount greater than one thousand dollars; and

(c) The incentives for each school district shall equal the number of distance education units calculated for the school district multiplied by the incentive per distance education unit.

(4) If there are additional funds available for distribution after equipment reimbursements pursuant to section 79-1336 and incentives calculated pursuant to subsections (1) through (3) of this section, school districts and educational service units may qualify for additional incentives for elementary distance education courses. Such incentives shall be calculated for sending and receiving school districts and educational service units as follows:

(a) The per-hour incentives shall equal the funds available for distribution after equipment reimbursements pursuant to section 79-1336 and incentives calculated pursuant to subsections (1) through (3) of this section divided by the sum of the hours of elementary distance education courses sent or received for each school district and educational service unit submitting an application, except that the per-hour incentives shall not be greater than ten dollars; and

(b) The elementary distance education incentives for each school district and educational service unit shall equal the per-hour incentive multiplied by the hours of elementary distance education courses sent or received by the school district or educational service unit.

(5) The department may verify any or all application information using annual curriculum reports and may request such verification from the council.

(6) On or before October 1 of each year through calendar year 2020 2015, a school district or educational service unit may appeal the denial of incentives for any course by the department to the State Board of Education. The board shall allow a representative of the school district or educational service unit an opportunity to present information concerning the appeal to the board at the November board meeting. If the board finds that the course meets the requirements of this section, the department shall pay the district from the Education Innovation Fund as soon as practical in an amount for which the district or educational service unit should have qualified based on the incentive per distance education unit used in the original certification of incentives pursuant to this section.

(7) The State Board of Education shall adopt and promulgate rules and regulations to carry out this section.

Sec. 26. Section 85-1412, Reissue Revised Statutes of Nebraska, is amended to read:

85-1412 The commission shall have the following additional powers and duties:

(1) Conduct surveys and studies as may be necessary to undertake the coordination function of the commission pursuant to section 85-1403 and request information from governing boards and appropriate administrators of public institutions and other governmental agencies for research projects. All public institutions and governmental agencies receiving state funds shall comply with reasonable requests for information under this subdivision. Public institutions may comply with such requests pursuant to section 85-1417;

(2) Recommend to the Legislature and the Governor legislation it deems necessary or appropriate to improve postsecondary education in Nebraska and any other legislation it deems appropriate to change the role and mission provisions in sections 85-917 to 85-966.01. The recommendations submitted to the Legislature shall be submitted electronically;

(3) Establish any advisory committees as may be necessary to undertake the coordination function of the commission pursuant to section 85-1403 or to solicit input from affected parties such as students, faculty, governing boards, administrators of the public institutions, administrators of the private nonprofit institutions of postsecondary education and proprietary institutions in the state, and community and business leaders regarding the coordination function of the commission;

(4) Participate in or designate an employee or employees to participate in any committee which may be created to prepare a coordinated plan for the delivery of educational programs and services in Nebraska through the telecommunications system;

(5) Seek a close liaison with the State Board of Education and the State Department of Education in recognition of the need for close coordination of activities between elementary and secondary education and postsecondary education;

(6) Administer the Integrated Postsecondary Education Data System or other information system or systems to provide the commission with timely, comprehensive, and meaningful information pertinent to the exercise of its duties. The information system shall be designed to provide comparable data on each public institution. The commission shall also administer the uniform information system prescribed in sections 85-1421 to 85-1427 known as the Nebraska Educational Data System. Public institutions shall supply the appropriate data for the information system or systems required by the commission;

(7) Administer (a) the Access College Early Scholarship Program Act, (b)

the Community College Aid Act, (c) the Nebraska Community College Student Performance and Occupational Education Grant Fund under the direction of the Nebraska Community College Student Performance and Occupational Education Grant Committee, (d) the Nebraska Opportunity Grant Act, and (e) the Postsecondary Institution Act, and (f) the community college gap assistance program and the Community College Gap Assistance Program Fund;

(8) Accept and administer loans, grants, and programs from the federal or state government and from other sources, public and private, for carrying out any of its functions, including the administration of privately endowed scholarship programs. Such loans and grants shall not be expended for any other purposes than those for which the loans and grants were provided. The commission shall determine eligibility for such loans, grants, and programs, and such loans and grants shall not be expended unless approved by the Governor;

(9) On or before December 1 of each even-numbered year, submit to the Legislature and the Governor a report of its objectives and activities and any new private colleges in Nebraska and the implementation of any recommendations of the commission for the preceding two calendar years. The report submitted to the Legislature shall be submitted electronically;

(10) Provide staff support for interstate compacts on postsecondary education; and

(11) Request inclusion of the commission in any existing grant review process and information system.

Sec. 27. Sections 27 to 37 of this act shall be known and may be cited as the Community College Gap Assistance Program Act.

Sec. 28. For purposes of the Community College Gap Assistance Program Act:

(1) Committee means the Nebraska Community College Student Performance and Occupational Education Grant Committee;

(2) Community college gap assistance program means the program created pursuant to section 29 of this act;

(3) Eligible program means a program offered by a community college that is not offered for credit but is aligned with training programs with stackable credentials that lead to a program awarding college credit, an associate's degree, a diploma, or a certificate in an in-demand occupation, has a duration of not less than sixteen contact hours in length, and does any of the following:

- (a) Offers a state, national, or locally recognized certificate;
- (b) Offers preparation for a professional examination or licensure;
- (c) Provides endorsement for an existing credential or license;
- (d) Represents recognized skill standards defined by an industrial sector;

or

- (e) Offers a similar credential or training; and

(4) In-demand occupation means:

- (a) Financial services;
- (b) Transportation, warehousing, and distribution logistics;
- (c) Precision metals manufacturing;
- (d) Biosciences;
- (e) Renewable energy;
- (f) Agriculture and food processing;
- (g) Business management and administrative services;
- (h) Software and computer services;
- (i) Research, development, and engineering services;
- (j) Health services;
- (k) Hospitality and tourism; and
- (l) Any other industry designated as an in-demand occupation by the committee.

Sec. 29. (1) The community college gap assistance program is created. The program shall be under the direction of the committee and shall be administered by the Coordinating Commission for Postsecondary Education. The purpose of the community college gap assistance program is to provide funding to community colleges to award community college gap assistance to students in eligible programs.

(2) To be eligible for community college gap assistance under the community college gap assistance program, an applicant:

- (a) Shall have a family income which is at or below two hundred fifty percent of Office of Management and Budget income poverty guidelines; and
- (b) Shall be a resident of Nebraska as provided in section 85-502.

(3) Eligibility for such tuition assistance shall not be construed to guarantee enrollment in any eligible program.

Sec. 30. Application for community college gap assistance under the community college gap assistance program shall be made to the community college in which the applicant is enrolled or intends to enroll. An application shall be valid for six months from the date of signature on the application. The applicant shall provide documentation of all sources of income. An applicant shall not receive community college gap assistance for more than one eligible program.

Sec. 31. (1) An applicant for community college gap assistance under the community college gap assistance program shall demonstrate capacity to achieve the following outcomes:

- (a) The ability to be accepted to and complete an eligible program;
- (b) The ability to be accepted into and complete a postsecondary certificate, diploma, or degree program for credit;

(c) The ability to obtain full-time employment; and

(d) The ability to maintain full-time employment over time.

(2) The committee may grant community college gap assistance under the community college gap assistance program to an applicant in any amount up to the full amount of eligible costs.

(3) The committee shall deny an application when the community college receiving the application determines that funding for an applicant's participation in an eligible program is available from any other public or private funding source.

Sec. 32. The eligible costs for which the committee may award community college gap assistance under the community college gap assistance program include, but are not limited to:

(1) Tuition;

(2) Direct training costs;

(3) Required books and equipment; and

(4) Fees, including, but not limited to, fees for industry testing services and background check services.

Sec. 33. An applicant for community college gap assistance under the community college gap assistance program shall complete an initial assessment administered by the community college receiving the application to determine the applicant's readiness to complete an eligible program. The initial assessment shall include any assessments required by the eligible program.

Sec. 34. (1) A recipient of community college gap assistance under the community college gap assistance program shall:

(a) Maintain regular contact with faculty of the eligible program to document the applicant's progress in the program;

(b) Sign any necessary releases to provide relevant information to community college faculty or case managers, if applicable;

(c) Discuss with faculty of the eligible program any issues that may affect the recipient's ability to complete the eligible program and obtain and maintain employment;

(d) Attend all required courses regularly; and

(e) Meet with faculty of the eligible program to develop a job-search plan.

(2) A community college may terminate community college gap assistance under the community college gap assistance program for a recipient who fails to meet the requirements of this section.

Sec. 35. (1) The Community College Gap Assistance Program Fund is created. The fund shall be under the direction of the committee and shall be administered by the Coordinating Commission for Postsecondary Education. The fund shall consist of money received pursuant to section 9-812, any other money received by the state in the form of grants or gifts from nonfederal sources, such other amounts as may be transferred or otherwise accrue to the fund, and any investment income earned on the fund. The fund shall be used to provide aid or grants to the community colleges pursuant to the Community College Gap Assistance Program Act. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) The total of community college gap assistance awarded from the Community College Gap Assistance Program Fund during any fiscal year shall not exceed one million five hundred thousand dollars.

(3) Money in the fund may also be used by the committee:

(a) To establish application and funding procedures; and

(b) To assist community colleges in defraying the costs of direct staff support services, including, but not limited to, marketing, outreach, applications, interviews, and assessments as follows: (i) Up to twenty percent of any amount allocated for such purposes to the two smallest community colleges; (ii) up to ten percent of any such amount to the two largest community colleges; and (iii) up to fifteen percent of any such amount to the remaining two community colleges. For purposes of this subsection, community college size shall be determined based on the most recent three-year rolling average full-time equivalent enrollment.

Sec. 36. (1) The committee shall develop a common applicant tracking system for the community college gap assistance program that shall be implemented consistently by each participating community college.

(2) The committee shall coordinate statewide oversight, evaluation, and reporting efforts for the community college gap assistance program.

(3) The committee shall meet at least quarterly to evaluate and monitor the performance of the community college gap assistance program to determine if performance measures are being met and shall take necessary steps to correct any deficiencies. Performance measures include, but are not limited to, eligible program completion rates, job attainment rates, and continuing education rates.

Sec. 37. The Coordinating Commission for Postsecondary Education may adopt and promulgate rules and regulations to carry out the Community College Gap Assistance Program Act.

Sec. 38. Section 85-1920, Reissue Revised Statutes of Nebraska, is amended to read:

85-1920 The Nebraska Opportunity Grant Fund is created. Money in the fund shall include amounts transferred from the State Lottery Operation Trust Fund pursuant to section 9-812 until June 30, 2016, or the Nebraska Education Improvement Fund pursuant to section 9-812 until June 30, 2021. All amounts accruing to the Nebraska Opportunity Grant Fund shall be used to carry out the

Nebraska Opportunity Grant Act. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

The Nebraska Opportunity Grant Fund terminates on June 30, ~~2021~~ 2016. Any money in the fund on such date shall be transferred to the Nebraska Education Improvement Fund on such date.

Sec. 39. The Education Committee of the Legislature shall conduct a study of postsecondary education affordability in Nebraska and alternatives for supporting students and families with the cost. The committee shall electronically report its recommendations to the Clerk of the Legislature on or before December 31, 2015.

Sec. 40. Original sections 79-8,134, 79-8,137, 79-8,137.01, 79-8,137.02, 79-8,137.03, 79-8,137.04, 79-8,137.05, 79-1001, 79-1003, 79-1007.11, 79-1017.01, 79-1337, 85-1412, and 85-1920, Reissue Revised Statutes of Nebraska, and section 9-812, Revised Statutes Cumulative Supplement, 2014, are repealed.

Sec. 41. The following section is outright repealed: Section 79-2306, Reissue Revised Statutes of Nebraska.

Educational Service Unit Coordinating Council
Legal Committee Meeting
February 5, 2020 at 3:00 PM Central
ESU 5, ESU 5 900 W. Court Street, Beatrice, NE 68130
6949 South 110th Street
LaVista, NE 68128

Attendance Taken at 2:55 PM.

Greg Barnes:	Absent
Paul Calvert:	Present
Dr. Andrew Dick:	Present
Dr. Larianne Polk:	Absent
Gregg Robke:	Present
Dr. Dan Schnoes:	Present
Dr. John Skretta:	Absent
Dr. Melissa Wheelock:	Present

1. Call to Order

Notice to visitors: To be heard at this meeting, the "Request to be Heard" form, must be completed and submitted to the Secretary to the Executive Director of ESUCC. The President of the Board of ESUCC will call upon visitors wishing to address the Board in the order they were submitted or by subject.

Pursuant to Section 84-1411 of the Nebraska Statutes, notice of this meeting was given by advertisement on the ESUCC website, NE Public Meeting site, and host site.

Open Meetings Law: Pursuant to Section 84 - 1412 of the Nebraska Statutes, the public is hereby informed that a current copy of the Nebraska Open Meetings Act is posted in this meeting room.

Closed Session:

The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

Call to order at 3:00PM.

Staff: Kraig Lofquist, Deb Hericks, Priscilla Quintana, Colleen Lentz.

2. Roll Call

3. Agenda Item

3.1. COOP

Requested Administrators to promote COOP to their schools. Discussion regarding Equal Level and the ease of use - cumbersome. Staff working to create a better shopping experience for the end user.

3.1.1. Coop Strategic Plan

Executive Director shared updates on Coop. Quarter 4 sales are up for a year ago and year to date sales are also up from last year. Focusing on less is more content and continue to work on analytics.

3.1.2. Coop Contracts

Approve Annual Buy Awards 100 Electronics

Review contracts to be approved.

Motion to approve the Annual Buy line item awards as awarded by ESUCC Coop staff Passed with a motion by Gregg Robke and a second by Paul Calvert.

Paul Calvert: Yea

Dr. Andrew Dick: Yea

Gregg Robke: Yea

Dr. Dan Schnoes: Yea

Dr. Melissa Wheelock: Yea

Yea: 5, Nay: 0

3.1.2.2. Approve Food Bid extension for the 2020-2021 year with Sysco

Review contracts to be approved.

Motion to approve 2020-2021 Extension with Sysco upon a favorable review by ESUCC appointed Attorney for the 2017-ESUCC-FDPRG food bid Passed with a motion by Gregg Robke and a second by Dr. Dan Schnoes.

Paul Calvert: Yea
Dr. Andrew Dick: Yea
Gregg Robke: Yea
Dr. Dan Schnoes: Yea
Dr. Melissa Wheelock: Yea
Yea: 5, Nay: 0

3.1.3. Staff Written Reports

3.1.3.1. Peterson Report

3.1.3.1.1. Annual/Paper Buy

1.
 - a. On January 13-14 the ESUCC Director awarded the 100 Technology section for the Annual Buy.
 - b. Annual Buy catalog creation began on January 9 - Staff will continue to work on this throughout January and February.
 - i. The Paper catalog was completed and uploaded to the Marketplace for a February 3 opening date.
 - ii. The Annual Buy catalog is being written by staff as we speak for a February 17 opening date.

Annual Paper buy opened yesterday for ordering.

3.1.3.1.2. Specials Buys

1. Adobe VIP Named User licenses

- a. New Schools coming onboard this last month include Fullerton and East Butler.
- b. Currently we have 17,883 Creative Cloud for Education application licenses purchased and 30,129 licenses of the free Adobe Spark licenses. All users are required to sign in through the Nebraska Cloud Single-Sign-On.
- c. Savings for each District ranges from \$2,000 to \$12,000 depending on how they would have licensed under a district license, single building or Device license models.

d. Special Buy Contract Considerations

- i. **Tierney** - contacted us about being added to the Marketplace, referral came from ESU 8.

Executive Director shared Special Buy notes and some data for those buys.

3.1.3.1.3. AEPA

??????Contracts & Extensions approved at last month's Board meeting have been signed by all AEPA vendors except one.

Executive Director shared AEPA notes.

3.1.3.2. Colleen Lentz (Data)

Data shared prior in meeting.

3.2. Legislative Updates

3.2.1. Bromm's Updates

Executive Director shared legislative updates. LB998 Behavior intervention and training committee voted out of committee. Revised amendment of LB1803 and LB 47 to keep moving this bill moving forward. Lottery funds were also voted out of committee. We have several testified for keeping the lottery funds. LB920 - Groene - Change provisions for the distribution of lottery funds used for education, transfer powers and duties, and create new funds. NDE Department clean-up bill - ESU funds if there is a school consolidation. LB974 - reduces property taxes - Change taxation and school funding provisions. LB1073 - Create the School Financing Review Commission, add basic funding aid, and change adjusted valuations, the local effort rate, and certification dates. She would have a commission to meet to discuss inequities. Does not have much traction to date.

3.3. LB 519 - Distance Education Incentives

LB 519 - Distance Education Incentives - set to sunset fiscal year 2020

Some thoughts and ideas:

- How can refresh?
- Both sites on Network NE?
- Only receive? Double areas of need.

- Include online for all areas
- Working on reports for ESUs
- Not all include info on NVIS
- Provide DEUs for new DL Teachers/new schools. DL?
- Encourage larger schools to offer DL. Double?
- Can sparse/very sparse be for all C and/or D schools.
- How does Rule 10 become a factor?
- Need to find a sponsoring senator

3.4. Policies and Procedures

3.4.1. Recommend Approval Article 3 Section of Policy Updates

Review and recommend approval of Article 3 of policies.

Recommend Approval of Article 3 of policies both new and updated with appropriate legal review Passed with a motion by Dr. Dan Schnoes and a second by Dr. Melissa Wheelock.

Paul Calvert: Yea
 Dr. Andrew Dick: Yea
 Gregg Robke: Yea
 Dr. Dan Schnoes: Yea
 Dr. Melissa Wheelock: Yea
 Yea: 5, Nay: 0

3.4.2. Review Policies: Article 4

Review Article 4 and bring forth for approval next month.

4. Next Meetings Agenda Items

5. Adjournment

Meeting adjourned at 3:44PM.

Legislative Bill Review

January 28, 2020

1. LB 998 (Murman) Support

This is the “restraint & seclusion” training bill, also known as the bill to require ***behavioral awareness and intervention training***. The hearing for this bill was held yesterday, January 27th. There were many testifiers in support of the bill including Dr. John Skretta, myself, Jack Moles (NRCSA), Kyle McGown (NCSA), Boystown representatives and Brian Halsted (NDE). One of the last testifiers represented the Nebraska School Psychology Association.

During the review of this bill, the role of the ESUs was discussed. The current language does not specifically mention ESUs. Rather, the language says each Nebraska school shall ensure that the aforementioned training occurs. We then digressed into the numerous nuances (time, energy, money, #s of people to be trained at one time, etc.).

It is likely that this bill will pass, but not with its current wording. ***So, there is some lobbying efforts we all need to do on behalf of ESUs, so we can be involved in providing the required training.***

2. **LB 974**-Change Taxation & School Funding Provisions. Revenue Committee (less McCollister & Crawford)

As LB 974 is currently written, it only pertains to Nebraska’s public schools, and ***NOT ESUs.*** However, we need to keep a very close eye on this legislation as it makes its way to the floor for debate and any changes/amendments that may be introduced.

IF ESUs would happen to be added to the current language, the implications would be catastrophic. Currently, the language systematically reduces property taxes over the course of three years.

So, I will be sending a Google Spreadsheet for you and your business managers to complete. The reason for the Google Spreadsheet is so we are prepared to share data and figures if the worst case scenario would occur (adding ESUs to the language). We don’t want to be coalescing information at the last possible minute.

Finally, it’s an election year, and those senators who are up for re-election are skittish. They don’t want to lose their seats, because something didn’t get passed related to property tax relief.

(The following was written by Dr. Mike Dulaney of NCSA). I highlighted most of the salient features in red font.

On Tuesday, January 22nd, the Revenue Committee heard public comment on **LB 974**, which was introduced by six of the eight members of the committee. (Senators McCollister and Crawford did not sign on.)

In the words of the committee chair, Senator Linehan, "the purpose of LB 974 is to reduce the property tax bills of Nebraska's farmers', ranchers, and homeowners while protecting our schools."

There are many aspects of the legislation to consider, but the K-12 education community believes the risks contained within the proposal outweigh any perceived advantages (i.e., the promise of foundation aid). Of particular concern is whether the Legislature can meet the demand for additional state funding. The proposal would cost the state an additional \$103 million in 2020-21, \$184 million in 2021-22, and \$307 million in 2022-23.

LB 974 establishes a graduated reduction in property tax values as it pertains to education:

Residential Property Tax Values:

- Prior to 2020 -- Actual Value
- 2020 -- 95% of Actual Value
- 2021 -- 90% of Actual Value
- 2022 and each year after -- 85% of Actual Value

Agriculture & Horticulture Land Values:

- Prior to 2020 -- 75% of Actual Value
- 2020 -- 65% of Actual Value
- 2021 and each year after -- 55% of Actual Value

Other concerns expressed by the education community, which includes NCSA, NASB, NRCSA, GNSA, STANCE, and NSEA, are contained in a letter to be delivered to the Revenue Committee at the hearing.

1. LB 974 will result in reduced revenue for schools. Reducing the taxable value of real property will cause some school districts to lose more in property tax revenue than they will receive in state aid. Other provisions in the bill restrict a school's ability to raise revenue locally to offset that loss. Many larger schools won't be able to recoup their lost property tax revenue through increased state aid because of limiting spending growth to the consumer price index. Those schools will see their growth constrained going forward if funding is linked to an inappropriate inflationary measure such as CPI. Coupled with the elimination of the averaging adjustment, large, low-cost-per student schools will see their revenue slashed.

2. LB 974 will result in less stable revenues for schools. LB 974 results in less stable revenue for schools by shifting funding from a stable revenue source -- property taxes -- to a historically unstable source -- state aid. Further, chaining both spending growth and the maximum levy to the consumer price index (CPI) will result in unpredictable spending and levying ability. CPI has no relation to how schools spend money (largely concentrated in labor services), changes annually, and is unpredictable - making it difficult for schools to budget and

plan for major expenditures. With less budget flexibility, school districts will likely budget to the maximum allowed to cushion for future year volatility in the CPI.

3. LB 974 will increase costs to schools. Placing barriers on funding for construction and expansion projects by reducing the maximum building fund levy from \$0.14 to \$0.06 and requiring bonds will increase schools' use of bonds to fund projects. This will increase their costs.

4. Transitional aid is not sufficient. Under LB 974, transitional aid is available for three years and is not guaranteed for any school at any amount. Transitional aid is only intended to replace lost spending ability relative to the prior year; it does not allow for the growing needs of a district. Transitional aid is only available to school districts with a \$1.05 levy and would only bring a qualifying district to the same budget of disbursements as the prior year in year one.

5. LB 974 further limits local control. Schools are already subject to tax and spending limits; adding stricter limitations will make it more difficult for schools to provide a quality education. Locally elected school board members are responsible to their citizens for local tax rates. LB 974 would severely limit local control by giving school district leadership very little flexibility as to how they can use revenue and make planning for future needs more complicated. Moreover, resetting unused budget authority to the current year will punish those school districts that have kept expenses down in recent years. The number of students who face disadvantages or have special needs varies by district, so funding should be targeted to school districts with the highest need and fewest resources - as the TEEOSA formula currently provides.

LB 759 Require consultation with school districts regarding placement of children.
Kolterman

This bill would require the DHHS to communicate with a Nebraska school district prior to placing a student within their boundaries (via foster care, etc).

We support this bill. Dr. Skretta and I will be giving testimony on Friday.

LB 839 Recognize American Sign Language and provide for the teaching of American Sign Language in schools. Wishart (support)

LB 965 Establish a language assessment program for children who are deaf or hard of hearing
(McDonnel) Monitor

LB 1131 (Groene) Monitor

We do not know why Senator Groene has written this bill, but we speculate it includes technical cleanup language. The bill is over 100 pages long and mentions ESU “core service funds” on pages 80 and 81. Additionally, from that point on, it mentions ESUs periodically until the end of the document.

Here is what I can glean. Every so often school districts will consolidate, so there is a chance that one ESU will lose taxable property while another gains it. The language in this bill makes sure the core services (if any) follows the taxable property, etc.

The final portion of the bill adjusts language in what I believe to be the Reading Improvement Act.

**EXTENSION TO FOOD AGREEMENT BETWEEN ESUCC COOPERATIVE
PURCHASING AND SYSCO.**

This Extension is made by and between Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Sysco ("Contractor") to the Agreement for Food ("Agreement") signed by ESUCC on **June 9, 2017**, and by the Contractor on **June 9, 2017**. The Extension is as follows:

The Terms and Conditions of the Agreement are non-negotiable:

No Changes to Terms and Conditions for the Agreement.

Exhibit "A" is amended to add the following goods or services:

No Changes to Exhibit A.

Exhibit "D" is amended to add the following pricing information:

Exhibit D Copy of Bidders current pricing is attached.

The Agreement permits extension and modification by a signed, written agreement by both parties that identifies itself as an extension. The Cooperative has approved an extension and now desires to extend the Agreement for an additional term of twelve (12) months until July 31, 2021. Upon the signature of an authorized officer of ESUCC and the Contractor, the Agreement is hereby extended.
