BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

(a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.

(b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

restrictions upon, the President. The President-Elect shall perform such other duties as from time to time may be assigned by the President or by the Council.

(c) Past-President. In the absence of the President or the President-Elect or in the event of his or her death, inability, or refusal to act, the Past-President shall perform the duties of the President. When so acting the Past-President, shall have all the powers of, and be subject to all the restrictions upon, the President. The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.

(d) Secretary. The Secretary shall prepare minutes of the meetings of the Council, serve as the custodian of the Council's records, keep a current roster of the physical and e-mail addresses of all Council members, and perform all duties incident to the office of Secretary, and perform such other duties as from time to time may be assigned by the President or by the Council.

(e) Treasurer. The Treasurer shall have charge and custody of and be responsible for, all funds and securities of the Council, receive receipts for all securities and monies due and payable to the Council from any source whatsoever and give such receipts to the Council, deposit all such monies in the name of the Council in such banks, trust companies, or in other depositories designated by the Council, and perform all the duties incident to the office of Treasurer and perform such other duties as from time to time may be assigned by the President or by the Council. If required by the Council, the Treasurer shall give a bond for the faithful discharge of his or her duties in such sum and with such surety or sureties as the Council shall determine.

(f) Executive Committee. The Executive Committee shall meet as needed to prepare for Council meetings, to formulate recommendations for the Council, and for such other reasons as deemed appropriate by the President or as directed by the Council.

Article IV. Administration.

Section 1. Reimbursement for Expenses. Council members and Council employees shall be entitled to reimbursement for actual expenses incurred in the performance of their duties as allowed by NEB. REV. STAT. § 79-1217 and other laws and applicable regulations as they may be amended from time to time. No request for reimbursement shall be submitted by an individual for an expense which has been paid by an educational service unit, other educational agency, or political subdivision. No charge for mileage shall be allowed when such mileage accrues while using an automobile owned by the State of Nebraska or one of its political subdivisions.

Section 2. Budget. The Council shall annually adopt a budget as required by the Nebraska Budget Act. Fiscal agents shall, pursuant to the agency agreement between the fiscal agent and the ESUCC, segregate funds contributed to a project from other funds maintained by the fiscal agent, either by maintaining a separate account of the Council designated for such a purpose or by maintaining a segregated fund within the budget of the educational service unit serving as fiscal agent. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. The purpose of such agreements will be for the Council to delegate to the agent entity the authority and responsibility to oversee particular statewide cooperative projects. The agency agreement shall specify whether the agent entity will also serve as the fiscal agent for the project.

Section 4. Powers. The Council shall have the power to:

(a) Purchase and/or lease supplies, materials and equipment and enter into a contract with any person, firm, corporation or other entity.

(b) Accept for any of its purposes and functions any and all donations, grants of money, equipment, supplies, materials and services, conditional or otherwise from any person or entity, and receive, utilize, and dispose of the same. The nature, amount, and conditions, if any, attendant upon any donation or grant accepted

pursuant to this section shall be detailed in the annual report of Council.

(c) Employ, compensate, evaluate and discharge staff limited only to those persons necessary to carry out its duties and functions;

(d) Establish committees as it deems necessary for the purpose of advising the Council on any and all matters pertaining the Council's duties or activities;

(e) Indemnify or reimburse any person in the same manner as an educational service unit board is authorized to do pursuant to NEB. REV. STAT. § 79-1217 as may be amended from time to time;

(f) Take any other action authorized, either explicitly or implicitly, by Nebraska law, including any action that may be necessary to perform its duties and functions as provided in these Bylaws.

Section 5. Annual Plan. The Council shall develop a written document outlining the programs, services and other projects which the Council will operate each year ("Annual Plan"). The Council will annually review the Annual Plan and may amend it as the Council deems necessary.

Section 6. Advisory Committees. The Council may solicit input from advisory committees comprised of teachers, administrators, board members, staff development staff, and other individuals. The role of these committees shall be advisory only, and no recommendation or proposal by any advisory committee shall be final until acted upon and adopted by the Council.

Article V. Other Matters.

Section 1. Fiscal Year. The fiscal year of the Council shall begin on ~~July 1~~ September 1 and end on ~~June 30~~. August 31. (Amended March 3, 2010)

Section 2. Liability Insurance. The Council shall obtain adequate insurance to cover itself, its members and its agents, employees, volunteers, or other persons in performing duties to the Council. Adequate shall mean an amount, if available, which will satisfy the maximum claims that could be made under Nebraska's Political Subdivision Tort Claims Act.

Section 3. Amendment. These Bylaws may be amended from time to time as deemed necessary by a majority of the Council. All such amendments must be in writing, appended to this document and signed by the Council Secretary.

Section 4. Intellectual Property. All rights to any intellectual property (copyright, trademark, patent, etc.) created in connection with any project reflected in the addenda to these Bylaws shall be owned by the Council.

These Bylaws were adopted by the Educational Service Unit Coordinating Council at a meeting lawfully held pursuant to the Nebraska Open Meetings Act this _____ day of July, 2008.

NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public. (b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee. (d) Each public body shall record the methods and dates of such notice in its minutes. (e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2)(a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met: (i) A state agency, state board, state commission, state council, or state committee, or an advisory committee of any such state entity; (ii) An organization, including the governing body, created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act; (iii) The governing body of a public power district having a chartered territory of more than one county in this state; (iv) The governing body of a public power and irrigation district having a chartered territory of more than one county in this state; (v) An educational service unit; (vi) The Educational Service Unit Coordinating Council; (vii) An organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act; (viii) A community college board of governors; (ix) The Nebraska Brand Committee; (x) A local public health department; (xi) A metropolitan utilities district; (xii) A regional metropolitan transit authority; and (xiii) A natural resources district. (b) The requirements for holding a meeting by means of virtual conferencing are as follows: (i) Reasonable advance publicized notice is given as provided in subsection (1) of this section, including providing access to a dial-in number or link to the virtual conference; (ii) In addition to the public's right to participate by virtual conferencing, reasonable arrangements are made to accommodate the public's right to attend at a physical site and participate as provided in section 84-1412, including reasonable seating, in at least one designated site in a building open to the public and identified in the notice, with: At least one member of the entity holding such meeting, or his or her designee, present at each site; a recording of the hearing by audio or visual recording devices; and a reasonable opportunity for input, such as public comment or questions, is provided to at least the same extent as would be provided if virtual conferencing was not used; (iii) At least one copy of all documents being considered at the meeting is available at any physical site open to the public where individuals may attend the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act; and (iv) Except as otherwise provided in this subdivision or subsection (4) of section 79-2204, no more than one-half of the meetings of the state entities, advisory committees, boards, councils, organizations, or governing bodies are held by virtual conferencing in a calendar year. In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, the organization may hold more than one-half of its meetings by virtual conferencing if such organization holds at least one meeting each calendar year that is not by virtual conferencing. The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by virtual conferencing if the governing body's quarterly meetings are not held by virtual conferencing.

(3) Virtual conferencing, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by virtual conferencing. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing.

(7)(a) Notwithstanding subsections (2) and (5) of this section, if an emergency is declared by the Governor pursuant to the Emergency Management Act as defined in section 81-829.39, a public body the territorial jurisdiction of which is included in the emergency declaration, in whole or in part, may hold a meeting by virtual conferencing during such emergency if the public body gives reasonable advance publicized notice as described in subsection (1) of this section. The notice shall include information regarding access for the public and news media. In addition to any formal action taken pertaining to the emergency, the public body may hold such meeting for the purpose of briefing, discussion of public business, formation of tentative policy, or the taking of any action by the public body. (b) The public body shall provide access by providing a dial-in number or a link to the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act. Reasonable arrangements shall be made to accommodate the public's right to hear and speak at the meeting and record the meeting. Subsection (4) of this section shall be complied with in conducting such meetings. (c) The nature of the emergency shall be stated in the minutes. Complete minutes of such meeting specifying the nature of the emergency and any formal action taken at the meeting shall be made available for inspection as provided in subsection (5) of section 84-1413. (8) In addition to any other statutory authorization for virtual conferencing, any public body not listed in subdivision (2)(a) of this section may hold a meeting by virtual conferencing if: (a) The purpose of the virtual meeting is to discuss items that are scheduled to be discussed or acted upon at a subsequent non-virtual open meeting of the public body; (b) No action is taken by the public body at the virtual meeting; and (c) The public body complies with subdivisions (2)(b)(i) and (2)(b)(ii) of this section.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an instate location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and (f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the instate location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months**.**

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

84-1415. Open Meetings Act; requirements; waiver; validity of action. No motion, resolution, rule, regulation, ordinance, or formal action made, adopted, passed, or taken at a meeting as defined in section 84-1409 of a public body as defined in such section shall be invalidated because such motion, resolution, rule, regulation, ordinance, or formal action was made, adopted, passed, or taken at a meeting or meetings on or after March 17, 2020, and on or before April 30, 2021, pursuant to a Governor's Executive Order which waived certain requirements of the Open Meetings Act.

Rule 84 Meeting
January 10, 2023
Educational Service Unit #10 - Rooms E & F
Slideshow

Orientation: Welcome, Purpose, Bold Steps
Dr. Kraig Lofquist welcomed everyone to the meeting. Reviewed the statutory purpose of the meeting between NDE and ESUCC.

Educational Service Units shall act in a **cooperative** and **supportive** role with the State Department of Education

- to establish the focus and coordination of necessary core services based on priorities and on needs that are identified through the **analysis of data** through two jointly established meetings
- to develop and implement long-range plans, strategies and **goals** for the enhancement of educational opportunities in elementary and secondary education

Bold Step Information

Orientation: Introductions
Introductions from around the room and zoom participants.

Orientation: Collaboration/Partnership
What are the ways we can collaborate and share information? Collaborate and work toward shared goals. Eliminate the barriers. If we could have what we want, what would we have? Four levels of partnerships: informing, networking, collaborating, transforming.

Norms: Engage with the message; listen to learn; advocate to collaborate; relate with everyone; thrive and be alive.

Communication: Legislative Updates
Dr Kraig Lofquist gave some legislative updates. The ESUs are focusing on the following four areas: Core Services, Mental Health, Cybersecurity, Internship/Student Teaching/Supplemental Teacher Pay.

Communication: NDE Reports
Shirley Vargas gave an update on the commissioner search. Introduced the two Deputy Commissions: Dr. Deb Frison and Brian Halstead.

Dr. Deb Frison shared her vision of the commissioner and her work until a new Commissioner is appointed. NDE has great people to continue the work that is needed. The vision needs to be more than that of one person (Commissioner). Be committed to earning, learning and living.

Brian Halstead shared that he will continue to learn from all of us. The last two years have been disruptive for everyone. He is here to help, just let him know how we can collectively do that.

Ryan Foor began the NDE updates. The new state board president is Patti Gubbels, the vice president will be Kirk Penner. The NDE board worked with the commissioner search consultant firm. They will be asking for revision before finalizing the position. Hope to have it out next week and open for about 6 weeks. There is a search committee of the NDE Board who will work with the search firm. He shared the committees of the Board of Education.

Communication: Rule 84 Committee Status Reports - shared leadership
Continuous Improvement - Dr Schnoes and friends gave an update. School Improvement, Accountability, accreditation and developing standards. Micki Charf gave an update on improvement and accountability. She also gave an update on data cadre and the perceptual survey. The perpetual survey is now posted and located on the NDE website. Shirley Vargas gave an update on school improvement. Deb Paulman and Dan Schnoes shared the Nebraska standards for ESUs.

Leadership and Educator Effectiveness - Kim Snyder gave updates from S.E.E.D.S. The website has been revised for Educator Effectiveness.

High Quality Instructional Materials and Supports - Deb Paulman gave updates on the HQIM work. They created a repository of HQIM resources. They will be working on a needs assessment to identify the gaps.

Communication: ESUCC & NDE Reports & Data

SIMPL - Service Implementation Model Processing and Log
Dr. Schnoes shared the SIMPL Data.

NDE Reports -
Shirley Vargas shared the NDE board has established priority areas.

Lane Carr reviewed the 6 priorities:
Priority 1: Increase Third Grade English Language Arts Proficiency to 75% by 2030
Priority 2: Half the Gap in 8th Grade Math Achievement for Each Student Group by 2030

2022 NDE Organizational Structure

Statutory Purpose

TITLE 92 - NEBRASKA DEPARTMENT OF EDUCATION
CHAPTER 84 - REGULATIONS FOR THE ACCREDITATION OF EDUCATIONAL SERVICE UNITS

Section 001 General Provisions

001.05 **The Role and Mission of the Educational Service** Units . Section 79-1204 R.R.S. states, in part, that Educational Service Units shall:

001.05D **Act in a cooperative and supportive role with the State Department of Education** and school districts **in development and implementation of long-range plans, strategies, and goals for the enhancement of educational opportunities in elementary and secondary education**; and…

Section 002 Definitions. As used in this Chapter:

002.05 **Core services** shall mean services that are provided by educational service units to all member school districts and that are in the following service areas in order of priority:

002.05A **Staff development**, which shall include access to staff development related to ***improving the achievement of students in poverty and students with diverse backgrounds;***
002.05B **Technology**, including distance education services; and
002.05C **Instructional materials services**.

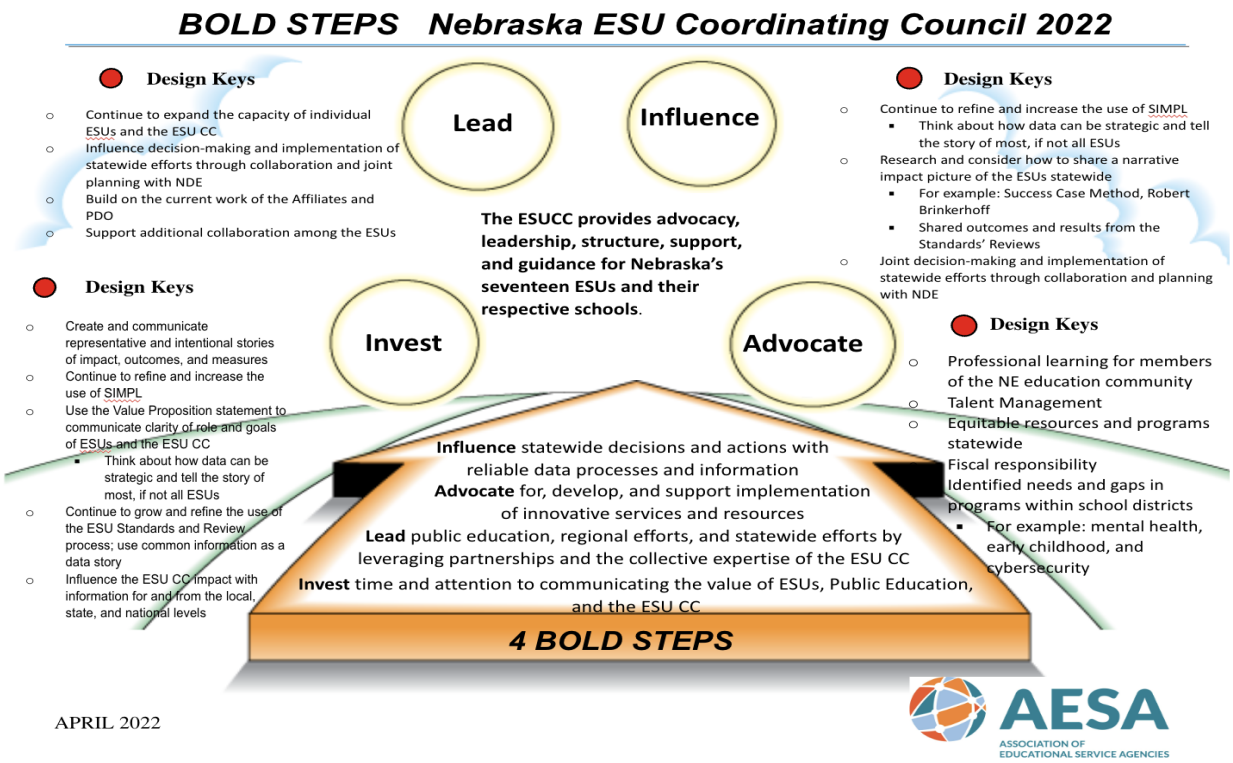

Section 003 Requirements for Operation

003.02 **Core Services** . The ESU shall provide core services to all member school districts. The provision of core services shall include, but is not limited to, access to **statewide core service initiatives as established by the ESU Coordinating Council in collaboration with the Department and requested by member districts as being necessary services**.

003.02A Each ESU administrator shall serve as a member of the ESU Coordinating Council as established by Section 79-1245 R.R.S.

003.02A1 The ESU administrator or his or her designee shall participate in two jointly established meetings with representatives of the **Department** and the **ESU Coordinating Council** annually **to establish the focus and coordination of necessary core services based on priorities and on needs that are identified through the analysis of data.**

Bold Steps

4 Bold Steps:

Influence statewide decisions and actions with reliable data processes and information.

Advocate for, develop, and support implementation of innovative services and resources.

Lead public education, regional efforts and statewide efforts by leveraging partnerships and the collective expertise of the ESUCC.

Invest time and attention to communicating the value of ESUs, public education and the ESUCC.

Collaboration/Partnership

What is the true meaning of 'partnership?'

A partnership can be defined as a collaborative relationship between organizations.

The purpose of this relationship is to work toward shared goals through a division of labor that all parties agree on.

Partnerships are complex vehicles for delivering practical solutions to societal and community issues.

Barriers to Achieving Effective Partnerships

- Limited vision or failure to inspire
- Lack of clear purpose or inconsistent understanding of purpose
- Competition between partners for the lead or domination by one partner
- Unequal and/or unacceptable balance of power and control
- Lack of support from organizations with decision-making power in the partnership
- Key stakeholders missing from the partnership
- Lack of commitment and unwilling participants
- Differences in philosophies or work styles
- Inadequate understanding of roles and responsibilities
- Hidden agendas
- Failure to communicate
- Failure to learn
- Lack of evaluation or monitoring systems
- Financial and time commitments outweigh potential benefits

Reflecting on the NDE/ESUCC Partnership

If we could have what we want, what would we have?

- What positive partnerships are currently in existence?
- What additional partnership possibilities exist?
- What partnerships would optimize Rule 84 work?

Coalescing Around Issues Rubric

Coalescing Around Issues	Depth of Interaction			
	Informing* Level (Sharing/Sending)	**Networking† Level** (Exchanging)	**Collaborating‡ Level** (Engaging)	**Transforming¶ Level** (Committing to Consensus)
Acknowledging and valuing diversity.	A core group of interested stakeholders disseminates information to potentially interested stakeholders, across roles, to inform them about issues and invite them into the discussion.	Stakeholders from diverse roles exchange ideas and resources with one another. Clarification of role-specific vocabulary is at beginning stages. Outreach to others with a specific focus on roles not yet involved continues.	Diverse stakeholders engage in dialogue about issues. Differences are acknowledged and explored. A common vocabulary begins to emerge.	Diverse stakeholders with diverse perspectives are engaged through multiple ways in active collaborative dialogue about issues in order to reach consensus about priorities and future research, policy and practice opportunities.
Researching and agreeing on relevant data.	Personal and professional experiences (anecdotal) are the primary source of evidence for consideration.	Stakeholders consider what other data beyond personal stories could be a source of evidence and begin collecting relevant data and resources.	Stakeholders identify relevant data from across disciplines and examine for common themes for understanding (collective analysis).	Through consensus, stakeholders agree on the anecdotal and research data from various perspectives and sources relevant to the issue.
Decision making through consensus.	Core group identifies an issue of importance.	Stakeholders contribute to the discussion, bringing in other perspectives.	Stakeholders contribute to and create a shared vocabulary. They reach across systems to review, critique and revise and/or confirm the issue to be addressed.	Through consensus, stakeholders determine the specific aspects of the issue that the group will move forward to influence.
Coalescing to move to future work together.	Core group intentionally shares with others, who are not already stakeholders, the reason for caring about this issue, meeting one-on-one with targeted persons, organizations, etc.	Stakeholders are intentional about inviting new members into the group work and being purposeful in getting the people in the same room to work together.	Stakeholders develop grounding documents (mission, vision, guiding principles and ground rules). Stakeholders develop and agree on a process of continued communication that fits their needs.	Through consensus, stakeholders develop a set of actionable goals that define the work scope of the effort. Relationships are built for strategic advantage.

*__Informing__ — Sharing or disseminating information with others who care about the issue.

†__Networking__ — Asking others what they think about this issue and listening to what they say.

‡__Collaborating__ — Engaging people in trying to do something of value and working together around the issue.

¶__Transforming__ — Doing things the partnership way (leading by convening, working cross-stakeholder, sharing leadership, building consensus).

Data Analysis

Part 1.

What did you hear from the NDE and Legislative updates that resonated with you?

- Create your personal list.
- Share at your table. Listen for themes.

Part 2.

- Meet as a caucus (NDE Caucus and ESUCC Caucus) to share and consider:
    - What would impact the most students? (**breadth**)
    - What would have the greatest impact on students? (**depth**)
    - What would improve "the achievement of students in poverty and students with diverse backgrounds?" 003.02A1 (**equity**)
    - What has the most potential for NDE/ESUCC collaboration? (**relationship**)
- Each caucus will rank order its top 5 priorities.

Engage • Listen • Advocate • Relate • Thrive

Part 3.

Two (2) NDE representatives and two (2) ESUCC representatives will share their top 5 priorities with the other caucus. Caucuses will reconvene to consider what was learned from the other caucus and finalize their priorities based on this new information.

Part 4.

Two (2) NDE representatives and two (2) ESUCC representatives will come together with their finalized priorities to identify up to three (3) goals.

Time to ***Relate***

When the goal selection has been made, the representatives will share the results.

ABSTRACT: Prairie Nebraska Project

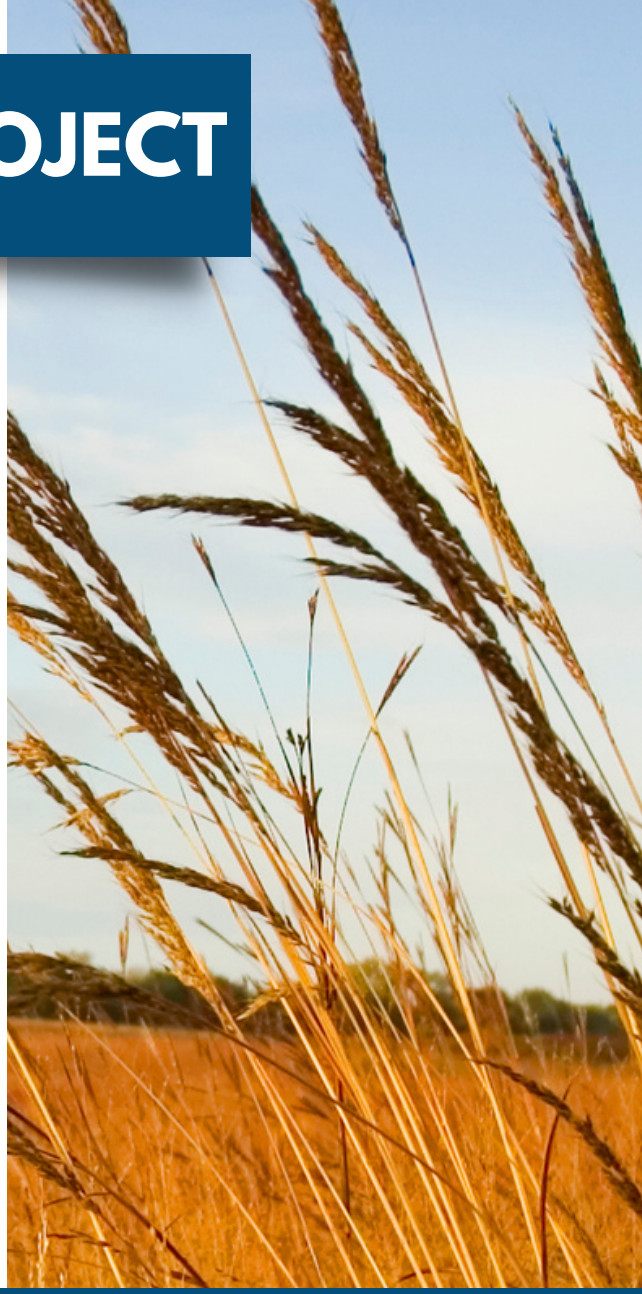

The 3-year Prairie Nebraska project will address Nebraska's serious shortage of mental health professionals by recruiting 12 rural Nebraska residents to complete a grow-your-own program leading to Nebraska certification in school psychology. The project will use distance technologies to make a virtual program of study and supervision highly accessible for rural trainees without requiring that they relocate from their rural community. Our premise is that trainees who retain their rural residency are more likely to stay and work in their rural communities to meet the very urgent mental health needs of rural children and youth. Prairie Nebraska funds will pay the full cost of trainees' tuition and fees and will support a graduate assistant liaison to facilitate their access to all program resources. Upon completion of the Prairie Nebraska program, trainees will have earned an Educational Specialist degree in school psychology and will qualify for a Nebraska Department of Education certificate in school psychology.

The University of Nebraska Lincoln school psychology program is highly qualified to implement the Prairie Nebraska project because of (1) its' 45 year history of preparing school psychologists, (2) the caliber of its four-member faculty all of whom are licensed psychologists; (3) the breadth of training provided through the guided practice and practice under supervision of key school psychological competencies; and (4) Dr. Beth Doll's prior success with very similar rural grow-your-own school psychology programs in western Colorado and eastern Kentucky.

Nebraska's rural Educational Service Units (ESUs) have partnered with us in planning the Prairie Nebraska project and have enthusiastically committed to recruit residents of their rural communities as candidates for the project. Successful Prairie Nebraska applicants will include a letter of support from their local school district or ESU, with prior agreement that the ESU will assist in securing supervised experiences in their rural home community. Letters of support from the selected ESUs are included with this proposal, and results of our very recent survey of rural school mental health training needs are described.

A premise of the Prairie Nebraska project is that mental health services for rural children and youth must necessarily include ample school mental health services because, as noted by the U. S. Centers for Disease Control, (1) schools are a primary provider of mental health services for children; (2) school mental health providers have the capacity to screen for and identify children with significant mental health needs on a population-based (full enrollment) level; (3) Prairie Nebraska trained school psychologists will be prepared in a full range of mental health competencies that could be addressed school wide, in small groups, or individually based on the needs that exist in the rural community and school; and (4) Prairie Nebraska school psychologists will be prepared to work effectively in interdisciplinary teams with school, community-based, and clinic-based mental health professionals to contribute to the shared goal of maximizing the mental and behavioral health of children and youth in the community.

PRAIRIE NEBRASKA PROJECT

WHAT IS THE PRAIRIE NEBRASKA PROJECT?

With generous funding from the Behavioral Health and Education Center of Nebraska, the University of Nebraska Lincoln's School Psychology program is recruiting **10 rural Nebraska residents to complete an Educational Specialist degree in School Psychology.**

LOCATION

Students will be able to complete the training in their own community without having to relocate to Lincoln.

COST

Prairie Nebraska funds will pay for the trainees' tuition and fees.

CONTINUED EDUCATION

Upon successful completion of the program, Prairie Nebraska trainees will qualify for an endorsement towards a Nebraska Department of Education certificate in School Psychology.

Interested? Email Beth Doll, bdoll2@unl.edu with the following information:

- Name, email, and phone number
- Mailing address, including county of residence
- The school district or Educational Service Unit that is likely to provide their recommendation and commitment for supervised experiences

Application reviews will begin on April 1, 2023 and will continue until program is filled.

BOLD STEPS Nebraska ESU Coordinating Council 2022 - 2025

The ESUCC provides advocacy, leadership, structure, support, and guidance for Nebraska's seventeen ESUs and their respective schools.

NEBRASKA esu Coordinating Council

APRIL 2022

AESA ASSOCIATION OF EDUCATIONAL SERVICE AGENCIES

ESUCC 4 Bold Steps

The ESUCC provides advocacy, leadership, structure, support, and guidance for Nebraska's seventeen ESUs and their respective schools.

Lead

Lead public education, regional efforts, and statewide efforts by leveraging partnerships and the collective expertise of the ESU CC

Increase the capacity of individual ESUs and the ESUCC to enhance provided services and expand available services as needed

Influence decision-making and implementation of statewide efforts through collaboration and joint planning

Reconsider, redefine, redesign on the current work of the Affiliates and PDO

Support additional collaboration among the ESUs

Influence the ESU CC impact with information for and from the local, state, and national levels

Advocate

Advocate for, develop, and support implementation of innovative services and resources

Champion professional learning for members of the NE education community

Support Recruitment, Retention, Employee engagement, Human Capital

Promote equitable resources and programs ALL statewide

Advocate for fiscal resources

Identify needs and gaps in programs within school districts
- For example: mental health, early childhood, teacher shortage and cybersecurity - Conduct needs analysis

Influence

Influence statewide decisions and actions with reliable data processes and information

Continue to refine SIMPL
- Think about how data can be strategic and tell the story of most, if not all ESUs

Research and consider how to share a narrative impact picture of the ESUs statewide
- Shared outcomes and results from the Standards' Reviews

Influence and implementation of statewide efforts through collaboration and planning with statewide agencies

Invest

Invest time and attention to communicating the value of ESUs, Public Education, and the ESU CC

Create and communicate representative and intentional stories of impact, outcomes, and measures - social media, legislation, marketing

Continue to refine the use of SIMPL

Use the Value Proposition statement to communicate clarity of role and goals of ESUs and the ESU CC
- Think about how data can be strategic and tell the story of most, if not all ESUs

Grow and refine the use of the ESU Standards and Review process; use common information as a data story

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

Call to order at 11:00 AM Mountain.

Staff: Kraig Lofquist, Deb Hericks, Scott Isaacson, Andrew Easton, Rhonda Eis

2. Roll call

3. Agenda Item

3.1. GEER Fund Update
The Technology Director gave the update that GEER 1 is now completed. GEER II funds have a verbal agreement for this work. We should have a contract to purchase more robotics devices soon.

3.2. Future Ready Digital Learning Collaborative (FRDLC)
Steering Committee continues to meet. Proofpoint and Duo security are two projects this group is working on.

3.3. Cybersecurity

3.4. Draft MSA 2023-2024
Executive Director gave updates on the MSA for 2023-2024.

3.4.1. NOC Budget requests for 2023-2025
NOC budget requested is staying the same as 2022-2023.

3.4.2. TLT Budget Requests 2023-2024
Digital Citizenship - $1500
Marshall Memo - $750
EMC² Learning - $11,000
Spring Training - $0
Review the TLT Budget requests to be approved next month.

3.5. NNAG Meeting Notes
Review of the NNAG meeting notes. REcommend to take a look at the maps.

3.6. NATA
Good morning NOC members:

The attached draft letter from NATA was received from Trent Kelly of Hastings Public Schools with this request:
Mr. Needham,
The NATA group has asked that you present this to the NOC group for review. I am on the sub committee requesting that this draft document would be reviewed by NOC and to see if the NOC group would add support to such an endeavor to present to other agencies within the state. If you have any other questions please let me know. Thank you, Trent Kelly

We have been aware for some time of our increased security needs. NATA's desire is to work with others in the state to set some specific and joint priorities. This list is a bit different from the insurance company requirements, and while we can discuss ad nauseum what those priorities should be, it is incumbent upon us to keep the list as simple and purpose-driven as possible. Our

discussion should focus to that end, at least as related to any response to NATA, and potentially also regarding any state-level recommendations.

Because they are requesting a formal response, we must first craft that response and then have a vote approving it. Following our approval, it will likely also have to pass through the ESUCC Information Services committee to the ESUCC board. Knowing this, here is a proposed timeline.

- Before Feb 1
  - Especially if your administrator is on the Info Services committee, as that is the date of their next meeting, forward this message to your administrator.
  - I plan to send a message soon regarding adding it as an informational item to their agenda.
- Feb 3 and/or 10 (or another time)
  - Let's make the memo a BoF topic for Feb 3 unless there is opposition / conflict I'm not aware of.
  - If there is a need for a second time that is not on a Friday at 8:30, anyone should feel free to schedule a second option and advertise it as a reply to this message. (If you want specific people there for background and context, check their schedules first.) If not, Feb 10 can be an alternative time for those who can't make Feb 3.
- After the BoF and before Feb 22 NOC
  - Someone be willing to craft a response based on our BoF discussions. It doesn't have to be formal yet, and could be a simple bulleted list for further discussion at NOC
- Feb 22
  - Formal discussion at NOC meeting.
  - If discussion is before lunch, maybe someone can put final touches on the draft at lunch so we can vote on it in the afternoon.
  - I have previously requested the agenda item through Dustin.
- March 1 (ish):
  - Approval of comments at ESUCC
  - Presuming approval, comments / resolution of support can be sent back to NATA.

office:402-463-5611 direct: 402-834-3557
e-mail: gary.needham@esu9.us
The Committee Chair gave an update on the recent discussion from NATA. Gary Needham, NOC, was present to give a status update.

3.7. SIMPL Report
SIMPL Advisory and SIMPL workgroup have both met and have no new changes.

3.8. Staff Reports

3.8.1. Scott Isaacson
The Technology Director gave additional thoughts from his reports.

3.8.2. Andrew Easton
The Distance Learning Coordinator gave updates on his report. The Special Project for Social Studies is continuing to move forward. TLT will be having training in February on UDL with Katie Novak. THE Blended Live Show focused on Digital Citizenship this past month. They are working on professional learning for the robotics that was purchased. Continued discussions on the Computer Science and Technology Education Act. Shared the Canvas consortium signup begins this month and this will be the last year of this funding. Curriculum Professional Learning will begin their work.

3.8.3. Rhonda Eis
Shared dates from her report. Discussed the CTE Standards being uploaded to the OER. Shared data on the growth of OER. Time is intensive to upload documents. Digital Library - we will begin working on creating a policy.

4. Next Meeting Agenda Items
NATA, Approve budget request for NOC and TLT

5. Adjournment
The meeting adjourned at 12:03 PM Mountain.

TO: Whomever It May Concern

FROM: NATA (Nebraska Association of Technology Administrators)

DRAFT

DATE: January 13, 2023

SUMMARY: The Nebraska Association of Technology Administrators (NATA), an organization representing nineteen Nebraska districts serving two-thirds of our state's public school student enrollment, proposes a cooperative, concentrated focus on four essential aspects of cybersecurity. This focus of effort and funds would seek to protect our state's students, the educational staff that serves them, and the overall integrity (and performance) of our state Network (Network Nebraska).

DETAILS:

The Nebraska Association of Technology Administrators formed nearly a decade ago with various activities in mind, including:

"Engaging in state-level legislative and state departmental discussions regarding the current and future trends in educational technology."

There are few more significant trends in educational technology than the threats that bad actors pose to our state's students, employees, and educational mission. Security breaches cause great personal and organizational harm and interrupt essential day-to-day operations and activities.

While no one can ever promise infallible security and network integrity, there are four essential foundations of cybersecurity that are proven to harden data and communication systems against attack significantly:

- Multi-factor Authentication
- Ethical external penetration testing with appropriate training/response
- End-point detection and response
- Air-gapped, immutable back-ups

We propose that these four foundations become the focus of all parties related to and using the state treasure that is Network Nebraska. By securing each of our districts, we can collectively work to improve the overall security of the state's infrastructure. We feel that **ANY** project providing funding relating to data and networking should seek to prioritize group purchases that address these essential needs. NATA is looking to partner with other concerned entities toward permanently establishing these foundational hardenings throughout our state.

Sincerely,

Lucas Bingham
NATA President

Cliff Huss

Committee Report

PROJECT NAME: Digital Learning, Distance Learning, and Communication

PROJECT DIRECTOR: Andrew Easton

REPORT PERIOD: January 2023

COMMITTEE REPORT: DIGITAL LEARNING COORDINATOR

TLT and Blended Learning Efforts and Collaboration

- **The Social Studies Inquiry Project** has secured funding from NDE for the next two summers. This will allow us to be iterative with this effort, which brings with it the following benefits.
    - **How would we like to go about paying for ESU personnel's support/time?**
    - An opportunity for past participants to reflect, revise, grow, and continue to build resources.
    - New professional learning for new participants.
    - An expanded repository of exemplar units.
    - A broader range of SS standards will be addressed.
    - A spiraling curriculum can also now be established.
    - The educators at the C3 Framework site just sent us a link to an asynchronous online training for any social studies educator interested in learning more about the inquiry model for instruction. This link will take you to our ESUCC video playlist from last summer's online training.

- **The Blended Learning Workgroup** took several strides in living out their new purpose statements…
    - SDA and TLT members will be attending the TLT training from Katie Novak on UDL next week. The SDA Connect session on 2/28 will follow up on that learning as will the Blended Learning Live Show for that day.
    - SDA and TLT jointly attended Jacqui Garrison's Computer Science and Technology Education Act guidance session on 1/10/23.
    - Coordinated and hosted episode #4 on Digital Citizenship with Peg Coover of ESU 10 and Adam Vinter of Common Sense Media

- **The Digital Citizenship Symposium** launched on 10/17/22. Marketing and promotion for this effort included…

- **NEW**: The January What's N.E.X.T. with Blended Learning Live Show focused on this topic and promotion of our DigCit Symposium Site and Contest
- A Podcast Episode
- A Graphic (for websites and social media)
- A Live Show (across our social media pages)
- Video Content Editing
- The Design and Purchase of Promotional Stickers

- **Robotics Purchase & Computer Science and Technology Education Act**
  - **Robotics Purchase:** Through collaboration with PITSCO, we are creating two tiers of support for those who made robotics purchases.
    - **Tier 1 Deliverable 1:** Landing Page on Pitsco.com that will serve as the information and support HUB for this project. This will include curated content for items specific to the GEER Project.

      This will also include details about:
      - How to get support from Pitsco (Order Support, Product Support, Preston Frazier),
      - Highlight videos from our video gallery,
      - a recorded version of the Webinar referenced in Tier 2
      - Point to Digital E-Learning Courses

      Deliverable 2: Email sent from Pitsco to those that received items to promote the use of the resource.

      Date: The plan is for this to Go-Live prior to NETA Conference in Mid-March. Looking at early February Delivery.

    - **Tier 2 Deliverable 1:** Pre-Recorded Collaborative Webinar to include stakeholders from Pitsco Education and ESUCC. This would be focused more on implementation once the teachers know how to get started with the specific solution.
      - **Pitsco Stakeholders Required:** Preston, Steff, Jake, Aubrey and Tim
      - **ESUCC Stakeholders Required:** Jason Everett, Eileen Barks,

      Date: Recorded the first of four on 1/31 with the help of Eileen Barks ESU 2, Jason Everett ESU 10, and Craig Hicks ESU 13. 2-3 additional recordings will take place on 2/1.

    - **Computer Science and Technology Education Act**
        - Actively supporting the messaging (podcast) and professional learning (SDA & TLT collaboration) around this effort.
        - Distance learning and robotics pieces can play a role.
        - Discussions have begun to have Otis Pierce of ESU 7 and Jacqui Garrison of NDE on for a follow up episode.

- **The #SocialPD Stories** team will meet on 1/10/23 to discuss revamping the initiative and also how those pieces are shared.
    - In January, we created and shared a story from the NDE SEED Team that spoke to the rubrics and other resources they have created in support of the NTPPS work.

- **The ESUCC Nebraska PowerSchool Cooperative** promotion has included collaboration with Becky Sosalla in the development of New-Member Welcome Posts, Informational Social Media materials, and in January a video on the New Reports and Other Relavant Updates went out on our socials.

Distance Learning, NVIS, and VFT

- Progress on the NVIS update continues through Scott Isaacson and our programming team.
- **There is a strong sentiment amongst out DL Coordinators statewide that more needs to be done to advocate for the DEU incentives to continue to be funded.**

The Canvas Consortium

- Shara Johnson recorded an episode of the podcast promoting the Canvas Consortium. This conversation will involve a principal and a classroom teacher who will share how Canvas is more than a Covid-time solution - it's an everyday platform for 21st-century teaching and learning. Furthermore, the window to get in at the statewide-buy pricing is closing so we will be communicating that via the pod.

Collaborations

- Took part in conversations to vet and develop professional learning for the TLT affiliate in the 2023-2024 school year.
- Conversations and planning for the **Future Ready Nebraska 2023 Conference** are ongoing. Dates for that event are June 12 and 13, 2023
    - Great Plains Summit will not be held this year.
- Took part in planning conversations regarding the 2023 Social Studies Special Project.
- Visited North Platte High School with Kraig Lofquist to present to the ESU 15 and 16 Board Members and Superintendents the work ESUs do at the state level.

- Currently developing a podcast episode with insights regarding the new data standards in mathematics and how/where to consider implementing those standards into existing courses.

Professional Development

- Attended FETC

Professional Development Presentations

- FETC: Shared a Session Titled: Because Teachers Need More Than a Jeans Day
- Virtually Presented at the ESU 10 CTE Collaboration with a Session Titled: Teaching CTE from a Distance

Podcast and Social Media

- Created a January ESU Review video
- Created 4 episodes of **The Good Life EDU** podcast
    - Shows:
        - **Episode 111:** Creator Insights on the PD Show "Behavior Bites" with ESU 2's Mike Feit, Brad Hoffman, and Aryn Halsey
        - **Episode 110:** Educator and Parent Collaboration in Support of Children on the Autism Spectrum with ESU 9's LaRaesha Kugel
        - **Episode 109:** Talking Engagement and Learning Experience Design for Students and Adults with Michael Matera
        - **Episode 108:** A Conversation on the Computer Science and Technology Education Act with Katie Graham, John Skretta, and Guy Trainin
    - **Podcast Data**
        - Nearly 25,000 total downloads since the show began in 2020
        - **2022 Totals**
        - **14,241 downloads in 2022** (*7,168 in '21)
        - **82% of downloads in 2022 listened over 75% of the episode.** (*66% in '21)
        - **8,004 downloads in Nebraska in 2022** (*4,786 in '21)

Scott Isaacson Staff Report

February, 2023

Governor's Emergency Education Relief (GEER)

Final GEER I funds have been received (January 30, 2023) and disbursed to complete payments to vendors and schools. Of the $16.3 million originally allocated, all but about $100,000 was able to be used. Final accounting is in progress.

About $1.6 million of GEER II funds appear to be available for additional robotics item purchases. ESUCC, NDE and the Governor's office have agreed verbally on a scope of work, which is being drafted into a contract for us to begin that work. The plan is to contact schools who have unmet requests from the September, 2022 application, confirm or adjust requests and make purchases accordingly. This will begin when the contract is finalized.

Future Ready Digital Learning Collaborative (FRDLC)

ESUs are beginning to work with **Proofpoint** Security Awareness and Training platform and are learning the process of adding users and configuring districts as "tenants". There is a separate Proofpoint instance for each ESU presently. Users for all of the school districts served in that ESU will be contained in that instance and divided into tenants based on the domain name in the users' email address. A school district may choose to manage the training assignments, assessments and phishing campaigns for their sets of users independently. It is also an option for the ESU tech staff to administer these settings if the district chooses not to.

I will be discussing the Duo Security licensing and sign-up process with NOC at their February meeting and then finalizing the process following that. Due to the timing of available funds, 10,000 Duo Security licenses were purchased, with the license period to begin in April, 2023, timed for schools summer rollout. The cost-sharing, sustainability "ramp" concept will be used again and will be calculated. The first year will be at low or no cost, second year with the school picking up about ⅓ of the cost, and third year with the school picking up about ⅔ of the cost.

We have submitted a proposal to continue the Software Innovation Network and Dorann Avey submitted a proposal for other Future Ready-related work, including support for the Canvas consortium. The current round of Innovation funds is July, 2022 through June, 2025. None of the networks have rolled over or started work using these funds yet. We do not have a timeline yet on the NDE decisions regarding these funds.

Cyber Security

LB638 (proposed by ESUCC) and LB651 were introduced regarding cyber security. We will be tracking the progress of these bills.

The Nebraska Infrastructure Investment and Jobs Act cyber security grant committee continues to meet and define its work and processes. The web site https://slcg.nebraska.gov/ has been created to provide information and updates on the process. The committee will meet again on February 9, 2023 to approve the statewide cybersecurity plan and the application and review process for sub-grant funds. It appears that the emphasis for the first year of funding will be toward assessment projects to determine where schools, cities, counties and other governmental subdivisions are in their cybersecurity preparedness and where gaps and needs exist. Applications are not being accepted yet, but probably will begin in the first quarter of 2023. First year funding could begin flowing to sub-grant recipients in the summer of 2023.

SRS

Our contractor X-Eqt continues work on the updated code and database for SRS. This work will be ongoing throughout this school year and will be released in the Summer of 2023.

Our project manager, Trevor Paschall, has submitted his resignation effective February 10, 2023. We thank Trevor for his work on SRS, Project Para and other technology projects. We intend to re-hire this position as soon as possible.

We must aim for all ESUCC projects to have a sustainable future. An advisor group discussed the SRS fee structure and the result is being finalized. A reasonable increase is needed to cover increased staffing, benefits and other routine costs.

Network NE Advisory Group (NNAG) met on 1/18/23 via zoom

Discussion centered around:

1. The connectivity efforts throughout NE.
    a. ACP program for Internet and equipment discount
    b. FCC map and challenge requests
2. Eduroam – all ESU's are enrolled with the exception of 8 and 19
    a. Website - https://connectednebraska.com/
3. GEER Funding
    a. Equipment is installed (DDoS, routing)
    b. Transport is expected to be installed in the coming months.
4. Norfolk Aggregation Site- *Tom Flair*
    a. Norfolk equipment is installed and active, final cutover is expected by end of Jan 2023. We expect to have Norfolk listed as an aggregation point for the summer '23 RFP. (delayed by one month from last update)
    b. Potential for cost comparison of Norfolk aggregation vs. Omaha
5. ARIN Legacy Agreements
    a. 13 organizations that own IPv4 space that are not currently under a signed agreement with ARIN. (LPS and 12 post-secondary)
    b. If not signed by the end of 2023, total costs to those organizations will be $14,400 instead of $7,350. Currently those organizations pay $6,300.
6. Cybersecurity projects/grants
    a. Eligible Expenditures & Requirements
        i. Planning, organization, training & exercises, software, and equipment.
            1. https://slcg.nebraska.gov/
            2. NN Map of Circuits Update – Becca
            3. Draft Proposal document from NATA (Nebraska Association of Technology Administrators. (NATA cybersecurity goals)
7. Broadband Equity and Deployment (BEAD) Webinar & Meetings
    a. Meeting - Wednesday, February 22nd – 2:00 PM CST

ABSTRACT: Prairie Nebraska Project

The 3-year Prairie Nebraska project will address Nebraska's serious shortage of mental health professionals by recruiting 12 rural Nebraska residents to complete a grow-your-own program leading to Nebraska certification in school psychology. The project will use distance technologies to make a virtual program of study and supervision highly accessible for rural trainees without requiring that they relocate from their rural community. Our premise is that trainees who retain their rural residency are more likely to stay and work in their rural communities to meet the very urgent mental health needs of rural children and youth. Prairie Nebraska funds will pay the full cost of trainees' tuition and fees and will support a graduate assistant liaison to facilitate their access to all program resources. Upon completion of the Prairie Nebraska program, trainees will have earned an Educational Specialist degree in school psychology and will qualify for a Nebraska Department of Education certificate in school psychology.

The University of Nebraska Lincoln school psychology program is highly qualified to implement the Prairie Nebraska project because of (1) its' 45 year history of preparing school psychologists, (2) the caliber of its four-member faculty all of whom are licensed psychologists; (3) the breadth of training provided through the guided practice and practice under supervision of key school psychological competencies; and (4) Dr. Beth Doll's prior success with very similar rural grow-your-own school psychology programs in western Colorado and eastern Kentucky.

Nebraska's rural Educational Service Units (ESUs) have partnered with us in planning the Prairie Nebraska project and have enthusiastically committed to recruit residents of their rural communities as candidates for the project. Successful Prairie Nebraska applicants will include a letter of support from their local school district or ESU, with prior agreement that the ESU will assist in securing supervised experiences in their rural home community. Letters of support from the selected ESUs are included with this proposal, and results of our very recent survey of rural school mental health training needs are described.

A premise of the Prairie Nebraska project is that mental health services for rural children and youth must necessarily include ample school mental health services because, as noted by the U. S. Centers for Disease Control, (1) schools are a primary provider of mental health services for children; (2) school mental health providers have the capacity to screen for and identify children with significant mental health needs on a population-based (full enrollment) level; (3) Prairie Nebraska trained school psychologists will be prepared in a full range of mental health competencies that could be addressed school wide, in small groups, or individually based on the needs that exist in the rural community and school; and (4) Prairie Nebraska school psychologists will be prepared to work effectively in interdisciplinary teams with school, community-based, and clinic-based mental health professionals to contribute to the shared goal of maximizing the mental and behavioral health of children and youth in the community.

EXTENSION TO 2019-2022 SPECIAL BUY AGREEMENT BETWEEN ESUCC COOPERATIVE PURCHASING AND ARTICULATE

This Amendment and Extension is made by and between Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Articulate ("Contractor") to the 2019-2022 Special Buy Agreement ("Agreement") signed by the Cooperative on February 11, 2020, and by the Contractor on February 10, 2020. The Addendum is as follows:

The Terms and Conditions of the Agreement are amended as follows:

No Changes to Terms and Conditions Agreement.

Exhibit "A" is amended to add the following goods or services:

No Changes to Exhibit A.

Commented [A1]: Articulate to provide updated services before having ESUCC legal review

Exhibit "B" is amended to add the following pricing information:

No Changes to Exhibit B.

Commented [A2]: Articulate to provide updated pricing before having ESUCC legal review.

The Agreement permits amendment and modification by a signed, written agreement by both parties that identifies itself as an amendment. The Cooperative has approved an extension and now desires to extend the Agreement for an additional term of thirty-six (36) months until February 10, 2026. Upon the signature of an authorized officer of the Cooperative and the Contractor, the Agreement is hereby extended.

Coop Directors report to ESUCC Board
submitted by: Craig Peterson
February 2, 2023

1. **Consent Agenda Items for Coop**
    a. Approve 2023-ESUCC-AB100 Electronics and Supplies awards
        i. 5 Vendors awarded
            1. 2 new vendors ACCO Brands USA & Striv AV
            2. 2 vendors from last year, Computers Etc. and Pyramid School did not respond.
            3. 334 items awarded out of 363 (8 items less than last year)
    b. Approve Extension to 2022-2023 Food Buy agreement with Sysco
        i. This is the second Extension to the 2021-2022 Food Bid award. Sysco was ecstatic to hear we planned on extending this agreement. This is the largest single buy that ESUCC Coop coordinates.
    c. Approve Extension to Special Buy agreement with Articulate
        i. This is a buy that NDE wanted ESUCC to coordinate 3 years ago for both their staff and ESU staff to purchase creation software for eLearning modules.
2. **Annual/Paper Buy**
    a. **Definition of the Annual Buy:** This is a line item bid were vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
    b. **2023 ESUCC-Annual Buy**
        i. Trainings have been conducted across 10 dates
            1. 137 individuals registered (Some multiple times) for training compared to 84 last year
            2. Representing 112 Districts/Members compared to 64 last year
                a. We did have a number of Health Districts participating in this year's trainings
        ii. **Annual Buy Catalog Creation -** This process consumes a large amount of time for Coop staff during the months of January and February. It began January 11th with extracts from IonWave (Sourcing Software) being provided and all three Coop staff members working continuously throughout January leading up to the opening of the Paper catalog on February 2 and the Annual Buy catalog on February 16. Staff review previous year's descriptions against this year's

awards and if the Manufacturer numbers are the same they make no changes to product description used last year. Otherwise if it does change then the item description is updated to match the awarded model number. We streamlined this process some by importing last year's catalog description into the bid prior to it being published. This way when IonWave extracts the bid this information is already a part of our item description field and we don't have to find it in last year's catalog copy/paste into this year's catalog. This seams to have saved staff time in updating and writing the catalog.

iii. **2023 Annual Buy Key dates for Schools,**

1. **Paper Buy Catalog Opens - February 2, 2023**
2. **Paper Buy Order Deadline Schools/Members – March 9, 2023**
3. **Annual Buy Catalog Opens - February 16, 2023**
4. **Annual Buy Teacher/Staff deadline – April 6, 2023**
5. **First Day for 400 Paper delivery – April 11, 2023**
6. **First Day for Annual Buy delivery - May 23, 2023**
7. **Delivery Deadline for 400 Paper - June 14, 2023**
8. **Delivery Deadline Annual Buy Items - July 24, 2023**

3. **Special Buys**
   a. **Definition Special Buy:** Contracts are negotiated agreements with exclusive pricing to ESUCC Cooperative Purchasing members. These contracts may range from one to three years. Within the agreement, terms shall be explicitly defined as to both parties' expectations and the scope of the agreement.
4. **AEPA**
   a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 29 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.
