**BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.

NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public. (b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public

body.(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee. (d) Each public body shall record the methods and dates of such notice in its minutes. (e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2)(a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met: (i) A state agency, state board, state commission, state council, or state committee, or an advisory committee of any such state entity; (ii) An organization, including the governing body, created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act; (iii) The governing body of a public power district having a chartered territory of more than one county in this state; (iv) The governing body of a public power and irrigation district having a chartered territory of more than one county in this state; (v) An educational service unit; (vi) The Educational Service Unit Coordinating Council; (vii) An organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act; (viii) A community college board of governors; (ix) The Nebraska Brand Committee; (x) A local public health department; (xi) A metropolitan utilities district; (xii) A regional metropolitan transit authority; and (xiii) A natural resources district. (b) The requirements for holding a meeting by means of virtual conferencing are as follows: (i) Reasonable advance publicized notice is given as provided in subsection (1) of this section, including providing access to a dial-in number or link to the virtual conference; (ii) In addition to the public's right to participate by virtual conferencing, reasonable arrangements are made to accommodate the public's right to attend at a physical site and participate as provided in section 84-1412, including reasonable seating, in at least one designated site in a building open to the public and identified in the notice, with: At least one member of the entity holding such meeting, or his or her designee, present at each site; a recording of the hearing by audio or visual recording devices; and a reasonable opportunity for input, such as public comment or questions, is provided to at least the same extent as would be provided if virtual conferencing was not used; (iii) At least one copy of all documents being considered at the meeting is available at any physical site open to the public where individuals may attend the virtual conference. The notice shall include information regarding access for the public and news media. Subsection (4) of this section shall be complied with in conducting such meetings. (c) The nature of the emergency shall be stated in the minutes. Complete minutes of such meeting specifying the nature of the emergency and any formal action taken at the meeting shall be made available for inspection as provided in subsection (5) of section 84-1413. (8) In addition to any other statutory authorization for virtual conferencing, any public body not listed in subdivision (2)(a) of this section may hold a meeting by virtual conferencing if: (a) The purpose of the virtual meeting is to discuss items that are scheduled to be discussed or acted upon at a subsequent non-virtual open meeting of the public body; (b) No action is taken by the public body at the virtual meeting; and (c) The public body complies with subdivisions (2)(b)(i) and (2)(b)(ii) of this section.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each

meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if: (a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction; (b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience; (c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance; (d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state; (e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and (f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

84-1415. Open Meetings Act; requirements; waiver; validity of action. No motion, resolution, rule, regulation, ordinance, or formal action made, adopted, passed, or taken at a meeting as defined in section 84-1409 of a public body as defined in such section shall be invalidated because such motion, resolution, rule, regulation, ordinance, or formal action was made, adopted, passed, or taken at a meeting or meetings on or after March 17, 2020, and on or before April 30, 2021, pursuant to a Governor's Executive Order which waived certain requirements of the Open Meetings Act.

FAQ Nebraska Revised Statute section 79-101

Information Related to Learning Disabilities, Including Dyslexia

LEGISLATIVE BILL 298

Approved by the Governor June 1, 2023

Introduced by Linehan, 39; DeBoer, 10; Conrad, 46.

A BILL FOR AN ACT relating to education; to amend section 79-101, Revised Statutes Cumulative Supplement, 2022; to require each school district to collect and provide information regarding learning disabilities and the school board of each school district to adopt a written dress code and grooming policy as prescribed; to require the State Department of Education to provide a report and to develop a model dress code and grooming policy for schools as prescribed; to adopt the Interstate Teacher Mobility Compact; to provide a duty for the State Board of Education; to define and redefine terms; to harmonize provisions; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. (1) On or before July 1 of each year, each school district shall provide to the State Department of Education, on forms prescribed by the department, information relating to dyslexia. Such information shall include, but not be limited to, the number of students in each public school in such district:

(a) Tested for a specific learning disability in the area of reading, including tests that identify characteristics of dyslexia and the results of such tests;

(b) Identified as having a reading issue, including dyslexia, pursuant to the assessment administered under the Nebraska Reading Improvement Act; and

(c) Identified as described in subdivision (b) of this subsection that have shown growth on the measure used to identify the reading issue.

(2) The State Department of Education shall annually compile the information received pursuant to subsection (1) of this section and provide a report on such information electronically to the Legislature on or before September 1 of each year.

Nebraska Revised Statute section 79-101 requires school districts to collect and provide to the Nebraska Department of Education information related to learning disabilities, including dyslexia.

The data collecting and reporting set forth in Statute 79-11,157.01 is required of all Nebraska public school districts.

Beginning with school year 2023-2024, and each year after, each public school district shall provide to the State Department of Education:

- the number of students in each public school evaluated (tested) for a specific learning disability (SLD) **in the area of reading** ages 3 to 21;
 - » this should include students assessed with instruments that identify the characteristics of dyslexia;
- the results of the evaluation (testing) to determine eligibility under the category of specific learning disability (SLD) **in the area of reading**;
- the number of students identified as having a reading deficiency according to assessments administered under the requirements of the Nebraska Reading Improvement Act, revised statute (79-2601 to 79-2607), and;
- the number of students who have shown growth on the approved screeners (assessments) used to identify a reading deficiency during the screening cycle will be reported to the NDE.

DEFINITIONS

DYSLEXIA

The National Institutes of Health (NIH), the International Dyslexia Association (IDA), the Nebraska Dyslexia Association (NDA), and others have adopted and support the following definition:

Dyslexia is a specific learning disability that is neurological in origin. It is characterized by difficulties with accurate and/or fluent word recognition and by poor spelling and decoding abilities. These difficulties typically result from a deficit in the phonological component of language that is often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede the growth of vocabulary and background knowledge. View additional information in the NDE [Dyslexia Guide](#).

UNIVERSAL SCREENING (“TESTING”)

A universal screener for reading functions within the NeMTSS framework to support students' reading success as a service provided through the Nebraska Reading Improvement Act (Section 79-2601- 79-2607). Following the NeMTSS best-practice model, school districts implement universal screening of reading for all students (K-3) at various points in the beginning, middle, and end of the school year, regardless of the student's performance in the classroom. Universal screening focuses on specific skills that are highly correlated with broader measures of reading achievement resulting in the identification of those students potentially “at-risk” for future reading failure, including those with developmental reading disabilities. This information can also provide districts with information regarding the effectiveness of their core instructional program. The Nebraska Department of Education has created an [IRIP Guidance](#) document for more information surrounding Universal Screening.

DYSLEXIA SCREENER

In Nebraska ([79.1118.01](#)), dyslexia is defined as a specific learning disability. Beginning with the 2018-2019 school year, students that show characteristics of dyslexia are required to receive “evidence-based structure literacy instruction implemented with fidelity using multisensory approach” ([79-11,156](#)). Under the Nebraska Reading Improvement Act, approved tier one screeners have been selected to help identify students at risk for reading difficulties such as dyslexia. Schools may choose to add an additional Dyslexia-specific screener, but it is not required under Statute 79-11,157.01.

READING DEFICIENCY

The Nebraska Reading Improvement Act states that a reading deficiency is determined when any student in kindergarten, grade one, grade two, or grade three shall be identified as having a reading deficiency if such student performs below the threshold level determined pursuant to section 79-2603 on an approved reading assessment. A student who is identified as having a reading deficiency pursuant to this subsection shall remain identified as having a reading deficiency until the student performs at or above the threshold level on an approved reading assessment.

SPECIFIC LEARNING DISABILITY (SLD)

For students with dyslexia to be eligible under the eligibility category of [Specific Learning Disability](#) (SLD), data must be used to demonstrate that the disability has a significant educational impact. Under IDEA (2006), to qualify for special education services in the category of specific learning disability, the child must have a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations. The category includes conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia.

The evaluation process analyzes data for the purpose of determining whether a student meets the criteria for different services. As a result of screening and subsequent evaluation, a student who is found to have dyslexia may receive an individualized reading improvement plan (K-3), be eligible for a 504 plan (to provide appropriate accommodations) or be found eligible for an Individualized Education Program (IEP) and receive specialized instruction and related services. The culmination of the evaluation process is a written report that includes evidence of whether or not specific criteria are met for eligibility and clearly states recommendations for specially designed instruction, as mandated by federal law. The written report also lists accommodations such as providing additional time for assessments or having tests read to the student.

For more information on criteria for eligibility of a specific learning disability refer to [Determining Special Education Eligibility for Specific Learning Disabilities](#).

FREQUENTLY ASKED QUESTIONS

1. **When will this law go into effect?**

School districts will begin collecting data during the 2023-2024 school year and make a submission to the NDE on or before July 1, 2024. An NDE Portal data collection is currently in development. Once the new collection opens (Summer 2024), school districts will enter their information (see Table 1) for the current school year (July 1, 2023, through June 30, 2024). For subsequent school years, all data will be collected via the NDE Portal system.

2. **Who is responsible for collecting and reporting data to the NDE?**

According to Nebraska Revised Statute 79-101,157.01, reported information includes "...the number of students in each public school in such district." Nebraska public districts must report the required data (see Table 1) for each public school within the district.

3. **For which grade levels do the reporting requirements apply?**

The Nebraska Reading Improvement Act requires districts to screen students in grades K-3 three times per year. Data must also be collected and reported on students ages three to 21 who have been evaluated (tested) for a specific learning disability in reading.

4. **How is a "reading issue" determined for individual students?**

Per the requirements of the Nebraska Reading Improvement Act, kindergarten through 3rd grade students are identified as having a reading issue if they perform below the threshold level determined pursuant to section 79-2603 on an approved reading assessment.

5. **How should student growth towards proficiency be measured and reported?**

Student growth toward proficiency should be measured according to appropriate progress monitoring tools utilized as part of a student's Individualized Reading Improvement Plan (IRIP). The number of students who have shown growth on the approved screeners (assessments) used to identify a reading deficiency during the screening cycle will be reported to the NDE.

6. **Which universal screeners can be used to measure growth in reading proficiency?**

For the selection of a universal screener, please refer to the Approved Reading Assessment page as covered under the Nebraska Reading Improvement Act.

7. **What types of screeners measure the characteristics of dyslexia?**

The primary characteristics of dyslexia in a school setting are weaker decoding, difficulty accurately reading (or sounding out) unknown words, poor fluency, and low, inaccurate, or labored oral reading (slow reading rate). Because students with dyslexia may exhibit a wide range of characteristics and screening tools do not provide a medical diagnosis, further testing will be needed.

It is not necessary to create a separate screening process to identify students with characteristics of dyslexia. The goal is to embed dyslexia screening within a Multi-tiered System of Support (MTSS). Integrating data from screening, progress monitoring, and response to evidence-based instruction and intervention provides the greatest accuracy for identifying struggling readers as well as students with characteristics of dyslexia. For specific information, refer to your universal screener's administration guidelines.

8. **Should a student who is already on an IEP also be on an Individual Reading Improvement Plan (IRIP)?**

If a student is determined to be eligible for special education, regardless of the eligibility category, he or she may have goals within the IEP related to progress in the area of reading. If the student has goals related to reading, the student would not be placed on an IRIP; rather the team would work to support the student through the IEP. If the student is on an IEP and the IEP does not contain goals related to supporting reading progress, the student could also be placed on an Individual Reading Improvement Plan as required.

9. **How does a district account for students who have moved during the school year?**

Each district will collect the number of students for each category listed above from the July 1 to June 30 time period prior to the July 1 reporting date.

For students who are being evaluated (tested) for Specific Learning Disability in the area of reading - The school district that completes evaluation (testing) and holds the eligibility meeting should report that student in its annual data for this collection.

For students identified as needing Individualized Reading Improvement Plans, districts will count the student when placed on the IRIP during that time period. The progress of that student will be measured by the district who has the student in membership on the June 30th date of the reporting time period.

This data is meant to be reported as school building level data, with the district doing the reporting for each school building.

**EMPLOYMENT AGREEMENT
EXECUTIVE DIRECTOR ASSIGNED TO ESUCC PROJECTS**

THIS EMPLOYMENT AGREEMENT is made by and between the **Educational Service Unit No. 17 of the State of Nebraska**, and referred to as "ESU 17", and Dr. Kraig J. Lofquist, referred to herein as "the Executive Director". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the ESU 17 Board agrees to employ the Executive Director, and the Executive Director agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Employment. The Executive Director shall be employed indefinitely commencing on July 1, 2023. References to "contract year" shall mean the period from July 1st through June 30th and shall consist of all days except Saturdays and Sundays and any holidays or leave days listed in Section 8.

Section 2. Salary. The Executive Director's salary for the 2023-2024 contract year shall be \$199,830.00 which shall be paid in 12 equal monthly installments beginning in the month of August 2023. The Executive Director shall also receive "additional compensation" as provided in Exhibit B to the Negotiated Agreement between the certificated personnel of ESU 17 and ESU 17. ESU 17 shall not reduce the Executive Director's salary during the term of this Agreement, but may increase it and/or the benefits during the term of this Agreement, as an amendment to the Agreement, without the amendment constituting a new contract, requiring a hearing, or extending the term of this Agreement.

Section 3. Deductions. This Agreement shall conform to the statutes and regulations governing deductions from compensation and shall be subject to the School Employees Retirement Act. The Executive Director authorizes ESU 17 to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Executive Director or the value of property or money entrusted to the Executive Director or owed by the Executive Director to ESU 17 or to the Educational Service Unit Coordinating Council (ESUCC) during the course of or as a result of the Executive Director's employment, if such property or money have not properly been returned to ESU 17 or ESUCC. ESU 17 shall withhold other deductions as the Executive Director and Board may agree.

Section 4. Professional Status. The Executive Director affirms that he or she is not under contract with any other school district, educational

service unit, or other entity covering any part or all of the term provided in this Agreement. Throughout the Agreement term, he or she will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which he will register and maintain on file in ESU 17's central administrative office. This Agreement shall not be valid and ESU 17 will not compensate the Executive Director for any service performed prior to the date that he or she registers his certificate. The Executive Director represents that: (1) all information he or she provided in connection with his or her application for employment with ESU 17 or the ESUCC was true and accurate at the time of application, and if there is or has been a material change in such information, he or she will advise ESU 17 and the ESUCC immediately; (2) he or she has never been convicted of or plead no contest to, a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) he or she has not had any professional licenses or certificates suspended or revoked.

Section 5. Executive Director's Duties. The parties agree that the Executive Director will be assigned to the ESUCC to perform his or her duties. The Executive Director's duties shall be as prescribed by statute and by ESUCC policies, rules, regulations, job description, and directives, which may be changed at any time with or without notice to the Executive Director. The Executive Director agrees to devote his or her time, skill, labor, and attention to his or her duties throughout the term of the Agreement. He shall or she be subject to the direction and control of the ESUCC at all times and shall perform such administrative duties as the ESUCC assigns to him or her. By agreement with the ESUCC, he or she may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out his or her duties and obligations to ESU 17 and the ESUCC.

Section 6. Right to Reassign. ESU 17 and its Administrator retain the right to assign and reassign the Executive Director pursuant to its statutory authority to assign employees. The Executive Director understands and agrees that ESU 17, in consultation with the ESUCC, has the right to assign Executive Director to a position different from that originally assigned.

Section 7. Termination of Agreement. In exchange for \$1 and other valuable consideration which the Executive Director acknowledges receiving, the parties agree that this Agreement is not subject to the requirements of NEB. REV. STAT. § 79-824 through § 79-858 or NEB. REV. STAT. § 79-1201 through § 79-1249. By accepting this additional consideration,

the Executive Director understands that he or she is waiving statutory rights such as to notice and a hearing and other rights regarding nonrenewal of employment, to the extent that he or she possesses any such right. He or she does so voluntarily and with full knowledge of the rights he or she is waiving.

Section 8. Fringe Benefits. ESU 17 shall provide the Executive Director with the following fringe benefits:

- a. AFLAC 125 Plan.** The Executive Director will be allowed to participate in ESU 17's AFLAC 125 plan, and will be allowed to use funds placed into the 125 fund to purchase health insurance, dental insurance, or child care.
- b. Disability Insurance.** The Executive Director shall purchase long-term disability insurance from ESU 17's carrier at his or her own expense. The Board will increase his or her salary by the amount of the premium cost.
- c. Sick Leave.** The Executive Director shall be entitled to 9 days of sick leave per year, which may accumulate to a total of 60 days. Sick leave may only be used for personal illness or family members as designated in policy by ESU #17. If the Executive Director qualifies for disability pay under the long-term disability policy, he or she shall be required to take the disability pay instead of sick leave pay. The Executive Director shall keep complete and accurate records of his or her sick days and shall provide the Board and the ESUCC with a report of his or her accumulated sick days at least quarterly. The Executive Director shall not be compensated for unused days of sick leave upon the ending of his or her employment with the ESU 17.
- d. Vacation.** The Executive Director shall have 22 vacation days for the 2023-2024 contract year which he or she may use at times he or she chooses so long as his or her absence does not interfere with the proper performance of his or her duties. Any extended vacation period (more than 10 days) will require advance approval by the Board and the ESUCC, and the parties will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of ESU 17 and the ESUCC. After the 2022-2023 contract year, the Board shall give the Executive

Director the number of days necessary to restore his or her total to 22 days. For example, if he or she uses 12 days of vacation one year, the board will provide him or her with 12 days the following year to bring his or her total to 22 days. The Executive Director shall develop a system for recording his or her use of vacation days and shall keep such records current and on file in the ESU 17 and ESUCC central offices. The Executive Director shall keep complete and accurate records of his or her vacation days and shall provide the Board and the ESUCC with a report of his or her accumulated vacation days at least quarterly. The Board or ESUCC may require him or her to use his or her vacation days and shall compensate him or her for unused vacation days upon the conclusion of his or her employment at the rate of \$2 per day.

- e. Holidays.** The Executive Director shall receive the following paid holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day. The Executive Director shall receive annually 3 additional "floating" paid holidays to be used at the Executive Director's discretion.

Section 9. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this Agreement.

Section 10. Amendments to be in Writing. This Agreement may be modified or amended only by a writing duly authorized and executed by the Executive Director and ESU 17.

Section 11. Severability. If any portion of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this Agreement.

Section 12. Legal Actions. ESU 17 will support the Executive Director if there is a legal dispute caused by him or her carrying out his or her duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Executive Director as a result of his or her performance of his or her duties or his or her position as Executive, ESU 17 will provide him or her with a legal defense to the maximum extent permitted by law so long as he or she acted in good faith and in a manner which he or she reasonably believes to be in or not opposed

to the best interests of ESU 17 and/or ESUCC and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

IN WITNESS WHEREOF, the parties have executed this contract on the dates indicated below.

Executed by the Board this 9th day of May, 2023.

- **Distance Learning, NVIS, and VFT**
 - o Met three times this summer to develop a plan for DL improvements during the 2023-2024 school year. Here's the [Agenda](#) and the [Jamboard](#) we used to identify and prioritize our next steps, which include the following...
 - **Create content for communicating Distance Learning efforts to school counselors at the secondary level (and leverage existing and new avenues for reaching that target audience).**
 - Develop resources (such as a checklist, top ten list, etc.) for teachers delivering Distance Learning courses that would serve as professional learning for how to enhance their practice in a virtual delivery method.
 - Create an "equipment recommendations" list (which may fall under #2).
 - **Schedule a monthly meeting, starting in October, to (1) support the aforementioned efforts, (2) mentor any new DL Coordinators, and (3) give feedback and receive updates on NVIS as it develops.**
 - o To accomplish those goals, we have already...
 - Created [a new image on the current NVIS site](#) that directs users to an email address where they can submit a request for a course. A concern that came out of the meeting was that as we increase marketing efforts and users can't find what they are looking for, we risk losing them as partners moving forward. As such, this step is important in order to connect with those willing to reach out with course needs.
 - Submitted, at the group's request, a proposal to highlight Distance Learning at the Nebraska School Counselor Association's 2023 conference (academy). I also submitted the same session for the State Principals Conference in December. Both efforts should help us build awareness and illustrate how Distance Learning can help to address the present teacher shortage.
 - Finished a [one-pager that we can share/send to school counselors](#) to communicate how DL can help.
 - Made a significant update to the previous one-pager for Distance Learning
 - o Progress on the NVIS update continues through Scott Isaacson and our programming team.

TLT November 16 & 17 Training Summary

Design Thinking with With John Mehaan [Training Flyer for ESUs](#)

- Day 1 will start with the “Why” – looking into some of the fundamental research regarding positive psychology, 21st Century college and career-readiness, and the applied practice of classroom gamification. This first day of training will lean heavily on the philosophy of game design and the applied psychology of what makes great games work, both inside of our classrooms and outside of them.
- Day 2 will go deeper into the world of the student-centered classroom by taking part in a series of training exercises designed to introduce session attendees to the “how” behind making playful pedagogy come to life. Participants will have the opportunity to role play as members of a sample class – using various EMC² resources in conjunction with stand-alone lessons in order to gain hands-on practice of what learning looks like in a gamified instructional environment.
- Open to all affiliates - [Registration Link](#)
 - If no one from an ESU is able to attend training in person, someone from the ESU will be given access to online membership so every ESU has a connection to the content.
 - District Guests
 - Each ESU can invite up to 2 district people to attend (could be more than 2 depending on registration)
 - Cost is \$150 for district personnel to attend 2-day training which includes access to the online resources.

FAQ Nebraska Revised Statute section 79-101

Information Related to Learning Disabilities, Including Dyslexia

LEGISLATIVE BILL 298

Approved by the Governor June 1, 2023

Introduced by Linehan, 39; DeBoer, 10; Conrad, 46.

A BILL FOR AN ACT relating to education; to amend section 79-101, Revised Statutes Cumulative Supplement, 2022; to require each school district to collect and provide information regarding learning disabilities and the school board of each school district to adopt a written dress code and grooming policy as prescribed; to require the State Department of Education to provide a report and to develop a model dress code and grooming policy for schools as prescribed; to adopt the Interstate Teacher Mobility Compact; to provide a duty for the State Board of Education; to define and redefine terms; to harmonize provisions; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. (1) On or before July 1 of each year, each school district shall provide to the State Department of Education, on forms prescribed by the department, information relating to dyslexia. Such information shall include, but not be limited to, the number of students in each public school in such district:

(a) Tested for a specific learning disability in the area of reading, including tests that identify characteristics of dyslexia and the results of such tests;

(b) Identified as having a reading issue, including dyslexia, pursuant to the assessment administered under the Nebraska Reading Improvement Act; and

(c) Identified as described in subdivision (b) of this subsection that have shown growth on the measure used to identify the reading issue.

(2) The State Department of Education shall annually compile the information received pursuant to subsection (1) of this section and provide a report on such information electronically to the Legislature on or before September 1 of each year.

Nebraska Revised Statute section 79-101 requires school districts to collect and provide to the Nebraska Department of Education information related to learning disabilities, including dyslexia.

The data collecting and reporting set forth in Statute 79-11,157.01 is required of all Nebraska public school districts.

Beginning with school year 2023-2024, and each year after, each public school district shall provide to the State Department of Education:

- the number of students in each public school evaluated (tested) for a specific learning disability (SLD) **in the area of reading** ages 3 to 21;
 - » this should include students assessed with instruments that identify the characteristics of dyslexia;
- the results of the evaluation (testing) to determine eligibility under the category of specific learning disability (SLD) **in the area of reading**;
- the number of students identified as having a reading deficiency according to assessments administered under the requirements of the Nebraska Reading Improvement Act, revised statute (79-2601 to 79-2607), and;
- the number of students who have shown growth on the approved screeners (assessments) used to identify a reading deficiency during the screening cycle will be reported to the NDE.

DEFINITIONS

DYSLEXIA

The National Institutes of Health (NIH), the International Dyslexia Association (IDA), the Nebraska Dyslexia Association (NDA), and others have adopted and support the following definition:

Dyslexia is a specific learning disability that is neurological in origin. It is characterized by difficulties with accurate and/or fluent word recognition and by poor spelling and decoding abilities. These difficulties typically result from a deficit in the phonological component of language that is often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede the growth of vocabulary and background knowledge. View additional information in the NDE [Dyslexia Guide](#).

UNIVERSAL SCREENING (“TESTING”)

A universal screener for reading functions within the NeMTSS framework to support students' reading success as a service provided through the Nebraska Reading Improvement Act (Section 79-2601- 79-2607). Following the NeMTSS best-practice model, school districts implement universal screening of reading for all students (K-3) at various points in the beginning, middle, and end of the school year, regardless of the student's performance in the classroom. Universal screening focuses on specific skills that are highly correlated with broader measures of reading achievement resulting in the identification of those students potentially “at-risk” for future reading failure, including those with developmental reading disabilities. This information can also provide districts with information regarding the effectiveness of their core instructional program. The Nebraska Department of Education has created an [IRIP Guidance](#) document for more information surrounding Universal Screening.

DYSLEXIA SCREENER

In Nebraska ([79.1118.01](#)), dyslexia is defined as a specific learning disability. Beginning with the 2018-2019 school year, students that show characteristics of dyslexia are required to receive “evidence-based structure literacy instruction implemented with fidelity using multisensory approach” ([79-11,156](#)). Under the Nebraska Reading Improvement Act, approved tier one screeners have been selected to help identify students at risk for reading difficulties such as dyslexia. Schools may choose to add an additional Dyslexia-specific screener, but it is not required under Statute 79-11,157.01.

READING DEFICIENCY

The Nebraska Reading Improvement Act states that a reading deficiency is determined when any student in kindergarten, grade one, grade two, or grade three shall be identified as having a reading deficiency if such student performs below the threshold level determined pursuant to section 79-2603 on an approved reading assessment. A student who is identified as having a reading deficiency pursuant to this subsection shall remain identified as having a reading deficiency until the student performs at or above the threshold level on an approved reading assessment.

SPECIFIC LEARNING DISABILITY (SLD)

For students with dyslexia to be eligible under the eligibility category of [Specific Learning Disability](#) (SLD), data must be used to demonstrate that the disability has a significant educational impact. Under IDEA (2006), to qualify for special education services in the category of specific learning disability, the child must have a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in an imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations. The category includes conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia.

The evaluation process analyzes data for the purpose of determining whether a student meets the criteria for different services. As a result of screening and subsequent evaluation, a student who is found to have dyslexia may receive an individualized reading improvement plan (K-3), be eligible for a 504 plan (to provide appropriate accommodations) or be found eligible for an Individualized Education Program (IEP) and receive specialized instruction and related services. The culmination of the evaluation process is a written report that includes evidence of whether or not specific criteria are met for eligibility and clearly states recommendations for specially designed instruction, as mandated by federal law. The written report also lists accommodations such as providing additional time for assessments or having tests read to the student.

For more information on criteria for eligibility of a specific learning disability refer to [Determining Special Education Eligibility for Specific Learning Disabilities](#).

FREQUENTLY ASKED QUESTIONS

1. **When will this law go into effect?**

School districts will begin collecting data during the 2023-2024 school year and make a submission to the NDE on or before July 1, 2024. An NDE Portal data collection is currently in development. Once the new collection opens (Summer 2024), school districts will enter their information (see Table 1) for the current school year (July 1, 2023, through June 30, 2024). For subsequent school years, all data will be collected via the NDE Portal system.

2. **Who is responsible for collecting and reporting data to the NDE?**

According to Nebraska Revised Statute 79-101,157.01, reported information includes "...the number of students in each public school in such district." Nebraska public districts must report the required data (see Table 1) for each public school within the district.

3. **For which grade levels do the reporting requirements apply?**

The Nebraska Reading Improvement Act requires districts to screen students in grades K-3 three times per year. Data must also be collected and reported on students ages three to 21 who have been evaluated (tested) for a specific learning disability in reading.

4. **How is a "reading issue" determined for individual students?**

Per the requirements of the Nebraska Reading Improvement Act, kindergarten through 3rd grade students are identified as having a reading issue if they perform below the threshold level determined pursuant to section 79-2603 on an approved reading assessment.

5. **How should student growth towards proficiency be measured and reported?**

Student growth toward proficiency should be measured according to appropriate progress monitoring tools utilized as part of a student's Individualized Reading Improvement Plan (IRIP). The number of students who have shown growth on the approved screeners (assessments) used to identify a reading deficiency during the screening cycle will be reported to the NDE.

6. **Which universal screeners can be used to measure growth in reading proficiency?**

For the selection of a universal screener, please refer to the Approved Reading Assessment page as covered under the Nebraska Reading Improvement Act.

7. **What types of screeners measure the characteristics of dyslexia?**

The primary characteristics of dyslexia in a school setting are weaker decoding, difficulty accurately reading (or sounding out) unknown words, poor fluency, and low, inaccurate, or labored oral reading (slow reading rate). Because students with dyslexia may exhibit a wide range of characteristics and screening tools do not provide a medical diagnosis, further testing will be needed.

It is not necessary to create a separate screening process to identify students with characteristics of dyslexia. The goal is to embed dyslexia screening within a Multi-tiered System of Support (MTSS). Integrating data from screening, progress monitoring, and response to evidence-based instruction and intervention provides the greatest accuracy for identifying struggling readers as well as students with characteristics of dyslexia. For specific information, refer to your universal screener's administration guidelines.

8. **Should a student who is already on an IEP also be on an Individual Reading Improvement Plan (IRIP)?**

If a student is determined to be eligible for special education, regardless of the eligibility category, he or she may have goals within the IEP related to progress in the area of reading. If the student has goals related to reading, the student would not be placed on an IRIP; rather the team would work to support the student through the IEP. If the student is on an IEP and the IEP does not contain goals related to supporting reading progress, the student could also be placed on an Individual Reading Improvement Plan as required.

9. **How does a district account for students who have moved during the school year?**

Each district will collect the number of students for each category listed above from the July 1 to June 30 time period prior to the July 1 reporting date.

For students who are being evaluated (tested) for Specific Learning Disability in the area of reading - The school district that completes evaluation (testing) and holds the eligibility meeting should report that student in its annual data for this collection.

For students identified as needing Individualized Reading Improvement Plans, districts will count the student when placed on the IRIP during that time period. The progress of that student will be measured by the district who has the student in membership on the June 30th date of the reporting time period.

TABLE 1.

This data is meant to be reported as school building level data, with the district doing the reporting for each school building.

SRS Staff Report

October, 2023

Rita McKinney and Todd Hatcher have led 14 training events for SRS both in-person and via Zoom, hosted by ESU student services directors. The SRS knowledge base has a set of useful articles for assistance in using the system and it is available at:

The main focus of SRS support now is the fall ADVISER reporting window. The follow-up collection for 2022-2023 data closes October 2, 2023. The October snapshot data for 2023 is being collected now through October 31, 2023. We continue to aim toward reducing errors and manual effort required in the ADVISER reporting process.

The SRS Advisory team has full meetings quarterly through the year, and monthly check-ins on the months between those meetings. Anthony Maggio is working through forms changes the advisory team have identified.

We continue work on updating the database and software code of SRS. The changes will go through testing and accumulate for release in the summer of 2024.

Hear from last year's participants!

The facilitators were very knowledgeable. Their casual approach and transparency made it easy to discuss concerns and questions. I loved the rubric! Our department has discussed ways to incorporate the use of the rubric into the PD we are already providing.

Loved the energy, responses to the material, and organization/flow of today's work!

Thank you to our hosts: ESU 1, ESU 13, and ESU 4!

Coop Directors report to ESUCC Board
submitted by: Craig Peterson
October, 2023

1. Coop Strategic Plan

- a. **Purpose:** ESUCC Cooperative Purchasing aims to revitalize member participation, enhance their benefits, and contribute to the cooperative's continued success.
- b. **2023-2024 Goal:** Increase engagement and purchasing activity among ESUCC Cooperative Purchasing members who exhibit low purchasing volume or underutilize our services.
 - i. Training was conducted on September 13 for 8 buyers and the Director of Purchasing for the Omaha Public Schools. We are already having conversations on how the Annual Buy could possibly replace OPS bidding of 50 some high-volume line items. This list has been shared with the ESUCC Coop Director and we have identified 25 items that could be added to the Annual Buy to meet their needs, the others we already have on the Annual Buy.

2. Annual/Paper Buy

- a. **Definition of the Annual Buy:** This is a line-item bid where vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with 3,000 to 4,300 items are published and distributed to schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
- b. **2024 Annual Buy**
 - i. Bid is published to vendors on October 4, 2023 at 9:00 a.m.
 - ii. Time has been spent on updating Bid Event Details, Attachments (Terms & Conditions, 2023 shipping locations, 2023 Final Order Quantities, and Section Template), Attributes (Questions to be asked of each vendor) and updating/adding of specifications for line items.
 - iii. This year we utilized the processes developed by IonWave to include current Catalog Descriptions as an attribute in the bid. These were extracted from the ESUCC Marketplace from descriptions written for the 2023 Annual Buy bid and imported into appropriate line items on the 2024 bid. This reduces the time spent after awarding this year in writing the catalog descriptions. If the item doesn't change then the description is confirmed by ESUCC staff and we move to the next item. This saves time creating the catalog and we won't need to lookup, copy and paste every description from the previous year's catalog (3,400 to 4,440 times) for each item.

- c. **2024 Annual Buy Timeline, Bolded items are ones you can share with your schools**
 - i. Public Announcement of IFB - October 4, 2023 9:00 a.m. CST
 - ii. IFB Due Date & Time - December 15, 2023 3:00 p.m. CST (Sections 200, 300, 400, 500, 600, 700, 800, 850, 900)
 - iii. Awards Finalized - January 5, 2024 (Sections 200, 300, 400, 500, 600, 700, 800, 850, 900)
 - iv. RFP Due Date & Time - January 5, 2024 3:00 p.m. CST (100 Electronics Section)
 - v. Awards Finalized - January 16, 2024 (100 Electronics Section)
 - vi. **Paper Buy Catalog Opens - February 2, 2024**
 - vii. **Annual Buy Catalog Opens - February 16, 2024**

4. AEPA

- a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 29 states. AEPA is a voluntary run organization and asks for volunteers from the

membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.

- b. **2023 AEPA Sales/Revenue (Q1-Q2 January 1 to June 30, 2023)**

- d. RFI/RFP eSourcing and Contract Management – released on September 25
 - i. The AEPA President Tina Smith from Kansas contacted me on September 20, 2023 to ask if I could finish the Request for Information (RFI)/Request for Proposals (RFP) and see it through so a recommendation could be made to the 29-state AEPA board at the Winter meeting in November. The original proposed timeline was presented to the board at our Spring meeting in Omaha and allowed for an 8-month process of drafting an RFP, approving the RFP by committee, present budget to full board, publish the RFP, evaluate responses, invite top vendor to present and recommend top vendor to board in November. The updated timeline allowed for a large portion of this to happen over 5 days and have it published by September 25th. I accepted the challenge, rewrote the outline of an RFI that was given to me, sent it out to committee for feedback, scheduled a committee Meeting on Thursday September 21st, received feedback from the committee, completely rewrote a combined RFI/RFP, researched vendor list provided by committee, received feedback on RFI/RFP by Monday morning September 25th and published the [RFI/RFP – eSourcing and Contract Management Service](#) Monday morning around 11:00 a.m. Keep in mind that AEPA is mostly a volunteer organization (Executive Director and contracted Solicitation Manger are the only paid positions) and it seemed to me that in order to meet the original goal of having a recommendation by November that I would need to accept AEPA’s asking to finish the solicitation. Currently ESUCC staff volunteer our time to the following Committees (Craig serves on/as: Website Committee Chair (Committee of 6), Digital Resources and Instructional Materials Solicitation Committee (Chair, committee of 4), Mobile/Cellular Connectivity Solutions Solicitation Committee(Accepted Committee Chair this week, 4 person committee with one leaving for another position), Office Supplies and Equipment Solicitation Committee(Committee of 3) and Facility Management Software Solicitation Committee (Committee of 3), Ex officio member of Marketing and Reporting Committees; Colleen Lentz serves on the Reporting Committee). Getting volunteers for these positions is getting more difficult and this organization does not work unless people step up and participate on committees.

INTERLOCAL AGREEMENT FOR COOPERATIVE PUBLIC/GOVERNMENTAL PURCHASING

This Interlocal Agreement ("Agreement") is made and entered into under the provisions of the Nebraska Interlocal Cooperation Act, NEB. REV. STAT. §§ 13-801 to 13-827 ("Act"), between the Educational Service Unit Coordinating Council, commonly known as ESUCC ("ESUCC"), and City of Oshkosh, commonly known as City of Oshkosh. The parties are referred to collectively as "Agencies."

WHEREAS, the Act, provides that two or more public agencies may enter into an agreement for joint or cooperative action, and this Agreement is made and entered into pursuant to the provisions of that Act; and

WHEREAS, each entity is a "public agency" pursuant to NEB. REV. STAT. § 13-803(2), as amended;

WHEREAS, the ESUCC and City of Oshkosh desire to jointly bid and contract, for supplies, materials, equipment, and services through the ESUCC's Cooperative Purchasing Program;

WHEREAS, each party agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider;

WHEREAS, the Agencies desire to make the most efficient use of their taxing authority and other powers to enable them to cooperate with each other and other entities as further agreed on the basis of mutual advantage to provide goods, services, and facilities in a manner and pursuant to forms of governmental organization that will accord the best results in terms of geographic, economic, population, and other factors that will influence the needs and development of the Agencies;

WHEREAS, the ESUCC will provide organizational and administrative structure for sourcing/bidding; provide marketing of Nebraska ESUCC Cooperative Purchasing to expand membership, awarded contracts, and commodity categories; and provide members with current awarded vendor contracts, instructions for obtaining quotes

and ordering procedures;

WHEREAS, City of Oshkosh commits to participate in the Nebraska ESUCC Cooperative Purchasing program by purchasing goods and services from awarded contracts when in the best interest of the entity and to pay awarded vendors in a timely manner per the Terms & Conditions of the contract for all goods and services received and

WHEREAS, the Agencies have passed resolutions authorizing each Agency to approve and enter into this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants contained herein, it is agreed by the parties as follows:

1. Recitals. The foregoing Recitals are hereby incorporated into and made a part of this Agreement.

2. No Separate Legal Entity. This Agreement does not establish a separate legal or joint entity.

3. Purpose. The purposes of this Agreement are as provided in the Recitals and paragraph 6.

4. Term. This Agreement shall remain in full force and effect until terminated or modified by mutual agreement of the parties.

5. Administration. The ESUCC Executive Director shall be responsible for administering the cooperative undertaking described in this Agreement. The Administrator may take any action authorized, either explicitly or implicitly, by the Interlocal Cooperation Act, including any action that may be necessary to perform the duties and functions as provided in this Agreement.

6. Bids and Contracts. Each party from time to time may solicit public bids and enter into contracts on its own behalf to purchase supplies, material, equipment, and services. Each of the parties agrees to extend to the other party the right to purchase pursuant to such bids and contracts to the extent permitted by law, and to the extent agreed upon between each party and the bidder, contractor, vendor, supplier, or service provider. Each of the parties shall contract directly with the bidder, contractor, vendor, supplier, or service provider, and pay directly in accordance with its own payment procedures for its own

purchases. Any purchase made pursuant to this Agreement is not a purchase from either of the parties. This Agreement shall create no obligation for either of the parties to purchase any particular good or service, nor create to either of the parties any assurance, warranty, or other obligation from the other party with respect to purchasing or supplying any good or service.

7. Manner of Acquiring, Holding, and Disposing of Real and Personal Property. The Agencies do not anticipate a need to acquire, hold, or dispose of real property to accomplish the purposes of this Agreement. The Agencies' respective governing boards shall determine the manner of acquiring, holding, or disposing of real property in the event that such a need arises. In no event shall the Administrator have the authority to acquire real property on behalf of the Agencies.

8. Financing and Budgeting. Each party will finance its respective responsibilities under this agreement through its existing internal financing and budgeting processes. The parties shall provide a copy of their respective budgets to the Administrator upon request.

9. Expenses. Unless provided otherwise herein, all expenses of this Agreement shall be shared and paid equally by the Agencies.

10. Taxes. This Agreement does not grant the Agencies any authority to levy, collect, or account for any tax authorized under sections 13-318 through 13-326 or 13-2813 through 2816.

11. Nondiscrimination. The Agencies shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

12. Employment Eligibility Verification. The Agencies shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If a party employs or contracts with any subcontractor in connection with this Agreement, the contracting party shall include a provision in the contract requiring the subcontractor to use a federal immigration

verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

13. Termination. Either party may terminate this agreement by providing written notice to the other party not less than 60 days prior to termination. Any funds contributed to or for the benefit of this Agreement in possession of any of the Agencies upon termination of this Agreement shall be divided as nearly as practicable in proportion to the amounts contributed over the life of the Agreement. Any other personal property owned by any of the Agencies as a result of this Agreement shall be the property of the party that purchased it. In the event that the cost of the personal property was shared equally by the Agencies, the property shall be liquidated or distributed in kind upon the termination of this Agreement. If a dispute arises between the Agencies as to the value of such property or as to how it will be distributed, such property shall be sold by taking bids at public auction and selling said property to the highest bidder with the proceeds therefrom being divided equally by the Agencies. Termination shall not impair a party's obligation for its share of any outstanding indebtedness incurred under this Agreement.

14. Withdrawal. An Agency's governing board may withdraw from this Agreement by passing a resolution and submitting a copy of it to the other Agency at least 60 days in advance of the stated date of withdrawal. Withdrawal shall not impair an Agency's obligation for its share of any outstanding indebtedness.

16. Notice. Each Agency giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or electronic mail (to the Agency's then executive officer or the governing board's president, with receipt confirmed). Notice shall be sent to the following addressees at the following addresses:

ESUCC: ESUCC
Attn: Executive Director
6949 South 110th Street
LaVista, NE 68128

City of Oshkosh: _____
Attn: _____

Notice is effective only if the party giving the Notice has complied with this section.

17. Amendments and Modifications. The Agencies may amend or modify this Agreement only by a written agreement signed by both parties that identifies itself as an amendment or modification to this Agreement. No other alterations in the terms of this agreement shall be valid or binding.

18. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement shall remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

19. Counterparts. The Agencies may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the Agencies need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other Agencies to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each Agency to the other Agencies. In proving this Agreement, an Agency must produce or account only for the executed counterpart of the Agency to be charged.

20. Assignment. The Agencies shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person or entity without the previous written consent of each of the other Agencies.
