Elementary Principal Report

Board of Education

April 2018

Goal #1: Wakefield Community School will provide students an education that develops relationships utilizing a relevant curriculum that infuses technology providing 21st Century learning for all students.

- Students in grades 3-6 have begun to take the Nebraska Student-Centered Assessment System (NSCAS) in various content categories. The NSCAS assessments takes the place of the Nebraska State Assessment (NeSA). All students grades 3-6 will have to take the English-Language Arts and Mathematics assessment. Students in 5th grade will also take the Science assessment. These assessments are administered on the computer and are used to assess student proficiency on Nebraska state standards. All of the state standards can be found on the Nebraska Department of Education website.
- Students who are age eligible for kindergarten will receive a written invitation to the 2018-2019 Kindergarten Registration Night. In order for a child to attend kindergarten, they must be 5 on or before July 31st. Kindergarten Registration will be held on April 26th at 5:30 in Mr. Galles' classroom. All age eligible students will receive a packet of information to complete prior to coming to the meeting. If possible, please complete the required forms. All kindergarten eligible students will need to have additional shots completed, a physical and a vision exam before they are admitted in the fall. Wakefield Elementary School will also require students to have an official copy of the birth certificate. If parents need help completing forms, there will be support at round-up. Students who did not attend Wakefield Schools for Preschool, can also schedule a time to come meet their teachers and observe the classroom.
- Pre-school Registration will be held on April 26th. 3 Year old parents will need to meet in the library at 5:00 pm. All students who reach the age of 3 by July 31st are eligible to attend. Wakefield Elementary School will offer a 3 year old program and a 4 year old program. 4 Year old parents will meet in the lunchroom at 5:15. Three year old students will be allowed to attend ½ time either in the morning or the afternoon session. Four year old students will be eligible to attend full time. Parents and teachers can work together to determine an alternate schedule if necessary. Due to the significant number of eligible students, parents must attend registration night or else they will not be guaranteed a spot. In addition, if all required documentation is not submitted at the beginning of the school year, your spot will be given to the next person. At this point, we have some eligible district-residents who will not be able to attend due to numbers. Preschool students will need to have a copy of their birth certificate and updated shots, unless the school already has these things. We ask that parents do not bring children and you arrive on-time. The meeting should last about 20-25 minutes.

Goal #3: Wakefield Community School will facilitate communication with staff, parents, patrons and students.

Wakefield – Allen Coop Discussion

March 29, 2018

Cooperative Agreement:

- Allen Consolidated Schools is requesting cooperative sports agreement for
 - All junior high athletics except track.
 - Girls volleyball, basketball, and boys and girls golf.
 - Wrestling cooperative is already in place.
- Over time all sports will be involved in a cooperative agreement.

Option Enrollment:

- New option enrollments from Emerson-Hubbard total two students for next year.

Uniforms:

- Girls Basketball – New Uniforms, Allen will pay for new shorts with “W-A” on them.
- Girls Volleyball – New Uniforms, Allen will pay for 50% of the cost
- Wrestling – as uniforms are needed on the rotation.
- Junior High Wrestling Uniform – Add Gold to the uniform (Trying out for participation)
- Junior High Sports – Leave for later when needed
- The Uniforms will have “Trojans” on the uniform. Looking to add a W-A on the shorts. We are adding “gold” to the uniform as well.

NSAA:

- Initially we will be classified C-1 however over time we may go back into C-2. Allen participation by the girls will be roughly the same. Classification may change over time especially if the NSAA changes their number counts to separate boys and girls.
- Would we be purchasing new uniforms? Yes, for varsity girls sports. Allen will share in the cost of the uniforms 50/50. Other uniforms will be purchased on rotation basis purchased on 50/50 shared costs.
- Change in team name? Yes the name will be Wakefield – Allen. We will use this on our programs and this will be our name with the NSAA. Uniforms will say “Trojans.”
- NSAA Agreement will be for two years and is renewable.
- Wakefield will serve as the Host School with NSAA for the Cooperative Agreement.

Policy:

- Drug Testing will occur for all participants going out for a sport for Allen & Wakefield students.
- Allen students are welcome to participate in drug education programming at 6th and 9th grade. Allen district would pay the costs associated with their students.
- Player Eligibility Policy – Agree both schools will need the same policy, which is the Wakefield policy.

- Evaluation of Coaches – Nothing formally used at Allen – Dave & Lana evaluate at the end of each season. Wakefield utilizes a written evaluation document on coaches. Head coaches evaluate the assistant coaches.
- Code of Conduct –Wakefield’s Code of Conduct will be used for both schools including eligibility. Future changes will be agreed upon by both administrations.

Communication:

- Are we planning to share additional information with parents, and/or staff or community prior to an action item brought at a future board meeting? I am asking the Wakefield Board concerning another community meeting. Allen is not planning on a community meeting at this time. They recognize the issues are different in Wakefield and a meeting may be needed.
- The district will send out a letter explaining the sports cooperative.
- Parent Concerns: Allen patrons are free to contact either the Allen or Wakefield administration. We would ask the normal chain of command. They will visit with the A.D. as well. Wakefield has a player and parent process identified in the Wakefield Extra-Curricular Handbook that we expect all players to use.
- Communication is designed to be available to all parents, students and patrons. I will be asking the Board regarding an additional community meeting yet in April. This will be a special board meeting for either April 19th or April 23rd at 6:30 pm.
- Parent survey – Allen is not interested in a parent survey. Not sure what will be gained from a parent survey, we held a community meeting earlier on the topic and received parent feedback. Conducting another survey is up to the Wakefield board.

Transportation:

- Transportation – Discussed the idea that if the team is headed south Allen will send a bus and Wakefield will send bus north. Transportation scheduling will be worked out with Mr. Pattee and Mike Benson.
- Both schools have need for drivers to transport students to activities throughout the year.

Coaching:

- Coaching Changes – Allen will provide at least one – two coaches in volleyball and basketball as well as junior high sports This will help accommodate increased student numbers.
- Who will evaluate the coaches? We will use the Wakefield coaches evaluation form for head coaches and they will be evaluated by the A.D. Head coaches evaluate the assistant coaches.
- Coaching costs will be paid based upon each school’s extra-curricular salary schedule for their coach.

Practices & Game Scheduling:

- Game schedules are being reviewed and revised. Due to two Conference school changes in the schedule. Mr. Brenn has several new basketball contracts pending with different schools including an Iowa school and several C-1 schools. Mr. Brenn is working to get additional games for our junior varsity kids to play in both volleyball and basketball.

- How will the Coop impact practice schedules? As of the moment no changes, however adding another facility could help with practice times.
- Games schedules will follow the Wakefield schedule. There are some anticipated changes due to two Conference schools desiring to for cooperative agreements. Mr. Brenn already has several teams to add to our schedule to accommodate the changes.
- Home games will be played in Wakefield. We are planning to hold games when appropriate in Allen. Singleton basketball games or possibly a triangular volleyball may be played in Allen.

Advantages to Wakefield:

- Sharing of expenses for sports. Potential & Anticipated costs will be shared by both districts.
- Allen and Wakefield are looking at a vision of greater benefits to both students and districts. We are looking at working together in other areas. For example, collaborating regarding career academy opportunities for students.
- Continue building our on-going relationship with Allen where opportunities exist to collaborate with Allen in other areas.

Going Forward:

- Allen administration and Wakefield administration will continue working together to make the cooperative agreement successful for everyone. We recognize that we may not have considered every nuance and changes occur as we collaborate together.
- Wakefield students will have same opportunity to play at the level of their skills. Increased competition due to additional student athletes is a positive opportunity for everyone to become more competitive. We will try to play all student athletes at their levels of performance. Varsity play is based upon the coach's decision as to how best to create a win.
- The goal is to make a formal decision at the May board of education meeting of both schools.
- Wakefield Community Schools desire is to continue developing our positive relationship with Allen Consolidated Schools. The cooperating in extra-curricular activities are the beginnings of a relationship to include academics.
- Allen Sports Cooperative Discussion – Recommend moving forward with a cooperative agreement with Allen in the areas of junior high football, junior high wrestling, junior high volleyball, junior high basketball, high school volleyball, and girls high school basketball and golf. Formal action on the cooperative will occur at the May 2018 Board of Education meeting.

Dear Mr. Bejot,

Please accept this letter as my resignation from my position as a 3rd grade classroom teacher at Wakefield Community School. After careful thought and consideration, my husband and I have recently purchased a business in Columbus, NE. We plan on moving to the Columbus district in the near future where I will continue my education career.

Thank you for the wonderful opportunity to teach in the Wakefield Community School District for the past four years. I truly appreciate all the support and guidance you have offered and the chance to grow as a teacher alongside such inspirational and dedicated professionals.

Sincerely,

Dear Mr. Bejot,

Please accept my letter of resignation for the position of 7-12 Business Teacher at the end of the 2017-2018 school year. I have been given the opportunity to advance in my career with the ESU as the Technology Support Specialist.

This was a great opportunity that I didn't want to pass up, however I am sad that I will be leaving behind a great school. I have enjoyed every minute of these last 5 years with the school systems, and I will miss a great staff and amazing students. This was a tough decision; I wish you and the school the best of luck in the future.

Sincerely,

A handwritten signature in cursive script that reads "Marissa Burenheide". The signature is written in black ink and is positioned above the printed name.

PO Box 330

Mr. Bejot:

Please consider me as a candidate for the Technology Coordinator opening at Wakefield Community Schools. I graduated from Wayne State College in 2005 with my Bachelor's in Secondary Vocational Business Education and then again in 2011 with my Master's in Curriculum and Instruction with an emphasis in technology. My first teaching position was at Humphrey St. Francis for two years as a 4-12 Business/Computers and Technology Coordinator. I then worked at Hartington-Newcastle Schools for six years as their Technology Coordinator and a teacher. The last 4 years I have been working in the business world for an agriculture marketing company as a Database Manager and a construction company as a Tech Specialist.

Between the 2 schools I have had the opportunity to teach every kind of business class as well as advance my technology skills. As the Tech Coordinator at Hartington-Newcastle, I was completely in charge of our computer network; all maintenance, trouble-shooting, upgrades of software, and bidding out new equipment was my responsibility. I also helped with the trouble shooting and maintenance of PowerSchool and NSSRS reporting. Although I enjoy working on technology, I also enjoy working with students; helping them to increase their technology knowledge and their ability to troubleshoot technology on their own.

In my role at Beck Ag, Inc. I have had the opportunity to put to use the skills I was teaching students in the classroom. Although the main office is in Wayne, NE, most of my colleagues were across the country. Adapting to a new work environment and learning the technology to communicate effectively with my co-workers was something I never thought I would have to do, but I enjoyed the change in environment and the challenge to become a better communicator. As the unofficial tech person, I was also able to still use my teaching skills to help bring new employees up to speed and improve the skills of others. I believe my time at Beck Ag has only made my teaching better as I can now bring real world experience into the classroom for my students.

For the last year I have been working at Heritage Homes/Industries as their Tech Specialist. This environment has an older network that I have been able to help bring up to date as well as given me the opportunity to work with many people that do not enjoy using technology. Helping them to understand and become more comfortable with the technology has been very rewarding.

I am excited to further discuss my qualifications for this position with you. To arrange for an interview, please contact me at (402) 369-0313 or at the below address.

Sincerely,

1. The provision of online courses if the student cannot regularly attend classes;
2. The arrangement of meeting times with teachers;
3. The identification of child care providers that meet statutory requirements for quality and care if the student has not identified appropriate child care; and
4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators, which will include, but not be limited to, the modification of attendance policies.

opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public.

2. Students who wish or need to express breast milk on a regular schedule will work with school administrators to create a schedule which accommodates the student's needs while facilitating education to the maximum extent possible.
3. The district will provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.
