Reports

Elementary Principal Report

- Continue to work on curriculum development and implementing Wonders and Impact.
- Currently looking at new math curriculum. There are a lot of resources available, but none meet our specific needs
- Administration has decided to allow field trips, so each class is scheduling one before the end of the school year.

Secondary Principal Report

- Working with Will Tietmeyer in expanding the Industrial Tech Program, specifically in welding. We currently have 4 welders and are hoping to expand to 12 which will require more welders, bays, electrical and down draft tables. Will is also working with NECC so welding classes will be dual credit.
- Looking into a new notification system. Our current contract with InTouch expires in June. Hopefully we can find a company that can manage our notification system and website.
- We have some safety concerns with our intercom system, so we are looking to replace it.
- Upcoming construction projects:
 - Adding a wall in the current board room to create the Superintendent Office and a conference room since the additional EL teacher next year will be in the current conference room.
 - Paint and new lights in the gym
 - Adding fob access to the weight room and activity center without going through the school
- A strength and conditional training session that was originally scheduled for last spring is rescheduled for April 24. This will train coaches and students how to fully use the new weight equipment.
- Continue to look at math and English Language Arts curriculum.

Superintendent Report

- All staff wanting to receive the Covid vaccination received their first shot March 5.
- We received the Facility Study back from Carlson West Povondra Architects. It contains a lot of information to digest.
- We received letters of interest from five design-build companies interested in the sports complex project. They have until April 6 to submit their proposals. At that point a committee will review, interview and make a recommendation to the board.
- We have significant pledges towards the sports complex over the next 3 years, but we need to secure cash flow in the meantime.
- We intent to use Cares Act II funds to help finance the welding program expansion.
- Letters have been sent to each member of the Education and Revenue Committees showing the negative impact LB408 and Legislative Resolution 22CA would have on Wakefield Schools.
- April 7 & 8 will be a two-day training from the state on response protocol and updating our safety system.

Attendance Taken at 6:08 PM:

Present: Bree Brown, Emily Godinez, Jeffrey Keagle, Jim Litchfield, Jim Litchfield, Sherri Lundahl, Eric Riewer.

Present: 6, Absent: 0

Discussion and Action Items

Consent Agenda

Motion to approve the Consent Agenda passed with a motion by Lundahl and a second by Godinez.

Yea: 6, Nay: 0

Bills were reviewed by the Finance Committee and approved as follow: General: \$268,770.35; Employee Benefits: \$100.70; Lunch: \$29,403.87; Payroll: \$240,028.14; Activities: \$8,310.96.

Hold for discussion and appropriate action an administrative recommendation to approve details of an employment contract with Angela Zach as the Secondary School Principal for school year 2021-2022.

At the last meeting we approved hiring Angel Zach as the Secondary Principal, but we had not finalized the details of the contract. We have reached a mutually acceptable agreement, and recommend approving the contract as presented.

Motion to approve an employment contract with Ms. Angela Zach as presented passed with a motion by Lundahl and a second by Keagle.

Yea: Brown, Godinez, Keagle, Litchfield, Lundahl, Riewer

Yea: 6, Nay: 0

Hold for discussion and appropriate action approval of an administrative recommendation to employ Ms. Alejandra Orona as a certificated teacher.

We are excited to offer employment to Alejandra. She is a Wakefield graduate, completed her student teaching here and is bi-lingual. Adding her as a certificated teacher will allow us to dramatically increase our supports to our English Learner students.

Motion to approve an employment contract with Alejandra Orona passed with a motion by Keagle and a second by Riewer.

Yea: Brown, Godinez, Keagle, Litchfield, Lundahl, Riewer

Yea: 6, Nay: 0

Hold for discussion and appropriate action a recommendation to purchase of a network switch as well as fiber optic cabling.

We need to replace a network switch and replace some network cabling. 80% of the cost will be covered through e-rate funding. We currently have \$77,000 in E-rate funds to be spent over the next 5 years on networking equipment.

Replacement of 1 Switch

- SHI - \$811.70. This is a bare bones switch that would work. Cost does not include any installation or support
- RTI - \$2,993.00. This would be a middle ground switch. Cost includes the installation and they would help Leslie through any warranty support.

- NetDiverse - \$10,930.45. Higher end switch. Cost includes installation & 5-year warranty. They are not local, so about \$3,000 of this is travel and labor cost.

Fiber Lines

We received 1 bid on this. Probably because we requested they do a walk through to submit a bid, not very many local companies that work with E-rate run fiber lines.

- RTI - \$5,997.00

Motion to approve the purchase of a network switch and fiber lines from RTI passed with a motion by Riewer and a second by Litchfield.

Yea: Brown, Godinez, Keagle, Litchfield, Lundahl, Riewer

Yea: 6, Nay: 0

Hold for discussion and appropriate action a recommendation to set the tuition for Driver Education at \$250.00 for resident students and \$290.00 for non-resident students.

We have an approved program and this basically allows us to offer a very worthwhile program at little or no cost to the taxpayers.

Motion to set the tuition for Driver Education at \$250.00 for resident students and \$290.00 for non-resident students passed with a motion by Keagle and a second by Lundahl.

Yea: Brown, Godinez, Keagle, Litchfield, Lundahl, Riewer

Yea: 6, Nay: 0

Hold for discussion and appropriate action an administrative recommendation to purchase 7 lunchroom tables.

Entertain administrative reports, accept public testimony, and otherwise verify and confirm compliance with LB399: the Americanism Bill.

This is the second year of LB399. By law, we are required to hold two meetings a year and one has to be a hearing where public input is taken.

At the end of the school year, each teacher will submit a report listing American Civic activities completed throughout the year. Our new Social Studies curriculum does a good job addressing areas. We held our annual Veteran's Day program in November. Mr. Clay gave all students the naturalization/citizenship test in his American Government class.

The preschool teachers shared with the board how their classes say the Pledge of Allegiance every day. They also discussed reporting it and submitting it to the West Point radio station.
