Elementary Principal Report
Board of Education Meeting
February 13, 2023

Guiding Principle 1: Expanded Learning Opportunities for Students

- 3rd-6th grade teachers have created a testing calendar for NSCAS testing.
- ELPA testing will take place on February 27th and 28th
- I recently was awarded a grant from the Gardner Foundation for a book vending machine. This is a typical vending machine but instead of food or drinks, it has books inside of it. Students will earn “tokens” for various reasons and will be allowed to select a book from the machine. The Gardner Foundation generously paid for the machine and also for books to fill the machine.

<https://www.globalvendinggroup.com/book-vending-machine/>

Guiding Principle 2: Family and Community Partnerships

- Preschool Registration and Kindergarten Round-up will be held on April 19th. Registration papers will be mailed to families. Parents will be invited to attend to listen to school staff share programming and expectations. As a reminder: all students who reach the age of 3 by July 31st are eligible for our ½ day program. Students who reach the age of 4 by July 31st are eligible for our full day program. Students who are age-eligible for kindergarten must go to kindergarten. Parents who choose not to send their children to kindergarten must “red-shirt” for a year. The only exception is a student who is eligible for special education services and the IEP team determines differently.
- VIP Day will be held on April 6th from 9-11. Guests will be invited to school to observe classroom activities and for some food (maybe breakfast/brunch). Details will be shared soon.

Guiding Principle I: Expanded Student Learning Opportunities

- ELPA21 testing will begin next week. Mrs. Aguirre, Mrs. Manz, and Mr. Trenhaile will assess all 7-12 grade ELL students.
- Students attended a cyber safety and bullying presentation from Sara Hento of KSB.
- The secondary staff began check-in/check-out interventions with selected students. We will be discussing the process and improvements/changes we need to make to better support students. I have visited with students participating in CICO. The students like having a designated person to check in with them as well as offer encouragement. Students have found the use of planners helpful.

Guiding Principle II: Family and Community Partnerships

- We had our first community night event with speaker, Sara Hento, of KSB Law. The SEBL team met afterwards to discuss ways to improve event attendance.

Guiding Principle III: Climate and Culture

- During our January in-service, the District Leadership Team established a balanced assessment plan. Our focus groups also met to discuss upcoming deadlines and resources needed to meet deadlines.
- During January in-service, the high school staff viewed a video and had discussions in small groups about the topic of collective care. Collective care is shifting from self-care to caring for the people in your organization.
- All Pk-12 staff have been participating in restorative circles for the last 30 minutes of PD every Wednesday. The circles are a mix of elementary and high school staff and are led by staff members. Leaders change every 3-4 weeks. The SEBL team provides talking prompts to the circle leaders. The SEBL team has received positive feedback on the circles so far.

Guiding Principle IV: Personnel Effectiveness

- Kellen Conroy worked with our science department on January 25. We identified what we want for our students, what experiences we want our students to have in classrooms, and experiences teachers would like to have in classrooms. We also discussed developing a vision for the content area, identifying needs, and establishing a timeline.
- Mr. Hassler, Mrs. Borg, Mrs. Galles, Ms. Milliken, Mr. Tietmeyer and I traveled to Indianapolis to attend the National ESEA conference. We were recognized as a Distinguished School. We were the only high school recognized. The best part of the trip was enjoying each other's company and getting the opportunity to celebrate together. It was a memorable experience!

Board Report
February 13, 2023
5:30p.m.

1. I attended the January NSAA District III meeting in Norfolk. There were 42 different proposals that were voted on that afternoon regarding different NSAA sponsored activities or sports. Key proposals for Wakefield that didn't pass were raising the 8 man eligibility number to 51 and there was another proposal to increase to 55.
2. Mr. Farup, Mr. Hassler, Jeff Keagle and myself traveled to Lincoln on January 24 to express our concerns with NSAA staff about being ineligible for 8 man football for the last 10 years.
3. A new meeting with the NSAA has been scheduled for Wednesday, February 22, 2023 in Lincoln to develop a proposal for football that would benefit all schools in Nebraska.
4. The Conference Basketball Tournament finished on February 6, 2023 at WSC.
5. Mr. Hassler and I are talking about hosting a high school track triangular for the upcoming season. Currently, we are waiting on our equipment that was ordered in December prior to Christmas break.
6. Girls Sub-district basketball- February 14 & February 16
7. Boys Sub-district basketball- February 21 & February 23 (Wakefield should host hopefully)
8. Conflict Resolution Manual has been drafted but changes will need to be made as I read through it. I like that our District Problem Solving model is one of the main focuses of the manual, but I need to clean up the steps and make them clearer or more defined. I am working on getting a sample conflict resolution model from Arlington High School in Arlington, NE.
9. I will be completing evaluations and conducting meetings with our Winter sports coaches in the coming weeks.
10. The Varsity girls basketball team finished 3rd place in the Lewis & Clark Conference Tournament and also finished 2nd in the regular season within our Division of the Lewis and Clark Conference.
11. The Varsity boys basketball team finished 2nd place in the Lewis & Clark Conference Tournament and finished 1st in the regular season within our Division of the Lewis and Clark Conference.
12. Junior High Boys and Girls Basketball seasons are finished. Both squads had a challenging season with lower numbers and dealing with injuries on the girls side.
13. Mr. Farup and I are going to sit down and work through the Activities Manual draft that I submitted to him. I will make the necessary changes and get that ready for you to view.

(1) The 3 Native American schools are removed from the averaging since 2 of them would have a negative potential levy reduction and 1 of them it was reduced over 88 cents.

A percentage of the increased State Aid would then be available to all property owners through the Income Tax Credit on School property taxes paid. Increased State Aid will lower the amount of property taxes requested resulting in the % of the Income Tax Credit increasing for all property owners.

Superintendent Board Report
February 2023

- With the resignation of Mr. Wulf, the Elementary Principal position has been posted. We have 6 applicants at the moment, and we are networking with colleagues to find more. We will have a panel of elementary teachers, classified staff, and administration/board members interview the candidates. I plan to complete the process and present a recommendation to the Board at the March board meeting.
- We will have installed door sensors and door access panels on every exterior door. We will know if a door is unlocked or propped open. We will also be able to manage who has access to what doors at certain times of the day/night.
- Master Plan Development
 - A group of staff members will go on a tour of schools on February 21st.
 - SOC/Community Meeting was held Thursday, February 9th. CMBA gave an update of the work that has been completed and took questions from the group.
 - I met with Tobin Buchanon from FNBO, our financial consultant, about restructuring our agreement to add consultation on financing a construction project. Matt Fisher accepted an interim superintendent position, so he is no longer with FNBO, but he said he would help me with anything I needed in the future.
 - We should begin investigating procurement methods for a project. I would like the Building, Sites, and Transportation Committee to meet this month.
- I attended the NASB Legislative Conference in December and will attend the NASB Legislative Advocacy Day –on April 17 in Lincoln and the NRCSA Legislative Forum this Thursday. I am keeping up with the multiple bills that have been proposed that directly apply to education. I will continue to pass along information on these bills as it comes to me.

Reports

Elementary Principal Report

- Our annual One Book, One School initiative began on January 5, 2023. All families were given a copy of The One and Only Ivan. There are nightly reading assignments as well as some family activities to complete. In addition, there are guest readers every day at school to read to those students who did not have the book read to them. Some of our guest readers will be face to face and some will record themselves reading and post on social media. This activity meets one of our literacy goals for our Title I plan.
- Nebraska Reads Student Intervention Data:
 - Kindergarten-5 students dismissed, 0 students added
 - 1st Grade-5 students dismissed, 1 student added (moved in)
 - 2nd Grade-2 students dismissed, 3 students added
 - 3rd Grade-2 students dismissed, 2 students added (1 moved in)

Secondary Principal Report

- ELPA progress monitoring has been completed. This process has not been done before, so we are definitely learning through it. Data will be used for instructional planning 2nd semester.
- It has been shared through social media that we will have a community event on January 25 at 6:30. The SEBL team has invited Sara Hento from KSB Law to present on mental health, bullying, and social media.
- For the second year, we held a very entertaining and successful student talent show. The show was hosted by Mr. Farup and Mrs. Lamprecht. We have some very talented students in our district! We are very proud of our students for the kindness and support they showed each other whether performing an act or being an audience member.
- Kellen Conroy will be here January 18 to facilitate us through the science curriculum selection process.
- The SEBL team will be implementing Pk-12 staff restorative circles during PD every Wednesday. The purpose of this work is to practice the structure of restorative circles and for staff to practice leading the circles. Restorative circles will be the means of teaching our students district-wide behavior expectations next school year. The SEBL team has spent a lot of time planning this PD and will continue to support teachers throughout the semester as they practice together. Restorative circles implementation is an action step in the mental health project and an endeavor to support tier 1 practices.

Athletic Director Report

- JH Basketball games started last week for the boys on Thursday vs. Walthill and boys and girls both on Saturday vs. Cedar Catholic.
- I am working on the Wakefield Community Schools Activity Manual and hope to have this finished by the February BOE meeting.

- I am reading the book, The Sports Playbook, and developing a conflict resolution process for all activities and athletic teams.
- Both of our boys and girls basketball teams competed well at the Shootout on the Elkhorn in Wisner over Christmas Break. The boys took first place and the girls finished second. I will start looking for a new Holiday Tournament especially if there continues to only be three teams in the Wisner Tournament.
- I rescheduled the postponed January 3, 2023 game against Lutheran High Northeast to Tuesday, January 24, 2023. Start time is 4:45 pm. Girls JV TBD
- 1st Round of the Lewis and Clark Conference Tournament starts on January 28, 2023 for the girls and Monday, January 30, 2023 for the boys.

Superintendent Report

- Matt Brenn has been named an Attendance Officer for the district. Policy 5001 allows me (us) to delegate attendance officer duties to “any other qualified person.” Angie, Jerad, and I will also be able to act as attendance officers. We will revise Policy 5001. Matt will be responsible for ensuring we are all upholding attendance policies outlined in our policy, handbooks, and state statutes.
- We have installed door sensors and door access panels on every exterior door. We will be able to know if a door is unlocked or propped open. We will also be able to manage who has access to what doors at certain times of the day/night.
- Master Plan Development
 - Administration Team has a planning meeting with CMBA on January 10th.
 - SOC Meeting Wednesday, January 18th at 6:30 at the Civic Center
 - I met with various community stakeholders over break to get a better handle on the potential growth of the community. Every conversation led me to believe that CMBA is on track with enrollment projection growth.

Dear Mr. Matt Farup and Wakefield Community Schools Board of Education,

Please accept this letter as formal notice of my resignation as Elementary Principal/Director of Special Education at Wakefield Community Schools, effective June 30, 2023.

After careful consideration, I have decided that I will be leaving my position after 14 years of dedication to our kids, families and the community of Wakefield. I have accepted a new position with the LeMars Community School District. Having the opportunity to work with some amazing colleagues everyday has been one of the best experiences of my life. I sincerely thank you for allowing me the opportunity to serve this amazing community for so many years. The past 14 years have been very rewarding and the experiences and opportunities I've been given have taught me a lot, all of which I will take with me throughout the rest of my career.

I am confident that Wakefield Community Schools will continue to work towards the betterment of the students, families and community. During the remainder of my contact, I will do everything possible to wrap up my duties and support other team members. Please let me know if there is anything I can do to support the transition.

Please know that Wakefield Community Schools and more specifically Wakefield Elementary School will always hold a special place in my heart. I wish you all continued success and hope to stay in touch in the future.

This Agreement is made and entered into by and between District No. 560, a/k/a Wakefield Community School ("School District") and Educational Service Unit #1 ("ESU #1").

For good and valuable consideration, School District and ESU #1 agree as follows:

1. Term of Agreement. The term of this Contract shall commence August 1, 2023 and end July 31, 2024. In the event of a material breach of this Contract by either of the parties, the non-breaching party may give a notice of the breach to the other party and, in the event the breach is not cured within twenty days of the notice, immediately cancel or rescind this Contract.

Upon determination of such costs, ESU #1 shall submit to School District a quarterly statement setting forth the amount due to ESU #1 from School District in accordance with this Contract. Such amount shall be due and payable upon receipt by School District. Additional statements for supplemental services may be incurred.

SUPERINTENDENT'S CONTRACT OF EMPLOYMENT WAKEFIELD COMMUNITY SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Wakefield Community Schools**, legally known as **Wayne County School District 90-0560**, and referred to as "the Board" and "the District" respectively, and **Matt Farup**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Superintendent shall be employed for a period of three (3) year(s) beginning on July 1, 2023, and expiring on June 30, 2026. References to "contract year" shall mean the period from July 1st through June 30th of each year of the contract and shall consist of all days except Saturdays and Sundays and any holidays or leave days listed in Section 11.

Section 2. Renewal of Contract. If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular December 2025 board meeting (and each December thereafter)** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular November 2025 meeting** (and each November thereafter) and shall make the renewal or amendment of the Superintendent's employment contract an agenda item for the regular **December 2025** board meeting (and each December thereafter). At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

Section 3. Salary. The Superintendent's salary shall be \$148,000.00 for the 2023-24 contract year which shall be paid in 12 equal monthly installments beginning in the month of July 2023. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject

to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

Section 5. Professional Status. The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

Section 6. Superintendent's Duties. The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

Section 7. Board-Superintendent Relationship. The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and shall be responsible

for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period of more than ninety (90) days, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 10. Transportation. The Board shall provide the Superintendent with transportation or reimburse the Superintendent for mileage required in the performance of official duties at the rate approved by the Board.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

- a. Health Insurance.** Health insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- b. Dental Insurance.** Health insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- c. Life Insurance.** Term life insurance with a total death benefit of Fifty-Thousand Dollars (\$50,000).
- d. Sick Leave.** The Superintendent shall be entitled to ten (10) days of sick leave per year which may accumulate to a maximum of fifty (50) days. Sick leave may only be used for personal illness, health-related appointments, or as otherwise provided in District policy. If the Superintendent qualifies for disability pay under the long-term disability policy, the Superintendent shall be required to take the disability pay instead of sick leave pay. The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board with a report of accumulated sick days at least quarterly and upon request. The Superintendent shall not be compensated for unused days of sick leave upon the ending of employment with the District.
- e. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the District's carrier at the Superintendent's own expense.
- f. Vacation.** The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent

chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. Any extended vacation period while school is in session will require advance approval by the Board, and the parties will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of the District. For the initial year of this contract and every contract year thereafter, the Board shall give the Superintendent the number of vacation days necessary to restore the total to twenty (20) days. For example, if the Superintendent uses 12 days of vacation one year, the Board will provide the Superintendent with 12 days the following year to bring the total vacation days back to 20. The Superintendent shall use the District's online record keeping system for recording use of vacation days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all vacation days and shall provide the Board of Education with a report of accumulated vacation days at least quarterly and upon request. The Board may require the Superintendent to use vacation days and shall compensate the Superintendent for unused vacation days upon the conclusion of employment at a rate of **\$100.00** per day or \$12.50 per hour.

g. Professional Development. The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District unless this contract is nonrenewed or canceled by the District.

h. Professional Dues. The District will pay the annual dues for the Superintendent's membership in the following organizations: the Nebraska Council of School Administrators (NCSA) and one other organization of the Superintendent's choosing.

- i. Physical Examination.** The Superintendent may voluntarily undergo a physical examination. The Superintendent agrees to authorize the physician performing each such examination to provide the Board with all records, results and medical judgments of the examination. Up to \$500.00 of the cost of such physical examination and physician's reports which are not paid for by the Superintendent's insurance coverage shall be paid by the District.
- j. Bereavement Leave.** The Superintendent shall be permitted bereavement leave as provided in District policy. In the event that the District does not have a bereavement leave policy, the Superintendent will be allowed up to three (3) days of paid bereavement leave per year. Requests for bereavement leave will follow the guidelines as stated in the most recent negotiated agreement as it relates to the bereavement dates requested.
- k. Holidays.** The Superintendent shall receive the following holidays off without loss of pay or having to take a paid leave day: New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, the day before Thanksgiving, Thanksgiving Day, the day after Thanksgiving, and Christmas Day. The Superintendent is not required to be in attendance when teachers and students are not required to be in school during the months of December and January, with the understanding that all Superintendent duties will be fulfilled and the Superintendent will be accessible at all times.
- l. Cell Phone.** The Superintendent shall be required to purchase and maintain a cellular phone so that the Superintendent can be reached at all times for work-related emergencies or while away from school grounds during the work day. The District will reimburse the Superintendent up to a maximum of \$100 per month for the actual cost of a cellular phone service plan.
- m. Expense Reimbursement.** The District shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions,

hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$750.00 or more.

Section 12. Residence/Domicile in District. The Superintendent shall establish domicile and principal residence within the boundaries of the District as they exist on the first duty day under the terms of this contract; and, the Superintendent shall maintain domicile and residence within the boundaries of the District during the term of this contract, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Superintendent does not establish domicile and principal place of residence within the District at the commencement of employment, the Superintendent shall move the Superintendent's domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Superintendent's first duty day under this contract. It is the purpose of this paragraph to require the Superintendent to, at all times during such employment, live and maintain domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the District as a legal voter of the District; (3) to be involved in school and community activities bringing the Superintendent in contact with parents and community leaders and be committed to the future of the District and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which the Superintendent is the educational leader.

Section 13. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 14. Compensation Upon Termination and Credit for Accrued Vacation. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof

to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

Section 15. Evaluation. The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; make the Superintendent evaluation an agenda item for the regular **December** Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 16. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

Section 17. Physical or Mental Examination. The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

Section 18. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting.

Section 19. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

Section 20. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 21. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.
