Secondary Principal Report
May, 2022-2023 School Year
Angie Zach

Guiding Principle I: Expanded Student Learning Opportunities

- Our district TIP (Targeted Improvement Plan) was completed and submitted to NDE. (share TIP)
- Secondary teachers have been working collaboratively to plan foundation core classes. Foundations classes will provide more opportunity for students to gain more experience with academic language and foundational skills.
- Keri Hart, Olivia Tracy, Matt Brenn, and I had an ELA data day to make schedule decisions to best support next year's 7th and 8th grade students. We will be adding corrective reading interventions for incoming 7th grade students. We are able to do this with the flexibility of having an interventionist who is also a reading specialist.

Guiding Principle II: Family and Community Partnerships

- Keri Hart and I met with Heather Hackett from the Migrant Program (provided through the ESU). We are not confident that our migrant students are getting the services they are entitled to receive. The Migrant Program is understaffed. It may be worth looking into doing our own Migrant Program in house.

Guiding Principle III: Climate and Culture

- During the April District Leadership team, the PBIS/SEBL focus group continued with planning for PBIS rollout in the fall. Members of the focus group met with the high school and elementary staff to complete behavior matrices. Plans are moving forward with branding.
- We attended the final meeting for the mental health project. We have about \$13,000 yet to spend specifically for tier 2 supports and curriculum. We are looking at purchasing social skills instructional curriculum for grades 7-9 as well as adding "social work" time provided through Heartland Counseling.
- Keri Hart, Tiffany Lamprecht, and I presented at the Professional Development for Healthy Schools Institute in Omaha. Our presentation highlighted the work that has been done to provide SEBL support for students and staff in our district. Our presentation was well-received and very affirming to the work we are doing.

Guiding Principle IV: Personnel Effectiveness

- The District Leadership Team held our last meeting of the school year. We have one data set to complete in our data profile. This will be done right away in the fall. (Share data profile, share agenda example)
- Building level teams received 1 hour of SWIS training. This first training was an overview of the system and the building level team's role in analyzing and communicating data.
- Our new, first year teachers will have the opportunity to attend the ESU 1 New Teacher cadre. We will also be sending 4 teachers to the mentor training ESU 1 is providing. This is all a part of developing a Pk-12 Teacher Mentor Program for our district.

**Board of Education Meeting

AD/Attendance Officer Report**

1. **District Music Contest took place on April 21, 2023. Thanks to Mr. Trenhaile, Mrs. Lamprecht, and Mrs. Tracy for stepping up for our students and providing them a great experience.**

2. **All-State Basketball Recognition:**
Cade Johnson- 1st Huskerland Prep, 2nd Team in the OWH and Lincoln Journal Star, and Norfolk Daily News 1st Team All-Area

Alex Arenas- 2nd Team Norfolk Daily News All-Area, Honorable Mention in OWH

Jordan Metzler- 3rd Team Norfolk Daily News All-Area, Honorable Mention in Lincoln Journal Star

3. **Wisner-Pilger contacted me via email in April about taking over a HS and JH track meet for them in 2024 due to a lack of volunteers. The dates we are looking at hosting meets are April 16, 2024 and May 6, 2024. This really works out well for us taking over an established meet with teams already in them. Starter for both events has been hired and his name is Russ Flamig of Hartington.**

4. **Codes for Attendance have been altered and approved. The purpose of this was just to lessen the number of codes office staff uses for absences and have some similarity between the high school and elementary. There are still a few on the list strictly for elementary and high school but not as many as previously.**

5. **Spring NCPA Academic All-State Recognition:**
Boys Track: Cade Johnson, Ryan Anderson
Girls Track: Jordan Metzler, Katie Borg
Boys Golf: Jackson Pommer, Kolton Fischer
Vocal Music: Daveigh Munter-McAfee
Instrumental Music: Sam Chase

6. **Mrs. Zach and I attended the Title I Peer Review meeting at ESU 1 in April. Basically we rated schools in a variety of categories based on the information they submitted in a template. I had never been a part of this but I see the value in doing it so we know exactly what needs to be on our Title I forms.**

7. **The following athletes qualified for the Norfolk Classic on Thursday, April 27, 2023:**
Jordan Metzler: 100 M Dash, 300 Hurdles, and 400 M Dash- Scratch
Cade Johnson: 800 M and Triple Jump

**Cael Johnson: 110 Hurdles and 300 Hurdles
Ryan Anderson: 3200 M**

8. Credit Appeal Meeting

- a. Meeting Date: May 17, 2023 from 3:30-5p.m.**
- b. Notice has been sent to parents/guardians**
- c. Three students need to schedule a meeting on the aforementioned date to appeal their loss of credit this semester due to excessive absences.**

9. The Athletic Banquet was held on May 3, 2023 at the Wakefield Civic Center hosted by the Boosters. The event was attended well with the exception of many junior high athletes, but this has always been an issue.

10. Track season is winding down with the varsity teams participating in C-4 District Meet at Hartington May 11, 2023. State Track is scheduled for Friday May 19 (C & D) and Saturday May 20 (C & D) in Omaha at Burke High School.

Superintendent Board Report
May 2023

- **Guiding Principle V: Facilities**

- **Strategy 1: Creation of a comprehensive facilities plan to address both short term and long-term goals including, but not limited to, new construction, renovation, and maintenance of facilities, and acquiring property to meet the future needs of the district.**

- The request for proposal (RFP) took a bit longer than expected. The RFP went public on April 20th. Per statute, potential vendors have 30 days to submit proposals. Proposals are due May 23rd.
- I have 5 site visits scheduled for the next weeks with construction companies interested in submitting proposals.
- I want to meet on May 24th or 25th to select firms to interview. And then do interviews on June 7th or 8th.
- I am scheduling an oversight committee meeting to review progress and get input on a design. Hopefully, that will be scheduled for the first week of June.
- Portable classrooms will be discussed in Action Items.

- **Guiding Principle III: Climate and Culture**

- **Strategy 2: Improve the school district climate and learning environment to support increased student achievement, social-emotional skills, and positive behavior.**

- With the hard work of Mrs. Ziska, we will add GoGuardian/Beacon to our network. We will get alerts if any student types or searches for information that would be concerning. We have been working on this for two years, and we now have a solution thanks to Mrs. Ziska's work.
- We have partnered with Dixon County Sheriff's Office and submitted a grant proposal for a school resource officer. The grant would pay the salary and benefits for the first three years. In the 4th and 5th year, we would be obligated to share the cost with Dixon County. Any subsequent years would be our choice.

Reports

Secondary Principal Report

- We made our first attempt at an e-learning day on March 16. We learned that recording attendance needs to be more efficient, we need a way to stay up-to-date on families who may not have internet access at home, and students need more practice and guidance on the expectations of an e-learning day. Our attendance rate was 81%.
- On March 29, the SEBL team brought Jennifer Jackson to present on parenting tips and self-esteem.
- The After-School Program presented on March 29. Attendance was great!
- I met with elementary staff during our March in-service day to talk about the district teaming structures and how SAT will be organized differently next school year
- During PD on March 22, the secondary staff viewed a webinar presented by Carol Salva on how to prepare your secondary campus for higher newcomer enrollment. The staff spoke openly about their experiences this school year with our EL students being included in all general education classrooms. It was concluded that we need scaffolded pieces within our course offerings to create a smoother transition to core content. Next year's class schedule will include foundational classes for science, math, social studies, and English. We will also add a newcomer basic reading skills class and a newcomer basic math skills class. The enrollment process for newcomer students will also be redesigned.

Superintendent Report

- Interviews for Elementary Principal were Thursday, March 23rd. We had four impressive candidates. We had a panel of elementary teachers, classified staff, and administration/board

members interview the candidates. Darren Sindelar was offered the position and he accepted. He will be before the Board for approval.

- An RFP for a Construction Manager will go out tomorrow or Wednesday. CMBA is finishing up the scope of work then we will send it out. In the meantime, we will need to decide on a general design for the CM to price out.

Board Committee Reports

Board Policy

- The policy committee met with Mrs. Zach to further discuss the NeMTSS Framework and the possibility of putting it into policy. The framework diagram presented in Mrs. Zach's "bullseye" shape includes the addition of the BOE, which is absent from the original, more linear, or hierarchical NeMTSS Framework diagram. The bullseye diagram also depicts the student being surrounded by a whole team.
- The problem-solving model is also an important part of the NeMTSS Framework. Mrs. Zach suggested it all works together. After the meeting, Mrs. Zach sent a follow up email suggesting that the problem-solving model be placed in the appendix. Mr. Farup talked with Steve Williams (KSB), who concurred that a good place for the NeMTSS Framework statement/policy, should it be adopted, would become policy 1005. The 1000 series includes general policy statements and our vision and mission statements. After discussion and questions, the policy committee agreed to recommend the board adopt the NeMTSS Framework into policy.
- The review of the entire 3000 series was completed. The policy committee will recommend the board approve the annual review of the 3000 series.

Business & Finance

- Bills have been reviewed and found in order.

Recognition of Visitors/Communication from the Public

WEA

- Brian Johnson invited the board and public to attend the 6th Grade Wax Museum – April 20 from 2:00 – 3:00. Each student has researched a famous person, wrote a biography, and will perform a one-minute speech on that person. Adam Goos has helped with costumes from the theater. The wax museum will be set up in the gym and is open to the public.
- Mike Clay thanked the board for their support for the Teammates program. They currently have 50 matches and are always looking for mentors. Mr. Clay will be stepping down as the elementary representative and Tiffany Lamprecht will be taking over.

LEASE AGREEMENT

Lease Agreement Number: LG0523WCS
Lease Agreement Date: May 8, 2023

Vesta Housing Solutions, LLC ("Lessor")
1000 Town Center, Suite 975
Southfield, MI 48075

Wakefield Community Schools ("Lessee")
802 Highland St
Wakefield, NE 68784

1. **LEASE.** Lessor agrees to lease to Lessee, and Lessee agrees to lease from Lessor, the personal property ("Equipment") described in each schedule ("Schedule") executed from time to time in accordance with this Lease Agreement ("Agreement"). Each Schedule incorporates all this Agreement's terms and conditions, and constitutes a complete, individual and severable lease agreement with respect to the specified Equipment.
2. **TERM.**
 - (a) The earlier of the date that the Lessor Scope of Work is accepted by the Lessee as substantially complete, or the date that the Lessee first occupies the building, and will continue for the number of consecutive months shown on the Schedule ("Initial Term").
 - (b) Lessee may terminate this Agreement at the expiration of the Initial Term or any Extended Term only by giving the Lessor at least 90 days written notice of such intention to terminate prior to the expiration date for either the Initial Term or any Extended Term. Failure to provide such notice, at Lessor's sole and exclusive option, will result in the term automatically extending for successive terms (each an "Extended Term") at the then current rental rate, plus 5%, for a term totaling the number of months of the Initial Term or Extended Term. During any and all Extended Terms, all provisions of this Agreement and applicable Schedule remain in full force and effect.
3. **RENT.** Amounts shown on the Schedule are payable by the Lessee on the first day of each month unless otherwise agreed upon in a writing by the parties. Invoices are provided for convenience only, and payment is due regardless of receipt of any invoice. The parties further agree as follows:
 - (a) This Agreement is a net lease. Lessee is responsible for any and all applicable taxes.
 - (b) Lessee will pay for all utility services including, without limitation, electricity, water, gas, sewer, and telephone services.
 - (c) Payments not received within 10 days of the due date are subject to a late charge of 10% of the full invoice.
4. **MAINTENANCE.** Lessee's Preventive Maintenance Requirements for the modular building over the duration of the Lease are attached.
5. **TITLE.** Title to the Equipment will at all times remain wholly with Lessor. Lessee will not permit a lien or encumbrance to be placed on the Equipment, and will indemnify Lessor, its successors, and assigns, against any claim, loss, or damage (including attorneys' fees costs) resulting therefrom. The Equipment is Lessor's personal property and is not and will not become affixed to the premises on which it is located.
6. **USE.** Lessee will use the Equipment in a careful and proper manner complying with all national, state, municipal, police and other laws, ordinances and regulations in any way relating to the possession, use or maintenance of the Equipment. Lessee will not use or store hazardous materials in the Equipment and will not permit any unlawful use or handling of the Equipment. Lessee is responsible for all permitting and other related issues, unless specifically stated otherwise, and hereby represents and warrants that is either the lawful owner or has the permission of the owner of the premises on which the Equipment is to be situated to use and occupy the premises. Lessee may not relocate Equipment without written permission from Lessor. Lessee is solely responsible for ensuring that the Equipment is suitable for its use.
7. **INDEMNITY.** To the extent permitted by applicable law, but without waiving any rights under any applicable state governmental immunity act, Lessee will indemnify and save Lessor, its successors and assigns, harmless from any loss, cost or expense of any sort or nature (including Lessor's attorneys' fees and costs), and from any liability to any person or entity as a result of any damage to person or property arising out of Lessee's use of the equipment or Lessee's failure of any kind to comply in any respect with and/or perform any of the requirements and provisions of this Agreement. Lessee further agrees to indemnify and save harmless Lessor, its successors, and assigns, from any work done in or on the Equipment, or any materials supplied to or in connection with the operation, maintenance, possession, operation, or condition, of any of the Equipment performed by Lessee. Lessee will also indemnify and save Lessor, its successors and assigns, harmless from any loss, cost or expense (including reasonable attorneys' fees and costs) of any sort or nature, and from any liability to any person arising from the death of, injury to, or damage to the property of, any third person as a result of, in whole or in part, the use or condition of the Equipment, or any portion thereof, while in custody, possession, or control of Lessee. Lessor will indemnify and save harmless Lessee from any damages, claims or injuries to any parties caused solely by Lessor's acts or omissions only during the installation of the Equipment or while performing warranty work or any failure of Lessor to comply with its responsibilities under this Agreement.
8. **ASSIGNMENT.** Neither party has the right to assign this Agreement or to sublet any of Equipment without the other party's written consent.
9. **INSPECTION.** With twenty-four (24) hours of verbal notice to Lessee, except when Lessor has a reasonable suspicion of potentially, imminent harmful condition(s) that may adversely affect the Equipment, Lessor has the right during regular business hours to inspect the Equipment. Lessee will allow Lessor, to affix to the Equipment a label or metal plate showing Lessor's name and contact information in a conspicuous location.

10. **REPAIRS, MAINTENANCE, AND MODULAR BUILDING CONDITION.** Lessee agrees, at Lessee's sole cost and expense, to maintain the Equipment at all times in good repair and condition, reasonable wear and tear excepted. Lessee's duties and responsibilities includes, but are not limited to, those described in the Customer's Preventative Maintenance Responsibilities document available at www.vestamodular.com/maintenance. Prior to performing any work or repair on the Equipment, Lessee must obtain Lessor's approval of the work and the vendor(s) Lessee desires to use prior to beginning the work. Approved work and/or repairs must be completed in a good and workmanlike manner in accordance with all applicable laws, rules, and regulations. Lessee will compensate Lessor for any damages caused by either approved or unapproved vendors due to, but not limited to, poor workmanship, negligence, accident, or any other act causing damage to the Equipment.
11. **LOSS OR DAMAGES.** Lessee assumes and bears the entire risk of loss and damage to the Equipment from any cause whatsoever and will not be relieved of lease obligations due to loss or damage, which shall continue in full force and effect through the applicable term. In the event of loss or damage of any kind to the Equipment, Lessee shall, at Lessor's option, (i) repair the Equipment to good repair, condition and working order; or (ii) replace with like Equipment in good repair, condition and working order; or (iii) pay the Lessor the fair market value. Lessee's payment of the Damage Waiver relieves Lessee of liability in excess of the amount for Equipment specified in the Damage Waiver for loss or damage caused by graffiti, theft, forced or attempted forced entry, earthquake, hail, windstorm, hurricane and tornado. The Damage Waiver shall not bind Lessor unless Lessee (a) takes reasonable precautions against theft and forced entry, (b) notifies Lessor of such event within 3 business days of discovery of such event, (c) delivers to Lessor satisfactory proof of the loss or damage and the police report regarding such event within 30 days of discovery of such event and (d) Lessee complies with the terms of this Lease.
12. **INSURANCE.** As evidenced by certificates of insurances delivered to Lessor, Lessee will procure and keep in full force from the acceptance until the return of all Equipment the following policies of insurance satisfactory to Lessor as to the insurer, form and amount of coverage, with premiums prepaid: i) *Commercial General Liability Insurance*, minimum combined single limit of \$1,000,000 per occurrence, written on an occurrence form, including coverage for premises, operations, contractual liability, broad form property damage, independent contractors and personal injury liability, naming Lessor as an additional insured and endorsing Lessor on this insurance policy; ii) *Commercial Property Insurance*, protecting against all loss and damages, at full replacement cost, sustained or suffered due to the loss of or damage to the Equipment as a result of collision, fire, lightning theft, flood, windstorm, explosion or any other casualty, naming Lessor as a loss payee, and will endorse Lessor on this insurance policy. All required policies must be primary and agree to not seek contribution from any other insurance available and must include a 30-day notice of cancellation. VESTA Modular uses 'myCOI Central' to track and establish insurance compliance with the contract terms. Subcontractor will receive an email from VESTA Modular with instructions on how to register. Evidence will need to be submitted and approved for each project by Lessee's agent. If you do not receive this email within two (2) days of issuance of this Subcontract Agreement, please contact our office immediately.
13. **EQUIPMENT DAMAGE WAIVER.** In the event the Lessee fails to deliver the required certificates or policies to the Lessor prior to delivery of the Equipment, Lessee will be deemed to have accepted and shall pay for the Equipment Damage Waiver. The Damage Waiver is not insurance and will only be in effect after Lessee submits payment for the Equipment Damage Waiver charges. The Equipment Damage Waiver relieves Lessee of financial responsibility to Lessor in excess of \$1,000 for ground level offices, mobile offices, and modular buildings in the event that the leased Equipment is lost or damaged due to theft or act of God. The Equipment Damage Waiver is not total damage protection. If the Equipment is damaged due to neglect, vandalism, carelessness, or inadequate security, the Lessee is required to pay the cost of repairs regardless of whether the Lessee purchased an Equipment Damage Waiver. The Lessee may cancel the Equipment Damage Waiver upon receipt by Lessor of the required insurance certificate. The Equipment Damage Waiver does not relieve Lessee of its obligation to provide liability insurance.
14. **DELIVERY & RETURN OF EQUIPMENT.** Lessee will pay for all the Equipment's delivery and return costs to Lessor's specified location, and such work will be performed by Lessor unless otherwise agreed upon. Lessee is responsible for all costs associated with site preparation and accessibility unless otherwise agreed upon and expressly set forth in the Schedule. If Lessor determines the site to be unsuitable, Lessee is responsible for additional charges or consequential damages and any removal, repair or replacement of landscaping or obstacles will be at Lessee's cost. In the event pick-up is attempted but the Equipment is not accessible or ready, Lessee is liable for Lessor's costs and expenses of being delayed. Lessee will make the Equipment available for return in good condition and repair, ordinary wear and tear excepted. Lessee will not perform any tear down or return activities and/or services. Equipment returned with accessories, attachments or other missing items, Equipment requiring repairs of any kind, reasonable wear and tear excepted, or requiring restoration to original specifications and equipment condition due to alterations or modifications performed by Lessee will remain leased hereunder until said replacements, repairs or restorations have been made or paid for by Lessee in a manner acceptable to Lessor. Any changes, alterations, or improvements immediately, upon their completion, become Lessor's property without compensation to Lessee. At the termination of this Agreement, Lessor may, at its option and at Lessee's sole expense, require Lessee to return the Equipment to their original specifications. Lessee will be solely responsible for all tires, axles, hitches, and related hardware, and will pay for replacement of such parts if missing.
15. **FORCE MAJEURE, COVID-19, PRICING.** Notwithstanding anything to the contrary contained herein, neither party shall not be liable for any delays or failures in performance resulting from acts beyond its reasonable control including, without limitation, acts of God, acts of war or terrorism, shortage of supply, breakdowns or malfunctions, interruptions or malfunction of computer facilities, or loss of data due to power failures or mechanical difficulties with information storage or retrieval systems, labor difficulties or civil unrest. Notwithstanding the foregoing, in

the event of such an occurrence, Lessor agrees to make a good faith effort to perform its obligations hereunder. Neither party shall be held liable for any impacts, delays, labor overruns, material overruns and/or cost overruns related to its Work stemming from the current flu epidemic, and/or COVID-19 (Coronavirus epidemic) as defined by the United States Centers for Disease Control and Prevention. Lessor shall further be entitled to a change order for any and all time and costs associated with said epidemic(s) to the extent that there is an actual increase in time or costs. The contract price for this project has been calculated based on the current prices for the component building materials and services. However, the market for the building materials is volatile, and sudden price increases could occur. The Lessor agrees to use reasonable efforts to obtain the lowest possible prices from available vendors, but should there be an increase in the prices for services, materials, supplies and/or components that are purchased after execution of this Agreement for use in this project, the Lessee agrees either (i) pay that cost increase to the Lessor or (ii) cancel this Agreement in its entirety. Any claim by the Lessor for payment of a cost increase, as provided above, shall require written notice delivered by the Lessor to the Lessee stating the increased cost.

16. **DEFAULT, REMEDIES & BANKRUPTCY MATTERS.**

- (a) If Lessee fails to pay any rent or other amount herein provided within 10 days after same is due and payable, or otherwise materially breaches or is in default of the Agreement or Schedule, Lessor has right to exercise any one or more of the following remedies: (i) declare the entire amount of rent immediately due and payable for one or all Schedules without notice or demand to Lessee and institute a lawsuit for collection of such amounts, (iii) to take possession of the Equipment, without demand or notice, wherever same may be located, without any court order or other process of law, and Lessee hereby waives any and all damages occasioned by such taking of possession, (iv) to terminate this Lease and (v) to pursue any other remedy at law or in equity. Lessee grants Lessor a lien in all contents and proceeds thereof to secure payment of the damages in the event of default under this Lease. Lessee agrees to pay all costs of collection including, but not limited to, reasonable attorney’s or collection agency fees. Upon default interest on all unpaid amounts shall accrue at the rate of 21% per annum, compounded monthly, however, if this rate exceeds the maximum allowed by law, then interest will accrue at the maximum rate allowed by law, and Lessee agrees to pay such interest. Notwithstanding any repossession or any other action that Lessor may take, Lessee will be liable for the full performance of all obligations on the part of the Lessee to be performed under this Agreement and/or Schedules. All of Lessor’s remedies are cumulative and may be exercised concurrently or separately.
- (b) Lessee agrees to provide Lessor notice of any event of insolvency within 10 days of such event. The Agreement, Schedule(s) and/or Equipment(s) is not assignable or transferable by operation of law. If any proceeding under a bankruptcy act is commenced by or against the Lessee, or if the Lessee is adjudged insolvent, or if Lessee makes any assignment for the benefit of its creditors, or if a writ of attachment or execution is levied on the Equipment and is not released or satisfied within ten (10) days thereafter, or if a receiver is appointed in any proceeding or action to which the Lessee is a party with authority to take possession or control of the Equipment, Lessor has and may exercise any one or more of the remedies set forth in this section; and this Agreement shall, at the option of the Lessor, without notice, immediately terminate and shall not be treated as an asset of Lessee.

17. **NOTICE.** All written notices must be sent to the Lessor at the addresses provided herein above and to Lessee at the Equipment location(s) identified on the Schedule(s) by certified mail (postage pre-paid) or by a nationally recognized courier service.

18. **MISCELLANEOUS.** This Agreement contains the entire agreement between the parties pertaining to the subject matter hereof and can only be modified in writing executed by both parties. Lessor’s failure at any time to require strict performance by Lessee with any of the provisions of this Agreement does not constitute a waiver by Lessor or diminish Lessor’s right thereafter to demand strict compliance the Agreement. This Agreement is governed by and interpreted under the laws of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Wayne County, Nebraska.

19. **NONDISCRIMINATION.** The parties and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

20. **EMPLOYMENT ELIGIBILITY VERIFICATION.** Lessee shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If Lessor employs or contracts with any subcontractor in connection with this Agreement, Lessor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.
