## Nebraska Association of School Boards Board of Education / Code of Conduct

This Code has been developed and revised by the Nebraska Association of School Boards to help school boards carry out the important education decision-making role while maintaining effective relationships with school administrators, staff, and community members. Given the complexity of the education governance structure, nothing is more important than clarifying appropriate roles and responsibilities for the school board, superintendent, and principal(s).

A school board member has no legal powers unless participating at a meeting that complies with the Nebraska Open Meetings Act, or acting on behalf of the school board after the board formally grants authority to do so. Thus, it is essential that every school board member work as a member of the broader leadership team to perform board duties and act in a manner consistent with the Code.

*Board members can demonstrate personal commitment to the Code by signing this document signifying agreement to uphold the principles of the Code, both, in letter and spirit.*

Many school boards post a copy of the signed Code in the front entrance of the school(s). This public display of school leadership team commitment sends a powerful message and sets the tone for how the business of education will be conducted in the community.

As citizens of the United States, board members have certain Constitutional rights, including freedom of speech that cannot be taken away, whether or not you choose to sign this document. The only sections of this Code that require legal compliance are the “*conflict of interest*” and “*act only as a member of the board.*” All other sections represent effective practice.

### **BOARD GOVERNANCE**

- Attend all regularly scheduled board meetings, insofar as possible, and review advance materials provided.
- In consultation with the principal, teachers, and superintendent, set education goals for the school(s).
- Maintain confidentiality of information and discussion conducted in executive/closed session.

- Review essential facts, consider others' ideas, and then present personal opinions during board deliberations but, once the board vote has been taken, support board decisions regardless of how individuals voted.
- Act only as a member of the board and do not assume any individual authority when the board is not in session, unless otherwise directed by the board.
- Rely on school policies that are continually updated and aligned with Nebraska and federal education laws, and guidance from the superintendent, when making board decisions.
- Request recommendations from the superintendent and seek legal counsel, when required for full and informed board consideration of issues requiring legal expertise.
- Expect an equitable amount of board meeting time be spent both learning about educational programs and conducting the business of the board.
- Maintain a priority board focus on increasing student achievement and ensuring efficient use of education resources.

### **BOARD-ADMINISTRATION RELATIONS**

- Provide policy support for school administrators in the performance of their duties and delegate authority commensurate with those responsibilities.
- Expect the superintendent to keep the board adequately informed through regular written and oral reports.
- Refer complaints, requests, and concerns to the superintendent or other appropriate staff members.
- Avoid making commitments that may compromise the decision-making ability of the board or administrators.
- Maintain open and candid communication with the superintendent.
- Hold the superintendent accountable by jointly creating job performance standards and at least annually perform a comprehensive evaluation process based on the job description, contract, and identified performance standards.
- Recognize that a board member's responsibility is to see that schools are well run, but not to run them.

### **BOARD MEMBER RELATIONS**

- Retain independent judgment and refuse to surrender that judgment to individuals or special interest groups.
- Voice opinions respectfully and maintain good relations with other board members, administrators, school staff, and members of the public.

## **PERSONNEL RELATIONS**

- Seek to employ the most qualified school staff and insist on regular, impartial employee evaluations.
- Hire no superintendent, principal or teacher already under contract with another school district unless assurance is first secured from the proper authority that the person can be released from his or her contract.
- Individual board members shall not give directives to any school administrator or employee, publicly or privately.

## **COMMUNITY RELATIONS**

- Perform a liaison communications role by interpreting the attitudes, wishes, and needs of both the community and the school.
- Consider the needs of the entire community and vote for what is best for students.
- Encourage collaboration between the school and community.
- Request that periodic surveys be conducted with the community to assess the quality of education services and use the data to establish and monitor goals.

## **CONFLICT OF INTEREST**

- Do not solicit or receive directly or indirectly any gift or compensation in return for making a recommendation or casting a vote.
- Do not receive anything of value by contract or otherwise, from the school district you serve unless it is received:
  - as a result of a contract accepted after a public bid.
  - in public recognition of service or achievement.
  - as expenses allowed by law for official duties performed as a member of such board.
- Follow the school board conflict of interest policy regarding the appearance of conflict of interest.

## **BOARD PREPARATION AND TRAINING**

- Be informed about educational issues through individual study and by participating in board development opportunities such as those sponsored by the Nebraska and National School Boards Associations, the Nebraska Department of Education, and other education organizations.
- Support new school board members by sharing your experience and knowledge.
- Ensure that adequate board orientation and team building opportunities are available for board members and administrators.

- Associate with board members from other school districts to discuss school problems and collaborate on school improvement initiatives.

*I agree to abide by the principles outlined in the Board of Education Code of Conduct and will do everything in my power to work as a productive member of the leadership team.*

- A. This form should be filed as soon as the person holding elective office is aware that he or she may have a potential conflict of interest and prior to the time that the action is to be taken or the decision made.

- B. This form should be filed with the person who normally keeps records for the governing body of the official holding elective office. For example, the person who keeps records for a city or village may be the city clerk or village clerk. **This form does not need to be filed with the Commission.**
- C. The person filing the form should abstain from participating in or voting on the matter in which he or she has a potential conflict of interest. However, if the person wants an opinion from the Commission as to whether he or she has an actual conflict of interest requiring abstention or non-participation, he or she may send a copy of the form to the Commission along with request for an opinion.

**Disclosure of Contractual Interests by Local Officers.** If you are a local elected official disclosing an interest in a contract or an open account in which a local governing body on which you serve is a party, use NADC Form C-3, Contractual Interest Statement.

Statutory Authority: Section 49-1499.03 Revised Statutes of Nebraska.

grades 4th, 8th, and 12th, across Nebraska and other states across the country are tested each year. Wakefield's 4th grade was randomly selected for the test this year.

Each NAEP assessment is based on an organizing framework, similar to a blueprint, that is developed by education and assessment experts. Frameworks provide information about the content to be assessed in each subject and what knowledge and skills are appropriate for students being assessed in those subjects. The frameworks also offer insights about how to measure skills and student achievement in innovative ways.

#### **Guiding Principle IV: Communication and Collaboration**

**Objective:** Enhance student, family, and community engagement with learning experiences that are culturally inclusive and relevant for each student. Student success and engagement rely on positive partnerships and relationships to fundamentally improve the outcomes for each student, school, district, and community.

Second quarter report cards were sent out on Friday, December 5th.

In the elementary, we will have four student teachers from Wayne State College this semester. Three of the teachers will be working in the elementary school full time. One of the student teachers will be split between the high school and the elementary.

Physical Education - Mr. Wendte & Mr. McCleary's Class:	Jett Janssen

**Angie Zach**  
**District Programs Coordinator**  
**January, 2023-2024 School Year**

### **Guiding Principle I: Infrastructure and Shared Leadership**

**Objective:** Establish a vision for achieving educational equity through core beliefs and norms, team structures and routines, clarity of roles and data-based decision-making process, professional learning, and system alignment.

- Our teacher mentee/mentor group began discussing the disillusionment phase of the school year. As an introduction, members of the group participated in an activity called “The Grid of Disillusionment”. The goal of this activity was to demonstrate how during disillusionment, self-care, practicing gratitude, and celebrating even the smallest of successes is important to help staff get through this phase. It was also pointed out that students may also experience the disillusionment phase and how self-care practices, celebrations, and practicing gratitude are important in the classroom as well. Focusing on the positive and surrounding oneself with positive supports help one survive these dreary winter months in education.

### **Guiding Principle II: Layered Continuum of Supports**

**Objective:** Provide tiered supports to meet the social, emotional, behavioral, physical, environmental, and academic needs of the whole child to ensure student growth.

- This month, the EL and sped departments will be meeting together to consider creating a model for serving dual identified students. We will problem-solve barriers such as scheduling and disruptions to tier 1 instruction in order to receive layered supports.

### **Guiding Principle III: Data-Based Decision-Making**

**Objective:** Community, caregivers, district, school, collaborative and student support teams use a variety of data points to identify student needs and support planning. This includes a balanced assessment system to generate data, data-based decision-making to reinforce student support, and data-based decision-making to support continuous improvement of systems.

- I attended a NeMTSS Coffee Connect. This is a monthly virtual series provided by NeMTSS regional leads for SEBL and PBIS. One of the topics of discussion was an article the CDC published in December that gave guidance to schools for providing SEBL. It was shared that Nebraska is right on track with CDC guidance as the state is using the same language. Here is a link to the article:

**Reports**

**Elementary Principal Report**

- All formal evaluations for the first semester have been finished. Non-tenured teachers will again be evaluated during the second semester. Walk-throughs will continue to be conducted.
- AIMS Web testing will take place Monday, December 11 – Friday, December 15
- Elementary Christmas concert was December 7<sup>th</sup>. There was a very good turnout, and I heard nothing but positive comments.
- Attended the State Principal's Conference – The first session I went to gave different ideas on how to spread positive responses throughout your school. This deals along the lines with the PBIS process that we are implementing into Wakefield. It was good to listen to all the things other schools are doing. Another group I was in discussed the ways that other principals are supporting their teachers as instructional coaches.

- Birthday assembly was held December 1. Super Trojans were Allie Jaeger (PK3), Axl Ramirez Tello (PK4), Yasmine Salas-Hoagland (K), Hallie Rose (1<sup>st</sup>), Genesis Ruiz-Arana (2<sup>nd</sup>), Aubree Hansen (3<sup>rd</sup>), Emily Prado-Lopez (4<sup>th</sup>), Cinch Hampl (5<sup>th</sup>) Evelyn Smith (6<sup>th</sup>)

### **Secondary Principal/AD Report**

- A course catalog has been created and is posted on the website.
- AIMS Web testing is completed. English and Reading staff members are going to discuss the results and determine if any adjustments are needed in terms of moving students.
- State Principal's Conference – Attended discussions about student SEL support, P/T Conferences & Attendance format, Homework Grading and a KSB Law presentation dealing with the requirements that come with Emergency Exclusions, Short Term Suspensions, and Long-Term Suspensions.
- Administration will spend time with the SSC administration on December 12 to collaborate and ask questions regarding the position of the SRO since it is new to our district. Our SRO will spend two hours with SSC's SRO and collaborate.

### **District Program Director Report**

- I completed a special education report for NDE that examines our practices when determining what students will participate in the state alternate assessment. Our district is over the targeted 1% threshold. This report requires justification for exceeding the threshold. NDE has a statewide concern about the alternate assessment because the state of Nebraska is over the 1% threshold, causing the federal government to raise an eyebrow.
- Our teacher mentee/mentor group engaged in a "Tour of Homes" activity. We toured each new teacher's classroom looking for evidence of that teacher's core beliefs. This activity was a good reminder of the influence the classroom setting has on students and how that setting communicates our values.
- I participated in a state NeMTSS focus group. The topic of the group was the use of the MTSS self-assessment. I learned that we may be the only district using the assessment and analyzing the data.
- We have recently dismissed 3 students from special education. This is a celebration not just because these students have grown and acquired needed skills, but also because of the layered supports we provide to all students.
- During the November District Leadership Team meeting, we began the process of choosing a school improvement goal. The team reviewed data and prioritized these three areas: ELA/Math proficiency, SEBL/PBIS, and HAL. From these three areas, the team voted and majority chose to begin with ELA/Math proficiency.
- Our guidance department along with our school psychologist intern met to review the SEBL screener data. Meg Rose and Brittany Vinchattle plan to present this data to the board at the January board meeting.
- We have put our new process for enrolling newcomer students to the test. We have found it to be especially helpful for our newly enrolled high school students. The process has made creating schedules much smoother and has helped us to create long-term plans for students.

### **Superintendent Report**

- Our ALICAP Insurance Inspection was conducted on December 1st. The report is attached to the agenda. Our "Experience Multiplier" is 0.72, a good score that saves us on premiums. This will likely go up next year because two workman's comp claims are going against us towards that number.
- Our AQUeSTT Report was made publicly available on November 22nd. We have produced remarkable growth in just about every indicator. Our entire staff deserves high praise and recognition. It is evidence we are going in the right direction.
- Data used to determine our 2024-2025 State Aid was reviewed and verified.
- We received our approval for Student Growth Adjustment for state aid for 2024-2025.
- I had the privilege of meeting with Senator Walz to discuss the issue of school construction funding. During our conversation, I was invited to join a task force dedicated to researching and

## **SUPERINTENDENT'S CONTRACT OF EMPLOYMENT WAKEFIELD COMMUNITY SCHOOLS**

THIS CONTRACT is made by and between the **Board of Education of Wakefield Community Schools**, legally known as **Wayne County School District 90-0560**, and referred to as "the Board" and "the District" respectively, and **Matt Farup**, referred to herein as "the Superintendent". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the terms and conditions set forth herein.

**Section 1. Term of Contract.** The Superintendent shall be employed for a period of two (2) year(s) beginning on July 1, 2024, and expiring on June 30, 2026. References to "contract year" shall mean the period from July 1<sup>st</sup> through June 30<sup>th</sup> of each year of the contract and shall consist of all days except Saturdays and Sundays and any holidays or leave days listed in Section 11.

**Section 2. Renewal of Contract.** If a Board representative does not inform the Superintendent in writing on or before **the seventh day after the regular December 2025 board meeting (and each December thereafter)** of the Board's intention to consider the nonrenewal or amendment of this contract, the contract will automatically renew for a period of **one year** from and after the expiration date provided in Section 1 of this contract. The Superintendent shall remind the Board in writing of this provision no later than **its regular November 2025 meeting** (and each November thereafter) and shall make the renewal or amendment of the Superintendent's employment contract an agenda item for the regular **December 2025** board meeting (and each December thereafter). At the time of each contract renewal and/or amendment, the Superintendent shall be responsible for taking all necessary steps to ensure that the District has complied with the Superintendent Pay Transparency Act.

**Section 3. Salary.** The Superintendent's salary shall be \$153,180.00 for the 2024-25 contract year which shall be paid in 12 equal monthly installments beginning in the month of July 2024. The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

**Section 4. Deductions.** This contract shall conform to the statutes and regulations governing deductions from compensation and shall be subject

to the School Employees Retirement Act. The Superintendent authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Superintendent or the value of property or money entrusted to the Superintendent or owed by the Superintendent to the District during the course of or as a result of the Superintendent's employment, if such property or money have not properly been returned to the District. The District shall withhold other deductions as the Superintendent and Board may agree.

**Section 5. Professional Status.** The Superintendent affirms that the Superintendent is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, the Superintendent will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which the Superintendent will register and maintain on file in the District's central administrative office. This contract shall not be valid and the Board will not compensate the Superintendent for any service performed prior to the date that the Superintendent registers the certificate. The Superintendent represents that: (1) all information provided in connection with the Superintendent's application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, the Superintendent will advise the Board immediately; (2) the Superintendent has never been convicted of or plead no contest to a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) the Superintendent has not had any professional licenses or certificates suspended or revoked.

**Section 6. Superintendent's Duties.** The Superintendent's duties shall be as prescribed by statute and by Board policies, rules, regulations and directives. The Superintendent agrees to devote the Superintendent's time, skill, labor and attention to all required duties throughout the contract term. The Superintendent shall be subject to the direction and control of the Board at all times and shall perform such administrative duties as the Board assigns. By agreement with the Board, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out the Superintendent's duties and obligations to the District.

**Section 7. Board-Superintendent Relationship.** The Board shall be primarily responsible for formulating and adopting policy. The Superintendent shall be the chief administrative officer for the District and shall be responsible

for implementing Board policy. The Superintendent shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. The Superintendent is responsible for administering the instruction of students and the business affairs of the District. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

**Section 8. Cancellation or Mid-Term Amendment.** The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

**Section 9. Disability.** If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period of more than ninety (90) days, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

**Section 10. Transportation.** The Board shall provide the Superintendent with transportation or reimburse the Superintendent for mileage required in the performance of official duties at the rate approved by the Board.

**Section 11. Fringe Benefits.** The Board shall provide the Superintendent with the following fringe benefits:

- a. Health Insurance.** Health insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- b. Dental Insurance.** Health insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- c. Life Insurance.** Term life insurance with a total death benefit of Fifty-Thousand Dollars (\$50,000).
- d. Sick Leave.** The Superintendent shall be entitled to ten (10) days of sick leave per year which may accumulate to a maximum of fifty (50) days. Sick leave may only be used for personal illness, health-related appointments, or as otherwise provided in District policy. If the Superintendent qualifies for disability pay under the long-term disability policy, the Superintendent shall be required to take the disability pay instead of sick leave pay. The Superintendent shall keep complete and accurate records of sick days accrued and used and shall provide the Board with a report of accumulated sick days at least quarterly and upon request. The Superintendent shall not be compensated for unused days of sick leave upon the ending of employment with the District.
- e. Disability Insurance.** The Superintendent shall purchase long-term disability insurance from the District's carrier at the Superintendent's own expense.
- f. Vacation.** The Superintendent shall have twenty (20) vacation days for the initial contract year which the Superintendent may use at times the Superintendent

chooses so long as the absence does not interfere with the proper performance of the Superintendent's duties. Any extended vacation period while school is in session will require advance approval by the Board, and the parties will cooperate in arranging vacation time so as to cause the least inconvenience to the normal operation of the District. For the initial year of this contract and every contract year thereafter, the Board shall give the Superintendent the number of vacation days necessary to restore the total to twenty (20) days. For example, if the Superintendent uses 12 days of vacation one year, the Board will provide the Superintendent with 12 days the following year to bring the total vacation days back to 20. The Superintendent shall use the District's online record keeping system for recording use of vacation days and shall keep such records current and on file in the District's central office. The Superintendent shall keep complete and accurate records of all vacation days and shall provide the Board of Education with a report of accumulated vacation days at least quarterly and upon request. The Board may require the Superintendent to use vacation days and shall compensate the Superintendent for unused vacation days upon the conclusion of employment at a rate of **\$100.00** per day or \$12.50 per hour.

**g. Professional Development.** The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Superintendent attends a national convention and does not return following the initial year of employment as Superintendent, the Superintendent agrees to repay the District in full for national convention expenses paid by the District unless this contract is nonrenewed or canceled by the District.

**h. Professional Dues.** The District will pay the annual dues for the Superintendent's membership in the following organizations: the Nebraska Council of School Administrators (NCSA) and one other organization of the Superintendent's choosing.

- i. Physical Examination.** The Superintendent may voluntarily undergo a physical examination. The Superintendent agrees to authorize the physician performing each such examination to provide the Board with all records, results and medical judgments of the examination. Up to \$500.00 of the cost of such physical examination and physician's reports which are not paid for by the Superintendent's insurance coverage shall be paid by the District.
- j. Bereavement Leave.** The Superintendent shall be permitted bereavement leave as provided in District policy. In the event that the District does not have a bereavement leave policy, the Superintendent will be allowed up to three (3) days of paid bereavement leave per year. Requests for bereavement leave will follow the guidelines as stated in the most recent negotiated agreement as it relates to the bereavement dates requested.
- k. Holidays.** The Superintendent shall receive the following holidays off without loss of pay or having to take a paid leave day: New Year's Day, Good Friday, Memorial Day, Fourth of July, Labor Day, the day before Thanksgiving, Thanksgiving Day, the day after Thanksgiving, and Christmas Day. The Superintendent is not required to be in attendance when teachers and students are not required to be in school during the months of December and January, with the understanding that all Superintendent duties will be fulfilled and the Superintendent will be accessible at all times.
- l. Cell Phone.** The Superintendent shall be required to purchase and maintain a cellular phone so that the Superintendent can be reached at all times for work-related emergencies or while away from school grounds during the work day. The District will reimburse the Superintendent up to a maximum of \$100 per month for the actual cost of a cellular phone service plan.
- m. Expense Reimbursement.** The District shall pay or reimburse the Superintendent for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions,

hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$750.00 or more.

**Section 12. Residence/Domicile in District.** The Superintendent shall establish domicile and principal residence within the boundaries of the District as they exist on the first duty day under the terms of this contract; and, the Superintendent shall maintain domicile and residence within the boundaries of the District during the term of this contract, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Superintendent does not establish domicile and principal place of residence within the District at the commencement of employment, the Superintendent shall move the Superintendent's domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Superintendent's first duty day under this contract. It is the purpose of this paragraph to require the Superintendent to, at all times during such employment, live and maintain domicile and principal place of residence in the District to encourage the Superintendent: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the District as a legal voter of the District; (3) to be involved in school and community activities bringing the Superintendent in contact with parents and community leaders and be committed to the future of the District and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Superintendent; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which the Superintendent is the educational leader.

**Section 13. No Penalty for Release or Resignation.** There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

**Section 14. Compensation Upon Termination and Credit for Accrued Vacation.** Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof

to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

**Section 15. Evaluation.** The Board shall evaluate the Superintendent twice during the Superintendent's first year of employment and at least once each year thereafter. The first evaluation during the first year of employment and the yearly evaluations after the first year of employment shall occur no later than the **regular December meeting**. The Superintendent shall: remind the Board members in writing of this provision no later than its **regular November meeting**; make the Superintendent evaluation an agenda item for the regular **December** Board meeting during each year of this contract; and provide the Board members with the written evaluation instrument that is on file with the Nebraska Department of Education.

**Section 16. Legal Actions.** The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

**Section 17. Physical or Mental Examination.** The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

**Section 18. Disciplinary Action.** The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting.

**Section 19. Governing Laws.** The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

**Section 20. Amendments to be in Writing.** This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

**Section 21. Severability.** If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.
