Parental Involvement In Education Practices

The school district recognizes the importance of parental involvement in the education of their children. To ensure such rights, parents will be:

1. Provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district.
 - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process. A parental request to review specific standardized and criterion-referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. In the case of secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.
 - a. Parents are invited to make appointments with the building principal to visit classes, assemblies and other instructional activities. The principal shall give permission after determining that parental observation would not disrupt the activity.
 - b. Parents may request permission to attend counseling sessions in which their child is involved.
3. Permitted, within district procedures, to ask that their children be excused from testing, classroom instruction, surveys and other school experiences that parents find objectionable.
 - a. Building principals will excuse a student from any single school experience at the parent's written request.

- b. When appropriate, alternative experiences will be provided for the student by the school.
- 4. Informed through the student handbook of the manner that the district will provide access to records of students.
- 5. Informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
- 6. Notified of their right to remove their children from surveys prior to district participation in surveys.
 - a. The principal must approve all surveys intended to gather information from students before they are administered to students.
 - b. Students' participation in surveys is voluntary. Parents may restrict their child from participating in any survey.

Parental Involvement In the Title I Program

The school district will jointly develop with parents a School-Parent-Student Compact that outlines shared responsibility for improved student academic achievement.

The school district recognizes the unique needs of students who are being served in its Title I program, and the importance of parental involvement in the Title I program. Parental Involvement in the Title I Program shall include, but is not limited to:

1. An annual meeting to which all parents of participating children will be invited. Invitations may take the form of notes sent with students or announcements in the school newsletter. Additional meetings may be scheduled, based upon need and interest for such meetings.
2. An explanation of the details for the child's and parents' participation, including but not limited to: curriculum objectives, type and extent of participation, parental input in educational decisions, coordination and integration with other district programs, and evaluations of progress. This information may be included in the annual Title I Individual Education Plan (IEP) for the student.
3. Opportunities for parent involvement activities, such as training on ways to support children's learning. This opportunity may include, but is not limited to, attendance at the annual Nebraska State Title I Parent Involvement Conference. The goal of these parent activities is to provide parents with opportunities to participate in decisions relating to the education of their students, where appropriate.
4. The district will, to the extent practicable, provide parents of limited English proficiency, parents with disabilities, and parents of migratory children with opportunities for involvement in the Title I Program. Communication to parents about student progress and the district's other Title I Program communications will be provided in the language used in the home to the extent practicable. Responses to parent concerns will be provided in a timely manner.

5. Opportunities for parent-teacher conferences, in addition to those regularly scheduled by the school district, if requested by the parents or as deemed necessary by school district staff.

This policy shall be reviewed annually at the annual meeting where concerned parties can have a conversation about possible changes to the Parental Involvement Policy, and the Board will either (1) alter the policy and adopt it as altered, or (2) reaffirm the policy, following a public hearing.
