- Patrons will be allowed five (5) minutes to express their view. Board of Education Members will refrain from expressing personal opinions during the Public Forum unless asked a direct question by a patron recognized by the Board President as having the floor. The board imposed time limit may be extended by a majority vote of the Board. The board may limit collective comments on a particular topic when necessary. The Board may not take action on matters discussed in the Public Forum unless the item appears on the prepared agenda.
- All concerns and complaints should go through the chain of command beginning with the teacher/sponsor and then to the building administrator/program supervisor and finally to the Superintendent. If the initiating party is not satisfied with the response of the Superintendent, said party may address a written appeal to the Board of Education through the Secretary of the Board.

Meeting: April Board Meeting

Date: 4/13/20

Mrs. Angie Richeson

Kindergarten Registration: Kindergarten Registration looked a little bit different this year with all things COVID-19. It was originally scheduled for Monday, March 30th at 5:30 p.m. in the PAC. After learning about the school closure, we changed it to an online video presentation with links to the parent packet and the official registration form. All the information was posted on the school's website and social media. Incoming kindergarten parents have been amazing and even with all the changes, we currently have 30+ kindergarteners officially registered (after the first week) and anticipate about 20 to 30 more will trickle in (with some additional follow-up from me) in the next few weeks.

If you have questions, please contact Angie Richeson (Elementary Principal) at angie.richeson@gosweddes.org or Melissa Haas (School Nurse) at melissa.haas@gosweddes.org

Summer School: We will begin gathering Summer School (student) recommendations from teachers this month and will send out information to parents in May. Summer School (affectionately called "Camp Dudley") will be held July 13th - 31st from 8:00 - 11:00 a.m. Students qualify for Summer School based on assessment data we collect throughout the year, as well as teacher recommendation.

Jump Start: Once again, we will invite our incoming kindergarteners to attend Jump Start July 13th - 31st from 8:00 - 11:30 a.m. Jump Start is a free opportunity for incoming kindergarteners to become familiar with the building, classmates and routines before entering kindergarten in August. Registration is easy and is part of the kindergarten registration process. We average about 98% attendance for incoming kindergarteners.

Teresa Schneider, Special Education Director

=====

- Prior Written Notice (PWN) was sent to all parents/guardians of students who receive special education services. This includes children age Birth-21years. This notice outlined how services will be provided during this period of an alternate learning environment. This includes packets, coaching, video modeling, check ins, online/teletherapy, and collaboration.
- All students in special education are receiving a Free Appropriate Public Education (FAPE) as special education staff work to provide equitable educational opportunities to students in special education. Special education students are receiving support in a ratio comparable to the service time indicated on their Individualized education plans(IEP).
- Once we return to school in the traditional manner, special education staff will review IEP's to determine if compensatory education will be needed. This discussion cannot take place until we return to our school building. This would be a very small percentage of our special education population, most likely less than 4%. Certified staff will be needed to provide compensatory education.
- Extended Year Services will be offered in the learning environment that we are in during June and possibly July. This is a very small percentage of our students. This is not compensatory education.
- I have been in touch with several parents of children receiving special education support and comments have been very positive.

Personnel - Certificated EmployeesRelease from Contract

Certificated employees who wish to be released from their contract shall submit a written request for release to the Board of Education. The written request shall include a resignation.

The action on a release from contract received after April 15th each year shall be discretionary with the Board. The earlier the request for release is submitted, the greater will be the likelihood of the release being granted. Requests for release received by the Superintendent after June 1st will ordinarily not be granted. Releases may be made subject to the conditions, including liquidated damages, payment of costs of securing a replacement, and the condition that a suitable replacement be secured.

There will be no penalty for release from the contract, though the certificated employee and the Board may negotiate and agree upon the terms of the release.

Where a certificated employee leaves employment without receiving an approved release, the Superintendent is authorized to file a complaint with the Nebraska Professional Practices Commission. The Board also reserves the right to seek damages against any certificated employee as a result of breach of contract.

RESOLUTION 20-01

WHEREAS, due to the COVID-19 pandemic, the District has shifted student learning from the physical classroom to a distance learning setting; and,

WHEREAS, as a result of this shift in student learning, the Board recognizes that certain aspects of student learning have been disrupted and that certain Board policies and procedures may need to be suspended or modified, including grading, credits and the like; and

WHEREAS, the Board desires to allow eligible students in their final year in the District (including seniors) to graduate and receive a diploma at the end of the 2019-2020 school year.

NOW, THEREFORE, BE IT RESOLVED that, notwithstanding any policy, regulation, protocol, practice or directive to the contrary, the Board hereby finds, determines, delegates and authorizes as follows:

1. For the remainder of the 2019-2020 school year, the Board suspends all graduation and curriculum-related policies, except for those policies that the Superintendent and Board President jointly determine need to remain in effect.
2. The Superintendent shall determine which students would have been eligible or on track for graduation immediately prior to the COVID-19 temporary shutdown.
3. The Superintendent shall implement requirements (such as the continued completion of coursework) to be in effect during the remainder of the 2020 spring semester for students who are eligible or on track to graduate. It is the Board's intent to require students in their final year to continue learning during the remainder of the 2019-2020 school year. If said students satisfy such requirements during the remainder of the 2019-2020 school year, then the Board hereby authorizes the Superintendent and Board President to issue a diploma to said students, so that said students will graduate and receive a diploma at the end of the 2019-2020 school year.
4. The Superintendent is hereby directed to identify students in their final year in the District who are neither eligible nor on track to graduate at the end of the 2019-2020 school year, and determine what requirements, if any, or supports, if any, will be in place for those students to become eligible or on track for graduation at the end of the 2019-2020 school year. At the end of the 2019-2020 school year, the Superintendent shall then determine whether any of these students have satisfied said requirements and, if so, along with the Board President, issue a diploma for such students in order for them to graduate and receive a diploma at the end of the 2019-2020 school year.
5. For all students (including those not in their final year in the District), the Superintendent shall develop a grading procedure to be implemented for the spring 2020 semester. The Superintendent is encouraged to consult with key stakeholder groups to identify the grading procedures that will be fair, reasonable in light of the circumstances and in the best interests of the District. The Superintendent's grading procedure shall be final, and the Board will not hear any appeals over the Superintendent's grading procedure or any grades issued under the Superintendent's grading procedure.

6. For those students who are not in their final year in the District, the Superintendent shall develop a plan to determine how students will progress (or not) to the next grade level or advanced courses next year, and what resources or supports may be made available for those students who are not or will not be prepared to progress to the next grade level or advanced courses next year. It is the Board's intention to advance students to the next grade level next year, but, of even greater importance is the Board's and administration desire for students to be prepared for next year's curriculum and continued future academic success.
7. The Board recognizes the fluid and unprecedented circumstances currently faced by students, parents and staff members, and hereby adopts this Resolution in order to be proactive and prepared to respond to the evolving events without further delay. As a result, by delegating various responsibilities and authority to the Superintendent and Board President, all actions (or inactions) taken by the Superintendent and Board President pursuant to this Resolution shall be final, ratified in full by the Board and need not be formally approved by the Board at a later date.
8. The Board hereby ratifies all curriculum-related decisions implemented or enacted to date.

The foregoing Resolution having been read in its entirety, Member _____ moved for their passage and adoption. Member _____ seconded same. After discussion and on roll call vote the following members voted in favor of passage and adoption of the above Resolution: _____

The following members voted against the same: _____

The following members were absent or not voting: _____

The above Resolution having been consented to by a majority of a quorum of the Board, it was declared as passed and adopted by the President at a duly held and lawfully convened meeting in full compliance with the Nebraska Open Meetings law.

Meeting: April Board Meeting

Date: 4/13/20

Mrs. Angie Richeson

Kindergarten Registration: Kindergarten Registration looked a little bit different this year with all things COVID-19. It was originally scheduled for Monday, March 30th at 5:30 p.m. in the PAC. After learning about the school closure, we changed it to an online video presentation with links to the parent packet and the official registration form. All the information was posted on the school's website and social media. Incoming kindergarten parents have been amazing and even with all the changes, we currently have 30+ kindergarteners officially registered (after the first week) and anticipate about 20 to 30 more will trickle in (with some additional follow-up from me) in the next few weeks.

Summer School: We will begin gathering Summer School (student) recommendations from teachers this month and will send out information to parents in May. Summer School (affectionately called "Camp Dudley") will be held July 13th - 31st from 8:00 - 11:00 a.m. Students qualify for Summer School based on assessment data we collect throughout the year, as well as teacher recommendation.

Jump Start: Once again, we will invite our incoming kindergarteners to attend Jump Start July 13th - 31st from 8:00 - 11:30 a.m. Jump Start is a free opportunity for incoming kindergarteners to become familiar with the building, classmates and routines before entering kindergarten in August. Registration is easy and is part of the kindergarten registration process. We average about 98% attendance for incoming kindergarteners.

Teresa Schneider, Special Education Director

=====

- Prior Written Notice (PWN) was sent to all parents/guardians of students who receive special education services. This includes children age Birth-21years. This notice outlined how services will be provided during this period of an alternate learning environment. This includes packets, coaching, video modeling, check ins, online/teletherapy, and collaboration.
- All students in special education are receiving a Free Appropriate Public Education (FAPE) as special education staff work to provide equitable educational opportunities to students in special education. Special education students are receiving support in a ratio comparable to the service time indicated on their Individualized education plans(IEP).
- Once we return to school in the traditional manner, special education staff will review IEP's to determine if compensatory education will be needed. This discussion cannot take place until we return to our school building. This would be a very small percentage of our special education population, most likely less than 4%. Certified staff will be needed to provide compensatory education.
- Extended Year Services will be offered in the learning environment that we are in during June and possibly July. This is a very small percentage of our students. This is not compensatory education.
- I have been in touch with several parents of children receiving special education support and comments have been very positive.
