Superintendent's Report

- Congratulations to the Chicken Express employees of the month – Stacy Knight, Quality Academy, and Megan Colvin, Child Nutrition. Thank you very much for your dedication, work, and commitment to our district and community. We appreciate you very much!
- Congratulations to Austin Clift for being named as an Academic All Stater and a National Merit Finalist. The Academic All State program recognizes the top 100 students from across the state of Oklahoma. The National Merit Finalist program recognizes the top 16,000 students from across the United States of America out of the initial 1.3 million entrants. Congratulations on these two outstanding accomplishments.
- Congratulations to Jarrett Patty on winning his third individual state wrestling championship. Also, congratulations to the state runner ups and other team qualifiers that represented CHS at the wrestling state tournament recently. Great season!
- Congratulations to the Chickasha High School Robotics Team for making it the semi-finals in the Oklahoma Regional Competition in Enid this past weekend. The Cockadoodle Dominators competed against 46 other teams from six different states and two countries. The team was awarded the Judges Choice award. Gracie James received the Star Award for Safety Captains. The team is now the #1 ranked team in Oklahoma and 92nd in the world out of over 3000 teams.
- Great job to all of site/district finance team members and Mrs. Stegman, CFO! Less than 10 years ago the audit had over 20 findings and we are now used to the new norm of no findings! Thank you all for your hard work and diligence in handling the district finances.

- CHS is excited to host the OKC Bombing Memorial Journey of Hope program on Tuesday, March 10th. This is a new program that will be traveling to a high school in each of our counties. A special thank you to Susan Winchester for helping bring this special program to CHS.
- Quick announcement – The City of Chickasha & the Chamber of Commerce will be holding a town hall meeting on Friday, March 13th on property taxes (advalorem). The meeting will begin at 9:00am and will be held in the Chickasha city council chambers.
- I would like to say THANK YOU to the Chickasha Rotary Club for their continued support of CPS. Each year they donate bikes to Grand Elementary & Lincoln School Intermediate Center to help recognize perfect attendance. We truly appreciate your partnership and emphasis on education in our community.
- Spring Break is next week – March 16th – 20th. The district (schools and offices) will be closed for the week. Classes will resume on Monday, March 23rd. We hope everyone has a fun and relaxing break!
- Finally, I would like to say THANK YOU to Cara Gerdes for her time on the CPS school board – 7 years. Serving on a school board is generally a thankless endeavor. We appreciate your commitment and dedication to the district and community. You have made a difference!

Financial Update to Board

To: Members of the Board of Education

From: Jennifer Stegman

Date: March 9, 2026

Expenditures:

Payroll expenses have consistently accounted for a substantial portion of the district's total expenses, ranging from approximately 73% to 87% over the fiscal years provided. This trend highlights that personnel costs remain the district's primary expenditure. Exhibit 1 illustrates payroll expenses from FY21 to the most current month of FY26 by month and year.

In December of FY23, the district issued a \$1,200 retention stipend to all employees who met the approved criteria. This was repeated in December of FY25 with a \$1,000 retention stipend. The increases in payroll and overall expenses during those months are primarily due to these one-time retention payments.

Exhibit 1: Payroll Expenses by Month and Year Exhibit 2: Payroll Expense as a Percentage of Total Expenses

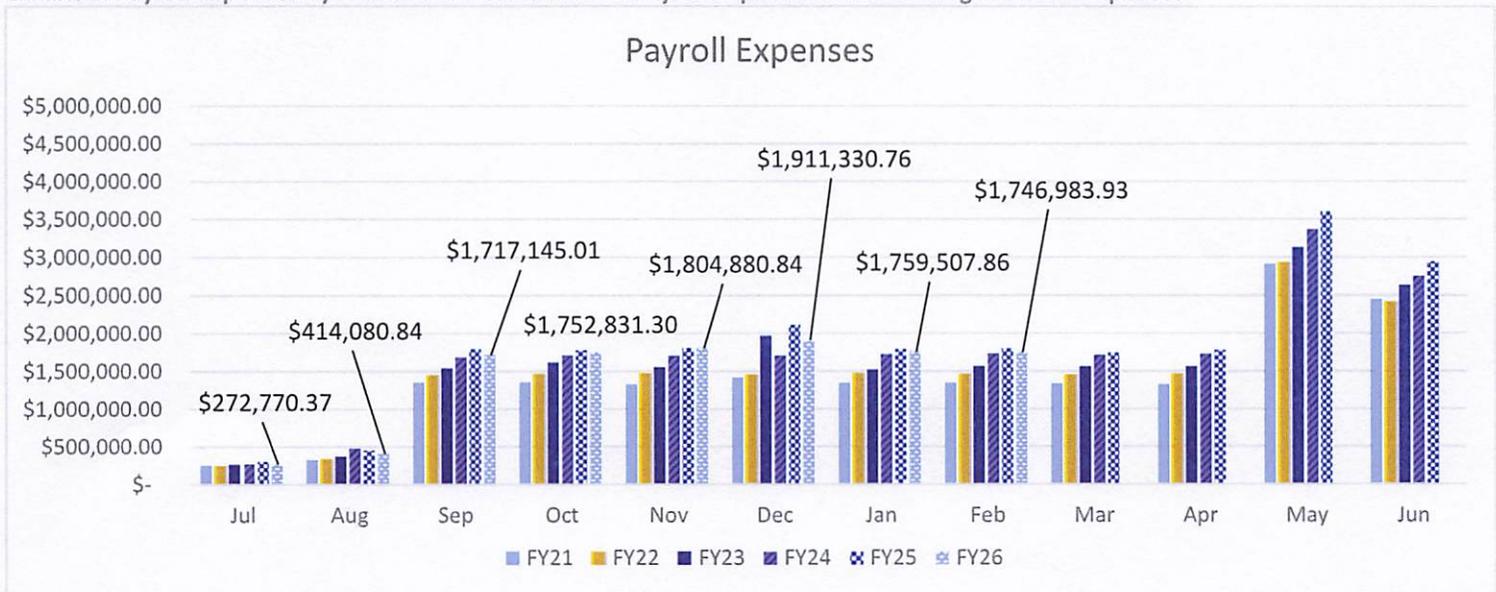

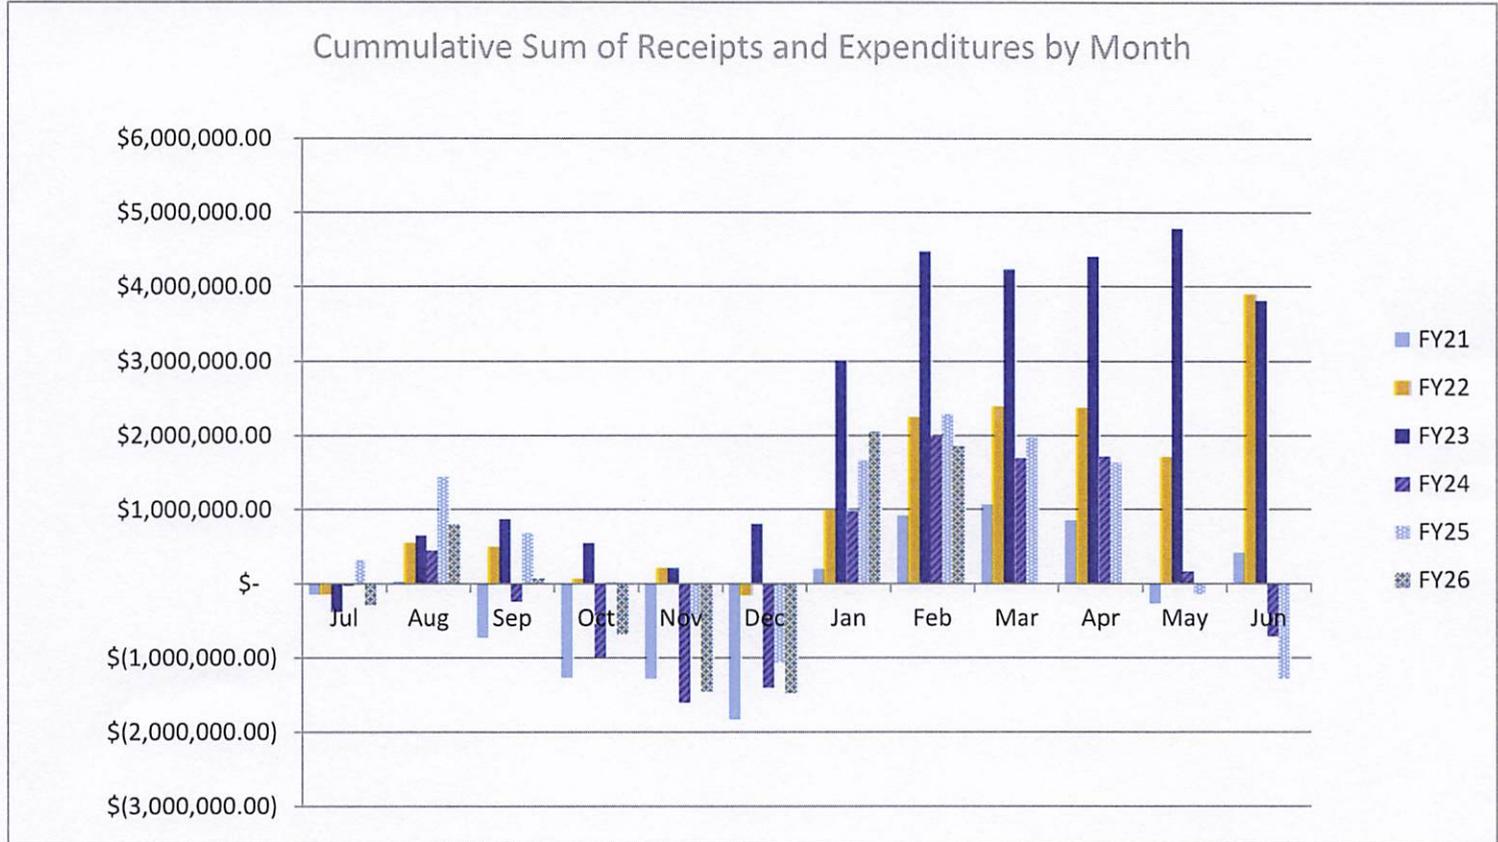

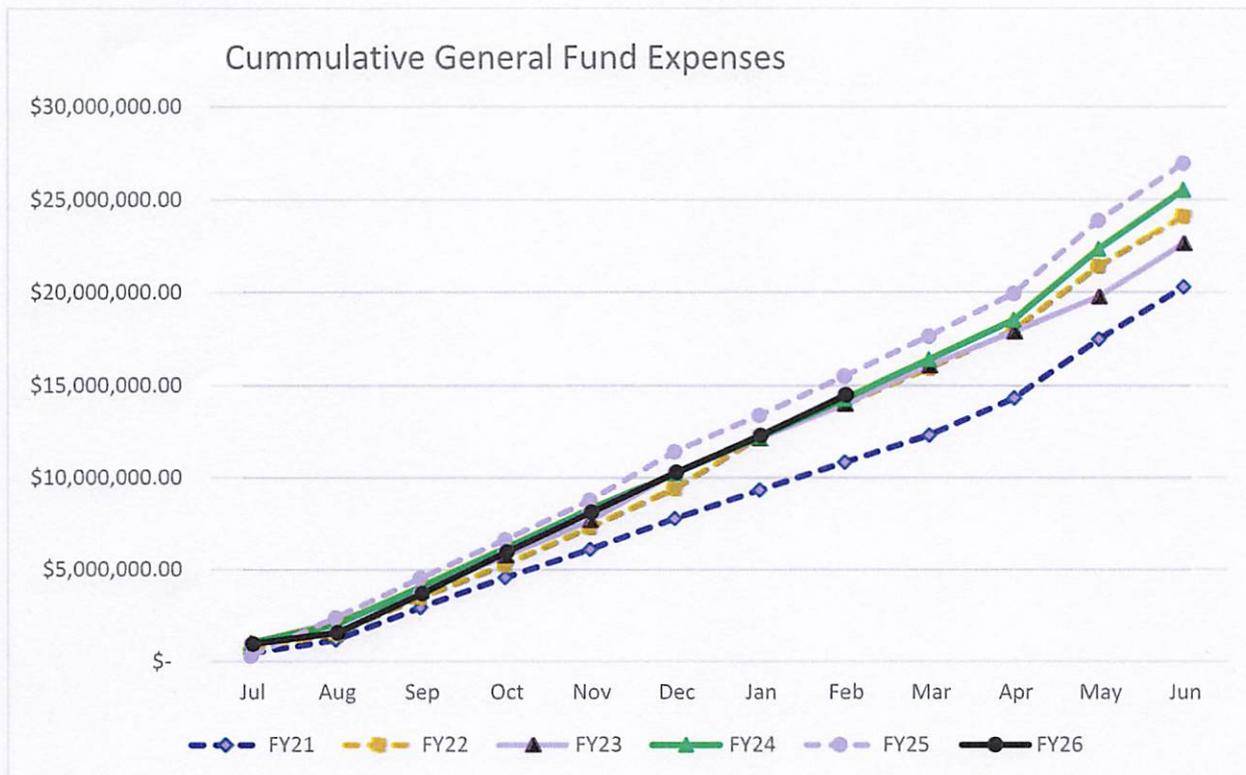

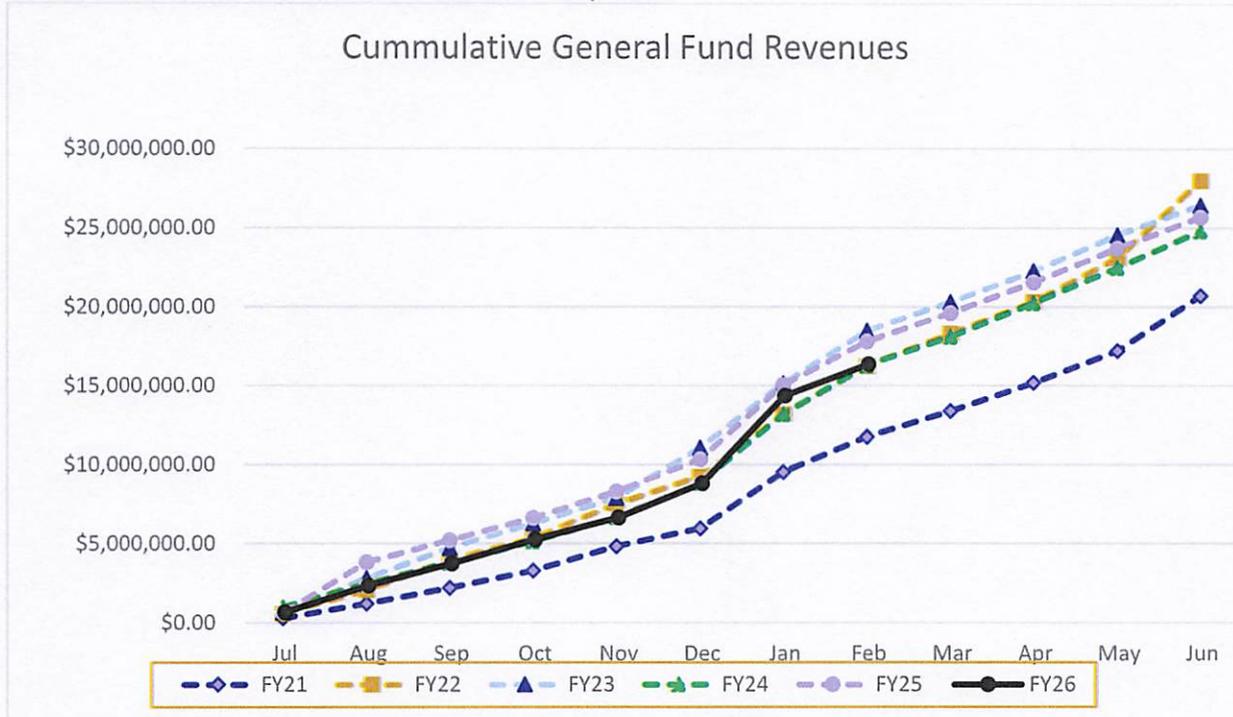

Exhibit 4 delineates General Fund revenues and expenses by month spanning from FY21 to FY25, along with year-to-date figures for FY26. These values represent the cumulative sum of revenues and expenses at the end of each month excluding fund balances carried forward from prior years. This information serves as a valuable tool for analyzing cash flow trends and guiding the district in projecting the required cash fund balances. Exhibit 7 reflects Cumulative General Fund revenues and expenditures that are consistent with FY24 trends.

Exhibit 5: Cumulative Sum of Receipts and Expenditures by Month

This year's cumulative revenues and expenses are tracking similarly to FY24. In FY24, total expenses exceeded total revenues by more than \$1 million, resulting in a negative variance at year-end. Given the comparable trend this year, continued attention to the relationship between collections and expenditures will be important to maintain financial balance through the remainder of the fiscal year.

Exhibit 5: Cumulative General Fund Revenues and Expenses

As of the current reporting period, the district's FY 2025–26 budget is being managed in close alignment with adopted spending plans when viewed in total. While certain functional areas have exceeded their individual budget allocations, these variances are offset by savings in other areas, resulting in overall expenditures and encumbrances that remain very near the district's total approved budget. Instruction and support services continue to represent the largest areas of spending, consistent with historical patterns. On the revenue side, approximately 76% of projected revenues have been collected to date, which is consistent with revenue collection trends in prior years at this point in the fiscal cycle. Overall, the district's financial position remains stable, with no material deviations from expected budget performance at this time.

Dear Members of the Board,

I am writing to provide an explanation regarding the recent invoice that exceeded the original project quote by more than 10%.

The increase was the result of two necessary adjustments made during installation to ensure the project met district safety, security, and operational standards. First, additional cameras were added after the initial walkthrough to address coverage gaps that were identified once installation was underway. These additions were required to ensure adequate visibility and to meet best-practice security expectations.

Second, conduit was required in certain areas to safely and securely route cabling to the appropriate camera locations. In these locations, conduit was not fully anticipated during the initial estimate but became necessary to protect the infrastructure, comply with safety considerations, and ensure a clean, durable installation.

Both changes were made in the district's best interest to ensure the system is reliable, secure, and properly installed. While these adjustments increased the overall cost beyond the original estimate, they were necessary to deliver a solution that meets our security needs and avoids future remediation costs.

Please let me know if you would like any additional detail or documentation regarding this invoice.

To Whom It May Concern:

I am writing to provide clarification regarding the travel request aimed at facilitating the purchase of student livestock projects. In my role and my teaching partners' roles as Agricultural Education Instructors, part of our responsibility is to assist students in selecting and purchasing livestock projects. This process occurs throughout the school year and the summer, as many projects are purchased in the spring and summer. Many students do not have vehicles or trailers to pick up projects, as we also assist with this task. Often, agricultural education teachers either locate suitable breeders or guide students to appropriate sources for purchasing these projects, recognizing that students may lack the expertise to make such selections independently. This practice is very common across Oklahoma, with Agricultural Education Instructors in Mustang, Elgin, El Reno, and Yukon public schools who travel to aid in livestock project purchases.

My primary objective as an Agricultural Education Instructor is to assist in the selection process and offer guidance on the feeding and care of these projects. The purpose of the proposed travel is to enable my teaching partners or me to personally assess a variety of animals available from different breeders across the states outlined in the request. While my usual practice involves sourcing animals from Oklahoma, I have recognized a growing need for quality, affordable livestock options, while also considering our students' financial constraints. Therefore, it is essential for us to travel to select animals from various breeders to encourage growth in our livestock program.

One of our key objectives is to diversify the breeds of livestock owned by our students, thus avoiding a situation where all students exhibit the same breed or class at shows. This diversity not only enhances the educational experience but also creates more opportunities for students to secure a spot in the Grady County Spring Livestock Show Premium Sale. Additionally, the purchase of animals of varying ages and genetics is necessary, as students often have different endpoints in mind for their projects throughout the year.

It is worth noting that many breeders do not maintain specific visitor schedules or sales calendars, hence the need for flexibility in traveling. As such, this travel request spans several months, allowing us to accommodate both their availability and our own. Consolidating the states and corresponding dates into a single request streamlines the process, considering the often short turnaround times between initial contact with breeders and the actual visit or purchase of animals. Submitting multiple requests on a near-daily basis would not be practical or efficient.

Furthermore, for student trips to view livestock, we require a parent or guardian to accompany them. This measure ensures the safety and accountability of our students during such outings.

Thank you for your attention to this matter. Should you require any further information or clarification, please do not hesitate to contact me at Eschmidt@chickasha.k12.ok.us or (405)222-6550

Sincerely,

Emily Schmidt
