## **1002**

### **Creation and Amendment of Board of Education Policies**

#### **Creation of Board Policies**

Each of these policies shall become the official policy of the school district when the board has approved it by a majority vote of the members present at any lawfully convened meeting of the board.

#### **Amendment of Board Policies**

The board may revise policies at a regular or special meeting if the proposed revision, addition, or amendment has been distributed to the board members in writing prior to the meeting at which it is to be adopted.

In an emergency, the board may declare an emergency and revise policies without having distributed copies of the proposed revisions to board members prior to the meeting.

Each policy shall bear the date when it was adopted, revised or reviewed.

The superintendent shall distribute copies of these policies to all members of the board, maintain a master copy in the central office, and see to it that the policies are maintained on the school district's website.

#### **Annual Review**

The board shall review all policies at least once every three years. Nebraska statutes require an annual review of specific policies, and such policies shall be so identified. The board may update or add policies as needed. The board shall determine the number of copies of policies to be made and their distribution. The superintendent shall maintain an up-to-date master copy of the policies in the main administrative office. Unless otherwise directed by the board, the master copy shall be considered the official district policy manual.

Community RelationsAnnual Report and School Improvement

The Superintendent shall prepare and distribute each year an Annual Report in accordance with Rule 10, Regulations and Procedures for the Legal Operation of Schools. The Annual Report shall be distributed to residents of the School District by the Superintendent distributing it to the members of the Board of Education and to the parents of students enrolled in the School District during each school year and making it available to other residents. The report shall include information required by Rule 10. The results of the annual report shall be used to plan and make needed changes to improve instruction for all students. The report is to include:

- A. Student academic performance. The report shall include results of student success in achieving the state standards set forth in Appendices A through D of Rule 10 or local content standards approved by the Department, on a building basis. Individual test scores shall be kept confidential. If the school has fewer than ten students in the grades being reported, or if reporting would allow for the identification of students because they all had comparable scores, no public reports of student performance shall be provided for those grades.
- B. School system demographics.
- C. School improvement goals and progress.
- D. School system financial information.

The Superintendent shall further ensure that the School District implements a systematic on-going process that guides planning, implementation, and evaluation and renewal of school improvement activities to meet local and statewide goals and priorities. The school improvement process shall focus on improving student learning and include a periodic review by visiting educators who provide consultation to the local school/community in continued accomplishment of plans and goals. The school improvement process shall further include the following activities at least once within each five years:

- A. Collection and analysis of data about student performance, demographics, learning climate, and former high school students.
- B. Selection of improvement goals. At least one goal is directed toward improving student performance.
- C. Development and implementation of a plan which includes procedures, strategies, or actions to achieve goals.
- D. Evaluation of progress toward improvement goals.

The school improvement process shall further include a visitation by a team of external representatives to review progress and provide written recommendations. A copy of the written recommendations shall be provided to the Department. The external team visits shall be conducted at least once each five years.

Community RelationsPublic Access to School Records - Examination, Making Memoranda, and Copying

1. The School District, through the Superintendent, shall provide interested persons access to the records of the School District as required by law. Such access shall include the opportunity to examine, make memoranda and copy School District records. The School District shall not make records of individual students or personnel available except as allowed by law or compelled by court order.

2. Records may be examined at the School District offices during the hours such offices are open for the ordinary transaction of business. School district offices will be open for the ordinary transaction of business (a) during the school year on such days as school is in session, and (b) during the summer months when school is not in session, Monday through Friday when the Superintendent is present, except legal holidays.

3. Records may be obtained in the form in which the record is maintained including, but not limited to, printouts, electronic data, and photocopies. The School District will not be required to produce or generate any record in a new or different form or format modified from that of the original School District record. Copies of records may be made as follows:

(a) Copies may be made by persons using their own copying or photocopying equipment, provided that such copies shall be made on the premises of the School District offices or at a location mutually agreed to by the requester and the School District.

(b) Copies may be obtained from the School District if the School District has copying equipment reasonably available, and upon payment of a fee for providing copies. The Superintendent shall establish a fee schedule for the copying of school district records, provided that such fee is not to exceed the actual cost of making the copies available. Actual costs of making copies available include: Paper, and other hard copy materials, copier device costs (equipment lease, depreciation and maintenance), electricity and the cost of personnel. If the copies requested are estimated by the School District to be more than fifty dollars (\$50.00), the School District may require the requester to furnish a deposit prior to fulfilling such request.

4. Upon written request for access to records, the School District will provide to the requester as soon as is practicable and without delay, but not more than four (4) business days after actual receipt of the request:

(a) Access to or, if copying equipment is reasonably available, copies of the school district records requested;

(b) A written denial of the request, or portion thereof, if there is a legal basis for such denial of access to school district records on a written form from the school district. [See,

Regulation Form 1050A, "Denial of Access To School District Records"]; or

(c) If the entire request cannot with reasonable good faith efforts be fulfilled within four (4) business days after actual receipt of the request due to the significant difficulty or extensiveness of the request, the school district shall provide a written explanation, including the earliest practicable date for fulfilling the request, and estimate of the expected cost of any copies, and an opportunity to modify or prioritize the items within the request. [See, Regulation Form 1050B, "Explanation of Delay in Fulfilling Request for School District Records"].

Dear

On behalf of the Sterling Public School District Board of Education and Administration, we are pleased to invite you to participate in an upcoming Community Engagement Meeting. The Board of Education and Administrative Leadership Team will embark on the process of community engagement to identify and address the priorities and needs to support all of our students.

A critical component of the process is to ensure that a diverse representation of community and district stakeholders are empowered to share their personal perspectives, thoughts, and ideas in relationship to the education in the Sterling Public School District. The identified stakeholders will include parents, community members, retired citizens, business leaders, and staff.

We invite you to attend our meeting on Monday, March 4, 2019 at Sterling Public Schools. The meeting will begin promptly at 7:00 p.m. The meeting should conclude around 8:30 p.m. Please be prepared to share your thoughts about the following:

1. As a vested district patron, what are your expectations and priorities for the school district?
2. Identify the challenges facing the community in the next three to five years and how this will effect the school district.
3. Identify what you believe are the most important improvements the district might do to improve and expand district learning facilities and grounds. Ex: Educational learning space, safety/security, site access and parking, space to support student enrollment, core infrastructure and/or maintenance, extracurricular activities and/or programs,.

**Please contact Renae Kinney (402-866-4761 ext. 100 or [rkinney@sterlingpublicschools.com](mailto:rkinney@sterlingpublicschools.com)) by February 26 to confirm your availability and/or interest in participating.** Working together we can strengthen our students' learning experiences and successes. We appreciate everything you do for our community and school.

Thank you in advance for considering this opportunity to participate. If you have any questions, please feel free to contact Dottie directly at [dheusman@sterlingpublicschools.com](mailto:dheusman@sterlingpublicschools.com) or 402-866-4761 ext. 102.

Yours truly,

Cheri Wirthele  
Board President

Superintendent

**You're Invited!!! We would LOVE to have you join us in celebrating Dr. Seuss' birthday and his love of reading. We are hoping you will be a "guest" reader for our classrooms. You can pick the day, time and audience. Please consider sharing a book or two with us during Read Across America Week. Enclosed is a sign-up sheet. We look forward to seeing you there!**

*You're never too old, too wacky, too wild,  
To pick up a book and read with a child.  
You're never too busy, too cool, or too hot,  
To pick up a book and share what you've got.*

*In school and communities,  
Let's gather around,  
Let's pick up a book,  
Let's pass it around.*

*There are kids all around you,  
Kids who will need  
Someone to hug,  
Someone to read.*

*Come join us March 1,4,5, or 6  
Your own special way  
And make this America's  
Read to Kids Day.*

We will be celebrating Dr. Seuss' birthday on March 1. Our celebration of Dr. Seuss' love for reading will continue the next week too (March 4, 5, & 6). We are looking for "guest" readers to share a book or two with the elementary classes. If you, or someone you know, would be interested in reading to the students, please write your name below!
