Sterling Administration,

Please accept this letter as my official resignation as a teacher within the Sterling Public Schools district. This resignation is effective immediately.

I would like to thank the entire Sterling district for the opportunity to serve in multiple capacities over the past 3 years. This district has provided me multiple opportunities to grow as a professional while serving an amazing student body.

My goal as an educator has been to make an impact on reluctant learners by building relationships and creating a safe space for learning. While I believe I have achieved this goal, it has been at the cost of my own mental health.

It is with great sadness that I resign my position. If I can be of assistance throughout the transition period, please let me know. Thank you again for accepting me as a part of the Jet family. The experiences I have gained have been life changing.

Sincerely,

  
Ida Rose K. Sprague
