Transportation/Athletic Director Report

March 15, 2021

- We have just completed the 3rd round of 80 day inspections. Here are the vehicles that had things that needed repairs
 - 2010 (Ron's Bus) This bus had a ABS motor that quit working and we had to order a complete replacement for that. Also, the hood would not shut properly and we needed to replace that as well. The total cost on this will be in the neighborhood of \$8000.
 - 2012 (Activity Bus) - The bus had a front brake pad coming apart.
 - 2014 (Luke's Bus) - The horn is not working and has a side light that needs to be reattached.
 - SPED Van - Cruise control isn't functioning correctly.
- I am planning on riding all the bus routes this spring for evaluations and checking out the road conditions. Jake and I plan to have a meeting prior to the end of the school year to go over things with all the bus drivers.
- Track season is in full swing and we have 35 students (21 boys/14 girls) out for track this season. Their season kicks off with the Pioneer Conference Indoor meet on Wednesday, March 24th at Doane.
- The NSAA has announced its plans for the state track meet this spring. The event will now be held over 4 days instead of the regular 2 day schedule with Classes A & D will be held on Wednesday - Thursday, May 19-20. Time frame for Class D on those days looks to be 9:00 AM until 2:00 PM.
- As for attendance at events this spring, as of this writing most of our indoor events will not be allowing fans. As of Friday, they are now allowing 25 spectators per school. However, almost all outdoor events will be allowing fans to attend. All of our state competitions we normally participate in (FBLA/FFA/Skills) have moved their competitions to virtual this spring.
- I have received 2 bids and I am waiting to get one more before we decide on who will be refinishing our gym floor this summer. I hope to have this information for you at our next meeting.

- I attended the NSIAAA spring convention on March 6-8 out in Kearney. Sessions I attended were; Karen Hasse - KSB Law Firm, Ron Alexander - AD at Platteview HS, Rob Brokaw - Strength Coach at North Bend HS and Becky Meline - Sports Psychologist
- I have been working with Adrian on the school calendar for next year. We will be hosting the Pioneer Conference Instrumental Clinic and the JH Mudecas quiz bowl next year. Both of these events will require us to dismiss school early on the days that they are held.

Mr. Davenport,

This is to inform you that Anna and I are planning to retire at the end of the school year. We truly enjoy working for Sterling School, we love the kids and staff. We both agree that this administration is the best we have ever worked under.

We are both just getting kind of tired. Our home still needs things done. We would also like to go visit some friends while we are able.

We will be more than happy to help in any way we can to make the transition a smooth one.

Anna Zager

****PROPOSAL EXPIRES 3/31/21**

Sterling Public School District: *HVAC Improvements*

Current Environment

Over the course of the last several months the Facility Advocates team has spent several days reviewing operational data on and off site. Our findings are consistent with previous reports.

- Prior to the arrival of current staff, there was no consistency in how the system was operated or maintained
- Lack of water treatment has shortened the life of the fluid cooler
- There are several units at or near the end of their useful life per ASHRAE standards
- Building Automation System has many alarms and inconsistent programming
- It is unclear if the fresh air system is operating as designed

Opportunity Recommendation

Partner with single company to provide HVAC service, maintenance, and upgrades

- Develop short and long term plan for building maintenance and upgrades
- Perform Re-commissioning and functional testing (RCx) on Buildings HVAC Systems
- Review settings, sequences and programming of the HVAC control system
 - Functional test HVAC equipment for operation
 - Measure air flow of fresh air system
 - Measure water flow of heat pump loop / hot water loop.

Budget

The total cost for RCx project is: \$34,500

SAMPLE - School Board Resolution

MOVE THAT: Whereas the Board of Education, intends to enter into an Energy Financing Contract with a Qualified ESCO Provider, we authorize the Superintendent to adhere to the Request for Qualification (RFQ) process as identified, in State Statute sections 66-1062 to 66-1066, for selecting an ESCO company to implement potential facility improvement measures.
