### **Parent and Guardian Involvement in Education Practices**

The school district recognizes the importance of parental and guardian involvement in the education of their children. The school district will take the following steps to ensure that their rights of parents and guardians to participate in the education of their children are preserved.

1. Parents/Guardians will be provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district upon request.
  - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used.
  - b. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process.
  - c. A parental request to review specific standardized and criterion-referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. Parents wishing to review statewide NeSA assessments will be provided with sample questions and a copy of a practice test, but will not be provided with copies of the actual assessment due to testing security. In the case of other secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Parents/Guardians will be permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.
  - a. Parents/guardians are invited to make appointments with the building principal to visit classes, assemblies and other instructional activities. The principal shall give permission after determining that parental/guardian observation would not disrupt the activity. Observations that last more than 60 minutes or occur on consecutive days are typically disruptive and will not be permitted absent unusual circumstances, in the sole discretion of the building principal.

- b. Parents/guardians may contact the building principal to request permission to attend counseling sessions in which their child is involved.
3. Parents/guardians will be permitted, within district procedures, to ask that their children be excused from school experiences that parents find objectionable.
  - a. Building principals may excuse a student from any single school experience at the parent's written request.
  - b. When appropriate, alternative experiences will be provided for the student by the school.
4. Parents/guardians will be informed through the student handbook and district policies of the manner that the district will provide access to records of students.
5. Parents/guardians will be informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
6. Parents/guardians will be informed of the circumstances under which they may opt-out of state and federal assessments.
  - a. In accordance with federal law, at the beginning of the school year, the District shall provide notice of the right to request a copy of this policy to parents/guardians of students attending schools receiving Title I funds. The District will provide a copy of this policy to a requesting parent in a timely manner.
  - b. State Assessments

State and federal law simultaneously require students to take state assessments, with few exceptions, but also permit parents or guardians to request to opt their students out of these assessments. Approval of opt out requests is contrary to the mandatory testing laws, so the District cannot "approve" the request. Parents who do not present their child for testing will

result in the child receiving the lowest score possible on the assessment.

c. National Assessment of Educational Progress

As a condition of receiving federal funds, the District participates in the National Assessment of Educational Progress (NAEP). To help ensure that the District has a representative sample of students taking the NAEP, which will allow the District to assess the quality and effectiveness of its programming on a national level, the District strongly encourages all eligible students to participate. However, student participation in NAEP is voluntary.

The District shall provide parents/guardians of eligible students with reasonable notice prior to the exam being administered. Parents/guardians wishing to opt their students out of the NAEP assessment must notify the district in writing at least three days prior to the exam date to ensure that the District can coordinate supervision and alternative activities for students who have opted out.

7. Parents/guardians will be notified of their right to remove their children from surveys prior to district participation in surveys.
  - a. The principal must approve all surveys intended to gather information from students before they are administered to students.
  - b. Students' participation in surveys is voluntary. Parents/guardians may restrict their child from participating in any survey.

### **District Title I Parent and Family Engagement Policy**

The school district will jointly develop with parents a School-Parent-Student Compact that outlines how the parents, school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards.

The written District Parent and Family Engagement Policy will be jointly developed and distributed to parents and family members of participating children and the local community in an understandable format and to the extent practicable, in a language the parents can understand. An annual evaluation of the content and effectiveness of the Parent and Family Engagement Policy will be used to design evidence-based strategies for more effective parental involvement, to revise the Parent and Family Engagement Policy and to remove barriers to participation.

The school district recognizes the unique needs of students who are being served in its Title I program, and the importance of parent and family engagement in the Title I program. Parent and family engagement in the Title I Program shall include, but is not limited to:

1. An annual meeting to which all parents of participating children will be invited to inform parents of their school's participation under this part, to explain the requirements of this part, and the right of the parents to be involved. Invitations may take the form of notes sent with students or announcements in the school newsletter. Additional meetings may be scheduled, based upon need and interest for such meetings.
2. An explanation of the details for the child's and parents' participation, including but not limited to: curriculum objectives, the forms of academic assessment used to measure student progress and the achievement levels of the challenging State academic standards, type and extent of participation, parental input in educational decisions, coordination and integration with other Federal, State, and district programs, and evaluations of progress.
3. Opportunities for participation in parent involvement activities such as training to help parents work with their children to

improve achievement. A goal of parent activities is to provide parents with opportunities to participate in decisions relating to the education of their students, where appropriate.

4. The district will, to the extent practicable, provide parents of limited English proficiency, parents with disabilities, parents with limited literacy, are economically disadvantaged, are of a racial or minority background or parents of migratory children with opportunities for involvement in the Title I Program. Communication to parents about student progress and the district's other Title I Program communications will be provided in the language used in the home to the extent practicable. Responses to parent concerns will be provided in a timely manner.
5. Opportunities for parent-teacher conferences, in addition to those regularly scheduled by the school district, if requested by the parents or as deemed necessary by school district staff.
6. The district will coordinate and integrate parental involvement programs and activities with other programs in the community. These may include cooperation with other community programs such as Head Start and preschools and other community services such as the public library.
7. Educate teachers, specialized instructional support personnel, principals, and other school leaders, with the assistance of parents in the value and utility of contributions of parents, how to reach out to, communicate with and work with parents as equal partners.

This policy shall be reviewed annually at the annual meeting where concerned parties can have a conversation about possible changes to the Parent and Family Engagement Policy.

## MEMORANDUM

---

To: KSB Policy Service Subscribers  
From: KSB School Law  
Date: May 28, 2024  
Re: Annual Policy Updates

---

It's time for the 2024 KSB School Law policy updates. Below, we discuss the policy changes, the changes to our standard forms, and some issues raised by certain laws that do not necessarily require a policy change but present new obligations or things to keep in mind as you enter the 2024-25 school year. We have broken these down into 3 sections: "Policy Changes;" "Forms Changes;" and "Other Issues to Consider."

Please keep in mind that most approved bills go into effect three months after the legislature adjourns. This year the Unicameral adjourned sine die on April 18th, so the effective date of most bills will be July 19, 2024. However, if a bill has a specific effective date or an emergency clause, it goes into effect on the stated date or when passed and approved according to law.

To assist subscribers in implementing these policy changes and the other considerations laid out in this Memo, **KSB will hold a webinar on Wednesday, May 29, 2024, at 9:00 a.m. Central Time.** In the webinar, we will give a brief overview of the changes and then answer questions from attendees regarding the policies and other considerations. We will also record the webinar and post it in the KSB School Law portal in the Policy Updates section. Please contact us if you have any additional questions about the policy updates or portal.

## Policy Changes

---

### **REVISIONS OF POLICY 2006: COMPLAINT PROCEDURE**

The new Title IX regulations require Title IX appeals to follow the same procedures for other types of civil rights appeals. For years, OCR has requested a uniform process to handle all types of complaints of discrimination, including race, religion, disability, etc. This is why we designed policy 2006 to cover all of those types of complaints and appeals. The 2020 Title IX regulations obviously created an entirely separate process for Title IX. The new 2024 regulations don't require the same procedure across the board for Title IX and other types of civil rights complaints, but they do require a standard appeals process.

To blend the Title IX and other civil rights appeals, we had to make some substantial modifications to policy 2006. Now, most complaints and appeals end with the superintendent. We have significantly limited the types of complaints and appeals that can go to the full board. This was necessary to reconcile the civil rights appeals, because in practice most schools do not involve the full board in discrimination investigations unless they involve allegations against the superintendent. We have been talking for years about limiting items that actually get full board consideration. Is it the highest and best use of the board's time to hear "complaints" about playing time and who makes National Honor Society? We'll explain this in the update webinar, but it will be very important to discuss this with your full board. Now, only complaints about the superintendent and complaints about the wording (not implementation) or policy and about the budget get consideration from the board.

We understand some boards may like this, and others may want to stay involved as a last appeal step in all cases. We recommend against boards hearing all types of cases. At best, it will significantly delay the ability to impose discipline in Title IX cases involving sex discrimination if the process is not complete until the board hears the case. However, if your board does want to serve as the final appeal body for all claims, reach out to one of us, and we are happy to discuss it and help you modify the policy to fit your board's preference.

**This change is required.**

## REVISION OF POLICY 2008: MEETINGS

Have you sent a notice of your school board meeting to your local newspaper only to find out the newspaper didn't publish your notice? Good news! LB 287 modifies the Open Meetings Act to resolve this problem.

Beginning July 19, 2024, and until January 1, 2025, in cases where the newspaper refuses, neglects, or is unable to timely publish the notice, the school district may lawfully advertise its meeting by (1) posting the notice on its website and (2) posting the notice in a "conspicuous public place" within its jurisdiction. The school must keep a written record of the posting.

Beginning January 1, 2025, school districts will have two options to choose from to give notice of their meetings, and it depends on whether you have time to get your notice in the local newspaper. Schools may select one of the following options:

- (1) Publish in a newspaper of general circulation within the school's jurisdiction that is finalized for printing prior to the time and date of the meeting AND (2) post on the newspaper's website, if available, AND (3) post on a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers; **OR**
- (1) Post to the newspaper's website, if available, AND (2) post to a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting.

After January 1, 2025, in cases where the newspaper refuses, neglects, or is unable to timely publish the notice, the school district may lawfully advertise its meeting by (1) posting the notice on its website, if available, and (2) submitting a post on a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers, AND (3) posting the notice in a "conspicuous public place" within its jurisdiction. The school must keep a written record of the posting. We will provide you with a new policy closer to January 1, 2025.

NOTE: You need to follow the current law until July 19, 2024.

Effective Date: July 19, 2024

**This change is required. KSB will send out an updated policy this fall for the version that will be in effect starting January 1, 2025.**

**REVISION OF POLICY 2009: PUBLIC PARTICIPATION AT BOARD MEETINGS**

As you've heard us say many times over the years, the Open Meetings Act only required school districts to allow public comment at "some" meetings. The Nebraska Attorney General's Office had informally indicated that allowing public comment once every three months would be sufficient to comply with the law. Well, those days are over. LB 43 now requires that except for closed sessions, public bodies must allow public comment at each meeting. We have revised this policy to reflect this new requirement.

Please keep in mind that boards may still make and enforce reasonable rules and regulations regarding the conduct of people speaking at meetings. This means you can continue to have "time, place, and manner" restrictions on public comment speakers.

Effective Date: July 19, 2024.

**This change is required.**

---

**REVISION OF POLICY 3003.1: BIDDING FOR CONSTRUCTION, REMODELING, REPAIR, OR RELATED PROJECTS FINANCED WITH FEDERAL FUNDS**

In April 2024, the federal government released revisions to the Uniform Grants Guidance. This policy is updated to reflect changes to the UGG including: the change in terminology to "simplified acquisitions" instead of "small purchases," and the addition of veteran-owned businesses to the list of preferred vendors.

Effective Date: October 1, 2024

**This change is required.**

---

---

**REVISION OF POLICY 3004.1: FISCAL MANAGEMENT FOR PURCHASING AND PROCUREMENT USING FEDERAL FUNDS**

These changes include the same ones mentioned for 3003.1.

The UGG also increased the threshold for the disposition of equipment and supplies from \$5,000 to \$10,000. While not a policy change, districts should also be aware that the de minimis indirect rate increased from 10% to 15% and also the amount of subawards a district can apply to their indirect rate increased from \$25,000 to \$50,000. Additionally, school auditors are jumping for joy as the single audit for federal funds increased from \$750,000 to \$1,000,000.

Effective Date: October 1, 2024

**This change is required.**

---

**MOVE CONTENTS OF 3011: TRANSPORTATION, TO 5005: OPTION TRANSPORTATION; RENAME COMBINED POLICY "TRANSPORTATION"; POLICY 3011 NOW "INTENTIONALLY LEFT BLANK"**

We received several questions during NDE reviews of policies covering foster student transportation this year. That policy was in the 3000 series, which did not make a lot of sense when other transportation policies are in the 5000 series. We have now combined 3011 and 5005 into one policy named "Transportation" which covers general transportation and option transportation.

Policy 5005, formerly "Option Transportation" had 3 distinct options in separate documents. We've combined those into this one policy. If you have already adopted 1 of the 3 options in policy 5005, keep that one in the policy and delete the other 2 choices.

**This change is required.**

---

---

**REVISION AND RENAMING OF POLICY 3017: PRESS RELEASES;  
RENAMED TO "OFFICIAL COMMUNICATION WITH THE PUBLIC"**

On March 15, 2024, the United States Supreme Court issued an opinion in *Lindke v. Freed* which established the test for when government officials are "state actors" when posting on social media for First Amendment considerations. SCOTUS determined a government official's social media post is only government speech if "the official possessed actual authority to speak on the State's behalf and purported to exercise that authority when he spoke on social media." This policy update reflects the new considerations from this case.

**This change is not required but is highly recommended.**

---

**REVISION AND RENAMING OF POLICY 3032: FEES FOR SCHOOL  
DISTRICT RECORDS; ELIMINATE "COPYING" FROM TITLE**

LB 43 revised the public records statutes. For residents of Nebraska (includes all news media, which is undefined):

- Number of "free hours" goes from 4 to 8
- May not include "any charge for the services of an attorney or any other person to review the requested public records seeking a legal basis to withhold the public records from the public"
- May still charge for time in excess of 8 hours for searching, identifying, physically redacting, or copying

For nonresidents of Nebraska:

- Number of "free hours" goes from 4 to 0
- "The actual added cost used as the basis for the calculation of a fee for records may include a charge for the proportion of the existing salary or pay obligation to the public officers or employees, including a proportional charge for the services of an attorney to review the requested public records, for the time spent searching, identifying, physically redacting, copying, **or reviewing** such records"

The policy has been revised to reflect these changes.

Effective Date: July 19, 2024

**This change is required.**

---

**DELETION OF POLICY 3033: LENDING TEXTBOOKS TO CHILDREN ENROLLED IN PRIVATE SCHOOLS; NOW "INTENTIONALLY LEFT BLANK"**

Through June 30, 2024, schools are required to purchase and loan textbooks, upon individual request, to children who are enrolled in kindergarten to grade twelve of an approved private school. Effective July 1, 2024, that obligation is transferred to NDE. This policy may be deleted because it is no longer necessary.

**This change is required.**

---

**REVISION OF POLICY 3053: NONDISCRIMINATION**

This policy was updated to reflect the final rule for the Pregnant Workers Fairness Act (PWFA) which requires covered employers, including school districts, to provide reasonable accommodations to qualified employee's or applicant's known limitations related to, affected by, or arising out of pregnancy, childbirth, or related medical conditions.

**This change is required.**

---

**REVISION OF POLICY 3057: TITLE IX**

We've invested a lot of time and energy into learning and thinking through the Biden Administration's updated Title IX regulations, set to go live on August 1, 2024. We will explain much more of our thinking and guidance in our Title IX introductory webinar on June 25. You can register for that [here](#) if you haven't already signed up for this webinar or our full quarterly webinar series.

We feel strongly that schools will find these new regulations better to work with day-to-day compared to the Trump Administration regulations from 2020. For example, in many cases you will be able to use 1 person (likely the Title IX Coordinator) to resolve complaints of sex-based harassment compared to at least 3 under the 2020 regulations. For that reason, we put

together an updated policy for you to consider with your boards in June or July. We do not think schools should ignore the components of these new regulations that will make life better for you.

We will continue to monitor the ongoing litigation, which focuses almost exclusively on the issues of gender identity and facility use. That is getting all the headlines (as usual) but makes up only a very small fraction of the regulations. As you will see, our policy focuses on complaints of sex discrimination. If we need to update the policy moving forward to account for the litigation or changes to the regulations in the future, we will.

Effective Date: August 1, 2024

**This change is required.**

---

### **REVISION OF POLICY 3059: AUDIO AND VIDEO RECORDING**

This policy was updated to reflect recent decisions by federal courts that have held parents do not have the right to record special education meetings. This has become an increasing point of contention for several of our districts and we wanted the explicit prohibition to be in your recording policy.

**This change is not required but highly recommended.**

---

### **NEW POLICY 3060: FIREARMS AND WEAPONS FOR NON-STUDENTS**

See description in 5035.

**This change is required.**

---

### **REVISION TO POLICY 4011: EMPLOYEE LEAVE UNDER THE FAMILY MEDICAL LEAVE ACT (FMLA)**

We are recommending two changes to this policy. First, in the last section of the policy we are deleting the reference to the "301(c) notice." That notice is now superfluous if you use the Department of Labor forms, which we

recommend. Those are all in the 4000 series forms and include the FMLA's required notice provisions.

Second, we have revised section I(A)(2) to clarify the applicable 12-month period for FMLA leave. The FMLA allows employers to use a calendar year basis, another set 12-month period, an "anniversary of use" method, or a "rolling" 12-month period. We strongly discourage schools from using a set 12-month period, because that may result in employees having 24 weeks of leave consecutively.

Instead, we recommend that schools use the "rolling" 12-month period, or the "anniversary date" method as a second choice. Under the recommended "rolling" method, employees "earn" leave back at the rate they used it. For example, assume an employee uses 4 weeks of FMLA leave in each of October, January, and April. The following October, assume the employee needs 5 weeks of FMLA leave. The employee is only eligible to use 4 weeks of FMLA leave for that absence, so the last 2 weeks are not FMLA-covered. Our previous definition of the 12-month period was not as clear as it could have been, especially in situations where the employee uses ongoing "intermittent" leave, such as a day at a time.

If you are making this change, please check your current policy and determine which 12-month leave year option your district selected. The Department of Labor requires you give at least 60 days of notice to all employees if you are wishing to change the method. We have included this change in our staff handbook. Notice can also be given by emailing all employees an updated version of the policy.

**This change is required.**

---

#### **REVISION TO POLICY 4053: CONFLICT OF INTEREST**

LB 287 created additional conflict of interest procedures for public employees who make \$150,000 or more in combined salary and benefits. As a practical matter this probably means it only applies to administrators for the upcoming school year, but the cost of benefits and rising teacher salaries mean that some teaching staff will be affected either now or in the future.

If an employee meets the total cost qualification, they must comply with these additional requirements and report a conflict of interest of any decision or action they might take that could financially benefit or harm themselves,

a business with which the employee is associated or a member of an immediate family member.

**This policy revision is required.**

---

### **REVISION OF 5001: COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM**

LB 1029 amends section 79-201 to clarify that mandatory attendance requirements do not apply when a student's *mental or physical* illness makes attendance impossible or impracticable. The policy has been revised in one place to note this "change." We have also updated the policy by replacing the outdated use of "non-accredited" schools with "exempt" schools.

Effective Date: July 19, 2024.

**This change is required.**

Additionally, the Nebraska Department of Education has informed districts that they can allow or require students to "make-up" absences in order to improve their reported attendance/absenteeism rates. If your district has implemented or wishes to implement a procedure for students to make-up absences, you should include that information in your attendance policy. We've prepared a basic framework for one in our model policy as a placeholder.

**This change is an optional provision you may remove or revise at your discretion.**

---

### **REVISION OF POLICY 5004: OPTION ENROLLMENT**

Currently, state law provides that students may only option enroll into another district once unless one of the numerous exceptions apply. However, the Unicameral decided that what Nebraska needs is more option enrollment! LB 1329 amends the option enrollment statutes to grant students an option once during elementary school, once during middle school or junior high school, and once during high school for a total of three times. Unfortunately, LB 1329 does not define which schools contain which grades, and state law generally defines elementary grades as kindergarten

through eight and high school grades as nine through twelve. Middle school is not defined. This means you will have to define which grades are contained in which school in this policy. We have left a blank for this purpose in the definition section.

LB 1329 also changes the burden of proof in any appeal based on a capacity determination made by the school. The school district will bear the burden of proof on any appeal for any rejection based upon capacity limitations established under section 79-238.

This change is effective July 19, 2024.

**This change is required.**

---

**REVISION AND RENAMING OF POLICY 5005: OPTION  
TRANSPORTATION; COMBINED WITH 3011**

See description in 3011, above.

**This change is required.**

---

**REVISION OF POLICY 5008: PREGNANT OR PARENTING STUDENTS**

The new Title IX regulations discuss responsibilities a school has regarding a student's current, potential, or past pregnancy. Such responsibilities include informing the student of the Title IX Coordinator's contact information and making reasonable modifications based on the student's individualized needs. The school must consult with the student regarding reasonable modifications, and the student may accept or decline any of the modifications. This policy has been updated to include the new Title IX requirements.

This change is effective August 1, 2024

**This change is required.**

---

**REVISION OF POLICY 5035; POLICY 5049: FIREARMS AND WEAPONS  
MOVED TO POLICY 3060 AND 5035; POLICY 5049 WILL BE  
"INTENTIONALLY LEFT BLANK"**

The general rule is that any person who possesses a firearm in a school, on school grounds, in a school-owned vehicle, or at a school-sponsored activity or athletic event is guilty of the offense of unlawful possession of a firearm at a school (a Class IV felony). There are a variety of exceptions, and LB 1329 adds two more.

First, qualified law enforcement officers or qualified retired law enforcement officers carrying pursuant to 18 U.S.C. 926B or 926C, respectively, as such sections existed on January 1, 2023 may now carry firearms at school. The more controversial provision authorizes Class I and Class II school districts to allow employees and security personnel to possess a firearm on school grounds, at a school event, or in a school vehicle according to a written policy adopted by the school that includes, at a minimum, requirements for personal qualifications, training, appropriate firearms and ammunition, and appropriate use of force.

Given these changes and the fact that there are also mandatory firearm provisions that apply to students through state and federal law, we have decided to move the non-student portion of this policy to Policy 30XX and to move the student portion of the policy to Policy 5035 - Student Discipline. Policy 5049 will now be "Intentionally Left Blank."

The Unicameral has directed the State Board of Education, in consultation with the Nebraska State Patrol, to develop a model policy relating to the authorization of the carrying of firearms by authorized security personnel (and employees). The policy must include but need not be limited to, the appropriate number of training hours required of such security personnel. **Unlike other instances that require the State to draft a policy, there is no requirement that the school's policy follow or be limited by the State's model policy.**

*Policy 3060 currently is for all Class III school districts but only Class I and Class II school districts that have decided not to adopt a policy authorizing employees and contractors to carry firearms on school grounds. We will draft a policy that authorizes employees and contractors to carry firearms on school grounds once the State Board of Education issues its model policy. However, we have heard that ALICAP will not be providing any insurance coverage for matters related to employees or contractors carrying firearms on school property.*

Effective Date: July 19, 2024

**These changes are required.**

We have also made two other tweaks to this policy. First, we included a short paragraph at the beginning noting that all discipline decisions will be made consistent with state and federal disability laws, namely the IDEA and Section 504.

Second, we have added "deepfakes" and other AI-generated content to the list of school rules and grounds for discipline. We have taken an aggressive approach on the creation of deepfake nudes, where one student creates what appears to be a "real" nude of a classmate using one of the many apps and sites that now exist. Creation, distribution, and possession of actual nudes are criminal acts subject to discipline as a violation of state criminal law. However, it is at best unclear whether creating a deepfake nude is a crime in Nebraska at all. By modifying the policy to say the board considers deepfakes an expellable offense, we are using the board's authority to clarify expellable conduct that is "consistent with" the statutory grounds for longterm discipline that already exist. While this could be challenged by a student/parent, we want to ensure schools have options when these situations inevitably arise more often moving forward.

**These changes are not required but are highly recommended.**

---

**5052: SCHOOL WELLNESS**

We have revised the "Competitive Foods" section to comply with federal regulations as a result of suggestions made by NDE after some school audits. The change defines "Competitive Foods," when they may be sold, and some exemptions and limitations.

**This change is required.**

---

**REVISION OF POLICY 6025: STUDENT CELL PHONE OR OTHER ELECTRONIC DEVICES**

We have had an increasing number of schools reexamine their approach to student cell phone use at school in light of emerging research about the harm that cell phones pose to student mental health. Teachers are also wildly frustrated by the constant battle with students over whether and when students may have their phones, smartwatches or AirPods.

There have been many national headlines examining the success (like this [from WaPo](#)) and pushback, especially from parents (like this [from EdWeek](#)), for schools that have gone to a ban on cell phones at school or solutions like Yondr bags.

We have added a new option to Policy 6025 for districts that are interested in completely banning all electronic devices during the school day. School districts that adopt this policy option will also need to plan on some sort of PR campaign explaining the change in policy to families. In our experience, parents are as hostile to cell phone bans as students are, so school officials will have to explain the research on the detrimental impact that phones have at school. If you are interested in considering this approach, the research and anecdotal experiences of schools who implemented cell phone bans is pretty clear. It seems to work if you can get all of your students, parents, and community members over the initial hurdle of losing constant connectivity. If you would like help locating resources to share, let us know. We take great pride in talking to students, staff, and parents about digital citizenship and tech-related issues, so we've been following this trend and the litigation against social media companies closely.

**This change is optional.**

---

#### **REVISION OF POLICY 6031: EMERGENCY EXCLUSION**

Last year, LB 705 amended the processes and procedures under the Nebraska Student Discipline Act. The procedures applicable to emergency exclusion must "substantially" comply with the updated due process requirements related to long-term discipline. We've amended the procedures contained in this policy to comply with those requirements in a manner that aligns with the shortened timeframes applicable to emergency exclusion.

**This change is required.**

---

#### **6036: READING INSTRUCTION AND INTERVENTION SERVICES**

Schools are required to provide the required information relating to dyslexia to the Nebraska Department of Education on or before July 1 of each year. This requirement has been added to the policy.

The Nebraska Department of Education will provide a professional learning system. The elementary school(s) and early childhood education programs approved by the State Board of Education must ensure that teachers who teach children from four years of age through third grade are aware of the professional learning system and are adequately trained regarding evidence-based reading instruction to effectively instruct students in reading. This requirement has been added to the policy.

Effective Date: July 19, 2024.

**This change is required.**

---

### **NEW POLICY 6039: REPEAT OF GRADE AT PARENT-GUARDIAN REQUEST**

LB 71 gives parents the right to have their students repeat grade levels under certain, very specific circumstances. This policy outlines the circumstances applicable to students in grades K-4 and for students in grades 5-12. Notice that the differences between the two ages are significant.

Parents of students in grades K-4 can ask that their child be retained due to:

- Academic Needs. This criteria requires that the student be "at least one year below grade level" in reading, English, **and** language arts. That means that a student who is reading at 3rd grade, first month levels would not be entitled to repeat the 3rd grade. Notice also that there is no parental entitlement to hold a student back for deficits in any other academic area. We have explicitly noted at the end of the policy that this portion of the policy does not override a student's IEP team decision about educational placement under the special education laws.
- Excessive Absenteeism. This criteria requires that the student has been absent fifty percent or more of the school days of the prior school year. The KSB crew is puzzled that the Unicameral chose to give additional rights to parents who may very well be guilty of educational neglect, but we don't get to make the laws, we just get to try to explain them to you. Please note that this makes school district reporting of excessive absenteeism to the county attorney after 20 days of absences crucially important.

- **Illness.** The statute requires the student to have been hospitalized for two or more weeks during the prior school year in order to qualify under this criteria. Notice that the illness criteria is only available to students in grades K-4. Notice as well that in order for a K-4 st are required to provide the required information relating to dyslexia to the Nebraska Department of Education on or before July 1 of each year. This requirement has been added to the policy.

Parents of students in 5-12 can ask that their child be retained only due to excessive absenteeism.

All of the criteria in the statute are keyed to a school year, so we have set the earliest date that a parent can request a grade level retention as the last day of the school year. This draft policy proposes a two-week window in which parents can request that a student repeat a grade level, with the ability of the superintendent to make timing exceptions for good cause. We also drafted this policy to require parents to submit the initial request to the building principal so that the principal can pass along any relevant information about the situation to the superintendent.

Effective Date: July 19, 2024.

**This change is required.**

---

#### **NEW POLICY 6040: PREKINDERGARTEN (PRESCHOOL OR EARLY CHILDHOOD) PROGRAM**

LB 71 amends the early childhood statutes so that schools may now offer a prekindergarten program to:

- Children who are 3 years of age before July 31 of the enrollment year;
- Children who are 4 years of age at the start of the enrollment year; and
- Children who are 5 years of age at the start of the enrollment year, so long as they do not turn 6 years of age prior to January 1 of that year (subject to the participation limitation below).

Schools are not required to have any prekindergarten program, so the school may choose to offer such a program with any combination of the ages of children outlined above. For this reason, it is difficult, if not impossible, to

draft a one-size-fits-all policy. Please feel free to contact us if you would like to customize this policy.

Effective Date: July 19, 2024

**This change is not required but is highly recommended if you have a prekindergarten program.**

---

### **NEW POLICY 6041: MALCOLM X DAY EDUCATION**

Who doesn't love holidays?!? Thanks to LB 1102, we have another one! May 19th of each year will forever more be recognized as El-Hajj Malik El-Shabazz, Malcolm X Day, and must be set apart for holding suitable exercises in the schools of the state in recognition of the sacrifices of the late Nebraska Hall of Fame inductee El-Hajj Malik El-Shabazz, Malcolm X and his contributions to the betterment of society.

Effective Date: July 19, 2024

**This policy is required.**

---

### **NEW POLICY 6042: PROJECTION MAPS**

With the passage of LB 1329, school districts will only be allowed to use the Mercator projection map in limited situations, all of which require conjunctive use of either the Gall-Peters projection map or the AuthaGraph projection map. For example, textbooks that display the Mercator projection map are permissible as long as a Gall-Peters projection map or AuthaGraph projection map is displayed in the classroom or shown to students. To comply, school districts should replace Mercator projection maps with either Gall-Peters projection maps or AuthaGraph projection maps.

Effective Date: July 19, 2024

**This policy is required.**

## **NEW POLICY 6043: MAPPING DATA**

With the passage of LB 1329, school districts may choose to apply for grant funding to create and share mapping data (defined as maps relating to the school buildings or school property with data for an efficient emergency response to such buildings or property) with public safety agencies. If you wish to apply for a grant to create and share this information, you must pass this policy and ensure that your creation and distribution of the mapping data meet the requirements of the legislation which have been included in this policy.

**This policy is required only if you plan to apply for this grant.**

## **Form Changes (NONE...YET!)**

### **TITLE IX**

We will be releasing updated Title IX forms closer to the August 1 effective date. We think rolling out the forms in conjunction with Title IX training later this summer will be the most efficient way to provide you with updated forms and explain how to use them to make the process easier.

## **Other Issues To Consider**

### **Special Education Procedures**

We had several school districts receive corrective action plans from NDE's Office of Special Education asking them to revise their special education policies and procedures this year. After being notified of these corrective action plans, we were able to work with NDE to get the matter resolved. It is important that you upload the most current version of Policy 6010 and the most current version of the KSB Special Education Procedures when asked for your special education "policies and procedures." If your district has chosen to tweak your special education procedures, you should check with one of the KSB attorneys to be sure that NDE will accept those procedures as compliant.

### **LB 25: Political Subdivisions Tort Claims Act**

~~Political subdivisions of the State of Nebraska are not liable for the torts of its officers, agents, or employees, and cannot be sued on any tort claim except to the extent, and only to the extent, provided by the Political Subdivisions Tort Claims Act. The Act LB 25 amends the Act to allow claims involving child abuse or sexual assault of a child. Individuals will now be able to file tort claims and lawsuits against political subdivisions when the harm caused by child abuse or sexual assault of a child is a proximate result of the failure of a political subdivision or an employee of the political subdivision to exercise reasonable care to either: (i) Control a person over whom it has taken charge; or (ii) Protect a person who is in the political subdivision's care, custody, or control from harm caused by a non-employee actor.~~

~~LB 25 becomes law July 19, 2024.~~

LB 25 was vetoed by Governor Jim Pillen on April 24, 2024, because he hates other people's children even more than Steve, apparently.

### **LB 43: FIRST FREEDOM ACT**

LB 43 creates the First Freedom Act. Under the Act, "state action" may not:

- Substantially burden a person's right to the exercise of religion unless it is demonstrated that applying the burden to that person's exercise of religion in this particular instance is essential to further a compelling governmental interest and is the least restrictive means of furthering that compelling governmental interest; or
- Restrict a religious organization from operating and engaging in religious services during a state of emergency to a greater extent than the state restricts other organizations or businesses from operating during a state of emergency.

A plaintiff's potential relief includes:

- Actual damages
- Preliminary and other equitable or declaratory relief as may be appropriate; and
- Reasonable attorney's fees and other litigation costs reasonably incurred

The First Freedom Act becomes law on July 19, 2024.

### **LB 43: TRIBAL REGALIA**

LB 43 provides that any person who is a member of an indigenous tribe and is a student attending an approved or accredited public school may wear tribal regalia in any public or private location where the person is otherwise authorized to be on such school grounds or at any school function. Tribal regalia includes "traditional garments, jewelry, other adornments, or similar objects of cultural significance worn by members of an indigenous tribe of the United States or another country." The definition excludes any firearm or other dangerous weapon or any object that is otherwise prohibited by federal law (unless it complies with an appropriate federal permit).

The bill specifically states that administrators and teachers may still regulate student behavior as provided in section 79-258 or the authority of a school to regulate student behavior to further school purposes or to prevent interference with the educational process.

LB 43 authorizes schools to adopt a policy to accommodate the new law. The policy may specify the characteristics of any garment, jewelry, other adornment, or object that such school finds will endanger the safety of a student or others or interfere with school purposes or the educational process if worn by a student during a specified activity. This policy was drafted to identify such items.

This law becomes effective July 1, 2025.

### **LB 43: PUBLIC RECORDS**

LB 43 amends the public records statutes in three ways.

1. For residents (includes ***all*** news media even outside of Nebraska):
  - a. The number of "free hours" goes from 4 to 8.
  - b. You may not include "any charge for the services of an attorney or ***any other person*** to review the requested public records seeking a legal basis to withhold the public records from the public."
  - c. You may still charge for time in excess of 8 hours for searching, identifying, physically redacting, or copying
2. For nonresidents:
  - a. The actual added cost used as the basis for the calculation of a fee for records may include a charge for the proportion of the existing salary or pay obligation to the public officers or employees, including a proportional charge for the services of an

attorney to review the requested public records, for the time spent searching, identifying, physically redacting, copying, or reviewing such records

3. You may now withhold records relating to the nature, location, or function of cybersecurity.

The bill also allows public record custodians to waive or reduce any fee if it would be in the "public interest." That is, "if disclosure of the public record at issue is likely to contribute to the understanding of the operations or activities of government and is not primarily in the commercial interest of the person requesting such records."

This change becomes law on July 19, 2024.

### **LB 43: PERSONAL PRIVACY PROTECTION ACT**

The intent of the PPPA is to prohibit state and local governments from requiring any nonprofit organization from providing personal information regarding their donors and, if in possession of personal information, such agency would be prohibited from releasing it.

"Personal information" includes any list, record, register, registry, roll, roster, or other compilation of data that directly or indirectly identifies a person as a member, supporter, or volunteer of, or donor of financial or nonfinancial support to, any nonprofit organization.

"Public agencies" (including schools) cannot:

- Require any individual to provide personal information or otherwise compel the release of personal information
- Require any nonprofit organization to provide personal information or otherwise compel the release of personal information
- Publicize or otherwise publicly disclose personal information without the express permission of every individual who is identifiable from the potential release of such personal, including individuals identifiable as members, supporters, or volunteers of, or donors to, a nonprofit organization; or
- Request or require a current or prospective contractor or grantee to provide a list of nonprofit organizations to which such contractor or grantee has provided financial or nonfinancial support

There are at least 11 exceptions to the Act's prohibitions, including the Nebraska Accountability and Disclosure Act; a warrant, subpoena, or order;

litigation and court proceedings; criminal history check; and the Auditor of Public Accounts.

An aggrieved person may file a civil court action, and relief may include:

- The greater of actual damages or two thousand five hundred dollars in liquidated damages per violation; and
- Preliminary and other equitable or declaratory relief as may be appropriate.

The Act is effective July 1, 2025.

### **LB 71: PARENT AND GUARDIAN INVOLVEMENT IN EDUCATION PRACTICES**

LB 71 amends the parental involvement statutes in section 79-530 through section 79-533.

The bill places “guardians” and “educational decisionmakers” on equal footing with parents (all of whom we will refer to as “parents” for short). An educational decisionmaker is a person designated or ordered by a court to make educational decisions on behalf of a child. The bill also expands the topics that schools must address in its parental involvement policy, including:

- How the school will provide access concerning activities information; digital materials; websites or applications used for learning; training materials for teachers, administrators, and staff; procedures for the review and approval of training materials, learning materials, and activities.
- How the school will “accommodate” (rather than “handle”) requests to attend and monitor courses, assemblies, counseling sessions, and other instructional activities.
- Under what circumstances parents may ask that their children be excused from learning materials, activities, and guest speaker events.

To the extent practicable, schools must make a reasonable effort to make any learning materials, including original materials, available for inspection upon request.

The policy has always required input from parents at an annual public hearing. The bill clarifies that the public hearing must include a reasonable opportunity for public comment.

The school must adopt this new policy no later than July 1, 2025 and must make the revised policy accessible on its websites by August 1, 2025.

LB 71 gives the Commissioner of Education the authority to take "appropriate remedial action" (including accreditation action) against schools that do not comply with section 79-530 through section 79-533.

### **LB 198: VERIFICATION OF LAWFUL PRESENCE AND PARTICIPATION IN RETIREMENT SYSTEM**

This bill provided clarity for immigration status and eligibility to participate in the retirement system. With the influx of foreign employees coming to Nebraska, NPERS has added requirements for who can and can't participate. Some previously ineligible employees are now eligible, and all new employees should be evaluated in light of these changes. This law became effective March 19, 2024, so if you haven't already, be sure to assess whether any current employees are now eligible to participate in school retirement. NPERS has released a Q&A on both major provisions of LB 198 (participation and termination/resumption of employment) that you can access [here](#). They have also issued specific guidance on immigration status and eligibility that you can access [here](#).

### **LB 198: TERMINATION FROM EMPLOYMENT**

For the last several years NPERS and other education stakeholders have worked on updated rules relating to separation of employment and return to service. LB 198 builds upon changes made in 2021 regarding return to substitute service for no more than 8 days per month. In short summary, there will be more clarity and some flexibility for individuals who separate from employment but then elect to return to service if they have not elected to draw retirement or take a distribution. The [Q&A Document](#) from NPERS explains this well, though you should still assess each situation carefully and check with legal counsel and NPERS with questions.

These changes also went into effect March 19, 2024.

**LB 299: ISSUING BONDS AND HOLDING ELECTIONS UNDER THE INTERLOCAL COOPERATION ACT**

Once upon a time (until February 13, 2024), joint entities created under the Interlocal Cooperation Act by schools and ESUs were able to issue bonds without a vote of the people. LB 299 eliminates that power. Any joint entity created on or after February 13, 2024, that includes a school district or an ESU may not issue any bonds until the question of issuing the bonds is submitted to the voters within each school district or ESU that is part of the joint entity. The bond election may only be held at the statewide primary or general election. [*Query: What about joint entities created before February 13, 2024?*]

**LB 304: DISCLOSURE OF MEMBERSHIP DUES AND LOBBYING FEES**

Does anyone feel like school websites are getting a bit crowded with links to information? Well, here is another one. Schools are now required to publicly disclose the following on their websites:

- Membership dues paid annually to any association or organization, identifying each such association or organization and the dues amounts paid; and
- Fees paid to any individual lobbyist or lobbying firm other than any fees paid for lobbying services that may be included in the membership dues described above.

If you live in the Stone Age and don't have a website, the information described above must be made available upon request to any member of the public at the school's office.

This requirement is effective July 19, 2024

**LB 1284: MENSTRUAL PRODUCTS PROVIDED BY SCHOOL DISTRICTS**

Beginning in 2025-26 and subject to available appropriations, NDE must develop a pilot program to make menstrual products, including pads and tampons, available to each school district. School districts that receive free menstrual products under the law must ensure that free menstrual products, including pads and tampons, are available in school bathrooms. The Unicameral intends to appropriate up to \$250,000 for this purpose in fiscal year 2025-26. Schools may, but are not required to, adopt a policy for this

issue. KSB does not believe a policy is necessary for this matter and has not developed one. If your district would like such a policy, please contact us.

### **LB 1329: SCHOOL DISTRICT CLASSIFICATIONS**

Class I and Class II school districts are back baby! We can only assume that John Recknor is smiling down upon us! He may even be shouting, "I told you so!"

On January 1, 2025, the commissioner must reclassify any school district to the classification outlined below. The reclassification will be effective immediately.

Class I districts include any school district embracing territory having a population of **fewer than one thousand five hundred inhabitants** that maintains both elementary and high school grades under the direction of a single school board.

Class II districts include any school district embracing territory having a population of **one thousand five hundred or more but fewer than five thousand inhabitants** that maintains both elementary and high school grades under the direction of a single school board.

Class III districts have been redefined to include any school district embracing territory having a **population of five thousand or more but fewer than two hundred thousand inhabitants** that maintains both elementary and high school grades under the direction of a single school board.

And finally, Class IV districts have been redefined to include any school district embracing territory having a **population of two hundred thousand or more inhabitants with a city of the primary class within the territory of the district** that maintains both elementary and high school grades under the direction of a single school board.

### **LB 1329: COMPULSORY ATTENDANCE ISSUES**

Section 79-201 requires every person who has the legal or actual charge or control of a child who is of mandatory attendance age to ensure that the child is enrolled in and regularly attends school. LB 1329 says that the failure to comply with this requirement is a Class III misdemeanor.

Section 79-209 requires all schools to have a written policy on attendance that includes a provision stating the circumstances and number of absences or the hourly equivalent upon which the school shall render "all services" to address barriers to attendance. LB 1329 now requires that the school provide those "services" upon 20 days of absence. Additionally, if the person making the educational decisions for a student is someone other than the person who has legal or actual charge or control of the child, the collaborative plan must include an educational evaluation to determine whether any intellectual, academic, physical, or social-emotional barriers are contributing factors to the lack of attendance if that person agrees to it.

These changes are effective July 19, 2024.

### **LB 1329: HEALTH AND SAFETY MODIFICATIONS**

Section 79-10,110.02 currently allows schools to make a determination that an additional property tax levy (not to exceed three cents per one hundred dollars of taxable valuation) is necessary for a specific abatement project to address an actual or potential environmental hazard, accessibility barrier, life safety code violation, life safety hazard, or mold which exists within one or more existing school buildings or the school grounds of existing school buildings controlled by the school district. LB 1329 now adds "school safety infrastructure concern" to the list of authorized purposes. What is a "school safety infrastructure concern" you ask? Great question. The term is not defined. This change is effective July 19, 2024.

### **LB 1329: SCHOOL LUNCH DEBTS**

The federal school meal program was temporarily expanded due to the COVID-19 pandemic. Since that program expired in 2022, school lunch debts have risen across the county. As a result, many schools struggled with how to collect these debts. Some school districts decided to use debt collectors to recoup the unpaid debt. Many took offense to this activity, including 40 members of the Unicameral. Beginning July 19, 2024, schools may no longer:

- Use a debt collection agency to collect or attempt to collect, directly or indirectly, debts due or assessed to be owed for outstanding debts on a school lunch or breakfast
- Assess or collect any interest, fees, or other monetary penalties for outstanding debts on a school lunch or breakfast account of a student at such school district

Our policy that addresses the school lunch program (Policy 3012 - School Meal Program and Meal Charges) does not provide that school lunch debt will be referred to debt collectors. For this reason, there was no need for us to revise our standard policy. However, you may want to review the policy to ensure you did not amend it to allow school lunch debts to be referred to debt collection agencies. If you did, you will need to revise your policy.

### **LB 1329: REASONABLE LENGTH FOR TRAINING**

LB 1329 makes clear that the following required trainings must be of a reasonable amount or reasonable length.

- Section 79-262.01 - training for school employees on behavioral intervention, behavioral management, classroom management, and removal of a student from a classroom in schools.
- 79-2,141 - dating violence training.
- 79-2,145 - any training requirement for minimum school security training.
- 79-2,146 - behavioral and mental health training (with a focus on suicide awareness and prevention)
- 79-3105 - threat assessment training.
- 79-3602 - behavioral awareness training.
- 79-3603 - behavioral awareness point of contact training.

What's reasonable? That's your call.

### **LB 1402: ESTABLISH EDUCATION SCHOLARSHIPS AND ELIMINATE THE OPPORTUNITY SCHOLARSHIPS ACT**

Last session, the Unicameral passed LB 753, thereby creating the Opportunity Scholarship Act or "school choice." The Act established a program to provide scholarships for eligible students to attend qualified privately operated elementary and secondary schools in Nebraska. The scholarships would be funded by cash contributions made to scholarship-granting organizations.

Opponents of the Act gathered enough signatures to place a referendum on the ballot this Fall to attempt to repeal the Act. Senator Linehan, fearing defeat at the polls through the will of the people and being a potentially poor loser and a politician, introduced LB 1402. Thirty-one of her fellow senators, being of the same ilk, voted to pass the bill. This bill eliminates the Act and

creates a new system of funding private schools by cutting out the middleman. Under the new plan, the State Treasurer will establish a program to provide up to \$10 million in scholarships to eligible students to pay the costs associated with attending a qualified school.

The attempt to pass the bill with an emergency clause failed. LB 1402 will become effective July 19, 2024.

### **Other Bills and Federal Legislation of Interest**

#### **FAFSA Reminder**

Thanks to LB 705 from last year, beginning in 2024-25, each public high school student must complete and submit to the United States Department of Education a Free Application for Federal Student Aid before graduating from high school unless a parent or legal guardian, the principal or designee, or a student who is 19 or older or emancipated submits an NDE-created declination form. The principal or designee must submit compliance information to the school board and NDE.

#### **Dress Code Reminder**

Last year, the Unicameral passed LB 298, requiring schools to adopt a written dress code and groom policy on or before July 1, 2025, to be effective at the start of the 2025-26 school year. This is a reminder that NDE will develop and distribute its model dress code and grooming policy on or before December 1, 2024.

#### **Option Enrollment Reminder**

As you may recall, LB 705 (2023) made substantive changes to the option enrollment laws. One of the changes requires each school district to report to NDE specific information relating to all option applications rejected by the option school district. This information must be provided on "forms" prescribed by NDE beginning July 1, 2024, and on or before July 1 every following year. Among other information that must be reported is "(a) the number of applications rejected in each public school in such district, (b) an explanation why each application was rejected, (c) whether each application for option enrollment indicated that the student had an individualized education program under the federal [IDEA] or had been diagnosed with a disability as defined in section 79-1118.01," and (d) whether certain

information regarding priority of applicants in a learning community was provided.

We understand from informal conversations with NDE that it will be gathering this required information through a Consolidated Data Collection (CDC) in the NDE portal beginning July 1, 2024, and ending July 31, 2024. NDE plans indicated that it plans to send out a notification with details about this reporting within the next month. In the meantime, we strongly recommend that you have at least gathered the relevant data so that you can provide it in short order once you have the ability to do so via the NDE portal.

### **Pregnant Workers Fairness Act (PWFA)**

As expected, the EEOC released the final rule for the Pregnant Workers Fairness Act (PWFA) which will go into effect on June 18, 2024. School districts are considered covered entities and are subject to the provisions of the new law. Essentially, school districts will need to engage in an interactive process, very similar to the process utilized under the ADA, to determine reasonable accommodations which may be granted for conditions "related to, affected by, or arising out of pregnancy, childbirth, or a related medical condition." Similar to the FMLA, a school district employee does not have to use specific words to request an accommodation and begin the interactive process. A school district may deny a request for an accommodation if the accommodation causes an "undue hardship" which is defined as causing significant difficulty or expense. The EEOC gives a list of examples of reasonable accommodations such as: longer or more flexible breaks to eat and drink, providing a stool to sit on, changing uniform or dress code, changing a work schedule, telework, temporary suspension of one or more essential functions of the job, and leave for health care appointments. Additionally, there are a list of modifications which the EEOC has deemed to be reasonable in virtually all cases. Those accommodations include: allowing the employee to carry or keep water near and drink as needed, allowing the employee additional restroom breaks as needed, allowing the employee to sit or stand as needed, and allowing the employee eating and drinking breaks as needed. School districts should be cognizant of this new law and begin implementation in June. KSB has prepared an interactive checklist and flowchart available for purchase to assist school districts with this new law and process. If your District is interested in purchasing the materials, please send an email to [ksb@ksbschoollaw.com](mailto:ksb@ksbschoollaw.com).

FINAL NOTE: KSB is also tracking and researching several other areas of legislation at the state and federal level, including changes to the minimum salary thresholds under the FLSA, proposed COPPA regulatory changes that may impact how schools use education technology, and others. We'll have more information out on these as it develops.
