

Raymond Central Public Schools Board of Education Regular Meeting

Wednesday, December 14, 2022 at 6:00 PM Central
Raymond Central Jr-Sr High School - Mustang Room
1800 West Agnew Road
Raymond, NE 68428-9783

Present: Matt Blanchard, Brad Breitreutz, Cathy Burklund, Dr. Harriet Gould, Bill Lange, Derek Matulka. Also attending were: Lynn Johnson, Superintendent; Tony Kobza, Asst Principal/Activities Director; Steve Rose, Elementary Principal; Deb Kruse, Asst Elementary Principal; and Amanda Coufal, SpEd Director.

Call to Order and Pledge of Allegiance

President Gould called the regular meeting to order at 6:05 PM and the Pledge of Allegiance was said.

Motion to Excuse Board Member's Absence

All members were present.

Open Meeting Law

The audience was reminded that Open Meeting Laws would be followed.

Consent Agenda

Motion by Burklund, second by Lange to approve the consent agenda as presented including the November 16, 2022 regular meeting minutes; November financial statement; and monthly bills. RCV 6-0. Motion carried.

Regular Minutes of November 16, 2022

Financial Statement/Report

Monthly Bills

Correspondence/Recognition

Recognition

Retiring board member Dr. Harriet Gould was presented with a plaque in recognition of her years of service to the Raymond Central School District.

Congratulations to student Morgan Lahm, who has published a book of her poetry titled *A Soul of Gold*, which can be purchased on Amazon, and to the cover page artist Mae Masek.

Congratulations to art teacher Taylor Craig for being an award winner in the 6th Annual Skies Art Exhibition, hosted by Fusion Arts, for her beautiful ceramic vase. The international competition had artwork submitted by artists from across the world.

Correspondence from Village of Ceresco

The Board received correspondence from the Village of Ceresco indicating their passing of Resolution #2022-18 in support of the "Save Our Schools" efforts to maintain the Elementary School in Ceresco.

Public Forum

Dave Burklund addressed the Board during Public Forum speaking in support of community schools and the impact the communities would have if they were to lose them.

Reports

Administrative Reports

Submitted by Scott Shepard, Jr-Sr High School Principal

Student Engagement - This month during our late start, the teachers that have been going through the Discovery Ed training for the past 1½ years led our staff through several lessons they used to show how to engage students in the learning process. These lessons are hands-on and tied to standards to help the students make connections. Teachers are also entering their curriculum into common forms that will allow us to expand engaging activities moving forward.

Community Engagement - During this time of year, many school families have needs. Our various student groups have participated in collecting and delivering food items and meals to families in need. We provided 15 Thanksgiving meals and we are providing at least 12 meals at Christmas. Special thanks to Tasha for organizing these events.

Activities - The Winter Season continues as our teams prepare for the holiday tourneys. Our annual grades 6-12 Winter Band and Choir Concert will take place December 13.

Go Stangs!

Submitted by Tony Kobza, Asst Jr-Sr High School Principal/Athletic Director

AD Newsletter - We began a weekly newsletter laying out the upcoming events as well as the successes from the previous week.

Athletic Fall Season - Football awards:

All-Area 1st Team - Isaak Fredrickson and Kyle Peterson

All-District 1st Team - Isaak Fredrickson, Kyle Peterson, Mason Kreikemeier, Tyson Malousek and Carson Tice, Honorable Mention - Rylan Stover, Jude Burton, Colby Den Hartog, Dawson Potter

Activities - FFA qualified multiple to the State Competition in April including the district championship in Parliamentary Procedures; One Act placed 4th in a very competitive district; and Speech has been successful as they continue to have multiple placers in each of their events.

Athletic Winter Season - Wrestling started off the season by winning the Lakeview Invite as well as our own Dual Tournament. Sophia Schultz placed 1st at Lakeview in the newly formed Girls Wrestling Program. Girls basketball won their opening game of the season and are currently 2-1 going into the Saturday game vs Syracuse. Boys basketball won their first game over Wilber-Clatonia and are currently 1-2 going into the Saturday game vs Syracuse.

Drug Testing - We continue to randomly test students every other week. More students have been added to our pool as we enter the Winter Seasons.

East of Building Tree Clearing - We have established plans to clear out the trees and grade an area of land that is just East of the football practice field. We are hoping to clear and grade this land to potentially allow more practice space for softball and baseball which would keep our students on campus for after school practices. We are scheduled to have the trees, including stumps removed in January.

Submitted by Steve Rose, Elementary Principal and Deb Kruse, Assistant Elementary Principal

- Targeted Professional Development - This is structured to attend to increasing our capacity of reaching our Campus Improvement Goal of 80% Reading Proficiency.
 - **Continued...** Steve and Deb are conducting multiple walkthroughs weekly in teacher classrooms to determine district and individual teacher needs. Through those walkthroughs we have identified a need for staff instruction on the following:
 - **Continued...** Staff Meetings every 3 weeks to discuss
 - 10 Big Ideas / Checks for Understanding with 100% active participation
 - Based on Explicit Instruction: Anita L. Archer
 - PD #5 was delivered around [Big Ideas #7 and #8](#)
 - These 2 ideas are centered around making sure that responses are monitored for accuracy to adjust instruction and students receive specific affirmative, corrective, and informative feedback on their responses.
- [Science of Reading](#)
 - **Continued...** Caryn from the ESU is aiding in the evaluation and selection of these materials with her knowledge of what we need and what other schools in this process have already chosen. We hope to have the curricular materials decided on by the first of the year.
 - **Continued...** We have received copies of three different sets of reading materials. The staff will be working on evaluating these materials in relation to information that we have been learning in our in-services with ESU2. These are the three:
 - Amplify [CKLA](#)
 - [EL](#)
 - [Wit & Wisdom / Geodes](#)
 - We met on December 7 as a staff to discuss our priorities in relation to ELA instruction and held discussions based on what we observed in each of the curricular materials that we are reviewing.
 - Teachers will meet on December 13 to continue this process with Monica and Caryn to further our understanding of how these curricular resources are a match for what we need to accomplish at Raymond Central.
- School News

- December 6 was the [Winter Elementary Concert](#) for K-2 choirs and 5th Grade band. Ms. Spale put together a wonderful program and the gymnasium was packed with parents, grandparents, and friends.
- Steve and Deb attended the Nebraska State Principals Conference on Wednesday and Thursday, December 7-8. The sessions we attended were informative and affirmative that we are working on the right components and guiding our staff in the right directions. We attended sessions dealing with MTSS, Finding your Why, and curriculum implementation processes.

Submitted by Amanda Coufal, Director of Special Education

504's on SRS:

- Tasha Osten and Caitlin Roussan worked diligently to enroll all students on a 504 in the SRS system. Our district's 504s are now all housed in one place just like our IEP records and can be transferred from one school to the next if they are an SRS school. This will be a beneficial tool for our district and will streamline our process from elementary to high school.

Indicator 8 Parent Survey Data Collection Plan:

- I have submitted the parent survey data collection plan on the NDE portal on how RC will disseminate special education parent surveys. The methods proposed are: using Bright Arrow to send the survey link; mail survey links with student's progress reports; share at parent-teacher conferences; and have the case manager's communicate with their student's parents along with reminders to complete the survey either through email, phone calls, and/or during IEP meetings.
- Last year, the parent response rate was 51.3%. This year, we will be aiming for 65% or higher on parent participation.

Waiver Request Sent to NDE:

The Justification for Exception to the 1.0 Percent Threshold was completed and sent on Monday. This projection is for students that participate in the NSCAS-Alternate Assessment. Due to the small overall population of the Raymond Central student body, it is anticipated that the students that participate in the alternate assessment will exceed the 1% threshold. We have six students in grades 3-8th and 11th grade that will take the NSCAS-AA. That puts us at 1.53%.

Student Board Member

Submitted by Madison Parham, Student Body President

Last meeting I highlighted how the Student Council was working to find ways to create more student involvement and inclusiveness. The Student Council as a whole has been working with Ms. Johnson, Mr. Shepard, Mr. Kobza, and the Student Council sponsor Ms. Starner to compile a survey to understand students' interests and desires. While this survey has not been finalized, some examples of questions that have been proposed to insert into this survey for the student body to respond to are "What do you like most about Raymond Central?", "What are some areas we could improve in?", "Do you have a staff member or peer that you could talk to if you were struggling?", and "Overall, do you feel that RC education is setting you up for success and preparing you for your future?" The results of

this survey will be presented to you school board members at the next meeting.

As we wind down into Christmas Break, students are gearing up for finals and some students have finals this week if they are in dual credit classes or online college classes. Right now the American Government class, which is taken by seniors, has been learning about how bills are proposed and move through Congress. One of the activities we are currently participating in as part of grasping an understanding of how laws are made is by creating our own bills that get voted on by one Government class, and if it passes it will be proposed to the other Government class for a vote. These bills are constructed based on changes we would like to see at Raymond Central from different categories of academics, extra curricular activities, policies, the Government classroom, and the community. Some mock bills that students have proposed include making changes to the grading policy, eliminating first period tardies, and having a designated Senior Night for those who participate in One Act. If these mock bills get passed in both Government classes, then they will move to the next step to reach to Mr. Shepard and then eventually the School Board. This activity has proven to be considered fun for us seniors as it is a way for us to share our opinions and let our voices be heard.

Overall, students have been counting down the days until Christmas break and it has been expressed that the part of Christmas break that they're looking forward to the most is being able to sleep in.

Superintendent's Report

NASB Monthly Update

Update on Superintendent Goals

Goal 1: Develop a visible presence within the schools, the school community, and the state.

Goal 2: Foster a learning environment in which every student has the maximum opportunity to achieve academic excellence.

Goal 3: Continue the development of a 10 year facilities strategic plan for implementation that addresses maintenance and improvements for existing building assets and new construction.

Goal 4: Continue the development of safety and security practices for Raymond Central Public Schools.

Safety Report

Jaxn has been working with Kidwell to get a quote for keyless remote entry to all of our buildings. This was a suggestion from our engineers as well as from our security audits. He has obtained a quote for about \$125,000 to get this in place at all three buildings. We will be discussing this in more detail with the Facilities Committee and making decisions on how to proceed.

We are planning our second meeting over the holiday break with the Lancaster County Sheriff to discuss reunification and other safety items.

We are participating in the LB 630 pilot project **supported by the Nebraska State Department of Education (NDE)** that the University of Nebraska at Lincoln is executing. The objective of this study is to evaluate the impacts of commercial air filters in classrooms on (1) indoor air quality, and (2) student academic and behavioral outcomes across the state of Nebraska. The target grade levels are grades 3rd through 8th. The study involves primarily elementary classrooms that conduct most of the teaching activities in their home classrooms. Last week the research team installed either commercial air filters or a placebo device in these classrooms (at no cost to you) in our 3-5 classrooms at both Valparaiso and Ceresco. The air filter/placebo device and IAQ loggers will remain in the classrooms for the remaining academic year.

Calendar Clarification

Next Wednesday, December 21 will be a regular dismissal per the calendar that was approved as part of the handbooks in June and was published. There will be no early dismissal due to the extra days off before the holiday.

Preschool Curriculum

Preschool teachers Ms. Larkins and Ms. Kemnitz, ESU#2 Early Childhood Coordinator Karen Vontz, and ESU#2 Early Childhood Consultant Erin Gangwish met to review and discuss curriculum implementation at the PK3 and PK4 levels. The curriculum is designed to serve 4 year olds on a five day schedule. Therefore, it needs to be adjusted to fit our 4 year old, two-day a week program and then modified again to meet the needs of the 3 year olds. The team is working on articulated alignment across both levels.

Absenteeism Due to Cold and Flu

Last week ended with lower rates of absenteeism due to the cold and flu. On Friday, our elementaries were at 10% and 9% and our Jr-Sr High was at 10%. Earlier last week our Jr-Sr got slightly above 13% absenteeism. Prior to the Thanksgiving break our elementaries, particularly Valparaiso, had higher incidences of absenteeism due to a variety of illnesses including Influenza A, COVID, strep throat, and others. On the day before break we had one building hovering at a 40% absence rate. The public health department indicates that we can expect high rates of illnesses this season as we continue to rebound from COVID effects so we will continue to monitor. Local agencies have control over when it is prudent to shut down classrooms or buildings. Nurse Amanda and I will consider factors such as rates, types of illnesses, and staffing when making these decisions.

Report on New Member Workshop

Mary Benes and I attended the New Board Member workshop in LaVista on December 13. Some items that I took away for the Board for future consideration include:

Consult with legal counsel to assist in reviewing our policy regarding public participation through public forum.

NASB recommends that all board members participate in the Oath of Office and review Code of Ethics policy 8272 during our organizational meeting in January.

We discussed board committee's and shared information on how districts organized their committee work. It brought to mind a question about whether or not it would benefit us to combine some committees and/or have established committee meetings prior to board meetings? Possibly combine: Curriculum and Americanism, Facilities and Transportation, Finance and Negotiation, just thinking.

It was noted that we need to be intentional/careful in the language we use in labeling meetings. Advisory Committees require a need to follow the open meetings act, while Board Committees in general do not require following the open meetings law.

Important Upcoming Dates:

December 21: Last Day of School for 1st Semeste

January 3: Teacher Inservice / Work Day

January 4: Student Day

Facilities Report

Jared was finally able to pick up the new pickup that we ordered over a year ago and it looks really nice. He also got a bed protector for the vehicle.

The grant that was being advertised for a 90/10 split from the power company for installation of a charging unit for electric vehicles will be slightly altered in January. The owner organization has to make the charging unit available to the general public in order to qualify for the grant. After speaking with the grant manager about the complexities of that scenario, it doesn't seem like a good fit for us at this time. We still have the \$20,000 grant from the federal government, but we will not be exploring the grant from Nebraska power company.

Moser Drilling - They are set up on the southeast portion of our property to do a drill. Our preliminary plan is to do around five test drills. On Monday they drilled their first hole and were encouraged to hit sandstone at 123' and we plan to go ahead and case that hole. They were able to get a gauge on that hole today. It measured at about 100 gpm. With a 4" pump they estimate a result of about 50 gpm and with a 6" pump, probably 70-75 gpm. They recommended another drill in the same area as it is more cost efficient to tie together pumps in proximity. According to Allen Moser, there was sandstone found along the driveway as well the last time we drilled.

Review of Technology Plan

Infrastructure

- New servers at the JH/HS installed and working on migrating data.
- Ordered new servers for Val and Ceresco as the servers were old and needing replaced as well as critical vulnerabilities in the chipset of the server at Val.

Technology Projects

- Working on Building a 7 year plan for all technology rotations and system implementations.
- New website data migrated. Working on cleaning up links and weeding out old/unneeded documents.
- Working on getting an e-rate request for purchase out in the next few weeks. This project will upgrade the network infrastructure for Val and Ceresco. This hardware can move if a central site is built.
- New backup infrastructure in place and working. Need to get a secure off site location to house monthly backups.
- Rolling out two factor authentication to staff accounts.

Issues/Concerns

Working on securing our network and meeting the requirements for cyber insurance.

Still waiting for our servers to be built to start that project.

Going to start a vulnerability scan from the Department of Homeland Security. This is a free service.

Need to get a centralized logging system in place.

Need to start working on an Incident Response plan.

Need to get an internal vulnerability scan.

We have come so far on the security side of things since July. We are ahead of the majority of schools when it comes to cyber security and that is something to be proud of. Our next big hurdle to get over will be changing the mindset of staff to be more security conscious. We are waiting to get cyber security training that the state has purchased for all schools. This will help staff understand the major role they play in keeping our school and networks secure and safe.

Review Public Forum Presentation(s) - Consider, discuss, and take all necessary action

Old Business

New Business

Discuss, Consider and Take Necessary Action to Approve Substitute(s)

Motion by Breitkreutz, second by Burklund to approve Paige Maly as a substitute teacher. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary Action to Approve Student Teacher(s)

Motion by Matulka, second by Lange to approve Dawna Miller as a student teacher who will be working with Kendra Carlson in Kindergarten and Nicole Kliment in SpEd. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary Action to approve the support staff salary schedule for 2023-24.

Support staff salary schedule for 2023-24 was tabled until next month.

Discuss, Consider and Take Necessary Action to approve the Annual Audit as presented

Motion by Matulka, second by Lange to accept the Annual Audit as presented. RCV 6-0. Motion carried.

Approval of Next Regular Board Meeting

Motion by Burklund, second by Breitreutz to approve the next Regular Board Meeting on Wednesday, January 11, 2023. RCV 6-0. Motion carried.

Adjournment

Motion by Breitreutz, second by Matulka to adjourn the meeting at 7:09 PM. RCV 6-0. Motion carried.

Raymond Central Public Schools Board of Education Regular Meeting

Wednesday, November 16, 2022 at 6:00 PM Central
Raymond Central Jr-Sr High School - Mustang Room
1800 West Agnew Road
Raymond, NE 68428-9783

Present: Matt Blanchard, Brad Breitreutz, Cathy Burklund, Dr. Harriet Gould, Bill Lange, Derek Matulka. Also attending were: Lynn Johnson, Superintendent; Scott Shepard, Jr-Sr High School Principal; Tony Kobza, Asst Principal/Activities Director; Steve Rose, Elementary Principal; Deb Kruse, Asst Elementary Principal; and Amanda Coufal, SpEd Director.

Call to Order and Pledge of Allegiance

President Gould called the regular meeting to order at 6:00 PM and the Pledge of Allegiance was said.

Motion to Excuse Board Member's Absence

All members were present.

Open Meeting Law

The audience was reminded that Open Meeting Laws would be followed.

Consent Agenda

Motion by Breitreutz, second by Lange to approve the consent agenda as presented including the October 12, 2022 regular meeting minutes; October financial statement; and monthly bills. RCV 6-0. Motion carried.

Regular Minutes of October 12, 2022

Financial Statement/Report

Monthly Bills

Correspondence/Recognition

A huge thank you to Scott Shepard, for being the creator and organizer and all of the staff, students and patrons who helped to make the Veterans Day Program a huge success. There was assistance from the office staff, the custodial staff, the Culinary Class, the choir and band, the Blue Crew, all of the teachers and all of the students. We had approximately 63 Veterans attend the program. The students were so well behaved and they contributed in so many ways to make the day extra special.

Congratulations to Lori Morgan who applied for and received the ESUCC GEER Robotics Grant which will realize 12 Cue Robots for the STEM classroom.

Congratulations to resource officer Brian Piitz who has completed his ALICE training and will now be able to provide our staff active shooter defense training.

Public Forum

Tammy Sharping addressed the Board during Public Forum with concerns about the facility planning, unanswered questions and responsibilities to the taxpayers of the district.

Reports

Update from BVH on facility master plans

BVH architect, Cleve Reeves, reviewed slides presented at the October 17 Patron Committee Meeting. The Board has identified that more time for further study, feedback and discussion is necessary which means putting the Master Planning timeline on hold. BVH will work with Hausmann Construction to refine cost estimates. We plan to drill 3-4 test holes in an effort to answer questions about how much water would be available at a central site.

Administrative Reports

Submitted by Scott Shepard, Jr-Sr High School Principal

Student Engagement - This month during our late start, we took our staff through the Naviance Career Finder module. It is the same module we have all students go through along with the other programs in Naviance that will hopefully help them as they consider future careers and opportunities. Tasha continues to do a great job leading this initiative as staff will be expected to engage students in career conversations. Tony then led the staff through a curriculum mapping activity that will bring consistency to all classes by the end of the year. Lastly, we talked about questioning and engagement. Tony and I are looking for student engagement as we are completing observations.

Community Engagement - The Veterans Day Program was a success! It was awesome to have all K-12 students attend. We posted artwork from our elementary students and they all did the pledge and sang a song for the Vets. We had over 60 veterans in attendance for the program in which Dave Heineman did a great job educating our students and honoring the Vets. Our band and choirs sounded great! We used the new video boards for a special message from one of our graduates serving overseas. Thanks for your support of the program. We hope to grow it even larger next year!

Data - Our 6th-8th graders completed their fall NSCAS testing and will be tested again in the spring. 9th and 10th graders took the MAP test. This is an opportunity for us to see where our students are currently and then measure growth in the spring. I will report out data in future reports.

Events - The Winter Season fired up last week with our first jr. high boys basketball game. High School practices start this week and the One-Act play will perform this Friday on our stage at 7:30 pm.

Go Stangs!

Submitted by Tony Kobza, Asst Jr-Sr High School Principal/Athletic Director

Athletic Fall Season - Fall Seasons have wrapped up. We had a softball player, Cam Simmons, receive All-Conference Honorable Mention. Volleyball had a 2nd team All-Conference player in Quincy Cotter and Honorable Mention for Taylor Oldfield. Football awards are still being finalized.

Activities - Our FFA students represented us well at FFA Nationals and we had a team qualify for the State Land Judging Competition held in Scottsbluff. Speech and Quiz Bowl have begun their competitions with varying levels of success. Our public One Act performance is Friday, November 18. We also held our first Band and Choir Concert with some amazing performances by our students.

Athletic Winter Season - The winter sport season started on Monday, November 14. Girls and boys basketball have begun as well as wrestling. This year is our first year that we will be offering girls wrestling. We are looking forward to growing that program! Our Jr-High boys have begun their basketball season and our high School basketball and wrestling teams will begin playing games the week of November 28th.

Concussion Protocol - This week we will be establishing baseline testing for our winter athletes through our new Sway App. I believe we will benefit greatly from having a baseline test to help us better evaluate students as they recover from possible concussions.

Drug Testing - We are continuing to randomly test students every other week. So far, each test has been a negative result, which we are happy to see. More students have been added to our pool as we enter the winter seasons.

The **LED ScoreVision** scoreboards have been installed and look AMAZING! We were able to host

our first public event for Veterans Day. On the boards we were able to have the American Flag waving throughout the program. We also showed a video of a graduate of Raymond Central who is serving overseas. We look forward to expanding on the functionality of the boards. A huge thank you to the families that donated and the businesses that have purchased advertising space on the boards to fully fund the cost.

Submitted by Steve Rose, Elementary Principal and Deb Kruse, Assistant Elementary Principal

- Targeted Professional Development - This is structured to attend to increasing our capacity of reaching our Campus Improvement Goal of 80% Reading Proficiency.
 - **Continued...** Steve and Deb are conducting multiple walkthroughs weekly in teacher classrooms to determine district and individual teacher needs. Through those walkthroughs we have identified a need for staff instruction on the following:
 - **Continued...** Staff Meetings every 3 weeks to discuss
 - 10 Big Ideas / Checks for Understanding with 100% active participation
 - Based on Explicit Instruction: Anita L. Archer
 - PD #3 and PD #4
 - #3 was delivered around [Big Idea #2](#) and Big Idea #9. These 2 ideas are centered around making sure that responses are used to check for understanding of an objective and that they are replanned and connected to the purpose for learning.
 - #4 was delivered to tie everything that we've been doing back to our School Improvement Goal and give teachers the opportunity to share via "carousel" what they have learned so far and how the application of our PD has impacted instruction in their classrooms. We also used this opportunity to share some data that amplifies the needs that we have laid out for our professional development this year. We also shared our data related to our goal of increasing 100% Active Participation to show the shift that we have seen in our walkthroughs.
- [Science of Reading](#)
 - **Continued...** During these last sessions we are starting to develop the understanding of what we need to implement to bolster instruction in the areas of Word Recognition that will lead to the advancement of Reading Comprehension. We are in the process of evaluating materials that will be used to replace the outdated and non-instructionally sound Wonders Reading Program that we have used for the last several years.
 - Caryn Zietlow from the ESU is aiding in the evaluation and selection of these materials with her knowledge of what we need and what other schools in this process have already chosen. We hope to have the curricular materials decided on by the first of the year.
 - We have received copies of three different sets of reading materials. The staff will be working on evaluating these materials in relation to information that we have been learning during our inservices with ESU2. These are the three:
 - Amplify [CKLA](#)
 - [EL](#)
 - [Wit & Wisdom / Geodes](#)
 - Monica Blank with Caryn Zietlow are working on developing the grouping and evaluation process that we will start during our late start on December 7.
- School News
 - Lori Morgan applied and was approved for the ESUCC GEER Robotics Grant and will be receiving 12 [Cue Robots](#) to enhance her STEM / Computer instruction at the Elementary Level.

- Lori also has created and submitted a grant application for the Region II Classroom Grant which will award her materials to use in the STEM Classroom if awarded up to \$400 worth of supplies.
- Steve attended the Project Lead the Way (PLTW) Summit in Orlando from 10/27-10/30. The summit provided information about the next phase of the EIR Grant that we might be implementing at Raymond Central. We went to learn about the program as well as discuss and network with other schools that are similar to us about how this might be implemented effectively in our current setting. There was a lot of great information received but also more questions that will need to be answered from our Grant managers at the ESU before we move forward with this process.

Submitted by Amanda Coufal, Director of Special Education

504's on SRS: The SRS Advisory board approved the launch of changes to SRS, including the 504 roll out, on November 1. This information was shared with our district's 504 coordinators. This feature will allow all 504 plans to be housed in one place just like our IEP records and can be transferred from one school to the next if they are an SRS school. Our 504 coordinators have begun the process to transfer 504 plans into the SRS system but this will take some time. This will be a beneficial tool for our district.

Special Education Law Conference: Caitlin Roussan and myself attended the Tri-State Regional Special Education Law Conference in Omaha on November 3-4. We will be sharing what we learned with the special education staff. Some of the topics that we attended were:

- What's Been Happening in Special Education Law
- Lessons from Recent State Complaints & Due Process Hearing Decisions
- Writing a Legally Defensible Transition-Focused IEP
- Child Find, Rewind: The Ways You're Behind
- Least Restrictive Environment: Using Data and Legal Requirements to Drive Improvement
- Setting Ambitious, Gap-Closing, IEP Goals
- The Requirement to Conduct FBAs and to Develop and Implement BIPs
- Meaningful Parent Participation
- Discipline Dilemmas
- FAPE: Where are We in 2022

Paraeducator Conference: Matt Smith, Kristen Lovell, Ashley Matulka, and myself attend the 33rd Annual Nebraska Paraeducator Conference in Kearney on November 8. This is a great opportunity for our paraeducators to be recognized, appreciated, and gain valuable knowledge that they can take back to their respective schools. This is always a great opportunity for our paraeducators. Some of the topics that we attended were:

- Paras Make It Possible
- Be Informed, Confident, and Empowered
- Augmentative & Alternative Communication Assistive Technology Paraeducator Bootcamp
- Beyond the Flashcards: How Children Learn to Read
- Behavior is Communication
- Para (Legal) Update: What Every Paraeducator Should Know About the Law
- Building Relationships for Meaningful Learning National School Psychology Week:

The week of November 7-11, we celebrated our awesome School Psychologist. Caitlin Roussan is a vital member of our district. Not only does she bring expertise in the area of school psychology, but she is always looking for ways to improve our school district. She leads our SPS elementary school team meetings, is the 504 coordinator in our elementary schools, and runs our SAT meetings. She also works 1:1 with many students to help them process their emotions. She does a great job explaining testing results to parents, and provides strategies for teachers to try in their classrooms. Raymond Central School District is lucky to have Caitlin as our school psychologist.

Student Board Member

Submitted by Madison Parham, Student Body President

There have been a few eventful things that occurred over the past month. This past Friday, we celebrated Veterans Day with a very honorable and memorable Veterans Day Program here at the high school. In past years, student involvement within the Veterans Day program was very minimal. This year though, students had the opportunity to have a high amount of involvement within the program. To add to that, the entire student body as a whole was very engaged and attentive throughout the full duration of the program. A portion of the National Honor Society and Student Council members spent part of their afternoon at both elementaries assisting with Grandparents Day that Friday as well. I was one of the students who participated in this and I really enjoyed it because I was able to interact with kids whose grandparents didn't attend and engage in activities with them.

The Student Council has just put two fundraisers in action. The Decal Fundraiser just began this week, which will end on November 22. There is also a Toy Drive beginning to give toys to families in need so that children can have presents for Christmas. The Salvation Army, which oversees the drive also stated that they are in dire need of children's hats and gloves, which can also be brought in with toy donations. All donations can be brought here to the high school up until December 15. On top of that, the Student Council has also established a new set of rules in regards to our attendance policy and action that would be taken following getting in trouble in class, suspensions, trouble with the law, etc. The Student Council is also looking into new ways to create more student involvement within the school by trying to collect ideas and collaborate with other students.

Superintendent's Report

Status on Used Bus - We have a couple of vendors looking for a low-mileage used bus on our behalf. With the electric bus grant in hand, we can afford to delay the acquisition and more of the desired features in a used bus.

Demographic Information on Student Residences - On the school website under the link for 'Facility Master Planning' there are two maps of the district. One map captures K-5 resident student locations and the other map captures K-12 resident student locations.

NASB Monthly Update

Update on Superintendent Goals

Goal 1: Develop a visible presence within the schools, the school community, and the state.

Goal 2: Foster a learning environment in which every student has the maximum opportunity to achieve academic excellence.

Goal 3: Continue the development of a 10 year facilities strategic plan for implementation that addresses maintenance and improvements for existing building assets and new construction.

Goal 4: Continue the development of safety and security practices for Raymond Central Public Schools.

Safety Report

Toby Tortilla did a work safety audit at Valparaiso and Ceresco schools. He identified recommended action items and he also identified less timely items to add to our list to consider. He identified broken concrete on the south side of Ceresco elementary as being a trip hazard. Jared has contacted a contractor for these repairs. Also identified was creating a barrier to minimize the gravel that gets out of the playground area and onto sidewalks at Ceresco.

Jaxn Kobza is working with a couple of different vendors to get ideas and preliminary quotes on the cost of adding remote door access to our campuses.

Important Upcoming Dates:

Facilities Report

Review of Technology Plan

Submitted by Jaxn Kobza, Technology Director
Infrastructure

- Working on getting an idea of what we have in our network and creating a solid inventory of what we have.

Technology Projects

- Working on Building a 7 year plan for all technology rotations and system implementations.
- Getting the new website migrated and ready to go. Should be ready to be operational mid January.

Concerns

- Working on securing our network and meeting the requirements for cyber insurance.
- Still waiting for our servers to be built to start that project.

Board Committee Reports

Committee on American Civics (Breitkreutz-chair, Burklund, Matulka)

Transportation Committee (Breitkreutz-chair, Lange, Matulka)

Finance Committee (Blanchard-chair, Breitkreutz, Burklund)

Facilities Committee (Blanchard-chair, Burklund, Matulka)

Negotiations Committee (Blanchard-chair, Gould, Lange)

Curriculum Committee (Gould-chair, Burklund, Lange)

Policy Committee (Gould-chair, Lange, Matulka)

Review Public Forum Presentation(s) - Consider, discuss, and take all necessary action

Old Business

New Business

Discuss, Consider and Take Necessary Action to Approve an early graduation request

Item tabled at this time.

Discuss, Consider and Take Necessary Action to Approve staff hires

Motion by Matulka, second by Burklund to approve the hire of Jessica Knopp as HS SpEd Paraeducator. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary Action to Approve Staff Resignations

Motion by Burklund, second by Breitreutz to approve staff resignations of Miranda Basel, HS SpEd Paraeducator and Ronda Masek, HS SpEd Paraeducator. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary Action to Approve Substitute(s)

Motion by Matulka, second by Lange to approve Breanna Chase, Erin Schwager and Ali Shull as substitute teachers. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary Action to approve student teachers

Motion by Burklund, second by Lange to approve student teachers: Breanna Chase will be working with Rebecca Parks in Family and Consumer Science; Peyton Dubbert will be working with Celia Newman and Greg Wilmes in Mathematics; and Erin Schwager will be working with Jill Huck and Jenna Winfrey in English. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary Action to approve the purchase of a 2024 electric bus funded through a grant rebate

Raymond Central was chosen as a recipient of \$395,000.00 for the EPA 2022 Clean School Bus Grant. Motion by Matulka, second by Breitreutz to approve the purchase of a 2024 Thomas Electric Bus using grant funds. RCV 6-0. Motion carried.

Discuss, Consider and Take Necessary action to approve snow removal bids

Motion by Lange, second by Breitreutz to approve snow removal bids from Proven Property Maintenance LLC at Ceresco Elementary for \$270.00 per event; and from Haxton Excavating and Grading LLC at Valparaiso Elementary for \$350.00 per event. RCV 5-Yes, 1-No (Matulka). Motion carried.

Discuss, Consider and Take Necessary Action to approve the superintendent's evaluation

Motion by Lange, second by Matulka to approve the Superintendent's evaluation as presented. RCV 6-0. Motion carried.

Approval of Next Regular Board Meeting

Motion by Blanchard, second by Burklund to approve the next Regular Board Meeting on Wednesday, December 14, 2022. RCV 6-0. Motion carried.

Adjournment

Motion by Matulka, second by Breitreutz to adjourn the meeting at 7:30 PM. RCV 6-0. Motion carried.

RE: Resolution 2022-18

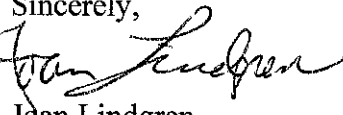

Dear Mrs. Johnson and School Board,

At the October 18, 2022 Board meeting, the Ceresco Board of Trustees discussed concerns for the future of Ceresco, if the Ceresco Elementary school were to close. A motion was made and unanimously passed for the Village of Ceresco to support the "Save Our Schools" to maintain the school in the Village.

At the November 15, 2022 Board meeting, the Ceresco Board of Trustees unanimously passed Resolution 2022-18, which is enclosed.

Please add Resolution 2022-18 to your next meeting agenda to be shared and recorded in the minutes.

Sincerely,

Jean Lindgren
Clerk/Treasurer

Enclosure: Resolution 2022-18

RESOLUTION # 2022-18

WHEREAS, it is the intent of the Board of Trustees of the Village of Ceresco, Nebraska, to hereby promote and support the "Save Our Schools" efforts to maintain the Elementary School in the Village of Ceresco, Saunders County, Nebraska:

The Board of Trustees of the Village of Ceresco, Nebraska finds as follows:

Section 1. Maintaining the Elementary School in Ceresco would benefit the Village by:

- Maintaining the economic well-being of the Village
- Maintaining population and expanding growth
- Promoting employment
- Attracting businesses
- Maintaining property values
- Maintaining the economic base of the Village

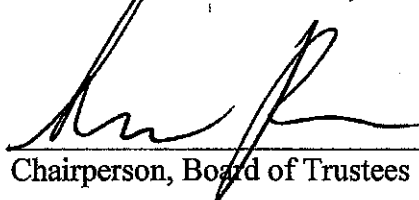

Section 2. Removing the Elementary School will have a negative impact on the Village by:

- Changing the zest of civic life
- Removing the Village's identity
- Striking at the heart of the Village
- Having a negative impact on businesses
- Having an adverse effect on the Village's senior citizens, as well as, the youth in the Village

NOW THEREFORE, the Board of Trustees of the Village of Ceresco, Nebraska hereby adopts Resolution 2022-18.

Introduced and passed this 15 day of November, 2022.

VILLAGE OF CERESCO, NEBRASKA,

Chairperson, Board of Trustees

ATTEST:

Village Clerk

Scott Shepard, 6-12 Principal
December Board Report

Student Engagement

This month during our late start, our teachers that have been going through the Discovery Ed training for the past year and a half led our staff through several lessons they used to show how to engage students in the learning process. These lessons are hands-on and tied to standards to help the students make connections. Teachers are also entering their curriculum into common forms that will allow us to expand engaging activities moving forward.

Community Engagement

During this time of year, many school families have needs. Our various student groups have participated in collecting and delivering food items and meals to families in need. 15 Thanksgiving meals were provided and we are providing at least 12 meals at Christmas. Special thanks to Tasha for organizing these events.

Activities

The Winter Season continues as our teams prepare for the holiday tourneys at Weeping Water on the 29th and 30th. Our annual 6-12 Winter Band and Choir concert will take place Tuesday night in the high school gym at 6:30 pm.

Go Stangs!
Scott Shepard

December Board Report
Mrs. Amanda Coufal
Special Education Director

504's on SRS:

- Tasha Osten and Caitlin Roussan worked diligently to enroll all students on a 504 in the SRS system. Our district's 504s are now all housed in one place just like our IEP records and can be transferred from one school to the next if they are an SRS school. This will be a beneficial tool for our district and will streamline our process from elementary to high school.

Indicator 8 Parent Survey Data Collection Plan:

- I have submitted the parent survey data collection plan on the NDE portal on how RC will disseminate special education parent surveys. The methods proposed are: using Bright Arrow to send the survey link; mail survey links with student's progress reports; share at parent-teacher conferences; and have the case manager's communicate with their student's parents along with reminders to complete the survey either through email, phone calls, and/or during IEP meetings.
- Last year, the parent response rate was 51.3%. This year, we will be aiming for 65% or higher on parent participation.

Waiver Request Sent to NDE:

- The Justification for Exception to the 1.0 Percent Threshold was completed and sent on Monday. This projection is for students that participate in the NSCAS-Alternate Assessment. Due to the small overall population of the Raymond Central student body, it is anticipated that the students that participate in the alternate assessment will exceed the 1% threshold. We have six students in grades 3-8th and 11th grade that will take the NSCAS-AA. That puts us at 1.53%.

December Board Report
Mr. Steve Rose
Principal | Elementary

Mrs. Deb Kruse
Assistant Principal | Elementary

Topics

- Targeted Professional Development - This is structured to attend to increasing our capacity of reaching our Campus Improvement Goal of 80% Reading Proficiency.
 - **Continued...** Steve and Deb are conducting multiple walkthroughs weekly in teachers classrooms to determine district and individual teacher needs. Through those walkthroughs we have identified a need for staff instruction on the following:
 - **Continued...** Staff Meetings every 3 weeks to discuss
 - 10 Big Ideas / Checks for Understanding with 100% active participation
 - Based on Explicit Instruction: Anita L. Archer
 - PD #5 was delivered around Big Ideas #7 and #8
 - These 2 ideas are centered around making sure that responses are monitored for accuracy to adjust instruction and students receive specific affirmative, corrective, and informative feedback on their responses.
 - **Continued...** Caryn from the ESU is aiding in the evaluation and selection of these materials with her knowledge of what we need and what other schools in this process have already chosen. We hope to have the curricular materials decided on by the first of the year.
 - **Continued...** We have received copies of three different sets of reading materials. The staff will be working on evaluating these materials in relation to information that we have been learning in our in-services with ESU2. These are the three:
 - Amplify CKLA
 - EL
 - Wit & Wisdom / Geodes
 - We met on December 7th as a staff to discuss our priorities in relation to ELA instruction and held discussions based on what we observed in each of the curricular materials that we are reviewing
 - Teachers will meet on December 13th to continue this process with Monica and Caryn to further our understanding of how these curricular resources are a match for what we need to accomplish at Raymond Central
- School News
 - December 6th was the Winter Elementary Concert for K-2 choirs and 5th Grade band. Ms. Spale put together a wonderful program and the gymnasium was packed with parents, grandparents, and friends.
 - Steve and Deb attended the Nebraska State Principals Conference on Wednesday and Thursday, December 7-8. The sessions we attended were informative and affirmative that we are working on the right components and guiding our staff in the right directions. We attended sessions dealing with MTSS, Finding your Why, and curriculum implementation processes.

November AD Board Report
Mr. Tony Kobza
Assistant Principal/AD

AD Newsletter

We began a weekly newsletter laying out the upcoming events as well as the successes from the previous week. Please take a look at them below with more in depth information:

[11/28/22](#)

[12/4/22](#)

Athletic Fall Season

Football awards:

All-Area 1st Team - Isaak Fredrickson and Kyle Peterson

All- District 1st Team - Isaak Fredrickson, Kyle Peterson, Mason Kreikemeier, Tyson Malousek and Carson Tice, Honorable Mention - Rylan Stover, Jude Burton, Colby Den Hartog, Dawson Potter

Activities

FFA - Qualified multiple to the State Competition in April including the district championship in Parliamentary Procedures

One Act placed 4th in a very competitive district

Speech has been successful as they continue to have multiple placers in each of their events.

Athletic Winter Season

Wrestling started off the season by winning the Lakeview Invite as well as our own Dual Tournament. Sophia Schultz placed 1st at Lakeview in the newly formed Girls Wrestling Program.

Girls basketball won their opening game of the season and are currently 2-1 going into the Saturday game vs Syracuse.

Boys basketball won their first game over Wilber-Clatonia and are currently 1-2 going into the Saturday game vs Syracuse.

Drug Testing

We are continuing to randomly test students every other week. More students have been added to our pool as we enter the Winter Seasons.

East of Building Tree Clearing

We have established plans to clear out the trees and grade an area of land that is just East of the football practice field. We are hoping to clear and grade this land to potentially allow more practice space for softball and baseball which would keep our students on campus for after school practices. We are scheduled to have the trees, including stumps removed in January as well as

Good evening Board members, last meeting I highlighted how the Student Council was working to find ways to create more student involvement and inclusiveness. The Student Council as a whole has been working with Ms. Johnson, Mr. Shepard, Mr. Kobza, and the Student Council sponsor Ms. Starner to compile a survey to understand students' interests and desires. While this survey has not been finalized, some examples of questions that have been proposed to insert into this survey for the student body to respond to are "What do you like most about Raymond Central?", "What are some areas we could improve in?", "Do you have a staff member or peer that you could talk to if you were struggling?", and "Overall, do you feel that RC education is setting you up for success and preparing you for your future?" The results of this survey will be presented to you school board members at the next meeting.

As we wind down into Christmas Break, students are gearing up for finals and some students have finals this week if they are in dual credit classes or online college classes. Right now the American Government class, which is taken by seniors, have been learning about how bills are proposed and move through Congress. One of the activities we are currently participating in as part of grasping an understanding of how laws are made is by creating our own bills that get voted on by one Government class, and if it passes it will be proposed to the other Government class for a vote. These bills are constructed based on changes we would like to see at Raymond Central from different categories of academics, extra curricular activities, policies, the Government classroom, and the community. Some mock bills that students have proposed include making changes to the grading policy, eliminating first period tardies, and having a designated Senior Night for those who participate in One Act. If these mock bills get passed in both Government classes, then they will move to the next step to reach to Mr. Shepard

and then eventually the School Board. This activity has proven to be considered fun for us seniors as it is a way for us to share our opinions and let our voices be heard.

Overall, students have been counting down the days until Christmas break and it has been expressed that the part of Christmas break that they're looking forward to the most is being able to sleep in.

December Board Report
Mr. Jaxn Kobza
Technology Director

Infrastructure

- New servers at the JH/HS installed and working on migrating data.
- Ordered new servers for Val and Cer as the servers that were old and needing replaced as well as critical vulnerabilities in the chipset of the server at Val.

Technology Projects

- Working on Building a 7 year plan for all technology rotations and system implementations.
- New website data migrated. Just working on cleaning up links and weeding out old/unneeded documents.
- Working on getting an e-rate request for purchase out in the next few weeks. This project will upgrade the network infrastructure for Val and Cer. This hardware can move if a central site is built.
- New backup infrastructure in place and working. Need to get a secure off site location to house monthly backups.
- Rolling out two factor authentication to staff accounts.

Issues/Concerns

- Working on securing our network and meeting the requirements for cyber insurance.
- Still waiting for our servers to be built to start that project.
- Going to start a vulnerability scan from the Department of Homeland Security. This is a free service.
- Need to get a centralized logging system in place.
- Need to start working on an Incident Response plan.
- Need to get an internal vulnerability scan.

We have come so far on the security side of things since July. We are ahead of a majority of schools when it comes to cyber security and that is something to be proud of. Our next big hurdle to get over will be changing the mindset of staff to be more security conscious. We are waiting to get cyber security training that the state has purchased for all schools. This will help staff understand the major role they play in keeping our school and networks secure and safe.

INDEPENDENT AUDITORS' REPORT

Board of Education
Lancaster County School District No. 161
Raymond Central Public Schools
Raymond, Nebraska

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying modified cash basis financial statements of the governmental activities and each major fund of Lancaster County School District No. 161, Raymond Central Public Schools ("School District"), as of and for the year ended August 31, 2022, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities and each major fund of the School District, as of August 31, 2022, and the respective changes in modified cash basis financial position for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School District and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the School District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the budgetary comparison schedules and the schedule of receipts, disbursements, and change in net position but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2022, on our consideration of the School District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School District's internal control over financial reporting and compliance.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES:

a) Overview:

The significant accounting principles and practices followed by Lancaster County School District No. 161, Raymond Central Public Schools ("School District") are presented below to assist the reader in evaluating the financial statements and the accompanying notes. The financial statements presented represent all funds maintained by school authorities, incident to school building construction, and the operation, maintenance and management of school services, activities, projects and investments.

The Government Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

The more significant of the School District's accounting policies are described below.

b) Reporting Entity:

The School District is a governmental entity established under and governed by the laws of the State of Nebraska and the Nebraska Department of Education. As a political subdivision of the State, the School District is a tax-exempt entity and a class III school district of the State of Nebraska.

The School District's Board of Education ("Board") is the basic level of government. It has financial accountability and control over all activities related to the public-school education in the School District. The School District receives funding from local, state and federal government sources and must comply with the requirements of these funding source entities. However, the Board is not included in any other governmental "reporting entity" as defined in the Codification of Governmental Accounting and Financial Reporting Standards, since Board members are elected by the public and have decision-making authority, the power to designate management, the authority to levy taxes, the ability to significantly influence operations and primary accountability for fiscal matters.

The accompanying financial statements present the activities of the School District. The GASB has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and 1) the ability of the School District to impose its will on that organization, or 2) the potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the School District.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, continued:

b) Reporting Entity, continued:

The School District has the following related organizations not considered to have a significant operational or financial relationship:

Raymond Central Athletic Boosters - raise money to be used in support of the athletic programs.

Raymond Central Education Foundation - raise money to be used in support of various needs of the School District.

c) Basis of Accounting:

The School District prepares its financial statements on the modified cash basis, which is in conformity with the accounting practices prescribed or permitted by the State of Nebraska Department of Education. These statements represent a summary of the cash activity of the various funds of the School District, adjusted for modifications described below, and do not include certain transactions that would be included if the School District prepared its financial statements in accordance with generally accepted accounting principles, as applicable to governmental units.

Under the modified cash basis, revenues are recognized when collected rather than when earned, and expenses are recognized when paid rather than when incurred. Only cash (and cash equivalents) and items that involve the receipt or disbursement of cash (or equivalents) during the year are recognized, except for the following modifications:

Assets that normally convert to cash or cash equivalents (i.e. certificates of deposit) that arise from transactions and events involving cash or cash equivalents are recognized, and

Taxes and other revenues collected by the county treasurers are included in revenues of the District in the year collected by the counties and the District funds held by the county treasurers at year end are included as assets for the District. This is in accordance with the requirements of the State of Nebraska Department of Education.

As a result of the use of this modified cash basis of accounting, certain transactions are not recorded in the financial statements. For example, accounts receivable and revenue for billed services that have not been collected in cash are not accrued as revenue or receivables. Additionally, capital assets, such as property, equipment, and infrastructure, are not reported and long-term liabilities, such as debt and compensated absences, are not reported.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, continued:

d) Government-wide and Fund Financial Statements:

The government-wide financial statements report information on all nonfiduciary activities of the primary government. They include all funds of the School District except for fiduciary funds. Governmental activities are generally supported by taxes and intergovernmental receipts.

The statement of activities demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general receipts.

Fund financial statements are provided for governmental funds, proprietary funds when applicable, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. A fund is considered major if it is the primary operating fund of the School District (General); meets specific criteria set forth by GASB, total assets, liabilities, receipts or disbursements are at least 10% of the total for all funds of that type and at least 5% of the corresponding element for all governmental and proprietary funds combined; or is designated as a major fund by the School District's management.

The following fund types are used by the School District:

1) Governmental Fund Types:

a) Major Funds:

- 1) General Fund - The General Fund is the general operating fund of the School District and accounts for all receipts and disbursements of the School District not encompassed within other funds. All property tax receipts and other receipts that are not allocated by law, budgetary requirement, or contractual agreement to some other fund are accounted for in this fund. General operating expenditures and the new replacement capital outlay costs that are not paid through other funds are paid from the General Fund.

RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, continued:

d) Government-wide and Fund Financial Statements, continued:

1) Governmental Fund Types, continued:

a) Major Funds, continued:

- 2) Depreciation Fund - The Depreciation Fund was established in order to specifically reserve money for the eventual acquisition of costly capital outlay purchases by reserving such monies from the General Fund. The School District accounts for the allocation of funds from the General Fund to this fund as an expense in the General Fund and as an incoming transfer in the Depreciation Fund. This fund may consist of more than one account for valid allocation purposes. The purpose of a Depreciation Fund is to spread replacement costs of capital outlays over a period of years in order to avoid a disproportionate tax effect in a single year to meet such an expense. This fund is restricted as part of the Allowable Reserve by the Tax Equity and Educational Opportunities Support Act. The Depreciation Fund is considered a component of the General Fund.
- 3) Employee Benefit Fund - The Employee Benefit Fund is established in order to specifically reserve General Fund money for the benefit of School District employees (unemployment compensation, early retirement, health insurance deductibles, etc.). To allocate monies from the General Fund, the School District will show the movement of monies as an expense from the General Fund, and the Employee Benefit Fund will show the revenue as a receipt from the General Fund. The cash reserve of this fund is restricted as part of the Allowable Reserve by the Tax Equity and Educational Opportunities Support Act. The Employee Benefit Fund is considered a component of the General Fund.
- 4) Activities Fund - The Activities Fund is used to account for the financial operations of quasi-independent student organizations, interschool athletics, and other self-supporting or partially self-supporting school activities, not part of another fund.
- 5) School Nutrition Fund - The School Nutrition Fund accounts for all receipts and disbursements of all child nutrition programs. Receipts in this fund include the federal and state program cost reimbursements received by the School District and general fund support of the lunch program. All food purchases and other supplies are accounted for as expenses of the school lunch fund; accordingly, no

5) School Nutrition Fund, continued:

inventories are maintained in this fund. If a deficit is incurred in the operation, the deficiency shall be covered by funds transferred from the General Fund.

6) Bond Fund - The Bond Fund is established for the accumulation of funds to retire the general obligation bonds at maturity or when called and to pay interest on those bonds.

7) Building Fund - The Building Fund is established for acquiring or improving sites and buildings, including the construction, alteration, or improvements of buildings. The sale of bonds, the sale of property, or tax receipts will be the primary sources of revenue for the Building Fund. The Board may approve a budget with a levy limitation of 14.0 cents per one hundred dollars of valuation; or a tax levy not to exceed 17.5 cents per one hundred dollars of valuation may be established for this fund by a vote of the people within the School District.

8) Qualified Capital Purpose Undertaking Fund (QCP) - The QCP Fund may be established for the removal of environmental hazards, the reduction or elimination of accessibility barriers in school district buildings, the repayment of qualified zone academy bonds (or qualified school construction bonds) issued for a qualified capital purpose under 92 NAC 87, modifications for life safety code violations, indoor air quality projects, and mold abatement and prevention projects. General fund expenditures for the purpose of this fund are not allowable. The tax levy for this fund is limited to \$0.052 per hundred dollars of valuation. The legislature has allowed the Build America Bonds to be accounted for under this fund as well.

9) Student Fee Fund - The Student Fee Fund is a separate activity fund, into which all monies collected from students pursuant to the Public Elementary and Secondary Student Fee Authorization Act for participation in extracurricular activities shall be deposited and from which money shall be expended for the purposes for which it was collected.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

1. SIGNIFICANT ACCOUNTING POLICIES, continued:

e) Capital Assets:

In accordance with the modified cash basis of accounting, expenditures for capital assets are charged to expense when paid. No asset is recorded and no allowance for depreciation is provided or included in the accompanying financial statements.

f) Compensated Absences:

Vacation and sick leave are recorded when paid. Full-time classified staff members are allowed three personal days per year, which do not accrue. They also receive between one and three weeks of paid vacation, depending upon length of employment. Vacation must be used in the year it is received. If it is not used, it is lost. Full-time classified staff are also allowed ten days per year for sick leave, which can accrue up to a maximum of 50 days. When employees reach/exceed the maximum accumulated sick leave, they are paid for the excess at \$25/day. Part-time staff members are allowed five sick days per year. No payment is made to staff members for unused sick leave upon resignation, retirement or termination.

g) Restricted Net Assets:

In the government-wide financial statements, net assets are reported as restricted when constraints placed on net asset use are either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or are imposed by law through constitutional provisions or enabling legislation.

h) Fund Equity:

In the governmental fund financial statements, fund balances are classified as follows:

Nonspendable - Amounts that cannot be spent, either because they are not in spendable form (such as inventory) or because they are legally or contractually required to remain intact. The School District has no nonspendable amounts.

Restricted - Amounts that can be spent only for specific purposes because of state or federal laws, or externally imposed conditions by grantors or creditors.

Committed - Amounts that can be spent only for specific purposes because of a formal action by the government's highest level of decision-making authority, as well as contractual obligations. The school district's highest level of decision-making authority is the Board of Education, which could establish, modify, and/or rescind a commitment by passing a motion to do so.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

1. **SIGNIFICANT ACCOUNTING POLICIES, continued:**

h) Fund Equity, continued:

Assigned - Amounts intended to be used for specific purposes but that do not meet the criteria to be classified as restricted or committed. Intent can be stipulated by the governing body, another body (such as the finance committee), or by an official to whom authority has been given.

Unassigned - All amounts not included in other spendable classifications.

When an expenditure is incurred that can be paid using either restricted or unrestricted resources, the School District's policy is generally to first apply the expenditure toward restricted fund balance and then to other, less restrictive classifications - committed, assigned, and then unassigned fund balances.

2. **BUDGET PROCESS AND PROPERTY TAXES:**

The School District is required by state law to adopt annual budgets for the General Fund, Depreciation Fund, Employee Benefit Fund, Activities Fund, School Nutrition Fund, Special Building Fund, and Student Fees Fund. Each budget is presented on the cash basis of accounting, which is consistent with the requirements of the Nebraska Budget Act.

State statutes of the Nebraska Budget Act provide the prescribed budget practices and procedures that governing bodies are required to follow. The amounts that may be budgeted for certain specific funds are subject to various expenditures and/or tax levy limitations.

The following procedures are followed in establishing the budgetary data reflected in the financial statements:

- a) Prior to August 1, the administration of the School District prepares a proposed operating budget for the fiscal year commencing the following September 1. The operating budget includes proposed expenditures and the means of financing them.
- b) Public hearings are conducted at a public meeting to obtain taxpayer comments.
- c) Prior to the budget filing date, the budget is legally adopted by the Board through passage of a resolution.
- d) Total expenditures may not legally exceed the total budget of expenditures. Appropriations lapse at year end and any revisions require a public hearing and Board approval.
- e) The property tax requirement resulting from the budget process is utilized to establish the tax levy in accordance with state

2. BUDGET PROCESS AND PROPERTY TAXES, continued:

statutes, which attaches as an enforceable lien on property within the School District as of January 1. Taxes are due as of that date. One-half of the real estate taxes due January 1 became delinquent after the following May 1, with the second one-half becoming delinquent after September 1.

The total combined valuation of Butler County, Lancaster County, Saunders County and Seward County property for levy-setting purposes for the School District in 2020 was \$765,411,269 which led to a tax levy for the 2020-2021 fiscal year of \$8,661,680, or \$1.131637 per \$100 of assessed valuation. The total combined valuation of property for levy-setting purposes in 2021 was \$812,207,756. This led to a tax levy for the 2021-2022 fiscal year of 9,187,579, or \$1.131183 per \$100 of assessed valuation.

3. CASH AND INVESTMENTS:

Nebraska Statute Section 79-1043 provides that school districts may, by and with the consent of the Board of Education of the school district, invest the funds of the school district in securities, including repurchase agreements, the nature of which individuals of prudence, discretion and intelligence acquire or retain in dealing with the property of another.

At August 31, 2022, the School District had bank deposits of \$ 9,053,109, all of which were covered by federal depository insurance (FDIC) and/or collateralized by U.S. Government securities and municipal obligations subject to joint custody safe keeping receipts issued by the custodial financial institution, which was not the pledging institution.

4. NON CASH TRANSACTION:

The District receives USDA Federal Food Commodities that are passed through the State Department of Health & Human Services Food Distribution Program. The Department provides the District with various food items during the school year to be incorporated into the District's nutrition program. For the year ending August 31, 2022, the value of commodities received by the District was \$34,402.

5. RISK MANAGEMENT:

The School District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the year, the School District carried commercial insurance for general liability, public officials' liability, property coverage, workers' compensation coverage, commercial excess liability coverage, crime, and blanket bond coverage. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

6. AMOUNTS DUE FROM COUNTY TREASURER:

The amounts presented as due from County Treasurer are held by the Butler, Lancaster, Saunders and Seward County Treasurers. The counties bill and collect the local property taxes as agents for the School District and generally remit the funds to the School District monthly.

7. PENSION PLAN:

a) Plan Description:

The School District contributes to the Nebraska School Employees Retirement System, a cost-sharing multiple-employer defined benefit pension plan administered by the Nebraska Public Employees Retirement System (NPERS). NPERS provides retirement and disability benefits to plan members and beneficiaries. The School Employees Retirement Act establishes benefit provisions.

b) Contributions:

The State's contribution is based on an annual actuarial valuation. In addition, the State contributes an amount equal to two percent of the compensation of all members. This contribution is considered a non-employer contribution since school employees are not employees of the State. The employee contribution was equal to 9.78 percent from July 1, 2019 through August 31, 2022. The School District (employer) contribution is 101 percent of the employee contribution.

The School District's contributions to NPERS were \$532,826, \$501,424 and \$499,923 for the years ended August 31, 2022, 2021 and 2020 respectively, which were equal to the required contributions for each year.

c) Pension Liabilities:

At the measurement date, June 30, 2021, the District had excess funding of \$2,813,911 for its proportionate share of net pension liability. (This excess funding is not recorded in the accompanying modified cash basis financial statements.) The negative net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The NPERS School Plan was 109.93% funded as of June 30, 2021 based on actuarial calculations comparing total pension liability to the plan fiduciary net position. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined. At June 30, 2021, the District's proportion was 0.198680 percent. For the year ended June 30, 2021 (the most recent measurement date), the District's allocated pension income was \$805,604.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

7. PENSION PLAN, continued:

d) Actuarial Assumptions:

The total pension liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Price inflation	2.65%
Wage inflation	3.15%
Salary increases, including wage inflation	3.15-13.15%
Cost-of-living adjustment	
Members hired before July 1, 2013	2.15%
Members hired on or after July 1, 2013	1.00%
Long-term rate of return, net of investment expense, including price inflation	7.30%
Member bond index rate	2.13%
Single equivalent interest rate, net of investment expense, including price inflation	7.30%

e) Discount Rate:

The discount rates used to measure the total pension liability at June 30, 2021 and 2020 were 7.30% and 7.50%, respectively. The discount rate is reviewed as part of the actuarial experience study. The actuarial experience study is reviewed by the NPERS Board, which must vote to change the discount rate.

The following presents the District's proportionate share of the net pension liability calculated using the discount rate of 7.30%, as well as what the District's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1.00% lower (6.30%) or 1.00% higher (8.30%) than the current rate of 7.30%.

1.00% decrease	6.30%	\$1,147,747
Current discount rate	7.30%	(2,813,911)
1.00% increase	8.30%	(6,067,893)

f) Plan Fiduciary Net Position:

Detailed information about the Plan's fiduciary net position is available in the separately issued Nebraska Public Employees Retirement Systems Plan financial report. NPERS issues a publicly available financial report that includes financial statements and required supplementary information for NPERS. That report may be obtained by writing the NPERS, P.O. Box 94816, Lincoln, Nebraska 68509-4816 or by calling 1-800-245-5712 or via the internet at <http://www.auditors.nebraska.gov/APA Reports>.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

8. NEW ACCOUNTING PRONOUNCEMENT:

In June 2017, the GASB issued GASB 87, *Leases*. The implementation of the Statement was delayed due to COVID, and became effective for periods beginning after June 15, 2021. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. Because the District reports their financial statements on the modified cash basis, right of use assets and related lease liabilities are not reflected in these financial statements.

9. LEASE COMMITMENTS:

a) The School District entered into a lease/purchase of classroom computers on June 18, 2019 from Ameritas Investment Corporation. Lease payments of \$12,057 are due on June 15th and December 15th to Jones Bank. The future lease payments are due as follows:

Year Ending	Required
<u>August 31,</u>	<u>Payment</u>
2023	\$ <u>24,114</u>

b) The School District entered into a lease/purchase of an HVAC unit on June 1, 2020 from First National Capital Market Inc. Lease payments are due annually and interest is paid semi-annually. Future lease payments are due as follows:

Year Ending		Principal	Interest	Required
<u>August 31,</u>		<u>Principal</u>	<u>Interest</u>	<u>Payment</u>
2023	\$	200,000	19,425	219,425
2024		205,000	15,725	220,725
2025		210,000	11,933	221,933
2026		215,000	8,048	223,048
2027		220,000	4,070	224,070
Total	\$	<u>1,050,000</u>	<u>59,201</u>	<u>1,109,201</u>

c) The School District entered into a lease/purchase of Classroom Computers on June 1, 2022 from Providence Capital Network, LLC. Lease payments and interest are paid annually. Future lease payments are due as follows:

Year Ending		Principal	Interest	Required
<u>August 31,</u>		<u>Principal</u>	<u>Interest</u>	<u>Payment</u>
2023	\$	33,375	4,304	37,679
2024		34,832	2,217	37,049
Total	\$	<u>68,207</u>	<u>6,521</u>	<u>74,728</u>

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

10. BONDS PAYABLE:

On the face of the government-wide financial statements, long-term liabilities related to bonded indebtedness are omitted, consistent with the modified cash basis of accounting. Bond proceeds are recorded as revenues and bond payments are recorded as expenditures in the Statement of Activities in the year in which the cash is received or paid. The School District was obligated under bond issues at August 31, 2022 as follows:

General Obligation Refunding Bonds, Series 2020, issued by the School District on May 14, 2020 in the amount of \$2,290,000. The bonds have varying maturity amounts due December 15 each year. Interest on the bonds is variable ranging from 1.40% to 2.10% payable semi-annually on June 15 and December 15 each year. The bond matures December 15, 2030. The bond is secured by the general revenues of the School District. \$ 2,290,000

General Obligation Refunding Bonds, Series 2020, issued by the School District on January 22, 2020 in the amount of \$2,995,000. The bonds have varying maturity amounts due December 15 each year. Interest on the bonds is variable ranging from 1.50% to 2.05% payable semi-annually on June 15 and December 15 each year. The bond matures December 15, 2029. The bond is secured by the general revenues of the School District. 2,995,000
\$ 5,285,000

The maturities of the governmental long-term debt are as follows:

Year Ending		<u>Principal</u>	<u>Interest</u>	<u>Total</u>
<u>August 31</u>				
2023	\$	575,000	96,598	671,598
2024		590,000	86,350	676,350
2025		590,000	77,588	667,588
2026		610,000	58,524	668,524
2027		625,000	48,211	673,211
2028-2031		<u>2,210,000</u>	<u>77,460</u>	<u>2,287,460</u>
Total	\$	<u>5,200,000</u>	<u>444,734</u>	<u>5,644,734</u>

11. OTHER COMMITMENTS:

In relation to a facilities improvement project, the District entered into a contract with BVH Group, Inc, an architectural firm, for design and construction administration services. The cost of "Phase One" of the project, which involved providing various design options, was \$15,000. The costs associated with "Phase Two" of the project have not yet been determined. At August 31, 2022, the \$15,000 had not yet been paid.

LANCASTER COUNTY SCHOOL DISTRICT NO. 161
RAYMOND CENTRAL PUBLIC SCHOOLS
RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

11. OTHER COMMITMENTS, continued:

In relation to the facilities improvement project, the District entered into a contract with First National Capital Marketing for municipal advisory services. The initial engagement fee was \$15,000 and was paid prior to August 31, 2022. Thereafter, the District has agreed to pay a certain percentage of any potential bond offering to the Municipal Advisor, ranging from 0.50% to 0.70% of the par value of the bond.

During the year ended August 31, 2022, the District entered into an agreement with Rasmussen Mechanical for \$69,029 to install a new HVAC system. As of August 31, 2022, a balance of \$51,029 remained outstanding.

12. FUND BALANCES:

a) General Fund:

A portion of the General Fund's fund balance has been committed for various projects, as described above, including:

Lease Commitments - Classroom Computers	\$ 61,793
Total committed	\$ <u>61,793</u>

The remaining fund balance is unassigned.

b) Special Building Fund:

A portion of the Special Building Fund's fund balance has been committed for various projects, as described above, including:

Lease Commitments - HVAC System (FNCM)	\$ 219,425
Other commitments - HVAC system (Rasmussen)	51,029
Other commitments - Architecture/Design	<u>15,000</u>
Total committed	\$ <u>285,454</u>

The remaining fund balance has been assigned by Board action to be used for renovation and construction projects.

c) Bond Fund:

The fund balance of \$686,047 consists of county tax collections restricted by state statute for the retirement of general obligation bonds.

d) QCPUF Fund:

The QCPUF Fund balance is "restricted" to be used for capital purchases.

RAYMOND, NEBRASKA
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022

12. FUND BALANCES, continued:

e) Student Fees Fund:

The Student Fees Fund balance is "restricted" to be used for the specific purpose for which the funds were intended when submitted to the District.

f) Other funds:

The depreciation fund, school nutrition fund, employee benefit fund, and activity fund have fund balances which are "assigned" through Board action for be used for the purpose to which the fund is intended.

13. INTERFUND TRANSFERS:

Interfund transfers from one fund to another where repayment is not expected are reported as transfers in and out. Transfers for the year ended August 31, 2022 were as follows:

<u>Fund</u>	<u>Transfers In</u>	<u>Transfers Out</u>
General fund	\$ -	475,000
Depreciation fund	300,000	-
Employee benefits fund	100,000	-
Activities	<u>75,000</u>	<u>-</u>
Total	\$ <u>475,000</u>	<u>475,000</u>

14. CONTINGENCIES:

The District receives funds under federal grant programs, which are subject to audit by various agencies which may impose sanctions in the event of non-compliance. Management believes they are in compliance.

15. PRIOR PERIOD ADJUSTMENT:

The beginning Net Position of the Governmental Activities and the beginning Fund Balance of the Employee Benefits Fund on the Statement of Receipts, Disbursements and Changes in Fund Balances - Governmental Funds were adjusted in order to correct an understatement in the prior year report. The prior year cash was understated by \$37,160. The beginning Net Position/Fund Balance was adjusted to accurately reflect the beginning amount.

16. DATE OF MANAGEMENT EVALUATION:

Management has evaluated subsequent events through November 5, 2022, the date on which the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Education
Lancaster County School District No. 161
Raymond Central Public Schools
Raymond, Nebraska

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities and each major fund of Lancaster County School District No. 161, Raymond Central Public Schools (the School District), as of and for the year ended August 31, 2022, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements and have issued our report thereon, dated November 5, 2022. Our report disclosed that, as described in Note 1 to the financial statements, the School District prepares its financial statements on the modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the School District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a deficiency in internal control, described in the accompanying schedule of findings and responses as item 2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

School District's Response to Findings

Government Auditing Standards require the auditor to perform limited procedures on the School District's response to the finding identified in our audit and described in the accompanying schedule of findings and responses. The School District's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

RAYMOND CENTRAL SCHOOL DISTRICT NO. 161
RAYMOND, NEBRASKA
SCHEDULE OF FINDINGS AND RESPONSES
FOR THE YEAR ENDED AUGUST 31, 2022

Significant Deficiencies in Internal Control

FINDING 2022-001: SEGREGATION OF DUTIES

Due to a limited number of personnel, there is not adequate segregation of duties to ensure internal control over cash receipt, disbursements, and recording of transactions. According to best practices, the School District should assign different people the responsibilities of authorizing and recording transactions and controlling assets to reduce the opportunity of any person to be in a position to perpetrate and conceal errors or fraud in the normal course of his or her duties. The size of the School District's accounting and administrative staff precludes certain internal controls that would be preferred if the office staff were large enough to provide optimum segregation of duties.

Response: Management is aware of the above finding, but believes the cost of hiring additional employees outweighs any benefit it would receive due to limited resources of the District. The District feels it has mitigating controls in place to reduce the risks associated with the organizational structure, including the approval process for all expenditures, which involves the School Board.
