An added special effect, cold spark, is a safe-to-use spark machine that emits a cold-to-the touch fountain of sparks, which are not subject to catching fire. This device does not feature any pyrotechnics, but instead offers a safe-for-indoors, simulated pyrotechnic experience. They produce no odor and very little to no smoke. The effect generates a small amount of dust around the fixture, which the factor 110 team will vacuum after the event.

This Agreement for Services ("Agreement") by and between factor 110, LLC, an Oklahoma limited liability company ("DMC"), and Independent School District No. 29 of Cleveland County, Oklahoma, a/k/a Norman Public Schools ("Client"), each individually a "Party" and collectively the "Parties", is made effective as of this 3rd day of March 2023 (the "Effective Date"). In consideration of mutual promises and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Responsibilities.** Subject to the terms and conditions set forth in this Agreement, DMC shall provide the services specified in this contract and subsequent amendments, addendums, change orders, or schedules of services signed by the Parties (hereinafter referred to as "Event Services") and incorporated in this Agreement by this reference.
2. **Relationship of the Parties.** Nothing herein shall be construed to create a joint venture or partnership between the Parties or an employer/employee or agency relationship. DMC shall be an independent contractor pursuant to this Agreement. Neither Party hereto shall have any express or implied right or authority to assume or create any obligations on behalf of or in the name of the other Party or to bind the other Party to any contract, agreement, or undertaking with any third party.
3. **Amendment and Modifications.** Subsequent to the Effective Date of this Agreement, it may be necessary to make certain modifications to the Agreement or Event Services then in effect. In such cases, this Agreement may be amended, modified, or supplemented by an Amendment, Addendum, Change Order, or Schedule of Services signed by the authorized representatives of both Parties. Notwithstanding the foregoing, the Parties agree that once the Event Services have commenced, it may not be possible or reasonable to address Client requested modifications to the Event Services with a written Amendment or Addendum. In such cases, the Parties agree that modifications may be agreed through email exchanges, text exchanges, or verbally and such email, text or verbal modifications shall be binding upon both Parties as if an Addendum or Amendment was executed pursuant to the terms of this Agreement.
4. **Payment.** Total estimated fees for the Event Services are provided hereto in Attachment A. Any additional Event Services fees incurred at the request of the Client shall be outlined in subsequent Addendums in accordance with the terms of this Agreement.
 - a. **Payment Schedule**

A nonrefundable initial payment of \$10,000.00 USD is due on March 31, 2023.
An additional non-refundable payment of \$9,117.21 USD is due on April 14, 2023.
 - b. **Payment Terms.** The final balance represents the total fees for Event Services from Attachment A, including amounts for any Event Services to be determined post-program (such as fees based on consumption), and any subsequent Amendments or Addendums agreed upon by the Parties.

All payments of undisputed charges are due on the later of: (i) the date indicated herein, or (ii) within ten (10) business days from Client receipt of an invoice. Should Client dispute any charges on the invoice, Client shall notify DMC in writing within five (5) business days and the Parties shall work to resolve such disputed charges promptly and any resolved charges shall be included in a new invoice to Client which Client shall pay DMC within five (5) business days of its receipt of the new invoice.

In the event any payment(s) for undisputed charges are not received by the date due, even if a signed Agreement has been received, DMC reserves the right, upon Notice to Client, to cancel any and all Event Services and terminate this Agreement. With the exception of the final balance, funds must be received in DMC accounts one (1) business day prior to delivery of Event Services (event setup or delivery).

- c. **Method of Payment.** Payment is to be made in U.S. currency by ACH, wire transfer, cash, or check. The price final total included in this contract reflects a five percent (5%) cash discount for payment made by ACH, wire transfer, cash or check. If payment is not made by ACH, wire transfer, cash, or check, this discount shall be rescinded and the final invoice will reflect the total due without the applied discount.
- d. **Past Due.** Client shall pay interest on all undisputed balances past due at the rate of 6% per month, calculated daily and compounded monthly. Further, Client shall be responsible for all costs and fees (including attorney's fees) associated with DMC's efforts to collect any past due amounts from Client.

- e. **Final Counts.** Unless otherwise noted, a final count of the number of guests or rental items (the "Final Count") is due on all Event Services ten (10) calendar days prior to operation of Event Services. If this Final Count is less than the minimum count upon which the fees for the Event Services are based, the minimum count will apply. Client will be billed for the Final Count or actual quantity, whichever is greater. Event Services based on a minimum count will not be subject to reduction without adjustment to the fees. Should client increase numbers after this date, client may incur additional rush charges.
- f. **Pricing**
 - a. Goods and services listed in this contract are not reserved or to be considered "on-hold" until a contract is signed. Pricing is based on current availability and is not guaranteed until a contract is signed and a deposit is received.
 - b. Quoted prices are subject to taxes in effect at the time Event Services are provided. Any change in tax rates or the unanticipated implementation of supplementary fees (e.g. energy surcharges, fuel surcharges) by contracted facilities or vendors will be passed onto Client and reflected in the invoice.
 - c. Due to potential changes in market conditions, caterers reserve the right to adjust pricing up to forty-five (45) days prior to the program date or after a formal tasting, where the final menu is selected by Client, whichever comes last. Client acknowledges and understands that the estimated food and beverage prices and charges at the time of execution of this Agreement are a good faith estimate based on the then current market conditions available regarding costs for the services listed ahead. Client further acknowledges and understands that due to the length of time that may pass between the execution of this Agreement and the Client's program date, market conditions or other conditions outside the caterer's control, may increase, resulting in an increase in fees to the Client.
 - d. Power, rigging charges, and facility exclusivities will be paid for by the Client.
- g. **Sponsorship.** A \$4,000.00 sponsorship has been provided and Client agrees to recognize DMC as a sponsor of the event at an equal to or higher level for the contribution donated and agrees to provide DMC with the benefits of said sponsorship.
- 5. **Cancellation, Inability to Perform or Breach by Client.** DMC has prepared the Event Services to Client's specifications, including time invested researching, preparing, costing, and confirming all logistics of the Event Services. In the event Client should cancel all, or any part of, the Event Services (other than as outlined in Force Majeure or due to DMC's breach of this Agreement or any subsequent Amendments or Addendums) or commit any other breach of this Agreement (hereinafter "Client Default"), both Parties acknowledge that it would be difficult to ascertain the exact amount of damages that DMC may suffer due to lost revenue, staff time, and unrecoverable expenses. As such, in the event of Client Default, the parties agree to liquidated damages and agree that the formulas specified herein are a reasonable attempt to calculate actual damages suffered by DMC and not a penalty, and Client agrees to pay DMC the amounts indicated below:

<u>Time of Cancellation Prior to Beginning of Event</u>	<u>Amount of Latest Estimated Total Costs of Event</u>
Cancelled more than 181 days	50%
Cancelled 91 to 180 days	75%
Cancelled within 90 days	100%

For all Client Defaults, it is understood and agreed by Client that DMC may retain any prepayments made by Client as payment. All cancellations must be in writing to DMC. Any payments due to DMC that are not already received must be paid within ten (10) calendar days of Client Default. If Client's prepayments exceed the amount of monies owed to DMC, DMC will refund Client the excess within ten (10) calendar days of Client Default.

In addition to any remedies that may be provided under these terms, DMC may terminate this Agreement with immediate effect upon Notice (defined below) to Client, if Client: (a) fails to pay any amount when due under this Agreement; or (b) becomes insolvent, files a petition for bankruptcy or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization, or assignment for the benefit of creditors.

- 6. **Cancellation, Inability to Perform or Breach by DMC.** DMC will make commercially reasonable efforts to conduct the Event Services as described, however, reserves the right to make adjustments to the Event Services without affecting their material nature or overall quality. Should situations beyond the control of DMC make changes necessary, DMC will work with Client on any such changes. DMC reserves the right, upon Notice to Client, to make equitable substitutions when necessary. Additionally, DMC will not be liable for any delays or failures in performance by itself or its vendors due to causes beyond its or any of its vendors reasonable control.

In the event DMC breaches its obligations under this Agreement for any reason (other than as defined in Force Majeure), then DMC shall return to Client its payments in full (for complete nonperformance) or the full amount paid for that (or those) Event Service(s) not provided (for partial nonperformance). In no event shall DMC be liable for incidental or consequential damages sustained by Client arising out of any claimed breach of this Agreement. DMC makes no warranties, expressed or implied.

- 7. **Postponement.** In the event of postponement, DMC agrees that all originally stated fees shall still apply if the new date is

within six (6) months of the original event date with the following exceptions: a substantial change (e.g. venue) takes place as a result of event postponement, date conflicts with other booked business that requires additional staffing or accommodations be made to service the event, or goods included in the contract are no longer available and substitutions must be made. In the event of any postponement, a nominal fee of 15% of the originally stated fees shall be paid by Client to DMC to accommodate additional time in logistics and planning. Postponement over six (6) months is considered cancellation and the Cancellation Policy will apply.

8. **Force Majeure / Excuse of Performance.** No Party shall be liable or responsible to the other Party, nor be deemed to have defaulted under or breached this Agreement (except for any obligations to make payments to the other Party under this Agreement), for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by or results from the following force majeure events ("Force Majeure Events"): (a) acts of God; (b) flood, fire, earthquake or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) epidemics and quarantines; (e) government order or law; (f) actions, embargoes or blockades in effect on or after the date of this Agreement; (g) action by any governmental authority; (h) national or regional emergency; (i) strikes, labor stoppages or slowdowns or other industrial disturbances; (j) shortage of adequate power, infrastructure or transportation facilities; (k) major equipment failures, meeting platform system failure, loss of electrical power or internet connectivity or outages; or (l) other similar events beyond the reasonable control of the Party impacted by the Force Majeure Event (the "Impacted Party").

The Impacted Party shall give Notice within ten (10) calendar days or, if Force Majeure Event occurs less than ten (10) calendar days, within forty-eight (48) hours or as soon as practical (whichever is less) of the Force Majeure Event to the other Party, stating the period of time the occurrence is expected to continue. The Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized.

In the event this Agreement is terminated pursuant to the terms in this section, DMC will return to Client any payments previously paid by Client to DMC, less any actual costs incurred by DMC and any other costs for which DMC has incurred a non-cancellable obligation to pay as of the time of the Force Majeure Event.

9. **Indemnity.** To the extent permitted by law, the Parties shall indemnify, defend, and hold the other harmless from any loss, liability, costs, or damages, including reasonable attorneys' fees, arising from the actual or threatened claims or causes of action resulting from the negligence, gross negligence or willful misconduct of such Party or its respective employees, or agents, provided that with respect to employees and agents, such individuals were acting within the scope of their employment or agency, as applicable.

Client understands that DMC does not own, operate, or exercise any control over its vendors for the provision of goods and/or services to be provided, including the service of alcoholic beverages (if applicable to this event). Accordingly, Client releases, covenants not to sue, and forever discharges DMC from any and all liability, claims, or causes of action arising out of or related to any loss, damage or injury that may be sustained as a result of vendors' acts or omissions. In the event of a delay or failure of service by any of its vendors selected for the Program, DMC shall work with such vendor(s) to correct any delays or failures as soon as possible.

10. **Insurance.** DMC shall, at its own expense, maintain and carry insurance in full force and effect which includes, but is not limited to, commercial general liability in a sum no less than \$2,000,000 with financially sound and reputable insurers, as well as workers' compensation coverage in a sum no less than required by applicable law. Upon Client's request, DMC shall provide Client with a certificate of insurance from DMC's insurer evidencing the insurance coverage specified in these terms. The certificate of insurance shall name Client as an additional insured, if requested by Client. DMC shall provide Client with thirty (30) day Notice in the event of a cancellation or material change in DMC's insurance policy.
11. **Liability for Property Damage.** The Parties shall be responsible to the other for loss of, damage to, or theft of the other Party's property, whether owned, leased or rented, resulting from the negligence, gross negligence or willful misconduct of such Party or its respective employees, agents, guests or invitees, provided that with respect to employees and agents, such individuals were acting within the scope of their employment or agency, as applicable.
12. **Dispute Resolution.** The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation. Any Party may give the other Party Notice of any dispute not resolved in the normal course of business. Within ten (10) calendar days after delivery of the Notice, the receiving Party shall submit to the other a written response. The Notice and response shall include, with reasonable specificity, a statement of each Party's position and a summary of arguments supporting that position. Within fifteen (15) calendar days after delivery of the Notice, representatives on behalf of both Parties shall meet (or participate in a telephone conference) at a mutually agreeable time and place.

If the dispute is not resolved by negotiation pursuant to the preceding paragraph, the matter shall be resolved by advisory arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules.

13. **Governing Law and Venue.** All matters arising out of or relating to this Agreement shall be governed by and construed in accordance with the internal laws of Oklahoma without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than those of the Oklahoma. Further, the Parties stipulate that the venue for any legal suit, action, or proceeding arising out of or relating to this Agreement shall lie in Oklahoma City, Oklahoma.
14. **Americans with Disabilities Act (ADA).** DMC shall take all reasonable steps to ensure that people with disabilities have an equal opportunity to enjoy the Event Services. In an effort to do so, Client shall provide Notice to DMC immediately upon learning of any attendee (or prospective attendee) with a disability that may require reasonable accommodations. If any additional cost is incurred in providing such accommodations, DMC shall advise Client of the same and it shall be the responsibility of Client to cover such costs.
15. **Use of Names.** The Parties shall be able to use the other Party's name, trademark or service mark in any advertising, publication or news release with the prior written consent of the other Party in each instance.
16. **Non-Solicitation.** During the term of this Agreement and for a period of three (3) years thereafter, Client agrees not to hire, solicit, nor attempt to solicit, the services of any employee or subcontractors of DMC without the prior written consent of DMC. Client further agrees not to hire, solicit, nor attempt to solicit, the services of any former employee or subcontractor of DMC for a period of three (3) years from such former employee's or subcontractor's last date of service with DMC. Violation of this provision shall entitle DMC to assert liquidated damages against Client equal to two hundred percent (200%) of the solicited person's gross annual compensation. This provision shall not apply to instances in which an employee or subcontractor of DMC responds to a general job posting/solicitation by Client.
17. **Vendor Disintermediation.** Because it has taken thirteen (13) years for DMC to build its relationships with Vendors, Client shall not contract with Vendors directly that are represented by DMC and which provided services to Client's Program for a period beginning upon execution of this Agreement and ending three (3) years following the later of completion of the Event Services or termination of this Agreement (provided that Client did not have direct relationships with the applicable Vendor prior to execution of this Agreement). If Client wishes to rebook DMC's Vendor(s) directly during this period, Client agrees to pay DMC 25% of the amount Client owes the Vendor for such engagement. Such amount shall be due and payable by Client to DMC immediately upon rebooking.
18. **Waivers of Liability.** Client understands and agrees that certain vendors may require participants in a planned activity to sign waivers of liability. DMC shall work with Client and vendors to ensure the waivers also provide waivers of liability against Client. In the event that some participants refuse to sign said waivers, they shall not be permitted to participate.
19. **Public Performance Music Rights.** The client agrees to obtain and pay costs for securing public performance licenses from ASCAP, BMI, SESAC, etc., for all events.
20. **Waiver.** No waiver by any Party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the Party so waiving. No waiver by any Party shall operate or be construed as a waiver in respect of any failure, breach, or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.
21. **Severability.** If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to affect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby may be consummated as originally contemplated to the greatest extent possible.
22. **Restrictions on Assignment.** Neither Party will assign any of its rights or obligations under this Agreement, in whole or in part, without the written consent of the other Party except in the event of a merger, consolidation, sale of shares, or sale of assets of either Party where the surviving entity continues in the same or substantially similar business as that Party, no consent is required. All terms and conditions of this Agreement will be binding upon the assignee(s) of the parties to this Agreement. Where required, consent will not be unreasonably withheld. Should an assignment of this type take place, the new entity agrees to notify the other Party within a reasonable time. All representations and warranties made and indemnities given in this Agreement by either Party will survive the termination or assignment of this Agreement.
23. **Entire Agreement.** This Agreement, together with Attachment A and any other Attachments, Amendments, or Change Orders signed by authorized representatives of the Parties, represents the entire understanding between DMC and Client with respect to

the matters contained or referenced herein and supersedes all other representations, communications (including, an example but without limitation, the terms of any purchase order issued by Client) and understandings between the parties hereto.

24. **Notices.** All notices, requests, consents, claims, demands, waivers, and other communications hereunder (each, a "Notice") shall be in writing and shall be deemed to have been given:
- (a) when delivered by hand (with written confirmation of receipt);
 - (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested);

25. **Confidential Information.** The parties agree that all pricing, proposals, financial and other confidential information and/or documents (collectively, the "Confidential Information") reviewed, obtained and/or learned by the Parties regarding the other Party shall constitute confidential information and shall be held in strict confidence. The Parties agree not to disseminate or otherwise communicate the Confidential Information of the other Party to any third Party other than their respective attorneys or other advisors, their employees or contractors who need to know the Confidential Information for the purpose of managing the Event Services contemplated by this Agreement, or as otherwise required by law. The Parties agree that it is impossible to measure in money the damages which will accrue by reason of a breach of this provision and that the non-breaching Party shall have the right to injunctive relief restraining the breaching Party from committing, or continuing to commit, any violation of this provision. Notwithstanding the above, Confidential Information shall not include information which was known by Client prior to the signing of this Agreement or which is publicly available (but not publicly available due to Client's disclosure of the Confidential Information in violation of this provision).
26. **Data Protection Compliance.** In the course of providing Event Services to Client, DMC may obtain access to personal information belonging to individuals attending the event. As such, Client represents and warrants it has permission from each individual and/or a legal right to provide such information to DMC for use in connection with the event. DMC will process data in the manner directed by Client and in compliance with all applicable data protection laws and regulations including, but not limited to, the European Union's General Data Protection Regulations ("GDPR").
27. **Time of the Essence.** Time shall be of the essence in this Agreement.
28. **Compliance with Laws.** DMC will comply with all laws, rules, and regulations applicable to the performance of its obligations under this Agreement and will procure and maintain all licenses and permits necessary for the performance of its obligations identified herein.
29. **Headings.** The titles and headings of the various sections of this Agreement are intended for means of reference and are not intended to place any construction on the provisions of this Agreement.
30. **Interpretation.** This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the Party drafting an instrument or causing any instrument to be drafted. The proposal and attachments referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.
31. **Cumulative Remedies.** The rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other right and remedies available at law or in equity or otherwise.
32. **Further Assurances.** Each of the Parties shall, from time to time at the request of the other Party, furnish the other Party such further information or assurances, execute and deliver such additional documents, instruments, and conveyances, and take such other actions and do such other things, as may be reasonably necessary to carry out the provisions of this Agreement and give effect to the transactions contemplated hereby.
33. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by e-mail shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

34. **Successors and Assigns.** This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective permitted successors and permitted assigns.
35. **Survival.** Provisions of these terms which by their nature should apply beyond their terms will remain in force after any termination or expiration of this Agreement including, but not limited to, the following provisions: Indemnity, Insurance, Compliance with Laws, Confidential Information, Governing Law, Forum Selection and Survival.

Section	1000 - Board of Education
Title	By-Laws For The Board of Education
Code	1001
Status	Active

BY-LAWS FOR THE BOARD OF EDUCATION

I. Rule One: Responsibilities

The source of authority of the Board of Education is the state acting through the legislature and the state constitution. Although the state maintains, through its State Department of Education, general supervision and control of the schools, the legislature has delegated to local boards of education the legislative and judicial responsibilities of the school district and the Board, in turn, delegates the administrative tasks to the administrative staff (Reference: 70 O.S. §1-115).

II. Rule Two: Officers of the Board

- A. **Statutory Officers.** The Board shall elect from its membership at the first regular, special or emergency meeting following the annual school election and certification of election of new members, a president and vice president, each of whom shall serve a term of one year and until a successor is elected and qualified. The Board shall also elect a clerk and, in its discretion, a deputy clerk (Reference: 70 O.S. §5-119).
- B. **President.** It shall be the duty of the president to preside at meetings of the Board, to appoint any committee whose appointment is not otherwise provided for, and to sign all warrants ordered by the Board to be drawn upon the treasurer for school money (Reference: 70 O.S. §5-120).
- C. **Vice President.** It shall be the duty of the vice president to perform all of the duties of the president in case of his/her absence or disability (Reference: 70 O.S. §5-121).

In the absence or inability to act of both the president and vice president, the remaining members shall select a member to act in that capacity.

- D. **Clerk and Deputy Clerk.** The Board shall elect a clerk and, in its discretion, a deputy clerk, either of whom may be one of the members of the Board. If the Board elects a board clerk who is not one of the members of the Board, the board clerk may also be employed as the encumbrance clerk and the minute clerk. No superintendent, principal, treasurer or assistant treasurer, instructor or teacher employed by the Board shall be elected or serve as clerk or deputy clerk nor as encumbrance clerk or minute clerk; a treasurer or assistant treasurer may serve as a minute clerk (Reference: 70 O.S. §5-119).

It shall be the duty of the clerk to countersign all warrants for school monies drawn upon the treasurer by the Board and perform such other duties as required by law or as the Board or its committees may require (Reference: 70 O.S. §5-122).

The deputy clerk may perform any of the duties and exercise any of the powers of the clerk with the same force and effect as if the same were done or performed by the clerk. Before entering upon the discharge of the duties of the deputy clerk, the deputy clerk shall give a bond in a sum of not less than One Thousand Dollars (\$1000.00) with good and sufficient sureties to be approved by the Board conditioned for the faithful performance of the duties of the deputy clerk (Reference: 70 O.S. §5-119).

The clerk and deputy clerk shall hold office during the pleasure of the Board and each shall receive such

compensation as the Board may allow (Reference: 70 O.S. §5-119).

- E. Superintendent of Schools.** The Board shall appoint and employ a qualified Superintendent of Schools who shall be the executive officer of said board and the administrative head of the school system and who shall perform such duties as said Board directs (Reference: 70 O.S. §5-106, 1-116; 5-117). The Superintendent may not be a member of the Board.

In the event that any vacancy occurs in the office of Superintendent of Schools, the Board shall promptly fill such vacancy. Such vacancy may either be filled by appointment of an acting Superintendent of Schools or may be filled by appointment of a Superintendent of Schools as specified in this section.

- F. Assistant Superintendent(s).** The Superintendent may appoint, subject to approval of the Board, such assistant superintendent(s) as he/she should deem necessary or expedient, each of whom shall serve at the pleasure of the Superintendent.

- G. Attorney.** The attorney for the Board shall be appointed by the Board and shall serve at its pleasure; he/she shall represent the Board in all litigation and shall render other legal services to the Board upon its request; he/she shall also counsel and advise the Board and the Superintendent with respect to legal questions relating to school matters upon their request; and he/she shall attend all meetings of the Board when reasonably possible.

The attorney shall receive for his/her services such compensation, as the Board shall allow. (Reference: 70 O.S. §5-117) The Board will provide legal counsel at district expense to any members of the Board of Education, or school district officers or employees who are sued in situations relating to and arising out of the performance of their office or employment. (Reference: A.G. Op. Feb., 1973) Judgments will be paid in compliance with regulations of law. (Reference: Governmental Tort Claims Act: 51 O.S. §151 et seq.).

- H. Treasurer and Assistant Treasurer.** The Board will appoint a treasurer for the school district and, in its discretion, an assistant treasurer of the district, each of whom shall serve at the pleasure of the Board for such compensation as the Board may determine (Reference: 70 O.S. §5-114).

The treasurer shall deposit, invest and pay out all monies of the district in accordance with 70 O.S. §5-115. He/She shall prepare and submit in writing a monthly report of the finances of the district and such other reports as may be required by the Board or by law and shall keep ledgers as prescribed by law (Reference: 70 O.S. §5-115).

Before entering upon the discharge of their duties, the treasurer and the assistant treasurer shall furnish a surety bond in an amount fixed by the Board to be approved and paid for by the Board (Reference: 70 O.S. §5-114-115).

- I. Encumbrance Clerk, Minute Clerk, and Deputy Minute Clerk.** The Board shall employ an encumbrance clerk and minute clerk and may designate a deputy minute clerk any of whom may not be a Board member or a Superintendent, principal, instructor or teacher employed by the Board. A treasurer or an assistant treasurer may not serve as an encumbrance clerk.

The encumbrance clerk shall keep the books and documents of the school district and perform such other duties as the Board or its committees may require.

The minute clerk shall keep an accurate journal of the proceedings of the Board and perform such other duties as the Board or its committees may require.

The deputy minute clerk may perform any of the duties and exercise any of the powers of the minute clerk with the same force and effect as if the same were done or performed by the minute clerk.

Before entering upon the discharge of their duties, the minute clerk, the deputy minute clerk and the encumbrance clerk shall each give a bond in a sum of not less than One Thousand Dollars (\$1000.00) with good and sufficient sureties to be approved by the board conditioned for the faithful performance of their duties. If both functions of minute clerk and encumbrance clerk are performed by the same person, only one (1) bond in a sum of not less than One Thousand Dollars (\$1000.00) shall be required (Reference: 70 O.S. §5-119).

III. Rule Three: Meetings

- A. Notification of Board of Education Meetings.** The Board of Education shall announce through the news media the date, time, and place of regular and special meetings, and the major agenda items. The agenda will be posted at the Administrative Services Center twenty-four (24) hours in advance of the

meeting (Reference: 25 O.S. §301-314). The agenda will be posted on the District website.

- B. Regular Meetings.** Regular meetings of the Board shall be held as required by law and will be for the purpose of conducting the business of the District. The Norman Board of Education will hold regular meetings on the third Monday of each month or upon such a day as may be fixed by the Board. All such meetings shall be held, commencing at 7:00 p.m., at the Administrative Services Center located at 131 South Flood Avenue, Norman, Oklahoma, 73069.

Items on the agenda may be addressed by the public at the discretion of the Board at the time designated by the Board and the length of the discussion period shall be established by the Board. A time limit of three (3) minutes will be allowed for each speaker. The time limit may be extended by consent of the Board.

The order of business at all regular meetings of the Board shall be as listed below. This order of business may be changed by consent of all members present:

1. Roll Call

2. Special Agenda Items

Matters requiring no Board action, such as recognition of outstanding student achievement, declarations of special dates relating to education and introductions of staff members/patrons involved in special activities are presented at this time.

3. Public Communications - Items Not on the Agenda

At the discretion of the Board, patrons may speak to the Board on other items of concern during this section of the Board meeting. BULLYING BEHAVIOR PREVENTION AND RESPONSE

I. SCOPE AND DEFINITION

Norman Public Schools supports a positive school climate conducive to teaching and learning that is free from threat, harassment, and all types of bullying. It is the policy of NPS to prohibit all bullying of any person at school. Prohibited conduct includes incidents of bullying instigated by the use of electronic communication specifically directed at students and/or school personnel. This policy extends to all schools that comprise the District. Bullying is anti-social behavior on school premises that distracts both the victim and the person bullying another. Bullying a student based on their race, color, creed, disability, sex, sexual orientation, age, religion or any other personal characteristic is grounds for disciplinary action. 70 Okla. Stat. Sec. 24-100.3.

Bullying, as defined by the School Safety and Bullying Prevention Act, means any pattern of harassment, intimidation, threatening behavior, physical acts, or communication (verbal or electronic) that is directed toward a student or group of students. Bullying is performed with the intent, or reasonably perceived intent, of causing negative educational or physical consequences for the targeted student or group. Bullying is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. 70 Okla. Stat. Sec. 24-100. Isolated action, not involving pattern, may also constitute bullying based on its severity.

Threatening behavior is any pattern of behavior or isolated action, whether or not it is directed at a person, that would cause a reasonable person to believe that there is potential for future harm to students, school personnel or school property.

Electronic communication is the communication of any written, verbal, pictorial information, or video content by means of an electronic device, including, but not limited to, a telephone, a mobile or cellular telephone, or other wireless telecommunication device, or a computer.

Bullying is prohibited at school and school sponsored events. It also is prohibited: (a) while traveling to and from school; (b) while off-campus during lunch or before and after school; or, (c) at any other time outside the normal school day when such behavior has a negative or adverse effect on the discipline or educational process of the school. (O.S. 70 §24-100.3)

II. PREVENTION

Safe Schools Committee

The duties of the Committee shall be the duties set forth in 70 O.S. § 24-100.4(B).

Operational functions of the Safe School Committee include but not limited to:

- Promoting positive social behaviors
- Raising awareness in schools about the dangers of bullying
- Planning and implementing prevention efforts
- Urging notification to the school of unsafe conditions, possible strategies for avoiding harm, student victimization, and other issues that compromise the maintenance of a safe school.

With respect to student bullying, each Committee shall assist the board in promoting a positive school climate. The Committee will study the District's policy and currently accepted bullying prevention programs (available on the Oklahoma State Department of Education website) to make recommendations regarding bullying. These recommendations must be submitted to the site principal and cover:

1. Needed staff development, including how to recognize and avoid bullying;
2. Increasing student and community involvement in addressing bullying,
3. Improving individual student-staff communication,
4. Implementing problem-solving teams which include counselors and/or school psychologists, and
5. Utilizing behavioral health resources.

All school administrators and school employees at each school site shall be required to complete annual professional development training in school bullying prevention, identification, response, and reporting that meets the requirements of 70 O.S. § 24-100.4(A) and 210:10-1-20. Training shall be chosen by the district, however, supplemental training at each site may be chosen based upon the recommendation of the Safe School Committee established at the site.

Norman Public Schools is committed to providing annual training to students regarding identifying, preventing, addressing, and reporting incidents of bullying. Such educational programs may include, but are not limited to, classroom discussion, assemblies, multimedia, and presentations. The purpose of the educational programs is to assist students in the identification of bullying behaviors, reporting procedures, and the consequences for violation of school policy.

Bullying Prevention Leads

The principal of each school site in this district shall designate at least one Bullying Prevention Lead ("BPL") who ensures that policy is understood, communicated and practiced at the site level. The duties of the Bullying Prevention Lead shall be as follows:

1. To report and track the number of documented and verified incidents of bullying to the Director of Counseling and Advocacy.
2. To establish and maintain the confidentiality of reports of incidents of bullying as appropriate;
3. To publicize the procedures for reporting set forth in this policy to all students, parents/legal guardians of students, and school employees;
4. To educate the school and community about bullying prevention measures; and,
5. To review, monitor, and suggest strategies for improvement of the school climate in order to facilitate prevention and intervention of bullying incidents in the school site and promote a school culture of intolerance of bullying behaviors;
6. To serve on the Safe School Committee and make recommendations for bullying prevention education, professional development, and/or policies and procedures pertaining to bullying prevention; and
7. Any other duties deemed necessary by school administrators and/or the Safe School Committee to facilitate bullying prevention at the school site.

III. REPORTING AND DOCUMENTING BULLYING

Students, parents, and staff shall be informed of the process for reporting incidents of bullying and encouraged to report all incidents of bullying. Incidents of bullying shall be reported on the "Student Incident Form" which shall be made available to students at all times during regular school hours, including in the main/front office of the school site, the office of the school counselor and any other locations recommended by the Safe School Committee at each school site. If any person is aware of or sees a victim of bullying as defined in this policy, such person must immediately report to the Bullying Prevention Lead or a principal of the building. Reports may be made anonymously; however, no formal disciplinary action will be taken solely on the basis of an anonymous report. Any written documentation of the alleged incident(s) shall be provided to the principal. If the bullying involves electronic communication as defined in the policy, a printed copy of the communication as well as any identifying information, such as an email or web address, shall be provided to the principal.

Individuals who may report incidents of bullying - Incidents of bullying at each school site in this district may be reported by any student, parent, school employee, or member of the public. Any school employee who has reliable information that would lead a reasonable person to suspect that an individual at the school is currently or has been the target of one or more incidents of bullying shall be required to report the information to the school's principal or assistant principal. Failure by school employees to report incidents of bullying in accordance with the requirements of this policy may result in disciplinary action.

Privacy and Confidentiality - Reports of bullying shall be kept confidential to the extent necessary to ensure compliance with the provisions of the *Family Education and Privacy Rights Act (FERPA)* and to protect students who report incidents of bullying from retaliation.

Anonymous reporting- In order to ensure individuals may report incidents without fear of retribution or retaliation, every school site in this district shall provide at least one method of anonymous reporting of incidents of school bullying that protects the identity of the individual reporting the incident. However, an anonymous report shall not be the sole basis for formal disciplinary action in response to an incident of bullying.

False Reporting - Students will receive recurring education regarding behavioral expectations, understanding bullying and its negative effects, disciplinary consequences for infractions, reporting methods and consequences for those who knowingly make false reports. Any person who knowingly makes false accusations against another person will be appropriately disciplined pursuant to District policy. Any accusations confirmed to be false will be removed from the falsely accused student's file.

Tracking reports of incidents of bullying- All reports of bullying shall be tracked using methods that will enable the BPL and administrators of each school site to identify emerging patterns of bullying over extended periods of time.

Notification to the parents or legal guardians- Parents and legal guardians of the reported victim of bullying will be notified by phone and/or email immediately if possible but no longer than three (3) school days from the receipt of the report of bullying. The parents and legal guardians of the offender(s) will be notified by phone and/or email within (3) school days of the report.

Family Responsibilities - Parents/guardians are strongly encouraged to;

1. Report bullying when it occurs and complete an incident report form;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately if they think their child is being bullied or is bullying other students;
4. Watch for symptoms that their child may be a victim of bullying and report those symptoms; and
5. Cooperate fully with school personnel in identifying and resolving incidents.
6. Consider carefully the unintended consequences of using social media to address bullying.

IV. INVESTIGATING

The following procedures will be used by any person for the processing and resolution of a reported incident of bullying or threatening behavior. The procedures are to be followed by the administration of the school district in an effort to determine the severity of the incident and the potential to result in future violence.

The procedure for investigating reported incidents of bullying or threatening behavior is as follows:

Initiation of investigation -An investigation shall be initiated by an administrator promptly but no later than 3 school days after receipt of the report of an incident of bullying. All interviews with individuals involved in the incidents, their parent(s)/legal guardian(s), and/or witnesses shall be documented. A student's parent/legal guardian shall be permitted to be present at the interview of a student upon request of the student or the student's parent/legal guardian.

1. All investigations shall be documented.
2. If it is determined that the school district's discipline code has been violated, an administrator shall follow district policies regarding the discipline of the student.
3. All verified acts of bullying which may constitute criminal activity or reasonably have the potential to endanger school safety may be reported to local law enforcement.
4. Upon completion of the investigation, an administrator or Director of Counseling and Advocacy may recommend that available community mental health care or other counseling options be provided to the student, if appropriate. This may include information about the types of support services available to the student with bullying behavior, victim, and any other students affected by the prohibited behavior. If such a recommendation is made, the administration shall request disclosure of any information that indicates an explicit threat to the safety of students or school personnel provided the disclosure of information does

not violate the provisions or requirements of the Family Educational Rights and Privacy Act (FERPA) of 1974, the Health Insurance Portability and Accountability Act (HIPAA) of 1996, Section 2503 of Title 12 of the Oklahoma Statutes, Section 1376 of Title 59 of Oklahoma Statutes, or any other state or federal laws relating to the disclosure of confidential information.

5. Upon completion of an investigation, timely notification shall be provided regarding the resolution of the investigation to the parents or guardians of the victim. This information should be provided promptly but no later than 10 school days of the conclusion of the investigation.
6. Upon completion of an investigation, timely notification shall be provided regarding the resolution of the investigation to the parents or guardians of the offender. This information should be provided promptly but no later than 10 school days of the conclusion of the investigation.

Student Transfers - Students who are victims of bullying, and who report the incident(s) to school administrators, may choose to transfer to another school within Norman Public Schools or to another school district. Any application for a transfer within the District or to a different school district must be made in accordance with District procedures or, in the case of an out-of-district transfer, the receiving school district's transfer policy.

The Director of Counseling and Advocacy shall be responsible for enforcing this policy. Upon completion of an investigation, a building administrator should report the findings and provide documentation of the investigation to the Director of Counseling and Advocacy.

V. INTERVENTION AND RESPONSE

In administering discipline, consideration will be given to alternatives to traditional punishment, to ensure that the most effective discipline and support is administered in each case.

Punitive measures can include but will not be limited to:

- Detention

This list does not reflect a sequence of events to follow in disciplinary actions. The district's bullying coordinator and individuals designated as school site investigators will receive additional training regarding appropriate consequences and remedial action for offenders, helping targets of bullying, and the district's strategy for counseling and referral for all those affected by bullying.

Reporting Bullying to the Oklahoma State Department of Education

In order to assist the State Department of Education with compliance efforts pursuant to the School Safety and Bullying Prevention Act, 70 Okla. Stat. Sec. 24-100.2 et seq The District has implemented a strategy for publication and distribution of this policy and accompanying forms, and procedures for reporting and investigation of incidents of school bullying. USDE Office for Civil Rights

Educational institutions have a responsibility to protect every student's right to learn in a safe environment free from unlawful discrimination and to prevent unjust deprivations of that right. The Office for Civil Rights enforces several Federal civil rights laws that prohibit discrimination in programs or activities that receive federal financial assistance from the Department of Education.

1. Discrimination on the basis of race, color, and national origin is prohibited by Title VI of the Civil Rights Act of 1964.
2. Discrimination on the basis of sex is prohibited by *Title IX of the Education Amendments of 1972*. NPS Board policy #4000 identifies "sex discrimination" as including identification as male or female, sexual orientation, gender identity or gender expression. The District's Bullying Policy is available to students alleging bullying on the basis of sex as well as other types of bullying. However, an individual whose claim is based on sexual harassment may prefer to file their complaint utilizing the District's procedures in Board Policy 4000 - Title IX-Sex Discrimination and Sexual Harassment.
3. Discrimination against persons with disabilities is prohibited by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990.
4. Discrimination on the basis of age is prohibited by Age Discrimination Act of 1975.
