3. Purchase Fund: Bond

The standard furniture selection process for Norman Public Schools was a very lengthy and thorough process. NPS Operational Services, along with a consultant from MA+ Architecture, worked diligently to select several manufacturers and products to sample throughout the district. These samples were selected based on a number of factors:

1. Classroom style teacher survey
2. Manufacturer's warranty
3. Availability of samples
4. Durability and Aesthetics
5. Responsiveness of representatives
6. Past interactions with manufacturer
7. Best Value

NPS selected thirteen teacher representatives across the district to serve as the Furniture Standards Committee and sample furniture items in their classrooms. The representatives consisted of two early childhood education teachers, two elementary school teachers, four middle school teachers, four high school teachers, and one teacher from Dimensions Academy. The teachers had a wide range of classes that sampled the products. Anywhere from standard math, science, social studies, and English to business in education, resource and early childhood classes were able to provide feedback on the furniture pieces that were sampled. Three chairs and three desks were sampled as well as a new style of teacher's desk. All participants had the products in their rooms for a span of time where both students and teachers were able to test the products. All three samples were made by different manufacturers. Upon the completion of this phase of the selection process, each representative was given a survey to provide comment

based on the experiences in their classroom. All of the 'selected standards' were chosen by a vast majority of the committee.

This figure is an estimate and does not include shipping. Approximate amount is \$400,000.

Vendors may include, but are not limited to: Wenger Corporation, Kreuger International, Copelin Contract, L&M Office Furniture, Meteor Education, and Workplace Solutions, Inc. dba Scott Rice. All purchases will be made under contract pricing.

Therefore, it is recommended that the Board approve the total estimated expenditures for the replacement of broken or damaged furniture with funds from the 2019 Bond Issue (this amount includes, but is not limited to the items above and does NOT include shipping and freight costs) to avoid vendor pricing increases and expedite the ordering process due to the delays on lead times. This is an estimate.

written notice setting forth in detail the nature of the Force Majeure Event is given by such party to the other party as soon as such party is aware of the Force Majeure Event; and (ii) such party shall use all commercially reasonable efforts to minimize the extent of delay or nonperformance caused by the Force Majeure event.

Upon a Force Majeure event, the parties will make a good faith effort to reschedule the event as set forth herein at a mutually agreeable date and time. Any deposits will be applied to the rescheduled event; or will be fully refunded if the event is not rescheduled.

- 11. COVID-19.** The parties acknowledge the ongoing risk and uncertainty regarding the impact of COVID-19 on their obligations under this Agreement. Notwithstanding the potential foreseeability of such impact, the parties acknowledge and agree that any actions taken by one party in response to or in compliance with recommendations, guidance, orders or other actions or directives of governmental or other applicable authorities with expertise in infectious diseases (e.g., WHO, CDC, NIAID, etc.) pertaining to COVID-19 shall constitute a Force Majeure event under this Agreement. In addition, if either party reasonably and in good faith determines that COVID-19 has made its obligations under this Agreement unworkable or overly burdensome, the affected party may terminate or postpone the Agreement without penalty, provided written notice is provided to the other party at least 30 days before the event.
- 12. Termination of Agreement.** If BSN SPORTS or School should fail to perform or be in breach of any of the warranties, representation, covenants or obligations contained in this Agreement, or anticipatorily breach this Agreement, and such default is not curable or such default is curable but remains uncured for thirty (30) days after written notice thereof has been given to the defaulting party, the other party, at its sole election, may immediately terminate this Agreement with written notice to the defaulting party. The Agreement will also terminate when a party fails to renew the Agreement for a successive one or five year term.
- 13. Confidentiality.** Excluding disclosures made to attorneys, auditors, or other third-party consultants, or as required by Oklahoma's Open Records Act (the Act), the terms and conditions of this Agreement are absolutely confidential between the parties and shall not be disclosed to anyone else, except as shall be necessary to effectuate its terms. Any disclosure in violation of this section shall be deemed a breach of this Agreement. If a disclosure of this Agreement or any part of it is believed required by the Act, School will give BSN Sports notice of the request and shall provide BSN Sports the opportunity to object to the disclosure. If School declines a request made pursuant to the Act because of objections of BSN Sports, it shall indemnify the Schools for all costs, fees, or judgments connected with School's failure to produce records due to the objections of BSN Sports.
- 14. Severability.** Should any provision of this agreement be found to be invalid, illegal, or unenforceable for any reason, the invalidity or unenforceability of such provision shall not affect the validity of the remaining provisions hereof.

As used herein, a “Change of Control” means a merger, sale, transfer, or other disposal of all or substantially all of the assets of the assignee or its ultimate direct or indirect parent corporation or holding company in one or more transactions.

- 1. OWNERSHIP OF EQUIPMENT:** Distributor is the sole owner and title-holder of the equipment under this Rental Agreement ("Equipment"). Customer agrees to keep the Equipment free and clear of all liens and Customer will pay all taxes, filing fees, interest and penalties relating to this Rental Agreement or the Equipment.
- 2. COMPLETE AGREEMENT:** Customer agrees that no promises or agreements have been made by Distributor or anyone else regarding the rental or use of the Equipment which are not part of this Rental Agreement.
- 3. AUTHORIZED SIGNER:** The person signing this Rental Agreement on behalf of the Customer represents he/she has the power and authority to do so on behalf of the Customer.
- 4. LIABILITY AND INSURANCE; INDEMNITY:** Customer is responsible for any damage to the equipment or losses or injuries caused by the Equipment due to acts of Customer. Customer agrees to keep the Equipment fully insured against such losses during the term of the Rental Agreement or any extension hereof. If Distributor or its assignee requests proof of insurance and Customer fails to provide said proof, Customer agrees to pay to Distributor or its assignee the cost (which may be at a higher premium) of the insurance obtained by Distributor or its assignee. Customer agrees to indemnify, defend and hold harmless Distributor's assignee at all times, including after termination of this Rental Agreement, from and against any loss, damage, liability or claim, including reasonable attorneys' fees, caused by the Equipment or its use.
- 5. LOCATION OF EQUIPMENT:** Customer will keep the Equipment at the location specified in this Rental Agreement. The Distributor or its authorized agent must perform any relocation of the Equipment.
- 6. DISTRIBUTOR INTERESTS:** Customer may not sell, transfer, encumber or assign the Equipment or this Rental Agreement without the prior written consent of Distributor or its assignee. Distributor may sell, transfer, encumber or assign its interests in the Equipment and/or this Rental Agreement. Any assignee of Distributor will have all of Distributor's rights and benefits under this Rental Agreement but none of its obligations.
- 7. AGREEMENT INCEPTION, PAYMENT REQUIREMENTS, PAYMENT DUE DATES:** This Rental Agreement shall commence on the Delivery and Acceptance Date ("Commencement Date") and continue for the duration of the term stated on page 1 herein. Rental will accrue from the Commencement Date; provided that payment for the initial billing period shall be due thirty (30) days after the Commencement Date. Thereafter, payments will be due for each billing period on the date that Distributor or its assignee establish for payments under this Rental Agreement. Any additional costs associated with the compliance or collection of this agreement will be passed on to the customer. If payment is not made within fifteen (15) days of when due, a late charge equal to 15% of the late payment or \$20, whichever is greater, will be charged for each late payment on a compounding basis. Customer's obligation extends through the term of the Agreement.
- 8. EARLY TERMINATION:** Customer may terminate this Rental Agreement with thirty (30) days prior written notice to Distributor and upon payment, as calculated on the termination date, of all remaining payments, and all sales tax, and fees, if applicable.
- 9. RENEWAL/PRICE PROTECTION:** After the initial rental term (or extension previously agreed to), this Rental Agreement will renew for an additional 12 months and annually thereafter at the current published market rate unless the Customer notifies Distributor in writing ninety(90) days prior to the expiration of the initial rental term (or extension previously agreed to) that Customer does not intend to renew this Rental Agreement and will return the Equipment.
- 10. INSTALLATION, MAINTENANCE AND CARE:** Customer agrees to use the Equipment in accordance with the Distributor's specifications and will make the Equipment available to Distributor or its authorized agent for service and maintenance. Amounts payable by Customer under this Rental Agreement are exclusive of any charges for equipment service, maintenance, or relocation. - 11. UCC FILINGS:** Customer grants Distributor (and its successors and assigns) authorization to sign and file Uniform Commercial Code financing statements deemed necessary by Distributor (or its successors and assigns) to protect its interests in the Equipment.
- 12. DEFAULT:** If Customer does not pay any amount when due, or breaches any other term of this Rental Agreement, or becomes insolvent or subject to any insolvency proceeding, Distributor or its assignee may deem the Customer in default and Distributor or its assignee may thereafter exercise any and all legal remedies available by law including but not limited to, repossession of the Equipment, termination of maintenance agreements, reimbursement of reasonable attorney fees associated with any action, repossession or disposal of the equipment and acceleration of the balance due under this Rental Agreement. If any part of this Rental Agreement is found to be invalid, then it shall not invalidate any of the other parts.
- 13. BUSINESS AGREEMENT:** Customer agrees that this Rental Agreement and its use of the Equipment is solely for business purposes. This Rental Agreement will be governed by the laws of the state in which the Equipment is located. Any judicial proceedings arising under this Rental Agreement shall be adjudged by any court in any state in which the Customer conducts business at the commencement of the action or is organized. Customer expressly accepts the jurisdiction and venue in any such court and irrevocably waives any right to a trial by jury.
- 14. MANNER OF EXECUTION:** This Rental Agreement may be executed in as many counterparts as necessary or convenient, including both counterparts that are executed on paper and counterparts that are electronic records and executed electronically, and by the different parties on separate counterparts each of which, when so executed, (and any copy of an executed counterpart that is an electronic record) shall be deemed an original but all such counterparts shall constitute but one and the same agreement. Delivery of a signed counterpart hereof by facsimile transmission or by e-mail transmission shall be as effective as delivery of a manually executed counterpart hereof.
- 15. MISCELLANEOUS:** At the discretion of Distributor or its assignee (the "Holder"), the authoritative electronic copy of this Agreement ("Authoritative Copy") may be converted to paper and marked as the original by Distributor or such assignee (the "Paper Original"). Unless and until the Holder creates a Paper Original, the Authoritative Copy of this Agreement: (1) shall at all times reside in a document management system designated by Holder for the storage of authoritative copies of electronic records, and (2) is held in the ordinary course of business. In the event the Authoritative Copy is converted to a Paper Original, the parties hereto acknowledge and agree that: (a) the electronic signing of this Rental Agreement also constitutes issuance and delivery of the Paper Original, (b) the electronic signature(s) associated with this Rental Agreement, when affixed to the Paper Original, constitutes legally valid and binding signatures on the Paper Original, and (c) the Customer's obligations will be evidenced by the Paper Original after such conversion. Any purchaser of this paper is notified that a security or ownership interest has been granted to the party holding the Paper Original of the Rental Agreement marked "ORIGINAL" and any other security or ownership interest herein will violate the rights of such party.

[Remainder of page intentionally left blank]

I. SCOPE OF SERVICES

- A.** PCG will perform the services and fulfill the operational responsibilities assigned to it in the attached **Exhibit A** and **Exhibit B**, in accordance with the terms and conditions of this Participation Agreement. The DISTRICT and OSDE will perform the services and fulfill the responsibilities assigned to them respectively in the attached **Exhibit A** and **Exhibit B**, in accordance with the terms and conditions of this Participation Agreement. However, PCG’s performance of the services described in the attached **Exhibit A** and **Exhibit B** is expressly conditioned upon the DISTRICT’s performance of its responsibilities and upon OSDE’s performance of its responsibilities under the Participation Agreement and above-referenced **Exhibit A** and **Exhibit B**.
- B.** The parties to this Participation Agreement may expand the scope of this Participation Agreement to include other products or services offered by PCG, and to specify rates of payment for such products or services, by means of amendments to this Participation Agreement.
- C.** Additional scope of work if requested by the DISTRICT. As a participant in the OSDE SBHS program, districts will have the option to receive disability evaluation support through third party vendor PresenceLearning. This includes the following services:
- Direct evaluation support to Participating Districts of the OSDE Medicaid Program
 - Virtual Evaluations
 - Priority will be eligibility evaluations, followed by additional areas dictated by OSDE
 - District Engagement
 - Performance Reporting (Monthly)
 - Service Assessments and Feedback

II. TERM

- A.** The term of this Participation Agreement (the “**Term**”) shall commence on the Effective Date and shall continue through June 30, 2025.
- B.** Notwithstanding the foregoing, this Participation Agreement will expire automatically upon the expiration or termination of the PCG Contract or the Authorizing Agreement, whichever occurs earlier.

III. CLAIMING AND COMPENSATION PROCEDURES

- A.** Pursuant to the Authorizing Agreement, the PCG Contract, and this Participation Agreement, including the exhibits hereto, PCG will submit

Medicaid reimbursement and quarterly MAC claims to OHCA on behalf of the OSDE and all DISTRICTs participating in the SBHS program.

- B. Pursuant to Article 5.1.C of the Authorizing Agreement, for services rendered on or after July 1, 2018, OHCA will make payments directly to the DISTRICT, within 45 days of submission of a clean claim, and OCHA will invoice the DISTRICT for the State share of all such payments.
- C. For fee-for-service claims the DISTRICT hereby agrees to pay PCG 10% of the federal share amounts received from OHCA on account of the above-referenced claims, as compensation for PCG services.
 - a. PCG shall invoice the DISTRICT only after reimbursement has been received by the DISTRICT. Each invoice shall state the nature of the reimbursement received, the date of reimbursement, and the time period of the services provided by PCG.
- D. For MAC the DISTRICT hereby agrees to pay PCG 10% of the federal share amounts received from OHCA, as compensation for PCG services.
- E. Upon expiration or termination of this Participation Agreement, PCG shall be entitled to payments for services provided prior to termination. The parties acknowledge that one or more invoices may be submitted or recouped by PCG after the termination date, following reimbursements received by the DISTRICT on account of such services. Accordingly, the parties agree that the provisions associated with PCG's compensation shall survive expiration or termination of this Participation Agreement.
- F. This Agreement provides a mechanism for payment to the DISTRICT by OHCA (through OSDE and PCG) using federal funds from CMS, and the parties agree that it in no way creates a requirement for OHCA to reimburse any DISTRICT from OHCA state funds.

IV. DISALLOWANCES

If a reimbursement is disallowed after it was paid to the DISTRICT, PCG shall return to the DISTRICT any fees that were paid to PCG by the DISTRICT under Section III.C & D with respect to the disallowed reimbursement in accordance with the following terms:

- A. For disallowances on claims attributable to errors or omissions caused by PCG, PCG will work with the DISTRICT and take all reasonable actions to challenge the disallowance.
- B. PCG shall not be obligated to reimburse the DISTRICT for a disallowance if the DISTRICT, OSDE, or OHCA does not allow PCG to fully participate in the review and audit process.

- C. PCG shall not be obligated to reimburse the DISTRICT for any disallowance resulting from the errors, acts, or omissions of the DISTRICT. PCG's billing or preparing any MAC claim on behalf of the DISTRICT is in good faith and the data DISTRICT enters is processed by PCG on an "as is" basis. The DISTRICT warrants that (i) service data entered into OK EDPlan™ and/or the PCG Claiming System and supporting claiming data furnished is accurate and complete and that (ii) the DISTRICT has appropriate records to substantiate claims submitted on their behalf by PCG.
- D. Subject to the terms provided in this Section, in the event claims are disallowed as a result of PCG's errors or omissions and federal funds are returned and all avenues for contesting the disallowance have been exhausted, PCG shall refund to DISTRICT an amount no greater than the amount paid by the DISTRICT to PCG on the amount disallowed and will not otherwise be liable for any further amount. Notwithstanding anything to the contrary, for the auditing process on claims attributable to errors or omissions caused by PCG, PCG shall bear the cost of such defense.

V. RECORDS

- A. Upon reasonable written notice, which will be no less than ten (10) business days, unless circumstances require a more rapid response at which time the parties will mutually agree on a response deadline based on the size, scope and urgency of the request, PCG shall allow the DISTRICT and OSDE and any of their duly authorized representatives or agents reasonable access to any records of PCG that are pertinent to this Participation Agreement for the purposes of audits or examinations, provided that (i) any audit or examination requiring physical access to PCG's records shall take place during PCG's normal business hours of operation and in a commercially reasonable manner; and (ii) absent exigent circumstances, neither the DISTRICT nor OSDE shall request more than one (1) audit or investigation within a calendar year.
- B. PCG shall maintain its records relating to this Participation Agreement for a period of at least six (6) years from the date of service or claim payment, whichever is greater. For fee-for-service claims, upon expiration or termination of the Agreement, and if the DISTRICT elects not to participate in the next successive term, PCG will provide the DISTRICT a zip file via SFTP file transfer to include claims information in either text format or Excel format going back six (6) years from the date of expiration or termination. If additional years are required, a different file format, and/or a delivery method other than SFTP is requested, PCG will provide the DISTRICT data in the requested date range and format and charge per hour to do so. The hours to complete the work will be priced at the prevailing PCG

developer rates. The DISTRICT shall be obligated to pay prior to delivery of the data.

VI. CONFIDENTIALITY

- A.** The parties recognize that this Participation Agreement concerns the use of information subject to federal and state laws including the Family Educational Rights and Privacy Act (“**FERPA**”) and the Individuals with Disabilities Education Act (“**IDEA**”).
- B.** The parties shall comply with the requirements of applicable federal and state laws relating to the confidentiality of information and agree to amend this Participation Agreement as may be necessary to reflect changes in the applicable law.
- C.** PCG shall request from the DISTRICT, and the DISTRICT shall provide to PCG, only such information as is reasonably necessary to effectuate the purposes of this Participation Agreement. PCG shall take steps to safeguard all confidential information that it receives or creates pursuant to this Participation Agreement.
- D.** PCG shall not use confidential information received from the DISTRICT identifying individual students for any purpose other than the purposes of this Participation Agreement or other purposes expressly directed or allowed by the DISTRICT in a writing signed by the DISTRICT, and shall immediately notify the DISTRICT (unless otherwise prohibited by applicable law) if such confidential information is subpoenaed or requested by a third party, or otherwise required to be disclosed by a lawful court order or by operation of law, or is improperly used, copied, or removed.
- E.** If the DISTRICT determines it necessary in order to comply with its obligations under law, the DISTRICT may examine facilities, systems, procedures, and records of PCG to the extent necessary in order to confirm the adequacy of security measures as they relate to this Participation Agreement, subject to adequate advance written notice of no less than ten (10) business days and any examination requiring physical access to PCG’s facilities or records shall take place during PCG’s normal business hours of operation and in a commercially reasonable manner.
- F.** Upon expiration or termination of this Participation Agreement, and subject to Section V.B above, PCG shall use reasonable and secure means to return or destroy (as directed in writing by the DISTRICT) all documentary information protected by federal or state confidentiality laws that was received or created by PCG under this Participation Agreement. To the extent that destruction or return is not feasible, PCG will continue to extend

the protections of the Agreement to such information and limit its further use, until such time as destruction or return is feasible.

- G. Nothing in this Participation Agreement is intended to confer any rights, remedies, obligations, or liabilities upon anyone other than the DISTRICT, PCG, and their respective successors and assigns.

VII. TERMINATION

This Participation Agreement may be terminated before the end of the term specified in Section II, as follows:

- A. **For Convenience:** The DISTRICT or OSDE may terminate the Agreement for convenience only if the DISTRICT or OSDE determines that termination is in the best interest of the party. The DISTRICT or OSDE shall terminate the Contract for convenience by delivering to PCG a Notice of Termination for Convenience specifying the terms and effective date of Agreement termination. The Agreement termination date shall be a minimum of 30 days from the date the Notice of Termination for Convenience is issued by the DISTRICT or OSDE.
- B. **For Cause:** Any party may terminate this Participation Agreement if another party materially breaches its terms. This provision applies only if the non-breaching party provides written notice to the breaching party, and allows at least five (5) business days to cure the breach before the effective date of termination stated in the notice.
- C. **Authorizing Agreement:** PCG or OSDE may terminate this Participation Agreement immediately upon written notice in the event that the PCG Contract or the Authorizing Agreement is terminated or materially amended in such a manner as to materially affect the purpose of, or obligations set forth in, this Participation Agreement.
- D. **Provider Qualifications:** PCG or OSDE may terminate this Participation Agreement immediately in the event that a health care provider for the DISTRICT fails to maintain appropriate licensure or other qualifications for providing covered services.
- E. **DISTRICT Qualifications:** PCG or OSDE may terminate this Participation Agreement immediately in the event that the DISTRICT fails to maintain appropriate qualifications for participating in the program.

VIII. OWNERSHIP INTERESTS AND LICENSE

Subject to the terms and conditions of this Agreement, including the DISTRICTS's performance of its obligations hereunder, PCG shall license its proprietary systems (i) EasyTrac™ (including application and related supporting services) and/or (ii) PCG Claiming System to the DISTRICT, as more fully described below.

A. Definitions:

- (i)** "EasyTrac™" means: (i) the Internet-based services described herein; (ii) all products related to such services; and (iii) the Documentation developed by PCG for distribution and use in combination with the foregoing.
- (ii)** "PCG Claiming System" means: (i) the Internet-based system PCG uses for MAC herein; (ii) all Random Moment Time Study and cost reporting services; and (iii) the Documentation developed by PCG for distribution and use in combination with the foregoing.

B. PCG grants to the DISTRICT, and the DISTRICT accepts, a non-exclusive, non-transferable, non-sublicensable right and license, during the Term only, to access via the Internet and use EasyTrac™ and/or the PCG Claiming System to the extent reasonably necessary in performing related service coordination functions.

C. PCG grants to DISTRICT, and DISTRICT accepts, a non-exclusive, non-transferable, non-sublicensable royalty-free license under PCG's copyrights in PCG's documentation, during the Term only: (i) to incorporate PCG's documentation, in whole or in part, into other written materials prepared by or for the DISTRICT with respect to EasyTrac™ and/or the PCG Claiming System; and (ii) to reproduce and distribute modified and original versions of PCG's documentation, in hard copy or in an on-line format, as part of the DISTRICT's documentation for EasyTrac™ and/or the PCG Claiming System, and, if such DISTRICT's documentation is in an on-line format, allow the DISTRICT users to make print copies of the same.

D. The DISTRICT shall not use or grant to any person or entity other than authorized the DISTRICT users the right to use EasyTrac™ and/or the PCG Claiming System, which users shall be subject to the terms set forth herein. EXHIBIT A
OPERATIONAL RESPONSIBILITIES
EFFECTIVE SCHOOL YEAR 2024-2025
SCHOOL-BASED HEALTH SERVICES PROGRAM

This exhibit provides the operational responsibilities assigned to the Oklahoma State Department of Education (OSDE), the School District, and PCG in accordance with the terms and conditions of the Participation Agreement for the Oklahoma Medicaid School-Based Health Services (SBHS) program.

OSDE

OSDE is the state agency responsible for oversight of Oklahoma public school district compliance with the requirements of the Individuals with Disabilities Education Act (IDEA), 20 USC § 1400, et seq. As part of that responsibility, OSDE is tasked with collecting and monitoring school district IEPs. Pursuant to the Authorizing Agreement between OSDE and the Oklahoma Health Care Authority (OHCA), OSDE has been charged with the responsibility of developing and approving program practices and policies and for the administration of the Oklahoma School-Based Medicaid program through a contracted third-party administrator, Public Consulting Group, Inc. (PCG), in collaboration with OHCA.

PCG

OSDE contracts with PCG to act as a third-party administrator to fee-for-service (FFS) and Medicaid Administrative Claiming (MAC):

FFS

1. Serve as the single point of contact for School Districts that are either interested in participating or are participating in the SBHS program.
2. Provide initial training to the School District's health-related provider's program liaisons that will cover the overall program, participation requirements, and the processes for logging services, claiming supporting documentation, managing caseloads, and generating service reports in OK EDPlan™.
3. Provide ongoing OK EDPlan™ and program support to the School District.
 - Email support will be provided via the email links on the OK EDPlan™. Message Board page
 - Phone support will be during the hours of 9:00 AM and 5:00 PM local time, excluding weekends and holidays. PCG will provide a toll-free or local number. This number will connect the School District contact with PCG's OK EDPlan™ help desk.
 - Provide annual ongoing training to the School District's health-related providers and program liaisons that will cover the overall program, participation requirements, and the process for logging services, claiming supporting documentation, managing caseloads, and generating service reports in OK EDPlan™.
4. Prepare and update as appropriate, a Compliance Checklist identifying the relevant Medicaid documentation rules for the OK School-Based Medicaid program.
5. Based on the information entered on OK EDPlan™ by School District as well as the compliance check options agreed to in the Compliance Checklist, process, generate, and submit claims to OHCA on behalf of OSDE and all School Districts participating in the program.
6. Bill Medicaid for School Districts properly logging services and claim support documentation in OK EDPlan™.

7. Review Remittance Advices from OHCA to reconcile, correct denied claims, and void claims as appropriate.
8. Generate and provide claiming and compliance reports to School District.
9. Perform annual program integrity reviews pursuant to the SBHS audit plan approved by OSDE.
10. Retain service documentation that supports its claims for Medicaid reimbursement and meets the minimum Medicaid and OHCA requirements for 6 years (OHCA Policies and Rules: 317:30-3-15). Records that are part of an ongoing compliance review, audit, grievance, or litigation require that the documentation be retained beyond 6 years.

MAC

PCG has developed a description of reimbursable MAC activities performed by District contract or salaried staff. This list is in accordance with CMS guidelines. A description of the MAC activities can be found in the Time Study Implementation Guide. Therefore, PCG will:

1. Review District MAC claims for Medicaid reimbursement on a quarterly basis.
2. Compile documentation as set forth by CMS guidelines and calculate a MAC claim for reimbursement.
3. Issue payment to the District representing all of the federal share of actual and reasonable costs less PCG's administrative fee for MAC activities provided by the District, as determined by CMS approved cost allocation methodologies and time study formulas.
4. Prepare claims to OHCA, on behalf of OSDE, to forward for funding to CMS for Title XIX participation.
5. Calculate MAC claims directly in the PCG Claiming System and District financial personnel will be able to view the calculation.
6. Notify the District in the event of any changes made by CMS to federal matching percentages or costs eligible for match.
7. Assist Districts via the help desk with program components including but not limited to education and training, and technical assistance for the SBHS program. The PCG Claiming System will provide a variety of resources.
8. Distribute MAC reimbursement funds to the District via Electronic Funds Transfer (EFT). PCG is obligated to reimburse funds to the extent that PCG receives funds from OHCA, excluding appropriate administrative fees as agreed between OSDE and PCG. PCG reserves the right to withhold distribution of payment(s) if the District is in a payback situation for any program component.

School District

FFS

1. Designate a liaison who has decision-making authority, or reports directly to someone who has such decision-making authority with respect to all matters in the Participation Agreement (including its exhibits). The liaison will serve as the primary point of contact with OSDE and PCG.
2. Actively participate in this program and be available for training sessions in accordance with an agreed schedule and for other required tasks, activities, and approvals.
3. Enroll as a Medicaid provider. This includes notifying Medicaid of any change in address, tax ID, or other information required to keep Medicaid provider enrollment records current at all times.
4. Obtain a National Provider Identifier (NPI) for billing transaction purposes.

5. Have its rendering providers enroll as a Medicaid provider (contract with OHCA), re-enroll as a Medicaid provider (re-new contract with OHCA) and obtain an NPI. The Medicaid provider ID and its effective dates must be recorded in OK EDPlan™. The School District must have all rendering providers linked to its Medicaid ID via Appendix A in OHCA's portal before submitting claims for Medicaid reimbursement.
6. Complete paperwork for PCG to submit and receive electronic claims and electronic Medicaid enrollment data on behalf of school district.
7. Obtain one-time written parental consent to disclose information and bill Medicaid for services and to provide the parent or guardian with initial and annual notice of the disclosure.
8. Obtain a separate physician referral for Physical Therapy services.
9. Obtain a separate prior authorization for Personal Care services.
10. Ensure that its rendering providers (employees or contractors who perform direct medical services) meet all of Medicaid's licensure, certification, and other criteria to qualify as Medicaid providers and provide services for which Medicaid reimbursement is claimed.
11. Initially set up and manage ongoing access and supervisor links for its health-related service providers in OK EDPlan™
12. Have its health-related service providers record all health-related services they provide to special education students in OK EDPlan™. PCG will not submit claims for any services not entered in OK EDPlan™.
13. Have its liaison record all necessary claim support documentation in OK EDPlan™.
14. Provide all services that are listed in the student's IEP, regardless of whether the services are Medicaid-covered and can be billed to Medicaid. (PCG will submit Medicaid claims only for Medicaid-covered services.)
15. Be responsible for the accuracy and completeness of the data its employees provide for claim submission. Errors must be corrected as soon as possible. School District, not OSDE or PCG, is accountable for any errors or omissions.
16. If audited by the State or Federal Government or their agents, disclose all Medicaid records required for audit purposes.
17. Safeguard student records in accordance with the Family Educational Rights and Privacy Act (FERPA), applicable provisions of HIPAA, and all applicable OK state laws.
18. Be responsible for informing its program participants of all relevant privacy regulations and policies.
19. Ensure the availability of non-federal (state/local) funds expended for Medicaid covered services equal to the required state share match. Districts can only use state/local monies for matching Medicaid. Districts may not use federal funds for the required match. If a federal grant has a cash match requirement, the funds used for the match cannot also be used as a match for Medicaid.
20. Participate in the program financing model by transferring state matching funds to OHCA, equaling the non-federal matching funds required for receipt of federal Medicaid funding for the service.
21. Retain service documentation that supports its claims for Medicaid reimbursement and meets the minimum Medicaid and OHCA requirements.
22. Comply with the requirements of the OK Medicaid Billing Services Compliance Checklist.
23. As used in this Exhibit, "records" includes books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of

computer data, or in any other form. In accepting any Contract with the State, the School District agrees that any pertinent State or Federal agency will have the right to examine and audit all records relevant to execution and performance of the resultant Contract.

The District is required to retain records relative to the Contract for the duration of the Contract and for a period of six (6) years following completion and/or termination of the Contract. If an audit, litigation, or other action involving such records is started before the end of the six (6) year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved, or until the end of the six (6) year retention period, whichever is later.

24. Unless otherwise specified in the Oklahoma Open Records Act, Central Purchasing Act, or other applicable law, documents and information School District submits as part of or in connection with a contract are public records and subject to disclosure. School District claiming any portion of their contract as proprietary or confidential must specifically identify what documents or portions of documents they consider confidential and identify applicable law supporting their claim of confidentiality. The Superintendent of OSDE (STATE OF OKLAHOMA) shall make the final decision as to whether the documentation or information is confidential.

District shall cooperate in the defense of any disallowance claim arising in connection with this Agreement. Any defense costs associated with the disallowance on claims attributable to errors or omissions caused by District shall be borne by District. District agrees and understands that the federal government may levy a disallowance on the Medicaid expenditures made in connection with this Agreement. District also agrees and understands that disallowances levied may or may not be upheld, in whole or in part, if appealed. District shall be responsible for any disallowance, deferral, or recoupment.

MAC

1. District will designate an employee(s) to act as a liaison with PCG for issues concerning this Agreement, administration of the MAC component of the SBHS program, and financial information. The District may choose to designate more than one person based on roles and responsibilities as Districts are required to have a replacement available to perform program requirements in the case of an absence. If the designated employee(s) changes roles or leaves the District must provide written notice to PCG within ten (10) business days.
2. District must participate in the fee-for-service component of the SBHS program in order to participate in the MAC component for reimbursement.
3. District will meet all deadlines to submit required information to PCG for the purposes of the SBHS program.
4. District must accept quarterly MAC reimbursement payment(s) via EFT and provide PCG the appropriate banking information to conduct the transaction. If there are changes to the District's bank information such as account number, the District must provide written notice to PCG within ten (10) business days. PCG is not responsible for any fees in the event the District does not provide correct or updated bank information.
5. The accounting system used by the District or its contractor must comply with the requirements contained in 2 CFR 220.
6. District must follow the policies and procedures contained in the "Time Study Implementation Guide" approved by CMS.
7. District will maintain or coordinate a contractor's assistance in maintaining an OSDE/OHCA/CMS approved MAC component to include training, the use of standardized sample forms, sampling, the development and maintenance of clearly identifiable cost accounting pools, and the application of sample percentages to accounting pools in a manner which will document the process for audits.

8. District will report quarterly salary and benefit, and contracted personnel costs for participants that are included on the related Random Moment Time Study (RMTS) staff pool list. Costs are reported on a cash basis. Each quarter's costs must be certified by an authorized financial representative of the District.
9. District must sign and return to PCG the non-federal matching dollars, also referred to as quarterly Certification of Public Expenditures (CPE) form(s), and/or other documentation determined by OHCA to be necessary to verify that the District has expended the state / local funds reflected in the certification. The CPE form must be signed and dated by an authorized financial representative on behalf of the LEA. The funds expended and reported in the CPE must be funds other than federal funds.
10. Quarterly CPE forms are generated with the claim and distributed electronically. The District will need to sign each quarter's CPE in the PCG Claiming System before disbursement of MAC funds.
11. District shall monitor employee participation to ensure that every RMTS form is completed. The District must meet the minimum return rate compliance of 85% of moments assigned each quarter. After the first quarter of RMTS non-compliance, the District is required to submit a Corrective Action Plan (CAP) outlining a plan to meet compliance. After two consecutive quarters of RMTS non-compliance, the District is required to document why the strategy in the CAP was not effective and submit a revised CAP. After three consecutive quarters of RMTS non-compliance, the District may be removed from participating in the MAC component of the SBHS program. Non-compliance measures may change at any time based on direction from OSDE/OHCA or a federal entity. Submission of and compliance with a CAP is not the exclusive remedy for non-compliance by the District. In addition to requiring the adoption and implementation of a CAP, claims for MAC may be denied and/or recouped as a result of non-compliance.

Compliance Reviews

1. A LEA receiving MSBC Program funds will be subject to a comprehensive compliance review conducted no less than once every four years. The LEA will comply with all required next steps as a result of findings.
2. Any recoupment or disallowance of funds for any reason, including as a result of an audit exception, disallowance or comprehensive compliance review, or deferral or denial by CMS or OHCA, will be the exclusive responsibility of the District, regardless of when the recoupment or disallowance is issued or whether the District has withdrawn from the SBHS program. PCG shall have no liability for any such recoupment or disallowance of funds. If a recoupment is requested, payment by the District is due on demand.
3. District will comply with all applicable federal, state, and local laws, rules and regulations, program requirements, OSDE and OHCA policies, and procedures governing performance of duties under this Agreement, including but not limited to an annual audit conducted in accordance with the Single Audit Act of 1984 and all applicable amendments.
4. District agrees to maintain and furnish records and documents from the date of payment, both medical and non-medical, as may be required by applicable federal and state laws. The LEA will allow PCG or designees reasonable access during regular business hours to review, copy or obtain specific records or documents and will cooperate with PCG or designee to facilitate the information and record exchanges necessary for quality management, utilization management, or other processes required for SBHS program operations.
5. District shall comply with all deadlines set by PCG regarding compliance reviews, deliverable and documentation deadlines, and respond to PCG in a timely manner. It is the responsibility of the District to stay informed regarding deadlines and program changes through, newsletters, trainings, as well communications sent by PCG.

6. Should a District not submit documentation that meets all SBHS program documentation requirements to substantiate cost reported or reimbursement received or fails to submit required documentation within the outlined required timeframe if/when selected for a compliance review all monies determined owed are subject to recoupment.
7. All documentation submission for compliance reviews must be made in an acceptable format depending on the content of the data and District is responsible for delivery timelines despite service provider or methods of delivery used. All data that contains private, confidential student data must be submitted securely, and the District is responsible for alternate submission arrangements should technology prohibit secure electronic data submission.
8. District documentation, data certifications, and submissions should undergo a thorough review and quality check by the District to ensure accuracy. Certification language should be reviewed carefully to understand responsibility of accuracy and acknowledgement of consequences before submission to PCG.
9. District will comply with all program requirements as outlined in the MSBC Program Handbook and AMPM chapter 710 specific to school-based claiming prior to submitting costs for MAC claims. The LEA will submit all financial supporting documentation upon request. The LEA shall not engage in unallowable practices such as back-dating or any other alteration of the source document in order to falsify program compliance.
10. District will cooperate with periodic compliance reviews conducted by PCG and will comply with recommendations that result from those comprehensive compliance reviews. District will supply a dual certified CAP certified by two District representatives for areas identified as non-compliant during a compliance review.

EXHIBIT B – COMPLIANCE AGREEMENT

Each of the parties to this Participation Agreement agree to fulfill the compliance responsibilities assigned to it in this Exhibit B.

EXHIBIT B
COMPLIANCE CHECKLIST
EFFECTIVE SCHOOL YEAR 2024-2025
SCHOOL-BASED HEALTH SERVICES PROGRAM

Public Consulting Group (PCG) has been retained by the Oklahoma State Department of Education (OSDE) to administer the School Based Health Services (SBHS) program for all participating school districts (hereafter referred to as “School District”). PCG will provide Medicaid billing services pursuant to the contract between the Oklahoma Health Care Authority (OHCA) and OSDE, the contract between OSDE and PCG, and the Participation Agreement among OSDE, PCG, and School District.

This Medicaid Billing Services Compliance Checklist is intended to help School District comply with applicable Medicaid billing requirements. It is a requirement of the SBHS program that OSDE reviews the Checklist together with PCG before the start of each school year, that OSDE executes the Checklist and delivers it to School District before the start of each school year, and that School District complies with the Checklist throughout the school year. The current Compliance Checklist will remain in effect until a new checklist is signed.

All Medicaid billing must be in compliance with all applicable Medicaid requirements, including those relating to documentation. School District’s failure to maintain the required documentation could result in a recoupment of Medicaid payments.

- **School District is responsible for the accuracy of the data it enters into OK EDPlan™, hereafter referred to as “PCG System” and data that it otherwise sends to PCG for Medicaid billing purposes.**
- **School District is responsible for ensuring that claims are not submitted for direct service delivery that was not provided. For example, School District must ensure that claims for direct service delivery are not submitted on dates when student attendance data does not show student as “present” in school.**
- **School District is responsible for maintaining all documentation necessary to support the payment of Medicaid claims.**
- **In the event of a state or federal Medicaid audit, School District is responsible for producing the required documentation, including documentation that may not be referenced in this Compliance Checklist.**
- **School District is responsible for controlling School District user access to the PCG System, including managing passwords and activating and inactivating user access.**

PCG will perform a review of participating School District information based on the data provided by the School District before using that data to bill Medicaid on behalf of School District. The purpose of such “pre-billing checks” is to help School District avoid the submission of claims to Medicaid that do not satisfy Medicaid requirements.

The following Compliance Checklist covers many standard Medicaid documentation requirements for school-based Medicaid direct services billing programs. This is not a comprehensive list of every requirement of the program for which School District will be responsible to provide supporting documentation. **It remains the responsibility of School District to ensure that it is not providing inaccurate documentation to PCG, or otherwise providing information that would lead to the submission of inaccurate claims.**

Please contact PCG if you have any questions about the foregoing outline, or any of the items below.

Services

The SBHS program covers the following services. PCG will provide Medicaid billing services, and pre-billing checks, for each of the following school-based services submitted by School District.

Audiology
Assistive Technology
Child Health Screening
Hearing Screening and Services
Immunizations
Nursing (LPN and RN)
Occupational Therapy

Personal Care
Physical Therapy
Psychological Evaluation and Testing
Psychotherapy Services
Speech Language Therapy Services
Therapeutic Behavioral Services
Vision Screening and Services

Pre-Billing Checks

The services selected above will be subject to the following pre-billing checks. These checks do not relieve the School District of its responsibility to provide and maintain accurate documentation and information.

1. Medicaid ID

REQUIREMENT: Every student for whom a service is provided must have a valid Medicaid ID.

School District is responsible to provide correct student demographic data necessary to determine if the student has a Medicaid ID.

PCG will check Medicaid ID, based on School District data.

Before billing Medicaid, PCG will check Medicaid enrollment data obtained from the State Medicaid agency to confirm that the student has a valid Medicaid ID. If student does not have a valid Medicaid ID, the service will not be billed.

How should PCG expect to receive this information from School District?

Enrollment information will be obtained from the PCG System. The data that generates said information comes from School District.

2. Service Date Span

REQUIREMENT: Each service submitted to Medicaid must be within the time period that the student is covered by Medicaid.

PCG will check Medicaid Service Dates, based on School District data.

Before billing Medicaid, PCG will check Medicaid enrollment data to confirm that the service delivery dates are within the Medicaid date spans obtained from the State Medicaid agency. If the service date is not within the Medicaid date spans, the service will not be billed.

How should PCG expect to receive this information from School District?

Service information will be obtained from the PCG System generated by the data entered by School District.

3. Age

REQUIREMENT: Each service submitted to Medicaid must be age-appropriate.

School District is responsible to provide correct student demographic data necessary to determine if the student is the required age.

PCG will check student Age, based on School District data

Before billing Medicaid, PCG will check that the student is the required age on the date of service, based on Medicaid rules for the type of service submitted. For example, a student must be 3 years and older to receive a school-aged service. If the student is not of the appropriate age, then the service will not be billed.

How should PCG expect to receive this information from School District?

Demographic info will be obtained from the PCG System. The data that generates said information comes from School District.

Age Range: Between 3 years and less than 21 years as of the date of the school-based service.

4. Diagnosis Code

REQUIREMENT: Each service submitted to Medicaid must include a diagnosis code.

School District is responsible for verifying that the appropriate diagnosis code is selected and documented in the PCG system.

PCG will check that School District provided a diagnosis code, based on School District data.

Before billing Medicaid, PCG will check that School District has provided a diagnosis code pursuant to OHCA Policies and Rules 317:30-5-4. If a diagnosis code is not provided by School District, the service will not be billed.

Please select the method by which diagnosis codes are provided to PCG:

Provider-selected diagnosis code will be documented in the service log in the PCG System by School District. PCG will extract the diagnosis codes prior to each billing cycle.

School District is responsible for verifying that the appropriate diagnosis code is selected and on file.

5. Individualized Education Program (IEP) Dates

REQUIREMENT: Each service submitted by School District to PCG that requires an IEP for Medicaid billing must be supported by an IEP effective on the date of service documented by School District. It is

School District's responsibility to make sure that the IEP includes the student's name; description of medical condition; achievable, measurable, time-related goals and objectives that are related to the functioning of the student; the type of services the student will need, and the frequency and estimated length of treatments; and the duration of treatment. Note - PCG will not check or confirm that the IEP includes these items; School District must check and confirm that the applicable IEP has all necessary information for any service that School District submitted pursuant to that IEP. The recommendation for the services identified in the IEP, and the recommendation for the appropriate scope, frequency and duration of the service, must be made by a licensed practitioner of the healing arts operating within their scope of practice.

PCG will check that service delivery dates are within the IEP date span, based on School District data.

Before billing Medicaid, PCG will check that the service delivery dates are within the IEP date span in the PCG System. *It is the responsibility of School District to ensure that the related service is prescribed in the IEP for the appropriate duration to support billing.* If the service date is not within the IEP date span, the service will not be billed.

How should PCG expect to receive this information from School District?

IEP dates will be obtained from the PCG System. The data that generates said information comes from School District.

6. Referral/Order/Physician Authorization

REQUIREMENT: Physical Therapy services must be ordered in writing by a physician (M.D. or D.O.) to be covered by Medicaid; the prescription must be updated annually and maintained in the student's health record.

School District is responsible for ensuring that services with referral/order/physician authorization, and those with dates of service within the effective date of the physician's order, authorization, or referral, are documented in the PCG System.

Before billing a therapy service for Physical Therapy services, PCG will check the date of the physician's order, referral, or authorization, based on School District data.

Before billing Medicaid for a specified therapy service, PCG will check that the date of service is within the effective date of the physician's order, authorization, or referral provided by School District. If the service date is not within the effective dates of the order, authorization, or referral, the service will not be billed.

How should PCG expect to receive this information from the School District?

School District will enter these dates into the PCG System. PCG will extract these dates prior to each billing cycle.

7. Supervisor Sign-Off

REQUIREMENT: Certain specified services may be provided under the direction of or under the supervision of another clinician. For the supervising clinician, "under the direction of" means that the clinician is supervising the individual's care which, at a minimum, includes seeing the individual initially, prescribing the type of care to be provided, reviewing the need for continued services throughout treatment,

assuring professional responsibility for services provided, and ensuring that all services are medically necessary. "Under the direction of" requires face-to-face contact by the clinician at least at the beginning of treatment and periodically thereafter.

School District is responsible for ensuring that providers who meet the Medicaid qualifications have access to document services in the PCG System and that services delivered by providers requiring Supervisor Sign-Off are approved.

PCG will conduct Supervisor Sign-Off checks prior to billing for Nursing, Occupational Therapy, Physical Therapy, Speech Therapy, Therapeutic Behavioral Health, Hearing and Vision services.

For staff members who require documentation review, the supervising provider will use the service log approval wizard in the PCG System to approve appropriately supervised services. Before billing for these services, PCG will check to see if the services by providers without full licensure were approved in this way by School District. If the services are not approved in this way by School District, the services will not be billed.

How should PCG expect to receive this information from School District?

Service provider (clinicians, assistants, and aides) access and usage in the PCG System is managed by School District. The set-up requires School District to maintain and enter any supervisor signoff requirements.

Supervisor signoff information will be obtained from the PCG System. The data that generates said information comes from School District.

8. Provider Qualifications

REQUIREMENT: All School District service providers (clinicians, assistants, and aides) participating in the Medicaid school-based billing program must meet Medicaid and State license/certification requirements, as specified in State Medicaid billing rules. (Select one policy below.)

School District is responsible for ensuring that providers who meet the Medicaid and State license/certification requirements have access to document services in the PCG System. It is the responsibility of School District to obtain and maintain licensure/certification information.

PCG will conduct a pre-billing check that the date of service was a date on which provider was qualified, based on School District data.

Before billing Medicaid for a documented therapy service, PCG will check that the date of service was within the period that the provider was met Medicaid and State license/certification requirements, based on School District data in the PCG System. If the service date is not within the qualification dates, the service will not be billed.

How should PCG expect to receive this information from the School District?

Service provider (clinicians, assistants, and aides) access and usage in the PCG System is managed by School District. The set-up requires School District to enter licensure/certification information for Health-related staff and update it at minimum annually thereafter.

Licensure/certification information will be obtained from the PCG System. The data that generates said information comes from School District.

9. Parental Consent to Access Public Benefits or Insurance

REQUIREMENT: Under 34 CFR §300.154(d)(2)(iv), a public agency must obtain a one-time written parental consent before accessing a child's or parent's public benefits or insurance for the first time. Paragraph (A) of § 300.154(d)(2)(iv) describes the specific elements of the written parental consent that a public agency must obtain under FERPA and IDEA before it may release for billing purposes a child's personally identifiable information to a public benefits or insurance program (e.g., Medicaid). Paragraph (B) of § 300.154(d)(2)(iv) requires that the onetime consent must specify that the parent understands and agrees that the public agency may access the child's or parent's public benefits or insurance to pay for services. A public agency must also provide initial and annual written notification as described in 34 CFR §300.154(d)(2)(v) to ensure that parents are fully informed of their rights before a public agency can access their or their child's public benefits or insurance to pay for services under the IDEA.

Under all circumstances, School District is responsible for maintaining copies of parental consents to access public benefits as well as written notifications and, if applicable, revocations of such consents.

PCG will conduct a pre-billing check for parental consent to access public benefits, based on School District data

If the student has a consent date before the service date, and there is no revocation of consent documented thereafter, then the services will pass the check and be eligible for billing. If the service date does not follow an effective parental consent date, the service will not be billed.

How should PCG expect to receive this information from School District?

School District will enter the date of parent consent into PCG System.

10. Non-School Days (Weekends, Holidays, etc.)

REQUIREMENT: Claims may not be submitted for services on days when school is not in session, including but not limited to holidays, professional development days, weather-related closures, and weekends.

PCG will check Non-School Days before billing, based on School District data.

Before billing Medicaid, PCG will check that the date of service does not fall on a Non-School Day as defined in School District's PCG System calendar. If the service date falls on a Non-School Day, the service will not be billed.

PCG will check Weekends before billing, based on School District data.

Before billing Medicaid, PCG will check that the date of service does not fall on a weekend as defined in School District's PCG System calendar. If the service date falls on a weekend, the service will not be billed.

How should PCG expect to receive this information from School District?

Calendar info will be obtained from the PCG System. The data that generates said information comes from School District.

11. Prior Authorization

REQUIREMENT: Personal Care services must be prior authorized by the Medicaid agency or an agent of the Medicaid agency to be covered by Medicaid; the prior authorization must be updated annually and maintained in the student's health record.

Before billing for Personal Care services, PCG will check the date of the prior authorization, based on School District data.

Before billing Medicaid for a specified therapy service, PCG will check that the date of service is within the effective date of the prior authorization provided by School District. If the service date is not within the effective dates of the order, authorization, or referral, the service will not be billed.

How should PCG expect to receive this information from the School District?

School District will enter these dates into the PCG System. PCG will extract these dates prior to each billing cycle.

Attachment A: Individual Project Requirements

1. PROPOSAL TERMS & CONDITIONS

- a. All pricing listed in Proposal include labor. Rates are based on a commitment that work is to be performed during regular business hours; 8AM to 5PM local time, Monday through Friday. Certain equipment cannot be installed without PoE network drops, and many components require internet connection to perform maintenance tasks and basic functions.

- w. All project/shipping timelines are approximate until items are received in our warehouse. Project completion is subject to receipt of equipment. Estimated 3-4 weeks for equipment delivery unless otherwise specified in contract agreement. Installation will be scheduled once 100% of equipment has been received unless otherwise specified in the contract agreement.
- x. ImageNet will work with the client to schedule installation based on: a) the estimated arrival time of the components, b) all necessary action items required by the client as listed above, and c) any additional needs.

ACADEMIC ACHIEVEMENT

It is the intent of the District to establish practices and procedures which encourage the academic success of all students. The District recognizes that measures of student achievement are valued by students, parents, and other patrons and should be consistently and fairly employed as methods for evaluating student progress and informing student instruction.

I. Required Assessments

Student achievement is an important component of the educational process, serving as a primary source of information for determining the learning progress of individual students as well as the overall effectiveness of instructional programs.

Ongoing assessment of student achievement shall be conducted by the District in compliance with state law.

A. Purpose of Grades

The purpose of grading is to communicate as concisely as possible a student's academic progress. Grades should reflect a student's mastery of a given set of concepts and skills specified by the curriculum. Issuing regular grades provides a means of continuous evaluation of student performance and informs the student and parents/guardians of growth. Grades also provide a basis for bringing about change in student performance if such change seems necessary.

Each teacher is expected to communicate to students and parents/guardians the criteria and procedure for assigning grades.

The administrative staff, principals, and teachers shall continuously review and improve the methods of evaluating student progress.

B. Grading Period

1. Elementary School

A student must be enrolled a minimum of twenty (20) days in a quarter in order to receive a grade from the Norman Public Schools for that quarter.

2. Middle School

A student must be enrolled a minimum of twenty (20) days during a quarter in order to receive a grade from the Norman Public Schools for that quarter.

3. High School and Courses for High School Credit

A student must be enrolled 90% of the semester in a class in order to receive credit for that class.

C. Recording Grades

In accordance with 70 O.S. §24-114, two types of permanent scholastic records shall be kept for each student: (a) Cumulative Permanent Scholastic Records, and (b) Daily Attendance and Grade Records.

II. Student Records

A confidential, permanent record for each student in the District shall be maintained in accordance with state and federal laws and regulations and information from that record shall be released only in accordance with state and federal laws and regulations.

III. Commencement Participation

~~Students must complete 22 of the 23 units required for graduation in order to participate in commencement ceremonies.~~

Seniors who have completed a minimum of 21.5 of the 23 credits required for graduation are eligible to participate in graduation and commencement ceremonies. Students who have not met the minimum requirements may not be eligible to participate, except as provided below.

- A. Students who are credit deficient may be considered for participation in the commencement ceremony based on a review of individual circumstances. The school administration, in consultation with Student Services, will consider factors such as the student's academic progress, commitment to completing credit and graduation requirements, attendance, and any extenuating personal or family circumstances.
- B. If approved to participate in the commencement ceremony, credit-deficient students will be required to attend a graduation success plan meeting, understanding that they will not receive their diploma until all graduation requirements are met. The school will provide guidance and support to help these students complete the necessary credits and graduation requirements, and the administration will ensure timely and clear communication with students and families about credits and requirements status. Once the student has successfully completed all graduation requirements, the diploma will be awarded.

Students participating in the Oklahoma Alternate Assessment Program (OAAP) who have earned credits (23) and met graduation requirements for the alternate diploma as defined by House Bill 1041 amended 70 O.S. § 11-103.6 will participate in commencement ceremonies during the school year of completion. Under IDEA, students who have earned their Alternate Diploma will continue to receive FAPE through their 22nd birthday.

IV. Proficiency Promotion

In compliance with 70 O.S. §11-103.6, the District shall provide a proficiency-based promotion system. This system shall be based on the attainment by students of specified levels of competencies in each area of the core curriculum as identified in 70 O.S. §11-103.6: social studies, language arts, the arts, languages, mathematics and science.

The Superintendent or his/her designee shall be responsible for developing regulations to ensure such a proficiency-based promotion system.

If students demonstrate proficiency through an assessment process, appropriate notation will be entered on the high school transcript and credit will be given.

V. Promotion and Retention

In grades K – ~~5-8~~ no student shall be advanced to a higher-grade level after a recommendation of a teacher that the child should be retained in the child's present grade level unless a written request for such advancement is signed by a parent or guardian. A copy of the request shall be included in the permanent record of the student. ~~In grades 9-12 students are promoted or retained according to the number of credits earned.~~ In grades 6-8, if a parent chooses to retain their child for academic reasons, assessment results, age, social emotional maturity, previous placements, enrollment in special education programs, and/or other relevant information, a written request must be made to the school principals and placed in the permanent record of the student. In grade 9-12, promotion is based on credits earned.

~~A third-grade student who meets the criteria for retention may be promoted upon the recommendation of the Superintendent if the student qualifies for one of the good-cause exemptions provided for through the state's Reading Sufficiency Act. Midyear promotion will be available to eligible students pursuant to guidelines in state law (§70-1210.508).~~

VI. Concurrent Enrollment

In compliance with 70 O.S. §628.13, students in the District may concurrently enroll in an ~~Oklahoma~~ college or university as a special student if ~~he/she~~ **the student** has met all the enrollment criteria. Tuition waivers are available for qualifying seniors as determined by the participating institution of higher learning.

College or university courses may be counted as credit toward high school graduation requirements. If a student desires such credit, the student must submit grades to the site registrar. If submitted, the grade(s) received in the college or university course(s) will be recorded on the high school transcript when the registrar receives the grade(s) in writing from the College/University registrar. The grades will be used in the calculation of the student's GPA.

PARENTS' BILL OF RIGHTS

The board supports parents' efforts to be involved in the district's education programs. This policy outlines the district's efforts to educate parents and support parent involvement in response to the passage of HB1384, the 2014 Parents' Bill of Rights (O.S. 25 §2001).

- I. Parents have the right be involved in their minor child's education, including directing that education. Parents are encouraged to exercise their rights in conjunction with district guidance so as not to inadvertently impede their minor child's compliance with federal and state mandated requirements – including requirements related to graduation. Parents also have the right to review school records related to their minor child.
- II. Parents have the right to direct the upbringing of the minor child; including the right to direct the moral or religious training of the minor child.

School personnel will not attempt to encourage or coerce a child to withhold information from parents.
- V. Parents have the right to make healthcare decisions for the minor child, unless otherwise prohibited by law including:

In order to withdraw a student, the parent must submit a written request, signed and dated by a parent, to the building principal. Parents who choose to withdraw their minor child from a required class are responsible for making alternate arrangements for the child to earn credit for the class if alternative arrangements are not possible through consultation with the district.

VII. The district offers sex education in grades 6th, 7th and 8th. Parents who object to their minor child participating in the district's sex education program must submit a written notice, signed and dated by a parent, to the principal in order for their child to be excused from participation. Students who are not participating in the district's sex education program will be provided with an alternative assignment during sex education instruction.

VIII. If a teacher is going to provide instruction or presentations regarding personal sexuality in a course apart from formal sex education, the teacher will send written notice home to parents at least ten (10) days in advance of the presentation. In a course where personal sexuality is a part of the curriculum or personal sexual reproduction is a topic for discussion (i.e. Baby Steps), a syllabus will be sent home during the first week of the course. This requirement may be waived if the parent submits a note from the minor child's physician stating that the child should be excused from the immunization for health reasons or if the parent submits a note objecting to the immunization of the child or if the child qualifies for an exemption under the McKinney-Vento Homeless Education Assistance Act.
 - E. Students are required to meet certain obligations in order to be promoted to a subsequent grade, particularly with regard to learning to read. Parents can learn about these requirements – including efforts the district will take in order to help students become successful readers – by reviewing the district's policies on Reading Sufficiency Act testing, and student promotion.  - L. Students are required to attend school regularly, and the district is required to notify parents of any student absence unless the parent has already contacted the school to report the absence. The district will send a written notice to parents if their minor student appears to be in danger of exceeding the maximum allowable number of absences and will notify the district attorney and the parent if a child may be considered truant. Parents may contact the child's principal for additional information regarding student absences.
 - M. Parents have the right to review the district's courses of study and textbooks. Arrangements for this review can be made through the building principal.

Parents who wish to have additional information regarding these groups can obtain more detail through the principal's office.
 - Q. Parents may opt-out of selected district level data collection related to state longitudinal student data system reporting. Parents may not opt out of necessary and essential record collecting. Parents may file an opt-out request through the superintendent's office.
 - R. Parents may choose to restrict their child's access to certain books and/or materials in the school library. They may also choose to opt their child out of accessing all resources or materials in the school library. This includes books and e-books.
 - S. Parents may choose to opt their child out of receiving a public library card.
- XI. Parents requesting information outlined in this policy should submit written requests for information through the building principal, as noted in the respective section. Appropriate school personnel will either make the information available or provide a written explanation of why the information is being withheld within ten (10) days of the request. Any parent whose request is denied or who does not receive a response within ten (10) days may submit a written appeal to the Superintendent. In the event the Superintendent denies the written appeal, the requesting party may appeal in writing to the Board of Education at least seven business days prior to its next regular meeting.
- XII. Any attempt to encourage or pressure a minor child to withhold information from the child's parent shall be grounds for discipline of an employee of this state, any political subdivision of this state or any other governmental entity, except for law enforcement personnel.

CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Cleveland

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2024, as certified by the Board of Education of Norman Public Schools, District Number I-29 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2024 tax and the proceeds of the 2024 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at .0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.880 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 15.780 Mills, plus 4.320 Mills authorized by the Constitution, plus an emergency levy of 5.260 Mills; plus local support levy of 10.520 Mills; for a total levy for the General Fund of 35.880 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.120 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Norman Public Schools, School District No. I-29 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of .0% for delinquent taxes.
