APPENDIX C

UNITED COMPLETE TERMS AND CONDITIONS

1. Managed Services

- (a) "Managed Device" means the server, workstation, local area networking equipment, wide area networking equipment, and other IT components located at the Client location(s) specified above, so long as such Managed Devices have been disclosed to United Systems and meet the requirements of this Subscription. To be a Managed Device, the United Systems managed service agent program must be added to such component. Managed Devices do not include hardware or application software unless specifically listed on this Subscription.
- (b) United Systems will use commercially reasonable efforts to detect and avoid the malfunction of Managed Devices. Proactive services include monitoring, alerting and patch management. These services are designed to report to United Systems performance and availability data concerning Client's network and to alert United Systems' Customer Service Center to potential problems. Monitoring Services do NOT include the provisions of any intrusion detection services nor do they address any other security concerns.
- (c) United Systems will use diligent efforts to manage the restoration of malfunctioning Managed Devices to good working order. It is Client's responsibility to enter into appropriate warranty/replacement arrangements with hardware and software vendors, and to keep United Systems updated with all information required to enlist vendors' technical support including e-mail and phone contact information along with any customer codes or access information that may be required. All vendor and third-party technical support fees are the responsibility of Client. United Systems reserves the right to utilize the services of manufacturer's representatives for repairs guaranteed by those manufacturers under separate service contracts.
- (d) Client's data backup systems may be listed as a Managed Device on this Subscription. However, Client agrees and understands that, unless United Systems is providing Client with a fully managed backup solution under a separate Subscription, United Systems is only able to verify that backup systems are reporting proper operation and can make no guarantees as to whether or not actual backups are taking place. Client is solely responsible for ensuring that data backups have actually been performed and are available in the event of any failure of the backup subsystem which leads to any data loss or the inability of the backup subsystem to restore data at any time. United Systems has no liability for any costs associated with data recovery/disaster recovery services.
- (e) When requested by United Systems, Client will ensure that all office workstations and laptops will be left turned on at night so United Systems can perform required workstation maintenance and proactive support.
- (f) United Systems will use diligent efforts to deploy software patches for operating system software in a manner that will, in a timely fashion, address the security or functionality concerns for which a patch was released. United Systems will only deliver patches that have been tested and released by the original manufacturer of the software being patched. Client acknowledges that some patches may cause operating difficulties or "break" other software, and agrees that United Systems will not be responsible for the potential adverse effects of applying such a patch.
- (g) It is the responsibility of Client to ensure that all necessary materials are available, including manufacturer recovery media for software and other software to be reloaded. In no way is United Systems liable for defects or "bugs" in software, or for correcting errors introduced into the data, programs, or any other software due to hardware failure, or for any cost of reconstructing software or lost data. Any technical support required to restore data integrity or to make any system function, such as, but not limited to, rebuilding corrupted records, examining files, re-installation of O/S or Software, or re-indexing databases, will be billed separately on a time and materials basis.

2. Normal Business Hours Support

Unless otherwise expressly agreed on the Subscription, United Systems provides Services under this Subscription only during Normal Business Hours, and all work performed by United Systems after Normal Business Hours will be billable to Client as an additional Service, per the terms of the Agreement.

3. Hardware

United Systems does not provide hardware warranty or maintenance services, and does not maintain an inventory of spare parts or replacement hardware. It is Client's responsibility to enter into appropriate warranty/replacement arrangements with hardware vendors. United Systems will use reasonable efforts to coordinate with hardware warranty/maintenance providers in the repair and replacement of defective hardware. United Systems reserves the right to utilize the services of manufacturer's representatives for repairs guaranteed by those manufacturers under separate service contracts. United Systems shall have no obligation with respect to components that are identified by its manufacturer as a consumable or expendable item including, but not limited to, printer cartridges, fuser assemblies, batteries, print heads, magnetic media, paper supplies and similar items; handling all such items are the Client's responsibility.

4. Requirements for Managed Devices

- (a) All Managed Devices must operate in a clean, well ventilated and temperature controlled environment which is free of dust and smoke.
- (b) All Servers with Microsoft Windows Operating Systems must be running Windows 2008 R2 Server or later, and have all of the latest United Systems' approved Microsoft Service Packs and Critical Updates installed. All Servers with Apple Macintosh Operating Systems must be running Snow Leopard Server (10.8.x) or later, and have all of the latest United Systems-approved Apple Software Updates installed.
- (c) Managed Devices with original manufacturing dates 48 months or more prior to the Effective Date of this Subscription are excluded from inclusion of coverage unless it is agreed that the unit will be "lifecycle" replaced within six months from the inception of this Subscription. In the event such Managed Devices are not replaced within six months any Services performed on them shall become billable at United Systems' current rate, less any applicable discounts due, per United Systems United Complete discounting.
- (d) Critical Servers and Network infrastructure must be protected under an enterprise warranty with next day on-site parts replacement.
- (e) Managed Devices must have a valid manufacturer's serial number, and Client must notify United Systems if it moves the primary location for any Managed Device to a different Client site.
- (f) It is recommended that all Managed Devices must be attached to a power surge protection device which has been UL® Listed with a protection threshold of at least 200 joules.
- (g) All Desktop PC's and Notebooks/Laptops with Microsoft Windows Operating Systems must be running Windows 7 Pro or later, and have all of the latest Microsoft Service Packs and Critical Updates installed. All Desktop Mac's and Laptops with Apple Macintosh Operating Systems must be running Snow Leopard (10.6.x) or later, and have all of the latest Apple Software Updates installed. If there are desktops/laptops that cannot meet this requirement due to hardware requirement deficiencies, they will still be covered under this Subscription but will not be subject to the response times listed in Appendix B.
- (h) All Server and Desktop Software must be genuine, licensed and vendor-supported.
- (i) The Managed Devices must have a currently licensed, up-to-date and United Systems-approved or provided Server-based Antivirus Solution protecting all Servers, Desktops, Notebooks/Laptops, and Email. No other Antivirus/Antimalware may be installed on the Managed Devices.

- (j) The Managed Devices must have a currently licensed, United Systems-approved server-based backup solution that can be monitored, and send notifications on job failures and successes. The system cannot be tape based and must include an off-site component.
- (k) The environment must have a currently licensed, vendor-supported hardware firewall between the internal network and the Internet that also provides network layer anti-virus and anti-spyware protection.
- (l) All Wireless data traffic in the environment must be securely encrypted with a minimum of the WPA2 encryption standard.
- (m) There must be an outside static IP address assigned to a network device, allowing VPN access.
- (n) United Systems may install remote monitoring and management software on Managed Devices as needed in order to comply with the terms of this Subscription. Client agrees to not disable this software during the term of this Subscription.

Material and labor costs required to bring Client's current environment up to these minimum standards are not included in this Subscription unless specifically agreed in writing by the parties.

Managed Devices that initially meet the above standards can later begin chronically failing. This means that the Managed Device repeatedly breaks down and consistently causes user and business interruption even though repairs are accomplished. Should this occur, while rare, Client agrees to work constructively and positively with United Systems to replace the Managed Device at additional cost through United Systems.

5. Disaster Planning

A formal disaster recovery or business continuation plan is NOT within the scope of this Subscription. Although the services to be provided under this Subscription are designed to provide managed IT continuity and will, under certain conditions, help Client recover from certain disasters, it should in no way be considered a formal disaster recovery or business continuity plan. If Client requires a disaster recovery or business continuation plan, including testing of the plan, United Systems can assist Client with the development of such a plan. All time spent in the development and testing of this plan would be billable at a discounted rate or as an agreed additional service.

6. Documentation

United Systems will, at its expense, maintain updated documentation on Managed Devices to facilitate the providing of Service. Upon termination of the Agreement, if Client has paid all amounts due under the Agreement, Client will be provided with a printed or electronic copy of such documentation upon written request.

7. Exclusions

United Systems is not required to provide any Services except those Services expressly set forth in this Subscription. Without limiting the foregoing, the following items, fees, and/or services are excluded from the Service under this Subscription; any work performed related to the following will be billed at United Systems' standard rates:

- (a) Any service(s) required due to treatment or attempts to install, repair, maintain, or modify any Managed Devices or related software or peripherals by a non-United Systems authorized person or entity, including but not limited to negligent acts, improper configuration changes, new application installations, and upgrade installations.
- (b) Managed Device(s) which cannot be properly serviced due to end of life conditions, other withdrawal or termination of warranty or support by the manufacturer, unavailability of documentation or parts, or that exhibit excessive damage. United Systems will use commercially reasonable efforts to provide thirty (30) days' notice to Client of any issues under this clause.

- (c) Provision of supplies or accessories for any Managed Device(s) or electrical work external to Managed Device(s).
- (d) Maintenance of accessories, alterations, attachments, upgrades or other devices; or services related to any relocation of Managed Device(s) unless specifically listed in a Subscription.
- (e) The cost of any parts, equipment, or shipping charges of any kind.
- (f) Third-party software license fees, renewal fees, or upgrade fees of any kind (except in connection with software provided by United Systems in support of the Service).
- (g) The cost of any third-party vendor or manufacturer support or incident fees of any kind.
- (h) Programming (modification of software code) and program (software) maintenance.
- (i) Training services of any kind unless otherwise agreed in writing by United Systems.
- (j) Moving hardware from one physical address to another physical address.
- (k) United Systems covers only the maintenance support of the network connection of network enabled, shared printers/copiers, and the printer connection and printer drivers of locally attached printers. Any other printer maintenance is not covered.
- (l) Any peripheral attached to a workstation/laptop including, but not limited to USB hard drives, scanners, docking devices, cameras, and VoIP phones are not covered unless specifically listed on this Subscription.

8. E-Rate

- (a) Should Client receive E-Rate Basic Maintenance funding from the Universal Service Administrative Company (USAC) Schools and Libraries Division (SLD) for the SPIN of United Systems, the payments made to United Systems for E-Rate eligible services would be able to be applied to Client's portion required by the SLD.
- (b) This Subscription does not include parts, and parts will be billed on an "As needed basis". Upon approval from the SLD for Basic Maintenance with United Systems, the E-Rate Basic Maintenance Service Contract will cover parts under the rules of the program and will be billed as the incidents occur. Client will be billed its portion at the time the approved and eligible parts are invoiced.

1. **Services.** Wayfinder will provide Customer with the Services during the Term, as described in the Term Sheet.
2. **Invoicing and Payment Terms.** Program Fees (plus shipping costs, if applicable) will be invoiced annually in advance and are due within thirty (30) days after receipt of invoice. Program Fees may not be prorated, regardless of program start or end date. Wayfinder requests that payments be made electronically via direct deposit or ACH wire transfer. Wayfinder may charge interest equal to 1.5% of the unpaid balance of any outstanding invoice for each month, or a portion thereof, that the balance is unpaid. Payments will be credited first to interest charges and then to the unpaid balance. Customer shall be responsible for all collection costs, including reasonable attorneys’ fees, incurred by Wayfinder to collect amounts owed on any invoice.
3. **Ownership of Materials.** Customer acknowledges that Wayfinder retains ownership of all right, title and interest in and to the materials used by Wayfinder in connection with the Services, including the Curriculum, games, training products, assessment tools, reference documents, and other materials including all derivative works thereof (collectively, the “Materials”). Wayfinder may make Materials available in various ways, including, without limitation, through presenting Materials at training or consultation sessions, enabling Customer to download Materials from Wayfinder websites and file-sharing sites, and providing Customer with access to interactive websites. Customer acknowledges that Wayfinder retains all intellectual property rights therein and thereto (including without limitation, all patent rights, design rights, copyrights and trade secret rights) subject to the limited license granted to Customer below. Customer agrees not to (i) copy, modify, or reverse engineer any Materials, make derivative works based upon the Materials, or use the Materials to develop any products, without Wayfinder’s prior written approval, or (ii) sell, license, rent, or transfer Materials to any third party.
4. **Limited License.** Wayfinder hereby grants to Customer and Customer accepts a non-transferable, non-exclusive license to use the Materials, subject to the terms and conditions set forth herein, as applicable. Customer may use, copy, adapt, and distribute the Materials only for purposes of program implementation. Customer must obtain prior written approval from Wayfinder to use Materials for any other purpose, including sharing

any part of the Materials for non-commercial purposes with other schools, districts, teachers, and the like (such as at workshops or conferences). Under no circumstances may Customer distribute any Materials for any purposes intended or directed toward commercial advantage or monetary compensation or distribute outside Customer any Customer-created derivatives or revisions of any Materials.

5. **Work Product.** Subject to Wayfinder's obligations with respect to confidentiality and student data privacy, Wayfinder retains the right to utilize any work product produced in connection with the Services and Materials, including but not limited to student responses to toolkit questions, student answers to survey questions, and other data and statistics related to use of the Materials, to conduct assessments, create case studies and prepare insights and data analysis regarding the Materials and student impact.
6. **FERPA.** The Services comply with all applicable provisions of the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). FERPA is a Federal law that protects personally identifiable information in students' education records from unauthorized disclosure. Wayfinder does not collect any student information that could be defined as "education records" under FERPA, however, in the event that FERPA is deemed to apply to any student information that Wayfinder does collect, as a service provider Wayfinder only processes such information for educational purposes and therefore comes within the "school official" exception under FERPA. In the event Wayfinder receives a subpoena or judicial order for the disclosure of education records, we will notify Customer prior to fulfilling the request in accordance with §99.31(a)(9).
7. **Confidentiality.**

(a) Each party acknowledges that, in the course of performing its duties under this Agreement, it may obtain information relating to the other party which is of a confidential and proprietary nature ("Confidential Information"). Such Confidential Information may include, but is not limited to, personal information of the parties and/or students, trade secrets, know how invention techniques, processes, programs, schematics, software source documents, data, customer lists, financial information, and sales and marketing plans or information which a party knows or has reason to know is confidential, proprietary or trade secret information of another party. Each party shall at all times, both during the Term and for a period of at least three (3) years after its termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than

as expressly authorized by the disclosing party, nor shall a party disclose any such Confidential Information to third parties without the written consent of the disclosing party.

(b) The obligations of confidentiality shall not apply to information which (i) has entered the public domain except where such entry is the result of a party's breach of this Agreement; (ii) prior to disclosure hereunder was already in the possession of another party; (iii) subsequent to disclosure hereunder is obtained by a party on a non-confidential basis from a third party who has the right to disclose such information to that party; or (iv) as required by law or a court order.

(c) No party shall disclose, advertise, or publish the terms and conditions of this Agreement without the prior written consent of the other party.

8. **Student Data.** Wayfinder shall not use student data gathered from students through the performance of the Services, including through Wayfinder's website or web application, to create a profile about a student or otherwise identify a student except in furtherance of specific Services as set forth in this Agreement.
9. **Publicity.** The parties may not use or refer to the name of the other party in any media release, public announcement, marketing materials, public disclosure or for any commercial purpose, without the prior written consent of the named party
10. **Status of Parties.** The parties shall be independent contractors in the performance of this Agreement, and nothing herein is intended or may be construed to make either party the employee, agent, partner, or representative of the other. Neither party shall represent to any third party that they are the employee, agent, partner, or representative of the other party.
11. **Right to Reschedule/Cancel.** If the Services include in-person training, Customer may reschedule or cancel the training by providing written notice to Wayfinder at least 90 days prior to the scheduled in-person training date. Customer is responsible for payment expenses incurred by Wayfinder prior to receipt of a timely notice of termination. Wayfinder will refund the balance of amounts previously paid, or if the amount of fees paid are not sufficient to compensate Wayfinder for expenses incurred prior to termination, Wayfinder will invoice Customer for such expenses. Customer will pay the invoiced amount within 10 days of receipt of invoice.

12. **Notices.** Any notice required under this Agreement shall be in writing, delivered by priority or overnight mail, any overnight delivery service, or via e-mail at such e-mail address(es) as a party may designate.

15. **Severability.** If any term or provision of this Agreement shall be found invalid, illegal, or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
16. **No Waiver.** The failure of either party to insist upon strict performance of any obligation of the other party hereunder, irrespective of the length of time for which such failure continues, shall not be a waiver of that party's right to demand strict compliance in the future.
17. **Amendment.** This Agreement may be changed, modified and/or amended only by a writing duly executed by the parties hereto.
18. **Counterparts.** This Agreement may be executed in one or more counterparts (including by electronic transmission), each of which shall constitute an original, and all of which shall constitute one and the same document.

Master Services Agreement

This Master Services Agreement (this "**Agreement**"), effective as of the date of last signature below (the "**Effective Date**"), is by and between Thirdline, Inc., a Delaware corporation ("**Provider**"), and Independent School District No. 29, Cleveland County, Oklahoma, a/k/a Norman Public Schools ("**Customer**"). Provider and Customer may be referred to herein collectively as the "**Parties**" or individually as a "**Party**."

WHEREAS, Provider provides access to the Services (defined below) to its customers; and

WHEREAS, Customer desires to access the Services, and Provider desires to provide Customer access to the Services, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Definitions.

(a) "**Aggregated Statistics**" means data and information related to Customer's use of the Services that is used by Provider in an aggregate and anonymized manner, including to compile statistical and performance information related to the provision and operation of the Services.

(b) "**Authorized User**" means Customer's employees, consultants, contractors, and agents (i) who are authorized by Customer to access and use the Services under the rights granted to Customer pursuant to this Agreement and (ii) for whom access to the Services has been purchased hereunder.

(c) "**Customer Data**" means, other than Aggregated Statistics, information, data, and other content, in any form or medium, that is submitted, posted, or otherwise transmitted by or on behalf of Customer or an Authorized User through the Services.

(d) "**Documentation**" means Provider's end user documentation relating to the Services.

(e) "**Provider IP**" means the Services, the Documentation, and any and all intellectual property provided to Customer or any Authorized User in connection with the foregoing. For the avoidance of doubt, Provider IP includes Aggregated Statistics and any information, data, or other content derived from Provider's monitoring of Customer's access to or use of the Services, but does not include Customer Data.

(f) "**Services**" means the offering described in each Statement of Work executed by the Parties. Each Statement of Work shall be incorporated herein by reference.

2. Access and Use.

(a) Provision of Access. Subject to and conditioned on Customer's payment of Fees and compliance with all the terms and conditions of this Agreement, Provider hereby grants Customer a non-exclusive, non-transferable (except in compliance with Section 12(g)) right to access and use the Services during the Term, solely for use by Authorized Users in accordance with the terms and conditions herein and as set forth in each applicable Statement of Work. Such use is limited to Customer's internal use. Provider shall provide to Customer the necessary passwords and network links or connections to allow Customer to access the Services.

(b) Documentation License. Subject to the terms and conditions contained in this Agreement, Provider hereby grants to Customer a non-exclusive, non-sublicensable, non-transferable (except in compliance with Section 12(g)) license to use the Documentation during the Term solely for Customer's internal business purposes in connection with its use of the Services.

(c) Use Restrictions. Customer shall not use the Services for any purposes beyond the scope of the access granted in this Agreement. Customer shall not at any time, directly or indirectly, and shall not permit any Authorized Users to: (i) copy, modify, or create derivative works of the Services or Documentation, in whole or in part; (ii) rent, lease, lend, sell, license, sublicense, assign, distribute, publish, transfer, or otherwise make available the Services or Documentation; (iii) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to any software component of the Services, in whole or in part; (iv) remove any proprietary notices from the Services or Documentation; or (v) use the Services or Documentation in any manner or for any purpose that infringes, misappropriates, or otherwise violates any intellectual property right or other right of any person, or that violates any applicable law.

(d) Reservation of Rights. Provider reserves all rights not expressly granted to Customer in this Agreement. Except for the limited rights and licenses expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver, estoppel, or otherwise, to Customer or any third party any intellectual property rights or other right, title, or interest in or to the Provider IP.

(e) Suspension. Notwithstanding anything to the contrary in this Agreement, Provider may temporarily suspend Customer's and any Authorized User's access to any portion or all of the Services if: (i) Provider reasonably determines that (A) there is a threat or attack on any of the Provider IP; (B) Customer's or any Authorized User's use of the Provider IP disrupts or poses a security risk to the Provider IP or to any other customer or vendor of Provider; (C) Customer, or any Authorized User, is using the Provider IP for fraudulent or illegal activities; (D) subject to applicable law, Customer has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; or (E)

Provider's provision of the Services to Customer or any Authorized User is prohibited by applicable law; (ii) any vendor of Provider has suspended or terminated Provider's access to or use of any third-party services or products required to enable Customer to access the Services; or (iii) in accordance with Section 5(a)(iii) (any such suspension described in subclause (i), (ii), or (iii), a "**Service Suspension**"). Provider shall use commercially reasonable efforts to provide written notice of any Service Suspension to Customer and to provide updates regarding resumption of access to the Services following any Service Suspension. Provider shall use commercially reasonable efforts to resume providing access to the Services as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Provider will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any Authorized User may incur as a result of a Service Suspension.

(f) Aggregated Statistics. Notwithstanding anything to the contrary in this Agreement, Provider may monitor Customer's use of the Services and collect and compile Aggregated Statistics. As between Provider and Customer, all right, title, and interest in Aggregated Statistics, and all intellectual property rights therein, belong to and are retained solely by Provider. Customer acknowledges that Provider may compile Aggregated Statistics based on Customer Data input into the Services. Customer agrees that Provider may (i) make Aggregated Statistics publicly available in compliance with applicable law, and (ii) use Aggregated Statistics to the extent and in the manner permitted under applicable law; provided that such Aggregated Statistics do not identify Customer or Customer's Confidential Information.

3. Customer Responsibilities. Customer is responsible and liable for all uses of the Services and Documentation resulting from access provided by Customer, directly or indirectly, whether such access or use is permitted by or in violation of this Agreement. Without limiting the generality of the foregoing, Customer is responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User that would constitute a breach of this Agreement if taken by Customer will be deemed a breach of this Agreement by Customer. Customer shall use reasonable efforts to make all Authorized Users aware of this Agreement's provisions as applicable to such Authorized User's use of the Services, and shall cause Authorized Users to comply with such provisions.

4. Service Levels. Subject to the terms and conditions of this Agreement, Provider will use commercially reasonable efforts to make the Services available at least ninety-nine and one half percent (99.5%) of the time as measured over the course of each calendar month during the Term (each such calendar month, a "**Service Period**"), excluding unavailability as a result of any of the Exceptions described below in this Section 4 (the "**Availability Requirement**"). "**Service Level Failure**" means a material failure of the Services to meet the Availability Requirement. "**Available**" means the Services are available for access and use by Customer and its Authorized Users over the Internet and operating in material accordance with the specifications. For purposes of calculating the Availability Requirement, the following are "**Exceptions**" to the Availability Requirement, and neither the Services will be considered unavailable nor any Service Level Failure be deemed to occur in connection with any failure to meet the Availability Requirement or impaired ability of Customer or its Authorized Users to access or use the Services that is due, in whole or in part, to any: (a) act or omission by Customer

or any Authorized User; (b) Customer Failure; (c) Customer's or its Authorized User's Internet connectivity; (d) force majeure event; (e) failure, interruption, outage, or other problem with any software, hardware, system, network, facility, or other matter not supplied by Provider pursuant to this Agreement; (f) scheduled downtime; or (g) disabling, suspension, or termination of the Services pursuant to Section 2(e).

5. Fees and Payment.

(a) Fees. Customer shall pay Provider the fees ("**Fees**") as set forth in Exhibit A (or in each applicable Statement of Work) without offset or deduction. Customer shall make all payments hereunder in US dollars on or before the due date set forth in Exhibit A (or in each applicable Statement of Work). If Customer fails to make any payment when due, without limiting Provider's other rights and remedies: (i) Provider may charge interest on the past due amount at the rate of 1.5% per month calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law; (ii) Customer shall reimburse Provider for all reasonable costs incurred by Provider in collecting any late payments or interest, including attorneys' fees, court costs, and collection agency fees; and (iii) if such failure continues for fifteen (15) days or more, Provider may suspend Customer's and its Authorized Users' access to any portion or all of the Services until such amounts are paid in full.

(b) Taxes. All Fees and other amounts payable by Customer under this Agreement are exclusive of taxes and similar assessments. Customer is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Customer hereunder, other than any taxes imposed on Provider's income.

(c) Auditing Rights and Required Records. Customer agrees to maintain complete and accurate records in accordance with generally accepted accounting principles during the Term and for a period of two years after the termination or expiration of this Agreement with respect to matters necessary for accurately determining amounts due hereunder. Provider may, at its own expense, on reasonable prior notice, periodically inspect and audit Customer's records with respect to matters covered by this Agreement, provided that if such inspection and audit reveals that Customer has underpaid Provider with respect to any amounts due and payable during the Term, Customer shall promptly pay the amounts necessary to rectify such underpayment, together with interest in accordance with Section 5(a).

6. Confidential Information. From time to time during the Term, either Party may disclose or make available to the other Party information about its business affairs, products, confidential intellectual property, trade secrets, third-party confidential information, and other sensitive or proprietary information, whether orally or in written, electronic, or other form or media whether or not marked, designated, or otherwise identified as "confidential" (collectively, "**Confidential Information**"). Confidential Information does not include information that, at the time of disclosure is: (a) in the public domain; (b) known to the receiving Party at the time of disclosure; (c) rightfully obtained by the receiving Party on a non-confidential basis from a third

party; or (d) independently developed by the receiving Party. The receiving Party shall not disclose the disclosing Party's Confidential Information to any person or entity, except to the receiving Party's employees who have a need to know the Confidential Information for the receiving Party to exercise its rights or perform its obligations hereunder. Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (i) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (ii) to establish a Party's rights under this Agreement, including to make required court filings. On the expiration or termination of the Agreement, the receiving Party shall promptly return to the disclosing Party all copies, whether in written, electronic, or other form or media, of the disclosing Party's Confidential Information, or destroy all such copies and certify in writing to the disclosing Party that such Confidential Information has been destroyed. Each Party's obligations of non-disclosure with regard to Confidential Information are effective as of the Effective Date and will expire five years from the date first disclosed to the receiving Party; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

7. Intellectual Property Ownership.

(a) Provider IP. Customer acknowledges that, as between Customer and Provider, Provider owns all right, title, and interest, including all intellectual property rights, in and to the Provider IP.

(b) Customer Data. Provider acknowledges that, as between Provider and Customer, Customer owns all right, title, and interest, including all intellectual property rights, in and to the Customer Data. Customer hereby grants to Provider a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data as may be necessary for Provider to provide the Services to Customer, and a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to reproduce, distribute, modify, and otherwise use and display Customer Data incorporated within the Aggregated Statistics.

(c) Customer Name and Likeness License. Customer hereby grants to Provider a non-exclusive, perpetual license to use Customer's name, logo, trademarks, copyrights, likeness and any other form of identification on Provider's marketing, promotional or other materials. Further, Customer hereby consents to Provider publicly displaying the foregoing on its website, social media and all other forms of public-facing materials, and consents to Provider indicating that Customer engaged Provider as a client and providing quotations from Customer and customer success stories.

8. Warranty Disclaimer. THE PROVIDER IP IS PROVIDED "AS IS" AND PROVIDER HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. PROVIDER SPECIFICALLY DISCLAIMS ALL IMPLIED

WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. PROVIDER MAKES NO WARRANTY OF ANY KIND THAT THE PROVIDER IP, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER'S OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER SERVICES, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

9. Indemnification.

(a) Provider Indemnification.

(i) Provider shall indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) ("**Losses**") incurred by Customer resulting from any third-party claim, suit, action, or proceeding ("**Third-Party Claim**") that the Services, or any use of the Services in accordance with this Agreement, infringes or misappropriates such third party's US intellectual property rights, provided that Customer promptly notifies Provider in writing of the claim, cooperates with Provider, and allows Provider sole authority to control the defense and settlement of such claim.

(ii) If such a claim is made or appears possible, Customer agrees to permit Provider, at Provider's sole discretion, to (A) modify or replace the Services, or component or part thereof, to make it non-infringing, or (B) obtain the right for Customer to continue use. If Provider determines that neither alternative is reasonably available, Provider may terminate this Agreement, in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer.

(iii) This Section 9(a) will not apply to the extent that the alleged infringement arises from: (A) use of the Services in combination with data, software, hardware, equipment, or technology not provided by Provider or authorized by Provider in writing; (B) modifications to the Services not made by Provider; or (C) Customer Data.

(b) Customer Indemnification. Only to the extent permitted by Oklahoma law, Customer shall indemnify, hold harmless, and, at Provider's option, defend Provider from and against any Losses resulting from any Third-Party Claim that the Customer Data, or any use of the Customer Data in accordance with this Agreement, infringes or misappropriates such third party's intellectual property rights and any Third-Party Claims based on Customer's or any Authorized User's (i) negligence or willful misconduct; (ii) use of the Services in a manner not authorized by this Agreement; (iii) use of the Services in combination with data, software, hardware, equipment, or technology not provided by Provider or authorized by Provider in writing; or (iv) modifications to the Services not

made by Provider, provided that Customer may not settle any Third-Party Claim against Provider unless Provider consents to such settlement, and further provided that Provider will have the right, at its option, to defend itself against any such Third-Party Claim or to participate in the defense thereof by counsel of its own choice.

(c) Sole Remedy. THIS SECTION 9 SETS FORTH CUSTOMER'S SOLE REMEDIES AND PROVIDER'S SOLE LIABILITY AND OBLIGATION FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE SERVICES INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

10. Limitations of Liability. UNLESS PROVIDER IS GROSSLY NEGLIGENT OR COMMITS WRONGDOING WILLFULLY, IN NO EVENT WILL PROVIDER BE LIABLE UNDER OR IN CONNECTION WITH THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY: (a) EXEMPLARY, SPECIAL, ENHANCED, OR PUNITIVE DAMAGES; (b) INCREASED COSTS, DIMINUTION IN VALUE OR LOST BUSINESS, PRODUCTION, REVENUES, OR PROFITS; (c) LOSS OF GOODWILL OR REPUTATION; (d) USE, INABILITY TO USE, LOSS, INTERRUPTION, DELAY, OR RECOVERY OF ANY DATA, OR BREACH OF DATA OR SYSTEM SECURITY; OR (e) COST OF REPLACEMENT GOODS OR SERVICES, IN EACH CASE REGARDLESS OF WHETHER PROVIDER WAS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE. IN NO EVENT WILL PROVIDER'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE EXCEED ONE TIMES THE TOTAL AMOUNTS PAID AND AMOUNTS ACCRUED BUT NOT YET PAID TO PROVIDER UNDER THIS AGREEMENT IN THE TWELVE MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

11. Term and Termination.

(a) Term. The initial term of this Agreement begins on the Effective Date and, unless terminated earlier pursuant to this Agreement's express provisions, will continue in effect until June 30, 2025 or six (6) months from such date (the "**Initial Term**"). This Agreement will automatically renew for additional successive one (1) year terms unless earlier terminated pursuant to this Agreement's express provisions or either Party gives the other Party written notice of non-renewal at least ninety (90) days prior to the expiration of the then-current term (each a "**Renewal Term**" and together with the Initial Term, the "**Term**"). The Provider has the right to modify its Fees hereunder for each Renewal Term.

(b) Termination. In addition to any other express termination right set forth in this Agreement:

(i) Provider may terminate this Agreement, effective on written notice to Customer, if Customer: (A) fails to pay any amount when due hereunder, and such failure continues more than twenty (30) days after Provider's delivery of written notice thereof; or (B)]breaches any of its obligations under Section 2(c) or Section 6;

(ii) either Party may terminate this Agreement, effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such breach; or

(iii) either Party may terminate this Agreement, effective immediately upon written notice to the other Party, if the other Party: (A) becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due; (B) files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (C) makes or seeks to make a general assignment for the benefit of its creditors; or (D) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

(c) Effect of Expiration or Termination. Upon expiration or earlier termination of this Agreement, Customer shall immediately discontinue use of the Provider IP and, without limiting Customer's obligations under Section 6, Customer shall delete, destroy, or return all copies of the Provider IP and certify in writing to the Provider that the Provider IP has been deleted or destroyed. No expiration or termination will affect Customer's obligation to pay all Fees that may have become due before such expiration or termination or entitle Customer to any refund.

(d) Survival. This Section 11(d) and Sections 1, 5, 6, 7, 8, 9, 10, and 12 survive any termination or expiration of this Agreement. No other provisions of this Agreement survive the expiration or earlier termination of this Agreement.

12. Miscellaneous.

(a) Entire Agreement. This Agreement, together with any other documents incorporated herein by reference and all related Exhibits, constitutes the sole and entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings, agreements, and representations and warranties, both written and oral, with respect to such subject matter. In the event of any inconsistency between the statements made in the body of this Agreement, the related Exhibits, and any other documents incorporated herein by reference, the following order of precedence governs: (i) first, this Agreement, excluding its Exhibits; (ii) second, the Exhibits to this Agreement as of the Effective Date; and (iii) third, any other documents incorporated herein by reference.

(b) Notices. All notices, requests, consents, claims, demands, waivers, and other communications hereunder (each, a "Notice") must be in writing and addressed to the Parties at its principal place of business (or to such other address that may be designated by the Party giving Notice from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), facsimile or email (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage pre-paid). Except as otherwise provided in this Agreement, a Notice is effective only: (i) upon receipt by the receiving Party; and (ii) if the Party giving the Notice has complied with the requirements of this Section.

(c) Force Majeure. In no event shall Provider be liable to Customer, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement, if and to the extent such failure or delay is caused by any circumstances beyond Provider's reasonable control, including but not limited to acts of God, flood, fire, earthquake, pandemics, public health emergencies, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.

(d) Amendment and Modification; Waiver. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party. No waiver by any Party of any of the provisions hereof will be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, (i) no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement will operate or be construed as a waiver thereof, and (ii) no single or partial exercise of any right, remedy, power, or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

(e) Severability. If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

(f) Governing Law; Submission to Jurisdiction. This Agreement is governed by and construed in accordance with the internal laws of the State of Oklahoma without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the State of Oklahoma. Any legal suit, action, or proceeding arising out of or related to this Agreement or the licenses granted hereunder will be instituted exclusively in the federal courts of the United States or the courts of the State of Oklahoma in each case located in

the city of Tulsa, and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding.

(g) Assignment. Customer may not assign any of its rights or delegate any of its obligations hereunder, in each case whether voluntarily, involuntarily, by operation of law or otherwise, without the prior written consent of Provider, which consent shall not be unreasonably withheld, conditioned, or delayed. Any purported assignment or delegation in violation of this Section will be null and void. No assignment or delegation will relieve the assigning or delegating Party of any of its obligations hereunder. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns.

(h) Export Regulation. Customer shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), that prohibit or restrict the export or re-export of the Services or any Customer Data outside the US.

(i) US Government Rights. Each of the Documentation and the software components that constitute the Services is a "commercial item" as that term is defined at 48 C.F.R. § 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. § 12.212. Accordingly, if Customer is an agency of the US Government or any contractor therefor, Customer only receives those rights with respect to the Services and Documentation as are granted to all other end users, in accordance with (a) 48 C.F.R. § 227.7201 through 48 C.F.R. § 227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. § 12.212, with respect to all other US Government users and their contractors.

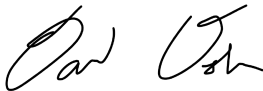

(j) Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Section 6 or, in the case of Customer, Section 2(c), would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance, and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity, or otherwise.

(k) Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the Effective Date.

hello

Dear Norman Public Team,

At ThirdLine, we're 100% all in on helping 2,200 governments set up and administer their Tyler Enterprise ERP (Munis) roles and permission settings with ease.

This project is super important to us, and we're putting everything we've got into it. Our mission is to help IT and finance professionals at these governments operate more smoothly and efficiently, and your School is a key part of that. Our team is ready to dive in, solve any challenges, and deliver a solution that works seamlessly for you.

We're excited to work with you and Norman Public and are committed to doing whatever it takes to make this project a big success. We're looking forward to collaborating with your team, understanding your needs, and going above and beyond your expectations.

Thanks for trusting us with this project – we can't wait to get started and show you what we can do.

Best,

David Osborn

OVERVIEW

The Norman Public Schools (the "School" or "NPS") is seeking a solution to streamline the administration and cleanup of Roles and Permissions in Tyler Enterprise ERP (Munis), the School's Enterprise Resource Planning software. Excel and other analyst tools are no longer adequate for the School's administration of Users and Permissions.

With ThirdLine the organization is positioned to cleanup risky Roles, Users, and Permissions and maintain best practice security principles like Segregation of Duties and Least Privilege Access. With ThirdLine's automation, monitoring, and analytics, NPS could save not only 1,000s of FTE hours, but immediately help mitigate the loss of millions of dollars in potential fraud. Segregation of Duties is a key principal in helping mitigate the loss of fraud due to employees having access to too many functions in the accounting and finance system.

ThirdLine will help the School's increase its overall productivity and efficiency through data-driven analysis and monitoring. At the same time, NPS will be able to identify and respond to its unique set up of roles and permissions by testing new ways to set them up.

ThirdLine is the Government Command Center to:

- Assess Risk
- Detect Fraud
- Stop Human Error
- Decrease Waste
- Discover Cost Savings
- Monitor Operations
- Find Bottlenecks
- Train Employees
- Allocate Roles and Permissions
- Self-Service Reporting
- Understand Workflow

WHY THIRDLINE?

From Day 1, we have set out to be the best at one thing:

Help local governments and school districts continuously monitor operations to mitigate fraud, waste, inefficiency, mistakes, and abuse in the Tyler Enterprise ERP system.

ThirdLine is the ideal continuous monitoring solution for NPS because:

- We have studied, mapped, and analyzed the Munis ERP system for years.
- We have built a single platform with low barriers to entry yet high value propositions for ERP admins, internal auditors, financial managers, IT, and department leaders.
- There is no other roles, permissions and segregation of duty software product built for Tyler Enterprise ERP.
- We have proven to stop true instances of fraud, waste, and abuse at local municipalities approaching ~\$1M.

Integration with Tyler Enterprise ERP (Munis)

Data from Tyler Munis can be hard to access and understand. We integrate 8+ Tyler Munis modules, and as a result ThirdLine integrates quickly, securely, and seamlessly with your instance of Tyler Munis. The integration does not require access to your live database.

Quantity and Quality of Analytics

Hundreds of ThirdLine analytics work together and run continuously to flag every transaction in your ERP system to provide view of your organization's risk across processes and at different levels—by employee, by vendor, and more. Our method eliminates false positives and only see what matters. You get access to the whole analytics library, including new analytics developed by collaboration with other Munis ERP governments.

1 Platform for all Departments

ThirdLine is the bridge between audit and management: Auditors can use ThirdLine to expedite audits and recommends controls. Managers can monitor performance and test if the recommended controls are reducing risk across the organization.

SCOPE: SOFTWARE SUBSCRIPTION

NPS is seeking cloud-based software that will aid in the administration of Tyler Enterprise ERP Roles & Permissions. ThirdLine offers a one-time analysis or a nightly refresh of data.

ROLES, PERMISSIONS, AND SEGREGATION OF DUTIES

Limit your organization's exposure to fraud through clearly defined access. Easily manage your organization's data, roles, and the users who have them. Identify and resolve active permission conflicts and high-risk permissions among employees, approvers, and departments. ThirdLine's Segregation of Duties maps 55+ analytics to Segregation of Duties conflicts. Use ThirdLine to:

- Know what a Role or User can actually do
- Find Terminated Employees with Enabled ERP access
- Clearly see Roles with inherent Segregation of Duty Conflicts
- Find Users with multiples Roles with Segregation of Duty Conflicts
- Discover Users & Roles with High Risk Permissions
- Review Audit Log History of all roles & permission changes

MISSION LAUNCH - Week 0

We identify your most significant challenges, define success, and make goals.

PLATFORM CONFIGURATION - Weeks 0-4

We work with your IT team to automate a nightly refresh of data into the ThirdLine's AWS environment. We provide the SQL to get what we need from the Tyler Enterprise ERP. No data discovery needed from your IT.

ONLINE TRAINING

USER TRAINING - Weeks 5-12

We teach users how to solve high-priority problems using ThirdLine through a tailored training program with 4 virtual meetings over 2 months.

ONGOING SUPPORT - Weeks 12+

We provide ongoing support and asses progress based on the goals set during Mission Launch. Additional services are available as described on the next page.

Problems you said you have:

Terminated employees with access to the ERP

Payroll and HR do not communicate with you about employees that are terminated or inactive.

ISACA Segregation of Duty Issues

The ISACA standards recommend separating risky permissions among different people, but you are no expert in segregation of duties.

Not following Principle of Least Privilege

There are too many employees with so many roles. It's hard to know how to limit their access.

It shouldn't all be on you

You have to balance knowing what a departmental role needs and if it is a segregation of duty issue. How can you know everything?

How ThirdLine software helps:

Monitor terminated employee access

ThirdLine continuously reviews employee data to inform you if terminated employees still have access to your ERP.

50+ Conflict Analytics Let ThirdLine review the thousands of possible permission combinations in your ERP to see if employees have ERP access that can lead to fraud.

Easily see which Permissions are causing the biggest issues Grant minimum access to users necessary with ThirdLine's analysis of all super user permissions in your ERP.

Communication with department managers

ThirdLine helps you communicate conflicts with management so they can help you best fix the roles & permissions that shouldn't be granted.

SECURITY

The security of your data is paramount. The following describes our process of obtaining your data, and how we protect it once we receive it.

Process

ThirdLine will work with your IT to automate a nightly or weekly export of data:

1. We provide SQL scripts and assist the IT department in automating a job that can export the required Munis data on a continuous basis.
2. ETL and analytics processes are completed within Amazon Web Services.
3. The ThirdLine app imports summarized analytics data.
4. The app web traffic is encrypted and uses SSO.

Security

ThirdLine uses AWS S3 private buckets to store all data received from clients. When processing customer data through our analytics platform, we work in AWS where your data never leaves the AWS environment. At ThirdLine, we use MFA to access all our tools.

ThirdLine Users

Authentication and identity management within the ThirdLine analytics platform is handled through an identify provider platform. All users have MFA turned on by default.

Third-Party Verified by [TrustCloud.ai](#)

ThirdLine is monitored by TrustCloud. Customers can log in to TrustCloud to see how we are meeting the requirements of SOC 2. At this time, we are working toward a SOC 2 audit.

Re: **Norman Public Schools-Norman High School Bond Work**

Dear Mr. Kasulis,

Thank you for requesting a proposal for a topographic surveying and civil engineering services for this property in Norman, Oklahoma.

We will provide a topographical survey of the area shown on the attached map. We will also set permanent control for use in later construction. We will provide civil engineering services and construction documents for the work being performed on the existing Athletic Building and the new Concessions Building. We will provide the deliverables to you in an electronic format as well as a cad file for your use. Elevations will be based on NAVD 88 and tied to the City of Norman's survey control. We will also research the availability of the nearest public utilities and provide approximate distances to bring those utilities to the site. Our fee for the survey will be \$7,500 and our fee for the civil engineering services will be \$17,600.

If you have any questions regarding our estimate, whether a different level of survey or additional items included, please give me a call. Thank you for the opportunity.

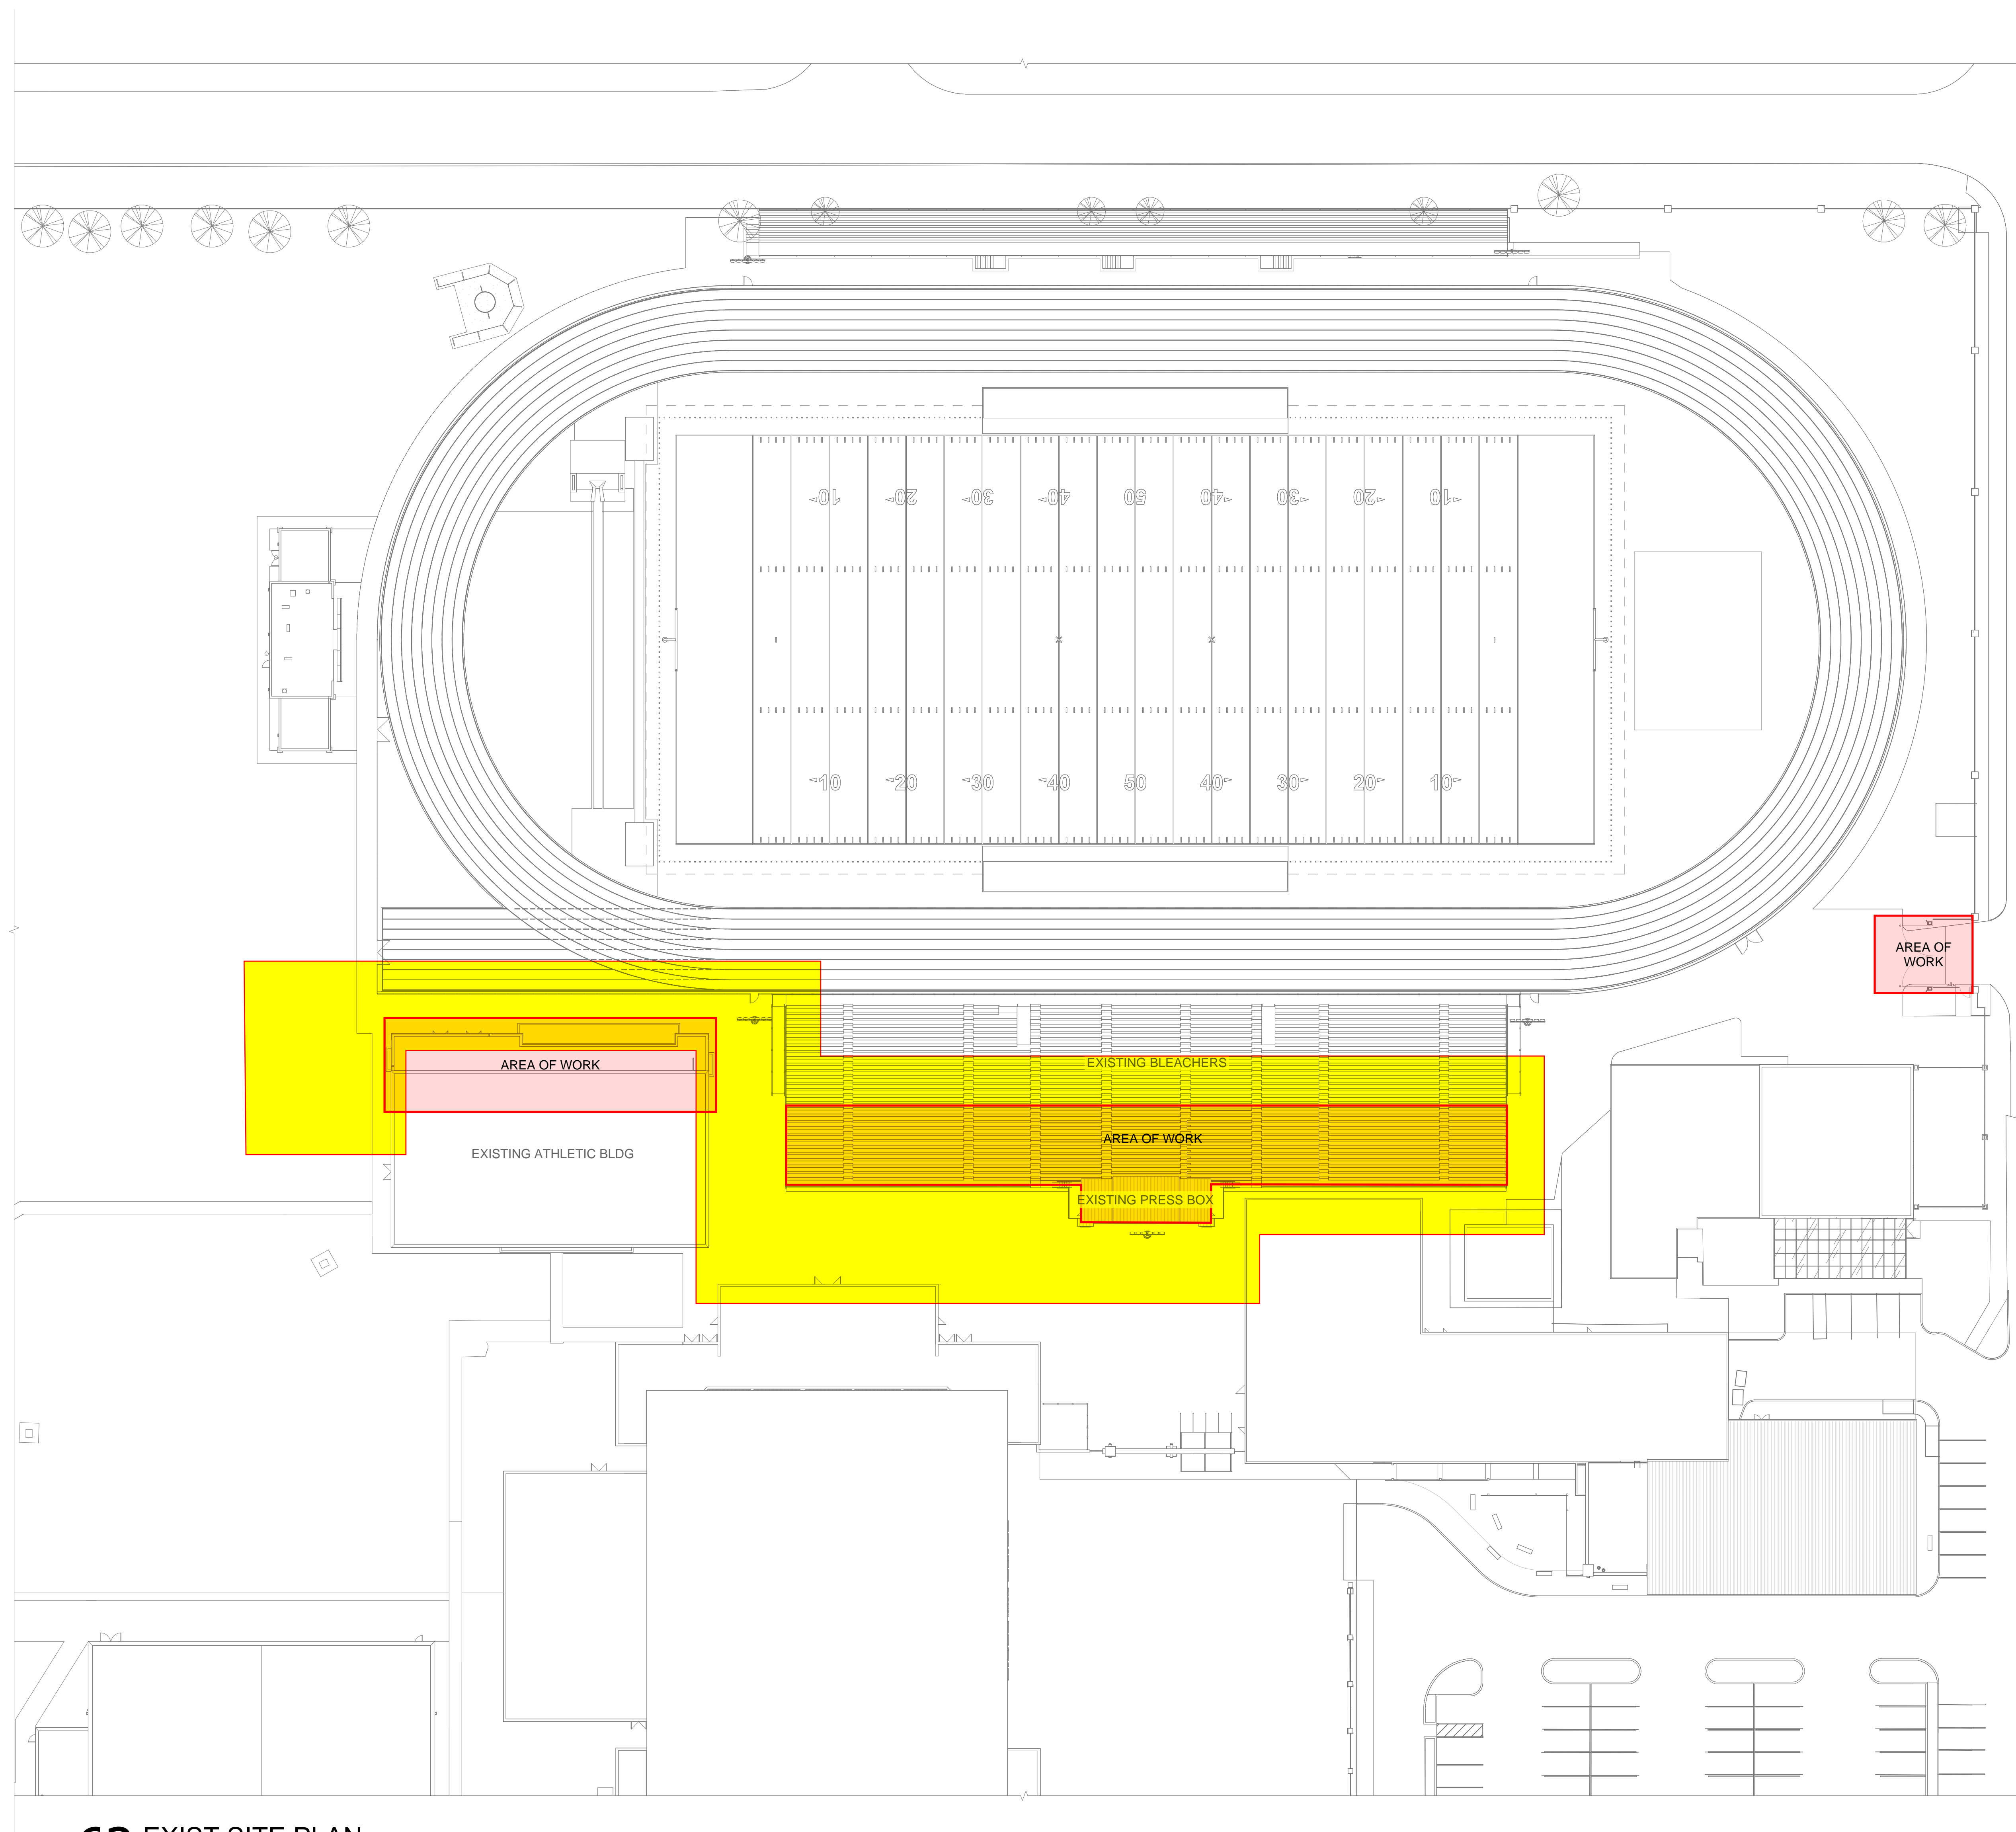

Sincerely,

Kent Mace, PE, PLS

Section	1000 - Board of Education
Title	School Board Meetings Agenda Preparation and Dissemination
Code	1011
Status	Proposed

SCHOOL BOARD MEETINGS AGENDA PREPARATION AND DISSEMINATION

As executive officer of the Board of Education, the superintendent of schools is responsible for the preparation of the agenda for board meetings. Items for the agenda may be suggested by board members, staff members, or patrons of the district. The inclusion of suggested items will be at the discretion of the Superintendent and board president or designee.

If the item "new business" is on the regular meeting agenda, matters that qualify as "new business," because they were not known or could not have been reasonably known at least 24 hours prior to the meeting (excluding Saturdays, Sundays and holidays), may be considered and may be acted upon.

Proposals for executive sessions will be included on the agenda, including a reference to the specific section of the Oklahoma Statutes which authorizes an executive session for the proposed item. The proposal must contain sufficient information to advise the public that an executive session will be proposed, what matters are proposed to be discussed, the names of school employees (if any) to be discussed, and what action, if any, is contemplated. Executive sessions must be authorized by a vote of the majority of members in attendance.

The agenda and any supporting material will be distributed to members of the board as far in advance of the meeting date as possible but, absent special circumstances, not less than two calendar days. Copies of the agenda will be made available to the media and the public upon request directed to the clerk of the board. The school district will offer and consistently maintain an email system for distribution of the agenda and a process for people to obtain a copy of the agenda at the school district during normal business hours at least twenty-four hours prior to the meeting, excluding Saturdays, Sundays, and holidays. In addition, a copy of the agenda will be posted on the school district's Internet web site located at <https://www.normanpublicschools.org/page/board-of-education>.
