MINUTES

1. Call meeting to order
2. Roll call.
3. Pledge of Allegiance
4. Discussion on the Title IX Plan Compliance Report.

Mrs. Harrison provided an update on the percentage of school personnel who have completed training during the state legislators' meetings.

5. Principal & Athletic Director Reports

Mrs. Harrison presented the Elementary report for February. The month is dedicated to Random Acts of Kindness, and the 100 Days of School event was a great success, with students participating in activities like dressing up as rock stars and creating the number 100 with their bodies on the gym floor. Celebrations included National Flannel Day, Valentine's Day parties, and SRO Appreciation Day, where students made handmade cards and gift baskets. The Chinese New Year celebration was also a highlight. Parent-teacher conferences have been scheduled, with excellent participation. February was filled with pictures and learning activities, as well as catching up on snow days from late January.

Miss Cramer provided the Secondary Schools report for February. Mr. Thompson delighted students from Elementary to High School with red heart sunglasses for Valentine's Day, which were warmly received. The cheer team hosted a two-day mini-cheer camp for Elementary students. ACT/CCRA prep tests are in progress. The Wise Owl program rewards students with no discipline, attendance, or behavioral issues with a week of special lunches. The NHS Academic Team hosted the Area Meet, and in Mrs. Phillips' class, students explored subjects from U.S. History to Economics. Coach Oliver is leading a successful campus cleanup effort. Upcoming events include the livestock show at Grady County Fairgrounds, a blood drive, the Alpha Plus Summative (Mock State Testing), and Parent-Teacher Conferences.

Miss Cramer also delivered the Athletic report in Coach Pulliam's absence. Although the homecoming parade was canceled due to snow, the postponed Homecoming celebration continued, and the basketball season is nearing its end.

6. Superintendent Report

Mrs. Jones presented the Superintendent report. Here are the key updates:

- **Vo-Tech Updates:** Sophomores are no longer accepted into the Pre-Engineering program due to low completion rates. Additional spots have been added in the Electrical and Welding programs with campus expansion. A new Cosmetology program will begin in August.
- **Spring Accreditation Findings:** No building or district deficiencies were found, and progress is highly satisfactory.
- **OSIG Inspection Findings:** The main issue identified is the use of extension cords in some areas. An electrician will provide estimates for adding or repairing outlets.
- **FNBT Check Presentation:** The Spirit card generated \$2,407. We appreciate their support!
- **Financial Discussion with Vernon Florence:** Discussed an upcoming bill that could negatively impact public agency funding, with public schools potentially losing close to \$3.2 billion. It's crucial to inform the public about funding sources.
- **Snow Days:** Days missed in January will be made up in April and May.
- **Construction Update:** Interior and exterior metal work is underway, the sound system is being installed, and we've consulted with Craig's PC about the speaker system to ensure quality sound.

7. Public Comment

Ninnekah Public Schools Policy AF

Adopted August 18th, 2022

Public Participation at Board Meetings: The purpose of a Board meeting is for the Board to conduct district's business and deliberate and act upon matters before the Board, unless the Board is specifically conducting a public hearing on a matter. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public hearing is being held. Members of the public shall not be recognized while the Board is conducting its official business.

Public participation time will be available at all regular meetings. Persons may complete the required form and request to address the Board during the Public Comment section of the agenda so long as such request is made more than twenty-four hours prior to the posting of the agenda. If the request to address the Board is approved, each person or group addressing the Board shall be allowed three (3) minutes to address the Board on matters/items which are listed on the agenda. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. The Board President will recognize speakers, maintain proper order, and comply with time limits.

Persons addressing the board shall not be permitted to engage in defamatory conduct and shall not engage in disruptive behavior. The Board will not tolerate personal attacks on members of the Board, the administrative staff, or any employee.

Board Members and District Administrative Staff are not required to respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly posted on the agenda as an action item or is properly considered new business as defined by law.

Public Comment: Cory Melton expressed gratitude to Title IX Director Mrs. Harrison for diligently managing the laws, rules, and regulations affecting the school, students, and staff. He also commended the Superintendent for successfully guiding the school in a positive direction. Additionally, he invited board members to join him at the State Capitol to discuss potential law changes and the processes followed by local law enforcement in student-related investigations.
