BOARD OF EDUCATION MEETING PUBLIC PARTICIPATION

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;
3. An employee disciplinary action, including suspension, demotion, non-reemployment or termination;
4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

DISPUTES:

It is your responsibility to review your statement or other documentation regarding transactions on your Account, such as without limitation reports or notices, promptly upon receipt.

If you think there is an error on your statement, write to us at:

Credit Cardholder Services Disputes
P.O. Box 2087
Omaha, NE 68103-2087

or call us at 1-855-340-8771, and tell us your name, Account number, dollar amount of the suspected error, and a description of the problem.

You agree to provide notice of, and at our request, reasonable documentation, regarding the problem within a reasonable time (not to exceed sixty (60) calendar days) from the date of discovery or your receipt of the first statement, report, or notice reflecting the problem, whichever occurs first, unless applicable law provides otherwise. If you fail to notify us of any discrepancy within sixty (60) calendar days of receipt of a monthly statement containing such information, you shall be precluded from asserting such discrepancy against us, and we shall not be liable for any losses resulting from your failure to give timely notice.

BALANCE COMPUTATION METHOD: Here is how we compute the balance subject to finance charge: We figure the balance subject to finance charge on your Account by the "average daily balance" (including current transactions) method. To get the "average daily balance," we take the beginning balance on your Account each day, add any new purchases/advances/fees, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. Then, we add all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance," which will be the balance subject to the finance charge.

PAYING INTEREST: You will not pay a finance charge on Credit Purchases if you fully pay your Account each month by the due date shown on your statement.

RE: Oakdale Public Schools

Dear Oklahoma Schools Insurance Group (OSIG) Agent:

Attached is the Oklahoma Schools Insurance Group (OSIG) proposal for your school client. Please review the quotation carefully and let us know if you have any questions or changes.

Important Items:

- Coverages available in OSIG: Property, Boiler, Crime, Automobile, General Liability, School Board Legal Liability, Employee Benefit Liability, Cyber Liability, Pollution Liability, and Deadly Weapon Protection
- Optional increased deductible quotes can be provided upon request.
- Members can mitigate risk and increase savings by changing obsolete buildings to Actual Cash Value (ACV) or Debris Removal Only (DRO). DRO is a great option for buildings that would not be replaced if damaged.
- The non-profit structure of our program aids in stabilizing rates. OSIG retains the underwriting profit and investment income, and is designed to be a long term insurance solution for Oklahoma schools.

We urge you to be prepared and understand the importance of OSIG's excellent financial condition.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG in order to bind coverage effective 7/1/2026.

Coverage will not be bound if resolution letter is not received by June 30, 2026

Please feel free to contact us to discuss this proposal and conditions in the marketplace in detail. We are here to assist you in protecting your school's districts.

Sincerely,
OSIG Program Administration

RE: Membership Proposal Effective 7/1/2026

Dear Still, Kendall:

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 541 school districts are members of OSIG. Our membership is strong and committed.

OSIG's financial position is excellent. No other Oklahoma school insurance program can provide you with this security. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business 6/30/2026 in order to bind coverage effective 7/1/2026. **Coverage will not be bound if resolution letter is not received by June 30, 2026**

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with broad insurance coverage through "A" rated insurance carriers and professional risk management services. Over the past 24 years, OSIG's membership has grown to 541 and the program insures more than \$32 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools."

The group purchases insurance and reinsurance from "A"-rated carriers. OSIG's insurance providers are long-term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your school's property, your students and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced **insurance and risk management** services you need to protect your school's assets, your board, your staff and, most importantly, your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/2025 was more than \$21 million and our assets were more than \$105 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share our operating results with our members each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

Statement of Net Assets	
As of 06/30/2025	
Cash	\$67,503,673
Other Assets	\$37,632,794
Total Assets	\$105,136,467
Total Liabilities	\$83,166,312
Total Net Assets/Surplus	\$21,970,155

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at ok.gov/oid. Click on Interlocals under the Quick Links section of the homepage. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power **with an intense focus on controlling member losses**. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$2,000,000,000 for property losses and \$2,000,000 for liability claims in **each and every occurrence subject to a \$10M annual aggregate limit**. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education should be returned to OSIG before June 30, 2026 in order to bind coverage effective 7/1/2026.

- Coverages available in OSIG: Property, Boiler, Crime, Automobile, General Liability, School Board Legal Liability, Employee Benefit Liability, Cyber Liability, Pollution Liability, and Deadly Weapon Protection
- Optional increased deductible quotes can be provided upon request.
- Members can mitigate risk and increase savings by changing obsolete buildings to Actual Cash Value (ACV) or Debris Removal Only (DRO). DRO is a great option for buildings that would not be replaced if damaged.
- The non-profit structure of our program aids in stabilizing rates. OSIG retains the underwriting profit and investment income, and is designed to be a long term insurance solution for Oklahoma schools.

We urge you to be prepared and understand the importance of OSIG's excellent financial condition.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG in order to bind coverage effective 7/1/2026.

Coverage will not be bound if resolution letter is not received by June 30, 2026

Please feel free to contact us to discuss this proposal and conditions in the marketplace in detail. We are here to assist you in protecting your school's districts.

Sincerely,
OSIG Program Administration

RE: Membership Proposal Effective 7/1/2026

Dear Still, Kendall:

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 541 school districts are members of OSIG. Our membership is strong and committed.

OSIG's financial position is excellent. No other Oklahoma school insurance program can provide you with this security. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business 6/30/2026 in order to bind coverage effective 7/1/2026. **Coverage will not be bound if resolution letter is not received by June 30, 2026**

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with broad insurance coverage through "A" rated insurance carriers and professional risk management services. Over the past 24 years, OSIG's membership has grown to 541 and the program insures more than \$32 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools."

The group purchases insurance and reinsurance from "A"-rated carriers. OSIG's insurance providers are long-term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your school's property, your students and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced **insurance and risk management** services you need to protect your school's assets, your board, your staff and, most importantly, your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/2025 was more than \$21 million and our assets were more than \$105 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share our operating results with our members each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

Statement of Net Assets	
As of 06/30/2025	
Cash	\$67,503,673
Other Assets	\$37,632,794
Total Assets	\$105,136,467
Total Liabilities	\$83,166,312
Total Net Assets/Surplus	\$21,970,155

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at ok.gov/oid. Click on Interlocals under the Quick Links section of the homepage. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power **with an intense focus on controlling member losses**. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$2,000,000,000 for property losses and \$2,000,000 for liability claims in **each and every occurrence subject to a \$10M annual aggregate limit**. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education should be returned to OSIG before June 30, 2026 in order to bind coverage effective 7/1/2026.

CAUTION

Potential Negative Impact on OSAG Member Districts

The Oklahoma School Assurance Group serves as the largest provider of workers' compensation services to Oklahoma schools, with a current membership of 502 districts. For thirty-two years, OSAG has provided such services to the districts, while seeking to protect schools from unethical business practices.

Due to years of recorded fraudulent behavior by agents/agencies attempting to access member proprietary records, the OSAG board and administration established a strict OSAG Release of Records Policy as an added layer of protection for membership. This policy has protected confidential district employee medical/proprietary information from landing in the hands of unethical organizations who may not have the best interests of the district.

During a regularly scheduled annual premium development meeting with our previous carrier, OSAG was informed that our members would be hit with a 42% premium increase, an amount we did not feel was warranted by current market conditions. That 42% premium increase equated to a \$6,658,571 budget demand on Oklahoma schools. To protect our members, OSAG sought partnership with a different carrier, saving members from this substantial increase.

It has come to our attention that our previous carrier may not be adhering to the OSAG Release of Records Policy, releasing proprietary district records to agents/agencies without permission to do so, or utilizing those records internally to sway OSAG membership. Agents/agencies that are partnered with this carrier, or any carrier outside of the OSAG program, we believe, have a financial incentive to remove schools from OSAG.

We have seen that schools that leave for what appears to be a cheaper alternative, find out that it is a one-year experience. The following year they see a substantial increase which effectively negates what was saved in the initial year. OSAG's goal is to be as competitive as it can be, while also providing long-term stability and reliability.

This opinion reflects the opinions of OSAG administration. OSAG encourages all members to be observant when reviewing the workers' compensation services for the district. By maintaining OSAG membership, districts are protected by an Interlocal Cooperation Act Agency of Schools, benefits of a group policy that offers years of stability & protection, membership ownership of the program, secure premiums, and a board authorized cap on any agent/agency commission being paid on behalf of the district.

Please contact our office at 800.699.5905 for further information or questions. You may also contact Dr. Keith Weldon, OSAG CEO at 405.623.0319, or Tina Wamsley, OSAG COO at 405.615.0709.

OSAG stands by our motto *"to provide the most efficient & economical workers' compensation services to Oklahoma public schools"* saving our members over \$116,364,539 since 1994.
