Yukon Public Schools
Board of Education Regular Meeting
Monday, April 5, 2021 6:00 PM
Yukon Public School District ISD #27 Administration Bldg.
Board Room, 600 Maple Dr., Yukon, OK 73099

1. Invocation and Flag Salute

Pastor Chad Penner from Canadian Hills Nazarene will provide the invocation.

2. Call to Order and Roll Call

Attendance Taken at 6:05 PM.

Present were: Mrs. Suzanne Cannon, Mr. Brian Coulson, Mr. Chris Cunningham, Mr. Don Rowe, and Mr. Leonard Wells

3. Reports/ Comments from Superintendent and/or Staff

Dr. Simeroth introduced the new Oklahoma Secondary Principal of the Year, Mrs. Barlow of Yukon High School. Mrs. Barlow introduced Ella Stanley, an Oklahoma Academic All State student, Bailee Thompson, a National Merit Finalist, and Mr. Payne and the newest Oklahoma Art Educator of the Year. Dr. Simeroth then introduced Bill Pierce, Principal at Surrey Hills Elementary School who introduced Ms. R Seley, Ms. Y Oruru, and her son Seth. He told the story of how Ms. Seley heroically responded to Seth choking on a piece of hard candy and saved his life.

Dr. Simeroth went on to let everyone know virtual school is now a permanent opportunity through YPS for grades K-12. With CDC changes, we are hoping to reduce our 6 ft circles to 3 ft. With our final vaccine offering to employees this weekend, we are hoping to reduce our quarantine numbers on a regular basis. We are opening up summer camps as normal. State testing begins this week. This will not be punitive by any means. The Funding bill that was passed into law will effect everyone. The Open Transfer bill that was passed into law will have an effect on the district. We have to create policies for each site. Later in the meeting, there are two items requesting the board to give Dr. Simeroth authority to join a law suit against the Oklahoma State Board of Education in response to a resolution they approved. Quarantine numbers are way down and as a result we will have limited attendance opportunities for seniors' programs such as choir, band, and debate as well as assemblies for elementary students. Finally, Thought Exchange is a new way to get a more robust feedback. We sent out an email with links to this great new program.
