To: Members of the Board of Education
From: Dr. Jason Brunk, Jim Fenrick, Pam Watson (Sodexo)
Subject: Student Meal Prices
Date: June 6th, 2022

The following prices per meal are recommended for the 2022-2023 school year. The prices are developed through consultation with Sodexo, the Child Nutrition Manager Pam Watson, and guidance from the United States Department of Agriculture. The USDA provides a formula worksheet to determine the minimum cost per meal required. The meal rates proposed for the 2022-2023 school year are the minimum recommended by OSDE. This is the same meal price charged in 2020–2021.

It is important to note that, to date, the USDA has not announced whether school districts will be required to charge for student meals this upcoming school year. We are planning for an announcement that will require meals to once again be purchased, and we encourage families to plan now for the cost of these meals. We also expect to have the Free and Reduced Lunch Form application on our website on or about the 1st day of July 2022.

The price for adult meals will be determined in July after reimbursement rates are published.

The meal prices proposed for student meals for the 2022-2023 school year are:

Breakfast:

Elementary and Intermediate School	$1.30
Middle School	$1.40
High School	$1.70

Lunch:

Elementary and Intermediate School	$2.70
Middle and High School	$2.95

Commented [1]: @pamela.watson@yukonps.com I cannot remember what we decided about if we want to changhe intermediate prices, and then also, what did we find out about paper/plastic trays?
Assigned to Pamela Watson

Commented [2]: _Marked as done_

Commented [3]: _Re-opened_
We are not changing the intermediate prices at this time. I am working on the analysis report to present to you regarding paper vs trays

NOTIFICATION OF RIGHTS UNDER FERPA
for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students ") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Yukon Public School District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

   Parents or eligible students who wish to ask the school to amend a record should write to the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (P11) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

   One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an

administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of P11 from educational records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Yukon Public Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

See the list below of the disclosures that elementary and secondary schools may make without consent.

FERPA permits the disclosure of P11 from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures.

The Uninterrupted Scholars Act Public Law 112-278, allows schools to disclose P11 from the education records of a student without obtaining prior written consent of the parents or the eligible student. This includes P11 from records of students in foster care placement, an agency caseworker, or other representative of local child welfare agency or tribal organization when such agency is legally responsible for the care and protection of the student.

To other school officials, including teachers, within the educational agency or institution that the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1)(a)(l)(i)(B)(2) are met. [(§99.31(a)(1)]

- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. [§99.31(a)(2)]
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal or State supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of Pll to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. [(§99.31(a)(4)]
- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve , prior to adjudication, the student whose records were released, subject to §99.38. [(§99.31(a)(5)]

- To organizations conducting studies for, or on behalf of the school in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. [(§99.31(a)(6)]

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State Law.

Yukon School District has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Yukon School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. AHERA NOTIFICATION

The Asbestos Hazard Emergency Response Act of 1986 (AHERA) requires the inspection of all school buildings for asbestos. YPS has complied with this act. A management plan documenting these inspections is on file for public review. Upon request, you may view the plan which is located at the YPS Administration Building. We will annually notify all parents, teachers, and other employees by posting this notice. Additionally, information regarding any asbestos related activities; planned or in progress, will be disseminated by posting a notice or using hand out bulletins, flyers, and/or using newspaper public notice statements.

SCHOOL CLOSING

If school is to be closed due to weather or other unexpected reasons, it will be announced on radio and television, by telephone via School Messenger, and posted on the District website www.yukonps.com. Please check these communications and do not call school officials. Many times a decision cannot be made until early morning of the school day in question.

LOCKDOWN PROCEDURES

Traditionally, YPS students and staff have been instructed and drilled on fire and tornado emergencies. In the last five years, schools have added new procedures on lockdowns and hazardous materials. Working in close collaboration with the Yukon Police Department, Yukon Fire Department, state crisis management personnel and public health officials; all Yukon Public School facilities have been evaluated for safety and hazards. All have developed plans for coping with a variety of emergency response situations. These plans involve efforts to protect all students while they are at school.

Furthermore, each site has staff members trained in basic first aid and CPR.
The actions taken during any type of emergency situation depend a great deal on the specifics of the incident. For example, one or more schools may evacuate, lockdown, or initiate a shelter-in-place response; according to the nature of the threat. The main objective is the protection of the students and staff members. School administrators have a variety of "tools" to use and have received training on how to work with each of these. The ability to remain flexible is a key component of each school's plan and of district preparations. Additionally, Yukon Public Schools would follow the direction of public safety officials.

Parents should know that access to schools during any incident might be restricted for a variety of reasons beyond our control. In such instances, parents should remain aware of public notices on the radio, telephone via School Messenger, television, and the internet about emergency procedures and updates. In any case, student and staff safety is our first priority. All procedures are designed for their protection.

In the event of a hazmat or world crisis, the Yukon Police would break into our cable television, radios, or local television stations to notify the community that "Yukon Schools are in a Lockdown Mode". If school sites are unable to take phone calls from parents during one of these lockdowns, communications would be with the Yukon Administration Office (405)354-2587 or emergency authorities. However, please be mindful when calling to check on the status of a lockdown; phone lines need to remain open during any emergencies.

Parents should be advised that during the first hours of the lockdown, their children may be safer remaining at the school rather than leaving the building with the possibility of exposure to the dangerous elements in the air. Your children would be placed in a sealed relocation area inside the building. Neither the school nor parents would want the children, teacher, or staff exposed to harmful agents caused by the opening of this sealed relocation area. Parents are asked to cooperate for the health and safety of all. If you have questions about YPS safety and support responses, please contact your principal. Everyone in the school district will continue to work to make all of our schools safe and secure.

PROFESSIONAL QUALIFICATIONS
PARENTAL RIGHT TO KNOW

Parents have the right to request and receive information on the professional qualifications of their children's classroom teachers, including whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher is teaching under an emergency license or waiver through which the State qualifications or licensing criteria have been waived; the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field or discipline of the certification or degree; and whether the child is provided services by paraprofessionals and, if so, their qualifications. Additionally, the

District shall provide each parent timely notice that the parent's child has been assigned or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

VERIFICATION OF RESIDENCE

Students within the Yukon School District may be required at any time to show verification of residence. Examples would be a lease agreement, a current utility bill, and/or real estate contract showing your name and address. Along with the above listed items, you may be required to provide a letter from the property manager and/or landlord. The Superintendent or his/her designee shall make final decisions on any questionable residency issues. Those disagreeing with the determination by the administration will be allowed to appeal a residency dispute in accordance with district policy.

SOLICITATION/FUNDRAISING/ADVERTISING

Students, school personnel, and school facilities may not be used for advertising, distributing printed materials, taking contributions, selling, soliciting funds, fundraising, or promoting the interests of any non-school agency, organization, or individual without prior approval of the Superintendent or his designee. Approved school fundraising will not involve door-to-door selling by students.

DISTRIBUTION OF MATERIALS ON CAMPUS

All posted items must be approved in advance by the building administration. Most material will be placed on a distribution table where parents and students can elect to pick up. Any material distributed or provided for distribution does not necessarily reflect the opinions of Yukon Public Schools.

VOLUNTEERS - BACKGROUND CHECKS

YPS will require a background check on all parents, guardians, or other responsible person for a child's well being while volunteering for a school function or trip. This includes but is not limited to YPS Volunteers, Mentors, Field Trip Sponsors, and Parent/Booster Club parents who are board members such as treasurer, fundraising chair, etc. Background check information is public record. Because of the sensitivity of the materials and the confidentiality of the person's identity information, failed background checks will only be discussed with the applicant who filled out the background check form and the principal/designee of the school that the applicant wished to serve.

Important Information for Parents About Meningococcal Disease and Meningococcal Vaccines from the Oklahoma State Department of Education and the Oklahoma State Department of Health

What is meningitis?

Meningitis is an infection of the tissue lining and fluid that surround the spinal cord and the brain. Meningitis is usually caused by a virus or a bacterium. Meningitis caused by a virus is usually less severe and goes away without any special treatment, while meningitis caused by bacteria can be severe and may cause:

- Brain damage,
- Hearing loss,
- Amputation of arms or legs,
- Learning disabilities, or
- Death.

What types of bacteria cause meningitis?

There are several types of bacteria that may cause meningitis, including:

- *Neisseria meningitidis*
- *Streptococcus pneumoniae,*
- *Group B streptococcal disease,* and
- *Haemophilus influenzae* type B (Hib).

This information sheet will focus on the disease caused by *Neisseria meningitidis* (Nay-sear-e-a men-in-git–it-dis), which is rare but especially risky for people of certain ages. Disease caused by *Neisseria meningitidis* is usually referred to as "meningococcal disease" (men-IN-jo-kok-ul disease). Many persons are exposed to *Neisseria meningitidis* and carry the bacteria in their nose and throat for weeks or months and spread the bacteria to others, but do not become sick themselves. If the meningococcal bacteria invade the body, they may cause a rapidly spreading infection of the blood, lung infection, or meningitis. More information about the other kinds of bacteria that cause meningitis can be found at the web sites listed in the box at the end of this information sheet.

Who is at risk from meningococcal disease?

Babies less than a year old have the highest risk for meningococcal disease, but no vaccine is available for babies. The risk of meningococcal disease increases for teenagers and young adults 15 through age 21 years of age, because of behaviors that spread the disease. On average, two or three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccine.

College students, military personnel, and other people living in close quarters or dormitory-style housing have a greater chance of contracting the disease than other persons their age. Other persons at increased risk include smokers or persons frequently exposed to second-hand smoke, those with immune system problems, those without a spleen, or international travelers going to countries where the disease is more common.

How is the disease spread?

The disease is spread by respiratory droplets produced by a person harboring the bacteria and expelled a short distance by laughing, singing, coughing, or sneezing. The bacteria may also be spread by direct contact with the respiratory fluids of someone who is infected. That includes kissing, or sharing a water bottle, food item, cigarettes, lipstick, lip balm, mouth guard or anything an infected person touches with his or her nose or mouth.

Why is meningococcal disease dangerous?

Meningococcal disease is relatively uncommon with about 2,500 people affected every year in the United States. However, the infection can spread very quickly and 300 of those people die in spite of treatment with antibiotics. Of those who live, about 400 a year lose their arms or legs, become deaf, have problems with their nervous systems, become mentally retarded, or suffer seizures or strokes.

For this reason, it is best to prevent the disease from occurring. Signs and symptoms of meningococcal disease may be confused with other infectious diseases. If your child has symptoms of meningococcal disease, contact your healthcare provider immediately.

Signs and Symptoms of Meningitis

- Headache
- Fever
- Chills
- Stiff neck
- Extreme tiredness
- Vomiting
- Sensitivity to light
- Rash of purplish black-red dots or splotches
- Confusion
- Seizures

How can meningococcal disease be prevented?

Vaccines can prevent approximately two-thirds of the meningococcal disease cases. There are two types of meningococcal vaccine available in the United States (MCV4 and MPSV4) that protect against four of the five most common disease-causing strains of the meningococcal bacteria.

MCV4 stands for meningococcal conjugate vaccine and MPSV4 stands for meningococcal polysaccharide vaccine. Two doses of, MCV4 are recommended for:

- All adolescents 11-18 years of age, and
- Other people at high risk 2 through 55 years of age.

MCV4 should be given to all adolescents at age 11 or 12 years, unless they have received it before. A booster dose is due at age 16 years. For adolescents who receive the first dose at age 13 through 15 years, a one-time booster dose should be given at age 16 through 18 years.

Children 2 years of age and older and adults who are at high risk for meningococcal disease should receive 2 doses spaced 2 months apart. People at high risk include individuals who:

- Do not have a spleen,
- Have terminal complement deficiencies,
- HIV infection, or
- Will be traveling to countries with high rates of meningococcal disease.

Teens and young adults age 16 through 21 years who receive(d) their first dose of MCV at 16 years of age or older do not need a booster dose.

MPSV4 protects against the same types of meningococcal bacteria as MCV4 and is indicated for use in adults over 55 years of age who are at risk for meningococcal disease.

Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

Is this vaccine required to attend school in Oklahoma?

Meningococcal vaccine is required for students who are enrolling for the first time in colleges and post-high school educational programs and who will live in dormitories or on-campus student housing. This vaccine is not required for children in elementary or high school in Oklahoma, even though it is recommended for all adolescents 11 years and older.

Is the meningococcal vaccine safe?

Yes, both types of vaccine are safe; however, there are small risks associated with any vaccine. About half of the people who receive a meningococcal vaccine will have pain and redness where the shot was given, but because the vaccine is not made from the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barré Syndrome (GBS), a serious nervous system disorder, have been reported among people who received MCV4. However, GBS is such a rare disease that it is not possible right now to tell if the vaccine is a part of the cause or simply due to chance alone because a number of cases of GBS will occur every year even without the use of MCV4 vaccine.

Does the meningococcal vaccine work?

Yes. A single dose of MCV4 meningococcal vaccine protects about 90 percent of the people who are immunized against meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all meningococcal disease among teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

Does the meningococcal vaccine prevent all cases of meningitis?

No, it cannot provide protection against other causes of bacterial meningitis or type B meningococcal disease. Scientists have not been able to make a vaccine that will protect against type B.

Where can I get the vaccine for my son or daughter?

If your child has health insurance, you can obtain the meningococcal vaccine from your regular healthcare provider. All county health departments in Oklahoma have the vaccine available at no charge for children 11 through 18 years of age who:

- Have no health insurance,
- Are Medicaid eligible,
- Are Native American, or
- Have health insurance that does not pay for vaccines or does not pay for meningococcal vaccine;

and for children 2 through 18 years of age who are at high risk from meningococcal disease.

Where can I find more information?

Oklahoma State Department of Education

Attendance, Enrollment, & Transfers

ATTENDANCE

Students are subject to compulsory school attendance and laws as required by Oklahoma State statutes and the regulations of the State Board of Education FDC-R1). It shall be unlawful for a parent/guardian having custody of a child who is over the age of five (5) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school, to neglect or refuse or to cause or compel such child to attend and comply with the rules of some public, private, or other school, or receive an education by other means for the full term the schools of the district are in session. 70 O.S. § 10-105. **County truancy officers may conduct an investigation when a student has excessive tardies and/or absences.**

The superintendent has the specific discretion to grant a waiver to qualified students under the Compact on Educational Opportunity for Military Children.

In the event of a **CHRONIC ILLNESS**, documentation by the student's doctor indicating the nature of the chronic or recurring condition will suffice for the doctor's statement required for each individual absence. Student absences due to a severe, chronic, or life-threatening physical or mental illness, injury, or trauma **must** be supported by documentation for it to be considered for exemption in the calculation of the chronic absenteeism indicator of the applicable school site so long as the determination of eligibility is made by the district's medical exemption review committee. The district's medical exemption review committee will be designated by the superintendent on a yearly basis and shall report student absences that are medically exempt to the Oklahoma State Department of Education (OSDE) Office of Accountability. Documentation of chronic or recurring illness will not extend beyond the end of the current school year. **Documentation must be submitted annually.**

PRE-K

If a child is absent for any reason, it is the responsibility of the parent/guardian, or other person having charge of that child to notify the school at the beginning of each school day in which the absence occurs. It is encouraged to provide written documentation of the absence when the student returns for absences in excess of three (3) days. The school may recommend the withdrawal of the student from school following the student's 10th absence.

The principal or designee shall notify a student's parent/guardian in writing upon the student's 5th and 10th absence with an understanding that the 10th absence may carry removal from the PK program. The parent/guardian may ask to convene a conference to discuss the absences.

Kindergarten-8th Grade

Students are subject to compulsory school attendance and truancy laws as required by Oklahoma statutes and regulations of the State Board of Education.

Excused absences will be granted in compliance with 70 O.S. § 10-105. We encourage documentation be turned in for review within three school days of a student's return.

An ***unexcused absence*** is defined as any absence in which a student is absent from class without notification to the school.

At the beginning of the school day, it is the responsibility of the parent/guardian to notify the school if a child is absent for any reason. If a student comes to school more than one hour after the day begins or leaves one hour or more before the end of day, it will count as ½ day absence (PK-5). If the school has not been notified, school personnel will attempt through a phone dialer to notify the parent of the absence.

A student must be present 90% of the semester unless absences occurred due to suspension; approved school sponsored activity, religious holy days, medical/dental appointments, funerals, legal matters, or confirmed illness (doctor's note required in excess of three (3) days absence). If a student is absent more than 8 days of the semester, the following actions may be taken:

1. Grades 7-12 students may receive no grades for the semester. Report cards may reflect **NC (No Credit)** which may be appealed in writing to the principal within one (1) week of posting report cards).
2. A referral may be made to the appropriate authorities.
3. Retention will also be considered by the Attendance Committee for grades K-8. Consideration will be given to written documentation which may include, but not limited to medical information, information of religious holy days, and/or extenuating circumstances that have had a negative impact on the student's attendance. The parent/guardian will be notified of the decision in writing.

High School: 9-12

A student's responsibility to attend class is a recognized part of the secondary school academics process. The entire academic process is an integral part of each class during each instructional period regardless of whether tests or any other graded work are submitted to the instructor or performed during a particular class. The student is expected to assume the responsibility for maintaining the continuity of learning while they are absent.

It is the responsibility of the parent/guardian to notify the school regarding student absences. Notification should be through SafeArrival via the app, computer or telephone at the beginning of each school day in which the absence is to occur. An automated call will attempt to notify parents that the child is absent each day. The district will not require medical documentation to support personal or family illness that results in an excused absence, however you are strongly encouraged to turn in documentation of medical appointments upon return to school. **The parent must notify the school before an absence can be excused**.

Excused absences will be granted in compliance with 70 O.S. § 10-105.

- Personal family illness/injury
- Medical/dental appointments
- Legal matters
- Funerals
- Observance of holy days required through religious affiliation. Please provide written notification to the principal one (1) week prior to the holy day
- Extenuating circumstances deemed necessary by the principal.
- Isolation/quarantine based on CDC guidelines for declared global pandemic
- Juniors/Seniors will be granted up to three (3) college visit days per year provided they return with documentation from the college. Additional college visits may be requested through the student's assistant principal.

For 9-12 grades a No Credit (NC) for the semester will be given to a student who exceeds eight (8) absences per class during the semester. A student is marked absent if they miss fifteen minutes (15) or more of class.

The school will provide notification to the parent/guardian any time a student is to receive NC due to attendance. In the event the student's grade is failing, an "F" will be recorded. **The NC may be appealed by documenting each absence and emailing the associate principal at lisa.megli@yukonps.com within one (1) week of posting of semester grades or report cards.**

MAKE UP WORK

When a student is absent for any reason, all work must be made up. It is the responsibility of the student on the day of return to make arrangements to get all needed work. The student is permitted the number of days to make up work equal to the number of days absent, and that work is granted full credit earned. Long term assignments must be turned in on time with the exception of an assignment which is made during the time a student is absent from school. Any exception to this timeline can be made only by the building principal, and only for extenuating reasons that can be substantiated. If a student is absent for three (3) or more consecutive days, please call the counselor's office to make arrangements for picking up make-up work. *Teachers are given 24 hours notice to put together necessary make-up work.*

Lengthy absences which fall into other categories must be verified by a note or telephone call to the principal from a parent/guardian. The principal will then allow the student to ask his/her teachers for assignments in advance. When it is possible for teachers to produce lessons before the student absences occur, those assignments are due upon the student's return to school. If the student receives the assignments upon their return, they would have one (1) day for each day missed to collectively turn in missed work. Any variance will be at the principal's discretion.

ACTIVITY ABSENCES

Yukon High School will recognize three (3) types of activity absences - one for OSSAA sanctioned events, non OSSAA competitive events, and one for all other school recognized activities such as assembly set up and practice, event practice(s), and rehearsal(s), community service, certain field trips, and competitions, etc. These absences do not count against exemptions from semester tests. **There will be a maximum of ten (10) activity absences allowed per class per school year for school-related activities. Requests for exceptions to this policy must be made in writing to the principal and reviewed by the Internal Review Committee. No more than five (5) additional days will be granted.**

Absence due to non-school affiliated competitive cheer, volleyball, etc. will not be coded as an activity absence. They will be coded as parent verified when the parent calls in to excuse them.

EXTRACURRICULAR ACTIVITIES

Students absent for three (3) or more hours during the day **will not** be allowed to participate in any extracurricular

activity that day including practices, unless cleared in advance by the principal. This means that a student who is ill during the school day **may not** participate in an event held that day.

ADDITIONAL ABSENCES K-12
Long term illnesses will be handled through the counseling office after approval from the principal. A homebound teacher will be assigned to the student to assist with the process of getting work to the student and back to the school.

TARDIES
Tardy is defined as arriving (to class) after the class bell rings at the beginning of the school day and at the beginning of each class.

Tardies are disruptive and also have an adverse effect on your child's educational progress. Any student arriving late to school/class will need to report to the office. *There are no excused tardies.* A student who arrives fifteen (15) minutes late or leaves fifteen (15) minutes before the end of the class period (for middle school and high school) is counted absent. A student who arrives to school one (1) hour late or leaves school one (1) hour or more before the end of the school day (PK-5) may be given a half (½) day absence. A student who misses more than one half (½) day is counted absent. **Tardies may result in disciplinary actions.**

County truancy officers may conduct an investigation when a student has excessive tardies and/or absences.

Grades 7th-12th Tardy Policy
Tardies start over on the first (1st) of each month.
- 1st offense = Warning
- 2nd offense = 1 day detention
- 3rd offense = 3 days detention
- 4th offense = Administrative Action
- 5th offense = Administrative Action

TRUANCY/UNEXCUSED ABSENCE
Truancy/Unexcused absences are a serious matter. It is governed by Oklahoma law and Yukon Public School Board Policy. Truancy may preclude a student from achieving credit. **Citations may be given for truancies**

A student is considered truant/unexcused when absent from the classroom without the knowledge or permission of either the school or the parent for an acceptable reason. **If a student is absent from school four (4) or more days or parts of days within a four (4) week period without a valid excuse or is absent without a valid excuse for ten (10) or more days or parts of days during a semester,** the school principal will notify the parent/guardian of the child and immediately report such absences to the county district attorney for juvenile proceedings pursuant to *Title 10 of the Oklahoma Statutes.*

Additionally, a student is truant from school under the following examples:
- Leaving school without checking out through the attendance office
- Student who is verified as being on campus but absent from class without permission (parental phone calls cannot excuse)
- Becoming ill and going to the restroom without reporting to the teacher, principal, or office
- Not reporting to a location stated on a hall pass
- Oversleeping
- Missing more than fifteen (15) minutes of a class period
- Attending a private driver education class
- Work related absences not a part of "work study"
- Hair, tanning, portrait, or other non-medical appointments
- Car trouble
- "Skip days"
- Missing the bus or ride to school
- Shopping
- 9th and 10th grade students who leave campus for lunch

This list is not meant to be all inclusive.

In addition, for grades 7-12, there will be consequences in effect for being truant.
- 1st offense for the year = 3 days lunch detention
- 2nd offense for the year = 3 days ISI, and citation
- 3rd offense for the year = 5 days ISI, citation, and referral to OJA (Oklahoma Office of Juvenile Affairs)

More severe consequences will be assigned for excessive truancies including contacting the District Attorney (K-12). ***The principal's decision on what constitutes truancy is final.***

ATTENDANCE APPEALS

Appeals dealing with attendance will be heard by a principal appointed committee consisting of at least three (3) members. A request must be made in writing and submitted to the principal within two (2) weeks following the semester's end. High School: 9th-12th

Appeals dealing with attendance will be heard by a principal appointed committee consisting of at least three (3) members. A request must be made by documenting each absence and emailing the associate principal at lisa.megli@yukonps.com within one (1) week following the semester's end. Documentation should be provided covering all absences where possible and a note of extenuating circumstances if such exists. Parents will be notified via email of the committee's decision.

ENROLLMENT

Persons of age five (5) years on or before September 1 through twenty-one (21) years who reside with parent/guardian within the district may attend Yukon Public Schools. **Proof of residency is required.**

Children who are at least four (4) on September 1, but not yet five (5) may enroll in the early childhood program of the District, within the constraints of available classroom space. All enrollment procedures for grades K-12 will apply to enrollment in the early childhood program. Children who are at least five (5) on September 1, and have not attended a public school kindergarten may enroll in a full day kindergarten program. Children, who are at least six (6) on September 1, may enroll in first grade.

Underage pupils in kindergarten and first grade, who have been in legal school attendance in a public or private school in another state or in a Department of Defense School for military dependents, may enroll.

Students entering Pre-K, kindergarten, or first grade for the first time in a public school must present their birth certificates or other legal proof of birthdate, must enroll under their legal name and bring proof of immunizations. [page 11]

Senate Bill 1105 allows a student denied a diploma to re-enroll in the same district to complete requirements necessary to obtain a diploma.

OUT OF DISTRICT TRANSFERS

Please refer to our Enrollment Services webpage at www.yukonps.com for information regarding transfers as policies have changed effective January 1st, 2022 per the new OK Open Transfer Act.

CONCURRENT ENROLLMENT

Students who meet certain qualifications may take college courses during the school day for college credit. These courses will also count toward the high school credits required for graduation and are used to calculate one's GPA (Grade Point Average). Courses taken in concurrent enrollment will be counted as elective credit toward graduation.

No credit for concurrent courses will be posted to the transcript until an official transcript is received from the college or university. Time is allowed from the regular school day for the student to attend college classes. If a student is interested in concurrent enrollment, he/she should see his/her counselor for details. **State law requires a student to be in attendance for six (6) hours per day. If a student drops a concurrent course, the student is required to be on the high school campus for the time allotted for the concurrent course.** ***See Concurrent Enrollment Policy on page 54 of this handbook.***

WITHDRAWAL FROM SCHOOL

When a student must withdraw from Yukon Public Schools during the school term, he/she should report to the school site's main office the morning of the last day of attendance. Students/parents will need to fill out a withdrawal form and complete requirements set forth by the school. Students will not be withdrawn until contact has been made with a parent/guardian.

It is important to note, whenever a student's records are requested from another district that student is officially withdrawn from Yukon Public Schools (YPS). This includes students who are admitted to medical facilities that provide educational services. If that student returns to YPS, he/she will be required to re-enroll.

ENROLLMENT REQUIREMENT
To enroll in Yukon Public Schools, regardless of grade, the student's parent/guardian is required to personally enroll the student. YPS has the following requirements:

- Each must show a photo ID.
- Documentation of residency requires two (2) current utility bills in the parent/ guardian's name, one (1) lease agreement, house deed, mortgage statement, etc. in parent/guardian's name. Along with the above listed items, you may be required to provide a letter from the property manager/landlord.
- Age verification for children who are five (5) years of age on or before September 1 must enroll in kindergarten.
- All students PK-Grade 6 entering YPS for the first time must present their official state-certified birth certificate.
- State law requires that all students PK-12 present certification of immunization from a licensed physician or authorized representative of the State Department of Public Health. *Go to Public Information Section for specific guidelines which are in the first section of this book.* If a parent objects to immunizations, the appropriate statutory documentation regarding objection must be provided to the school district prior to enrollment.

K-6 grade placement for students entering YPS from a homeschool setting will be assessed using the IOWA Basic Skills Exam. 7-12 grade will be assessed using Edgenuity Assessments and must score a 60% or higher to be awarded credit for courses listed on their homeschool transcript.. (Placement tests will be administered at the Administration Building). Please contact the YPS Enrollment Center to complete the enrollment process.

Student Academics, Testing, Eligibility, & Grading Policy

GRADING POLICY
The symbols used for grading will be based on grade level and student need.

Grades K-6 Standards Based Report Card
4 - Applies and Extends the Standard
3 - Mastery of the Standard
2 - Progress Being Made
1 - Mastery of the Standard Not Yet Achieved
Report cards are issued in January and May of each year. Progress reports are given approximately every four to five weeks (check District calendar). This system is based on a growth model.

Grades 7-8 Traditional Report Card
A - 90-100
B - 80-89
C - 70-79
D - 60-69
F - 59 and lower
Progress reports will be available through the Parent Portal. Middle school students taking high school classes will be awarded high school credit and have those grades transcripted and counted toward graduation; however, it will not waive the four (4) year math requirement.

Grades 9-12 Traditional Report Card
A - 90-100
B - 80-89
C - 70-79
D - 60-69
F - 59 and lower
Semester grades are transcripted grades for courses and will be listed as letter grades. Most courses use a four point (4.0) grading scale. The grading scale for online courses will parallel the scale for traditional classes.
Grades for Accelerated classes will be calculated using a five point (5.0) grading scale. High school transcripts will show both the unweighted (4.0) and weighted (5.0) grade point average. The weighted grade point will be used for class rank.

PROFICIENCY BASED PROMOTION
In compliance with State Department of Education (SDE) guidelines (6/24/1993) the District shall provide a proficiency based promotion system based on the attainment of specified levels of competencies in each area of the core curriculum as identified in 70 O.S. § 11-103.6. Proficiency is not to be used for credit recovery or for competency/placement purposes. **See Board Policy EIA for Student Retention Policy**

PROFICIENCY TESTING
K-8
The student and parent/guardian(s) will make an application for Proficiency Based Promotion on forms available from the site counselor or the Curriculum Office; the application form must be completed and returned to the Curriculum Office.

After the student has completed the exam, the student and parent/guardian(s) and school site staff will be notified of the test results. If the student scores 90% or higher in all areas and school officials and parents agree on placement, the student will be promoted.

Competency tests will be given at the administration building for grade placement purposes.

9-12

The student and parent/guardian(s) will make an application for Promotion Based Course Credit on forms available from the site counselor or the Curriculum Office; the application form must be completed and returned to the Curriculum Office at the Administration building. Students will be provided with promotion based course credit under extenuating circumstances only, which will be determined with the counselor and/or principal.

AP AND ACCELERATED REQUIREMENTS

AP and Accelerated courses are designed for students who are academically motivated and want to be challenged.

Accelerated and AP classes require more of a student which may include time commitment, including summer assignments. The Advanced Placement curriculum is designed to prepare our students for post-secondary education.

PROCEDURES FOR DROPPING AN AP COURSE

1. Once enrolled in an Accelerated or AP course the student is expected to remain in that course for the school year.
2. Students may drop Accelerated or AP courses by making a request to their counselors after enrollment but before the end of the preceding school year.
3. Once the Accelerated or AP class has begun, students may only drop the class by providing a written request to an appeal committee within the first ten (10) days of the fall semester. The decision of the committee is final.

SEMESTER TESTS AND EXEMPTIONS

All high school students are required to take comprehensive semester tests each semester unless exemptions have been earned. Semester tests will count 20% of the semester grade.

Important Facts

- If a student has been assigned to OSS, they will not be exempt from any semester tests
- If a student has been assigned ISI, the absences count against the exemption.
- No student will be allowed to take a test prior to the scheduled time. In extenuating circumstances, make-up tests may be taken after the time on the day of the scheduled test.

SEMESTER TEST EXEMPTIONS (YHS)

Students may exempt a semester test if they have met the following:

- An 85% or better in the course and no more than 5 absences in the class.

ACT/SAT TESTS

National test dates are set on Saturdays. Yukon High School (YHS) is an ACT test site. Students may go to www.act.org for dates and information or see a YHS counselor. Students taking residual tests at college sites on school days will have that day counted towards total absences for the semester unless used as one of three (3) allowed college visitation days.

TESTING SECURITY

Responsible measures will be taken to insure the security of all district testing. Students should adhere to the following prohibitions:

- Never copy, reproduce, or use in any manner inconsistent with test security rules, all or any portion of any test material
- Never share questions/answers with other examinees in any way
- Never fail to follow security rules before, during, and after testing
- Never participate in, direct, aid, counsel, or encourage any of the acts prohibited in this section.

Any student found to be in violation of these prohibitions shall be subject to disciplinary action.

ELIGIBILITY FOR ACTIVITIES
Each honor, office, and activity has rules of eligibility which students must meet. Extracurricular activity eligibility generally conforms to the OSSAA regulations as listed below. Students must maintain eligibility for participation.

A student is NOT eligible for extracurricular activities if he/she:
- Is 19 years of age before September 1st of that school year
- Has not attended each class 90% of the time or has any questionable absences
- Has been disqualified from a contest because of unsportsmanlike conduct or a flagrant foul or is under school discipline

Additionally:
- A student must have received a passing grade in any five (5) subjects counted for graduation during the last semester he/she attended fifteen (15) or more days or *he/she will not be eligible to participate during the first six (6) weeks of the next semester attended.*
- After the six (6) weeks, a student may achieve eligibility by achieving passing grades in **all subjects** at the end of the first six (6) week period.
- Scholastic eligibility for all students will be checked at the end of the third full week of school and each week thereafter.
- A student must be passing all subjects. If a student is not passing all subjects at the end of the week, the student will be placed on probation for the next week. Participation in events is allowed. If the student is failing one or more classes at the end of the probation week, the student will be ineligible to participate during the next week. (Eligibility runs Monday to Sunday).
- Any students truant for one (1) or more hours may not be eligible to participate in the *next* event
- Any student absent for three (3) or more hours in one day (excluding juniors/seniors college visitation with proof) may not be permitted to participate in any extracurricular activity that day including practice, rehearsals, etc.
- Any student who is on the ineligible list may not participate in an event, practice, game, rehearsal, contest, etc.
- If the ineligible student is overlooked by the coach/sponsor, it is the student's responsibility to inform the coach/sponsor of the ineligibility.
- A student who has lost eligibility under this provision must achieve the minimum scholastic standard in order to regain eligibility
    - ***Eligibility runs Monday through Sunday and is in effect for the entire week and may not be changed mid-week for any reason.***

Special Provisions
- A 12th grade student (senior) may maintain eligibility if he/she is passing the classes required for graduation.
- A 12th grade student who is concurrently enrolled in high school and college may use the college courses to meet the minimum number of four subjects needed to maintain eligibility. These may be a combination of high school and college subjects equivalent to four (4) high school units that are accepted by the Oklahoma State Department of Education (OKSDE) (physical education and athletics cannot be included in the four requirements).
    - An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three (3) weeks.
    - Incomplete grades will be considered the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision (Rule 3, Section 3-C) if the incomplete grade was caused by an unavoidable hardship. (Examples of such hardships would be illness, injury, death in the family, and natural disaster).
    - One summer school credit earned in an OKSDE accreditation program may be used to meet the

requirements of Rule 3, Section 1-A for the end of the spring semester.

- The school may choose to run eligibility checks on any day of the week; however, ineligibility will always begin on the following Monday.
- Students participating in school activities will not be allowed to participate in these activities after missing any class more than ten (10) times during the school year. Participation in district, regional, state, or national sanctioned OSSAA competition (and some non OSSAA) does not count towards the ten (10) days.

PROMOTION/RETENTION OF STUDENTS

I. Elementary Guidelines

At the elementary level, multiple indicators are used to determine student retention. Data is collected throughout the school year. Conferences with parents/guardians are conducted to discuss student's progress. At the end of the fourth nine weeks, if the criteria for retention are met, an intervention team meeting (i.e. staffing) is held, and the teachers of the student and an administrator make a final recommendation for retention.

The following information is considered when determining retention: (a) performance in all classes, (b) assessment results, (c) age, (d) social/emotional maturity, (e) previous placements, (f) enrollment in Special Education Programs, and (g) other criteria. If recommendation for retention is made, parents will be informed in writing of the team's decision and the parent's options.

II. Third Grade Retention

Students enrolled in third grade are subject to the Oklahoma Reading Sufficiency Act (RSA) of 2008. The purpose of RSA is to ensure that each child attains the necessary reading skills by completion of the third grade which will enable that student to continue development of reading skills and to succeed throughout school and life.

The minimum criteria for grade-level performance of third grade students determines the promotion and retention of third-grade students. The OSDE shall use only the state scores for the standards for reading foundations/processes and vocabulary portions of the statewide third-grade assessment or a state approved screening instrument. The performance levels were established by the Commission for Educational Quality and Accountability and shall ensure that students meeting the performance-level criteria are performing at grade level on the reading foundations and vocabulary portions of the statewide third grade assessment.

Students who score below the proficient level in reading foundations/processes and/or vocabulary do not meet the performance criteria established by the Commission for Educational Quality and Accountability. Students who are not subject to a good cause exemption and who do not qualify for promotion or probationary promotion shall be retained in the third grade and provided intensive instructional services.

For questions regarding the status of your student's academic progress, please contact your child's teacher or the site instructional specialist.

III. Middle School

At the middle school level, one criterion considered when determining retention is failing grades (F's) for any semester in two or more core classes and or attendance. Other information used to determine retention includes (a) performance in all classes, (b) assessment results, (c) age, (d) social/emotional maturity, (e) previous placements, (f) enrollment in Special Education Programs, and (g) other relevant information provided by the principal or his/her designee.

During Parent/Teacher Conferences, parents should come to discuss their student's progress. Additional conferences with the parents may be conducted at the request of the parents/guardians or school personnel. At the end of the fourth nine weeks, the school staff will make a recommendation about retention. Parents will be informed in writing of the team's recommendation and parent's options.

RETENTION APPEALS PROCESS
A parent may appeal a school's decision to retain/not retain a student by taking the following steps:
- Request review to principal in writing within five (5) days of receipt of notification or decision is final. (Level I)
- Request review to superintendent or his/her designee of principal's decision within five (5) days of receipt of notification or decision is final. (Level II)
- Request review of the superintendent's decision in writing to the superintendent or clerk of the Board of Education within five (5) days of the notification or decision is final. Parents will be notified in writing of the date, time, and place of Board hearing. The decision of the board of education is final and unappealable as per state law. If parents still disagree, they may write a statement for the reasons for disagreement which will be placed in and become part of the student's permanent cumulative records.

IV. High School
Students should earn 12 credits per school year in order to be promoted to the next grade level.
- Freshman = 12 credits
- Sophomores = 24 credits
- Juniors = 36 credits

By the end of senior year, students must have earned at least 46 credits to graduate.

The Board of Education approves the following policies for participants in commencement:

CAMPUS LIFE AND GENERAL INFORMATION

VISITORS

All visitors will be required to utilize our School Gate Guardian self-service kiosk with a State issued ID before being granted permission to enter further onto school grounds. This policy is in place for the safety of your children and our staff. Visitation by "non-enrolled" children is not permitted. The principal or designee of the building shall have the authority and power to direct any person to leave the campus if they are interfering with the peaceful conduct of activities, commit an act that interferes with the peaceful conduct of activities, and/or enters the institution for the purpose of committing an act that interferes with the safety, routine, or security of staff or students. A person directed to leave campus for the above mentioned reasons will not be allowed back on campus within the next six (6) months without contacting and obtaining permission from the superintendent (21 O.S. § 1376).

CELL PHONES

Grades PK-3

Students are prohibited from bringing cellphones or other communication devices such as Apple Watches and I-pads to school. The phone or device will be confiscated and only released to the parent/guardian. Repeated violation of this policy will result in other consequences (Detention, ISI, OSS, etc.). School phones or communication devices are available to students only in emergencies deemed justifiable by the principal/designee. After school arrangements and transportation should be made prior to the school day. Students are also prohibited from bringing toys, games, or personal items to school.

Grades 4-12

Students may possess wireless telecommunications devices (cell phones) while on school premises, while riding school transportation or attending any function sponsored or authorized by the school. **Use of wireless devices is prohibited in restrooms and locker rooms.** At the ***Intermediate Sites***, during class time (including time outside of the classroom such as the media center) phones and devices including apple watches, must be put away and in the off position. Exceptions are made for cell phone usage during class time under a teacher's direction (no student is to be penalized for not having a device). At the **Middle School and High School**, cell phones are allowed but are teacher discretion during class time. Cell phone usage at school is the ultimate decision of the school officials.

Wireless devices used during a test for any purpose will be considered cheating and proper action will be taken. Student's misuse of wireless telecommunication devices during the regular school day will warrant disciplinary actions that will be determined by the nature, severity, and frequency of the violation. Disciplinary actions will include, but not be limited to confiscation of the device, detention, suspension, and/or loss of privileges.

- **1st Offense**: Device may be retained by the school for the remainder of the school day and will be released to the student at the end of the school day.

- **3rd Offense**: Device may be retained by the school for the remainder of the school and will be released to the student at the end of the school day. Student may be assigned ISI or additional consequence at administrator discretion.

Additional cell phone violations may be treated the same as the third violation or a more severe disciplinary action may be imposed. Cell phones are prohibited during all state testing sessions. **YPS assumes no responsibility for lost or stolen cell phones or devices including headphones/wireless accessories that are in the custody of the student. Wireless speakers are not allowed during the school day.**

TELEPHONES

Office phones are for conducting business. Students will not be able to use these phones during class; however, students must use these phones when they are sick. In accordance with 70 O.S. Section 24-100.8 employees will be required to report any verbal threat or act of threatening behavior which reasonably may have the potential to endanger students, school personnel or school property.

DRESS CODE/EXPECTATIONS

FOREIGN EXCHANGE STUDENTS

Foreign Exchange Students (FXS) are accepted as guests of the district, and every effort is made to provide a well-rounded experience in high school. These students must be affiliated with the legitimate exchange agent who accepts ultimate responsibility for the individual while in school. FXS are given credit for the work completed at YHS and an official transcript is available upon request. However, FXS are not issued a Yukon High School diploma even though they are invited to participate in the commencement exercises at the end of the school year. Yukon Public Schools does not provide sponsorship and exchange programs this is the responsibility of the visiting student or sponsor family. FXS students may be denied enrollment based on space, available resources, and principals' discretion.

GUIDANCE COUNSELORS

Guidance services are available on all campuses. These services include assistance with educational planning; interpretation to test scores, study tips, career information, help with home, school, and/or social concerns, or any question a student may feel he/she would like to discuss with the counselor. Appointments may be made by submitting a digital Counselor's Request Form to the counseling office at the middle school/high school. At the intermediate and elementary level, typically the student asks to see the counselor or is teacher recommended.

SCHEDULE CHANGES

Elementary/Middle School

Changes will be made in a student's schedule only for legitimate reasons. These would include the necessity of change based on law (student qualifies for a program, i.e. IDEA) or an oversight occurred (failed to place a qualified student in G/T), or improper grade level. Students schedules will not change based upon teacher assignment nor solely for the purpose of changing lunch times.

High School

Changes will only be considered for legitimate reasons, such as a schedule conflict, meeting graduation requirements, or inappropriate placement as determined and recommended by a teacher or counselor with administrative approval. Computer errors, failure to be accepted into a program (CVTC), incomplete schedules, duplication of courses, and failing to have met a prerequisite are all reasons for schedule changes. There will be no changes solely for the purpose of changing lunch times.

CHECK OUT PROCEDURES

No student may leave school except at regular dismissal time without checking out through the office. If the student knows in advance that he/she needs to leave school, a parent must phone (high school only) or come by the office to check out the student. An **EARLY DISMISSAL FORM** will be issued to the student (9-12), all other students (PK-8) will be called to the office to meet the parent(s) upon their arrival. **A student who fails to check out when leaving school anytime during the school day will be disciplined for truancy.** No student will be allowed to leave school unless a parent has been contacted. High school registered drivers will be permitted to leave with parental permission. **Only names provided by parents and currently in the data system will be permitted to check out students the day of request. Photo identification will be required when checking out a student in person.**

ASSEMBLIES

Assemblies/programs are held for several purposes - to teach, to entertain, to honor, to display school spirit, etc. Students are expected to exhibit good behavior and to act responsibly and respectfully as an audience member.

Attendance at assemblies/programs is required unless nonattendance is approved in advance by the building administrator for compelling reasons, i.e. religious reasons, etc. *Failure to report to your assigned seating area or assigned area will result in a truancy and possible disciplinary action.*

Additionally, these are expected behaviors:

- Follow assembly instructions given by the teacher/administrator
- Sit where you are assigned.
- Avoid talking, clapping, yelling, or indicating your approval or disapproval when it is inappropriate to do so, i.e. a National Honor Society induction requires silence; pep rallies require audience participation. [Even pep rallies have a time for listening/cheering. Know when those times are and respect them.]
- **You** are responsible for the way **you** treat other people.
- **Honor and respect the dignity of the program.**
  the remainder of the day and the parent/guardian must pick up after the day is completed. Students will be assigned additional penalty to be determined by the site administrator.

Disciplinary action will be taken for those students who are disruptive or uncooperative. Assemblies, pep rallies, etc. may be discontinued in any given year if behavior continues to be inappropriate.

These expectations apply to all school sponsored events/activities away and at home including athletic contests.

CITATIONS/TICKETS/CONTRABAND

When school officials and/or law enforcement authorities deem necessary, a student may be issued a municipal citation. Citations could be issued for trespassing, truancy, tobacco, alcohol, drugs, profanity, assault, fighting, vandalism, destruction of school property or equipment, harassment or creating a disturbance (among other rule violations).

Any student driving a car onto school property is to ensure that vehicle does not contain alcohol, controlled substances, weapons, or any other item(s) banned from school. Students who drive the vehicle to school

will be held responsible for the vehicle. All vehicles are subject to random searches. Violations will result in disciplinary action and possible police referral.

DETENTION
School staff use detention as a disciplinary action. This is a mandatory study time; therefore, all students must bring homework or study materials to detention.

Failure to attend detention at the appointed time or comply with detention expectations may result in further action by an administrator.

PUBLIC DISPLAY OF AFFECTION
Couples must conduct themselves in such a fashion that the attention of others is not attracted to their behavior. No public display of affection should occur during school time. Offending students will have the necessary disciplinary action taken.

TRESPASSING
Students are not allowed on any district or other district campus, other than their home school, without permission from that site's principal. To do so is trespassing and the student is subject to disciplinary action. Once permission is received, the visiting student must immediately report to that site's main office.

Under Oklahoma law, a superintendent, principal, or other person in charge of a school has the right to order any person out of school buildings, off school property, and away from off campus activities when it appears that the presence of the person is a threat to the peaceful conduct of school business, school classes, and/or school activities. **Citations may be given for trespassing.** [O.S. § 24-131]

STUDENT ID CARDS (YHS ONLY)
In a continuing effort to increase security, student identification procedures will be enforced at our high school. The school issued ID, lanyard, and case are school property. Students may be required to return these items to the school at the end of the school year or if a student withdraws to attend another school. ***It is expected for all high school students to wear their IDs and to comply with this district protocol.***

Forgotten IDs:
- Report to the office to get a temporary ID.
- Students who repeatedly forget to wear their ID badge, may receive disciplinary consequences.

- Students who have an ID, but refuse to wear their ID badge, may receive disciplinary consequences for defiance.

- Locks (when used) are in the control of the building administrator who shall have custody of all combinations and copies of keys to all lockers. Students are prohibited from placing locks on any locker. Only locks owned by the school can be used on lockers.
- Students are to use lockers exclusively to store school related materials and authorized personal items such as outer garments, footwear, grooming aids or lunches.
- Students shall not use lockers to store contraband - meaning illegal or unauthorized items in violation of Board Policy or any other items reasonably determined by the principal to be a potential threat to the safety, well-being, or security of others.
- Students are solely responsible for the contents of their lockers and should not share their lockers with other students nor divulge locker combinations to other students unless authorized by the school principal.
- Random or blanket searches of school lockers and their contents help deter violations of school rules and regulations, ensure proper maintenance, and provide security for students and personnel. Accordingly, the Board authorizes the school principal/ designee to search lockers and contents at any time, on random basis without notice, without parental or guardianship approval, without student approval, and without reasonable suspicion of the presence of contraband.
- The principal/designee may request the assistance of security personnel in conducting locker searches.
- In addition to conducting random searches, the principal/designee may conduct a search of any locker at any time. As per Oklahoma law, students have no legitimate expectation of privacy in lockers or other school property. School owned property may be searched at any time.
- When conducting locker searches, the **principal may seize** any contraband. Any items seized by a school official may be removed from the locker and held by the school official for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of the minor child, or the student if he/she is 18 years or older, shall be notified by the school official of items removed from the locker.
- Vandalism to the locker including writing or damage of any kind will result in disciplinary action.
- Under no circumstance should money or valuables be kept in lockers.
- Disappearance of materials, including textbooks from a locker, is the sole responsibility of the student.
- The locker is to be clean of any writing and/or posters before the student is cleared at the end of the school year or upon withdrawal.

LOST AND FOUND
The Lost and Found is maintained in the school's offices. If a student finds an article in the classroom, it should be given to the teacher. Items found elsewhere in the buildings should be taken to the office. The school assumes no responsibility for items left unattended in classrooms, lockers, cafeteria, or other areas. Under no circumstance should students leave personal items unattended or unsecured on campus, nor should anything of value be brought to school. Articles not claimed by the last day of school or the announced final pick up date will be donated to charity.

PARTIES (ELEMENTARIES ONLY)
There will be three (3) school parties - Fall, Winter and Valentine's. Costumes for the Fall party will be restricted to the Pre-Kindergarten students. We ask adults **not** to dress in costumes or masks when they come to school on the day of the Halloween parties. We strongly encourage the pre-kindergarten students to dress as cartoon/storybook characters. Pre-kindergarten and kindergarten students will also be allowed an Easter egg hunt at Easter.

The Fall, Christmas, and Valentine parties will be held the last thirty (30) minutes of the school day. There will be a limit on the dollar amount to be collected for the class parties for the year. There will also be a dollar amount limit for gifts exchanged at the Christmas parties.

Refreshments for birthday parties (on campuses where permitted) should be served during the last ten (10) minutes of the school day with prior approval from the teacher. **Invitations to private parties will not be distributed at school.**

With permission from the coach or advisor, a student may ride to or from a school-sponsored event with only his/her parent/guardian. Arrangements must be made in advance, and students will be dismissed by the sponsor/ coach directly to the parent/guardian. **It is YPS Board policy that no student is permitted to ride with another parent to or from a school sponsored event in which he/she is representing the school. Students are not permitted to drive a vehicle to or from a school- sponsored event in which they are representing the school.**

Students riding buses will return on the same bus, unless directed otherwise by the sponsor. Conduct on all trips will be in accordance with school rules and regulations. *Students are to follow the directions of the adults in charge **and to follow the directions of the bus driver** while on board.* No food or drink will be permitted on bus routes or trips. If two (2) sponsors are on the bus, one will sit in the rear and one in the middle of the bus. The sponsor/coach and driver will check the bus after returning from the activity or field trip.

STUDENT COUNCIL (YMS/YHS)

Student Council serves as a training experience for both leaders and followers, promotes the common good and gives students a share in the management of the school. It also develops high standards of personal conduct, acts as a clearinghouse for student activities, seeks to interest students in school affairs and helps solve problems that may arise. Members of the council are your representatives and have direct access to school administration. The Student Council shall be composed of representatives from each classification of student (grade level).

GUEST TEACHER

Guest teachers are to be accorded the same respect as regular classroom teachers. They have the same authority as a regular teacher. Any student failing to maintain a proper relationship with a guest teacher is subject to disciplinary action. The responsibility is with the student to treat a guest instructor with respect and courtesy that is due all people.

OFFICE/TEACHER AIDES (YMS/YHS)

Generally, students must be in credited classes for six class periods per school day (both high school/middle school). - Students must agree to follow the directions of the supervising staff and abide by the tardy and attendance policy.
- Students may serve only one (1) period during the day

TEXTBOOKS

Students are encouraged to take textbooks home to study when they are checked out to them. In the event a book is lost, stolen, or damaged; the student will be expected to replace it. The school is authorized to

withhold transcripts or other records if a textbook is not returned. [70 O.S. § 16-121] It is a good idea for students to cover textbooks to minimize damage. We urge students to keep textbooks in their lockers, backpacks, or with them at all times.

VARSITY SPORTS
YHS participates in a wide variety of varsity sports for both men and women as a Class 6A school. Students who are selected must comply with OSSAA rules. **http://www.ossaaonline.com**

INTERNET
Since the Internet constitutes an unregulated collection of resources which change constantly, it is not possible to predict or control exactly what resources students may locate. The school district makes no guarantees of the accuracy of the information or the appropriateness of material a student may encounter. Students will be under teacher supervision; however, it is not possible to constantly monitor individual students and what they are accessing. Students and other users will refrain from accessing and/or downloading any text, picture or online conferring that includes material which is considered to be obscene, libelous, indecent, vulgar, profane, or lewd; advertises any product or service to minors prohibited by law; presents a clear and present danger/ or will cause the commission or unlawful acts or the violation of lawful school regulations. Users will be courteous and polite. Messengers will be concise and not abusive in content or language. Personal information should not be revealed. Users must be aware that any message or information posted on the Internet may be accessed by others for whom it is not intended. Users of the service will respect all copyright and license agreements. Copyrighted software, pictures or music will not be downloaded for use that violates copyrights. All users must agree to attend an Internet orientation which will address the issues of appropriate use of the Internet, copyright laws, and Internet etiquette.

SECURITY RESOURCE OFFICERS (SRO)
YPS has four (4) School Resource Officers (SRO's). These individuals are employees of YPS and YPD who work cooperatively for the safety of our district. Failure to follow the SRO's directions will be considered insubordination and violators will be referred to the building administrator for possible disciplinary action. SRO's may file tickets resulting in legal action(s) for students or parents. Tickets are issued at the discretion of the SRO's.

PARKING LOT/STUDENT VEHICLES (YHS)

CONDUCT FOR EXTRACURRICULAR ACTIVITIES
During the school year, students will have many opportunities for involvement in extra activities. Students are representing the Yukon School District during the school day and during school sponsored activities. Acceptable behavior is required during on and off campus events and is subject to the authority of school officials [21 O.S. § 643, 21 O.S. § 650 and 650.1, 21 O.S. § 844, 21 O.S. § 1363, 70 O.S. § 24-101]. School personnel are an important part of any decision concerning student involvement. Personnel will always consider grades, attitude, and behavior. This applies to all related activities. Studies have shown the most successful students are those who remain active. We encourage our entire student body to find their niche and to get involved.

TOBACCO
State law [63 O.S. § 1-1523] and the board policy prohibit the use and possession of tobacco and or e-cigarettes on the school campus or school grounds. ACCIDENT OR ILLNESS

If a student develops an illness or injury after reaching school, an attempt will be made to notify a parent/guardian. It is important that the school be given the current telephone number for parents, and a person to call in an emergency if a parent cannot be reached. Regular attendance is important; however, for his/her own interest and to prevent the spread of contagious diseases, your child should be kept home if he/she is running a fever of 100 degrees F or higher or shows signs of illness. Keep the student home until he/she has been fever free for 24 hours without the use of anti-fever medications. If a student has diarrhea (3 or more loose bowel movements) or any vomiting, please keep your child home until he/she is vomit and diarrhea-free for 24 hours without the use of medication. There are different rules for when a student may return to school for other health conditions such as contagious rashes, eye/skin infection, cough, sore throat and communicable illnesses. Please speak to your health care provider for guidance and talk to a member of the YPS student health team or a school administrator about exclusion policies for other illnesses.The school will administer only minimum first aid in case of injury. In case of apparent internal injury, broken bones, or the appearance of serious injury; parents and/or paramedics will be notified immediately. Parents are asked to sign a *Treat and Transport* form at the beginning of each year.

HEAD LICE

SPECIAL NOTICES

Oklahoma law mandates the State Department of Health and State Department of Education to jointly develop materials that inform students participating in or desiring to participate in an athletic activity, and their parents and their coaches about the nature of warning signs of sudden cardiac arrest. (70 O.S. § 24-156)

  - When students finish eating, they will remain seated in the cafeteria, or they may go outside in the courtyard area. Students must remain in the courtyard area.
  - Students are asked to help us keep the cafeteria and courtyard clean and attractive.

  - Parents may check their student(s) out for lunch.

BUS POLICY

The school may legally provide transportation to and from school for those students who live more than one and one/half (1½) miles from school. Individual bus routes and time schedules can be obtained from the Transportation Department (405)354-6667. Bus routes are established to give the best possible service to all individuals in accordance with state laws and regulations. Yukon Public Schools will not provide transportation for transfer students. Bus routes will not be posted for safety reasons. We recommend that for our youngest riders, parents place their child's name and address with a parent phone number in a pocket for their safety. If the child gets on the wrong bus, this will enable us to get them home safely with a chance to notify the parent.

The school bus driver is the sole authority for the passengers on the bus. Any misbehavior that distracts the driver and jeopardizes the safety of everyone is a **very serious violation**. A bus with students "out of control" may return to school so the principal may take immediate, appropriate action. The Yukon School District disciplinary program is a reflection of its interest in the safety of all children who ride the bus;

therefore, the following procedures will be implemented:
- Principals will review bus rules and procedures with students.
- Drivers will remind students and sponsors of the "No eating and drinking (including candy)" while riding.
- Elementary and middle school students will only be allowed to be a "guest rider" with a parental written request to the administration 24 hours in advance. Permission is subject to bus space availability and a principal's pass to ride. No pass/no ride. *High school students are not allowed to be or to have guest riders*.
- Drivers will assign seats whenever the safety and well-being of the passengers are involved.
- Students who fail to identify themselves to the driver will not be permitted to ride the bus for a period of no less than one (1) week.

Students will be cited for the following:
- Refusal to obey driver
- Failure to remain seated
- Use of tobacco
- Profanity, spitting, vandalism
- Fighting
- Inappropriate use of cell phones or other electronics
- As a result of allergies and asthma, no cologne/ perfume spraying
- Throwing objects
    - Hanging out the window
    - Violation of gang policy
    - Possession of controlled and/or dangerous substances
    - Eating or drinking on the bus
    - Walking in front of the bus without the driver's permission
    - Bullying, intimidation, or harassment of students or staff
    - Threats made to any individual
    - Possession of contraband
    - Laser pointers strictly prohibited
    - No athletic equipment, flag poles, or large band instruments permitted
    - No skateboards or any item prohibited in the schools
    - Students are allowed one (1) bag, i.e. book bag, backpack, etc.
    - All electronic equipment left on the bus must be picked up and signed for at the transportation office. Call (405)354-6667 for more information.

List is not intended to be all-inclusive.

Consequences
If a student is reported in violation for any reason, the principal may take the following actions:
- 1st Offense: A conference with the student and a report to the parent.*
- 2nd Offense: Automatic denial of riding privileges for a minimum of five (5) school days and a conference with parents.*
- 3rd Offense: Automatic denial of riding privileges for ten (10) school days and a conference with the parents.*
- 4th Offense: Denial of riding privileges for the remainder of the year or longer.
- ***Special Note***- Any student creating a potentially dangerous situation by throwing any object out a bus window will automatically be suspended from the bus for a minimum of ten (10) days.

**School policy will be followed.*

Suspension may be possible depending on the severity of the offense and/or danger to the students or others. If a student is suspended from a bus route, they will be suspended from all bus routes, they will be suspended from all buses including the Tech Center route, sponsored events, field trips, and athletic events. The principal's decision in these matters is final.

If parents have an issue regarding the bus route, call Transportation at (405)354-6667. In order for drivers to maintain schedules, issues should not be addressed at the bus stops. When buses are held up, it can become a safety issue for students left waiting at the other stops. If a parent has a brief note or piece of information to share, they should approach the driver's side of the window. Safety of all students demands that no person including parents be allowed on a bus for any reason.

Inappropriate behavior/language by a parent at a bus stop can result in that parent's child losing bus

privileges. Denial of bus riding privileges will carry over from semester to the next or one school year to the next. We hope you will understand this system to be a reflection of our sincere interest and concern for the safety and well-being of your children.

TRANSPORTATION AS A RELATED SERVICE FOR A DISABLED STUDENT
A *related service* is a service required to assist a disabled student to benefit from special education. Special transportation consideration is such a service.

Consideration in transportation is accessed through the
Individualized Education Program (IEP) process for disabled students. Only those students who require specialized equipment on the bus or who cannot safely reach a common pickup point will be considered for **home curb** service. Transportation cannot be arranged for a student on a special needs bus or regular bus without an IEP stating the required service.

To expedite the process and make travel safe, efficient and effective for all participants, experience has indicated the need for the following procedures:

- Transportation will only be provided from the student's residence to the school and back to the student's residence. Transportation cannot be provided to alternate pick-up or drop-off sites (child care, relatives, etc.).
- Parents will be advised of the approximate time of the A.M. bus arrival. It will take a few days in a new school year for bus personnel to refine arrival times at the pick-up points for routes. A late student throws the schedule off for all other riders. Upon arrival at the bus stop, the bus will wait no longer than two (2) minutes before departing. Please do not ask the driver to wait additional time. Drivers will not be allowed to notify parents with phone calls or honking the bus horn. **Time will start when the bus arrives at the designated pickup point.**
- Students will not be received on the bus while eating, not fully clothed, when visibly ill or when they are resisting boarding the bus. Please make sure your child has taken care of bathroom needs before the bus arrives. For the benefit of all, please see that hygiene is properly maintained and your child is ready for school.
- Parents or designees are responsible for "*door-to-curb"* and "*curb-to-door"* passage of the child. This includes assisting the child across the street if necessary. Parents should call transportation to advise the driver when it is necessary for a neighbor or family member to meet the bus, or if the parent wishes to send a student out with a sibling to deliver or receive the child. We need to be assured the parent deems that the sibling is responsible for the task.
- Appropriate behavior is expected on the bus at all times. The aide and driver may use appropriate discipline measures for the safety of all children. The principal will be alerted to problems. Continued infractions may be referred to the IEP team.

- **Parents need to be home at school dismissal** due to issues beyond transportation's control which could cause a student's arrival at home to be earlier than normal.
- Parents or designee are expected to promptly meet the bus when the child arrives home from school. **Childcare is not available at the school or from transportation personnel after the school day is over.** If visual contact is not made with a parent or designee, your child will either be returned to the school or Youth and Family Services in El Reno.
- If your child is not going to ride the bus, call the transportation department before 6:00 a.m. Call back when your child is able to resume school. **354-6667**
- **If a bus comes by and there is no response, the bus will not return until you contact transportation.**
- To prevent any miscommunication, bus drivers will not deliver any verbal messages to teachers or parents.
- Assistive devices (i.e. chairs, walkers) will not be transported unless the student is on the bus.
- **Please communicate all problems regarding bus service to the transportation department at (405)354-6667.**

ANONYMITY (REFUSAL TO IDENTIFY SELF)
School personnel have the right to know the identity of all persons on the school premises. Students must identify themselves upon request of school personnel or duly assigned and identified monitors on school premises, to and from school during school hours which would include bus drivers, or during the time of school sponsored or authorized functions. **Upon entering any school, visitors must immediately report to the office.** The principal or any faculty member, after establishing that a person is (1) not a student or

employee of the school or (2) has no proper business at the school, will direct the person to leave immediately.
Principals and their designees shall have the authority and duty to conduct investigations and to question students pertaining to infractions of school rules, whether or not the alleged conduct is a violation of criminal law. Such investigations shall be conducted in a way which does not unduly interfere with school activities. Students are expected to cooperate. Failure to do so could result in disciplinary action. Principals and their designees shall determine when the necessity exists to contact law enforcement officers.
Examples of primary cause would be:

- When the behavior of persons jeopardizes the safety of students, school, staff, or property.
- When behavior interferes with the operation of the school or to conduct an investigation of alleged criminal behavior.

CARE OF SCHOOL PROPERTY/VANDALISM
All students should guard against marking on buildings, desks, books, and equipment. Students are not to vandalize cars or other student's property, i.e. shoe polishing, dumping of any liquid or papering of cars while on school grounds during or after school (not intended to be all inclusive). Students are responsible for books and shall pay for any book lost, damaged,or stolen. Each student shall pay for all damages he/she does to school property within one (1) week of incident unless special arrangements are made for deferred payments with the principal.

MEDICATION
For medications that will be taken at school, a parent or legal guardian must transport the medication to the school in person, and sign a YPS Medication Consent Form prior to medication administration. **Students are not allowed to transport medication to or from school on the bus, or in person; and medication will not be sent home with students for safety reasons. The only exception to this rule is STRICTLY LIMITED to students who have rescue inhalers, epinephrine injectors, pancreatic enzymes or diabetes supplies, AND have SIGNED PERMISSION from the prescribing physician and parent or legal guardian on the YPS Medication Consent Form.** Each prescription medication must be in the original pharmacy container, with a current pharmacy label showing the student's name, medication, strength, dosage, prescribing physician, and pharmacy name. If you need to check in over-the-counter medication for your student, it must be in a new, unopened container, with age appropriate dosing instructions.

Essential Oils are not covered by the YPS Medication Consent Form. School personnel are restricted from administering essential oils. Due to safety and health related issues, students may not self carry essential oils.

For information regarding Yukon Public School's Medical Marijuana policy please reference Board Policy FFACD. For students with state issued medical marijuana cards, please contact your school's principal for procedures.

DRUG/ALCOHOL TESTING

In order to safeguard the individual and general welfare of all students, Yukon Public Schools may administer a drug/alcohol test as a condition of admission to a school-related activity to any student. It may also administer such a test at any time during the school day and/or activity. The YPS administration will determine at which school sponsored events the drug/alcohol test procedures will be used. These events will include, but are not limited to the following; proms, dances, concerts, overnight activities,and optional field trips.

The administration will determine the manner by which the students will be tested, i.e. the entire group, predetermined random selection, or based on individual reasonable suspicion. A trained administrator or trained staff member present at such events has the authority to test and retest any individual suspected of being under the influence of alcohol,even if the student has a negative test upon entering the event.

Students exhibiting signs of drug/alcohol use (reasonable suspicion) including but not limited to: glassy eyes,slurred speech, unsteadiness on the feet or emission of an alcoholic odor, may be requested to take a drug/ alcohol test administered by a school administrator or designee. A refusal to submit to a drug test will constitute a positive result. Drug tests must be completed within 24 hours of notification. If a student tests positive for alcohol, he/she will receive one additional opportunity to take the test.

If a student does not pass the drug/alcohol test, his/her parents will be notified and parents must come to pick them up. If a parent or guardian cannot be reached, the student will be placed in protective custody by the police department in the town where the event is located until a parent/guardian can pick up the student. Law enforcement will be notified if the student is still in possession of drug/alcohol. Students who take the drug/alcohol test upon determination that there is reasonable suspicion to suspect that they have consumed drugs/alcohol will be subject to all school rules relating to the use and/or possession of drug/alcohol.

Any student suspected of using, possessing, or distributing drugs or alcohol will be referred to the principal/designee. If the student is determined to be in violation, the student may be suspended from school and/or co-curricular activities for a period of up to two (2) semesters. The superintendent/designee, the site Student Assistance Program Coordinator, the parents, and the SRO (police) will be notified.

If absent on the day of testing, students must complete a test within 24 hours of being contacted.
- Failure to complete required activities of the SAP Contract within the prescribed time will result in reinstatement of the full suspension.

If one of these random tests has an abnormal reading, or if in the opinion of the drug testing company the sample contains an adulterant or has been tampered with, or if the student refuses to take the test; the full term of the suspension will be reinstated. If the sample is tampered with, another sample may be requested. If the student/parent/guardian disagrees with the result, he/she may request, at their expense, that this sample be tested by another certified laboratory. If absent on the day of testing, students must complete a test within 24 hours of being contacted.
- Failure to complete required activities of the SAP Contract within the prescribed time will result in reinstatement of the full suspension.

Reasonable Suspicion
If a student exhibits and/or appears to be under the influence of alcohol, illicit drugs, or over-the-counter medication at school or at a school sponsored event; the parent/guardian of such student will be notified immediately so that medical attention may be obtained if necessary. Any teacher, who has reasonable cause to suspect a student may be under the influence of or has possession of non-intoxicating beverages (beer, etc.), alcoholic beverages, or an illicit drug as defined herein, shall immediately notify the superintendent or designee and the student's parent/guardian.

EXTRACURRICULAR ACTIVITY
RANDOM DRUG TESTING
Illegal drug use of any kind is incompatible with the physical, mental, and emotional demands placed upon participants in extracurricular activities involving competition and upon the positive image these students project to other students involved in extracurricular activities. Therefore, the Yukon Board of Education in an effort to protect the health and safety of its students involved in competitive extracurricular activities from illegal drug use and abuse thereby setting an example for all other students of the Yukon Public School District, permits the following policy for drug testing of activity students. The following policy will be used by all participants in interscholastic extracurricular activities which involve competition in grades 7-12. Any student who begins drug testing under the Extracurricular activities process is subject to continued random testing the remainder of the school year.

All "Activity Students" will be required to opt into student drug testing during the online student registration process before the student may participate in an extracurricular activity covered under this policy. A student who moves into the district after the school year begins will be also required to opt into student drug testing during the online registration process before he/she will be eligible for participation.

Drug use testing for Activity Students will be chosen on a random selection basis from a list of all Activity Students who are involved in activities both in season and off season. The district will determine a number of student names to be drawn at random from each grade level to provide a mouth swab sample for drug use testing for illegal drugs. In addition to the random drug test, any Activity Student may be required at any time to submit to a test for illegal drugs, or the metabolites thereof when an administrator, coach, or sponsor has reasonable suspicion of illegal or performance enhancing drug use by that particular student. All aspects of the drug use testing program, including the taking of specimens, will be conducted so as to safeguard the personal and privacy rights of the student to the maximum degree possible.

If in the opinion of the drug testing company the sample contains an adulterant or has been tampered with, the sample will be treated as positive and policy consequences will be in effect. If at any time during the testing procedure the monitor has reason to believe or suspect that a student is tampering with the sample, the monitor may stop the procedure and inform the principal/athletic director who will then determine if a new sample should be obtained.

An initial positive test result will be subject to confirmation by a second and different test of the same specimen. The second test will use the gas chromatography/mass spectrometry technique.

Any Activity Student who tests positive in a drug test under this policy shall be subject to the following restrictions:

First Offense

- The parent/guardian will be scheduled to meet with the student, Athletic Director/designee, Student Assistance Program Coordinator, and/or the principal/designee to discuss the positive test result.
- **The student will be suspended from participation in all activities covered under this policy for ten (10) school days.** After this ten-day period, the student may resume participation once they have provided proof to the school that they have completed four (4) hours of Substance Abuse Education/ Counseling from a counseling entity the cost of which will be paid by the parent/guardian. Additionally, the student will be tested for the remainder of that semester. The time and date will be unknown to the student and determined by school personnel.

These requirements and restrictions shall begin immediately, consecutive in nature, unless a review appeal is filed following receipt of a positive test. Should the parent/guardian not agree to these provisions, the consequences listed in this policy for the second offense will be imposed.

Second Offense
Complete suspension from participation in all extracurricular activities including all meetings, practices, performances, and competitions for the remainder of the school year, or eighty-eight (88) school days (1 semester) whichever is longer.

Appeal
An Activity Student who has been determined by the Principal/Athletic Director to be in violation of this policy shall have the right to appeal the decision first to the Executive Director of Secondary Education and his/her committee. Such a request for a review must be submitted to the Superintendent/designee in writing within five (5) calendar days of notice of the positive test. A student requesting an appeal will remain eligible to participate in any extracurricular activity until the appeal is completed. The Director/designee and committee shall then determine whether the original finding was justified. If the outcome of the informal appeal remains objectionable to the student/parent, a request for a formal appeal before the Board of Education must be made in writing within three (3) days of the informal hearing decision. This letter should be written to the superintendent. The finding of the Board shall be final and no further review will be provided and shall be conclusive in all respects. YPS POLICY GUIDE AND INFORMATION
2022-2023

YUKON PUBLIC SCHOOLS		FNCD
BULLYING		
Adoption Date: 8/1/2020	*Revision Date(s): 5/16/02, 7/03/08, 5/18/12, 7/29/13, 7/8/14, 5/28/2020*	*Page 1 of 62*

It is the policy of this school district that bullying of students by other students, personnel, or the public will not be tolerated. This policy is in effect while the students are on school grounds, in school vehicles, at designated bus stops, at school-sponsored activities, or at school-sanctioned events, and while away from school grounds if the misconduct directly affects the good order, efficient management, and welfare of the school district. Bullying of students by electronic communication is prohibited whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation, or bullying at school.

As used in the School Safety and Bullying Prevention Act, "bullying" means any pattern of harassment, intimidation, threatening behavior, physical acts, verbal or electronic communication directed toward a student or group of students that results in or is reasonably perceived as being done with the intent to cause negative educational or physical results for the targeted individual or group and is communicated in such a way as to disrupt or interfere with the school's educational mission or the education of any student. Such behavior is specifically prohibited.

In administering discipline, consideration will be given to alternative methods of punishment to ensure that the most effective discipline is administered in each case. In all disciplinary action, teachers and administrators will be mindful of the fact that they are dealing with individual personalities. The faculty may consider consultation with parents to determine the most effective disciplinary measure.

In considering alternatives of corrective actions, the faculty/administration of the school district will consider those listed below. However, the school is not limited to these alternative methods, nor does this list reflect an order or sequence of events to follow in disciplinary actions. The board of education will rely upon the judgment and discretion of the administrator to determine the appropriate remedial or corrective action in each instance:

1. Conference with student
2. Conference with parents
3. In-school suspension
4. Detention
5. Referral to counselor
6. Behavioral contract
7. Changing student's seat assignment or class assignment
8. Requiring a student to make financial restitution for damaged property
9. Requiring a student to clean or straighten items or facilities damaged by the student's behavior
10. Restriction of privileges
11. Involvement of local authorities
12. Referring student to appropriate social agency or to a delinquency prevention and diversion program administered by the Office of Juvenile Affairs
13. Suspension
14. Other appropriate disciplinary action as required and as indicated by the circumstances which may include, but is not limited to, removal from eligibility to participate or attend extracurricular activities as well as removal from the privilege of attending or participating in the graduation ceremony, school dances, prom, and/or class trips.

Harassment set forth above may include, but is not limited to, the following:

1. Verbal, physical, or written harassment or abuse;
2. Repeated remarks of a demeaning nature;
3. Implied or explicit threats concerning one's grades, achievements, etc.;
4. Demeaning jokes, stories, or activities directed at the student;
5. Unwelcome physical contact.

The superintendent or designee shall develop procedures providing for:

1. Prompt investigation of allegations of harassment;
2. The expeditious correction of the conditions causing such harassment;
3. Establishment of adequate measures to provide confidentiality in the complaint process;
4. Initiation of appropriate corrective actions;
5. Identification and enactment of methods to prevent reoccurrence of the harassment; and
6. A process where the provisions of this policy are disseminated in writing annually to all staff and students.

A copy of this policy will be furnished to each student and teacher in this school district.

70 O.S. §24-100.2

To ensure that our students and employees become proficient in the information technology competencies essential for success in a 21st century learning environment, the Yukon Public School District (YPS) provides a variety of resources in support of our instructional and administrative programs. Students and employees may also, at times, use their own personal information and communication technologies for educational purposes. Therefore, it is important that all members of the school community use technology responsibly, ethically and respectful for the work of others.

Access to YPS technology resources is a privilege and not a right. To ensure that YPS technology resources remain available in working order, the Yukon Public School District has established an Acceptable Use Policy (AUP) and Guidelines which define the procedures and parameters under which these resources may be used by all staff, students and volunteers. To accommodate future needs and circumstances, the AUP, procedures and guidelines related to YPS technology resources will be regularly reviewed, updated and distributed.

So that all users remain informed of our expectations and appropriate use of technology resources, the Yukon Public School District will ensure all students and staff receive access to age-appropriate technology resources and tools as well as on-going training in the safe, responsible, and effective use of our technology resources.

YPS technology resources include, but are not limited to: wired and wireless networks; desktop, laptop, and tablet computers; data shares; mobile devices; server resources; telecommunication systems and associated devices; student information systems (PowerSchool, PowerTeacher, Destiny); security systems and access control; email and instant messaging systems, learning management systems (Google Apps), etc.

In order to initiate and maintain access to YPS technology resources, all users must submit annually a signed Acceptable Use Agreement (detailed below), non-adherence of which may result in loss of non-course related access and/or appropriate disciplinary and/or legal action. Violations of the AUP are deemed as violations of school behavioral expectations and codes.

Please read this updated Technology and Internet Acceptable Use Agreement carefully. You must initial each section where indicated and sign and date it at the end.

I. Personal Responsibility and Safety. I know that school computers and internet communication tools must be used properly and with respect.

1. I understand that using the school's computers and accessing the internet is a privilege that is earned.
2. I understand that all the rules described in my school's discipline policy and employee handbook and this Technology Use Agreement apply when I am using computers at school and whenever I'm using a learning management system (e.g. Google Apps for Education; Google Classroom), even from home.
3. I will immediately stop and tell the teacher or person in charge if anything happens on the computer or on the internet that does not seem right or makes me feel uncomfortable (inappropriate, offensive, illegal, any act of bullying, or action that violates the Technology Use Agreement).
4. If I find something that is not appropriate on
5. the Internet, I will leave it right away and tell a teacher or employee supervisor. I will not show other students or fellow colleagues inappropriate content.
6. I will report any misuse of the computer or the network to a teacher, principal, or direct supervisor.
7. I will take care of the computer and all technology equipment as if it belonged to me.

8. I understand that the district keeps a record of everything that is done on the computers and that things done on the internet can be traced back to the person who did it.

I understand ~~this~~ the paragraphs listed above in items 1-8

Student's Initials _____ Parent's Initials _____ Employee's Initials _____

II. Inappropriate Uses. I understand that school computers should be used for learning, not for playing games.

1. I will only use school computers for classroom work assigned by the teacher and/or direct supervisor.
2. I will not use school computers for playing games or socializing.
3. I will not participate in chat rooms (or instant messaging) while I am at school, unless specifically directed to by my teacher for a particular assignment or my supervisor for work related tasks.
4. I will not damage the computer nor load any viruses or spyware onto the computer or network. I understand this would be considered a form of vandalism.
5. I will not change the way the computer desktop looks or how it works.
6. I will not attempt to bypass security measures on the district network.
7. I will not download any software from the internet unless specifically directed to as part of a lesson or work assignment.
8. I will not install any software on the school computer or the network.
9. I will not buy, sell, or advertise anything using the school computer and network.
10. I will not log into the computer or network with someone else's username and password.

I understand that improper use of school computers and the Internet could break the law and/or school rules resulting in discipline which could include suspension from school or employee termination.

I understand ~~this~~ the paragraphs listed above in items 1-10

Student's Initials _____ Parent's Initials _____ Employee's Initials _____

III. Digital Citizenship. I will treat people with respect when using the computer and accessing the Internet.

1. I will not threaten, insult, gossip, tease, or treat others with cruelty while I am online or using a computer. I understand this type of behavior is a form of bullying and will not be tolerated and will be punished and result in the loss of privileges.
2. I will respect other students' and/or employees' work on the computer. I will not copy, change, or remove another student's and/or employees' work from the computer, the school network or the Internet. I will tell a teacher or administrator whenever I encounter anything on the internet that I think may be inappropriate or a violation of school policies. I will do this in person or by "flagging" the questionable material which will immediately notify the teacher and district administrators.

3. I will not use email or messaging tools nor post and comment on blogs unless it is a specific part of an assignment and with the teacher's permission.
4. I will not copy information and use it as if it were my own ideas without giving credit to the information's author and source. I know that failure to properly cite my sources of information is called plagiarism and is a form of cheating.

I understand ~~this~~ the paragraphs listed above in items 1-4

Student's Initials _____ Parent's Initials _____ Employee's Initials _____

IV. Online Behavior: I will follow these guidelines when using the Internet:

1. I understand that things I post on the internet may be seen by everyone at school and at home, and things that are posted on the Internet can be seen by everyone in the world.
2. I will not share personal information (either my own nor another student's) including: references to where I live, details about family or friends (including names), my age, birthday, home address, or telephone number, on the Internet.
3. I understand that once information has been posted online, or in a blog, it cannot be completely taken back. Even if a post is deleted, there could be older versions that were automatically saved that can be viewed, copied and disseminated.
4. I will consider whom I am communicating with and think about how they might interpret my words.
5. I will give constructive criticism and comments in order to help people and not to make them feel bad.
6. I will use respectful and appropriate language without swearing, name calling, or causing others to feel uncomfortable due to their gender, race, appearance, behavior, or beliefs (These are actions that could be considered harassment or bullying).
7. I understand that authorities (police, FBI, Secret Service, etc.) have ways of tracking anything that is posted on the Internet back to the computer or person that posted it even if the person never uses their own name or leaves any personal information. I understand that anything I post on the Internet could eventually be linked to me.
8. I will only post information that I can verify is true and I will not spread gossip about other students.
9. I will not use "chat" or "text" lingo when posting or commenting on a blog, but I will use proper spelling and grammar. (For example, the following are not allowed: "2" instead of "to", "lol" instead of "laughing out loud", "l8r" instead of "later", "brb" instead of "be right back", etc.)
10. I will not use excessive punctuation (For example: "!!!!!!!") nor all capital letters (which implies shouting). I will use words to convey meaning instead of relying on punctuation and capitalization.
11. I will make sure my comments and discussion responses are related to the purpose of the original post and directed toward the author. I will not use classroom online discussions or blogs for personal or social conversations unrelated to the assignment.
12. I will not impersonate others nor try to trick people into thinking what I wrote was done by someone else. I understand that this could be a form of bullying and harassment.
13. I will not use online forums to cheat on tests or assignments.
14. I will ask my teacher and/or supervisor for clarification whenever I am in doubt about any of the rules or guidelines.

I understand that I may face a range of discipline up to and including suspension from school or employee termination if I do not follow the guidelines listed above.

I understand ~~this~~ the paragraphs listed above in items 1-14

Student's Initials _____ Parent's Initials _____ Employee's Initials _____

V. Service Expectations. I understand that although the Yukon Public School District has put security measures in place, it cannot guarantee that every bad website or inappropriate content will be blocked from student access. I also understand that the district does not guarantee that all students and/or employees will have access to computers, the internet, or files stored on its servers 100% of the time. I will always be prepared for the possibility that computers or access to the network may not function on any given day, and that files on the district's servers may become corrupted or lost. I will be responsible for backing up my own files on my own media, as the district does store backups of the student and employee files on its servers.

I understand this paragraph.

Student's Initials _____ Parent's Initials _____ Employee's Initials _____

VI. Privileges. I understand that using the computer network is a privilege I must earn and maintain. It is not a right. If I don't use the computer properly or treat others respectfully on-line, I will lose that privilege and face disciplinary actions and my parents will be notified (students only).

I understand this paragraph.

Student's Initials _____ Parent's Initials _____ Employee's Initials _____

VII. Monitoring and Privacy Issues

To provide ready access for all users, age-appropriate material, an Internet environment that is safe and appropriate for the maturity level and need of student users, and to proactively maintain and secure increasingly complex technology resources and systems the district, as the owner of the technology resources, reserves the right to monitor and review the use of these technology resources and will do so as needed to ensure that the systems are being used for district-related educational purposes and to maximize utilization of the systems for such. It is important that all users and parents understand this and recognize that monitoring access, among other things:

- maximizes the safety and security of people and resources by supporting a positive learning and work environment safe from harassment, intimidation or threats;
- discourages breaches of confidentiality, copyright infringements and inappropriate file downloads and print requests;

- promotes appropriate internet access, electronic communication messages (such as email, blogs, chats and discussion forums).

Therefore, all users must be aware that they should not have any expectation of personal privacy in the use of YPS technology resources. Personal information, however, is not publicly accessible outside of the school network. Password systems implemented by the district are designed solely to provide system security from unauthorized users, not to provide privacy to the individual system user. This provision applies to all users of the district's technology resources, including any incidental personal use permitted in accordance with these regulations.

I understand this paragraph.

HAZING

Adoption Date: 8/1/2020	*Revision Date(s): 5/28/2020*	*Page 1 of 1*

It is the policy of Yukon Public Schools that no student or employee of the district shall participate in or be members of any secret fraternity or secret organization that is in any degree related to the school or to a school activity. No student organization or any person associated with any organization sanctioned or authorized by the board of education shall engage or participate in hazing.

For the purposes of this policy, hazing is defined as an activity that recklessly or intentionally endangers the mental health or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any organization sanctioned or authorized by the board of education.

"Endanger the physical health" shall include, but is not limited to, any brutality of a physical nature, such as whipping; beating; branding; forced calisthenics; exposure to the elements; forced consumption of any food, alcoholic beverage, drug, or controlled dangerous substance; or other forced physical activity which could adversely affect the physical health or safety of the individual.

"Endanger the mental health" shall include any activity, except those activities authorized by law, which would subject the individual to extreme mental stress, such as prolonged sleep deprivation, forced prolonged exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual.

Any hazing activity upon which the initiation or admission into or affiliation with an organization sanctioned or authorized by the board of education is conditioned, directly or indirectly, shall be presumed to be a forced activity, even if the student willingly participates in such activity.

This policy is not intended to deprive school district authorities from taking necessary and appropriate disciplinary action toward any student or employee. Students or employees who violate this policy will be subject to disciplinary action that may include suspension for students and employment termination for employees.

Yukon High School
Concurrent Enrollment Policy

YHS Required Course:	First Semester Required Concurrent Enrollment:	Second Semester Required Concurrent Enrollment:
English IV	English Composition I	English Composition II
Fourth Year Mathematics	Any college math course that is freshman level or higher. Remedial math is not allowed.	None
US Government	US Government	None

Students have the opportunity to earn college credit while still in high school with concurrent enrollment through Southwestern Oklahoma State University, Redlands Community College, or another local university or college.

Twelfth grade students, if they meet the requirements set forth by the college or university, may be admitted and enrolled in corresponding subject areas.

If a student chooses to enroll concurrently for high school credit in a required course, they will complete that credit concurrently. For example, a student enrolled in a college course for one-semester high school course will not be permitted to begin the course then return to the high school mid-semester to complete the semester of credit. On that same note, students must remain enrolled in six hours of coursework. Therefore, if the concurrent class is dropped, the student must immediately report to the counseling office to discuss options and re-enroll in high school coursework.

Withdrawing from Concurrent:
Students are responsible to report any changes in their concurrent enrollment status to their school counselor immediately to allow for a schedule change. Failure to report withdrawal from college courses will result in academic consequences.

RE: Sanctioning of Booster Organizations

Thank you so much for all you do to help our students. Your contributions are significant and very much appreciated. The Yukon Board of Education approved your organization's request for board sanctioning last year. Board Policy requires that this sanctioning is renewed annually. Please complete the attached application for the 2022-2023 school year. If you have any questions regarding the information required, please contact your building principal, or our office for assistance in completing the attached form. If 100% of your funds will be deposited into and all of your expenditures will be paid out of a student activity fund, sanctioning is not necessary. If any of your fundraisers are going to be on school grounds and/or during school hours, using students, you will have to have the fundraisers approved by the board. A fundraising approval application is attached. Please complete one for each fundraiser your group will or may have between now and October of 2023. Fundraisers go to the school board for approval at the September board meeting.

Please note, the official logo for Yukon is

If you are having anything printed with the logo, please check with the Athletic Office or our office for the proper procedures.

I will take all the renewals before the Board of Education at the AUGUST meeting. In order to have your request for renewal included, please send the completed form to the principal for approval by July 21. Thank you for your cooperation and support of our students.

Dr. Jason Simeroth
Superintendent

Enc: Sanctioning Application and Board Policy

SANCTIONING OF PARENT ORGANIZATIONS AND BOOSTER CLUBS

The Yukon Public Schools Board of Education recognizes that the involvement of student achievement programs, parent-teacher associations, and other adult organizations are essential to the provision of quality educational services and are vital in fostering the community-school relationship. However, student achievement programs, parent-teacher associations, and other adult organizations and the funds raised by those programs, associations, and organizations may not be subject to control by the Board.

The Board shall annually sanction parent organizations and booster clubs, hereinafter referred to as organizations, which exist to promote a positive relationship between the District and the community by assisting and supporting the schools in recognizing and promoting student activities. Close communication will be maintained to ensure that the goals of the organizations are in compliance with the goals and policies of the District. The District shall incur no liability for the acts, errors, or omissions of any sanctioned organization. The Board will determine whether to sanction an organization by taking action on the recommendation of the Superintendent or his/her designee. Sanctioning will be contingent on compliance with the following criteria:

A. The organization must be managed or operated by adults, rather than students, and will present its by-laws and/or constitution to the Board. These will differentiate the parent organization or booster club from any student organizations and will provide details of their structure including:

   1. Officers' names and addresses and their duties;
   2. Details of the process to elect officers and the length of each officer's term;
   3. Purpose and goals; and
   4. A detailed breakdown of the dues structure for the membership.

B. No fundraising activities will be conducted within the school during school hours without proper notification to and approval from the Superintendent or his/her designee. Students will not participate during regular class periods unless approved by the Superintendent or his/her designee.

C. The organization may not use District materials in advertising its activities. The use of District property by the organization for its activities will meet all regulations established by the Board.

D. All funds raised will be used to achieve the stated purposes and goals of the organization. No stipends or administrative fees will be permitted to officers or others. If the organization is abolished or ceases to exist, all remaining funds after the financial responsibilities are satisfied shall be deposited into the general fund activity account.

E. Contributions from the organization will not be accepted unless approved by the Board.

F. The organization must maintain bank, financial, and tax-exempt status separate from the District. The organization will provide the Board, annually upon request, a complete set of financial records or detailed Treasurer's report.

G. Any plan, project, or movement instituted to expand, modernize, renovate, or render maintenance to District controlled and/or owned properties, or provide academic achievement awards and other education recognition to students or student bodies will be presented to the Board in official session for its consideration, comment, evaluation, approval, and sponsorship. This must be done before any public announcement is made.

H. Board sanctioning does not excuse an organization from complying with all state and federal laws as they pertain to equal opportunity and treatment of all students. The organization shall comply with applicable law, Board policy, any applicable Administrative Regulations regarding School Activity Funds, Title IX, and all other state or federal equity regulations. If the program, association, or organization refuses to comply with the applicable law, policies, and Administrative Regulations, it shall not be entitled to utilize the District's property or facilities for any purpose.

I. The Board reserves the right to revoke the sanctioning of any organization if it is determined that the operation and purpose are not consistent with the policies and procedures adopted by the Board.

J. If sanctioning is granted, the organization will not deposit any check, warrant, or money order made payable to District, or any individual District school into the organization's private bank account.

Student Organizations Exempt from School Activity Fund Limitations: All student organizations which are covered by the Equal Access Act (20 U.S.C. § 4071 et seq.) shall submit an application for recognition and exemption to the Superintendent. The Superintendent may request such information as is necessary to evaluate the application for exemption including, but not limited to, the following:

1. By-laws;
2. List of current officers;
3. Statement of purpose;
4. Statement of fund-raising methods and activities; and
5. Proposed schedule of fund-raising activities indicating the location, the dates, and the time of such activities.

The Superintendent or his/her designee shall review the application for recognition and exemption and shall make a recommendation to the Board regarding whether the student organization shall be exempted from control by the Board. The Board shall review and consider the Superintendent's or designee's recommendation and the information submitted and shall issue a determination regarding the exemption status of the student organization. If the Board determines that the student organization is in fact a non-exempt student organization, then it shall be subjected to the applicable law, Board policy, and any applicable Administrative Regulations regarding School Activity Funds. If a non-exempt student organization refuses to comply with the applicable law, policies, or Administrative Regulations regarding School Activity Funds, it shall not be entitled to utilize the District's property or facilities for any purpose.

_____In no manner will the board sanctioning of an organization preclude the organization from compliance with state and federal laws as they pertain to equal opportunity and treatment of all students. Gifts or services provided to the school should benefit both boys' and girls' activities.

_____The board of education reserves the right to revoke the sanctioning of any organization if it is found that the organization's operations and purpose are not consistent with the policies and procedures adopted by the board of education.

SANCTIONING OF PARENT ORGANIZATIONS AND BOOSTER CLUBS

The Yukon Public Schools Board of Education recognizes that the involvement of student achievement programs, parent-teacher associations, and other adult organizations are essential to the provision of quality educational services and are vital in fostering the community-school relationship. However, student achievement programs, parent-teacher associations, and other adult organizations and the funds raised by those programs, associations, and organizations may not be subject to control by the Board.

The Board shall annually sanction parent organizations and booster clubs, hereinafter referred to as organizations, which exist to promote a positive relationship between the District and the community by assisting and supporting the schools in recognizing and promoting student activities. Close communication will be maintained to ensure that the goals of the organizations are in compliance with the goals and policies of the District. The District shall incur no liability for the acts, errors, or omissions of any sanctioned organization. The Board will determine whether to sanction an organization by taking action on the recommendation of the Superintendent or his/her designee. Sanctioning will be contingent on compliance with the following criteria:

A. The organization must be managed or operated by adults, rather than students, and will present its by-laws and/or constitution to the Board. These will differentiate the parent organization or booster club from any student organizations and will provide details of their structure including:

   1. Officers' names and addresses and their duties;
   2. Details of the process to elect officers and the length of each officer's term;
   3. Purpose and goals; and
   4. A detailed breakdown of the dues structure for the membership.

B. No fundraising activities will be conducted within the school during school hours without proper notification to and approval from the Superintendent or his/her designee. Students will not participate during regular class periods unless approved by the Superintendent or his/her designee.

C. The organization may not use District materials in advertising its activities. The use of District property by the organization for its activities will meet all regulations established by the Board.

D. All funds raised will be used to achieve the stated purposes and goals of the organization. No stipends or administrative fees will be permitted to officers or others. If the organization is abolished or ceases to exist, all remaining funds after the financial responsibilities are satisfied shall be deposited into the general fund activity account.

E. Contributions from the organization will not be accepted unless approved by the Board.

F. The organization must maintain bank, financial, and tax-exempt status separate from the District. The organization will provide the Board, annually upon request, a complete set of financial records or detailed Treasurer's report.

G. Any plan, project, or movement instituted to expand, modernize, renovate, or render maintenance to District controlled and/or owned properties, or provide academic achievement awards and other education recognition to students or student bodies will be presented to the Board in official session for its consideration, comment, evaluation, approval, and sponsorship. This must be done before any public announcement is made.

H. Board sanctioning does not excuse an organization from complying with all state and federal laws as they pertain to equal opportunity and treatment of all students. The organization shall comply with applicable law, Board policy, any applicable Administrative Regulations regarding School Activity Funds, Title IX, and all other state or federal equity regulations. If the program, association, or organization refuses to comply with the applicable law, policies, and Administrative Regulations, it shall not be entitled to utilize the District's property or facilities for any purpose.

I. The Board reserves the right to revoke the sanctioning of any organization if it is determined that the operation and purpose are not consistent with the policies and procedures adopted by the Board.

J. If sanctioning is granted, the organization will not deposit any check, warrant, or money order made payable to District, or any individual District school into the organization's private bank account.

Student Organizations Exempt from School Activity Fund Limitations: All student organizations which are covered by the Equal Access Act (20 U.S.C. § 4071 et seq.) shall submit an application for recognition and exemption to the Superintendent. The Superintendent may request such information as is necessary to evaluate the application for exemption including, but not limited to, the following:

1. By-laws;
2. List of current officers;
3. Statement of purpose;
4. Statement of fund-raising methods and activities; and
5. Proposed schedule of fund-raising activities indicating the location, the dates, and the time of such activities.

The Superintendent or his/her designee shall review the application for recognition and exemption and shall make a recommendation to the Board regarding whether the student organization shall be exempted from control by the Board. The Board shall review and consider the Superintendent's or designee's recommendation and the information submitted and shall issue a determination regarding the exemption status of the student organization. If the Board determines that the student organization is in fact a non-exempt student organization, then it shall be subjected to the applicable law, Board policy, and any applicable Administrative Regulations regarding School Activity Funds. If a non-exempt student organization refuses to comply with the applicable law, policies, or Administrative Regulations regarding School Activity Funds, it shall not be entitled to utilize the District's property or facilities for any purpose.

_____In no manner will the board sanctioning of an organization preclude the organization from compliance with state and federal laws as they pertain to equal opportunity and treatment of all students. Gifts or services provided to the school should benefit both boys' and girls' activities.

_____The board of education reserves the right to revoke the sanctioning of any organization if it is found that the organization's operations and purpose are not consistent with the policies and procedures adopted by the board of education.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.
