(SCHOOL DISTRICT SEAL)

LEGAL SERVICES AGREEMENT FOR BOND COUNSEL SERVICES

THIS LEGAL SERVICES AGREEMENT (“Agreement”) is made, entered into, and effective as of February 6, 2023, by and between the Independent School District No. 27 of Canadian County, Oklahoma (“School District”) and Floyd & Driver, P.L.L.C, Norman, Oklahoma, (“Bond Counsel”), for the purpose of setting forth certain matters concerning the services Bond Counsel will perform on behalf of the School District in connection with the issuance of bonds, notes, or other evidences of indebtedness of the School District.

APPOINTMENT

The Board of Education of the School District hereby appoints Bond Counsel to serve as Bond Counsel for the issuance of the School District’s general obligation bonds, on a taxable basis, in the aggregate principal amount of not to exceed Eighteen Million, Two Hundred Sixty Thousand Dollars (\$18,260,000)(the “Bonds”) and to render such legal services as deemed necessary and appropriate to effect the issuance thereof.

SCOPE OF ENGAGEMENT

In this engagement, Bond Counsel shall perform the following duties:

- (1) Subject to the completion of proceedings to its satisfaction, render its legal opinion regarding the validity and binding effect of the Bonds, the source of payment and security for the Bonds, and the excludability of interest on the Bonds from gross income for federal income tax purposes (if applicable) and for State of Oklahoma income tax purposes (“Bond Opinion”).
- (2) Furnish full directions and steps necessary to be taken by the School District in compliance with the Constitution and Statutes of the State of Oklahoma and with the Internal Revenue Code of 1986, as amended and supplemented, and related regulations promulgated thereunder (“Code”) for the issuance of Bonds by the School District.
- (3) Review documents necessary or appropriate to the authorization, issuance, and delivery of the Bonds, including but not limited to resolutions, agreements, debt instruments, and trust indentures, and coordinate the authorization and execution of such documents.

The Bond Opinion will be addressed to the School District and will be delivered by Bond Counsel on the date upon which the Bonds are exchanged for their purchase price (the “Closing Date”).

The Bond Opinion will be based on facts and law existing as of the Closing Date. Bond Counsel will undertake no responsibility for updating, revising, or supplementing the

Bond Opinion to reflect any facts or circumstances that may hereafter come to Bond Counsel's attention or to reflect any changes in law that may hereafter occur. In rendering the Bond Opinion, Bond Counsel will rely upon the certified proceedings and other certifications of public officials and other persons furnished to Bond Counsel without undertaking to verify the same by independent investigation. Bond Counsel assumes the continuing compliance by the School District with applicable laws relating to the Bonds. The School District covenants to not use the Bond proceeds in any manner that would result in the loss of the federal tax-exempt status of the Bonds (if applicable). During the course of this engagement, Bond Counsel will rely on the School District to provide complete and timely information on all developments pertaining to any aspect of the Bonds and their security. The School District will direct members of its staff and other employees of the School District to cooperate with Bond Counsel in this regard.

LIMITATION OF ENGAGEMENT TO LEGAL SERVICES RENDERED

Bond Counsel's duties in this Agreement are limited to those expressly set forth above. Among other things, these duties do not include:

- (1) Assisting in the preparation or review of a preliminary or final official statement or any other offering document or any other disclosure document with respect to the Bonds, or performing an independent investigation to determine the accuracy, completeness, or sufficiency of any such document; or rendering advice that the official statement or other disclosure document does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.
- (2) Preparing requests for tax rulings from the Internal Revenue Service, or "no action letter(s)" from the Securities and Exchange Commission.
- (3) Preparing blue sky or investment surveys with respect to the Bonds.
- (4) Pursuing litigation.
- (5) Making an investigation or expressing any view as to the creditworthiness of the School District or the Bonds.
- (6) After the Closing Date, providing advice concerning any actions necessary to assure compliance with any continuing disclosure undertaking.
- (7) Representing the School District in Internal Revenue Service examinations or inquiries, or Securities and Exchange Commission investigations.
- (8) After the Closing Date, providing continuing advice to the School District or any other party concerning any actions necessary to assure that interest paid on the Bonds will continue to be excludable from gross income for federal income tax purposes.
- (9) Addressing any other matter not specifically set forth above that is not required to render the Bond Opinion.

It is further understood and agreed that this Agreement pertains only to legal services rendered to the School District with respect to the issuance of the Bonds and it is understood that future legal services of Bond Counsel to the School District may be the subject of a separate legal services arrangement independent of the scope of this engagement. After completion of the proceedings, changes may occur in the Code or other applicable laws or regulations. Bond Counsel has no continuing obligation to advise the School District with

respect to future legal developments unless specifically engaged to render legal services after the Closing Date.

Bond Counsel and the School District acknowledge that the School District shall be represented by Stephen H. McDonald and Associates, Inc., a municipal advisor pursuant to the terms of SEC Rule 15Ba1-1 (referred to herein as an “Independent Registered Municipal Advisor” or “IRMA”). Bond Counsel will provide legal advice and services and does not represent itself to be a financial advisor, municipal advisor, or a financial expert. Bond Counsel is excluded from the definition of “Municipal Advisor” and does not intend to provide any advice with respect to municipal financial products or the issuance of municipal securities outside of the scope of legal services and advice customarily rendered by bond counsel in public finance transactions. Notwithstanding the foregoing, in the event certain advice may be construed as beyond the scope of traditional legal services, the School District specifically acknowledges that Bond Counsel may avail itself of the IRMA exemption under SEC Rule 15Ba-1 on the basis that (i) the School District is represented by an Independent Registered Municipal Advisor not associated with Bond Counsel, (ii) the School District hereby advises Bond Counsel that the School District is represented by and will rely on the advice of its duly retained Independent Registered Municipal Advisor, and (iii) the School District has been advised that Bond Counsel is not a municipal advisor and owes no federal statutory fiduciary duty to the School District.

BOND COUNSEL-CLIENT RELATIONSHIP

Upon execution of this Agreement, an Bond Counsel-client relationship will exist between the School District and Bond Counsel. Bond Counsel assumes that all other parties to this transaction will retain such counsel as they deem necessary and appropriate to represent their interests. Bond Counsel further assumes that all other parties understand that in this transaction, Bond Counsel represents only the School District. Bond Counsel is not counsel to any other party and Bond Counsel is not acting as an intermediary among the parties. Bond Counsel’s services are limited to those contracted for in this Agreement and the School District’s execution of this Agreement will constitute an acknowledgment of those limitations. Bond Counsel’s representation of the School District will not impact the responsibility to render an objective Bond Opinion.

CONFLICTS

Bond Counsel represents many political subdivisions, companies and individuals. It is possible that during this representation of the School District, one or more of Bond Counsel’s present or future clients will have transactions with the School District. It is also possible that Bond Counsel may be asked to represent, in an unrelated matter, one or more of the entities involved in the issuance of the Bonds. Bond Counsel does not believe such representation, if it occurs, will adversely impact its ability to represent the School District as provided for in this Agreement, either because such matters will be sufficiently different from the issuance of the Bonds so as to make such representations not adverse to Bond Counsel’s representation of the School District, or because the potential for such adversity is remote or minor and outweighed by the consideration that it is unlikely that advice given to the other client will be relevant to any aspect of the issuance of the Bonds.

Execution of this Agreement will signify the School District's consent to our representation of others consistent with the circumstances described in this paragraph.

FEES

Based upon: (i) Bond Counsel's current understanding of the terms, structure, size, and schedule of the financing represented by the Bonds; (ii) the duties Bond Counsel will undertake pursuant to this Agreement; (iii) the time Bond Counsel anticipates devoting to the financing; and (iv) the responsibilities Bond Counsel will assume in connection therewith, our fee will be a sum equal to Five Thousand, Seven Hundred Fifty Dollars (\$5,750.00). If the financing is not consummated, Bond Counsel understands and agrees that it will not be paid its legal fee.

On the Closing Date, Bond Counsel will send the School District a statement of the fee and a request for payment, either by check payable to Floyd & Driver, P.L.L.C., or by wire to an account designated by Bond Counsel in the statement. Payment is due promptly upon receipt of Bond Counsel's statement.

MARKETING

The School District hereby grants to Bond Counsel the right to publicly acknowledge the School District as Bond Counsel's client on our website and in marketing materials. If at any point in the future the School District wishes to disallow the use of the School District's name for marketing purposes, the School District shall notify Bond Counsel of such desire in writing. Bond Counsel shall have thirty days to comply with such request, however Bond Counsel will be permitted to continue to distribute any material printed prior to that date notwithstanding the inclusion of the School District's name in such material, and Bond Counsel will not be required to remove any such material from circulation. Nothing in this paragraph shall be construed to relieve Bond Counsel of any of its duties under the Bond Counsel-client privilege referenced herein.

RECORDS

At the School District's request, papers and property furnished by the School District will be returned promptly upon receipt of payment for any outstanding fees. Bond Counsel's own files, including lawyers' work product, pertaining to the transaction will be retained by Bond Counsel. For various reasons, including the minimization of unnecessary storage expenses, Bond Counsel reserves the right to dispose of any documents or other materials retained by Bond Counsel after the termination of this engagement.

ELECTRONIC TRANSMISSION AND STORAGE OF DOCUMENTS

In the interest of facilitating Bond Counsel's services to the School District, Bond Counsel may send documents, information, or data electronically or via the Internet, or store electronic documents or data via computer software applications hosted remotely or utilize cloud-based storage. The County's confidential electronic documents or data may be transmitted or stored using these methods. Bond Counsel may use third-party service providers to store or transmit these documents or data. In using these electronic

communications and storage methods, Bond Counsel will employ reasonable efforts to keep such communications, documents, and data secure in accordance with Bond Counsel's obligations under applicable laws, regulations, and professional standards; however County recognizes and accepts that Bond Counsel has no control over the unauthorized interception or breach of any communications, documents, or data once it has been transmitted or if it has been subject to unauthorized access while stored, notwithstanding all reasonable security measures employed by Bond Counsel or its third-party vendors. County's acceptance of this Agreement constitutes County's consent to Bond Counsel's use of these electronic devices and applications and submission of confidential client information to or through third-party service providers during the term of this Agreement.

TERMINATION

Either the School District or Bond Counsel may terminate this Agreement at any time for any reason by the delivery of written notice to the other party, subject on the part of Bond Counsel to applicable rules of professional conduct. In the event that Bond Counsel terminates this Agreement, Bond Counsel will take such steps as are reasonably practicable to protect the School District's interests in the Bonds, including consultations with subsequent counsel and providing them with whatever records the School District has provided.

In the event of termination, all finished and unfinished documents prepared for adoption or execution by the School District shall, at the option of the School District, become property of the School District and shall be delivered to it or to any party it may designate; provided that Bond Counsel shall have no liability whatsoever for any subsequent use of such documents. In the event of termination by the School District, Bond Counsel shall have no future duty of any kind to or with respect to the Bonds or the School District, however nothing contained herein shall be construed to relieve Bond Counsel of any of its duties under the Bond Counsel-client privilege referenced herein.

CONCLUSION OF REPRESENTATION

Unless previously terminated as provided herein, Bond Counsel's representation of the School District will terminate upon Bond Counsel's delivery of the Bond Opinion and the sending of Bond Counsel's final statement for services rendered with regards to the Bonds. Following such termination, any otherwise non-public information the School District has provided which is retained by Bond Counsel will be kept confidential in accordance with applicable rules of professional conduct. Nothing herein shall be construed to relieve Bond Counsel of any of its duties under the Bond Counsel-client privilege referenced herein.

ISTELive 23 conference can help me leverage the technology we already have to improve my practice and drive student success.

At ISTE Live 23 in Philadelphia, I can select from hundreds learning opportunities that provide practical strategies I can put into practice with my team, administrators and teachers. I'll also have the chance to walk the expo hall to learn more about the tools we're using, get my questions answered and participate in live demos.

This year, ISTE Live is focused on discovering what's next in education, and I'm excited to learn how to use the technology we have to make our classrooms and technology even more student focused through approaches like project-based learning and groundbreaking collaboration methods.

I'll also have the chance to walk the expo hall to learn more about the tools we're using, get my questions answered and participate in live demos.

This year, ISTE Live is focused on discovering what's next in education, and I'm excited to learn how to use the technology we have to make our classrooms and technology even more student focused through approaches like project-based learning and groundbreaking collaboration methods.

In-person registration starts at \$545 and allows me to attend the conference this summer in Philly, and gives me access to 300+ recorded sessions for six months.

ITEM FOR CONSIDERATION
Board of Education Meeting
January 2023

TOPIC: District Landscaping Renewal Proposal for FY2023 (begins on January 1, 2023)

ADMINISTRATIVE RECOMMENDATION: The Administration recommends contracting Pitzer's Lawn Management, Inc., for landscaping services at the district's school and administrative sites.

RATIONALE FOR RECOMMENDATION: To improve the landscaping services at our district facilities and to enhance the curb appeal at each site.

OPTIONS:

1. Approve ...
2. Do not approve ...

FISCAL NOTE: This contract has 28 seasonal mowings and a limited spraying program (i.e., three sprayings per year of the site frontage areas). The bidding process this year provided a very large spread in pricing of over 45% between the high and low bids. While Pitzer's proposal is \$38,000 less than our current contract, we are still confident they can do a good job based on prior experience with their company.

YPS GOALS: Select the goal(s) that aligns with your item for consideration:

- Personnel-** We will recruit, retain, and compensate highly motivated educators that are committed to professional growth and excellence.
- Facilities-** Provide efficient, cost-effective facilities that address the learning needs of our students and enhance instruction.
- Communication** – We will develop a communication plan that provides transparent, accurate, and timely information to meet the needs of our District stakeholders, including employees, parents, students, and community members.
- Finance-** Our District will establish a financial plan that will inform and benefit all stakeholders.
- Professional Development** – We will create and implement professional development that is relevant and applicable to meet the needs of all educators.
- Curriculum** – We will establish a research-based curriculum to implement a viable, relevant, meaningful learning experience for all students.
- Instruction-** We provide meaningful learning with high expectations for all.

CONTACT PERSON: Jim Fenrick, CFO, and Mike Workman, Director of Buildings & Grounds
