SANCTIONING OF PARENT ORGANIZATIONS AND BOOSTER CLUBS

*Adoption Date:**Revision Date(s): 5/28/2020**Page 1 of 2*

The Yukon Public Schools Board of Education recognizes that the involvement of student achievement programs, parent-teacher associations, and other adult organizations are essential to the provision of quality educational services and are vital in fostering the community-school relationship. However, student achievement programs, parent-teacher associations, and other adult organizations and the funds raised by those programs, associations, and organizations may not be subject to control by the Board.

The Board shall annually sanction parent organizations and booster clubs, hereinafter referred to as organizations, which exist to promote a positive relationship between the District and the community by assisting and supporting the schools in recognizing and promoting student activities. Close communication will be maintained to ensure that the goals of the organizations are in compliance with the goals and policies of the District. The District shall incur no liability for the acts, errors, or omissions of any sanctioned organization. The Board will determine whether to sanction an organization by taking action on the recommendation of the Superintendent or his/her designee. Sanctioning will be contingent on compliance with the following criteria:

- A. The organization must be managed or operated by adults, rather than students, and will present its by-laws and/or constitution to the Board. These will differentiate the parent organization or booster club from any student organizations and will provide details of their structure including:
 1. Officers' names and addresses and their duties;
 2. Details of the process to elect officers and the length of each officer's term;
 3. Purpose and goals; and
 4. A detailed breakdown of the dues structure for the membership.
- B. No fundraising activities will be conducted within the school during school hours without proper notification to and approval from the Superintendent or his/her designee. Students will not participate during regular class periods unless approved by the Superintendent or his/her designee.
- C. The organization may not use District materials in advertising its activities. The use of District property by the organization for its activities will meet all regulations established by the Board.
- D. All funds raised will be used to achieve the stated purposes and goals of the organization. No stipends or administrative fees will be permitted to officers or others. If the organization is abolished or ceases to exist, all remaining funds after the financial responsibilities are satisfied shall be deposited into the general fund activity account.
- E. Contributions from the organization will not be accepted unless approved by the Board.
- F. The organization must maintain bank, financial, and tax-exempt status separate from the District. The organization will provide the Board, annually upon request, a complete set of financial records or detailed Treasurer's report.
- G. Any plan, project, or movement instituted to expand, modernize, renovate, or render maintenance to District controlled and/or owned properties, or provide academic achievement awards and other education recognition to students or student bodies will be presented to the Board in official session for its consideration, comment, evaluation, approval, and sponsorship. This must be done before any public announcement is made.

- H. Board sanctioning does not excuse an organization from complying with all state and federal laws as they pertain to equal opportunity and treatment of all students. The organization shall comply with applicable law, Board policy, any applicable Administrative Regulations regarding School Activity Funds, Title IX, and all other state or federal equity regulations. If the program, association, or organization refuses to comply with the applicable law, policies, and Administrative Regulations, it shall not be entitled to utilize the District's property or facilities for any purpose.
- I. The Board reserves the right to revoke the sanctioning of any organization if it is determined that the operation and purpose are not consistent with the policies and procedures adopted by the Board.
- J. If sanctioning is granted, the organization will not deposit any check, warrant, or money order made payable to District, or any individual District school into the organization's private bank account.

Student Organizations Exempt from School Activity Fund Limitations: All student organizations which are covered by the Equal Access Act (20 U.S.C. § 4071 et seq.) shall submit an application for recognition and exemption to the Superintendent. The Superintendent may request such information as is necessary to evaluate the application for exemption including, but not limited to, the following:

1. By-laws;
2. List of current officers;
3. Statement of purpose;
4. Statement of fund-raising methods and activities; and
5. Proposed schedule of fund-raising activities indicating the location, the dates, and the time of such activities.

The Superintendent or his/her designee shall review the application for recognition and exemption and shall make a recommendation to the Board regarding whether the student organization shall be exempted from control by the Board. The Board shall review and consider the Superintendent's or designee's recommendation and the information submitted and shall issue a determination regarding the exemption status of the student organization. If the Board determines that the student organization is in fact a non-exempt student organization, then it shall be subjected to the applicable law, Board policy, and any applicable Administrative Regulations regarding School Activity Funds. If a non-exempt student organization refuses to comply with the applicable law, policies, or Administrative Regulations regarding School Activity Funds, it shall not be entitled to utilize the District's property or facilities for any purpose.

_____ In no manner will the board sanctioning of an organization preclude the organization from compliance with state and federal laws as they pertain to equal opportunity and treatment of all students. Gifts or services provided to the school should benefit both boys' and girls' activities.

_____ The board of education reserves the right to revoke the sanctioning of any organization if it is found that the organization's operations and purpose are not consistent with the policies and procedures adopted by the board of education.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Dear Sir or Madam:

This is in response to your request dated August 24, 2021, for information about your tax-exempt status.

We issued a determination letter to you on October 2005, and you're currently exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also recognized the subordinates on the list you submitted as exempt from federal income tax under IRC Section 501(c)(16).

For federal income tax purposes, donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106 and 2522.

Because IRC Section 170(c) describes your subordinate organizations, donors can deduct contributions they make to them.

For information about filing requirements visit www.irs.gov/charities. Specifically, IRC Section 6033(j) provides that if you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

In addition, each subordinate organization is subject to automatic revocation if it doesn't file a required return or notice for three consecutive years. Subordinate organizations can file required returns or notices individually or as part of a group return.

If you have questions, you can call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Keep a copy of this letter for your records.

Dear Sir or Madam:

This is in response to your request dated August 24, 2021, for information about your tax-exempt status.

We issued a determination letter to you on October 2005, and you're currently exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also recognized the subordinates on the list you submitted as exempt from federal income tax under IRC Section 501(c)(16).

For federal income tax purposes, donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106 and 2522.

Because IRC Section 170(c) describes your subordinate organizations, donors can deduct contributions they make to them.

For information about filing requirements visit www.irs.gov/charities. Specifically, IRC Section 6033(j) provides that if you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

In addition, each subordinate organization is subject to automatic revocation if it doesn't file a required return or notice for three consecutive years. Subordinate organizations can file required returns or notices individually or as part of a group return.

If you have questions, you can call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Keep a copy of this letter for your records.

Sincerely,

Stephen A. Martin

IF YOU WRITE, ATTACH THE
STUB AT THE END OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 93-2062959. This EIN will identify your entity, accounts, tax returns, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for business and tax purposes. Some taxpayers receive CP575 notices when another person has stolen their identity and are operating using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status, organizations must complete an application on one of the following forms: Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1024, Application for Recognition Under Section 501(a); or Form 1024-A, Application for Recognition of Exemption Under Section 501(c)(4) of the Internal Revenue Code.

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

If you become tax-exempt, you will lose tax-exempt status if you fail to file a required return or notice for three consecutive years, unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File). We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter. For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Dear Sir or Madam:

This is in response to your request dated August 24, 2021, for information about your tax-exempt status.

We issued a determination letter to you on October 2005, and you're currently exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also recognized the subordinates on the list you submitted as exempt from federal income tax under IRC Section 501(c)(16).

For federal income tax purposes, donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106 and 2522.

Because IRC Section 170(c) describes your subordinate organizations, donors can deduct contributions they make to them.

For information about filing requirements visit www.irs.gov/charities. Specifically, IRC Section 6033(j) provides that if you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

In addition, each subordinate organization is subject to automatic revocation if it doesn't file a required return or notice for three consecutive years. Subordinate organizations can file required returns or notices individually or as part of a group return.

If you have questions, you can call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Keep a copy of this letter for your records.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 93-1999728. This EIN will identify your entity, accounts, tax returns, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for business and tax purposes. Some taxpayers receive CP575 notices when another person has stolen their identity and are operating using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status, organizations must complete an application on one of the following forms: Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1024, Application for Recognition Under Section 501(a); or Form 1024-A, Application for Recognition of Exemption Under Section 501(c)(4) of the Internal Revenue Code.

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

If you become tax-exempt, you will lose tax-exempt status if you fail to file a required return or notice for three consecutive years, unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File). We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter. For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

Dear Sir or Madam:

This is in response to your request dated August 24, 2021, for information about your tax-exempt status.

We issued a determination letter to you on October 2005, and you're currently exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also recognized the subordinates on the list you submitted as exempt from federal income tax under IRC Section 501(c)(16).

For federal income tax purposes, donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106 and 2522.

Because IRC Section 170(c) describes your subordinate organizations, donors can deduct contributions they make to them.

For information about filing requirements visit www.irs.gov/charities. Specifically, IRC Section 6033(j) provides that if you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

In addition, each subordinate organization is subject to automatic revocation if it doesn't file a required return or notice for three consecutive years. Subordinate organizations can file required returns or notices individually or as part of a group return.

If you have questions, you can call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Keep a copy of this letter for your records.

Sincerely,

You do not currently have an EIN on file! To obtain an EIN, we need the name and SSN of a current officer of your organization. You may call in the required SSN to PBUSA's support center at 407-347-0063. **PBUSA shreds the SSN after it is used. We do not store the SSN in our computer systems.** Please be aware that PBUSA will not obtain an EIN for your organization until Articles of Incorporation are filed with the state on your organization's behalf.

Dear Sir or Madam:

This is in response to your request dated August 24, 2021, for information about your tax-exempt status.

We issued a determination letter to you on October 2005, and you're currently exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also recognized the subordinates on the list you submitted as exempt from federal income tax under IRC Section 501(c)(16).

For federal income tax purposes, donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106 and 2522.

Because IRC Section 170(c) describes your subordinate organizations, donors can deduct contributions they make to them.

For information about filing requirements visit www.irs.gov/charities. Specifically, IRC Section 6033(j) provides that if you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

In addition, each subordinate organization is subject to automatic revocation if it doesn't file a required return or notice for three consecutive years. Subordinate organizations can file required returns or notices individually or as part of a group return.

If you have questions, you can call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Keep a copy of this letter for your records.

Sincerely,

Stephen A. Martin
