**OKLAHOMA DEPARTMENT OF CAREER AND TECHNOLOGY EDUCATION
CONTRACT FOR SECONDARY CAREER AND TECHNOLOGY EDUCATION PROGRAM(S) FOR SCHOOL YEAR 2023-2024**

It is understood and agreed that Oklahoma Career and Technology Education funds will be used to assist in the development and maintenance of a Career and Technology Education program that meets the standards, provisions, and requirements contained in the State Plan for Career and Technology Education, the CareerTech state rules and regulations, and policies pertaining to Career and Technology Education, state laws, and federal policies pertaining to Career and Technology Education. The aforementioned district will provide the funds necessary for quality programs and report such expenditures to the Oklahoma Department of Career and Technology Education (ODCTE). All programs supported under this contract have been coordinated with other training agencies and institutions in the area.

It is also understood and agreed that necessary records shall be kept, and all reports required by the State Board shall be submitted to the appropriate area of ODCTE by the established due date. The Salary and Teaching Schedule, **due by September 30, 2023** is one of these reports and is considered a part of this contract in addition to CESI Enrollment and Follow-Up reports. Those programs delinquent in submitting accurate reports are subject to having reimbursement withheld or withdrawn by ODCTE.

The program(s) on the listed attachment shall have an established local advisory committee to assist in their development and/or direction.

The teacher(s) of the program(s) listed herein shall have a valid teaching certificate in the specific subject matter area. Other Career and Technology Education personnel involved in the delivery of the programs listed shall meet the minimum requirements for the duties and responsibilities for which funds are requested.

It is understood that program(s) provided for in this contract, as indicated on the list of programs included with this contract, and the Salary and Teaching Schedule, shall be operated for ten or twelve calendar months. Ag Education is a twelve (12) month program. All other CTE programs follow the school calendar. Should any program(s) not be operational for the entire period and led by a certified instructor(s) as indicated on this contract, it is understood that funding will be reduced proportionately.

Program assistance funds received from ODCTE shall be spent on CareerTech programs and will be coded to 412. Salary supplement received from ODCTE shall be coded to 411.

Furthermore, the aforementioned school district certifies that all such program(s) listed in this contract are open with respect to equal access to males and females and that disabled students who, under the direction of a planning committee apply for admission, are provided Career and Technology Education as specified in the Individual Education Plan (IEP) as appropriate.

This contract, once signed and completed, should be returned to emilia.contardi@careertech.ok.gov **no later than September 30, 2023**.

Pool Procedures

ROUND ROBIN:

Rounds 1-5 will be used to determine the best two wrestlers in each pool. Wrestlers will be awarded “good points” in each round robin match. These “good points,” besides serving as team points, may also help determine advancement. The top two wrestlers in each pool will advance to the eight-man championship bracket. The 3rd and 4th place finishers in the pool will be placed in a single elimination 8 man bracket that will be wrestled in the A gym.

Pool Rounds Pairing

Round 1	Round 2	Round 3	Round 4	Round 5
A vs. B	A vs. C	A vs. D	A vs. E	A vs. F
C vs. D	B vs. E	B vs. F	B vs. D	B vs. C
E vs. F	D vs. F	C vs. E	C vs. F	D vs. E

Criteria for advancement to the medal rounds are as follows. In the event that wrestlers have the identical pool record, head-to-head competition in the pool determine the order of advancement. If three wrestlers have identical records, criteria below will be followed until the top wrestler is identified and then head-to-head competition will be used to determine the order of the successful wrestlers.

1. Record
2. Head to Head
3. Good Points
4. Unsportsmanlike conduct
5. Most Falls
6. Most Nearfall Points
7. Most Takedowns
8. Most Reversals
9. Most Escapes

We have gone to tournaments like this many times without any incidents and we expect the same this year. The ability for Yukon teams in the future to be able to attend out of state events depends upon the behavior of those within this group. That is why there will be NO Tolerance for misbehavior or the student/athlete could be removed from the team and sent HOME at the expense of the parent.

I acknowledge that I have been informed about the expectations and consequences for my son to attend this event. I give permission for him to participate in this event.

LEE'S SUMMIT HOLIDAY INVITATIONAL TOURNAMENT

Pool Procedures

ROUND ROBIN:

Rounds 1-5 will be used to determine the best two wrestlers in each pool. Wrestlers will be awarded “good points” in each round robin match. These “good points,” besides serving as team points, may also help determine advancement. The top two wrestlers in each pool will advance to the eight-man championship bracket. The 3rd and 4th place finishers in the pool will be placed in a single elimination 8 man bracket that will be wrestled in the A gym.

Pool Rounds Pairing

Round 1	Round 2	Round 3	Round 4	Round 5
A vs. B	A vs. C	A vs. D	A vs. E	A vs. F
C vs. D	B vs. E	B vs. F	B vs. D	B vs. C
E vs. F	D vs. F	C vs. E	C vs. F	D vs. E

Criteria for advancement to the medal rounds are as follows. In the event that wrestlers have the identical pool record, head-to-head competition in the pool determine the order of advancement. If three wrestlers have identical records, criteria below will be followed until the top wrestler is identified and then head-to-head competition will be used to determine the order of the successful wrestlers.

1. Record
2. Head to Head
3. Good Points
4. Unsportsmanlike conduct
5. Most Falls
6. Most Nearfall Points
7. Most Takedowns
8. Most Reversals
9. Most Escapes

We have gone to tournaments like this many times without any incidents and we expect the same this year. The ability for Yukon teams in the future to be able to attend out of state events depends upon the behavior of those within this group. That is why there will be NO Tolerance for misbehavior or the student/athlete could be removed from the team and sent HOME at the expense of the parent.

I acknowledge that I have been informed about the expectations and consequences for my son to attend this event. I give permission for him to participate in this event.

Futurescapes of Interdisciplinary Inequality Research in the E/BD Field

In this keynote I address key challenges facing special education researchers in the 21st century. I argue the E/BD research community has significant opportunities to refine the conceptualization and implementation of research through interdisciplinary cross-fertilizations. This is particularly important for the examination of disability intersections with race, language, social class, and gender. I contextualize this discussion by outlining the tensions emerging from two major developments in the last two decades of this century, namely an unprecedented reckoning with racial injustice and the refashioning of deficit framings. I note how these trends have become visible in E/BD identification research and inquiries on discipline inequalities. I conclude with the delineation of futurescapes for E/BD research calling attention to intersectionality, contextual influences (including cultural and organizational dimensions), and emic perspectives.

2023 DEBH President's Address

Students with EBD in Educational Research: Who are We Serving?

The term emotional and behavioral disorders (EBD) refers a much broader group of students beyond those served under the emotional disturbance eligibility category. As we seek to understand which practices are evidence-based for students with EBD, how we classify and identify students is critical. Let's explore findings from a systematic review of intervention research from the past ten years highlighting classification and identification procedures to better understand who we are serving.

Victor,

Thank you for considering our facility for your event. Please read through this contract thoroughly. If you have any questions regarding the use of this facility, contact Wes McAtee at 405 517-6229.

New this year: (may or may not apply to your program)

1. Needed with the signing of your contract: Digital graphic Logo of your program to be used to promote your show on our web site and Facebook Page. A program cover, title of your event will also be helpful. A digital copy of your program.
2. I have included a link to the video order form to help with pre-sales. Please distribute this link to your customers. Videos are now delivered on a thumb drive.
3. **Please try to keep all flowers out of the house. Something in the water is staining the carpet. Plant food we suspect.**
4. **We are moving from DVD's to Digital files on thumb drives or downloads this year for our video sales.**
5. **A cleaning fee of \$200 will be added to each contract starting this year.**

Suggestions to help you control food and drinks from entering the auditorium:

1. Notify all participants including stage crews, technicians and merchandisers of the rules in advance.
2. Make signs to direct all participants to enter at the back stage doors for practice.
3. Inform all parents, participants, and patrons that food and drink are not allowed in any of the carpeted areas. Bring food and drinks for participants to door #5, back stage entrance.
4. Move your check-in or registration for practice to the back stage entrance door #5 instead of the lobby.
5. Make sure you and your staff set good examples. If you disregard or break the rules, others will also.

While our intent is to do everything we can to make your program a success, the food and drink issue is a problem and it takes a lot of time to deal with. Our time could be better spent taking care of your needs and not dealing with this issue. It is your responsibility to deal with this issue.

Currently we are considering three options concerning the food and drink problem:

1. Allow you the opportunity to take care of the issue by doing a better job of informing your staff, students, and the audience about the rules concerning food and drinks. This includes making announcements throughout practices and performances reminding the audience and participants that food and drinks are not allowed in any carpeted areas.
2. Stop allowing users that do not support or enforce our policies and rules, to use this facility.
3. Stop renting the facility.

Sincerely,

Wes McAtee, Director
Yukon Fine Arts Center

Victor Gramillo
Jehovah's Witnesses Circuit #7
6212 N Wildewood Dr.
Oklahoma City, OK 73105

Dear Victor,

Enclosed is your contract for the use of the Yukon Public Schools Fine Arts Center.

Conditions for Rental

First time renters are required to schedule a meeting with the auditorium manager to make a site visit to discuss the nature and details of your program. The terms of the contract will be discussed at this meeting. No contract will be issued without a site visit and meeting with the auditorium manager. First time renters must sign their contract in the presence of the auditorium manager.

Due Dates

This contract must be returned within 30 (thirty) days of its origination. The due date is posted on page five (5), seven (7), and nine (9) of the contract. Return only the contract and schedule page five (5) & six (6) with your deposit. Pages (1-4 & 7-19) are for your records. The date(s) you requested will be held until the **first** due date posted on the contract. (pages 5, 7, & 9) **If your contract and deposit is not received by the first due date, you will forfeit the date(s) you have requested. No exceptions.**

Please complete your contract by making sure the information regarding your contact information and schedule times (pages 5- 8) are correct. Initial, sign, date and return it with your deposits on or before the due date. Any changes need to be approved by the Fine Arts Center manager **before** you sign and send in your contract.

Deposits

There are three deposits required to rent this facility:

- (1). The first deposit is due with the contract, thirty (30), days from contract origination. (pages 5, 7, & 9)
- (2). The second deposit is due no later than forty-five (45) days from the start of your program. (pages 5, 7 & 9)
- (3). If the origination date of the contract is less than forty-five (45) days from program date, the first and second deposits will be combined to reflect the total required deposit which is 75% of the estimated charges. This deposit will be required from you before you will be allowed to use the building.
- (4). The third deposit (\$400.00 cleaning) is also due no later than forty-five (45) days from the start of your program. (pages 5, 7 & 9)

The deposits (made payable to Yukon Public Schools) must be paid by cashiers checks with the final remaining balance paid by company check or cash at close of your event. The amount of your building **rental deposit is 75% of the total estimated cost. This is an estimate.** Your actual cost will be determined when your program is finished, the building is inspected and released. *Release of the building is determined by the following:* All participants and audience members have vacated the building, the building has been checked for cleanliness, and all equipment has been restored to the condition it was in before the set-up of your program. The renter must meet with the auditorium manager immediately following the inspection to discuss the program and go over the results of the inspection. **The cleaning deposit is refundable if the building is left in broom swept condition. Use of glitter in any form (Including on Costumes) will be an automatic forfeit of your deposit.**

Cancellation and Refunds

If you cancel for any reason, the deposits are non-refundable. Should Yukon Public schools find it necessary to cancel your function; the entire amount will be refunded. Yukon Public Schools will not be liable for any loss of revenue

to the renter, subcontractor, or vendor that may occur in the event of a cancellation. Yukon Schools reserves the right to cancel for reasons of health, safety, building modification, state mandated restrictions or unexpected need of use.

Hourly Rates and Charges

This facility is rented by the hour in 30-minute increments. You will be charged the same hourly rate anytime you use the building. This includes set-up, practice and program times, any time the doors are open for public entrance, exit, shut down and cleaning after the event. You will be charged until the building is in broom-swept condition and is released by the building manager. There is a minimum set-up time of two (2) hours applied to the cost of your rental. Any adjustment to this time will be subject to manager approval. Your **estimated** cost will be determined by the times you submit for your set-up, practice, program, strike, clean-up, opening and closing of the building. The **actual** cost will be the total time the facility is used for your program less any breaks between practices and programs where the building is closed and not in use. **The final balance is due when the building is released by the manager.** The hourly rate is determined by the type of program; in district/out of district, profit/nonprofit. The hourly rate is reflected on page five (5 & 7) of the contract (**see rate per hour**).

Approval and Rights of Refusal

The Board of Education has final approval for the use of the Fine Arts Center. Your contract will be presented to the Board of Education for their consideration. School Board meetings are generally on the first Monday of each month. Upon approval, contracts will be placed on the district calendar and on the Fine Arts Center's calendar. If your request is denied by the School Board, you will be notified within ten days following the board meeting with an explanation for the denial. Yukon Public Schools reserves the right to refuse rental of the Fine Arts Center to anyone for any reason.

Staff and Technicians

Yukon Public Schools agrees to furnish the following staff for your event: one (1) manager, one (1) security officer, Six (6) technicians and one (1) usher for your event. You will need to contact the auditorium manager if you need additional personnel. If it is determined that your event will need additional personnel, a fee of \$15.00 per hour will be added to your total bill for each additional worker for the duration of your program. It is the responsibility of the renter to provide for crowd control, ticket takers and staff for positions where money is exchanged. If the renter does not provide sufficient crowd control, additional ushers will be hired. The renter will be responsible for the charges at a rate of \$15.00 per hour per usher.

Operation of Equipment

Yukon Public School trained technicians will operate the equipment at the Fine Arts Center. If you bring equipment to use for your program, it is your responsibility to provide a technician for set-up and operation of that equipment. Yukon Public Schools accepts no responsibility for failure of your equipment or problems that may occur during operation of equipment provided by the renter.

Insurance Requirements

All programs considered outside the scope of school sponsored events are required to carry a special event insurance policy. This certificate must be presented to the auditorium manager no later than **10 days before your event**. If a certificate is not on file by the required date (see page 5, 7, & 9), your contract will be canceled. Requirements are:

GENERAL AGGREGATE \$1,000,000
PRODUCTS-COMP/OPS \$1,000,000
PERSONAL & ADVERTISING INJURY \$1,000,000
EACH OCCURRENCE \$1,000,000
FIRE DAMAGE \$50,000
MEDICAL \$5,000

*** NOTE* YUKON PUBLIC SCHOOLS NAMED AS ADDITIONAL INSURED**

If your insurance certificate does not have these requirements, it will not be accepted and your program will be subject to cancellation Email certificates to: wes.mcatee@yukonps.com.

Rules and Regulations

Rules and regulations are strictly enforced. Failure to comply could result in immediate cancellation of your program at any time during occupation of the building. Failure to comply with rules and regulations will be sufficient cause to deny future use of this facility. (See rules and regulations page 10).

Sub-Contractors & Merchandising

It is the responsibility of the renter to notify the auditorium manager of any sub-contractors that will be using the building during your program. This includes video, floral, sound, lighting, merchandising, photography, catering companies, deliveries, etc. It is the responsibility of the renter to inform sub-contractors of the rules and regulations regarding the auditorium. The renter is responsible for sub-contractors while they are on the property.

Merchandising: The sale of non-consumable goods is allowed to be sold as merchandising in the lobby. The sales of food or drink of any kind is not allowed in the building or on the premises. Complimentary food items or drinks for the public are not allowed. The sale of items containing dyes or chemicals that could be broken are not allowed. At this time, there is no fee for merchandise sales but we reserve the right to add fees.

Catering for Talent and Crew

Food for talent and crew is allowed backstage in the green room, blue room, dressing rooms, make-up rooms, off stage and wing areas. Food for merchandisers and staff may be consumed in the lobby. Food and drink is not allowed in any of the carpeted areas or on stage. Deliveries of food can be brought to the building through the east or west back stage entrance only. Water for performers is allowed on stage but the renter assumes responsibility for any damages to the stage floor or equipment that may be caused by water.

Food for staff and crew is required under the following circumstances:

1. If Set-up, practice or program takes place during a meal time, 8:00am – 9:00am, 12:00am – 1:00pm, 5:00pm – 6:00pm, 11:00pm – 12:00am.
2. If workers are scheduled to work one hour before or after the duration of each meal time, it is the responsibility of the renter to provide food and drink sufficient to be considered a meal.
3. If workers are scheduled to work more than a four (4) hour duration, a 30 minute on site food break with food provided is required or a 1 hour off site break with compensation of no less than \$10 per worker to be paid directly to each worker.

Animals

Animals are not allowed in the building. The following exceptions apply:

- 1 The animal is part of a demonstration or act (with prior approval of the auditorium manager).
2. The animal is needed to aide a person with a physical disability. (proof is required that the animal is certified and registered for this purpose.)
3. The animal is used by Yukon Public Schools for security or drug detection.
Proper supervision of such animals is required at all times.

Changes

Changes to your program must be submitted in writing. Email is acceptable with a read receipt. All changes must be approved by the auditorium manager.

Playback Video for Your Production

We can play a video or Power Point during programs. We can accept Digital format Thumb Drive, Flash Drive, SD Card, Power Point 2010.

***All media will be loaded on our playback device. If you want to playback from other devices you must test the device on our system one week before the program.**

Please be respectful of the deadlines and guidelines so practices and programs can go smoothly with less stress.

Deadlines:

Play a video you have created: One (1) week before your practice or program

Make a video for you: Two (2) weeks before your practice or program

MASTER AUDIO FOR YOUR PROGRAM

***Note* ALL MUSIC IS PLAYED THROUGH A DIGITAL PLAYER. ALL MEDIA WILL BE LOADED INTO OUR DIGITAL PLAYER FOR PLAYBACK (MP3 format only)**

OPTIONS FOR SENDING US YOUR MUSIC FILES: FILE FORMAT IS MP3 ONLY

- 1. Email. It is best to set up a google email and send that way.**
- 2. Bring us a Flash drive with your songs in order numbered and named as: 001 (two spaces) Name of song, 002(two spaces) Name of song, and so on. (please name it the actual name of the song if possible).**
- 3. Bring us a CD with your songs in order and named properly**
- 4. Bring us a hard drive with your songs in a folder with the date of your program and your dance company's name and description. Ie. 12-16-23 Dance Phase Music**

If you have another device that you would like to use for playback, you must supply a technician to set-up the device and operate it. Yukon Public Schools takes no responsibility for the operation of your equipment. The Fine Arts Staff or designated technicians will be responsible for hooking up your device to our equipment.

When you create your master your song list must be in order.

If you bring us a CD, label your CD with the company name, Title of the Program and the Date of the program. We will download the CD and load it into our digital audio player.

Each song needs to start with 0 lead-in time so audio starts when that track is activated. Two Seconds maximum at the end of the track. Each track will play individually stopping at the end of each song.

If you are making your own Master for a program, follow this format:

Edit tracks to start at 0 lead-in time and 2 seconds at the end of the track. No lead-in time starts the track immediately and the 2 second at the end of the track is all that is needed. If you use this format for your master your program will go much smoother.

Number your tracks 001 (two spaces) Name, 002 (two space) Name, (two spaces) 003 Name, Etc. Each track should have a three digit number and a name.

Normalize Each Track Separately before you make your master. Format each song as a MP3

If you do not have the equipment to edit audio, we can help you. We use editing programs that allows us to edit the lead-in and lead-out time but also has many other features such as noise reduction, click and pop removal, fade in, fade out, normalization. We can also change the key of a song without changing the tempo. We can reduce hiss and noise. We can seamlessly compile multiple songs into one. One of the best features is we can normalize the master. This means each track is played back at nearly the same volume so the director does not have to continually ask for levels to be increased or decreased. You may already have this equipment or have someone to do this for you. In any case, if you follow the format for the lead-in and lead-out times, Normalize each song, your master will be much easier to use. Be sure to number (001) and name each track so it can be identified on the playback equipment.

We can make a compilation of songs into one song or put your whole master together for you. Editing music is

a time consuming process so please follow the guidelines below so we can do our best for you.

Charges include:

Audio Editing per track: \$4.00 per song.

Lengthen, shorten, cut & spliced, normalization, sweetening, 0 lead-in/2sec lead-out.
You will need to provide us with time code & tracking for each song you need edited.

Mixing and editing multiple songs into one track \$5.00 per song.

Lengthen, shorten, cut & spliced, normalization, sweetening, 0 lead-in/2sec lead-out.
You will need to provide us with time code & tracking for each song you need cut.
Assembled into one track with no gaps between songs.

Compile multiple songs into one track: \$3.00 per song.

One track Mix or with fades between each song.

Production Master

Each song on one track unless it is a compilation of songs.

No space before the song starts and 2 seconds at the end.

All Media will be loaded to our digital player. The player will pause after each track.

Name each song like this: 001 Name Group or person performing

Song numbering correlates with CUE numbers for your program.

All songs are to be numbered in sequential order from start to finish i.e. (001- 108) regardless of the number of Acts you might have. DO NOT number act too as 001 or 201. Act II should begin sequentially after the last number in Act I

Email Editing

You may also email your music to be edited. We can work over the phone and I can email the final cut back to you. Fast and easy, very efficient. We do love to help but editing takes time so we have to charge.

Please bring any media you want played on one a thumb drive/flash drive or portable hard drive. You can email files in mp3 format to the email address below.

This information should help you to better understand what we can do for you and your program. If we work together it will help make your program go smoothly with less stress for you and everyone involved.

If you have any suggestions or questions, please contact me at 354-8356 or drop me an email. or

ITEM FOR CONSIDERATION
Board of Education Meeting
10-2-2023

TOPIC: Change for Special Education Incentive (Certified)

ADMINISTRATIVE RECOMMENDATION: The Administration recommends approval of a change in the Certified Special Education Incentive from 5% to 7.5%.

RATIONALE FOR RECOMMENDATION: To provide a competitive and comparable incentive for our 102 certified special education teachers and specialists. Surrounding districts are already paying 7% to 7.5% with many also providing additional retention stipends. Recruiting and retaining special education teachers is critical to our overall student services and meeting Federal and State requirements.

OPTIONS:

1. Approve the change to the Certified Special Education Incentive
2. Do not approve the change to the Certified Special Education Incentive

FISCAL NOTE: The increase will cost approximately \$168,438 from the general fund.
